150 INSCRIBED NAME BRICKS were delivered to the Chelsea Depot Thursday, May 11. Depot board members were on hand to assist in placing them inside the depot. This summer they will be installed in the historic sidewalk

next to the restored railroad depot on Jackson St. From left are Veretta Whitaker, Elmer Kiel, Marge Hepburn, Clara Smith, and Gloria Mitchell (bending over).

Engraved Bricks Still Available For Depot Assoc. Historic Walk

Chelsea Depot Association's first order of 150 inscribed bricks was delivered to the Chelsea Depot on May 11. Members were on hand to help set the bricks around the edge of the large east meeting room where they will be stored until installation in the sidewalk at the depot this summer.

Brick chairman Veretta Whitaker said, "Many Chelsea families have asked for five, six, even a dozen forms for bricks. They are giving a lot of thought to this... buying bricks not only for themselves, but for their children, grandchildren, and deceased relatives."

"There will be another engraving order placed before construction begins around the depot. People still have a couple of months to place their order and have their bricks included in this project," said Veretta. "Now is

the time for those who have said they want to purchase bricks to help finish the depot. We're more than half way there with donations at \$15,000. However, once the sidewalk is completed this summer, blank bricks will be mixed with the inscribed bricks and may be ordered "to be inscribed" at a later date.

Preliminary site plans were received by the Depot Association at their April 5 annual meeting. Lee Fahrner explained the site plan which showed the sidewalk on the north side of the depot stretching from Main St. to East St. The plans included landscaping, paved parking and two new street lights. These projects included landscaping, paved parking and two new street lights. These projects next to the depot are the Chelsea Downtown Development organization's first ma-

jor contribution to the improvements of downtown Chelsea, and the sidewalk and completion of the depot building is the portion the brick campaign was planned for by the Depot Association.

Brick order forms may be picked up at the depot Monday, Thursday and Saturday, or at Heydlauff's. Forms may also be obtained by contacting any Depot Association trustee: Lee Fahrner, Marge Hepburn, Gloria Mitchell, Kathy Clark, Elmer Kiel, Dudley Holmes, Jr., Lynda Collins, Clara Smith, Walter Berjeski, and Veretta Whitaker.

The depot is open 10-3 Monday and Thursday, and 1-3 on Saturday. Chamber of Commerce's telephone is 475-1145, and the Chelsea Historical Society's phone is 476-9330.

DNR Waiting for Study Results Before Starting Landfill License Review

It's possible the Village of Chelsea could have its new landfill operating license by the end of June.

But don't count on it. This week or early next week the village is scheduled to submit the final pieces of information necessary for the DNR to begin its review of the village's license application.

Village consultant Lee Fahrner said Monday that final tests are being conducted this week concerning the tracer system and the results could be put into report form by early next week. The tracer system will provide a way to determine whether the new landfill cell is leaking once the village begins using it.

Once the DNR deems it has all the required information, it has 90 days to review the application. That period would expire in late August.

"We could have it completed in 30 days, maybe sooner," said Lonnie Lee, district director of the Waste Management Division.

"It depends on our workload. We'd like to get the review done as soon as possible."

Lee said DNR is involved with some type of negotiations or corrective action at almost every landfill in his district.

Meanwhile, the village may soon have to make a decision about where to stash its trash. It's getting to the point that the only space left will be an area the village had hoped to keep open for access to the new cell. If it is forced to use that area, a new road

will eventually have to be built, assuming the village is granted a new license.

"That will just run the village into more expense," Fahrner said.

The village is also pricing out garbage trucks in case trash has to be hauled to another landfill. Even if the license is granted, the village is considering hauling its own trash after

the current contract with BFI expires this fall. That, among other things, would enable the village to set up more easily its own mandatory recycling program, which it is also studying.

Village officials have all but given up hope of having a spring pick-up. Summer or fall seem to be more likely.

Margot Koenn Dies In One-Car Crash

Lifelong Chelsea-area resident Margot (Murphy) Koenn was killed in a one-car accident early Sunday morning in Ann Arbor.

According to Ann Arbor police, Koenn was westbound on Pauline Blvd. at 4:31 a.m. when her late model Buick left the road and struck a tree in a lawn extension near Pauline and Van Dusen St. She was taken to University of Michigan Hospital, where she died.

Police said from their initial analysis that Koenn's vehicle was

traveling at a high rate of speed and may have been a contributing factor in the accident.

Koenn was not thrown from her vehicle and police said they did not know whether she was wearing a seatbelt.

Police said there was one witness to the accident who left the scene before police arrived. They are asking that person to step forward and talk to police.

There were no other passengers in Koenn's vehicle.

Kennedy, Papo Reach Agreement on Water

Developers Mike Kennedy and Rene Papo have reached an agreement concerning stormwater run-off from Polly's Market and the future Village Mall.

The agreement essentially allows Kennedy to dump the water from the market and the mall onto Papo's adjacent property until the Pierce Lake drain is constructed, whether publicly or privately.

For the time being, Kennedy will not have to install an expensive pump station to handle the water.

As part of the agreement, the village has dropped all complaints against Papo that stemmed from the filling in of a pond next to Polly's Market.

The stormwater from Polly's had always emptied into the pond. When Papo had the pond filled during the winter, the village forced Kennedy to stop construction of the mall and come up with another way to deal with the water.

Kennedy said last week that he and Papo are exploring the possibility of building the drain privately and splitting its cost. The drain would flow to Pierce Lake.

Another solution that has been discussed is having Kennedy pump his stormwater under M-52 into an existing drain.

Village Gives \$500 Scholarship

For the second year, Chelsea Village Council has voted to give \$500 to the Chelsea High School Scholarship Fund.

The action came at the council's May 2 meeting.

The money will be given to a student interested in pursuing an education in political science or other government-related field.

The money was not included in the village's 1988-89 budget.

ROAD WORK HAS STARTED on the new Upland Hills subdivision between Trinkle Rd. and Old US-12, east of Harper Dr. This will be the main entrance off Old US-12. The main road is scheduled to end in a cul de sac. Harris

Homes, Inc. of Livonia is the developer. Twenty homes are scheduled to be built. Lima township still has to approve the plat before actual home construction can begin.

Residential Building Activity Is High in Western Washtenaw

The number of new residential building permits issued in Washtenaw county in 1988 was up slightly from 1987 thanks in large part to building activity in the western part of the county.

According to a report titled "Residential Construction," released by the Southeast Michigan Council of Governments, residential building permits for the county totaled 2,876, up from 2,517 in 1987 and 1,638 in 1986, a rise of 6.4 percent.

The report shows that Scio township was the fastest growing area west of Ann Arbor, with a total of 284 permits issued, 138 for single family homes and the rest for multi-family units. The number of new single-family homes was the highest in the county, with Ann Arbor trailing at 137.

Dexter township was second with 78 permits issued, all for single family homes.

Village of Chelsea began what could be called a building boom after many years of inactivity. Fifty-six permits were issued, 18 for single-family homes and 38 for multi-family dwellings, most of those due to the Bridgetown and Quiet Creek condominium projects. Building permits this year could be even higher as Bridgetown continues to build and Belser Estates gets off the ground.

Other townships around the village also contributed to the county total. Lyndon township had permits for 22 single-family homes, Lima township had 30 permits for single-family homes, and Sylvan township had permits for 25 single-family homes.

Village of Dexter had 26 building permits, and all but two were for multiple-family dwellings, reflecting the Cottonwood Condominium project.

Forty-three permits for single-family homes were issued in Webster township.

Ann Arbor led the county with 882 permits and Pittsfield township was a distant second with 430.

Oakland county led the region with 8,503 permits issued, although it is the fourth—straight—decline. Macomb county was second with 4,876, Wayne county was third with 4,519, Washtenaw county was fourth, Livingston county was fifth with 1,483, St. Clair was sixth with 956, and Monroe county was sixth with 956.

Just 365 permits were issued in the City of Detroit.

CHS Forensics Team Places 9th at State

Chelsea High school forensics team took ninth place in class B at the state tournament at the University of Michigan last week-end.

Senior Tim Parkkila had the highest finish, taking a seventh place in the prose division.

Chelsea's multiple team of Jennifer Bennett, Debbi Gerstler, Lori Wetzel, and Sherry Dukes placed 15th.

Sophomore Mercedes Hammer took 16th place in the Storytelling 9-10 division.

Chelsea Chamber of Commerce Plans Promotion Kick-Off

Chelsea Area Chamber of Commerce is planning to kick-off its "Meet Me in Chelsea" promotional campaign this Thursday, May 18 at the Business After Hours program from 5-7 p.m. in the Woodlands Room of Chelsea Community Hospital.

The first phase of the Chelsea promotion is an area-wide radio promotion, which will last 13-15 weeks. Each commercial will feature a generic introduction and conclusion, with an advertisement of an area business in the middle.

The commercials will air May through September on WPAG-FM 107 and WPZA-AM 1050.

Meet Me in Chelsea t-shirts and bumper stickers will also be available locally.

Casey Murphy Found Dead In Big Rapids Fraternity

Casey Murphy, 20, a life-long Chelsea resident, was found dead Sunday afternoon in his fraternity house in Big Rapids.

Murphy, a 1987 Chelsea High school graduate, apparently took his own life, according to Big Rapids police. His body was found at 12:45 p.m. by a fraternity brother. Murphy was a sophomore at Ferris State College.

Police said Murphy left a letter at the scene but did not characterize it as a suicide note.

Police are awaiting the results of an

autopsy before a final determination of Murphy's death is made.

Murphy was known as a friendly, outgoing young man while he attended Chelsea High school, and his death came as a shock to those who knew him. He was a member of both the varsity football team and varsity track team.

It was the second tragedy of the day for the Murphy family. Early Sunday morning Margot (Murphy) Koenn, Casey's aunt, was killed in an automobile accident in Ann Arbor.

CHELSEA PHARMACY, opened its new branch in Chelsea Shopping Center last week. The new store features 8,000 square feet, several times the size of its

downtown location. The store's grand opening was put off for a week or two to allow additional merchandise to be brought in and set up.

Ralph Fairchild and Vera Briston had contributed 5,000 and 4,000 volunteer hours, respectively, to Chelsea Community Hospital through 1984. They were honored as members of the Hospital Auxiliary luncheon.

Chelsea High school senior Phoebe Strong and junior Kim Collins had been accepted for membership in the United States Collegiate Wind Band, a highly selective musical organization which would make a concert tour of England and seven European countries in July.

Chelsea's Symphony Band and Freshman Concert Band were awarded First Division-Superior ratings at the Michigan School Band and Orchestra Association's State Festival. More than 400 bands from across Michigan participated in the event.

People thinking about going fishing in the Winnebago Lake, 5 miles northwest of Chelsea in Lyndon township had to make other plans. The 1,500-acre artificial lake which was drained in the fall of 1983 would remain dry until late summer according to Ken Dodge, district fisheries biologist in the Jackson office of the Department of Natural Resources.

A camping trip for area special education students was made possible by proceeds from the Tootsie Roll Drive sponsored by the Chelsea Knights of Columbus. The Chelsea High school special room and special education students from Dexter would be camping for three days at Charles Mears State Park in Pentwater and visit Silver Lake and Ludington.

Duane Luick had blown his horn all the way to the State Honors Band. He and 73 other musicians from the State of Michigan prepared to perform their final concert together at Central Michigan University in Mt. Pleasant.

Chelsea High's Bulldog trackmen pulled off a big win when they defeated league contender South Lyon, 65-58. The two teams had been tied for the Conference dual meet lead. With the victory, the Bulldogs were one up on their opponents from South Lyon. The time clocked for winning four-man team of John Storey, Morris Johnson, Russ Weiner and

Mark Burnett was 3:41.7 in the mile relay.

Robert Riemenschneider headed the Chelsea's Michigan Week celebrations. Coming to his aid were Thomas Dmoch, chairman of Mayor, Exchange Day and Robert Ponte, chairman of Community Pride Day which was held to kick-off the Michigan Week celebrations.

The new streamlines Amtrak passenger train was on its way through Chelsea to Chicago from Detroit. The train made a journey stopping only twice enroute; once in Ann Arbor and once in Jackson. By the middle of the month, Amtrak planned to put two more of its gas turbine-powered passenger trains on the route, giving Michigan the nation's first all-turbo route.

Chelsea golfers played on the Inverness course entertaining South Lyon—if a victory for the host team could be called entertainment. The Bulldogs put themselves in the win column shooting a score of 171 to South Lyon's 178. Mike Fouty led the team, making himself medalist for the day with a score of 40. Dan Shirilla shot a 41, Jeff Policht a 44 and Roger Policht a 46.

The final girl contestant to remain standing, Shelley met her downfall on the word, dachshund.

A draw bar on one of the eastbound freight trains going past Four Mile Lake broke away and fell between the track rails, causing the caboose and last car to become derailed. No one was injured.

Representing Chelsea at the Wolverine Boy's State convention at Michigan State University were David Clark, chosen by the Herbert J. McKune Post No. 31 of the American Legion, and David Wood, sponsored by the Chelsea Kiwanis Club.

George Akin, out-going president of the Chelsea Jaycees, was among the top five to receive an award at a convention held in Grand Rapids. Chelsea was among 229 chapters from the state attending. Dan Maroney, vice-president from District V, won a trip with all expenses paid to the national convention which was to be held in Buffalo, N.Y., the latter part of June. His recognition was based on the increase of membership in his chapter, the largest in the state.

State Dropout Rate Plummets To One of Nation's Worst

Michigan, which continues to be a leading state for teacher salaries and per pupil spending, now has the third worst school dropout rate in the country. The state fell from 28th place among all states just five years ago, according to a national "report card" issued by the U.S. Department of Education.

But top state officials, while acknowledging the seriousness of the problem, disputed the 1987 figures showing nearly 37.6 percent of Michigan high school students fail to graduate.

In other areas, the report card showed Michigan students' ACT scores have now dropped to the national average, holding steady while the average in 28 states using the test increased slightly to 18.8; the state dropped two places, to 14th, in spending per pupil which increased to \$4,353 in 1987 from \$4,176 the year before; and dropped two places, to 6th, in teacher salaries, which increased to \$32,926, from \$31,500.

Superintendent of Public Instruc-

tion Donald Bemis, noting the Michigan dropout rate was based on estimates by the National Education Association, said the percentage of ninth graders who graduate should be closer to 75 percent, rather than the 62.4 percent shown in the report card.

He said he will seek a correction. The state had protested the figure last year as well, when the graduate rate was 5 points higher at 67.8 percent, ranking 38th in the country.

Minnesota was reported to have the best rate in 1987, the latest year for which figures are available, with 90.6 percent.

Fortifying his argument, Bemis said state Department of Education figures show that 80.6 percent of students who entered ninth grade in 1984 graduated in 1988, although numbers have not yet been reported by 40 districts.

Still, Bemis said the information is "disturbing. If 75 percent of those who start finish school . . . that's morally unacceptable to us as a society."

Governor James J. Blanchard would not comment on what the survey indicates as to the quality of

education provided in Michigan schools, but said it underscores the need to put more money into critical areas to produce improvements, such as pre-school, early grades and dropout prevention.

"It shows that sprinkling money around doesn't do any good," he said.

He said any school improvement ballot proposal must focus on quality, program changes and needy districts. "There has to be change and innovation," Blanchard said.

He has urged a doubling of funds in pre-school programs, a \$50 million program to purchase computers for every classroom and rewarding districts showing improvement in such things as test scores, and levels of dropouts, violence and teen pregnancy.

Like the governor, Bemis said the figures underscore the need for a stepped-up pre-school education program, which he said has proven to be effective. "This report in general can serve as a reminder for action," he said. State Board of Education President Cherry Jacobus said "the heat will be on (the Legislature) from the board" to pass a school improvement proposal before the legislators adjourn for the summer.

The board unanimously supported the Harden plan, calling for .5 percent sales tax increase for school programs and .5 percent for property tax cuts.

Sen. Dan DeGrow (R-Port Huron) agreed the report card points out the need to put more money into specific programs, but said the governor is asking for too much money in pre-school when other critical services need the funds as well.

He said Operation Graduation, funded at \$2.5 million this year for support programs for pupils in later grades, should be doubled.

STEPHANIE KOCH, 10, a graduate of the John Casablanca Modeling School and Career Course of Plymouth, was presented with the only award given for the "Run-Way Competition" on Sunday, May 7 in Plymouth. About 200 students of all ages participated. Stephanie, a fourth grader at South school is the daughter of Chuck and Linda Koch of Chelsea and Darlene and John Duffey of Chelsea.

Larry Chunovich, executive director of the Michigan Education Association, said he was not surprised at the dropout trend, but was surprised it was as significant a drop.

He blamed some of the "devastating statistics" on federal government budget cuts, particularly for at-risk students. He said he was still proud that in the area of test scores, Michigan has held its own.

Education Secretary Lauro Cavazos said he would write every governor, state superintendent and board president to urge adoption of improvement targets, including a 90 percent graduation rate and cutting in half the number of children who fail a grade.

National averages show a lack of progress despite a flurry of activity in states to boost attention to education and increase spending.

Aside from dropout rates and ACT scores, the report shows expenditures per pupil increased by \$221 to \$3,977, pupil/teacher ratios dropped to 17.7 from 17.9 and teacher salaries increased to \$28,008 from \$26,556.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

We ain't seen "Don't Steal Milk Crates Week" yet, Bug Hookum allowed at the country store Saturday night, but don't be surprised when we do. We got more "Days" and "Weeks" now than we got minutes, Bug told the fellers, and he had saw where last year Congress give the nod to 258 more. The piece Bug saw said the Government spent \$250,000 printing the bills recognizing all of em.

The reason Bug mentioned milk cases is that dairies complain about em being "misused," which Bug took as a polite word for stole, and they're trying ever way they can think of to break the habit. A report from one two-state dairy association said its members were spending \$2 million a year to replace plastic and metal crates that keep showing up in homes, college dorms and workshops as woodboxes, magazine racks and filing cabinets. The problem the dairy groups have, Bug went on, is telling folks to quit taking their crates without making em feel like thieves. That's a PR problem on the order of telling somebody to go jump in the lake in such a way they look forward to the swim, was Bug's words.

Zeke Grubb stood foursquare for the dairies. He said he sold some milk in his early farming days, and back then a misused milk can or case was not stole from a big dairy but from a little farmer that had been assigned a certain number to look after. Zeke said his idee is to borrow from libraries and set up a amnesty period for the crates. If the dairies let folks know they'd look on return of the cases as a favor and not as admitting guilt they might be able to cut their losses, Zeke allowed.

The fellers were agreed that a milk crate gits under the lamp in the den the same way a hotel towel gits in the suitcase. Clem Webster said a heap of folks think at least one souvenir towel is built into the bill. But, Clem went on, a feller that knows stores crank shoplifting losses into their prices don't think he's entitled to a pack of razor blades jest because he's helping pay fer em with his other items.

Furthermore, Clem said, we need to hold to our standards or fer sure we'll lose em. He had saw where a Boy Scout Council director in Florida had been feller fer padding the rolls. The feller had been enrolling classes of school boys that had nothing to do with scouts and he said he did it to git more money fer the scouts he actual had from United Ways that base their giving on numbers. The feller's pay that was up to \$50,000 also was based

on numbers, Clem said, but he didn't give that as a reason fer cooking the books.

Fer sure, Ed Doolittle said, it takes all kind of thinking to explain us to ourselves. Ed had saw where Spiro Agnew actual thought he ought to git a tax deduction on \$142,000 he had to pay Maryland fer bribes he took when he was Governor. Either that, Ed went on, or his tax lawyer figured it was his job to try it and the IRS's job to catch him at it. Some folks will take ever shortcut they can find because they know it's allus easier to git forgiveness than to git permission, was Ed's words.

Who can figger folks? I saw recent where a feller paid \$2 million fer a watch with 1,760 moving parts that can adjust fer leap year and tell what day Easter comes. He couldn't of wanted it to keep time because the feller that sold it said it loses a minute a month.

Yours truly,
Uncle Lew.

Woman's Club Installs Officers For Coming Year

Chelsea Woman's Club held its annual dinner at the Brandywine Restaurant in Jackson on May 9. Twenty-four members and four guests attended. Entertainment was provided by the Rainbows Barber-shop Quartet of the Jackson Cascades Sweet Adelines.

New officers for the 1989-90 year were installed.

Two new members were inducted, making a total of eight new members this year, consisting of Janet Fuls, Katherine Herman, Marilyn Haug, Donna Lane, Edith Lindberg, Maxine Newton, Fanny Shelton and Nancy Tandy.

Breathers Club To Meet May 20 At Chelsea Hospital

James Cooke, executive director, Foundation for Community Care of Chelsea Community Hospital, will speak at the May meeting of the Chelsea Breathers Club. His topic will be "The Acorn Group" or, "Your Will: Why Not Leave the Children A Hospital?" The group will meet on Saturday, May 20 from 11 a.m. to 1 p.m. in dining rooms A and B at Chelsea Community Hospital, 775 S. Main, Chelsea.

The Breathers Club, which is co-sponsored by the American Lung Association and the Cardiopulmonary Department of Chelsea Community Hospital, is a social and educational program for persons with breathing difficulty caused by chronic lung disease, such as asthma, allergies, and emphysema. There is no charge for the program and no need to pre-register. Family members are invited to attend.

Seven Area Students Earn Degrees at CMU

Seven area residents were among the 2,917 May graduates at Central Michigan University, Saturday, May 6, as Loret Ruppe, director of the National Peace Corps, delivered the commencement address during ceremonies at Mt. Pleasant.

Kerreen N. Gellert, 9914 Horseshoe Bend Dr., Dexter, completed requirements for a bachelor of science degree in business administration, specifying finance as her major field of study.

Two residents of the Grass Lake area qualified for bachelor of science degrees.

Brian Karl Carley, 3250 Portage Rd., Grass Lake, completed degree requirements, with biology his major field of study.

Jodi Maria Cook, 1586 Wolf Lake Rd., Grass Lake, was awarded a bachelor's degree in business administration, with both marketing and management selected as major study fields.

From the Pinckney area, four students qualified for degrees at the May 6 ceremonies.

A master's degree in administration, choosing general administration as his major field of study, was conferred on Robert Allan Grimm, 5641 Navajo Trail, Pinckney.

Jennifer Kruszewski, 9621 Lake-

view, Pinckney, was graduated cum laude and awarded a bachelor of science degree, with science listed as her major field of study.

Catherine D. Smith, 3398 McCluskey, Pinckney, earned a bachelor of applied arts degree.

Her major fields of study included broadcast and cinematic arts, and political science.

The fourth Pinckney area resident among the Central Michigan University graduates was James Mark Zarycki, 10126 Meadowlane, who completed requirements for a bachelor of science degree in education, with history, his major field of study.

Senior Adult Picnic Set for June 9 at Independence Lake

Washtenaw County Parks and Recreation Commission has announced the date of the annual Senior Adult Picnic at Independence Lake County Park.

The date is Friday, June 9, from 11 a.m. to 2 p.m. Seniors are asked to bring a dish to pass, and they will provide the meat, beverage, plates, cutlery—and games and fun!

Take US-23 north to the Six Mile Road exit, head west (across the bridge) to Whitmore Lake Rd., and follow the signs. There is a park entry for seniors of \$1.25 per car and \$18 for buses.

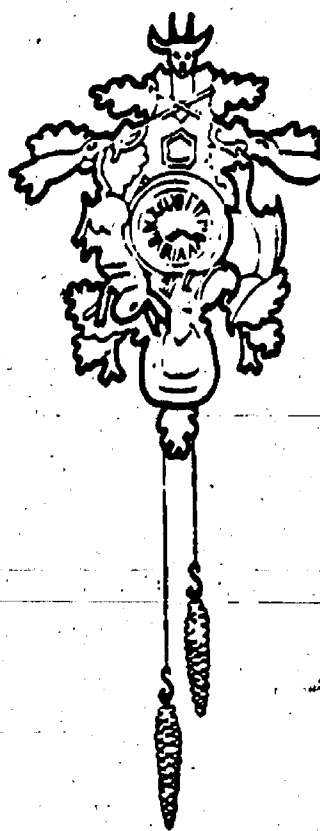

For further information and to reserve your spot (by June 5), please call the administrative offices at 971-6337.

The cold facts about electric heat pumps.

Many people with electric heat pumps aren't so comfortable with their choice. That's because a heat pump provides air that's been warmed to only around 95°F. Most people are a lot more comfortable with the warmer air a gas furnace delivers—around 130°F.

And because the heat pump's air is cooler, more of it has to be blown in to heat a home. As a result, heat pump users often complain of draftiness.

They complain about the cost, too. When the temperature drops to the low thirties, their backup electric resistance heat has to help their heat pump heat. And that really sends costs up.

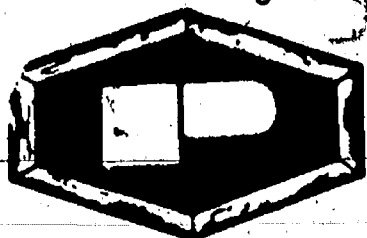

You can be a lot more comfortable all year round, and save money all year round, with an efficient gas furnace combined with central air conditioning. It can even cost less to buy and install—Hundreds of dollars less.

Before you make a choice, talk to us. Get the cold facts about both systems. We know you'll warm up to propane gas.

NATIONAL NURSING HOME WEEK was observed at the Chelsea United Methodist Retirement Home on Monday. As part of the festivities, state Sen. Lana Pollack, left, presided over a balloon launch. Each balloon contained a message, and residents of the home hope the finders of the balloons will write back. Pollack said she'll continue to work for quality, affordable nursing care in the state.

Beach Orchestras Fare Well In First Showing at State

Beach Middle school seventh and eighth grade orchestras participated in the Michigan State Band and Orchestra Festival April 28-29 and May 5-6.

It was the first time the Beach orchestras have attended.

Both ensembles received a division II rating, which pleased director Jed Fritzmeier.

"The orchestras were outstanding and the standards set by the groups was very impressive," Fritzmeier said.

"The Beach students' conduct and performance was excellent."

The next event for the groups is the annual Pops Concert this Thursday, May 18 at 7:30 p.m. at the Chelsea High school auditorium.

Hospital Auxiliary Plans for Fourth

Annual Flea Market

Committees have been chosen and plans are underway for the Chelsea Community Hospital Auxiliary's fourth annual Flea Market on Saturday, Sept. 9, at the Chelsea Fairgrounds from 8 a.m. to 4 p.m.

Merchants will purchase booth space, but will keep all the profit from sales. Booths will be set up inside and outside the merchants building.

All publicity for the event will be handled by the Auxiliary. Exhibitors must bring their own tables and set up the displays.

Many booths have already been reserved for sellers of antiques, new merchandise, hand crafts, and general junk. Anyone interested in a booth should contact Jan Tupper at 475-3930 or Mary Kalmbach 475-7856.

Committee members are: Jim Scruggs, Mary Kalmbach, Ann Lee, Chris Browning, Mandy Doan, Jan Tupper, Pat Whitsall, Birdie Kneiper and Winston Parker.

I believe in the United States of America as a Government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign Nation of many sovereign States; a perfect Union one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

Letters to the Editor

To the Editor (and the Community), Anyone who lives on a lake or uses one should read this letter.

Residents of North Lake received a letter informing them of an "Urgent Special Meeting" on April 5, 1989. The caption on the letter showed a swimmer shouting "May-Day!" as the E. Milfoil weed wrapped itself around him.

A committee calling itself the North Lake Protection Association recommended that 2,4-D, a systemic herbicide, should be used to kill the E. Milfoil. The urgent letter stated that "One of the first things we will have to decide at our meeting is whether we agree with this approach (2,4-D). It also stated that "Several experts attending (would) help us understand the problem and the possible treatment strategies." One of the "experts" gave a rather unbiased account of his knowledge. The other "expert" (who will get an approximate \$6,000 contract to treat the lake) gave a lopsided account of the need and necessity of a 2,4-D treatment. No one had been contacted to give an opposition viewpoint, i.e. one who viewed 2,4-D as a possible detriment to our water and our people.

One volunteer (myself) did speak out against the 2,4-D treatment but a vote was taken with an overwhelming number choosing to use 2,4-D.

That was the vote. The decision was fair. The chemical 2,4-D would and will be used in North Lake (approximately 3/4 ton) probably on the week of May 21, 1989.

But now it appears as though there were a lot of fence-sitters at the meeting. The minority who voted against the addition of more chemicals to our environment have had numerous contacts in their support. Some people have said, "If I had it to do over I'd vote against any chemical being dumped into the lake." Another had an excuse like, "I'm against it but my two neighbors are for it, so I don't want to be odd man out." Others have said that, "After that scare letter I thought that 2,4-D was our only hope to save the lake."

If you don't want 2,4-D or any chemical added to North Lake then you must contact the committee chairperson (Virginia Bachman) at once.

It is by law a person's right to deny application of a chemical within a specified distance to their lake property (to protect water and for health reasons).

One family who opposed application of 2,4-D in the area of frontage (a sizable area) has now been advised (of all people—by the committee chairperson!) that if they don't change their vote someone could sue them if the weeds in front of their home caused an accident. This is insanity! Why was there even a vote on it if this is the case?

2,4-D was a chief component of the chemical Agent Orange (in an altered form now). 2,4-D was stated at the meeting as not being a dioxin, but it does break down into several components, one of which is a dioxin. The position statement by the Ecology Center of Ann Arbor recommends "that residents of Washtenaw county, especially pregnant women, exercise extreme caution in the use of the herbicide 2,4-D . . . and has been implicated as a cause of birth defects, mutations, and cancers in warm-blooded animals."

Remember DDT . . . and others, will 2,4-D and many others be found to be unsafe after our government has told us that they were safe. Will 2,4-D eventually be banned?

Please, people of the community, find your spine (which eventually attaches to your brain) and speak out. Stop talking about your change of heart to those who can't do anything about it. Talk to the committee (N.L.P.A.) or its chairperson.

Floyd Boyce. P.S.—E. Milfoil spreads (as stated by the "expert") by attaching itself to undersides of boats and boat props from infested lakes to uninfested lakes. Imagine 3 years of 2,4-D in our waters under a chemical program and then one dirty boat prop at the public launch to start this whole cycle again. Let's suffer a little with this weed until natural decline lessens its impact on us. F.B.

Despite the upward trend in women's earnings compared with men's, women to a large extent remain employed in jobs that yield relatively low earnings, according to the U.S. Labor Department's Women's Bureau. Women are generally employed in lower paying industries such as clothing manufacturing, in lower paying professions such as teaching, and in lower paying service and clerical jobs.

WATERLOO NATURAL HISTORY ASSOCIATION (WNHA) board members Dave Rowe and Bill Wells talk with Alan Warnette, Michigan Department of Natural Resources (DNR) naturalist and director of the newly-opened Gerald E. Eddy Geology Center, located on Bush Rd. at the site of the former Nature Center in the Waterloo Recreation Area. The center was named for Michigan's longest serving director of natural resources. Following a May 11 preview opening for WNHA members, the center is open to serve the public, 9:30 a.m. to 5 p.m., seven days each week. It features exhibits, a slide presentation, interpretive services, and hiking trails, all available at no charge. A bookstore located in the center is operated by the Waterloo Natural History Association. Formal dedication ceremonies will be conducted during the summer.

Dexter-Ann Arbor Run Slated May 27

Participants in the traditional Dexter-Ann Arbor Run will be passing many homes-along Huron River Dr. on Saturday morning, May 27, and citizens are asked to help the approximately 4,500 runners by cheering and/or spraying them with a garden hose. Carter Sherline, aid station coordinator for the Dexter-Ann Arbor Run, advised runners have been very grateful to be sprayed in past races, especially if the weather is 70 degrees or hotter.

Residents along the race route are asked, however, to leave the choice to the runner—don't spray without consent, please.

Huron River Dr. will be closed to traffic from 7 a.m. until the conclusion of the race, estimated to be about 12 noon.

The Dexter-Ann Arbor Run consists of three race distances.

The half-marathon (13.1 miles) starts at 8:15 a.m. near Dexter High and traverses part of Dexter, Huron River Dr. and Ann Arbor's Main St.

The 10-kilometer (6.2-miles) race begins at 8 a.m. near Delhi Metro-park, and follows the same course as

Elections of Canfield school, District No. 3 Fractional, Lyndon, and McLaren school, District No. 7, Lima, turned down annexation to the Chelsea Agricultural Schools school district in elections. At Canfield school where it was said only 50 percent of the electors voted, the result was 8 "yes" and 21 "no". Results at McLaren school were 5 "yes" and 11 "no".

THICK SKINS

An outstanding feat of the cactus family is the plant's ability to store water. An apple tree loses up to 20 quarts of water a day. But National Wildlife magazine reports a stingy 12-foot cactus may surrender only two-thirds of an ounce of water in a day.

Decorating Ideas Shared With Lima Extension

Tables adorned with fresh picked flowers greeted 17 Lima Extension Homemakers May 10, 10:30 a.m., at the home of Janet McCalla. The floral arrangements well showing the interest and talent of co-hostess, Elsa Ordway.

A discussion of decorating Old Homes was well underway while waiting for John Simonds of Designer's Cove Interiors of Dexter. Attention quickly changed as eyes followed John and the springs, foam, and a partially upholstered chair of the McCalla's that he carried in. Materials used in the manufacturing of furniture and the qualities of these materials was explained in depth and helped the group to understand where the cost is hidden.

A book of chairframes was circulating that could be finished to suit your style and fabric needs while John continued his informative talk on fabrics for upholstering and drapes. Included was the importance of cleaning materials that should be based on fabric content.

The smell of heating bakery fresh rolls, brought by co-hostess Lois Bradbury was needed to remind the group that it was much past pot-luck lunch time and the discussion must continue around the tables.

A monthly meeting was conducted by Margaret Sias, chairperson, and Donna Bradbury, secretary/treasurer. Extension "today" was updated by visiting county chairman Margot Benson. She is working on obtaining 50-year pins that many groups are in need of. After much discussion the June meeting was decided to be a trip to Ella Sharp Museum because the gardens should be more beautiful at that time. Group contact will follow.

New Tour Program Begins Saturday at Botanical Gardens

A visit to the Conservatory at the Matthaei Botanical Gardens is like visiting a foreign land. Exotic, strange, colorful, enormous, exquisite, fragrant, delightful are all apt descriptions of the plants grown there. And as in any foreign country, the more familiar one is with the customs, language, and surroundings, the more comfortable that place will seem.

Matthaei Botanical Gardens will offer public tours of the Conservatory on the following schedule during May: Saturday, May 6, 1 p.m. and 2 p.m.; Sunday, May 14, 1 p.m. and 2 p.m.; and Saturday, May 20, 1 p.m. and 2 p.m.

Hanging tools on pegboard is a great way to keep them organized and visible. But, the hanging hooks always seem to fall out when removing a tool—usually when you're in a rush. M-Clips, from Aetech Corp., solve the problem by holding the hooks in place with a snap-in clip. The flexible plastic clips fit both 1/8- and 1/4-in. standard pegboard and are easily reused. The clips work with any common pegboard hook or racks. You

Walking Clinic Slated May 20 at County Farm Park

Walking is another form of exercise done by people of all ages and fitness levels. Walking has become fashionable lately with specially designed walking shoes now available. Walking allows you to slow down and take time to smell the flowers. Join in the fun and fellowship when the Washtenaw County Parks and Recreation Commission embarks on its fifth annual Walking Clinic.

The event takes place Saturday, May 20 at 10 a.m. at County Farm Park, 1/8 mile south of Platt Rd., from Washtenaw Ave. Park in the Platt Rd. lot.

Sharing information with the group will be Carole Burkhardt, Karen Hollappa, and Marie Candiotti.

Burkhardt is an exercise physiologist from U. of M. Med Sport and will discuss walking and its positive relationship to cardiac health and rehabilitation.

Hollappa, owner of the Tortoise and Hare Running Center, will discuss footwear currently available.

Candiotti, recreation assistant with County Parks, will lead warm-up exercises and a short walk through beautiful County Farm Park.

Introducing VistaBanc —
the ATM that Puts You in the Driver's Seat

DRIVE UP and WIN

At Trustcorp Bank's Drive-Up Automatic Teller Machines (ATM's)

Trustcorp Bank has recently installed 10 drive-up ATM's. Which means that you can now transact your banking business 24 hours a day without ever leaving the privacy or security of your car. We think that's worth celebrating. So that's exactly what we're doing. From May 1 until May 31, we're sponsoring a great giveaway called **DRIVE UP AND WIN**. And **ANYONE** can play!

Want to play? Just drive up to any of our new VistaBanc locations. Make a withdrawal. Then check your money for a winning sticker.

Playing Drive-Up and Win couldn't be easier. Here's how it works:

1. Whenever you make a withdrawal from a Trustcorp, Ann Arbor VistaBanc, be sure to check your money for a sticker.
2. The COLOR of the sticker will tell you WHAT you've won. There are over 800 prizes in all. It might be a gold or silver American Eagle

coin. Or something for your car — like a Rand McNally Road Atlas, an emergency road kit, a travel mug, or an umbrella.

And if you're really lucky, you could even

win our grand prize: a weekend for two at the Grand Traverse Resort.

3. To claim your prize, simply present your sticker to any teller at your local Trustcorp, Ann Arbor office. Stickers must be presented by June 2, 1989.

With VistaBanc, everyone's a winner...

Trustcorp is the ONLY bank that offers you the option of doing your banking from your car, at any time of day, in any weather at all locations. And VistaBanc ATM's will accept any Magic Line or Cirrus ATM card... from any bank.

The giveaway ends on May 31. So what are you waiting for?

Drive up to a VistaBanc today... and win!

There's a VistaBanc at each of our ten offices. Call us for the location near you.

*If you don't have an ATM card, stop by for a free demonstration. You could be a winner! You must be 18 to win. Trustcorp, Ann Arbor employee accounts are not eligible. Call us for more information on terms and conditions.

'Skip' King Wins Chili Cook-Off

Dexter's "Skip" King stirred up his own special chili, "San Antonio Red," to earn first place at Saturday's 10th annual Great Chili Cook-Off, sponsored by the National Kidney Foundation of Michigan.

King's official first name is Ralph, although he explained, "Everyone calls me 'Skip,' though."

A lot of people braved the not-so-favorable weather conditions, as temperatures dipped into the low 30's, to show up for Saturday's 10th annual chili competition.

The Dexter man said he has participated in the sanctioned chili cook-off for nine consecutive years, and has competed in various other cook-offs for more than 10 years.

As this year's winner in the Great Chili Cook-Off, King received a trophy and airfare for two to California, where he is qualified to enter the International Chili Society's World Championship Cook-Off in October.

Top prize for the international cook-off will be \$30,000, in addition to the tremendous personal prestige bestowed on the winner, and of course, on his chili.

The second- and third-place winners at the Great Chili Cook-Off, conducted at the Washtenaw Farm Council Grounds near Saline, were Howard Sheltraw of Saginaw and William Burger, a Saline resident.

Both men received trophies and a guaranteed spot in the 1990 sanctioned Great Chili Cook-Off.

Winners in fourth- through 10th-places also received guaranteed spots in the 1990 competition.

The group, listed in order from fourth place, included Gary Green of Livonia, Phil Lamka of Detroit, Jean Simmons of Florissant, Larry Jayko of West Bloomfield, Kowalski Team No. 1 from Hamtramck, Brighton's Ed "Chili" Roberts, and Joanne Drow.

Sunday, May 7, 40 cooks competed for the title of best chili for the renegade chili cook-off.

David Golden of Carleton was the

first-place winner with a chili recipe named Subterranean Chili No. 5.

Golden received a trophy, a \$200 cash prize, and a guaranteed spot in the 1990 sanctioned cook-off.

Tim Rodgers of Clinton and Johnny Turner from Pontiac received trophies as second- and third-place winners in Sunday's renegade chili competition.

Names of people who placed 4-10 in Sunday's chili trail were: Tim Stawarz/Joseph Styke of Mt. Clemens, Jeff Sangster of Grosse Pointe Farms; Anne Bowers of Belleville, Norm Yassay/Sandy Rentschler.

The list continues with Leo Buk of Trenton, Robert Barth of Ypsilanti, and Les Stanford of Jackson.

This year, for the first time, the Chili Challenge for restaurants only, was well received.

Chef Jodi Ross and Sous Chef Mark Platz, represented the Metropolitan Music Cafe in Royal Oak and prepared the winning restaurant chili, named Rock-n-Roll Chili.

Chef Jodi Ross and Sous Chef Mark have been with the Metropolitan Music Cafe since it opened in 1988.

Proceeds from the Great Chili Cook-Off will benefit kidney patients through patients services.

RALPH GUENTHER, VINCE BURG, ROB BURG chatted Thursday, May 11, during a preview opening at the Gerald E. Eddy Geology Center, located in the Waterloo Recreation Area. The three are members of the Waterloo Natural History Association, for which the early opening was conducted. Following that event, the new geology center has been open to the public, 9:30 a.m. to 5 p.m., seven days each week. Director of the facility, located at the Bush Rd. site of the former Nature Center, is DNR naturalist Alan Warnette. Visitors will find colorful and informative exhibits, a slide presentation, interpretive services, and hiking trails, all available at no charge in the new geology center. The Waterloo Natural History Association operates a bookstore in the center. Formal dedication ceremonies are planned for the summer.

Botsford Praised For Diagnosis Of Exotic Disease

Dr. James Botsford, a Brighton veterinarian with ties to Chelsea, was recently credited with helping to identify and eliminate the outbreak of a deadly disease before it could spread to the poultry industry.

Botsford recently received a certificate of appreciation from the U.S. Department of Agriculture for his role in stopping an outbreak of Exotic Newcastle's Disease.

Botsford suspected the disease when a client brought a sick parrot to the Woodland Animal Hospital in Brighton, where Botsford works.

The parrot, which may have been imported from Mexico illegally, was showing some signs of the disease and was sent to the Animal Health Diagnostic Laboratory at Michigan State University, where suspicions were confirmed.

Several pet birds in the Detroit area had to be destroyed to keep the disease from spreading.

The virus is not normally found in this country, but the disease is fatal to pet birds and poultry that contact it.

PENNIES FROM HEAVEN was the name of the day at North Elementary school last Thursday as children throughout the school lined up pennies as a kind of lesson in arithmetic. Pennies were lined up all through the hallways and by the time the morning ended 46,112 pennies were on the floor. Children saved the pennies at home. The room mothers had the task of picking up the

pennies when the experiment was over. The pennies, which were changed into dollars at a local financial institution, will be used to purchase playground equipment. Bulldogs!

Bulldogs Sweep Pirates In Conference Finale

Chelsea Bulldogs finished their regular Southeastern Conference softball season Thursday with a double-header win over the Pinckney Pirates in Pinckney.

Chelsea finished in a tie with the Tecumseh Indians at 11-1 for the regular season championship. A coin flip will determine which team is seeded first in this week's SEC tournament at Milan, which will decide the final champion.

Chelsea rebounded from a sluggish start to take a 13-3 win in the opener. In the nightcap, senior Jenni Smith pitched the first no-hitter of her career in a five-inning contest as Chelsea took a 13-0 win.

In the first game, Chelsea held a 4-3 lead until the sixth inning, when they scored six runs. A three-run seventh ended the game.

"They were sleepwalking," coach Pat Clarke said of the first few innings.

A bases-loaded walk in the first gave the Bulldogs their first run, but the Pirates matched them in the bottom of the inning.

A bases-loaded double by Smith in the second put Chelsea up 4-1.

Chelsea loaded the bases again in the sixth as Heather Neibauer and Shannon Losey singled, and Kim Easton walked. Smith walked to force in a run. After a fielder's choice, Christy Petty was hit by a pitch for a run. Scharme Petty's double scored two more, and Amy Thomson's double scored a pair.

In the seventh, Smith's double scored two and Thomson's single plated another run.

Louisa Unterbrink picked up the win as she struck out four.

Smith had three hits and six RBI for the game, Neibauer went 4-5 and Thomson had two hits and three RBI.

Smith faced one more batter than the minimum in the second contest as the only baserunner reached on a walk. She struck out 10 batters in five innings. Smith raised her record to 17-2.

Chelsea scored all 13 runs in the first three innings.

In the first, Easton's two-run homer was the big blow in a three-run out-

burst that also featured singles by Neibauer and Laura Unterbrink, and a double by Smith.

The Bulldogs scored six times in the second on singles by Lisa Unterbrink, Losey, Smith, Christy Petty, Scharme Petty, and Thomson. In between, walks were issued to Easton and Laura Unterbrink.

Singles by Neibauer, Losey, Easton, Christy Petty, and Scharme Petty scored four more runs in the third.

Chelsea had 14 hits for the game.

The Bulldogs improved to 30-4 on the season.

JENNI SMITH cracks one of her extra-base hits during action at Pinckney last Thursday. The senior also threw her first career no-hitter in the second game.

JV Softball Team Tops Pirates, Indians

Chelsea Bulldog junior varsity softball team kept on rolling last week with four straight wins over the Tecumseh Indians and Pinckney Pirates.

On Wednesday, May 8 at Tecumseh, Chelsea won the first game easily, 26-3 but had to go into extra innings in the second game to take a 17-11 win.

In the first inning of the first game Chelsea sent 14 batters to the plate before the second out was made and scored 10 runs. They went on to score five in the second, eight in the third,

two in the fourth and one in the fifth. "When we get a quick start like that we usually play well both in the field and at the plate," said Chelsea coach Ken Sullins.

In the first, the Bulldogs were aided by seven walks. Carrie Flintoft and Heather Pulley each hit two-run triples, and Shawn Losey hit a two-run single to highlight the inning.

Chelsea went on to pound out 15 hits, including three each by Losey, Sara Musolf, and Pulley, and two each by Flintoft and Kathy Issei.

Musolf allowed nine hits in five innings and struck out three.

Chelsea scored six runs in the top of the eighth inning and 12 runs over the last three innings to rally for the win.

"Our girls won because they wanted to," Sullins said.

"They just wouldn't lose. Many opportunities were there but we kept doing what was necessary."

Tecumseh was issued 10 walks to go along with their eight hits.

Chelsea had a 5-1 lead going into the bottom of the fifth. At the end of the fifth the score was 5-4 and at the end of the sixth Tecumseh had a 10-8 lead.

The eighth inning featured doubles by Issei, Losey and Musolf.

The Bulldogs again had a good game at the plate, collecting 16 hits, including three each by Losey and Jenny Bobo and two each by Danielle Taylor, Musolf, Flintoft, and Pulley.

Despite three errors, Chelsea defense played well, Sullins said, and made several "excellent to great plays."

Chelsea had a relatively easy time against Pinckney at home last Thursday, taking 16-6 and 29-6 wins.

Flintoft picked up the win in the five-inning first game as the Bulldogs scored in every inning. Flintoft also led Chelsea at the plate with three hits.

"We just kept hacking away on offense and defensively we played well," Sullins said.

Flintoft's triple in the second inning scored two runs and lengthened Chelsea's lead to 5-2. Jenny Petty's single scored another in the inning.

Chelsea stretched the lead to 7-3 in the third and 10-3 in the fourth. Losey, Petty, Pulley, and Christine Burg each had two hits.

Chelsea scored 11 runs in the first inning of the second game and had a 15-2 lead after four innings.

Twelve Dogs went to the plate before the first out was made and Chelsea had 12 hits in the inning.

Chelsea had 21 hits in the game, including six by Losey and three by Jennifer Teare. The team had 21 hits.

Musolf was the winning pitcher as she tossed a five-hitter and struck out five.

Chelsea improved its record to 18-2-1.

JUNIOR MORSEAU pitched a two-hitter against the Pirates last Thursday in the first game of a double-header. Jeff Prentice did the talking with the bat and the Bulldogs went on to split with the Pirates. They face Dexter today in a district qualifying game.

Dogs Aim for SEC Title Saturday at Dexter

Chelsea Bulldogs can lock up the Southeastern Conference baseball championship this week-end by winning its first game.

And that may not even be necessary depending on how the Saline Hornets, the current second-seeded team, fares in its opening game.

Chelsea squares off against (as of press time) a yet-to-be decided opponent in Dexter at 1 p.m.

However, with a sweep of the Pinckney Pirates last Thursday the Bulldogs would have had a chance to win a share of the title without even playing a game Saturday, based on the league's point system.

After being soundly beaten in the first game, 13-3, the Pirates took advantage of some sloppy Chelsea fielding for a 7-6 win in the nightcap.

"We had our chances," said Chelsea coach Wayne Welton.

"Doug Wingrove pitched pretty well, but we had 10 errors in the game."

In the first game, Junior Morseau tossed a two-hitter and struck out seven in the five innings played in windy, chilly weather.

Pinckney fielders had problems handling the ball and Pirate pitchers had control problems, which allowed the Bulldogs to score 13 runs on just eight hits.

Jeff Prentice had half of Chelsea's hits with a 4-4 performance, including a double and a triple. For the two

games the senior reached base all eight times he went to the plate.

The second game was a seesaw battle as Chelsea fell behind early, 3-0, tied the game in the third, fell behind 4-3, took a 6-4 lead in the fifth, and watched Pinckney chip away with single runs in each of the fifth, sixth, and seventh innings.

Morseau picked up the loss in a relief appearance.

Offensive highlight of the game was Mark Larson's bases-loaded triple that gave the Dogs the lead in the fifth.

In non-conference action against Birmingham Groves on Saturday, Chelsea again let a lead slip away and lost 7-6.

The Bulldogs, perhaps suffering from a lack of sleep due to Friday night's prom, again fell victim to their

own mistakes, in the field and on the bases.

Matt Forner had three hits and Larson hit a grand slam.

Rob Clem took the loss on the mound.

Wingrove is scheduled to pitch this afternoon's district qualifying game against Dexter.

On the average, women earn less than two-thirds as much as men, according to the U.S. Labor Department's Women's Bureau. Although there was a slight narrowing of the earnings difference during the past 10 years, women workers did not approach earnings parity with men, even when they worked in similar occupations. In 1983, women earned 64 percent of similarly employed men.

Girls Track Team 3-2 in League Action

Chelsea Bulldog girls track team won all but one running event Thursday on the way to an 89-39 victory over Tecumseh.

The teams split the points in the field events as Jeanene Rossi won the high jump at 4'6". Leisa Schiller had her season's best jump in the long jump, winning the event at 15'1". Deanna Richardson was third at 13'10". Tammy Browning was second in the shot at 31'5 1/4". Marti Daggett threw the discus 100'1" to take second with Tiffany Moore third at 84-3.

Senior Danica Disbro led the Bulldog runners, taking the 100 and 200 dashes and leading off the winning 800 relay.

Junior Vicki Bullock matched that with victories in the 1600 and the 3200 and anchored the winning 3200 relay. Bullock, Sarah Grau, Carmen Smith and Christine Mignano took the 3200 relay in 10:56.7.

Disbro, Schiller, Rossi, and Charity Allen ran a 1:52.5 to take the 800 relay. Schiller, Amy Weir, Anne Steffenson and Martina Street won the 1600 relay in 4:26.9.

Charity Allen won the 100 hurdles in 17.5, with Amy Carley second in a season's best 18.0. Becky Erskine also ran her best time in the 100' hurdles, 20.0, but didn't place.

Carley came back in the 300 hurdles with a first in 52.7. Anne Steffenson and Leisa Schiller ran 1-2 in the 400, Christine Mignano and Kim Roberts took first and third in the 800, and Bullock, Grau and Smith swept the 3200 in that order. Amy Weir finished third in the 100 and Jeanene Rossi ran an outstanding 27.9 200 to take second.

The Bulldogs had a good meet, establishing or equaling season bests in 16 places. They also upped their record to 4-2, 3-2 in the SEC.

In other action, league-leading Dexter handed Chelsea their second SEC loss Tuesday, May 9, 68-42. The Bulldogs earned 21 points in the field events, and led 21-15 before the running started. However, the Dreadnaughts dominated the running with their talent and depth, winning all four relays and six other races.

In the field events, Chelsea had wins in the high jump from Jeanene Rossi at 4'9", and in the discus from Daggett at 93'2". Moore added a second in the discus at 85'8" and third in the shot. Tammy Browning was second in the shot at 31'5 1/4". Schiller was second in the long jump with Richardson third.

Allen had the only wins for the Bulldogs in the running events, winning two close hurdle races—the 100 in 17.1 and the 300 in her best time, 48.5.

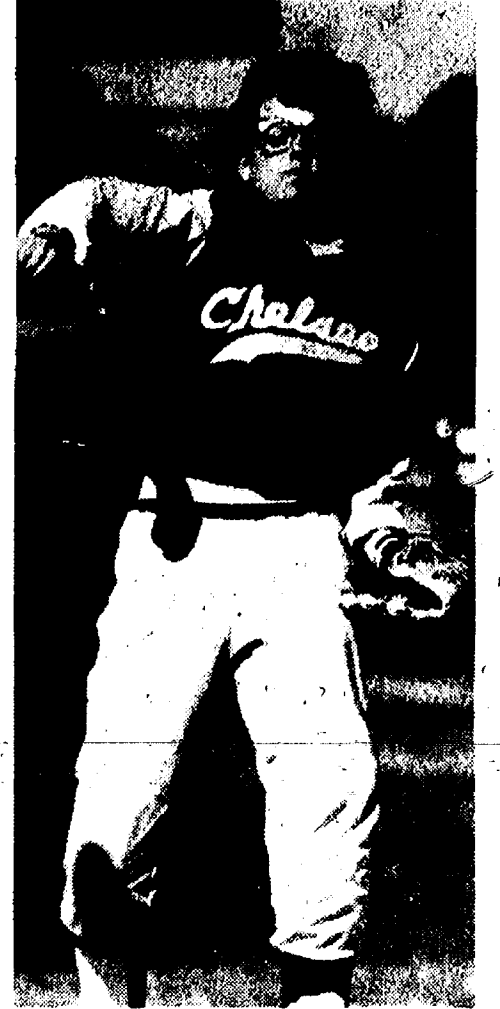

Disbro turned in her best time in the

100, 12.9, to take second. Bullock took second in the 1600 in 5:51.9. Steffenson was third in the 400 in 1:03.4.

Smith and Grau both ran season bests in the 3200, Smith finishing second in 13:08.1 and Grau third in 13:13.9.

The Bulldogs had some good times and strong performances, but Dexter had too much depth. "They may be the top class B team in the state right now. They are deep and versatile" said coach Bainton.

The Dreadnaughts are currently undefeated, and the Bulldogs are 3-2. "We expected them to be very good, and are pleased that we really ran pretty well against them," Bainton said.

LISA UNTERBRINK makes the throw from third base during the Bulldogs' double-header win at Pinckney last Thursday. The senior, however, does not routinely make this play with her eyes closed.

IT WAS CLOSE but Chelsea sophomore Jude Quilter managed to steal third base safely against the Pinckney Pirates in the first game of a double-header. Quilter, Chelsea's lead-off hitter, has easily stolen more bases than any other Bulldog this season.

SPORTS NOTES

BY BRIAN HAMILTON

Chelsea softball program has had a long history of excellent pitching, as everyone who follows the program knows.

This year is no exception. In fact, this year Chelsea may have its best 1-2 punch ever in seniors Jenni Smith and Laura Unterbrink. Each girl has lost twice.

Smith is easily the most overpowering pitcher I've seen at Chelsea High, which covers the last four seasons. Batters don't necessarily swing at her pitches, it's more like they wave their bats at them. Smith gets batters to go after pitches that are about helmet-level, which greatly reduces the impact of the bat when they do manage to hit it. Smith's pitches look great about 10 feet after they leave her hand but they rise, kind of the opposite of a split-finger fastball. When a batter does manage to make contact it looks more like an accident. The best hit anyone has managed off her came last week against Tecumseh and, unfortunately, it proved to be the game-winning hit.

There are knowledgeable softball people who think Smith is the best pitcher, and maybe best all-around player, in the state. Some of those people would probably say she is the best Chelsea pitcher ever, too, including the legendary Amy Unterbrink Poljan. And the major reason is that opposing hitters are now so much better than they were when Amy was pitching here.

Smith has signed with Wayne State University, although my guess is she could have gone anywhere she pleased as she will be a cum laude graduate this spring. She will take the place of the graduating Kelly Hawker, another former CHS stand-out. Hawker holds a couple of strikeout records at WSU. Barring injury, Smith should break them all.

The problem I have with Smith is this. I've shot photographs at several games she's pitched this season. And everytime it is the same. I try to get a shot of a Bulldog fielding the ball and I quickly discover I might as well forget it. For most of her games, the entire left side of the Chelsea defense might as well sit down. Few batters are capable of pulling any of her pitches. She probably strikes out more than a third of the batters she faces. Against Pinckney last Thursday she struck out two out of three in her first no-hitter. She probably has a half a dozen one-hitters to her credit.

If Smith loses another game, it will be for one of three reasons—she's injured, the Bulldogs don't hit, or the defense lets up and gets caught off guard. It'll take a good team to beat her even on an off day. The Dogs stranded 10 runners against Tecumseh and she lost despite striking out 14.

Coach Pat Clarke has promised to give me a list of her statistics sometime soon, which is bound to make a lot of people say, "I knew she was good, but not that good." A lot of people will be surprised to find out how good a hitter she is, too. She'll be one of the top two or three on the team, and may even lead the Dogs in extra-base hits and RBI.

As far as Unterbrink goes, she's turned out to be better than I ever thought she'd be. She has a no-hitter to her credit and lately is matching Smith win for win. She'd be a number one pitcher just about anywhere else. She could be the second best pitcher in the league, although that doesn't necessarily mean she'll make the All-Southeastern Conference first team when it's all over. We've seen that happen before.

Unterbrink doesn't strike out as many as Smith, but she manages to keep batters off balance anyway. She tossed another shutout against Dexter and gave up three hits.

Unterbrink, like Smith, has also helped herself on numerous occasions with her bat. Unterbrink could be the team's most consistent singles hitter (and is, without a doubt, its best photographer). She'll be among the team leaders on offense, too.

It's too bad the post-season softball tournament isn't double elimination. If that were the case, Chelsea would probably be in the driver's seat for another state title.

In addition to pitching depth, which goes beyond Smith and Unterbrink, Chelsea has one of its best hitting teams of the last several years. There are several girls who can hit with power, and the team speed is good.

This year the Dogs should shake their district jinx, unless they run into a team that gets a performance similar to the one Maryann Doletzky had for Dexter last year. Not only did she pitch the game of her life, but she drove in the winning run. The year before Chelsea just didn't hit much, as was the case most of the season.

This year the Bulldogs seem to be better balanced. Plus there's the Unterbrink connection. Each year the Bulldogs have won the state championship, a senior Unterbrink has been on the team. This year there are two, Laura and Lisa.

But, as Clarke has noted, in a one-game-and-you're-out format, anything, ANYTHING, can happen.

Wayne Welton's baseball team, perhaps the classic group of overachievers, has won the regular season Southeastern Conference baseball title.

Although Welton would probably say he knew all along his team had the capability to win the league, I'll bet he's as surprised as anyone at how well his young Bulldogs are playing. They lost two top pitchers in Larry Nix and Jeff Marshall and had almost no varsity experience in any other position.

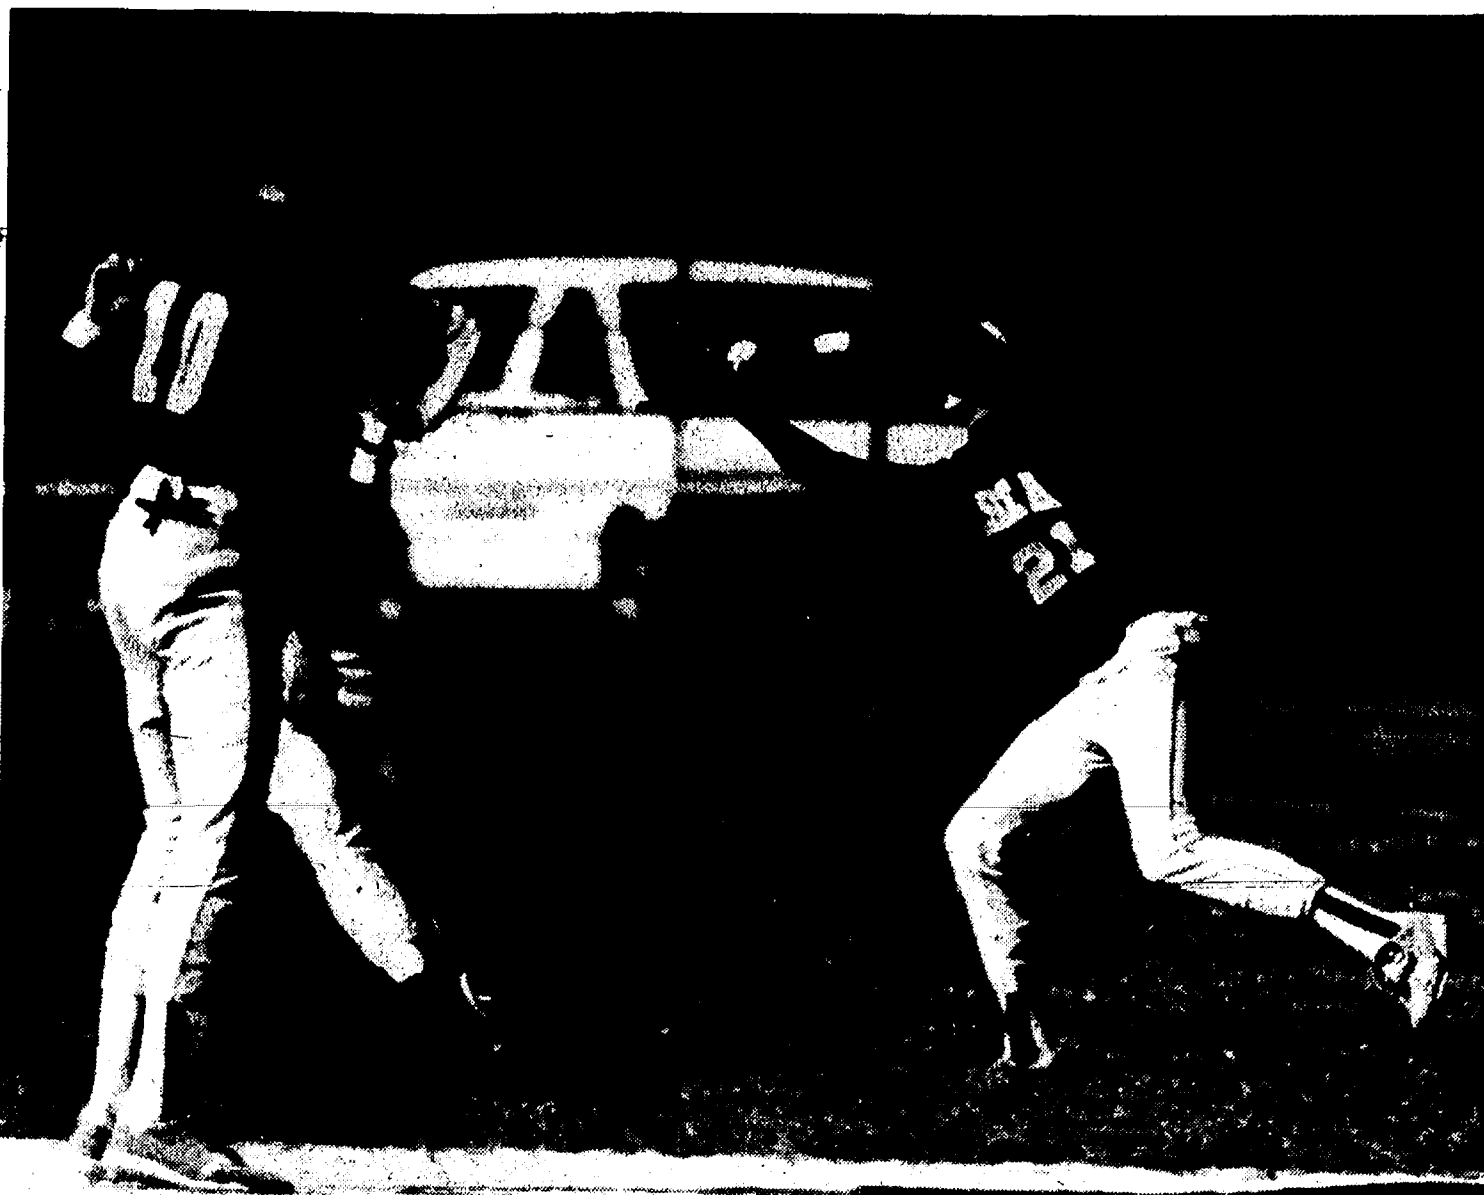

Yet the team is winning. And one of the big keys is the performance of Junior Morseau behind the plate. The young pitchers, in particular Doug Wingrove and Rob Clem, can count on his guidance, as well as his arm to throw out runners or second. Morseau is also pitching well himself, although his record doesn't necessarily show it.

Jude Quilter is turning into a quality lead-off hitter. It would be interesting to count the times he has reached first, stolen second and third, and scored on a sacrifice by Morseau.

The few seniors on the team have risen to the occasion. Jeff Prentice is having an excellent year at the plate, and Mark Larson has been stinging the ball lately. And Morseau has been, well, Morseau, the best catcher around, a solid hitter, and a pitcher capable of throwing a no-hitter. He still hasn't learned to smile when he wins.

More than anything, though, the young Bulldogs are believing in themselves, which can overcome a lot of other obstacles.

The Bulldogs probably won't be satisfied until they win the SEC title outright, which will be determined this week-end at the league tournament. However, no matter what happens from here on, they've had an excellent season, I'm sure one of the most gratifying Welton has had in his many seasons as head coach.

THE WIND PLAYED TRICKS with the ball last Thursday at Pinckney and here Chelsea fielders avoid a collision in the outfield. Chelsea went on to win the first game but lose the second. They head into Saturday's league tournament as the number one seed.

JV Baseball Rallies for Sweep

Chelsea Bulldog junior varsity baseball team was involved in two double-header sweeps last week.

They lost the first to Tecumseh on Monday, May 8, 9-2 and 10-2, but won the second at home against Pinckney on Thursday, May 11, 11-9 and 7-6.

In the first Tecumseh game, Chelsea fell behind 6-0 in the first innings and could only come up with three hits for the game.

Chelsea scored a single run in the

fifth inning on a wild pitch and another in the seventh on a single by Tucker Steele.

Mike McAulay, Rick Westcott, and Steele had the only hits.

In the second game, Chelsea again could only muster three hits, singles by Craig Ferry, Alex Hammerschmidt, and a double by Ben Hurst.

The Bulldogs picked up two runs in the third inning on Hurst's double and

an RBI ground-out by Tom White.

The Bulldogs scored three runs in the bottom of the sixth inning in the first game to break an 8-8 tie and limited the Pirates to one run in the seventh to take an 11-9 win.

Jeremy Stephens, Ferry, and Westcott had consecutive RBI singles in the sixth.

Chelsea's leading hitters were Stephens, 3-4, and Ferry, 2-3.

Stephens picked up the win on the mound in 4 1/3 innings of relief pitching.

In the second game, the Bulldogs scored four runs in the bottom of the seventh for take a 7-6 win.

"We never gave up and it was exciting to the end," said Chelsea coach Jim Ticknor.

In the seventh, Stephens and Taylor each walked to begin the inning. Ferry rapped a run-scoring single, Steele walked, Kyle Erickson and Hammerschmidt each had RBI walks, and Shawn Castleberry had the game-winning single.

Stephens and Westcott each had two hits for the game.

Castleberry picked up the victory in relief.

Chelsea is 10-8 on the season.

Bulldog Netters Get Revenge With Win Over Pirates

Chelsea Bulldog varsity tennis team topped Pinckney last Thursday, May 11 in Pinckney, getting revenge for an earlier loss to the Pirates. Score was 4-3.

Craig Maynard at first singles won his seventh straight match, 6-3, 6-0. Chris Wilson at second singles won 6-2, 6-3.

Chelsea lost both third and fourth

singles. Adam Heeter fell at third singles in three sets, 6-4, 1-6, 2-6. Eric Frisinger lost 1-6, 2-6.

The first doubles team of Jason Richardson and Eric Worthing clinched the match for Chelsea as they won a third set tiebreaker. Score was 2-6, 6-1, 7-6.

Second doubles team of John Collins and Shawn Capper won in two sets, 6-0, 7-5.

Finally, at third doubles, Ben Manning and Chris Haugen lost 2-6, 1-6.

The Bulldogs head into regional play this Friday at Haslett.

Bulldog Golfers Win Two Matches

Chelsea Bulldog golf team beat Ypsilanti twice and Ann Arbor Pioneer once in action last week.

On Monday, May 8 the Bulldogs shot a 215 to top Pioneer, 240, and Ypsilanti, 247.

Bulldog Jenny Ghent was the medalist with a 51. Melissa Johnson also shot 51. Barb Scriven had a 56, and Helena Mimer shot a 57.

On Tuesday, May 9 at Inverness Golf Course, the Bulldogs beat Ypsilanti again, 216-259.

Ghent again was low shooter with a 45. Scriven had a 51, Johnson shot a 59, and Mimer had a 61.

Beach Girls Keep Winning

Beach Middle school girls track team whipped Saline on Wednesday, May 10 at home, 72-51, and Stockbridge, 92-31, and Webberville, 97-25, on Friday, May 12.

In the Saline meet, Lisa Monti lowered her own 3200 meter record time to 12:03.

Sprinters Theresa Royce and Jessica Holton ran new events for them and took first place in the 200 and 400 meter runs, respectively.

Below is a summary of the meet. Royce took first place in the long jump (13' 3"), 200 meter run (:28.66), and third in the 100.

Laura Paton was second in the shot put and third in the 70 meter run.

Other first places were taken by Amy Bowling in the 55 meter hurdles, Teddi Hauck in the 800 meter run (2:45.94), Melissa Thiel in the 1600 meter run (8:29), Jessica Holton in the 400 meter run (1:10.3), Monica Hansen in the 100 meter run :16.44, the 800 relay team of Paton, Sarah Brosnan, Holton, and Michelle Beeman (2:00.5), and the 1600 relay team of Hauck, Sarah Henry, Thiel, and Monti (5:00.21).

In the meets with Stockbridge and Webberville, Chelsea runners took eight of nine places in the distance events, to the pleasure of assistant coach Martha Piper, who coaches the distance events.

Monti, running the 800 meter run for the first time, set a school record of 2:32, breaking Vicki Bullock's 1986 mark of 2:34.

Chelsea winners at the meet included Hauck in the 1600, Royce in the 100, 200, and long jump, Holton in the 400, Hansen in the 100 hurdles, and Chelsea's 1600 and 400 relay teams.

Amy Wolfgang Helps Alma Track Team to Title

Amy Wolfgang, a 1986 graduate of Chelsea High school, is now a member of the Alma College track team. On May 5 their season came to a close when they won the MIAA championship for the fifth consecutive year.

Amy helped the Scots in their victory by placing first in the 1500m and 400m hurdles. She also placed fifth in the 3000m. Her 400m hurdles time was good enough to qualify for the division III nationals competition to be held in Naperville, Ill., on May 24-27.

Amy was also acknowledged by the league coaches as an All-MIAA competitor. Her teammates and coaches awarded her with leadership and most valuable.

Her parents are David and Barbara Wolfgang of Chelsea.

Chelsea split with South Lyon last Saturday, May 13.
The Bulldogs won the opener, 5-4, but lost the second game, 8-7.
Shawn Losey's single in the bottom of the seventh of the first game scored Kelly Cross with the game-winning run. Cross, Christine Burg, and Losey all singled in the inning.
Chelsea took a 2-1 lead early, but fell behind 4-2 after four innings.
Scharphorn was the winning pitcher

Ladies Day Held at Inverness

Thirty-four women attended Ladies Day festivities at Inverness Golf Course on Thursday, May 4.
Yolaine Carignan and Betty Korzilius had low gross and low putts, respectively, in the first flight.
Dorothy Hale and Roberta Barstow tied for low gross in the second flight. Hale had low putts.
Audrey Elsiele had low gross in the third flight and Pauline Austin had low putts.

Hawker Pitching Back in Form

Former Chelsea softball pitcher Kelly Hawker appears to be recovering from her season-long injuries and afflictions.
On Wayne State's Florida trip in March she developed a rash on her three middle fingers of her pitching hand after medication was applied for a split finger. In April she pulled a leg muscle, which further hampered her pitching.
Hawker, a second team All-American last year, has been struggling until recently. She won two games last week and in her only loss, against the University of Toledo, she gave up no earned runs. She threw a three-hit victory over Hillsdale and pitched a four-hitter against Lake Superior State. In the process she lowered her ERA to 1.87. She has an 8-13 record.

Radios, Stereos Taken from Vehicles

Someone broke into nine cars and stole radio and stereo equipment at Faist-Morrow Buick, Olds, Chevrolet.
The theft was reported to Chelsea police on Friday, May 12 and apparently occurred during the previous night after 5 on Thursday.
A window was broken out on each late-model vehicle, which allowed a thief or thieves to gain access to the equipment.

as she struck out four and allowed six hits.
Chelsea let the second game slip away in the seventh inning for only their third loss of the year.
The Bulldogs were down 7-2 going into the bottom of the sixth, when they score five runs to tie. However, with runners on second and third and only one out, they couldn't score the sixth run.
"We started many of the younger kids since it was a non-league game and all-in-all they did a pretty good job," Sullins said.
"Because it was a close game, every error or misplay was magnified."
The Bulldogs are 19-3-1 on the year.

Freshman Dogs Have Three Wins

Chelsea Bulldog freshman baseball team has a 3-1-1 mark after action last week against Saline.
Below is a summary of the team's games this month.
South Lyon 10, Chelsea 4—
Played May 1. Chelsea defense committed eight errors. Neil Klink scattered four hits but walked 12.
South Lyon 11, Chelsea 2—
Jake Rindle was 3-3 with a double and two singles. Mike Eder was the losing pitcher although he gave up only three hits.
Hartland 10, Chelsea 2—
Played May 4. Hartland hit the ball hard and played solid defense, according to coach Mike Bohlender. Lee Skyles, Adam Tillman, Rob Jaques, and John Weinberg each had a hit.
Chelsea 2, Hartland 1—
The Bulldogs' best game to date. Chelsea played good defense and got a couple of key hits. Rindle was the winning pitcher and Jeremy Guenther made a game-saving catch to end the game.
Milan 18, Chelsea 8—
Played May 10. Poor defense and baserunning did the Bulldogs in. Klink hit a double and scored two runs, and Jeff Moore was 2-3. Seven of nine hitters had at least one hit.
Chelsea 13, Milan 11—
Moore was the winning pitcher and Rindle earned a save. Each team played sloppy defense. Dennis Clark and Guenther each hit a pair of singles. Jaques was 2-3 with three runs scored. Matt Gaken had a good defensive performance at catcher and Mike Kelley played well in left field.
Saline 12, Chelsea 0—
Played May 12. Rick Clouse had Chelsea's only hit of the game. Klink struck out three and allowed eight hits.

World Class Harpist Will Appear at Free Methodist

Greg Buchanan, world class harpist, will perform a Christian concert at the Chelsea Free Methodist church, 7665 Werkner Rd., Chelsea, on Tuesday, May 23 at 7 p.m.

Greg's unique musical excellence is enhanced by a dramatic testimony of his personal salvation from a life of drug and alcohol addiction to a ministry of music. Greg has been privileged to perform at the Denver, Billy Graham Crusade, the Christian Artist Music Seminar, Insight for Living, the Gospel Music Association's Dove Awards, the National Religious Broadcaster's Convention, Gaither's Praise Gathering, and the Christian Booksellers Association Convention.

Greg plays a top-of-the-line Salvi Harp; and creates melodic sounds that are surely as pleasing to God as David's were. He has five recordings to his credit, with a sixth being released in the fall of '88.

For more information, contact Wanda at 475-1391.

Items Stolen

From Beach Lockers

Items were taken from eight different lockers in the girls locker room at Beach Middle school on Monday, May 8.

According to Chelsea police, neither the room or the lockers were locked.

Items stolen included money, penicillin tablets, a calculator, soft drink, two cassette tapes, and a telephone credit card.

PROCLAMATION

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States has been officially recognized and endorsed by the governmental leaders since 1922; and
WHEREAS: VFW Buddy Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans, and
WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living";

THEREFORE, I Jerry J. Satterthwaite, president of the village of Chelsea, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Margot Jean Koenn

2200 Hayes Rd.
Chelsea
Margot Jean (Murphy) Koenn, 2200 Hayes Rd., Chelsea, age 43, died Sunday morning, May 14, 1989 in Ann Arbor as a result of an automobile accident.

She was born Aug. 16, 1945 in Ann Arbor, the daughter of Thomas D. and Marguerite (Hartman) Murphy. At St. Mary's church in Chelsea on Sept. 11, 1965 she married Charles H. Koenn and he survives. Margot was a life-long resident of Chelsea and was a varsity cheerleader at Chelsea High school where she attended from 1960 through 1962 and graduated from St. Mary's Academy in Monroe in 1963. She attended Central Michigan University for two years. She was named Chelsea Fair Queen in 1960. In addition she was active in the Chelsea Community Fair, serving as superintendent of the Queen Contest for many years. She was also active in the Chelsea Recreation Dept., serving as a softball coach, and will be remembered for her roles in various plays with the Chelsea Area Players.

Surviving, in addition to her husband, are two sons, Charles T. and Matthew H., both students at Michigan State University, and her daughter, Debra, at home; three brothers, Daniel of Chelsea, Michael of Orange, Calif., and Matthew of Chelsea; five sisters, Mrs. Patricia Marion of Los Angeles, Calif., Mrs. Ken (Mary Kathleen) Bertino of Buena Park, Calif., Mrs. Judith Anne Lewis of Decatur, Ill., Mrs. Donald (Angella) Coppernoll of Cheboygan, and Mrs. William (Penelope) Smedley of Stockbridge; 30 nieces and nephews and several great-nieces and nephews, and an aunt, Evelyn McMahon of Grand Rapids.

Mass of the resurrection will be held Wednesday, May 17, at 10:30 a.m. from St. Mary's Catholic church with Rev. Fr. Philip Dupuis and the Rev. Fr. Joseph Rinaldo co-celebrating. Interment services will be private. The rosary will be held Tuesday evening at 7:30 p.m. from the Staffan-Mitchell Funeral Home where the family received friends Monday and Tuesday.

Expressions of sympathy may be made to St. Louis Center.

Thomas Alexander

He was born May 13, 1916 in Chelsea the son of Miles and Pearl M. (Duart) Alexander. Mr. Alexander was a life-long resident of Washtenaw county and was formerly employed with the Ann Arbor Recreation Department as a golf and tennis instructor. He was a veteran of WWII and a member of the American Legion Post 225 of Lansing and a member of Professional Golfers Association.

Surviving is one brother, Don Alexander, and one sister, Mrs. Robert (Pearl) Fitzsimmons, both of Chelsea, and several nieces and nephews. He was preceded in death by four brothers, George, Albert, Warren, and Harold and a sister, Emma Jane Adams.

Funeral services will be held Wednesday at 1 p.m. from the Staffan-Mitchell Funeral Home with the Rev. Sondra Wilboe of North Lake United Methodist church officiating. Friends called Monday and Tuesday at the funeral home. Burial will follow in Oak Grove Cemetery, Chelsea.

Laurence E. Noah

8825 Werkner Rd.
Chelsea

Laurence Eugene Noah, 8825 Werkner Rd., Chelsea, age 88, died Tuesday evening, May 9, 1989 at Cedar Knoll Rest Home following a long illness.

He was born Feb. 5, 1901 in Dexter township the son of Perry and Bertha (Wood) Noah and great-grandson of John and Jane Glenn, pioneer settlers of the North Lake community.

On Oct. 26, 1921 in Albion, he married Esther M. Widmayer and she preceded him in death on July 2, 1986. He was also preceded in death by an infant son, Lloyd Eugene, and a sister, Mrs. Floyd (Florence) Boyce.

Mr. Noah was a life-long resident of the North Lake area and an active member of the North Lake United Methodist church. He spent his entire life farming in the North Lake area and had been honored as a 50-year member of the Michigan Milk Producers Association and was also a member of the Washtenaw County Farm Bureau and had served as Lyndon township highway commissioner and justice of the peace for over 20 years.

Surviving is one daughter and son-in-law, Donna and Wilfred Lane of Chelsea; two sons and a daughter-in-law, Laurence Duane Noah of Chelsea and Lynwood and Camilla Noah of Gregory; seven grandchildren, Mary Lynn Noah and her husband, James Wilfong, Caroline Easter Lane, Alicia Esther Noah, Wilfred Chandler Lane, David Laurence Lane, Jonathan-Frederick Lane, Sarah Anne Noah; one sister Mrs. Holton (Mildred) Knisely of Chelsea; and several nieces and nephews and a good friend, Dan S. Whitman, also survive.

Funeral services were held Friday, May 12, at 1 p.m. from the North Lake United Methodist church with the Rev. Sondra Wilboe officiating. Burial followed at Maple Grove Cemetery, Sylvan Center. Expressions of sympathy may be made to the North Lake United Methodist church. Arrangements were by the Staffan-Mitchell Funeral Home.

SEE-THROUGH SLUG

Sea slugs are discriminating eaters. Each sea slug species keeps strictly to its own diet. International Wildlife magazine reports because of their strict diet the slugs often resemble the special sea weed, sponge or coral on which they feed. This protective coloration keeps them well hidden from enemies.

Businesses Air Gripes About County Program

Washtenaw county's Right To Know ordinance regarding hazardous materials is unfair, confusing, and is not working.

That was the consensus of a meeting of Chelsea-area business leaders and representatives and county officials Friday afternoon in the Chelsea School District board room.

The meeting, organized by Chelsea Cleaners owner Warren McArthur, drew representatives of businesses ranging from Chrysler Proving Grounds and Chelsea Community Hospital to Macdee, Inc. and Roberts Body Shop. Chelsea School District and the Village of Chelsea were also represented.

Washtenaw County Health Department Director Barry Johnson was also on hand. County administrator Saul Cooper, who was supposed to be the county's main representative, made an appearance near the end of the meeting. He said he had been detained by an emergency meeting with state Sen. Lana Pollack.

The meeting gave business leaders an opportunity to voice their concerns about the law, which is supposed to keep tabs on how hazardous chemicals are stored and used at non-retail businesses within the county.

The law requires inventorying paperwork as well as inspection fees. Many businesses have intentionally not complied and have not paid inspection fees for a variety of reasons.

McArthur was one of the most vocal opponents of the law, saying he'd like to see it repealed altogether.

"If your goal is to wipe out the ordinance, you probably won't be successful," Cooper said.

"However, if your goal is to make it more rational, there are people who will listen."

Cooper admitted that the program was essentially "being invented as it goes along" because no other county in the state has a similar law.

Cooper said he would take the complaints to the board of commissioners. He also said he would respond to the concerns in writing.

The people in attendance had numerous complaints. Among them were:

- The fee schedule, \$400 for small businesses and \$600 for large businesses, discriminates against small businesses
- Enforcement appears to be arbitrary and is unfair
- The county has no list of what is to be reported
- Government agencies, farmers, and retail businesses are exempt from the ordinance—a hazardous substance is hazardous no matter who has it (i.e. Chelsea Community Hospital has to comply but University of Michigan Hospital does not)
- The law is a duplication of what state and federal laws already provide
- The county has taken an adversarial position with the law by threatening prosecution of violators.

Many of those attending told their own stories of dealing with the law. McArthur said that if he were to go to

a supermarket and purchase two gallons of chlorine bleach, he'd have to report it while the supermarket would not have to report the 200 bottles on its shelves.

One business talked about reporting cases of "White-Out."

Much of the discussion focused on firefighting in an area where hazardous chemicals are stored.

However, the area business people agreed that Chelsea Fire Department already keeps business floor plans and knows where hazardous chemicals are kept.

Johnson defended the program, citing numerous pollution problems that have been avoided. His department is charged with enforcing the ordinance. He said when the ordinance was being developed he was in favor of having no one exempt.

PAUL PHILLIPS, a mail carrier in the village for more than 20 years, is retiring to more leisurely pursuits. Here Phillips hand delivers mail to Summer Oesterle on one of his last rounds. Phillips, from Stockbridge, officially quits work this Thursday. He hasn't taken a single day

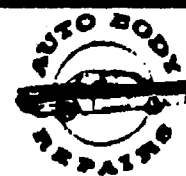

of sick leave since he began with the postal service, despite walking about eight miles a day through all sorts of conditions. Friends can stop by Wolverine Food & Spirits this Sunday afternoon to wish him luck in retirement.
