ONE HUNDRED-NINETEENTH YEAR—No. 14

CHELSEA, MICHIGAN, WEDNESDAY, AUGUST 30, 1989

24 Pages This Week

JUDY BAREIS' grand champion lamb brought a record sale price of \$12.25 per pound at last Thursday's livestock auction at the fair. Bareis is kneeling with her lamb. Standing, from left, are buyers Ralph McCalla, of

McCalla Feed Service, David Lane, representing Lane Animal Hospital, and Grover Colby of Colby Farms. Right is 1988 fair queen Jennifer McAfee.

THE CHINESE PRINCESS took first place in the mix-way is Noelle Niedermeyer, and her sister, Tara, is the ed ages category of the Children's Parade. Leading the princess. At back is Nicole Fite.

Despite Concerns of Village, Domino's To Keep Delivery Policy

The new Domino's Pizza store in Chelsea will have the same 30-minute delivery guarantee as other stores in the chain, according to store owner Gene Belknap.

Village officials have expressed concern about delivery policies since the automobile accident that killed high school student Joe Beaudoin this summer. The village sent a letter to both Domino's, and Cottage Inn, where Beaudoin was employed, expressing their concern about the policy.

In its reply, Cottage Inn, which has a similar 30-minute policy said it is

concerned about safety, but did not address specifics of its policy.

Belknap said he will probably have three or four company delivery trucks, which he hopes will be driven by Chelsea-area people. Drivers start out at \$4 per hour plus tips.

He said "in no way," are his drivers penalized for failing to have a pizza delivered within 30 minutes, although customers are given \$3 off the price if the delivery takes longer.

"Our franchise has a new employee orientation class, which deals with how to handle deliveries," Belknap said.

Belknap also said it's company policy for new delivery people to sign a form which essentially says they'll be fired for even one speeding ticket.

The new Domino's store is scheduled to open about Oct. 1. However, the delivery area hasn't been decided.

"The corporation tells us that if we can get somewhere on Friday at 6 p.m. in seven minutes then we can probably deliver to that area," Belknap said.

"We should have each pizza made, cooked, and on the truck within 12-15 minutes maximum. Our drivers should never have more than two stops."

Perfect Weather Helps 1989 Community Fair Set Attendance Record

A record crowd of more than 35,000 people attended the 1989 Chelsea Community Fair, thanks in large part to almost perfect weather over the five-day event.

"It was a very successful fair and we're very pleased," said fair board secretary Maryann Guenther.

"We had tremendous support from the community. Plus, I can't remember a fair when we've had fewer problems."

The previous attendance mark was 33,000, Guenther said. The final attendance mark for 1989 won't be known for a while.

Tuesday, Wednesday, and Saturday were the biggest attendance days. Tuesday and Wednesday featured the Cavalcade of Thrills Demolition Derby, while Saturday's 45-minute parade drew a large number of people

into town, as did the evening pulling events.

One of the few disappointments was the attendance for Saturday night's concert by Ann Arbor rocker Steve Nardella.

"I guess we're not really sure what the community wants in terms of that kind of entertainment," Guenther said.

Capacity crowds were on hand for Friday's Ladies Day and fair queen pageant, as well as Thursday's mud bog.

The merchants display area was expanded this year but still didn't accommodate everyone who wanted to set up a booth.

"We don't hear much from the merchants, but they must do all right because they always want to come back," Guenther said.

The new diaper-changing area in the basement of the service center proved to be a popular idea, Guenther said, that was run well.

No major incidents marred the fair, although Chelsea police reported that several minor fights broke out, mostly involving high school-age students. There was also a minor outbreak of shoplifting at Polly's Market and two out-of-town men were arrested for possession of marijuana in the fairgrounds parking lot in separate incidents.

Patrons of next year's fair will see an expanded fair service center, as well as a possible added attraction or two.

"We'll have a meeting in a couple of weeks or so and talk about all of it," Guenther said.

DNR Accepts Application For Landfill License, Village Awaits Response

The village's application for a new landfill operating license has finally been ruled administratively complete by the Department of Natural Resources, according to village president Jerry Satterthwaite.

That is about the most positive news in an otherwise unsettled situation.

It has been nearly two years since the village first applied for the new license, and several applications were turned down by the DNR. DNR now has 90 days to review the application.

However, village officials say the situation is probably still a long way from being resolved.

"They could turn down the application for a variety of reasons," Satterthwaite said.

"They say we are not in compliance with the consent order, although (consultant Lee Fahrner) says we are. They could turn it down because the tracer system is not installed, but we're not going to spend the money to

install it until we're sure about a license."

The village and DNR are also still haggling about how much area of the old landfill has to be capped with a layer of clay. Satterthwaite said the DNR's area estimate was almost double that of Fahrner's and the cap could end up costing roughly \$250,000.

The village has been operating the landfill essentially on a technicality. The village filed last year for an administrative hearing on the license and that hearing is due to come up before the end of the year.

"I guess we can discuss all the problems we have had at the hearing," Satterthwaite said.

Satterthwaite said he is still "totally upset," about the DNR's apparent change in attitude about the bromide tracer system. At a meeting last month, DNR told the village that they had to be guaranteed that a leak in the landfill could be detected within the two-year license period. The

village said that rule came as a complete surprise, as well as impossible to comply with.

"It's beginning to look as though they'd just as soon close down the landfill, but as far as I'm concerned it's not going to happen and I don't think the taxpayers want it to happen either," Satterthwaite said.

"No matter what happens with the license, we're going to see someone in Lansing about it."

The village may also soon decide to close the landfill to all but village residents, which could extend its life an additional six months or so. That matter, Satterthwaite said, is likely to be discussed at the Sept. 5 village council meeting.

"If we closed it to the townships, what we'd have to do is put a dumpster out there, charge a fee for them to use it, and haul it away," Satterthwaite said.

Holly Koscielniak Named 1989 Chelsea Fair Queen

Holly Koscielniak was crowned the 1989 Chelsea Community Fair Queen last Friday night in the covered arena.

Koscielniak, 15, the Chelsea High school sophomore class candidate, beat out six other contenders. She gave a dramatic performance of "The Tramp Story" by Will Carlton, which also won her the Talent Award.

CHS senior class candidate Debbie Gerstler was named the runner-up, and Key Club candidate Tammy Browning was named Miss Congeniality.

Koscielniak seemed genuinely surprised when emcee Susan Buck read her name and 1988 queen Jennifer McAfee placed the crown on her head. Most of the judging takes place before the formal show. However, during the show each candidate is asked a personalized question, which is not known beforehand. Koscielniak was asked how she would like people to view mentally and physically handicapped people.

Subjects of other questions included Students Against Driving Drunk, peer pressure, owning a business, comedian Roseanne Barr, and mother.

One item not in the program was the singing of "Happy Birthday" to Gerstler, who was celebrating her 17th birthday, by her many relatives in attendance.

"Thanks," she said.

The fair queen of 25 years ago, Cindy (Schumm) Bradbury, shared some of her memories of the fair and the fact that after Friday night she wouldn't be referred to as "the old queen," anymore.

The talent portion of the show featured several unusual presentations. Melissa Johnson, sponsored by Chelsea Community Hospital, may have given the first non-performing presentation ever when she displayed,

(Continued on page three)

HOLLY KOSCIELNIAK became the 1989 Chelsea Community Fair Queen last Friday as she beat out six other contenders. She was the Chelsea High school sophomore class candidate.

FRANK LEE IVY of Jackson was taken by survival flight to University of Michigan Hospital early last Friday afternoon. Ivy, 25, who works for BFI, the village's trash hauler, was riding on the back of a trash truck when he was struck by a low tree limb on Dexter-Chelsea Rd. near

Taylor Lane. Ivy hit his head on the pavement and rescue workers feared he was paralyzed. However, as of Monday, Ivy has been released from the hospital, with a slight swelling of his spine.

JUST REMINISCING

Items taken from the files of The Chelsea Standard

4 Years Ago . . .

Wednesday, Aug. 23, 1985—Chelsea's 1985 Community Fair got off to its usual amusing good start with a successful Children's Day Parade. However, as of Monday afternoon, it was uncertain whether the kids would be better off having a raft race instead. Rain most of the weekend and well into Monday, made the fairgrounds somewhat swampy. There was standing water all over town.

Congressman Carl D. Pursell took a fresh initiative in getting Amtrak to fulfill its promise to sell the Chelsea rail station to the Chelsea Depot Association. After months of effort in dealing with administrative officials of the rail passenger system, he wrote directly to W. Graham Clayton, Jr., president of Amtrak.

Domino's Pizza expressed an interest in buying the property at 520 Main St., occupied by a gas station in front and a house behind. The property would be used as a site for a sales outlet. The matter went before the village council as the result of an informal inquiry into zoning considerations.

Warrants were sought for two 17-year-old Chelsea boys in connection with two separate incidents in which windows were broken at both Beach Middle school and North Elementary school, and toilet facilities were destroyed at Vets Park. Chelsea Police Chief Lenard McDougall said that in both cases the boys had been drinking alcohol.

14 Years Ago . . .

Thursday, Aug. 28, 1975—Brenda Shadoan, the Kiwanis Club nominee and member of the Chelsea High school senior class took the Chelsea Fair Queen title. Brenda was one of five Queen candidates who competed for the title at the fairgrounds arena.

Howard Salver and Dennis Bauer were named co-captains of the 1975 Chelsea High school varsity football team, according to their coach, Phil Bareis. Bareis said the entire team, elected the two seniors while spending five days at Camp Tyrone conditioning for the fall football season.

Recipient for the third annual A. A. Palmer Medical Scholarship was John Mann, son of Mr. and Mrs. Paul

E. Mann. John was a junior at Albion College where he majored in pre-medical studies. According to Dr. William Hawks, the \$500 scholarship was awarded to a young person who demonstrated a strong interest in medicine.

A 14-year State Fair livestock veteran, won the top animal prize at the 1975 Michigan Fair. Eighteen-year-old Ronald Haarer, of Perry showed the Michigan State Fair Grand Champion Market Steer. The winning steer, receiving the Michigan State Fair's Blue Ribbon, was an 1,130-pound black Angus.

24 Years Ago . . .

Thursday, Sept. 2, 1965—The Sheriff's Department was on the lookout for a bunch of cattle rustlers who butchered their loot on the spot. Officers said thieves made off with two black heifers weighing about 500 pounds each from the farm of Ferdinand Kopinski. Deputies said blood was found near a gap in a fence on the farm and apparently prowlers had killed the cattle before dragging them away.

Bids were received from five general contractors on construction of the new St. Mary's Catholic church. The building would be designed to hold approximately 700 people according to the Rev. Fr. F. Maliszewski, and it would "incorporate the liturgical changes made by the Church recently."

Richard Schaules' appointment by President Lyndon B. Johnson as Chelsea postmaster had been confirmed by the U.S. Senate, according to official information. Schaules succeeded Carl Mayer whose retirement was effective Sept. 10, after almost 16 years in office.

Plans for reorganizing Washtenaw county's 17 school districts into one had been abandoned. The 18-member Washtenaw County Intermediate School District Reorganization Committee voted to re-align the county's primary districts into adjacent K-12 districts.

34 Years Ago . . .

Thursday, Sept. 1, 1955—Supported by Ohio Oil and Sun Oil companies, drilling for oil began at midnight on a well to be known as Mohrlock-Shears No. 1. Located on the farm of Mrs. Herman Mohrlock on Old US-12, west of Chelsea, the project was being carried out under a plan which utilized the two farm properties.

Mohrlock and Wortley, who had operated a service station at 137 Park street as partners for 15 years, went out of business. David Mohrlock had been in business at that location for 37 years, formerly operating a garage, also.

State Cites "Warning Signs" On Lottery Revenue

Revenues from the state lottery continue to lag behind last year, serving as a "warning sign" of possible changes that may be needed in its operations, Management and Budget Director Shelby Solomon said recently.

Solomon said he has asked his aids, some of whom worked with a 1988 governor's task force on the lottery, to advise him on whether new strategies are needed to bolster lottery sales.

A top lottery official said changes are constantly under consideration to stimulate sales, including a continued interest in possible success in other states of controversial betting on sports games.

The monthly DMB report noted Lot-to-game sales are 8.3 percent below sales by the same date a year ago, and sales of the Daily Game were down 1 percent.

The two games account for almost 90 percent of the lottery's sales. Sale of the Instant Game, by far the lowest revenue producer of the three games, were up 18.5 percent, following three years of no growth.

DMB's monthly financial report to the Legislature, covering revenue and economic activity through June, said the lottery's "continued weakness is a major concern."

Solomon expressed it less emphatically, though, saying, "It is a little bit of a concern. We've anticipated revenues being lower all along. But the concern we do have is that they not go further in this direction."

The administration's estimate of lottery revenue for the current year is \$483 million, down slightly from the \$488.4 million last year. But the monthly report said without "significant" sales improvements soon, that estimate will have to be reduced.

The lottery is the third largest source of funds for state aid to K-12 schools, following the sales tax and general fund.

Solomon said he has asked "my people to put together their thoughts on the lottery, and whether we need a different strategy." He added he would discuss any proposals with Lottery Commissioner Michael Carr.

Deputy Lottery Commissioner Jack Schaffer, who said the decrease in revenues is "in the ballpark" of

bureau officials, said it is increasingly difficult to maintain the type of revenue growth in past years as the lottery has built a following, but said officials are constantly reviewing ways to stimulate renewed interest and "add excitement."

"When games mature, you have to look at new products and new promotions. We are doing what we feel is appropriate to modify and make changes," Schaffer said.

He added new promotions and "twists" are being planned for the new fiscal year. He said telemarketing will be tested for instant tickets and cash and merchandise incentives for agents are in the works. Regarding possible suggestions from DMB, Schaffer noted lottery officials do already heed advice from an advisory board, set up as a result of the recommendations of the task force.

He said officials are monitoring programs in other states to run professional sports betting, a change to decrease the odds of winning the Lotto but likely producing larger jackpots when a winning number is drawn, and a smaller odds game component which does permit more frequent jackpots.

Schaffer said he does not anticipate Michigan will jump into the sports betting arena until seeing how it works in Oregon, which first came up with that approach, and Kentucky.

National Football League officials have unsuccessfully tried to block such games.

Part of the reason officials anticipated lower sales was the unusual number of large jackpots in the Lotto game last year (including the three largest payouts in history), which produced spurts of high ticket sales.

Many of the January, 1988 recommendations of a governor's task force have been implemented already, including returning more of Instant Game sales revenue to winners and improved methods of ticket distribution.

The task force had been appointed because of disappointment by officials by the leveling off of revenues from the lottery after 15 years of steady growth.

Prenatal Survey Shows Health Programs Are Working

Results of a survey, of Michigan women which indicates they are receiving more prenatal care than they did three years ago proves that programs implemented by the Department of Public Health are

working, said Director Raj Wiener. Those responding to the Prenatal Health Care Survey said women at all income levels are entering care earlier. While the great majority are not experiencing a problem obtaining care, 7 percent—mostly low income and indigent women—say they had difficulty.

"I am pleased to see more Michigan women starting their prenatal care in the first trimester as compared to three years ago. This tells us that the new programs we started last October promoting earlier prenatal care have been effective," Wiener said.

But she also said those who cannot get care are still of concern. "Some women at risk of having a poor pregnancy are not getting help, although it is available."

"We know prenatal care can prevent premature delivery and low birth-weight and thus infant death, yet some poor women cannot find a doctor to care for themselves and their baby," Wiener said.

Among the programs implemented by both the Department of Public Health and the Department of Social Services are maternal advocates, in some counties, to help pregnant women find a doctor and fill out the paperwork associated with Medicaid, and assisting in providing transportation for prenatal appointments, through taxi fare and bus tokens.

Additionally, the state has simplified the process for qualifying for Medicaid by using a new shortened application form that can be filled out at the local health department, where women are likely to come for other health services as well.

Also, through the implementation of MICH-CARE, all pregnant women with incomes less than 185 percent of poverty have access to prenatal care, Wiener said.

To further promote prenatal care, Wiener said the department, with the co-operation of the health care leaders and the Michigan State Medical Society, will launch a major media campaign to let women know the importance of proper care and how they can obtain it.

It is hoped a program, modeled after one used in Utah, can be in place by the end of this year.

Also found through the survey is that 15 rural hospitals in the state, most of which lack obstetricians, are no longer providing services for pregnant women.

Such closings have required pregnant women to travel many more miles in poor road or weather conditions to deliver their children, Wiener said.

Those are among the concerns being addressed through the Rural Health Initiative, in which health leaders are studying the problems of access of rural communities to quality health care, Wiener added.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

After a discussion that started at A and used up most of the alphabet, the fellers around the drink box at the country store Saturday night were full agreed that everything in life is relative. And Ed Doolittle spoke for all when he said dealing with everything relative to everything else is gitting more necessary every day.

Fer instant, Ed said he was suprised that folks were suprised that the U.S. Supreme Court can't deal with abortion. The reason, Ed said, is that the court knows it is being ask to say beyond a shadow of doubt how many angels can dance on the head of a pin. The issue is not pro-life or pro-choice, it is wrapped up in and relative to everything the human race has been, is and hopes to be, was Ed's words.

Zeke Grubb was agreed. He said his preacher talked at a recent men's breakfast about visiting his dad in a community where everybody is retired and the golf course, the picture show, the food and drug store and everything else they need is close by. What he learned, the preacher said, is that there ain't nothing more relative than age. He thinks of retired folks as one part of the population, but his dad has em broke down in groups based on how they think and act. His dad spoke of new retirees, old retirees and all the attitudes in between. The new ones are winding down, he said, and they take their time doing everything. The old retirees have wound back up, like they hear the clock ticking, and they can't stand to wait another minute at the post office stamp window or fer tee off time. The folks in the biggest hurry, he said, have been retired the longest.

Actual, declared Clem Webster, the life cycle runs pritty much with the civilization cycle. We have got where we can't be content with today, we're worrying ourselves crazy about tomorrow. The Old Farmer's Almanac ain't near enough, Clem noted. We can't go to bed without knowing the morning weather exact, and we want predictions to our satisfaction on what's going to happen to the stock market and the baseball races.

Worst of all, Clem went on, we don't listen to our politicians and make up our minds about em, we foller the polls to make sure we back a winner. The sooth is being said today more than ever, it just takes on new shapes. It was Mark Twain that said faith is believing what you know ain't so, Clem declared, but today it takes stronger faith not to believe what ain't so yet.

As you go through life, Clem said, you pick up a heap of things. Most of em you drop and fergit, some you save and fergit and a few you actual use. That's why they say a feller with average sense don't use but 15 percent of his brain power even when he's trying to think, not to mention how much he's wasting when he's talking. Age being relative, he said, it's safe to say not many of us at any age ever learn to engage the brain before starting the mouth.

This is why, Clem said, that our hope springs eternal this time of year when the schools crank up fer another go at engaging young brains. Fer sure, he declared, all the moms will be relieved to git the little ones from under foot and maybe even put up their feet fer that second up of coffee mornings.

Personal, I see Clutterbusters as relative to a clean start at school and life. This is a Chicago outfit that organizes your desk so the hurrier you go the less behind you git.

Yours truly,
Uncle Lew

Mr. and Mrs. Steven Michael Heydlauff

Crystal Porath, Steven Heydlauff Are Married Aug. 5 in Chelsea

Crystal Lynn Porath, daughter of Mr. and Mrs. Warren Porath of Chelsea, and Steven Michael Heydlauff, son of Mr. and Mrs. George Heydlauff, were married on Saturday, Aug. 5 at the First United Methodist church of Chelsea.

The Rev. Dr. Jerry Parker performed the ceremony.

Larry Koch played various guitar solos, June Warren directed a chancel choir from the church choir and Sherri Plank accompanied on the flute. Songs included "Day by Day" and "The Irish Blessing."

The bride wore a white satin gown with a Queen Anne neckline, puffed sleeves at the top with sheer to wrist. It also had a fitted waistline, full skirt, and cathedral-length train. The gown

was trimmed with pearls. The bride carried a white lace fan with a bouquet of lilies of the valley, stephanotis, dendrobium, alstro, and baby's breath trimmed with white satin streamers and pearl strands.

Maid of honor was Jill Schaffner, of Chelsea. She wore a party dress of pastel floral chintz and carried a pink fabric fan with a bouquet of lilies of the valley, dendrobium, pink alstro, and baby's breath.

Bridesmaids were Ann-Marie Welcher, of Westland, and Cindy Kvarnberg, of Chelsea, both friends of the bride. Their dresses were similar to the maid of honor's.

The bride's mother wore a two-piece peach satin tea-length dress trimmed in lace.

The bridegroom's mother wore a pink embroidered tea-length dress.

Flowergirls were Angela Johnson, cousin of the bride, from Morocco, Africa, and Jennifer Johnson, cousin of the bride, from Maryland. They wore white lacy dresses with white tights and satin slippers.

Ringbearer was Ryan Stringer, of Flushing, cousin and godchild of the bride.

Best man was Mark Heydlauff, brother of the bridegroom, of Chelsea. Groomsmen were Matthew Heydlauff, brother of the bridegroom, and Mark Porath, brother of the bride, both of Chelsea.

Ushers were Larry Porath, of Charlevoix, and Paul Stringer, of Flushing, uncles of the bride, Daniel Fischer, cousin of the bridegroom, of Chelsea, and Luke and Jake Porath, cousins of the bride, of Charlevoix.

A reception for 400 guests was held at the Dexter Knights of Columbus Hall. Rodney Robeson and Jennifer Colvin served as host and hostess.

The couple took a honeymoon trip to the Canadian Rocky Mountains. They are living at Sugarloaf Lake.

60th WEDDING ANNIVERSARY: Martin and Alene Steinbach observed their 60th year of marriage. At the reception honoring the occasion were, left to right, Roger and Connie Hoffer of Ft. Collins, Colo., Alene and Martin Steinbach, Raymond and Alice Steinbach of Chelsea.

Martin, Alene Steinbach Observe 60th Anniversary

On Aug. 5, Martin and Alene (Shoberg) Steinbach observed their 60th wedding anniversary at a reception in the Fellowship Room of the First Congregational church.

The Steinbachs were married Aug. 12, 1929 in Cedarville.

Their children, Raymond of Chelsea, and Connie Hoffer of Fort Collins, Colo., hosted the event.

The Hoffer family includes a son, Steven, now a student at Purdue University.

Raymond and Alice have a son David and his wife Shannon. They have two children, Sean 3, and Tracy 11 months.

The couple has lived in Chelsea since their marriage and in their home at 246 Harrison St., since Aug. 4, 1934.

Their children, Raymond Steinbach and Connie Steinbach Hoffer grew up in the home on Harrison St.

Martin was born in the Steinbach farm home at Lima Center. His parents were John and Lillian Wolf Steinbach.

He attended grade school at Lima Center and was a Chelsea High school graduate with the class of 1925.

After high school graduation he worked with his father at the farm until the fall of 1929 when he went to work at Chelsea Hardware, then owned by John Kilmer and Louis Haselswerdt.

In January 1934 Martin began work at Chelsea Lumber Co. he worked there until 1949.

When Charles Finkbeiner retired in February 1949, Martin purchased Finkbeiner Lumber Co. and operated it until his retirement in March of 1969.

Alene was born in Cedarville, the eldest daughter of Victor and Anna Shoberg. She attended school in Cedarville through the 10th grade. No higher grades were taught then. In September 1924 she began her junior year of high school. High school graduation was June 1926.

In September 1928 she enrolled at Michigan State Normal School, now Eastern Michigan University. She earned a limited certificate in teaching in August 1927 and a life certificate in 1928. She taught rural schools at Worden, Townline and Parker. After the children were in school she was a substitute teacher in the Chelsea Public Schools until she went to work at Finkbeiner Lumber Co. with her husband, retiring with him in 1969.

Since retirement Alene has been a volunteer with the Auxiliary of Chelsea Community Hospital.

The Steinbachs are members of First Congregational church of Chelsea.

Martin is a past master of Olive Lodge No. 156 F&AM and a 50-year member. He is also a past high priest of Olive Chapter No. 140 RAM and a past patron and life member of Olive Chapter No. 108, OES.

Alene is a past matron of Olive Chapter No. 108 and a life member and a 50-year member.

Since their retirement Martin and Alene have traveled to many places. They have many happy memories of their travels but are sure there is no better place to come home to than Chelsea.

Queen Contest

(Continued from page one)

and talked about, her award-winning artwork. Browning sang "Love in Any Language," which was accompanied throughout by sign language.

Other performances included a dance routine to "Bat Dance," from the movie "Batman," by freshman class representative Gretchen Knutsen. She came dressed in leotards, and bat cape. Chelsea Area Players candidate Lori Wetzel sang "Nothing" from "A Chorus Line"; Dana Durst, the junior class representative, danced to "Welcome to the Pleasure Dome" by Frankie Goes to Hollywood. Gerstler gave an acting/singing presentation to "The Simple Joys of Maidenhood" from "Camelot."

Judges for the event included John Simpkins, president and owner of Group Four Realty, his wife, Lonna, vice-president of the company, and Jan Soper, owner of White Lace Bridal Shop in Ann Arbor.

Landfill Update

(Continued from page one)

So the village would be put in the unusual spot of hauling a dumpster from one landfill to another.

Satterthwaite said "the scary part," is the remedy that has been suggested by the DNR for cleaning up any groundwater contamination from the old landfill site, a remedy that is likely to be extremely expensive.

"They're talking about a small slurry wall, where the water would have to be piped up and brought into town for treatment," he said.

That kind of solution could take many years to complete.

E R RACING TEAM of, from left, Stacy Ersten, Greg Rickard, and Zac Ersten, took a first place in the 9-12 age group of the Children's Parade last Tuesday.

BATMAN showed up at the Chelsea Community Fair on Rick Beeman's Demolition Derby car. Beeman's team, sponsored by Darwin's Berry Patch Glass Studio, won the volleyball heat, first place on their paint job and competed in both evening's feature derby heats. Painters who helped prepare the car were, left to right, Bill Darwin, Jr., Marsi McClear, Rich Dennis, Leroy Hafner and Rick Beeman.

YOUNG HEATHER KERN had the reserve champion hog at last week's community fair, and the animal was sold to Provico Big H Feeds at last Thursday's livestock auction. From left are Klaus Bachmann and Jerry Heydlauff of Provico, and Kern.

RESERVE CHAMPION pen of hogs was raised by Nick McCalla, right, and purchased by McCalla Feed Service for 90 cents per pound. From left are fair queen candidates Debbie Gerstler and Lori Wetzel, Mr. and Mrs. Ralph McCalla, and Nick.

Chelsea Together Information Available

A number of community residents have expressed an interest in participating in Chelsea Together, but aren't sure who to contact, according to Dave Prohaska, co-chairman of the group.

Four sub-groups have evolved from the main organization. These include education, family and parenting, recreation, and religion.

To obtain more information about the program or to join one of the working sub-groups, interested persons may call Ruth Shantz, Chelsea Community Hospital, 475-4030, Monday through Friday, 8 a.m. until 5 p.m., or Steve Hartwell, Western Regional Office of Washtenaw Community College, 475-5935, from 5 p.m. until 9 p.m. daily.

The next regularly scheduled meeting of Chelsea Together will be held at Our Savior Lutheran church, 1515 S. Main, on Wednesday, Sept. 13, at 7 p.m. Community residents are welcome to attend.

Bicycle Stolen From Residence

A 10-speed bicycle was reported missing from a Dexter-Chelsea Rd. residence on Sunday, Aug. 27, according to Chelsea police.

The bike, valued at \$150, was stolen sometime between 11 p.m. on Aug. 26 and 2:15 p.m. on Aug. 27. It was reportedly parked in front of a garage.

QUOTES

DONALD A. COLE, Director

On Labor Day we should be grateful to all the people who work faithfully and steadily to provide materials, goods and services for the maintenance of our lives and for the establishment of our homes and communities in which we live.

Unfortunately, many people find themselves in the "rut" of working only to accumulate money with which to purchase the things that other people make. Material things being the ultimate goal toward which we work. We work to have a home, a car, clothes, food, etc. We work to fill a human need. It brings order to our lives.

There is a saying which says "If you want to know a man, watch him work". On this Labor Day we would do well to remember that we get out of work just what we put in it.

THE "TOOTH" OF THE MATTER

DID YOU KNOW?:

- Every person has a set of teeth as unique as his or her fingerprints, and even the "dental fingerprints" of identical twins are different.
- There is a name for the soreness that results when you burn your mouth on melted mozzarella—it's called pizza palate.
- Athletic mouth guards have been credited with preventing more than 200,000 dental sports injuries each year. Don't forget this important piece of sports equipment during fall activities.
- If you aren't satisfied with the look or fit of your removable dentures or partial denture than dental implants may be able to improve your quality of life. Ask us about it!

Grief Lecture Series Offered At Hospital

The loss of a loved one through death is a painful experience. Dealing with and adjusting to the death can pose a very difficult challenge. People experience a multitude of emotions including shock, despair, depression, anger, guilt and loneliness. Education, understanding and support can be helpful in soothing the pain of bereavement.

A series of four weekly lectures will be offered to all interested persons on Tuesday evenings beginning Sept. 12.

Presenters are the Rev. Robert Weikart, Chelsea Community Hospital and James Peggs, M.D., University of Michigan Family Practice Center. There is no registration fee; meetings will occur in the Family Practice Conference Center in Chelsea Hospital.

Specific date and topics of the lectures are as follows:

Sept. 12—Basic Grief Model
Sept. 19—Place of Memories in Grief

Sept. 26—Changing Faces of Grief
Oct. 3—Medical Aspects of Grief
Please call Diane Parishes at 475-1321, ext. 430, for information and directions.

BRIAN TRINKLE of Chelsea took third place in the antique tractor pull last Thursday and was the youngest competitor in the event. The tractor pulls had a lot of fierce competition this year at the fair.

LISA CLARK BROUGHT HER BUNNIES to the Chelsea Community Fair, where many of them earned awards. She also provided hours of enjoyment for dozens of boys and girls, who had a chance to pet Lisa's bunnies on the rug she brought. Shown in the photo are Kendall Monaghan, 1, and Sarah Hirvela, 8, with Lisa and her Best of Show rabbit.

GRAND CHAMPION PEN of hogs was raised by Koscielnik and Tammy Browning, and center is John Garrett Kern, right, and sold to Palmer Insurance Co. for \$1.20 per pound. Left are fair queen candidates Holly

WENDY BRISTLE was named the Junior Homemaker of the Year of the 1989 Chelsea Community Fair. Presenting the award is superintendent Clara Smith. Smith reported that a number of young men had also entered the competition, a hopeful sign for the future.

JOAN EMDE, left, and her daughter Karen, discussed scarves, how to care for them and how to tie them, during Ladies Day last Friday. They represented Jacobson's of Ann Arbor.

Dial-A-Garden Topics Listed

The following is a weekly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, seven days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Wednesday, Aug. 30—"Fruit Survey."
Thursday, Aug. 31—"Soil Sampling."

Bulldogs!

Bulldogs Open Grid Season Friday at Home

A young Chelsea Bulldog football team will rely on a quick, aggressive defense and a potent running game as they open the football season at home this Friday night against Mason.

The Bulldogs scrimmaged Novi, Benedictine, and Farmington last Thursday to give head coach Gene LaFave his first glimpse of the team against outside competition.

"Right now I think our defense is a little ahead of our offense," LaFave said.

"A big football team might give us trouble between the 20 yard lines but we probably won't break often because we have the right kind of kids. We have real average size but we run very well and the kids are quick. In the scrimmage, (the opponents) didn't break a single long run."

Quickness on defense and skill on offense will have to overcome a lot of inexperience.

The defensive line will be anchored by senior Tim VanSchoick at nose guard, the team's best lineman. Junior Sean DeSarbo is a prospect at guard, although he did not play varsity last year. Ron Stacey, Craig Ferry, and Garret Kern will see time at end. Ferry and Kern were JV's last season.

Seniors Matt Herter and Mark Chasteen are the likely linebackers, along with junior Rick Westcott and sophomore Neil Klink.

Sophomore Adam Taylor will play strong safety and junior Jude Quilter is also sure to start at defensive back. Other defensive backs will come from the quartet of senior Kyle Plank, Ferry, Tucker Steele, and sophomore Ben Hurst.

"We could be the kind of defensive

(Continued on page 11)

CHELSEA BULLDOG VARSITY FOOTBALL TEAM opens its season this Friday night at home against Mason High school. In the front row, from left, are Todd Hamel, Ron Stacey, Kyle Plank, Lance Satterthwaite, Matt Herter, Phil Eassa, Tim VanSchoick, and Keith Roth. In the second row, from left, are manager Mike Alber, trainer Julie Warren, Marc Chasteen, Jude Quilter, Sean DeSarbo, Dan Tassinari, Neil Klink, Todd Ferry, trainer Charity Sutherland, and trainer Sherri Stevens. In the third row, from left, are head

trainer Craig McLaughlin, trainer Shelly Birtles, trainer Lucy Eisenbeiser, Preston Gustine, Joe Huetteman, Tucker Steele, Garret Kern, Ben Hurst, Adam Taylor, manager Michelle Stimpson, and manager Jennifer Payne. In back, from left, are head coach Gene LaFave, Brett Salamin, Rick Westcott, Mike Hall, Craig Ferry, Mike Terpstra, Matt Gaken, Chris Bacon, assistant coach Curt Ellis, and assistant coach Steve Mussio.

Bulldog Cagers Need Team Play For Successful 1989 Season

Chelsea girls basketball coach Rahn Rosentreter says the 1989 Bulldogs may be the most talented group he's had over-all, but will also be hard-pressed to match last year's success when the team was one game away from reaching the state tournament.

"Anything we accomplish, it will be as a team, with everybody pulling for the other person," Rosentreter said.

"We have no stars out there. We have to play as a team."

The Bulldogs are young. Allison Brown is the lone returning senior starter. Her play underneath was a key to Chelsea's success last season. She was the team's leading rebounder and inside scorer, and proved to be a big defensive asset as well.

"I guess my big concern is that everyone will rely too much on Allison, even Allison," Rosentreter said.

"I don't want to put too much pressure on her."

Amy Thomson, Scharme Petty, and Tiffany Moore are the other seniors. Petty and Moore saw limited playing time last season, and Thomson didn't play basketball at all.

Everyone else is up from a junior varsity team that went 18-1 last season, winning most of their games by 20 points or more.

However, JV coach Paul Terpstra and Rosentreter don't teach the same style of basketball, so it's really too early to say how they'll fare under Rosentreter.

"The kids know fundamental

basketball, and it's a good group, but I have no idea what will happen this season," Rosentreter said.

"We have a lot of holes to fill with a lot of inexperience. But I do think that sooner or later we're going to have a good team."

Perhaps the hardest spot to fill will be point guard. Kelly Scott, the team's Most Valuable Player last season, has graduated. When Scott was out of the game, the Bulldogs had big problems bringing the ball up court.

Sophomore Christine Burg and junior Shawn Losey are the likeliest ball handlers.

Heather Neibauer, the team's take-charge scorer a year ago, has also graduated. Moore, and juniors Carrie Flintoft and Colleen Scharphorn will all have to be scorers to make up those points. Flintoft, the team's only other returning starter, will be a "big factor" in the offense, Rosentreter said.

Scharphorn may have the most potential in the group, Rosentreter said, but she's still learning the system.

But no one will be able to replace Jenni Smith's presence on the boards, partly because no one comes close to her in size.

"We're trying to replace 30 points and more than a dozen rebounds per game, as well as three players who shot about 70 percent from the line," Rosentreter said.

"We're not tall, we're not quick, but our shooting should be pretty good. We hope to be able to make up for a

lack of height by our execution. It's all going to take some time."

Rosentreter said Dexter and Tecumseh will probably be the best teams in the Southeastern Conference, at least in the early going. Dexter is a senior-dominated team and Tecumseh simply manages to come up with good athletes every year. Milan, he said, may be the most improved team. Lincoln, Saline, and Pinckney are question marks.

"This year a team will probably be able to win the league with three losses," Rosentreter said.

Other members of the team include juniors Mercedes Hammer, Kristin Bohlender, and Kate Dilworth.

Conklin Wins Handicap Tourney

Lillian Conklin was the winner of the Individual Handicap Tournament at Inverness Golf Course July 10-23.

Second place went to Betty Roth, Jo Pagliarini finished third, and Dorothy Hall placed fourth.

In the Club Championship Tournament held July 8-16, Volaine Carignan was the winner of the championship flight, Roth won the first flight and Conklin took the second flight.

THANK YOU

Chelsea Athletic Boosters would like to thank the volunteers for all their time and energy in working the gates at the Chelsea Community Fair. Without these 375 people the Boosters would not be able to earn the money to purchase equipment, uniforms, and supplies for the many athletic teams at the Middle and High School. Also, thanks to the coaches and teams that parked cars, and to the merchants for their co-operation during the week. Special thanks to our "Friends" — the Chelsea Fair Board for all their help, support, understanding, and the new club we organized! Last but not least, we need to thank Fred Mills. Without him we would all be on crutches! Thanks again to everyone. See you next year at the fair!

The Chelsea Athletic Boosters

WOLVERINE FOOD & SPIRITS sponsored this traveling team of 13-14 year old baseball players this summer. The team finished 14-6-1 and won an Ann Arbor tournament in July. They were coached by Dick McCalla, Tom Eder, and Earl Grau. In front, from left, are Jason Gar-

rigus, Mike Eder, Steve Grau, Jake Rindle, Matt Gaken, Colt White, and Ryan Hubbard. In back, from left, are Mark Eder, Kevin McCalla, Ken Slane, Nathan Oake, and Nick McCalla. Not pictured is Colby Skelton.

Parker Aces Fifth at Inverness

Ralph Parker of North Lake scored a hole-in-one at Inverness Golf Course Aug. 19.
Parker ached the 141-yard fifth hole using a five iron. The feat was witnessed by Bernie Went, Al Orlov, and Dwight Barstow.

An increasing number of working parents have elder care problems, according to the U.S. Labor Department. A study by the Travelers Insurance Co., found that 28 percent of its employees provided care for a friend or relative aged 55 or older.

Bulldogs Open Friday

(continued from page ten)
team that causes a lot of fumbles," LaFave said.

LaFave said the Bulldog defense will not change substantially under new defensive co-ordinator Steve Musio. Musio comes to Chelsea via Manchester and Saline High schools, teams that have had successful defensive teams.

The young offense will feature a quick backfield, sure-handed receivers, and a big, but inexperienced, line.

Senior Kyle Plank will start at quarterback, a position he hasn't played for two years.

"Kyle is a cool, bright kid who will make the right decisions," LaFave said.

"He throws reasonably well and we think he can be effective in the option."

Plank will be throwing to either Stacey or Ferry at tight end, or Hurst, Taylor, or Steele at wide receiver. Again, four of the five did not play varsity last year.

The offensive line is pretty well set. VanSchoick will snap the ball. To his left will be senior guard Lance Satterthwaite, and sophomore tackle Mike Terpstra (at 230 pounds the biggest lineman the Bulldogs have seen in several years). On the right side will be Herter at guard, and Kern, Joe Huetteman, or Preston Gustine at tackle. Chasteen may also play guard.

Quilter, one of the Southeastern Conference's best runners last year as a sophomore, returns to anchor the backfield and is sure to get most of the work. He also might be the best receiver. Joining him in the backfield will be either Ricky Westcott or Sean DeSarbo, although LaFave

said he also may take advantage of Hurst's speed and insert him occasionally. He's also looking at Jeff Moore.

Hurst will handle the punting, but LaFave is still unsure about the place-kicking.

LaFave again sees the SEC as fairly balanced, "although on paper, Pinckney should be an overwhelming favorite."

Pinckney returns virtually everyone from last year's 5-1, second place team.

Milan could be the most improved team, and Saline is always in the hunt, LaFave said.

"It will be very difficult for anyone to go undefeated in the league this year," LaFave said.

"It will be well-balanced, but at a high level."

Mason, the Bulldogs' first opponent, brings a power team to town. The teams played one of the most exciting games of last season, as the Bulldog defense held Mason at the goal line on the final play to take a one-point win. "It should be a good challenge to open the season," LaFave said.

In 1987 women made up 45 percent of the work force, according to the U.S. Labor Department. By the year 2000, they will account for nearly half of the work force and for two-thirds of the labor force growth. With a shrinking labor-pool and a thriving service sector economy, women's employment needs are becoming increasingly important in recruitment, productivity, and other bottom-line considerations.

ORDINANCE NO. 79-CCC

CHELSEA VILLAGE ZONING ORDINANCE AND PROVIDE FOR PENALTY OF \$500 PER DAY, IMPRISONMENT NOT TO EXCEED NINETY (90) DAYS OR BOTH OR ANY PORTION THEREOF.

The Village of Chelsea Ordains

SECTION 1. Section 6.6, C of Ordinance No. 79, Chelsea Village Zoning Ordinance as amended is further amended by the deletion of Subparagraph C of Section 6.6 and the substitution in its place and stead of the following provision:

C. The penalty for a violation of this ordinance shall be a fine of not more than FIVE HUNDRED and no/100 DOLLARS (\$500.00), or imprisonment for a term not to exceed ninety (90) days or both, or any portion thereof, together with the costs of prosecution. Each day that a violation exists, is permitted to continue, or shall occur, shall constitute a separate offense and a separate violation of this ordinance.

SECTION 2. Ordinance No. 79 and its amendments are hereby ratified and reaffirmed.

SECTION 3. The within amendment shall be effective twenty (20) days after adoption and publication.

Dated: August 15, 1989

JERRY SATTERTHWAITE,
VILLAGE PRESIDENT.
ALLEN L. ANDERSON,
VILLAGE CLERK.

Date Published: Aug. 30, 1989.

ORDINANCE NO. 79-EEE

AN ORDINANCE TO AMEND THE CHELSEA VILLAGE ZONING ORDINANCE AND TO ADD TO ARTICLE V, SUPPLEMENTARY REGULATIONS, REGULATIONS REQUIRING THAT ALL LOTS, INCLUDING NON-CONFORMING LOTS OF RECORD, AND ALL DEVELOPED LOTS, MUST BE BUILDABLE AND HAVE SUFFICIENT UPLAND AREA TO MEET MINIMUM STRUCTURAL SET BACK, PARKING CONSTRUCTION, AND ACCESSORY USE REQUIREMENT OF THE ORDINANCE.

The Village of Chelsea Ordains

Section 1. CHELSEA VILLAGE ZONING ORDINANCE, ORDINANCE NO. 79, as subsequently amended, is hereby amended by the addition to Article V of Section 28, Buildable Lots, the following provisions:

Section 5.29: Buildable Lots

A. Scope and Purpose: No zoning permit or certificate shall be issued for any lot within the Village of Chelsea in any zoning district unless it is "buildable." No wetland shall be included in the buildable area of a lot except as allowed hereafter. These regulations are intended to be in addition to regulations with respect to minimum width, depth area, side yards, and floor area ratio. These regulations shall apply to all lots, including non-conforming lots of record as of the effective date of this amendment, and to any improvement or alteration of the surface of any lot. All activities and uses which are exempt or not required to obtain a permit from the Department of Natural Resources under the provision of Section 6, Public Act 203 of 1979, MCLA 281.706; MSA 18.959(56), are notwithstanding said statute, subject to the provisions of this Section to the extent authorized by the Michigan Constitution and the City and Village Zoning Act, Act No. 207 of 1921, as amended, being, MCLA 125.581 et. seq.; MSA 5.2931, et. seq.

The Village of Chelsea needs more vigorous wetlands protection than presently afforded by State Law and County Regulations. The Village does not have an adequate storm water drainage system and has several areas of wet lands within its corporate boundaries. These are naturally and artificially interconnected, both biologically and hydrologically, and serve as water retention areas. Therefore, these interconnected wet lands must be preserved, with no net loss to the system, for the benefit of all residents and properties of the Village of Chelsea. Only those portions of a lot which are upland of a wetland shall be "buildable." Only the "buildable" portion of a lot may be developed or improved, except as provided hereafter.

B. Definitions: As used in this Section the definitions of Section II, Act 203 of the Public Acts of 1979, the Goemaere-Anderson Wet Land Protection Act, MCLA 281.702; MSA 18.959 (52), shall apply, except that the term "Wet Land" shall have a more stringent definition than that used in the Statute. "Wet Land" means land characterized by presence of water at a frequency and duration sufficient to support and that under normal circumstances does support wet land vegetation or aquatic life and is commonly referred to as a bog, swamp, or marsh, regardless of size or proximity to bodies of water. Any artificially created wet land which is interconnected hydrologically and biologically with a larger wet land system by man-made devices such as culverts, pipes or drains or by natural means such as underground waters, percolating waters, or surface water movements, shall nevertheless be considered to be a wet land and shall be subject to all the provisions of this ordinance.

C. Restrictions and Prohibitions: Except as permitted by a variance obtained as provided hereafter a person shall not:

- Dredge or permit the placing of fill material in a wet land.
- Dredge, remove, or permit the removal of soil or minerals from a wet land.
- Construct, operate, or maintain any use, building or development on any wet land.
- Drain water from a wet land.

D. Application of Zoning Definitions to Buildable Lots: With respect to the determination of the extent of which a lot is buildable, the following regulations shall apply:

- Rear, front and side yards, set backs, building lines, and open spaces, shall be measured from the ordinary high water mark of the wet land and not from the boundary line of the lot or parcel.

(2) If any surface water drainage from a lot is proposed to be accelerated or diverted into a wet land, a site plan shall be submitted for review and approval to the Planning Commission in accordance with Section 5.7 of this ordinance. Sedimentation and pollution traps and/or an on-site retention pond shall be constructed when required by the Planning Commission. Such pond or traps shall not be relocated within the required yard.

(3) Except for single-family dwelling use of lots, the buildable area of a lot shall be determined by excluding all wet land, in order to determine minimum lot area as required under the various provisions of this ordinance. Only the buildable area of a lot or parcel may be used to determine density or units of development.

(4) With respect to the computation of lot area for a single-family dwelling, 50% of the lot area may be comprised of wet lands.

E. Zoning Permit Applications and Buildable Lots: Lots and parcels shall only be considered buildable to the extent that they comply with the provisions of this ordinance as above modified, and no zoning permit or certificate of compliance shall be issued except to the extent that the proposed use, building, structure, alteration, improvement, fill or construction is to be performed in accordance with the above regulations. Every applicant shall state on his/her zoning application form the number of square feet of wet lands on the lot or parcel in question. If there are wet lands a sketch shall be attached which accurately shows the location extent and coverage of the wet lands.

Variances: A variance to permit the fill of a wetland may be granted by the Board of Zoning Appeals. The variance shall be by appeal made to the Board of Zoning Appeals under its variance authority and the other conditions and provisions of this ordinance pertaining to appeal and variances. If the applicant can show that there is no other feasible and prudent alternative to the applicants' development or use, other than to fill the wetland, the Board of Zoning Appeals shall permit the filling of the wetland, but limited to the minimum extent necessary to allow a reasonable use of the property. The Board of Zoning Appeals shall take notice of and shall apply the administrative regulations of the Department of Natural Resources with respect to the determination of the appropriate feasible and prudent alternative and necessity and extent to which the wetland should be filled. These regulations are incorporated herewith by reference. If another feasible and prudent alternative to the filling of the wetland exists, the Board of Zoning Appeal shall order that such alternative shall be used by the applicant in the development or use. If no other feasible and prudent alternative exists, the Zoning Board of Appeals shall, as a condition of allowing the fill of the wet land, require the applicant to institute mitigation procedures to preserve the remaining wet lands within the Village of Chelsea. Mitigation procedure shall include contribution of property or funds to the acquisition, preservation, creation and dedication of wet land to the public use. An application shall reimburse the Village for all engineering costs and fees in addition to filing fees and costs.

Section 2. This ordinance shall be effective thirty (30) days subsequent to adoption.

Section 3. The remaining provisions of the Chelsea Village Zoning Ordinance, as amended, not inconsistent herewith are hereby ratified and reaffirmed.

JERRY J. SATTERTHWAITE,
VILLAGE PRESIDENT
ALLEN L. ANDERSON,
VILLAGE CLERK

PHIL KLINK, left, was the winner of Tuesday night's feature event in the Cavalcade of Thrills Demolition Derby. He was sponsored by Cook's Grocery. Scott Dault, right, took second place in the same event. The two were also teammates for the demolition derby soccer event.

KELLY EISELE won both the Powder Puff and the Demolition Derby. She was sponsored by Bollinger Sanitation.

SCOTT OTTO took third place in the feature events. He also won the first heat on Tuesday and the second heat both nights of the Cavalcade of Thrills Demolition Derby. Wednesday night, for a total purse of \$350.

Fatal Boating Accidents Often Result of Alcohol

More than half of the boating accidents that result in death can be traced to alcohol use. Operating a boat while intoxicated is illegal and it is dangerous, warns the National Safety Boating Council.

With each drink, a person's ability to co-ordinate arm and leg movements is decreased. A drunken boat operator, like a drunken driver, has difficulty responding in an emergency situation.

A loss of judgment is an early effect of drinking. After a drink or two, some people take more risks. A recreational boat is no place for a daredevil, says the council.

The person with alcohol in his blood is unable to scan the environment when operating a boat. The drinking person fixes his attention straight ahead when operating a car or boat. He is unaware of activity on either side.

The Council suggests applying the designated driver concept to boating—one member of the party staying sober to operate the boat. However, it cautions, an intoxicated person, whether the operator or passenger, is at risk on the water.

ON THE MOVE?

LEARN A PORTABLE JOB SKILL!

Looking for a skill that is both portable and profitable? Useful to yourself and to others? Marketable on a part-time basis? Then look no farther than income tax preparation. Experienced tax preparers are always in demand. Where do you learn these skills? In an H & R Block Basic Income Tax Course, of course!

Learn how to zero in on the tax strategies that can save you the most money... profit from the seemingly ever-changing tax laws... improve your tax preparation skills... and increase the kinds of forms and schedules you can prepare confidently and competently! Our experienced instructors have trained thousands of tax preparers over the past 23 years.

They're ready now with all the information you need. Classes begin Sept. 11 and continue for 13 weeks. Choose from morning, or evening courses offered at a location near you.

Successful graduates receive Certificates of Achievement and continuing education units (CEU). Qualified graduates may be offered job interviews for positions with H & R Block. Block is, however, under no obligation to offer employment, nor are graduates under any obligation to accept employment with Block.

For more information contact the H & R Block office at 105 S. Main, Chelsea, Mich. 48118, or call us at (313) 475-2752 (If no answer 313-971-5030). Do it now!

Chelsea Free Methodist Church service times

Early Celebration Service	8:30 a.m.
Coffee Fellowship	9:30 a.m.
Sunday School for all ages	9:45 a.m.
Morning Celebration Service	11:00 a.m.
Evening Worship Service	6:00 p.m.

Announcing! TWO WORSHIP SERVICES to begin SUNDAY, SEPTEMBER 3, 1989

Why? We praise God for the blessing of a full and overflowing sanctuary for worship. It is our desire to allow for the growth that God is blessing us with by providing another opportunity for worship.

When? Beginning Sunday, September 3, 1989, we will be offering two worship service opportunities on Sunday mornings.

The first service will be at 8:30 a.m.

Sunday School will be at 9:45.

The second service will begin at 11:00.

What? The 8:30 a.m. service is beginning as though we were starting a "new" church. Worship will follow the format of our 11 a.m. service, and Pastor Mearl will be preaching in both services. To begin with, a nursery will not be provided for the 8:30 service, nor will we offer junior church during that service. As attendance grows in the early service and people become available to provide a nursery and junior church, these will be made available.

"COME GROW WITH US"

***OUR PURPOSE** at Chelsea Free Methodist Church is threefold:

- 1) To grow together in the reality of a personal relationship with Jesus Christ
- 2) To commit ourselves to live under His authority
- 3) To bring our resources together to make known to our community and world God's call to wholeness through forgiveness and holiness in Jesus Christ; and to invite into membership and to equip for ministry all who respond in faith.

*Weekly Growth Group meetings

*Wednesdays at 7:00 p.m.

"SCHOOL FOR CHRISTIAN LEARNING"

Track One: "Biblical Studies"

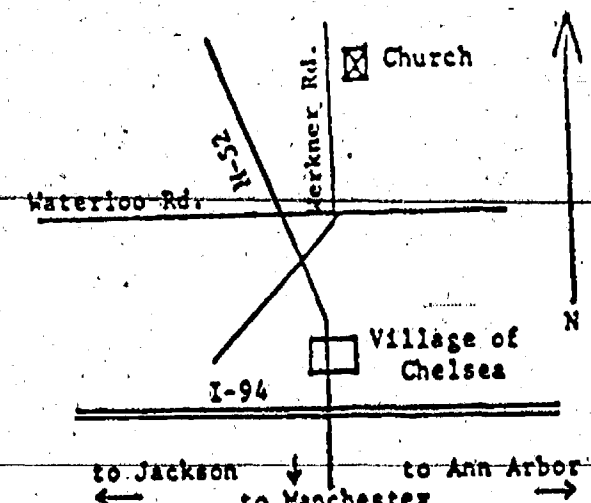

Track Two: "Family Life"

Track Three: "Intercessory Prayer Group"

Track Four: "Children's & Youth Ministries"

*Monday-Friday: "Faithful Fitness" aerobics class 9-10 a.m.

PASTORAL CARE - Counseling applying biblical principles to meet human needs is available. Call 475-1391 for appointment.

The Chelsea Free Methodist Church is "mothering" a new Free Methodist Church in the Saline community. Church Planter - Bob Bolton

JESSE EASUDES has recently returned from Pittsburgh, Pa., having attended the Carnegie-Mellon University. Jesse was accepted to participate in the Advanced Placement Early Admission program with courses in physics, calculus and computer applications. After the completion of his six-week courses, he worked as a volunteer research assistant in the Robotics Laboratory, located on campus. Jesse will be a senior at Chelsea High school this fall. He hopes to continue at Carnegie-Mellon upon graduation.

Man Assaulted During Fair

A 17-year-old North Territorial Rd. man may face felonious assault charges for hitting an Ann Arbor man with a tire iron last Saturday at the Chelsea Community Fair, according to Chelsea police.

According to nine witnesses, the Ann Arbor man had been harassing the other man inside the grounds and had pushed him. That prompted the 17-year-old to get the tire iron from his car. He later hit the man on the arm.

CHELSEA COMMUNITY FAIR BOARD was far too busy during the week to put together an elaborate float for the fair parade Saturday. But it didn't stop them from taking part and accepting a well-deserved round of applause.

CHELSEA AREA PLAYERS float, featuring fair queen candidate Lori Wetzel under the arch, took fourth place in the adult float division in Saturday's Chelsea fair parade.

LORI WETZEL performed "Nothing" from "A Chorus Line" during Friday's fair queen pageant. Wetzel, sponsored by Chelsea Area Players, was the first to perform for the capacity crowd.

RYAN GUENTHER took third place in the 9-12 age bracket of the Children's Parade last Tuesday with his walking duplication of a mason jar, complete with entry tag into fair competition.

MERCURY

2.9% OR CASH BACK

See your Lincoln-Mercury dealer and arrange low, limited term, 2.9% Annual Percentage Rate Financing on Mercury Cougar LS and Sable through Ford Credit for qualified buyers...or choose big Cash savings.

'89 COUGAR LS

SAVE
\$2,383

STANDARD EQUIPMENT INCLUDES: • 3.8L V-6 engine • Automatic overdrive transmission • Speed-sensitive power steering • Power brakes • 4-wheel independent suspension • Air conditioning • Tinted glass • Power windows • Dual power mirrors • Electronic instrumentation with tachometer and fuel/distance computer • Reclining bucket seats • Interval wipers • And much more!

OPTION PACKAGE 262B INCLUDES: • Cast aluminum wheels • Tilt steering wheel • Speed control • Rear window defroster • Power lock group • AM/FM stereo with cassette • Luxury light group • Power Seats • And more!

HERE'S HOW: Choose cash back and you get \$1,500 from Lincoln-Mercury on all '88 and '89 Cougar LS models, plus you save \$883 when you buy an '89 Cougar LS with Popular Equipment Package 262B for a total savings of \$2,383. Choose 2.9% A.P.R. financing and you get the same option package savings.

'89 SABLE GS

SAVE
\$1,700

STANDARD EQUIPMENT INCLUDES: • Automatic overdrive transmission • 3.0-liter V-6 engine • Power steering • Power brakes • Interval wipers • Air conditioner • Dual power mirrors • And much more!

OPTION PACKAGE 451A INCLUDES: • Power lock group • Speed control • Rear window defroster • Power windows • AM/FM stereo cassette radio • 15" aluminum wheels • Power driver's seat • Tilt steering wheel • And more!

ADDITIONAL PROGRAM INFORMATION: For cash back or A.P.R. financing you must take new vehicle retail delivery from dealer inventory. Package savings are based on the sticker price of each option package vs. the price of the options purchased separately. Dealer participation may affect customer savings. Other rates are available and increase with the length of term. If you have any questions, ask your dealer for details.

*Based on a study of sales of the past three model years (1986-1988).

Straight Talk

Q: Should I wait and see if my child's natural growth corrects the orthodontic problem?

A: It is rare for a child to outgrow an orthodontic problem which has been detected at an early age. Without intervention, the causes which lead to the original problem may persist causing the condition to worsen with time.

SHARON MILLS WINERY

TASTING ROOM OPEN
SATURDAYS, SUNDAYS & LABOR DAY
Noon to 5 p.m.

SHARON MILLS enjoys a long and varied history, from being first used as a grist mill to grind grain for local farmers, to a bustling Henry Ford manufacturing plant. Built in 1835, it stands today nestled along the River Raisin, generating its own electricity with a Ford installed hydro power generator.

Its hand hewn beams, cut fieldstone walls and tranquil setting have extended their storied history to the pleasure of serving Michigan fine wines.

Fair

1989

JULIE NIXON of Dexter was the senior showmanship winner at the Chelsea Community Fair last week. Her steer was purchased by Chelsea Community Hospital for \$1.15 per pound.

NANCY FARRELL, right, of Dexter, had the reserve champion steer, which was sold to Bouillon Sales, Inc. for \$1.75 per pound at last Thursday's livestock auction. Next to Farrell is fair queen candidate Debbie Gerstler.

The Boy Scouts were started in Great Britain by General Baden-Powell in 1908.

CINDY BRADBURY discussed her memories of the Chelsea Community Fair when she was still known as Cindy Schumm during last Friday's fair queen program. Cindy Schumm was the 1964 fair queen.

Livestock Raffle Winners Listed

There were eight winners in the Chelsea Community Fair Livestock Raffle Drawing held Saturday night at the fair.

Winners of half a hog included Ruth Miller, of Ann Arbor, and Ray Collinsworth, of Chelsea.

Winners of half a lamb were Janet Salyer, of Chelsea, and Lyle Wahl, of Manchester.

Winners of one-quarter beef were Larry Wild, of Pinckney, and Carl Laier and Jack Anderson, of Chelsea.

John Gourlay, of Chelsea, won one-quarter lamb.

Hall Packed for Lakes Area Sewer Authority Meet

The Portage and Base Lakes Area Water and Sewer Authority (PBLWSA) meeting, Thursday, Aug. 24, packed the upper level of the Dexter Township Hall.

Doug Smith gave the treasurer's report, explaining many of the invoices had been given him too late to be listed on the copies he distributed to each of the officials.

Among the invoices was one for \$756.87 for additional soil borings by the engineers, another for \$873.76 for 85 hours worked by Beverly Bater, with 99 miles traveled.

Smith indicated Dexter township couldn't be expected to underwrite the expense of the increased amount of copying required recently, and an invoice for \$104.90 for supplies from Leslie Office Supply was among those he submitted for approval.

A \$911.82 charge for phosphate evaluations by the engineers was in the group presented to the authority by Smith.

He said there was another invoice for \$70,730.14 in outstanding payables, which he explained the authority was not in a position to pay, at the present time.

"I need a motion to approve these invoices," Smith informed the board. They complied.

Bev Bater reported completion of 123 easements.

Engineer Ray Smit said Cathy was working to obtain easements in Dexter and Webster townships, and Ms. Bater added that Betty Friedman was working in Hamburg township, but that she didn't have a report from her. It was assumed Betty was on vacation.

Smit told the listeners at Thursday's meeting that he and chairman Drolett had been chatting earlier in the day, and that Drolett thought it would be appropriate for Smit to show the audience some photos of other sewer-system sites around the state.

He presented a slide show, including one site in the upper peninsula and several others.

A system from the Muskegon area, a large metropolitan area, utilized the aerated lagoon technology.

Another was a system built about 20 years ago, which was used to irrigate croplands.

The Oak Point site and Brighton treatment plant, which discharges into sand pits, were shown, in addition to the facility at Harrison, which has three aerators, and Kalkaska, which has only one.

Ducks swimming on one of the lagoons, and a flock of turkeys were pictured in two of the slides.

Attorney Peter Flintoft outlined two alternatives which may be employed if voters turn down the current proposal on a referendum ballot.

He said the project could be taken over by the county, or revenue bonds might be authorized.

Any delay of financing would not delay the project, those attending Thursday night's meeting were informed.

Smit read a letter which Drolett said adequately explained the background for using a 200-gallon per day figure in the design of the sewer-system.

Bev Bater said she would skim her manager's report, because of its length.

"Should I record the 123 easements at nine dollars each?" she asked members of the sewer authority.

Flintoft replied, "I recommend you record them."

It was announced the first payment, to be billed in December for each tap, would amount to \$653.35, which would include only four months interest for the initial year, and a \$466.87 principal payment.

Concerning the bond-authorized resolution tabled previously, Drolett said, "I assume it should remain tabled."

After the attorney for Webster township questioned the "authority would be held harmless" in the resolution, the wording was stricken.

Webster township supervisor Don

Young People's Theatre

Invites you to join THE SECOND STAGE ENSEMBLE for a series of acting workshops/rehearsals and an opportunity to perform around Ann Arbor.

Study acting with professionals such as O.J. Anderson. Other guest artists will be chosen from among the artistic staff of the Performance Network, Theatre Grottesco, The Attic Theater and the Boarshead Theater. \$25/wk.

AGES: 6-10 (Sept. 11-30), 11-13/14 (Oct. 2-28), 14/15-18 (Nov. 1-Dec. 2)

OPEN HOUSE Sept. 9th, 1-4 p.m., 1035 S. Main St., Ann Arbor or call

996-3888 for more info.

This program is run by Sasha Moscowitz, YPT's Artist-In-Residence.

Zeel commented, "If we're holdin' them harmless, I didn't see why we should be paying them all that money."

Addressing the Hamburg township trustee who filled in for Martha Parish at the meeting, Drolett asked, "Would you take that (the resolution) back to your township board, and say all three other townships have signed it, and maybe they would reconsider?"

She agreed to do so. People in the special assessment district will bear the cost of the sewer system, Drolett wanted to make very clear at Thursday's meeting.

He explained that some of the Dexter township residents are requesting additional taps, and instructed engineer Ray Smit, "You may go ahead and re-design to accommodate those requests. Your response to some of these requests should be, 'We do have a mechanism in place to handle these.'"

"If we were hoping to ride on the state's shirttails, that's out," one official told the listeners about the referendum which will be required in two of the townships, after sufficient voters signed petitions.

Drolett told the audience that he understood a citizens committee had been formed at Portage and Base Lakes to promote construction of the sewer system.

Asked about the pumping stations, Ray Smit advised, "We suggest, first get the lines set up, then worry about the pumping stations."

Plans to seek a renewal on the option to purchase a site for the sewer system from Huron-Clinton Metropolitan Authority.

After some additional discussion, Drolett advised, "Okay, now we're going to open this up to the public. Please limit your comments to 2-3 minutes."

Joanne Spear from Portage Lake said, "I'm not gonna say they lied, but they misrepresented the issue."

Joe Boltach commented, "Dexter township never did let us, who are assessed, vote on the system."

Asked about his reference to allowing some people to be deleted from the sewer district, Drolett replied, "No sense in discussing those, until after the referendum."

One citizen advised, "I only stand to gain a perpetual lein on my property."

During the public-speak time, Jackie Forbes asked, "How are you going to notify people?"

Previously, a citizen had suggested, "If one person came out of one district, why couldn't another request to replace him/her?"

"There are ways of handling it, things to be done, but until one or the other is over, it can't be done," Drolett told the gathering.

He emphasized, "We aren't going to give anyone a benefit that doesn't want it."

Ruth Peabody said she felt a lot of people weren't really informed about the procedures involved in the sewer

system project, nor were some of the inquiry letters answered.

Ray Dhuu explained he was organizing a citizens group to work toward making the sewer system a reality, and invited anyone who was interested to join the group.

Gregg Magnuson was the only person given a 30-second warning by chairman Drolett.

At the end of the 30 seconds, he was told his three minutes were up. He sat down, for the moment.

The chairman did seem to favor some of the speakers over a few others, while monitoring the public-speak time.

Magnuson asked whether the authority members had received a copy of the questions he gave Martha Parish, and which she had assured him the authority would have, in time to prepare the answers.

None of the sewer authority members said they had a list of Magnuson's questions, so he distributed a copy to each.

Later, a couple of the members said those questions had already been answered, several times.

Magnuson didn't agree, and still had questions.

Martha Parish did not attend Thursday's meeting.

Both Martha and Bruce Chapman had been sent home from a meeting of the sewer authority two weeks previous.

"We told Martha and Bruce to leave so we wouldn't have a quorum,"

Drolett said, in reply to query about whether or not the meeting was a public one, as was originally posted on the door of the Dexter Township Hall.

The posting was removed, at least once. When the procedure was questioned at the conclusion of Thursday night's gathering, lawyer Flintoft

replied, "That meeting was 'erroneously-posted' as a public one, but it had to be confidential."

It was then that Drolett added, "So we sent two of our members home—then there wasn't any quorum."

HAROLD GROSS, long-time member of the Chelsea Community Fair Board and active fair participant, was this year's fair parade marshal.

Card of Thanks

THANK YOU

I would like to thank my friends
and family for their support and
kindnesses during my
hospitalization and since my
return home. We are truly for-
tunate to have such a splendid
hospital and staff in this com-
munity. Thanks to everyone.
Agnes Boylan.

CARD OF THANKS

On behalf of the family of G.
Edward Marshall, we wish to
thank all of our family, friends,
neighbors, and co-workers for
their beautiful flowers, cards,
donations and thoughts during
our time of sorrow. Your
thoughtfulness is greatly ap-
preciated.

THANK YOU

A special thank you from the
sophomore class to the following
people for their supplies, help and
support. Thank you to Nixon's
Junk yard, Dick Martell, the D.J.
for the music on the float, Mrs.
Carol Smith, Mr. and Mrs. James
Bredemitz, Mr. Patrick Vargo,
Mr. Robert Herrst, Mr. Richard
Schultz, Mr. Brad Smith. I
sincerely thank all of you.
Holly Kocielniak.

THANK YOU

To the members of the Chelsea
High School Class of 1984.

Your letter to me was a glad
surprise. Each and every
signature brought back many
memories of you with Dorie. It
was so wonderful of you to take
time out from your 35th Class
Reunion to write me. I wanted to
reach each of you to thank you for
this thoughtfulness. Thank you
very, very much for remember-
ing me. I feel that the best way to
express my appreciation to you is
through The Chelsea Standard
and I appreciate this service as
the best way to reach all of you.
And again, I wish to thank you
very, very much for your kind ex-
pression of friendship.

Mrs. (Luella) Jay Weinberg
Mother of
Doris Kay Weinberg Sweeney.

Memoriam 20

MARY LOU PAUL SWEENEY

The best friend anyone could
ask for has been gone for a year
now and not a single day goes by
that you are not thought of or
missed. You brought sunshine to
people even when it is raining.
We miss you greatly but we know
you are having fun four-wheeling
with your brother. Mary Lou
Paul Sweeney is the most missed
by the Paul Family.

DANA DURST performed a dance
routine to "Welcome to the Pleasure
Dome," by Frankie Goes to
Hollywood during Friday's fair queen
pageant. She was sponsored by the
Chelsea High school junior class.

Legal Notice 21

MORTGAGE SALE

Default having been made in terms and con-
ditions of a certain mortgage made by WILLIAM L.
GRAY and PAMELA ANN GRAY, husband and
wife, to Great Lakes Federal Savings and Loan
Association, now known as Great Lakes Bancorp.
A Federal Savings Bank, organized under the
Home Owners' Loan Act of 1933, of the United
States of America, as amended, Mortgagee, dated
the 5th day of June, 1978, and recorded in the office
of the Register of Deeds for the County of
Washtenaw and State of Michigan, on the 8th day
of June, 1978, in Liber 1633 of Washtenaw County
Records at Page 546, on which mortgage there is
claimed to be due, at the date of this notice, for
principal and interest, the sum of Sixty-four Thou-
sand One Hundred Fifteen and 22/100 (\$64,115.22)
dollars. Minus an Unapplied Credit of Five Hun-
dred Six and 65/100 (\$506.65) Dollars.
And no suit or proceedings at law or in equity
having been instituted to recover the debt secured
by said mortgage or any part thereof.

Now, therefore, by virtue of the power of sale
contained in said mortgage and pursuant to the
statute of the State of Michigan in such case made
and provided, notice is hereby given that on the
12th day of October, 1989 at ten o'clock in the fore-
noon, Local Time, said mortgage will be foreclosed
by a sale at public auction, to the highest bidder, at
the Huron Street entrance to the Washtenaw County
Courthouse, in the City of Ann Arbor, Washtenaw
County, Michigan, that being the building where the
Circuit Court for the County of Washtenaw is held,
of the premises described in said mortgage, or so
much thereof as may be necessary to pay the amount
due, as aforesaid, on said mortgage, with interest
thereon at ten and 25/100 (10.25%) percent per annum
and all legal costs, charges and expenses, including the
attorney fees allowed by law, and also any sum or
sums which may be paid by the undersigned,
necessary to protect its interest in the premises.
Said premises are situated in the Township of Lyon-
don, County of Washtenaw, State of Michigan and
described as:

PARCEL I:
A parcel of land in the SE 1/4 of Section 4, T1S,
R12E, Lyndon Township, Washtenaw County,
Michigan, being more specifically described as
commencing at the center post of said Section 4,
thence S 03° 00' 00" E a distance of 639.70 feet, along
the center line of Roepke Road (so-called), thence
N 83° 50' 00" E a distance of 1750.30 feet, thence N
09° 00' 00" E a distance of 205.0 feet to the Place of
Beginning of this description, thence continuing N
09° 00' 00" W a distance of 209.0 feet, thence S 83° 50'
00" W a distance of 473.10 feet, thence S 03° 00' 00"
E a distance of 93.0 feet, thence N 83° 50' 00" E a
distance of 270.0 feet, thence S 03° 00' 00" E a
distance of 118.0 feet, thence N 83° 50' 00" E a
distance of 203.1 feet to the Place of Beginning.

PARCEL II:
Non-exclusive easement over a strip of land 66
feet in width along a course N 03° 00' W, known as
Nollar Court and being adjacent to Parcel I and
other premises, said easement being bounded on the
N by the extension of the N line of Parcel I and
on the S by the N line of Parcel III for the purpose
of ingress to and egress from Parcel I.

PARCEL III:
A non-exclusive easement for ingress to and
egress from Parcels I and II described as follows:
A right-of-way for ingress and egress to and from
Roepke Road to the W shore of Joslin Lake; said
Right of Way being 70 feet in width lying S 1/4 of a
line which is 639.70 feet S of the E and W 1/4 Section
line of Section 4 and extending from said Roepke
Road to Joslin Lake along a course which is N 83°
53' E, as created by Deed recorded in Liber 984, on
Page 249, Washtenaw County Records.

Subject to easements and restrictions of record.
During the six (6) months immediately following
the sale, the property may be redeemed. If it is
determined at the time of sale that the property is
abandoned, the redemption period will become
thirty (30) days.

AMENDMENT TO THE DEXTER TOWNSHIP ZONING ORDINANCE ORDINANCE NO. 10

AN ORDINANCE TO AMEND SECTION 2.02 - DEFINITION, AND TO ADD A NEW SECTION, SECTION 5.15 - SITE CONDOMINIUM REVIEW, TO THE DEXTER TOWNSHIP ZONING ORDINANCE.

The Township of Dexter Ordains:

Section 1. The following definitions are hereby added to Article 2, Section 2.02—Definitions of the Dexter Township Zoning Ordinance:

CONDOMINIUM ACT—Act 59, Public Acts of 1978, as amended.

CONDOMINIUM DOCUMENTS—The master deed, recorded pursuant to the Condominium Act, and any other instrument referred to in the master deed or bylaws which affects the rights and obligations of a co-owner in the condominium.

CONDOMINIUM LOT—The land in a condominium unit, together with the land in the adjacent and appurtenant limited common element, if there is such a limited common element.

CONDOMINIUM SUBDIVISION PLAN—The drawings and information prepared in accordance with Section 86 of the Condominium Act.

CONDOMINIUM UNIT—The portion of a condominium project designed and intended for separate ownership and use, as described in the master deed.

CONSOLIDATING MASTER DEED—The final amended master deed for a contractable or expandable condominium project, or a condominium project containing convertible land or convertible space, which final amended master deed fully describes the condominium project as completed.

CONTRACTABLE CONDOMINIUM—A condominium project from which a portion of the submitted land or buildings may be withdrawn in accordance with this ordinance and the Condominium Act.

CONVERSION CONDOMINIUM—A condominium project containing condominium units some or all of which were occupied before the filing of a notice of taking reservations under Section 7 of the Condominium Act.

EXPANDABLE CONDOMINIUM—A condominium project to which additional land may be added in accordance with this Ordinance and the Condominium Act.

MASTER DEED—The condominium document recording the condominium project to which are attached as exhibits and incorporated by reference the bylaws for the project and the condominium subdivision plan for the project, and all other information required by Section 8 of the Condominium Act.

NOTICE OF PROPOSED ACTION—The notice required by Section 71 of the Condominium Act, to be filed with Dexter Township and other agencies.

SITE CONDOMINIUM—A condominium development containing residential, commercial, office, industrial, or other structures or improvements for uses permitted in the zoning district in which located, in which each co-owner owns exclusive rights to a volume of space within which a structure or structures may be constructed, herein defined as a condominium unit, as described in the master deed.

Section 2. The following section is added to Article 5 as Section 5.15-Site Condominium Review:

A. Purpose—The purpose of this section is to set forth the standards for review of site condominium developments, to provide for adequate standards for the master deed, deed restrictions, utility systems, public streets, layout and design, and to achieve compliance with all regulations of the condominium act and this ordinance. Where any interpretation or application of a general requirement of the ordinance is in conflict with the definitions of Section 2.02, the definitions of Section 2.02 shall govern the interpretation and application under Section 5.15.

B. Approval Required—Pursuant to authority conferred by Section 141 of the Condominium Act, preliminary and final site plans for all site condominiums shall be approved by the Zoning Board. In determining whether to approve a site plan for a site condominium, the Zoning Board shall consult with the Zoning Inspector, Township Attorney, Township Engineer, and Township Planner regarding the adequacy of the master deed, deed restrictions, utility systems and streets, site layout and design, and compliance with all requirements of the Condominium Act and this ordinance.

C. General Requirements

1. No construction, grading, work, or other development shall be done on a site once the site plan review application has been filed until a final site plan has been approved, except with the express permission of the Zoning Board. No permits for erosion control, building construction, grading, or installation of water or sanitary sewerage facilities shall be issued for property in a site condominium development until a final site plan therefor has been approved by the Zoning Board and is in effect. This requirement shall include contractable, conversion, and expandable site condominiums.

2. If a building, structure, or use to be placed on a condominium lot which requires site plan approval under Section 9.02, herein, a site plan for that building, structure, or use shall be approved in accordance with Article 9, herein, before a certificate of zoning compliance may be issued.

3. The Dexter Township Zoning Board shall have the authority to review and approve or deny preliminary and final site plans for site condominiums.

4. Preliminary and final site plans shall be submitted, reviewed, and approved or denied in accordance with Article 9, herein, provided however, that preliminary and final site plans shall not be combined for site condominiums. A dimensionally stable copy of the as-built drawings shall be submitted to the Township Clerk and a second dimensionally stable copy shall be recorded with the Washtenaw County Register of Deeds.

5. Each condominium unit shall be located within a zoning district that permits the proposed use.

6. For the purposes of this ordinance, each condominium lot shall be considered equivalent to a single lot and shall comply with all regulations of the zoning district in which located. In the case of a site condominium containing single-family detached dwelling units, not more than one dwelling unit shall be located on a condominium lot, nor shall a dwelling unit be located on a condominium lot with any other principal structure or use, except in a PUD district. Required yards shall be measured from the boundaries of a condominium lot. Ground floor coverage and floor area ratio shall be calculated using the area of the condominium lot.

7. Each condominium lot shall be connected to public water and sanitary sewer facilities, where available, or shall have a well, septic tank, and drain field approved by the County Health Department, where public water and sanitary sewer services are not available. The well, septic tank, and drain field serving a condominium lot shall be located within that lot, as described in the master deed, except in a PUD district, in which this requirement may be waived by the Township Board as a part of its approval of the PUD rezoning petition.

8. Relocation of boundaries between adjoining condominium lots, if permitted in the condominium documents, as provided in Section 48 of the Condominium Act, shall comply with all regulations of the zoning district in which located and shall be approved by the Zoning Inspector. These requirements shall be made a part of the bylaws and recorded as part of the master deed.

9. Each condominium lot that results from a subdivision of another condominium lot, if such subdivision is permitted by the condominium documents, as provided in Section 48 of the Condominium Act, shall comply with all regulations of the zoning district in which located and shall be approved by the Zoning Inspector. These requirements shall be recorded as part of the master deed.

10. All information required by this ordinance shall be updated and furnished to the Zoning Inspector until applicable certificates of zoning compliance have been issued, as provided in Section 10.03, herein.

D. Preliminary Site Plan Requirements

1. A preliminary site plan shall be filed for approval at the time of a Notice of Proposed Action is filed with Dexter Township. In the event a Notice of Proposed Action regarding a site condominium is filed with the Clerk, the Clerk upon receipt of the notice shall transmit the preliminary site plan drawings to the Washtenaw County Site Condominium Advisory Committee and the Clerk shall forward their written comments to the Township Zoning Board.

2. The preliminary site plan shall include all land that the developer intends to include in the site condominium project.

3. The preliminary site plan shall include all information required in Section 9.04, herein, except in the case of a development that consists only of condominium lots and not buildings or other structures at the time of site plan application, the location and dimensions of condominium lots and all required yards, rather than individual buildings, shall be shown on the preliminary site plan.

E. Final Site Plan Requirements

1. A final site plan shall be filed for review for each phase of development shown on the approved preliminary site plan.

2. A final site plan for any phase of development shall not be filed for review by the Zoning Board unless a preliminary site plan has been approved by the Zoning Board and is in effect.

3. A final site plan shall include all information required by Section 86 of the Condominium Act, and the master deed and bylaws. The final site plan shall also include all information required in Section 9.06, herein, except in the case of a development that consists only of condominium lots and not buildings or other structures at the time of site plan application, the location and dimensions of condominium lots rather than individual buildings, and required yards shall be shown on the final site plan.

4. The applicant shall provide proof of approvals by all County and State agencies required to review the condominium subdivision plan, including but not limited to the County Road Commission, County Drain Commissioner, County Health Department, and the Michigan Department of Natural Resources. The Zoning Board shall not approve a final site plan until all County and State agencies required to review the condominium subdivision plan have approved the condominium subdivision plan.

F. Revision of Condominium Subdivision Plan—If the condominium subdivision plan is revised, the final site plan shall be revised accordingly and submitted for review and approval or denial by the Zoning Board before any building permit may be issued, where such permit is required.

G. Public Streets—All streets within a site condominium shall be dedicated to the Washtenaw County Road Commission and shall be developed to the design, construction, inspection, approval and maintenance requirements of the Washtenaw County Road Commission. Each condominium lot shall have frontage abutting a public street as required by the regulations of the particular zoning district in which the condominium lot is located.

H. Amendment to Master Deed or Bylaws—Any amendment to a master deed or bylaws that affects the approved preliminary or final site plan, or any conditions of approval of a preliminary or final site plan, shall be reviewed and approved by the Zoning Board before any building permit may be issued, where such permit is required. The Zoning Board may require its review of an amended site plan if, in its opinion, such changes in the master deed or bylaws require corresponding changes in the approved site plan.

I. Relation of Subdivision Ordinance—All site condominiums shall conform to the plan preparation requirements, designs, layout, improvement standards, and the financial guarantee requirements of the Dexter Township Subdivision Regulation Ordinance, as amended, all of which are incorporated herewith by reference. The standards and requirements of the Subdivision Regulation Ordinance including the financial guarantees which apply to lots in a subdivision shall also apply to condominium lots. Nothing in this section shall be construed as requiring a site condominium to obtain plat approval under the Subdivision Ordinance or the Subdivision Control Act.

J. Development Agreement—The Zoning Board may require, as a condition of approval, that the applicant enter into a development agreement with the Zoning Board and the Township of Dexter, incorporating the terms and conditions of final site plan approval, and record the same in the Office of the Register of Deeds for Washtenaw County.

K. Association Authorization—Any application for a building permit for construction to be located in a general common element shall include written authorization by the Condominium Association for the application.

L. Monuments—Monuments shall be set at all boundary corners and deflection points and at all road right of way intersection corner and deflection points. Lot lines shall be set at all condominium lot corners and deflection points of condominium lot lines.

The Township Engineer may grant a delay in the setting of required monuments or irons for a reasonable time, but not to exceed one year, on condition that the developer deposit with the Dexter Township Clerk cash, a certified check, or an irrevocable bank letter of credit running to Dexter Township, whichever the developer selects, in an amount as determined from time to time by resolution of the Dexter Township Board. Such deposit shall be returned to the developer upon receipt of a certificate by a surveyor registered in the State of Michigan that the monuments and irons have been set as required, within the time specified. If the developer defaults, the Township Board shall promptly require a registered surveyor to set the monuments and irons in the ground as shown on the condominium site plans, at a cost not to exceed the amount of the security deposit.

M. Easements and Rights of Way—Road rights of way shall be described separately from individual condominium lots and shall be accurately delineated by bearings and distances on the condominium subdivision plan and the final site plan. The right of way shall be for roadway purposes and for the purposes of locating, installing, maintaining, and replacing of public utilities. The developer shall dedicate easements to the appropriate public authority for all public water and sanitary sewer lines and appurtenances.

N. Design Specifications—All improvements in a site condominium shall comply with the design specifications as adopted by the Dexter Township board and any amendments thereto.

Section 3. Ratification of Zoning Ordinance, Conflicting Provisions. The Dexter Township Zoning Ordinance, as amended, is hereby ratified and reaffirmed, except to the extent inconsistent herewith. All conflicting provisions of said Zoning Ordinance, and any other ordinance of the Township of Dexter, which is inconsistent or conflicting with the within amendment, are hereby repealed. Should any provision of the within amendment be declared to be unconstitutional, void or unenforceable by a Court of competent jurisdiction, for any reason, the remaining terms and provisions of the within amendment and the other provision of the Dexter Township Zoning Ordinance are hereby declared to be separate and severable, and the remaining unaffected provisions shall be sustained and enforced.

Section 4. Effective Date. The within amendment shall be effective twenty (20) days after adoption and publication.

STATE OF MICHIGAN)
COUNTY OF WASHTENAW) ss:

I, WILLIAM EISENBEISER, Dexter Township Clerk, do hereby certify that the within Ordinance was adopted by the Dexter Township Board at a regular meeting held on the 15th day of August, 1989, by the following roll call vote:

Jerry Straub, Chairman — 475-7648

ORDINANCE NO. 79-DDD

AN ORDINANCE TO AMEND THE CHELSEA VILLAGE ZONING ORDINANCE AND PROVIDE DEFINITIONS FOR REGULATION OF CONDOMINIUM DEVELOPMENTS AND TO REGULATE SUCH DEVELOPMENTS.

The Village of Chelsea Ordinance

The Chelsea Village Zoning Ordinance, Village Ordinance No. 79, as amended is amended by the addition thereto of the following provisions:

SECTION 1. Section 2.2, Definitions, is amended by the addition thereto of the following new definitions.

CONDOMINIUM ACT—Act 59, Public Acts of 1978, as amended.

CONDOMINIUM DOCUMENTS—The master deed, recorded pursuant to the Condominium Act, and any other instrument referred to in the master deed or bylaws which affects the rights and obligations of a co-owner in the condominium.

CONDOMINIUM LOT—The land in a condominium unit, together with the land in the adjacent and appurtenant limited common element, if there is such a limited common element.

CONDOMINIUM SUBDIVISION PLAN—The drawings and information prepared in accordance with Section 66 of the Condominium Act.

CONDOMINIUM UNIT—The portion of a condominium project designed and intended for separate ownership and use, as described in the master deed.

CONSOLIDATING MASTER DEED—The final amended master deed for a contractable or expandable condominium project, or a condominium project containing convertible land or convertible space, which final amended master deed fully describes the condominium project as completed.

CONTRACTABLE CONDOMINIUM—A condominium project from which any portion of the submitted land or buildings may be withdrawn in accordance with this ordinance and the Condominium Act.

CONVERSION CONDOMINIUM—A condominium project containing condominium units some or all of which were occupied before the filing of a notice of taking reservations under Section 7 of the Condominium Act.

EXPANDABLE CONDOMINIUM—A condominium project to which additional land may be added in accordance with this Ordinance and the Condominium Act.

MASTER DEED—The condominium document recording the condominium project to which are attached as exhibits and incorporated by reference the bylaws for the project and the condominium subdivision plan for the project, and all other information required by Section 8 of the Condominium Act.

NOTICE OF PROPOSED ACTION—The notice required by Section 71 of the Condominium Act, to be filed with Village of Chelsea and other agencies.

SITE CONDOMINIUM—A condominium development containing residential, commercial, office, industrial, or other structures or improvements for uses permitted in the zoning district in which located, in which each co-owner owns exclusive rights to a volume of space within which a structure or structures may be constructed, herein defined as a condominium unit, as described in the master deed.

SECTION 2. Article V—Supplemental Regulations, is amended by the addition thereto of a new section, as follows:

Section 5.29. Site Condominium Review

A. Approval Required—Pursuant to authority conferred by Section 141 of the Condominium Act, preliminary and final site plans for all site condominiums shall be approved by the Planning Commission. In determining whether to approve a site plan for a site condominium, the Planning Commission shall consult with the Zoning Inspector, Village Attorney, Village Engineer, and Village Planner regarding the adequacy of the master deed, deed restrictions, utility systems, and streets, site layout and design, and compliance with all requirements of the Condominium Act and this ordinance.

B. General Requirements

1. No Construction, grading, work, or other development shall be done upon the land intended to be used for a site condominium until a final site plan has been approved, except with express permission of the Planning Commission. No permits for erosion control, building construction, grading, or installation of water or sanitary sewage facilities shall be issued for property in a site condominium development until a final site plan therefor has been approved by the Planning Commission and is in effect. This requirement shall include contractable, conversion, and expandable site condominiums.

2. If a building, structure, or use to be placed on a condominium lot requires site plan approval under Section 5.7 herein, a site plan for that building, structure, or use shall be approved in accordance with Article 5.7, herein, before a certificate of zoning compliance may be issued.

3. The Planning Commission shall have the authority to review and approve or deny preliminary and final site plans for site condominiums.

4. Preliminary and final site plans shall be submitted, reviewed, and approved or denied in accordance with Article 5.7, herein, provided however, that preliminary and final site plans shall not be combined for site condominiums. A dimensionally stable copy of the as-built drawings shall be submitted to the Village Clerk and a second dimensionally stable copy shall be recorded with the Washtenaw County Register of Deeds.

5. Each condominium unit shall be located within a zoning district that permits the proposed use.

6. For the purposes of this ordinance, each condominium lot shall be considered equivalent to a single lot and shall comply with all regulations of the zoning district in which located. In the case of a site condominium containing single-family detached dwelling units, not more than one dwelling unit shall be located on a condominium lot, nor shall a dwelling unit be located on a condominium lot with any other principal structure or use, except in a PUD district. Required yards shall be measured from the boundaries of a condominium lot. Ground floor coverage and floor area ratio shall be calculated using the area of the condominium lot.

7. Each condominium lot shall be connected to public water and sanitary sewer facilities.

8. Relocation of boundaries between adjoining condominium lots, if permitted in the condominium documents, as provided in Section 48 of the Condominium Act, shall comply with all regulations of the zoning district in which located and shall be approved by the Zoning Inspector. These requirements shall be made a part of the bylaws and recorded as part of the master deed.

9. Each condominium lot that results from a subdivision of another condominium lot, if such subdivision is permitted by the condominium documents, as provided in Section 48 of the Condominium Act, shall comply with all regulations of the zoning district in which located and shall be approved by the Zoning Inspector. These requirements shall be made a part of the condominium bylaws and recorded as part of the master deed.

10. All information required by this ordinance shall be updated and furnished to the Zoning Inspector until applicable certificates of zoning compliance have been issued, as provided in Section 6.4, herein.

C. Preliminary Site Plan Requirements

1. A preliminary site plan shall be filed for approval at the time the notice of proposed action is filed with the Village of Chelsea.

2. The preliminary site plan shall include all land that the developer intends to include in the site condominium project.

3. The preliminary site plan shall include all information required in Section 5.7, herein except in the case of a development that consists only of condominium lots and not buildings or other structures at the time of site plan application, the location and dimensions of condominium lots and all required yards, rather than individual buildings, shall be shown on the preliminary site plan.

D. Final Site Plan Requirements

1. A final site plan shall be filed for review for each phase of development shown on the approved preliminary site plan.

2. A final site plan for any phase of development shall not be filed for review by the Planning Commission unless a preliminary site plan has been approved by the Planning Commission and is in effect.

3. A final site plan shall include all information required in Section 66 of the Condominium Act, and the master deed and bylaws. The final site plan shall also include all information required in Section 5.7, herein, except in the case of a development that consists only of condominium lots and not buildings or other structures at the time of site plan application, the location and dimensions of condominium lots rather than individual buildings, and required yards shall be shown on the final site plan.

4. The applicant shall provide proof of approvals by all County and State agencies having jurisdiction over the improvements in the site condominium developments, including but not limited to the County Drain Commissioner and the Washtenaw County Health Department. The Planning Commission shall not approve a final site plan until each County and State agency having such jurisdiction has approved that portion of the final site plan that is subject to its jurisdiction.

E. Revision of Condominium Subdivision Plan—If the condominium subdivision plan is revised, the final site plan shall be revised accordingly and submitted for review and approval or denial by the Planning Commission before any building permit may be issued, where such permit is required.

F. Streets—All streets proposed for any site condominium, shall be developed in the minimum design, construction, inspection, approval, and maintenance requirements of the Village of Chelsea Road Commission.

G. Amendment to Master Deed or Bylaws—Any amendment to a master deed or bylaws that affects the approved preliminary or final site plan, or any conditions of approval of a preliminary or final site plan, shall be reviewed and approved by the Planning Commission before any building permit may be issued, where such permit is required. The Planning Commission may require its review of any amended site plan if, in its opinion, such changes in the master deed or bylaws require corresponding changes in the approved site plan.

H. Relation to Subdivision Ordinance—All site condominiums shall conform to the plan preparation requirements, and design, layout, and improvements standards of Section 301, 302, 400 through 600, inclusive, and the financial guarantee requirements of the Village of Chelsea Subdivision Regulation Ordinance, as amended, all of which are incorporated herein by reference. The standards and requirements of these sections that are intended to apply to lots in a subdivision shall apply instead to condominium lots. Nothing in this Section shall be construed as requiring a site condominium to obtain plat approval under the Subdivision Ordinance of the Subdivision Control Act.

I. Development Agreement—The Planning Commission may require, as a condition of the approval, that the applicant enter into a development agreement with the Planning Commission and Village of Chelsea, incorporating the terms and conditions of final site plan approval, and record the same in the Office of the Register of Deeds for Washtenaw County.

J. Any application for a building permit for construction to be located in a general common element shall include written authorization by the Condominium Association for the application.

K. Monuments shall be set at all boundary corners and deflection points and at all road right of way intersection corner and deflection points. Lot irons shall be set at all condominium lot corner and deflection points of condominium lot lines.

The Village Engineer may grant a delay in the setting of required monuments or irons for a reasonable time, but not to exceed one year, on condition that the developer deposit with the Village Clerk cash, a certified check, or an irrevocable bank letter of credit running to the Village of Chelsea, whichever the developer selects, in an amount as determined from time to time by resolution of the Chelsea Village Council. Such deposit shall be returned to the developer upon receipt of a certificate by a surveyor registered in the State of Michigan that the monuments and irons have been set as required, within

the time specified. If the developer defaults, the Village Council shall promptly require a registered surveyor to set the monuments and irons in the ground as shown on the condominium site plans, at a cost not to exceed the amount of the security deposit.

L. All rights of way and utility easements shall be described separately from individual condominium lots and shall be accurately delineated by bearings and distances on the condominium subdivision plan and the final site plan. The rights of way and utility easements shall be separately designed for their individual purpose, such as access, roadway, location, installation, maintenance and replacing of public utilities. The developer shall dedicate to the Village of Chelsea all easements for public water, sanitary sewer lines and appurtenances, and electrical utilities. All streets shall be dedicated to the Village of Chelsea and shall be constructed in accordance with the standards of the Village of Chelsea. Water, sewer and electrical easements may be placed within streets, subject to approval of the Village Engineer and the standards of the Village of Chelsea.

M. All improvements in a site condominium shall comply with the design specifications as adopted by the Chelsea Village Council and any amendments thereto from time to time.

Section 3. The within amendments shall be effective twenty (20) days after adoption and publication.

Section 4. Chelsea Village Zoning Ordinance, Ordinance No. 79 and all amendments thereto are hereby ratified and reaffirmed.

Dated: August 18, 1989.

JERRY SATTERTHWAITE,
VILLAGE PRESIDENT.
ALLEN L. ANDERSON,
VILLAGE CLERK.

Young Men Desperate for Cigs

Chelsea police reported three separate incidents of shoplifting at Polly's Market last week, each involving a single pack of cigarettes.

A 48-year-old Manchester man was caught taking cigarettes on Thursday, Aug. 24, three young men were seen taking a pack the same day but escaped after running toward the fairgrounds, and a 37-year-old Bush Rd. man was caught on Saturday, Aug. 26.

Police are seeking charges against the Manchester and Bush Rd. men.

+ AREA DEATHS +

Rev. Helen L. Royce

805 W. Middle St.
Chelsea

The Rev. Helen L. Royce, 805 W. Middle St., Chelsea, age 88, died Tuesday evening, Aug. 22, 1989 at her home.

She was born Dec. 3, 1900 in Waterbury, Conn., the daughter of Charles Merwin and Irene (Ferrell) Royce. The Rev. Royce had been a resident of Chelsea since 1980.

She was ordained in the United Methodist Church at Rochester, N.Y. in 1937.

She served an Indian Mission Church in New York State before coming to Michigan in 1939 where she did mission work in Detroit.

She began her ministry in the United Methodist church at Caseville in January 1942 and served churches in Bentley in 1945, Mio in 1948, Glennie in 1955 and the Cass River Circuit and retired from Millersburg church in 1967. She served as an associate in Clawson in 1968 and prior to coming to Chelsea she served for 12 years as the associate of Oak Park church in Flint.

Surviving is a sister, Mrs. Oren B. (Eather) Maxin of Shelton, Conn., one nephew and several great-nieces and nephews. She was preceded in death by a sister, Mrs. Chester (Edith) Clark.

Funeral services were held Saturday, Aug. 28, at 10 a.m. from the chapel of the Chelsea United Methodist Home with the Rev. James Simmons, chaplain, officiating, burial followed in Oak Grove Cemetery, Chelsea. Expressions of sympathy may be made to the Chelsea United Methodist Retirement Home.

Oliver C. Shepherd

13350 Trist Rd.
Grass Lake

Oliver C. Shepherd, 78, 13350 Trist Rd., Grass Lake, died Monday, Aug. 28, 1989 at Doctor's Hospital in Jackson.

He was born in 1911 in Goodloe, Ky., the son of Dona (Stephens) and Henry C. Shepherd. His wife of 54 years, Georgia, survives.

Mr. Shepherd moved to Chelsea in 1937.

Other survivors include 13 children, Raymond, Orville, Larry, Jim, Steven, Ashland, and Dennis Shepherd, and Ruth Foster, Lee Creech, Lynn DuBois, Fran Rowe, Kathi Ammons, and Rose Dygert; 33 grandchildren and 16 great-grandchildren; and 10 brothers and sisters, including May Messner, Susan Richardson, and Reuben Shepherd, of Jackson, Jake Shepherd, of Grass Lake, Peggy Patten and Della Hamilton, of Kentucky, and Olive Sadler, Nana Bailey, and Verbie Lester, of Ohio. He was preceded in death by three brothers, Junior, Ashland, and Richland Shepherd, and a sister, Kitty Louelland.

Funeral services will be held Thursday, Aug. 31 at 11 a.m. at Burden Funeral Home in Grass Lake, with Pastor Allen Miricale officiating. Burial will follow in Waterloo Cemetery.

Births

A daughter, Sunni Marie, Aug. 20 to Dale and Cindy Schoenberg of Stockbridge. Maternal grandparents are Ray and Gloria Robbins of Mancelona. Paternal grandparents are Don and Cheryl Schoenberg of Chelsea. Paternal great-grandparents are Margie Schoenberg of Romeo and Marie Willey of Imlay City. Sunni has a brother, Christopher, 4.

A son, Jake, Aug. 18 to Mark and Lisa Kaidan of Ann Arbor. Maternal grandparents are Duane and Virginia Boyer of Chelsea. Paternal grandparents are Doc and Mae Knauss of Manchester. Siblings are two brothers, Hardy 16, and Alex, 1.

Olivia Lydia Toma

Dexter

Olivia Lydia Toma, age 88, died Sunday evening, Aug. 20, 1989, at Pleasantview Manor, Stockbridge.

Mrs. Toma was born March 25, 1901, in Pesch, Romania, the daughter of George and Iltia Igriscan Gerdan. She had been a resident of the Dexter area since 1919.

She was married to Joseph Toma in Detroit, in 1917. He preceded her in death, Sept. 8, 1949.

She is survived by three sons, George W. Toma and Joseph G. Toma, both of Dexter, and James E. Toma of Whitmore Lake; two daughters, Mrs. Allan (Amelia M.) Townsend of North Lake, and Mrs. Barbara Bultman of Ann Arbor; nine grandchildren, 12 great-grandchildren, five great-great-grandchildren, several nieces and nephews. She was preceded in death by two daughters, Mildred Toma and Sophia Breda, two brothers, George Gerdan and Demetrius Gerdan, and one sister, Amelia Igrisan.

Funeral services were held at 2 p.m. Wednesday, Aug. 23, at the Hosmer Funeral Home, with the Rev. David A. Smith of the Stockbridge United Presbyterian church officiating.

Burial followed in Forest Lawn Cemetery, Dexter.

Arrangements were completed by the Hosmer Funeral Home, Dexter.

Helen L. Mysyk

7221 Werkner Rd.
Chelsea

Helen L. Mysyk, 7221 Werkner Rd., Chelsea, age 68, died suddenly in her home Monday, Aug. 28, 1989.

She was born March 8, 1921, in Berrie, Ontario, Canada, the daughter of Erdmann D. and Hester M. (Black) Beynon. She had resided in Chelsea since moving from Ann Arbor five years ago.

Mrs. Mysyk retired from the University of Michigan in 1986. She had graduated from the U. of M.

Survivors include her two sons and daughters-in-law, Richard and Cindy of Pinckney, David and Jeannie of Colorado; one daughter, Mrs. Roy (Mary) Richards of Chelsea; two brothers, Robert and Dennis Beynon; four sisters, Marge Johnston, Josephine Boos, Jean Renner, and Ted Garland; six grandchildren.

She was preceded in death by one grandson, Ronnie Lee Elrod, in 1977 and one sister, Moyra Beynon in 1983.

Funeral services will be held Thursday, Aug. 31, at 1 p.m. at the Cole-Burghardt Funeral Chapel with Rev. Mearl Bradley officiating. Friends may call at the Funeral Home Wednesday 10 a.m. to 9 p.m.

Burial will follow in Oak Grove Cemetery.

CHS SENIOR CLASS won fourth place in the youth float division with this entry, "Sailing Into The Future." In the center is senior class fair queen candidate Debbie Gerstler, flanked by members of her court.

Champion Lamb Sold For Record Price At Livestock Sale

Judy Bareis' grand champion lamb fetched a record price of \$12.25 per pound at last Thursday's annual Chelsea Community Fair Livestock Auction.

The record price, paid by the trio of Colby Farms, Lane Animal Hospital, and McCalla Feeds, Inc., shattered the old mark of \$11.50 paid to Julie Nixon in 1979 by Jule Eder & Son and in 1983 to Nick Houle by Polly's Market.

The animal was later donated to the Livestock Raffle Drawing.

A total of 130 animals were sold during the auction for a total of \$89,488.50, nearly \$13,000 more than last year's sale.

Seventy-eight club members sold 67 lambs, 34 hogs, and 29 steers. In 1988,

123 animals were sold.

Wendy Bristle's grand champion steer was purchased by Wolverine Food & Spirits for \$1.75 per pound, up from \$1.50 last year.

The price paid for the grand champion hog was way up from last year. Lindsay Powers' hog was bought by Charles Trinkle & Sons, Davidson Sales & Maintenance, and Bob Schneider for \$5.25 per pound compared to \$3 per pound last year.

A complete listing of buyers will be featured in next week's edition of The Chelsea Standard and Dexter Leader.
