ONE HUNDRED-NINETEENTH YEAR—No. 16

CHELSEA, MICHIGAN, WEDNESDAY, SEPTEMBER 13, 1989

22 Pages This Week

THE ONGOING DISPUTE between the village and Art and Ruth Dils over the sewer easement across the Dils' lot may not be over, even after council accepted a mediator's decision about the value of the easement. A mediator said the value was \$5,500, the village's appraisal put the value at \$2,500, and Dils' appraisal had a value of about \$18,000.

Village Accepts Value Of Sewer Easement Set In Mediation Process

A mediator has determined that the value of a sewer easement through N. Main St. property owned by Art and Ruth Dils is worth \$5,500. Village council, last Tuesday, Sept. 5, accepted the offer simply by not voting on it.

The village and the property owners have disputed the value ever since the village took the easement through condemnation proceedings last October. The lot, which borders Letts Creek on the east side of Main St., is essentially the Dilses large side yard, although the Dilses believe it could some day be sold to a home builder.

The force main was constructed across the property this summer. It is designed to help carry the additional sewage generated by recent growth in the southern end of the village. Village engineers determined the project would be far more costly to route the sewer line anywhere else.

The mediation value is \$3,000 more than the value determined by an appraiser hired by the village. The matter will be settled if the Dilses also accept the decision.

However, as of press time, that "if" was a big one.

Art Dils said he was virtually certain he would not accept the decision, although at the time he had not read it and had not consulted his attorney.

Dils said that Robert Thornton, of Spear & Associates, had pegged the value of the easement at about \$18,000. However, Thornton's figure was based on figuring the lot's overall loss in value.

"It's a pretty conservative appraisal," Art Dils said.

Art Dils said the village was offered, in August, a compromise of about \$10,000. The offer has never been acknowledged by village council in public session, although the whole situation has been discussed several times in executive session.

"I guess it doesn't surprise me that he might not accept it," said village president Jerry Satterthwaite.

"However, I think it's a fair price." Part of the dispute centers on whether the Dilses have a buildable lot due to the proximity of Letts Creek. That question has not been settled by the Department of Natural Resources or any other governing body.

The mediation decision, if accepted, would also pay the Dilses about \$1,000 in legal fees as well as other miscellaneous expenses, including interest.

Village Meeting With State Waste Director Cancelled

Was it a good sign or a stalling tactic?

Last Thursday a contingent from the village was scheduled to meet with Al Howard, the state solid waste director for the Department of Natural Resources, and Lonnie Lee, regional director of the Waste Management Division, concerning a new landfill operating license. The village has grown increasingly frustrated in its dealings with the Jackson office of the Waste Management Division that is headed by Lee.

The meeting, arranged by Alma Smith of state Sen. Lana Pollack's staff at the urging of village trustee Richard Steele, was cancelled at the last minute.

"The only thing (Pollack's office) told us was that if we didn't have a license by the 18th, then we'd definitely need a meeting," Satterthwaite said.

"They are supposedly working on the draft of a license."

Smith said Tuesday the indications are that the DNR will have some sort of license proposal ready by the middle of this month.

She also said the DNR still has some concerns about the license and that

she was told a meeting would be premature.

Satterthwaite said he wasn't sure what to make of the cancellation.

It's possible the license may have too many stipulations in it to make it feasible for the village to accept, Satterthwaite said. However, he's taking a wait-and-see attitude.

Satterthwaite said he expects that any license issued will not be good for more than two years.

In other landfill news, the village's

Two Bits in Hand Not Worth One in Bush

For 11-year-old Jessie Manns, two bits might not quite be worth two bits.

Jessie, daughter of Mr. and Mrs. Lennie Manns of Ivey Rd. was riding her bike home on Werkner Rd. with her friend when she saw a quarter on the edge of the road.

The youngster stopped to pick it up and when she did a snapping turtle lunged out and bit her hand. She was treated for broken skin on her hand.

And she didn't get the two bits, either.

type III landfill for demolition was forced to close down a month ago, according to operator Cecil Clouse.

The village can no longer accept scrap wood, wallboard, concrete, or other building materials.

The type III landfill provided a major source of revenue.

Other area landfills are accepting the material, but at higher rates.

David Dunnigan told village council last Tuesday that his private landfill in Jackson would be willing to take demolition from the village landfill on a regular basis.

"You can try it for 30 days and see how you like it," Dunnigan said.

The village did not make a commitment.

Community Blood Drive Set for Sept. 20

The third of four yearly community blood drives will be held at St. Paul United Church of Christ, 14800 Old US-12 east, Chelsea, on Wednesday, Sept. 20 from 9 a.m. to 9 p.m. This is the first time one of the drives has been held at this location.

Since the need for blood is so critical at this time, every healthy adult able to give is urged to do so at this time.

Ever since last fall the Red Cross has had to import 500 pints of blood a week from Bavaria in Germany.

There will be babysitting from 9 to 12 and 4 to 7 while parents donate.

For an appointment please call the following Chelsea co-ordinators or the Red Cross: Don Cole, 475-1551; Jane Montero, 475-3592; Nadine Shaneyfelt, 475-3305; Nancy Tandy, 475-7537; Sandy Miller, 475-9288; Chris Harris, 475-8430; Joanne Fredal, 428-8010; Dorothy Mielke, 475-1160; Georgia Myers, 475-8057; Marion Kerns, 475-7440; or Red Cross, 971-6534.

Lunch Price Set For Manchester Schools

Chelsea School District will charge the Manchester School District \$1.30 per meal for the 180-200 lunches provided daily.

The cost does not include milk or the cost of transporting the meals.

Chelsea United Way Sets \$85,000 Campaign Goal

The official kick-off of the 1990 Chelsea United Way Campaign is set for Wednesday, Sept. 20 at Chelsea Community Hospital at 7 p.m.

The campaign has set a goal of \$85,000, according to campaign chair Ed Greenleaf.

"Last year we collected \$83,000 and the financial needs of our member agencies continue to increase each year," Greenleaf said.

The goal for the campaign was set after each of the funded agencies completed the budget and allocation

process with the board of directors. Allocation amounts were set after determining the needs of each agency.

Agencies funded last year included Chelsea Recreation Department, Chelsea Home Meals, Chelsea Social Services, Salvation Army, Catholic Social Services, Huron Valley Child Guidance, Washtenaw Retarded Children, Cystic Fibrosis, Huron Valley Girl Scouts, Wolverine Council Boy Scouts, American Red Cross,

United Way of Michigan, Tel-Med, Faith in Action, Hospice of Washtenaw, Visiting Nurses Association, and Chelsea Area Transportation System.

Other members of the campaign leadership are Joe Piasecki, co-chair and schools division; Bill Chandler and Jan Knott, business division; John Mann, industry division; Domingo Hermosillo, residential division; and Diana Newman, professional division.

Area Youths Charged In Theft of Truck, Car Hood Ornaments

Four area youths have been charged with malicious destruction of property in connection with the theft of more than 50 hood ornaments beginning last summer.

Two Chelsea boys, age 15 and 16, and two Dexter boys, both age 16, have turned in 53 truck and car hood ornaments they allegedly stole, many of them from the area of the Chelsea United Methodist Retirement Home.

"They collected them like baseball cards," said Chelsea police chief Lenard McDougall.

"They traded and exchanged them back and forth. They'll all end up in juvenile court."

McDougall said he knows of at least three other boys who were involved in the thefts and he is hopeful more ar-

rests will be made. The boys all knew each other, McDougall said.

"They didn't go out as a gang," McDougall said.

"Just a couple at a time."

McDougall said the first solid lead came when a Chelsea Community Hospital security guard observed one of the thefts and was able to take down a license plate number on the getaway vehicle.

The ornaments, which included everything from a Mack truck Bulldog to a BMW disc, were taken in three separate sprints. Each time, over the period of a few days, more than a dozen ornaments were taken.

Each ornament theft can carry a maximum penalty of \$100 fine and 90 days in jail.

POLICE CHIEF LENARD McDOUGALL shows off 53 hood ornaments that have been confiscated by police. Four juveniles, two from Chelsea and two from Dexter, are being charged with the theft of the ornaments, over a period of nearly a year beginning last summer.

President Wants Land Re-Zoned Without 'A Comprehensive Plan'

Village council apparently will not ask a developer for information about an adjoining piece of land before it makes a decision whether to re-zone 13 acres of vacant land off Old US-12 near Chelsea Community Hospital.

Chelsea Village Planning Commission recently recommended that council re-zone the land only after developer Rene Papo provides "a comprehensive plan" for the entire 52-acre parcel, which includes 39 acres to the east in Sylvan township. Papo plans a 40,000-square-foot office complex for the 13 acres that were recently annexed.

Village president Jerry Satterthwaite said he did not agree with the recommendation because the village asked Papo last year not to annex the whole 52-acre parcel at once over concerns about the capacity of the new wastewater treatment plant.

"He's doing it the way we asked him to," Satterthwaite said.

Although no vote will be taken until

after a public hearing, it appeared Satterthwaite has the support of other council members and that the planning commission's recommendation will not delay the re-zoning.

In other business related to the possible growth of the village, zoning inspector Rosemary Harook informed council that the village may be asked to annex two other parcels: one 20-acre tract opposite Lanewood Subdivision on N. Main St., and all the land between Quiet Creek Condominiums and Vogel's Party Store a

little further north on Main St. Exactly what use is planned for each parcel is not known.

In addition, a real estate company has notified the village that the 80 acres on S. Freer Rd. in Lima township next to Belsier Estates known as the Herrst Farm is also a likely candidate for annexation.

Satterthwaite said the village should make sure after all current projects are completed that enough sewage treatment capacity remains for undeveloped land already within the village limits.

Homecoming Parade Set For Sept. 22

Chelsea High School Key Club, in association with other clubs and groups, is in the process of organizing a Homecoming Parade. The parade will be held on Sept. 22 at 5:30 p.m.

The purpose of the parade is to encourage involvement and spirit during, after, and before homecoming. Most of the students have never seen a parade for this season, and the feelings are that this year's seniors and fellow classmates wish to see this during their high school life.

The parade will consist of different groups' floats (a float being a decorated pick-up truck bed) and the pep band along with the football players riding in the back of the trucks. Also, the candidates for Homecoming Queen will ride in convertibles supplied by various dealerships and donors.

The parade will start at 5:30, or thereabouts. The route we are using will start at the Municipal parking area, turn down Main St., then eventually end up at the high school for the game. There will be a dance after the game, all students encouraged to attend.

Please, come out to the parade and cheer on the players. It means a lot to them to know that you are behind them. Also, if you would like to make a donation of poster board, a convertible, streamers, etc., please contact Tammy Brown at 475-7797.

Help make this Homecoming Special, let's start a tradition!

THIRD PLACE WINNERS in the age 3-4 category of the Children's Parade included, from left, Jenna Hetzel, Rachel Martin-Trevino, and Ricky Kaiser, who created a prehistoric theme.

4 Years Ago . . .

Wednesday, Sept. 11, 1985— The Winnemata impoundment was being re-flooded following repairs to the dam and adjacent structures. It would be restocked with fish as soon as it filled to a depth that make over-winter survival possible.

Chelsea Substance Abuse Task Force, started in early spring, became one of three non-profit organizations dealing with substance abuse in Chelsea. Unlike the other two groups, which deal mainly with high school students as substance abusers, this organization strived to become community-oriented.

Charlie Koenn won the Showmanship sweepstakes competition at the Chelsea Community Fair. He nudged his good friend Lori Nixon of Dexter by a single point in the event. The Sweepstakes judged each top showman in the various livestock divisions by having them take turns showing each other's animals.

14 Years Ago . . .

Thursday, Sept. 11, 1975— Wallace Wood was named general chairman for the Chelsea Bicentennial celebration. As general chairman he would work closely with the Rogers Co. of Fostoria, O., which had been hired to co-ordinate the celebration for Western Washtenaw County.

season, they would almost have the conference title in the bag. However, Clarke was not making predictions, just stating the relative strength of the Michigan Center team.

The title, Michigan Junior Boys Water Ski Champion, belonged to nine-year-old Marty Steinhauer. Marty had just moved to Chelsea with his family. The Steinhauers had been avid water-skiers since the family bought a cottage on Sugar Loaf Lake six years earlier. Marty took the title with a 72-foot jump.

A major new program of training Girl Scout volunteers was launched by the Huron Valley Girl Scout Council. The program included two courses, one for troop leadership and assistant troop leader, and one for volunteer supervisor, known as the troop services director.

24 Years Ago . . .

Thursday, Sept. 18, 1965— Voters of Chelsea school district approved a \$2,360,000 three-building proposal in balloting. On a second ballot, voters rejected a proposal for a \$325,000 school and community swimming pool.

Friends came from near and far to Camp Criles' annual smorgasbord, reported Camp Manager Lloyd Thompson. Thompson was president of the non-profit Michigan Society for Epileptic Children, Inc., which operated the Camp Crile. Chelsea Junior Chamber of Commerce Auxiliary worked in the kitchen during the event in addition to baking all of the cakes. Other friends brought food for the table.

An old-German custom carried out by builders of a home north of Chelsea attracted considerable attention. A small tree was nailed into the roof boards as soon as the carpenters put up the final rafters and then all the workers dropped their tools for a party provided by the owner of the new home. John Bevier of Ypsilanti was the contractor on the construction job and it was his employees who carried out the custom of "wetting the bush" by tacking up a tree as a signal for the owner to "wet the whistle" of the workmen.

Dr. Ray Gibbons, director of the Council for Christian Social Action of the United Church of Christ was in Chelsea to talk to interested people about the two major problems youth faced: education and the use of their leisure time. Social Action committees and interested people from various churches met with Dr. Gibbons for a breakfast to evaluate the (Continued on page 13)

Operation H.E.M.P. Nets Over 300,000 Marijuana Plants So Far

Officials announced recently that the state's marijuana eradication program, Operation HEMP, has already destroyed 33 percent more plants than during all of last year, thanks to two big strikes in the Upper Peninsula.

And, despite recent concerns over more potent drugs such as cocaine and its crack derivative, the state's drug agency's director said eradicating marijuana is more important now than it ever was.

The federally-funded HEMP (Help Eliminate Marijuana Planting) program eradicated over 300,000 marijuana plants, compared to 189,061 last year when the state ranked seventh nationally in that category.

"I don't know if we're becoming better eradicators or if the problem of marijuana growth is growing," said Knuth, who noted that over 100,000 plants were taken at two separate Upper Peninsula sites in July and August.

"Marijuana is the major introductory drug to 'crack' cocaine," said Drug Agencies Director Donald Reisig, and is "much more potent and dangerous" than it used to be.

He said it would be hypocritical of the state to concentrate more on eradicating drugs such as cocaine and heroin than marijuana, especially considering that marijuana grown in the United States nowadays has up to 8 percent of the chemical THC, the ac-

tive ingredient in marijuana, compared to 3-4 percent 20 years ago. "The marijuana grown today is not the marijuana of the 1960s on our college campuses," Reisig said.

Operation HEMP has a \$90,000 budget, with all of the money coming from federal funds.

The Michigan National Guard, which received only \$170,787 from the federal government to assist the State Police in drug-related efforts, is seeking to expand its role next year. The Department of Military Affairs has requested \$1.1 million in federal money for fiscal year 1990.

This year the National Guard has expanded its support of Operation HEMP by providing 412 helicopter aircraft hours and off-road military vehicles.

"There's no question there is a shortage of law enforcement officers to do what must be done," Reisig said, noting that over the last eight years states have received only 3 percent of the money allocated to fight drugs by the federal government.

Hiring more officers would show "some form of moral commitment" to fighting drugs, and he has been encouraging local communities to ask for a special millage that would provide the funds to hire those officers.

In response to a question, Reisig said he does not support a state-wide tax increase to provide more officers.

DART Assesses \$3.1 Million from Eight Drug Suspects - The Department of Treasury's Drug Asset Recovery Team (DART)

has assessed eight suspected drug dealers in the Detroit area more than \$31 million in unpaid state taxes, Governor James Blanchard reported.

DART agents were notified of the alleged drug trafficking activities of the suspects by the Southeast Michigan Conspiracy Organization (SEMCO), a co-operative drug strike team that involves 10 local and federal law enforcement agencies in Wayne, Oakland, Macomb, Livingston, Washtenaw and Monroe Counties, operating under the command of the Michigan State Police.

Since its establishment earlier this year following recommendations by Blanchard at the State of the State address, DART has issued tax assessments of \$15.7 million against 32 alleged drug dealers.

The agents use portable laptop computers to levy single business tax and income and sales tax assessments based on the estimated value of drug dealers' operations.

Travel Bureau Estimates \$10 Billion Summer

Travel Bureau Director John Savich has announced that the summer of 1989 will be the state's first \$10 billion summer for the travel industry.

He said preliminary summer performance figures indicate the travel industry will have a \$10 billion economic impact this summer, despite a slowdown in the national economy.

The state travel director said the year started with predictors of rising

gasoline prices and a softening economy.

Savich added that despite erratic prices, slow growth in the gross national product and a seven point decline in consumer confidence, the industry continued to provide an excellent vacation experience for the traveler and the best and brightest economic hope for scores of smaller Michigan communities.

Savich also reported that since Jan. 1, inquiries to the Travel Bureau have climbed more than 73 percent over 1988 levels with the inquiries expected to reach a total of more than 500,000 for the year.

Inmates Leave Prison Camps

Camp Waterloo and Cassidy Lake Technical School each had a prisoner walk away on Saturday, Sept. 9 in unrelated incidents.

Michael Low, 40, of Detroit, was reported missing from Camp Waterloo at 3:05 a.m. He is described as black, 5'9", 150 pounds, with a mustache and scar on his forehead. He was serving 10-15 years for unarmed robbery, 10-15 years for breaking and entering, and 6-10 years for felonious assault.

Karl Eismann, 21, of Melvindale, was reported missing from Cassidy Lake Technical School at 10:40 p.m. He is described as white, with brown hair and brown eyes, and a scar on his chin. He was serving time for attempted breaking and entering.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR: The fellers at the country store Saturday night were thankful that another summer doldrum is behind em and another World Series is ahead of em. When the Good Lord sees you through August, Zeke Grubb allowed, He's got to figger the least He can do is let you hang around through October.

Everybody was general agreed with Zeke, even if Bug Hookum was of a mind that the Lord sets August on the automatic and stays in the shade. From what he reads, Bug said, it's hard to git away from the Idee that the Devil is behind most of the crazy stuff. Fer instant, Bug had saw by the papers where a feller in Denver didn't like his haircut, so he went home, got his gun, come back and shot the barber dead. It could of been, he said, that the barber talked the wrong politics, but more likely the customer went crazy when he went out in the sun and loose hair down his back started itching.

Fer sure, Bug said, heat and discomfort bring out the worst in us, but no haircut can be as bad as a head shaved fer the electric chair, and no summer necktie as tight as the hangman's noose. We still got to be responsible for our acts, he declared, no matter how out of sorts we git. For instant, there's no way weather can excuse the feller in Michigan that said he drove his four children in a river and drowned em because they were to much of a burden.

Zeke got the floor back to note where North Carolina had a August run on crazies this year. It weren't enough, he said, that all summer they dug up and tested people thought to of been poisoned by a Alamance County grandmother. An old grouch in Kanapolis dug up the sidewalk in front of his house fer no better reason than he was tired of neighbor children playing on it. About the same time another old coot in Raleigh was ringing the necks of pigeons in a park so he wouldn't have to share peanuts that folks threw to the birds.

Farthermore, declared Clem Webster, it must be that when the worst comes out in folks they aim it at figgers of authority. He saw where in

one day near the end of the month a policeman was shot and killed in South Carolina, another in Florida, and one in New Jersey was injured critical, all fer no reason. And even if we were told why all the airplanes were falling, Clem went on, it got to where it weren't safe to walk outside.

As fer safe flying, Clem said he had saw where some genius says the hole airplane could be made as safe as the black boxes investigators allus find in the wreckage. This must be the same feller that wants ever car as safe as race cars that git hit broadside, do about four flips and their drivers walk away from, was Clem's words.

Practical speaking, Clem said, carrying safety to such extremes would work because it would make travel so expensive nobody could go anywhere. As fer over-reacting, he went on, he had saw where 22 schools near O'Hare Airport are suing airlines that land there fer \$13 million, which they figger it will cost to soundproof classrooms agin airplane noise. This actual is encouraging, Clem said, because it shows the children are quiet enough to hear the jets.

Meanwhile, I see a pregnant prisoner in Jefferson City is suing Missouri fer keeping innocent unborn baby in-jail illegal. There's no end of August craziness, which may explain why fall football was invented to work off steam.

Yours truly, Uncle Lew.

Mr. and Mrs. Jonathan Edwards Carey
**Melanie Lee, Jonathan Carey
 Married in Methodist Church**

Melanie Jane Lee, daughter of Richard and Ann Lee of Chelsea, and Jonathan Edwards Carey, son of Susanne Carey of Dexter and the late Peter Carey, were married June 10 at the Chelsea First United Methodist church.

The Rev. Jack Harnish and the Rev. Dr. Jerry Parker performed the ceremony.

Soloist was Mary Cleveland, who sang "The Gift of Love," and "Wherever You Go." Scripture readers were Sheleta Matthews, of Detroit, and Tucker Lee, of Chelsea, brother of the bride.

Maid of honor was Marie Sullivan, of Chicago, Ill. Bridesmaids were Rebecca Lee, of Chelsea, sister of the bride; Allison Carey, of Dexter, sister of the bridegroom; Ann Bueche, of Seattle, Wash.; Cindy Chapman of Nashville, Tenn.; Mary Cleveland, of Plymouth; and Wendy Shuler, of Indianapolis, Ind.

East Lansing, brother of the bridegroom. Ushers were Tucker Lee and Armando Lee, of Chelsea, brothers of the bride, David Castillo, of Monterrey, Mexico, Kevin Cousins, of Ypsilanti, John Delaney, of Ann Arbor, and John Martin, of Cambridge, Mass.

Ringbearers were Timothy and Andrew Robinson, of Seattle, Wash., cousins of the bride.

The bride wore a dress made by Carol Brock of Chelsea, and she wore the bridegroom's mother's veil.

The bride's mother wore a lavender dress with a white daisy corsage. The bridegroom's mother wore a beige dress with a white daisy wrist corsage.

A reception was held at the North Lake United Methodist church, with the blessing given by the Rev. Sondra Willobe.

The couple took a honeymoon trip to Pennsylvania. They are residing in New York City.

Mr. and Mrs. Floyd Alexander
**Mary Hughes, Floyd Alexander
 Are Married Here June 22**

Mary Ann Hughes and Floyd Alan Alexander were married July 22 at the First United Methodist church of Chelsea. The bride is the daughter of Mr. and Mrs. Miles Anderson, of Bonifay, Fla., and the bridegroom is the son of Mr. and Mrs. Max Alexander, 1350 Liebeck Rd., Chelsea.

The Rev. Dr. Jerry Parker performed the ceremony before 150 guests.

Vocalist was Susie Wescott, who

sang "You Light Up My Life," "My Treasure," "Wedding Song," and "We've Only Just Begun."

The bride wore a gown with illusion fabric over taffeta. A sweetheart illusion yoke led to a jeweled lace bodice. The gown also included Victorian sleeves of pearls and an iridescent sequin lace pouf and crystal schiffli lace. The dress was also adorned with schiffli lace appliques. The pearl button back fell into a cathedral train with a floral design and a scalloped trim to outline the edges.

Maid of honor was Jennifer Schneider, of Ft. Lauderdale, Fla. She wore a peach silk floor-length gown. Her bouquet was a fan of silk peach and white roses, carnations, and baby's breath of shades of peach.

Bridesmaids were Kimberly VanWormer, of Marshall, friend of the bride, Lori Schulze, of Ann Arbor, sister of the bridegroom, Christl Hughes, of Gainesville, Fla., sister of the bride, and Melanie Anderson, of Bonifay, Fla., sister of the bride. Their dresses were the same at the maid of honor's.

The bride's mother wore a pale green dress while the bridegroom's mother wore a light blue dress.

Other attendants included Melissa Anderson, sister of the bride, who wore a white silk floor-length dress and carried a basket of silk flowers.

Best man was Jeff Smith, of Anderson, Ind.

Groomsmen were Lawrence Williams, Terry Boland, Steven Chadwick, Charles Alexander and Chadd Alexander.

Steven Hughes, Todd Anderson, and Miles Anderson, Jr., were the ushers.

A reception for 200 guests was held at the Knights of Columbus Hall, Dexter. Cindi Davis, sister of the bride, attended to the guest book and gifts. Kimberly VanWormer cut the cake and Melanie and Melissa Anderson helped serve.

The couple took a one-week trip to Mackinac Island followed by a one-week trip to Disney World. They are living at 1002 Enterprise Ct., Virginia Beach, Va.

The bride is a 1980 graduate of Marshall High school and a 1984 graduate of the Atlantic Vocational Institute. She is a licensed practical nurse. She is attending Norfolk State University in Virginia to earn a bachelor's degree in nursing.

The bridegroom is a 1976 graduate of Ypsilanti-Lincoln High school and a 1977 graduate of the Aviation Structural Mechanic "A" school, Millington, Tenn. He is stationed at Oceana Naval Air Station in Virginia as a first class aviation structural mechanic.

Mr. and Mrs. Gregory Edward Rapp
**Sandra L. Frame, Gregory Rapp
 Are Wed at North Lake Church**

Sandra Lynne Frame, daughter of Mr. and Mrs. William Frame of Chelsea and Gregory Edward Rapp, son of Mr. and Mrs. George Rapp of Midland, were married Saturday, July 22, at 1 p.m. at North Lake United Methodist church.

The Rev. Sondra Willobe performed the ceremony.

Ms. Lydia Cleaver of Ann Arbor played the harp before and during the ceremony.

The bride wore a Victorian gown of ivory satin and lace. She carried a Victorian bouquet of pink dried roses, baby's breath and lace. Her headpiece was a band of pearls and lace with an inset of dried roses, baby's breath and cascading ribbons.

Maid of Honor was Charlene Hess, friend of bride from Kalamazoo. She wore a dusty rose satin gown. She also carried a Victorian bouquet of deep pink dried roses, baby's breath and lace.

The bride's mother wore a pastel green tea-length gown, trimmed with Victorian lace.

Mother of the bridegroom wore a jade tea-length gown trimmed in lace. Best man was Anthony Jones of Grand Rapids, friend of bridegroom.

Ushers were Dan Leighton of Battle Creek, Ned Hellman of Glen Ely, Ill., Bruce Biby of St. Clair Shores, and Gary Putt of Midland; all friends of the bridegroom.

A reception was held on the lawn of the bride's parents country home, under white tents. The guests celebrated the occasion by releasing 200 helium balloons into the sky.

Hosts were Wendy and Doug Beaumont of Chelsea, friends of the bride, and Tracey Terrell, cousin of the bride.

The couple took a honeymoon camping trip near Mackinac Island before returning to Kalamazoo, where they settled into their new home.

WINANS JEWELRY

GOLDEN ANNIVERSARY: Sue and Michael Kovach, 14104 Edgewater Dr., are celebrating their 50th wedding anniversary this Saturday, Sept. 16. The couple has lived in the Chelsea/Dexter area for five years. They moved here from Roseville when Michael retired from the Ford Motor Co. An open house will be held this Saturday at 1 p.m. at the couple's home, hosted by their children, Barbara and Robert Duncan, of Dexter, and Carolyn Wagner, of Waunakee, Wis. Grandchildren Heather (6) and Sean (3) will also attend but Wendy Wagner (18) will be at the University of Wisconsin, where she attends school. The Kovachs are active with the Chelsea Senior Citizens organization. Michael enjoys hunting and fishing while Sue is a gardener.

LUCY PIATT, hospital chairman for Chelsea VFW Auxiliary No. 4078 received her 5,000-hour gold pin for voluntary hours at Ann Arbor Veterans Hospital last May. She has been a volunteer for 10 years. She has been an active member of Chelsea VFW Auxiliary for 26 years. Michael Herbert, assistant director of the hospital, is shown presenting Lucy with a beautiful centerpiece. Mac and Eulabee Packard were also recognized for their volunteer hours.

Fall Community Ed. Programs Resume at Chelsea Hospital

Chelsea Community Hospital will begin its fall community education programs with "CPR Instructor Course." Persons who are currently CPR certified and wish to become an American Heart Association CPR Instructor are invited to attend this three-week course. It will be held on Wednesdays, Sept. 13, 6 to 10 p.m. and Sept. 20 and 27, 6 to 9 p.m. in the Woodland Rooms at Chelsea Community Hospital.

Ongoing programs held at Chelsea Community Hospital include "Children Are People," a chemical dependency prevention program for children ages 5 to 12 years. This program is offered by the Substance Abuse Department and is held on Tuesday and Thursday evenings from 8:45 to 8:15 p.m. at Chelsea Community Hospital Kresge House. For registration or additional information call Betsy Beckerman at 475-4100.

"Breathers Club," an educational presentation and a supportive atmosphere for all interested individuals who have chronic respiratory problems, is offered by the Cardio Pulmonary service. Sessions are held the third Saturday of every month from 11 a.m. to 1 p.m. at the Chelsea Community Hospital.

"Cardiac Rehabilitation - Outpatient" is designed to provide rehabilitation for people who are recovering from a heart attack or heart surgery. Sessions are individually scheduled by calling 475-3951.

"Speech and Language Therapy for Children - Outpatient Program" offers comprehensive, individualized evaluations and therapy programs for youngsters with delayed speech or language development. For more information, call 475-3982.

The "Chemical Dependency Lecture Series" is free and open to the public to provide awareness and education regarding various aspects of alcoholism and other chemical dependencies. Lectures are held every Thursday evening from 7 to 8 p.m. in Chelsea Community Hospital Dining Room.

The "Outpatient Diabetes Education" program is designed for people with diabetes and their families. Sessions are individually scheduled by calling 475-3935.

The "Individual Nutrition Counseling" is a registered dietitian will work with you to create a meal plan that is nutritionally adequate and easy to follow. When your physician has prescribed a special diet for you, contact your nutrition counseling service at 475-4028.

The "Individual Supermarket Tour" is led by a registered dietitian and held at the supermarket of your choice within a 20-mile radius of Chelsea. Contact the Education Department, 475-3935, to register for an individual tour.

Pre-registration required for all classes. For further information call the Education Department 475-3935.

Skin Deep Contraceptive Lasts 5 Full Years

Our planet Earth is now bearing the weight of 6 billion human beings. In fact, there are more people living today than all of the people born into the world between Creation and 1889. Unless something slows our world rate of human reproduction, population of this planet will reach 8 billion in another 25 years. It seems unlikely that man can grow and deliver enough food to feed the equivalent of two thousand million additional mouths.

A ray of hope amidst these gloomy predictions has its source in Population Control, a non-profit health research center working out of New York. Their initiative zooms in on a contraceptive named *Norplant* which has been used experimentally by thousands of women world-wide with better than 99 percent success. Approval by the U. S. FDA is expected in a matter of months.

Norplant has been a long time coming. It was developed more than 20 years ago and consists of six rubber capsules containing levonorgestrel—the synthetic hormone embodied in birth control pills.

Implantation is an elementary surgical procedure which can be performed or reversed with a local anesthetic. Preferred site is in the woman's upper arm. The hormone is time-released and provides contraceptive protection for five full years. It works in two ways: First by inhibiting the ovarian cycle and, second, by thickening cervical mucus so that sperm cells are prevented from reaching the egg.

At any time that the capsules are removed from the hostess' arm, fertility is quickly restored.

Norplant was developed in the Population Control Council's center for biological research. It was first aimed at providing Third World Women with a built-in alternative to saying "No."

Testing

Introduced to the women of Santiago, Chile in 1975, *Norplant* has been used by over 55,000 women in 44 nations. It has been officially approved for marketing in 10 countries, including the fecund populations of Ecuador and Indonesia. Federally supervised testing has recently been conducted in New Jersey and California and FDA approval is expected before the end of the year.

News of this startling development arrived in the September-October issue of *World Watch*, published by Worldwatch Institute, an international environmental organization. *Norplant* is obviously a well-tested product and murmurs of its advent have circulated among druggists for years. Based on clinical tests, there is less than 1 in 200 chances of pregnancy during the first year of implantation and barely 1 in 100 during the fifth year. As stated in the report written by *World Watch* staff writer Holly Brough, "*Norplant* is more effective than either the Pill or the IUD and rivals the record of sterilization. Unlike the Pill, it does not require daily discipline; unlike the condom or diaphragm, it is not awkward or disruptive; and unlike sterilization, it is easily reversed."

The report continues by admitting that this wonder contraceptive has its drawbacks. "First, it is less effective in women who weigh more than 150 pounds. More important, it causes menstrual irregularity, ranging from prolonged bleeding to no bleeding at all (side effects that usually subside by the end of the first year)."

Another drawback is its cost. The Population Council has an agreement with the maker and distributor of *Norplant* to charge no more than \$18 for each set of implants supplied to non-profit health groups and governments. That cost, plus tariffs and delivery charges, could put this contraceptive beyond the reach of millions of poor women. Governments faced with the reality of a rapidly increasing population had better catch up on their arithmetic.

Currently the Pill here costs a woman \$180 to \$200 a year, depending on the brand in use, according to Dan Murphy, RPh. Local, state and Federal health agencies might give some thought to \$18 implants supplied free to willing teen-age girls from impoverished families who have parental consent. One feature in favor of such a proposition is that it is readily reversible.

A vital question yet to be answered about *Norplant* is the lack of clinical evidence as to its long-term health risks. The Population Council, *World Watch* and another non-profit organization, Family Health International, are beginning a retrospective study of the experience of users. Until governments, health departments and clinics can be assured, the great promise of this contraceptive will remain in doubt. Some observers feel that the outlook is good since *Norplant* is simply a time-release version of the well-known levonorgestrel.

Yet another obstacle relating to the introduction of *Norplant* in Third World countries is the lack of medical clinics or physicians to perform the subcutaneous implants and their removal. There are countless poor communities scattered throughout the world with no doctors, RNs or LPNs at all. *World Watch*, however, tells us that "A recent test in Indonesia holds promise that *Norplant* eventually can free itself from clinics and hospitals and go directly to women in their villages. The study found that, with appropriate training, health workers can be as adept at inserting and removing *Norplant* as physicians. Six remote clinics in Kenya have implanted the contraceptive on a regular basis without access to running water or electricity. Sealed supplies and battery-operated lamps make the procedure possible. The challenge is making sure that these health workers and makeshift clinics are as available to remove *Norplant* as they are to insert it."

As the 1980's draw to a close, we are discovering that global problems of the gravest sort are demanding international teamwork and responsibility. Halting overpopulation is imperative. But so is ending the destruction of our rain forests with their irreplaceable ecosystems. So too is meeting the real threat of global warming, the protection of our life-essential ozone layer and defense of our oceans from pollution.

We can't waste a decade waiting for the 21st century. All civilized nations need to join in the defense of Mother Earth now.

The number of college students receiving degrees in history, sociology, English and education dropped 50 percent in the last 10 years according to the U. S. Labor Department's Bureau of Labor Statistics. The decline reflects student response to the changing job market. The number of students majoring in education should increase again in response to rising school enrollments and reduced class size.

A CHELSEA AREA WOMAN, Eleanore Lorentide Bourgoise of S. Fletcher Rd., was seriously injured, Saturday, Sept. 9, about 7 p.m. on Jackson Rd. at Parker Rd., when a truck, driven by William Joseph Ramsey, a Luella Dr. resident, was unable to avoid a collision with her compact automobile. In his report, deputy Stan Yates from the Washtenaw County Sheriff's Department's traffic services division indicated she was driving northbound on

Parker Rd. and apparently failed to stop for the stop sign at Jackson Rd. Ramsey was westbound on Jackson Rd. Both vehicles came to rest off the road, in the northwest corner of the intersection. Ramsey received minor injuries, but refused treatment, but Mrs. Bourgoise was transported by Huron Valley Ambulance to University of Michigan Hospital, where she remained in critical condition, early this week.

Kathy will be doing psychotherapy with individuals, groups and families at Perspectives of Troy in Troy. Kathy is the daughter-in-law of Phil and Alice Blough of Grass Lake.

Everybody's Science

★ Back in the USSR, Seeking Bud Luck for Pesky Aphids

By Jim Quattro
Mother Nature's agents overseas are being recruited to take the offensive against the Russian wheat aphid and other insects and weeds that have invaded the United States.

Scientists are doing the recruiting, under new five-year agreements with the Soviet Union that the U.S. Department of Agriculture's research agency began carrying out in May.

"The new agreements will help our efforts to find alternatives to chemical controls for a variety of plant diseases, weeds and insects in this country," says Richard S. Soper of USDA's Agricultural Research Service. He co-ordinates such biocontrol research by scientists at dozens of laboratories operated by ARS in this country and overseas.

The first target is the wheat aphid, which ravages wheat and barley.

First sighted in Texas in 1986, the aphid has spread to 15 states and three Canadian provinces. Soper says it cost U.S. farmers an estimated \$123 million in 1988—more than twice the damage in 1987.

"When a Russian wheat aphid begins sucking sap from a wheat or barley leaf, the leaf rolls around it, protecting it from insecticides," he says. "We hope biological controls can be an effective alternative."

On May 25, two researchers from an ARS lab in France flew to Moscow on their way to explore the pest's native regions of Moldavia, the Ukraine and the northern Caucasus. Insect pathologist Tadeusz Poprawski and entomologist Francis Gruber will hunt for a variety of Russian wheat aphid enemies—microbial pathogens as well as insect predators and parasites.

They hope to bring promising candidates back to the ARS European Parasite Laboratory in Behoust, France, for studies and later shipment to the U.S.

The trips by Poprawski and Gruber will be followed by several more this year and in years to come, so more and more immigrant pest-fighters will be tracking down a variety of U.S. weed and insect pests. And, Russia will import biocontrol agents from the United States to fight pests that have invaded that country. (Agricultural Research Service, U.S. Department of Agriculture)

Family Practice Fun Run/Walk Results Listed

Chelsea Family Practice Center sponsored its seventh annual Fun Run/Walk to the Fair on Saturday, Aug. 26.

110 runners, walkers, their families and friends gathered at the Chelsea Medical Center for the start of the triple-event race.

Many volunteers gave their time to make sure the event ran smoothly, including official timer Marge Wilson, Chelsea High school track coach Ted Wilson and cross country coach Pat Clarke, and official recorders Brian Gunderson and Daphne Hodder, as well as others who gave directions at turns and passed out water on the course.

Results of the events follow.

ONE MILE RUN/WALK

1. Paul Wade, Jr.	8:06.86
2. Kim Adkins	9:47.48
3. Rourke Skelton	10:11.02
4. Kevin Viery	10:12.24
5. Stephen Viery	10:19.80
6. Joe Setta	11:11.82
7. Darren Powell	11:14.82
8. Matt Hicks	11:29.17
9. Ben Hicks	12:00.14

23. Sarah Grau	23:47.18
24. Carmen Smith	23:48.30
25. Lori Spiny	24:47.13
26. Staci Heydaufer	24:57.83
27. Andrew Parker	24:57.45
28. Helen Hirst	24:28.99
29. Judy Barkley	25:00.20
30. Kathy Shanahan	25:11.84
31. Margaret Parker	25:39.87
32. Becky Patras	26:36.54
33. Mike Shanahan	27:06.43
34. Mike Zdanowski	27:41.92
35. Mary Zdanowski	28:44.18
36. Kathleen Smith	27:44.77
37. Jacqueline Lewis	28:24.86
38. Mary Ann Wroubel	32:01.65
39. Bubbles	37:19.82
40. Dennis Szymanski	37:27.96
41. Jenine Szymanski	37:28.56
42. Sheri Affolder	37:29.76
43. Ken Schatle	42:17.55
44. Eille Unterbrink	42:17.92
45. George Wroubel	42:52.82

FIVE MILE RUN

1. Henry Bazydlo	29:26.50
2. John Ross	32:13.19
3. Kevin Adkins	32:13.36
4. Craig Garfield	32:39.26
5. Cara Dreth	32:39.51
6. Joe Brosnan	33:15.23
7. Joe Weinberg	33:43.55
8. Fred North	34:04.78
9. Jim Rudnicki	34:28.81
10. Benj Winzenz	34:39.84
11. David Hurst	34:48.79
12. Ken Burman	35:02.24
13. Mike Loghe	35:27.45
14. Allen Gillenwaters	35:28.19
15. Mark Elbell	35:44.98
16. Jenine Soloko	36:08.53
17. Wayne Winzenz	36:53.15
18. Bill Wilson	37:01.20

CARA DRETH, the first woman to finish the five mile race at the Chelsea Family Practice Center's annual fun run, talks to Chelsea High school cross country coach Pat Clarke.

GREG HENRY crossed the finish line in front of everyone in the three mile run.

PAUL WADE, JR. was the first place finisher in the one-mile run at the Chelsea Family Practice Center's event Aug. 26.

HENRY BAZYDLO was the winner of the five mile race in 29:25.5.

Family-responsive policies for employees seeking to balance work and family responsibilities have bottom line implications for employers, according to the U. S. Labor Department's Women's Bureau. These implications will have particular impact in such areas as productivity, labor management relations and the ability to attract and retain the most competent workers in light of the projected tight labor market of the future.

Ruth Curtis Is Fleece Champ Of State Fair

Ruth Curtis of Chelsea won the over-all champion title in the Michigan State Fair's annual Sheep Wool Judging Contest Aug. 31.

Curtis won the title for having the best type of fleece in the sheep shearing contest. Her fine comb fleece beat out more than 250 other fleece entries.

Fleece is judged on how clean the wool is, its weight, and the actual strength of the fiber itself.

RESOLUTION

To Provide For The Designation of Sept. 15, 1989, As "POW/MIA Recognition Day"

WHEREAS, the United States has fought in many wars, the most recent of which was the Vietnamese Conflict; and, WHEREAS, Friday Sept. 15, 1989 is a day of remembrance for those who suffered as prisoners of war or are still missing as a result of any conflict; and, WHEREAS, this year officials have focused on the Vietnamese conflict because the Indochinese governments have been less than fully co-operative in accounting for prisoners who did not return or providing information on the missing; and, WHEREAS, although co-operation has increased within the past two years, there are still 2,343 American servicemen and civilians, including 73 from the State of Michigan, missing and unaccounted for in Indochina, and the uncertainty surrounding their fates has caused their families to suffer great hardship; and, WHEREAS, the sacrifices of these brave Americans and their families are deserving of recognition; and, WHEREAS, the goals of our government, the National League of Families and Vietnam Veterans of America is to obtain as full an accounting as possible of Americans still prisoner, missing or unaccounted for in Indochina; and, WHEREAS, increasing public awareness and focusing public attention on this issue is one way to help achieve this goal; NOW, THEREFORE BE IT RESOLVED by the Council of the Village of Chelsea, Michigan, that Friday, Sept. 15, 1989, shall be designated as "POW/MIA RECOGNITION DAY." We urge all of our citizens to take note of this important issue and remember those servicemen and civilians who were prisoners of war and those that are still missing and to commemorate the day with appropriate activities.

Allen L. Anderson, Village Clerk.

CONGRATULATIONS DR. JACKIE

JACKIE ROGERS, director of community education for the Chelsea School District, is officially Dr. Jackie Rogers. She completed her doctorate in adult and continuing education at Michigan State University in August after five years of study. A few of her friends at the Senior Citizens Center decided to have a little party for her last Friday, and many of her other friends in the community turned out as well. From left are seniors Ann Wood, Ruth Smith, and Rita Collins, Rogers, and seniors Mary Malotte and Gertrude Kern. The senior center was one of Rogers' many community projects. Cecil Bernath baked all the cookies for the party, quite a sizeable project.

SCHOOL LUNCH MENU

Weeks of Sept. 6 - 15.
 Wednesday, Sept. 13—Deli-turkey sandwich, pork and beans, vegetable sticks, crushed pineapple, milk.
 Thursday, Sept. 14—Burrito with chli, hash brown patty, buttered sliced carrots, cake, milk.
 Friday, Sept. 15—Cheese and sausage pizza, tossed salad with dressing, lemon pudding, fresh fruit, milk.
 Monday, Sept. 18—Juice, submarine sandwich, potato chips, dill pickles, pear half, milk.
 Tuesday, Sept. 19—Boneless Rib-B Q, escalloped potatoes, buttered corn, bagelette/butter, chocolate pudding, milk.
 Wednesday, Sept. 20—Chicken fried beef patty on bun, tater tots, carrot and celery, applesauce, milk.
 Thursday, Sept. 21—Lasagna, broccoli spears, warm bread stick, fresh fruit, milk.
 Friday, Sept. 22—Steak nuggets, hash brown patty, cole slaw, brownie, milk.

Festivals, Many Special Events Highlight Michigan's Autumn

The Chelsea Standard

Section 2

Chelsea, Michigan, Wednesday, September 13, 1989

Pages 9-24

SEPTEMBER
Michigan Wine and Harvest Festival, Kalamazoo and Paw Paw, Sept. 7-10. This four-day festival of food, wine, and live entertainment in the heart of Michigan's fruit belt and of the nation's fourth-largest wine- and juice-producing region features parades, and, of course, grape stomping. (616) 381-4003.
Mackinac Island Carriage Festival, Mackinac Island, Sept. 30-Oct. 1. This two-day event focuses on the horse-drawn carriages that make Mackinac Island unique. A horse-and-driver rally tests the skills of both on Saturday, and a grand parade displays show horses and vintage carriages on Sunday. (906) 847-3783.

OCTOBER
Ansel Adams: Classic Images, and Thomas Hart Benton: An American Original, Detroit, through October. Both exhibits continue at the Detroit Institute of Arts, with the Benton exhibit ending Oct. 15 and the Adams, Oct. 29. They represent the best artistic works of two great American artists. (313) 832-2730.
Tuscola County Pumpkin Festival, Caro, Oct. 5-8. Miss Michigan makes one of her stops at this celebration which highlights Michigan's colorful pumpkin farms. Decorated pumpkins, an arts and crafts show, and a large parade are on tap. (517) 673-2511.
Fall Color Fest, Grand Haven, Oct. 6-22. Michigan's autumn countryside

and waterfront have a special glow when seen from the Harbor Steamer, an authentic paddle-wheel boat, or the Harbor Trolley. (616) 842-4499.

NOVEMBER
Silver Bells in the City, Lansing, Nov. 17. Lights, candles, and music kick off this annual holiday-season celebration in the state's capital. Some 3,000 candles line downtown streets, carolers fill the plaza of City Hall, and Governor James Blanchard lights the state of Michigan Christmas tree. (517) 372-4636.
Detroit Thanksgiving Festival, Detroit, Nov. 18-26. This week-long celebration gets Michiganians in the holiday mood. The highlight is the nationally televised 63rd Michigan Thanksgiving Parade, which features floats, balloons, marching bands, equestrian groups, performers, clowns, and holiday fantasies. Saint Nicholas receives a gift: the key to the city. (313) 923-7400.
Michigan Christmas-Tree Festival, Grand Haven/Spring Lake/Holland, Nov. 24-Dec. 17. Holiday festivities include classic home tours, Hans Brinker musical productions, tours of area Christmas tree farms, a giant Nativity scene, arts and crafts, and parades. (616) 842-4499.
Christmas at Meadow Brook Hall, Oakland University in Rochester, Nov. 29-Dec. 10. Detroit-area florists display elaborate holiday decorations at Meadow Brook Hall, a 100-room mansion built by John Dodge's widow.

Gift items and food are available. (313) 370-3140.

DECEMBER
Twelve Days of Christmas, Frankenmuth, Dec. 1-3, 8-10, 15-17, 20-24. European Christmas traditions abound in Michigan's "Little Bavaria," Frankenmuth—also known as Michigan's year-round Christmas town. (617) 652-4106.
Christmas at Crossroads Village, Flint, Dec. 1-3, 8-10, 15-17, 22-23, 29-30. More than 100,000 holiday lights sparkle on village buildings and trees in a spectacular display. The Huckleberry Railroad steams up for its special holiday run, and entertainment, holiday music, shopping, and craft demonstrations provide holiday fun for the entire family. (313) 736-7100.
Christmas Fantasyland, Dearborn, Dec. 2-Jan. 1. The Henry Ford Museum welcomes the holiday season with a giant Christmas tree, crafts, a toy-train layout, and, presiding over it all, Santa Claus himself. In Greenfield Village, visitors are greeted by the sights and sounds of Christmas preparations from America's past—including cookie baking, tree trimming, music, and gift making. (313) 271-1620.
Special Christmas Train Ride, Bridgeport, Dec. 8-10, 15-17, 22-23. A one-and-a-half-mile train ride takes visitors through a Christmas fantasyland lit by more than 15,000 candles. Children can visit with Santa and make keepsake ornaments.

THERE WAS QUITE A VARIETY OF BOOTHS at the Chelsea Community Hospital Auxiliary flea market last Saturday at the fairgrounds. Above, Chelsea's Sue Rodgers hawks produce that was grown on her Dexter-Chelsea Rd. farm.

Class of 1970 Planning Reunion

Chelsea High school Class of 1970 is planning its 20th year reunion and recently held an organizational meeting at Pierce Park.
Several members of the class have not been located and organizers are interested in the whereabouts of the following classmates: Larry Brown, Dennis Brown, Barry Collins, Greg Collins, Lee Dickleman, Hassie Tinsley, Ted O'Neill, Reed Osborne, Bruce Parks, Bob Peterson, Denise Thompson, and Lynn White.
Anyone who can help is asked to call Angie Cavadas Smith at 475-9747, Jackie Bailey Daniels at 475-3587, or Linda Bauer Pearsall at 475-9272.
The meetings and the reunion are open to anyone who was a member of the class, whether a month or four years.
The next organizational meeting will be held this Sunday, Sept. 17 at 2 p.m. in Pierce Park.

Lima Township Board Proceedings

Regular Meeting
Sept. 5, 1989
The regular meeting of the Lima Township Board was called to order on September 5 at 8:00 p.m. and opened with the Pledge to the Flag.
Present were Supervisor Bauer, Clerk Bareis, Treasurer Messman, Trustees Heller and Trinkle and several residents.
Approved minutes of August 7 meeting.
The treasurer's report was received.
Zoning Inspector Poley reported on permits and violations.
Supervisor Bauer stated that Lima Township has received word that Tribunal stipulation for Willard and Gale Johnson's appeal reduced their assessment for 1988 from \$83,500 to \$70,000 and for 1989 from \$90,100 to \$70,000. Township opposed this stipulation. Supervisor Bauer informed the board that due to upcoming change in her position with Washtenaw County Treasurer, she may have to resign as supervisor in January 1990.
Approved payment of bills, as presented.
Meeting adjourned at 9:25 p.m.
Arlene R. Bareis, Clerk.

There are 3,000 public baseball/softball fields in Michigan, excluding school fields.

Bulldogs!

Mistakes Kill Bulldogs In 38-14 Loss at Saline

The Saline Hornets took advantage of several key mistakes by the Chelsea Bulldogs to take a 38-14 victory in Saline last Friday in the opening Southeastern Conference game for both teams.

The Bulldogs, who "made a lot of mental errors," according to coach Gene LaFave, displayed perhaps their worst special teams play of the last several years. A punt was returned 72 yards for a score and a Chelsea punt was blocked, which led to another score.

The punt return, and subsequent extra point, gave Saline a 7-6 advantage, a lead the Hornets would never lose.

"The punt return was hard to swallow," LaFave said. "I don't know if anyone has ever returned a punt for a touchdown against us. What it came down to is three or four guys didn't do the right thing. We were terribly outplayed in the kicking game. If you look at it, the loss had more to do with the kicking game than anything else."

The blocked punt, late in the first quarter, put the ball at the Chelsea 18. After each team turned it over, Saline had the ball at the 12. A Bulldog personal foul put the ball at the six. Two plays later the Hornets scored.

Other mistakes also contributed. A Saline interception late in the half resulted in a 28-yard field goal and a 24-6 lead at half-time.

And, midway through the fourth quarter, a Saline interception at mid-field set up the final Saline touchdown. The interception, LaFave said, was set up by someone running the wrong route.

Again, Chelsea junior running back Jude Quilter provided most of the offense. He scored both touchdowns and carried the ball 25 times for 170 yards.

Quilter gave the Bulldogs their short-lived lead with 10:58 left in the first quarter. After a pass from Kyle Plank over the middle to a cutting Tucker Steele put the ball at the Saline 34, Quilter took the ball to the left and sprinted down the sidelines for the opening touchdown.

Quilter also scored the final touchdown of the first half. On a fourth down and one at the Chelsea 37, Quilter ran off tackle to the left and was wide open once he broke through the line and raced 63 yards for the score.

"Jude played well on both sides of the line," LaFave said of one of his stars in the defensive secondary.

LaFave said that despite the score his Bulldogs had improved in a couple of areas.

"We're better, but we still need to get a lot better," LaFave said. "We hit 'em well and offensively we

outgained them, we showed we can move the ball."

Chelsea gained 278 total yards compared to Saline's 287. Branco Velicevic, Saline's quick power running back, gained 194 yards on 22 carries, but didn't dominate the game until the fourth quarter.

Plank was 5-10 in the air for 66 yards while Saline completed 2-9.

Senior linebackers Matt Herter and Mark Chasteen led the team in tackles with 13 and nine, respectively. LaFave praised their play, as well as the effort of tight end/defensive end Ron Stacy.

"Even though we lost, the kids knew we played a better game than we did against Mason," LaFave said.

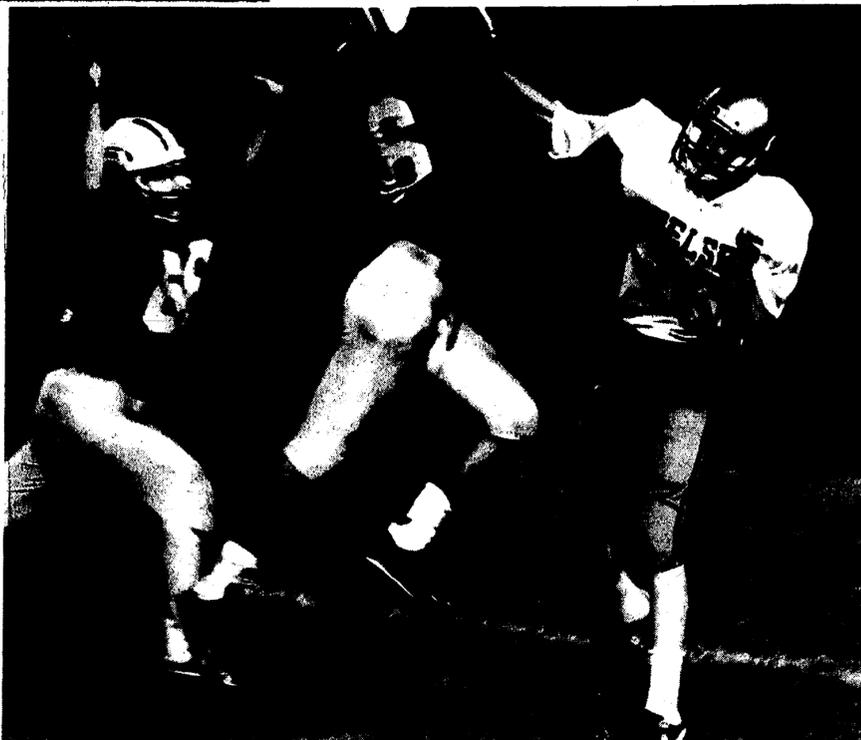

This week the Bulldogs face the Milan Big Reds in Milan.

"They are an excellent team," LaFave said.

"Jessie Walker is an outstanding running back and they have a good quarterback. They're very big, especially on offense. I saw them play Pinckney last week and they totally dominated the game until the fourth quarter. They are one of the class teams in the league."

JUDE QUILTER cuts upfield for a good gain during last Friday's game at Saline. The junior running back scored both Chelsea touchdowns and gained 170 yards on the night.

KYLE PLANK gets this pass off despite a tough Saline—completed 5-10 for the night. The Bulldogs were soundly rush during last Friday night's game at Saline. Plank defeated and hope to rebound at Milan this Friday.

Varsity Cagers Whip Fowlerville, But Take Beating from Adrian

It was an up and down week for the Chelsea Bulldog varsity basketball team as the girls whipped Fowlerville, 71-55, but lost big to Adrian, 53-32, in their first home game.

At Fowlerville, Tuesday, Sept. 5 the Bulldogs pulled away in the second half as Allison Brown and Colleen Scharphorn took control on offense and the Bulldog defense tightened to limit the Gladiators to just 19 points.

However, Chelsea coach Rahn Rosentreter said one of the keys to the game was the play of guard Carrie Flintoft and forward Mercedes Hammer in the first half. Flintoft scored eight points in the first quarter and Hammer had nine points in the second after coming in off the bench. They also had 19 rebounds between them.

"Carrie and Mercedes really kept us in the game early," Rosentreter said.

"Fowlerville played very well early and scored a lot of points on fast breaks. We needed the scoring."

Hammer was 5-6 from the floor in the quarter and finished with 11 points in the game.

"If we continue to get that kind of play from Carrie and Mercedes, we'll be a pretty good team," Rosentreter said.

Second-half defense was also a big story. The Fowlerville duo that combined for 26 points in the first half was limited to 12 points in the second.

Brown and Scharphorn each scored 14 points in the second half to provide most of the Chelsea firepower.

Scharphorn led Bulldog scorers with 26 points, Brown had 21, Flintoft scored nine, and Scharme Petty and Tiffany Moore each scored two points.

Last Thursday Adrian provided some of the best competition the Bulldogs will see all year as they jumped out to a 19-2 first quarter lead.

"Adrian is very strong in all departments," Rosentreter said.

"Their 6'2" center could be a point guard for some teams because she handles the ball so well. They shot well and had a good press."

Chelsea had just nine field goals to

go along with 21 turnovers. "We made a lot of foolish mistakes," Rosentreter said.

"We shot a lot of air balls and weren't very consistent."

No Bulldog scored in double figures. Brown was high with seven points. Kristin Bohlender scored five points,

Scharphorn, Hammer, and Shawn Losey each had four points, and Flintoft, Petty, Moore, and Kate Dilworth each scored two.

Chelsea was 2-2 on the season after last week's action. They open the Southeastern Conference season at home against Milan tomorrow.

Frosh Lead Dogs To Second at Bath

Chelsea freshmen led the Bulldog girls to a second-place finish in the Bath Invitational last Saturday, Sept. 9.

Lisa Monti and Val Bullock finished 1-2 for Chelsea and 8-8 over-all as the Bulldogs beat 12 other teams,

finishing second only to class A powerhouse Ann Arbor Pioneer.

"We didn't know how our freshmen would perform, but they were just outstanding in their first race," said Chelsea coach Pat Clarke.

"Lisa Monti, Val Bullock, Teddi Hauck, and Sarah Brosnan all ran well. Junior Christine Mignano and senior Kim Roberts also had fine races."

Monti ran 21:26 and Bullock finished in 21:38, nearly a minute ahead of their teammates. Mignano placed 17th over-all in 22:24, Sarah Grau was 25th in 23:14, Roberts took 26th in 23:30, Carmen Smith was 27th in 23:31, and Vicki Bullock was 37th in 24:01.

Results of the junior varsity meet were: Hauck, 4th, 23:51; Brosnan, 5th, 23:52; Stephanie Wagner, 12th, 25:17; Beth Williams, 15th, 25:41; Lauren Sparaco, 17th, 26:20; Tracey Wales, 22nd, 27:14; and Sarah Franklin, 34th, 29:16.

Other teams in the meet included Lowell, Alma, Onsted, Fowlerville, Owosso, Marshall, Perry, Williamston, Holt, Eaton Rapids, Lakewood, and Maple Valley.

"It was a good start, but we must have a closer grouping in the front," Clarke said.

Chelsea Village Council Proceedings

August 15, 1989

Regular Session

The meeting was called to order by President Satterthwaite at 7:30 p.m. Present: President Satterthwaite, Clerk Anderson, Village Manager Stalker, Administrative Services Coordinator Fredette. Trustees Present: Kanten, Bentley, Hall, Merkel, Steele. Trustee Absent: Boham.

Others Present: JoAnn Carruthers, Cecil Clouse, Sam Johnson, Fred Barkley, Bill Ackley, B. Hamilton, Bud Hafner, F. Belsler, Diane Kyte. Motion by Kanten, supported by Bentley, to approve the minutes of the regular session of August 1, 1989 as submitted. Roll call: Ayes all. Motion carried.

Request from Peter Flintoft, P.C., on the annexation of St. Paul United Church of Christ property. This request was postponed until a later date.

Motion by Bentley, supported by Merkel, to approve the construction of the Freer Road Sanitary Force Main by the Village of Chelsea Department of Public Works and that the cost be paid by the Village with loans from the Electric Fund as needed. Roll call: Ayes all. Motion carried.

Water and Sewer Tap/Connection Fees was postponed until a set fee could be established.

The July Fire Department Report was submitted.

RESOLUTION

WHEREAS, Frederick A. Weber held the position of Village Manager of the Village of Chelsea for twenty years; and

WHEREAS, during Mr. Weber's twenty year tenure, his service to the Village Council and the entire Chelsea Community was outstanding; and

WHEREAS, one of Mr. Weber's most significant and diligent projects was the supervision of the construction of Dana Fields at Dana Park primarily due to his devotion to the sport of softball; now

THEREFORE, it is the desire of this Village Council that Dana Corporation, the body which so generously donated the land for the purpose of creating Dana Fields, consider the renaming of Dana Fields to Weber Fields in honor and tribute to Frederick A. Weber and his distinguished service to the Village of Chelsea and its citizenry.

Motion by Hall, supported by Bentley, to adopt the above Resolution as read. Roll call: Ayes all. Motion carried. Resolution adopted.

Motion by Steele, supported by Merkel, to approve the July Financial report as submitted. Roll call: Ayes all. Motion carried.

Motion by Steele, supported by Kanten, to adjourn to the Zoning Board of Appeals meeting. Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Kanten, to adopt Ordinance No. 79-CCC. Roll call: Ayes all. Motion carried. (Ordinance attached to these minutes as Appendix A.)

Motion by Bentley, supported by Kanten, to adopt Ordinance No. 79-DDD. Roll call: Ayes all. Motion carried. (Ordinance attached to these minutes as Appendix B.)

Motion by Bentley, supported by Kanten, to adopt Ordinance No. 79-EEE. Roll call: Ayes all. Motion carried. (Ordinance attached to these minutes as Appendix C.)

Action on the Village Manager Ordinance was postponed to the next meeting.

Village Attorney agreement was postponed to the next meeting.

Motion by Kanten, supported by Merkel, to have the Village contract the Village Engineer to perform a study of available parking spaces on the old Pump and Pantry lot. Roll call: Steele nay, Kanten yea, Hall nay, Merkel yea, Bentley nay, Satterthwaite yea. Tie vote, no action, failed because of a tie.

Motion by Bentley, supported by Steele, to pay all bills as submitted. Roll call: Ayes all. Motion carried.

Motion by Merkel, supported by Hall, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Allen L. Anderson, Village Clerk.

ZONING BOARD OF APPEALS

August 15, 1989

Minutes

The meeting was called to order at 8:00 p.m. by Chairman Satterthwaite. Present: Chairman Satterthwaite, Secretary Anderson, Village Manager Stalker and Administrative Services Coordinator Fredette.

Members Present: Kanten, Bentley, Hall, Merkel, Steele. Member Absent: Boham.

Others Present: JoAnn Carruthers, Cecil Clouse, Sam Johnson, Fred Barkley, Bill Ackley, B. Hamilton, Bud Hafner, F. Belsler, Diane Kyte.

Motion by Kanten, supported by Steele, to approve the minutes of the August 1, 1989 meeting with corrections. Namely to rescind the motions approving the following Ordinances: Condominium Ordinance, Buildable Lots, and Ordinance No. 79-CCC. Roll call: Ayes all. Motion carried.

Motion by Hall to grant a temporary use permit to St. Barnabas Episcopal Church to sell packaged sandwiches, cookies and soft drinks during the Chelsea Community Fair Week. Roll call: Ayes all. Motion carried.

Motion by Kanten, supported by Hall, to set the date of September 19, 1989 for a public hearing on the variance request of the Chelsea Methodist Home. Roll call: Ayes all. Motion carried.

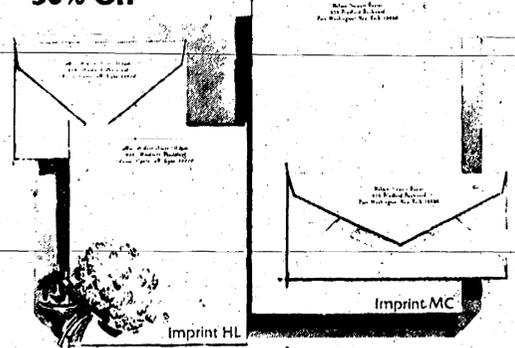

Adjournment.

Allen L. Anderson, Secretary.

Fall Tree Sale Closes Soon

Sept. 29 is the last day orders for tree seedlings will be accepted by the Washtenaw County Soil Conservation District, for its Fall Tree Seedling Sale. Interested persons are encouraged to get their orders in prior to this date.

Seven tree species are being offered for conservation and reforestation purposes. They include: Austrian Pine, Red Pine, White Pine, Blue Spruce, Norway Spruce, White Spruce, and Douglas Fir. Also available will be tree planting bars, a sturdy tool for planting seedlings. All tree species are still available with a good supply of each. The trees are bundled in lots of 50, so minimum orders of any species will be 50 trees.

Trees will be available for pick-up on either Wednesday, Oct. 11 or Thursday, Oct. 12, at the Soil Conservation District Office, 6101 Jackson Rd., Ann Arbor, 1/2 mile west of Zeeb Rd. Time for pick-up will be between 8 a.m. and 4:30 p.m.

For more information, contact the Washtenaw County Soil Conservation District Office, 6101 Jackson Rd., Ann Arbor; telephone: (313) 761-6721.

Dexter Township Board Proceedings

Regular Meeting of Dexter Township Board

Date: September 5, 1989, 7:30 p.m.

Place: Dexter Township Hall, 6880 Dexter-Pinckney Rd.

Present: Jim Drolett, Julie Knight, William Eisenbeiser, Doug Smith, Earl Doletzky.

Meeting was called to order by Supervisor Drolett.

Agenda approved.

Moved by Knight, supported by Smith, to approve the minutes of the August 15, 1989 meeting. Carried.

Treasurer's Report—Millage statements are being received.

Clerk's Report—No resolution in the insurance claim. The Putnam fire bill was received.

A letter was received from Dana Dever questioning the wording of the sewer referendum petition. The Township attorney suggested the Board respond to the letter.

Moved by Eisenbeiser, supported by Smith, to purchase computer hardware and software from Dan E. Rhodes. The cost not to exceed \$4,500. Aye-4, Nay-1. Carried.

Moved by Knight, supported by Smith, to send the Policht re-zoning case back to the Zoning Board for clarification of the vote. Aye-4, Nay-1. Carried.

Moved by Eisenbeiser, supported by Doletzky, to continue the 1 mill levy for Township tax. Carried.

Moved by Doletzky, supported by Knight, to place the sewer referendum question on the ballot for November 7, 1989. The wording as presented to the Board by the Township attorney. Carried.

Moved by Smith, supported by Doletzky, not to participate in the Chelsea re-cycling program. Carried.

Moved by Doletzky, supported by Smith, to approve a variance for Electric Drive to extend the road to 1,558 feet. Carried.

Moved by Eisenbeiser, supported by Knight, to approve 4 people attending the District M.T.A. meeting and pay \$140. Carried.

Moved by Smith, supported by Knight, to refund John Trost \$50.00. Carried.

Moved by Doletzky, supported by Knight, to adjourn the meeting. Carried.

Meeting adjourned.

Respectfully submitted, William Eisenbeiser, Dexter Township Clerk.

Breathers Club To Meet Saturday

"Flu Shots: Yes or No?" will be the topic discussed by Dr. Terence Davies when he speaks at the next meeting of the Chelsea Breathers Club. The group will meet from 11 a.m. to 1 p.m. on Saturday, Sept. 16 in Dining Rooms A & B at Chelsea Community Hospital, 775 S. Main St., Chelsea.

The Breathers Club is a social and educational program for persons with breathing difficulties caused by allergies, asthma, emphysema and other chronic lung diseases. There is no charge for the program and no need to pre-register. Family members are especially encouraged to attend.

For more information, please call the American Lung Association of Michigan at (313) 995-1030.

Please Notify Us of Any Change in Address

INVITATION TO BID

Bids will be accepted by Sylvan Township for installation of 5 ton, 6,000 BTU high efficiency air conditioner with SEER of 9 or better in the Sylvan Townhall, 112 W. Middle St., Chelsea. Installation to be completed by April 1, 1990.

Bids will be accepted until 4 p.m. on Sept. 29, 1989. Bids will be opened and publicly read at 7:30 p.m. on Oct. 3, 1989 at the regular Township Board meeting. Sylvan Township reserves the right to accept or reject any or all bids. Submit bids to: Don Schoenberg, 20330 Jerusalem Rd., Chelsea, MI 48118.

Information for bid and inspection of Township hall will be held on Friday, Sept. 15, 1989 at 10:30 a.m.

SYLVAN TOWNSHIP

Mary M. Harris, Clerk

AT ISSUE

A U.S. Manned Space Station?

U.S. Sen. Howell Heflin (D-Ala.) is chairman of the Senate Ethics Committee and is a member of the Agriculture, Judiciary, and Energy and Natural Resources committees.

YES

Why does the U.S. need a permanently manned space station?

The development of the space station program is tied to our economy, to our national security and to advances in science and scientific applications.

Specifically, the potential uses of the space station are many: as an orbital laboratory for experiments related to materials research and life sciences; for technology development, including automation and robotics; as an earth observation platform; as an astronomy platform; for satellite servicing; as a base to assemble planetary spacecraft; as a facility to develop commercial uses of space; and as a showcase of the scientific and technical prowess of the U.S. and allied nations.

Can we afford it?

How can we not afford it? Space is one of the best investments made by this country, with an estimated \$7 to \$10 return for every dollar spent. The long-range benefits of the space station certainly justify its funding. The space station could serve as a way station for manned lunar and planetary missions.

There is remarkable medical research to be made in space, such as the preparation of ultra-pure pharmaceuticals that may lead to a cure for diabetes, prevention of anemia related to surgery, the control of dwarfism, cures for cancer and AIDS, and many other medical achievements. In the field of materials processing, the unique qualities of microgravity in space could help develop materials that would greatly improve manufacturing processes on Earth.

What are the implications if we do not pursue the space station?

During our first quarter century in space, our main competition has been the Soviet Union. Today, there is a new era of competition in space, particularly among commercial applications. In this arena competition comes from the French, Japanese, Germans and others.

The space station is important for maintaining U.S. leadership in space and serving as the cornerstone of our nation's space program.

Alex Roland is a professor of history at Duke University, where he teaches military history and the history of technology. From 1973 to 1981, he was a historian with NASA.

NO

Why doesn't the U.S. need a permanently manned space station?

The only constituencies in the U.S. that favor a space station are space cadets and the aerospace industry. Anything that can be done on a space station can be done more economically and more safely on a man-tended space platform, one placed in orbit and visited periodically for maintenance and refurbishing. Even a space platform would overtax the capabilities of the space shuttle, the world's most expensive and least reliable launch vehicle. To build a space station now would be to repeat the mistakes that have saddled us with the shuttle.

Can we afford it?

When NASA did feasibility studies of a space station in the late 1960s it discovered that it would cost as much every year to maintain a three-man space station in orbit as it would to launch it in the first place. Now that the projected cost of the space station is \$32 billion—four times the original estimate—and going up, NASA has conveniently forgotten those studies. Launch costs, too, have gone up, thanks to the folly of the shuttle program. Even if the space station served some practical purpose—a dubious assumption—it would still be too expensive to build and support.

What are the implications if we do not pursue the space station?

We have been told by the technological enthusiasts that the U.S. would slide into irretrievable decline if we did not have a supersonic transport and breeder reactor. We eschewed those technologies and are better off for it. Now we are told that we must have a space station because the Russians have one. The Russian Mir has yet to achieve more than the solar system record for flagpole-sitting in orbit. When cosmonauts discover why anyone would want to have a space station, there will be plenty of time for us to build one. By then we might even have a launch vehicle capable of sustaining it. **ll**

THIS PUFFBALL was found by Larry Cunningham and his son, Matthew, while they were walking in the back of their Boyce Rd. property. The ball weighed eight pounds and measured 43" in circumference. "Hey Dad, amazing!" was Matthew's remark.

Local Yacht Club Represented At National Championship Race

Five of six racing teams from the Huron-Portage Yacht Club finished in the top half of the fleet at the Interlake Sailing Class Association National Championship in Indianapolis, Ind., recently.

All boats were identical in design, 18 feet long. There were 33 entrants from four states.

Tyler and Felicia Cathey, of Brighton, finished third. Clark Chapin, of Plymouth, sailed with his son, Bill, 10, and Tom Poulter, 14, of Chelsea, and took fourth place. It was the first such event for both boys.

Brook and Martha Smith, of Ann Arbor, and Ed and Neta Sage, of Ann Arbor, also finished in the top half. Jack and Luann Coleman, of Ypsilanti, also qualified for the championship fleet.

Dick and Liz Barber, of Plymouth, were also part of the local contingent.

Most week-ends, the sailors race on Portage Lake near Pinckney. The yacht club has no clubhouse and depends solely on the volunteer efforts of its members. It puts on more

than 60 races each year on Tuesdays, Thursdays, and week-ends.
 Boats range from 13-19 feet and each boat races only against identical design boats, so that the best sailor is likely to win.

Adult Education Class Reunion Slated Saturday

Members of the last 11 adult education graduation classes of Chelsea High school are invited to attend a class reunion this Saturday, Sept. 16 at the high school.

Invitations have been sent to many graduates, although several addresses were not located. All who graduated in the last 11 classes are invited to attend.

Please call the Chelsea Community Education Office at 475-9830 if you did not receive an invitation but would like to attend.

Dinner will be served at a cost of \$7.50 per person. The reunion will begin at 6 p.m. Guests of graduates are also invited.

Please Notify Us In Advance of Any Change in Address

session. During this time there was a discussion on the activities available for youth to enjoy.

The skin on your body least sensitive to pain is that on your heel.

34 Years Ago . . .

Thursday, Sept. 15, 1955—
Washtenaw county Civil Defense office called for volunteers to take part in an Auxiliary Police training program. A large, well-trained force was needed to meet Civil Defense requirements. The auxiliaries would be used not only in case of a military attack, but also in case of natural disaster where Civil Defense units had proved effective over past years.
At a special meeting of the Village Council, the Knights of Columbus organization was granted a building permit for a new hall to be constructed on South Main street near the village limits.
Richard Schneider, who spent the summer in migrant work off the west coast in an experimental project for learning the needs of the workers at first hand, arrived home and left to return to Oregon as a student missionary with the migrant ministry of the Oregon Council of Churches and to enter Linfield College to begin his junior year of college work. He majored in social sciences and transferred from Michigan State University where he had taken his first two years of work.

Straight Talk

Q: My three-year-old sucks her thumb. Will her thumb sucking habit affect the way her teeth come in?
A: Thumb, finger and pacifier sucking behavior is very common in young children and these behaviors may not adversely affect the dental development of very young children. Some, though not all, children who are unsuccessful at discontinuing a finger or thumb sucking habit experience adverse effects which may include an increased overjet or an anterior open bite of the teeth.

Chelsea Golfers
Edged by Pinckney,
Tecumseh at Home

Chelsea Bulldog varsity golf team lost a close three-way match with Tecumseh and Pinckney at Inverness Golf Course last week.
Tecumseh golfers shot a combined 172, Pinckney had 175, and Chelsea came in at 175.
Chelsea's Steve Emmert had the low score of the day at 39. Other Chelsea scores included Chad Starkey 42, Doug Wingrove 46, Chris White and Brandon Murrell 50, and Rick Clouse 58.
Top scorers for the Bulldog junior varsity included Aaron Tanner 47 and Alex Hammerschmidt 48.

MONDAY NIGHTS

7:30 to 10:00 p.m.

STARTING MONDAY, SEPT. 25th

Class Remains Open Until Oct. 9th

CHELSEA BULLDOGS expect to rebound from a Brian Adress, Justin White, Kelly Beard, Ben Castleberry, co-captains Jeff Latimer, Erich Hammer, are J.J. Hanke, Andrew Parker, Tobin Strong, Jake Rindie, Brian Zangara, and Holden Harris, and Jim Hassett. In the middle row, from left, are Rob Jaques, Joe Blough, and Zatkovich.

Boy Runners Look To Compete
In Exceptionally Strong SEC

Chelsea Bulldog boys cross country team has "worked hard this summer to rebound from a disastrous 1988 season," said coach Pat Clarke.
"I'm confident they will account well for themselves."
Clarke, who's in his 19th season as coach, said the boys are motivated, which was not always the case last year.
The Bulldogs have four senior co-captains, Erich Hammer, Holden Harris, Jeff Latimer, and Brian Zangara.
Hammer has been a team leader in early practice, Clarke said.
Latimer should be an integral part of the team as "he's improving daily."
Harris and Zangara are the top two returning runners and have worked extensively in the off-season. Both ran under 16 minutes at three miles in the pre-season.
Junior letterman Jim Hassett has also worked over the summer and appears ready to round out the top five.
Kelly Beard, a junior letterwinner, and sophomore Rob Jaques have also run strong early, Clarke said.
Newcomer Joe Blough has made the varsity and should improve steadily.
Senior Shawn Castleberry is out for the first time and is challenging for a varsity position.
Up from last year's junior varsity team are juniors Ben Vermeylen, Justine White, and Brian Adress, and sophomores Jake Rindie and Jason Allen.
"This year's freshman class had the biggest turnout in years as seven boys came out," Clarke said.
Kevin McCalla showed great promise, Clarke said, but a farming accident sidelined him for the season with a broken leg.
Other freshmen who should contribute are Andrew Parker, David Sayer, Tobin Strong, John Heller, J.J. Hanke, and Dan Zatkovich.
"We will be competitive and we will improve constantly," Clarke said.
Southeastern Conference champion Pinckney is returning their top three runners, led by senior Gar Eddings, the SEC individual champion and one

of the top runners in the state. Saline returns their entire 1988 state-ranked team.
"It should be one of the best Saline teams ever," Clarke said.
Clarke also picked Milan to be strong, another veteran team.
"Lincoln suffered graduation losses but will be as competitive as ever with coach Sid Wright at the reins and some returning talent," Clarke said.
Tecumseh will also have its best team in several years as the Indians

return six of their top seven.
Dexter graduated some top runners but still have enough returning runners to be competitive with almost anyone, Clarke said.
"The SEC is strong," Clarke said.
"This is probably the strongest the league has been from top to bottom since I've been around it. We're probably in the middle of the pack, but we could compete with almost anyone given the proper circumstances. The kids are ready and I'm ready."

THE VERY TWINS, Steven, left, and Kevin, ran the one-mile event at the Chelsea Family Practice Center's annual fun run.

'Hot To Trot Regatta' Set
Sept. 16-17 at Portage Lake

Huron Portage Yacht Club (HPYC) and the Flying Scot Fleet No. 20 will host their annual Hot To Trot Regatta Sept. 16-17 at Portage Lake.
Three races are planned for Saturday and two for Sunday. They will be held at Newport Beach Club.
The races are open to all Flying Scot and Interlake class sailboats.
Registration and launch is from 9-11 a.m. Saturday and the skippers' meeting will follow at 11:45. Racing starts at 12:30 p.m. Sunday races begin at 10 a.m. and no races will start after 1:30.
Registration fee is \$55. The fee covers not only racing but lunch and dinner Saturday and breakfast and lunch on Sunday. Entertainment is planned Saturday night.
Housing information is available upon request.
There will be skipper and crew awards for the first five places.
For more information and a reservation form contact Dave Swinton, 48633 Chambury Ct., Plymouth 48170 or call (313) 453-4188.

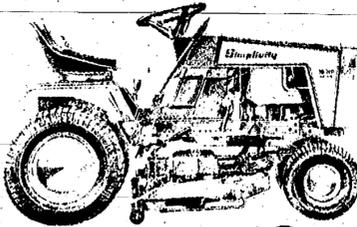

Save now for a family
mid-winter vacation!

Make plans now to get away from the snow for a few days this coming winter by planning a vacation in the sunny south. Many vacation-bonus packages are being offered to induce one to travel to the sunnier states. Choose the travel plan that suits you best, then determine the amount to save each week. Your regular savings along with our interest earnings will assure you of that sunny weather, mid-winter vacation. Should you fall a little short of needed vacation funds, an installment loan just may be possible to arrange. Stop in soon and let's talk.

Grass Lake Man Enjoys Exercise in Costa Rica

By Staff Sgt. Richard D. Glynn
Valle la Estrella, Costa Rica—Not long ago, this part of Costa Rica enjoyed the quiet life. Transportation, whether gasoline fueled cars or alfalfa fueled burros, bumped and scraped between villages over often impassable, deeply rutted roads and rocky, serpentine donkey trails. Life was simple, but it was harder than hell getting around.

That's all changing. Gullied thoroughfares and switch-back paths have been bulldozed into full-fledged roads. Rivers have been tamed with bridges. What may be an engineering miracle of sorts for the people of Valle la Estrella and neighboring communities, is really little more than Yankee ingenuity and a lot of elbow grease, due to the efforts of soldiers like Army 1st Lt. James P. Lantis.

Lantis, 24, son of Kaywood and Lois Lantis, of Whitmore Lake, formerly of Grass Lake, and the men and women of Task Force 536 were in Costa Rica for the Caminos de la Paz (Roads of Peace) road and bridge building exercise. The exercise offered real-world training to the Panama-based soldiers, while giving the Costa Ricans of this province tangible and needed improvements to their road system.

"I handled all personnel and administrative actions that occurred while this task force was in Costa Rica," said Lantis, a field adjutant with the 536th Engineer Battalion from Fort Kobbe, Panama. "I was also responsible for the morale activities such as our outdoor movie

theater, shoppette store, athletic competitions and mall."

Nearly 480 Army engineers, medical specialists and support troops from Panama were involved in the exercise, which began in early February and was scheduled for completion in mid-May. The engineers were constructing and improving 11.2 kilometers of all-weather road and building two bridges with help from the Costa Rican Ministry of Public Works and Transportation. Along with road construction, U.S. troops also conducted well drilling projects as well as medical and civil assistance programs during the exercise.

"Exercises like this one are important because it gives the local people a lot of assistance that they may not otherwise receive," said Lantis. "It also provides excellent training."

While most of the GIs involved with the Roads of Peace exercise found aiding Costa Rica with their skills rewarding, many found living in the tropics far from comfortable. Clothes never seemed to dry, the earth tends to either be rock hard or the consistency of pudding, and while the facilities on the camp are adequate, they were also quite Spartan.

"It takes a personal adjustment to get used to the living conditions," said Lantis. "However, being stationed in Central America means spending about five months of each year in the field, so I'm used to these conditions. The worst part about living in the field is we can never get away from the job and let our hair down." Another tough part is being away from civilization

and the luxuries we otherwise take for granted."

However, despite the seemingly endless cycle of "work, eat and sleep," many soldiers found they enjoyed the experience of helping this Central American neighbor and meeting its people.

"Costa Rica is a very beautiful country with a climate that's a lot more comfortable than most other places I've been in Central America," Lantis said. "And the Costa Rican people are very friendly and receptive to our presence."

A 1981 graduate of Grass Lake High school, Lantis went on to earn a bachelor's degree in mathematics from Eastern Michigan University, Ypsilanti.

CHS Yearbook Distributed To Students

Chelsea High school's 1989 yearbook was passed out in the CHS cafeteria Sept. 6, from 5:30-7:30 p.m. This was the usual yearbook signing party where students got a chance to see their friends and sign yearbooks.

There are a few left-over yearbooks sold on a first-come first-serve basis for \$22. There will also be some of the 1988 yearbooks for \$15.

Anyone who has not yet picked up their yearbook may do so in Phil Jones' room at the high school or at the Homecoming football game Sept. 22.

Usually when a new school year rolls around so comes a new high school yearbook editor. However, this year, Carol Hanke will continue her role as editor. Advisor Phil Jones chose Hanke as a junior last year to be the editor.

Hanke attended a yearbook workshop for three days this summer at the Jackson Holidome. During the workshop, Hanke got new ideas for the 1990 book. Although Hanke was the only person representing CHS, she completed the staff project assigned at the workshop. Hanke's project was awarded a third-place plaque.

Hanke will be involved in several other activities this school year. These activities include: varsity football cheerleader, varsity baseball manager, senior class secretary, and a member of the Key Club, Student Council, and National Honor Society. Hanke is employed at Murphy Pharmacy owned by Matt Murphy. She starts her senior year at 16.

Hanke will start the year by picking a staff. The staff's first responsibility will be selling \$6,000 worth of advertisements to the community. This is the community's chance to support the \$13,000 yearbook.

Dartmouth was the only college in New England to remain open during the entire Revolutionary War.

UPLAND HILLS
A COMMUNITY CELEBRATION OF DISTINCTION

Just east of the Village of Chelsea is a very special place tucked away from the ordinary. UPLAND HILLS consists of 53 acres of gently rolling hills and secluded wooded lots along with fifteen acres of land designated as a common-area, a special place of Nature's undisturbed world.

HARRIS HOMES DEVELOPMENT CORPORATION and UPLAND HILLS bring together a unique combination of man made excellence and Nature.

Twenty available sites are ready for elegant country homes, a mere 15 minute drive along I-94 west of Ann Arbor.

For more information, please call Christine Marsh at: 475-9193 or 475-1898.

Card of Thanks 19

CHELSEA SCHOOL DISTRICT plans to widen the parking area at North Elementary school so that a circular drive can be built to alleviate congestion in front of the building. The new lot will have two rows of parking in the middle, with a drive around the perimeter, according to assistant superintendent Fred Mills.

Cub Pack 435 Needs Several Volunteers

Chelsea Cub Scout Pack No. 435 needs volunteers to help organize pack activities for this school year.

The volunteers form a committee and divide the various job responsibilities to help the pack run smoothly.

Cubmaster Bob Culver said, "we would like to recruit some community members with past scouting experience who might have some extra time to help out."

Jobs available are both large and small.

The most urgent needs are for a committee chairman, a scouting coordinator, and a den leader coach.

The positions must be filled soon or the pack will not be able to operate this year, Culver said.

"Scouting is an important event in the lives of Chelsea's youth and we hope someone comes forward to help continue the fine work that has been done in the past," Culver said.

For further information, contact Culver at 475-7088.

Sheriff Protests Proposed Dept. Budget Reduction

Washtenaw County Sheriff Ronald J. Schebil addressed the proposed 1990 budget reduction in a memo dated Aug. 15 to county controller Howard G. Finkel.

His words to Finkel are fairly self-explanatory.

Schebil said, "I am in receipt of your memo of Aug. 11, requesting a four percent reduction in our proposed 1990 budget."

"After careful review of our overall circumstances, I must reiterate our position that any cuts in the operating budget will impair the department's ability to deliver quality services."

"I therefore strongly recommend the Board of Commissioners re-examine their decision."

"Between 1983 and 1988, the department has absorbed a 25 percent increase in criminal activity and requests for service."

"During that period, we have had a zero percent increase in personnel, and a 42 percent reduction in operational line-items."

"In comparison to national statistics, we are funded at a population-to-deputy ratio, 50 percent below what's required."

"The combination of increased crime and reductions in budget have already placed us in a minimum staffing position. Any further reductions will only put us further below an adequate basic-service level. Consequently, I cannot, in good faith to the citizens of Washtenaw county, agree to a budget reduction."

"If the board decides to proceed against my advice, we will do our best to limit the impact on direct emergency services. This can be done by eliminating certain non-union positions. It is important to understand, however, that this will still result in some direct service loss, since sworn deputies will have to assume a number of duties formerly performed by non-sworn personnel."

Memorial 20

In Memory of Reuben Wolff & Elaine Knepper
Reuben Wolff, who passed away Sept. 14, 1984, is sadly missed by wife Luella, children, grandchildren and great-grandchildren. Elaine's beautiful smile is missed by all who knew her, husband Ralph Knepper and children, Tracy, Lori, Scott and Cassie, and mother, Luella Wolff. The family misses both father and daughter. In time we will all be together. That will be a great day.

Mrs. Luella Wolff.
Mr. & Mrs. Lavern Wolff.
Mrs. Shirley Braaksma.
Mr. & Mrs. Norman Wolff.

Give Blood. Give Life.

What is Biblical Faith?

As one begins his or her Christian walk through life, basic, even necessary, characteristics are accrued and developed. Of all characteristics one can obtain, that of Biblical faith must precede all else. It is faith that composes the nucleus of Christian life, and enables us to grow in strength and knowledge of Jesus Christ. So, what is Biblical faith? How would you describe ordinary faith? Possibly you could say it is complete trust, or unquestioning belief, maybe even total confidence. Biblical faith can be described in much the same way. Accordingly, in Heb. 11:1 we find the most appropriate definition of true Biblical faith. "Now faith is the substance of things hoped for, the evidence of things not seen." The hope for all Christians is for the soon return of Jesus Christ, and for him to establish his kingdom upon this earth. This is not a blind faith, but a faith with substance! The books of history, and the ancient scrolls and manuscripts found by archeologists affirm that there really was a man named Jesus Christ, we know that he was of the seed of David, and that he was born of a virgin named Mary. This is the substance of our faith. The evidence of our faith comes by the affirmation of prophesied events in accordance to the transcription of those events in exactly the same manner as was pre-determined. The beauty of this fact comes out in 1 Kings 8:36, "Blessed be the Lord, that hath given rest unto his people Israel, according to all that he promised: there hath not failed one word of all his good promise, which he promised by the hand of Moses his servant." Everything that has ever been promised by the mouth of God has been fulfilled, save the return of his son Jesus. We have faith that this promise soon will come to pass as well, through the reading of God's word. "So then faith cometh by hearing, and hearing by the word of God." Rom. 10:17. Biblical faith then is complete trust, unquestionable belief, total confidence that God's word is true, and that his promises are sure.

JV Cagers Lose a Pair

For the first time in quite a while, a Chelsea Bulldog junior varsity basketball team has lost two games in a row.

Last week coach Paul Terpstra's girls lost to Fowlerville on Tuesday, 42-27, and to Adrian on Thursday, 41-29.

"We just have to be a little more consistent, especially on offense," Terpstra said.

In the Fowlerville game, Chelsea fell behind 8-0, tied the game at 8, but were dominated the rest of the half and trailed 24-12 at half-time.

Poor shooting hurt the Bulldogs as they hit 12 of 62 shots from the field and 3-11 from the foul line.

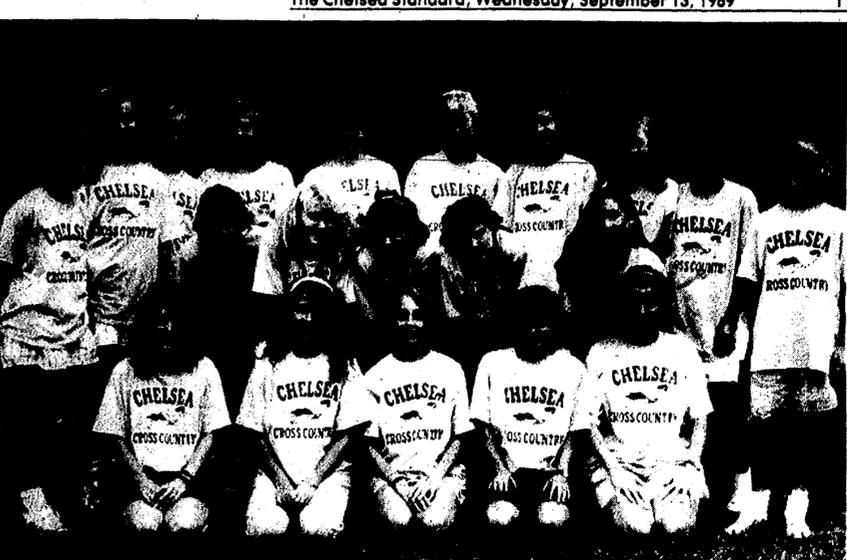

Sarah DeVine scored 12 points and grabbed 10 rebounds to lead Chelsea. Molly Dilworth had six points and nine rebounds, Ginny Flannery scored three, and Carrie Vargo, Theresa Hurst, and Erin Knott had two points each.

In Thursday's home opener against Adrian, the Bulldogs fell behind gradually and trailed at intermission, 18-7.

Chelsea moved to within six in the fourth quarter and had several opportunities to take the lead even further but couldn't take advantage of them.

Jenny Bobo led Chelsea with 12 points, Devine scored eight, Michelle Beeman had five in her first start, and Dilworth scored two. Beeman also had nine rebounds.

Chelsea was 1-3 after last week's action.

CHELSEA VARSITY CROSS COUNTRY TEAM Amy Weir, Charity Allen, Becky Erskine, and Carmen Smith should be strong again this season. In front, from left, are Marie Kramer, Tracey Stephanie Wagner, co-captain Vicki Bullock, co-captain Wales, Beth Williams, Annette Peterson, Jessica Holton, Sarah Grau, Christine Mignano, and co-captain Kim Teddi Hauck, Lisa Monti, Brooke Pitts, Sarah Brosnan, Roberts. In the middle row, from left, are Sarah Franklin, and Val Bullock.

Girls Cross Country Team Blends Talented Seniors, Promising Youth

Chelsea girls cross country team had an off-season in 1988 but this year should again be one of the strong teams in the area and the Southeastern Conference.

Five of the top six runners a year ago have returned and six letter winners are on the team.

At the head of the group is senior co-captain Sarah Grau, a two-time SEC performer and the top returning runner from a year ago. She was second in the league meet.

"Sarah has looked strong and appears ready to have a fine senior season," said Chelsea coach Pat Clarke.

Senior co-captain, Vicki Ballock, another all-league performer, is back as well. Last year she placed 21st in the state meet and Clarke said she's looked strong in the early going.

Senior co-captain Kim Roberts appears to have shaken an illness that sidetracked her for most of last season, Clarke said.

"Kim has been a positive force so far and I'm looking forward to good things from her," Clarke said.

Senior letterwinner Stephanie Wagner appears ready for her best season if early-season practices are any indication, according to the coach.

The lone returning junior is Christine Mignano. She is running in the 2-3 position.

Carmen Smith is the final returning letterwinner.

"Carmen is a dedicated runner and I look for her times to drop considerably this season," Clarke said.

Clarke is also enthused about his "outstanding group of new runners."

Sophomore Charity Allen has had an outstanding pre-season and should run with the varsity.

Sophomore transfer, Lauren Sparaco, from Virginia, ran for a school in the state's largest classification and could help out the varsity considerably, Clarke said.

Sarah Franklin, another sophomore, rounds out the 10th grade class. She's another who's shown steady improvement.

"This year's freshman class is the finest group of young runners I've ever seen at Chelsea," Clarke said.

"No less than 10 freshmen are on the team."

Beach Middle school distance record-holder Lisa Monti is at the top of the class.

"Lisa is a true talent who is a joy to work with," Clarke said.

Valerie Bullock also broke the two-mile middle school record and has looked strong so far.

Teddi Hauck and Sarah Brosnan are also competing for a varsity spot. Other freshmen include Brooke Pitts, Beth Williams, Tracey Wales, Jessica Holton, Marie Kramer, and Annette Peterson.

"We do have some talent and experience, but we'll have to wait to see how the two blend in competition," Clarke said.

The SEC should be an exceptionally strong league this year, paced by Milan, last year's state champion,

who returns two top runners. Saline also returns many veterans and should challenge Milan for the title. Tecumseh returns almost their entire team, and Dexter and Pinckney could be improved depending on how many girls try out, Clarke said.

"We'll have to wait and see how we fare in the light of the tough competition," Clarke said.

"We'll show up for the meets and may make things interesting for anyone on a given day."

Chelsea Netters Win Pinckney Invitational

Chelsea Bulldog varsity tennis team won the four-team, rain-delayed Pinckney Invitational last Saturday.

Chelsea netters took home three first place gold medals and two second-place silver medals to score 23 points. Howell had 20 points, Pinckney 19, and Gabriel Richard 18.

It all came down to the second doubles match, where Sara Musolf and Sarah Gegenheimer won a 12-point tiebreaker over Howell, 7-5.

"It was a close, close tournament," said Chelsea coach Terry Curtis.

"It was a wonderful surprise to win it."

A win in the match by Howell would have tied them with the Bulldogs for first place.

Other Chelsea medalists included Piyada Piyalmas, who took a silver medal at first singles; Marielle Asp and Amy Mitchell, who took gold

medals and third and fourth singles, respectively; and Jane Pacheco and Lissa Hamrick, who took a silver medal at first doubles.

JV Gridders Blanked by Saline

Chelsea Bulldog junior varsity football team suffered another tough loss last week as the visiting Saline Hornets won 44-0.

"There really isn't much to say about the game," said Chelsea coach Russ McKenzie.

"It was never really close and we seemed to self-destruct. I was disappointed."

Saline had a 20-0 lead at half-time and never let up.

The Bulldogs are 0-2 on the season.

SPORTS NOTES

BY BRIAN HAMILTON

This hasn't been a pleasant year for Chelsea football. The freshman squad, which apparently has quite a bit of talent, has won the only game in what is probably the program's highlight in the early going. The fact that it didn't rain last Friday in Saline while dark clouds encircled the area ranks right up there, too.

The junior varsity squad has gotten bombed twice and has yet to score. And that's primarily because the best players in the sophomore class, about five or six boys, are up on the varsity. Those kids would make a big difference for the JVs, but the varsity would be sunk without them as well. I hope the JVs can try to see beyond this year and simply work on improving their skills and football savvy for the big time.

The varsity Bulldogs, one of the youngest and most inexperienced squads Gene LaFave has coached, have also had their problems. No one scores or does much with the ball but Jude Quilter, who, fortunately, can't seem to run for less than 50 yards a carry. The Bulldogs remind me of a baseball team that accumulates 10 or 12 hits a game but can't put three or four together in an inning. It's a solo home run or nothing. We'll know the offense has turned the corner when Rick Westcott, Ron Stacy, Tucker Steele, or someone else scores from less than 10 yards out.

Defensively, the Bulldogs are hitting hard but are yielding 35 points a game. Poor defensive field position has a lot to do with it.

What's also a little troubling, program-wide, is that more than the usual number of kids have decided to hang it all up. Football, for whatever reason, just isn't for them. Maybe it's no fun anymore, maybe they just don't have the dedication. Maybe they'd rather watch the new "Baywatch" television show on Fridays.

Is football losing its status at CHS? Is CHS becoming a basketball and wrestling school? More likely this is just a quirky year.

There is plenty of reason for optimism, however. Quilter, who is only getting better both on offense and defense, as well as the talented juniors and sophomores who make up most of the team, will be back next year. The freshman class, as I mentioned, is a talented group in the eyes of the coaches. And Chelsea has been able to maintain its freshman team this season, which has not been the case elsewhere. Unfortunately, four freshman games have already been cancelled, thanks to low participation at other schools.

Chelsea was not one of the teams picked to win the Southeastern Conference this season. The way it's beginning to look, there won't be an easy game on the schedule, either. Nevertheless, if the Bulldogs play flawless football, and develop a couple more offensive threats, they are capable of beating anyone they'll play this year. There is plenty of potential and desire. They shouldn't be physically overmatched by anyone.

And no matter what happens the rest of the way, Bulldog football is still the best show in town.

Based on comments about last week's column, I probably should develop a taste for cauliflower.

No thanks.

Pat Clarke has to be jumping for joy. Two of his freshman stars, Lisa Monti and Val Bullock, easily beat the rest of the team in the first cross country meet of the year. As Clarke said, there is more potential in that class than in any he's ever coached.

A coach, who shall remain anonymous, reported last week that his team was so overjoyed at winning a contest that "it exploded." Presumably the players landed somewhere near the team bus.

Coach Notes Big Improvement As Tankers Top Willow Run

Chelsea Bulldog swim team took a relatively easy victory over Willow Run in their first meet of the season last Thursday, 99-63.

"It was the first meet of the season and I didn't expect as good a performance as I got," said Chelsea coach Dave Jolly.

"There are still some rough edges that need to be honed but the attitude and improvement time-wise from last year were welcome surprises."

The meet began as the 200 medley relay team of Melissa Thiel, Shelly Hollo, Erika Boughton, and Kelly Cross just missed the state meet cut-off time with a 2:06.37. Each girl swam faster than she did in the first meet last season, Jolly said.

Thiel later missed the state cut-off mark in the 200 individual medley by :01.89.

"It was a super time considering she is a freshman," Jolly said.

Cross missed the state cut-off in the 50 freestyle by :00.01 with a time of :26.50, a full half second faster than in her first race last year.

"Kelly proved she is a state-caliber sprinter," Jolly said.

Diver Debbie Webb scored 171.2 points to take first place, another big improvement over last year.

Jennifer McEachern "came out of no where" to place third in the 100 freestyle and secured a position on the sprinting squad with a time of 1:05.7.

Jill Nowatzke swam the best race of her career by placing second in the 500 freestyle.

"Jill's time of 6:33.07 was not even close to where she will be at the end of the season," Jolly said.

"But considering she was a sprinter last year, it was an excellent way to start the season."

Frosh Gridders Edge Hornets

Chelsea Bulldog freshman football team beat Saline, 16-14, last week for its first win of the season.

Chelsea opened the scoring on a 15-yard pass from Colten White to Jason Johnson, followed by a two-point conversion by running back Ken Slane.

Saline scored later in the first half but failed on the conversion, and Chelsea took an 8-6 half-time lead.

The Bulldogs scored on their first drive of the second half as Slane ran for the five-yard touchdown. Steve Grau ran for the two-point conversion.

Saline scored its final touchdown and two-point conversion with five minutes left, and from there on the Bulldogs played ball control offense to run-out-the-clock.

The Bulldogs were able to move the ball effectively behind left-side linemen Brian Horn and Frank Lopez, according to coach Lonnie Mitchell.

RON STACY makes the hit in the backfield during last Friday night's game at Saline. Saline took a 38-14 victory. The Bulldogs will be looking for their first victory this Friday at Milan.

AFTER CATCHING THE FIRST PASS of the night, Chelsea's Tucker Steele tries to cut upfield but is grabbed by a Saline defender. The Bulldogs scored the first touchdown of the night on this drive, but later fell victim to their own mistakes.

Boy Runners Take Fifth at Invitational

Chelsea boys took fifth place at the 16-team Bath Invitational cross country meet last Saturday.

Chelsea's tri-captains took the top three spots for the Bulldogs as the team finished behind Beaverton, Perry, Onsted and Williamston.

"The boys ran fairly well," said Chelsea coach Pat Clarke. "Brian Zangara and Holden Harris both finished in the top 15. Jim Hassett ran a fair race and Ben Vermeylen ran exceptionally well. We will improve as the season progresses."

Zangara took 11th over-all in 17:55 to pace the Bulldogs. Other varsity results included: Holden Harris, 15th, 18:07; Erich Hammer, 54th, 19:22; Hassett, 41st, 19:01; Ben Vermeylen, 42nd, 19:02; Joe Blough, 65th, 19:44; and Jeff Latimer, 77th, 20:16.

Chelsea results of the junior varsity meet were: Shawn Castleberry, 7th, 19:49; Rob Jaques, 12th, 20:17; Kelly Beard, 16th, 20:23; Jake Rindle, 18th, 20:40; Justin White, 28th, 21:00; Brian Andress, 41st, 21:27; Jason Allen, 50th, 21:46; Dan Zatkovich, 60th, 22:00; Dave Sayer, 61st, 22:04; Tobin Strong, 72nd, 22:28; Andrew Parker, 76th, 22:58; J.J. Hanke, 83rd, 23:10.

While women comprise 45 percent of the work force, they remain primarily responsible for their family's care, according to the U. S. Labor Department. About 13 million children in the U. S. are in one-parent families, most being raised by mothers. Nearly 84 percent of women who maintain families are in the labor force.

+ AREA DEATHS +

Veva Kirk Campbell

805 W. Middle St., Chelsea
(Formerly of Caro)
Veva Kirk Campbell, 805 W. Middle St., Chelsea, formerly of Caro, died Sunday evening, Sept. 10, 1989 at her residence.

She was born June 27, 1893 in Fairgrove, the daughter of William P. and Elizabeth (Drysdale) Kirk. On Dec. 8, 1917 she married Frank Butler Campbell and he preceded her in death in February of 1981.

Mrs. Campbell had been a resident of Caro all of her life except for the past four years she has resided in Chelsea.

She was a devoted member of the First Presbyterian church of Caro and had been a member of church choir for over 50 years. She studied voice at the Detroit Conservatory and at the University of Michigan.

Surviving is one son, F. Douglas Campbell of Caro; two daughters, Mrs. Anne Natvig of Ann Arbor, and Mrs. Paul (Jean) Mann of Chelsea; 12 grandchildren and eight great-grandchildren. She was preceded in death by three brothers and five sisters.

Funeral services will be held Thursday, Sept. 14, at 11 a.m. from the First Presbyterian church of Caro.

The family will receive friends Wednesday evening from 7-9 at the Huston-Ransford Funeral Home, Caro. Expressions of sympathy may be made to the First Presbyterian church of Caro or the Chelsea United Methodist Retirement Home. Burial will be in the Caro Cemetery.

Local arrangements were by the Staffan-Mitchell Funeral Home.

Nancy Woods

14217 North Territorial Rd.
Chelsea

Nancy Woods, 14217 North Territorial Rd., Chelsea, age 76, died Saturday afternoon, Sept. 9, 1989 at St. Joseph Mercy Hospital. She was born Aug. 1, 1913 in Fort Thomas, Ky., the daughter of Harvey and Hilda (Keller) Grissom. On Oct. 26, 1933 she married Albert Woods in Angola, Ind., and he preceded her in death in 1977.

Mrs. Woods had been a resident of Chelsea for 53 years and was retired in 1975 from Central Fibre Products Co. after 32 years. She attended the North Lake United Methodist church.

Surviving are her children: Robert L. Woods of Chelsea, Mrs. Delbert (Doris J.) Bolke of Grass Lake, and Mrs. Ray (Evelyn A.) Roberts of Saline; six grandchildren and eight great-grandchildren; a brother, James Grissom of Grass Lake, several nieces and nephews.

Funeral services will be held Wednesday, Sept. 13, at 11 a.m. from the Staffan-Mitchell Funeral Home with the Rev. Sondra Willobe of the North Lake United Methodist church officiating. Burial will be in Oak Grove Cemetery, Chelsea.

Expressions of sympathy may be made to American Diabetes Association. Envelopes are available at the funeral home.

Today's Investor

By Thomas E. O'Hara
Chairman, Board of Trustees
National Assoc. of Investors Corp.
& Consulting Editor, Better Investing

Q. Many people have told me I should use dividend reinvestment plans, but my broker says I shouldn't because of the problems in selling. He told me I would not be able to get the price I wanted. How would I be able to sell the stock if I participated in a plan?

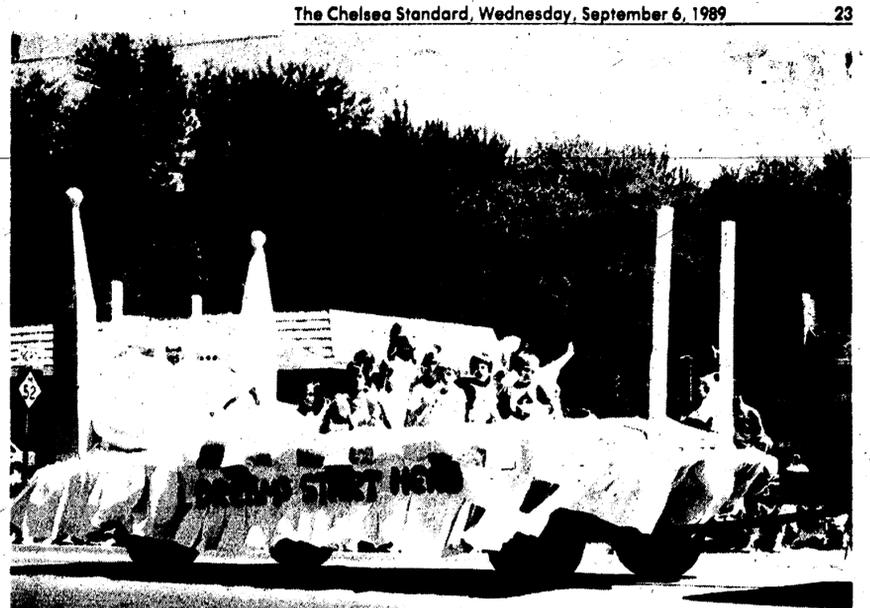

A. Before getting into the actual mechanics, a bit of investment philosophy might be in order. In my opinion, participating in a dividend reinvestment plan is most effective for the person dedicated to long-term investing who wishes to accumulate shares over a period of time. The plans are not designed for someone who wishes to get in and out of a stock.

There are really three different procedures for selling through DRPs. The most frequently used is to contact the plan administrator and instruct him to sell all of the shares in the account, including any fractional shares held. At the next investment date, the shares will be sold and a check sent to you. It is not possible to set a price at which to sell in this instance. Your shares could be sold at a price higher or lower than the prevailing price at the time you decided to dispose of the shares. Even though the plan may be one where no commissions are charged, there usually is a commission on sales. It stands to reason that the company does not want to pay the charges when you are disposing of shares. However, the commission is usually smaller than that charged by a broker.

A second alternative is to request the plan administrator to send you a certificate for the full shares and sell the fraction. The sale of the full shares is then completed through a broker once you have received delivery of the certificate. Remember that certificates are not issued for fractional shares, so the plan administrator must sell them for you.

The final way is when you have reached the desired number of shares you wish to hold in a company. For example, after getting to 300 shares, you may wish to discontinue the dividend reinvestment plan, but still hold the stock. You can request a certificate at that time. When you decide to sell at some future date, it can be done through a broker as you physically hold the certificate. A word of caution—you may be holding a certificate of a small number of shares, acquired at the time of your initial investment. Some plans will not allow you to sell those shares through the plan administrator. If, for example, you have a certificate for three shares and hold an additional 100 in the account, the plan administrator may only be able to sell the 100 shares, leaving you with the possibility of paying high commission costs to sell the final three.

Mr. O'Hara welcomes your questions and comments, but will answer them only through this column. Readers who send in questions on a general investment subject or on a corporation with broad investor interest and whose questions are used, will receive a complimentary one-year's subscription to the investment magazine, Better Investing. For a sample copy of Better Investing magazine or information about investment clubs write: Today's Investor, P.O. Box 220, Royal Oak 48068.

CHELSEA CHILDREN'S CO-OP NURSERY had a float of a four post bed with the title "Dreams Start Here," for this year's Chelsea Community Fair Parade. Children in the photo are, from left, Marjorie, Allison, and Lilly Sacks, Rachael and Kristin Weirauch, Bobby Brown, Andy Weirauch, and teachers Sue Gilliken and Jane Brooks. Also on the float were Daniel Roberts and Joshua Garnsey.

Manchester Man Completes ROTC Summer Camp Session

Cadet Mark J. Walz received practical work in military leadership at the U. S. Army ROTC advanced camp, Fort Lewis, Wash.

The six-week camp, attended by cadets normally between their third and fourth year of college, includes instruction in communications, management and survival training.

Successful completion of the advanced camp and graduation from college results in a commission as a second lieutenant in either the U. S. Army, Army Reserve or National Guard for the cadet.

Walz is the son of Edwin T. and Judith A. Walz of 18063 English, Manchester.

The cadet is a 1988 graduate of Manchester High school.

QUOTES & NOTES

DONALD A. COLE, Director

"Lost time is never found again..." —Aughey

It is unreasonable, of course, to think that a little time isn't going to be squandered... lost, if you prefer... here and there. Much time is spent with scant tangible return if we are to consider leisure and our personal approaches to relaxation and unwinding as "lost" time.

However, when there are important tasks and objectives to be met within a framework of time, and that time is not gainfully spent in meeting these commitments, then time has been lost which can never be found again.

Is it time you investigated the advantages of pre-need planning? If so, let our experienced, friendly counselors explain how you can specify every detail... including financial aspects... in advance of need. Call now for an appointment, without obligation.

It Isn't Really A Wheel Horse Until You Hitch It Up.

INVENTORY CLEARANCE

Wheel Horse Model 312-8
As low as \$84 per month with Wheel Horse Power-Financing!

The Wheel Horse is the farmer's most powerful, reliable horse, hitched closest to the wheels. But it doesn't do much good standing in a pasture.

A Wheel Horse tractor is built from that tradition of power and reliability. But it won't do all it can for you without the attachments that allow it to work.

Right at home. **TORO** Wheel Horse Tractors & Riding Mowers
