W. A. Thomas Company Purchased By Taylor Man

W. A. Thomas Co. of Chelsea, a small-parts manufacturer primarily for the automotive industry, has been purchased by a group of private out-of-state investors for an undisclosed amount of money.

Edwin Nelms, of Taylor, is the new president and chief executive officer, and the majority shareholder. Bill Marsh, former owner, is no longer affiliated with the company. The company has been in operation in Chelsea for more than 40 years.

Nelms, who said the company had been in financial trouble for the last several years, approached Marsh about the sale, which was completed Sept. 26. Nelms was previously employed by a competitor in Taylor.

Nelms also brought a new management team with him, including Joe Lewis, vice-president of marketing,

John Knight, director of manufacturing, Ron Thompson, manager of operations, and Bob Eakin, director of quality control. All are from the Detroit area.

"I've heard a lot of rumors since we bought the company," Nelms said. "The truth is, we plan to stay and we aren't going to move somewhere else. We came to bring 1990 management and manufacturing techniques to the company."

The company, on Congdon St., has roughly 40 employees, who are not unionized. Nelms said negotiations are taking place with the United Auto Workers.

Nelms said his reception by the company's line workers has been excellent.

"Put yourself in their shoes," Nelms said.

"Every day for the last couple of years they came to work never knowing if they'd have a job tomorrow. Now they see someone infusing capital and making things happen."

Nelms said he plans for the company to become more visible in the community.

The company supplies small parts to the automotive, valve, and heating and cooling industries. Chrysler Corp. is the largest customer, and 90 percent of the business is with the auto industry. However, Nelms said he wants to increase business so that the automotive industry accounts for 60 percent of the business.

Nelms, who worked 10 years for Aerojet General in Los Angeles, holds a degree in mechanical engineering from the University of Texas.

Many Farmers Will Struggle Despite Excellent Corn Crop

Chelsea/Dexter area corn farmers, as well as corn farmers nation-wide, may have done their jobs almost too well this year as an excellent crop is pushing corn prices too low for many of them to make a profit, according to Klaus Bachmann of Provico-Big H in Chelsea.

Nation-wide, the corn crop appears to be about 7.5 billion bushels, counting the 200 million produced in Michigan, Bachmann said. Prices are

in the range of \$2 to \$2.25 per bushel.

"Farmers in this area are getting 60 to 120 bushels per acre, and they're averaging about 100 bushels," Bachmann said.

"For this area that is considered very good but a farmer with a 120-bushel yield will about break even, or might make a little. Corn prices are cheap. They need to be about 50 cents higher before most farmers will make much money."

Bachmann said that the farmers who have payments to make on equipment or land will have a hard time making any money, while those who have second or third-generation family farms "might have a little money left at the end."

Bachmann said the corn quality is "excellent," with low moisture content and little sign of any disease.

As of Friday the crop was about 40 (Continued on page four)

Huge Grass Lake Project Can Proceed as Township Has Lifted Moratorium

A standing-room-only crowd packed Grass Lake Township Hall last month to listen to the latest plans for the massive development planned for the eastern portion of the township.

It was what is called a pre-petition conference called by the developers, Agee & Associates, of Ann Arbor, as is provided for in the township's zoning ordinance. It allows the developer to feel out the township planning commission and any county agencies that might have a hand in regulating the development.

The public was only allowed to listen. Public hearings will be held later.

However, many members of the Grass Lake Awareness Committee, the prime opposition group, were on hand.

Developers of the 1,700-acre project have not yet applied for re-zoning, but township supervisor Al Mollenkopf said he has been told by the township attorney that it's likely the application will be filed this month.

Developers are free to proceed with the project as a moratorium on zoning changes was lifted in late September. During the moratorium, the township's zoning ordinance was changed dramatically.

"There were major changes in the ordinance, especially with planned unit developments," Mollenkopf said.

"It was re-written and expanded and requirements and procedures,

and the sequence required, is very clearly defined. It's now much more specific."

The \$400 million project is scheduled to include 4,257 living units, including 1,545 single-family homes, a 400-unit, seven-story retirement tower, a 300-unit condominium tower, and apartments and townhouses. The total number of living units was recently raised by 500.

School Orchestras Present Concert

Beach Middle School and Chelsea High School Orchestras presented a Halloween Concert at the high school on the evening of Oct. 30. It was the first chance for 6th grade Beach students to play publicly and was the first concert of the Chelsea School System's new orchestra director, Peter Rosheger.

Students and audience were encouraged to come in costume for the event and response was impressive. Mr. Rosheger led the fancifully costumed 6th, 7th, 8th, and high school musicians dressed as a 14th century renaissance musician. The school system's new portable sound stage was used during the evening to enhance quality.

Total township population is about 3,800, including 1,500 residences, Mollenkopf said.

The development will also include shopping, entertainment, and medical facilities, and room for expansion of the school district. A wastewater treatment plant is planned, although a landfill is not. The developers have hired a consultant to devise a plan for (Continued on page four)

Upcoming events for the students include the Solo and Ensemble Festival, the District Orchestra Festival (both early in 1990), and a Spring Concert on May 17. The highlight of the year will be the High School Orchestra's Tour in 1990. Orchestra students are presently raising funds for events by selling fruit cakes, a variety of candies, fudge, mixes, and holiday wrappings. Money raised from sales helps to give students an active role in increasing their musical experience.

Chelsea Police In High-Speed Chase on I-94

A Chelsea policeman was involved in a high-speed chase on I-94 and was nearly run off the road by the object of pursuit last Thursday, Nov. 2.

Officer David Dettling responded to a call for help from the Washtenaw County Sheriff's Department shortly before 2 a.m. He entered I-94 west-bound at M-52, pulled into the left lane, turned on the flashers, and attempted to slow down a car driven by James R. Hunt, 20, of St. Clare.

However, police said Hunt tried to ram the back of Dettling's vehicle while Dettling was driving about 65 miles per hour. Dettling pulled his vehicle into the right lane and Hunt pulled up next to Dettling. Police said Hunt then tried to force Dettling off the road. Hunt temporarily lost control of his vehicle, but eventually gained control and continued on at 90 miles per hour.

Eventually, police were able to box hunt's vehicle in, and Hunt pulled to a stop. However, he tried to flee on foot before police could detain him.

Hunt was eventually taken to Chelsea Community Hospital. There he threatened to kill a policeman and the hospital staff.

Police did not say what may have prompted Hunt's actions.

NEW CHELSEA HIGH SCHOOL PRINCIPAL Ronald Mead started work on Monday. One of his first tasks will be to hire a new assistant principal, and he says he has narrowed the list of 28 applications to 10 candidates. Mead, who's moving back to Michigan from Delaware, is living temporarily with a family near North Lake. His wife, Marilyn, and children Sara, 11, and Rachel, 8, should be moving here in December or January.

"Roses Are Dead," the second book in area writer Loren D. Estleman's Peter Macklin suspense series, was published by the Mysterious Press and became available in hardcover locally. Estleman is a 1970 graduate of Dexter High school and a former staff writer for The Dexter Leader.

A two-year undercover investigation of illegal trapping and selling of fur-bearing animals came to a close when warrants were issued for the arrest of more than 300 people in eight states; 118 were Michigan residents. The sting operation was conducted by Wisconsin, Minnesota and U.S. Fish and Wildlife Service law enforcement personnel.

As befitting Veteran's Day honors, Chelsea veteran and parade grand marshal Herman Reed was individually recognized, not only by his community but also by the Washtenaw County Council of Veterans. He was born in Kalkaska and moved to Chelsea when he was eight years old. He was a Chelsea police officer for years.

A vandal or vandals threw "three big rocks" through windows at Beach Middle school sometime over the week-end, Chelsea police reported. The broken windows were near the front entrance of the Cameron Pool. Police said a similar incident occurred over the week-end in Dexter at Dexter High school, but they do not know if the incidents are connected.

A total of \$939.81 was collected by Chelsea children and youth for UNICEF through a UNICEF trick or treat, and a 12-mile Walk-a-Thon through the Village of Chelsea. According to Mrs. Paul Closson who chaired the drive, the trick or treaters collected a total of \$287.79 in their door to door effort for UNICEF.

Village Police Chief George Meranuck asked that area residents be on the look-out for suspicious activities in their neighborhoods. Meranuck said that police had received numerous complaints in the past weeks concerning breaking and entering in private homes and places of business. "We want to stop these," said Meranuck, "but often we get reports after the fact when it is too late to do a lot about it."

A total of 425 persons were served "all the pancakes and sausage" they wanted at the annual Kiwanis pancake supper Monday evening. The supper took place at the Chelsea High school cafeteria. All Kiwanians worked at the supper and proceeds were used for the club's community service projects. Key club members assisted by carrying trays for the patrons and returning the trays to the cafeteria counter.

Twenty-four Chelsea high school seniors participated in the 12th annual Boys and Girls County Government Day. The seniors were among more than 400 students from 17 schools who took this opportunity to learn first hand about the operations of local government.

Furs for the season were truly fabulous. Perhaps the most popular skin was that of mink and the different houses had a variety of colors and styles from which to choose. Fur capes, short ones, were also good for the season.

Of the 117 graduates in the Class of June, 1965, almost half were enrolled in colleges and universities in the fall and a number of others attended technical and trade schools, according to Charles Lane, Chelsea High school principal. Sixteen were registered at Michigan State; nine at Jackson Junior College; six at the University of Michigan; five at Eastern Michigan University and five at Central Michigan University.

Police See Better Crime Solving With Computer Print Match
State and local police officials report a new computerized fingerprint system, which they hailed as just the third significant technological crime fighting tool in this century, will solve previously unsolvable crimes and more surely remove felons from the street.

The \$22 million Automated Fingerprint Identification System will enable a set of fingerprints to be checked against 730,000 on file or prints taken from scenes of similar crimes.

Michigan is among a half dozen states to implement the system, which will have remote terminals initially at four State Police laboratories and three city police departments. Terminals will later be placed at three more State Police labs and six local police agencies, and in a second phase of the project, at county jails.

Within a week of the beginning of AFIS operations, officials said they already had leads of eight unsolved crimes, including four murders.

State Police Director Ritchie Davis said the system "will truly reduce time and solve crime." He said it would take 72 years to manually compare a set of prints with those on file, while AFIS will do the job in 24 hours.

Davis said one big advantage is that suspects who falsely identify

themselves will more quickly and more likely be linked to fingerprints and held without bail.

"If ever there was a crime fighting tool that comes close to the gadgets of Dick Tracy, this is it," he said. "Criminals will have a harder time hiding from the law in Michigan."

Governor James J. Blanchard said, "We are taking a giant step forward in guaranteeing swift and pure punishment for criminals" with AFIS.

"It can provide investigators with a whole new list of candidates and suspects," he said, adding its importance ranks with police radios and the original use of fingerprints.

Ann Arbor Police Chief William Corbett, chair of the AFIS Policy Council, said the system will improve co-operation between law enforcement agencies, and will ultimately be linked with departments nationally and internationally.

The system is designed to list 10 likely sets of prints in the files to match against the prints of a suspect, after which fingerprint experts would make a detailed comparison to make any possible identification.

The first terminals will be at the Bridgeport, East Lansing, Grand Rapids and Sterling Heights labs, to be followed by terminals at Grayling, Marquette and Northville.

The first local police with terminals are at Detroit, Livonia and Southfield, with placement in a few months at

Dearborn, Flint, Grand Rapids and Taylor, and the Oakland and Wayne County sheriff departments.

Inspections Find 6 of 69 Island Housing Units Comply With Codes

A comprehensive inspection of 69 rooming and boarding houses on Mackinac Island found just six units in compliance with building and safety codes, and two declared unsafe for habitation.

The inspection was ordered after two workers died in a fire at apartments where one exit was blocked. A criminal investigation of that incident continues.

Attorney General Frank Kelley said no civil fines will be levied at this time against the property owners for the code violations discovered, but will if corrections are not made.

The violations included obstructed exits, inoperable smoke detection equipment, lack of fire extinguishers, combustibles stored in exit areas, inadequate floor-to-floor separation and room-to-corridor separation, faulty exit signs and lack of emergency lighting.

Kelley said property owners have been fully co-operative with the efforts to improve safety of the Island housing. State Fire Marshal officials are sending letters to all owners in violation listing specific corrections that must be made before the housing may be used next year.

The attorney general added that the fact nearly all units failed the inspection is not unusual, saying violations would be found if similarly intensive inspections were made elsewhere. But he did say Mackinac Island city officials have acknowledged being "somewhat" lax in their inspections.

Kelley said the Island's hotels will next undergo inspections, but that violations are not expected to be as widespread because of reviews made by insurance companies.

The first state legislation permitting the state to attempt to settle labor disputes was in 1878 in Maryland, according to "Labor Firsts in America," a U.S. Labor Department publication.

Beach Science Classes Hear Talk On Recycling

Chelsea resident Mike Montpetit spoke with Beach Middle school science classes on Thursday, Nov. 2, and by taped video on Friday, Nov. 3.

Montpetit helped the science teachers of Beach kick off a project to recycle plastic milk, water, and juice jugs. Students at Beach are now joining those in Chelsea's North and South grade schools in collecting the jugs for recycling.

Object of the project is to give students an opportunity to take an active role in protecting and preserving their local environment while helping to create a market for recycled products. Proceeds from the effort will be used to buy benches and other recycled products for Chelsea residents to use.

Rinsed and flattened jugs are to be brought in to classes. Caps are not usable at this time and the labels may be left on the jugs. The collected jugs will be picked up on Wednesday and Friday afternoons by members of the Beach Parent Group and delivered to local holding areas.

Mr. and Mrs. Randall Pruet

Deborah Conklin, Randall Pruet Are Married in Crosby, Tex.

Deborah Jean Conklin, daughter of Mr. and Mrs. Alan Conklin, of Chelsea, and Randall Boyd Pruet, son of Mr. and Mrs. Boyd C. Pruet, of Oklahoma City, Okla., were married July 29 in Crosby, Tex.

The Rev. Dan Miller of the United Methodist church in Crosby performed the ceremony.

The bride wore a gown of candlelight satin trimmed with Alencon lace and bridal pearls. From an elongated waistline adorned with pearls, the floor-length full skirt swept into a cathedral train.

Matron of honor was Kathleen S. Conklin, sister-in-law of the bride, of Erie. Bridesmaids were Jane Preper, of Ann Arbor, Lisa Tesvich, of Port Sulphur, La., and Jerri McClennen, of Crosby.

Jay Ellzey, II, of Crosby, was the best man. Groomsmen were Don Conklin, of Erie, brother of the bride, Paul Robb, of Oklahoma City, nephew of the bridegroom, and Mike Dowling, of Crosby, Tex. Dave Conklin, of Ft. Lauderdale, Fla., brother of the bride, and Tom Robb, brother-in-law of the bridegroom, served as ushers.

Corina and Ross Conklin, niece and nephew of the bride, served as flowergirl and ringbearer.

Ronnie and Ryan Conklin, nephews of the bride, served as acolytes.

The bride's mother wore a pink

champagne satin and lace suit. The mother of the bridegroom wore an aqua chiffon dress accented with beads. The bridesmaids wore peach, tea-length dresses with ivory lace.

A dinner reception and dance followed at the Newport Country Club. The couple took a honeymoon trip to Paradise Island in the Bahamas. They are residing in Crosby.

The bride is a graduate of Chelsea High school and Eastern Michigan University. She is a kindergarten teacher for Crosby Independent Schools.

The bridegroom is a graduate of Woodward High school in Oklahoma and Oklahoma State University. He is employed by Chevron USA as a senior chemical engineer.

This lecture is part of a free series sponsored by the Chemical Dependency Program at Catherine McAuley Health Center.

Woman's Club Hears Talk on Joy of Gift Giving

Woman's Club of Chelsea met in the Club Room at McKune Memorial Library on Oct. 24.

Program for the evening was given by Laurie Gravelyn of Dayspring Gifts. She brought a sampling of many holiday items that are new this year as well as traditional gifts and collectibles. Her Shopping Tips emphasized the value of establishing rapport between customer and merchant and taking advantage of services available.

Gravelyn, a native of Chelsea, spoke of appreciation of the charm of Downtown Chelsea and the pleasure of shopping in a friendly environment where many efficient services and varied merchandise are available.

Laurie explained that all her life she had enjoyed giving gifts and at the close of her talk, she surprised those present by presenting a gift to each.

Linda Cole, vice-president, conducted a brief meeting following the program. It was announced that the December Christmas meeting will be at Weber's Dec. 12.

The November meeting will be at the McKune Memorial Library club room Monday, Nov. 13. The program will be "Know Your Club." Members are to bring a baby picture.

Helen Lancaster was a guest for the program and meeting. Hostesses were Linda Cole and Beth Lyster.

An invitation is extended to any woman in the community who wishes to enjoy the sociability and community service the Woman's Club of Chelsea offers. For further information call Sylvia Gilbert, membership chairperson 475-8317, or Ginny Johnson, president 475-8270.

Winter Health Risks For the Elderly

U-M Family Practice Center at Chelsea is presenting a program entitled "Winter Health Risks for the Elderly" to help seniors and their families reduce the risk of winter-related illnesses. The program will be held Thursday, Nov. 9 from 6:30 to 8 p.m. in the Family Practice conference center located in the lower level of Chelsea Hospital.

Dinner will be available in the hospital cafeteria from 5:15 to 6:30 p.m. Participants are welcome to come early and have dinner in the cafeteria or to carry it to the conference center and eat during the program.

Pre-registration is required by calling 475-1321, extension 272. A \$2 fee is payable at the door.

Mr. and Mrs. Kendall Wilson

Christine Arbogast, K. Wilson Are Married in Ann Arbor

Christine Arbogast, daughter of John and Caroline Arbogast, of Grass Lake, and Kendall Shawn Wilson, son of Warren and Carol Williamson III, of Canfield, O., were married Oct. 21 at St. Mary's Student Chapel in Ann Arbor.

Rev. Fr. William Stevenson performed the ceremony before 80 guests.

Kira Hanson and Anita Bohn were the vocalists and Steve Sorensen was the pianist.

The bride wore a floor-length, white-satin gown with a chapel-length train, off-the-shoulder puffed sleeves, and fitted dropped-waist beaded bodice. The back came to a V in mid-back and buttoned down to the satin rose with a bow at the bustle. The headpiece was two strands of twisted faux pearls with three satin roses in back with strings of beads and Austrian crystals.

Matron of honor was Celeste Arbogast, sister of the bride, of Bragorog, West Germany. She wore a tea-length, emerald green crinkle satin dress with puffed, elbow-length sleeves and a v-neck in front and back with a fitted bodice. The dress also had three bows across the back at the dropped waist.

Both the bride and the matron of honor carried bouquets of white roses, alstroemeria, purple freesia, statice, and mini-carnations in tones of pink and peach.

The bride's mother wore a purple floral print silk bodice trimmed in black velvet with black pleated street-length skirt.

The bridegroom's mother wore a tailored, two-piece peach wool crepe dress accented with satin piping and satin beaded floral appliques at the neckline.

Best man was Greg Wilson, brother of the bridegroom, of Columbus, O.

The reception for 80 guests was catered by Micki Hurst. The wedding cake was made by the bride's sister, Marianne Arbogast, of Detroit. The bride's nephew, Jason D'Itri, of East Lansing, handled the balloon ar-

rangements and the bride's niece, Jessica D'Itri, helped served the strawberries with chocolate fondue.

The couple took a three-day honeymoon trip to Canada. They are residing in Mt. Prospect, Ill.

The bride is a 1988 graduate of the University of Michigan and holds a bachelor's degree in sociology.

The bridegroom earned a bachelor's degree in business from U-M this year.

Radio Personality Entertains ABWA Membership

"The listening audience of WAAM Radio is growing greatly." This was told to the Chelsea Charter Chapter of the American Business Women's Association on Tuesday, Oct. 24, when Keith Peters of WAAM Radio was their special guest speaker. Members and guests, gathered for the Fall Enrollment meeting, were entertained by Peters' personality and delightful presentation telling of the ins-and-outs of broadcasting. Guests attending the meeting were Carolyn Forsythe, Dorothy Dancer, Doris Blanchard and Becky Tuttle.

The Chapter's Progressive Dinner, to be held on Dec. 2, was also discussed. Esther Kujawa will serve as co-ordinator for the evening.

Arthritis Support Group Meets Nov. 13

The next meeting of the Arthritis Support Group will be on Monday, Nov. 13, from 7 to 9 p.m. The meeting will be held at the Catherine McAuley Education Center, Classroom 4.

Breathers Club To Meet Nov. 18 At Chelsea Hospital

"Breathing Exercises" will be discussed by physical therapist Pat Pande, M.C.I.Sc., at the next meeting of the Chelsea Breathers Club. The group will meet Saturday, Nov. 18 in Dining Rooms A and B at Chelsea Community Hospital, 775 S. Main St., Chelsea, from 11 a.m. to 1 p.m.

Chelsea Breathers Club, which is co-sponsored by the American Lung Association of Michigan and Chelsea Community Hospital, is an educational and social program for persons with breathing problems caused by chronic lung disease, such as asthma, allergies, emphysema and chronic bronchitis. There is no charge for the program and no need to pre-register.

For more information, please call the American Lung Association of Michigan at 131-995-1030.

police and fire protection. "There are so many things involved in a project like this," Mollenkopf said.

"I'm sure the process is going to take quite some time, but I can't predict how long."

The project is being planned in 12 phases, and is designed to be completed in 13 to 15 years.

Mollenkopf speculated that Grass Lake township might have been selected for the project simply because it contained one of the few huge tracts of land relatively close to Ann Arbor that has one owner, in this case Traveler's Insurance Co.

"The harvesting is a little slower than normal because the weather has been so good and the farmers are waiting for mother nature to dry it out a little more," Bachmann said.

Proving Grounds Facilities Man Elmer Kiel Spent 37 Years There

Elmer Kiel, who remembers punching a time clock in an old farmhouse when Chelsea's Chrysler Proving Grounds was in its early stages of development, retired Oct. 31 as the company's facilities manager.

Kiel, who has dedicated his entire professional life to the American automobile industry, spent 38 years with Chrysler Corp., and was one of the original people when the first Chrysler employees appeared at the proving grounds on Nov. 3, 1952, two years before the facility was dedicated. He eventually was one of the drivers in the 24-hour dedication run at the facility.

"There was little more than an oval track and one building when we started," Kiel says.

"The place has really changed a lot since then."

Kiel has seen the facility grow from that one building to a huge plant with its own water tower, and several tracks. In addition, security, which used to consist mainly of hiding new cars under tarps at night, is now extremely tight.

The proving grounds, which has been one of the Chelsea-area's great success stories, has also had its valleys. Kiel remembers when the plant had nearly 1,200 employees, only to drop to less than half that number in 1974 during the energy crisis. He said there are about 620 employees there now.

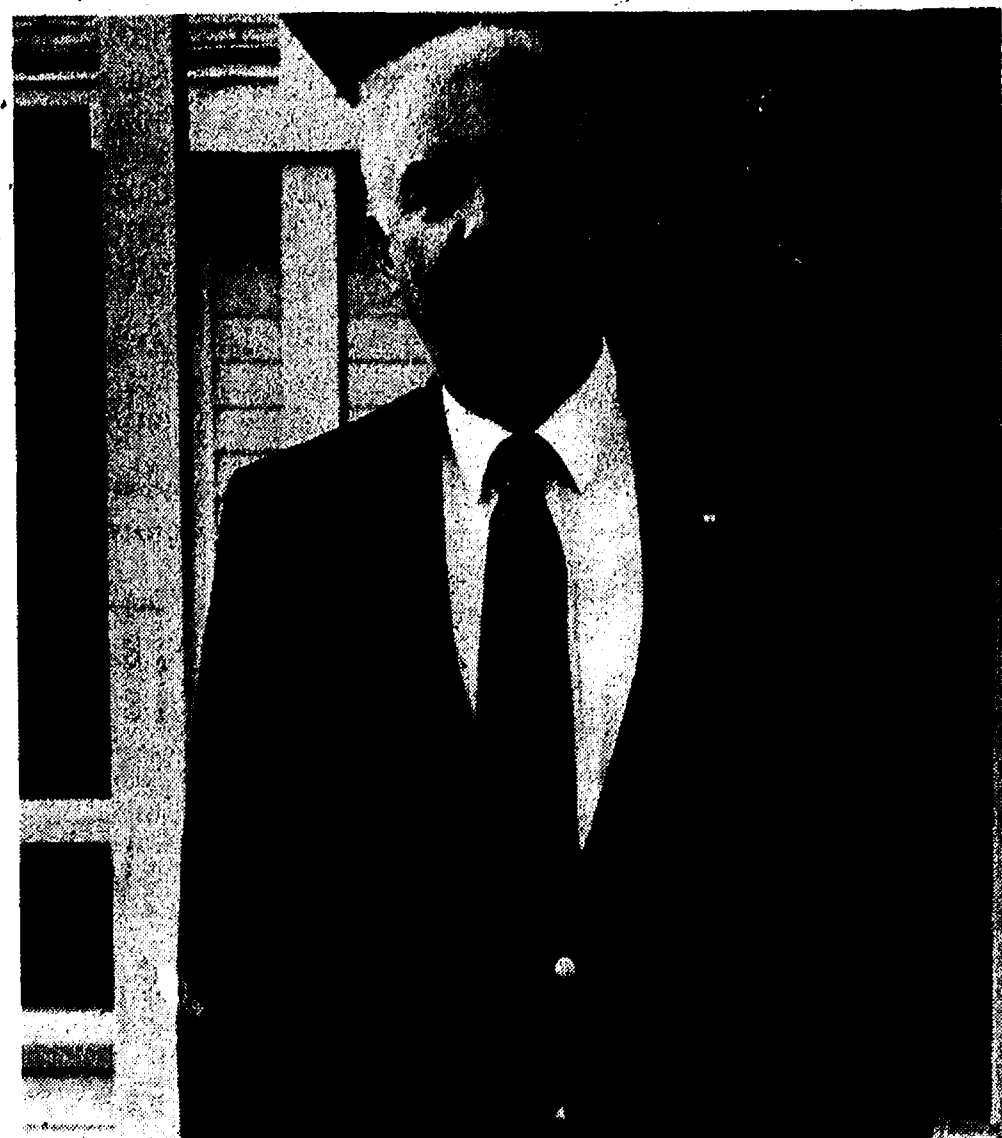

"We all thought we'd be out of jobs then."

Kiel began at the Highland Park Engineering facility in 1951. Previously, he had worked for Hudson Motor Car Co., a division of American Motors, for seven years.

Kiel was initially involved in acceleration and fuel economy tests. He also handled most of the high-speed testing, which involved driving at 100 miles per hour and faster.

"We had cars then that could run 145 miles per hour," Kiel says.

"Back then I'd drive one lap at 50 miles per hour, one lap at 80 miles per hour, one lap at 100 miles per hour and two laps with it wide open. I was

ELMER KIEL, one of the original workers at the Chrysler Proving Grounds, retired at the end of October after 37 years at the facility. Kiel held a variety of positions and was most recently facilities manager.

very lucky that I never had an accident."

Accidents, in fact, used to be a relatively frequent occurrence before a fence was installed around its 3,800 acres and deer could wander wherever they pleased. Kiel says there used to be about 19 or 20 accidents per year, but they are rare now.

Kiel was eventually promoted to supervisor in the performance department, a job which he held nearly 15 years. His next promotion was to plant superintendent, essentially the job he retired from.

He was in charge of automotive facilities, garage assignments, and rental of the proving grounds by outside companies, such as Car & Driver Magazine.

The retirement came a little earlier than Kiel expected as Chrysler offered him and many other employees an early retirement deal. "I couldn't refuse it," he says.

Kiel retired, along with 38 other workers, including his brother, Ron.

Kiel hasn't quite figured out what retirement will hold for him, although he plans to stay active in the Kiwanis Club of Chelsea and the Chelsea Depot Association. He also plans to hunt.

NOTES

DONALD A. COLE, Director

"If you have built castles in the air, your work need not be lost; that is where they should be. Now, put the foundation under them."

—Henry David Thoreau.

Castles in the air are sometimes called "day-dreams" and are most often associated with just wishful thinking. But they do not have to be castles that will never materialize. Many people have had great ideas and ideals... both for materialistic and utopian schemes... that have developed into reality.

If you believe strongly enough in your "castle," be optimistic... proceed with diligence and build a firm foundation under that castle. Our country has flourished on dreams!

We are always available to serve or discuss with you any matter pertaining to funeral services, including price details.

Veterans Day Established By Congressional Action

How Veterans Day Was Named
In 1921, an American soldier—his name "known but to God"—was buried on a Virginia hillside overlooking the Potomac River and the city of Washington.

The Arlington National Cemetery burial site of the unknown World War I soldier became the personification of dignity and reverence for America's veterans.

Similar ceremonies occurred earlier in England and France, where an

"unknown soldier" was buried in each nation's highest place of honor.

In England, it was Westminster Abbey, and in France, the Arc de Triomphe.

The memorial gestures all took place on Nov. 11, giving universal recognition to the celebrated ending of World War I hostilities at 11 a.m., Nov. 11, 1918 (the 11th hour of the 11th day of the 11th month).

The day was known as Armistice Day.

Armistice Day officially received its name in America during 1926, through a Congressional resolution.

It was designated a national holiday, 12 years later, by similar Congressional action.

If the idealistic hope had been realized that World War I was "the war to end all wars," Nov. 11 might still be called Armistice Day.

However, shortly after the holiday was proclaimed, World War II broke out in Europe and shattered the dream.

Sixteen and one-half million Americans took part, 408,000 died.

Families and friends of these dead men and women longed for a way to honor their memory.

"To Honor Veterans of All Wars"

An answer to the dilemma of how to pay tribute to those who had served in this latest war came in a proposal made by Representative Edwin K. Rees of Kansas: Change Armistice Day to Veterans Day, and make it an occasion to honor those who have served America in all wars.

In 1954, President Dwight D. Eisenhower signed the bill proclaiming Nov. 11, Veterans Day.

At the same time, he called for Americans everywhere to re-dedicate themselves to the cause of peace.

On May 30, 1958, two more unidentified American war dead were brought to Arlington Cemetery from overseas, and interred in the plaza beside their comrade of World War I.

One was killed in World War II, the other in Korea.

A law passed in 1973 provided for the interment of an unknown American who lost his life in southeast Asia during the Vietnam era.

For several years, no qualifying remains were discovered, so a memorial plaque was placed in the Amphitheater's Memorial Display Room.

On Memorial Day, 1984, however, the Unknown Serviceman from that conflict was placed "In Honored Glory" alongside his fellow countrymen.

To honor these men, symbolic of all Americans who gave their lives in all wars, an Army honor guard, the 3rd

United States Infantry, The Old Guard, keeps day and night vigil.

Too Significant to Change

A law passed during 1968 changed national commemoration of Veterans Day to the fourth Monday in October, but it soon became apparent that Nov. 11 was a matter of historic and patriotic significance to a great number of the nation's citizens.

Congress enacted legislation (Public Law 94-97), which returned the observance of the special day to its traditional date, beginning in 1978.

It Once Belonged to Robert E. Lee

The focal point for ceremonies conducted by the Veterans Day National Committee continues to be the Arlington Memorial Amphitheater, built around the Tomb of the Unknowns at Arlington National Cemetery.

The site established in 1864 is now operated by the Department of Defense, and lies on property which once belonged to General Robert E. Lee.

At 11 a.m. on Veterans Day, a combined color guard representing all military services honored the Unknowns by executing "Present Arms" at the Tomb.

The nation's tribute to its war dead was symbolized by the laying of a presidential wreath.

The bugler sounded "Taps."

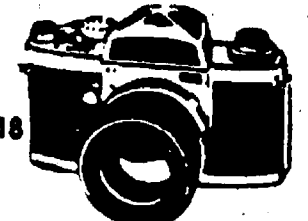

The balance of the ceremony, which included a brief address, took place at the Amphitheater.

Ceremonies Co-ordinated

Veterans Day ceremonies at Arlington and elsewhere in the nation were co-ordinated by the President's Veterans Day National Committee.

CONNIE AMICK, assistant administrator at the Chelsea United Methodist Retirement Home, shows some of the merchandise that will be for sale this Saturday, Nov. 11, from 10 a.m. to 3 p.m. The old nursing building, that is scheduled to be demolished this winter, is being cleaned out and furniture, clothes, antiques, walkers, luggage, and other items are all being sold. Some items were left by former residents, and some was originally owned by the home. All the doors on the rooms will be available as well. "It will be the biggest sale that we'll ever have," Amick said. The Resident Council is also holding its annual bazaar at the same time.

Methodist Home Sale To Empty Buildings

There has been a flurry of activity at the end of W. Middle St. these past few weeks as residents and staff at the Chelsea Methodist Retirement Home scour closets, basement rooms and attics for articles for the "Big Sale" on Saturday, Nov. 11 from 10 until 3. "The goal is to have the front buildings emptied and ready for demolition by the first of the year," according to assistant administrator Connie Amick. "Then construction

can begin on the replacement building which will house 76 new independent apartments.

"One tends to save things when there is plenty of space and so there is much to be sold," Amick said. There are desks, chairs, tables, suitcases, trunks, hundreds of books, pieces of costume jewelry and many clothes, including some wonderful hats, a mink stole, and a big box of white gloves!

A rug frame, invalid equipment, mirrors, lawn chairs, railings, curtains and rods, even some doors and carpeting are included in the sale.

Doors will be open at 10 a.m. and the residents are holding their annual

Automobile Theft Ends Up as Rare Case of Mistaken Identity

It was a classic case of mistaken identity, only automobiles were involved, not people.

It all began Monday afternoon when Jacqueline McGinn, of Whitmore Lake, parked her car in front of Dancer's Department Store to do a little shopping. Twenty minutes later, when she tried to go home, she discovered her car was missing. She promptly reported the theft to Chelsea police.

"We made all the usual inquiries," said police chief Lenard McDougall.

"At first we thought it might be a prison escapee, since one was reported gone the night before. It

wouldn't have been normal to have a car stolen from right in the middle of town, but anything's possible."

McGinn waited nearly two hours for a ride home. When her husband showed up, they walked toward his car to leave town. However, parked in front of Johnson's How-To Store was their stolen vehicle, and a woman was sitting inside of it.

McGinn approached the car and asked the woman what she was doing in McGinn's car. The woman, Monica Merkel Gauthier, of Oregon, had no idea what McGinn was talking about. She said the vehicle belonged to her

brother, George Merkel, whom she was visiting.

Chelsea police were summoned to the scene, and after a few questions police were able to piece together the events of the afternoon.

What happened, McDougall said, is that McGinn parked her 1984 Chevrolet, and George Gauthier parked their borrowed 1983 Oldsmobile either immediately in front or immediately behind. The cars were the identical color, inside and out.

When the Gauthiers finished their business, they happened to get in the wrong car, and weren't tipped off because their key worked. They drove away without a clue that they were in the wrong vehicle. It was only by chance that they were in town when the McGinns walked by.

"I don't know what the odds are that a key would fit two different vehicles, let alone two different vehicles of the same color," McDougall said.

Police Seek Escaped Prisoner

A prisoner at Camp Waterloo escaped Sunday afternoon, Chelsea police reported.

Golden A. Brown, 25, was last seen at the minimum-security prison at 3:30 p.m. He is described as white, 5' 9", 150 pounds, with brown hair and brown eyes. He was serving up to six years for felonious assault.

MAJOR CONTRIBUTORS of \$5,000 or more by five individuals and businesses toward renovation of the Chelsea Depot were honored last Wednesday by the Depot Association. Those recognized included, from left to right, Will Connelly who was instrumental in acquiring the property from AMTRAK; Howard Holmes, president of Chelsea Milling Co.; Dr. David Swan, representing the Civic

Foundation of Chelsea; Kathleen Chapman, representing the Chelsea Area Historical Society; Dr. Clare Warren, Kiwanis Club of Chelsea; Amy Feeney, director of Chelsea Chamber of Commerce. Each of the above were presented with engraved bricks to be installed in a special section of a commemorative sidewalk.

Depot Association Recognizes Major Contributors to Restoration

A special founders presentation of engraved paving bricks took place Wednesday, Nov. 1, at the Chelsea Depot, as the Chelsea Depot Association trustees invited representatives of five local businesses and organizations which donated more than \$5,000 each towards purchasing and rebuilding the depot.

The five included the Chelsea Area Historical Society, Chelsea Chamber of Commerce, Civic Foundation of Chelsea, Chelsea Milling Co., and the Kiwanis Club of Chelsea. Will Connelly was also honored for spearheading the development of the Chelsea Depot Association (Connelly was its first chairman in 1985), and finalizing the \$15,000 negotiated price for purchase of the depot and grounds from the AMTRAK passenger line in 1985.

President Lee Fahrner reported that to date \$110,000 plus a \$30,000 State Equity Grant has been raised by the community, businesses, civic organizations and private individuals since 1985.

Veretta Whitaker, chairman of the sidewalk brick sale said, "We installed 100 new engraved bricks one week ago, bringing the total brick sales to 500."

"Anyone may still purchase a brick for engraving, and they are available for Christmas gifts."

Treasurer Gloria Mitchell said, "When renovation is complete, including the large meeting room, we will have spent \$125,000 for the purchase and restoration of the building."

The 1880 structure's floor space is 3,100 sq. ft. That comes to approximately \$40 per sq. ft. spent on preservation of this historic landmark of Chelsea's.

Disfunctional Family Program for Alcohol Awareness Week

The public is invited to attend a program dealing with "The Disfunctional Family," on Tuesday, Nov. 14 at 7 p.m. at St. Mary's Parish Center on Congdon St.

Guest speaker for the evening is Fred Prezioso, a therapist at the Kresge House, a unit of the Chelsea Community Hospital. Prezioso holds a master's degree in addiction counseling and is also a certified addiction counselor with the State of Michigan. He currently has a series of articles appearing in The Chelsea Standard.

The program will begin with a presentation by members of the St. Mary's Youth Group of a disfunctional family, followed by the guest speaker. A period of informal discussion will also be held.

Everyone is welcome to attend.

Let's Go

Bulldogs!

THE CHELSEA CROWD reacts at the news that the Bulldogs have edged Fremont for the state class B cross country championship. Chelsea beat 25 other teams in the showdown at Tyrone Hills Golf Course.

State Champs!

Fancy Footworks Give Dogs Girls Cross Country Title

Chelsea Bulldogs, ranked in the top 10 all year long but never as high as fourth, edged Fremont last Saturday for the girls class B state cross country title.

Chelsea freshman sensation Lisa Monti sprinted to take the early lead and eventually won with the best time of her young career, 19:07.39. In the process, she was named all-state.

Freshman Valerie Bullock (23rd, 20:22.46), and seniors Kim Roberts (35th, 20:47.45), Sarah Grau (37th, 20:53.65), and Vicki Bullock (45th, 21:02.75) all either set personal records or ran within a second or two of their best. Chelsea edged Fremont 141-145.

"It was quite a thrill," said Chelsea coach Pat Clarke, whose team missed a state title by one point in 1986. The Bulldogs had also been third twice and eighth once since Clarke began the program in 1980.

"After I saw the mood they were in that morning I was confident they would all run well, although just before it started they were a little tense. The cold wasn't affecting them at all and that was a good sign."

It was a chilly day, made cold by a strong wind, but the ground was dry. The 175 girls began the race by running straight into the wind. The course, at Tyrone Hills Golf Course near Linden, was similar to Chelsea's home course at Inverness Golf Course.

"I told them they would run well because it was cold," Clarke said.

"The problem is, you have to get them to believe it."

And believe it, they did.

Roberts had to fight leg cramps in the early going, but managed to run one of her best times.

Grau dropped 20 seconds from her best time, Vicki Bullock shaved a minute off her region meet time, and Val Bullock ran her best race of the season.

"Valerie was exceptional," Clarke said.

"And she'll get a lot better."

Monti surpassed even Clarke's expectations.

"Lisa beat a lot of girls who beat her during the season," Clarke said.

"She has a good kick and she really showed it Saturday."

Monti and Corunna's Michelle Radcliffe ran virtually stride for stride over most of the course. However, Monti broke away down the final straight-away to win by nearly six seconds.

Monti's time was the second fastest girls time of the day. Tecumseh freshman Nicole Randolph, who beat Monti at the regional race the previous week, won the girls individual race and shattered the 19 minute mark.

"I knew after the second meet of the season that Lisa was potentially an all-stater," Clarke said.

(Continued on page 12)

THIS WAS THE SCENE through much of Saturday's state class B team cross country race as Chelsea freshman Lisa Monti, left, and Corunna's Michelle Radcliffe ran virtually stride for stride. However, Monti pulled away at the end to win by nearly six seconds.

SARAH GRAU ran her best race ever as the Bulldogs won the class B state cross country title last week-end at Tyrone Hills Golf Course near Linden.

KIM ROBERTS overcame cramps in the early part of the race to take third over-all for Chelsea and help the Bulldogs to their first state cross country title.

VAL BULLOCK keeps a steady pace to finish second for Chelsea and 23rd over-all at the class B state cross country meet. The freshman has been Chelsea's number two runner all season long.

Bulldog Cagers Make It Two Straight SEC Titles

It may have been a little anticlimactic, but the Chelsea Bulldogs wrapped up their second straight undisputed Southeastern Conference championship last Thursday with an 80-44 victory over the Saline Hornets in Saline.

The Bulldogs essentially had the title in their grasp on Tuesday after they defeated the Pinckney Pirates, 44-22, and the Dexter Dreadnaughts knocked off the Tecumseh Indians at home. Chelsea finished 11-1 in the league and Tecumseh closed at 10-2.

"To me, this title was a little more gratifying because last year we expected to win it and this year we thought maybe we can, maybe we can't," said Chelsea coach Rahn Rosentreter.

"Also, we lost six girls from last year's team and we had a lot of holes to fill."

It took a couple of minutes for the Bulldogs to get untracked against the Hornets, who were ahead 10-8 early in the first quarter. Chelsea had five steals in the closing minutes of the period and led 22-10 going into the second quarter. From there on the Bulldogs increased their lead, although they gave up 17 points in the final period as Chelsea began throwing the ball away. However, most of Chelsea's shots were in the lane.

"It was a lot easier win than we thought it would be," Rosentreter said.

"A lot of credit goes to the kids. They played to win, rather than playing not to lose."

A different girl seemed to dominate each period after the first for Chelsea. Mercedes Hammer scored 10 of her 13 points in the second quarter, Colleen Scharphorn scored 15 of her 22 points in the third quarter, and Tiffany Moore scored all eight of her points in the final quarter.

Other Chelsea scorers included Allison Brown and Scharme Petty,

with 10 points each, Carrie Flintoft with seven, Shawn Losey and Kristin Bohlender with four each, and Kate Dilworth with one.

Flintoft had a team-high seven rebounds, and Brown had six.

"Carrie had an excellent week for us," Rosentreter said.

"She scored some points, but she also rebounded and passed the ball well. She and Allison played well in both games. And that's exactly what you want from your team captains this time of year."

In Tuesday's home contest with the Pinckney Pirates, the Bulldogs were able to get the ball inside to Brown, who usually either scored the field goal or went to the free throw line. She finished 5-8 from the field and 9-11 from the line for 19 points.

"When they were able to give Allison trouble, Mercedes seemed to hold up her end," Rosentreter said.

"Although we didn't play exceptionally well, our defense was strong enough for us to win."

Rounding out the scoring for Chelsea were Hammer with seven, Flintoft with six, Bohlender with four, and Losey, Petty, Moore, and Scharphorn with two each.

Chelsea finishes the regular season this Friday at Jackson Northwest. On Monday district tournament play begins at Chelsea. The district includes Northwest, Brooklyn Columbia Central, Jackson Lumen Christi, and SEC rivals Dexter and Tecumseh.

Zangara, Harris Run in State Meet

Chelsea Bulldog runners Brian Zangara and Holden Harris each finished among the top 50 in the class B state cross country meet individual race last Saturday.

Zangara, battling a bad back, took 40th place in 17:23 while Harris finished 46th in 17:26.

Area Resident Earns Black Belt in Karate

On Nov. 4, the U. S. Tae Kwon Do Chung Do Kwan Association held its annual fall Black Belt testing. Testing for this prestigious rank from the Chelsea School of Karate was Brian Schulze. Brian is the first student to reach the Black Belt ranks under Mike Poxson, 3rd Degree Black Belt and head instructor of the Chelsea school.

Brian Schulze will be at North School Tuesday and Thursday, Nov. 7 and 9th classes from 6 to 7:30 p.m. where friends may congratulate him.

The average adult has about 3,500 square inches of skin. The skin has roughly a billion pores.

Tankers Win Final Two Meets, Host Chelsea Inv. Thursday

Chelsea Bulldog swim team finished the dual meet season with victories over Jackson (107-57) and Lincoln (96-52) last week.

Chelsea finished with a 7-4 record in dual meets.

"We had some good performances but no personal bests were posted," said Chelsea coach Dave Jolly.

Erika Boughton won the 200 freestyle by 14 seconds with a time of 2:07.35.

Melissa Thiel continued to dominate her events by winning the 200 individual medley in 2:24.17 and the 100 backstroke in 1:08.92.

The 50 freestyle was dominated in both meets by Kelly Cross, Boughton, and Jennifer McEachern. McEachern also had a fine performance of 1:02.75 in the 100 freestyle.

The diving squad continued to improve as Debby Webb set a Chelsea varsity record of 215.35. Sherry Dukas also qualified for the regionals.

Chelsea had too much talent in the

remainder of the events in both meets.

In other action, on Saturday, Oct. 4 the Bulldogs took part in the Brighton Invitational and finished fifth out of six teams.

SPORTS NOTES

BY BRIAN HAMILTON

We all stood or sat there in the chilling winds outside the Tyrone Hills Golf Course clubhouse as the race official posted the girls cross country team scores ever so meticulously. He walked to the sign "Marine City" and with his marker carefully drew a "7", then a "0", then a "2". Then he stepped to the sign "Clawson" and repeated the process with the numerals 7, 0, and 0.

It took the man what seemed like an eternity to get to the last two teams among the 26, Fremont, and Chelsea. He walked back and forth, and turned to the crowd and smiled, as though he was about to crown a homecoming queen. He walked back and forth again and someone yelled, "C'mon!" He turned and smiled again, then walked to the sign marked "Fremont," and drew in 146. And the numerous Chelsea supporters raised their fists and cheered, and many smiled and wiped away the tears. The Bulldogs had won their first state championship.

And it took about five seconds before someone said, "we want a sign," referring to a sign to be placed at the village limits, along with the two softball signs, proclaiming the Bulldogs the best in the state.

"They want that sign so bad," said Chelsea coach Pat Clarke.

"Every day in practice they run by the village limits sign." It would be a constant reminder of their spectacular accomplishment this season.

It was truly a remarkable performance. Freshman Lisa Monti, who sprinted out to the lead after the first hundred yards, was neck and neck with Corunna's Michelle Radcliffe through much of the course. But somewhere in the last half-mile or so, like the Roadrunner, keeping pace with Wile E. Coyote, she said "beep-beep" and showed a devastating kick, which gave her first place by nearly six seconds.

Monti hit the finish line and smiled briefly. The tall, gangly, 14-year-old, with a mouthful of braces, barely out of junior high school, was a state champ, an all-state runner. The only runner she didn't beat that day was Tecumseh freshman Nicole Randolph, who won the individual race about 10 seconds faster. (Imagine that; two freshmen from the same conference are the two best runners in the state. Clarke and the Tecumseh coach slapped hands and yelled "S. E. C.")

Freshman Val Bullock was next in for Chelsea in 23rd place. Like Monti, she had run her best race of the season. But Valerie is just a little wisp of a girl who must have found the head-on, gale-force wind at the start quite a challenge and somewhat of a handicap.

Senior Kim Roberts was the third Bulldog finisher, in 35th place. She had started to cramp up in the first mile, but just decided she wouldn't let it get the best of her. She was within a couple of seconds of her best time.

Senior Sarah Grau was just behind in 37th place, and dropped 20 seconds off her best time.

The final scorer, in 45th place, was senior Vicki Bullock. She cut a minute off her region meet time. Clarke gave her a big hug, probably knowing that her performance was the key to the meet.

"I call her my state meet runner," Clarke said.

"Every time she runs in a state meet, she drops a lot of time and it seems to bring out the best in her."

Maybe there was a little added motivation. How often do two sisters have the chance to run for a state championship in the same year?

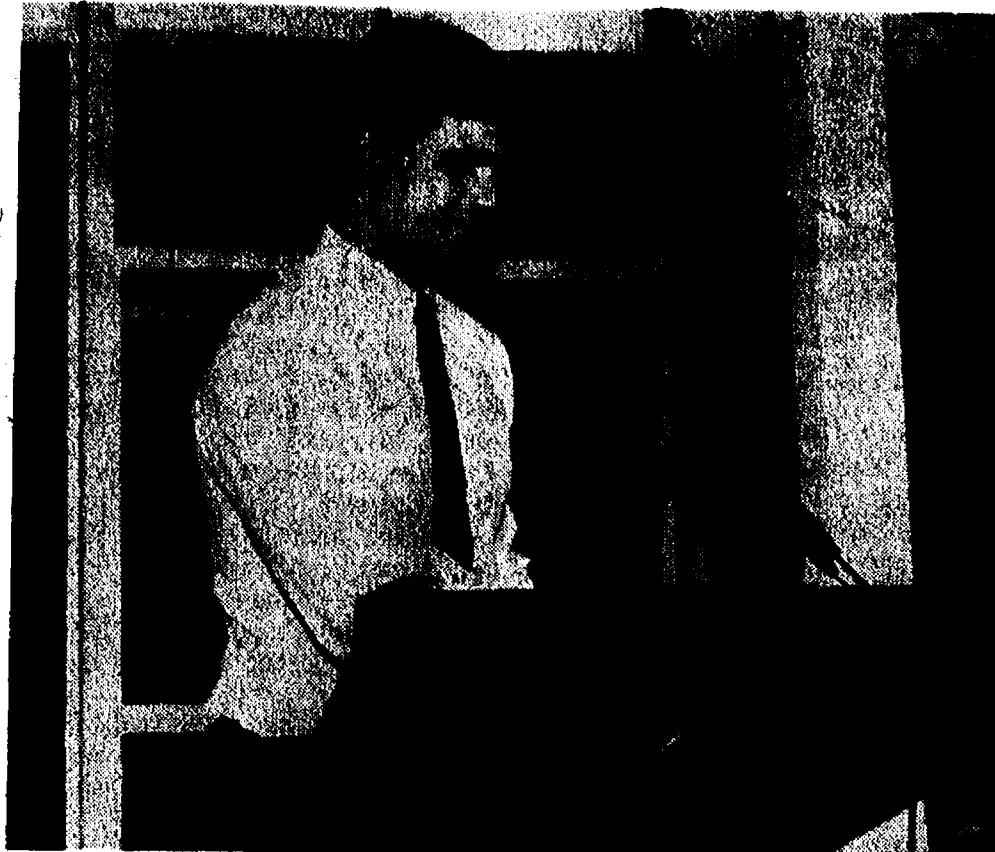

Junior Christine Mignano and freshman Teddi Hauck finished 106th and 129th, respectively. They'll be big contributors to the team next year.

It was a great victory for Clarke, too, who managed to get the girls to believe in themselves, which is probably the greatest challenge for any coach.

In addition, until this year, Clarke's girls teams probably had the best state record of any team that hadn't won the title, and maybe better than any, period. They've been so close to a title—second place by a point, and third twice, not to mention one eighth place finish. It was great to see him win it all and I left as happy for him as I was for the girls.

Clarke has been Chelsea's only cross country coach, having started both the boys and girls programs. And coaches know it is one of the premier programs in the state. Saturday's title simply gives him and the girls the recognition they deserve, kind of a seal of approval.

So, how about that sign? Sounds like a great idea.

JIM SCARCELLI, U. of M. outside linebacker, 1982-84, was guest speaker at the Beach school football banquet. While speaking to all the young athletes he quoted Bo Schembechler, "What the mind can conceive and believe, the body can achieve." The "A" Team was celebrating an undefeated season.

JV Cagers Go 6-6 In Southeastern Conference

Chelsea junior varsity basketball team finished the Southeastern Conference basketball season with a 6-6 record after losing to Pinckney and beating Saline in action last week.

On Tuesday, a three-point shot at time expired gave the Pinckney Pirates a 28-26 win.

Chelsea fell behind 13-2 in the first quarter, but eventually led by a point with less than a minute remaining.

"It was a disappointing loss, although the kids were able to fight back," said Chelsea coach Paul Terpstra.

The Bulldogs missed all nine free throws in the first half, a big contributor to the loss.

Chelsea also shot 28 percent from the field, 29 percent from the free throw line, and had 27 turnovers.

Sarah DeVine led Chelsea with 12 points and eight rebounds. Rounding out the Chelsea scoring were Heather McConaghy with five, Theresa Hurst with four, Molly Dilworth with three, and Ginny Flannery with two.

Tourist Bureau Offers Travel Guide, Calendar of Events

In winter, Michigan has:

- More downhill ski facilities (43) than any other state;
- More than 4,000 miles of snowmobile trails;
- Well over 1,200 kilometers of groomed or marked cross-country ski trails;
- The highest hills in the Midwest;
- The greatest snow depths between the Alleghenies and the Rockies;
- More than 300 winter festivals and events; and
- A 65-page guidebook to all of the above.

The Michigan Winter Travel Guide and Calendar of Events for 1989-90 also lists nearly 100 state parks, many of them laced with cross-country ski and snowmobile trails, and most of them offer winter camping as well as hunting, fishing, and hiking opportunities.

This full-color guide concludes with Michigan's winter theater, symphony orchestras, and major sources of travel information.

The Michigan Winter Travel Guide and Calendar of Events may be obtained by writing the Michigan Travel Bureau at P. O. Box 30225, Lansing 48909, or by calling the bureau at 1-800-5432-YES.

Dogs Win State Title

(Continued from page ten)

"I didn't know how good she'd be this year. Now that she's won the state, that's the ultimate. Now we just have to try to progress as far as her times go."

The Bulldogs showed just how much of a team sport cross country is. Fremont had four girls finish ahead of Roberts (third for Chelsea). However, Fremont's fifth runner placed 66th. Jackson Northwest, one of the favorites, was in much the same position as they had three runners in the top 25 but had their fourth and fifth runners at 63rd and 70th. They finished third over-all with 172 points.

Junior Christine Mignano and freshman Teddi Hauck also competed. Mignano took 106th in 22:12.8 and Hauck was 129th in 22:43.37.

"This has been a great group of kids to work with, both as athletes and as people," Clarke said.

"They were champions before they won it all."

After the Bulldogs were declared the winners, school superintendent Joe Piasecki gave Clarke a bill cap with the inscription "State Champions."

Quilter Unanimous Choice for All-SEC

Chelsea junior running back Jude Quilter was one of three unanimous selections to the all-Southeastern Conference Football first team.

Quilter, along with Milan running back Jessie Walker and Saline running back Branko Vulcovic, were chosen unanimously by the league's coaches, an unusual situation, according to Chelsea coach Gene LaFave.

Quilter also made the honorable mention defensive team.

Quilter was the only Bulldog named to the first team. However, Chelsea was well represented on the second team and honorable mention squads.

Quilter had 1,271 yards rushing, a school single-season record. He also had 28 receptions for 645 yards and scored 26 touchdowns. His punt and kick-off returns totaled another 972 yards.

Senior center and noseguard Tim VanSchoick was named to the second team on both offense and defense. He had 89 tackles, 12 quarterback sacks, and another 12 stops for losses.

Offensive guard and linebacker Matt Herter made second team on offense and honorable mention defense. Herter was the team's best blocker and led the defense with 94 tackles.

Senior Lance Satterthwaite was named to the second team as a guard.

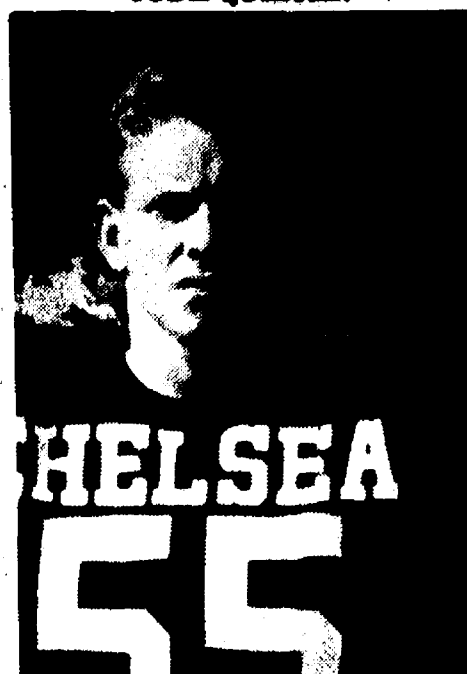

Senior linebacker Mark Chasteen, who had 85 tackles, was also on second team.

Sophomore tackle Mike Terptrak and senior quarterback Kyle Plank were honorable mention selections on offense.

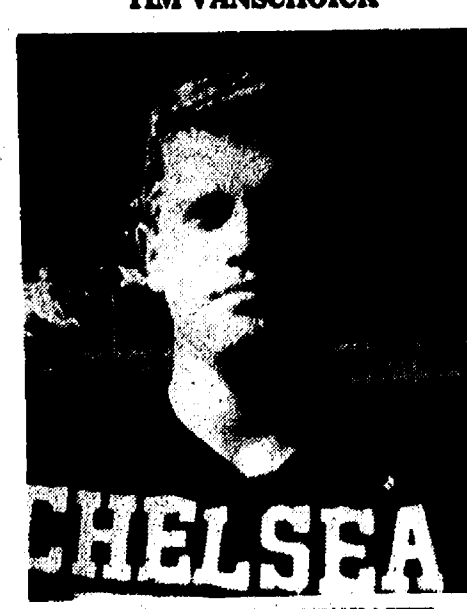

Ron Stacy, a senior defensive end, who finished with 32 tackles, also made honorable mention.

Benefit Dance To Help With Medical Costs

A benefit dance is being planned for Nov. 25 at St. Mary's Hall on Congdon St., in Chelsea. This dance is being planned with the co-operation of the Chelsea Area Teens, with Amy Mitchell acting as chairperson.

Proceeds from the dance are to benefit the families of Joseph Eassa and Robert "Bry" Beard who were injured in an auto crash this summer.

The dance will be held from 8 p.m. to 12 midnight. All the proceeds from the event will be divided between the two families.

While insurance has taken care of major expenses, these two families have been overwhelmed with miscellaneous expenses not covered by insurance. In addition, their respective long-range care will also incur added costs.

Tickets will be available at the following sponsoring businesses: Chelsea Pharmacy, downtown and mall locations, Frontier Mechanical, Lane Animal Hospital, Springer Insurance Agency, Porath Construction, Staffan-Mitchell Funeral Home, The Print Shop, and Palmer Ford-Mercury. The committee also appreciates the help of St. Mary's church for donating the hall for this event.

For further information you may call Amy Mitchell at 475-3488.

Manchester Area Marine Completes Marine Recruit Training

Marine Pvt. Allan R. Carson, son of Stephen A. and Hattie M. Carson of 5190 Happy Hollow Dr., Manchester, has completed recruit training at Marine Corps Recruit Depot, San Diego, Calif.

During the 13-week training cycle, Carson was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

He is a 1989 graduate of Manchester High school.

DENTAL ANXIETY: DIFFERENCES IN PERSPECTIVE BETWEEN DENTIST & PATIENT

Despite the fact that a visit to the dentist today is virtually pain free, the number one fear among dental patients is the "sound and feel of the drill" according to a recent survey generated by a dental products manufacturer.

Dentists, on the other hand, thought that anesthetic injections would cause the most patient anxiety the survey found. More than 40 percent of the patients listed the fear of the drill first on the dental anxiety list. The cost of dentistry placed second with 22 percent of patient respondents, and injections were third with 20 percent of respondents. Two out of three dentists—66 percent—assumed that injections would cause the most patient anxiety.

Patients should be thankful that dental drills have undergone dramatic improvements in recent decades. Not too many years ago belt driven dental drills rotated at only about 50,000 revolutions per minute. At the turn of the century things were even worse. Not only was there little or no local anesthetic available, but dental drills were driven by a foot pedal pumped by the dentist while he worked, similar to old sewing machines! Today's modern air-turbine dental drills rotate at speeds up to 450,000 revolutions per minute. These extremely high speeds require a constant water spray to cool the tooth and the drill and prevent overheating. They also allow for a much smoother and efficient operation than in the old days!

St. Joseph School Reunion Set, Aug. 11

"Were you or some member of your family a student at St. Joseph Catholic school, Dexter?" If so, the committee planning the St. Joseph All-School Reunion scheduled

Aug. 11, 1990, would like to hear from you.

Planners are seeking mailing addresses for all former students of St. Joseph Catholic school.

They'd like people who wish to attend the reunion festivities, which will coincide with the 150th Anniversary of St. Joseph parish, to contact the planning committee.

People to help with some of the work involved in co-ordinating the activities are also sought.

Perhaps, you may be able to provide more addresses of students who attended from 1920 through 1988, many of those the planners don't yet have. If so, please get in touch, as soon as possible.

Call one of the following: Josephine Nash Coy, 426-4340, Nellie Mannlein Naylor, 426-4485, or Joanne Larrowe McMahon, 425-2421.

Dial-A-Garden Topics Listed

The following is a weekly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, seven days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Letters to the Editor

Dear Editor:

Chelsea's scheduling of trick or treat from 4-6 p.m. is very insensitive to the needs of many working parents. For families with single working parents or, as is now very common, with both parents working, will likely find this timing extremely inconvenient. I would love to hand out candy or take my son trick or treating in my home town but, once again, we will probably go to grandma and grandpa's in Ann Arbor.

Some people will cite the safety factor in this decision but if the children are properly supervised by adults they should be quite safe. I don't remember a single incident of injury during trick or treat when I was a child and at that time not only was it held later but we weren't always accompanied by adults.

I would like to see Kiwanis have their party first, for example at 5 or 6 o'clock and trick or treating from 6-8 or 7-9 p.m.

John C. (Jack) Wood.

Dear Editor:

I am disappointed that The Chelsea Standard used what I feel is a sexist ad in the 10/25/89 edition. On page A5 is an ad for Chelsea Hardware in which appears a picture of a woman in jeans and a tank top, with hands on hips, backside to the viewer and looking provocatively over her shoulder. There is nothing in the ad relevant to the picture. This is pure sexism.

Lois Garman.

High School Senior Joins Air Force in Delayed Enlistment

Jeffrey S. W. Hood, son of William and Marjory Hood of 13915 Trinkle Rd., has entered the United States Air Force's Delayed Enlistment Program (DEP.)

According to Staff Sergeant Janice Edmond, the Air Force recruiter in Ann Arbor, Hood's entry into the DEP allows the Air Force to schedule an opening for him to attend basic training and be assigned to a job or skill area.

Hood will be a 1990 graduate of Chelsea High School and will enter the Regular Air Force on Sept. 4, 1990.

Following graduation from the six-week basic training course at Lackland Air Force Base, Tex., he will receive technical training in the electronics aptitude area and be assigned to an Air Force duty station.

Washtenaw County Continues To Grow

Washtenaw County Metropolitan Planning Commission has released population estimates for 1989. According to the estimates, the current population of Washtenaw county is 288,585 an increase of just over 8% since 1980.

Households, estimated to number 104,551, have increased by 13% since 1980. Households continue to grow at a faster rate than the population due to decreasing household sizes. The Commission estimates the average household size at 2.5 persons, per household, a 0.12 decrease since 1980. According to Denise Flynn, program supervisor, the county continues to grow even as household size decreases due to the strong pace of residential construction.

"Almost 2,700 building permits were issued in 1988. This translates into more households and more people. So even though household size is decreasing, with this much new construction the county continues to grow."

Flynn added that 1988 has been the busiest year for new residential construction since 1973.

In fact only the city of Ypsilanti is

estimated to have a lower population today than it did in 1980. However, that may be changing. In 1988 year both the number of households and population had decreased since 1980. This year the number of households is up by 1.0% and small increases in new household formation are expected to continue, according to Flynn.

The city of Ann Arbor with a 1989 population of 112,371, Ypsilanti township (45,440), and Ypsilanti city (23,750) top the list as the largest communities in the county. Completing the top five are Pittsfield township (16,260) and Scio township (10,504).

Scio is also among the fastest growing. With a 62% increase in population since 1980 it heads the list of fastest growing communities. Ann Arbor and Northfield townships are tied for second place with population increases of 48%. Lodi township is close behind with a 43% increase in population since 1980.

The complete report, "1989 Population and Household Estimates," Data Source, Vol. 4, No. 4, Sept. 1989 is available from the Washtenaw County Metropolitan Planning Commission for \$1.

COLOR GUARDS from the Chelsea American Legion Post 31 and the Chelsea VFW No. 4076 marched at the Veterans Day Parade in Dexter, Sunday, Nov. 5. Glen Mast of Dexter was grand marshal for the 1989 parade, which brought units to participate from many locations in Washtenaw county.

Cat Care Clinic Offered Sunday By Humane Society

If there's a special kitten or cat in your life, you won't want to miss the Humane Society of Huron Valley's Kitten and Cat Behavior and Care Clinic. Learn the secrets of training your cat to use a scratching post, grooming, dealing with loss of litter-box training, nutrition for the life cycle of your cat, and much more. Also featured are demonstrations and a questions and answer period.

The two-hour clinic will be taught by Linda Reider, HSHV's Director of Community Education and long-time cat owner. Bring the family—but not your pet—to the Ann Arbor Dog Training Club located at 1575 E. North Territorial Rd. (just a couple of miles east of US-23) on Sunday, Nov. 12, from 4 to 6 p.m. Complimentary cat identification tags and pet care literature will be provided. Donations will be gratefully accepted. For directions or more information, please call the Education Department at 662-5545.

The Humane Society of Huron Valley is a private, non-profit organization dedicated to preventing cruelty to animals and promoting respect for all life. Serving the residents of Washtenaw county and surrounding areas, HSHV provides a wide variety of services including 24-hour emergency rescue, cruelty investigation, low-cost spay/neuter facilities, pet adoption, and community education programs. The shelter is open to the public seven days a week, 11 a.m. to 5 p.m.

Small treasures: Microscopic diamonds older than the sun and the planets have been found imbedded in three different kinds of meteorites. Chemically unaltered since before the solar system was formed four and a half billion years ago, International Wildlife magazine reports that the diamonds may be the oldest particles discovered. They are so small that trillions of them could fit on the head of a pin.

Winter Health Risks For the Elderly

Practicing good health habits can reduce your risk of winter-related illness. Learn what these habits are and how to adopt them to help prevent colds and the flu.

Hypothermia will also be discussed with emphasis on why the elderly are more vulnerable to it and how to avoid it.

Treatment for the above illness will also be discussed at this program presented by the U-M Family Practice Center at Chelsea.

Thursday, November 9
6:30 - 8 p.m.

Dr. David Mehr, Geriatric Specialist, will present this program in the Family Practice conference center in the lower level of Chelsea Hospital. Dinner will be available in the hospital cafeteria 5:15-6:30 p.m. Participants are welcome to come early for dinner in the cafeteria or to carry it to the conference center.

Preregister by calling 475-1321, extension #272. A \$2 fee is payable at the door.

Letters to the Editor

Dear Editor:

Chelsea's scheduling of trick or treat from 4-6 p.m. is very insensitive to the needs of many working parents. For families with single working parents or, as is now very common, with both parents working, will likely find this timing extremely inconvenient. I would love to hand out candy or take my son trick or treating in my home town but, once again, we will probably go to grandma and grandpa's in Ann Arbor.

Some people will cite the safety factor in this decision but if the children are properly supervised by adults they should be quite safe. I don't remember a single incident of injury during trick or treat when I was a child and at that time not only was it held later but we weren't always accompanied by adults.

I would like to see Kiwanis have their party first, for example at 5 or 6 o'clock and trick or treating from 6-8 or 7-9 p.m.

John C. (Jack) Wood.

Dear Editor:

I am disappointed that The Chelsea Standard used what I feel is a sexist ad in the 10/25/89 edition. On page A5 is an ad for Chelsea Hardware in which appears a picture of a woman in jeans and a tank top, with hands on hips, backside to the viewer and looking provocatively over her shoulder. There is nothing in the ad relevant to the picture. This is pure sexism.

High School Senior Joins Air Force in Delayed Enlistment

Jeffrey S. W. Hood, son of William and Marjory Hood of 13915 Trinkle Rd., has entered the United States Air Force's Delayed Enlistment Program (DEP.)

According to Staff Sergeant Janice Edmond, the Air Force recruiter in Ann Arbor, Hood's entry into the DEP allows the Air Force to schedule an opening for him to attend basic training and be assigned to a job or skill area.

Hood will be a 1990 graduate of Chelsea High School and will enter the Regular Air Force on Sept. 4, 1990.

Following graduation from the six-week basic training course at Lackland Air Force Base, Tex., he will receive technical training in the electronics aptitude area and be assigned to an Air Force duty station.

WHO IS GOD? (part 2)

As we speak of the doctrine, or teachings, that is explained in the Bible, there is one teaching that should be at the apex of religion itself, a teaching with great clarity, a teaching taught from the first verse in the Bible, and this is the teaching of JEHOVA. Specifically, we will now look at his existence; and what better teaching to present as this is taught from the very beginning of the Bible. The first four words written in the scriptures are: Gen. 1:1 "In the beginning God." When looking at the physical attributes of God, we see that he is both eternal, and immortal in existence. This is why he is referred to as "Father," for nothing existed before God, and all things came into existence by his power. In the beginning, as stated in Gen. 1:1, before man, before there were animals, stars, universes, heavenly host of angels, before any existence, as we could understand, there was God. In this aspect, God is eternal, for he has always existed, and will continue to exist for all eternity. JEHOVA is also immortal, for it is impossible for JEHOVA to die. 1 Tim. 6:16 in speaking of God says this: "Who only hath immortality, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see; to whom be honor and power everlasting. Amen." JEHOVA is the source from which immortality comes from, and he is the only one who has possession, or ownership of it. Not even Jesus Christ has "ownership" of eternal life, for in 1 Pet. 1:3-4 we see that Christ was resurrected and given the incorruptible inheritance of eternal life. Jesus could not have had immortality previous to his resurrection or he would have been incapable of death. And even though Christ has been given the authority to judge the world, and give eternal life unto the righteous; he received this power from JEHOVA. (see John 5:25-30) JEHOVA alone abides as eternal, and immortal simultaneously. 1 Tim. 1:17 reinforces this as saying: "Unto the King eternal, immortal, the only wise God."

2 Corinthians 5:17 - "Therefore if any man be in Christ, he is a new creature (creation): old things are passed away; behold all things are become new."

Have you ever asked yourself, "Is this all there is to life?" Are you depressed, burdened by guilt? Don't give up! You can have a new beginning. Jesus died for you. He rose from the dead victorious over sin, sickness, poverty, and death. He did it all for you.

You are a spirit, you live in a body, and you have a soul (mind, will, and emotions.) When you accept Jesus as your personal Savior and declare Him as Lord, (Romans 10:9.) your spirit is reborn - recreated. God's life and nature are imparted into your spirit. Old things - sins and all your past life are removed, blotted out, and you become a new creation in Christ Jesus. No matter what you've done, Jesus' blood washes you white as snow. You may then boldly stand before Almighty God, call Him, "Father," ask for and obtain mercy and find grace to help for every need. You pass from death to abundant life.

Make Jesus your Lord and Savior today! He's the God of new beginnings.

Washtenaw County Continues To Grow

Washtenaw County Metropolitan Planning Commission has released population estimates for 1989. According to the estimates, the current population of Washtenaw county is 288,585 an increase of just over 8% since 1980.

Households, estimated to number 104,551, have increased by 13% since 1980. Households continue to grow at a faster rate than the population due to decreasing household sizes. The Commission estimates the average household size at 2.5 persons per household, a 0.12 decrease since 1980. According to Denise Flynn, program supervisor, the county continues to grow even as household size decreases due to the strong pace of residential construction.

"Almost 2,700 building permits were issued in 1988. This translates into more households and more people. So even though household size is decreasing, with this much new construction the county continues to grow."

Flynn added that 1988 has been the busiest year for new residential construction since 1973.

In fact only the city of Ypsilanti is

estimated to have a lower population today than it did in 1980. However, that may be changing. In 1988 year both the number of households and population had decreased since 1980. This year the number of households is up by 1.0% and small increases in new household formation are expected to continue, according to Flynn.

The city of Ann Arbor with a 1989 population of 112,371, Ypsilanti township (45,440), and Ypsilanti city (23,750) top the list as the largest communities in the county. Completing the top five are Pittsfield township (16,260) and Scio township (10,504).

Scio is also among the fastest growing. With a 62% increase in population since 1980 it heads the list of fastest growing communities. Ann Arbor and Northfield townships are tied for second place with population increases of 48%. Lodi township is close behind with a 43% increase in population since 1980.

The complete report, "1989 Population and Household Estimates," Data Source, Vol. 4, No. 4, Sept. 1989 is available from the Washtenaw County Metropolitan Planning Commission for \$1.

COLOR GUARDS from the Chelsea American Legion Post 31 and the Chelsea VFW No. 4976 marched at the Veterans Day Parade in Dexter, Sunday, Nov. 5. Glen Mast of Dexter was grand marshal for the 1989 parade, which brought units to participate from many locations in Washtenaw county.

Cat Care Clinic Offered Sunday By Humane Society

If there's a special kitten or cat in your life, you won't want to miss the Humane Society of Huron Valley's Kitten and Cat Behavior and Care Clinic. Learn the secrets of training your cat to use a scratching post, grooming, dealing with loss of litter-box training, nutrition for the life cycle of your cat, and much more. Also featured are demonstrations and a questions and answer period.

The two-hour clinic will be taught by Linda Reider, HSHV's Director of Community Education and long-time cat owner. Bring the family—but not your pet—to the Ann Arbor Dog Training Club located at 1575 E. North Territorial Rd. (just a couple of miles east of US-23) on Sunday, Nov. 12, from 4 to 6 p.m. Complimentary cat identification tags and pet care literature will be provided. Donations will be gratefully accepted. For directions or more information, please call the Education Department at 682-5545.

The Humane Society of Huron Valley is a private, non-profit organization dedicated to preventing cruelty to animals and promoting respect for all life. Serving the residents of Washtenaw county and surrounding areas, HSHV provides a wide variety of services including 24-hour emergency rescue, cruelty investigation, low-cost spay/neuter facilities, pet adoption, and community education programs. The shelter is open to the public seven days a week, 11 a.m. to 5 p.m.

Small treasures: Microscopic diamonds older than the sun and the planets have been found imbedded in three different kinds of meteorites. Chemically unaltered since before the solar system was formed four and a half billion years ago, International Wildlife magazine reports that the diamonds may be the oldest particles discovered. They are so small that trillions of them could fit on the head of a pin.

Winter Health Risks For the Elderly

Practicing good health habits can reduce your risk of winter-related illness. Learn what these habits are and how to adopt them to help prevent colds and the flu.

Hypothermia will also be discussed with emphasis on why the elderly are more vulnerable to it and how to avoid it.

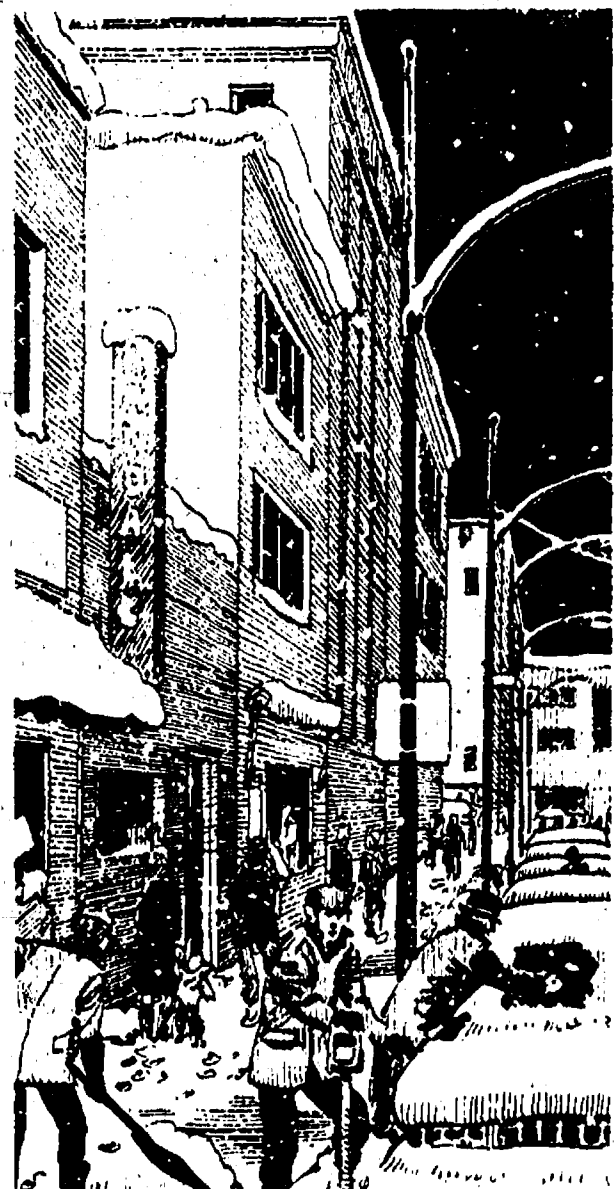

Treatment for the above illness will also be discussed at this program presented by the U-M Family Practice Center at Chelsea.

Thursday, November 9
6:30 - 8 p.m.

Dr. David Mehr, Geriatric Specialist, will present this program in the Family Practice conference center in the lower level of Chelsea Hospital. Dinner will be available in the hospital cafeteria 5:15-6:30 p.m. Participants are welcome to come early for dinner in the cafeteria or to carry it to the conference center.

Preregister by calling 475-1321, extension #272. A \$2 fee is payable at the door.

McDonald's®

wants you to

be a Store

Activities

Representative!!

A Store Activities Representative

at McDonald's is that person who

makes our restaurant a warm, fun

place to visit.

We're looking for an indi-

vidual who's friendly, outgoing,

enthusiastic, and most impor-

tantly, one who likes people.

As a Store Activities Repre-

sentative, you'll be involved in

all of our in-store activities — such

as, birthday parties and store

tours. You will spend most of your

time in the restaurant's dining

room ensuring that each of our

customer's visits to McDonald's

is a friendly experience.

This position requires no

prior experience; we will train

you! If you would like to become

a McDonald's Store Activities

Representative, please see the

manager—Anytime.

Memoriam

AN OPEN LETTER TO KRISTEN.

Love, you are in our thoughts
every day. Tears stream down
our faces as we recall 18 years of
precious memories shared with
you. Sure wish you were coming
home for the holidays. Need a
hug! We all love and miss you.
Mom (Dew), Dad, Kurt, Gram,
Pris. (Thanks again to all who
have STOOD BY US this first
year without her.)

ROBERT W. BENTLEY

In loving memory of my grand-
son, Robert W. Bentley, who
passed away 5 years ago Nov.
9th. Always a smile instead of a
frown. Always a hand when a
friend was down. Always so jolly,
thoughtful and kind. What a
beautiful memory you left
behind. Loved and missed by—
Edith Slane and family.

MARY PATAROZI REILLY

In loving memory of Mary Pat-
tarozzi Reilly who passed away
one year ago Nov. 11. One year
has passed and gone, since one
we loved so well, was taken from
our home on earth, with Jesus
Christ to dwell. The flowers we
place upon her grave, may wither
and decay, but the love for her
who sleeps beneath, shall never
fade away. Sadly missed by—
Carmen, Jake, Karen,
Jerry, Mary Beth,
and great-grandchildren.

LYNDON TOWNSHIP
PUBLIC HEARINGS

Notice of Public Hearing on Proposed Amendment to the
Lyndon Township Private Road Ordinance.

Take notice that the Lyndon Township Board will hold a
Public Hearing on November 14, 1989 at 7:30 p.m. at the Lyndon
Town Hall, (corner of Lyndon Town hall and N. Territorial
Roads) for the purpose of considering an amendment to the
Lyndon Township Private Road Ordinance #5 by the addition
thereto of provisions to govern a permanent access easement
for the service of a single family residence, only, and to
regulate the construction, maintenance, and use of private
streets and roadways within Lyndon Township for recreational
or similar use, the use thereof by traffic, the parking of
vehicles thereon, the administration and enforcement thereof,
fees to defray the administrative enforcement clause incident
thereto, and to insure that residence and buildings within the
Township may be accessible to police and fire protection, and
for other purposes. Written comments concerning the above
will be received by regular mail at 11995 Roepke Road,
Gregory, Michigan 48137.

Legal Notice 21

MORTGAGE SALE—Default having been
made in the terms and conditions of a certain
mortgage made by DUANE D. PUTMAN
and GAIL PUTMAN his wife, Mortgagee, to
Standard Federal Savings and Loan Associa-
tion, now known as Standard Federal Bank,
a federal savings bank, of Troy, Oakland
County, Michigan, Mortgagee, dated July 2,
1981, and recorded in the office of the
Registrar of Deeds for the County of
Washtenaw and State of Michigan, on July
15, 1981, in Liber 188, on Page 776, of
Washtenaw County Records, on which mort-
gage there is claimed to be due, at the date of
this notice, for principal and interest, the
sum of Thirty-two Thousand Two Hundred
Nineteen and 10/100 Dollars (\$32,219.19).

And no suit or proceeding at law or in
equity having been instituted to recover the
debt secured by said mortgage or any part
thereof. Now, therefore, by virtue of the
power of sale contained in said mortgage
and pursuant to the statute of the State of
Michigan in such case made and provided,
notice is hereby given that on Thursday,
December 14, 1989, at ten o'clock a.m., local
time, said mortgage will be foreclosed by a
sale to public at the highest bidder, at the
West entrance to the Washtenaw County
Building in the City of Ann Arbor,
Washtenaw County, Michigan (that being
the building where the Circuit Court for the
County of Washtenaw is held), of the pre-
mises described in said mortgage, or so
much thereof as may be necessary to pay the
amount due, as aforesaid, on said mortgage,
with the interest thereon at Thirty percent
(30%) per annum and all legal costs, charges
and expenses, including the attorney
fees allowed by law, and also any sum or
sums which may be paid by the undergar-
antee, necessary to protect its interest in the
premises, which said premises are describ-
ed as follows: All that certain piece or parcel
of land situate in the Township of Ypsilanti,
in the County of Washtenaw, and State of
Michigan, and described as follows: Lot
Two Hundred Thirty-Four (234), and the
South half of Lot Two Hundred Thirty-
three (233), DEVONSHIRE SUBDIVISION
NO. 2, as recorded in Liber 7 of Plats, Page
44, Washtenaw County Records.

During the six months immediately follow-
ing the sale, the property may be redeemed,
except that in the event that the property is
determined to be abandoned pursuant to
MCLA 600.2241, the property may be
redeemed during the 30 days immediately
following the sale.

Dated at Troy, Michigan, October 16, 1989,

Minimum Wage Compromise Opposed By Farm Bureau

Michigan Farm Bureau is opposing the minimum wage compromise recently worked out by Congress and the White House. Public affairs director Al Almy said farmers don't think it's fair that they are prohibited from offering a sub-minimum training wage to seasonal workers.

"I think the concern here is that a first-time worker is a first-time worker," he said. "These people do not have the skills to be as productive on the job as an experienced person. And whether that person is working in agriculture, in a hardware store or on a construction crew, the employer should be able to be compensated somewhat for that inexperience by paying the subminimum wage."

The U. S. House was expected to vote on the minimum wage increase on Thursday, Nov. 2.

Information Break Set For Northbound Hunters

Deer hunters heading north this year for the Nov. 15 firearm deer season opener can stop and take an information break at two "Deer Hunter Information Stations" located along US-27 at Clare and I-75 near St. Ignace, from Nov. 11-14.

Department of Natural Resources (DNR) conservation officers and wildlife biologists will staff the special stations to provide hunters with deer hunting literature and answer questions on deer concentrations, hunting prospects, regulations, and places to hunt and camp.

The stations will be located at the John C. Mackie Welcome Center on US-27 at Clare, and at the I-75 St. Ignace Welcome Center, situated 200 yards north of the Mackinac Bridge. Hours of operation will be 9 a.m. to 6 p.m., Nov. 11-13, and 9 a.m. to noon, Nov. 14.

"Last year, more than 4,000 deer hunters stopped at the two stations," remarked DNR director David Hales. "Now in our third year, this continues to be a fine opportunity for us to talk one-on-one with the hunters, and to exchange a great deal of valuable information."

Department of Transportation director James Fitz added, "We're pleased to offer the highway centers as a permanent location for the DNR and hunters to meet each November. Again our staff will assist in having tourist and lodging information on hand at these sites."

An estimated 700,000 hunters are expected to harvest 354,000 deer during the Nov. 15-30 firearm deer season, according to DNR wildlife biologists. Michigan's deer population is estimated at two million.

Information Booklet on County Nursing Homes Now Available

Selecting a nursing home for yourself or for a loved one can be a troubling, confusing process, especially when the essential information about various homes is in so many different places.

To put the facts and figures of Washtenaw County Nursing Homes at your fingertips, the Community Councils Association offers a booklet entitled "Washtenaw County Nursing Homes and Homes for the Aged."

The booklet presents detailed information on each nursing home and home for the aged in Washtenaw county, including its eligibility criteria, size, religious activities, and specific services. Social workers, clergy, and physicians, as well as family members and potential nursing home residents, will find the booklet useful and informative.

The Community Councils Association is a private, non-profit organization dedicated to enriching the lives of nursing home residents. CCA provides nursing home volunteer training and support, and seminars which focus on volunteer recruitment and management skills, volunteer skills for special projects, and other nursing home topics.

To obtain the booklet "Washtenaw County Nursing Homes and Homes for the Aged," or to find out more about the services offered by the Community Councils Association, please call the CCA office at (313) 663-3737.

Traveling Plants Will Be Studied at Botanical Gardens

On Sunday, Nov. 12, at 2 p.m., docents at the Matthaei Botanical Gardens will offer to the public a one-hour tour of the Conservatory. The theme is "Traveling Plants."

Plants have always been a focus of exploration, and because of exploration and trade, many plants have been moved far from their origins. As various areas of the world were colonized by conquering nations, familiar plants were carried in their cargo and introduced to the new lands. And, conversely, plants native to these new regions were discovered and taken back to the homeland. The tour will look at some of the plants which played a significant role in the early days of exploration of the New World.

Due to space limitations, the tour can accommodate a maximum of 30 persons. Reservations are highly recommended, although interested persons may sign up on the day of the tour on a space available basis. For reservations, call 998-7081.

Conservatory admissions apply: \$1 per person; Friends members and children under six years old, free. Matthaei Botanical Gardens is located at 1800 N. Dixboro Rd., Ann Arbor, 1/2 mile south of the Plymouth Rd. intersection.

ROTARY CLUB members are launching their annual calendar sales. Rotary Club president Mark Cwiek, left, announced that the club's two past presidents, Bob Thornton, center, and Dr. Fred Van Reesema would be co-chairmen of the sales event.

Rotary Club Launches Annual Calendar Sales

President Mark Cwiek officially inaugurated the Rotary Club yearly calendar program last week by announcing that the co-chairmen would be the two past presidents, Bob Thornton and Dr. Fred Van Reesema.

Each chairman has set up teams of Rotarians to sell to the community. There is a limit of 300 available. This popular item is expected to be sold out quickly.

The calendars sell for \$25 and each buyer is registered to win a daily raffle of \$50. There is in addition a new year's prize of \$400, a monthly prize of \$400, a mid-year prize of \$2,500 and a grand prize of \$5,000.

There are 28 Chelsea \$50 winners so far this year. One winner received the

monthly \$400 prize. This comes out to 12% of all those who bought calendars won a prize. Calendar chairman Paul Marshall considers this a good incentive for this year's sales. Paul had discovered this unique idea while visiting the Potosky Rotary Club.

The work of Chelsea artist Kathy Muha is featured in this year's calendar.

Using Rotary's theme of "Service Above Self," the local Rotarians will use the proceeds of this year's calendar sale to assist in their programs of student scholarships, youth leadership awards, handicapped students and international student exchange.

A total of 10 Rotary clubs work together to sponsor the calendar program. There are 379 cash raffles worth \$30,900. Sales are limited making the odds so favorable. This raffle is registered with the State of Michigan. Further information from any Rotary member.

The club continues to grow each week. Meetings are held Tuesday nights at the Woodlands Room of the Community Hospital. Visitors are welcome.

YOUR MONEY OR YOUR LIFE.

When you give to the Red Cross, you take on a great responsibility: saving thousands of lives. Maybe even your own.

American Red Cross

Local Scouts Joining Scouting for Food Drive

Boy Scouts, Cub Scouts and Explorers from the Chelsea area will be out in your neighborhoods this Nov. 11th and 18th as they join the nationwide effort to help feed the hungry as part of the second annual "Scouting for Food" campaign.

This Saturday, a Scout will be stopping by your home to drop off a special bag to be filled with foodstuffs. These could be canned meats, soups, stew or tuna. Also needed are items such as cereals, powdered milk, pasta, and canned vegetables. Baby formula and food for infants is also high on the list of needed items. After these bags are filled, they may be placed on the front step of the home for pick up on Saturday morning, Nov. 18.

After the food items are collected, the Scouts and their parents will sort them and deliver them to the local

foodbanks to help fill the pantries for the holiday and winter seasons. Last year more than two truckloads of collected foods were delivered to both Faith in Action, and Chelsea Social Services.

The total number of items will be counted and this number reported to the National Council as our area's part in the nation-wide effort.

Last year's collection took part within the village limits and was very successful. This year the group will branch out into the local subdivisions and major roadways.

If you have questions or a large number of items to be picked up please call 475-3617.

Distribution of food bags and collections will begin at 9 a.m. both days.

Tree of Lights To Benefit New Park Gazebo

The second annual Tree of Lights fund-raiser, sponsored by the Chelsea Rotary Club, will this year dedicate half of its collection to help build the new Pierce Park Gazebo, scheduled to be erected in 1990.

Members of the Chelsea community are invited to take part in this unique holiday event by purchasing a bulb or bulbs to be lit in honor or memory of loved and esteemed individuals. Those who are remembered by these "lightings" will be commemorated in a Book of Honor, which will be kept at the Chelsea State Bank branch office on M-52 and Old US-12, by the official Tree of Lights. Newspaper publication of all those honored or memorialized will take place just after this holiday season.

The Tree Lighting Ceremony shall take place on Friday, Dec. 1, at 6 p.m. As last year, there will be short presentations made at the tree before the lighting and caroling led by the Contemporaries. The group will be led to the center of town along the candle walk, as part of the Chelsea Festival of Lights sponsored by the Chelsea Chamber of Commerce. Rumor has it that Santa will be awaiting the group uptown.

Information and order forms for the purchase of holiday lights are to be found in upcoming editions of The Chelsea Standard. For more information regarding the Tree of Lights, please contact Dr. van Reesema (475-3925) or Katie Chapman (475-7558). For more information about the Festival of Lights, contact Ann Feeney at the Chamber of Commerce (475-1148).
