ONE HUNDRED-NINETEENTH YEAR—No. 48

CHELSEA, MICHIGAN, WEDNESDAY, APRIL 25, 1990

24 Pages This Week

IT TOOK VILLAGE WORKERS most of the day Thursday to repair a broken water main on Jackson St. near the Chelsea Depot. Above, water is pouring out of the pavement while a backhoe operator tries to get to the problem.

## Village Re-Joins WDC, Plans To Market Park Through Three Realtors

The village has made two moves which it hopes will help market its industrial park on Sibley Rd.

After several weeks of discussion, council voted 5-1 (Dennis Hall cast the only dissenting vote) to re-join the Washtenaw Development Council (WDC) for another year. In November, council voted to drop out and not pay the \$2,200 in annual dues. WDC is primarily concerned with job creation and retention in the county. It is often heavily involved in finding places for companies to relocate to.

In another move, the village has also decided to deal with three real estate companies rather than one in an effort to get more exposure for the park.

Until recently, WDC was a source of great controversy for village council, partly because it was perceived as not working on the village's behalf, particularly in bringing clients to the industrial park. Council members questioned why Saline and Dexter were having so much success.

However, that all began to change when it appeared the village may be on its way to obtaining two new park tenants. In addition, new council members Frank Hammer and Jack Myers openly expressed their support for staying in the organization.

Also, village administration supported re-joining the organization for several reasons, including the timing as well as WDC's expertise in dealing with the state.

McKernan Realty Co., which secured the initial listing of the park last year despite having almost no experience selling industrial property, will have the right to sell the park along with Swisher Realty and Spear & Associates, both of whom have commercial and industrial divisions. However, for the next 120 days, McKernan Realty Co. will have the exclusive listing on seven of the 18 lots. Mark McKernan indicated to council that he has good reason to believe that he is close to selling land

to two companies. Those companies could use as many as seven lots. The sticking point, said assistant village manager Tom Warstler, is McKernan's clients have to work out some details with the state before the deals can be closed.

WDC director Gretchen Waters told council she has seen industrial parks marketed successfully in a variety of ways. She said Saline does not deal exclusively with a particular real estate company but has been successful, partly because the city is aggressive.

She also said it's hard to weigh the value of having a local person who knows the community against someone who has plenty of industrial real estate experience but isn't necessarily familiar with the community. McKernan has been the village's representative to the WDC since his company secured the listing. Just who will represent the village after McKernan's exclusive listing runs out has not been worked out.

## Village Asked To Annex 156 Acres of Farmland

The village has been asked to annex a 156-acre parcel of farmland east of the wastewater treatment plant in Lima township.

The parcel belongs to the Henry and Martin Merkel family. A few years

ago the village purchased the western edge of the property for its new wastewater treatment plant.

According to village manager Robert Stalker, the annexation application does not mention how the Merkels intend to use the property.

However, it's highly unlikely it will remain farmland and the most likely development is more housing. The parcel is roughly four times the size of Belser Estates on Freer Rd. A development of single-family homes could have a significant impact on available capacity at the village's

wastewater treatment plant, Stalker told village council last week.

Stalker said the village will insist on some sort of annexation agreement, as it did with land annexed on Old US-12 by Rene Papo for senior citizens housing and apartment units. The agreement would specify the intended zoning of the property and who will pay for what site improvements.

The Merkels, by way of an easement agreement signed with the village in 1976, already have a commitment by the village to extend utilities to the land, Stalker said.

## Speeders Worry Residents on Railroad St.

Chelsea Police Department agreed to pay closer attention to speeding problems on Railroad St. after area residents brought the matter to the attention of village council last Tuesday.

Residents Brian and Peggy Cashman presented a petition to council, along with a letter outlining the problem. They said speeding occurs in both directions and that they are worried about the safety of children and pets.

## Chelsea Lions To Collect for White Cane Week

Chelsea Lions Club will be soliciting funds this week-end to support a variety of charitable causes during a state-wide "White Cane Week."

The money will be used to support eye examinations and glasses for needy Chelsea residents, white canes for the visually impaired, Girls State, Chelsea Social Services, Leader Dogs for the Blind, Michigan Braille Transcribing, Michigan Eye Bank, Welcome Home for the Blind, Chelsea Special Education, Chelsea High School Scholarship Fund, Chelsea Area Transportation Service, and Michigan Talking Books.

Club members will be at Chelsea State Bank, Ames Department Store, and the in the downtown business district.

## Players To Hold Auditions For Summer Musical

Dogpatch comes to town this summer when the Chelsea Area Players present their annual musical, "Li'l Abner," by Norma Panama and Melvin Frank. Casting auditions and director appointments have been announced by Shelley Wheaton, this year's producer. Tryouts will be held at Beach Middle school at 7:30 p.m. on Thursday and Friday, May 10 and 11, and at 1 p.m. on Saturday, May 12. Earlier notices erroneously indicated that auditions would be held a week earlier.

Newell Kring has been appointed artistic and choral director, and Peter Village Extends Sludge Contract

Village of Chelsea has extended its contract for a year with its current sludge-hauling company.

Village council gave Great Lakes Agricultural Services, Inc. an extension until Feb. 15 at the original contract price. Due to the switchover at the new wastewater plant, Great Lakes did not get the business it anticipated, so the contract was extended. The service will be put out for bids again next year, said village manager Robert Stalker.

Rosheger will direct the orchestra. Mike Fouty will handle ticket sales. Production dates are July 20, 21, 22, 27, and 28.

"Li'l Abner" requires a large cast, including children of all ages, and offers multiple lead roles. Singers and

## New Agricultural Building Started At Fairgrounds

Price Brothers will again serve as auctioneers for the Chelsea Community Fair Livestock Auction this year.

In other fair board business at the regular April 19 meeting, the board accepted a menu offer for the fair kitchen from Bud Janich.

The addition, the service center building is ready for floor and painting.

The agricultural exhibit building has been started.

New sewer lines for the carnival have been installed.

The fire truck for watering the arena is being repaired and will be ready to go for the fair.

## Steele To Nominate Tom Dorer for Trustee

Village president Richard Steele plans to nominate Tom Dorer next Tuesday for the vacant village council seat.

Dorer, who lives at the corner of Washington and Freer Rd., would finish out the remaining year of the seat vacated by Steele with his election in March as president.

"He was recommended to me by a

couple of council members," Steele said Monday.

Last Tuesday, April 17 Steele nominated former village president Charles Ritter, who received the fourth highest number of votes for trustee in the recent election. However, the matter never came to a vote as no trustee seconded the nomination.

Dorer, a 1969 Chelsea High School graduate, has lived in his current home for two years. A plumber by trade, Dorer at one time worked for the village in the electric and water department. He says he holds a drinking water treatment license.

Dorer was born and reared at Cedar Lake. He has a wife, Carol, and six-year-old son, Robert.

## Detroit Man Drowns In Cavanaugh Lake

A 26-year-old Detroit man drowned trying to save his three-year-old son in Cavanaugh Lake Monday night.

As of press time Tuesday, divers from the Washtenaw County Sheriff's Department were still searching for the body of the father.

The son was taken to Chelsea Community Hospital and later transferred to Mott Children's Hospital in critical condition. His condition was upgraded to serious by Tuesday morning.

According to police, the man and his son were boating and fishing on a float boat behind the Cavanaugh Lake Store shortly after 7 p.m. when the boy fell into the water. The man dove in to save his son and retrieved him, but the boat began to drift away.

Witnesses swam and grabbed the boy but the man slipped below the water and disappeared. CPR was performed on the boy at the scene.

According to the Chelsea Fire

Department, the boy was not wearing a live preserver when he was brought to shore.

Police said the water temperature was 47 degrees.

A helicopter and divers were brought to the scene but efforts to find the man were stopped after dark. Fire

rescue workers used a float boat to search for the body before police rescue teams arrived.

Name of the victim was being withheld until a positive identification could be made. However, he was believed to be visiting a relative at the lake.

## Village Planners Get a Pro With Appointment of Barkley

Village resident and professional planner Fred Barkley has been appointed to the Chelsea Village Planning Commission.

Barkley takes the place of Westside Gym owner Jon Oesterle, who resigned.

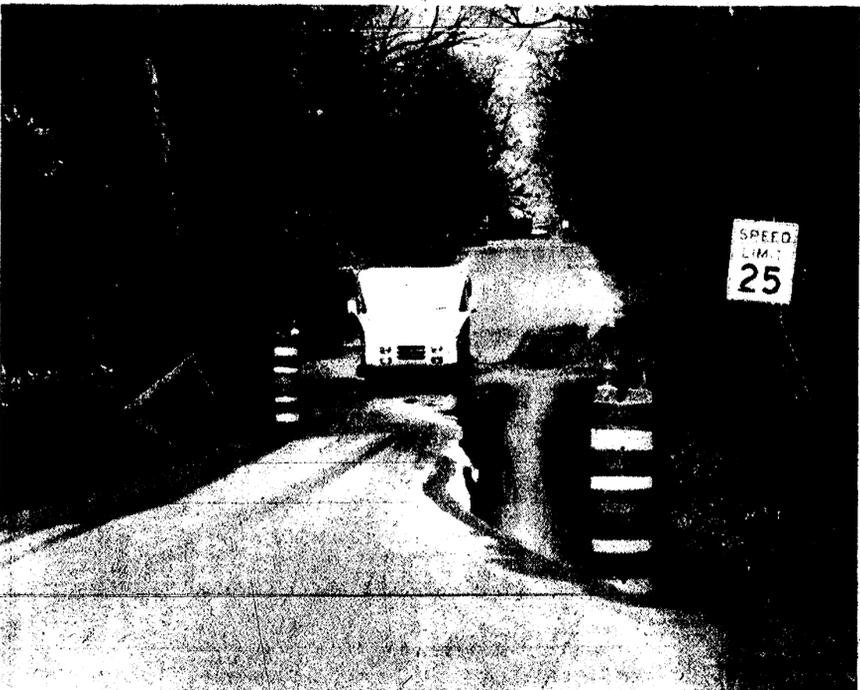

Barkley, as a professional planner,

has been involved in village matters in the past. His name, along with consultant Carl Schmult, is on zoning maps in the village office. He and Schmult used to be in business together.

Barkley now works for the Washtenaw County Parks and Recreation Department.

CHELSEA COMMUNITY FAIR has begun building its new agricultural building next to the livestock building off Old Manchester Rd. It is the second significant project undertaken by the fair this year, the first being the expansion of the fair service center.

FREER ROAD is under water just inside the village limits as the Palmer-Baldwin drain is having trouble handling the stormwater run-off from the most recent rains. The drain is also responsible for the chronic standing water on Mayer Dr.

### 4 Years Ago . . .

Wednesday, April 30, 1986—

Owners of the Sylvan Hotel and the former F&M Restaurant on N. Main St. were notified by mail that the village wanted to inspect their properties. According to administrator Fritz Weber, the buildings were being inspected to see whether they violated the village's Dangerous Building Ordinance adopted in June of last year. They were to be inspected by the county. The ordinance detailed a long list of problems that would cause a building to be deemed dangerous. The Sylvan Hotel burned last summer and had been boarded up since then. Owner George Merkel said the building's foundation is solid. He said he is considering selling the building to a local person.

More than 70 Chelsea fourth, seventh and 10th graders were honored last week at their schools for scoring 100 percent on the Michigan Educational Assessment program test of basic math and reading skills. The tests are given annually to fourth, seventh and 10th graders. This year, by order of the state department of education, students state-wide were honored. "While it might not have been the most difficult test, it is still quite an accomplishment to score 100 percent," Chelsea High school principal John Williams told the sophomores when they were presented their certificates of achievement in the Board Room.

Lou Doyle, of Pinckney, recorded the season's first hole-in-one at Inverness Country Club. Doyle used a five iron on the par three, 177-yard seventh hole. He finished with a total score of 41 for nine holes. The feat was witnessed by Glen Hunter, of Livonia. Chelsea JV softball pitcher Jenny Pichlik tossed a no-hitter against arch-rival Saline, and the Bulldogs won three of four contests in action last week against the Hornets and Jackson Northwest. The Bulldogs suffered their first loss of the season, but handily won the other three games.

### 14 Years Ago . . .

Thursday, April 22, 1976—

Chelsea United Methodist Retirement Home sponsored an outdoor work day. More than 20 volunteers, residents, and maintenance staff joined forces to make improvements on the grounds. Starting early Saturday

morning, the workers pulled out overgrown shrubbery, transplanted trees, put in new planting, and trimmed and beautified the grounds. The administrative staff entered into the spirit of the work day, helping outdoors and providing coffee and a sit-down lunch. The work day grew from discussions at an Agency Committee meeting regarding the condition and appearance of the Home's grounds. The Rev. Clare Tosch, members of the Chelsea Agency Committee, felt the landscaping could be completed at a lower cost by the use of more volunteer labor.

A seminar for parents on "Drug Use" was to be the first step in a constructive approach to alcohol abuse among teens. Local concern had grown out of contact and observation of teens by community leaders. Teen deaths in autos, admission to hospital and emergency treatment for alcohol overdose, a growing use of both alcohol and other drugs, a growing number of teen-age alcoholics, and use of alcoholic beverages by school-age young people, provided evidence for concern.

### 24 Years Ago . . .

Thursday, April 28, 1966—

David A. Wood of Chelsea won a Michigan State University merit Scholarship. He was the first Chelsea student to be selected for the high honor since the program was started 11 years ago. Merit Scholarships provide from \$400 to \$6,000 each.

Supporters of Mrs. Segal scheduled a public meeting with her for Thursday at the Sylvan Township Hall. All interested persons were invited to attend, according to James LaGoe, high school English teacher and chairman of the "Committee for Barbara Segal." At that time an explanation of the charges was to be presented and questions were to be asked of Mrs. Segal, according to LaGoe. Moderator for the evening was to be the Rev. John Smucker.

The following statement was issued by four Chelsea ministers following a meeting of the Chelsea Minister's Fellowship. The four ministers signing the statement were James A. Craig, John Smucker, Robert Livingston and Warner Siebert. "The Chelsea Minister's Fellowship concerned over the present turmoil in the community and school district, make the following observation and appeal: First it is true that the Chelsea School Board has faithfully discharged its legal responsibilities. Second, the Chelsea school Board is bound to bargain or negotiate only with the Chelsea Education Association or with the teacher involved in the event of a grievance." The statement continued to urge calmness in a crisis situation.

**Regional Tax Base Sharing To Finance Education Proposed**  
School Districts within Intermediate School District (ISD) boundaries could share 15-25 mills under a proposal unveiled by Sen. Vern Ehlers (R-Grand Rapids). But he and other proponents are pessimistic whether the plan could pass the Legislature during this election year.

Under the plan, people within an ISD could vote to share 15-25 mills—as specified on the ballot—for operations purposes after a 10-year phase-in period.

Such a proposal could be placed on the ballot approved by the ISD board, the majority of school boards within an ISD, or a petition drive and a majority vote throughout the ISD would put the plan into place.

"It's important to emphasize that this is a local option, and is certainly not a legislative mandate," said Ehlers who compared it to the "permissive" legislation passed to implement 911 emergency number systems. "I'm hoping the same will happen here."

Justin King, executive director for Michigan Association of School Boards, greeted the plan enthusiastically. "It is simply another tack that could lead towards some cooperation and maybe some more equity if their people would decide to do that on their own. I see that as a potential means of assuring that school districts can continue to function," he said.

Because the plan is optional, Ehlers said that could help it gain legislative acceptance. "This will not get total equity within the state, but it will be far better than it is now."

Sen. Dan DeGrow (R-Port Huron) agreed. "It helps. It's not a cure-all, but it's one piece of the puzzle."

However, neither was optimistic the plan could be approved by the Legislature this year. "I think it will be tough to pass anything this year, but one never knows," DeGrow said. Added Ehlers: "I'm throwing this out to get a reaction to it."

One problem Ehlers anticipates is resistance from out-of-formula districts, who would have to share

their tax base. "Obviously, this would be a shock to wealthier districts," he said, but added, "They will not lose revenues."

The 10-year phase-in, designed to help alleviate that shock, provides for sharing only the growth in property values, not the full property tax base subjected to the shared millage rate.

However, an analysis by the Senate Fiscal Agency notes that for most school districts, more than half of their revenues would be from the millage on the shared base after the 10-year period.

Revenues raised up to the voter-approved maximum 15-25 millage rate would be redistributed by the ISD on a per-pupil basis to all member districts; each school district would keep all revenues on taxes beyond that millage rate.

If the shared tax base plan is implemented, new ISD boards would be required. Such boards would consist of one member from each constituent district.

There are 57 ISDs in Michigan, ranging in membership from the Wayne ISD's 34 districts to two districts in the Barry ISD.

which are based on the task force's recommendations, are:

- Requiring "plain language" explanation of tax problems and reasons the Treasury Department believes taxes are owed.

- Publishing a taxpayer rights booklet to be sent with each letter or notice to the taxpayer.

- Mandating that a "courteous and unthreatening" letter of inquiry be the first step in any assessment/dispute process.

## Woman's Club Hears Musolf On Homeless

Patti Johnson Musolf was the speaker at the April 10 meeting of The Woman's Club of Chelsea held in the club room at McKune Memorial Library. She spoke of "Unconditional Love" while ministering to the homeless on the streets of Skid Row Chicago on behalf of the Olive Branch Mission.

The Olive Branch is a non-denominational mission offering food and shelter to the homeless and hopeless. Patti currently serves as the Southern Michigan Free Methodist Conference Representative to the Olive Branch Mission. Patti spends all of her various vacation times ministering to these homeless people. Sometimes her husband and children accompany her. Her very moving presentation was highlighted with slides illustrating the work she does.

Following the program, Jinny Johnson presided at a business meeting which included reports from nominating and finance committees to the annual business meeting.

Marge Travis reviewed plans for the annual May Dinner to be held at the Brandywine Restaurant in Jackson.

Lila Pawlewski announced plans for the annual Marathon Bridge Dinner to take place May 17 at Our Saviour Lutheran church.

Marjorie Hepburn was a guest for the evening.

The annual business meeting will be held April 24. Officers will be elected for the ensuing year and annual reports of the year's activities will be submitted by officers and committee chairpersons.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Zeke Grubb got the full attention of the fellers Saturday night at the country store when he wondered whatever become of the U.S. Department of Agriculture. Use to, Zeke said, the USDA was in all the papers regular, and nobody paid any mind to the Vice President. Now ever move the No. 2 man makes is covered, and if you want to know about the state of agriculture you better stick with your farm journals.

What called the USDA to mind, Zeke said, was items in the papers about schools raising lunch prices because they were caught between higher food costs and cutbacks in USDA surplus foods. Zeke said he saw we need more food warehouses, but he missed any reports of running low on butter, cheese, rice and the rest to fill em.

Actual, Zeke said, this could be good news or bad news, depending on what's happening. Are we getting our farm surplus under control? Are we giving it to people who need it more than we do? Are farmers and ranchers being left to work out their supply and demand problems? As far as he can tell, Zeke said, we won't find out from the USDA.

General, the fellers viewed Zeke's questions with alarm. Clem Webster was of a mind that with all the warming of relations with the Russians you'd think there would be talk of more trade. All he's heard is that McDonald's is a big hit, and how much a bite a Big Mac takes out of the average Russian's wages. That ain't much comfort fer a feller whose future is tied to corn and wheat, was Clem's words.

Practical speaking, Clem said, we're still growing three times more food than we can eat, and Russia can't feed her people. In all that good will and promises of good conduct flowing between the countries there ought to be some suggestions from the USDA about food that would help them and help our trade balance, was Clem's words.

Furthermore, Clem said, you would expect to hear somepun from the USDA on what's going on with health care fer America's farm families. Clem had saw where medical care went up nearly 20 percent last year when the inflation rate was 4.6 percent. Folks on family farms are on their own, while most other working people git full or part coverage from their companies. A company is hit hard to provide this benefit, Clem said, but at least it gits to count health care costs as a business expense. Farmers and other self-employed

folks can deduct only 25 percent of their health insurance premiums, and that runs out in September.

Bug Hookum sided with Clem. He said politicians need to be reminded that the hole economy of this country ain't tied to car sales and gas pumps. As fer balance of payments, Bug said he don't know nothing about world markets and such, but when a farmer has to choose between keeping his tractor running and paying his child's hospital bill, you know what side he's on and what that does to his economy.

Actual, went on Bug, so much is changing so fast he gits the feeling we can't keep up. Our plan of patching ever pothole in the world with borrowed money is wearing thin.

We got to change, Bug said, so Washington, D.C. better not wait to be annexed by Maryland and be cut to state benefits. It better git busy and set up as a country, like the Vatican, and git in line fer fatter foreign aid.

Yours truly,  
Uncle Lew

## Diane Stark, William Lurkins Marry in Methodist Church

Diane Hardiman Stark, daughter of Mr. and Mrs. Arthur Hardiman of Highland, and William R. Lurkins were married March 31 at the First United Methodist church. The bridegroom is the son of the late Mr. and Mrs. Max Lurkins.

The Rev. Dr. Gerald Parker performed the ceremony.

The bride wore a street-length dress in ivory Georgette with long sleeves, pleated skirt, and lace tunic. Bridal flowers were ivory sweetheart roses and pink-tipped steponotis.

Susan Himes of Marquette, sister of the bride, was the matron of honor. She wore a pale pink street-length sheath with Dolman sleeves. Her flowers were pink sweetheart roses and miniature pink carnations.

The bride's mother wore a pale lavender blue dress with blouson bodice and pleated skirt.

Best man was Terrance Dumas of Jackson.

A reception followed at the Chelsea Community Fairgrounds Service Center for 150 guests. Decorations were by Amy and Thom Stark, daughter and son of the bride. Cake was provided by Ann Kirby of Dear-

born, sister of the bridegroom, and Cindi Wilson of Whitmore Lake, daughter of the bridegroom. Norma Burns of Ann Arbor handled the guest book.

The couple took a short wedding trip to northern Michigan.

The couple is residing in Chelsea.

JAMES GAUNT of Chelsea retired after 10 years on the Michigan Floral Association Board. Above, MFA President Kristi Flatt presents Gaunt a plaque of appreciation.

## Gaunt Retires From Floral Board

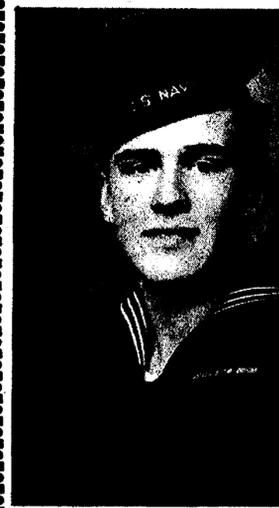

James Gaunt of Chelsea, past president of the Michigan Floral Association (MFA) and immediate past president of the Wholesale Florists & Florist Suppliers of America (WF & FSA), has retired from the MFA board of directors after 10 years of service.

Gaunt, who served as president of MFA from 1985 to 1987, led the association through some very challenging times, according to Kristi Flatt, the current president of MFA and owner of Lutey's Flower Shop in Marquette. Adds Larry Andrick, CEO and executive vice-president of MFA, "Jim has always displayed a keen sense of leadership, even in the most trying of circumstances. We very much appreciate his dedication to the betterment of the entire floral industry."

The former WF & FSA president is

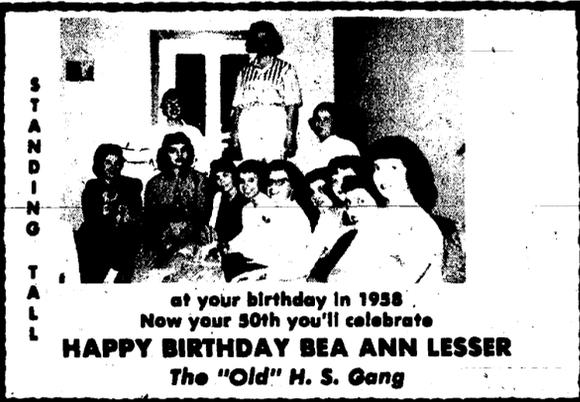

a second-generation owner of Romulus-based Southview, Inc., in which he was named a partner in 1950. Gaunt has been active with the Detroit Allied Florists Association since the early 1950's and has held several offices there, including that of president. He has also been involved with the Society of American Florists and the American Floral Marketing Council; in 1984, he was elected to membership in the American Academy of Floriculture.

Gaunt was recognized for his service to the Michigan Floral Association with an award presented at the annual MFA 1990 Spring Convention and Trade Fair's President Banquet and Ball. This year's convention, the theme of which was "Floral Visions—Past, Present, Future," was held recently at the Hyatt Regency-Dearborn in Dearborn.

## Eye Care

Cheryl Huey, M.D.  
Ophthalmologist - Eye Physician and Surgeon

### IS MY CATARACT "RIPE"?

Dear Doctor: I've been told I have a cataract. When should I have surgery? Do I have to wait until my cataract is ripe?

Answer: We no longer use the term "ripe" to describe a cataract—the term a cataract reach a certain stage of development before it could be removed. With modern surgical methods, surgery can be performed whenever the cataract is blurring vision enough to interfere with everyday activities such as reading, driving, hobbies or occupational needs.

How long to wait before having surgery depends on the individual's needs, symptoms from the cataract, and vision of the other eye. People who need sharp vision in both eyes for occupational needs, especially driving, will need surgery sooner than a sedentary person. Some people are bothered greatly by blurred vision from one eye, while others don't mind it. Some cataracts cause severe glaring or reflection in sunlight, causing near-blindness on sunny days even though the patient may see fairly well indoors.

After a thorough examination and recommendation by your Ophthalmologist, the decision to perform cataract surgery is made by you.

## Program on Children at Risk Slated Thursday at Church

A panel discussion titled "Children At Risk—How Can We Help?" will be held Thursday, April 26 from 7-8 p.m. at the Chelsea First United Methodist church, 128 Park St., in the sanctuary. It is being sponsored by United Methodist Women.

There will be four panelists. Pat Ruby works for Washtenaw County Social Services as a foster care licensing worker. Sue West is a counselor at Beach Middle school. John Aulisa is a court representative for Glenn Mills School, a school for adjudicated youth. Moira Hubbard works as a substance abuse counselor at Chelsea High school and Chelsea Community Hospital.

The panelists will be addressing three areas: a definition of children at risk, their job in dealing with children at risk, and ways the church and community can be supportive.

A question-and-answer period will follow the panel discussion. Refreshments and fellowship will complete the evening. Babysitting will be available by calling Debbie Noye at 475-1096. Program questions

may be addressed to Marilyn Lewis 475-7812.

## VFW Auxiliary Elects Officers

The local Ladies Auxiliary 4076, Veterans of Foreign Wars, met Monday evening, April 9, with 10 members in attendance.

Election of officers took place with results as follows: president, Lois Speer; senior vice-president, Virginia Boyer; junior vice-president, Bessie Sharp; chaplain, Gertrude O'Dell; conductress, Eulahlee Packard; guard, Joan Craft; trustee three years, Lucy Platt. Dorothy Lentz was appointed secretary. The remaining appointed officers will be announced at the May meeting.

The 55th anniversary date was chosen as May 20 to be celebrated along with the Post and will be held in the UAW Hall. The installation of officers will be held at that time. Virginia Boyer and Lucy Platt were chosen to act as chairpersons for this event.

The sixth district convention will be held in Hamburg, Sunday, May 6. Reservations for the dinner are to be in by April 30.

A love gift of \$5 each was allowed for the six high school graduates at the National Home.

Hospital chairman Lucy Platt gave a detailed report of the party held at the Ann Arbor VA Hospital on April 30. She also reported on non-auxiliary members as volunteers, and how the local group can sponsor them.

Bessie Sharp reported on the National Home, stating how a young father and his three small children can remain together and live at the National Home, otherwise they would have been separated. She also reported on the high school graduates of this year.

Joan Craft, camp chairman, reported all new beds have been purchased for the camp.

It was announced the VFW Buddy Poppy sales will be held in Chelsea May 18-19.

April 21 is the date for Special Bingo from 1 to 8 p.m. to raise funds for the Cancer Aid and Research program. This function will be held in the VFW Hall and all proceeds to be turned into the cancer program.

Emblematic flags were ordered and will be placed on deceased members' graves before Memorial Day.

The average human scalp contains about 100,000 hairs.

"Some falls are means the happier to rise..."  
—Shakespeare

Although it is difficult to envision misfortune in any form as being a prelude to happiness, it sometimes works out that way. Often it is the setbacks and disappointments along the way that make the eventual realization of our goals and ambitions all the sweeter. We seldom accomplish anything of consequence without experiencing momentary setbacks, hardship and a severe testing of our constitution. Our ability to overcome these hardships reaffirms the faith we must have in ourselves and the worth of our goals. The falls we suffer are unfortunate, but they do serve to make the eventual success much more enjoyable.

Families of all faiths may be certain of appropriate services when they place their trust in us.

## Letters to the Editor

Dear Voters of Dexter Township:  
Isn't it terrible that a few people are spreading misinformation to you?  
I am the individual that filed the recall petitions for James L. Drolett, Supervisor and H. Douglas Smith, Trustee. The Washtenaw County Election Commission approved the word clarity for these petitions.

Upon learning that I filed for these two recalls, many good citizens came forward saying that they feel the same way and want to help with this recall.

I am not urging you to sign on any pretext. You are an intelligent voter and you have a right to vote on this issue.

Therefore, if a circulator of these petitions approaches you to sign and you feel the same way I do, please sign the petition for the right to vote on this issue.

I wish to thank all the people who have come forward to help. If you feel the same way and have not done so, please feel free to call, or write me.  
Chichi Lu Jacobson, Chairman  
Pinckney

Dear Editor,  
We would like to notify people outside of Sharon township about the current request before the Sharon Planning Commission. A petroleum-fired asphalt plant and gravel pit is being proposed for the old Kennedy-Peckins farm on M-52. This land has some of the prettiest rolling hills on M-52. The neighbors have very nice, well-kept homes. Again it's the same old story about using up the land. In this case it means using up the Sharon Hills for gravel for construction, septic fields and driveways.

Our committee is against the removal of the Hills. We are against the burning of petroleum, air pollution, and water contamination in this area. Sharon township is one of the last, essentially rural townships in Washtenaw county. Ann Arbor is spreading westward at a rapid pace. The boundaries between Ann Arbor and Saline become less distinct by the day. As these things happen, Sharon township becomes increasingly valuable for what it is, an area of clean air and water. Rolling wooded hills full of wildlife that has disappeared elsewhere, working family farms that retain a way of life almost lost in this country. When do we finally say development is no longer "progress." Is it only when there are no rural lands left to save?

We are opposed to the destruction this development would bring. We are opposed to the ruining of our homes and our quality of life. We are standing up for beautiful Sharon township and we hope people outside of the township care as well.

Citizens for Sharon.  
Inquiries may be directed to Sandra Thomson. Phone (313) 428-7258. Address: 7555 Hashley Rd., Manchester 48158.

## Law Day Fair Slated Friday

The Washtenaw County Bar Association will present its second annual Law Day Fair in celebration of Law Day USA on Friday, April 27. The Law Day Fair will be held at Arborland Mall from 10 a.m. until 8 p.m., with representatives from many area legal agencies on hand dispensing information about their services. Among the participants are: Washtenaw County Consumer Service Department, Ann Arbor Area Board of Realtors, Washtenaw County Frind of the Court, Ann Arbor League of Women Voters, Soundings Center for Women, the American Civil Liberties Union, Spear and Associates Realtors and the Charles Reinhart Co.

The Washtenaw County Bar Association is also offering 30-minute legal consultations to Washtenaw County residents at Arborland from 10 a.m. to 8 p.m. on Friday, April 27. Anyone who is interested in speaking with a volunteer attorney should call 996-3229 between 9 a.m. and 5 p.m., Monday through Friday, to make an advance appointment. No legal documents will be prepared during the free consultation, but participants will have an opportunity to discuss legal problems with the volunteer attorneys.

The Law Day Fair and No Bills Day are held in connection with Law Day USA which is celebrated annually on May 1. This year's Law Day theme is "Generations of Justice." The 1990 theme focuses on promoting the legal rights of children and the elderly.

### Shipbuilding Contest and Display Planned April 21-28

Model ships from more than 20 categories will be featured during a model shipbuilding contest and display to be held at the Dossin Great Lakes Museum, April 21-28.

Co-sponsored by the Detroit Historical Department and the Great Lakes Maritime Institute, the contest and display will include models of ships ranging from 100-year-old steamers to today's Great Lakes steel freighters and ore carriers.

Contest awards will be given in several categories including best power-boat model, sailing and "work" ships, as well as best over-all model.

"We're expecting contestants from as far away as Ohio and Wisconsin," said John Polacek, Detroit Historical Department Marine History curator and curator of the Dossin.

The Dossin is a Detroit Historical Department institution and is located on Belle Isle at 100 Strand Ave. For further information call 267-6440, Monday through Friday, 9 a.m. to 4 p.m.

## Good Sign or Bad? Motivational Seminar Scrapped by Village

A proposed motivational seminar for village employees has been scrapped for, well, lack of motivation.

Village manager Robert Stalker had proposed a seminar by a man he has heard speak before. The theme, like many similar seminars, was essentially how to get more out of your life.

Some village trustees questioned the need, or even desire by employees, for such a seminar. The idea was discussed briefly for several weeks.

And finally last week it did as trustee Jack Myers said there was a general lack of interest.

# Pierce Park Pavilion Fund Hits 50% of Goal

The Pierce Park Pavilion holds the promise of summer-long musical and dramatic entertainment, and this promise is soon to be fulfilled.

Materials for the structure, consisting of roofing, lumber and flooring, will cost \$14,000. Already half that sum has been given or promised to the pavilion committee. The rest of the cost of materials will come from

public donations and there is full confidence in a generous outcome.

But how about labor which can be the greatest cost of all? Not to worry. It is going to be given scot-free. Members of the Chelsea Rod and Gun Club are donating their labor for the carpentry. And if anyone wonders about their skills, just visit the covered porch of their clubhouse—a pavilion in itself—which they built in 1989.

In addition, special professional skills and equipment are to be provided by local businesses, Chelsea Lumber Co., Heller Electric and Baseline Constructors.

When the pavilion has been completed and programming is underway, audiences will throng to Pierce Park. Nearby parking will be made available by Chelsea Community Hospital.

Planning for this project has been going on for a year and now is the time for action. The Civic Foundation of Chelsea has given \$3,000. Chelsea

Area Chamber of Commerce has donated \$1,500. Rotary has pledged \$2,000 and the Chelsea Recreation Council has earmarked \$500. That's \$7,000 so far and the public campaign for the rest will be announced early in May.

Not all of us are familiar with the word pavilion. Webster's Ninth Collegiate Dictionary offers this definition, "a light, sometimes ornamental, structure in a garden, park, or place of recreation that is used for entertainment or shelter."

The first workers to maintain a permanent organization were Philadelphia cordwainers, formed in 1792, according to "Labor Firsts in America," a U.S. Labor Department publication. The organization, whose name is unknown, was formed to maintain or improve wages by collective bargaining. The group lasted less than one year but reappeared in 1794 as the Federal Society of Journeymen Cordwainers, which existed until 1806.

Let's Go

Bulldogs!

## Bulldogs Look Strong in Three Saturday Victories

Chelsea Bulldogs opened their Southeastern Conference baseball season last Thursday at Saline and came away with a win and a tie for the afternoon.

In other action last week, Chelsea swept River Rouge in a double-header on Saturday, followed by a single-game win over Manchester.

Senior Doug Wingrove tossed a three-hitter against Saline in the first game and the Bulldogs took home a 5-1 win.

"Doug turned in a solid performance and really got stronger as the game went on," said Chelsea coach Wayne Welton.

Saline scored first, in the bottom of the third inning on an error, a walk, and a single.

However, the Bulldogs answered with three runs in the top of the fourth on a sacrifice by Kyle Plank, an RBI single by Brandon Murrell, and a bases-loaded walk to Jude Quilter.

A wild pitch scored Wingrove in the fifth inning. In the sixth, Ben Hurst raced home when Quilter got caught in a rundown.

Chelsea had four hits for the game, two by Murrell, a double by Kyle Plank, and a single by Steve Emmert.

Junior Rob Clem pitched the second game, struck out five and didn't allow a walk. However, the game was called after seven innings due to darkness. "I thought both teams played well," Welton said.

Kyle Plank's two-out single in the sixth inning scored the tying run. Wingrove had reached second on a single and a steal.

The Hornets scored in the fourth on a double, ground out, and an error.

On Saturday the Bulldogs played two five-inning mercy-rule games

CRAIG FERRY takes a well-deserved trot around the bases Saturday after he hit a three-run homer against River Rouge.

against River Rouge.

In the first game, Chelsea scored 10 runs in the first inning on their way to a 15-0 win.

Craig Ferry's three-run homer into the wind was the big blow in the first. Wingrove also doubled in the inning and Emmert had two hits. Chelsea hit safely 12 times.

Jake Rindle had three RBI and Ferry had four.

Kyle Plank pitched a one-hitter. He struck out four and walked two.

The second game also turned into a slugfest for the Bulldogs as they handed sophomore pitcher Jake Rindle a 12-1 win in his first varsity start.

Chelsea scored three times in the first, once in the second, and four times in each the third and fourth innings.

A double by Quilter and single by Jeremy Stephens highlighted the first inning.

Emmert's double in the fourth keyed the four-run rally. In the fifth, Rindle and Shawn Castleberry each tripled, Hurst doubled, and Adam Taylor singled.

Rindle allowed two hits and struck out three.

"Jake's pitching was really the key," Welton said.

"Also, we didn't have an error in either game."

Manchester, who played a double-header of their own, came to town late Saturday afternoon to meet Chelsea. It was considered a quasi-championship game of the Chelsea Invitational, which was rained out the previous week-end.

Down 7-6 in the sixth inning, largely on some sloppy fielding, the Bulldogs scored seven runs in the sixth inning and went on to win 13-6.

Chelsea held an early 6-2 lead, but the Dutch scored two runs in each the fourth and fifth innings, and one time in the sixth to take the lead.

In the bottom of the sixth, Tucker Steele's bases-loaded sacrifice tied the game. An error, singles by Kerry Plank and Murrell, and doubles by Hurst and Emmert broke the game open.

Monday night the Bulldogs ran their record to 7-0-1 with a sweep of Milan on the road.

Wingrove pitched a three-hitter in the first game and the Bulldogs offense was in high gear as Chelsea won 12-1.

The Bulldogs swiped 13 bases in 13 attempts, led by Quilter, Hurst and Wingrove with three each, and Kerry Plank with two.

Wingrove has not given up an earned run this season.

Chelsea scored three times in the first, twice in the second and fourth innings, twice in the fifth, and three times in the sixth.

Jeremy Stephens hit a three-run homer, the big blow of the night.

Rob Clem picked up the victory in the second game as the Bulldogs held off a late Milan rally for a 5-4 win.

Ferry's two-run double in the first gave the Dogs the lead. Hits by Stephens, Hurst, and Kerry Plank scored two runs in the second.

Kerry Plank's single knocked in the final run in the fifth.

Milan scored all their runs in the sixth.

Kerry Plank was 5-6 on the day with five RBI.

"We've got some tough games left, but we're in pretty good shape after winning on the road against two of the league's best teams," Welton said.

Chelsea is 3-0-1 in the SEC.

BECKY ERSKINE runs her leg of the shuttle hurdles at last Saturday's Chelsea Invitational.

## Dog Frosh Whip Panthers, Lose to Saline

Chelsea freshman baseball team opened its season with a double-header loss to the Saline Hornets on Monday, April 16, 6-2 and 7-2.

However, on Tuesday, April 17 the Bulldogs rebounded for a 22-6 win over Stockbridge.

In the first Saline game, Ken Slane started on the mound for Chelsea, gave up five runs in the first but pitched well from there on out, according to coach Mike Bohlender.

Jason Johnson and Steve Grau were each 2-2 with a single and a double. Grau played well defensively at short-stop, Bohlender said.

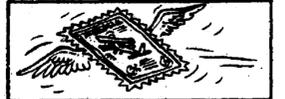

In the second game, Ed Waller got the starting pitching assignment and Grau relieved him.

Steve Dunham was 1-1, and Scott Larson walked twice and scored a run.

Tuesday's Stockbridge game featured a 2-3 performance by both Rod Cameron and J.D. Alford. Nick Schumann was also 1-1.

Colt White was the starting pitcher, and Mark Eder and Nick McCalla each pitched in relief.

Bohlender is assisted by Ritchie Slater.

Air mail stamps were already in use in 1918. There were three denominations—six cent, 16 cent and 24 cent. The pictures, not surprisingly, were all of airplanes.

## Baseball, Softball Teams in Two Big Tournaments Saturday

Chelsea's varsity softball and baseball teams are involved in two competitive tournaments this week-end.

Saturday is the Chelsea Invitational Softball Tournament, beginning at 9 a.m. at Weber Fields, Beach Middle school, and Chelsea High school.

There will be two divisions. Joining Chelsea in the gold division are Comstock, Holt, and Ypsilanti. In the blue division are Gabriel Richard, Dexter, Jackson Northwest, and Stockbridge.

Chelsea opens at the high school field against Comstock at 9. At 10:30 the Bulldogs will play Holt at Weber 2. At noon they'll play Ypsilanti at Weber 1.

The semi-finals and finals, begin-

ing at 3 p.m., will be held at Weber Fields.

The baseball team defends its title in the tournament that was called the Rawlings Tournament last year. At 9 a.m. they'll play Ann Arbor Huron. Immediately afterward they'll take on Whitmore Lake.

When female elephants fight, it is said, they usually try to bite off each other's tail.

## Dogs Whip Hornets Twice As Softball Season Opens

Scharme Petty tossed a no-hitter in the opener, and the Bulldogs rallied for five runs in the sixth inning of the second game to give Chelsea a sweep of the Saline Hornets in their opening games of the season.

The Bulldogs won the opener easily, 12-1, behind a 13-hit attack and Petty's excellent pitching.

"It was a great opening win against one of the league favorites," said Chelsea coach Pat Clarke.

"We are young but the girls love to play the game."

Petty, in Clarke's estimation, was "magnificent" as she didn't walk a batter, struck out five, and was one error away from a perfect game.

Chelsea loaded the bases in the sec-

ond inning before the Hornets walked in two runs.

In the third inning, a passed ball gave Chelsea their third run.

The Bulldog offense came to life in the fourth and fifth innings as they scored four and five runs, respectively.

In the fourth, a Colleen Scharphorn triple accounted for the first run. Bunt singles by Sarah Musolf and Kelly Bellus set the table for Amy Thomson, who tripled home two more runs. Thomson later scored on a wild pitch.

In the fifth inning, Shawn Losey and Heather Pulley each had a bunt single and moved up on a passed ball. Scharphorn's single scored two runs. Other keys to the inning included Christine

Burg's run-scoring sacrifice bunt, an error, and a run-scoring double by Carrie Filtoft.

Thomson finished with three hits, and Scharphorn and Bellus each had two hits.

In the second game, Musolf struggled early on the mound and was relieved by Petty in the third. Petty proceeded to shut down the Hornets for her second win as the Dogs secured a 6-5 victory.

Chelsea fell behind 4-1 after five innings as each team scored once in the first, but the Hornets scored three times in the third.

However, a five-run outburst in the sixth inning sealed the win.

# Girl Runners Take Third Place In Chelsea Invitational Meet

Chelsea Bulldog girls track team took third place in the 15th annual Chelsea Relays, last Saturday, April 21.

Hillsdale won two field events and the shuttle hurdles, the first race of the day, to build a quick lead and was never headed as they won the meet with 54 points. Jackson Northwest was close all day to the lead and finished second with 51. Chelsea and Dexter battled to the last relay for third with the Bulldogs coming out ahead 44 to 40. Saline finished fifth in the 14-team field.

LISA MONTI takes the hand-off from Sara Brosnan to start the final leg of the 3200 relay last Saturday at the Chelsea Invitational.

The Bulldogs scored in all of the field events, which are based on total performance of two entrants. Leisa Schiller and Jessica Holton finished sixth in the long jump but were only two inches out of fourth with their total of 27'3 1/4". Jeanene Rossi and Erika Boughton took fourth in the high jump, and Marti Daggett and Tiffany Moore finished sixth in the shot put, but came back with season's bests from each to finish second in the discus by less than a foot with a total of 183'10".

On the track, the intermediate medley of Lauren Sparaco, Jessica Holton, Christine Mignano and Carmen Smith took a fourth.

The distance medley of Vicki Bullock, Leisa Schiller, Joni Thrush and Lisa Monti took a third place medal. Bullock ran her season's best, leading off with a 2:39.8 800 and Monti anchored with a 5:35 1600.

Anne Steffenson, Sara Brosnan, Vicki Bullock and Monti were second to Milan in the 3200. Brosnan ran a fine 2:40 leg, Bainton said. The sprint medley of Schiller, Monica Hansen, Charly Allen and Steffenson had excellent baton passes to take the second place medals behind Dexter.

The final race of the day had Chelsea holding a slim two-point edge over Dexter. The Bulldogs 1600 relay of Allen, Monti, Holton and Steffenson finished second with a 4:22.4 as Steffenson held off a fine anchor leg by Dexter's Val Muck with a 1:03.4 400.

"I was pleased with our performances," said Bulldog coach Bill Bainton.

"We had a lot of people run good races."

### Softball Wins

(Continued from page ten)

In the fifth, Bellus singled and Thomson executed a sacrifice bunt. After walks to Flintoft and Petty loaded the bases, a Losey single scored one run, a walk to Leah Hadley brought home the second, Scharphorn's infield single scored two runs, and Scharphorn scored on an overthrow on Burg's bunt single.

Although Musolf had problems in her first varsity start ever, she had several key defensive plays. She initiated a double play in the fifth, made a running catch behind first base in the seventh, and robbed a Hornet of a single in the seventh inning for the second out.

"This was a key win for us," Clarke said.

"Our young team was down by three runs and rallied to beat a veteran Saline team on their home field. We will improve as the season progresses, but this was a nice start."

In action Monday night, the Bulldogs swept Milan in a double-header to remain undefeated.

Petty ran her record in the first game to 3-0 with a one-hit, 11-0 shutout.

Chelsea led 3-0 after two innings. A passed ball scored the first run in the first, and Christine Burg and Musolf each had an RBI bunt single in the second.

The Bulldogs broke the game open in the fourth inning with eight runs. Musolf hit a three-run double, Thomson rapped a two-run single and Flintoft hit a run-scoring double to key the inning.

Musolf was 3-4 with four RBI, and Burg was 3-4.

"We played a fairly solid game," Clarke said.

Scharphorn got her first start of the year on the mound in the second game and surrendered one earned run as the Bulldogs won 9-3.

Scharphorn struck out five of the last six batters to face her and finished with seven strikeouts.

Chelsea jumped out on top with a three-run second inning, aided by four walks and four passed balls.

Milan tied the game in the fourth.

Musolf's sacrifice bunt in the fifth scored the go-ahead run. Chelsea added four in the sixth, highlighted by RBI bunt singles by Losey and Pulley.

"We still need to improve our position in bunting and our sacrifice bunting," Clarke said.

The Bulldogs are 4-0.

### Golf Team Sees Tough Competition

Chelsea Bulldog golf team opened its season against two of the toughest teams in the state and lost both matches.

On Thursday, April 12, Chelsea lost to Saline, 209-255.

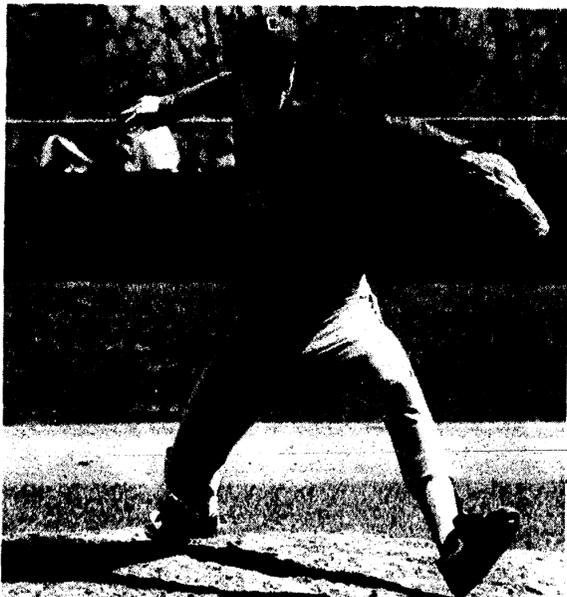

Barb Scriven led the Bulldogs with a 65. Other Chelsea scores include Melissa Johnson 60, Nicole Pontz 68, Sarah DeVine 74, and Jennifer Payne 84.

On Wednesday, April 18, Chelsea lost to the defending state champions, Jackson Lumen Christi, 188-243.

Scriven again led Chelsea with a 50. Other Chelsea scores included Johnson 58, Pontz 63, DeVine 72, Christine McLaughlin 82, and Payne 86.

Chelsea golfers won their first match of the season with a 229-246 victory over Brooklyn Columbia Central last Thursday.

Scriven led Chelsea with a 52, Johnson shot a 57, Pontz had a 54, and DeVine shot a 68.

JAKE RINDLE got his first varsity start last Saturday and picked up a victory for the Bulldogs in the second game against River Rouge.

## Boys Track Team Drops Two Meets

Chelsea Bulldog boys track team suffered two lopsided losses in their first dual meets of the season against Stockbridge and Saline.

On Tuesday, April 17 the Bulldogs were beaten by Stockbridge Panthers, 102-34, although there were some good individual Chelsea performances.

The Bulldogs won four events, the shot put, the discus, the 300 hurdles, and the 800 run.

Chelsea swept the shot as Mike Terpstra won with a throw of 45'1" and Lucky Beeman was second at 44'10".

Beeman took the discus at 138'2".

Brian Andress' winning time in the 300 hurdles was :50.09 and his winning margin was more than two seconds.

Holden Harris took the 800 in 2:11.22.

Erich Hammer placed second in the 400 run in :57.37.

Chelsea lost the Saline meet, 91-44, although again there were some good individual efforts.

The Bulldogs won five events and were strong in the field events.

Terpstra and Beeman were 1-2 in the shot put at 44'7" and 44'8".

Beeman won the discus in 141'9".

Jon Royce took the high jump at 5'6" and won the long jump in 19'4 1/2".

The only win in the running events came in the 400 relay where Hans Kernitz, Mike Reese, Martin Cheng, and Brett Salamin recorded a :49.7.

Joe Blough was just a second off the pace in the 800 run at 2:13.2.

"We're starting to compete a little better and that's a good sign," said Chelsea coach Dave Meyer.

## JV Softball Team Wins, Sweeps Saline in Opener

Chelsea Bulldog junior varsity softball team won its first two games of the season last week with a double-header sweep of Saline at home on Thursday.

In the opener, Jennifer Petty struck out 13 and gave up five hits as the Bulldogs took an 8-1 win.

"It was a good first outing for us," said Chelsea coach Ken Sullins.

"Petty pitched a solid game after a shaky start. Plus, we had only one strikeout and ran the bases well."

Saline scored their only run in the first inning to take the early lead. However, Chelsea tied in the second and scored six times in the third.

Liz Sager's bunt in the second scored Petty, who had doubled.

In the third, a walk to Danielle Taylor, singles by Theresa Hurst, Kelly Cross, Petty, and Jenny Bobo, and a triple by Gretchen Knutsen, along with two Saline throwing errors did the damage.

In the second game, Chelsea took a 7-1 lead after two innings and held Saline to a four-run rally in the top of the seventh to take a 9-8 win.

Cross pitched and struck out nine

and gave up six hits. She also struck out the final batter of the game with the tying run at third base.

Chelsea's 13-hit attack started in the first inning as Hurst, Petty and Bobo singled, and Knutsen tripled. Petty, Bobo, and Knutsen each had an RBI.

In the second inning, two errors and a wild pitch, plus a double by Knutsen and singles by Hurst, Petty, and Bobo scored four more runs.

Chelsea scored twice in the fourth on singles by Cross and Sandy Schmid.

"I saw some good things on defense, and offensively, we had a lot of fun," Sullins said.

## Bulldog Girls Trample Stockbridge, Beat Saline in First Track Meets

Chelsea Bulldog girls track team opened its season last week with dual meet wins over Stockbridge and Saline.

The Bulldogs endured the cold Tuesday, April 17, to top Stockbridge 103-26, winning all but three events with sweeps in both hurdle races and the 400, 800 and 1600 runs.

Charity Allen won the 100 hurdles in :17.1 and the 300 hurdles in :54.9, with Monica Hansen second and Becky Erskine third in each. Allen also led off the winning 800 relay.

Anne Steffenson took the 400 in 1:05.9 and ran on the 800 relay.

Leisa Schiller contributed first in the long jump and 200 and a leg in the 800 relay. Tiffany Moore won the shot put with a career best of 29'2" and ran on the 800 relay. Moore also notched a second in the 400 in her first time ever in that event.

Lisa Monti and Vicki Bullock teamed with Carmen Smith and Lauren Sparaco to take the 3200 relay. Monti then led a sweep in the 1600 with a time of 5:51.7 and Bullock paced a 1-2-3 finish in the 800 with a winning time of 2:45.6.

Other winners for Chelsea were Jeanene Rossi who won a jump-off to take the high jump, Val Bullock in the 3200 run and the 1600 relay of Sara Brosnan, Jessica Holton, Christine Mignano and Erika Boughton.

On Thursday, April 19, the Bulldogs opened their Southeastern Conference season by defeating Saline 76-52 in what coaches Bill Bainton and Bert Kruse figured to be a close meet.

"It was one of those meets where everything went our way and we had a little more depth than they did," said Bainton.

"Plus Charity Allen made a major contribution."

Allen opened the meet with a win in the 100 hurdles, came back to take the 100 dash, then led off the 800 relay. She came back later to overtake teammate Monica Hansen to win the 300 hurdles in :52.4 time.

Schiller and Monti also had big days for the Bulldogs. Schiller had a hand in four firsts, taking the long jump and 200 and running legs on the winning 800 and 1600 relay teams.

"Four firsts is about the ultimate for a runner, and we had two people get them on the same day," Bainton said.

"It's quite an accomplishment for them."

Monti led off the winning 3200 relay.

## Young Wrestlers Place at Regionals

Several young Chelsea club wrestlers placed at the Regional Tournament last Saturday at Portage Central.

"They'll go on to compete at the state tournament at East Kentwood."

Ben Vogel took sixth in the eight-and-under group.

In the 11-12 age group, Sam Morseau was first, Cameron Farmer was second, and Brent Young and Jeremy Feldkamp were each third.

In the 13-14 age group, John Bobo was first, Tim Wescott took second, and Dan Alber was third.

then took the 1600 in 5:37.3 and rounded off her day winning the 3200 in 12:06 to set a freshman record in that race. Steffenson contributed legs on the 800 and 1600 relays and won the 400 with a fine time of 1:03.7.

Moore placed in four events, running on the 800 and 1600 relays and taking second in the shot and third in the discus with career best throws in each. Also contributing legs on the winning relay teams were Lauren Sparaco, Vicki Bullock and Carmen Smith on the 3200 and Jessica Holton

on the 1600. Bullock added a second in the 800 run.

Another Bulldog who had an outstanding day was Hansen. Hansen, a freshman, was third in the 100 hurdles and led most of the race in the 300 hurdles before being edged by Allen. Hansen was clocked in :52.7.

Other scorers were Marti Daggett, second in the discus, Rossi, second in the high jump, Joni Thrush third in the 1600, Brosnan, third in the 800, Laura Faton, third in the 200, and Val Bullock, third in the 3200.

# Chelsea Netters Beat Williamston, Columbia Central To Start Season

Chelsea Bulldog tennis team fought a cliff-hanger of an opening match against Williamston and eventually took a 4-3 victory last Monday, April 16.

Chelsea took the first three singles matches as John Rigg won at first singles, 6-1, 7-5, Chris Wilson took second singles, 6-1, 6-2, and Shaun Capper won at third singles, 6-1, 6-2.

Scott Pacheco, in his first varsity singles match in the number four position, was narrowly defeated 7-5, 6-4.

Chris Haugen and Ben Manning at first doubles lost the first set, 3-6, and

fell behind in the second set before pulling even at 6-6. They ended up losing a tiebreaker, 6-8.

Scott Leeman and Richard Mason lost their doubles match, 4-6, 2-6.

The number two doubles team of Taka Adachi and Rob Coelius were involved in the deciding, and most thrilling match of the day. They lost their first set, 5-7, won the second, 6-3, and "performed with determination and accuracy," according to coach John Capper, in the third set for a 7-5 victory.

In junior varsity action, Jeff Peterson and Shawn Daigle lost their opening match, and Scott Dale won his.

The following night the Bulldogs fought Brooklyn Columbia Central in bitterly cold weather punctuated by snow and took a 7-0 win.

BCC won just 17 of the 84 games played.

In singles action, Rigg won 6-0, 6-1; Wilson won 6-1, 6-0; Capper won 6-2, 6-2; and Pacheco won 6-3, 6-0.

In doubles, Adachi and Coelius won 6-1, 6-0; Manning and Mason won 6-0, 6-0; and Leeman and Peterson won 6-4, 6-3.

For the JVs, Daigle and Dale lost their match in a third-set tiebreaker.

In action on Monday, the Bulldogs suffered their first loss, 3-4 to Hartland.

Rigg won 6-1, 6-4; Wilson won 6-0, 6-2; Capper lost a tough three-setter, 6-4, 2-6, 4-6; and Pacheco was defeated in three sets, 2-6, 6-4, 1-6.

In doubles, Manning and Haugen lost 3-6, 6-8 (3-7 tie-breaker); Adachi and Mason lost 1-6, 0-6; and Coelius and Leeman won 6-1, 6-6 (7-2 tie-breaker).

BASEBALL FIELD needed a little grooming between games last Saturday and Chelsea coach Wayne Welton was up to the task with his daughter, Molly, who was willing to provide the able assistance.

## JV Baseball Squad Wins One of Three

Chelsea Bulldog junior varsity baseball team split two games with Stockbridge and lost twice to Saline in action last week.

In the season-opener against Stockbridge on Monday, April 16, the Bulldogs pounded out 13 hits to take a 15-8 win.

"It was a good opener," said Chelsea coach Jim Ticknor.

"We got some key hits with men on base."

Chelsea fell behind 3-2 after the first inning but rallied to score one run in the second and eight in the third.

In the big inning, Brian Bell led off with a double, and Jason Garrigus, Rick Clouse, singled, and Tim Bowers and Garrigus doubled.

Chelsea picked up four more runs in the fifth inning on hits by Rob Jaques, Bell, Garrigus, and a triple by Jeff Moore.

Jaques, Bell, and Garrigus were each 3-4 with a double.

In the second game, Chelsea held a 7-0 lead going into the bottom of the fifth, when the Panthers scored eight runs to take an 8-7 win.

The Dogs scored four times in the first on singles by Jeremy Guenther and Clouse, and a triple by Matt Gaken.

Clouse's single scored two runs in the fourth inning. John Weinberg had an RBI single in the fifth.

In the first home game against Saline last Thursday, Chelsea gave up 11 runs in the first three innings and were shut out 11-0.

"I think we got a little too excited about the home opener," Ticknor said.

Chelsea didn't get a hit in the contest.

The second game was a different story, although Chelsea lost 6-5.

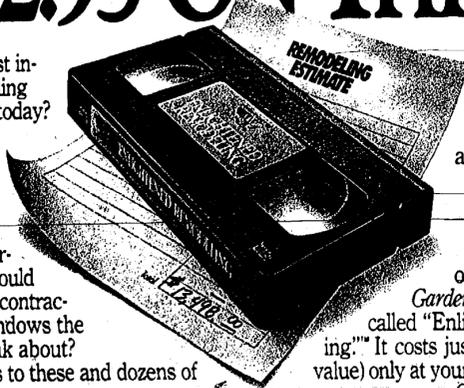

The game was tied 2-2 going into the sixth inning. Saline pulled ahead 3-2 in the sixth, and each team scored three runs in the seventh.

Bell had a pair of doubles and drove in a run.

# BEFORE YOU SPEND THOUSANDS ON A REMODELING PROJECT, SPEND \$2.95 ON THIS.

What are the most interesting remodeling ideas and trends today? Which might be right for your home? Should you hire a contractor to help you? Or do it yourself? Just how should you work with a contractor? Why are windows the first thing to think about?

## NURSING BOTTLE SYNDROME DETRIMENTAL TO BABY'S HEALTH!

Q: What is nursing bottle syndrome?

A: Nursing bottle syndrome refers to the pattern of dental decay seen in a child who is frequently put to bed with a bottle filled with milk, juice, or any liquid containing sugar.

During sleep the amount of saliva produced in the mouth is decreased. When baby is allowed to fall asleep with the bottle in the mouth, acids are produced and remain in contact with the tooth enamel because the liquid tends to pool around the infants teeth. Since there is also less saliva present to dilute and neutralize these acids the effect on the teeth can be devastating!

It is important to avoid pacifying your baby with a bottle of sugar water or fruit juice. Even milk or formula can cause decay if it remains in the baby's mouth too long. Danger signs to look for are milky-white or decalcified areas of the teeth, particularly along the gum line area, or any brown/black discolorations on the teeth. If any of these signs are noted then baby should be promptly scheduled for a dental examination since early treatment can prevent infections and premature loss of teeth.

If a baby needs the "bottle comfort" at nap time or bed time, put plain water in the bottle in order to protect the teeth from decay problems. A drop of food coloring may be added to make the water look like juice.

**County Council For Children Plans Annual Meeting**

The Washtenaw Area Council for Children will present its Annual Meeting, on Wednesday, May 2, at the Kerrytown Concert House, 415 N. Fourth Ave., Ann Arbor, at 7 p.m. The meeting will be held to vote in the new board of directors for the coming year. The members will have a short business meeting, followed by a production of the "Babylonian Encounter," performed by the Ann Arbor Civic Theatre. Refreshments will be served.

Also during the meeting will be the presentation of the Second Annual Child Service Award.

Any questions please call 761-7071.

**Humane Society Sponsoring Food Drive April 28 Through May 13**

For most of us, springtime conjures up thoughts of fresh young flowers, the robin's return to Michigan, and warm breezes blowing away the winter chill.

To the Humane Society of Huron Valley, spring means the arrival of seemingly endless litters of puppies and kittens. Not only do they require care and shelter, they require food.

Thus, in celebration of "Be Kind To Animals Week," May 6-12, HSHV will be sponsoring a Puppy and Kitten Food Drive to help replenish the quickly vanishing stock of food to fill the stomachs of our young shelter residents.

From April 28-May 13, area shoppers may help HSHV by purchasing puppy and kitten food and leaving it in collection bins located at the front of participating stores, or they may bring contributions directly out to the shelter at 3100 Cherry Hill Rd. in Ann Arbor.

Participating businesses include all area Kroger stores, as well as both Huron Feed and Pet Supply locations (Ann Arbor and Ypsilanti), Busch's Valu Land in Saline, the Dexter Walco, and Foodtown in Milan.

Don't pass up this opportunity to help feed the thousands of homeless puppies and kittens who make their home at the Humane Society. Let your thoughts turn not only to warm summer breezes and fresh young flowers, but to the young animals who also make their entrance into our world at this time of year.

**Chiropractic Health Care**

**Dr. J. Nicholas Koffeman**

Health care is changing rapidly. Much of the change is coming because of economic reasons. This is both good and bad.

It is good because it's causing government, industry, etc., to look at alternate treatment methods. Recent studies have shown chiropractic care to be from two to four times more effective for certain conditions than other treatment methods. These studies were done for economic reasons.

Economic factors are a problem when greed causes the expensive, the ill conceived, and the more dangerous therapies to be pushed to make a dollar.

This can be overcome, however, by all forms of health care being honestly evaluated. This will take cooperation by all concerned. By working together for the good of the patient, the safest, most effective, and least costly treatments will be used.

A new day is coming. Chiropractic, Homeopathy, Acupuncture, and Clinical Ecology. All these safe, cost-effective therapies will continue to grow. Those who oppose cooperative evaluation of these will only stall the inevitable.

I used the term Clinical Ecology. This very important field will be the subject of the next several columns.

## MORELS "MUSHROOM" IN MAY

### MICHIGAN FESTIVALS

May 4-6 - Mesick Mushroom Festival

May 5 - Harrison Mushroom Festival

May 12-13 - Boyne City National Mushroom Hunting Championship

May 12 - Lewiston Morel Mushroom Festival

#### TIPS FOR MUSHROOM HUNTING:

- First-time morel pickers should hunt with an experienced guide because many false morels may be poisonous.
- Search for mushrooms at ground level underneath leaves, underbrush and other debris. Also look in woods near hardwood trees, old orchards and stumps.
- Cut morels at the base. Never pull morels out of the ground.
- Pick only unblemished morels and place them in a net or paper bag. Never place mushrooms in plastic bags which cause quick spoilage.
- Cook morels before eating because raw morels may be indigestible.

## Morel Mushroom Crop Appears in May

"Morel madness" strikes Michigan in May, with an estimated half-million gourmets scurrying to state woodlands in search of the savory wild mushroom, AAA Michigan reports.

As always, spring weather determines the success of the morel crop. Ideal conditions are warm, humid days with adequate rainfall.

But if nature fails to do the job, Michigan grocers may soon offer indoor-grown morels.

Company M, a Lansing-based firm, has developed methods to grow morels indoor year-round and is selling the technology world-wide. Domino's Pizza Distribution Corp. in Ann Arbor recently acquired exclusive North American rights to produce, market and sell the cultivated morels. A pilot plant is being built in Mason, and the first crop should appear this summer at a price yet to be determined.

For those who prefer to gather spring morels the old-fashioned way, black morels fruit first, usually in late April or early May, followed by white morels about a week later. Giant morels appear in mid-to-late May and are the largest of the species. Michigan's morel season ends in early June.

Edible morels may be recognized

by their pitted caps. Other, sometimes poisonous, morels are not pitted, but ridged or wrinkled in appearance. First-time pickers should hunt with an experienced guide who can select edible mushrooms.

Best sites to seek the delectable, nutty-tasting morsels of fungi are hardwood forests, especially under moist aspen, ash and elm trees, and near streams and lakes. Apple orchards also are good places.

Hunting mushrooms is an inexpensive spring activity, requiring only patience, a knife to cut the morel stems and a paper sack or basket to carry the harvest.

When hunting, wear comfortable clothes with long sleeves and long pants to avoid insect bites and poisonous plants. Wild mushrooms should be cooked and only a small amount eaten at first to test for allergic reaction.

This spring, fresh morels will sell for \$13 to \$20 per pound, depending on abundance.

Tourists are welcome at four events celebrating Michigan's morel season: The Mesick Mushroom Festival, May 4-6; Harrison Mushroom Festival, May 5; Boyne City National Mushroom Hunting Championship, May 12-13, and Lewiston Morel Mushroom Festival, May 12.

## Lions' 'White Cane Week' Begins State-Wide April 27

More than 18,000 Michigan Lions, members of the International Association of Lions Clubs, will be in the streets between April 27 and May 6 as Gov. James J. Blanchard has proclaimed this 10-day period as "White Cane Week" in Michigan.

The Lions will be seeking public support of many sight-conservation projects. Major projects of the Lions of Michigan are: Leader Dogs for the Blind in Rochester; Michigan Eye Bank and Transplantation Center in Ann Arbor; and Welcome Home for the Blind (a home for the elderly blind) in Grand Rapids.

The Lions will be distributing miniature "white canes" and other promotional materials to promote public awareness of the traffic laws

and public accommodation laws which affect the visually impaired. All profits are used to support the Lions' charitable projects.

The "White Cane Law" states that drivers of vehicles shall take all necessary precautions when approaching a crosswalk, or any other pedestrian crossing, to avoid accident or injury to a blind person carrying a cane or being led by a dog guide.

Public Accommodation laws require that public facilities must permit a blind person being led by a dog guide in harness to enter and use such premises.

To symbolize and create awareness of their efforts, the Lions have chosen 19-year-old Karla Simons of Livonia as White Cane Queen for 1990.

CRITTERS AND CRAFTS 4-H CLUB finished their wood camp seats at the group's April meeting. Also, some members brought in their animals to show. Left is Gwynn Smith of Whitmore Lake and right is Jeanette Powers of Chelsea with their rabbits. At the May 3 meeting members will begin showmanship training for their assorted small livestock, including rabbits, chickens, guinea pigs, and goats.

## State Railway History Group Plans Trips by Rail, Water

"Rediscovering Michigan by Rail and Water" is the theme of the 1990 public excursions of the non-profit Bluewater Michigan Chapter of the National Railway Historical Society. Activities will include a nostalgic day-long trip behind a steam locomotive; steamboats between Detroit and Port Huron; and a variety of diesel-powered rail outings.

Bluewater Michigan Chapter, which is dedicated to the preservation of railroad history, is in its eighth year of providing a variety of family excursions in Michigan and the Midwest aboard its "Yes! Michigan Train."

This year's first set of excursions, the Railroad Days Rambler, will run round-trip from Howell to Durand on Saturday and Sunday, May 5 and 6, as part of the 16th annual Railroad Days Festival in Durand. The Livingston Limited will carry passengers from Durand to Howell where they may spend a few minutes or a few hours.

The Memorial Day cruise, Steamboats to Port Huron, will be a celebration of European freedom and solidarity using both of the famous Boblo boats, the SS St. Clair and the SS Columbia. One boat will feature Polish music and dancing, representing the re-emerging nations of Eastern Europe; the other will feature Scottish and Irish entertainment.

On Saturday, July 14, the nation's largest steam locomotive in regular excursion service, Norfolk & Western's giant articulated 2-6-6-4, Number 1218, will return after a two-year absence to pull a train of more than 20 coaches and special service cars from Allen Park as Steam to Fort Wayne visits the annual Three Rivers Festival in the Indiana city.

Saturday, Aug. 11, will mark a first for Bluewater excursionists. The Michigan Festival Limited will pick

up passengers in Birmingham, Pontiac and Durand, and deposit them in East Lansing for the festival on the MSU campus. Shuttle buses also will carry excursionists to the Capitol and the new State Library/Museum.

The week-end of Saturday and Sunday, Sept. 8-9, will feature separate round-trip excursions to the Historic Homes Tour in Marshall and to the increasingly popular Wine and Harvest Festival in Kalamazoo and Paw Paw. Both trips will be operated in cooperation with Amtrak, which has arranged a special stop in Marshall and has a regular stop in Kalamazoo. Both excursions will originate in Detroit, Dearborn and Ann Arbor.

A brochure is available that describes Bluewater Michigan Chapter's excursions, accommodations and fares, and contains ordering information. A self-addressed, stamped business-size envelope may be sent to: Bluewater Michigan Chapter, NRHS, P.O. Box 296, Royal Oak 48068-0296. A telephone message may be left at (313) 399-7963.

## Camp for Asthmatics Seeks Volunteers To Help Children

This summer you can enrich the life of a child with asthma by volunteering to spend a week at Camp Sun Deer—the free camp for kids with severe asthma sponsored by the American Lung Association of Southeast Michigan (ALASEM).

Camp Sun Deer provides a traditional outdoor camp setting for asthmatic children ages nine through 12, who are normally restricted to a life indoors, in a controlled atmosphere. Campers participate in a variety of activities and are closely monitored by expert health care professionals from a variety of disciplines.

Volunteers who attend camp gain a wealth of personal and professional experiences, as this unique program offers hands-on training in most aspects of asthma management. For students and professionals interested in respiratory problems, allergies, pediatrics and recreational therapy,

attending camp will provide opportunities to experience "first-hand" the problems that young asthma sufferers encounter daily.

Volunteers are needed for the period June 23-30. Camp Sun Deer is held at the Battle Creek Outdoor Education Center on Clear Lake near Hastings.

The following areas need to be filled: physicians, nurses, pharmacists, respiratory therapists, waterfront instructors, patrol leaders, activities leaders.

These kids need help to cope with their asthma, an illness that can severely limit their summer outdoor activity. The limitations and fear that their face can be diminished by a volunteer who cares.

For details about how you can volunteer for Camp Sun Deer, call the Lung Association at (313) 559-5100, 8:30 a.m. to 5 p.m., weekdays.

## Community Farm Open House Set

Bring your family and a picnic lunch to the Community Farm Open House from noon to 4 p.m. on Saturday, April 28. Free cider, hayrides and entertainment will be provided. The Country Music Trio of Wayne Wittanen on cello and Monica Wittanen and Karen Chalmers on the recorder will entertain during lunch. At 3 p.m. Parnu Hoskin will lead a bird walk.

Community Farm of Ann Arbor, temporarily located at 8594 W. Huron River Dr., Dexter, is a partnership in which the bounty and risks of production are shared by both consumers and producers. While biodynamic farming methods produce organically grown crops, an attempt is made to provide urban and suburban people with access to a farm while putting the "culture" back in agriculture. ## RESOLUTION RE:

### ADOPTION OF RETIREE HEALTH CARE INSURANCE COVERAGE PLAN

FOR FULL-TIME, NON-UNION SALARIED EMPLOYEES  
RESOLVED, that this Village Council for the Village of Chelsea does herein provide, effective March 7, 1990, retiree health care coverage to all full-time non-union salaried employees; and  
BE IT FURTHER RESOLVED, that this health care coverage shall be provided in an amount determined by the Village Council and as set forth in the following coverage plan:

### VILLAGE OF CHELSEA

#### RETIREE HEALTH CARE COVERAGE PLAN FOR FULL-TIME, NON-UNION SALARIED EMPLOYEES

1. Eligibility. Any full-time, non-union salaried employee of the Village who has retired from service with the Village at a time when he qualified for an immediate retirement benefit from the Village's retirement plan under the Municipal Employee's Retirement System (MERS) and whose combined age and years of full-time service with the Village at the time of such retirement equalled or exceeded eighty (80) years shall be eligible for retiree health care coverage provided by the Village. Such coverage shall commence upon the retired employee's attainment of age sixty-two (62).

2. Death Before Retirement. In the event a full-time, non-union salaried employee of the Village dies before attaining age sixty-two (62) but after his combined age and years of full-time service with the Village equals or exceeds eighty (80) years, the spouse of such deceased employee, if any, shall be eligible for retiree health care coverage provided by the Village. Such coverage shall commence on the date the deceased employee would have attained age sixty-two (62).

3. Description of Coverage. The retiree health care coverage for full-time, non-union salaried employees and eligible surviving spouses of full-time, non-union salaried employees shall be roughly equivalent to the health care coverage provided by the Village to its active full-time, non-union salaried employees.

4. Contributions by Retired Employees or Eligible Surviving Spouses. In order to receive retiree health care coverage from the Village a retired full-time, non-union salaried employee or eligible surviving spouse of a deceased full-time, non-union salaried employee must contribute fifty (50%) percent of the cost of the coverage received. Payment of such contribution shall be made at such times and in such manner as the Village shall determine from time to time.

5. Coverage of Spouse. The legally dependent spouse of a retired full-time, non-union salaried employee receiving retiree health care coverage from the Village shall also be eligible for such coverage, provided that the retired full-time, non-union salaried employee pays fifty (50%) percent of the cost of the coverage received. In the event that a retired full-time, non-union salaried employee dies after satisfying the eligibility requirements of paragraph 1 above (whether or not such employee has attained age sixty-two (62) and commenced to receive retiree health care coverage), the surviving spouse of such employee shall be eligible for retiree health care coverage on the date of the employee's death or the date the employee would have attained age sixty-two (62), whichever is later, provided that such spouse must pay fifty (50%) of the cost of the coverage received.

6. Coverage from Other Sources. In the event the retired full-time, non-union salaried employee or such employee's spouse is receiving health care coverage from any source other than the Village, including Medicare, the Village may, at its option, pay the premiums for a coverage supplement to provide health care coverage roughly equivalent to that otherwise provided herein.

7. Benefit Intent. In providing this benefit it is the intent of the Village to assist employees who have provided many valuable years of service to the Village with payment of health care coverage expenses. However, the establishment of this benefit does not constitute a long-term commitment on the part of the Village in terms of benefit duration, coverage level or dollar value. The Village Council retains the right in its sole and absolute discretion to amend, modify or terminate in any manner the retiree health care coverage provided hereunder upon adoption of an appropriate resolution at any time.

BE IT STILL FURTHER RESOLVED, that, although the Village intends to continue the above coverage for an indefinite period of time, the Village Council desires to emphasize and re-state the right which has been retained, as referenced above in Section 7 of the coverage plan, to amend, modify or terminate the benefits provided for herein at any time.

Motion by Hall, supported by Kanten, to adopt the above resolution. Roll call: Ayes all. Motion carried.

Fire Chief Hankard requested that "reserved parking" signs be placed at fire station for use of the firefighters. Motion by Kanten, supported by Steele to place six (6) reserved parking signs on West Middle Street, on the East side of Fire Station, to read: No Parking, Fire Department Use Only. Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Merkel, to approve the completion of plumbing work at the Village house on Sibley Road at a maximum cost of \$1,000 and award the contract to Sullivan Plumbing. Roll call: Steele abstained, Kanten, Hall, Merkel, Satterthwaite, Bentley all ayes, Motion carried.

Motion by Kanten, supported by Steele, to authorize the Library Board to establish a \$15,000 maximum line-of-credit at Great Lakes Bancorp., with approval of necessary documents by the Village Attorney. Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Merkel, to adopt Ordinance No. 79-GGG which deals with rezoning 13.87 acres of property owned by Rene Papo from AG to O1. Roll call: Steele, Merkel, Hall, Satterthwaite, Bentley all ayes, Kanten nay. Motion carried.

Mr. R. Schantz informed the Village Council that a test of the tornado system would take place in the near future. He also invited the Council to attend the Twelfth Annual Sky Warn Weather Seminar.

Motion by Merkel, supported by Bentley, to authorize the Village President to sign the Washtenaw County Tax Systems Agreement for 1990. Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Merkel, to pay all bills. Roll call: Ayes all. Motion carried.

Motion by Kanten, supported by Bentley, to go into executive session for discussion of union negotiations with Teamsters Local 214. Roll call: Ayes all. Motion carried.

Motion by Kanten, supported by Merkel, to adjourn executive session. Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Merkel, to adjourn regular session. Roll call: Ayes all. Motion carried.

Allen L. Anderson, Clerk.

Stalker, Administrative Services Co-ordinator Fredette, Assistant Village Manager Warstler.

Members present: Hall, Kanten, Merkel, Steele, Bentley.  
Others present: C. Hankard, C. Clouse, L. Kusterer, B. Hamilton.

Motion by Steele, supported by Merkel, to approve the minutes of the regular session of the meeting of February 20, with amendment so noted: That the motion to approve the rezoning of the 13.87 acres of Papo's addition from AG TO O-1 be stricken from the minutes and placed on the March 6, 1990 regular session's agenda for passage. Roll call: Ayes all. Motion carried.

Motion by Kanten, supported by Steele, to hold a public hearing on application No. 90-2 (Chelsea Community Fair Applicant). Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Hall, to adjourn the Zoning Board of Appeals. Roll call: Ayes all. Motion carried. Meeting adjourned at 9 p.m.  
Allen Anderson, Secretary.

## Regular Session

March 20, 1990  
The meeting was called to order at 7:30 p.m. by President Satterthwaite.

Swearing in of the new Village President was done by the Village Clerk. President Satterthwaite passed the gavel of office to the newly elected President, Richard Steele, who then conducted the business at hand.

The new trustees were sworn into office and took their respective places on the council. The next elected official to be sworn in was Kathleen Chapman, treasurer.

Present: President Steele, Clerk Anderson, Village Manager Stalker, Assistant Village Manager Warstler.

Absent: Administrative Services Co-ordinator Fredette.

Trustees present: Hammer, Myers, Merkel, Hall.

Trustee absent: Kanten.

Others present: Bud Hafner, Kathleen Chapman, Mark McKernan, Pat Schantz, Gretchen Waters, John Capper (snow), Adam McArthur from Boy Scout Troop 476, Bill Bott, Tom Dorer, Cecil Clouse, Lenard McDougall, Virginia Matthews (snow), B. Hamilton, Wyn Schumann, Steve Eusades, Jerri Cole (snow), D. Bulson.

Motion by Merkel, supported by Hammer, to approve the minutes of the regular session of March 5, 1990. Roll call: Ayes all. Motion carried.

Motion by Hall, supported by Myers, to set a deadline for response from the Townships on their legal status regarding shared costs for the closure and remediation of the landfill, the deadline to be June 1, 1990. Roll call: Ayes all. Motion carried.

Motion by Hammer, supported by Myers, to request the representatives of the three recently annexed parcels (Chelsea Public Schools, Mr. Walters and St. Paul United Church of Christ) be requested to submit petitions for rezoning and further that the Village waive any and all fees associated with the rezonings. Roll call: Ayes all. Motion carried.

Motion by Merkel, supported by Hall, to hold a public hearing on April 17, 1990 for Hatch Stamping with regards to the application for an Industrial Facilities Exemption Certificate under Act 198 of 1974 as amended. Roll call: Ayes all. Motion carried.

The Chief of Police gave an update on the progress of 911 equipment procurement. The Director of Civil Defense gave a report on the possible relocation of a siren warning system in the Village from the professional center to the southwest portion of town. The Landfill Superintendent gave an update on the recycle bin now placed at the landfill.

Motion by Merkel, supported by Hall, to approve the financial report. Roll call: Ayes all. Motion carried.

Motion by Hall, supported by Myers, to allow the Library Board to establish a line of credit with the Village to help in the expenditures during the summer months with a cap of \$15,000. Roll call: Ayes all. Motion carried.

Several persons appeared before the council to protest the snow removal ordinance. Some of the people are noted herein with the word (snow) following their names. There was much discussion and the council said that the matter would be investigated.

Motion by Hall, supported by Merkel, to approve the concept of forming a separate Zoning Board of Appeals and to direct the Planning Commission to draft an ordinance amendment which would facilitate this change. Roll call: Ayes all. Motion carried.

The Washtenaw Development Council gave a slide presentation to the council showing what they are looking for in the 90's and the future for development. This was done also in hopes that the council would reconsider their support to the Washtenaw Development Council in terms of membership.

Motion by Merkel, supported by Hammer, to pay all bills. Roll call: Ayes all. Motion carried.

The Executive Session was postponed, due to the illness of the Village's legal counsel.

Motion by Hall, supported by Hammer, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Allen L. Anderson, Clerk.

## ZONING BOARD OF APPEALS

March 20, 1990  
The meeting was called to order at 8:13 p.m. by Chairman Steele.

Present: Chairman Steele, Secretary Anderson, Village Manager Stalker, Assistant Village Manager Warstler.

Absent: Administrative Services Co-ordinator Fredette.

Members present: Hall, Hammer, Merkel, Myers.

Motion by Hall, supported by Merkel, to approve the minutes of the Zoning Board of Appeals of March 6, 1990. Roll call: Ayes all. Motion carried.

Motion by Hall, supported by Hammer, to set a hearing for Variance No. 90-3 (Chelsea Village Mall) for April 17, 1990. Roll call: Ayes all. Motion carried.

Motion by Hammer, supported by Merkel, to adjourn Zoning Board of Appeals. Roll call: Ayes all. Motion carried. Meeting adjourned at 8:18 p.m.  
Allen L. Anderson, Secretary.

## Village Plaza Gets Variance For Sign

Another Village Plaza sign will soon be erected on Old US-12. Village Zoning Board of Appeals granted a variance to mall developer Mike Kennedy to allow him to put the sign 20 feet closer to the road than is specified in the zoning ordinance. That will allow him to put it in an island rather than take up additional parking.

Zoning Inspector Rosemary Harook supported the variance, partly so Polly's Market parking would not be disturbed. The sign, Kennedy told the board, will be identical to the one off M-52.

## NOTICE OF PETITION

BY THE VILLAGE COUNCIL OF THE VILLAGE OF CHELSEA TO THE BOARD OF COMMISSIONERS FOR WASHTENAW COUNTY TO ALTER THE BOUNDARIES OF THE VILLAGE OF CHELSEA AND ADD LANDS.

Deceased Estate
File No. 90-3338 SE
Estate of MARY ELIZABETH CROCKETT, Deceased. Social
security no. 371-30-9982.
TO ALL INTERESTED PERSONS:
Your interest in the estate may be barred or af-
fected by this hearing. On April 10, 1990 at 9:00 a.m., in
the probate courtroom, in the City of Ann Arbor,
Michigan, before Hon. John N. Kirkendall, Judge
of Probate, a hearing was held on the petition of
Leonard Hafner requesting that Leonard Hafner
be appointed executor of the estate of Mary Elizabeth
Crockett who lived at 661 West Middle Street,
Chelsea, Michigan and who died February 15, 1990;
and requesting also that the will of the deceased
dated September 17, 1979 be admitted to probate.
Creditors of the estate are notified that all
claims against the estate will be forever barred
unless presented to the personal representative or
to both the probate court and the personal
representative within 90 days of the date of
publication of this notice. Notice is further given
that the estate will then be assigned to entitled per-
sons appearing of record.

## Letters to the Editor

To the Editor:  
I am writing in response to the comments made by Daniel C. Bishop, senior public information specialist, Consumers Power Co. (CPCO), in a letter published in the April 11, 1990 edition of The Chelsea Standard. Mr. Bishop implied that I had misrepresented the cost of CPCO electricity based upon a quotation in a Feb. 28, 1990 newspaper article which had me stating that "Consumers Power could raise its rates nearly 50% by 1993."

As a public official, I normally do not respond to letters to the editor directly; however, in this case I feel compelled to do so because clarification and understanding of the comments prompting Mr. Bishop's letter would be of benefit to customers of the Chelsea Village Electric Utility.

In short, the reporter and I were discussing the cost of CPCO wholesale electricity purchased directly by the Village and not CPCO consumer rates. Specifically, I had indicated that the combination of rate and significant load increases could produce a potential 50% increase in overall cost to the Village for CPCO wholesale electricity by 1993. The Village has a contract in place with CPCO which limits wholesale electricity rate increases to 3.25% annually in the years 1990 through 1998. This would prohibit anything approaching an actual 50% increase in rates. The key here is an apparent misunderstanding as to the context of the conversation which was reported upon.

Since the topic of consumer rates has been raised, I also feel obliged to comment upon that. The letter published in The Standard indicated that a typical CPCO customer purchasing 500 kilowatt-hours (KWH) per month would pay \$34.18 which is "well below the \$41 per month charged by the Chelsea municipal utility cited in the article."

However, the article did not cite the KWH usage the \$41 figure was based on. A 500 KWH bill from the Chelsea Village Electric Utility would be approximately \$36, depending on fuel cost adjustment, under the new Village rate structure. Thus, the comparison in the letter was misleading at best.

To further explore a comparison of consumer rates, the CPCO 1989 Annual Report shows the average customer on rate A-1 purchased 659 KWH per month at a cost of \$44. A customer in the Village of Chelsea with the same usage would pay approximately \$47.20. However, since Jan. 1, 1990 CPCO has received approval from the Public Service Commission (PSC) for a 3.33 mills/KWH rate decrease and a 6.15 mills/KWH rate increase. The net effect of these rate changes will add \$1.86 per month to the average customer's bill for a total of \$45.86. In addition, CPCO has filed for a basic A-1 rate increase which would add another \$5.46 per month to the customer's bill if approved by the PSC. Thus, a typical CPCO customer is now paying \$45.86 for 659 KWH/month and will be paying \$51.32 if the pending rate increase is approved. Impetus for continued rate escalation will come from CPCO's need for additional amounts of expensive MCV electricity which will increase in cost about 6% a year.

Clearly, the Chelsea Village electric rates are competitive and will remain so in the future. This is particularly true when it is noted that the Village's intent in adopting the new rate structure was to freeze rates through 1998.

Robert F. Stalker,  
Village Manager.

# Anniversary Celebration Slated at St. Paul UCC

St. Paul United Church of Christ, 14600 Old US-12, Chelsea, will observe the second of three Anniversary Celebrations on Sunday, April 29, beginning with a Service of Worship at 10:30 a.m. Guest speaker will be the Rev. Gary Kwiatek, pastor of St. Andrew's UCC, Dexter, since August, 1988. He served briefly as Interim Pastor of St. Paul in 1979. Past presidents and members of the new church Building Committee of 1966 will be honored during worship.

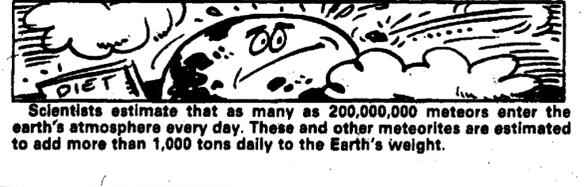

The Rev. Gary Kwiatek

At 5:30 p.m., the Anniversary Banquet will be held in the Fellowship Hall, with 180 anticipated. The speaker will be Dr. Warner H. Siebert, pastor of First Congregational UCC, Owosso. He served as pastor of St. Paul church from 1965 to 1974, beginning just before the congregation moved from its Summit St. location to its present site. Dr. Siebert returned to Michigan from the Ohio Conference in 1988.

The Anniversary Banquet's theme is "An April Symphony"—a "Harmonious Blend of Remembrances, Fellowship, Cuisine, and Sound."

Chicken Cordon Bleu and "Surprises" will be served by members of the Anniversary Committee and helpers. Peter Flintoft will serve as master of ceremonies.

Scientists estimate that as many as 200,000,000 meteors enter the earth's atmosphere every day. These and other meteorites are estimated to add more than 1,000 tons daily to the Earth's weight.

### Where is Paul's Third Heaven?

The countless teachings that have mutated from Paul's passage in 2 Corin. 12:1-4 extends anywhere from the belief that there are actual levels of spiritual habitation that we can obtain within the Kingdom of God, much like an apex of good, better or best, to the teaching of a limbo, or "holding area", for those of whom Christ is not sure how he wants to judge. This controversial passage reads "It is not expedient for me to glory. I will come to visions and revelations of the Lord. I knew a man in Christ above fourteen years ago, (weather in the body (of Christ), I cannot tell or out of the body (of Christ), I cannot tell: God knoweth); such an one caught up to the third heaven. How that he was caught up into paradise, and I heard unspeakable words, which is not lawful for a man to utter." In truth, the question we should ask, after thorough study, is not "Where will third heaven be?" but "When will third heaven be?" Notice that Paul, in v.3, tells us that he is having a vision, a revelation: not speaking of something that was already happening but something which was to happen in the future. According to the scriptures, there is to be three periods, or heavens, which will come to pass: 1) The heaven and earth in the days before the great flood; 2) The heaven and earth which now stands and 3) The new (third) heaven and earth which John saw in Rev. 21:1-3. Examine the statement Peter makes of the three heavens, or time periods, in 2 Pet. 3:1-7, 12-13 "... by the word of God the heavens were of old, and the earth standing out of the water and in the water: whereby the world that was, being over flowed with water, perished. But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men. Looking for and hastening unto the coming of the day of God, wherein the heavens being on fire shall be dissolved and the elements shall melt with fervent heat? Nevertheless we, according to his promise, look for a new (or a

# Letters to the Editor

To the Editor,

There is a petition drive under way to collect 239,000 valid signatures by July 4 in order to put the Patterson-Anderson tax reform proposal on the November ballot. Its promoters are appealing to the frustration of homeowners who received notice recently of whopping increases in the state equalized value (SEV) of their property. Please take a close look to see why NOT to support Patterson-Anderson.

K-12 school districts levying more than 30 mills for school operations would have to roll them back to the 30-mill level. Homeowners hungry for property tax relief should be aware that the 30-mill limitation would apply to and include only the portion of their local property taxes paying for K-12 school operations. The taxes going for bonded indebtedness, school building and site, community colleges, and intermediate school districts, as well as for all other purposes (county, village, township, etc.) would not be included in the 30-mill limitation.

The proposal would provide that revenue growth from local taxes would be limited to the rate of inflation, but again, this limitation applies only to the portion of local taxes paying for K-12 operations.

Literature for the Patterson-Anderson proposal declares that in the first year of the proposal, a per-pupil revenue floor of \$4,100 would be established. The fact is that there is a five-year phase-in for this provision.

The proposal mandates the state to reimburse the losses of school districts forced to reduce their operating mills to 30. This would include Chelsea which now levies 38 mills for operating expenses. It is estimated that to provide this reimbursement, the state will have to raise—or find—\$800 million in additional funds for K-12 purposes. However, the proposal imposes new limits on the state, thereby foreclosing such opportunities as expanding certain taxes to gain more revenue to offset the added burden placed at the state level.

So where could the replacement dollars for K-12 education come from? About the only places left are other areas of the state budget devoted to education such as the community colleges, the universities, and the State Department of Education. Also, other areas such as social services and mental and public health could be affected. It's safe to say that many state services would have to be drastically reduced, if not eliminated. The proposal would force hard choices that many of us would find unacceptable.

Patterson-Anderson isn't even a tax shift. It merely provides for substitution of local funds with state funds which must be taken away from other vitally important programs thereby making those programs suffer. You may pay less property tax, but you do so at the expense of state educational programs that may not directly affect our community, but nonetheless affect the quality of life for all of us.

I urge you NOT to sign a petition for the Patterson-Anderson proposal. It jeopardizes our community colleges, state universities, and our living standards that depend on state services, while making only questionable improvements in the financing of our local schools.

David Frohaska

To the Editor,

I write this letter out of concern for the Chelsea community and its future. I would like the community to know more of the facts about the proposed new child-care center to be opened at North school. I would also like to pose some questions about it that may still need to be answered.

After the April 17 meeting of the Chelsea Community School Dialog Meeting, I began to receive phone calls at my home from people who were concerned about a statement made by Mr. Piasecki, the superintendent. The callers told me that at the meeting Mr. Piasecki stated that Chelsea Community Hospital was moving its daycare center from Our Savior Lutheran church to North school because the church was not going to renegotiate its contract with the hospital. The callers gave me the names of other people who were also at the meeting, so I called some of them to verify the report, and they agreed that this was the gist of Mr. Piasecki's remark.

The next day, I called Mr. Piasecki and asked him about the statement, and he denied saying anything to that effect. But what, then did the people at the meeting hear?

For the record, I am president of the church council, and we have been renting space to the hospital for its school-age daycare program. On Jan. 14, 1990, the church's Voters' Assembly authorized us to renegotiate our contract with the hospital to continue the daycare. Our first meeting with hospital personnel was held Feb. 13, 1990, at which time proposals were presented and a second meeting was set for March 6. Before that meeting, Cindy Harrison's office at the hospital called us and cancelled the meeting. No further word was received from them until March 30, at which time we were informed by the hospital of their intent to terminate the contract. A meeting with them on April 10, confirmed their intent when they presented us with written notice of termination.

We harbor no ill will for the hospital. It seems to be a good deal for them. The school has excellent indoor and outdoor facilities and recreational equipment, whereas they would have had to buy equipment for an outdoor playground at the church. Additionally, there may be a significant savings of money for the hospital, and a better deal is better business for them.

There are, however, some questions that need to be raised.

One reason the school was willing to undertake this program was because a study they did showed that there is a serious demand for daycare in our community. Is the school adequately responding to the need by this action? Doesn't it really just move an existing program from one place to another. How many additional children will receive daycare because of this move?

Next, who will benefit from this daycare? Our contract with the hospital provided that children of hospital employees have first priority in enrollment, and that other children would be enrolled as space permitted. If this is still the case, does it put the school district, which claims to be financially strapped, in the awkward position of subsidizing the hospital?

If the hospital is saving money by its use of school space and equipment, will the savings be passed on to all parents, or will fees for non-hospital employee children remain the same as at present? It would seem only fair that everyone who uses the program should benefit, and not just the hospital.

As I said, I bear no ill will to the hospital or the school. In fact, I hope that the program works out to be a real benefit to the children and to the community. What works out best for them benefits us all. I only want to set the record straight, defending the honor and the integrity of the church, which wants to be part of the community, too. We were willing to negotiate.

David B. Ruhlig  
President of Our Savior Lutheran Church.

FIRST PLACE in the Earth Day Poster Contest went to Catherine Campbell, left, and Shawna Shafer, right. Not pictured is Suzy Steele, who also took first place. The contest was held at McKune Memorial Library.

PRIZES FOR SECOND AND THIRD PLACES in the Earth Day Poster Contest went to, from left, Kent Williams, Jason Wilson, and Phoebe Booth. Also pictured are Amber Sears and Reames Morgan.

### Earth Day Poster Winners Earn Prizes for Efforts

Communities across the nation celebrated the 20th anniversary of Earth Day on Sunday, April 22. Children in Chelsea and surrounding areas participated in the celebration by designing posters which help illustrate ways we can save the earth through recycling, water conservation, and energy conservation. The contest was sponsored by the Department of Natural Resources, the Waterloo Natural History Association, the Village of Chelsea, and the Friends of McKune Memorial Library.

Three age groups were judged: K-3, 4-6, and 7-12. In the K-3rd grade category, Shawna Shafer of Ann Arbor won 1st place, Kent Reames of Chelsea won 2nd place, and Jason Wilson and Phoebe Booth of Chelsea tied for 3rd.

In the 4th-6th grade category Suzy Steel of Chelsea won 1st place, Amber

Sears of Chelsea won 2nd place, and Melissa Williams of Chelsea took 3rd.

In the 7th-12th grade category Catherine Campbell of Dexter won 1st place, Jeannie Opalek of Pinckney won 2nd place, and Koneta Morgan and Rachel Kinsey of Pinckney took 3rd.

First place prizes were \$20 gift certificates from the Gerald Eddy Geology Center gift shop; 2nd place, Earth Day T-shirts; and 3rd place received a special DNR ecology patch.

184 posters were submitted for judging. The posters represented a mixture of the hopes and fears that face our planet in the future and the creative ideas of our children to preserve it. The winners are on display at McKune Memorial Library now and will be moved to the Geology Center in a couple of weeks.
