ONE HUNDRED-TWENTIETH YEAR—No. 10

CHELSEA, MICHIGAN, WEDNESDAY, AUGUST 1, 1990

24 Pages This Week

THERE WERE A LOT OF SMILES when the historic marker at the Chelsea Depot was officially unveiled Saturday afternoon. It was a milestone in an effort which began several years ago to turn the run down depot into a beautiful building for community use. Shown with village president Richard Steele and Depot Association president Lee Fahrner, left, and former Gov. John Swainson, right,

are descendants of brothers James and Elisha Congdon, founders of Chelsea, Sally and Andrew Howard, John Moore, III, Charles Moore, William Moore, Lois (Palmer) Moore, and Merle Barr, Jr. Elisha Congdon was Merle Barr's great-great-grandfather. James Congdon was Lois Moore's great-grandfather.

IT WAS A BIG DAY Saturday for the Chelsea Depot as a good crowd witnessed the historic marker dedication then toured the inside, where they saw this train display, along with many other items in the museum. From left are Robert Devine, previous stationmaster, Richard

Ashley of the Huron Valley Railroad Club, Dave Pastor, a member of the program committee, Kathy Clark, president of the Chelsea Area Historical Society, and Marge Hepburn, a member of both the historical society and the Chelsea Depot Association.

EMERGENCY CREWS STRUGGLED to save the life of Delores Mae Wisterman, 56, a seriously-injured Gregory motorist, after the 1974 Cadillac she was driving westbound on North Territorial Rd., Monday afternoon, July 30, veered off the road and struck a tree, just west of the entrance to Hudson Mills Metropark. Dexter fire rescue workers, were joined at the crash scene by officers from the Washtenaw County Sheriff's Department and Huron-Clinton Metroparks, personnel from Huron Valley

Ambulance, and the Survival Flight staff, which transported the victim to University of Michigan Hospital, Ann Arbor, where hospital authorities reported she died, later that afternoon. Investigators from the Washtenaw County Sheriff's Department were unsure of the reason the vehicle veered off the road. They explained it was not certain whether or not the victim had a safety belt engaged, but there seemed to be no indications of braking prior to the crash.

Gregory Woman Dies Monday in Auto Crash

A Gregory woman died of injuries resulting from a serious crash reported Monday afternoon, July 30, on North Territorial Rd., just west of the Hudson Mills Metropark entrance. Deputy Stan Yates from the traffic services division, Washtenaw County Sheriff's Department, was dispatched to investigate the crash, after a 1974 Cadillac driven westbound on the

roadway by Delores Wisterman, 56, apparently veered off to the left and struck a tree. Dexter Area Fire-Rescue workers were called to the crash, reported as a pin-in. Assistant fire chief Dennis Betz explained the Jaws of Life were used to extricate the injured woman, and Survival Flight was summoned, which

transported her to University of Michigan Hospital, where authorities reported she died, later Monday afternoon. Deputies reported there was no indication at the crash site that the victim had attempted to brake, and no skid marks. Investigation continues on a possible (Continued on page five)

Primary Elections May Have Big Impact in Lima, Dexter Townships

Area voters will go to the polls next Tuesday, Aug. 7 in what will be a usual primary election for many people in western Washtenaw county.

Michael DuRussel, a potato farmer and president of DuRussel's Potato Farms, Inc. of Freedom township, will try to wrest the Republican nomination for district 1 county commissioner from six-year veteran Ellis Pratt. Pratt is a part-time real estate salesman and a general maintenance worker for a vocational school.

DuRussel, 4682 Esch Rd., is a 20-year member of the American Legion in Manchester, and served as commander for a year; a 20-year member of the Washtenaw County Farm Bureau; a 20-year member of the Washtenaw County Council of Veterans, where he served as council commander; and served as chairman of Manchester's Substance Abuse Committee. He's also a member of the Co-operative Extension Advisory Council, and the county boards of human services and community mental health.

Pratt, 11883 Pleasant Lake Rd., is a graduate of Manchester High school. He is a member of the Washtenaw County Building Code Board of Appeals, the county road commission, drain board, solid waste management plan, Enhanced 911 Task Force, the Local Development Authority in Dexter, the River Raisin Watershed Council, and is the board of commissioner's liaison to the county Board of Public Works and the Michigan Township Association.

District 1 serves nearly half of the county in terms of area. It serves Milan and the townships of Bridgewater, Freedom, Lyndon, Lima, Lodi, Manchester, Saline, Sharon, Sylvan, and York.

DuRussel said he was urged by board chairman Marty Straub to run for election.

Both candidates say they want to see more county money come to their rural district.

The winner will face Democrat Marcia Hancock of Milan in the November general election.

In Lima township, Republicans Bill Van Riper and Wallace Fusilier are vying to become the next supervisor. The election became necessary after the resignation of long-time supervisor Leila Bauer this spring. There are no Democratic candidates.

Van Riper, 12605 Jerusalem Rd., is a local dairy farmer. With the exception of three years in the U.S. Army Air Force and one year of electronics school, he has farmed all his life.

Van Riper, who served 17 years on the township's planning commission, but none in the last decade, said he intends to continue to enforce the zoning ordinance and general development plan "unless it's changed by the residents." He also says he'll assure that "all residents are assessed equally and uniformly according to Michigan state statute."

Fusilier, a self-employed water quality scientist, has a Ph.D. from the University of Michigan in water quality. He was appointed township supervisor in 1976 and lost in the subsequent primary. However, he says he's been actively involved in most township ordinances as a private citizen since 1974 and helped write the township's zoning ordinance. The latter involvement, he said, was probably the primary reason he was appointed supervisor.

Fusilier has belonged to the Mill Creek Research Council since 1976, serving many years as chairman. He's also a member of the Washtenaw County Planning Commission and the Washtenaw County Historic District Commission. In addition, he said he sits on about 10 county boards, most of them related to water quality.

"I guess the main difference between (me and Bill Van Riper) is that he has been actively involved in raising property assessments and I've been actively involved in keeping assessments down," Fusilier said.

"Other than that, we're pretty similar." In Dexter township, supervisor James Drolett and trustee H. Douglas Smith are on the ballot as subjects of a recall vote.

The vote is related almost entirely to the proposed sewer system at Portage and Base Lakes. The recall drive was supported by opponents of the system.

The pair is charged with a host of improprieties including contempt displayed to public input at township meetings, an attitude that township citizens are not knowledgeable enough to vote intelligently on issues, their support of a sewer system that would "financially devastate" township residents, use of office for possible personal gains, behavior that has caused the township losses due to legal fees, and disregard for the rights of township citizens.

The ballot claims the recall drive is a vendetta against the men because all township trustees voted for the sewer project. It also claims that the allegations are unsubstantiated and that both men have supported the sewer system because it is needed for health reasons.

In other primary races of local interest, Gov. James Blanchard is running unopposed for the Democratic nomination, while John Engler and John Lauve are running for the Republican nomination; Carl Levin is running unopposed for the Democratic nomination for the state senate while Republicans Bill Schuette and Clark Durant seek their party's nomination; Democrat William Ford is his party's only candidate for U. S. representative, 15th district, while Burl Adkins and Glen Kassel are seeking the Republican nomination; state Sen. Lana Pollack is running unopposed for the Democratic nomination for state senate, 18th district, and Rich Birkett is running unopposed for the Republican nomination; Kirk Profit has no opposition from other Democrats for the nomination for state representative, 22nd district, and there are no Republicans running; and Democrat Eula Tate and Republican Peggy Haines are each running unopposed for her party's nomination for county clerk.

DDA To Buy Abandoned Hop-In Store and Lot

Chelsea's Downtown Development Authority is purchasing the abandoned Hop-In property next to McKune Memorial Library and plans to demolish the building.

DDA chairman Sheridan Springer said last week that the purchase, contingent on eventual approval by the Department of Natural Resources, will be for \$120,000 on a five-year land contract. It is also contingent upon written approval from DDA's bond counsel, which has already given oral approval, Springer said. California resident Howard Fenn is the owner.

DDA needs assurances from the DNR because soil, and possibly groundwater, contamination has been detected.

The corner parcel has been identified as a key piece of property by DDA consultants who are planning the downtown beautification project. Consultants like the idea of making McKune Memorial Library one of the focal points of downtown. The boarded-up and run-down former gas station is widely regarded as a major eyesore.

Washtenaw county has said that

as long as the building is secured, there's not much it can do. The village has also been told that it would have a difficult time enforcing its dangerous buildings ordinance for the same reason.

Springer said DDA will likely turn the lot into a small park, with some temporary parking primarily for the library.

"The best thing about it is, if the library needs to expand in five, 10, or 15 years, they'll have the property to do it," Springer said.

SCHOLARSHIPS were presented by the Chelsea Community Hospital Auxiliary to these Chelsea-area students last week. Kevin Colombo, who is attending the University of Michigan, was presented the A. A. Palmer Scholarship, which is funded through proceeds from the Chelsea Painters Show at the hospital each June. Women, from left, who received auxiliary scholarships, were Jonette Marie Smith, attending Jackson Community College, Ann

Renette Weiner, attending Eastern Michigan University, Melinda McCallis, attending the U. of M., and General Brooks, attending the U. of M. Not pictured are scholarship winners Kimberly Collins, attending Grand Valley State University, and Michelle Sannes, attending Michigan State University. Auxiliary scholarships are funded through organized fundraisers, specifically the annual Flea Market (this year on Sept. 1 at the fairgrounds).

A marker designating the Welfare Building a state historic site was unveiled at a dedication ceremony at the building. The building, originally constructed as a recreation facility for employees of the Glazier Stove Co., the dominant Chelsea industry at the turn of the century, is the home of The Chelsea Standard. It became the first historic building in town to be officially recognized with a marker. A crowd of about 60 people, including Chelsea Village president Jerry Satterwaite, Jerry Roe, of the Michigan Historical Commission, Walter and Helen May Leonard, publishers of The Chelsea Standard and The Dexter Leader, Chelsea Area Historical Society members, and several descendants of stove company founder Frank P. Glazier were on hand.

Michigan Bell installed \$1.7 million of new equipment giving Chelsea-area residents in the 475 exchange touch-tone dialing and other specialized services for the first time. The announcement came in the wake of numerous complaints about the inadequacy of the local phone system, especially for businesses who rely heavily on the system. In addition to touch-tone dialing, the new service enables customers to order: 1) Call-forwarding, which automatically transfers an incoming call from one phone to another, 2) Call-waiting, which lets a phone user know there is a second call waiting, 3) Speed calling, which allows a customer to use special codes when dialing frequently called numbers, 4) Three-way calling, which enables a caller to add a third party to the line.

Two Chelsea residents participated in the 69th annual convention of Lions Clubs International held in New Orleans. Dave Prohaska, deputy district governor of Lions District 11B1, represented the Chelsea Lions Club as a delegate to the convention. Denise Pratt, a Chelsea High school senior, attended as a member of the Michigan Lions All-State Band which was sponsored by the Lions of Michigan. Denise received a \$600 scholarship grant from the Chelsea Lions Club to cover the cost of transportation, meals, and housing while on tour.

It's hard to believe a faulty 60 amp fuse could cause nearly five feet of

sewage to back up in the basement of Chelsea Lanes. But that's exactly what happened. Chelsea Lanes owner Ed GreenLeaf asked a couple of his employees to take a table to the basement. They opened the basement door, descended a few steps and thought they were the victims of a practical joke. The scum on the top of the sewage reflected the light so clearly that they thought GreenLeaf had filled in the basement with glass or a mirror. "I'm just glad they didn't fall in," GreenLeaf said.

Mr. and Mrs. Clarence Lehmann of Cavanaugh Lake Rd., were the victims of an unarmed robbery. Police reports state the couple were in their home when one of the thieves came to the door, posing as a Consumer's Power inspector. He lured Mr. Lehmann, 69, and Mrs. Lehmann, 82, onto their porch under the auspices of pointing out the source of a power line deficiency to them. In the meantime, his accomplice entered the home through a back door, went into the couple's bedroom, and began rifling through the drawers of a bureau. Mrs. Lehmann became suspicious of the Consumer's Power impostor and returned indoors on the pretext of turning on her oven. Upon entering her home, she observed the man in her bedroom, and according to the report, ordered both of them to leave the property. The thieves strong-armed the elderly couple and procured their departure from the premises. Officers involved in the investigation speculate the men needed time to disconnect the earpiece of the Lehmann's telephone receiver before leaving. Thus, when Mrs. Lehmann proceeded to notify police of the incident, she found her telephone service out of order. She walked one quarter mile to a neighbor's home and dialed police from there. Missing from the victim's bedroom were a diamond ring and \$500 in cash.

Many of the bicentennial communities issued commemorative coins honoring various colonial edifices in their communities to observe the United States Bicentennial Celebration. Chelsea had chosen to honor the Clock Tower which has been an integral part of the lives of the 4,000 citizens throughout the years. This timepiece has tolled out the hours for the factory worker to get on the job, has been closely watched for the hands to indicate "quitting time" and the return of workers to their homes, has set the time for the young to meet for dates, and has measured out the last minutes for those on their death bed. It was used as a special meeting place for those who were forbidden to meet secretly, and has marked the

G.O.P. Urges Private Involvement To Provide Health Care

Involvement by the private sector, including individuals, small businesses, large corporations and charity operations, with the state providing tax credits as an incentive, could be a means of providing health insurance to the nearly 1.5 million persons in the state who do not have such coverage, the House Republican Task Force on Affordable Health Care for the Uninsured reported recently.

The Republican proposal for ways to provide medical care to the uninsured comes after the Legislature failed to incorporate Governor James J. Blanchard's \$13.1 million Healthy Start program, providing care for young children from low-income households.

In a report containing eight recommendations, task force co-chairs Nancy Crandall (R-Muskegon) and Michael Nye (R-Litchfield) said establishment in Michigan of a Blue Cross-Blue Shield program allowing for the "adoption" of a child in order to provide insurance could help many of the 245,000 youngsters now without protection.

A similar BCBS plan in Pennsylvania is now providing health care

for some 17,000 children.

The "Caring for Kids" program, Nye said, would cost \$200 to provide full benefits for one child, with the state providing an income or business tax credit on that amount of \$9.20.

That, he said, is much cheaper than the public having to absorb total cost of the health care.

"We might not see savings right now, but in the long run, we will start benefiting," Nye said. "If we can help people get insurance, it helps the state financially."

Legislators of both parties rejected the governor's Healthy Start Plan, saying the state could not afford to initiate such a potentially costly program.

While the Pennsylvania plan is currently being explored by BCBS in Michigan and was discussed by the Democratic Commission on Families earlier this year, Nye said the changes cannot be made without enabling legislation.

Though both Crandall and Nye agreed the task force recommendations will not provide care for everyone, they are intended to be "a step along the way."

"This is a way to reach some of those people. We're trying to be

responsible with what we're recommending," Crandall said.

Other recommendations include requiring insurance carriers to offer policies for children and grandchildren, which Crandall said will benefit those whose families can afford it to provide the coverage, and allowing health coverage under a parent's policy to continue for full-time college students who are not dependents on that parent's tax return form.

Both of these measures, Nye said, would further reduce the total number of children who do not have coverage.

Several other recommendations, besides the "Caring for Kids" program, would allow tax credits, including credits for those businesses which provide a health insurance deductible assistance program, whereby companies pay less for insurance with a lower deductible, then use the difference for a pool of money within their own organization to assist their employees, and credits for those businesses which participate in a non-profit health insurance pool.

Further recommendations would establish incentives for physicians to provide charity care to the uninsured, including protection from civil liability, and the purchase of Medicaid health benefits by employed disabled adults, employed parents of disabled children, and unemployed injured workers and their families.

A final recommendation of the task force encourages insurance carriers to develop more diversified options, including "menu" coverage, whereby those wishing insurance could select individual protections and eliminate those which are not applicable to their situation.

State Board Approves \$17.8 Million For Classroom Computers

The State Board of Education has approved \$17.8 million in awards for the 1989-90 Classrooms of Tomorrow Program which will provide computer equipment for classrooms this fall.

A total of 8,027 individual teacher applications representing 456 school districts will participate in the program.

State Superintendent of Public Instruction Donald L. Bemis said the awards are an outgrowth of the board's commitment to increasing the use of technology in the educational process.

The board had received a total of 24,063 individual teacher applications from 468 local and intermediate school districts. The total amount sought by Michigan teachers for computers was \$67.1 million.

The awards range from \$1,712 for Baraga Township Schools, Breckenridge Community Schools, Bullock Creek School District, Mendon Community Schools, Onkama Consolidated Schools and South Lyon Community Schools to over \$2.5 million for the Detroit Public Schools.

Michigan Site for Foster Care Pilot Program

Michigan, along with California, Illinois, Kansas and Nebraska, will participate in a pilot project to determine the benefits of early review of children's placement in foster homes, the State Court Administrative Office announced.

Kent county will be Michigan's project site for the one-year program financed by a grant from the Edna McConnell Clark Foundation and administered by National Association of Foster Care Reviewers of Baltimore.

"If the data we collect in Kent county shows that services provided to children and their families in the first weeks of foster care results in earlier return of the children to their homes, then we may extend this program to other Michigan counties and have a citizen review board," said Tom Kissling, director of the Michigan Foster Care Review Board Program co-ordinating the project.

Kent county's Foster Care Review Board, which reviews a sampling of cases of children placed in foster homes because of abuse or neglect, will determine if efforts are being made by the Department of Social Services, Juvenile Court or private child placement agency to develop and carry out a plan for permanent placement in a timely manner.

Children who have been in foster care for at least six months are currently under review and will not be in the pilot project.

Starting in August, the Kent county board will review a sample of cases where children have been in foster homes for less than six weeks, Kissling said.

In 1989, the Kent county board reviewed about 10 percent of the 550 Kent county children placed in foster care homes that year.

Two Motorcycle Covers Stolen

Two motorcycle covers were stolen in separate incidents on Sunday night, July 23.

Covers were taken from motorcycles parked at homes on Railroad St. and E. Middle St., according to police reports.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Zeke Grubb hunkered down in his cane-bottom rocker by the window air conditioner Saturday night and announced he was proud of himself for making it from home to the country store in one piece, and that his next order of business would be the three mile run back to the house. He said all the roads he was on this past week weren't safe for man nor beast.

If it ain't them motor homes that can blow a pickup plumb off the road, Zeke said, it's them little vans with sides full of squirmy kids and outside covered with bicycles and camping gear. These dog days of summer is the time when Ma gets a terminal case of the battle rattle and she has got to git out of the house. When that happens, Pa and the kids figger anything else is better than dealing with a woman as ornery as a bear with a thorn in her foot.

The fellers were full agreed. Bug Hookum said he and his old lady don't do anything they need to git away from, but they git bored looking at one another this time ever year. She calls the country store the iron lung, he said, because she claims he can't breathe outside of it, and right now she's right. Bug said he was agreed with the feller that alius wanted a pool table at home til he got one. Then he sold it because he said shooting pool ain't no fun unless you're supposed to be somewhere else.

As fer travel, Zeke took note of the good news and bad news about air bags in cars. He had saw reports where the safety devices might destroy you in order to save you. They actual are chemical bags that inflate in a flash and deflate a few seconds after the car stops. The inflating saves you, but the deflating could cover you in stuff that burns like Drano. If it'll clean pipes it ain't what you would choose to git your face and eyes full of, was Zeke's words.

General, broke in Clem Webster, the poet was right when he said somepun like our best plans are likely to run amuck. Clem had saw where the South Dakota Air National Guard invited a newspaper editor for a ride in a jet fighter after the editor complained about the danger of the jets making treetop level practice runs over the countryside. Basic, the editor said the planes were loud and if they dipped a little and hit the ground, no telling what all they'd tear up.

Everthing was fine until the fighter

the editor was in run into another one over the countryside. Everbody bailed out, and the editor was the only one hurt. He broke his neck, got burns and cuts and said he ought to of had better sense than to doubt the wisdom of his own editorial.

Turning to new old news, Clem had saw where the manager of a belly up savings and loan in Texas had been sentenced to 30 years in prison on 1,800 counts of fraud, and Clem said he is expecting any minute to git word that hell has froze over. Clem said he had been convinced that the Justice Department's plan was to wait as long as it takes fer Congressmen on S&L boards to retire and the hole mess to sink of its own weight. He had saw where Congress borrowed another \$73 million to persecute more than 900 cases of S&L crimes, but Justice said it wouldn't need but \$50 million. When you hear of any federal outfit turning down money, Clem said, you know somepun is sad out of kilter.

In the Texas item, Justice was quoted as saying it will pursue every S&L case to the limit of the law. Clem said all taxpayers should live so long.

Yours truly,
Uncle Lew

Mr. and Mrs. David Johnson

Rebecca Bollinger, David Johnson Marry in Zion Lutheran Church

Rebecca Marie Bollinger, niece of Paul and Janet Prentice of Chelsea, and David Lee Johnson of Chelsea, the son of the late Elmer and Faye Johnson, were married Saturday, July 14 at Zion Lutheran church.

Pastor Mark Weirauch performed the ceremony before 200 guests.

Cheryl, Diane, and Judy Bareis sang "The Battle Hymn of Love," "Long Line of Love," "Walk With Them Loved," and "Blest Be The Tie That Binds."

The bride wore a white satin wedding gown with bateau neckline and sheer yoke encrusted with pearls and a fitted bodice encrusted with embroidered lace and pearls. The gown had a basque waistline, fitted sleeves with a sheer insert and pearl accents, and a chapel train adorned with lace and satin ruffled pleated scallops. Her headpiece was of silk flowers and a pearl spray pauf accented with pearl. The fingertip veil was of nylon illusion. She carried a cascade bouquet of white and peach roses accented with baby's breath and strands of English Ivy.

Maid of honor was Cathy Leutz of Chelsea, cousin of the bride. She wore an apricot satin dress that featured a shirred bodice with a basque waistline, elbow-length sleeves and back bow detail. She carried a colonial nosegay of white miniature carnations and peach roses, accented with aqua statis and baby's breath.

Bridesmaids were Sharon Lintner of LaPorte, Ind., cousin of the bridegroom, and Debbie Trinkle of Chelsea, friend of the couple. Their dresses were similar to the maid of honor's.

Jenna Satterthwaite of Chelsea carried a white basket with peach and white petals.

Best man was Gregg Franz of Ann Arbor, friend of the couple. Ushers were Jeff Prentice of Chelsea, cousin of the bride, and Gene Morefield of Chelsea, friend of the couple.

A reception followed at UAW Local 1284 Hall. It was hosted by Red Johnson and Gert Rowe. Carol Satterthwaite cut the cake and Malissa Morley handed the guest book.

The newlyweds took a four-day cruise to the Bahamas. They are living in Chelsea.

The bride works for the Marflax Corp. and the bridegroom works for Tuar-Grimbac.

ABWA Members Receive Lesson on Art of Origami

Linda Warren of Chelsea was welcomed to the July 24 meeting of the American Business Women's Association and became the newest member of the Chelsea Charter Chapter. She was presented with the club flower along with her Association pin. She is employed at Chelsea Family Practice as a nurse.

Guests at the meeting were Vanessa Model and Helen O'Toole. Ms. O'Toole was the guest speaker and presented a delightful program on Origami - Japanese paper folding.

Announcement was made of the Woman of the Year for 1990. The member who will represent the Chelsea Charter Chapter is Cindy Bear. She has been a member since 1980 and is employed at Chelsea Community Hospital.

The Aug. 28 meeting will be held at the Sugar Loaf home of Esther Kujawa. A picnic will be held.

Any employed woman who is interested in forming friendships and receiving support from other business women is welcome to attend.

For further information, please contact 475-2041.

Walking Program For Seniors Going to Hudson Mills Park

The next "Walk Michigan/Walk for Wellness" is scheduled for Tuesday, Aug. 7, at 8:30 a.m. Meet at New Senior Citizens Center, for transportation to Hudson Mills Metropark.

"Walk Michigan/Walk for Wellness," a series of 10 walks this summer is sponsored by Chelsea Community Hospital Senior Health Connection in co-operation with Chelsea Senior Citizens and Chelsea Community Education.

The walks are open to any person in the community and are 1 1/2 to 2 miles in length. Locations, dates, and times for the walks will vary in order to give everyone an opportunity to participate some time this summer. Transportation will be provided for walks located outside the village of Chelsea.

All walks will take place as scheduled with cancellations only in the case of severe weather warnings. Participants are requested to dress for the weather. There will be drawings for prizes at the completion of each walk.

Further information about the Walk Michigan/Walk for Wellness program may be obtained by calling Chelsea Community Hospital Education Department at 475-3935.

Man Arrested For Disorderly Conduct After Truck Crash

A 21-year-old Jackson man was arrested for disorderly conduct while rescue workers were on the scene of a one-truck crash on Pierce Rd. last week.

Chelsea police arrived at the scene where a pick-up truck had run into a tree. Two passengers and the driver all appeared to be injured.

As Chelsea officer Riley Sumner began administering first aid to the driver, one of the passengers, Gyle L. Brown, told Sumner to leave the driver alone and that he would be all right.

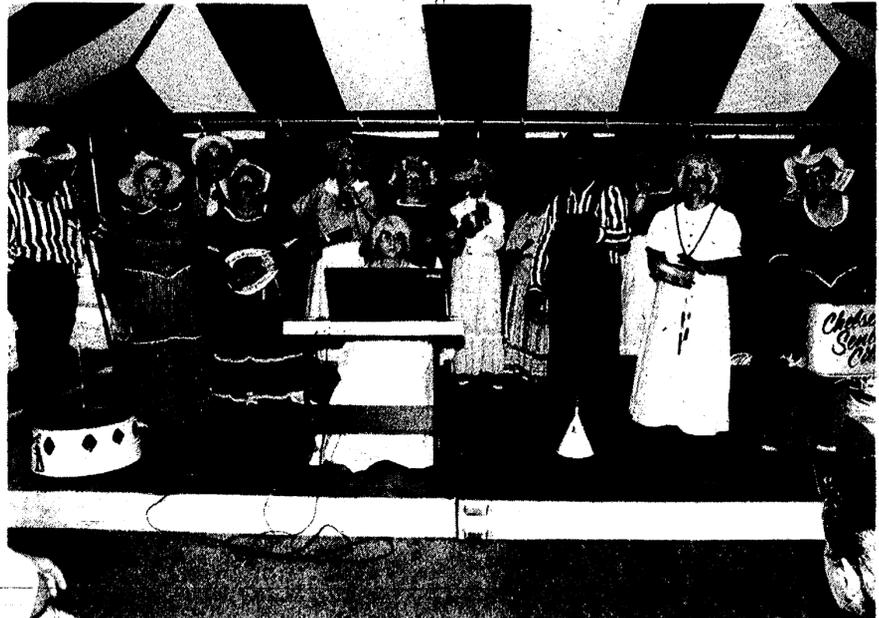

However, when rescue workers took over, Brown attempted to intervene and Sumner grabbed his arm. Then, according to reports, Brown took a swing at Sumner and was arrested.

While waiting in the patrol car, Brown began kicking the back door, which resulted in more than \$200 damage. He also began hitting his head against the rear window and wig-wag light. Brown was then tied up and taken to Chelsea Community Hospital, records indicated. He also yelled death threats at Sumner, police said.

Hose, Sprinkler Taken From Home

A S. Main St. resident reported the theft of 100 feet of hose and a sprinkler from his residence last Wednesday, July 25.

According to police, the items were left outside after the resident watered his flowers.

CHELSEA KITCHEN BAND put on a rousing show on noon. The senior citizens specialize in old-time favorites E. Middle St. during the Sidewalk Festival Friday after- played on kazoo and many other simple instruments.

Former Chelsea Residents Mark 25th Wedding Anniversary

Morgan and Nan Rowe, who resided in Chelsea from 1965 until 1982, were honored on the occasion of their 25th Wedding Anniversary with a surprise open house hosted by their children, Sheri and Todd Rowe.

The Rowes were married June 26, 1965 in the Williamsburg Presbyterian church by the Rev. John Grey. After a honeymoon in Chelsea, the couple decided they enjoyed the area so much they wanted to reside here and moved to Cavanaugh Lake in October, 1965. They were active in community affairs and the Chelsea United Methodist church, as were their children.

When North American Rockwell closed, the Rowes reluctantly left Chelsea and returned to their home town of Williamsburg, Va. in 1982.

Approximately 60 relatives and friends of the couple attended the celebration and many congratulatory cards and gifts were received from many friends in Chelsea.

A cake modelled after the Rowe's original wedding cake was served, as well as special dishes prepared for the occasion by Mr. Rowe's sister, Liz Brownie, and Mrs. Rowe's cousins, Ruth Hodge and Dot Parker. Decorations were created by the Rowe's daughter, Sheri, who is an art major at V.C.U. Mary Katherine Hedgebeth, Mrs. Rowe's cousin, handled the guest book.

Mr. Rowe's sister, Mamie Rush and her husband, Bob, long-time Chelsea residents, visited the couple in Williamsburg June 22 and presented them with an elaborate dinner in celebration of their anniversary.

Mr. Rowe is maintenance supervisor at Everready Battery Co., in Newport News. Mrs. Rowe is the purchasing supervisor and contract administrator for the Jamestown-Yorktown Foundation.

Mr. Rowe stays busy fishing, golfing and hunting. His most avid hobby is attending Winston Cup Auto Races.

Mrs. Rowe enjoys fishing, painting, bowling, softball and is pursuing a degree at a local college. Mrs. Rowe's hobby is writing and one of her stories

Fair Board Gears Up For Annual Event

Chelsea Community Fair Board is gearing up for the annual fair Aug. 21-25.

Workbees are being held each Thursday at 7 p.m. to put the finishing touches on facilities.

Fair board approved the purchase of a new copy machine as well as a new telephone system, which should be ready for fair time.

At their regular meeting July 19 the board reported that the annual audit of the fair books was completed with no problems.

Air conditioning has not yet been started in the Fair Service Center.

The fair kitchen this year will be open from 8 a.m. to 10 p.m. and breakfast will be served.

Chelsea area rock band, The Holy Cows, will be performing on Saturday night, Aug. 25.

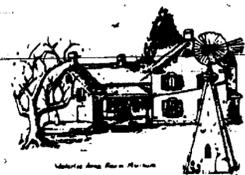

Peeping Tom Tries To Hold Conversation

A Taylor St. woman told Chelsea police that a white man in his 40's who was looking into her bedroom window tried to start a conversation with her.

The woman immediately closed the blinds and called police.

The man was wearing a yellow-striped shirt, the woman told police.

The incident occurred last Saturday, July 28.

"Beauty is nature's coin and must not be hoarded . . ." —Milton

Generally speaking, the beauty of nature is in the public domain and is free to anyone with the sensitivity to appreciate it. However, there is another beauty: that born of a friendly smile and a warm "hello."

People may tend to "hoard" the warm friendliness and understanding that can sweep away hostility. Sometimes, they choose to hide their true feelings behind an outward mask, ranging from cool reservation to indifference. The beauty of a friendly spirit is best not hoarded, but spent freely in the marketplace of everyday living.

We have made many lasting friendships in this community over the past years by our friendly, dedicated and sympathetic service.

On July 15, a Washtenaw county woman was bitten by a bat which had entered her home. The bat was retrieved and sent to the Michigan Department of Public Health rabies laboratory, where tests for rabies proved positive, and the woman immediately began the necessary treatment.

24 Years Ago . . .

Thursday, Aug. 4, 1966—

A study committee from United Community Services of Metropolitan Detroit visited Camp Crile. The committee had been exploring the needs of overnight camping for severely handicapped children and heard testimony during the year from a number of representatives in the field of health and camping. Sponsored by the Michigan Society for Epileptic children, Inc., the camp was originally designed to help only children subject to seizure. Later, through special project planning, the camp also helped children afflicted with cerebral palsy and crippled and retarded children. Campers looked forward with delight to "safaris" into the wilds of the Pinckney Recreation Area, which surrounded the camp.

Two Chelsea area men suffered injuries during the past week while riding on motorcycles. Gary A. Ken, 18, of Chelsea, and a passenger on his motorcycle, Melving Boudrie, 14, of Portage Lake, were taken to St. Joseph Mercy Hospital in Ann Arbor on July 28 with leg cuts after the cycle on which they were riding hit the rear of a farm tractor driven by Roger W. Lane, 21, of Ann Arbor.

34 Years Ago . . .

Thursday, Aug. 2, 1956—

Pleasant Lake School District electors approved annexation of the

district to the Manchester District. Manchester district voters paved the way for annexation by voting 162 to 12 to assume Pleasant Lake's \$125,000 bonded indebtedness and approving an increase in tax limitation to help pay off the debt by 153 to 28. With the favorable voting on annexation proposals, Pleasant Lake school property, the district itself, and money assets now are the property of Manchester Public Schools.

William Hochrein, service representative for the Michigan Consolidated Gas Co., in Chelsea retired from active service Aug. 3. Hochrein had been in charge of service in Chelsea since gas was first introduced into the village in 1912. He was first employed by the company in April, 1904, and was in his 53rd year of service with the company. He was honored by his fellow employees for his 50 years of service and was given a gold watch at that time.

Plans were completed for the formation of an additional Boy Scout troop for Chelsea, with Robert Horste as Scoutmaster. The new troop was designated as Troop 76. Active in laying the groundwork for the new troop here were Robert Greenough, Holton

Knisely, Elmer Kiel and Douglas Lange, working with the committee chairman, Robert Daniels.

Sylvan township voters would be using voting machines for the first time on Aug. 7. While it is expected the new method of casting ballots seemed complicated to many voters, it has been pointed out that the method is relatively simple. There are only four basic steps to remember. 1) Move the red handle to the right. 2) Select your party by turning the Primary lever over the name of your party. 3) Turn a voting lever over the name of each candidate in your own party for whom you wish to vote. 4) Move the red handle back to the left.

Comeau Elected President of WISD School Board

Chelsea Board of Education President Anne Comeau was recently elected president of the Washtenaw Intermediate School District Board of Education.

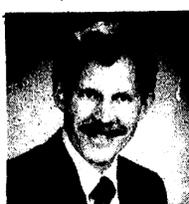

Comeau is a long-time member of both school boards.

Chiropractic Health Care

Chiropractic and Athletics Cont'd
Dr. J. Nicholas Koffeman

This week's column continues our discussion of sports injuries and chiropractic care. Today's topic is how chiropractic care can actually prevent injuries.

Chiropractic adjustments can prevent both new and recurring injuries. This may, on the surface, seem like a bold statement. I'll explain.

When a chiropractic adjustment is needed, that adjustment will return function and increase strength to the muscles. This is readily seen. First test a muscle for strength. This can be done either with the doctor performing what is known as manual muscle testing or with a computerized muscle testing station.

If the muscle is found weak an adjustment to the spine, can return normal strength. When normal function and strength is returned the body is much more resilient and less prone to injury.

Next week we will talk more about this, as well as the professional and world class athletes who already know this secret for not only decreasing injuries but increasing performance naturally.

Please address all comments and questions to J. Nicholas Koffeman, D.C., 138 E. Middle St., Chelsea, MI 48118, 313-475-2088.

Results of the royal balloting named Sharon Bihlmeyer and Adam Erskine, both of Manchester, first runners-up. Second runners-up were Jenni Gordon of Saline and Dexter's Ryan Dittmar.

1990—Year of the County Fair

Throughout our nation this year, citizens are celebrating 1990—The Year of the County Fair.

Of course, Michigan's fair industry wants to celebrate too, and is asking you to "Say Yes to the Best at Michigan Fairs and Festivals," this year.

Come join your friends and neighbors on Tuesday, Aug. 21 through Saturday, Aug. 25 and have a whole bunch of good old-fashioned fun

Nature Events Offered Next Week At Hudson Mills

Four nature events will be held at Hudson Mills Metropark near Dexter.

"Insect Intrigue," a family program exploring beetles, bugs, butterflies and other insects, will be held on Saturday, Aug. 4 at 11 a.m. Participants should meet at the Activity Center.

"Nature Stories for Children," a program of nature tales and activities for young children, will be held Saturday, Aug. 4 at 2 p.m. Participants should meet at the Activity Center.

"Wildflower Wander," a naturalist-led walk exploring the fields for summer wild-flowers, will be held Sunday, Aug. 5 at 3 p.m. Participants should meet at the Activity Center.

"Moonlight Walk," a naturalist-led walk focusing on the sights and sounds of a summer night, will be held Sunday, Aug. 5 at 8 p.m. Participants should meet at Oak Meadows Picnic Area and bring insect repellent.

Most programs are "free," some may have a nominal charge and advance registration and a vehicle entry permit are required. For information/registration—contact the Huron-Clinton Metroparks, phone 1-800-47-PARKS (toll-free).

at the Chelsea Community Fair.

The Chelsea Community Fair also has two nights of the ever-popular Demolition Derby, livestock shows throughout the week, plenty of displays, and Granpa Cratchet with his strolling, free, down-home entertainment for you and your family to enjoy at the fair this season.

Ever since fairs began, they've been a proud showcase for the activities of people in their community.

A fair is a unique educational opportunity that helps bring producers and consumers together by creating a better understanding of each other.

Michigan's 92 fairs have done a great job of emphasizing youth, agricultural and educational ac-

tivities in their local communities.

Last year, more than five million people attended Michigan fairs. For instance, the Chelsea Community Fair had over 33,000 people look, watch and participate in the activities last year.

It's no secret that fairs provide education and information for both adults and young adults and have a major social and economic impact on those of us who live in the community. In addition, fairs offer clean, healthy family activities for our residents.

We urge you to come to the Chelsea Community Fair and help us "Say Yes to the Best at Michigan's Fairs and Festivals" during 1990—The Year of the County Fair.

County Parks Comm. Plans Walk Michigan Event Saturday, Aug. 4

Washtenaw County Parks and Recreation Commission has announced their annual Walk Michigan event. The date is Saturday, Aug. 4 from 9 to 10:30 a.m. from the Platt Rd. (near Washtenaw) lot at County Farm Park.

Enjoy a 1 or 3.1 mile walk and be eligible to enter the first round drawing for a trip to Mackinac Island (and the bridge walk) over Labor Day week-end.

The event will feature door prizes and a brunch for participants. Please bring your own place setting as well as a dish to pass. There is no fee.

For further information please call the administrative offices at 971-6337.

Scio Fire Dept. Plans Open House

Assistant fire chief Ken Hofmann advised the Scio Township Fire Department will host its third annual Open House, Saturday, Aug. 4, at the Scio Township Fire Station, 1055 N. Zeeb Rd.

In conjunction with the Open House event, the American Red Cross will be conducting a Blood Drive, and prospective donors are urged to take advantage of this opportunity to "donate a pint."

Both events will begin at 10 a.m., and continue until 3 p.m., Saturday.

Hofmann explained there will be cold drinks and cookies, and balloons for the kids.

Representatives from various other Washtenaw county emergency services will also be on hand to greet citizens.

Everyone is invited, and the firefighters hope to have lots of people stop by to meet them and take a look at the department headquarters and its equipment.

Ample parking space is available for visitors.

Personnel and equipment from Huron Valley Ambulance (HVA), Survival Flight, MedFlight and the Washtenaw County Sheriff's Department will be there for public inspection, in addition to Scio Township fire vehicles.

During past Open Houses, firefighters also arrived from other departments with spiffed-up antique fire vehicles.

Under the Job Training Partnership Act, federal funds are apportioned to the states, which provide training services to unemployed workers, working with local governments, business, and industry, labor, education and nonprofit organizations.

A FAMILY AFFAIR: The recent week of June 9-16 was an eventful one in the Barry household of Dexter, when both mother and daughter became college graduates. On Saturday, June 9, Karen (a 1986 graduate and salutatorian of her class at Dexter High school) graduated magna cum laude from Michigan State, achieving a Bachelor of Arts degree in business with a pre-law concentration. On Saturday, June 16, Jeanne graduated magna cum laude from Washtenaw Community College, achieving an Associates Degree in general studies after working and attending classes there part time since 1985. Karen's future plans include possibly working for the Federal Government as well as entering a graduate program or law school in the near future. Jeanne works as executive secretary to the Director of Enrollment Services at Washtenaw Community College, and plans to continue her studies toward a bachelor's degree.

Lack of Automobiles Plagues Demo Derby

Chelsea Community Fair's annual demolition derby is in jeopardy for the first time in its 15-year history.

The problem is simple; not enough cars.

There's no lack of people to enter the derby. However, they can't find clunker autos at a reasonable price.

Over the years the derby has used about 1,200 cars that otherwise might have littered the countryside, said derby chairman John Klink.

The success of the derby, however, has turned against it.

Drivers can't afford to pay more than \$150 for an auto that runs. Drivers are also willing to look at cars that don't run that can be donated or purchased for a small amount.

Anyone who has a car they think might be appropriate for the derby is urged to contact Klink at 475-7631. Klink will refer callers to drivers who need cars.

Men and women who are interested in participating are urged to pick up an application at Wolverine Food & Spirits as soon as possible.

Gains in Grain Fall Mainly Due to Rain

Harvest pressure and a bearish U.S. Department of Agriculture crop report have led to a tumble in wheat prices recently. So what's a good marketing strategy for Michigan wheat producers? "Our advice is farmers should not do much selling, if any selling at all, at these low prices and ought to consider carrying an inventory," said Bob Craig, farm economist with Michigan Farm Bureau.

Craig said storage will pay this year.

Personal Watercraft Must Obey Boat Rules

Jet skis, water scooters, wet bikes and other personal watercraft are classified as powerboats in Michigan and must obey the nautical "rules of the road," AAA Michigan reports.

Carelessness and inexperience are major factors responsible in most watercraft deaths and injuries.

Five people were killed and 156 injured in personal watercraft accidents nationally in 1987. The toll rose to 20 dead and 254 injured a year later. Michigan recorded no such fatalities in 1988, but 16 suffered injuries.

To avoid accidents, personal watercraft operators must obey boating rules and regulations for vessels up to 16 feet.

For example, persons aged 12 to 16 must be certified to operate a powerboat without adult supervision. Classes are offered by the state Department of Natural Resources and local law enforcement agencies.

In addition, AAA Michigan recommends personal watercraft operators:

- Wear a personal flotation device, eye protection and deck or tennis shoes with good traction. Gloves and a wet suit are recommended.
- Watch for nearby boat traffic and keep a proper distance. Most accidents involve collisions.
- Respect the rights of swimmers, anglers, other boaters and people on shore.
- Never exceed the craft's maximum load or carry more passengers than recommended.
- Know how to reach and use a fire extinguisher before starting out.
- Never go out in storms or threatening weather.
- Never operate the craft after dusk or before sunrise without proper lights.
- Give new riders thorough instructions before letting them borrow the craft.

Program Focuses On Substance Abuse, Effects on Family

Brighton Hospital's next Community Education Program on Tuesday, Aug. 7 will focus on how the entire family is affected by the drinking or drug use of a loved one.

Nan Hudler, co-ordinator of the hospital's Family and Friends Program, will lead the discussion, field questions from the audience, and point out some of the treatment and self-help options that are available to family members.

At the Aug. 7 program three helpful booklets will be available:

"Alcoholism in the Family," "Cocaine and the Family," and "When Cocaine Affects Someone You Love." The free publications are also available directly from the hospital's Community Relations Department.

The program begins at 7 p.m. in the hospital's chapel. The meeting is open to the public, and reservations are not needed.

Brighton Hospital is located just off exit 151 of the I-96 freeway.

For additional information, contact the Community Relations Department at (313) 227-1211, ext. 276 on weekdays between 8:30 a.m. and 4:30 p.m.

Chelsea Fair Queen Candidates

Nine Chelsea and Dexter girls will seek the title of 1990 Chelsea Community Fair Queen.

The public portion of the program is slated for Saturday, Aug. 25 in the covered arena at the fairgrounds.

Laurie Honbaum, a former Chelsea Fair Queen, has agreed to be the emcee of the show. She is also Miss U.S. Teen of Michigan.

This year's candidates and their sponsors include Katie Fowler, Chelsea High School Freshman Class; Liz Sager, CHS Sophomore Class; Amy Mitchell, CHS Junior Class; Christine Dunlap, CHS Senior Class; Dana Durst, Students Against Driving Drunk; Carey Wallace, Chelsea Key Club; Michelle Smith, Chelsea Community Hospital; Amy Trinkle, Rogers Corners Herdsmen 4-H Club; and Lisa Brooks, Dexter High School Senior Class.

This year, for the first time, the girls will be competing for a \$500 scholarship, along with the usual prizes.

In addition, program co-ordinator Sally Heil has arranged two new pre-fair events for the girls—a poster and pizza night at Beach Middle school on July 31 at 7 p.m. and a luncheon fashion show on Aug. 18 at 2 p.m. at Gina's Cafe. The public is invited to the second event. The girls will be modeling fashions from Casual Sports, Especially Yours, and Vogel's.

The girls, as usual, will be taking part in a number of fair events, beginning with the Kiddie Parade on Tuesday, Aug. 21 and continuing with the Livestock Auction, Ladies Day, and the Fair Parade.

Accompanying this story are profiles of three candidates.

MICHELLE SMITH, 15, is being sponsored by Chelsea Community Hospital in this year's Fair Queen Program. Michelle has been on the honor roll every year since junior high school and has won band awards for outstanding performance. She plays with the Chelsea High school band and orchestra, is a member of the flag corps, and has played in the orchestra for the high school musical plays. She is also a member of the Chelsea Area Players, is a Friend of McKune Memorial Library, and is a member of the Teen Fashion Panel at Briarwood Mall. Among her fair activities, she was a runner-up for Junior Homemaker of the Year, she has won prizes in home economics and floriculture, and is a state fair ribbon winner in sewing. Her hobbies include modeling, playing flute and piccolo, acting, photography, and travel. She is the daughter of Dr. Michael and Clara Smith, 22 Sycamore Dr., and sister of Melissa, 13, and Melody, 10.

Dr. Swan Receives Prestigious AGD Fellowship Award

David W. Swan, D.D.S., received the Academy of General Dentistry's prestigious Fellowship Award during a special ceremony at AGD's annual meeting, July 16, in San Francisco, Calif.

The Academy is the second largest dental organization in North America. Its 30,000 members are dedicated to continuing dental education in general practice. To earn the Fellowship Award, AGD dentists must complete more than 500 hours of continuing education within 10 years and pass the Fellowship exam.

Dr. Swan graduated from the University of Michigan School of Dentistry in 1984. He maintains a private practice in Chelsea, and is a dental advisor to Chelsea Community Hospital and Chelsea United Methodist Retirement Home. He serves on the staff of Sinai Hospital in Detroit and the University of Michigan.

Dr. Swan received the American Association of Endodontists Award as a senior dental student and a senior scholarship from the University of Michigan Dental School. He is a member of the American Dental Association, the Michigan Dental Association, the Washtenaw County Dental Society and the R. F. Sommer Study Club.

In the community, Dr. Swan is vice-president of the board of directors of the Civic Foundation of Chelsea and a board member of Chelsea Social Services and the Chelsea Rotary Club.

Dr. Swan and his wife, Lynn, have two children, Jillian and Daniel.

CHRISTINE DUNLAP, age 17, is being sponsored by the Chelsea High School Senior Class in her bid to become the 1990 Chelsea Fair Queen. Christine has a long list of activities and awards. Her awards include a Michigan State Fair Baton Solo Championship, National Baton Twirling Championships from 1985-89, 1990 Miss Junior America Talent Winner, and a 1989 District 9-10 Storytelling Championship. Some of her school and community activities include membership on the 1989 Chelsea High School Forensics Team, serving as vice-president of the CHS Band Council, and active involvement in stage and drama productions. She's also an honor student. Among her community activities, she has been involved in the district's Super Saturday Program and was chosen for the Washtenaw County Future Lawyers Program. She has participated in the fair parade for eight years, has been a model for Ladies Day, and has entered the baking and crafts division. Among her hobbies are ballet and jazz, and auto racing with her dad, Tom. Christine Mignano and Tiffany Houston will make up her court. Her mother is Jill Dunlap, and she is the sister of Julie, 24, Amy, 22, and Ryan, 13.

Employee Service Awards Presented By Health Center

Seven Chelsea residents were among 332 employees recently honored by Catherine McAuley Health Center, Ann Arbor, for completing 10 or more years of service during 1989. The awards were presented during a banquet at the Radisson Resort and Conference Center in Ypsilanti.

Local award recipients include Lucy Dorr, 30 years; Gail Pratt, 25 years; Patricia O'Neal, 20 years; Bonnie Schreiber, 15 years; Michael Thayer, 15 years; Karen Carty, 10 years; and Deborah Stankevich, 10 years.

McAuley employs over 5,000 people.

LISA BROOKS, 16, is being sponsored in the Fair Queen Program by the Dexter High School Senior Class. Her school activities have included membership on the pom pon squad, school events committees, and band in her freshman year. She's also played powder puff football. In 1987 she was the Freshman Homecoming Queen and in her junior year was on the homecoming court. She has also been a member of True Spirit, a community singing group. Her hobbies include water sports, dancing, and playing piano. Members of her court are Kim Krugman, Susan Arnold, and Whitney Walsh. She is the daughter of Margie Brooks, 123 Fieldcrest. She has a brother, Tom, age 23.

Chelsea Summer Baseball Team Trowned by Tough Brighton

Chelsea summer baseball team lost its only game last week to a talented Brighton squad, 15-3. The game was stopped after five innings due to the eight-run mercy rule.

After Chelsea went down in order in the first, the Brighton hitting barrage began. Brighton's first three hitters each hit a homer and before the first inning was over 16 batters went to the plate and 11 runs scored.

Chelsea got on the scoreboard in the third inning as Ben Hurst walked, stole second, moved to third on a single by Steve Grau, and scored on a bases-loaded walk. A strikeout ended the inning with the bases full.

Down 15-1 in the fifth, Chelsea rallied for two runs as Rick Clouse singled, Adam Taylor doubled, and they both scored on an error.

Chelsea sent a parade of pitchers to the mound as Craig Ferry, Jake Rin-

die, Hurst, and Taylor each saw action. Chelsea had just three hits for the game.

"It was one of those games where about everything went wrong," said Chelsea coach Akel Marshall.

CHS Class of 1965 Wins Spirited Challenge Hoop Game

Chelsea High School Class of 1965 played a fast game of basketball against their powerful alumni opponents last Friday to win the game, 45-35.

The game was held in conjunction with the Class of '65's 25th reunion.

Coach for the team was Terry Pokela. Team members were Tom Steele, Dennis White, Gary White, Jim Cameron, Eddie Windell, Dennis Stofor, Oren Wireman, Gary Moore, Bill Ledford, and Charlie Schmunk.

"They hit the ball real hard and there wasn't much we could do."

Chelsea plays again tomorrow, Thursday, Aug. 2 at 6:15 p.m. They're scheduled to play a double-header against Dexter on Tuesday, Aug. 7 at 6:15 p.m. All action is at Veteran's Park in Ann Arbor.

The alumni opponents, coached by Richard Dusseau, were Bob Riemenschneider, John Lixey, Warren Porath, Jock Crawford, Ted Wilson, Dave Diesing, and Paul Jones.

Bob Allen was the announcer and Bob Snyder the timekeeper.

Senior varsity basketball players Kerry Plank and Jeremy Stephens may have learned a thing or two about officiating when they served as referees.

All players were still standing at the end of the contest.

BAD BOYS of the Little League were ready to play this summer. In front, from left, are Sooner Dils, Jamie Murphy, Jeff Cavanaugh, Mike Alber, Casey Wescott, and Shawn Perkins. In back, from left, are Billy Martin, Jay Schick, Mike Pidd, Scott Boughton, A. J. Franklin, and Brad Sullivan. Not pictured is Pat Flynn.

Letters to the Editor

To the Editor,
The opinions expressed in this letter are purely my own. I admit, however, that I hope they will be shared by others.

The issue involved is a significant one: whether an existing successful small business will be allowed to continue operation in Chelsea or not!

The facts as I know them are as follows:

Royalty Limousine Service has operated profitably at 747 Flanders since January 1989; for more than one and a half years. Prior to the creation of Royalty Limousine, its owner, Ms. Gene Haab, inquired of the Village whether she would need to satisfy any local requirements in order to operate said business from her place of residence. Only after having been told nothing was necessary, did she commence doing business in Chelsea. Moreover, I am also reasonably certain that the Chelsea State Bank made a similar inquiry of the Village before extending the loan which enabled Royalty Limousine to begin operation.

Recently a single complaint against Royalty has been made which appears to have nothing whatsoever to do with the actual operation of the service—it has certainly not been considered a nuisance by any other of her neighbors for more than a year and a half! Rosemary Harook, nevertheless, cited Royalty Limousine for failure to comply with the Local Zoning Code. In action by Village Council on Tuesday night, June 19, Ms. Haab was given permission to continue her business in its accustomed fashion for 45 days while the variance issue was under review. In a subsequent meeting of June 26, which I also attended, that action was rescinded and Ms. Haab was obliged to apply for a variance (even though none-actually may be warranted.)

If such a variance is not granted, Ms. Haab will either have to change her place of business or cease operation of the limousine service entirely. Based upon what I know of the situation, I believe that, unless such a variance is promptly granted, Chelsea will lose its only limousine service. The result of this will be that anyone wishing to utilize a limousine will be obliged to pay at least \$15 more per hour than presently. (Parenthetically, I might add that I have been surprised how many local residents have availed themselves of the services of Royalty Limousine!) However, there is an even more significant issue involved than just one business, valuable as that one is.

We are in the process of changing from a product-oriented economy to a service-intensive economy. As that process accelerates, it will oblige us to redefine our conception of work and especially where and how it is performed. This will predictably raise fundamental questions about the existing zoning code not only in Chelsea but throughout the entire country. In order to ensure that the existing code, drafted in another era when the conditions of work were significantly different from what they are today, does not become a detriment to new business development, I think it is time to rethink and revise the code to promote rather than inhibit business development. If you are disposed to think this is a trivial pursuit, I encourage you to take a stroll along Main St. I think you will be dismayed by the presence of five vacant storefronts.

If you share my concern, I would encourage you to contact members of the Village Council to support not only the granting of a variance in this case, but the creation of a task force to take a serious look at the existing zoning code before it becomes not only an anachronism but a great impediment to the economic well being of the entire community. To fail to grant a variance in this case sends a message to prospective businesses that none of us in this community can afford!

Thank you for taking time to read and think about the above. You need to be heard from.

To the Editor,
Recycling is one of the best ways the average person can contribute to conserve our environment. However, some people feel that recycling is "too inconvenient." Those who do recycle know that it really is not and, once you start, it becomes contagious and you find yourself looking for more ways you can become "earth-friendly." Whether you recycle or not, below are a few simple ideas that everyone can incorporate into their daily living routines.

—Buy products made from recycled products.

—Save and re-use paper and plastic bags that the grocers and retail stores use to send your purchases home.

—Buy several sizes of re-useable containers for food storage instead of throw-away paper, plastic, and foil products; they will quickly pay for themselves.

—Avoid using paper plates, napkins, cups and other disposable products. If you must, opt for paper products instead of polystyrene products.

—Turn off the water while you are brushing your teeth.

—Shower instead of taking a bath; it uses less water.

—Leave grass clippings on the lawn instead of bagging them up to send to the landfill. It's better for your lawn, too.

Shawn Personke.

Farm League Baseball Results

Week of July 23

Bulldogs 15, Team Six 11—
Justin Leiter hit a bases-loaded triple for the Bulldogs. Tim Bailey and Bryan McPike each hit a double. Steven Lafferty caught a fly ball.

Ball Busters 12, Base Burners 9—
Robby Mida hit two home runs, including a grand slam, and Will Tyrell hit a homer to lead the Busters. Travis Phillips and Adam Zang played well on defense. For the Burners, Andy Bulson homered twice and Steve Erskine homered once. The Burners played good defense as they were two players short.

Tigers 10, Devils 1—
Scott Policht led the Tigers with five RBI and Brian Groesser, Josh Hack, Danny Graff, Mike Holloway, and Matt Milazzo all had big hits. Chris Trudell hit a homer for the Devils.

Blues Brothers 14, Green Monsters 13—
Jason Young, Dan Whitesall, and Rob Dymond led the Brothers at the plate. Timmy Herter, Jamie Stimpson, and Jason Young, and Elliott Eustis were all solid in the field. Sean Dyer went 2-3 for the Monsters, and John Goss and John Baird hit well. Brothers were the champs of Farm League I.

Police Arrest Man For Taking Fish Too Small

A routine traffic stop led Chelsea police to the arrest of a Grass Lake man who was wanted for keeping a bass under the legal limit.

According to police reports, Chief Lenard McDougall stopped Kirk W. Bowen near Old US-12 and Arthur St. after Bowen allegedly was driving over the speed limit. A routine check of police records showed Bowen was wanted for keeping a black bass under 10 inches long.

Bowen was taken to the Chelsea Police Department, where he posted bond of \$105.

LEE COLLIER works on making a submarine sandwich for a customer at his new Subway franchise in Village Plaza on S. Main St. Collier, a former deputy for the Washtenaw County Sheriff's Department, is taking his first stab at the fast food industry.

Subway Franchised Restaurant Opens in Village Plaza Mall

Subway, a fast-food submarine and salad shop that bills itself as the "fresh alternative" has opened in Village Plaza near ACO Hardware. Lee Collier, who recently retired after 20 years with the Washtenaw County Sheriff's Department, owns the business with his wife, Sue, who also works at the Chelsea United Methodist Retirement Home. At one time, Collier worked out of the Chelsea substation, which no longer exists. The couple lives in Gregory. Subway is a chain of about 5,000

stores world-wide. It was started 25 years ago in Milford, Conn. Like many franchises, virtually everything, from the food offering to the decor, is specified by the home office. In addition, much of the market-study legwork is handled by the home office. Collier said Subway wouldn't allow a franchise here if they didn't think it could be profitable. Sue's sister and husband own Subway franchises in Whitmore Lake and Brighton, which is how the Colliers became acquainted with the business.

They also decided that if they were going to be in the fast-food business, it wasn't going to be in the hamburger business. "I don't like the idea of working with all that grease," Lee said. The Colliers decided on Village Plaza because of the easy parking and the fact it is on a major roadway near most of the other fast-food restaurants. They were also very familiar with Chelsea. The restaurant, which has limited inside seating, offers a line of sandwiches and salads. Any sandwich item can be put on a salad. The bread is standardized Subway bread, which means white Italian or whole wheat. Business hours are 11 a.m. to midnight, Sunday through Thursday, and 11 a.m. to 2 a.m., Friday and Saturday.

Faith Lutheran School Preparing For 17th Year

Faith Lutheran School principal and faculty are preparing for their 17th academic year. Faith Lutheran is located at 8675 North Territorial Rd., just west of the Dexter-Pinckney Rd., intersection. The school is tucked behind the church building and is possibly one of the best-kept secrets in our area. Faith Lutheran school enrolls students from kindergarten through eighth grade. All the teachers are Michigan state certified, and they regularly attend seminars and conferences on education. The ratio of students to faculty this past year was 9:1. You can see the students are individuals and are well known to the educators. Parochial schools do have tuition. Faith Lutheran school has a low tuition of \$1,200 per school year. The brunt of the cost of operating the school is funded by Faith Lutheran church. Faith Lutheran school will have an open house Aug. 13 from 6 p.m. to 7:30 p.m. Principal Keith J. Kocpzynski encourages all interested parents to visit the school, its faculty and the facilities on Aug. 13.

Timothy Anderson Joins Air Force Delayed Enlistment

Timothy J. Anderson, son of Richard and Jo Anderson of Chelsea, has enlisted in the Air Force Delayed Enlistment Program, according to Sergeant Kevin Baker, Air Force recruiter, 2500 Packard Rd. Anderson, a 1988 graduate of Chelsea High school, is scheduled for enlistment in the Regular Air Force on Jan. 3, 1991. Upon graduation from the Air Force's six-week basic training course near San Antonio, Tex., he will receive technical training in the general aptitude area. Anderson will be earning credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and technical training schools.

CHELSEA DEPOT ASSOCIATION PRESIDENT Lee Fahrner accepted the state historical marker Saturday on behalf of the association. The occasion was the official dedication of the marker, which details some history of the building. At left is village president Richard Steele. Right is Peter Fletcher, director of the Greater Michigan Foundation and master of ceremonies for the dedication.

School Board Notes

Present at a regular meeting of the Chelsea Board of Education Monday, July 16, were Comeau, Satterthwaite, Feeney, Eisenbeiser, Diesing, superintendent Plasecki, assistant superintendent Mills, principals Mead, Stielstra, Benedict, Wescott, guests.

The truth-in-taxation hearing commenced; no questions were received from audience members.

Assistant superintendent Fred Mills presented an update on the State Aid package passed by the Legislature last week, which is a 7.7% increase and redistribution of money and wealth across the State of Michigan. Mills indicated that this is, by far, the biggest change in the philosophy of education funding—it is a "disaster" for out-of-formula districts (such as Chelsea).

John Sanders, of Kingscott Associates, was present at the meeting to review the recent study conducted of the district's facility needs through the year 1995. Lengthy discussion was held on Kingscott's suggestions and recommendations which will be discussed and considered by the Facilities Committee at an August meeting.

Substance Abuse Counselor Moira Hubbard was present at the meeting to review the year-end report of her activities. She stressed the need for a team approach and the training and involvement of staff in determining policies and programs for "children at risk." In this connection, a student assistance policy is expected to be developed in the near future.

Superintendent Plasecki briefly reviewed, for the benefit of board members, administrators, and the audience, the guidelines of the Open Meetings Act.

Fred Mills updated the board on the revised agreement between the Downtown Development Authority and the Village of Chelsea, which limits the scope and size of the DDA project.

The board discussed the matter of discipline for the students involved in the recent vandalism of Beach school. The middle and high school principals will be meeting on this subject and will subsequently make a recommendation to the board.

- In action items, the board:
1. Recalled Rahn Rosentreter for a 4/7 social studies teaching position at the high school.
 2. Approved a contract for Kathleen Thompson as a teacher-consultant at North school.
 3. Approved a contract for Lisa Nickel as an EI teacher at North school.
 4. Approved a contract for Roger Cox for 6th-grade Bloc at Beach school.
 5. Approved a contract for Amy Poljan for a 5/7 science position at the high school.
 6. Approved a contract for Crystal Heydlauff for a third-grade position at South school.
 7. Approved a first-semester leave of absence for Barbara Emmorey.
 8. Approved the appointment of Mary Lou Setta to the Recreation Council.
 9. Approved the 1990-91 board goals.
 10. Approved the low bid of Parks Installation (Milford) for the removal and replacement of underground storage tanks at the bus garage facility.

Debarino's Restaurant Opens in Former Dairy Queen Building

Debarino's, a restaurant specializing in pizza, submarine sandwiches, salads, and ice cream, has opened adjacent to Pierce Park in the former Dairy Queen building.

Dave and Karen Botsford of Ann Arbor are co-owners of the business, which is modeled after another Debarino's, owned by Karen's sister in Decatur. Debarino, incidentally, is a nickname for Karen's sister, Deborah.

"I have a lot of experience in food, but not so much in pizza," Dave said. "I've done everything from slinging hash to French cooking. I was the sous chef at the Briarwood Hilton about 15 years ago."

Debarino's makes its own pizza dough from scratch, as well as its own 7-inch buns for the submarines, a light whole wheat. All the sandwiches are baked, although customers can request cold sandwiches. The only change from the original Debarino's is the addition of ice cream.

Debarino's is also not afraid to try unusual items, with its recent push of Bar-B-Q pizza, which is made with barbecue sauce rather than conventional pizza sauce.

Items available for the sandwiches can also be put on pizza. Eventually Debarino's plans to cater and try to specialize in business lunches.

"Right now we're doing great with ice cream, but people don't associate us with pizza," Dave said.

"Also, we've been doing pretty well at dinner time but we've been a little slow at lunch."
The restaurant also has a few video

games set aside in a small room. Dave said he may start offering a free pizza for the high game on a particular machine every week or so.

Hours are 11 a.m. to 10 p.m. Monday through Thursday, 11 a.m. to midnight on Friday and Saturday, and noon to 10 p.m. on Sunday.

DEBARINO'S owner Dave Botsford of Ann Arbor, and employee Lisa Hamrick show off one of the restaurant's pepperoni pizzas. The restaurant is adjacent to Pierce Park in the former Dairy Queen building.

Inspiring New Film Stresses Role of Adults in Helping Young People Realize Their Hidden Potential
Growing up, Guy Doud was the kind of person nobody figured would ever amount to much. How then did this former "class nerd" become National Teacher of the Year, and find himself standing in the Oval Office, being honored by the President of the United States?

Doud tells this heartwarming and humorous story in the new two-part film presentation, "Molder of Dreams," which will be shown at the CHELSEA FREE METHODIST CHURCH, 7665 Werkner Rd., Chelsea, on Sunday, August 5 (part I) and Sunday, August 12, (part II) at 6 p.m.

In this release from Focus on the Family Films, Doud describes how those who cared to look beyond his obesity and backward social graces helped him rise above the popular verdict that he was a loser. He shares how his childhood experiences led him to become a teacher and help young people who feel the way he once did. Doud also recounts his meeting with President Reagan at the White House after being named National Teacher of the Year for 1986-87.

The setting for the film is a high school classroom, where two stories unfold: one is Guy Doud's entertaining and emotion-packed account of his own childhood and how it impacted the way he teaches; the other is the true account of one of Doud's students, Kent Soderman. What transpires leads to the dramatic conclusion of "Molder of Dreams."

A popular public speaker, Doud has told his story on the nationally syndicated "Focus on the Family" radio broadcast, hosted by psychologist and best-selling author Dr. James Dobson. The audio cassette of the broadcast quickly became one of the most requested tapes in the program's history.

Everyone is welcome to attend this two-part series. For further information, call the church at (313) 475-1391.

Letters to the Editor

To the Editor,

The recall drive against Jim Drolett and Doug Smith has hit some new lows. First, they circulate false petitions to initiate the election. Then, after many supporters of Jim and Doug placed yard signs in front of their homes, they found the signs mysteriously disappeared in the dark of night. Now our local officials are accused of prohibiting religious freedom and raising your taxes through a circular illegally placed in newspaper boxes and who knows what else. If we had an earthquake, they would probably blame that on Jim and Doug also.

This mud shows the extent the opposition will go to try to confuse the voters, but we have confidence that the people of Dexter township will see through their bankrupt campaign. I am proud that our elected officials have continued to stand for clean, above board government, even when faced with the nasty politics of the perpetrators of the recall.

Let's send a message to this handful of dissidents who would destroy good government in Dexter township and go to the polls on Aug. 7 with a resounding NO vote against the recall.

Gregory Andrews.

To the Editor,

Regarding the recent Ann Arbor News article on the Smith/Drolett recall in Dexter township (July 30), Smith and Drolett are quoted as saying that some of their signs have disappeared and unsigned flyers have appeared in their mailboxes accusing them of prejudice because they refused to allow signs for a "recent church fair."

Although I can't be sure, my guess is that reference was being made to the refusal of township officials to allow signs advertising the annual St. Joseph Church Festival in Dexter township.

As the person who posts the festival signs, I would like to assure Smith, Drolett, and the people of the Dexter/Ann Arbor Area that neither I nor the St. Joseph Church Festival Committee have removed any of the Smith/Drolett signs or stuffed any flyers against them into mailboxes. We have not taken any position whatsoever on the recall controversy. It's Dexter township's decision—not ours.

Richard Pastorino
Festival Committee Member
St. Joseph Church, Dexter

To the Editor,

I have been a Dexter township resident for 14 years. Like most of you, I'd never attended a township meeting. I assumed things were running along smoothly.

In February 1989, I had a rude awakening. I received a letter from the township informing me that they had put a \$7,000 assessment on my house, to pay for a sewer. No one warned me of this action. There are a lot of other off-lake residents who received this same notice. A lot of them are senior citizens on fixed incomes. It happened to us, and it can happen to you.

The only solution I see is to vote yes on Aug. 7 to recall Jim Drolett and Doug Smith and replace them with competent, intelligent individuals, who will represent all the township residents, not just a chosen few.

Please go to the polls Aug. 7. Your vote counts.

Mary Anne Hitchcock.

To the Editor:

Wake Up Dexter Township... this next Tuesday is Aug. 7 for the recall voting of James L. Drolett and H. Douglas Smith. Your vote is important so be sure to go to the polls and vote. Do you want Dexter township government for a select few... or do you want good government for all of Dexter township?

The select few say these two are giving you good government (for them yes... but at the expense to you and the rest of the township) which means higher and higher taxes.

A recall is not because one or two people are not happy... it takes over 25 percent of the Dexter township

voters to place it on ballot... so you see it takes many unhappy Dexter township voters to get the recall this far. Those of you who have not yet been harassed by these two will regret the day when it will happen.

The allegations are on the ballot for you to see when you vote. There are many more that could be added to this list... for instance Drolett and Smith saying that the Michigan State University Professors are frauds.

The Dexter township records are open to all Dexter township voters to see for themselves...the staggering legal bills they owe...the per diem moneys taken by these two in addition to salaries...the \$500 per month mileage expense taken...the \$1,000 per month that Mr. Drolett's wife gets by having her on the Dexter township payroll...by making Dexter township government bigger which means more taxes...and many more... Go to the Townhall and see for yourself... These are all your tax dollars that you are paying... Do you want to pay more taxes?

I am a World II Veteran (Past Commander of Dexter American Legion Post 557) and am aware of the dictators we were up against then. We can't allow this to happen in Dexter township. This is why I will cast my votes on the ballot for recall of James L. Drolett and H. Douglas Smith. Be a good American and be sure to go to the polls Aug. 7 and vote...every vote counts...

Joseph P. Boltach.

Prepare for Tax Audit By Assembling Records

Tax filing season may be over, but many taxpayers are still dealing with the IRS as a result of notification that a tax return (or returns) for an earlier year (or years) is being audited.

"Taxpayers preparing for a federal income tax return audit should begin by gathering the appropriate records," said IRS district director John Hummel. "Returns are usually selected for examination to verify the accuracy of income, exemptions or deductions. Thus, the taxpayer will need to bring receipts, cancelled checks, or other documentation related to these items," Hummel added. "The letter notifying the taxpayer that the return will be examined specifies the items that will be discussed at the meeting," he said.

According to the IRS, if the taxpayers filed a joint return, either spouse, or both, are permitted to keep the appointment. An attorney, certified public accountant, enrolled agent, or the individual who signed the return as preparer may represent the taxpayer. Anyone who is knowledgeable of the taxpayer's books and records may accompany the taxpayer, in order to provide requested information.

"However, if the taxpayer is not present, the taxpayer's representative must have written authorization to represent the taxpayer," said Hummel. "Either Form 2848, Power of Attorney and Declaration of Representative, or Form 2848-D, Tax Information Authorization and Declaration of Representative, may be used for this purpose," he said.

Hummel added that when the audit is completed, if the taxpayer agrees with the examiner's findings, an agreement form is signed and the tax-

payer pays any additional tax due, plus interest from the due date of the return. If the examiner determines that the taxpayer is entitled to an additional refund, it will be issued within a few weeks and will include interest due to the taxpayer from the due date of the return.

"If a taxpayer does not agree with the examiner's findings, the case may be reviewed informally by a supervisor, or the taxpayer may file an appeal, either within the IRS or through the courts," Hummel said. "The examining agent will explain this procedure to the taxpayer," he added.

IRS Publication 556, Examination of Returns, Appeal Rights, and Claims for Refund, provides more information on this topic and may be ordered by calling the IRS toll free on 1-800-424-3676.

Economist Says Farm Support Spending Benefits Consumers

Congress and the Bush administration are in the middle of negotiating some combination of budget cuts and tax increases to help reduce the federal deficit. According to Ken Nye, director of commodity activities and research for Michigan Farm Bureau, it's worth remembering that over the past five years, U.S. Department of Agriculture commodity support costs have declined by \$11 billion.

"Taxpayers get a good deal out of the money spent on agriculture," Nye said. "When they go to the grocery store and see the full shelves, the diversity, the abundance that we have in the United States, it is due partly to tax dollars that help farmers do a better job of farming."

Dial-A-Garden Topics Listed

The following is a weekly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, seven days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date

gardening information.

Honbaum Competing Saturday in National Miss U.S. Teen Pageant

Former Chelsea Community Fair Queen Laurie Honbaum is competing for the title of National Miss U. S. Teen in Atlanta, Ga. this week-end.

Honbaum, daughter of Merritt and Arlene Honbaum of Chelsea, will be a senior at Chelsea High school this fall.

The pageant is being held at Center Stage in Atlanta this Saturday, Aug. 4. Fifty-two contestants representing all 50 states, as well as Puerto Rico and Washington, D. C. are competing. The winner will receive a cash scholarship, a fur, a one-week vacation to Frenchman's Reef in St. Thomas, Virgin Islands, a modeling portfolio, a watch, diamond pendant, crown, trophy, and other gifts.

Pageant rehearsals are taking place all week at the Doubletree Hotel in Atlanta. In addition, there are a variety of other activities, including a visit to Six Flags Over Georgia amusement park, make-up-and-hair seminars, and a meeting with the Georgia governor.

Honbaum plans to present Gov. Del Harris with a bag of assorted Cherry goods promoting Michigan as the cherry capital of the nation.

The actual pageant starts at 8 p.m. Saturday. It is being taped and may be shown on cable television at a later date.

Honbaum was the 1989 Miss Majorette of Michigan, 1987 and 1988 Intermediate Miss Majorette of Michigan, and 1987 Chelsea Fair Queen. She is a member of the CHS National Honor Society, captain of the color guard, and is a certified baton teacher for the Chelsea Baton Corps. She has also served as student ambassador to the Soviet Union in the "People to People Friendship Caravan."

LAURIE HONBAUM, Miss U. S. Teen 1990?

Today's Investor

By Thomas E. O'Hara
Chairman, Board of Trustees
National Assoc. of Investors Corp.
& Consulting Editor, Better Investing

Q. The purpose of my letter to you is twofold. First, I want to thank you for putting me on the right track to profitable investing. Second, I have run into a problem that I hope you can help me with.

For the first time in my three years of investing I am ahead. I joined NAIC last July responding to an ad on TV. Until that time, I had lost money on advice from three different brokers from three different brokerage houses. I had lost money from bad advice from well-intentioned friends. I had lost money from bad advice from "inflated ego gurus." I guess I had lost money every way someone can lose money in the market.

Even though you presented the NAIC program as a learn-how system, you can't imagine how surprised I was when you really did show me how to. Not only "how to" but "when to" and "where to."

By August 1989, I bought my first stock using your method and I have been buying stock ever since. My portfolio is in the black now for the first time and I am accumulating more shares each month.

Which brings me to my problem. I have \$10,600 in my portfolio which is in 11 different stocks. Eight of these stocks are in dividend reinvestment programs. I own such stocks as C&A, Chase Manhattan Bank, Dana Corp., Dun & Brad., GenMtrs., Becton & Dickinson, Precision Cast Parts, Walmart, RPM and Texaco.

I have \$400 a month to invest. The problem is that I am running into a situation where most of my stocks are above the buy P/E line on my Portfolio Management Guide. While none of them have reached the sell P/E line, all but Dun & Brad and Texaco are above the buy line.

Unless I have missed something, I should be investing each month but not paying a premium for my stock. I don't think I should sell any of my stocks until I have good reason to and right now I don't.

A. When we commit to a program of investing regularly over our lifetime, we recognize that there are times when the market is over-priced and we may pay too much for some stocks at that time. We do try to be extra careful of the prices we pay.

The important thing to recognize, and the reason we continue to invest every month, is that none of us knows what the market is going to do. We should keep a five-year perspective in mind. We can see where the Dow Jones may reach 4-5,000 in that time. It also could drop to 2,000 along the way. Our job is to own quality stocks that are likely to do as well or better than the averages.

At times when I feel the market is over-priced, I positively look for good companies that are currently having problems and that I am reasonably confident will solve those problems in one to three years.

At this time, I would consider Federal-Mogul which is priced around \$17 to \$18 or Perry Drug which seems to be getting back to its basic business. I would also consider Unlays 3.75 Coverage Preferred. While you are waiting for the company to work out of its problems, it pays a good 10% return.

Mr. O'Hara welcomes your questions and comments, but will answer them only through this column. Readers who send in questions on a general investment subject or on a corporation with broad investor interest and whose questions are used, will receive a complimentary one-year subscription to the investment magazine Better Investing. TOWNSHIP OF DEXTER

RECALL PROPOSAL

REASONS FOR DEMANDING RECALL OF H. DOUGLAS SMITH FROM THE OFFICE OF DEXTER TOWNSHIP TRUSTEE

1. His contempt displayed to public input at Township Meetings.
2. His continual attitude and claims that Dexter Township Citizens are not knowledgeable enough to vote on issues intelligently.
3. His continual support of the implementation of a massive Septic Sewer System that would promise to financially devastate Dexter Township Citizens.
4. His use of Office of Trustee for possible personal gains.
5. His continual disregard for the rights of Dexter Township Citizens.
6. His personal behavior as Trustee has caused unnecessary financial loss to Dexter Township Citizens and the Dexter Township Fund due to unnecessary legal actions.

STATEMENT OF JUSTIFICATION OF CONDUCT IN THE OFFICE BY H. DOUGLAS SMITH

The recall petition charges Doug Smith with untrue and unfounded claims. The people who promoted the referendum vote against the proposed sewer project for the Portage-Base Lakes area are the same backers of this recall election. Their effort was achieved by misleading the electorate that the Township at large could be left to finance the sewer project; the truth being only those getting a sewer would pay for the project. Doug has actively supported cleaning up pollution in the lakes area. He has allowed the dictates of his constituents who want safe drinking water and clean lakes for everyone's enjoyment. This is a personal vendetta since all 5 Dexter Township Board members approved this project, but only two are being recalled. Doug's long and dedicated service to Dexter Township residents should not be distorted by unsubstantiated and untrue claims.

TOWNSHIP OF DEXTER

RECALL PROPOSAL

REASONS FOR DEMANDING RECALL OF JAMES L. DROLETT FROM THE OFFICE OF DEXTER TOWNSHIP SUPERVISOR

1. His contempt displayed to public input at Township Meetings.
2. His continual attitude and claims that Dexter Township Citizens are not knowledgeable enough to vote on issues intelligently.
3. His continual support of the implementation of a massive Septic Sewer System that would promise to financially devastate Dexter Township Citizens.
4. His failure to answer legitimate Township questions completely and honestly.
5. His use of the Office of Supervisor for possible personal financial gains.
6. His continual disregard for the rights of Dexter Township Citizens.
7. His personal behavior as Supervisor has caused unnecessary financial loss to Dexter Township Citizens and the Dexter Township Fund due to unnecessary legal actions.

STATEMENT OF JUSTIFICATION OF CONDUCT IN THE OFFICE BY JAMES L. DROLETT

This recall effort is the result of people opposed to the sewer system at Portage and Base Lakes. Opponents either object to the disposal site or they don't want to pay for a sewer. Many agencies including the DNR, Health Dept., independent environmental professionals and professors have reviewed and approved the project. Only those with a sewer will pay for the system. This recall is a personal vendetta as all five members of the Dexter Township Board voted to approve the project but only two are being recalled. The allegations made against Jim are unfounded and unsubstantiated. He has diligently maintained control of public meetings he has chaired. He has allowed all citizen input in over 80 hours of public debate over the sewer issue. Jim has no personal financial gain as he owns no property for development and his salary is set by the electors. Jim has supported the sewer system because it is needed to protect the health of residents, a duty to which he is sworn by oath of office. Jim has brought Dexter Township government out of the 19th Century and had the courage to go forward in spite of the personal assaults on his integrity.

To what other officials are saying about

★ ★ ★ JIM DROLETT ★ ★ ★

In my dealings with Jim Drolett he's always been honest, open, and straightforward.

Margaret O'Connor
State Representative

Don't shoot the messenger. Jim Drolett is one of the best public officials I've ever worked with.

Martha Parrish
Hamburg Township Clerk

Jim Drolett had the guts to do the right thing. I'm glad he's my Township Supervisor.

Mary Straub, Chair
Washtenaw County Board of Commissioners

I have worked with Jim Drolett for the last several years. I find him conscientious and dedicated to the good of the total Township.

Don Zeeb
Webster Township Supervisor

Jim Drolett has done an excellent job of chairing Sewer Authority meetings. He has answered the same questions repeatedly and correctly, time after time.

Bruce Chapman
Punam Township Supervisor

Most often, irate citizens have opinions, not facts. Controversial issues are not reason for recall but a time for rational concern. Both Jim Drolett and Doug Smith served as Trustees when I was Supervisor, and they conscientiously and fairly voted for and against issues.

Arlene Howe
Former Supervisor
Dexter Township

Since I have been serving with Jim Drolett on the Sewer Authority Board, I have seen him handle tough confrontational situations with patience and courtesy, and his has been the major effort on the Authority Board to see the Board's mission accomplished.

Tom Ehman

I have worked with Jim Drolett as an adjoining Township Supervisor and also through our mutual association with the Washtenaw Chapter of the Michigan Township Association. I have found Jim to be dedicated to a cause, but fair in his decisions. Jim has earned your "NO" vote in this recall because of his hard work for Dexter Township.

Donald Schoenberg
Sylvan Township Supervisor

People need good government, government needs good people. Jim Drolett is good people.

Robert M. Harrison
Retired Washtenaw County Clerk and Register of Deeds

This is the kind of integrity and courage we need in our elected officials.

Planners Delay Approval of Site Plans for New Office Complex

Chelsea Village Planning Commission delayed approval of site plans for a 13,000-square-foot office complex proposed by developer Rene Papo. The complex will be located between Chelsea Community Hospital and Old US-12. The planners wanted additional information and changes before signing off on the project. They wanted a stormwater retention pond modified to be a natural landscape feature; to know the location of sidewalks; and a re-working of the driveway. There were also some unanswered questions about utilities. Papo said he's confident all the

questions can be resolved at next month's meeting, and that construction can start Sept. 1. In other commission business at last Tuesday's regular meeting, site plans were approved for an addition at Village Motors, which will be used for the new Jeep/Eagle venture. The plan was approved contingent upon several minor contingencies. The planners waived site plan approval for an addition to the National Sanitation Foundation facility at the village's wastewater treatment plant as there was no impact on parking, traffic, adjacent land use, or the existing site. Members of village council attend-

ed for a discussion about a zoning text amendment that would allow an automated car wash just north of the Parts Peddler building on S. Main St. The matter will again be addressed by council on Aug. 7. A re-working of the fence ordinance was discussed regarding special requests for front yard fences and other variations such as berms and walls. The commission recommended that the village obtain specific definitions before proceeding. There was also more discussion on the creation of an Area Planning Commission for western Washtenaw county.

'Chelsea 1995' Hears Progress Reports

The third official meeting of "Chelsea 1995" took place Wednesday evening, July 25, at the Sylvan Township Hall. Approximately 35 interested individuals representing Chelsea area residents, merchants, business and industry, health care, the Downtown Development Authority, the Village Council, and area organizations attended. Chairman Robert Thornton reported on an interest expressed by Ruth Stielstra in involving the elementary school age Enrichment Triad Program students in Chelsea 1995's activities. The students are looking at community problems to solve in the Chelsea area. Sheridan Springer, president of the Downtown Development Authority, presented an update on the DDA's activities. The DDA is currently developing a streetscape improvement plan for Chelsea. Deardorff Design Associates has developed a plan based on input from the community, the village, and the DDA. A signage program to promote Chelsea is part of the plan. Finalization of plan elements is expected to take place at the DDA's August meeting. Gale and Bart Bower represented the Purple Rose Theatre Co. and the Garage Theatre. Plans call for a 140-seat theatre which will offer performances beginning in January, 1991. The Theatre's most crucial need at this time is funding. Several members of Chelsea 1995 volunteered to be on a fund-raising committee for the theatre. The public is invited to stop by the theatre any time. Additional fund-raising volunteers are also welcome.

The Farmer's Market ran for the fourth Saturday on July 21, with an estimated 200 patrons in attendance. Sis Kanten acted as market manager July 14 for Greg Raye and H. K. Leonard. Future plans include a canopy or roof along with increased promotion. Jeri Cole proposed the development of a Youth Activities committee and is looking for volunteers. The committee will examine the feasibility of a Youth Center in Chelsea. Chairman Robert Thornton stated that, "while a significant number of community members have joined Chelsea 1995, many more are needed to help with this community-wide volunteer effort." Anyone with an interest in Chelsea 1995 should contact Bob Thornton or a committee chair directly. The next meeting is scheduled for Sept. 12, 7 p.m. at the Sylvan Township Hall.

CHURCH SIGNS BANNED IN DEXTER TOWNSHIP

What is Religious Freedom in Dexter Township? There won't be any if James L. Drolett and H. Douglas Smith stay in office!

You can drive to any part of Dexter Township and you won't find a sign advertising a church event because Drolett and Smith see to it that these signs are torn down. The Church is the moral backbone of a Community and should be inspired to carry on its good work.

THE LAUNDRY ROOM, Chelsea's newest laundromat, was opened recently by Tower Mart owner Tom Elsele. Above, he stands next to a pool table in the business, which is available for customers only.

The Laundry Room Opens in N. Main Tower Mart Complex

The Laundry Room, Chelsea's newest self-serve laundromat, has opened in the Tower Mart complex on N. Main St.

It is the second business venture for Tom and Joan Elsele, previous owners of the Tower Mart Convenience Store in the west end of the complex. On either side of the laundromat are Charles Wilson & Associates, a surveying firm, and Chelsea Insurance Co. The Elseles do own the entire complex.

The 1,800-square-foot laundromat, which also offers a drop-off service, was essentially designed by Maytag Co., which supplied the equipment, including a bill changer capable of handling \$20 bills. One unique feature of the business is a full-size pool table which is available for customers. The business is attended full time and pool cues are not displayed.

Nintendo is also available. Laundry equipment includes 20 top washers and 20 dryers, three triple load washers and dryers, and a cen-

trifuge extractor for removing the water's from heavy items such as sleeping bags.

The business uses softened water. Soap and plastic bags are available.

Tom Elsele said his Tower Mart is also benefitting from the presence of the laundromat because customers stop in for food and drinks. He said originally he wanted to connect the businesses together but decided it would be difficult to monitor his beer displays adequately.

Hours are 8 a.m. to 9 p.m., every day.

Lively Vocals of Chenille Sisters To Be Featured at Park Concert

The Chenille Sisters make their Chelsea debut this Sunday afternoon at the Concert-in-the-Park in Pierce Park.

The Chenille Sisters—Connie Huber, Cheryl Dawdy, and Grace Morand—feature "stunning vocal harmonies, an appealing diverse repertoire including many excellent originals, all-laced with their own brand of zany and wacky humor." They have appeared on National Public Radio's "All Things Considered," and "The Prairie Home Companion," and ABC-TV's "Home Show." They have three albums to their credit, including a children's album. In February they made their

orchestral debut, performing their first pops concert with the Ann Arbor Symphony.

The Chenilles, who got their professional start at the Ann Arbor Art Fair, and later appeared at The Ark and the Ann Arbor Folk Festival, draw from a number of styles, including jazz, swing, folk, and blues. Their records have gotten rave reviews in People Magazine, Billboard, and other publications.

The concert runs from 4 p.m. to 6 p.m. It is sponsored by the Chelsea Area Chamber of Commerce and the Chelsea Recreation Council.

establishments. Concertgoers are welcome to bring their own food.

Free parking is available on the Chelsea Community Hospital grounds.

According to U.S. Bureau of Labor Statistics estimates, the job classification with the most openings likely between now and 1990 is that of computer service technician.
