DOWNTOWN DEVELOPMENT AUTHORITY of Chelsea held a fundraising/appreciation banquet last Saturday at Chelsea Community Hospital to benefit the McKune Memorial Library plaza project, part of their over-all downtown beautification project. As part of the dinner, DDA chair Mark Heydlauff, center, was given an

engraved shovel which acknowledges Heydlauff as a person "Who really DUG in and never lost sight of our goal for Chelsea." From left are Allen Anderson, village council representative on the DDA, Sheridan Springer, Heydlauff, Sam Johnson, Paul Frisinger, and Bob Merkel, a member of the McKune Memorial Library Board.

## Village Plans To Start Cardboard Recycling, Expand Milk Jug Program

Village of Chelsea plans to begin its cardboard recycling program and expand its milk-jug recycling program next month after 24 custom bins are delivered by a Belleville manufacturer.

Construction of 21 of the bins is being funded by the 21-area businesses, as well as Chelsea Community Hospital and the Chelsea Civic Foundation, that will directly benefit from the program. About \$10,500 has been contributed, which just covers the cost of the bins, said Frank Hammer, chair of the village's solid waste committee.

Businesses will collect the cardboard in the bins, which will be emptied by the village, using its recently-purchased used garbage truck.

The businesses stand to gain from recycling simply because they won't have to pay for as much trash to be hauled away. In addition, cardboard will be sold to a Jackson company.

Cardboard bins will hold from 2-6 yards, depending on their size.

Three 8-yard bins for milk jugs are also being purchased. One will be put at each North and South Elementary school and the third is scheduled to be put at the Chelsea Depot as a central drop-off point for the general community. Again, the trash truck will be used to empty them.

So far this year the village has collected six tons of milk jugs from the schools as well as from week-end collections at the village landfill. That translates to approximately 120,000

gallon jugs. Each week-end about 300 pounds of jugs are being dropped off at the landfill. They are being sold to a company that grinds and pelletizes the plastic, then re-forms it into new jugs. The process can continue indefinitely.

The bins will be painted white and contain the village's orange logo, Hammer said.

The village is in a precarious position when it comes to expanding their recycling efforts due to its participation in the Western Washtenaw Recycling Consortium.

The consortium is scheduled to receive a major state grant in October. The state will determine compliance with the grant in terms of how much trash is eliminated from the over-all waste stream. For example, the consortium might be forced to eliminate 18 percent of all milk jugs from the waste stream, based on a yet-to-be-conducted study of the content of area trash. However, the current success of the program could sabotage compliance with the grant because a certain number of jugs are already being recycled and will not be included in that base study. In addition, the grant will not reimburse the village for equipment already spent on a current program.

That is primarily why the village does not want to take over the newspaper recycling program now being operated by the Chelsea Cub Scouts, even though the program has become an overwhelming task for the

boys and their fathers. Equipment and facilities for newspaper recycling will be covered by the grant.

The grant is not covering cardboard recycling, although the consortium might decide to expand into that area, Hammer said. He is also the village's representative in the consortium.

The grant will cover milk jug recycling. However, Hammer said he believes the village may be able to get the state to lower its recovery rate because the program was successful before the village even applied for the grant.

In other recycling news, the village and three area townships have signed the consortium's articles of incorporation, as have the Village of Manchester and one of its surrounding townships. Once the other four townships sign the document, the organization will become official.

Once the grant money is received, the recycling program will continue for a minimum of six years. The consortium is working out a mechanism for perpetual funding of the program.

Hammer told village council recently that he has received inquiries about the consortium from as far away as Oregon. He said officials want to know how to get 10 units of government to work together.

The 10 units in the consortium include Chelsea and Manchester villages, as well as Sylvan, Lima, Lyndon, Dexter, Manchester, Freedom, and Sharon townships.

## Chelsea Sex Education Curriculum To Be Reviewed By Committee

A blue ribbon committee has been formed to study the Chelsea School District's sex education curriculum this summer.

Committee chair Laurie Bissell, who is also the district's curriculum director, said she had planned to have the sex education program reviewed before the recent controversy began. She told the sex education advisory committee of her intent earlier this school year.

Bissell said she does not anticipate wholesale changes in the program, although decisions would be made by the committee. She said teaching materials would probably be updated.

The curriculum has come under attack recently by some parents who want the district to teach an "abstinence-based" and "morality-based" curriculum and believe current information in the program sends a mixed message to children.

Sex education is taught in the district in grades 5-9 and can be

taken as an elective course after ninth grade.

"We're going to try to do a thorough, objective study of the program," Bissell said.

"The first thing we'll do is focus on what we want our students to come away with from the program."

Bissell said it's not likely the district will implement two different programs, as has been suggested by some of the curriculum's critics.

"I anticipate we'll have some extremes, but I hope this process will work," Bissell said.

"This is a little different issue than in other curriculum areas. We can't allow our emotions to take over."

Some topics, such as homosexuality and abortion, are not now discussed in the curriculum and probably won't be in the future, Bissell said. She said when questions about those subjects come up in class, students are told they are better topics for discussion at home.

AIDS is discussed as a health issue and parents are notified by letters exactly when the topic will be addressed.

Changes in the curriculum, Bissell said, could be made in time for next school year, partly because sex education courses are taught later in the school year. Changes have to be approved by the central curriculum committee as well as the board of education.

Members of the blue ribbon committee include parents Ellie Strong, George Parker, Darlene Straub, Dee Burkel, and Ken Barner, sex education teachers Margaret Nance (fifth grade), Nola Borders (sixth grade), Alice Steinbach (seventh grade), Dave Jolly (eighth grade), and Barb Pruess (ninth grade), the Rev. Franklin Giebel of Our Savior Lutheran church and the Rev. Mark Weirauch of Zion Lutheran church, and Linda Lantry of the Washtenaw county public health department.

## Satterthwaite, Harook Say They're Interested in Council Appointment

There appears to be more interest in a soon-to-be-vacant village council seat than there was for three expiring seats in the March village elections.

The seat will be available when trustee Jack Myers changes hats and becomes the next village manager on June 10.

Former village president Jerry Satterthwaite said he has been asked by at least one trustee if he would be interested in returning to politics. Satterthwaite said Monday he would accept a seat if appointed.

Zoning inspector Rosemary Harook has also sent letters to president Richard Steele and members of council asking them to consider her for the seat.

Satterthwaite's situation is a little uncertain. For several months he has been involved in an on-going dispute with two of his neighbors and the village over the ownership of a strip of property commonly known as the North St. extension. Satterthwaite

wants to build two homes on property off McKinley St. and he has used the strip to maintain the property for years.

Satterthwaite told council earlier this year that he might be forced to take the village to court if he can't get some resolution to the complex

dispute. He says he hopes to have the matter solved before any council appointment is made. If it is not solved, he said he would follow his attorney's advice about a potential appointment.

Steele said he would like council to make the appointment at their June 11 meeting.

## Village Considering Tough New \$500 Littering Fine

Littering will become an expensive offense in Chelsea once village council passes an ordinance in the works later this summer.

The village wants to make littering a \$500 fine.

The idea behind the new ordinance is largely to protect recycling stations. Not only will littering be considered throwing trash out a car window, it will also include, for example, throwing disposable diapers into a

recycling bin, which actually happened recently in the village, or leaving newspapers outside a recycling bin once the bin is full, which also happens frequently.

The village also plans to implement another trash-related ordinance. Village residents will be required to eliminate grass clippings and leaves from the waste stream.

According to waste management committee chair Frank Hammer, garbage collectors will be instructed to leave behind all bags that appear to be filled with compostable material.

"The intent is to save space in the landfill," Hammer said.

Those bags can be taken to the compost area at the village landfill on Werkner Rd., free of charge.

The compost program has helped to save the village thousands of dollars. Topsoil was recently applied to the old landfill site, saving the cost of purchase and hauling of the material.

## Annual 'Celebrate Live!' Planned At North, South Elementaries

The annual "Chelsea's Children Celebrate Live!" will be held for Enrichment Triad Students at South school this Thursday, May 18 and at North school next Tuesday, May 21.

Third and fourth grade students, who've been studying particular topics of interest throughout the school year, will share their

knowledge with family and friends beginning at 6:30 p.m.

Students create commercials designed to show their enthusiasm for their topics and get audience members equally excited. Afterward, the audience has a chance to visit each child's "interest center," a display of information which could in-

clude everything from photographs and videotapes to charts to graphs. Each child also brings snacks somehow related to his topic.

Children study everything from sports to endangered species.

An added feature of this year's program will be a presentation by the community problem-solving group of fifth graders called the "Pathfinders." The Pathfinders have devoted themselves to finding ways to have a bike path (technically called a "linear park" by the state) constructed in and around the village. At the beginning of the year the youngsters chose a problem to solve that would benefit the entire community. Since then they've addressed all sorts of governmental and civic organizations, and have even been invited to the state capitol to make their pitch for a state grant.

The Pathfinders plan to give a series of comedy skits about their project.

The programs will also be given twice during school hours at each school for the students.

## Blood Drive On Tap Thursday At St. Paul Church

The second Chelsea community blood drive of the year will be held on Thursday, May 18 at St. Paul United Church of Christ from 8 a.m. to 8 p.m.

The drive will be held on the upper level so donors are asked to go to the upper parking lot and use the main entrance.

Because many donors give before or after work, the best time to come is between 1 p.m. and 4 p.m.

National Honor Society chapter at Chelsea High School is joining in recruiting and volunteering.

## School Board May Change Place, Format of One Meeting

Chelsea Board of Education may change its meeting schedule beginning this summer so that the first meeting of the month is primarily to gather and review information and the second meeting is to take official actions.

The new format was proposed at the

Monday, May 6 school board meeting.

Superintendent Joe Plasecki suggested that the first meeting could be held at the various schools in the district to give board members a chance to see those schools first-hand. Other suggested meeting places included township halls and the Depot.

SUE WESCOTT was one of the many parent volunteers at the annual Beach Middle School Sixth Grade Camp last week. Wescott found herself flipping more hamburgers than she'll probably cook in her entire life. She is the wife of North school principal Bill Wescott.

DUSTY WHITE gets a lesson on frogs from naturalist children about a number of amphibians and reptiles Carol Strahler during the Beach Middle School Sixth Grade Camp last week at Mill Lake. Strahler taught the native to the Waterloo area.

## Chrysler Tri-Cycle Funds Benefit Youth

On Sunday, June 2, the Washtenaw County Sheriff Department, together with the Ann Arbor News and the Exchange Club Center for the Prevention of Child Abuse, will host the third annual Chrysler Tri-Cycle which will be held again at the Chrysler Proving Grounds near Chelsea. This eight-hour biking event will provide the rare opportunity for bikers to view an otherwise "off-limits" secured site, while experiencing "challenge" of customized designed courses.

Proceeds from this year's event will benefit the Center for the Prevention of Child Abuse and the Washtenaw County Sheriff Department, Police Athletic League (P.A.L.). Both of these non-profit organizations provide services which benefit the youth of Washtenaw county. The Center provides therapy and other services relating to child abuse and neglect, offering activities designed to promote family and community welfare. P.A.L. also extends its support of youngsters by sponsoring youth athletic activities and individual scholarships, and by offering financial assistance to other organizations for their youth programs. Both of these organizations offer positive, constructive activities to our community's young people.

This exciting three-ride event offers something for everyone. The Tour, a "family fun ride," provides bikers with the opportunity to ride at a comfortable pace throughout the breathtaking country setting of the Chrysler Proving Grounds; the Rally offers more of a challenge to bikers, with a pre-determined course and timed laps; and the Inspiration, designed for both speed and endurance, is an eight-hour event where total number of laps are calculated at the end of the specified time period.

Prizes will be awarded to both individual riders and corporate teams

## Senior Law Day Slated Saturday

On Saturday, May 18, the Washtenaw County Bar Association will present the fourth annual Senior Law Day. Senior Law Day will be held in the Washtenaw County Courthouse, on the corner of Huron and Main St. in Ann Arbor, from 10 a.m. to 2:30 p.m.

The program is free and features panel discussions and courtroom enactments of legal issues of particular interest to seniors. This year, seniors will be given their choice of courtroom enactments on four topics:

- (1) Financing Nursing Home Care: The Use of Trusts
- (2) Insurance Sales Fraud and Seniors
- (3) Guardianship & Conservatorship
- (4) An Older Adult Gets Hurt: A Personal Injury Case.

In addition, volunteer attorneys from the Washtenaw County Bar Association will offer free legal advice to seniors from 9 a.m. to 10 a.m. and from 12 noon to 1 p.m.

Free morning refreshments and free lunch will be provided. Free parking will be available in the underground parking lot beneath the courthouse, which can be entered from Fourth St.

Sponsors of Senior Law Day are the Washtenaw County Bar Association, the Washtenaw Trial Lawyers Association, the Women Lawyers' Association of Michigan, Washtenaw Region, Great Lakes Bancorp, and National Bank of Detroit-Ann Arbor.

Interpretative services for hearing-impaired persons will be provided upon request. Arrangements may be made by contacting Mrs. Arlene Shock at 994-2476 in advance of the program.

Advance registration is strongly encouraged, since space is limited to 120. Registration forms are available at all Washtenaw County Senior Centers and at the Probate Court Office on the second floor of the Washtenaw County Courthouse.

## Road Safety Crucial To Rural Drivers

As Michigan farmers get into the heart of spring planting season, they should be aware of state laws regarding proper lighting of farm implements moving on public roads, according to Michigan Farm Bureau Legislative Counsel Ron Nelson.

"If it's after dark, you need lights, including headlights and taillights," he said.

who raise the largest amount in pledges for two charitable causes. Also again this year, the individual obtaining the most money in pledges will win a mountain bike.

Registration fee is \$10 for individuals, \$20 for families and \$100 for corporate teams (3-7 members per team). Registration forms may be picked up at the Ann Arbor News, the Washtenaw County Sheriff Department, area Chrysler dealerships and local bike shops.

Check-in and packet pick-up will be on the day of the event only, from 7 a.m. to 12 noon. The event will take place from 8 a.m. through 4 p.m.

For further information on this event, call 668-8300.

## DNR Bald Eagle Survey Finds Birds in 58 Counties

Bald eagle watchers scanned the January winter skies during the 1991 mid-winter bald eagle survey, and reported observing eagles in 58 of Michigan's 83 counties.

"This year," reported Director David Hales of the Department of Natural Resources (DNR), "the Michigan citizens who participated in this volunteer program reported a total of 222 bald eagles, including 50 immature and 172 adults. In the Upper Peninsula counties, 70 eagles were counted, 111 eagles were counted in the northern Lower Peninsula counties, and 41 birds were sighted in the southern Lower Peninsula counties. We thank the citizens of Michigan for their continuing support for the threatened bald eagle, especially the 400 who took the extra

effort to report their eagle observations."

Many of these majestic birds are winter residents, and survive Michigan winters by feeding near open water or scavenging on road-killed animals.

The adult bald eagles sighted during the winter count are believed to include many of Michigan's nesting population.

The number of eagles observed in recent years during the January survey has generally increased and reflects the increase in our nesting eagle population. This year's total is down from the high of 334 recorded from the 1990 winter count but is nearly the same as the 216 and 217 reported in 1988 and 1989.

## Breathers Club Speaker To Discuss Breathing, Eating

The next meeting of the Chelsea Breathers Club, which marks the conclusion of the 1990/1991 season, will explore this topic, as Julie Say, RD, presents information on "Nutrition and COPD." The group will meet Saturday, May 18, from 11 a.m. to 1 p.m. in Dining Rooms A/B of Chelsea Community Hospital, 775 S. Main, in Chelsea.

Breathers Clubs are free educational and social support groups for persons with breathing difficulties caused by lung diseases such as allergies, asthma, chronic bronchitis, emphysema, and lung cancer. They are sponsored by the American Lung Association of Michigan, and made possible through the generosity of many volunteers. Family members and friends are welcome and encouraged to attend.

For more information, please call the American Lung Association of Michigan at 313-995-1030.

Douglas and Susan Otto

## Douglas Otto Marries Susan Tamborini in Ottawa, Ill.

Susan Tamborini, daughter of Louise and Charlene Tamborini of Illinois, and Douglas Otto, son of Dave and Marilyn Otto of Chelsea, were married Nov. 24 at St. Francis church in Ottawa, Ill.

The Rev. Fr. L.H. Gildner performed the ceremony. Vocalist was Joe Hughes of Grand Ledge, Ill.

The bride wore her mother's wedding dress, which was designed with a sheath sculpture front and sweeping bouffant back ending in a cathedral

train. The dress featured seed pearls, which outlined the neckline.

Matron of honor was Vicki Sauvageau of Bloomington, Ill., sister of the bride. She wore a teal satin floor-length gown.

Bridesmaids included Ann Mucci, cousin of the bride, Mandy McIntosh, and Leslie Stohr, all of Ottawa. They wore teal floor-length gowns.

The bride's mother wore a peach beaded street-length dress.

The bridegroom's mother wore a peach silk street-length dress.

Best man was Michael Carignan of Lansing.

Ushers included David Otto of Hollywood, Fla., brother of the bridegroom, John Mitchell of Chelsea, and Jim Carey of St. Simon's Island, Ga.

The couple took a honeymoon trip to the Virgin Islands. They are living in Jacksonville, Fla.

The bride is a graduate of Northern Illinois University and Ferris State University and holds an associate degree in medical technology and a bachelor's degree in biology. She is a microtechnologist at Methodist Medical Center in Jacksonville.

The bridegroom is a 1985 graduate of Chelsea High school and Ferris State University. He has a bachelor's degree in marketing. He completed the professional golf management program and is the first assistant pro at the Plantation Golf Club of Ponte Vedra, Fla.

## Season's Prizes Awarded in Couples Bridge Marathon

The May meeting of the Couples Bridge Marathon for the benefit of the Chelsea Community Hospital was held in the Woodlands Room of the Hospital on Sunday evening, May 5 with 20 persons participating in the new format for the group.

This was the final meeting of the season, with prizes being awarded to the couple, woman, and man with the five highest combined totals for the year. The first-place couple for the year was Steve and Donna Dotson, of Chelsea, with a grand total of 40,910 for the five highest rounds. In second place, with a total of 40,350, were Charles and Evelyn North of Loch Alpine.

The woman with the five highest combined totals, with 20,020, was Evelyn North. Second high was Donna Dotson with 19,995. Both Donna and Evie are active workers at the Hospital.

High man for the year was Steve Dotson with 20,915, and in second place was Charles North with 20,330.

A special prize was given to the couple with perfect attendance, from October through May—Pat and Mark Becker—whose score brought them in fourth.

Winners for the evening's play was Nancy Pichlik, formerly of Chelsea, with a total of 5,070; Larry Wiedmayer, of Grass Lake, was second; and third was Steve Dotson.

The group voted to continue in the same format, beginning with the first Sunday evening of October and playing through the first Sunday evening of June, which allows more time for people to play the required five times to qualify for year-end prizes in this marathon event. It was also decided that the group should be opened up to any pairs of people wanting to play, either male or female. The group will be meeting in the private dining room of the Hospital.

If anyone is interested in being on the calling list for play, please contact either Marlene Rademacher (475-5020), or Roberta Barstow (428-3887).

## JUST REMINISCING

Items taken from the files of The Chelsea Standard

### 4 Years Ago . . .

Wednesday, May 20, 1987—

A brief but violent storm with hail and winds up to 85 miles an hour hit the Chelsea area, leaving some residents without power for nearly three hours. The major portion of the storm lasted about 15 minutes and dumped .36 inches of rain in the downtown Chelsea area.

Paul Weber of the Chelsea area found that his car had sustained severe damage from a storm when a tree next to the post office snapped off at the base and fell over the car's front end. Winds approaching 85 miles per hour passed through the area in a short-lived thundersorm.

Playing a nearly flawless game, the Chelsea Bulldogs won their ninth consecutive Southeastern Conference softball title with a 5-0 victory over the Saline Hornets at Veterans Park in the finals of the league tournament.

With the approaching observance of Memorial Day, members of the Chelsea American Legion were concerned with multiple rites. Legionnaires from the Herbert J. McKune Post 31 were busy fulfilling their annual responsibility of attending to more than 600 veterans graves in 14 cemeteries in western Washtenaw county. Each grave must have a marker identifying the buried person as an American war fatality or as a deceased war veteran. Members of the post inspect each grave to make sure that the marker is intact. Then, with the approach of Memorial Day, an American flag is inserted into the marker, to distinguish the resting place of a war veteran.

### 14 Years Ago . . .

Thursday, May 10, 1977—

Gary Albrecht was just two floors and 10 minutes short of joining three waiting passengers who were slashed to pieces by the whirling blades of an

idling helicopter which flipped over on the roof-top heliport of a 59-story building in New York. Having completed his business-dealings in New York, Albrecht was scheduled to ride the waiting helicopter to a nearby airport on a leg of his return trip home. Five persons were killed in the accident.

Two Chelsea High musicians, Junior Kim Wiedmayer and senior Bill Smith, were selected for the 1977 State Honors Orchestra and State Honors Band by the Michigan School Band and Orchestra Association. The orchestra is an 85-member group, while 110 instrumentalists round out the band. Each group represents the very best among high school musicians state-wide. Selection was based on each student's performance in the State Solo and Ensemble Festival.

Braving a searing sun and near 80-degree temperatures, the 105 riders pedaled their way up and down the hills of a 25-mile course at Chelsea's Chrysler Proving Grounds in the second annual Cancer Bike-a-thon, sponsored by the American Cancer Society.

On May 14, Chelsea Special Olympians traveled to Monroe High school to compete in the Tri-County Swim Meet and Bowling Competition. At the close of the day-long event, the athletes had collected an outstanding array of first, second and third-place finishes. "I was very pleased with the outcome and am very confident we will have quite a few local Olympians entered in the state competition at Central Michigan University," said Chelsea Coach Nancy Oswald.

Two Sharon township farmers reported to Washtenaw County Sheriff's Deputies, the killing of at least 48 sheep on the two farms by one or more dogs seen in the area. Mahlon Smith told officers he found 44 sheep dead in a pasture shortly after a dog was seen fleeing the area. Herbert Jacob reported he fired at two dogs seen on his farm, but they escaped. Four of Jacob's sheep worth \$125 were later found dead in a field.

## Dodak Urges Engler, Posthumus To Put Tax Plans on Ballot

House Speaker Lewis Dodak (D-Montrose) has asked Governor John Engler and Senate Majority Leader Richard Posthumus (R-Alto) to put the two property proposals currently being discussed in the Legislature on the same ballot.

Dodak said both the Democratic and Republican plans are easy enough for voters to understand and should be given the chance to compete.

The Democratic plan is geared towards targeting middle income homeowners for relief and is funded through the elimination of certain business tax breaks, while the Republican plan is a cut for all property owners but would result in a reduction in the state's budget to fund it.

"The House Democratic plan is the best approach for providing property tax relief to Michigan homeowners. By exempting the first \$30 of home value from property taxes, we ensure real and fair property tax relief for Michigan's moderate income homeowners," Dodak said.

Dodak said following the passage of a property tax freeze (SB 19) and a ballot proposal for a permanent assessment cap (HJR "H") that he did not feel a consensus would be reached by the Legislature, given the vast differences between what both houses have already passed.

"I am suggesting to you that we work co-operatively to put both proposals on the ballot for the November 1992 general election. Then, you can make your case to the public as to why it should approve your proposal and we can make the case to the public as to why we believe our proposal is best," Dodak said.

But Engler's office is sticking by its position that every effort should be made by the Legislature to settle the issue.

"Our first choice would be to try and resolve this through property tax

legislation," said Rusty Hills, communications director for the governor. "Until we are convinced it cannot be accomplished that way, we will continue working on it so it does not have to wait until the 1992 ballot."

And Hills reiterated the Engler administration's view that the governor's proposal for a 20 percent cut in property taxes for school operating purposes is more fair than the House Democrats' plan.

"It's across the board relief, to homeowners and job providers," Hills said. "We're losing people and this would make it more attractive for them to stay and we are losing businesses and this would make it more attractive for them. The House plan would make Michigan less competitive and stick businesses with a \$500 million to \$600 million tax increase."

However, Dodak said he cannot support that because "it is unfair to the average Michigan homeowner and is without funding. It is not realistic to believe that the administration can find a way to fund this proposal within the state's budget when it has been unable to find a way to balance the current budget without this additional burden."

In a related move, two Republican House members will again push for a 2-cent sales tax increase to establish a more equitable, stable school funding program.

Reps. Glenn Oxender of Sturgis and Michael Nye of Litchfield said this week they will introduce a plan to roll back millages up to 50 percent and limit assessment growth to 5 percent or the rate of inflation, whichever is less. The plan would also include the 2 cents sales tax increase.

Oxender said Friday he has received over 1,000 letters from voters in his district since Proposal "B" was defeated in the fall of 1989 in support of the plan. Many said they did not vote for the plan, but wished they had, and said timing was wrong and the placement of another plan (Proposal

## Drunk Driver Apprehended After Near Collision

A Chelsea police cruiser was forced off the road by a drunk driver in the Cavanaugh Lake area last Friday, May 10.

According to police, the Chelsea officer was in the area following up another case when a vehicle driven by a 29-year-old Stockbridge man, traveling at a high rate of speed on Glazier Rd., forced the officer to drive the cruiser off the road to avoid a collision.

The officer followed the man as he turned into a Glazier Rd. driveway at a high rate of speed. The man stopped his vehicle at the end of the driveway.

When the man exited his vehicle, he nearly fell down, police said. His speech was slurred and he eventually began to threaten the officer and his family.

Eventually the officer, along with a back-up, were able to get the Stockbridge man into the back of a cruiser and they transported him to a holding cell in the village.

Police said the man sang while they read him his rights. They also said while in the cell the man exposed himself. The man had several previous drunken driving convictions, records showed.

## Smith Awarded U-M Fellowship

Julia B. Smith of Chelsea has been awarded a 1991-92 pre-doctoral fellowship by the Horace H. Rackham School of Graduate Studies at the University of Michigan.

The fellowships go to outstanding graduate students who have reached the candidacy stage of the doctoral studies and are nominated by their departments for the award.

Smith, an education student, will receive full tuition, a monthly stipend for 10 months, plus health insurance coverage.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Bug Hookum told the fellers at the country store Saturday night that he don't know nothing about high finance and he gits that mixed up. No wonder, Bug said, that he can't see rime or reason in the Federal Government forgiving debts of other countries. He had saw where the U.S. recent wrote off \$3.8 billion that Poland owed.

The U.S. Treasury said there was no need to clog up the books because Poland will never pay the money back. Bug saw recent where Gorbachev said the Soviet Union had to have billions in foreign aid if it was to avoid collapse and turning back into a dictatorship. Bug wondered if the signal we sent Poland was to be picked up in Moscow to mean all it has got to is ask. A better guess, Bug went on, might be Washington's creative book-keeping.

As Bug sees it, the American Government borrowed money from Americans to lend to Poland. Is that somepun-like savings and loans buying junk bonds with investors money? Is money owed by foreign Governments to the U.S. Treasury carried as a asset? Does writing off the debt make our national debt \$3.8 billion more or less, Bug ask, and who gits to take the tax credits fer loss. Other countries owe the U.S. \$64 billion, nearly all of which we'll never see, Bug said, so if we fergive the hole thing do our books look better or worse.

Practical speaking, Bug went on, he could deal with fergiving what Egypt owes us fer military equipment, and with our policy of begging Israel to alius take three times what it wants in ever kind of aid. This is our way of

buying friends and of thanking all the countries in the Middle East that didn't go out of their way to hurt us in the Irock war. Besides, when Japan, Saudi Arabia and the rest pay what they promised on the cost of the war, we will be in better shape to give Irock what it needs to fix what we tore up.

Zeke Grubb told Bug to calm down and take some deep breaths before he blowed a gasket. The longer Bug talked, the less sense he made, Zeke said, fer the simple reason that he knows less about American foreign policy than about economics. Zeke said solving a Middle East problem is like curing a cold. It's the same if you try a remedy or leave it alone, and fer sure it's going to be back sooner, not later.

But then, Zeke said, Americans that spend \$3 billion a year on pain killers and cold cures that don't help a bit will buy anything that's sold right. If copper bracelets don't ease the arthritis, well, we never would of been satisfied if we hadn't give em a try. We want patience, but we want it right now. We don't want to sit around and wait while somebody else might be gitting a leg up.

Clem Webster was agreed with Zeke on the selling. It's all in how the product is promoted, Clem said. He recalled some years back when a outfit that makes farm equipment had a unusual slow year. It invited barbers from little towns fer a plant tour and a meal in the fall.

The thinking was, barbers would speak high of the company to their farmer customers through the winter, and farmers would think of the company in the spring, and they did.

Yours truly,  
Uncle Lew.

## Lawn Mowers Stolen on Flanders St.

Two Flanders St. residents told police their lawn mowers were stolen last week.

Both thefts occurred in the 800 block of the street. In one, on Friday, May 10, a hinge was forced off the door of a storage barn and the mower was taken. It was later found down the street. In the second incident, sometime between May 8 and 10, a mower was stolen from the back of a garage.

The first permanent strike fund was established in 1895 by New York City cordwainers, according to "Labor Firsts in America," a U.S. Labor Department publication.

## Auditions Scheduled For 'Fiddler on the Roof'

Tryouts for "Fiddler on the Roof," this year's summer production of the Chelsea Area Players, will be held at Beach Middle School on Monday and Tuesday, May 20 and 21 at 7 p.m. Callbacks are scheduled for Wednesday, May 22, and a read-through will be held on Thursday, May 23.

Rehearsals will commence Tuesday, May 28. Tom Mull will be directing "Fiddler," and Rob Larson of Chelsea will direct the orchestra.

The cast for this year's musical includes roles for 14 men and 10 women along with a large chorus. A pianist will be available at the tryouts, and persons wishing to audition are requested to bring a prepared song from a Broadway show. However, there will be no dance auditions. Anyone wishing to try out for the "Fiddler," but unable to attend on the scheduled dates should contact Tom Mull at 995-0733.

## Chelsea Painters Annual Show, Sale Slated June 1-2

Chelsea Painters will hold their 18th annual Art Show and Sale on the grounds of the Chelsea Community Hospital and Chelsea Medical Center on Saturday, June 1 and Sunday, June 2 from 10 a.m. to 5 p.m. Area award winning artists will exhibit and sell original watercolors, acrylics, oils, prints, drawings, collages and cards.

A percentage of the proceeds will provide for the Palmer Medical Scholarship. Since 1974, the Chelsea Painters have given more than \$8,000 to this fund. Last year, the recipient was Kevin Colombo from Chelsea, a medical student enrolled at the University of Michigan.

Chelsea Community Hospital Auxiliary will assist with refreshments and there will be entertainment by Marianne Murphy on both days. This event will be held rain or shine and is open to the public.

## Arts, Crafts Fair Slated June 1-2 at Cobblestone Farm

An Arts & Crafts Fair is slated for June 1-2 on the grounds of historic Cobblestone Farm, 2781 Packard Rd., Ann Arbor. 75 juried artists and crafts persons from Michigan and the Midwest will present their work for sale. Country wood and crafts, pottery, photography, silk and dried flowers, watercolor, hand-drawn jewelry, handwoven rugs, soft dolls and teddy bears, unique clothing and accessories for adults and children are just a few of the beautiful works to be on display. Hours for the show will be 10 a.m. to 5 p.m. on Saturday and noon to 5 p.m. on Sunday.

Food will be available. Parking is free. Tours of the restored 19th century farm house will be offered from noon to 4 p.m. both days for a small charge. Dulcimer music by the Mike Berst Ensemble will highlight both days of the fair. Admission to the Arts & Crafts Fair is free.

LOUISE BARNER of Chelsea received a Master of Arts degree in elementary education from Eastern University, Ypsilanti, at commencement exercises Saturday, April 20 at Bowen Field House. Her husband, Kenneth BARNER and children, Bethany, Kristine and Robbie attended the ceremony. "The great secret of happiness is to be on good terms with yourself..."

—Marcus Aurelius

Most of us have said at one time or another that all we seek in life is happiness. Yet, how many of us have tried to analyze just what constitutes happiness for ourselves?

One definite step in the direction of happiness is to be grateful for life itself and for all it has to offer. Doing the best we can with what we have, refusing to dwell on the disappointments we encounter, and finding contentment with our mode of living, all lead in the direction of the kind of happiness we are all seeking.

We are locally owned and operated. We can conduct services in any church or in our own lovely chapel, according to your preference.

ANNUAL WORK BEE was held at Our Savior Lutheran church last Saturday afternoon with 33 volunteers washing windows, changing light bulbs, working on the roof, and completing some landscaping. In addition, cabinets and shelves were moved or removed and shades were installed. Handicap parking was also created. Above, John Marboe and Karen Layher work on some of the landscaping by the educational wing, built four years ago by the members.

married daughters. Jay was probably one of the last of the small independent milk distributors. He'll probably retire in a few years, with 50 or so years of good service to the community to his credit. The big companies would take over the job begun by Jay's father 50 years ago. They would probably do the job better in some ways, but progress always leaves its mark, if only in the absence of something often seen; like a boy and his daddy, a horse and wagon, and 100 bottles of fresh, raw milk.

Six area 4-H girls won honors in the "County Fair of Yesteryear of Greenfield Village," sponsored by the Wayne county 4-H club. In the senior division of the best-wear category, a third place was taken by Charlene Powers of Chelsea, representing the "Wide Awake Girls." First place in the senior division of the sportswear category went to Jill Lantis of Chelsea. She represented the "Busy Bluebells."

Chelsea track team clinched the conference title for 1987 with a clean victory over five other conference teams at the conference meet held at Dundee. Coach Bert Kruse said the Saline team's performance was hampered by disciplinary problems which eliminated some Saline athletes from competition in the meet. "It was the strong showing of the Saline boys which pulled us through," he said.

Sandra Buehler, a junior at Chelsea High school, was chosen to attend Wolverine Girls' State at Ann Arbor as the representative of Herbert J. McKune Unit No. 31, American Legion Auxiliary. Rebecca Slane was chosen as alternate.

Oscar Kalmbach's 1949-model pickup truck was stolen from the yard at his farm home. He discovered the theft the next morning. In the truck at the time it was taken was Kalmbach's seed corn—approximately four bushels. State Police officers are investigating the possibility that the theft is connected with the escape of two Southern Michigan Prison trustees at Camp Waterloo.

Colonial Manor ladies' bowling team, with Mrs. Philip McGibney as captain, became champions of the Sylvan Ladies' League by defeating Chelsea Milling company's team, captained by Mrs. Richard Kern. The trophy was presented to Mrs. Nellie Flood, sponsor of the Colonial Manor team. In addition to Mrs. McGibney, members of the winning team were Mrs. Veryl Haffley, Mrs. George West, Mrs. Kenneth Neal and Mrs. Clarence Breitenwischer.

## Every Fifth Fire in State Is Arson or Suspicious

Last year in Michigan, 22 percent of all fires reported were classified as arson or "suspicious."

In 1990, there were 4,564 incendiary and another 8,200 suspicious blazes reported in Michigan, according to recent figures released by the State Fire Marshal.

Michigan taxpayers paid out over \$80 million last year in direct arson and suspicious fire losses. These figures do not include indirect costs such as medical care, funeral expenses, temporary shelter, business interruption, demolition, fire investigation, prosecution, jailing and increased insurance premiums.

The number of arson and suspicious fires was up slightly last year. In 1990, there were 12,764 incendiary and suspicious blazes, compared to 12,723 in the previous year. Dollar loss, however, jumped 12 percent last year, compared to 1989 statistics.

To focus attention on the problem of arson here, Governor John Engler issued an official declaration designating May 5 through 11 as Arson Awareness Week in Michigan.

The Michigan Arson Prevention Committee (MAPC), which represents fire and police services, the insurance industry, business and government, helped promote the anti-arson observance.

"We need to work co-operatively if we are going to reduce the incidence of this terrible crime," MAPC President Conrad Golemba said. "Citizens should be encouraged to join the fight against arson."

Although not all arsons can be prevented, there are some precautions property owners can take to deter fire setters. MAPC officials suggest the following:

- Always keep doors and garages locked
- Keep yards well-lighted

—Make sure the property is free of trash and debris

—Report all suspicious activity to local law enforcement officials.

Also, anyone who has information about an arson or suspicious fire can call Arson Control at 1-800-44-ARSON. The program rewards up to \$5,000 for information which leads to the arrest and/or conviction of arsonists.

The MAPC, formed in 1973, coordinates the attack on arson through education and training of arson investigators, fire and police department officials and county prosecutors, public awareness and the administration of the reward program for arson information.

## Dial-A-Garden Topics Listed

## Pets of the Week

Pet of the Week is a weekly feature of this newspaper. Pets shown are available at the Humane Society of Huron Valley, 3100 Cherry Hill Rd., Ann Arbor.

• Cost of a pet is \$25 plus a sterilization fee.

• Sterilization fees are \$20 for a male cat, \$30 for a female cat, \$25 for a male dog under 40 pounds, and \$35 for

a female dog under 40 pounds. • If you already have a pet, you must provide proof of current vaccinations.

• Landlord approval is necessary if you rent your residence.

• Pets can be adopted seven days a week from 11 a.m. to 4:30 p.m. Visiting hours end at 5 p.m.

• For more information, contact the Humane Society of Huron Valley at 662-5585.

PETS OF THE WEEK are Hulk, a neutered male dog, and June, July, August, and September, a bouncy bunch of kittens. Hulk's previous owners are leaving the country. He's a jolly guy with lots of energy and is one year old. The kittens are just a few of the many available at the Humane Society.

## Study Supports Notion That Milk Helps Health

A 10-year study involving 4,200 middle-aged men in Britain that revealed a strong positive connection between drinking milk and reduced heart disease underscores the need for a "common sense" approach to diet and health, according to a Michigan Farm Bureau commodity specialist.

Kevin Kirk said the study, reported in the Journal of the American Heart Association, found that men who drank a pint of milk a day were nearly 10 times less likely to suffer heart attacks than those drinking no milk at all. "These results are particularly interesting in light of recent demands by Washington D.C.-based physicians group that dairy products be dropped from the four basic food groups," Kirk said. "Clearly, there is merit in a common sense approach to the role of diet in our over-all health."

The study also reported that middle-aged butter eaters had roughly half the rate of heart attacks as those who had switched to margarine, according to Kirk.

"Farmers support further research into the impact of diet and heart disease. In the meantime, a prudent strategy for anyone concerned about their health is to follow current U.S. Department of Agriculture guidelines that prescribe a balanced diet consisting of moderate amounts of dairy products and meat," he said.

## Free Skin Cancer Screenings Offered

Michigan Dermatological Society, in co-operation with the American Cancer Society, will conduct free skin cancer screening examinations at 25 locations throughout Michigan on Wednesday, May 22.

In Washtenaw county, a screening program is scheduled at Domino's Farms from 10 a.m. to 4 p.m. For more information about the free examination sites, call 971-4300 or 1-800-ACS-2345.

"A routine check for skin cancer can save lives," says Dr. Charles Ellis, M.D., associate chairman of the Department of Dermatology at the University of Michigan Medical Center, and who is also a full professor at the U. of M. "It is so much

easier to treat skin cancers while they are small."

Participants in the program will be given a painless, visual examination of exposed skin areas by local dermatologists—medical doctors specializing in prevention, diagnosis and treatment of skin problems, including cancer. Free brochures will also be available, which discuss sunburn, wrinkles, premature aging of the skin, and skin cancer—which strikes over 600,000 Americans each year.

"Many patients say the treatment is not nearly as bad as a trip to the dentist," says Dr. Ellis. "But if left too long skin cancers, especially melanoma, can be difficult to treat or even fatal."

## Dexter-Ann Arbor Run Expects 4,000 Runners

Ann Arbor Track Club and First of America Bank are hosting the 18th annual Dexter-Ann Arbor Run on Saturday, May 25, beginning at 8 a.m.

4,000 runners from more than 25 states and provinces are expected to take part in the runs over three distances. The longest, the half-marathon (13.1 mile) starts in Dexter and follows the Huron River until reaching downtown Ann Arbor. The next is the most popular distance, the 10K (6.2 mile) starting at Delhi Metropark on Huron River Dr., also finishing downtown.

Now in its third year there is a two mile fun run starting and finishing in downtown Ann Arbor.

Entry for the Half-Marathon and 10K runs is \$9 and the Fun Run is \$5 for mail postmarked before May 15. Late Entry for the Half-Marathon and 10K runs is \$14 and the Fun Run is \$7 for postmarks after May 15 and at in-person registration on May 24 at the Holiday Inn West, 2900 Jackson Rd., Ann Arbor. T-shirts and hats are also available for purchase from \$5 to \$18. There is limited day of race registration from 6 to 7 a.m. at the Ann Arbor Inn for \$20.

New this year the Ann Arbor Y will

provide childcare on race day, call the Y at 663-0538 before May 22 for reservations and more specifics. There will be a Fitness Expo at the Holiday Inn West from 10 a.m. to 10 p.m. on Friday, May 24, including sponsor Running Fit and other fitness stores and centers. On race day, the 25th, there will be live music at the finish of the runs. Refreshments for the participants will be supplied by Kroger, Soho Natural Soda and Stroh Light. Rock 103 WJQB will broadcast the runs live.

Also the runners will be competing for more than \$8,000 in prize money in the Half-Marathon and 10K for open and masters runners. Other awards include hand-made pottery by I.B. Remsen for the first five in each age group in both races.

The first wage payment law was passed in 1879 in Massachusetts, according to "Labor Firsts in America," a U.S. Labor Department publication. The law required that "cities shall, at intervals not exceeding seven days, pay all laborers who are employed by them . . . if such payment is demanded."

THE BARN WAS THE LAST TO BE BURNED during a Fire Training Exercise supervised by assistant fire chief Danny Ellenwood of the Chelsea Fire Department, Saturday, May 11, near the intersection of Bartell and Hadley Rds. Firefighters from several departments participated in the burning of the house and barn.

## Motorists, Bikers Often In Conflict on County Roads

With the advent of warmer weather, bicycling on county roads can be expected to increase appreciably. In addition to individual bicyclists, there are many bicycle tours and rides scheduled within Washtenaw county. The popularity of mountain bikes has also increased biking activity on the unpaved roads throughout the county.

In recent years numerous conflicts have arisen between bicyclists and motorists. A recent survey done by the Ann Arbor Urban Area Transportation Study Committee (UATS) revealed that there has been an average of over 160 reported bicycle accidents per year, including an average of at least one fatality per year. In addition, many accidents go unreported.

According to UATS, the causes of bicycle/motor vehicle accidents appear to be equally divided between the bicyclists and motorists. The most common error for bicyclists is the failure to stop or yield at a traffic signal or stop sign, while the most common fault for motorists is making left turns in front of bicyclists traveling the opposite direction.

According to Washtenaw County Road Commission chairman Norman Kennedy, the County Road Commission has attempted to construct paved

shoulders or separated bikeways on all new road reconstruction projects.

"We have directed our staff to incorporate provisions for bicycling wherever possible in road reconstruction projects. This is not always possible because of the natural topography or limited right-of-way. In the last five years we have built or prepared plans for over 15 1/2 miles of roads with bikeways or paved shoulders. While the paved shoulders may not be designated as official bikeways, they do provide a reasonable means for motorists and bicyclists to share the same roadway."

Both motorists and bicyclists are urged to drive defensively and use common sense when coming in contact with each other. Under the Michigan Vehicle Code bicyclists have the right to use public roadways and are responsible for obeying all traffic regulations. Bicyclists must travel in the same direction as motor vehicles and are required to "ride as near to the right side of the roadway as is practical." Bicyclists may also not ride more than two abreast on a public roadway.

## Community Relations Board Authorized for Sheriff's Dept.

At the May 1 meeting of the Washtenaw County Board of Commissioners, a resolution was passed approving the Sheriff's Community Relations Board (CRB) and accepting the by-laws. The board and the sheriff are seeking interested individuals, representing the diversity of the county, for appointment to this board.

The board will consist of 12 citizens, appointed by the Board of Commissioners and approved by the sheriff. It is intended that the CRB will meet at least quarterly.

Functions of the board will be to advise the sheriff on issues of community concern; serve as a conduit of information, complaints, etc., to the sheriff from the community; review incidents, investigations, complaints, and policy issues brought to the board of the sheriff or any member of the board and make recommendations to the sheriff about the matter.

The board is advisory in nature because of the sheriff's constitutional and statutory responsibilities which may not be delegated.

If you are interested in an appointment, please submit your letter of interest and a one-page resume, no later than Friday, May 24, 5 p.m., to Carol

Hampton, Washtenaw County Administration Building, 220 N. Main St., P.O. Box 8645, Ann Arbor 48107-8645. If you have questions regarding the CRB, please contact the Board's Administrative Offices at 996-3055, or the sheriff Ron Schebil at 971-7054.

## Deer Permit Program Success Prompts Renewal

The ad hoc Wildlife Task Force of the Department of Natural Resources recently recommended continuing the state-wide block permit program and the summer crop depredation permit program, according to Vicki Pontz, legislative counsel for Michigan Farm Bureau.

"This is good news for farmers plagued with deer crop damage,"

Pontz said. "We're very happy with the success of the 1990 state-wide block permit program and look for continued success in the 1991 season."

Pontz said that in 1990 12,000 hunters used the block permit system to harvest around 15,500 deer. She said all of those deer were taken off private land that had documented crop damage.

## Bob & Becky Brunton Concert Set Sunday At Free Methodist

Bob and Becky Brunton, a husband and wife vocal duo team from Eaton Rapids, will present a concert of sacred music at 8 p.m., Sunday, May 19, at the Chelsea Free Methodist church, 7665 Werkner Rd.

They have been seen by millions on national syndicated television. Their records are heard on radio stations from Canada to Ecuador and from Korea to West Africa. They have had concert tours taking them from Maine to California and from North Dakota to Texas and even beyond the borders of the U.S.

Bob and Becky were married in 1963 and were involved in educational careers for many years in the Lansing area. Becky, a music teacher for the Michigan School for the Blind, and Bob, director of payroll for Michigan State University, resigned their positions in 1979 to begin their singing ministry. They currently have seven albums released on the Pinebrook label.

## Local Student Attends Albion Visitation Day

Julie Weiss has recently attended the Junior Visitation Day at Albion College.

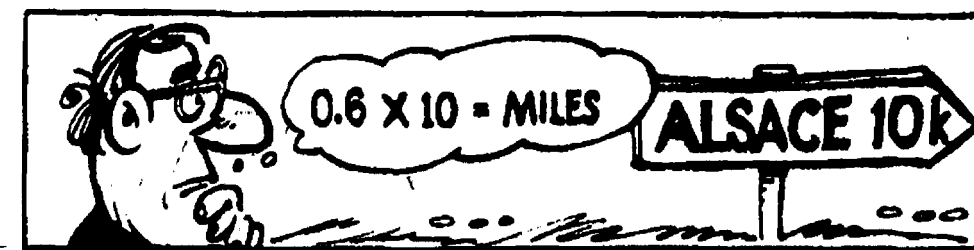

This day is set aside for high school juniors to visit the college, talk with professors and students, and tour the campus.

Julie is from Chelsea, and is a junior at Chelsea High school.

Albion College is a private co-educational, liberal arts college located in the south central Michigan town of the same name.

## Estrogen's Role in Woman's Life Is Topic for Program

The hormone estrogen plays a very important role throughout a woman's life. New information is constantly being learned about it and its influence in a number of health issues for women, from reproduction to disease prevention.

A program on estrogen will be held Tuesday, May 21, from 8:30 to 8:30 p.m. at the University of Michigan Brighton Health Center, 8885 W. Grand River.

Jean Anderson, R.N., C., M.S., ob/gyn nurse practitioner at UM Brighton Health Center, will present the program. She will discuss the functions of estrogen; its role in preventing disease and maintaining health; and the importance and safety of estrogen replacement therapy.

Enrollment is limited. Pre-registration is requested by calling the center at 227-9510. A \$2 fee is payable at the door.

## Current Classes, Activities Offered By Chelsea Hospital

Chelsea Community Hospital is offering a "Walk for Wellness Program" in co-operation with Michigan Recreation and Park Association and Blue Cross/Blue Shield of Michigan. The next walk is Friday, May 17 at 9 a.m. Meet at the Senior Citizen Center for transportation to Hudson Mills Park. The walks are open to anyone in the community and will be approximately two miles long. There is no charge and everyone who attends will be registered for a drawing for a free week-end at Mackinac Island for the Labor Day Bridge Walk. In addition, there will be prize drawings at each of the special Walks for Wellness. For further information, call 475-3943.

Chelsea Community Hospital will present a free lecture "The Stages of Addiction" featuring the Jellinek Chart in the Main Dining Room on Thursday evening, May 16 at 7:15 p.m. The lecture will be presented by Ed Choszyk, R.N., from the Older Adult Chemical Dependency unit and will focus on the progression of alcoholic addiction. Drug addiction is also addressed at this lecture. For more information call the Chelsea Arbor Treatment Center, 475-4100.

The Family Night Lecture Series at the Older Adult Recovery Center of Chelsea Community Hospital is featuring "Intergenerational Communication" by Mike Kaplan, MSW, and Ruth Phillips, R.N., Tuesday, May 21 from 6:30 to 8 p.m. The Older Adult Recovery Center is located at 955 W. Eisenhower Circle, Suite E in Ann Arbor across from Mervyn's. Admission is free.

Senior Health Connection is offering "Blood Pressure Screening and Education" for seniors Wednesday, May 22 at the Chelsea Senior Center, Faith in Action Building, 775 S. Main St., Chelsea.

Chelsea Community Hospital Senior Health Connection is introducing a new program, "Step to Health," one that will give individuals with low fitness levels opportunity to improve their levels of fitness by joining others in an organized walking activity. This group would walk short distances, with the length rate to be determined by the comfort level of the individuals within it.

The first meeting will be held on Tuesday, May 22, at 11 a.m. at the Chelsea Senior Citizen Center. Anyone interested in taking a leisurely short walk as the first Step to Health is invited to attend. For more information or to sign up for the group, call Alice Rhodes at Chelsea Community Hospital, 475-3943.

Chelsea Community Hospital's Older Adult Chemical Dependency Family Night program for May 28 is "Stress Management and Coping Skills," presented by Kaye Coval-Hoelscher, R.T. This meets 6:30 to 8 p.m. at 955 W. Eisenhower Circle, Suite E, Ann Arbor, across from Mervyn's. Admission is free. For more information call 665-5070.

Chelsea Community Hospital will present a free lecture in the Hospital's Main Dining Room on Thursday, May 23 at 7:15 p.m. The lecture "Cross Addictions" will be presented by Fred Prezioso, M.A., M.Div. This lecture will discuss how people inadvertently put themselves in life's threatening situations by using drugs in combination or by substituting one drug for another. Fred holds a Master's Degree in Addiction Counseling from Siena Heights College and is a Certified Addictions Counselor in the State of Michigan. For more information, call the Chelsea Arbor Treatment Center at 475-4100.

'Barnscapes' Slide Program Slated By Historical Society

Barns do more than store and protect the farmers' livelihood; they are keepers of memories.

Jack Worthington has spent a great deal of time searching out and photographing Michigan barns, silos and windmills. He will be sharing the images he has protected in his photographs in a slide presentation on May 20 at 7:30 p.m. in the Presbyterian Church Education Center in Stockbridge.

"Barnscapes" is a program hosted by the Waterloo Area Historical Society at the annual meeting. The public is invited and admission is free.

Worthington is from Grand Ledge and is retired from the Michigan State Co-operative Extension Service.

A short business meeting of the Waterloo Area Historical Society will precede the presentation.

Laura Meade on Washington U. Dean's List

Laura Marie Meade, daughter of Mr. and Mrs. J. Michael Meade of Manchester, and graduate of Greenhills High school, made the dean's list for academic achievement for the fall 1990 semester at Washington University in St. Louis, Mo.

Washington University is one of America's leading private teaching and research institutions. The more than 12,000 graduate and undergraduate students enrolled at Washington University represent all 50 states and more than 77 foreign countries and territories.

Academic achievement is characteristic of the university's undergraduate students. Washington University ranks among the top 30 schools in the nation in enrolling National Merit Scholars. In 1990, 62 percent of freshmen ranked in the top 10 percent, and 86 percent ranked in the top 20 percent of their high school classes.

Eighteen Nobel laureates have been associated with Washington University, with eight doing the major portion of their pioneering research here. Washington University traditionally ranks in the top 10 among private universities receiving federal support for research and development.

BASKET WEAVING was one of the many activities available for youngsters at the annual Beach Middle School Sixth Grade Camp at Mill Lake last week. Here, Monica Zeitz and Stephanie Koch listen to instructions.

## Police in Proper Perspective

By Philip C. Clarke

Most Americans were appalled by the video-taped beating of a black motorist by four Los Angeles cops this March. And the incident, which President Bush rightly called "outrageous" and "sickening," is now subject to criminal prosecution. But in their coverage of the story, much of the media seem to have gone overboard. Time magazine, for example, in a cover story likened the police to "a paramilitary tribe at war." And both the print and electronic media churned out vast numbers of "special reports" on so-called police brutality, its causes and effects and what to do about it.

Although the story was a "natural" for media exploitation—how often does one see cops actually beating up a suspect?—it risked diverting attention from a far larger and more critical problem, that of criminal violence in America. The latest Justice Department figures show that the number of violent crimes rose 3.4 percent last year to a total of 2.3 million—including a record of more than 23,000 murders. Over-all, more than 35 million crimes were committed during the year, ranging from larceny to homicide.

The American homicide rate has jumped to over nine per 100,000, nearly double the rate of 30 years ago. And according to the Senate Judiciary Committee, all crimes of violence have increased more than 500 percent since 1960. As the Senate Committee noted, the U.S. today is "the most violent and self-destructive nation on earth." In fact, statistics show that violent crime is four to nine times more prevalent in America than in Europe. And in the world at large, only Northern Ireland, which is locked in a years-long religious and sectarian war, outdoes the U.S. in its murder rate. No other developed nation comes close to the U.S. in this dismal department.

Addressing an anti-crime conference in Washington in March, President Bush drew a stark analogy: "During the first three days of the ground offensive (in the Gulf War), more Americans were killed in some America cities than at the entire Kuwait front." Added the President: "Think of it—one of our brave National Guardsmen may have actually been safer in the midst of the largest armored offensive in history than he would have been on the streets of his own hometown."

President Bush made another tell-

ing point: In the past two years, 294 policemen and women have been killed in the line of duty, "almost three times the number of precious American lives lost during this entire Gulf war." It was a reference to the ongoing war that our police are fighting 24-hours-a-day around the country, the war against crime.

The Los Angeles beating case was a rare exception. The vast majority of today's police officers are better educated and better trained than ever, with special emphasis on controlling violent criminals and situations without the use of force. And this is despite the fact that many, if not most, homicidal criminals are armed with more lethal weapons than are the police.

Last year, six million Americans

were the victims of violent crime, more than the number injured in auto accidents. One can only shudder at imagining what that figure might have been without the protection of our police departments. To be sure, there have been incidents of abuse by the police. But they are remarkably few in number. And in nearly every case, corrections have swiftly been made, many at the instance of civilian review boards which now look closely into citizen complaints in 26 of the nation's 50 largest cities. Viewed in the proper perspective, our men and women in "blue"—most of whom are overworked, underpaid and outnumbered—deserve all the credit and support we can give them.

### Fuel Tax Hike

#### May Not Be Needed

Farm Bureau is opposing a proposal, now gaining momentum in the U.S. House, to increase the federal gasoline tax in order to boost transportation funding. Groups in favor of the increase argue that last year's gas tax hike is being used for deficit reduction, not highway improvements.

But Farm Bureau opposes any fuel tax increases, and instead is backing a Bush administration highway reauthorization plan that calls for significant transportation spending increases without raising gas taxes or user fees.

"The extra money would come from the balance in the Highway Trust Fund," said Al Almy, director of public affairs for Michigan Farm Bureau. "The highway program expires Sept. 30. Farm Bureau fears that proposals to increase the gas tax could lead to a further delay in this vitally needed legislation."

## From the SUPERINTENDENT'S CORNER

By JOSEPH K. PIASECKI

The next several issues of The Chelsea Standard will feature this column which will answer questions the community has raised about the September bond issue.

### WHY DOES THE DISTRICT NEED TO BUILD A NEW ELEMENTARY SCHOOL?

The enrollment of the district grew by over 100 students this past year, and a recent study conducted by a faculty member of Michigan State University indicates we will grow by at least 100 students a year for the next five years.

### WHY NOT ADD ON TO ONE OF THE EXISTING ELEMENTARIES?

The option was reviewed, but found not feasible because of problems with the size of the parking lot, media center, cafeteria, playground, and gym. As you add on classrooms to a building, you must keep in mind the impact of those classrooms on common spaces like those mentioned above.

### CAN SOME PROGRAMS BE MOVED TO OTHER SCHOOLS?

We have run out of options with moving programs. The senior citizens' program has left North and is now located in the Faith-in-Action building because of space needs at North. The pediatrician's office moved from Beach to M-52 because of space needs at Beach. The pre-school program has moved from South to Beach to the high school because of space needs at each school. As the high school enrollment continues to grow, the pre-school will need to find yet another home.

## Veterans Park Fundraiser Seeks Small Donations from Many

Rolly Spaulding's fundraising effort to restore the monument in Veterans Park is building momentum.

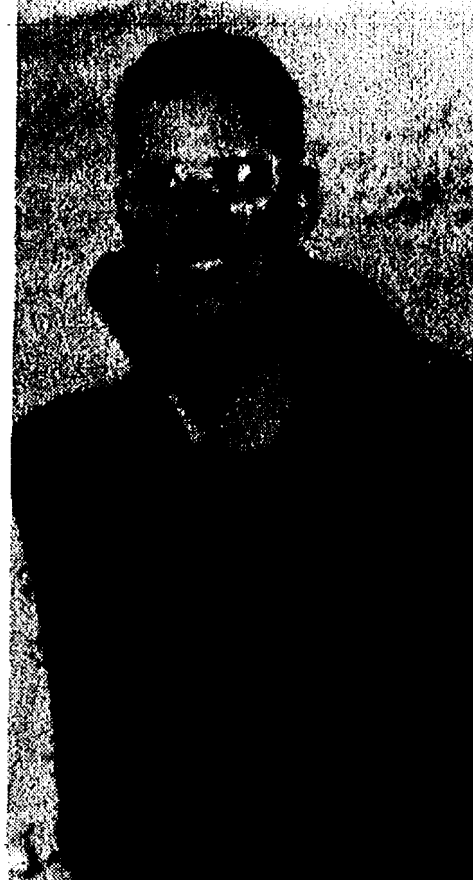

Several service organizations have approached him about contributing toward the project, but so far Spaulding has declined to accept their offers.

"I want a lot of small donations from a lot of different people so this becomes a true community project," Spaulding said.

"The service organizations can use their money for other projects to benefit the community."

The first federal legislation regulating wages was the Davis-Bacon Act passed in 1931, according to "Labor Firsts in America," a U.S. Labor Department publication. The law required payment of the prevailing wage for construction workers employed under government contracts.

Area resident Will Connelly, a veteran fundraiser himself, is handling the donations. Contributions for the fund can be sent to Connelly at The Chelsea Standard, File P, 300 N. Main St., Chelsea.

Sgt. Jason Schrader returned home Friday from duty in Saudi Arabia, where he was assigned as a team leader with the 2nd Recon Unit, 2nd Marine Division. They were the second division into Kuwait City.

Schrader entered the service after graduating from Grandville High school in 1983. He completed Ranger and Airborne School, two of the most demanding schools in the service.

After visiting his parents, retired Sgt. Major Bill and Lee Schrader, of Grandville, formerly of Chelsea, he will report for duty to Camp LeJune, N.C.

Jason lived in Chelsea with his parents at a young age. He has many relatives in the Chelsea area.

## Better Rules Needed To Keep Out Foreign Pests

Farm Bureau is asking government regulators to tighten import quarantine procedures to better protect, not just the nursery and greenhouse industry, but all of agriculture, according to Ken Nye, director of commodity activities and research for Michigan Farm Bureau.

Nye said the accidental importation of destructive pests can have wide-ranging impact. "We all know that we've seen things like gypsy moth and Dutch Elm disease here in Michigan," he said. "In other parts of the country, farmers have suffered from citrus canker and Medfly. So, we know foreign plant materials can have the potential to cause problems for agriculture and society at large."

Nye said Farm Bureau wants the Animal and Plant Health Inspection Service to use an external review panel to add credibility to the risk analysis process used by the service.

## Munith Bank Receives High Rating

Farmers State Bank of Munith has been awarded a four-star rating by Bauer Financial Reports of Coral Gables, Fla. This prestigious award identifies the institution as one of the strongest, credit-worthy banks in the United States.

The award is based on a zero to five-star rating assigned by Bauer Financial Reports based on its analysis of the September 30, 1990 financial data as filed with federal regulators.

A four-star rating indicates that the bank's adjusted tangible capital is between 8% and 9% of tangible assets, that there are no excessive delinquencies or repossessed assets and that the bank is profitable—or suffered an insignificant loss. Paul A. Bauer, president, said, "Our four-star rating is most often awarded to community banks and strong regional banks—well-capitalized, federally insured banks that serve their local markets."

"Out of 12,410 banks reporting for the period ended Sept. 30, 1990, 6,830 banks, slightly over 55%, received our four-star rating," said Bauer. "Although three-star banks meet the minimum criteria set by federal regulators," he added, "our policy is to only recommend four-star and five-star rated banks."

NEW ARCHERY TARGETS have been donated to Chelsea High school by the Chelsea Rod and Gun Club. The self-healing targets will replace the stuffed kind (lower left) that have been used in high school physical education classes for years. Right is Ray Weiner of the club and left are physical education teacher Phil Bareis, who worked for the school on the project, and Kelly Bellus, one of the many students who stands to benefit from the donation.

## Man Seen Running Naked At Ball Field

Chelsea police are seeking a man who was seen "prancing around Weber Field" with nothing on but a shirt over his head on Sunday morning.

According to witnesses, the man was about average height and weight, with shoulder-length hair. They said he was "jumping up and down" and running around in the area for about 20 minutes.

Police said they found nobody in the area when they arrived. However, a short time later another witness saw the man running naked through the nearby industrial park.

According to the police report, the victim of the crime was "one girls softball team," which may explain why the man was in the park.

Let's Go  
Bulldogs!

JEREMY STEPHENS dives back safely into second Saturday's double-header with Birmingham Groves. base on a pick-off attempt during the first game of last. Stephens later scored to help the Bulldogs to the victory.

## Dogs Are Top Seed in SEC Baseball Tourney, Run Record to 20-3

Chelsea Bulldogs head into Saturday's Southeastern Conference baseball tournament as the top seed as the Bulldogs finished the regular season at 10-1 with a pair of victories at Pinckney last Thursday.

Chelsea gets a bye as the top seed and will play the winner of the Dexter-Pinckney game at Pinckney at 1 p.m. The Bulldogs need one victory in the tournament to take the Southeastern Conference title. Tecumseh is in second place with an 8-3 record.

Each team gets two points for each regular-season win, one point for a tie or a game not played, and no points for a loss. Chelsea has 21 points by virtue of a no-play against Tecumseh. The Indians have 17 points.

First place in the tournament gets 12 points, second place 10 points, third place eight points, and fourth place six points. Chelsea can finish no worse than fourth in the tournament.

Chelsea beat the Pirates 10-2 and 8-5.

Rob Clem pitched the opener and allowed six hits, two walks, and struck out six. He also went 3-4 at the plate and knocked in two runs.

Jake Rindle went 2-3 with three RBI and Craig Ferry went 2-4 with two RBI. Ferry and Adam Taylor each hit a homer.

Chelsea was in control from the outset.

The second game was a completely different story as Jeremy Stephens' sacrifice fly scored Rindle in the top of the eighth inning for the victory. Rindle had tripled to open the eighth.

"It was one of the finest comebacks I've seen in 13 years of coaching," said Chelsea coach Wayne Welton.

Chelsea was down 5-2 going into the top of the seventh. Stephens grounded out, Clem singled, and Tucker Steele struck out. A wild pitch put Clem at second. Then, a routine pop-up at third base was dropped. Jude Quilter followed with a single, and Taylor ripped a two-run double off the fence.

In the bottom of the seventh, Pinckney got their first two runners on and a bunt moved them into scoring position. Rindle issued an intentional walk to load the bases, then struck out the next two batters.

Rindle ran his record to 7-0.

In non-conference play on Saturday, the Bulldogs beat Birmingham Groves 9-2 and 4-2 to run their over-all record to 20-3.

Ferry pitched a four-hitter in the opener.

The Bulldogs picked up three runs in the first on singles by Ferry and

Stephens and later scored three runs in the sixth on doubles by Quilter, Kerry Plank, Ferry, and Stephens.

Ferry, Stephens and Taylor each finished with two hits.

In the second game, Chris White pushed his record to 4-0 as he struck out six and walked one.

Chelsea fell behind 2-0 in the first. Rindle's solo homer in the second narrowed the gap, and RBI singles by

Plank and Rob Jaques gave Chelsea the lead for good. Chelsea scored one more run without a hit in the sixth inning.

The Bulldogs play a district tournament qualifier this Thursday at Fowlerville. A win would advance the Bulldogs in post-season play.

The Bulldogs were ranked fourth in the state in class B as of Tuesday.

## JV Baseball Team Wins Three Games in Busy Week

Chelsea Bulldogs junior varsity baseball team ended last week's play with three wins and three losses as they lost twice to Tecumseh on Monday, swept Webberville on Tuesday, and split with Pinckney on Friday.

The Tecumseh scores were 10-6 and 14-4.

Chelsea led the first game 4-2 after three innings and 5-4 after four innings before giving up four runs in the bottom of the fifth.

The Bulldogs scored four times in the fourth inning on one hit.

Nathan Oake pitched the entire game for Chelsea. Ed Waller was 2-3 at the plate.

"We played a sound game against a good team, but they made us pay for the mistakes we made," said Chelsea coach Jim Ticknor.

The Indians jumped out to a 6-1 lead after two innings and led 11-1 after four innings of the second game.

Waller's two-run single in the fifth inning was the biggest blow of the game for Chelsea.

Chelsea whipped Webberville 13-0 and 12-6 at home on Tuesday.

Colt White pitched a one-hitter in the opener.

The Bulldogs scored four runs in the second on doubles by Tim Wescott and Steve Grau, and singles by Chris Dunham, White, and Oake.

Wescott's two-run double in the third paced a three-run inning.

Singles by Kevin McCalla, Waller, and Grau, and doubles by Nick McCalla and Ken Slane keyed a six-run fourth.

"We played very well defensively," Ticknor said.

The second game featured numerous walks and wild pitches from Webberville pitchers and Chelsea scored 12 runs on just three hits.

Mark Eder and Wescott combined

for the win on the mound.

Pinckney won the first game Thursday at Chelsea, 6-1. Dunham had three of Chelsea's six hits.

"We played well and it was a good JV baseball game," Ticknor said.

"They just scored more runs."

Oake pitched for Chelsea.

The Bulldogs took an 11-1 victory in the nightcap as they scored in four of five innings and led throughout.

Dunham was 2-2 with a pair of doubles and two RBI.

Doubles by Dunham and Slane, and a single by Wescott highlighted a four-run second inning.

Jason Schwartzberger's two-run single in the fifth gave the Bulldogs the mercy-rule win.

Nick McCalla pitched a one-hitter for Chelsea.

## Dogs Sweep Pinckney, SEC Title Within Reach

Chelsea Bulldogs softball team has to win this Saturday's Southeastern Conference tournament in Chelsea to win the over-all SEC title.

Chelsea heads into the tournament with a 9-2 record, second only to Tecumseh at 10-1.

Each team receives two points for a win and one for a tie or no-play.

First place in the tournament receives 12 points, second place 10, third place eight, and fourth place six.

In the final games of the SEC regular season, the Bulldogs swept Pinckney 17-6 and 11-2.

In the opener, Chelsea fell behind 3-2 after three innings, but scored two in the fourth, five in the fifth and eight in the seventh.

Sara Musolf pitched a six-hitter and struck out nine.

Chelsea got three hits each from Christine Burg, Shawn Losey and Dana Durst, and two hits each from Jennifer Petty and Kelly Cross. Burg and Cross each tripled, Burg had three RBI, and Jenny Bobo's pinch-hit single in the sixth scored two runs. Liz Sager hit a triple in her first varsity plate appearance.

Chelsea had 17 hits for the game.

Colleen Scharphorn pitched a four-hitter in the second game as the Bulldogs scored in five of the seven innings.

"Colleen pitched an excellent game through four innings," said Chelsea coach Amy Poljan.

"Sara Musolf and Liz Sager played a solid defensive game at second and third."

The Bulldogs had 14 hits, including three by Petty, and two each by Scharphorn, Musolf, and Kelly Bellus. Shawn Losey had four sacrifices and Burg had four RBI.

In non-conference action on Monday, Chelsea whipped Ypsilanti twice by the same score, 14-0.

Petty pitched a one-hitter in the opener, struck out 11, and scored three runs. It was Petty's best outing of the season, Poljan said.

Bellus hit a homer and had two hits. Scharphorn singled and tripled.

Scharphorn pitched the second game and struck out five, while Bellus hit two triples, and Heather McConeghy and Bobo each had a pair of hits.

In a double-header against Belleville on Saturday, Chelsea lost

## Tennis Team Whips Brooklyn

Chelsea Bulldogs tennis team shut out Brooklyn Columbia Central last Thursday, May 9, 7-0.

"We had outstanding performances by all, but especially Scott Pacheco at first singles and Jeff Gietzen and Sean Daigle at third doubles," said Chelsea coach John Capper.

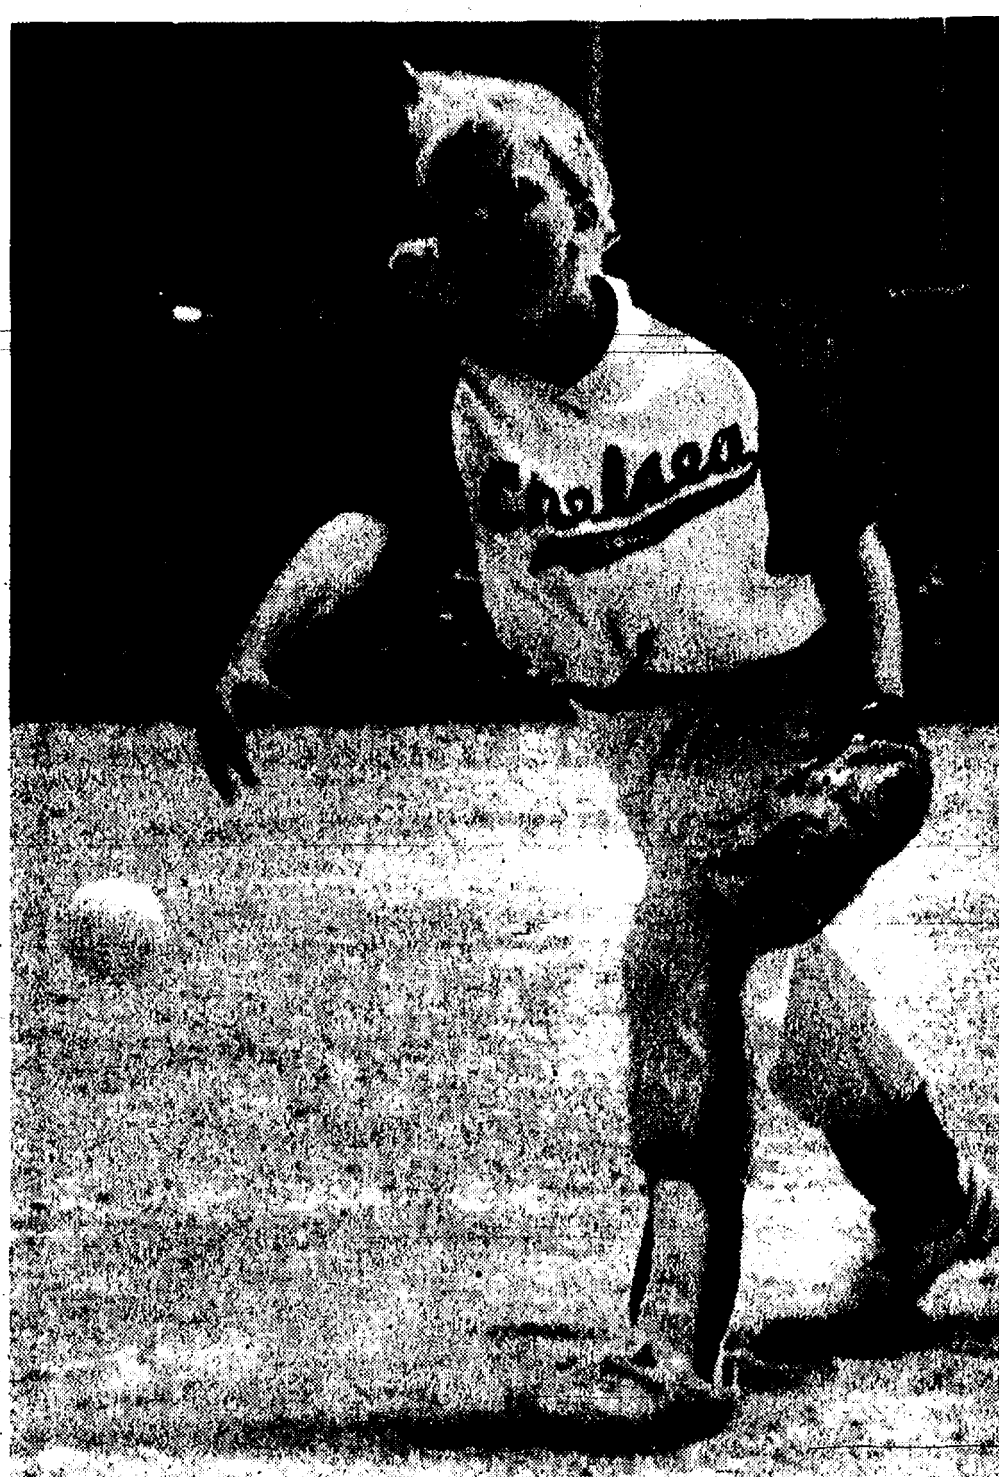

Chelsea scores included: Pacheco, 6-0, 6-0; Chris Haugen, second singles, 6-2, 6-1; Ben Manning, third singles, 6-3, 6-1; Aaron Tanner, fourth singles, 6-1, 6-1; Rob Coelius and Dan Stahl, first doubles, 7-5, 3-6, 6-2; Dave Burkel and Jason Allen, second doubles, 6-3, 6-2; and Gietzen and Daigle, 6-0, 6-0.

In a JV match, Richard Mason and Mike Tremper won 6-0, 6-0.

On Tuesday, May 7, Chelsea was shut out by Ann Arbor Greenhills, 7-0.

Pacheco lost 1-6, 1-6; Booby Senzel lost 1-6, 0-6; Haugen was defeated 0-6, 0-6; Manning lost 1-6, 3-6; Tanner and Coelius lost 1-6, 0-6; Burkel and Stahl lost 0-6, 3-6; and Allen and Gietzen lost 4-6, 5-7.

SARA MUSOLF and the rest of the Chelsea Bulldogs need to win this Saturday's SEC tournament in order to win the league title. Games will be played at Weber Field and the high school field.

both games, 4-1 and 12-6.

Chelsea had their chances in the opener as they stranded two runners in scoring position in each the fourth and sixth innings, and loaded the bases in the bottom of the seventh but couldn't score.

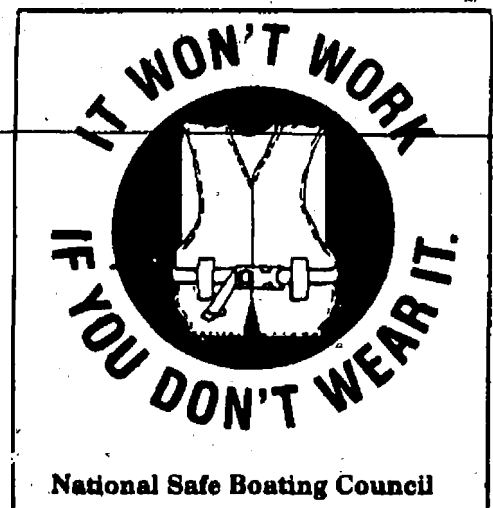

Scharphorn pitched and had her best outing of the year, Poljan said. She struck out five, allowed five hits, and walked none.

Scharphorn, Jen Teare, and Durst each had two singles.

In the second game, Poljan played an entire line-up of sophomores and juniors. Musolf, Cross and Gretchen Knutsen all pitched, and McConeghy, Burg, and Teare each hit two singles.

"We are playing aggressively but we're still making too many errors," Poljan said.

Chelsea is 22-5 over-all. They play a district tournament qualifying game at Fowlerville this Thursday.

Pam Brown Named To All-Great Lakes Conference Team

Pam Brown, a senior from Chelsea, pitched for the Laker softball team this season at Grand Valley State University.

Brown pitched in 24 games for Grand Valley this season, in which they posted an 18-20 over-all record.

She had 11-10 over-all record and a 1.50 ERA, allowing 139 hits in 154 innings and striking out 44.

Brown has broken most of Grand Valley's pitching records, and for her efforts, she has been named an All-Great Lakes Conference second team member.

Chelsea girls track team ran their record to 8-0 and tightened their grip on first place in the Southeastern Conference last week as they defeated Dexter, 77-51, and Tecumseh 83-45. All three teams began the week with 3-0 records in the SEC.

On Saturday, the Bulldogs travelled to the Jackson Northwest Relays and won the eight-team meet in their division with 120 points. Runner up Lumen Christi had 84 while SEC rival Saline edged Northwest 80-78 for third. The Bulldogs also scored more points in their division than the division I winner, Ann Arbor Pioneer, did in theirs.

In the Dexter meet, the Bulldogs roared to a 28-3 lead in the field events and won several close races over the Dreadnaughts. Keying the early run was a Bulldog sweep of the long jump, with Leisa Schiller first at 15' 1/4", Jeanene Rossi, second, at 14' 9/4", and Deanna Richardson, third, at 14' 7 1/2".

Rossi won the high jump at 4' 10" and Erin Schiller tied for second at 4' 9".

Mara Smith won the shot at 28' 3/4" with Amanda Nimke second at 28".

Nimke was third in the discus as Lauren Sparaco was second at 84' 1".

Chelsea started the running events strong as the 3200 relay of Sarah Henry, Lisa Monti, Sarah Brosnan and Beth Bell won in a season-best of 10:17.6.

Charity Allen won a close hurdle race in :16.7, her best time, with Nimke third.

Theresa Royce equaled her best 100 of :13.3 to take second, and the 800 relay of Laura Paton, Leisa Schiller, Allen and Royce ran their season-best of 12:51.5 to take a close race. That defeat seemed to take something out of Dexter as it gave Chelsea a 47-17 lead and about sank any hopes Dexter had of pulling out a victory.

From there on, Chelsea had wins from Lisa Monti in the 1600; Paton in the 400 at 1:02.6; Allen in the 300 hurdles at :49.0, with Nimke third in :51.8; Bell in the 800 at 2:33.1, with Sarah Henry third; and Val Bullock in the 3200 with her season-best of 12:28.4.

Laura Paton added a second in the 200.

The Bulldogs had an outstanding meet against Tecumseh, coming through with top performances and determined efforts and overcame disqualifications of three key performers due to false starts.

Chelsea also got a boost with some big performances in the field events to outscore the Indians 21-14.

"We figured we'd have done well to come out even," said assistant coach Bert Kruse.

Nimke came up with a key performance as she took the discus at 85' 68", Sparaco was third. Richardson and Leisa Schiller came from behind to go 1-2 in the long jump at 15' 3" and 15' 1/4". Rossi won the high jump at 5' 2", with Erin Schiller third.

The race of the season for Chelsea came in the 3200 relay the Bulldogs had run well for three legs, including a fine 2:22.0 from Monti, but trailed by about 100 meters when anchor runner

ONE OF THE BEST RACES in recent memory at Chelsea High school involved the Bulldogs' 3200 relay team last Thursday against Tecumseh. Beth Bell made up nearly 100 meters in the final two laps to win the event for Chelsea.

Beth Bell got the baton. Bell almost immediately began to narrow the lead, finally catching and passing the Tecumseh runner in the home stretch to finish in 9:55.7. Tecumseh finished at 9:58.8. Bell's 800 split was clocked at about a 2:21, one of the best ever, relay or open race, at Chelsea.

"That seemed to ignite the Bulldogs," said coach Bill Bainton. Allen and Nimke went 1-2 in the 100 hurdles, with Monica Hansen just being edged for third. Both Nimke and Hansen ran season-bests.

Royce had the first false start in the 100, but Rossi came on to win in :13.3 with Leah Hadley third.

Royce, Allen, Schiller and Paton won the 800 relay.

Monti won the 1600 at a comfortable pace in 5:37.7.

Chelsea's next false start came in the 400 relay, then was followed in the next race, the 400, which led to a Tecumseh sweep, and pulled the Indians up to a 20-point deficit, 58-38.

"We were a little shaky in the blocks," said Bainton.

"But it's a credit to the girls that we regained our composure and overcame the situation. That's one reason this team is as good as they are."

Allen and Nimke were again 1-2 in the 300 hurdles, with Hansen again just edged for fourth.

Monica ran two of her season-best times. She's one of the top six in the league right now and is really coming on. She'd be the top hurdler at a lot of other schools," said Bainton.

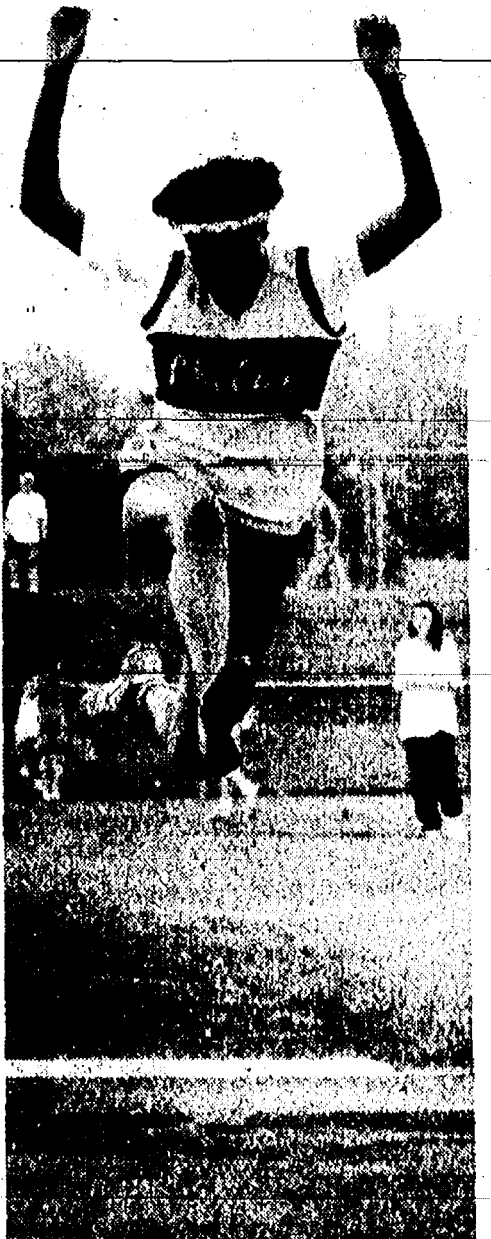

Bell again ran a second outstanding race, taking the 800 in 2:27.7, with Brosnan third.

Royce won the 200 in :27.7 with Schiller third.

Monti ran a 12:12 3200, with Bullock second.

The 1600 relay of Paton, Bell, Jessica Holton, and Allen combined for time of 4:10.7 to put the final topping on the victory. All the splits were in the 62-63 second range.

Saturday, the Bulldogs wrapped up a fantastic week as they scored in every event and never finished below fourth at the Northwest Relays. It was

JV Softball Team Sweeps Double-Header at Tecumseh

Chelsea Bulldogs junior varsity softball team swept the Tecumseh Indians in a double-header last Monday, May 6, 19-7 and 5-4.

Chelsea scored six runs in the first inning of the first game but by the third inning the score was tied at 7. However, the Bulldogs rebounded with eight runs in the fourth.

"Again our offense overwhelmed our misplays," said Chelsea coach Ken Sullins.

The Bulldogs smacked 20 hits for the game, including a 4-5 performance by Stephanie Hanselman and three hits each by Gretchen Knutsen, Liz Sager, and Sandy Schmid.

Chelsea had six hits in the first inning, including singles by Nicki Piasecki, Knutsen, Schmid, and Joni Thrush, and doubles by Hanselman and Jackie Crawford.

Crawford and Amy Bowling doubled in the fourth.

Knutsen was the winning pitcher. In the second game, Chelsea was leading 5-4 after five innings. They went to the plate in the top of the sixth and "batted until the sun went down," Sullins said. The Bulldogs had scored 17 runs and the inning still wasn't over.

Erin Knott was the winning pitcher as she struck out seven and allowed four hits.

Myra Musolf's double gave Chelsea a 2-0 lead in the top of the first.

Chelsea fell behind 4-3 after three innings before scoring two runs in the fifth on singles by Knutsen, Sager, and Hanselman.

Musolf was 2-2 over the five innings.

In the opener, the Pirates tied the game in the fourth inning, 3-3, before Chelsea scored four runs to pull away.

"It was a well-played game by both teams," Sullins said.

"Both were playing a little short because some girls had been called up to the varsity teams."

Chelsea pounded out 16 hits, including four each by Piasecki and Thrush, and two each by Knutsen and Hanselman.

The Bulldogs fell behind 9-3 in the third inning of the second game, but Knutsen's two-run double in the bottom of the seventh after Crawford and Piasecki singled gave Chelsea the win.

"The kids did an outstanding job of coming back against a good Pinckney team," Sullins said.

"We got great relief pitching by Missy Schumann and excellent defense."

Chelsea scored four runs in the sixth to put them in reasonable position to win the game.

Hanselman and Schmid each had three hits and Piasecki, Knutsen, Knott, and Crawford each had two hits.

In a non-conference double-header on Saturday, Chelsea split with Ann Arbor Pioneer, losing the first, 5-4, and winning the second, 14-6.

Two Chelsea errors in the third inning of the first game, in which Pioneer scored three runs, was the difference.

The second game featured an unusual triple play by the Bulldogs in the first inning. A Pinckney batter struck out with the bases loaded, the ball got by the catcher, the runner from third tried to score and was tagged out, and the runner at second tried to advance to third but was gunned down.

It was a tight game for four innings as Chelsea held a 6-5 lead.

"It was a great job by the kids in every aspect of the game," Sullins said.

# Royce Sets Another Record but Boys Track Team Loses Twice

Chelsea Bulldogs boys track team lost Southeastern Conference meets to Dexter and Tecumseh last week.

The Bulldogs lost to Dexter 74-63. "We ran well at Dexter but we just don't have enough depth or talent to match up with a mature varsity team," said Chelsea coach Pat Clarke.

"The 3200 relay ran its season-best by 17 seconds but still lost. It's been that kind of season. We just keep getting better and that's our goal for now."

Junior Jon Royce was a quadruple winner for Chelsea and he set yet another school record, this time with a 42.5 in the 300 meter hurdles.

Royce also won the long jump at 19' 5 1/4" in his first competition ever in that event. He took the 110 high hurdles in :16.4. Finally, as usual, he won the high jump but wasn't pushed. The winning height was 5' 8".

Other winners for Chelsea included Mike Terpstra in the shot put at 47' and the 1600 relay team of Mike Reese, Jim Hassett, Hans Kemnitz, and Ty Darden, who recorded a 3:45.7.

Chelsea had numerous second place finishes. David Beeman had a 39' 9" toss in the shot put; Justin White went 9' 6" in the pole vault; Terpstra threw the discus 113' 7"; the 3200 relay team of Blough, Hassett, Zatkovich, and Reese ran an 8:39.7 in the 3200 relay; Radaone Far ran :12.0 in the 100; Joe Blough had a 4:44 in the 1600; Far finished the 400 in :53.6; Reese ran 2:07.2 in the 800; Jason Garrigus ran :24.9 in the 200; and Blough ran a 10:37.3 in the 3200.

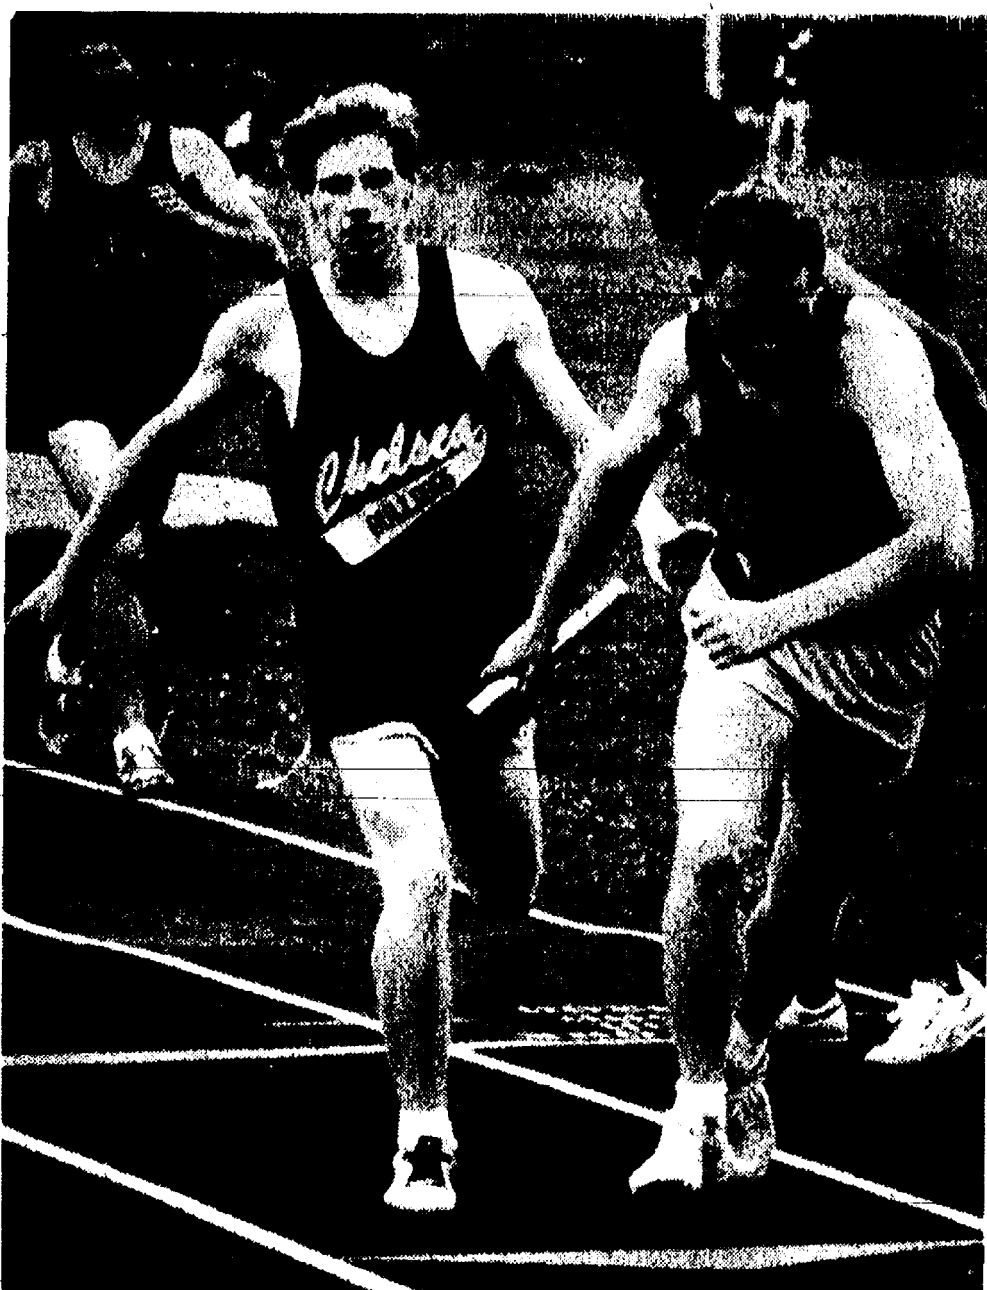

Third place finishes for Chelsea included Hassett in the pole vault at 9'; Beeman in the discus at 113' 4"; Martin Cheng in the 110 hurdles at :17.6; Far in the long jump at 18' 5 1/4"; and Cheng in the 300 hurdles at :45.7.

The Tecumseh meet was a different story as the visiting Indians won 87-50.

"We performed well but were no match for them," Clarke said.

Royce won three events as he tied his school record in the 300 hurdles at :42.5, jumped 6' 8" in the high jump and 19' 10 1/4" in the long jump.

Chelsea had just two other winners on the day. Terpstra threw 46' 3" in the shot put and Garrigus ran :24.7 in the 200.

JOE BLOUGH passes the baton to Jim Hassett during the 3200 relay last Thursday against Tecumseh. Chelsea took second with a season-best time of 8:36.4.

The Bulldogs also had few second-place finishes. Blough recorded a 4:54.86 in the 1600 and a 10:43.27 in the 3200, and Far ran a :52.6 in the 400.

Chelsea took third place in all but two events. The 3200 relay team of Blough, Hassett, Zatkovich, and Reese ran a season-best 8:36.4; Cheng ran :18.21 in the 110 hurdles; Far ran :11.8 in the 100, a season-best; Scott Postiff ran 5:07.77 in the 1600; the 400 relay team of Garrigus, Cheng, Brian Piasecki, and Darden ran :49; Kemnitz recorded a :57.87 in the 400; Cheng ran the 300 hurdles in :46.7; Reese ran 2:11.69 in the 800; Kemnitz ran :25.85 in the 200; Zatkovich

recorded a 10:55.9 in the 3200, a season-best; the 1600 relay team of Reese, Hassett, Far, and Darden ran a 3:39.4; White pole vaulted 9' 6"; Far long-jumped 18' 2 1/4"; and Terpstra tossed the discus 121' 8".

## Beach Boys Track Team Ninth at Relays

Beach Middle School boys track team had a busy week last week with a ninth place finish at the Tecumseh Relays, a loss to a powerful Saline team 106-26, a win over Ann Arbor St. Francis, 103-32, and a win over Ann Arbor-St. Thomas, 103-21.

In the relay meet, the 400 shuttle hurdle relay team of Bryndon Skelton, Case McCalla, Jeremy Zeigler and Dan Wehrwein finished 4th.

Then it was a first place finish for the 400 relay team of Jorge Rosario, Tom Hubbell, Steve Straub and Eric Freitas.

Ryan Schultz ran the 800 to lead off the "Tecumseh" relay, passed the baton to Rosario for a 400, who passed to Wehrwein for another 400 and then Chad Brown finished with a 1600 run on the relay and a fourth place finish.

Scorers in the Saline meet were Hubbell in shot put and 70, second place in both; and Wehrwein 2nd in 55 hurdles and high jump and 3rd in 200 hurdles.

Brown won the 3200 run and Schultz battled to a second-place finish in the 800.

Brian Atlee was third in the 1600 as was Straub in the 100. Rosario was third in the 400 and Peter Straub was third in the 200.

Scorers in the meet against Ann Arbor St. Francis and St. Thomas are as follows: Jesse Petty, first in pole vault; Mark Hand, 2nd in long jump; Hubbell and March Sparaco, second and third in shot put; and Wehrwein, Jim Bergman, and Atlee swept the high jump.

Atlee and Bergman then finished first and second in the 3200 run.

Wehrwein, McCalla and Sparaco made another Chelsea sweep in the 55 hurdles.

The 800 relay team of Zeigler, Hand, Mike Bainton, and Josh Inwood finished first.

Brown won the 800 run, while Schultz won the 1600.

Rosario took first in the 100, then Wehrwein, Hubbell and Bergman swept the 400.

Steve Straub won the 70 and McCalla and Inwood were second and third in the 200.

The 1600 relay team of Atlee, Jim Irwin, Peter Straub and Schultz took first as did the 400 relay team of Rosario, Hubbell, S. Straub and Freitas.

## Beach Girls Win Relays

Beach Middle school girls track team won the 11-team Tecumseh Relays last week for the fifth consecutive year.

The Beach girls were tied with Drager Middle school of Adrian going into the final event, the distance medley. The Bulldogs took second place in 11:04.63 to clinch the title while Drager finished fifth. The team consisted of Melissa Hand, Abby Haab, Charlotte Ziegler, and Robin Phelps.

Chelsea had three first place relays. The 100 shuttle hurdles team of Jessica Knight, Jill McKinnon, Andrea Ludwig, and Keri Kantala clocked a 1:06.62. The sprint medley team of Anne Fredericks, Nikki Wireman, Kori White, and Hand combined for a 2:04. The medley relay team of Kantala, Fredericks, Anna Daigle, and Kori White also took a first place.

The 400 relay team of Sara Walters, Jessica Flannery, Callie Garrigus, and Sarah Schick placed third in :57.19.

The shot put relay of Hailey Orr and Anne Terpstra combined for third place.

The long jump relay of Kantala and Carey Schiller placed fourth.

The 800 relay team of Schiller, Katie Spink, Hailey Orr, and Jessica Knight just missed placing with a time of 2:04.

"Big meets really seem to bring out the best efforts from these tough, young competitors," said Chelsea coach Ann Schaffner.

"It's particularly exciting for me because half of these girls are seventh graders, which bodes well for the success of our program."

In another meet last week, Chelsea scored 128 points to beat Ann Arbor St. Francis with 18 points and Ann Arbor St. Thomas with 11 points.

Meet results were as follows. Shot put: 1. Orr, 32' 2"; 2. Garrigus; 3. Terpstra.

High jump: 1. Courtney Thompson, 4' 2".

Long jump: 1. Kantala, 13'; 2. Jessica Flannery; 3. Schiller.

3200: 1. Jessica Flintoft, 14:35.5; 2. Hand; 3. Phelps.

55 hurdles: 1. Kantala, :09.81; 2. Knight.

800 relay: 1. Fredericks, Ziegler, Spink, and Maria Cordero, 2:02.69.

800: 1. Abby Haab, 3:00.1; 2. Angi Bell; 3. Jessica Inwood.

1600: 1. Lori Ritter, 6:55; 2. Erika Leiter; 3. Erin Garrigus.

## Legislation Looks at Seal of Quality Program

The House Agriculture Committee recently approved a bill that fine tunes current law dealing with Michigan's "Seal of Quality" program, according to Ron Nelson, legislative counsel for Michigan Farm Bureau.

"The bill takes a look at existing law to make sure that the law is workable," he said. "It's also designed to renew some interest in what producers have been saying, namely, that they want to produce and market a higher quality product."

Nelson said commodity groups have indicated interest in better utilizing the Seal of Quality in order to promote premium quality farm products. He said the legislation should focus debate on how the "Seal of Quality" program is working.

## DRY MOUTH INCREASES WITH AGE

Q: I am 63 years old and in good general health but the last few years my mouth has become very dry, making eating difficult. Is this normal and what can be done about it?

A: Dry mouth, known as xerostomia, occurs when the saliva supply is reduced or absent. Although saliva production decreases naturally throughout the aging process it can also be a side-effect of medications like diuretics ("water pills"), sedatives, barbiturates, and antihistamines. Again, this affects mostly older individuals since they take more medications as a rule. Certain disease processes can reduce salivary flow as can radiation therapy to the head and neck area when used for cancer therapy.

Saliva is needed to lubricate the mouth, clear food from around the teeth, and neutralize the acids produced by plaque and bacteria which cause decay. A dry mouth alters the taste of food and may therefore affect a person's overall nutrition. Rampant decay can result in loss of teeth.

There are several artificial salivases which can be used to lubricate a dry mouth and your dentist or physician can prescribe one if necessary. In addition, he or she may recommend special fluoride treatments and mouth-rinses to help reduce decay.

**STUDENT TEACHER** Tracy Cattell-Heydlauff of Chelsea, a student teacher in Bob Bullock's fifth grade class at South school, was runner-up in the 1991 Student Teacher of the Year Competition sponsored by the Michigan Association of Teacher Educators. Competition was open to all elementary and secondary student teachers who were enrolled in a program leading to certification this school year. Judging was based on a 30-minute videotaped lesson. A written lesson plan was also required. Heydlauff's lesson was a Spanish lesson on the numbers 1-15. Heydlauff recently received her elementary certification from Eastern Michigan Univer-

sity. Above she is pictured with her class. In front, from left, are Stacy Melton, Adam Wint, and Candice Schuyler. Seated, from left, are Megan Smith, Stacy Ersten Melissa Sayer, and Kathy Messner. Third row, from left, are Billy Paul, Paul Spangler, Rachel Schoenberg, Todd Pearsall, Matthew Kennedy, Erin Cole, and Jocelyn Anderson. In the fourth row, from left, are Derek Hanselman, Bree Wireman, Heydlauff, Nathan Clark, Jake Bell, and Anthony Meza. In back, from left, are Justin Clepy, Joe Barkman, Scott Kiel, Leah Thompson, Scott Vichinsky, Brian Ellison, and Tommy Hewitt.

## Dexter Methodist Church Plans Giant Antiques/Household Auction

People of the Dexter United Methodist church will combine their efforts with Braun & Helmer Auctioneers, who have agreed to contribute their services for the Antique and Household Auction to be conducted in front of the church at the intersection of Fourth and Central Sts. at 4 p.m. Friday, May 17.

A great variety of items will be included in the auction, among them an "Indigos" print donated by Dexter wildlife artist Catherine McClung, and custom-framed by The Loft at Chelsea, which donated the framing.

A blue-jean pattern quilt for a single bed, and a hand-crafted quilt of Dresden Plate design, which may currently be viewed in the front window of Huron Camera Service, will be among the items to be auctioned.

Apple crates, a lawn sweeper, baskets, and a rocking chair, in addition to a Salmon Falls Stoneware large crockery jar donated by the Central Street Station, and a fresh-cut Christmas tree donated by Smith's Tree Farm, may be scanned on the list of items to be auctioned at Saturday's event.

Food will be available on the church grounds, Linda Hollister advised.

She said additional information may be obtained by calling either the church office, 426-8480, or the Hollister residence, 426-3660.

In addition to Linda Hollister, who's chairing the 1991 auction committee, members include Marilyn Shipman, Jay Harshe, Cathy Fitzgerald, Barry, and Kelly Boyer, Walt and Mary Nickell, Dan Teare, Lois and Gordon Vetal, and Cheri Sly.

Hosmer Carpets has donated a 12' x 14' 8" carpet to the list of items for the auction, artist Ben Bower has donated two framed prints of the Dexter United Methodist church, Carpenter Lumber had added a six-pack of treated landscape timbers, and John Colone Chrysler dealership in Pinckney donated the use of a Dodge Caravan for a week-end.

Does a Get-Away Week-end, June 14-16, at a luxury condo sound good to you?

It's on the list of items to be auctioned.

The condo is fully furnished with 2 1/2 baths, nice for couples or a family, and located on Lake Charlevoix in the heart of the Boyne area.

A second Get-Away Week-end will be auctioned for Sept. 27-29, and will offer the successful bidder the use of a three-bath fully furnished luxury condo on Walloon Lake near Camp Michigamia for that week-end.

Auction chairperson Linda Hollister advised the condo is a great place for either a family or for couples.

Who wouldn't be tickled to be the

successful bidder promised four dozen home-baked Christmas cookies, delivered in season to the Dexter area, or one home-baked pie each month for a year, or two dozen dinner rolls each month for a year?

No community has cooks that compare with those who live in the Dexter area, that's been an undisputed fact for years.

Skills and skates, a brass two-tier chandelier, bikes, leaded stained glass pieces, clothes trees, a lawn roller and many more items will be available at the May 17 auction.

Other items of special interest?

The Dexter Mill has donated a new copper boiler, and Village Emporium's donated a double Murphy bed frame.

Look for a queen-size hand-made comforter, a weed eater, and an air compressor, in addition to golf clubs, a gilt-edged oval mirror, and donated by the Huron-Clinton Metroparks, a

chance to play 18 holes of golf, without charge.

There are so many items and services included on the list to be auctioned, area citizens and visitors won't want to miss the event.

Chances are, they might return home with a piano or an organ, maybe one of the Bissell Cordless Brooms or wheelbarrows donated by Chelsea Lumber, or even a four-piece silver tea set.

The event itself promises to be exciting, and funds raised will be put to good use.

Penguins cannot fly but are excellent swimmers.

## Card of Thanks 19

**CARD OF THANKS**  
 The family of Julius G. Reule  
 would like to extend a very warm  
 and heartfelt thank you to all  
 neighbors and friends who gave  
 food, sent flowers and those who  
 contributed money to either the  
 North Sharon Baptist church or  
 the American Cancer Society in  
 memory of Julius. We would also  
 like to extend special thanks to  
 Bob Schantz for always being  
 there whether it was day time or  
 the dark of night. Special thanks  
 also go to Rudy Ottomano, Bruce  
 and Sola Hopkins, Tim Ehms,  
 Karen and Kristi Lentz for  
 always returning for another bed-  
 side visit. We also want to thank  
 all members of the North Sharon  
 Baptist church for their love and  
 support, especially Pastor Bill  
 Winger for his visits, prayers  
 and his beautiful funeral sermon.  
 Also Ron and Ella Forner for  
 lending their beautiful voices in  
 song. We also want to ac-  
 knowledge the ladies of the  
 church for their time and work to  
 provide the lovely luncheon  
 following the funeral services.  
 Last but by no means least, we  
 wish to thank Linda and Don Cole  
 of Cole-Burghardt Funeral  
 Chapel for their kindness and pa-  
 tience through it all.  
 Lina Reule and family.

**THANK YOU**  
 Thanks for all the cards, food,  
 gifts, flowers and visits while I  
 was in the hospital and at home.  
 Sincerely,  
 Peg Keezer.

**THANK YOU**  
 There aren't enough words to  
 express my thanks and apprecia-  
 tion to Dr. Krause, Emergency,  
 Pulmonary Dept., C.C.U., staff,  
 nurses and so forth for the  
 wonderful care I received at  
 Chelsea Community Hospital  
 East. Thanks also goes to my hus-  
 band, members of my family  
 from near and far away, to Jerry  
 & Kip, for the many visits and  
 long-distance phone calls. To  
 each and everyone who sent  
 flowers and cards, or had me in  
 their thoughts, a big thank-you.  
 The many acts of kindness from  
 everyone will always be  
 remembered.  
 Mrs. Ed (Betty) Green.

## YOU & YOUR PET

By Linda Reider  
Education Department  
Humane Society of Huron Valley

### \* Free to Good Home

Spring brings warm weather and litters of kittens and puppies. The overflow from our pets appear in boxes at garage sales and farmers' markets. They are advertised on telephone poles and newspapers. One thing most of these baby animals have in common is that they are "free to good home."

Things that are free are usually assigned little value in our society. Pets have precisely that problem. If the puppy we pick up at the farmers' market grows too big for our house, she is easily and cheaply replaced. When the two kittens from the ad in the paper die of distemper a week after we bring them home, we simply pick up a couple more from the neighbor's litter.

Why do I think that people should be charging fees for pets? Because I believe that if we pay a reasonable price for something, we tend to take better care of it. In the case of kittens and puppies, the person who pays an adoption fee of at least \$25 each may not be in such a hurry to dump the slow-to-housestrain puppy or the kitten who needs veterinary care. They are more likely to spend a little time or a little money to protect their original investment. And more work on their part will mean fewer abandoned animals on our country roads and at our humane societies.

Over 200 pets, many of them kittens and puppies, arrive every week at the Humane Society of Huron Valley. If that isn't proof that too many animals in our community are undervalued, then I don't know what is. If your pet has a litter on the way, please bring them to the humane society, when they are weaned, for professional placement at reasonable fees. If you decide to place them yourself, please charge a fee, use sterilization contracts, and carefully screen potential adopters. Finally, and most importantly, spay your female pet as soon as the babies are weaned to prevent further excess baby animals.

Next Week: "Nuisance Wildlife."

## Granges Promoting Better Hearing Month

Granges around the state of Michigan are promoting understanding of hearing impairment during the month of May through the organization's health program, Grange Deaf Activities. The program objectives include helping deaf and hard of hearing people, education about hearing impairment, learning about the hazards of noise and how to protect one's hearing.

The Grange in Michigan works with the Department of Labor - Division on Deafness in Lansing, the Michigan School for the Deaf in Flint, the Michigan Association for Deaf, Hearing, and Speech Services in Lansing, the Monroe County School for the Hearing Impaired in Ida, and others, to bring about a greater awareness of communication problems experienced by deaf and hard of hearing people.

The Grange not only promotes understanding of hearing impairment but also has an educational program on the subject of hearing protection. A teaching packet for 4th, 5th, and 6th grades, "Sound & Hearing", a poster and companion brochure, titled, "Your Noisy World—Could Get Silent", and a slide/video show, "Listen to the Wind" teach about hearing protection.

A new project, a poster of The Pledge of Allegiance in sign language, has been produced.

## Morgan Horse Breeders Plan Open Barns Days

Sunday, May 19 is one of the dates set for the Morgan Horse Open Barns in Michigan. Numerous breeding farms and training facilities will be open to the public and many will be preparing free demonstrations to show the versatility of America's first breed of horse.

Justin Morgan, the legendary progenitor of the Morgan Horse breed, was born in Springfield, Mass., in 1789, the same year George Washington became America's first president.

Morgans are a light horse breed (900-1,100 lbs.), beautiful headed with lovely high leg action. They are famous as carriage and riding horses known for their trotting ability.

The Morgan's ancestry shall forever remain a secret, but we do know that this animal was a mutation possessing the ability to transmit to his offspring characteristics unique of himself and, many generations later, the same characteristics predominate.

Justin Morgan was originally named "Figure" and later got his name from the man who first owned him, Justin Morgan. He lived for 32 years and produced many get, but his most famous were his three sons: Sherman, Woodbury and Bulrush. Today's Morgans descend from these three sons and crosses between them. He worked hard during his lifetime, earning the enviable reputation that he could out-work, race, and out-shine any horse of his day. Walt Disney immortalized these consistent Morgan qualities in the film, "Justin Morgan Had A Horse."

The Morgan is the only registered breed of horse ever perpetuated by the United States Government. In 1907 the U.S. Morgan Farm was established in Middlebury, Vt., and operated by the Department of Agriculture. Purpose of the farm was to breed Morgans to provide stallions for Remount Stations at various points across the country.

The Morgan horse was used to develop such breeds as the Standard-bred, the Saddlebred, the Quarter-horse and the Tennessee Walker. He has adjusted to the changing times down through the years.

Today the Morgan's versatility is widely recognized. They are wonderful family horses, and their disposition lends them to kindness toward young and old alike. They are show animals that are magnificent to watch, ride, and drive. As driving animals, they are superb.

A pair of New England Morgans competed in the 1985 World Pair Driving Championships in Sandringham, England and placed in the top rankings.

As western and cutting horses, their maneuverability helps them excel, while their flexibility and heart aid them in dressage, hunting, jumping, and trail riding.

While they can carry out all those disciplines with beauty and finesse, there are still some farms in the United States that, admiring their heart and strength, find use for them in the field working.

In this area, Open Barns will be taking place at Renaissance Morgan Farm, 13450 Jerusalem Rd.

If you are unable to attend the open barns on May 19, but would like information, please contact: American Morgan Horse Association; P.O. Box 960, Shelbourne, VT., 05482-0960 or contact the Michigan Justin Morgan Horse Association (largest state club in the United States), Jenny Moore, membership chairman, 10879 Hamburg Rd., Hamburg 48139, (313) 231-3397.

A free Morgan Open Barn brochure is also available by contacting Emily Kitchen, Renaissance Morgan Farm, 13450 Jerusalem Rd., Chelsea.

GIRL SCOUT TROOP 719 and their families planted two gardens at the Faith in Action house on April 28. The troop, sponsored by D&C Stores and Staffan-Mitchell Funeral Home, purchased the flowers from Hertler Brothers Store, which is owned by one of the girls' fathers. Girls who planted the flowers included Autumn Koch, Shonny Dault, Trish Carpenter, Shelly Clemons, Amber McGovern, Amy Dault, Mary Torrice, Kristy Barner, Molly Harris, and Heather Gray.

AN OPEN HOUSE for Spc. Patrick Flannery was held at the VFW Hall in Chelsea last Saturday afternoon. Sgt. Flannery recently returned from the Persian Gulf, having served in Saudi Arabia and Iraq during the recent war. The open house was hosted by Gail and Gregory Kuhl, who were regular correspondents with Flannery. The idea was to give Flannery a chance to meet some of the people who wrote or sent packages to him. Also attending were Ginny Boyer of the VFW Auxiliary 4076 and the local support group, who sent packages to him. She presented Flannery a plaque in recognition of his service. In addition, Gregory Kuhl accepted a plaque on behalf of his son, Allan, who is stationed in Italy. His mother is Dianne Kuhl of Grass Lake. Dr. Rebecca Patrias of Chelsea, also a support group member, presented a plaque to her father, Lt. Col William Skellenger, M.D. for his service. From left are Greg Kuhl, Ginny Boyer, Patrick Flannery, William Skellenger and Rebecca Patrias.
