Streetscape Dedication Celebration To Mark End of Downtown Project

Sales, food, music, and entertainment will be featured downtown this week-end as Chelsea's Downtown Development Authority and Downtown Merchants' Association co-sponsor a Streetscape Dedication Celebration.

The event is being held to mark the end of the Downtown Development Authority's two-year streetscape project. Included in the project were a new parking lot, new street lights, extensive brickwork and landscaping, and building demolition.

A number of merchants plan to hold earlybird sales both Friday and Saturday and sales all week-end.

On Friday, WPZA radio will have a live remote station and Chelsea personalities will be interviewed from 7 a.m. to 10 a.m.

Saturday is the busiest of the two days.

From 8 a.m. to 10 a.m. a pumpkin carving contest will be held in the east Municipal Parking Lot. People may carve pumpkins at home and enter them before 10 a.m., or they may carve their designs downtown. At the same time, people are invited to guess the weight of a giant pumpkin in a competition for prizes.

Also in the east lot will be a children's petting zoo, featuring various small farm animals and other creatures.

Children will also be the focus of a special program from 1 p.m. to 4 p.m. at McKune Memorial Library.

In the new parking lot off W. Middle St. will be several features. From 11 a.m. to 4 p.m. will be "Flavor of Chelsea" featuring specialties of various Chelsea restaurants, including Irish stew, hot dogs, sandwiches, cider, donuts, cappuccino, pizza, and a variety of desserts will take place under a tent. For a small fee, samples from each establishment will be available.

Also from 11 a.m. to 4 p.m. will be musical entertainment. Chelsea High School String Quartet will play from 11 a.m. to noon; Chelsea High School Brass Ensemble will play from noon to 1 p.m.; Insley and Morgan, a guitar duo, will alternate with the Washington Street Show Choir from 1 p.m. to 4 p.m.

A clown show will take place at 1 p.m. in the W. Middle St. lot. Clowns will be around much of the morning

making balloon animals and taking part in a variety of antics.

At 4:30 p.m. a formal ribbon cutting ceremony will be held on W. Middle St., complete with a speech by a to-be-announced speaker. That will be followed by a drawing by the Chelsea Community Fair Queen for a trip for two to either Orlando or Las Vegas. Shoppers may register at various establishments downtown all week. Entry deadline will be 3 p.m. Saturday.

UAW Sponsors Rally To Show Support for Workers at Local Firm

About 150 people attended a rally hosted by the UAW Sunday afternoon in support of workers at Chelsea Industries, Inc.

The company recently lost a round with the union during a hearing before the National Labor Relations Board. The company filed several objections in relation to how a union campaign and vote were conducted in 1991 in which workers voted 75-34 to join the union. A hearing officer recommended against all of the company's objections.

Among those who attended the rally were workers from other UAW shops in the Chelsea area, including Federal Screw Works, Dana Corp., and Chrysler Proving Grounds.

Union officials said the purpose of the rally was to inform the public about circumstances at Chelsea Industries.

Several politicians also attended,

including Washtenaw County Drain Commissioner Janis Bobrin, Nancy Davis, Democratic candidate for county treasurer; Brian Mackey, candidate for county prosecutor; Alma Smith, candidate for county commissioner, second district, and legal aide to state Sen. Lana Pollack; Mary Schroer, Democratic candidate for state representative, 52nd district, and an aide to Pollack; and Jane Goode, United Way labor liaison.

Some of the talk focused on the legal firm hired by Chelsea Industries, which workers claim is both high-priced and specializes in union-busting. In fact, workers signed a petition urging the company to dump the law firm and begin negotiations. They claim continued appeals will do nothing more than "drain money" from the company.

UAW Region 1-A Director Bob King told Chelsea Industries workers they have the "full support" of his region.

Some Questions Answered About Project Proposed South of Interstate

The real estate company that has approached property owners in a 4,000-acre parcel in Lima and Sylvan townships about selling their properties has answered a number of questions about the proposed development but perhaps has raised even more.

In a letter to one of the property owners, Signature Associates of Southfield indicated the development, proposed by a group only identified as GRP Corporation, does not include a landfill or hazardous waste site, and would not include a power plant or heavy industry. They indicated the project would not be "environmentally sensitive."

In addition, the company wrote that the project would not involve "mineral extraction" such as oil or gas wells, or any mining.

They also said "improvements" to the land would be extensive but environmentally compatible.

That, however, is as specific as the letter gets about the nature of the project.

There are some other clues, perhaps. The site was chosen, the letter says, because of "demographics" of the area and its location in relation to major urban population areas—presumably Detroit and Chicago—and airports and highways.

According to the letter, the project, which does not involve a governmental agency, is intended to preserve the cultural and historical heritage of Michigan and its citizens. It would generate "significant employment" but would not involve a transfer of jobs from one area to another. There would also be significant "spin-off" employment. It would become a "significant local taxpayer."

The letter does not indicate what kind of employment would be generated, such as high-paying or

minimum-wage jobs, or whether it means temporary construction jobs rather than more permanent ones. It does not say whether housing or retail establishments are involved.

As virtually all developers are prone to say, the letter promises the project "will benefit the community."

Jack Townsend of Signature recently said that investors are considering sites in other states. That may or may not be related to a report recently by syndicated radio newsmen Paul Harvey. He said officials from Disney company are scouting out sites in the Midwest for some sort of unspecified attraction, and they had recently gone to Missouri.

The parcel in question is bordered on the north by I-94, east by Fletcher Rd., west by M-52, and south somewhere between Sager and Scio Church Rds.

Chelsea High School Homecoming Activities Run Through Saturday

Chelsea High school homecoming activities continue this week, highlighted by Friday's football game with the Tecumseh Indians, in which the Bulldogs can clinch a tie for the Southeastern Conference title, and the crowning of the homecoming queen.

Wednesday is Class Distinction Day. Seniors wear hats, juniors wear black, sophomores wear sweat clothes, and freshmen wear

sunglasses. A number of competitive activities will take place after school today.

Thursday is Pajama Day and Friday is Cowboy Day.

A pep rally will be held during the final period Friday. It will feature a balloon stomp, paper airplane contest, "steam-roller," a skateboarding contest, and other activities.

The Homecoming Parade will be

held at 6:15 downtown. The parade will begin in the east Municipal Parking Lot and follow E. Middle St., Park St., Madison St., and Washington St., back to the high school.

Homecoming queen will be crowned at half-time. This year, for the first time, only seniors are eligible, a change requested by the student council.

Each senior represents a particular group or sport. This year's candidates include Lisa Monti, cross country; Monica Hansen, tennis; Sandy Schmid, swimming; Heather McConeghy, basketball; Karen Albertson, cheerleading; Heather Wynn, golf; Felicia Hermosillo, band; and Charlotte Reich, senior class.

Members of the court will include junior Julie Flynn, sophomore Heather Gunnis, and freshman Jeanine Mouilleseaux.

A Homecoming Dance will be held Saturday night at the high school.

Bog Walk Slated Sunday Afternoon At Eddy Center

A "Bog Walk" is scheduled this Sunday, Oct. 18 at 2 p.m. beginning at the Eddy Geology Center in the Waterloo Recreation Area.

Cranberries are in season and the Tamaracks are bright gold on the bog. Naturalist George Sexton will share his stories about the plants and trees along the trail as well as the history of the bog, left behind by receding glaciers thousands of years ago.

The free program is sponsored by the Waterloo Natural History Association. A state motor vehicle permit is required to enter the park.

For more information call 475-3170.

City Committee Begins To Outline Final Report

The committee studying whether the Village of Chelsea should become the City of Chelsea is beginning to compile information that will be included in its year-end report to village council.

Attorney Stanley Burke, a member of the committee, has agreed to put together an outline of information that should be included in the final report. The final report will likely contain information on tax implications for both the village and Sylvan and Lima townships, forms of possible city government, financial implications, criteria the state boundary commission considers, and other information.

"The substance of the report will be contributed by all the different people on the committee," Burke said.

At the committee's meeting last Wednesday, Burke raised the issue of the increased autonomy that cities have over villages.

"My research indicates that in working with a general rule village

(which Chelsea is), it only has the powers that are created in state law," Burke said last Thursday.

"However, under the home rule city act, a city is given much broader powers as well as implied powers. There is much more self-control. For major changes, a village has to go to the state legislature," where the law would be amended for all general law villages.

Burke said the most notable example is how villages got the power to

hire a village manager. Under state law, villages did not originally have that power. They had to go to the state legislature to have the law amended, and eventually had to have the law amended again.

"Certainly in developing a form of government, we need to consider our existing situation as well as be able to accommodate for our future needs," Burke said.

The committee meets again Wednesday, Oct. 28.

Six CHS Students Commended In National Merit Program

Six Chelsea High school students have been commended in the 1993 National Merit Scholarship Program.

About 35,000 students nationally are being commended for their performance on the 1991 Preliminary Scholastic Aptitude Test/National

Merit Scholarship Qualifying Test. They represent the top five percent of more than one million program entrants.

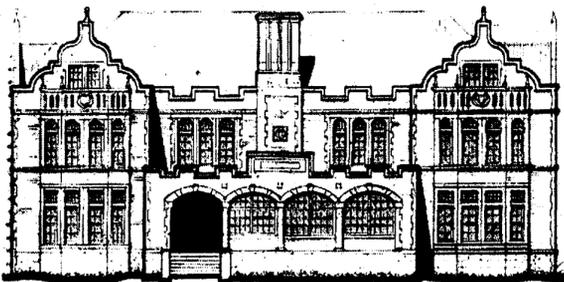

Chelsea students include Marie C. Kramer, Scott W. Postiff, Thomas R. Poulter, Douglas H. Steele, Tobin R. Strong, and Sara A. Tracy.

PIERCE PARK PLAYGROUND PROJECT is one of the major recipients of grant money from the Chelsea Civic Foundation this year. The foundation, represented by vice-president Randy Musbach, above, gave \$2,000 to the project, spearheaded by Dr. Lynn Swan, right. With the grant, enough money has been raised for the project to begin.

RALPH MYER of Pinckney was present at the Waterloo Farm Museum's Pioneer Day Sunday afternoon with some of his collection of antique hand-operated corn planters. Over the years he has accumulated 83 variations of these once common tools used around the turn of the century and before.

 Chelsea area residents concerned about the village landfill on Werkner Rd. will have a chance to find out everything they want to know about the facility from the perspective of the Department of Natural Resources at a public hearing Thursday, Oct. 27 at 7 p.m. in the village council chambers. The village and DNR have been trying to work out a chemical tracing system to monitor the new landfill cell.
 Developer Rene Papo has filed suit in circuit court to stop the Pierce Lake drain project. An independent board of determination, put together by the county drain commissioner, came to the conclusion that the drain project was necessary after a public hearing Monday, Sept. 26. The village filed the petition for the project earlier this year, partially to solve run-off problems in Pierce Park. The drain would handle stormwater run-off from much of the east side of M-52 from Pierce Park south. Included in that area is a significant amount of land owned by Papo's concerns.

Three Chelsea Baton Corps twirlers travelled to Columbus, O., on Oct. 9 for an NBTA (National Baton Twirling Association) open contest, returning with 13 trophies and four medals. Jodie Rainey, 9, won the title of "Miss Columbus Juvenile Modeling Queen" while Kate Steele, 11, took the over-all intermediate "Hi-Point" trophy for most points earned in events during the day. Both girls are from Chelsea. Katie Sullivan of Dexter took three first-place trophies in novice events.

Kervorkian Says State Should Stay Out of Medical Business

An angry Jack Kervorkian said Tuesday the state has no business regulating the assistance of suicide and blamed the controversy pending before the Legislature on how to address the issue on the medical profession, which has not supported him.

Kervorkian, a medical doctor who has helped several people kill themselves, called the deliberation over three pieces of legislation (SB 32 and HBs 4501 and 5415) dealing with death and dying "silly" and said no laws are needed. Under current law, the actions Kervorkian has taken are not illegal.

"It's got to stop," he said of the debate. "You've got to let the doctor be free to act in the best interests of the patients. You don't need laws at all. Just say it's only legal for doctors. It's a medical service. It comes under the law automatically. It's the medical profession that's at fault," he said, noting that there are no restrictions on how a doctor can perform heart surgery.

And in response to some members of the House Judiciary death and dying subcommittee who questioned his background on ethics, Kervorkian said they were unqualified to do so.

"I'm self-taught in ethics. It's reading and learning and memorizing," Kervorkian said. "I'm a damn good ethicist." And referring to Rep. Richard Bandstra (R-Grand Rapids), who specifically asked Kervorkian's attorney about the doctor's background, he said, "If you asked him to define it he couldn't do it either."

Some also suggested Kervorkian's medical education left him lacking in psychiatric abilities needed to determine whether a person is able to make a sound decision regarding suicide. But his angry response outside the committee room was, "We call psychiatrists in every case."

Michael Alan Schwartz, Kervorkian's attorney who testified on his behalf at the meeting, said a prohibition on assisted suicide (SB 32) is "draconian" and would condemn those who are suffering "to live a life of pain and torture that you do not wish to live."

Schwartz said the debate has arisen

only because of a select few, and who through descriptions, suggested included Oakland county prosecutor Dick Thompson and Governor John Engler. Right to Life of Michigan has strongly pushed for the Senate bill to ban the assistance and make it a felony.

"Were it not for a very small amount of people who raised a rather boisterous noise, we would not be here at all," Schwartz said. "The same vocal minority would condemn people . . . to further torment they do not wish to suffer. This is a problem that is really something between doctors and patients."

Schwartz, calling Kervorkian "the leading authority in this field," said if any policies are to be developed, his input should be included. Kervorkian said he would consider participating on a special death and dying commission proposed in one of the bills (HB 4501) "only if it's done without harassment."

The attorney, like Kervorkian, referred to the assistance in suicide as something needed by those who request it.

"In this case the medical need is assistance in the end of pain and suffering. These people are in torment," he said. "They come to him desperate."

Both Schwartz and Kervorkian objected to a waiting period of 30 days, between the request for assistance and the suicide, in a substitute version of a bill (HB 5415) which would regulate assisted suicides during the two-year time period which the death and dying commission would be allotted to study the issue.

Kervorkian said a doctor can tell with one or two meetings with the patients, and Schwartz said each case should be individually determined by the physician.

"He does not advocate assisted suicide," Schwartz said. "But he says if that option's what's necessary, he will assist."

Some subcommittee members also suggested assisted suicides are being performed on persons who are not experiencing physical pain, but are suffering from mental deterioration with such afflictions as Alzheimer's.

But Kervorkian defended those deaths, saying, "That (mental

disease) is the worst kind of suffering in the world."

Others also defended Kervorkian's actions, saying assisted suicide should be available.

"We the terminal want to have choices. We want options," said Teresa Hobbs of Lansing, who is a cancer victim. "We as the terminal do not wish to die. We are facing death."

But Judy Gentile, who also has had cancer and polio as a child, said throughout her life she has had many opportunities to live up and if she had, would not have experienced the medical help she has had.

Secretary of State Office Closing for Half Day on Oct. 15

The Chelsea Secretary of State branch office located at 1113 M-52, Village Plaza, will be closed the morning of Oct. 15. During that time branch office employees will participate in an in-service training program required for on-going operations. The office will reopen promptly at 1 p.m.

On the morning the branch office is closed, service will be available at nearby Secretary of State branch offices including: Ann Arbor West and Jackson North.

"There were several points in this whole process where I could have very easily succumbed," she said. "I would truly like to understand his motivation," she added of Kervorkian.

No final action was taken by members of the subcommittee, although they did agree to support the commission approach and a form of regulation during the duration of its study. Members are expected to meet again later this month in order to ready a proposal for the full Judiciary Committee when the House returns to session in November.

Day Care Homes Assoc. To Meet Monday, Oct. 19

Day Care Homes Association of Washtenaw County will have a general meeting at Carpenter Elementary school, 4250 Central Blvd., Ann Arbor, on Monday, Oct. 19, at 7:30 p.m.

The topic will be "Non-Violent Toys for the Holidays," presented by Joan Horton, director, Pound House Children's Center.

All day care providers and other child care professionals are encouraged to attend.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The man that runs the country store put in an oil furnace some years back, but, like he does ever year about this time, he laid in some wood last week for the stove that's still set up. This way, he heads off gripes of the fellows about wanting the smell of real heat you can back up to and bake. For their part, the fellows made their seasonal move from the drink box to their circle around the stove.

After they settled in, they fell to discussing what to do between dark and bedtime to keep from watching political ads and football on television. Zeke Grubb said he ain't paid much mind to TV since the cowboy shows rode off in the sunset, and there was so much more of less last winter that he actual got to talking with his old lady.

Furthermore, Zeke said, if he can't find some old war movies after the election he might be forced to join the ceramics and crossstitch classes at the church where the wimmen go regular to swap rumors and make Christmas gifts. Word of all their liberation didn't impress the wimmen in his church, Zeke said, they just keep doing what they please. He noted that his old lady did mention the recent study that found other men in this and all the other countries don't do housework either, and she said in her case she needn't expect the old dog to learn any new tricks.

The fellers were general agreed with Zeke about TV. But Clem Webster said he is not near as worried about what passes for prime time on TV as he is about what happened to the U.S. Department of Agriculture. Use to, Clem said, USDA was in the paper regular, and if there weren't

any pressing issues on the farm front you could count on the secretary to come up with one.

All the ways USDA could of disappeared are scary, Clep said. There are so few farmers and ranchers they can't make enough noise to be heard. The Bush Administration has put the lid on USDA news until it gets full credit for finding markets willing to let us give them all our farm surplus. All the USDA folks have shut down operations to give full time to getting Bush reelected.

Practical speaking, Bug Hookum allowed, the slowdown in agriculture news has more to do with farmers than with bureaucrats. Right now, farmers are catching up on their hunting, and they ain't got time to complain to Washington. The news from USDA is like that of all other Government services, it is more reaction than action. As soon as spring breaks and farmers start going in debt to repair and replace equipment, buy seed and hire help, they'll start in on parity, price supports and the rest. Meanwhile, politicians will steer clear of farm issues because they never know what to promise farmers until the farmers tell em.

Actual, Bug said what he wanted to know from USDA is who is in charge of hiring consultants. He said he is full qualified on all agriculture issues, and he could make himself available at the going rate of \$500 a day plus expenses. He read where USDA and other federal agencies are going in for contracting in the private sector, and they are paying that kind of money.

If you got a skill, like bootlegging, that you ain't using, Bug said, IRS will pay you to show how you got away with it. We got to put a layer of know how between the problem and the appointed hacks, was Bug's words.

Yours truly,
 Uncle Lew.

Hospital Couples Bridge Marathon Begins Fall Season

The first meeting for the fall season of the Couples (Pairs) Bridge Marathon for the benefit of the Chelsea Community Hospital was held in the Woodlands Room of the Hospital Sunday evening, Oct. 4 at 6 p.m.

Winners for the evening's play were Steve and Donna Dotson of Chelsea, with a total of 4,780 for the 20 hands played; Bill and Marlene Rademacher, of Chelsea, were second with a score of 3,300; coming in third were Angelo and Joyce Angelocci, of Dexter, with a score of 3,110.

Approximately the same format is being followed as in the past except that this year it will take four, rather than five, times to qualify for year-end prizes in this marathon event. The group also felt they should raise the contribution for the hospital each time from \$2 to \$2.75. A quarter is also added to be used for prizes for the night's play. Mixed pairs may play, so think about a partner for the first Sunday evening of each or any month from now through May. Of course, the amount given to the hospital is tax deductible.

The next meeting will be Sunday evening, Nov. 1 at 6 p.m. in the Woodlands Room of Chelsea Community Hospital.

If anyone is interested in being on the calling list for play, please contact either Marlene Rademacher, 475-5020, or Roberta Barstow, 426-3887.

David and Pamela Dresselhouse

Pamela M. Viviano Marries David Dresselhouse in Howell

Pamela M. Viviano and David G. Dresselhouse were married Sept. 19 at St. John Catholic church in Howell before 100 guests.

Deacon Frank Wines performed the ceremony uniting the daughter of John and Mary Ann Viviano of Hartland and the son of Gerald and Janyth Dresselhouse of Chelsea.

John Kilikevicius was the organist and vocalist.

The bride wore a white formal satin gown with train, beaded bodice and peplum, and sweetheart neckline. The bride designed and made her headpiece with white veil. She carried a bouquet of silk raspberry roses with baby's breath.

Maid of honor was Monica Viviano of Hartland, sister of the bride. She wore a white satin cocktail dress covered with charcoal gray lace with a charcoal gray satin tea-length skirt. She carried a bouquet of silk raspberry roses with pink carnations. Bridesmaids were Melissa Potts of Hartland, friend of the bride, Becky Chizmar of Manchester, cousin of the

bridegroom, and Michele Viviano of Holly and Laurie Viviano of Ypsilanti, cousins of the bride. Their dresses were the same as the maid of honor's. They carried bouquets of silk raspberry roses with white carnations.

The bride's mother wore a cream, tea-length pleated dress with raspberry floral jacket.

The bridegroom's mother wore a two-piece, seafoam-green suit.

Ringbearers were Graham and Casey Dresselhouse of Northville, cousins of the bridegroom.

Best man was Bruce Dresselhouse of Chelsea, brother of the bridegroom.

Ushers were John Viviano of Hartland, brother of the bride, Bill Chizmar of Grand Rapids, cousin of the bridegroom, Doug Nester of Plymouth, cousin of the bridegroom, Mike Viviano of Holly, cousin of the bride, Darren Nester of Plymouth, cousin of the bridegroom, and Kevin La Flamme of West Bloomfield, cousin of the bride.

A reception followed at the Howell Knights of Columbus Hall for 225 guests.

The newlyweds took a honeymoon to the Poconos in Pennsylvania. They are living in Howell.

The bride is a 1988 graduate of Hartland High school. She graduated in June from Michigan State University with a degree in social work. She was a honor student.

The bridegroom is a 1986 graduate of Chelsea High school. He has a degree in landscape architecture from MSU and is employed by Sorrentino Landscaping in Howell.

Lima Extension Homemakers Start Fall Program

July 15 at the home of Olive Wiseman, 20 Lima Extension Homemakers were joyfully eating their delicious picnic pot-luck. Outside the screened-in porch the tall, orange tiger lilies, with their painted faces, watched and listened as the decision was made to start the fall study program at the home of a new member, Peg Gould.

A venture to Webster township was a new experience Sept. 16 as 14 members plus two guests of the Lima Extension group met at the Gould home. Garden vegetables and baked goods were brought by members for a private donation sale to give the treasury a lift for the coming year's expenses.

Washtenaw county's Michigan State extension agent Teri Jones joined the group and informed them of the Winter Lesson Program and the State Convention at Boyne Mountain. Four from this Lima group plan to attend the convention Oct. 27-29.

The first extension lesson to be presented by Merkel's Furniture on interior design is Tuesday, Oct. 6, 7 to 9 p.m. Fran Coy is to take the lesson for Lima Extension and present it to this group Oct. 21, 10:30 a.m. at her home. This pot-luck luncheon will be co-hosted by Barb Wing. New members are always welcome.

Larry and Pamala Hopkins

Pamala Wiist, Larry Hopkins Marry in Ann Arbor Church

Pamala Jean Wiist of Saline, daughter of Herbert and Mary Lee Wiist of Denison, Tex., and Larry Jay Hopkins of Chelsea, son of Jay and Betty Hopkins of Chelsea, were married Sept. 5 at Trinity Lutheran church of Ann Arbor.

Pastor Thomas Prochaska performed the ceremony. The bride wore a long-sleeved, tea-length dress of all ecru lace. It had a sweetheart neckline. She wore a teardrop-shaped ivory satin bridal cap decorated with ivory tulle, ivory silk flowers, and pearls. She carried a bouquet of ivory silk roses tinged in pink and interspersed with pale pink baby carnations.

Matron of honor was Donna Kime of Saline, friend of the bride. She wore a floor-length satin dress with a sweetheart neckline, picture hat with dyed silk flowers to match, and she carried a candle in a hurricane lamp inside a circlet of silk flowers dyed in all three bridesmaids' colors and decorated with ivory lace and ribbons.

Bridesmaids were Kelly Hibbert of Brighton, friend of the bride, Janis Knieper of Chelsea, sister of the bridegroom, Andrea Myers of Saline, daughter of the bride, and Sharon Knieper of Chelsea, niece of the bridegroom. Their dresses were the same style as the matron of honor's, but Kelly wore magenta, Janis cerise, and Andrea and Sharon pale floral dresses of all three colors. They carried ivory colored baskets of silk flowers decorated with ribbons of three colors.

Best man was Dale Lesser of Dexter, friend of the bridegroom. Other attendants were Jim Machinick of New Hampshire, friend of the bridegroom and Rod Knieper of Chelsea, brother-in-law of the bridegroom.

Ushers were Gary Wiist of Texas, brother of the bride, Kevin Myers of Saline, son of the bride, Tom Grob of

Ann Arbor, future son-in-law of the bride, and Robert Knieper of Chelsea, Chelsea, nephew of the bridegroom.

Hostess at the church was Jana Myers of Ann Arbor, daughter of the bride.

A reception was held at the Chelsea Fairgrounds. Jana Myers and Marylou Wollpert, aunt of the bridegroom, served the cake. Hostesses were Sue Shepperdson of Saline, friend of the bride, and Debbie Walters of Ann Arbor, friend of the bride.

The newlyweds plan a trip to Texas this winter. They are living in Chelsea.

The bride attended the University of Houston and Eastern Michigan University. She owned and operated Wee Care Nursery school in Saline.

The bridegroom is a 1976 graduate of Michigan State University and farms full-time on the family farm.

Holiday Bazaar Slated Nov. 7 By Hospital Auxiliary

St. Joseph Mercy Hospital Medical Auxiliary Holiday Bazaar will be held Saturday, Nov. 7, 10 a.m. to 4 p.m. in the Reichert Health Building Lobby. Proceeds from the event will benefit the Neighborhood Health Clinic in Ypsilanti. There is an admission charge of \$1.

More than 36 artisans from across the state will display hand-crafted gift items including dolls, antique quilted pillows, dried flower arrangements, wearable art, fiber art and jewelry. A quilt raffle and a bake sale are also part of the day.

A silent auction will make available items from area businesses and merchants including the use of a condominium, jewelry and sporting event tickets among other items and services.

The number of minorities entering the labor force will almost double by the year 2000, according to "Workforce 2000," a U.S. Labor Department publication. Non-whites will make up 29 percent of the new entrants into the labor force between now and the year 2000.

Scoliosis Screening Offered Children at Chelsea Hospital

In honor of National Physical Therapy Month and Spinal Health Month, Chelsea Back Care Clinic at Chelsea Community Hospital will offer free "scoliosis screening" for middle school children during October.

Scoliosis is a curvature of the spine and can result in deformity of the spinal column. Early detecting and close monitoring by a physician can often prevent the progression of the condition. The best time to recognize scoliosis is in the early years of growth, ages 11-14, which is middle school age.

If you are interested in receiving a free scoliosis screening for your child, please call 475-4884 to register. Screenings will be done Monday through Friday between 3:30 and 4:30 p.m.

The Center for Produce Quality says that consumption of fruits and vegetables is up, and so is consumer confidence in produce safety. 88 percent of the adults surveyed in a recent poll said they were confident in the safety of fresh fruits and vegetables. That number is up from 82 percent recorded in 1991.

CHELSEA COUPLE TO ADDRESS the Ft. Wayne Life Underwriter's Association. Janet and Chuck Gleason of Chelsea are to address the Ft. Wayne Life Underwriter's Association at a breakfast meeting on Oct. 15 in Ft. Wayne, Ind. The title of their talk is: "When the Kids Leave Home." The content relates to how Mr. and Mrs. Gleason operate their life insurance practice six months from their North Lake home and six months from their home on Sanibel Island in Florida. The speech addresses "Why can't all of this modern technology improve the quality of our lives as well as our bottom line profits?" Their unusual mode of operation has been written up in the Wall Street Journal and Round the Table, a magazine published by the Million Dollar Round Table. The Million Dollar Round Table represents the top 5% of the life insurance agents around the world.

ENGAGED: Robert B. Kuhl of Grass Lake and Pansy Allen of Stockbridge have announced the engagement of their daughter, Tina Marie Kuhl, to Timothy James Pennington, son of Harold and Margaret Pennington of Chelsea. The future bride is a 1987 graduate of Chelsea High school attending Washtenaw Community College part-time and currently employed at Pilot Industries, Inc., in Dexter. The future bridegroom is a 1982 graduate of Chelsea High school, attended Ferris State University and is currently employed at Braun & Brumfield in Ann Arbor. A Jan. 30, 1993 wedding is planned.

MacArthur, Knott Vows Spoken in Congregational Church

Susan Mary MacArthur of Lansing and James Evan Knott of Chelsea were married Aug. 8 at the First Congregational Church of Chelsea.

The Rev. J. Keith Roberson performed the ceremony which included the five children of the bride and groom, and focused on blending the separate families into one unit.

Organist Kathryn West greeted the guests with selections chosen by the couple, including "MacArthur Park," "Chelsea Morning," "Still Crazy After All These Years," and "Amazing Grace."

The bride is the daughter of Lt. Col.

(Ret.) and Mrs. Arthur MacArthur of Jacksonville, Fla. She was attended by her daughters, Laura C. Kenney of Ypsilanti, and Katherine M. Kenney of Lansing.

The bridegroom, son of Doris M. Knott and the late Evan M. Knott, was attended by his children, Erin Elizabeth, Evan Thomas, and Adam Jacob, all of Chelsea.

A reception for 80 guests was held at the Chelsea Depot immediately following the ceremony. The couple took a honeymoon trip to Reno, Nev.

The bride graduated from Eastern Michigan University, Lansing Community College, and is currently attending Western Michigan University. She is employed as a clinic charge nurse with the Ingham County Health Department.

The bridegroom graduated from Chelsea High school and Eastern Michigan University, served with the U.S. Army in Vietnam and is employed by Chelsea Lumber Co.

Genealogical Society Will Meet Oct. 25

Genealogical Society of Washtenaw County will hold its regular monthly meeting Sunday, Oct. 25, at 1:30 p.m. at the Washtenaw Community College Liberal Arts and Science Building in Ann Arbor. The program will feature Stephen H. Goldstein on the subject of Jewish genealogy.

Goldstein, a resident of Ann Arbor, is a free-lance writer and reporter for several area newspapers.

Following the program, class instruction will be given by Carole Callard on using the 1920 federal census for genealogy. A short business meeting precedes the program.

Anyone interested in tracing family history is invited to attend. There is no charge for the meeting or instruction.

HANDICAP RAMP: Donald and Allen Cole are shown looking at the new handicap ramp recently installed at the Cole Funeral Chapel. According to Don Cole, while the ramp was installed in complete accordance with the new Americans With Disabilities Act, they had already planned to build a ramp for the convenience of their families and guests. Now families and friends with disabilities can enter with ease at the main entrance. The structure was also designed to add to the over-all beauty of the funeral home. They have also installed handicap parking spaces on the east side of the building near the new ramp.

Letters to the Editor

Dear Editor:
For many years most property owners and township officials have been working to secure public school financing reform and property tax reduction.

In the past, public schools have been primarily financed by the property tax. As everyone knows property taxes, calculated by millage rate X assessment, have increased most years beyond the rates of inflation, thus creating an unfair tax burden for property owners.

These past increases have been caused by the Michigan State Law that requires all property be assessed at 50% of true cash value.

The determination of true cash value is the area of property tax administration where many differences of opinion can and do occur. For every argument in favor of an opinion there seems to be an equally good opposite. Constitutional Amendment, Proposal C will eliminate these differences.

Proposal C is the first step in property tax and school financing reform. It certainly is not the complete answer but it is a step in the right direction without harm to schools or taxpayers in other forms. Proposal C will serve as a catalyst for further reform.

I urge everyone to vote yes on Proposal C, and since, Proposal C conflicts with Proposal A, I urge a no vote on A.

DONALD A. COLE, Director

"A friend is a present you give yourself . . ."
—Robert Louis Stevenson

The beauty of gaining a friend . . . a self-given present . . . is that there is no problem of size, color, style or fit, and there is in many cases, a lifetime guarantee. Seriously, the business of making and holding friends should be one of our most important activities. There should be little difficulty in cultivating rewarding friendships, because we can make our own choice of people with whom we wish to be friends. The importance and value of friends becomes most apparent when a situation points up the fact that we have too few.

Our experienced counselors give helpful and sympathetic assistance, and always in the spirit of sincere friendship. No family has ever been turned away for lack of funds.

School Board Notes

Present at a regular meeting of the Chelsea Board of Education Monday, Oct. 5, were Comeau, Satterthwaite, Diesing, McCalla, Redding, Eisenbeiser, Knutson, superintendent Plasecki, assistant superintendent Mills, principals Mead, Stielstra, Wescott, Stieber, assistant principal Rossi, curriculum director Bissell, special education director DeYoung, athletic director Welton, community education director Rohrer, guests. Meeting called to order at 7:35 p.m. by President Anne Comeau.

The board approved the minutes of the regular meeting and the executive session of Sept. 21, and the minutes of the special meeting and the executive session of Sept. 30.

Principal Stielstra introduced the teachers and administrators who were involved in a recent workshop on the subject of the Coalition of Essential Skills and the Nine Common Principles connected with it. Principal Mead explained that, having received a Re: Learning grant, the middle and high schools are in the process of exploring and discussing the concepts behind the nine common principles. These principles address ways to restructure schools to make them more effective. Board members, teachers, administrators and members of the audience participated in small-group conversations about the principles in order to increase their understanding.

A community resident was present at the meeting to address her concerns regarding band policies with respect to attendance and grades. The board will review present practices and policies and discuss this subject at a future meeting.

In action items, the board:
• accepted the donation of recording/tape/disc equipment for the high school and the middle school from the Chelsea Music Boosters, value of which is \$3,100
• accepted the low bid of A. S. Smith and Sons for installation of replacement lighting of the Charles S. Cameron Pool.

The board convened in executive session at 10:32 p.m., reconvened in public session at 10:52 p.m., and adjourned the meeting at 10:53 p.m.

CHELSEA RESCUE WORKERS were given a demonstration of the Jaws of Life during the Chelsea Fire Department's Open House last Sunday afternoon. The equipment is used to cut doors off in order to reach crash victims who are pinned in their vehicles.

A ONE HOLE MINIATURE GOLF COURSE, featuring Fire Dog, was a new feature at the Chelsea Fire Department Open House. Materials were donated and department personnel put the game together. It proved to be a very popular attraction for youngsters last Sunday.

THE FIRE HAT gives young Blake Angelocci, age 3, a thrill at the annual Chelsea Fire Department Open House last Sunday. Blake, son of Brad and Roxanne Angelocci, was one of many children to turn out for the annual event despite cool weather.

Cub Scout Pack No. 455 Begins Their 27th Year

Cub Scout Pack No. 455 of Chelsea South Elementary school, begins its 27th year. This year's record enrollment is about 80 boys. All boys from the second grade to the fifth grade are welcome and encouraged to join.

Cub Scouting offers fun and excitement, through adult guidance and leadership. Cub Scouts learn to become respected members of society, with emphasis on family, school, community and country. They learn to help others and gain pride and self-esteem.

Scouting involves hiking, fishing, camping, sports, model racing, and many other fun-filled events. They are taught safety at home, school, and in the wild.

Cub Scouts meet once a week in

dens, to do crafts, achievements, one-on-one hands-on training in sports, creative construction, and wildlife preservation. Parental, community and group participation are stressed for maximum child development.

All the dens meet once a month in a pack at South school to meet in fellowship. Cub Scouts receive awards and badges as acknowledgments of their deeds.

All boys interested in joining are welcomed. Adult volunteers are encouraged to join in the fun and activities, to guide the future young adults of our proud community.

For further information please contact Mary Schrottenboer, at 475-8870, or Jerry Milliken at 475-9437.

Child Care Futures Training Open to Washtenaw Residents

Through grants from the Child Care Development Block Grant, the Skillman Foundation, and the State 4C Association, Child Care Co-ordinating and Referral Service (CCCRS) is able to offer the Michigan Child Care Futures course to area child care providers. This free training is available to Washtenaw area providers who work in licensed homes or centers.

Classes will be held in Dexter on Tuesday and Thursday evenings from 7 to 9:30 p.m. from Oct. 13 to 29 at Dexter High school. The course is free, but enrollment is by application only since there are a limited number of spaces.

The Michigan Child Care Futures Project is being offered at a number of locations around the state to assist new and established child care providers to provide high quality child care. Training includes classes on child development, including information about age appropriate activities, discipline, and meeting special needs.

The course will address safety, health, and nutrition as well as professionalism, including parent/provider relationships and the business aspects of child care.

Presenters are community experts on these topics.

Trainees receive a free notebook with units for each topic, and other helpful resource materials.

Certificates will be awarded to all

who complete at least 16 hours of class.

For more information, or a class enrollment application form, call Flora Burke, 971-5480, or send your request to Flora Burke, C.C.C.R.S., 2454 E. Stadium, Ann Arbor 48104.

DNR Hit for Failure To Halt Hunter Harassing

The Department of Natural Resources chose to ignore the law this week-end rather than arrest 30 animal rights activists who halted hunting at the Pinckney State Recreation Area. Unbelievably, conservation officers at the recreation area did nothing to halt the harassment, despite a 1990 law prohibiting hunter harassment. The law carries a penalty of 90 days in jail and a \$500 fine. Thirty activists, led by leaders from New York and Maryland, chased hunters for hours to prevent them from setting up to await deer. A statement issued just last week from acting Wildlife Division Chief George Burgoyne said the department would enforce the law. But in the end, the DNR did nothing. "The DNR has forgotten its mission," said Thomas L. Washington, executive director of the Michigan United Conservation Clubs. "Hunting is a legal activity and part of a rich tradition. But the law enforcement division has forsaken hunters and ignored the law. That's appalling and

enraging. There is no excuse for not arresting those law breakers." Conservation Officer Cherie Beckhorn refused to make any arrests, saying the activists didn't get in the way of any shots. "Hunters didn't have a chance to take a shot with people jabbering away. Those hunters were harassed, clear and simple," Washington said. "These stunts are reckless and dangerous," Washington said. "Hunters deserve credit for keeping their temper. They look forward to hunting season all year long. They prepare for it and spend a lot of money to equip themselves. It's a shame it's ruined by a bunch of East Coast zealots." Hunters are reminded to stay calm when confronted by anti-hunters. Just walk away and call the DNR, sheriff's department or state police. If possible, a photograph or video tape of the criminals involved will help. Ask them for their names. The harassment has arisen as hunting becomes more important to wildlife management. There are nearly two million deer in Michigan. Thousands of deer are hit by cars, thousands more starve to death every winter and they cause millions of dollars worth of crop and tree damage. Hunting helps contain the herd, prevents deer starvation and staves off crop and property damage. MUCC, with more than 100,000 members, is the nation's largest state-wide conservation club. It has worked to protect Michigan's natural resources and protect hunting and fishing rights since 1937.

Hawaiian Mystery Series Author To Speak at McKune

Mark Brown, a mystery writer who uses the Hawaiian Islands as the setting for his Ben McMillan detective series, will speak at McKune Memorial Library on Thursday, Oct. 15, at 7 p.m. An Ann Arbor businessman and former University of Michigan M-Club president, Brown weaves his fascination with the unique and exotic setting of the Islands and the customs, folklore and mythology of the Hawaiian people into his books. Brown's presentation is the second event in Grapevine, a new Library series being co-sponsored by Friends of McKune Memorial Library and Serendipity Paperback Book Exchange. The presentation is free and open to the public. For further information call McKune Memorial Library at 475-8732.

United Way Helps Fund Work Of Cystic Fibrosis Foundation

Editor's Note: As a continuation of the series on Chelsea United Way member agencies, the Cystic Fibrosis Foundation and its impact on the Chelsea community is featured.

Cystic fibrosis is the most common genetic killer in the United States today. It takes more lives than muscular dystrophy and juvenile diabetes combined. Twelve million Americans, one in every 20, carry the cystic fibrosis gene. Most people who have the CF gene don't know it and have no symptoms. Both parents must carry the gene to have a child with cystic fibrosis.

Each time two carriers conceive a child there is a 25 percent chance the child will inherit CF. Recent advances in genetic research allow us to identify carriers in the general population.

Cystic fibrosis primarily affects the lungs, pancreas and sweat glands. It causes the body to produce a thick sticky mucus which clogs the lungs. The mucus build-up also impedes digestion. CF is sometimes confused with other childhood conditions such as pneumonia, asthma or failure to

thrive. The symptoms of cystic fibrosis include persistent coughing and wheezing, recurrent pneumonia, excessive appetite but poor weight gain, salty skin and sweat which, foul smelling stools.

Keeping the lungs clear of mucus and preventing infection is a daily battle for people with CF. They are treated with postural drainage several times a day, as well as inhaling medication. CF patients also require antibiotics to help manage respiratory infections. The digestive problems are treated with pancreatic enzymes to help the body digest and absorb the nutrients in food.

Children and young adults with this disease require very special treatment. In 1955, few children with CF lived long enough to start school. Today, more than half are living into their mid-twenties and beyond.

The Washtenaw County Chapter of the Cystic Fibrosis Foundation is dedicated to finding a cure for CF through a comprehensive program of research, treatment and education.

There is a network of more than 125 CF centers across the country. One of these centers is located at the University of Michigan. The Foundation, with funding from the Chelsea United Way, offers testing and treatment for CF patients at this center.

The CF center offers both in-patient and out-patient services. It is in this highly specialized center that new knowledge about cystic fibrosis is translated into the best possible care for those with the disease.

Tremendous advances in diagnosis and treatment have dramatically improved the outlook for people with CF. Through research and treatment programs we will some day provide CF patients with the same length and quality of life that others take for granted. But, continued progress depends on financial support from the community. By supporting the Chelsea United Way, you can contribute to the fight against cystic fibrosis.

ACADEMIC LETTERS were presented Monday night at Chelsea High school to students who maintained at least a 3.7 grade point average for the previous year. First-year awards were presented to Brian Atlee, Brian Cook, Brian Dufek, Matt Fischer, Jessica Flintoft, Erin Garrigus, Courtney Gorton, Janette Griebel, Scott Hawley, Lisa Hughes, Lindsay Johnson, Erika Leiter, Laura Ritter, Corrie Schoenberg, Jennifer Schulz, Melissa Schulz, Colby Skelton, Melissa Smith, Erin

Snyder, Philip Steele, Angela Tanner, Mark Wallace, and Courtney Wireman. Second-year awards went to Kristine Adams, Amy Brown, Cory Brown, Mark Carlson, Chris Davis, Rebecca Flintoft, Steve Gaunt, Sarah Henry, Chris Leatham, Kristi Ostling, Maya Ponte, Scott Postiff, Chris Schiller, Erin Schiller, David Seitz, Renae Skelly, Doug Steele, Tobin Strong, and Melissa Thiel. Sara Tracy was given the only third-year award. Chelsea businessman Bob Daniels addressed the group.

Chelsea Area Players Elect Officers, Board

At the annual board meeting of the Chelsea Area Players the new board of directors and officers were elected for the upcoming 1992-1993 season. They are: Lynne Williams (president), Kathy Finger (secretary), Eleanor Strong (treasurer), Norma Graflund, Jennifer Bennett, Frank Dillon, Cindy Gaken, Maryann Guenther, Steven P. Hinz, T. Newell Kring, Roxanne Kring, Tom Lauer, Mary Lauer, Peg Moulliseaux, Mark Nelson, Don Paulsell, Connie Scott, Clara Smith, Shelley Wheaton and Ginny Wheaton.

Award plaques were presented during the meeting to the producers of the 1991-1992 shows: Shelley Wheaton and Cindy Gaken for "A Chorus Line" (November 1991), Jerri Cole and Kathy Finger for "While the Lights Were Out" (March 1992), Lynne Williams for Theatre Workshop (June 1992), Clara Smith and Don Paulsell for "The Pajama Game" (July 1992).

In addition the current board members were recognized and thanked for their individual contributions over the past year: Ben Williams, Jim and Connie Scott, Eleanor Strong, Jan Baltzell, Jerry Martell and Tom Peckham. The collective contributions of these individuals, members, staff and actors, paid off in a wonderfully successful season for CAP. Thanks are extended to each and every one who worked on the productions as well as sponsorship of a 1992 Fair Queen candidate and creation of the float for the parade in August.

The new theatre season is gearing up for Chelsea Area Players and the individual committees have started working on a membership drive, cleaning up of the storage barn and organizing properties and costumes, preparing the next membership newsletter and working on the 20th Anniversary Production scheduled for the 1993-1994 year and pre-production for Theatre Workshop and Gypsy scheduled for the summer of 1993.

If you would like to volunteer your time and services working with one of these committees or on one of the up-

coming productions, or if you have updated information on the whereabouts of past members as the group's 20th Anniversary Production nears, then they would like to hear from you: P.O. Box 575, Chelsea 48118.

The Players appreciate the patronage of the community, and the wonderful volunteer support Chelsea has provided them for the past 20 years and are looking forward to providing you with a wonderful retrospective of their performances over these active years in March.

Let's Go Bulldogs!

Bulldogs Nip 'Naughts, Can Clinch Tie for League Title on Friday

A failed two-point conversion on the last play of the third quarter proved to be the decisive play as the Chelsea Bulldogs escaped with a 14-13 victory over the Dexter Dreadnaughts in Dexter last Friday.

The Bulldogs stopped Dexter quarterback Patrick Davidson on an option to the left on the conversion try, a try made necessary by an injury to placekicker Mike Trinkle earlier in the game.

The Dreadnaughts had pulled to within 14-13 with no time remaining in the third quarter as a scrambling Davidson heaved the ball to near mid-field on fourth down, where it was tipped into hands of receiver Ryan Hill. Hill broke through the crowd and outran the Chelsea secondary down the left sideline and into the end zone for a 57-yard touchdown.

The Bulldogs also had to hold off a furious Dexter rally in the final seconds to preserve the win. Davidson hit end Andy Dettling at the Chelsea 34 with 42 left, but that's as far as the Dreadnaughts could go as the Chelsea defense forced four straight incompletions.

The victory gave Chelsea a 4-0 mark in the Southeastern Conference and a 6-0 record over-all, while Dexter dropped to 2-4 over-all and 1-3 in the SEC.

Chelsea can clinch at least a tie for the SEC title this week with a homecoming victory over the Tecumseh Indians. A win would give the Bulldogs a 5-0 record heading into their final league game with the Pinckney Pirates. The Pirates, at 3-1, are virtually assured of a victory this week as they take on the winless Lincoln Railsplitters in Lincoln.

At the outset, the Bulldogs looked as though they might continue the domination they had shown in the previous two weeks, in which they out-scored opponents 91-6.

After forcing Dexter to punt on the first drive of the game, Chelsea drove 53 yards, aided by a Dexter facemask penalty, for a touchdown. Quarterback Pat Steele hit tight end Gary White over the middle from 11 yards out. Tim Wescott booted the extra point.

The Dreadnaughts responded by driving 73 yards for a touchdown. Davidson completed the drive with a 15-yard scamper around the left side. Trinkle's extra point ricocheted off the left upright and through.

It didn't take long for the Dreadnaughts to get the ball back as defensive back Chad Wilson intercepted a Steele pass on Chelsea's first play and returned it to the Chelsea 40. Behind

the running of Anthony Fox and Ryan Balcom, the Dreadnaughts drove to the Chelsea six before turning the ball over on downs.

Dexter again drove deep into Chelsea territory late in the half, but Steele picked off a Davidson pass at the Chelsea 21. The teams went into intermission tied at 7.

The Bulldogs took the second half kick-off to their 34 and again moved the ball behind the running of Tom Poulter and an 18-yard pass to White. However, the Bulldogs eventually fumbled the ball away at the Dexter two.

However, Dexter was forced to punt from their nine. Colby Skelton fielded the kick and returned it to the Dexter 28, where a personal foul tacked on another 15 yards to the Dexter 13. From there, Poulter ran for the touchdown with 1:10 left in the quarter. Wescott's kick was good again.

Chelsea had one more good chance to score after Dexter's second touchdown but the penalty-plagued drive stalled at the Dexter 28.

The Dreadnaughts, cheered on by the Pinckney football team sitting in the visitor's stands, had more total yardage than the Bulldogs, 239-220.

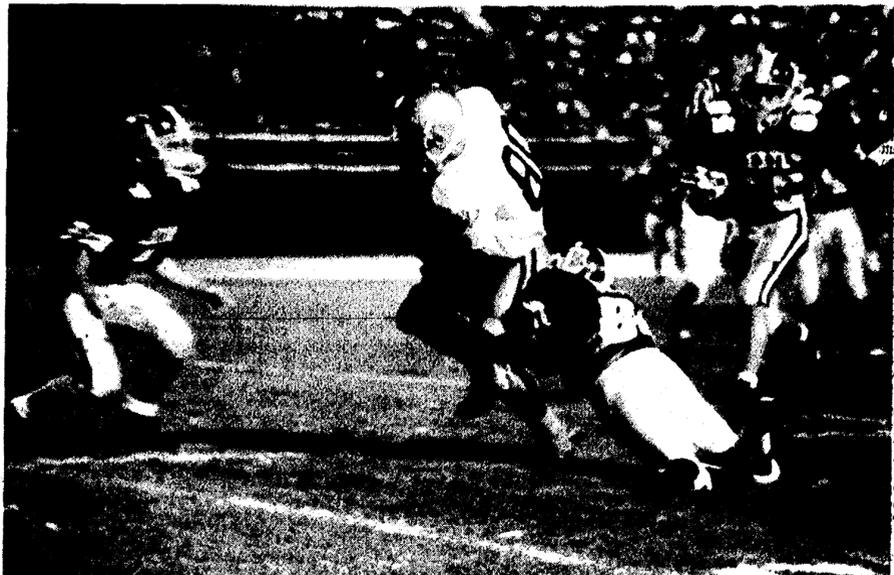

Each team had two turnovers, a season-high for Chelsea as well as a season-low differential. It was the first time all season a Chelsea opponent failed to turn the ball over at least four times.

Chelsea rushed for 141 yards, led by Poulter's 98 yards on 27 carries. Matt Montange added 22 yards on six carries.

Steele was 8-12 passing as he connected with Skelton six times for 51 yards and White twice for 28 yards.

Dexter rushed for 114 yards, led by Fox with 52 yards on 19 carries. Davidson was 5-10 passing for 125 yards. Hill caught two passes for 62 yards.

This Friday Tecumseh should prove to be another good contest for the Bulldogs, even though the Indians were virtually, although not mathematically, eliminated from the SEC championship last Friday with a 14-7 loss to Milan.

TIGHT END GARY WHITE takes a pass from Chelsea quarterback Pat Steele and bulls his way into the end zone for Chelsea's first touchdown of the night. The Bulldogs went on to win the game, 14-13, and stay unbeaten in the Southeastern Conference. Dexter fell to 1-3 in the league.

Girl Runners Continue To Race Past All Foes

Chelsea girls cross country team maintained its perfect record last week with victories at the Mason Invitational on Thursday and the Ypsilanti Invitational on Saturday.

At Mason, Chelsea scored 22 points, well ahead of second-place Perry with 50. There were nine teams.

"This was an excellent meet for the girls," said Chelsea coach Pat Clarke. "We are making strides and improving daily."

Senior Lisa Monti won the race by nearly two minutes with a time of 18:39. Senior Val Bullock finished second for Chelsea and third over-all with a season-best time of 20:17.

Other Chelsea times and places were 4. Beth Bell, 20:30; 5. Molly Griebel, 20:34; 9. Sarah Brosnan, 21:01; 14. Melissa Hand, 21:32; 19. Beth Williams, 21:54. Brosnan and Hand had personal-best times.

Chelsea also swept the top five places in the junior varsity portion of the meet. Bulldogs places and times were 1. Robin Phelps, 21:10; 2. Sarah Henry, 21:36; 3. Jessica Holton, 22:07; 4. Katie Spink, 22:10; 5. Tracey Wales, 22:15; 7. Jill McKinnon, 22:34; 10. Kim Smith, 22:57; 12. Melissa Williams, 23:02; 14. Andrea Ludwig, 23:18; 17. Erika Leiter, 23:44.

The Bulldogs dominated the Ypsilanti Invitational as Chelsea runners took four of the top five places and five of the top 10. Chelsea scored 21 points, well ahead of second-place Dearborn Edsel Ford with 51.

"Lisa was very strong again in winning by more than one minute," Clarke said.

Seniors Val Bullock and Sarah Brosnan also had very good races, and junior Beth Bell ran one of her best races. Sophomore Robin Phelps

ran a strong race and is rounding into last year's form. This was a good win. Dearborn Edsel Ford is the defending runners-up in class A and they have everybody back."

Monti won the race in 19:30, well ahead of teammates Bullock in second place at 20:36 and Bell in third place at 20:41. Other Chelsea places included: 5. Griebel, 21:05; 10. Phelps, 21:34; 11. Brosnan, 21:42; 14. Hand, 21:55.

In the junior varsity meet, Chelsea placed second among 18 teams with 40 points.

Chelsea times and places were: Holton, 21:33; 3. Henry, 21:54; 4. Spink, 22:09; 14. McKinnon, 23:08; 18. Beth Williams, 23:21; 21. Smith, 23:33; 24. Melissa Williams, 23:47; 36. Erika Leiter, 24:06; 37. Ludwig, 24:07; 71. Emily Anderson, 26:24.

Chelsea JV Gridders Lose To Dexter Dreadnaughts

Dexter Dreadnaughts shut out the Chelsea Bulldogs junior varsity football team last Thursday in Chelsea, 15-0.

Chelsea coach Bill Bainton said his team's depleted numbers hurt the Bulldogs' chances as "we couldn't make a couple of adjustments." The Bulldogs' best chance to score came on their opening drive as they took the ball from their 22 to the Dexter 24. However, a fumble ended the drive.

Dexter opened the scoring in the second half with a 63-yard touchdown run on the second play. On their first possession of the fourth quarter Dexter scored on a 10-yard run, then ran for the two-point conversion.

Bainton praised the play of safety Bryndon Skelton, linebacker Josh Inwood, and lineman Tom Barkman.

Tennis Team Takes Win Over Pinckney

Chelsea Bulldogs tennis team beat the Pinckney Pirates last Tuesday, 4-3.

"We were tied until the third doubles team of Christine McLaughlin and Christine Koch pulled out the match in the third set," said Chelsea coach Terri Curtis.

The teams were tied at 5-5 in the third set but the two Christines took the next two games.

In singles, Chelsea's Katie Neal played one of her best matches of the year. Curtis said, despite losing in three sets, Amy Towshack took a 6-2, 5-7, 6-2 victory for the Pirates.

Nicky Tenpas of Pinckney beat Erin Boyle, 6-0, 6-0; Aleen Stankiewicz of

Pinckney won at third singles over Heather Wynn, 6-1, 6-3; and Chelsea's Liz Holdsworth, new at fourth singles, defeated Shana Stock, 6-2, 6-1.

"Liz has been doing exceptionally well since being moved up from a junior varsity position," Curtis said.

In doubles play, Chelsea's Theresa Hurst and Monica Hansen won their match, 6-1, 7-6; and Becca Flintoft and Tracy Haas of Chelsea picked up the Bulldogs' third point of the day, 6-4, 6-2.

Chelsea is 6-5 with two matches to play. They play in their class B regional tournament at Monroe on Friday.

Chelsea JV Cagers Lose To Tecumseh and Dexter

Chelsea Bulldogs junior varsity basketball team suffered a 43-38 loss to the Tecumseh Indians last Thursday in Tecumseh.

Chelsea lost the game at the free throw line, where they were 0-11. The Bulldogs also allowed 17 points in the

first quarter and the Indians were 3-3 from three-point range.

Chelsea scorers were Ann Terpstra 22, Lori Ritter 8, Charlotte Ziegler 2, Chrissy Hodgson 2, Heidi Wehrwein 2, and Jessica Inwood 2.

On Tuesday, Chelsea lost to the Dexter Dreadnaughts, 41-35. Again, the game was decided at the line as Chelsea was 1-2 while the Dreadnaughts were 7-13.

Chelsea fell behind 15-6 after the first quarter but played better than even with the Dreadnaughts the rest of the way.

Only three Bulldogs scored: Terpstra 27, Ziegler 8, and Ritter 2. In a game the week before, Chelsea stopped the Lincoln Railsplitters, 38-12.

Chelsea led 17-0 after the first quarter and 30-3 at half-time.

Bulldogs scorers were Terpstra 15, Ziegler 8, Hodgson 4, Lisa Beard 2, Wehrwein 2, Ritter 2, Inwood 2, Laurie Schiller 2, and Nicky Lane 1.

Dog Golfers 9th in Region

Chelsea Bulldogs golfers placed ninth at the regional tournament at Burr Oak Golf Course in Parma last Friday.

Chelsea's team score was 362. Jackson Lumen Christi won the tournament with a score of 314. Dexter was second at 338.

Chelsea scores included Nate Oake 86, Sean Graflund 87, Adam Beauchamp 91, and Ryan Fisher 98.

Freshman Football

Team Drops Game To Tecumseh Indians

Chelsea Bulldogs freshman football team was defeated by the Tecumseh Indians last week, 28-6. Chelsea's only touchdown came in the fourth quarter as Jorge Rosario scored on a 20-yard sweep. Substitute quarterback Sam Morseau guided the team to the score after starter Scott Colvin was injured. Chelsea coach Lonnie Mitchell said Kent Young played well both offensively and defensively. The 28 points were the fewest allowed by the Bulldogs this season.

There are fewer cows on U.S. farms, but they're producing the same volume of milk as last year. Dairy farmers credit better management of their cow herds and careful attention to breeding cows that give more milk.

COURTNEY THOMPSON (30) goes high for a rebound for Chelsea along with Jessica Flintoft (hidden), while Martha Merkel waits for the tip. Chelsea almost pulled off an upset of the Tecumseh Indians last week.

Chelsea Cagers Give Indians Tough Game

For three quarters the visiting Chelsea Bulldogs varsity basketball team gave the Tecumseh Indians all they could handle. In the fourth quarter, however, Tecumseh's experience and a hot-shooting Erin Schick gave the Bulldogs their second Southeastern Conference loss, 56-52. Schick sank a pair of three pointers and scored 11 points in the final period to spur the Indians' rally from a 39-35 deficit at the end of the third period. The game was tied at 44 when the Indians ran off eight straight points to take charge. Chelsea held the lead throughout much of the contest due primarily to "great defense out front" by Ginny Flannery and Nicki Piasecki, said coach Charlie Waller. Erin Schiller grabbed 18 rebounds and "Courtney Thompson had a good game up front." Chelsea shot 32 percent and committed just 11 turnovers. Bulldogs' scorers included Flannery 13, Piasecki 13, Schiller 11, Thompson 9, Jessica Flintoft 2, Martha Merkel 2, and Laura Carty 2. Earlier in the week the Bulldogs fell to the Dexter Dreadnaughts at home, 48-20. "Our shooting was pathetic and offensively we just didn't keep pace," Waller said.

8th Grade Cagers Defeat Railsplitters

Beach Middle school eighth grade basketball team whipped the Lincoln Railsplitters last week, 33-4, to improve their record to 3-3. Chelsea led only 3-2 after the first quarter but took charge from there on.

Pup scorers included Carrie Ashendel 11, Julie Schwartzberger 5, Carrie Williams 4, Kasie Ruhlig 3, Melissa Carty 3, Sabrina Steinaway 3, Chrissy Hodgson 2, Summer Weller 1, and Michelle Lucas 1. Leading rebounders were Lucas 12, Ashendel 9, Hodgson 8, and Beth Vogel 3. Leading in steals were Lucas 7, Williams 6, Ruhlig 4, Carty 4, Hodgson 4, Devlon Genyk 3, Ashendel 3, Hilarie Szczygiel 3, Vogel 2, and Kim Niehaus 2.

7th Grade Cagers Win Two Games

Beach Middle school seventh grade basketball team won two games and lost one in recent action. The Bullpups defeated Milan 32-8 as every Chelsea player contributed. Scorers for Chelsea were Robyn Raymond 12, Angie Carpenter 8, Stephanie Lundquist 2, Rachel Spruce 2, Liz Alvarez 2, Meghan Ziegler 2, Sarah Pruess 2, and Rachelle Skelly 2. Leading rebounders were Jessica Ritter 6, Pruess 4, and Raymond 4. Leading in steals were Cindy Richard 9, Skelly 6, and Raymond 6. Tecumseh handed the Pups a 38-11 loss. Raymond, Ziegler, Carpenter, Rebekkah Burby, and Jennifer Saarinen each had a basket, and Leanne Parker added a free throw. Liz Alvarez had four rebounds and she and Parker had three steals each. The Pups had an equally impressive victory over Lincoln, 44-11.

Chelsea scorers were Raymond 10, Pruess 7, Ritter 4, Carpenter 4, Richard 4, Skelly 3, Saarinen 3, Emily Sterling 2, Bree Wirman 2, Stephanie Lundquist 2, Rachel Spruce 2, and Emily Arend 1. Richard and Ritter each had five rebounds. Leading stealers were Richard 8, Carpenter 6, Skelly 5, Pruess 5, Arend 5, and Lundquist 5.

SPORTS NOTES

BY BRIAN HAMILTON

I am sorry the Tecumseh varsity football team lost to Milan last week in the fall battle of politically incorrect nicknames.

The Big Reds tomahawked the Indians right out of the play-off picture, unless you happen to believe the Lincoln Railsplitters have a chance to pull off the biggest upset in Southeastern Conference history this Friday by ax-murdering the Pinckney Pirates. A Pinckney chopping and a Tecumseh ambush would give each of those teams two league losses, while Chelsea would have one headed into their final game at Pinckney.

The Tecumseh-Milan outcome is certainly good news for the Bulldogs and takes a little of the pressure off. Now Chelsea can circle the wagons this week if they have to and still win the SEC outright.

It also may strip a little warpaint off the Indians. Perhaps they will lose a little of their savage fervor for this Friday's homecoming game. If nothing else, it may mean there will be fewer Tecumseh Tans here to whoop it up.

I am sorry the Indians fell off their horses last week because it would have been more fun to see how both teams responded in a pressure-packed situation. Big confrontations for the entire shootin' match are always more fun.

Sorry, I couldn't help myself.

Dexter proved to be a lot tougher than most people around here thought they would be. I figured the game would be closer than those of the last two weeks, but not 14-13.

A couple of my observations last week sort of came true. For the most part Dexter held onto the ball, ground out the yardage, and took time off the clock, which in large part is what made the game so close.

Also, I thought the Bulldogs would have to play with intensity to win. Well, they weren't nearly as fired up as they needed to be and they were nearly upset. They doubled their usual number of turnovers, hurt themselves in key situations with penalties (although the Dreadnaughts did an even better job of that), and often looked a step slow.

For me, the big story of the game was the extra-point kicking of Chelsea's Tim Wescott. Wescott was a perfect 2-2, his usual fine performance. After his second kick, the Bulldogs led 14-7, which didn't seem like such a big deal until Dexter failed to convert after their second touchdown.

Wescott's foot has played such a subtle, yet important role this season. The Bulldogs haven't had to try a single two-point conversion all season. That's partly because they haven't been behind all season. But there have been some years when the Bulldogs have had no place-kicking game whatsoever and have been forced to go for two points every time. As we saw Friday, Wescott's nearly automatic extra points put a lot of pressure on the opposition to convert.

Wescott has also turned into an outstanding punter, which really wasn't evident Friday because Chelsea only punted one time. However, his kicks, usually high and to the sidelines, are rarely returned for any significant yardage. Add that to his ability to kick field goals and long kick-offs and you have a pretty formidable weapon and Chelsea's best over-all kicking game in years. Not as glitzy as a fancy passing attack but just as important.

The kicking game could turn out to be Chelsea's greatest advantage during the last two crucial SEC football games. I also like the fact that Wescott is a wrestler. He is used to relying on his own abilities to get the job done. True, without blocking, accurate snaps, good holds, and quick coverage the Bulldogs might not have a kicking game no matter how good Wescott is. But no one else kicks the ball.

Both of Pat Clarke's Chelsea cross country teams continue to roll on.

Barring injury or illness, the girls should have no problem reaching the state meet. And once they get there, the Bulldogs have a chance to run away with the title. Quite literally, it could be a blowout.

Nevertheless, there are so many factors in a big meet like that. Pressure, as well as the weather, can do strange things. Some girls may cut a minute off their best times. Others may tighten up. Chelsea should have an advantage in that most of the girls have been there before. In fact, most have been there several times so they know what it's all about.

It would be nice if they could be pushed just once before the post-season. However, it doesn't look as though it will happen.

The boys may turn into the surprise team of the year. Given the way they are performing, they could well end up at the state meet. And if they get there, anything could happen. I don't think many people picked the Chelsea girls to win the state title three years ago, so who knows.

The odds against a double state title are so high. But what other school can even imagine such a possibility?

Chelsea Boys Beat Field At Big Mason Invitational

Chelsea Bulldogs boys cross country team continues to prove it is one of the best teams in the state as it easily won the Mason Invitational last Thursday in a field of nine teams.

Chelsea sophomore Ryan Schultz won the race easily at 18:22, for his fourth invitational victory of the season.

"The Chelsea boys team is here to stay," said Chelsea coach Pat Clarke.

"It was a very impressive performance at the Mason Invitational. The team is molding together into a group that will be heard from."

Other Chelsea places and times were 4. Cory Brown, 17:02; 5. Chad Brown, 17:08; 6. Dan Zatkovich, 17:14; 11. Scott Hawley, 17:33; 21. Tobin Strong, 17:55; 24. Chris Leatham, 18:20.

Chelsea runners also dominated the junior varsity portion of their 19-team meet as five runners finished among the top 10.

Chelsea times and places were 2. Brian Atlee, 18:38; 5. Nick Kramer, 18:56; 6. Jim Bergman, 19:00; 7. Kevin Kolodica, 19:03; 10. Josh Metzler, 19:14; 16. Kevin Coy, 19:33; 17. Jason Valchine, 19:35; 27. Peter Straub, 20:06; 28. Zac Eresten, 20:07; 29. Chris Schiller, 20:10; 67. Scott Wingle, 21:08; 72. Eric LeFurge, 21:22; 73. Steve Gaunt, 21:27; 81. Karsten Lipiec, 21:49; 94. Mike Peterson, 24:30.

Chelsea won the 12-team Ypsilanti Invitational on Saturday with 39 points, well ahead of second-place Pinckney at 80.

"This is the first time the boys have ever won the Ypsilanti Invitational," Clarke said.

"Ryan Schultz ran a very strong race, taking the lead about 3/4 miles out and leading from there on. Cory Brown ran a very good race to finish fourth. Chad Brown and Dan Zatkovich also ran strong races to finish in the top 10. It should be noted that we were the smallest school in the Ypsilanti Invitational. Most of the schools were class A."

Schultz won the race in 16:37. Other Chelsea places and times were 4. Cory Brown, 17:07; 9. Zatkovich, 17:29; 10. Chad Brown, 17:29; 15. Hawley, 17:58; 23. Strong, 18:18; 30. Leatham, 18:26.

Chelsea's junior varsity placed fifth among 18 teams in their race.

Chelsea places and times were: 26. Metzler, 19:03; 27. Hanke, 19:08; 32. Kramer, 19:16; 38. Kolodica, 19:26; 41. Bergman, 19:33; 58. Coy, 19:56; 70. Steve Straub, 20:19; 82. Valchine, 20:27; 99. Schiller, 20:50; 108. LeFurge, 21:15; 112. Wingle, 21:17; 125. Eresten, 21:41; 139. Gaunt, 22:23; 139. Lipiec, 22:36; 156. Peterson, 24:20.

Equestrian Team Does Well in Milan

Chelsea Equestrian team competed in its second interscholastic meet on Oct. 10 in Milan. The team did well again, and is looking forward to the State Championships later this month.

Chelsea Swimmers Have Tough Time Against State-Ranked Milan

Chelsea Bulldogs varsity swimming and diving team took a pounding from state-ranked Milan last Thursday at the Cameron pool, 124-62.

"Swimming is a very predictable sport," said Chelsea coach Dave Brinklow.

"We knew what we were up against before we even started. There are probably only two or three class B teams in the state who could beat Milan."

Brinklow noted a few outstanding Chelsea performances.

"Melissa Thiel qualified for the state meet in her sixth event with her time of 1:06.41 in the butterfly," Brinklow said.

"Christie Lonskey added her name to the list of state qualifiers with her leg of the 200 freestyle relay, where she was joined by Thiel, Erin Baird, and Betsy Schmunk. And all three of our divers had best scores."

Other results follow.

Lonskey, Thiel, Kelly Bowers, and Carey Schiller were third in the 200 meter relay. Erica Street, Cooper Deerwester, Sandy Schmid, and Carrie Smith finished fourth while Erin Armstrong, Nona Giebel, Angie Wilson, and Amy Hinshaw were sixth.

Schmunk won the 200 freestyle, followed by Stephanie Wesolowski in fifth and Michelle Dymond in sixth.

In the 200 individual medley, Bowers was third, Schmid fifth, and Wilson sixth.

Schiller was second in the 50 freestyle, Baird fourth, and Carrie Smith sixth.

Lonskey was second in diving, Jennifer Schulz fifth, and Hilary Kress sixth.

Schmunk placed fourth in the 500 freestyle, Deerwester was fifth, and Wesolowski sixth.

The 200 freestyle relay team of Dymond, Carrie Smith, Wilson, and Wesolowski was third.

Schiller won the 100 backstroke, followed by Street in fourth and Armstrong in fifth.

Beach B Team Loses to Saline

Beach Middle school B football team lost to Saline last Tuesday, 21-2.

Beach coach Phil Bareis praised the play of Ben Bond, Tom Hewitt, Jacob Bell, Matt Adams, Jacob Bell, Matt Adams, Jacob Szczygiel, and Jason Lantis.

B team record is 1-1-1.

Photography Contest Open to All Amateurs

The Ann Arbor Department of Parks and Recreation is now accepting entries in the 1993 "Focus on Michigan" Photography Contest, sponsored by the Eastman Kodak Co. in co-operation with the Michigan Department of Natural Resources and the Michigan recreation and Park Association.

The "Focus on Michigan" Photography Contest is open to all amateur photographers. Photographers may enter three of their best photographs or slides depicting nature scenes, landscapes, visual or the performing arts, or people enjoying recreation in their favorite public park or recreation facility.

Photographers will compete in three age divisions: Youth Division, 17 years and under; Adult Division, 18 to 54 years old; and Senior Division, 55 years and older. The top three photographs from each division will be awarded ribbons and gift certificates compliments of Foto 1 Color Lab, Studio Center Photographic, and Ivory Photo. Winners of the local competition will be announced Dec. 16. All local winners will automatically enter the state-wide competition where Eastman Kodak will award a \$100 Grand Prize for the photograph judged "Best In Show." State-wide winners will be announced Feb. 19, 1993.

The entry deadline for the local contest is Dec. 1. For more information on the local competition please contact Irene Bushaw at the Ann Arbor Department of Parks and Recreation, 994-2780.

Purple Rose Theatre Offers Acting Courses

Purple Rose Theatre Company will offer a variety of theatre courses beginning Saturday, Oct. 17. Acting courses will be taught by Janet Maylle and Terry Heck, with Alexander Technique movement courses taught by Jerry Schwiebert. All courses will be held at the Purple Rose Theatre Company's Garage Theatre, 137 Park St., Chelsea.

Several acting courses will be offered at different times to accommodate participant's schedules. Monday evening sessions and Tuesday evening sessions will be held from 7 to 9 p.m. with a Saturday afternoon course being held from 12 to 2 p.m. The Monday and Tuesday courses will be taught by Janet Maylle, an acting instructor with the University of Michigan Department of Theatre and Drama. The Saturday afternoon course will be taught by Terry Heck, an acting instructor with the Eastern Michigan University Communication and Theatre Arts Department.

The acting courses will cover a range of topics, including monologues, cold readings, prepared two-person scene work and content-less scene work. Each acting course will be limited to 20 students and will meet

for eight weekly sessions beginning Monday, Oct. 19 through Saturday, Dec. 12. A non-refundable fee of \$120 per acting course participant is required before Monday, Oct. 19.

Jerry Schwiebert, an assistant professor of theatre at the University of Michigan Department of Theatre and Drama, will be teaching two separate movement courses based on the Alexander Technique. The Alexander Technique is a practical method for improving ease and freedom of movement, balance, support, flexibility and co-ordination. These movement courses will each be limited to eight participants and will be offered on Saturdays from 10 to 11:30 a.m. and 12 to 1:30 p.m. Each movement course will include six sessions beginning Saturday, Oct. 17 through Dec. 19. A non-refundable fee of \$120 per Alexander Technique participant is required before Saturday, Oct. 17.

Due to the limited enrollment of these courses, participants must register in advance by calling the Purple Rose Theatre Company Administration Office at (313) 475-5817. Regular office hours are Tuesday through Friday between the hours of 10 a.m. and 5 p.m.

ANOTHER CHELSEA BEAUTY QUEEN: Maria Teresa Johnson, 17-year-old daughter of Corinne and Floyd Miller of Chelsea, and granddaughter of the late James O. Johnson of Dexter, was crowned Miss Michigan K & B 1992 on Sept. 27 at the Northfield Hilton in Troy. She is a senior at Chelsea High school and is involved in wind ensemble, Washington Street Show Choir, and Chelsea Area Players. She has had 14 years of ballet instruction, plays the flute, and is a member of Our Savior Lutheran church. Maria won cash, luggage, and a compact disc player, among other merchandise. In attendance at the pageant were her mother and step-father, uncles Barry Johnson of Dexter and Michael Johnson of Ypsilanti and their families, sister Amanda Johnson, grandmother Kathie Johnson of Canton, and Phil and Sherry Jones and family of Chelsea. Maria will represent Michigan in several functions in the midwest. In April she will represent Chelsea in the Miss Michigan Teen USA Pageant.

U-M Offers Athletes Free Mouth Guards

The University of Michigan School of Dentistry will offer free, customized athletic mouth guards to elementary, junior high, high school and college students in Washtenaw county schools. Fittings will be 9 a.m.-noon Saturday, Oct. 17 at the Mouth Guard Clinic, second floor, School of Dentistry Building.

The fitting process takes about 10 minutes. The finished guards will be available about two hours after the fitting. No appointments are necessary. Students will be taken "first come, first served," while supplies last. The clinic will be able to make 200 mouth guards.

Ten U-M faculty members, 50 dental students and 10 local dentists will make the protective mouth guards that are required for most student athletes.

"The customized mouth guards are considerably more comfortable than those bought in stores," said William C. Godwin, U-M Professor of Endodontics and specialist in sports dentistry. "When we surveyed the men's and women's lacrosse teams at Ann Arbor Pioneer High school last spring, 34 of 38 players preferred the customized mouth guards made during last spring's clinic to those available in stores."

The clinic is funded by a \$4,000

grant from Samuel Harris, a U-M dental graduate who practices in Detroit. Healthco-Dental Supply is providing the impression material.

Capt. Fredric Aten Receives Navy Commendation Medal

Marine Capt. Fredric M. Aten, son of Wendell R. and Jeannie G. Aten of 718 S. Main, Chelsea, recently received the Navy Commendation Medal.

Aten was cited for meritorious service while serving with Marine Heavy Helicopter Squadron, 2nd Marine Aircraft Wing, Marine Corps Air Station, New River, Jacksonville, N.C., where he is currently assigned.

The award, presented during formal ceremonies, is official recognition for meritorious accomplishments, achievements and performance of duty.

The 1984 graduate of Michigan Technological University, Houghton, with a Bachelor of Science degree, joined the Marine Corps in February 1985. He is a 1979 graduate of Dexter High school.

Congress Urged To Stay With Market-Oriented Farm Bill

Farm Bureau urged a House Agriculture subcommittee not to move away from the market-oriented goals of the 1990 farm bill, but instead to use other means to counteract falling farm product prices.

Al Almy, director of public affairs for Michigan Farm Bureau, said Farm Bureau cannot support legislation that moves away from the goals of competitive loan rates, voluntary stock reduction programs and income supplements to farmers as they move toward a market-based agriculture.

"Large crops and lower prices do not always mean lower net cash returns to farmers," Almy said. "A combination of higher output and greater deficiency payments often brings greater returns on program crops than in years of higher priced, low production."

Almy suggested alternatives to bolster farm income during the current cycle of low prices, including early program sign-up and maximum advance deficiency payments to farmers; increased funding for export credit programs for wheat, feed grains and soybeans; government purchases of corn on the open market for donation to needy nations; and inclusion of ethanol as an integral part of the reformulated fuel program for Clean Air Act enforcement.

 Frances Pitts
 Judge of Probate

THIS UNUSUAL POTATO, shaped a little like a small animal, actually came out of the garden of Duane and Elsie Weiss of Chelsea. The vine came up from last year's crop. Elsie dug around it, pulled the vine out, and the whole thing came out in one piece. Would have made a great entry for the Chelsea Community Fair agricultural exhibit.

Ethanol Decisions Seen As Positive For Farm Economy

Farm Bureau expressed support for President Bush's decision to permit ethanol in the reformulated gasoline program, saying it represents "a very positive action." Bob Boehm, commodity specialist for Michigan Farm Bureau, said it provides ethanol the means to comply with the Clean Air Act emissions standards.

"President Bush's announcement guarantees that ethanol will play an important part in meeting the future clean air needs of America. Farmers will now be better able to provide an increasing share of our energy needs through renewable resources. One biggest fear was that ethanol would be left waiting at the station when the clean air train pulled out—that's not going to happen as a result of this action," said Boehm.

According to terms of the new proposal, clean air programs in 39 metropolitan areas which experience wintertime carbon monoxide problems will be required to use fuels with a 2.7-percent oxygen level, a standard easily met by ethanol. In addressing summer clean-air programs, the ruling provides a one-pound volatility waiver for 30 percent of the gasoline sold in five northern cities and a 20-percent voluntary waiver in southern cities. According to Boehm, if these actions are properly implemented, they will provide significant markets for ethanol products.

"Ethanol has proven its effectiveness in reducing exhaust emissions," Boehm said. "Scientists know ethanol is good for the environment, and America's farmers have known for years that ethanol is good for the economy."

Sheriff's Deputies Report Several Stolen Vehicles

Washtenaw County Sheriff's deputies investigated a number of incidents between Sept. 26 and Oct. 7.

On Sept. 26, a 40-year-old Chelsea woman was arrested in Dexter for driving with a suspended driver's license. She was transported to Washtenaw county jail.

On Sept. 27, a malicious destruction of property and a felonious assault with a gun occurred in the 11000 block of North Territorial Rd., Dexter. An employee of the business, a 32-year-old Dexter woman, had her car windshield and passenger window smashed out by an angry ex-boyfriend. The 37-year-old Belleville man used a tire iron to damage her car and when a witness approached him, he pulled out a handgun and said "don't come any closer or I'll kill you," according to a deputy's report.

On Sept. 28, a larceny was reported in the 300 block of Wagner Rd., Scio township. An employee of the business reported 24 bags of unsecured empty beer bottles and pop cans were stolen, totalling \$1,056. The next day another \$1,000 worth of Faygo pop cans were stolen from the same business. This time the area was secured and the fence was cut.

On Sept. 30, a breaking and entering was reported in Scio Farms Estates. The owner of the mobile home discovered a bathroom window opened and three knives and walkman cassette player missing. The victim also thinks the thief watched television while he was in the residence because the channel was changed from what it was on before.

On Oct. 1, larceny of gasoline occurred on Mast Rd. near Strawberry Lake Rd., Dexter. The victim reported 10 gallons of gasoline were taken from his airplane, totalling \$20. The victim checked his plane and found the fuel cap off, which initiated the investigation.

Also, an unlawful driving away of an automobile was reported by Varsity Ford on Jackson Ave., Scio township. A 1992 Ford Ranger 4x4 was taken, valued at \$17,742. It is unknown how the vehicle was stolen because both sets of keys were still at the dealership.

Robert C. Dunn, a 36-year-old Rockbridge man, was arrested on a bench warrant for failing to appear in court on a misdemeanor charge. He was arrested in the 8100 block of Main St., Dexter.

Lost property was reported to deputies by a Lansing man. At the time, the man was on Broad St. near Fourth when he placed his briefcase on the ground. He was unsure of forgetting about the briefcase which contained business cards.

A malicious destruction of property was reported in the 7800 block of Sec-

ond St. The landlord reported an evicted tenant damaged the apartment, causing \$1,963 in damages. The report made by a sheriff's deputy was for documentation and the case must be handled as a civil case. The 28-year-old ex-tenant will be sued for damage to the door frame, living room ceiling, blinds, light fixtures, walls, screens, carpet, etc.

An operating a motor vehicle under the influence of liquor occurred on Inverness St. near Ann Arbor Rd., Dexter. The driver, a 66-year-old Dexter man was observed by deputies driving a mini van without its lights on at 12:50 a.m. The man was given sobriety tests and arrested for drunk driving.

On Oct. 3, Matthew A. Lavey, 32, of Pinckney, was arrested on a warrant for carrying a concealed weapon in a motor vehicle, Sept. 24.

Also, a breaking and entering occurred in Scio Farms Estates. The 25-year-old mobile home owner reported someone came through her bathroom window, which was left cracked open. She reported a pinky ring missing.

A larceny of a bicycle occurred on Fletcher Rd. near Jackson Rd., Chelsea. The Schwinn 10-speed is valued at \$234. It was taken from a convenience store while the boy who was riding it was inside.

On Oct. 4, a malicious use of a telephone was investigated by deputies in the 400 block of Barber Rd., Scio township. A 45-year-old woman reported receiving two threatening phone calls on her answering machine. The woman is sure it is a former employee with a grudge. She has contacted Michigan Bell for a trace to be put on her phone.

A disorderly arrest was also made in the 300 block of Zeeb Rd., Scio township. A 22-year-old Ann Arbor man was arrested after deputies were dispatched to a fight at a gasoline station. The man appeared to be intoxicated and hostile, a sheriff's report stated.

A malicious destruction of property was reported. It occurred Oct. 2 on Third St., Dexter. A man took a baseball bat and struck the vehicle, damaging the left fender and side of the car. The 1979 Chevrolet incurred \$400 in damages. The owner is a 31-year-old Whitmore Lake woman and the suspect is a 28-year-old male from Dexter.

A malicious destruction of property occurred in the 9300 block of McGregor Rd., Dexter. A 33-year-old Pinckney woman reported \$200 in damages to a window.

A malicious destruction of property was reported in the 5400 block of Jackson Rd., Scio township. A 22-year-old Whitmore Lake man reported two scratches on the right rear panel of his vehicle.

On Oct. 5, an unlawful driving away of an automobile was reported in Scio Farms Estates. The truck, worth \$10,000 is owned by a 70-year-old resident. The case is open pending recovery of the vehicle.

Also, a breaking and entering was reported in the 7000 block of Jackson Ave., Scio township. A tool box and miscellaneous tools valued at \$5,811 was taken from a business. The front gate of the business was open and the lock which secured it was missing.

David J. Binkowski, 24, of Ann Arbor was arrested in the 600 block of Adrienne St., Scio township, on a warrant.

A disorderly person was arrested in the 200 block of Baker Rd., Dexter. A 50-year-old man attempted to enter someone's semi truck. When the owner caught him, he asked the cashier of the business to call the police. Before she could call, the disorderly man entered the building and yelled obscenities and challenged customers to fight. He was arrested as a disorderly drunk.

Also, a breaking and entering was reported in the 1800 block of S. Wagner Rd., Scio township. The main-

tenance supervisor of the building reported art projects were torn up and ice cream was eaten from the kitchen. A skate board was later found, leading deputies to suspect children as the culprits.

An unlawful driving away of a vehicle was reported in Scio Farms Estates. A black Ford truck valued at \$4,000 was taken.

On Oct. 6, a larceny in the 500 block of Delhi Rd., Scio township, was reported. A tea set valued at \$500 was discovered missing between Sept. 13-Oct. 4.

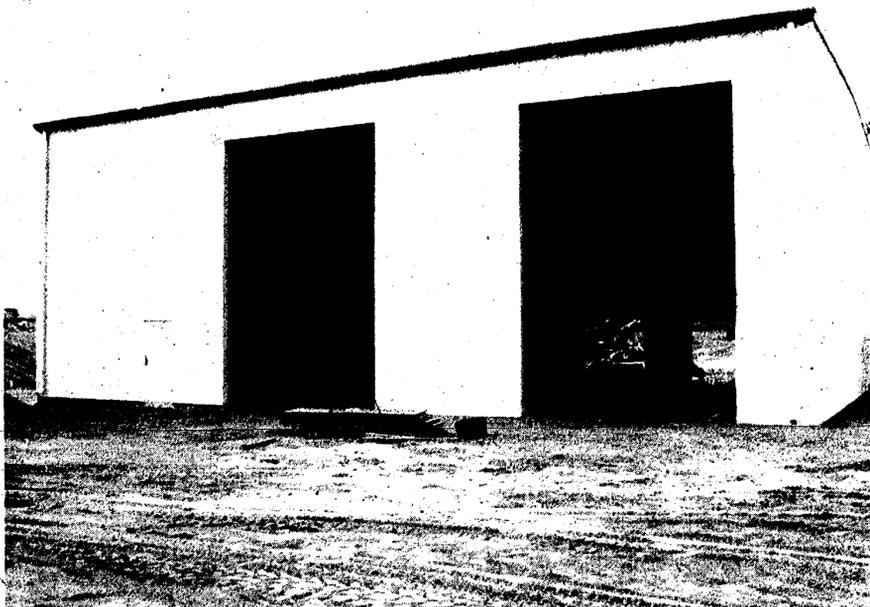

Also, an unlawful driving away of an automobile was reported in the 5500 block of Cambridge Ct., Scio township. Between 1 p.m. and 6 p.m., a 1988 Chevrolet 4x4 was taken. The owner said the vehicle was unlocked and a key was hidden inside. The vehicle contained miscellaneous hunting tools, cassette tapes and a doctor's bag.

Failure to return two rented motor vehicles was reported by Enterprise Rent-A-Car on Jackson Rd. A 38-year-old Inkster man and a 38-year-old Ypsilanti man rented a 1992 Chevrolet Beretta and a 1992 Grand Prix. Both have missed rental payments since mid-September. The men are suspected to be connected, both have been seen in Romulus.

On Oct. 7, an explosion of a mailbox was reported in the 600 block of Lauren Dr., Dexter. A neighbor reported a loud noise similar to a shot. The mailbox was blown apart from the inside out and fragments of what appeared to be foil and liquid were found on the sides of the mailbox. No suspects were seen. The case is closed due to a lack of suspect leads.

On Oct. 8, an accidental fire was reported in the 7500 block of Ann Arbor Rd., Dexter. Dexter Area Fire Department personnel were on the scene at 9:10 a.m., accompanied by deputies. Traffic was directed around the area while the incident, involving a burning pot roast, was under control. Property damage includes a frying pan and pot roast.

CONSTRUCTION of the Western Washtenaw Recycling Authority's new materials recovery facility is well underway at the Chelsea village landfill. However, there is still a substantial amount of concrete to be poured and the bailer has to be installed. The facility is designed to handle recycling for Chelsea and Manchester villages and Dexter, Lima, Sylvan, Lyndon, Manchester, and Bridgewater townships. The program is several weeks away from becoming operational.

Chelsea Village Council Proceedings

Regular Meeting. Tuesday, September 8, 1992

The meeting was called to order at 7:30 p.m. by President Steele. Present: President Steele, Clerk Morrison, Village Manager Myers, Assistant Village Manager Kuehn.

Trustees Present: Hammer, Dorer, Cashman, Kanten. Absent: Cashman (until 7:34 p.m.), Bentley, Merkel. Others Present: T. Osborne, D. Pruess, A. Farley, J. Williams, M. Ouimet, D. Rosentreter, D. Dalsom, G. Allen.

The first order of business was public participation and Mr. John Williams from Belser Estates was present to determine the status of the list of uncompleted items to be finished prior to the street dedication. Mr. Williams had also anticipated that some action was to take place during the Council meeting.

Village Manager Myers explained that since the last meeting Department of Public Works Superintendent Dave Bulson and Water Department Superintendent Dan Rosentreter had inspected Belser Estates. There are a couple of remaining issues. First, there is an electrical box in question. Second, the storm sewer at the Williams' property. It is the plan to have everything done with the exception of the lighting and the Village will hold a certified check and/or letter of credit until the lighting is installed. Dedication is set for September 22, 1992.

Mr. Williams also inquired regarding the asphalt removal, noting an

agreement that requires all debris from construction be removed each month. Village Manager Myers noted that he has also requested that the materials be removed. Mr. David Pruess, another Village resident asked if that agreement included the cement that was piled behind his home from a basement floor that had been torn up from a neighboring home. Village Manager Myers will look into this issue.

Motion by Hammer, supported by Dorer, to approve the Consent Agenda. All Ayes. Absent: Bentley, Merkel. Motion carried.

Paul Hanker, Fire Chief, distributed his monthly report for August 1992. Trustee Hammer noted that the Council Members had a memo in front of them to review regarding the Proposed Steps to Review the General Development Plan prepared by Mr. Schmutz, Planning Consultant.

LETTER OF AGREEMENT Village of Chelsea and Robert Thornton (Spear & Associates)

WHEREAS, the Village of Chelsea intends to retain the services of Robert Thornton (Spear & Associates) to market and sell lots in the Village of Chelsea Industrial Park; and

WHEREAS, the village of Chelsea and Robert Thornton (Spear & Associates), anticipate executing a listing contract for parcels 5, 8, 9, 17, 18, 19, 20, 21 and 22 in the Village of Chelsea Industrial Park which will run from September 1, 1992 through September 1, 1993; and

WHEREAS, the Village of Chelsea desires to reserve the right, at its sole and exclusive discretion, to develop any listing agreement at any time for its own use during the term of listing contract; and

WHEREAS, the listing with Robert Thornton (Spear & Associates) is for the sale of vacant land only; and

WHEREAS, either the Village of Chelsea or Robert Thornton (Spear & Associates) may withdraw from this agreement with a thirty day (30) written notice.

NOW, THEREFORE, BE IT RESOLVED, that the Village of Chelsea and Robert Thornton (Spear & Associates) do hereby acknowledge that the Village of Chelsea may, at its sole exclusive discretion, develop any lot in the Village of Chelsea during the term of the listing contract with Robert Thornton (Spear & Associates). Any provisions in the listing contract which would prohibit the development of such lots, or entitle Robert Thornton (Spear & Associates) to any commission for lots developed by the Village for its own use shall be rendered null and void by execution of this letter of agreement.

Motion by Hammer, supported by Kanten, to execute the above Letter of Agreement with Robert Thornton, effective September 8, 1992. All Ayes. Absent: Bentley, Merkel. Motion carried.

Jack Myers, Village Manager, presented the results of the Ann Arbor Transportation Authority (ATA) survey. He noted that the bus ridership is down, the Village's contract with ATA expires September 30, 1992, and the townships are not prepared to give financial support.

Mr. Doug Worthington, a regular rider of the bus, informed Council the survey was taken the middle of August while many of the riders were on vacation. President Steele noted that we have no contract at this time, however, he did encourage the ridership to notify their township representatives of their concern for the bus program.

Assistant Village Manager Kuehn reported on the results of the Gene Drive Assessment District Study. She reported it would cost approximately \$400,000 to establish Gene Drive as a public street. The cost could be reduced if the improvements were limited to paving and storm sewers.

Many residents were present to discuss their concerns with the Council. Midwestern Consulting, the firm hired to perform the study, was not available at this time during the meeting, therefore discussions were postponed until later in the meeting.

RESOLUTION RE: Major Street Fund Budget Amendment

BE IT RESOLVED, that at a regular meeting of the Village Council on June 23, 1992, a motion was approved to perform an additional 200-300 feet of street repairs on the Wilkinson Street Project; and

WHEREAS, the aforementioned motion also authorized the use of fund balance monies in the Major Street Fund to cover the additional expenses incurred; now

BE IT RESOLVED that it is necessary to amend the Major Street Fund Budget as follows:

Table with columns: Account No., Description, Adopted Budget, Amended Budget, Amended Budget. Row 1: 202-451-801, Const., \$75,000, \$70,000, \$145,000. Row 2: Prof/Cont, \$75,000, \$70,000, \$145,000.

Motion by Kanten, supported by Hammer, to adopt the above Resolution. All Ayes. Absent: Bentley, Merkel. Motion carried. Resolution adopted.

PROCLAMATION McKune Memorial Library Library Card Sign-Up Month

America's libraries: school, public, college, research and special libraries all play a unique and valuable role in ensuring our Right To Know about important information.

The United States National Commission on Libraries and Information Science and the American Library Association launched a national campaign to ensure that every child in the nation will have and use a library card.

This campaign continues in its fifth year to seek out and recruit children and adults to use one of this nation's most precious resources.

The Village Council of the Village of Chelsea proclaims September 1992 as a Library Card Sign-Up Month and encourage all residents to exercise their Right To Know at the library.

Motion by Kanten, supported by Cashman, to approve the above Proclamation. All Ayes. Absent: Bentley, Merkel. Motion carried.

Motion by Hammer, supported by Dorer, to appoint Deborah Kuehn, Assistant Village Manager, as Acting Zoning Inspector beginning September 8 through September 28, 1992 during Zoning Inspector Harrook's vacation. All Ayes. Absent: Bentley, Merkel. Motion carried.

Village Manager Myers explained that the Village has been asked by the Huron River Watershed Council to apply to participate in the wellhead protection program under development by the Watershed Council. The purpose of the program is to help communities identify potential contaminants of municipal wells and possible remedies. The Huron River Watershed Council has been given a grant to develop this program. There are no costs or matching fund required to participate in the program. The investment is one of time and commitment.

It was the general consensus to participate if chosen.

RESOLUTION To Provide For the Designation of September 18, 1992 As "POW-MIA Recognition Day"

WHEREAS, the United States has fought in many wars, the most recent of which was the Vietnamese conflict; and

WHEREAS, Friday, September 18th is a day of remembrance for those who suffered as prisoners of war or are still missing as a result of any conflict; and

WHEREAS, this year officials have focused on the Vietnamese conflict because the Indochinese governments have been less than fully co-operative in accounting for prisoners who did not return or providing information on the missing; and

WHEREAS, although co-operation has increased within the past two years, there are still 2,300 American servicemen and civilians including 72 from the State of Michigan missing and unaccounted for in Indochina, and the uncertainty surrounding their fates has caused their families to suffer great hardship; and

WHEREAS, the sacrifices of these brave Americans and their families are deserving of recognition; and

WHEREAS, the goal of our government, the National League of Families and Vietnam Veterans of America is to obtain as full an accounting as possible of Americans still prisoners, missing or unaccounted for in Indochina; and

WHEREAS, increasing public awareness and focusing public attention on this issue is one way to help achieve this goal;

NOW, THEREFORE BE IT RESOLVED by the Council of the Village of Chelsea, that Friday, September 18, 1992, shall be designated as "POW-MIA Recognition Day." We urge all of our citizens to take note of this important issue and remember those servicemen and civilians who were prisoners of war and those that are still missing and to commemorate the day with appropriate activities.

Motion by Kanten, supported by Hammer, to adopt the above Resolution. All Ayes. Absent: Bentley, Merkel. Motion carried. Resolution adopted.

Motion by Dorer, supported by Cashman, to appoint Connie Woodruff and David Shield as alternates to the Zoning Board of Appeals. All Ayes. Absent: Bentley, Merkel. Motion carried.

Mr. Lee Farner, representing Midwestern Consulting, was present at this time to discuss with the Gene Drive residents the study results. Several residents voiced their displeasure of paying Village taxes and not receiving Village services. After extensive discussion, President Steele informed the residents that they would be informed the next time this was on the agenda.

Motion by Kanten, supported by Hammer, to approve a 4% pay increase plus 2 vacation days per month for Mr. Jack Myers, Village Manager. Roll call vote. Yeas: Cashman, Hammer, Kanten, Steele, Dorer, Absent: Bentley, Merkel. Motion carried.

Motion by Hammer, supported by Kanten, to adjourn regular session. All Ayes. Motion carried. Meeting adjourned—Time: 8:38 p.m. Suzanne C. Morrison, Village Clerk. Unofficial Minutes

NOW, THEREFORE, BE IT RESOLVED, that the Village of Chelsea and Robert Thornton (Spear & Associates) do hereby acknowledge that the Village of Chelsea may, at its sole exclusive discretion, develop any lot in the Village of Chelsea during the term of the listing contract with Robert Thornton (Spear & Associates). Any provisions in the listing contract which would prohibit the development of such lots, or entitle Robert Thornton (Spear & Associates) to any commission for lots developed by the Village for its own use shall be rendered null and void by execution of this letter of agreement.

Motion by Hammer, supported by Kanten, to execute the above Letter of Agreement with Robert Thornton, effective September 8, 1992. All Ayes. Absent: Bentley, Merkel. Motion carried.

Jack Myers, Village Manager, presented the results of the Ann Arbor Transportation Authority (ATA) survey. He noted that the bus ridership is down, the Village's contract with ATA expires September 30, 1992, and the townships are not prepared to give financial support.

Mr. Doug Worthington, a regular rider of the bus, informed Council the survey was taken the middle of August while many of the riders were on vacation. President Steele noted that we have no contract at this time, however, he did encourage the ridership to notify their township representatives of their concern for the bus program.

Assistant Village Manager Kuehn reported on the results of the Gene Drive Assessment District Study. She reported it would cost approximately \$400,000 to establish Gene Drive as a public street. The cost could be reduced if the improvements were limited to paving and storm sewers.

Many residents were present to discuss their concerns with the Council. Midwestern Consulting, the firm hired to perform the study, was not available at this time during the meeting, therefore discussions were postponed until later in the meeting.

RESOLUTION RE: Major Street Fund Budget Amendment

BE IT RESOLVED, that at a regular meeting of the Village Council on June 23, 1992, a motion was approved to perform an additional 200-300 feet of street repairs on the Wilkinson Street Project; and

WHEREAS, the aforementioned motion also authorized the use of fund balance monies in the Major Street Fund to cover the additional expenses incurred; now

BE IT RESOLVED that it is necessary to amend the Major Street Fund Budget as follows:

Table with columns: Account No., Description, Adopted Budget, Amended Budget, Amended Budget. Row 1: 202-451-801, Const., \$75,000, \$70,000, \$145,000. Row 2: Prof/Cont, \$75,000, \$70,000, \$145,000.

Motion by Kanten, supported by Hammer, to adopt the above Resolution. All Ayes. Absent: Bentley, Merkel. Motion carried. Resolution adopted.

PROCLAMATION McKune Memorial Library Library Card Sign-Up Month

America's libraries: school, public, college, research and special libraries all play a unique and valuable role in ensuring our Right To Know about important information.

The United States National Commission on Libraries and Information Science and the American Library Association launched a national campaign to ensure that every child in the nation will have and use a library card.

This campaign continues in its fifth year to seek out and recruit children and adults to use one of this nation's most precious resources.

The Village Council of the Village of Chelsea proclaims September 1992 as a Library Card Sign-Up Month and encourage all residents to exercise their Right To Know at the library.

Motion by Kanten, supported by Cashman, to approve the above Proclamation. All Ayes. Absent: Bentley, Merkel. Motion carried.

Motion by Hammer, supported by Dorer, to appoint Deborah Kuehn, Assistant Village Manager, as Acting Zoning Inspector beginning September 8 through September 28, 1992 during Zoning Inspector Harrook's vacation. All Ayes. Absent: Bentley, Merkel. Motion carried.

Village Manager Myers explained that the Village has been asked by the Huron River Watershed Council to apply to participate in the wellhead protection program under development by the Watershed Council. The purpose of the program is to help communities identify potential contaminants of municipal wells and possible remedies. The Huron River Watershed Council has been given a grant to develop this program. There are no costs or matching fund required to participate in the program. The investment is one of time and commitment.

It was the general consensus to participate if chosen.

RESOLUTION To Provide For the Designation of September 18, 1992 As "POW-MIA Recognition Day"

WHEREAS, the United States has fought in many wars, the most recent of which was the Vietnamese conflict; and

WHEREAS, Friday, September 18th is a day of remembrance for those who suffered as prisoners of war or are still missing as a result of any conflict; and

WHEREAS, this year officials have focused on the Vietnamese conflict because the Indochinese governments have been less than fully co-operative in accounting for prisoners who did not return or providing information on the missing; and

WHEREAS, although co-operation has increased within the past two years, there are still 2,300 American servicemen and civilians including 72 from the State of Michigan missing and unaccounted for in Indochina, and the uncertainty surrounding their fates has caused their families to suffer great hardship; and

WHEREAS, the sacrifices of these brave Americans and their families are deserving of recognition; and

WHEREAS, the goal of our government, the National League of Families and Vietnam Veterans of America is to obtain as full an accounting as possible of Americans still prisoners, missing or unaccounted for in Indochina; and

WHEREAS, increasing public awareness and focusing public attention on this issue is one way to help achieve this goal;

NOW, THEREFORE BE IT RESOLVED by the Council of the Village of Chelsea, that Friday, September 18, 1992, shall be designated as "POW-MIA Recognition Day." We urge all of our citizens to take note of this important issue and remember those servicemen and civilians who were prisoners of war and those that are still missing and to commemorate the day with appropriate activities.

Motion by Kanten, supported by Hammer, to adopt the above Resolution. All Ayes. Absent: Bentley, Merkel. Motion carried. Resolution adopted.

Motion by Dorer, supported by Cashman, to appoint Connie Woodruff and David Shield as alternates to the Zoning Board of Appeals. All Ayes. Absent: Bentley, Merkel. Motion carried.

Mr. Lee Farner, representing Midwestern Consulting, was present at this time to discuss with the Gene Drive residents the study results. Several residents voiced their displeasure of paying Village taxes and not receiving Village services. After extensive discussion, President Steele informed the residents that they would be informed the next time this was on the agenda.

Motion by Kanten, supported by Hammer, to approve a 4% pay increase plus 2 vacation days per month for Mr. Jack Myers, Village Manager. Roll call vote. Yeas: Cashman, Hammer, Kanten, Steele, Dorer, Absent: Bentley, Merkel. Motion carried.

Motion by Hammer, supported by Kanten, to adjourn regular session. All Ayes. Motion carried. Meeting adjourned—Time: 8:38 p.m. Suzanne C. Morrison, Village Clerk. Unofficial Minutes

NOTICE OF PUBLIC HEARING

LIMA TOWNSHIP PLANNING COMMISSION

TUESDAY, OCTOBER 20, 1992 7:30 p.m.

LIMA TOWNSHIP HALL 11542 JACKSON RD.

A Public Hearing will be held to consider the following:

1) The application of Anthony M. & Elizabeth Sensoli for a Special Use Permit—Private Medical Practice in RS Zoning. The property is located at 13699 E. Old U.S. 12 and is part of the SE 1/4 Section 18, Lima Township, Parcel #07-18-400-013.

2) Three amendments to the Lima Township Ordinance, as follows:

a) Amend Article VIII—APPLICATION AND FEE #15,500, Section 8.04. Application for a special use permit shall be made by filing the application form; required information, and the required fee with the Township Clerk. The fee shall be set by resolution of the Lima Township Board, except that no fee shall be required for a special use application from an owner-occupier of a single-family residence, in Lima Township or of any governmental body or agency. No part of the fee shall be returnable to the applicant. The Clerk shall transmit a copy of the application and the submitted information to the Chairman of the Township Planning Commission within three (3) days of the filing date. The application shall be considered at a Planning Commission meeting at least two (2) weeks subsequent to the receipt of the application and information.

b) Amend Article VIII—SPECIAL USES, #15,520, Section 8.08. The Planning Commission shall approve, or approve with conditions, or deny a special use permit application. The Planning Commission's decision, the basis for the decision, and all conditions imposed, shall be described in a written statement, which shall be made a part of the record of the meeting.

c) NEW SECTION TO BE ADDED to Article VIII—#15,527, Section 8.09a. No application for a special use permit which has been denied wholly or in part by the Planning Commission shall be resubmitted for a period of three hundred sixty-five (365) days from the date of denial, except on grounds of new evidence or proof of changed conditions found by the Planning Commission to be valid.

Written comments may be sent to Gregory McKenzie, Lima Township Planning Commission, 1741 N. Dexter Rd., Dexter, MI 48130.

CHELSEA MUSIC BOOSTERS have pledged their efforts to raise funds for additional uniforms for band and orchestra members. With a 40% increase in enrollment, the need for additional uniforms is pressing. To help raise funds the Band Boosters are sponsoring a pizza sale before Friday night's football game. Some of the band and orchestra members, dressed in whatever is available, shown above, left to right, are Lenzy Kitchen, Michael Huscake, Melissa Smith and Amy Armstrong.

Music Boosters Plan Pizza Sale at Game

Because of increasing participation in the music program and because the present concert uniforms are in bad repair, the Chelsea Music Boosters have committed their organization's efforts to the purchase of new concert blouses and tuxedos.

The high school band and orchestra have noted a 40% increase in enrollment. That translates to a total of 153 band members and 84 orchestra members. At this time, there simply aren't enough uniforms of any kind to outfit the groups.

The Music Boosters will work hard at raising the funds needed so our students won't have to perform in concerts while looking raggedy and unkempt as in the above photo. People who would like to help support the uniform band drive or who just enjoy eating good food can look for the pizza sale at this Friday night's football game along with pop and coffee from 6:15 to 7:30 p.m. There should be plenty of hot pizza available or you may order ahead by calling Clara Smith.

On Saturday, Oct. 12, they will be selling cider and doughnuts inside the tent at the downtown celebration from 11 a.m. to 4 p.m., while members of the pep band and other ensembles entertain the crowds.

Any questions or anyone wishing to make a donation may contact Clara Smith at 475-8713.

Scouts To 'Rendezvous' at Camp Munhake This Week-End

More than 1,000 scouts will take part in the "500 Year Rendezvous Camporee" this week-end at Camp Munhake near North Lake. The camporee, which will include boys and girls from the U.S. and Canada, features camping and competition in scouting skills. The title of the event is officially "500 Year Rendezvous—The Link Between the Ages 1492-1992." Activities will mark

the span of years between Columbus' voyage to 20th century space flights. Programs and demonstrations will include fiber optics, amateur radio, astronomy, satellite photography, old steam engines, miniature model airplanes and helicopters, muzzle-loading weaponry, and orienteering. The program runs Friday through Sunday, although the bulk of activities take place on Saturday.

Local Florist Becomes New FTD Member

Main Street Flower Shop, Chelsea, has recently been accepted as a Member-Owner of Florists' Transworld Delivery (FTD) Association, the world's oldest and largest inter-city, flowers-by-wire delivery organization.

As a new FTD Member Florist, Main Street can now arrange for delivery of exclusive FTD branded holiday and everyday products, in addition to a wide variety of fresh flowers and plants almost anywhere in the world.

FTD is the only flowers by wire delivery organization that is owned and operated by its independent, professional retail florist members, serving customers in over 33,000 cities in the United States and Canada. FTD shops are also located in Mexico, Latin America, the Caribbean and the Far East.

Through Interflora, the FTD affiliated international delivery network, Main Street can provide floral deliveries to an additional 140 countries throughout the world.

The owner of Main Street Flower Shop located in the Sylvan Building at 114 N. Main is William C. Durant, former owner of Durant's Flowers, Inc., in Ypsilanti and Ann Arbor, and current owner of Dexter Flowers & Gifts in Dexter.

Durant just completed a three-year term on FTD's board of directors, serving as national treasurer in 1991-92.

Two long-time employees of the shops, Theda Lippert and Terri Thornton will be managing each store.

FTD florists have been providing quality flowers, service and delivery since 1910. Mr. Durant's father joined FTD with the first Durant's shop in 1929.

Local Residents Earn Advanced Degrees from EMU

Several local students from Chelsea, Dexter, Manchester and Grass Lake obtained advanced degrees from Eastern Michigan University over the summer.

Chelsea residents Tracy Cattell-Heydlauff, Ronald G. Hubbell, Amy E. Jeruzal, Margaret A. Roberts, Gail White and Jack Wickens received master's degrees.

Dexter area residents Laura L. Birchnieier, John B. Leidy and Amy J. Tolbert received master's degrees. Jo E. Dolecki received a certificate of advanced studies and Loralee R. Kilbreath received a master's of business administration.

Grass Lake resident Peter H. Micol received a master's degree.

Manchester residents Debra P. Boham, Anne M. Kuebler-Walkove and Janene L. Niedzwiecki received master's.

A RARE 1929 CADILLAC Closed Coupe was shown by Arnold Escher of Gregory at the Waterloo Farm Museum Pioneer Day Sunday. This model is considered rare now as not many were produced, it being an exclusive higher priced auto. It is powered by a 95 h.p. high compression

V-8 engine of 347 cu. in. displacement and its 5,000 lbs. weight is on a 144-inch wheelbase. In 1929 it sold for about \$5,000 and today is worth many times its original sales price.

A DRAG SAW operated by a series of gears and linkages and powered by a small gas engine was shown by Larry Middlebrook of Jackson at Pioneer Day. It was popular unit in the early 1900's.
