How to care for injuries was one part of the program that focused on fitness.

## Board of Education Removes Stephen Leith From District Payroll

Chelsea High school science teacher Stephen Leith, the accused murderer of superintendent Joe Piasecki, was taken off the district payroll Monday night when the school board granted him an unpaid leave of absence.

The move, spelled out in a four-page agreement hammered out by school district and union attorneys, is retroactive to Dec. 17, the day after Leith, 39, is accused of shooting Piasecki in the superintendent's office after a dispute over a grievance.

The agreement essentially gets the district off the hook for giving Leith a paycheck in exchange for postponing further action to fire him under the Michigan Teacher Tenure Act until after June 30 or until the end of the criminal proceedings, whichever comes first.

Leith, who was at the top of the pay scale as a 15-year teacher with a master's degree, was making \$50,353 this year.

Leith's employer-paid insurance package will continue until Feb. 28. After that he may continue to receive the insurance if he pays for it out of his own pocket. He may also be able to be covered as a dependent under his wife's insurance. Alice Leith teaches at the high school.

The leave extends until the criminal case against Leith is decided, whether in court or through a plea arrangement.

According to Washtenaw County Prosecutor Brian Mackie, a trial date will be set within 60 days of next Thursday's preliminary examination, unless Leith pleads insanity and he is referred for psychiatric evaluation. That could delay the process by two months or more.

It's possible Leith could draw a check again for a short time. If he is convicted, the unpaid leave will end, and he will be back on the payroll until the district can go through the process of having Leith's teaching certificate revoked for committing a felony.

Without the agreement, the district would be forced to pay Leith until the charges under the tenure act are decided.

Johnson would not comment on which side instigated the agreement.

The primary benefit for Leith appears to be that he will not have to endure a criminal proceedings and the process to fire him at the same time.

The agreement recognizes that the criminal proceedings are completely separate from any proceedings under tenure law. It also specifically spells

out that the agreement will not be used as a precedent for any agreements between the district and the teachers union.

Unpaid leaves are commonly given, for example, to teachers who are interested in independent study or want time off with newborn children. According to the teacher contract agreement, unpaid leaves may be requested at any time by a teacher with seven years or more experience. However, the board is not required to grant it.

## Pinckney School Board Considers Privatizing Management of District

Pinckney Community Schools may become the first district in the state to be managed by a private company.

On Thursday night, the Board of Education is scheduled to consider a proposal from Alliance for Schools that Work, a consortium of four companies specializing in school management.

The company claims that it can save Pinckney schools \$2 million to \$3 million over five years without increasing the current per-pupil spending level of about \$4,500. It also claims it can add substantially to computer technology in the schools.

The district of 4,000 students has five elementary schools, a middle school and high school.

The four companies in the consortium include KMPG Peat Marwick, a large accounting firm; Education Alternatives Inc., which specializes in school management and manages nine schools in Baltimore and one in Miami; Paramount Communications, which would provide computer equipment for instruction, curriculum, and evaluation; and Johnson Controls, which would maintain buildings, energy use, and other non-educational services.

The Pinckney board could cancel its contract with 90 days notice.

The alliance will provide virtually all services except teachers. Among them are administration,

### Restaurant Workers Suspected in Scam To Skim Receipts

Several employees of the Chelsea Taco Bell are being investigated for embezzling money from the restaurant over an unspecified amount of time.

According to Chelsea police, some employees worked along with some managers to pull the scam, in which food orders were not entered in the registers in their entirety. However, the employees would take the full amount due from the customers and pocket the difference.

## Board Committee Devises Timeline To Hire New Superintendent by July

Chelsea Board of Education hopes to hire a new superintendent by July 1, the official start of the 1994-95 school year.

The board's personnel committee met last Thursday to put together a tentative timeline for hiring a new school chief. Board president Jane Diesing, a member of the committee, said there will be forums to allow the public to suggest what qualifications or personality traits are important.

"A teacher might have a different perspective than a business person," Diesing said.

"Given what has happened, a lot of people have expressed concern that the new superintendent should be accepted by the community. We're very concerned about having good input from the community."

Diesing said the goal of July 1 might turn out to be too ambitious and that "we'll really have to push to meet it, but I'm confident we can do it." The district will update the brochure it used to lure candidates when the late Joe Piasecki was hired. In addition, it will also review its application form. The interview process will be public.

Diesing hopes all applications will be back by the end of March, to allow interviews in April, and a contract offer in May.

The committee will present the details of its proposed search process at the regular Jan. 17 meeting of the board.

"We need to get the whole board into the process to give the committee some direction," Diesing said.

Diesing said she is not worried that recent events will result in fewer qualified applicants.

"We were a little concerned, but feel that we have a very desirable community," Diesing said.

"That has been a very strong plus for pulling applicants in. The Michigan Association of School Boards also thought it would be a strong pull."

Former board president Anne Comau agreed, noting the school district's strong reputation across the state.

In a related matter, the district has made contact with a person who will become the interim superintendent. Diesing would only say that the candidate lives within driving distance and is known by assistant superintendent Fred Mills.

"I hope we'll have someone in a few weeks," Diesing said.

"I think the question is now whether we'll seek other candidates. We want someone who will be compatible with whatever working situation we need."

The winter and spring will bring a

host of challenges for the district. About \$250,000 may have to be cut from the budget. Teacher contract negotiations are scheduled. And the district will have to begin planning for next year based on the new state school aid plan.

## Fire Guts Showroom, Offices at Bob's Ford

The showroom, offices, and portions of a garage and body shop at Bob's Ford in Stockbridge were damaged by a fire that swept through the main building early Saturday morning.

A passing motorist saw the blaze and used a telephone at the Mugg and Bopps store to report it.

According to a company employee, a furnace malfunction is suspected to have caused the fire.

The main showroom was almost totally destroyed, although no new vehicles were on display. The ceiling caved in. Three offices were destroyed. The garage and body shop sustained smoke damage. Also,

damaged were eight cars that were in for repair.

Stockbridge Fire Department arrived within two minutes of the call, but the fire was already well underway.

Also lost in the fire were many of the dealership's old records, which were stored in the ceiling.

Various dealer functions were scattered among other buildings as of Tuesday morning. The dealership was still selling cars but service was very limited. The employee said the dealership is making every effort to help customers find a way to handle their service problems.

The dealership, established in 1963, plans to rebuild.

## Prison Life Contrast For Former Teacher

Chelsea High school science teacher Stephen Leith, accused of murdering superintendent Joe Piasecki and wounding principal Ron Mead and teacher Phil Jones, is lodged in the Washtenaw County Jail for the immediate future.

Leith, who lived in relative comfort in his Liebeck Rd. home, now resides in a 54-square-foot cell and wears a prison uniform.

According to Lt. Jerry Clayton of the Washtenaw County Sheriff's Department, Leith is "one of the higher security levels." Which one, he would not say for security reasons.

Prisoners in the higher security levels are put there based on their potential danger to themselves or others, plus other factors, such as what crime(s) they are charged with.

Clayton said. They have fewer privileges than other prisoners.

Leith is allowed out of his cell for one or two hours each day. Then he may watch television, read a newspaper in the common area, or talk with other inmates. Some inmates are allowed to purchase a portable radio in the commissary, but Clayton did not say whether Leith had that privilege.

Each prisoner is allowed to have up to five books in his cell.

Each prisoner is allowed unlimited visits from his attorney or clergyman. However, he is restricted to two visits per week from all other visitors combined, including immediate family members. During those visits, prisoners talk through plexiglass or on a telephone.

Prisoners may send or receive mail, but it is all screened by security. Each cell block has a common dining area, but prisoners in maximum security eat in their cells and use plastic utensils.

Leith is scheduled for a preliminary examination on Jan. 20 on charges of open murder, assault with intent to murder, and using a firearm while committing a felony. He will presumably be sent back to his current quarters until his trial.

BILL PIERCE uses a broom to sweep away the remaining snow from his sidewalk on East St. last Thursday afternoon. Due to the extremely cold temperatures, the snow has remained (at least as of press time) as powdery as the day it fell.

SEVENTH GRADERS Grant Bollinger, left, and Aaron Rahing will have their artwork on display next Monday at the annual Beach Middle School Art Show. Grant has an example of "pointillism" while Aaron shows his

"perspective" drawing. Their work will be joined by others created by sixth, seventh, and eighth graders in Bev Yelsik's and Judy Parker's classes.

## BEHIND THE HEADLINES:

# 'Demystifying' the Stock Market

A few generations ago, most Americans thought the stock market was only for millionaires, big business and high flying speculators. Today, a record number of ordinary individuals own stocks, even as many would-be investors still wonder how the stock market works.

By Philip C. Clarke

If the Durrell Institute of Monetary Science has its way, the newest generation of Americans will learn all it needs to know about the stock market before graduating from high school. The Institute, situated at Shenandoah University in Winchester, Va., has produced a comprehensive new study course designed to "demystify" the stock market and help students learn the basics of intelligent investing.

Designed specifically for high schoolers, Demystifying the Stock Market comes with a study kit containing a textbook, workbook, wall charts and videotape. Included are games and other classroom activities to help make the course simple and enjoyable. Written by John Charles Pool, adjunct professor of economics at St. John Fisher College in Rochester, N.Y., the basic textbook addresses such questions as how stock and bond markets operate and how one goes about buying shares. It also has some practical advice on what reasonably can be expected in the way of returns.

As Professor Pool writes: "Some barriers exist to starting a good portfolio of investments that will beat inflation and taxes. . . . We hope to help readers cross these barriers by explaining how the markets work . . . and how the economy and basic economic principles affect investments and financial markets." While steering clear of any get-rich-quick strategies, the professor suggests that "smart investing is simply a little know-how, a little common sense and some patience."

Demystifying the Stock Market is the Durrell Institute's second such course for high schools. Last year, Professor Pool and the Institute introduced a study course and teaching kit on The ABC's of Money and Banking. After perusing the material, one

impressed layman said: "It makes the arcane subject of currency and finance both understandable and even fascinating. It might have been titled: 'What You Always Wanted To Know About Money But Didn't Know Where To Start'."

The ABC's covers in easy to understand terms a broad spectrum of subjects, ranging from the history of money to micro- and macro-economics and "Reconciling Keynesian and Monetarist Views." Other classroom topics clarify such questions as "Why Money is Money" and "Whatever Happened to Gold?" There also are brief explanations of how the Federal Reserve System functions, what causes unemployment and inflation and why limitations are necessary in monetary policy—all questions that baffle the ordinary citizen.

In fact, The ABC's on Money and Banking appears to be catching on not only in high schools around the country, but among adults as well. As Durrell Institute director Elizabeth E. Racer says: "Although The ABC's is designed primarily as a teaching tool for classroom use, it serves equally well for the general public . . . avoiding technical jargon and

theoretical subtleties which make most economic texts heavy going."

With more and more Americans investing in equities at a time of dwindling interest from ordinary bank deposits, more and more investors are looking to Wall Street. At the same time, the world of finance and investment has become ever more complex. The Durrell Institute's bottom line is to promote a better understanding of money and banking and now the stock market, beginning in high school.

## Stereo Equipment Stolen from Car

A Chelsea High school student told Chelsea police that someone stole stereo equipment valued at about \$730 from his car that was parked in a friend's garage on Madison St.

The student told police that his keys were stolen from his pants while he attended gym class. The student, an Ivey Rd. resident, did not tell police how his vehicle got to the Madison St. address.

## Nominating Petitions Due Feb. 7 for Village Elections

Nominating petitions for the annual March 14 elections are due at the village offices by 4 p.m., Monday, Feb. 7.

Seats available this year include those held by village president Richard Steele, trustees Richard Rigg, Joe Merkel, and Frank Hammer, treasurer Katie Chapman, and McKune Library Board members Allen Cole (who recently resigned because he moved out of the village) and Dan Kaminsky. Village government seats are for two years, and library board seats are for three years.

Each petition must be signed by at least 15 registered village voters, but no more than 50.

Steele, Rigg, and Hammer have all said they intend to run again.

## Restaurant Scam

(Continued from page one)

Police said some employees were apparently paid by shift managers to ignore what was going on.

At least seven employees were considered suspects in the case. Police estimated that at least \$300 to \$500 was stolen, but also said it could be far more.

To the teachers, staff, administration, and school board,

We all suffered this tragedy and we are all affected. We also understand that we cannot know the impact for each of you personally or professionally.

Through these difficult times we appreciate your caring and concern for our children and your students. We continue to value and respect your dedication and hard work.

Just as we have all been affected, we need to come together. Together we will strengthen our school community and continue to pursue the missions of each school and the goals of our district.

We care deeply both about and for you. We want to help.

## Bridge Marathon Play Continues for Benefit of Hospital

The Jan. 2 meeting of the Couples (Pairs) Bridge Marathon for the benefit of the Chelsea Community Hospital was held in the Woodlands Room of the Hospital on Sunday evening at 6 p.m. Seven couples participated.

Winners for the evening's play were Bill and Marlene Rademacher of Chelsea, with a score of 4,650 for the 20 hands played; Nancy Pichlik of Ann Arbor, and Sherri Lawton, of Chelsea, were second with a score of 3,580; and Loyal and Marian Joos, of Chelsea, were third with a score of 3,325. Refreshments were brought by Addie and Ernie Laetz, of Ann Arbor. The hospital donates the coffee and tea.

The same format will be followed as last year, using four scores to qualify for year-end prizes in this marathon event. A donation of \$2.75 is contributed each evening they play, and a quarter is also added to be used for prizes for the night's play. Of course, the amount given to the hospital is tax deductible. Mixed pairs may play, so think about a partner and call for any further information: Marlene Rademacher (475-5121) or Roberta Barstow (426-3887).

The next meeting will be Sunday evening, Feb. 6, at 6 p.m. in the Woodlands Room of the Chelsea Community Hospital.

## Figure Skating Club Will Perform in Free Exhibition

Ann Arbor Figure Skating Club will present "Winter Exhibition 1994" on Wednesday, Jan. 26, from 7 to 9:30 p.m. at Veterans Ice Arena, 2150 Jackson Rd., Ann Arbor. The event will feature club soloists of all levels in exhibition as they prepare for the 1994 competitive season.

Also performing will be the AAFSC's five precision ice skating teams: the Rhythmics, the Express, the Arborettes, the Hockettes, and the Debonaires. The Hockettes are recognized nationally as the first organized precision skating team in the U.S.

The exhibition is open to the public and free of charge.

The Ann Arbor Figure Skating Club is a member club of the United States Figure Skating Association and offers programs for youth and adults of all skating levels in figures, freestyle, and ice dancing. Phone 761-9753 for additional information about the AAFSC.

**WESTON-NEWMAN:** Dawn Marie Weston of Pinckney, and Kevin Douglas Newman of Hamburg, were married Oct. 8, 1993 at the Wedding Chapel of the Lakes in Lakeland. The pastor, Deanna B. A moss found throughout the United States may hold genetic material that will give drought-tolerance a new meaning for crops. As soon as a few drops of water are poured on dry star moss, what once seemed a brown Brillo pad becomes a lush green mass of individual branches with starlike needles. Transferring that ability to food crops could help them survive dry weather.

## Lima Extension Group Members Exchange Gifts

"Timmy's Gift," a Precious Moments Christmas Story, was watched by 11 Lima Extension members Dec. 15 as they enjoyed a few before-lunch munchies. Hostess Janet McCalla put the finishing touch to a wild rice and chicken bake which she served with a side accompaniment of colorful layers of Jell-O. Norma Seyfried and Mary Ann Burgess helped serve the soup, luncheon plates, then cranberry cheesecake as co-hostess Lois Bradbury could not be present. Each place setting was decorated with a Christmas corsage and Lifesavers packaged brightly for each member.

An after-lunch gathering around the Christmas tree was enjoyed with a gift exchange. Many gifts were hand-crafted.

A Christmas decorated box by Barb Edict overflowed with 40 different canned and boxed food items brought for the Safe House in Ann Arbor for battered women.

The lesson program for '94 was discussed. Two videos will be picked up at the County Extension office and previewed for Jan. 19. One is Car Insurance; the other is Avoiding Being Ripped Off By Telemarketing and Charity Fraud. The latter the most interesting today. Member Donna Bradbury spoke up with a comment that, "After 62 years of Extension she still learns something even if the lesson is a repeat!" Because of this past and what can be learned through Extension in the future, Lima Extension hopes to see the national increase in dues hurt our county groups.

Jan. 19 meeting is at 10:30 a.m. Potluck at Barb Wing's.

**Garnet** Birthstone for Month of January

As you may well know, the Garnet is the birthstone for the month of January. It is also the accepted anniversary gemstone for the second year of marriage.

Garnets come in a variety of colors, but primarily deep or rosy red are the most popular! Legend holds that Noah hung a large Garnet in the ark for illumination. It reportedly also gives its wearer guidance in the night, protection from nightmares, and according to the Egyptians, is an antidote for snakebite and food poisoning.

Garnet is a semi-precious gem, very attractive and affordable. Please stop in and browse through our selection of pendants, rings, and ear rings. Special orders are readily available.

## Local Doctor Re-certified as Family Specialist

Dr. Jerry L. Waldyke of Chelsea, has been recertified a Diplomate of the American Board of Family Practice (ABFP), the certifying entity of the family practice specialty. Dr. Waldyke, a family physician, earned Diplomate status by passing the ABFP's certification examination, an intensive written-test-of-the-physician's abilities in pediatrics, internal medicine, surgery, obstetrics, gynecology, psychiatry, prevention and other aspects of family practice. The ABFP examination is offered to physicians who have completed three years of family practice residency training after medical school. Currently, there are more than 400 family practice training programs in the United States. ABFP Diplomates must continue to demonstrate their competence in the specialty by taking recertification exams every six years. Family practice was recognized in 1969 as a medical specialty by the American Medical Association and the American Board of Medical Specialties, and it was the first specialty to require its Diplomates to take recertification exams at regular intervals. Most of the more than 40,000 physicians who have achieved ABFP Diplomate status are members of the American Academy of Family Physicians (AAFP). The AAFP is a national association that offers educational, legal and lobbying services to more than 75,000 family physician, family practice resident and medical student members.

## Some Sobering Facts About Alcohol

(NAPS)—As the holiday season gets underway, the Distilled Spirits Council of the United States (DISCUS) wants to remind you that all beverage alcohol—beer, wine and liquor—contains equal amounts of alcohol in a standard serving. If you choose to drink, drink responsibly. And remember, it's not what you drink, it's how much you drink.

For a handy pocket-sized "Know Your Limits" guide to safe drinking, write: "Know Your Limits," DISCUS, 1250 Eye Street, N.W., #900, Washington, D.C. 20005.

Agricultural Research Service has found that soybean hulls and sugarbeet pulp, both produced in abundance here in Michigan, will bind metals and other industrial wastes so that they can be removed from water. Industry and wastewater treatment plants currently use resins, which do not break down easily and create a disposal problem.

## Pinckney Man Graduates from Officer's Course

Navy Ensign Scott A. Tait, a 1988 graduate of Pinckney High school, recently graduated with honors from the basic Surface Warfare Officer's Course. During the course at Surface Warfare Officers School Command, Newport, R.I., students are taught shipboard watch and division officer duties. The course emphasizes the duties of an underway officer of the deck, which includes shiphandling and maneuvering under simulated battle conditions. Studies also include radar detection, tracking and plotting of enemy aircraft, ships and missiles, communications, damage control and shipboard organization. He joined the Navy in October, 1992. Tait is a 1992 graduate of the University of Michigan, Ann Arbor, with a BS degree.

## School Board Notes

Present at a regular meeting of the Chelsea Board of Education Monday, Jan. 3, were Diesing, Knutsen, Roberts, McCalla, Eisenbeiser, Merkel, Redding, assistant superintendent Mills, principals Wescott, Stielstra, Stieber, assistant principal Helms, community education director Rohrer, special education director DeYoung, curriculum director Bissell, guests.

Meeting called to order at 7:30 p.m. by President Diesing.

Board approved the minutes of the Dec. 6 and Dec. 27 meetings.

### Communications

Assistant Superintendent Mills reported that many expressions of sympathy to the Piasecki family and the district have been received from individuals and school districts throughout the state.

### Report from the Assistant Superintendent for Information

Curriculum Director Laurie Bissell reviewed with the board the 1993 MEAP test results. She expressed appreciation for the co-operative efforts of principals, teachers and students which resulted in improved scores this year. She indicated that the math scores improved dramatically in the fourth grade; last year's scores were analyzed to determine areas of difficulty, and necessary changes were made and teachers worked to ensure coverage of those areas. Math scores at the high school were lower than last year's.

Laurie Bissell also reviewed a proposed 10th-grade elective course in social studies. After this year, Geography and Michigan History would be dropped, and the proposed course would incorporate Michigan History into the U.S. History course. It is felt that it would have broader appeal to students.

Principal Stieber, in reporting for North and South Schools, indicated that the school day went smoothly. She expressed appreciation for the great support of parents.

Principal Stielstra reported that Beach students exhibited compassion and empathy on this date, and he felt that students were ready to return to the classrooms. He expressed appreciation for the presence of Jane Diesing, Fred Mills and Dr. DeYoung at Beach school.

### WORKING FOR AMERICA.

A pilot with the skill to land a jet on a rolling deck. A computer specialist who can fix a complex navigational system while hundreds of miles at sea. A cook who can prepare a delicious meal for 500 hungry sailors. These people aren't just good, they're the best. And it means more to them because they're doing it for their country. They're Navy people, working hard for America. And that makes us proud.

## Rehearsals Underway For 'Godspell' Musical

Chelsea Area Players have completed auditions and have a cast for the Feb. 9-12 performance of "Godspell" to be held at St. Mary's school, 400 Congdon St., Chelsea.

Rehearsals began Monday, Jan. 3 for what promises to be another great performance by the Chelsea Area Players. The cast includes Beach Middle school principal Darcy

Stielstra, Phoebe Strong, Alisa Bauer, David Bareis, Lisa Neda-DeGryse, Christine Purchis, Tobin Hissong, Rebekah Stempky, Rowena Bowman, Dane Barlow, Maryanne Martin, and Andrew Gorney as Jesus.

The show is set in 20th century America and uses the gospel according to Matthew to recreate stories, parables, and teachings of Jesus.

The musical "Godspell" has delighted audiences since its debut on Broadway in 1971. The music from "Godspell" will strike a pleasingly familiar chord in most with such songs as "Prepare Ye the Way of the Lord," "Day By Day," "It's All for the Best," etc. Choreography by Susan Filupiak promises to be filled with excitement.

If you are interested in helping out in any way for this show or future productions or would simply like to "get involved," contact Mark Nelson at 475-8111.

Tickets will go on sale Monday, Jan. 17, at Chelsea Pharmacy or may be purchased by calling Cindy Gaken at 475-0754.

The Food and Drug Administration has been asked to approve irradiation of beef products, a process consumers seem to have readily accepted on fruits, vegetables and poultry meat. Irradiation will improve the wholesomeness and shelf life of beef products.

BookCrafters Names J. Stutzman As Employee of Month

BookCrafters' Michigan Division employees recently honored Jeff Stutzman as employee of the month, for December. Jeff, who serves very capably as first shift lead perfect binder operator, has been a member of BookCrafters' team for 13 years.

Since joining BookCrafters, Jeff has proven his expertise on both the 3-knife and the perfect binder.

Jeff's fellow employees recognize the fine example he sets as a dedicated, quality-minded operator.

Jeff lives in Stockbridge with his wife, Cindy, and their children, Jacob, 8, and Justin, 6. His interests outside work include gardening, hunting, and taking an active interest in his children's activities.

Jeff comments that he likes working at BookCrafters and intends to continue his career here until retirement. He adds, "I want BookCrafters' management to know they can count on me to be here to provide quality workmanship and service for our customers."

### ★ CPA's Offer Advice

#### To Ease Pain of Tax Law

If you're one of the taxpayers walloped by President Clinton's new tax law, here are some financial strategies from the Michigan Association of CPAs to help you cope with the tax law changes and ease some of the pain.

#### Make Tax-Favored Investments

The Revenue Reconciliation Act of 1993 added two new tax rates: a 36 percent rate that applies to single people with taxable incomes between \$115,000 and \$250,000 and couples with taxable incomes between \$140,000 and \$250,000; and a 39.6 percent rate for all taxpayers with taxable incomes in excess of \$250,000.

If you're among the individuals hit by the higher tax rates, CPAs suggest that you start making deposits early in the year into tax-deferred investments, such as employer-sponsored retirement plans and individual retirement accounts (IRAs). Also, consider taking advantage of tax-exempt bonds. Generally, municipal bonds are tax-exempt at the federal level and many are also exempt from state and local taxes.

#### Consider Capital Gains Tax

Although individual income tax rates have risen under the new tax law, the maximum capital gains tax rate remains at 28 percent. As a result, it may be more advantageous for individuals who are in the higher tax brackets to convert investments that generate ordinary income currently into investments in which the increase in value will be taxed at the lower capital gains rate upon disposition.

Investments that generate ordinary income include Certificates of Deposit (CDs) and money market accounts. Sales of capital assets, such as real estate or stocks, generate capital gains.

Be aware, however, that a series of anti-conversion rules have been enacted to prevent taxpayers from converting to certain types of investments solely for the capital gain benefit.

Contact your CPA for information before proceeding.

#### Shift Income

You may also be able to reduce your income tax liability by shifting income to family members age 14 or older with lower income tax rates. (Special rules apply to children under age 14.) If you're in the 39.6 percent bracket, shifting income to someone in the 15 percent bracket reduces tax on the income you transfer by 62.1 percent. You can also make annual gifts of up to \$10,000 (\$20,000 if the gift is from you and your spouse) to an unlimited number of recipients without incurring the gift tax.

#### Determine Tax Law's Impact On Your Estate Plan

The new tax law also raised the top estate tax rate from 50 percent to 53 percent for estates of more than \$2.5 million and to 55 percent for estates of more than \$3 million. If you anticipate leaving an estate that is close to these thresholds, consider shifting assets through gifts, trusts and other means.

#### Social Security Recipients Should Track Income

Single retirees with incomes (including half their Social Security benefits) of \$34,000 or more, and couples with incomes of \$44,000 or more, must now pay taxes on up to 85 percent of their Social Security benefits instead of 50 percent. However, for singles with taxable incomes between \$25,000 and \$34,000, and for married couples with taxable incomes between \$32,000 and \$44,000, the taxable portion remains at 50 percent.

If you're a Social Security recipient and can control the amount of income you make in a given year, try to avoid triggering the additional tax on your benefits.

#### Track Deductible Expenses

Tax deductions can provide some relief from higher tax rates. CPAs point out that to ensure that you obtain the tax deductions you deserve, you should track deductible expenses, such as medical costs, charitable contributions and miscellaneous expenses throughout the year (including investment expenses and unreimbursed employee business expenses). Remember, the higher your marginal tax rate, the more valuable the deduction.

## Domestic Violence Workshop Set for Child Care Providers

On Tuesday, Jan. 11, child care providers will have the opportunity to learn more about the impact of domestic violence on young children from local clinical social worker, Douglas Davies.

The session will be held from 7 to 9 p.m. at the New Center Conference Room on the second floor. The New Center is at 1100 N. Main, Ann Arbor. Davies will be discussing typical reactions young children have to witnessing violence between their parents; possible connections between spouse abuse and child abuse. He will make suggestions about how providers can recognize potential signs that a child is being exposed to violence. He will also discuss ways parents can get help, and allow time for providers to bring up questions.

The workshop is sponsored by the Child Care Network with funding from Washtenaw county. The session is free, but you must pre-enroll by calling 761-6040. For questions contact Flo Burke, training co-ordinator at the same number.

Because salt acts as a preservative, salted butter has a longer shelf life than unsalted butter. Unopened, wrapped salted butter may be kept in the refrigerator several weeks or several months in the freezer. Unsalted butter is best kept in the freezer until ready to use. They are interchangeable in recipes, although many cooks prefer the unsalted type for baking.

## Article Claims New Pineapple Diet Aid Melts Away 900 Times It's Weight In Fat!

An article in the July issue of the Examiner claims an enzyme made from pineapple called BROMELAIN will take off as much as 7 lbs. in 48 hours, even 25 lbs. in a single week!

There have been 400 scientific studies on BROMELAIN and the pineapple enzyme is well known as a digestive aid and for arthritic inflammation. However, this is the first time studies have shown BROMELAIN may have the ability to absorb fat. One gram of BROMELAIN can absorb 2 lbs. of fat, according to the article. Every day around the clock, it gobble up thousands of fat cells which are then eliminated naturally from the body. The recommended dose of BROMELAIN is 500 mg. with 600 G.D.U.s (Gelatin Dissolving Units). The cost is around .70¢ a day or \$20.00 for a 30-day supply. The experts report improved digestion and rapid weight loss is possible if you take BROMELAIN right along with your regular meals. Just limit your high fat and high calorie food to help speed up the process, and of course, it's always wise to check with your doctor before going on any weight loss program.

BROMELAIN is available at the following local stores:

## DNR Announces Special Canada Goose Season

A special 30-day Canada goose season to control local goose populations is scheduled for Jan. 8 through Feb. 6.

The area open to hunting includes public and private lands south of a line from Port Huron through Grand Rapids, which is along highways I-69, M-21, and M-45, excluding the Allegan County Goose Management Unit as shown in the state Waterfowl Hunting Guide. The bag limit is two Canada geese per day.

The DNR recorded over 130,000 Canada geese in the state during a survey Dec. 3-17. About 70,000 of these were within the area open for the special late hunt. Counties within the hunt area with the most geese recorded include Ingham (4,500), Jackson (8,100), Calhoun (2,700), Branch (2,200), Washtenaw (4,300), Oakland (8,800), Livingston (2,800), Macomb (2,200), Kalamazoo (11,100), Barry (3,400), and St. Joseph (5,400).

"These numbers will probably drop with the recent spell of severe cold," said Jerry Martz, Waterfowl Specialist for the DNR's Wildlife Division. "Some of the birds will pull out and head south to Indiana and Ohio. The birds that stay here will be roosting on open water, especially along river systems, where they can fly out to corn stubble or unpicked corn. Now the snow cover is very light, so birds should be able to get at the waste grain.

Hunters will have the best long-

term success if they hunt the fields and avoid disturbing the birds on their water roosting sites. When hunting on private lands, hunters should always get permission from the landowners."

To help evaluate results of the season, hunters are again asked to voluntarily submit parts from the geese they shoot to their nearest DNR Wildlife Division office. The head and tail of each goose shot, including tail feathers and the vent with a least two inches of intestine attached, should be placed in a plastic bag and labeled with a tag indicating the date of the kill and the nearest town. These bags can be kept frozen and delivered to the DNR within a month after the close of the season.

For detailed information on season dates, hunting hours, and other regulations, consult the 1993-94 Michigan Waterfowl Hunting Guide available from license agents. For the location of DNR Wildlife Division offices, call (517) 373-1263 or write to the Wildlife Division, DNR, Box 30444, Lansing 48909-7944.

A Purdue University solid waste specialist says cities and towns should begin farmland spreading programs for their fallen leaves. Oscar Hopkins says if cities would stop picking up grass clippings and instead would collect leaves for distribution on farm fields, it would be cheaper for the towns and practical for farmers as well.

## Do You Have High Blood Pressure and are You Between 50-80 Years Old?

You May Qualify to Participate in an Important World-Wide Research Study to Determine The Optimal Goal of Hypertension Treatment

The HOT Study stands for Hypertension Optimal Treatment and is a 2 year study to determine what is the optimal blood pressure to prevent high blood pressure complications. Additionally, it will determine whether the addition of aspirin helps hypertension treatment.

The medications used in the study have all been FDA approved for treatment of hypertension and have been on the market for a number of years.

Advantages to the patient include being part of an important study which may improve current hypertensive treatment, free antihypertension medications, and free office visits relating to the hypertension.

### Health Check-ups Offered for Children

Physical exams for children from 2 months to 12 years of age are available at the Washtenaw County Public Health division's Well Child/Medicaid Screening Clinic. The exams include immunization, lab test, and an opportunity to talk with a nurse about the child's health. A donation of \$0-\$35 is requested.

Exams are also available for Medicaid recipients up to the age of 21 years. The clinic is located at 555 Towner, Ypsilanti, room 110. A report of the physical exam may be used for day care, school or camp.

### Fiction Writer Offers Free Workshops At McKune Library

Charles Baxter, fiction writer and Ann Arbor resident, will present a two-part series at the McKune Memorial Library, 221 S. Main St., Chelsea.

The workshops, called "Forums for Writing," are co-ordinated by the Washtenaw Council for the Arts and supported by a grant from the Lila Wallace/Readers Digest Foundation. Baxter will encourage others to write for their pleasure and will offer support to those who have been writing but who have never shared their work with others.

The first workshop will be held at the McKune Memorial Library on Thursday, Jan. 20 from 7:30 to 9 p.m. The second will be on Feb. 17 at the Library, also at 7:30 p.m.

Please call the Library to register as space is limited, 475-8732. The workshops are free.

## Deputies Report Rape, Vehicle Theft, Break-ins

Washtenaw County Sheriff's deputies investigated a number of incidents in Dexter, Village and Lyndon, Lima, Sylvan, Webster, Scio and Dexter townships, Dec. 20-Jan. 5.

**Dexter Village**  
Mario P. McHugh, 39, of Ann Arbor was arrested on a warrant during a traffic stop on Dexter-Ann Arbor Rd. near 7th St., Dec. 31. The warrant was for failing to appear in court on a charge of driving with an expired license plate. He was lodged in Washtenaw county jail.

A voluntary missing person was reported in the 2400 block of Dongara Dr. in Walkabout Creek apartments. A 35-year-old woman told police her 38-year-old husband, who was released from jail several months ago, left Oct. 7 to move to Colorado and no one has heard from him since. She is filing the report on the behalf of his grandparents who are worried about him. The missing man's wife is seeking a divorce and would also like to find him to complete the process and begin collecting child support.

A 17-year-old Dexter boy expelled from school last year was arrested on a warrant, Jan. 1, for possession of illegal drugs. He was picked up on Central St. near Huron River Dr. The warrant was issued in Brighton.

A runaway was reported in the 3000 block of Baker Rd., Jan. 2. The boy's mother, 37, said she last saw her 18-year-old son Jan. 1 around 8 p.m.

Breaking and entering and malicious destruction of a motor vehicle was reported in the 3000 block of Inverness Dr., Jan. 4. A 46-year-old woman told police her 1989 Dodge sustained \$50 in damages when someone broke into it and stole \$20 worth of change and cassette tapes. It was parked in her driveway.

Malicious destruction of a motor vehicle was reported in the 7600 block of Fourth St., Jan. 4. A 1988 Chevy pick-up had eggs thrown at it, causing its paint to chip. Damage is estimated at \$300.

**Lyndon Township**  
Larceny was reported in the 20700 block of Waterloo Rd. by a 33-year-old resident, Jan. 4. The resident told police a men's gold watch and matching bracelet valued at \$10,000 were stolen between Dec. 17 and Jan. 3. An employee of an alarm company who recently installed an alarm in the house is suspected of the theft. Apparently, that same employee hasn't returned to work since installing the alarm in Lyndon township. A detective has been assigned to the case.

**Lima Township**  
Criminal sexual conduct was reported in the 11300 block of Scio Church Rd., Dec. 31. A 28-year-old Canton woman, who has been living at the residence with two male roommates, has accused one of raping her. Police were dispatched to St. Joseph Mercy Hospital to take the report. The woman told a deputy she had been living at the residence for about three months but decided to move out. When she returned to collect some belongings, she said one of the men, 33, asked her if she would consider having sex with him for money. The victim told police she said no and tried to leave. When she did, the suspect allegedly pulled down his pants and exposed himself. He then pushed her on the couch, jumped on top of her and

raped her, according to a report she made to deputies. When a deputy interviewed the suspect, he said he and the victim have had an on-going sexual relationship since she moved in the residence. He said the couple had consensual sex that day. The couple's roommate told police the two shared a bedroom together. He said he was "astounded" when he heard the suspect had been accused of rape. The deputy has arranged a polygraph test for both the victim and suspect because their stories conflict.

**Sylvan Township**  
Damage to a vehicle was reported on eastbound I-94 west of M-52, Dec. 20. A Muntz man told police he believes the driver of a car in front of him fired a gun at the roadway. As a result, he says fragments flew up and damaged his 1984 Cadillac's windshield, causing \$250 worth of damage.

Breaking and entering was reported in the 5400 block of Witness Tree Lane, Dec. 29. A 61-year-old resident told police someone ransacked the home and stole a CD player, TV, VCR, stereo, compact discs and a camera. Thieves entered the home through an unlocked garage that leads to the kitchen. Items taken total \$2,250. Police have no suspects and were unable to find fingerprints at the scene.

A 61-year-old Wyandotte man was arrested for disorderly conduct on M-52 near Boyce Rd., Dec. 28. He was arrested after a resident looked outside the window of his home and saw the suspect's vehicle resting on his lawn. The resident asked if he needed help. He requested a tow truck to

change his vehicle's tire. The resident also called police, who arrived to find the man intoxicated. Deputies drove him to a pay telephone to call for a ride, but the man became disorderly. After a warning, the Wyandotte man was taken to jail.

**Dexter Township**  
Breaking and entering was reported in the 6600 block of Toma Rd., Dexter township. A 45-year-old male resident told police two pellet guns he stores under his bed's mattress were stolen. The guns are worth \$110. He said he returned home to find both his front and basement doors unlocked and lights on inside the bedroom. Deputies assured the man they would conduct property checks in the area of his residence.

A 30-year-old Ann Arbor man was arrested for fleeing and eluding police after a deputy tried to conduct a traffic stop involving the man on Island Lake Rd. near Dancer Rd. The suspect was being stopped for driving drunk around 1:15 a.m. He tried to flee in his vehicle after a deputy turned on the patrol car's emergency equipment. The chase reached speeds up to 75 mph. The man finally stopped, and told police he didn't know they were pursuing him. He was taken to Washtenaw county jail where his blood was drawn for a chemical test to determine his blood/alcohol level.

Beef production next year is expected to be the largest since 1988. Turkey output in 1994 will be up about two percent and chicken production will increase five percent.

## Varsity Cagers Lose To Dexter Friday in Final Seconds, 54-53

In recent years, a Dexter varsity basketball win over Chelsea has been as rare as 70 degrees in January. Yet the Dreadnaughts held on last Friday night in their jammed gym to take a 54-53 victory.

Dexter played with intensity throughout the game while the Bulldogs' offense sputtered all evening. The Bulldogs finished with their lowest point total and worst shooting night of the season.

"Dexter played extremely well, but I thought we were lacking a little fire," said Chelsea coach Robin Raymond.

"The ball didn't bounce our way, and we didn't do much to overcome that."

After trailing the entire night, the Bulldogs managed to take a 48-47 lead with 3:10 left on two free throws by Pat Steele. After a three-point Dexter run, Rob Davis' three pointer gave the Bulldogs a 51-50 lead with 1:32 left. The teams traded baskets and Chelsea still held the lead with a minute to go.

Each team missed the front end of a one-and-one situation. Chelsea had the lead but Dexter had the ball with :24 left.

With :12 left, Dexter's Paul Bishop was fouled on a drive, and he calmly sank two free throws to put the Dreadnaughts up by one.

The Bulldogs called a timeout to set up a play. But a mistake was made and the wrong Bulldog ended up bringing the ball down court. Steele drove to the basket in heavy traffic but the shot rolled off the rim.

Chelsea had problems from the beginning. They didn't score their first points until the 4:24 mark of the first quarter. However, they eventually tied the game at 12 on Chad Brown's three-pointer at the buzzer.

Despite numerous turnovers (20 for the game) and poor shooting (33 percent) on the part of the Bulldogs, Dexter could never open more than a six-point lead (38-30). Chelsea had a six-point run late in the third quarter to tie the game at 38. Every time the Bulldogs started to gain a little momentum, Dexter took it right back with a big basket.

Field goal shooting was the difference in the game. Chelsea was 17-51, while Dexter was 19-39 (49 percent). Chelsea was 14-23 from the line while the Dreadnaughts sank 12-21. The Dreadnaughts also held a 39-32 rebound edge and had two fewer turnovers.

Steele and Davis each had 13 points to lead the Bulldogs. Other Chelsea scorers included Chad Brown 7, Colby Skelton 5, Nick Brink 4, Scott Colvin 4, Cory Brown 3, Bryndon Skelton 2, and David Stimpson 2.

Colvin had a team-high seven rebounds.

Raymond said in light of Friday's performance, he plans to make a few changes in the offense. He plans to use Davis more as an inside player and Steele may make a switch from forward to guard.

"Hopefully our eyes will get opened by this," Raymond said.

"Down the road, it could be good for us."

The Bulldogs will need to get well in

(Continued on page 13)

## Spikers Whip Ypsilanti, Make Tourney Semi-finals

Chelsea Bulldogs varsity volleyball team beat Ypsilanti last Monday, 15-11, 9-15, 11-15, 15-3, 15-11.

"For early in the season, we had consistent serving and better passing," said Chelsea coach Dan Montgomery.

"We had 22 aces as a team and stood off a powerful attack."

Chelsea leaders included Kori White with six kills, four blocks and five aces; Amy Petty with six kills, four blocks and five aces; Jamie Collinsworth with five kills and six aces; Erin Montgomery with three kills, four blocks, and one ace; Heidi Wehr-

wein with three kills and four aces; Tracy Patrick with one kill and one ace; and Carrie Buss, with two aces and 15-15 serving efficiency.

In Saturday's annual Chelsea Invitational, the Bulldogs finished second in match play, and eventually were eliminated in the semi-finals by Ann Arbor Pioneer.

"I thought we played very well and consistently improved throughout the day," Montgomery said.

"I was particularly impressed with the younger kids and I'm very excited about this team."

Chelsea opened the day with a 15-6, 16-14 victory over Pioneer, then stopped Milford Lakeland in two games, 15-9, 15-7.

The Bulldogs lost their third match to eventual champion Pinckney, 3-15, 15-17, which seeded them second in their division for cross-over play.

Next Chelsea beat Milan, 15-9, 10-15, 15-5 before falling to Pioneer in the semi-finals, 13-15, 15-12, 7-15.

Pinckney went on to top Pioneer in the finals.

On Monday, the Bulldogs lost to the Tecumseh Indians, 10-15, 15-10, 8-15. No further information was available as of press time.

## Frosh Cagers Lose to Lincoln

Chelsea B. Bulldogs freshman basketball team lost to the Lincoln Railsplitters last Monday, 50-41.

The Bulldogs led for three quarters before being out-scored in the fourth period, 19-5.

"It was a disappointing loss after leading for three and a half quarters," said Chelsea coach Mark Scheese.

Jason Sprawka and Casey Westcott each led the Bulldogs with 10 points. Other Chelsea scorers included Dusty White 9, Jake Walker 4, Paul Bragalone 2, John Beeman 2, and Nathan Butler 2.

## Spaghetti Dinner Planned for Jan. 14 By Athletic Boosters

Chelsea Athletic Boosters, Inc., will hold a spaghetti supper that is open to the public on Friday, Jan. 14, from 5 p.m. to 8 p.m. in the high school cafeteria. Dinner will be served for one hour prior to the junior varsity basketball game with Tecumseh and will continue to the approximate starting time of the varsity contest. The menu is spaghetti, salad, garlic bread. Coffee and milk will also be provided. Pop will be available from the junior stand which also sells concession type items. Dessert is included. Advance sale tickets are available from three local businesses, Chelsea Lumber Co., Chelsea State Bank branch office, and Chelsea Pharmacy.

Michigan State University this spring will begin building a state of the art National Food Safety and Toxicology Center. The center will focus on research and teaching and is designed to help farmers, food processors and the government ensure the safety of all foods for consumers.

# Bulldogs Wrestlers Place 6th In Jackson Western Tourney

Chelsea Bulldogs wrestling team took sixth place at the 14-team Jackson County Western Invitational last Saturday.

The Bulldogs were forced to void two weight classes, one because Ryan Ludwig, one of the team's top wrestlers, was too sick to compete.

"I thought we might be able to do a little better than we did," said Chelsea coach Kerry Kargel.

"But with Ryan sick, that knocks a placer out. We might have been in the top four with him in there."

Senior John Bobo was the only Bulldog to reach the finals. He took second place at 160 pounds after winning his first match by injury default, pinning Dale Arnett of Leslie in :18, and losing to Saline's Greg DeGrand, 5-1, in the finals. Bobo beat DeGrand last year in the Southeastern Conference Tournament.

"John had to gamble at the end," Kargel said.

"Otherwise the score would have been 3-1."

Senior Dan Alber placed third at 119 pounds.

"That was a really tough weight class," Kargel said.

"Dan would be my wrestler of the week."

Alber, seeded fourth, pinned Josh Moser of Leslie in :41, beat Aaron Danielson of Jackson, 12-4, and lost to Saline's Brian McCassey before pinning Adam Geotschy of Ovid-Elsie in the consolation finals in 1:45.

Sophomore Jordan Dyer placed fourth at 171 pounds. He beat Rob Polotka of Ovid-Elsie, 18-6, then was pinned by Joe Thompson of Mason in 3:48. In the consolation finals, he lost to Lewis Verrill of Bronson, 7-3.

Senior Chris Kargel, moved down to 189 pounds, also placed fourth. He bested third-seeded Ben Malloy of Tecumseh, 13-4, before losing to eventual champion Jeff Nadig of Saline, 4-2. In the consolation finals he lost to Rusty Ray of Mason, 5-4.

Junior Ray Hatch took fifth place at 112 pounds. Hatch lost his first match to Tom Speiss of Ovid-Elsie, 6-4, but rebounded to pin Max Wagner of Saline in 2:32, and stop Pete Provot of Bronson, 8-0.

Other wrestlers for Chelsea include Zac Ersten at 103 pounds, who finished 1-2 with a pin of Brian Bedell in 2:02; Ben O'Conner at 130 pounds, who beat Mike Waters of Leslie, 6-5, to go 1-2 on the day; Mike Alber at 140 pounds, who also went 1-2 with a pin of Leslie's Mike Dexter in 2:30; Andy Kargel at 145, who finished 0-2; Mike Thayer at 152 pounds, who finished 2-2 with a pin of Mike Wadsworth of Jackson in 1:25 and a 10-8 decision over Chad Danbury of Bronson; and Tom Barkman, who finished 0-2 in his first varsity start this season at heavyweight.

The Bulldogs take on the Lincoln Railsplitters at home this Thursday, then travel on Saturday to the Athens Invitational. The junior varsity team will compete in a tournament Saturday in Eaton Rapids.

## SPORTS NOTES

BY BRIAN HAMILTON

The Dexterites really took it to the local basketball boys last Friday. Not that a 54-53 loss is such a slaughter. But how long has it been since the Dreadnaughts have beaten the Bulldogs? At least two coaches ago, maybe more. And this year's Bulldogs were supposed to be at least as good as last year's, maybe better. Last year the Bulldogs went to the state tournament.

So what happened?

Well, if you happened to watch the game, you know the Dreadnaughts reacted as though they just won the league tournament. Those boys were primed and ready to play. They hustled from start to finish and generally gave the Bulldogs a dose of their own medicine. Even though the teams have played some close games over the years, Chelsea could always count on some sort of Dexter lapse to allow them to win the game.

But not Friday night. Dexter coach Randy Swoverland, who may be the best thing to happen to Dexter basketball in a decade, had his team ready to play and they executed their game plan well.

When a team shoots as miserably as the Bulldogs did Friday, it's always hard to tell whether they're wilting under the defensive pressure, or they're just having a bad night. Chelsea had few uncontested shots which is a credit to the Dexter defense. But so many of the shots weren't even close to the mark. Very few were of the in-and-out variety. I suppose sluggishness can infect a team just as surely as the will to win.

If the Bulldogs had managed to sink their last shot Friday, coach Robin Raymond would most certainly have told his team they were lucky to win. There were few bright spots. The transition game disappeared. The Dreadnaughts got too many baskets inside and had too many wide open shots outside. The Bulldogs had too many turnovers and mental errors.

If there is one bright spot, it is that Chelsea could play so poorly on the road against a better-than-average, jazzed-up team and still have a good chance to win. They were out-classed in every statistical category yet missed a victory by about four inches.

The talent was out there, but the attitude was not. Just shows it's hard to win consistently without both.

The talent will still be there Friday night when the Bulldogs host the league-leading Tecumseh Indians. But Chelsea cannot afford a letdown because the Indians are too tall and too talented. This is also a crucial game in the Southeastern Conference race. The Bulldogs have to beat the good teams at home. They can't put themselves in the position of having to win at Tecumseh, the snake pit of the SEC.

The Indians feature senior forward Brian Puffer, who, if you recall, almost single-handedly beat the Bulldogs here last year, which forced Chelsea to settle for a conference tie. Puffer, at 6-4, teams with 6-7 junior Brad Allen, to give the Indians a formidable front line, along with another 6-5 teammate.

Chelsea will need a big defensive game inside from seniors Rob Davis and David Stimpson, the only two guys who can match Tecumseh's size. Senior Pat Steele rarely has problems with guys twice his size, so he'll be banging and bumping, as will Colby Skelton, who can jump with anyone.

Guard play may make the difference. Don't be surprised to see both Cory and Chad Brown on the court together a bunch. Those two are so quick that they may be able to keep Tecumseh from establishing an inside game.

Another key could be bench depth. Chelsea doesn't lose much when it goes to its second team. Sophomores Scott Colvin and Nick Brink have played more like seniors. Raymond has also gotten quality minutes from his other juniors on the bench.

It's always a classic game when Chelsea and Tecumseh collide. Chelsea tries to use defense to force an up-tempo game. Tecumseh usually likes a deliberate and slower pace. Quickness and speed vs. power.

Should be a great game provided the Bulldogs can find the spark that was missing last Friday.

When the season's over, I hope last Friday will prove to be the low point.

See now that Pinckney may become guinea pigs for the state educational system and hire a private consulting firm to run their entire district.

This should be great fun to watch if the school board goes through with it. The company promises to save the district lots of money. It's pretty clear, however, that they aren't going to wring any savings out of the athletic budget since there isn't an athletic budget. Will it be pay-to-play forever, or will they divert money from their privatized buses or some other place? Or will they declare athletics a dead goose?

If the experiment works, can other districts be far behind? I just hope for the kids' sake, extra-curricular activities don't take it on the chin. In many ways, it's these activities that create a sense of community in a district. If all we're left with is classes, many parents will be stuck with parent-teacher conferences as their only direct link to the schools. It's at games, plays, and musical events that parents have the chance to talk with other parents, and even teachers and administrators in a non-academic setting. The events also bring many non-parents into the schools.

Without these events, it will be like sending kids off every morning to the education store. They may learn their math and English, but it won't be the same.

Cold-cuts should not be kept more than about four days say experts at the U.S. Department of Agriculture.

## JV Basketball Team Loses Two Contests

Chelsea Bulldogs junior varsity basketball team lost games to Manchester and Dexter last week.

On Tuesday at Manchester, Chelsea kept the game close for three quarters before falling 54-46.

"This is a ball game we should have won," said Chelsea coach Dave Quilter.

"We had a five-point lead at half-time and were out-scored by seven points in the third quarter. In the third quarter alone, we missed five lay-ups. We shot only 26 percent from the floor and 52 percent from the line. Every time we have had a lead this season, we let up defensively. We have to learn to play hard the entire game."

The Bulldogs were led by Shane Miller and Sam Morseau with 12 and 11 points, respectively. Other scorers included Ashley Coy 8, Kevin Holmes 6, Josh Bernhard 5, Dan Johnson 2, and Jeff Sarna 2.

Morseau had a team-high nine re-

bounds, Holmes had eight, and Damon McLaughlin seven.

Quilter said Miller played his best game of the season and Morseau and Coy continued their steady play.

Friday at Dexter, the Bulldogs trailed the entire game and lost 54-41.

Morseau paced Chelsea with 16 points, seven rebounds, and three steals.

Again, Quilter said he was disappointed at his team's propensity to play "just hard enough to be in our games and not hard enough to be successful."

The Bulldogs shot 36 percent from the field and 55 percent from the line, well behind Dexter's 47 percent and 64 percent marks.

Other Chelsea scorers were Kevin Cross 9, Holmes 4, Miller 3, Johnson 3, Sarna 3, and Bernhard 3.

Chelsea was 0-5 on the season after last week.

NICK BRINK tries to drive toward the basket during last Friday night's Southeastern Conference game against the Dexter Dreadnaughts. Dexter won the close game and handed the Bulldogs their first loss of the season.

a hurry. They host the tall and talented Tecumseh Indians this Friday. Tecumseh, who along with Chelsea, Saline, and Dexter have one loss in the league, has the biggest front-line the Bulldogs will see this year. Brian Puffer and Brad Allen go 6-4 and 6-7, respectively. Another starter is 6-6.

"Tecumseh is huge," Raymond said.

### Builders Licensing Seminar Scheduled To Begin Feb. 7

Construction tradespeople interested in becoming licensed builders will benefit from a six-week course presented by the Washtenaw Community College Technical Training Program this February.

Builders Licensing Seminar Section 1 is scheduled for six consecutive Mondays beginning Feb. 7 from 6 - 8 p.m.

This seminar will cover construction laws, math, construction procedures, and other background material needed to pass the builders licensing examination. Those successfully passing the examination may contract for home repairs, remodeling, and other commercial construction work. For more class information, call (313) 973-3533. To receive the necessary test preparation, participants must attend all six classes.

Pre-registration is required. An application for the State test must also be completed in advance. For more information on the state test and fee schedule, call (313) 887-3034 after 5 p.m.

"They are going to bang inside. They are a good team."

The Bulldogs should be a quicker, and perhaps deeper team.

In a non-conference game on Tuesday at Manchester, Chelsea had no problems with the Dutch in a 67-45 victory.

The Bulldogs led all the way, even though the Dutch managed to stop their former teammate Davis as they held him to three points.

The pre-occupation with Davis, however, let Skelton and Stimpson have their way in the post. Skelton finished with a team-high 19 points and Stimpson checked in with 14.

Brothers Matt and Tom Fielder had 14 and 11 points, respectively, for Manchester.

Other Chelsea scorers were Chad Brown 6, Cory Brown 5, Brink 4, Steele 4, Dan Wehrwein 4, Case McCalla 4, James Dlesing 2, and Bryndon Skelton 2.

The Bulldogs were 4-1 heading into last night's "horrible" game against Gabriel Richard.

**You may not know yourself as well as you think.**

A mammogram can detect breast cancer in its earliest stage, up to 2 years before it can be felt. If breast cancer is found early, 90 percent of the cases can be treated successfully.

If you're a woman 40 or older, you need to get the full picture. Get a mammogram.

## Card of Thanks 19

**CARD OF THANKS**

Words cannot express the family's appreciation toward those who expressed their sympathy during the recent loss of our mother, Luelia M. McGranahan. Special thanks to Pastor Giebel, the Hospice of Washtenaw, Linda Zera (Mom's nurse), Rhonda Kot (Mom's home health aid), Dr. Norine Tracy and Dr. Leslie Aldrich for their much-needed support over the past months. The family would also like to thank Walco Foods, the women at Our Savior Lutheran church that provided food and/or served the luncheon after the funeral service, and the friends, relatives, and neighbors that provided meals during these difficult times. Mark and Cindy Penzien, of Hosmer-Muehlig Funeral Home, were also of great help to the family.

Eddie McGranahan Darlene & Chuck Kanagy Denise & Steve Edwards Wanda & John Bishop Rita Newman and Dave Pierce Marcia & Dave Kipp Lori & Scott Krull and grandchildren.

**THANK YOU**

I want to thank everyone for their prayers, cards, phone calls, visits and gifts while I was in the Chelsea Community Hospital, and since I returned home. A special thanks to all the doctors and nurses who cared for me there. I have deeply appreciated all the concern shown to me.

## Sylvan Township Board Proceedings

Regular Meeting  
January 4, 1994

The regular board meeting of the Sylvan Township Board was held January 4, 1994 at 7 p.m. in the Sylvan Township Hall, 112 W. Middle Street, Chelsea, MI 48118.

The following board members were present: Supervisor Dresselhouse, Clerk Koch, Treasurer Pearsall, Trustee Heller and Trustee Lesser.

Also present were: Charles Burgess, Fred Barkley, Conrad Knutsen, Pat Merkel, Steve Kendrick, Lloyd Grau, Kathy Wurzel. Minutes were approved as presented.

Motion by Pearsall, supported by Koch, to pay bills as presented. Carried.

Conrad Knutsen from the Chelsea Recreation Council was present to give the Board a presentation on the Recreation Council and asking for continuing support from Sylvan Township. Discussion followed and the Board will consider contribution at the Budget Hearing.

Fred Barkley from the Washtenaw County Parks and Recreation Department was present and gave a brief update on the Preliminary Plan for the Park. A discussion followed with the Board and Planning Commission members regarding the Park and the potential impact it will have on the community.

Zoning Inspector Burgess reported 2 zoning compliance permits, 5 certificates of occupancy, and 3 violations were issued in December.

Supervisor Dresselhouse reported on a letter from Attorney Flintoff regarding Special Use Procedures. At the December Board meeting it was moved to have the Planning Commission be only an advisory board on Special Uses, leaving the final decision to the Township Board. However, Attorney Flintoff informed in writing that the Board which holds the public hearing must have the final decision. Therefore, it was discussed who would hold the public hearing and decision was made to leave Special Use, as is, with the Planning Commission.

Dresselhouse also reported on the timeliness of receiving Planning Commission and Zoning Board of Appeals minutes. The policy the Board adopted was reviewed. All minutes and any correspondence with the Washtenaw County Planning Commission will be to the Clerk within 5 days of the meeting and the Clerk will type and distribute minutes and mail correspondence to WCPC. The Planning Commission was in agreement with the policy.

Dresselhouse also reported on Pleimeter Drive extension status and discussions with the Village and Road Commission regarding the bypass around Chelsea. Also the Village has applied to Washtenaw County to have a Transfer Station, therefore a siting committee is needed. Motion by Heller, supported by Koch, to appoint Dresselhouse as Sylvan Township representative to that committee. Carried.

An addition to the Fee Schedule for a deposit of \$1,000.00 on Special Use and Rezoning Applications which will be refunded when the project is complete and all engineering and planning fees are paid was discussed. An opinion from the Township attorney was requested and will be discussed again at that time.

Trustee Lesser reported on meeting with the Chelsea Fire Department regarding the new contract with Sylvan Township for 1994.

Clerk Koch reported that there will be an Election on March 15, 1994. Also a decision from Peggy Haines should be made by the end of January on the County-wide voting devices.

Motion by Lesser, supported by Pearsall, to adjourn.

LuAnn S. Koch  
Sylvan Township Clerk.

## Thinking of "Untaxing" Yourself? Think Twice!

"Does 'untaxing' yourself sound too good to be true? It is! Today's 'untaxing' packages contain false information that, if followed, could result in a huge financial burden for many years to come," said IRS district director John Hummel.

"People who followed advice on 'untaxing' themselves are now paying back taxes, penalties and interest. Some had their assets seized, and others faced criminal prosecution. They got a lot more than they bargained for," Hummel said.

"Let me give you some examples: In July, a Wayne county businessman had all five of his muffler shops seized for not paying taxes, after he followed advice on how to 'untax' himself. Another 11 individuals around the state were indicted this year for failing to file tax returns. Ten of those pled guilty and the other was found guilty after a jury trial. Four are currently serving jail time and the others will be sentenced soon," he said.

Hummel said taxpayers can tell the difference between legitimate financial advice and tax protester claims.

Claim: Paying income taxes is voluntary, and no civil or criminal penalties will result if not paid.

Fact: As citizens we voluntarily comply with the law of the land—from following traffic signals to paying taxes. If you fail to live within the guidelines of these laws, whether it's running a red light or failing to pay taxes, you will be penalized. The Internal Revenue Code and regulations clearly outline filing requirements. People may voluntarily calculate their tax liability. However, the obligation to pay is not optional.

Claim: No law has been enacted ordering the payment of income taxes, and it is legally possible to permanently remove oneself from the income tax system.

Fact: The U.S. Constitution, which gives Congress the "power to lay and collect taxes," applies to all. The ratification of the 16th Amendment authorized the enactment of an income tax. This law was tested in court as early as 1916 and has repeatedly

been upheld since then.  
Claim: The IRS is not part of the U.S. Treasury, rather a private Delaware corporation.

Fact: The Internal Revenue Service was created in 1862 as an office of the Department of Treasury during the Civil War.

Claim: IRS employees do not have to pay taxes, why should you?

Fact: IRS employees are subject to the same laws and rules as any other U.S. citizen and must file and pay all taxes timely.

"By the way," Hummel said, "tax protesters often claim they don't pay taxes and haven't for years. We know at least one person in western Michigan who is currently promoting the 'untaxing' packages and just happens to be paying all taxes due. So much for following the protester's own advice! Don't be fooled by claims of 'thousands of people just like you' who are supposedly following this advice," he said.

"We are very familiar with these, and other, tax-protester schemes," said Hummel. "Some border on outright fraud. However, the First Amendment guarantees the right of free speech to all—even these shysters," Hummel said. "But I want to warn law-abiding taxpayers that no court in the United States has ever accepted any of the arguments that protesters use. Claiming to dissolve your tax liability won't hold up in court. 'Don't get ripped off by paying \$5,000-\$7,000 for advice on becoming a tax dodger. Put simply, it's never worked and it never will.'"

## Economic Breakfast Club to Meet Jan. 19

The Economic Breakfast Club of Chelsea will meet at 7:30 a.m., Wednesday, Jan. 19, in the Main Dining Room of Chelsea Community Hospital. Sponsored by the Chelsea Area Chamber of Commerce, these meetings are held bi-monthly from September through May and have guest speakers who address a broad range of topics of interest to the members and their guests.

The guest speaker this month is Paul M. Ganz, MichCon's manager of government and community relations for Washtenaw, Oakland and western Wayne county. The topic of Ganz's talk will be "Economic Development—Building a Strong Michigan." He will detail MichCon's role in retaining and expanding old businesses and attracting new business development and jobs.

Ganz has been with Michigan Consolidated Gas Co. since 1988. He has been company spokesman on the media relations staff and managed economic development programs for southeastern Michigan. In September, 1992 he was promoted to his current position in the Ann Arbor office.

The Chamber of Commerce is happy to open these meetings to the public as well as the membership. Reservations are encouraged and may be

## Home Meals Service Needs More Drivers

Home Meal Service of Chelsea, which provides hot dinner meals every day to people who are home-bound or are senior citizens, once again needs volunteer drivers.

For the past two years, there has not been much turnover in drivers, but now circumstances such as impending birth and illness have forced some of the drivers to temporarily retire.

The delivery route for the daily meals is basically the Village and a few folks who live a little ways from town. Because of the growing senior population, both the Senior Nutrition program which originates at the Senior Center, and the original Home Meal Service whose meals are prepared at Chelsea Retirement Center, have grown this year. The combined program recipients numbers close to 30, split between two drivers. One program delivers seven days and the other five days, with extra frozen meals delivered on Fridays.

Many of the current volunteers only drive every other week, but one could drive more often if his/her schedule allowed.

Hot meals are picked up at 11:15 a.m. at Faith In Action Building or from the kitchen at the Retirement Center. The routes take approximately one hour. Prior to delivering meals alone, each driver is taken on the route by a seasoned volunteer, who points out any special instructions, such as the right door to bring the meal.

Because co-ordinator Mary Erskine wants the drivers to feel they can ask for a week off if something comes up, there is also a need for substitute drivers. Many of the current drivers are retired men and women who feel they still have a lot to contribute to the well being of the Chelsea community. Interested persons may call Mary at 475-9494 or 475-2821.

By the time they are seniors in high school, over 90 percent of American adolescents will have experimented with alcohol. (Forum on Youth Traffic Safety Initiatives, 1989).

## Village, Township Begin Studying Future Truck Route Around Town

The village and Sylvan township have begun preliminary discussions about how a truck route might be constructed west of the village.

The concern is that eventually the Michigan Department of Transportation (MDOT) will decide that M-52 has too much traffic and will come up with its own solution. An imposed solution may not necessarily meet with local approval. The governments believe they can head off that possibility by having a solution already devised.

Village trustee Frank Hammer, a member of the village's Planning Review and Ordinance Committee who has been part of the talks, said a major goal is to keep the impact on the downtown business district to a minimum. Without a plan, Hammer says, MDOT could decide simply to widen M-52 through town to three or four lanes, which could ruin the streetscape and eliminate a lot of downtown parking.

In addition, zoning issues along any truck route have to be addressed. The downtown could be hurt by more outlying shopping centers, for example.

The governments also do not want an "Adrian" solution, in which traffic is routed around the downtown through alleystreets.

A host of issues have to be

decided—from where the road will go to who will pay for it. There is plenty

of undeveloped land west of the village, but it may not stay that way.

## Cassidy Lake Camp Prisoners Captured

Three escapees from Cassidy Lake Boot Camp were captured last Monday, Jan. 3 less than 24 hours after they left the facility on Waterloo Rd.

Two prisoners, Jose Carrisal, 18, and David Silva, 17, were captured in a cornfield near Chrysler Proving Grounds on M-52 after a proving grounds employee called police.

A third prisoner, Stephen Bixler, 18, was brought to Chelsea police by area resident Norm Colvia, who found Bixler sleeping in his motor home Monday morning. Bixler apparently told Colvia he needed to go to Adrian and asked to use his telephone. Colvia

drove him to the police department instead.

All three men suffered injuries when they climbed over the concertina wire fence at the prison.

They were serving time for various charges of breaking and entering and car theft.

The three were also suspected of trying to break into a car at Faith-Morrow Buick, Olds, Chevrolet in Monday. A dealership employee found a vehicle with a smashed out driver's side window and other damage. Inside were a crowbar and a large hammer.

Damage was estimated at \$2,128.42.
