WINNER OF THE GRAND PRIZE in the Chelsea Area Chamber of Commerce sponsored House Party Friday night was Terra Gembariski, partner in Changes decorating business, who received a check for \$19,150 from C. of C. president John Mitchell. If 700 or more tickets were sold the grand prize was to be \$35,000,

otherwise the raffle reverted to a 50-50 drawing. Since 383 tickets were sold the award was for \$19,150. Other awards were: Jane Diesing of Chelsea, television set; Richard Graustein of Manchester, VCR; Jerry Martell, Chelsea, car phone; and Tom Bowling, Chelsea, \$500 cash.

Holt Welcomed as New Director At McKune Memorial Library

On her first day of work at McKune Memorial Library last week, Ann Holt arrived to find her second-floor office decorated in crepe paper and balloons.

Later in the day, she was presented with flowers by the library staff.

All in all, it wasn't a bad way to start the first day in a new job. "I thought, isn't this wonderful. I walked in, and they treated me like I was expected. Everyone has made me feel very welcome," said the library's new director.

Holt is replacing the library's longtime director, JoAnn Walter, who quietly and efficiently handled the library's operations for 15 years, before deciding to leave this summer.

In July, she informed Library Board trustees she planned to resign. There was no ill will in her departure. Walter simply wanted to do other things in her life closer to her home in north Jackson.

Holt said she can tell her predecessor did a good job managing library affairs simply because of her well organized records.

"She did a good job of organizing. Because there wasn't an overlap, it's a good thing she was real organized. It's nice to come in and look at records like that," she said.

Holt is coming to a library in the midst of several on-going projects. They include a renovation of McKune's front porch and rear entrance, consideration of district status for the library and its expansion on an adjacent site now undergoing environmental cleanup.

Senior Citizen Arts, Crafts Show Slated

Chelsea Senior Citizens Advisory Board will hold their 10th annual Country Craft & Folk Art Show Saturday, Oct. 1, at Chelsea High school. 100 juried artisans will present their work for sale.

Country wood and crafts, quilts, dolls and bears, handwoven rugs, silk and dried floral arrangements, pottery, tole painting, baskets, folk art, and many more crafts will be included.

Among Chelsea area persons exhibiting and selling at the show will be: Diane Blough, wood products; Merrill Crockett, dried floral-herbal; Beth Forner, paintings; Earlene Kemnitz, baskets; Vicki Kern, Dolls-Porcelain; and Sandra and Andrew Moore, children's clothing.

NEW LIBRARY DIRECTOR. Ann Holt has taken over Sept. 19 as the new library director at McKune Memorial Library for the departing JoAnn Walter, who served in that role for 15 years.

used considering the size of it. There are kids doing their homework here after school.

"I think it's neat that it's on Main St., that people can walk to it, and that it's historically valuable. This is a very special library, and the town is lucky to have it," she said.

Holt, 49, a Clark Lake resident, had been working for the past four years as regional librarian of Jackson's east library branch. Prior to that, she was a reference librarian for the Library of Michigan.

She has an appreciation for history and customer service, which she believes is the benchmark of any library.

"To me, the most important thing in library service is community service. Every community is a little different. So, it means I'll be doing a lot of listening."

"My philosophy is to not make any major changes for six months. This library has been doing a great job under JoAnn," she said.

Holt said she is not fully up to speed on efforts to give the library district status, but says she will be briefed during a meeting Thursday.

"District formation gives you a solid base for your funding. I'm not really familiar with the process. But I will become an expert. I just know it was good for Jackson. And that's a different situation than what's here," she said.

There is plenty of free parking. Follow the signs to Chelsea High school.

Ground Broken for New U-M Family Practice Center

Ground was broken yesterday for a new University of Michigan Family Practice Center on the campus of Chelsea Community Hospital.

The \$3,000,000 facility will encompass more than 23,000 square feet and will be designed to enhance existing primary care services, which include general and preventive medicine for adults and children, obstetrics and gynecology, family planning, sports medicine, geriatrics and mental health services. Special services in allergy, cardiology, and gastroenterology are also offered.

"This collaborative effort reaffirms the commitment to primary care on the part of the University of Michigan Medical Center and Chelsea Community Hospital," said Willard H. Johnson, president, Chelsea Community Hospital. In the late seventies the two hospitals began a collaboration to provide a community hospital setting for the training of Family Practice physicians. "With the growth of this clinical service and the increasing focus on the training of primary care physicians, the present U. of M. Family Practice Center has out-

grown its current building," Johnson added.

Officiating at the groundbreaking ceremony was James F. Peggs, M.D., medical director of the University of Michigan Family Practice Center at Chelsea. Speakers included Mark Hurt, health care policy advisor to the Governor; Dr. John E. Billi, associate dean for clinical affairs at the U. of M. Medical Center; John D. Forsyth, executive director, U. of M. Hospitals; Willard H. Johnson, president, Chelsea Community Hospital; and Dr. Thomas M. Schwenk, chair of the Department of Family Practice at the U. of M. Medical Center.

Village Consultant Recommends 40 Percent Hike in Water Rates

Chelsea residents, who haven't seen a water rate hike in nine years, will soon be getting one. But just how much remains to be seen.

The Village Council is considering a consultant's study which calls for a 40 percent rise in water rates to restore financial footing in the village water enterprise fund.

Rates now in effect were last adjusted in 1985.

Since then, revenues from village water sales have stayed constant

while expenses for utility operations and maintenance have risen.

The village is now facing a projected \$100,000 increase in capital improvement financing costs stemming from construction of a new water tower and water main extensions plus bond financing costs.

The proposed improvements are expected to increase village enterprise account expenses from \$342,000 to \$440,000 annually through the year 2000.

Besides the immediate rate hike,

the consultant has recommended additional 12 and 10 percent water service increases before the end of the decade.

The aim is to develop a surplus to offset a deficit in the fund account, the consultant said.

Council decided to take the recommendation under advisement while checking with other area communities for comparisons on sewer service rates. No action on a possible water rate increase is expected until October at the earliest, officials said.

Electrical Storm Causes Local Power Outages, Horse Accident

A mid-Sunday afternoon electrical storm caused two power outages in the area, according to officials.

And an unidentified woman was apparently injured as a result of a horse falling on top of her after being struck by lightning from the same storm.

The horse died in the incident, and the woman was taken to Chelsea Community Hospital for treatment of undisclosed injuries, a witness said.

At about 3:17 p.m., a lightning arrester failed when a bolt struck a pole at Stoffer and Hankerd roads in Dexter township, cutting electricity to some 180 customers, said Detroit Edison spokeswoman Mary Kay Bean.

Power was restored to those customers at about 6 p.m., she said.

A second outage was reported on S. Main St. in Chelsea, after a power line fuse went out in the early evening. The outage darkened McDonald's restaurant, Polly's supermarket and a number of residences, according to Paul Newhouse of Chelsea's Electric Light and Water Department.

The village, which owns and maintains its electrical distribution system, purchases electricity from Jackson-based Consumers Power Co.

There was no word on the condition of the woman injured in the horse accident.

She was apparently riding her

High School Students Will Be Tested for Achievement, MEAP

Chelsea High school will be testing all 9th, 10th, and 11th graders on Tuesday, Wednesday, and Thursday, Oct. 4, 5, and 6, 1994.

The MEAP will be given to 10th and 11th graders. The California Achievement Test will be given to 9th and 11th graders.

It is important that the students are in attendance for the completion of these tests.

Any questions or further information may be obtained from Gene LaFave, guidance counselor, at the high school.

with her husband some 10 miles west of Chelsea near Clear Lake Rd. when the storm came up.

She was reportedly attempting to place the horse in its trailer when it was apparently killed instantly from a bolt that struck its bridle. The horse toppled over on the woman, pinning her for an unknown length of time.

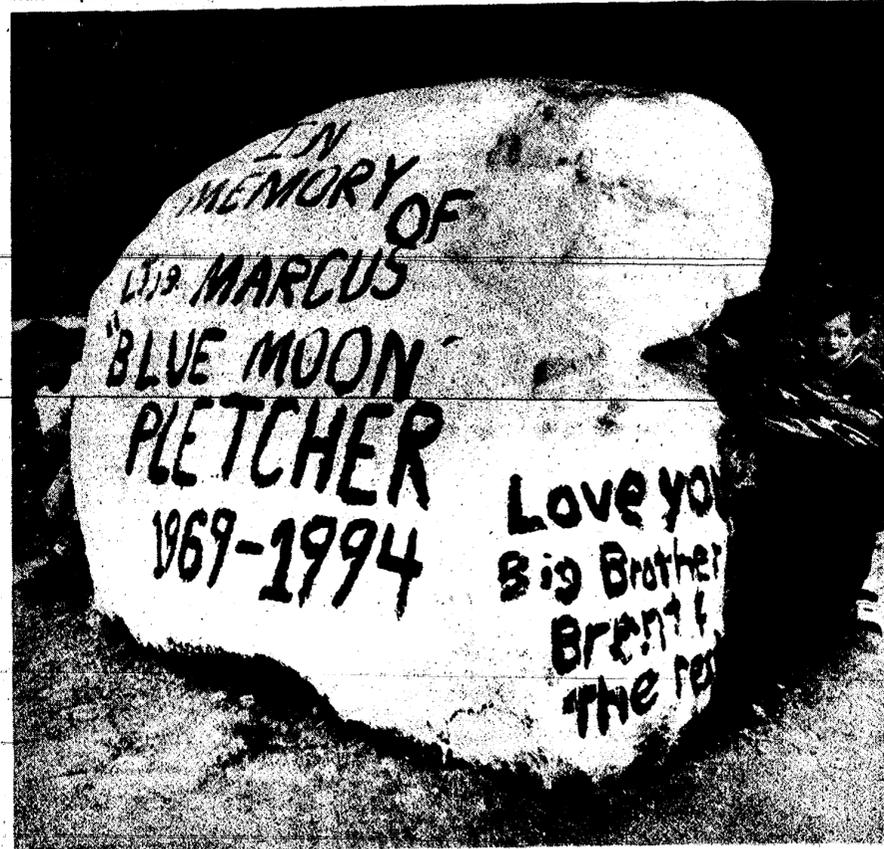

The couple was eventually assisted by a Chelsea youth, Ian Kummer, and his uncle, Jimmy Harper of Traverse City, who took them to the hospital.

The two were out posting no trespassing signs on family-owned land in preparation for the hunting season when they spotted one of the couple's horses running loose.

When they came upon the injured woman she was complaining of arm and back pain, a witness said.

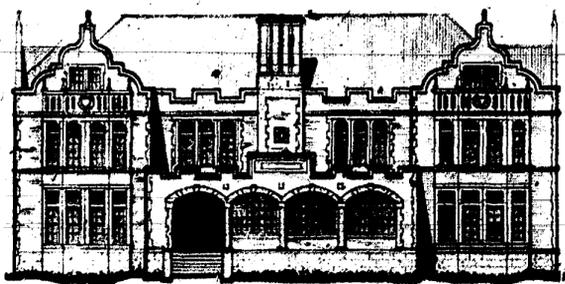

Harper later returned to the area and helped corral the missing horse, taking it to the Waterloo Hunt Club, according to a witness.

No police report was filed in connection with the incident, and hospital officials declined to identify the couple or release information regarding the woman's condition.

MOURNING MEMORY: It normally conveys happy messages. But last week, the rock at Chelsea's Pierce Park greeted passers-by with a Pletcher family tribute to native son Lt. J.G. Marcus "Blue Moon" Pletcher, 25, missing and presumed dead after his F-14 fighter jet went down in the Atlantic following a

collision with another jet during a routine training flight on Sept. 14. These children, Michael Kundak-Cowall, 4, (left) Seth Cossey, 3, and Alex Kundak-Cowall, 4, are oblivious to the message while playing near the rock.

Village residents should be prepared to change the way they deal with their trash sometime over the next year. The village has decided to negotiate a new contract with Marshall's Rubbish Service, which would begin Nov. 1. However, it's likely that within a few months trash pick-up will take place once a week rather than twice a week and that fewer total bags will be allowed.

Chelsea Milling Co.'s request for a 12-year tax abatement on new equipment was denied by village council last week, probably on a technicality. The measure required five affirmative votes but council Trustee Frank Hammer abstained and trustees Stephanie Kanten and Jack Myers were not present. Consequently, there were only four affirmative votes.

Chelsea's Downtown Development Authority has received a written report from the state indicating the All Season Comfort building on W. Middle St. is basically an acceptable site in which to relocate the Secretary of State office. According to DDA chairman Sheridan Springer, the state's primary concerns, such as a new roof, could be easily addressed. The office is currently located at the southwest corner of Main and Middle Sts. The state has decided to leave the building due to problems with handicap access.

On Thursday, Oct. 2 at approximately 8:18 p.m., an accident occurred at BookCrafters. While two employees were attempting to clean the rollers on a printing press, Donald L. Walz, 20, of Grass Lake caught his right arm in the machinery. He was taken to Chelsea Medical center where it was deter-

mined that his arm, lodged in the press up to the shoulder, had been broken. Since that time, the safety committee that investigated the mishap has handed down commendations to a number of people responsible for his prompt rescue. According to the committee, two fellow workers, Steve Hegadorn and Ken Sanders, were the first to respond to the accident. They immediately hit the stop switch on Walz's press, which played a crucial role in limiting the extent of his injury.

Chelsea boys cross country team won its sixth consecutive meet Thursday, Oct. 9, edging past Saline, 27-28. "We had a few people out with sickness, but we ran well enough to win," said coach Pat Clarke. "I just hope we have all of our people back for the Lincoln meet this week."

Gerald D. Grohert, Dexter attorney, who retains law offices on Alpine St. in Dexter, has announced his association with George W. Parker, Ann Arbor attorney. Parker will open and operate a new Chelsea office for the firm in the former Knights of Columbus building at 105 N. Main St. on Monday, Nov. 2.

An accident involving two horses and an automobile occurred late Monday afternoon, Oct. 26 on Jackson Rd. at Baker Rd., Washtenaw County Sheriff's Department officials reported. The auto, driven by 67-year-old Pearl Virginia Menge of Chelsea, was westbound on Jackson Rd. at 40 mph when she struck two horses which were crossing the road. The horses, which belonged to Preston Cowell, were roaming free at the time of the accident.

BEHIND THE HEADLINES:

What's Behind the Homeless Hype?

The plight of the nation's homeless is a troubling one. Yet, the problem is often grossly exaggerated by activists, as the facts reveal.

By Phillip C. Clarke

During the 1980s, the homeless issue was frequently used as a political stick with which to belabor the Reagan Administration. Critics often accused Reagan of slashing huge holes in the so-called safety net—that is, programs designed to protect vulnerable people from destitution.

Because of these cutbacks, millions were said to have been literally driven onto the streets to fight for survival. As a result, Congress voted huge spending increases on federal welfare programs, subsidized housing projects, homeless shelters, and the like.

While the homeless pose a very real problem in a rich and compassionate society such as ours, the activists have often indulged in fear mongering in pursuit of ever larger federal spending programs. Slowly, however, the facts are getting out. And even liberals increasingly are conceding that the homeless problem has been misrepresented and overblown to serve political ends.

Now, a new book sets the record straight. It's titled *The Homeless*, and is written by Christopher Jencks, a professor of sociology at Northwestern University. In weighing all available information, Jencks explodes a number of popular myths.

First the numbers. Most media reports cite a supposed statistic asserting that there are now some 3 million people living on the streets. In fact, as Jencks shows, homeless activist Mitch Snyder simply made up this number when asked about it years ago by Ted Koppel on ABC-TV's "Nightline." Credible studies by the Census Bureau, the Urban Institute, and the Columbia University School of Social Work

put the real number of homeless in 1987 at about 400,000. And since then, says Jencks, the total actually has declined.

Jencks points out that counting the homeless is extremely difficult because the definition of a homeless person is so uncertain: Many such people move in and out of the ranks of homelessness, as commonly defined.

One study found that in any given time period, fully half of the homeless were off the streets within a couple of months.

Another myth propagated by activists is that the homeless are ordinary people, like you and me. As the argument goes, just about anyone could end up on the street after a string of bad luck.

Studies show, however, that most of the homeless are not like the rest of us. Many suffer mental illnesses, have drug addictions, or are convicted criminals. Their numbers are overwhelmingly male, and almost all are unmarried. Only 6% had a steady job.

Still another myth has it that cutbacks in low-income housing programs pushed thousands of vulnerable people onto the street. No other myth has been more widely circulated than this one. Worse, everything from homelessness to the Los Angeles riots has been blamed on these "cutbacks." The facts show otherwise.

Budget data reveal that under Presidents Reagan and Bush, spending on housing programs continued an upward march. As Jencks found, "Federal outlays for low income housing rose faster than outlays for either Social Security or (national) defense. The slow but steady growth of low-income housing subsidies under Presidents Reagan and Bush was one of the few liberal success stories in a generally conservative era."

Another myth is that rents

charged to low-income tenants rose rapidly throughout the 1980s, again pushing many vulnerable people out onto the street. Low income tenants did spend a rising percentage of their incomes on rent during the 1970s and 1980s, but so did the general population. What's more, most of the increase occurred during the 1970s, before homelessness became an activist issue. In reality, writes Jencks, "During the 1980s, low-income tenants' rent burden rose very little."

Obviously, the nation's homeless need help. But programs that really work cannot be put into effect until the essential facts are brought out. Misrepresenting the homeless problem does little to help and much to harm these efforts.

Society Bank Announces Appointment

The following officer position was recently announced by George Cress, chairman, president and CEO.

Kathleen Woodard has been named vice-president and marketing director of Society Bank, Michigan. In this position, she is responsible for managing the marketing, public relations and communications functions for the Michigan region.

Woodard began her career with the bank in 1978 as marketing assistant and was promoted several times, serving in various marketing and product development capacities. In 1986, she was named assistant vice-president and product manager of Citizens Advantage—a program targeted at the 50+ segment, which later turned into Prime Advantage. Assuming over-all responsibility for the Marketing Department and the bank's public relations efforts, she was named marketing officer in 1988. With a keen ability to manage projects successfully and a broad knowledge of the bank, she was promoted to vice-president in June of 1994.

Woodard earned her Bachelor's Degree in Marketing from Eastern Michigan University, and graduated from the School of Bank Marketing in 1985.

She serves on the Advisory Board for RESPITE, an organization that provides support to primary caregivers of the elderly.

Woodard is a board member and immediate past president of the Ann Arbor Ad Club, where she was recently recognized for her outstanding leadership abilities. In June of 1994, the American Advertising Federation honored Woodard as "President of the Year" and Ann Arbor's club as "Club of the Year" for division III at the National Advertising Conference in Texas.

Vietnam Vets Group Seeks Truck Repair

Vietnam Veterans of America, Chapter 310, is seeking a donation of body repair work on a 1964 military Jeep truck. The truck was donated to the chapter for use as a parade vehicle. At the time the truck was not running and needed new brakes. That work was done by a member of the Vietnam veterans chapter, but some light body work and a new paint job has proven to be

a little bit beyond the veteran's capabilities.

"We've got the paint, but we don't have the tools, place or time to do the body work," said Don Meabon, the project chairman.

If anyone would like to help the non-profit organization, they may call chapter president Gary Lillie at 663-6694.

ENVIRONMENTAL BUILDERS: Crew members Tom Miller (left) and Richard James from Bauman-Krueger Contractor, Kalamazoo, work on roof of shelter housing vapor extraction system,

designed to clean up underground gas contaminants on Main St. corner lot adjacent to McKune Memorial Library.

Environmental Cleanup Work Begins Near Library

A Kalamazoo-based environmental firm has been in Chelsea the past two weeks putting in a soil vapor extraction system to clean up gas contaminants in a corner lot adjacent to McKune Memorial Library.

The Main St. location is the proposed site for a new children's wing for the library. The Downtown Development Agency has previously indicated it would purchase the privately-owned lot for the McKune expansion project.

But before that can happen, the site must be rid of gasoline contamination left over from underground gasoline storage tank seepage. It used to be the site of a gas station and convenience store.

A three-man construction crew from Bauman-Krueger Contractors, built a shelter last week to house the main components of the vapor extraction system, expected to be in place for more than a year.

Two weeks ago, the company dug 11 wells around the site for the remediation project.

The system includes a main pipe running from the shelter that is connected by two-inch line to each well.

It's designed to extract the contaminants through the piping system and cleanse the soil.

The village is not directly involved in the privately-contracted project, said Village manager Jack Myers. But it is monitoring work there along with the Department of Natural Resources.

Children's Safety Class Offered Oct. 8

A "Children's Safety Class" will be sponsored by Keith Hafner's Karate on Saturday, Oct. 8, from 11 a.m. to 12 noon. The class is open to boys and girls age 4 to 10.

Master Hafner and his staff will be teaching children: 1) what to do if confronted with unhealthy peer pressure; 2) how to respond if they are being bullied; 3) what to do if lost; 4) 3 self-defense techniques all children should know!

Keith Hafner's Karate is offering this event free of charge, as a community service. To register call 994-0333 before Oct. 5th!

Village Levies Millage for Waste Disposal Needs

The village intends to levy 1.1 mills to meet local waste disposal needs.

About half the levy — 0.5938 mills — will go for construction of a transfer station adjacent to the Chelsea landfill. The transfer station will temporarily hold trash to be transferred to the BFI landfill in Salem township.

The other half of the levy, .5017 mills, will be used for remediation of the landfill. The millage was approved by the Village Council on Sept. 13.

Council has authority to levy up to 3 mills without voter approval.

Village manager Jack Myers said the transfer station millage should raise about \$61,330 and the remaining levy, an estimated \$51,428 for environmental cleanup work at the landfill site.

"The landfill itself is actually closed and capped," Myers said.

Instead the village is operating what it calls a solid waste facility for handling of waste and trash disposal.

Builders License Seminar Slated By Community Ed.

A 24-hour seminar on the basics of building your own home will be offered by Chelsea Community Education, in co-operation with Michigan Builders Institute. The course will be held on Mondays and Wednesdays beginning Oct. 10 through Nov. 2, from 7 to 10 p.m. at Chelsea High school, 500 Washington St.

Classes cover the home building process from start to finish. Subjects include buying property, site planning, zoning questions, financing and building codes and permits. People also learn basics of concrete, masonry, wood frame construction, roofing, plumbing, electrical, insulation and ventilation, dealing with subcontractors and more.

The course helps people avoid making costly mistakes when building their own homes and become more confident when working with a contractor. The course costs \$170 and includes a building textbook and course manual.

Pre-registration is required no later than Thursday, Oct. 6, to Chelsea Community Education. Please call 313-475-9830 to register during office hours.

The course instructor is a licensed builder with experience teaching builders' classes. He can answer questions related to all facets of home building. Michigan Builders Institute teaches in 70 schools in Michigan.

For a free brochure and a current schedule of classes, please call 810-651-2771.

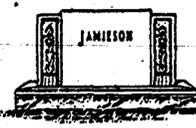

Pinckney Area Man Departs for Western Pacific Navy Duty

Navy Petty Officer 2nd Class Daniel J. Dolphin, son of Thomas F. and Elizabeth A. Dolphin of 3244 Madison Dr., Pinckney, recently departed for a six-month Western Pacific and Indian Ocean deployment with Strike Fighter Squadron 97, Naval Air Station, Lemoore, Calif., as part of the aircraft carrier USS Kitty Hawk Battle Group.

Dolphin's squadron is part of a nine-ship battle group consisting of 8,000 sailors and Marines aboard an aircraft carrier, three guided missile cruisers, a guided missile frigate, an ammunition ship, a replenishment oiler and two attack submarines. Additionally, the nine squadrons of Carrier Air Wing 15, with their 75 aircraft, are embarked aboard USS Kitty Hawk.

Dolphin's squadron flies the F/A-Hornet, which performs both the fighter and attack roles for the Navy and Marine Corps team.

Mobile and flexible, today's naval forces can deploy swiftly to remote areas of the world. Whether helping build international coalitions or providing humanitarian assistance, the Navy-Marine Corps team can respond quickly to demonstrate U.S. power and resolve from the sea.

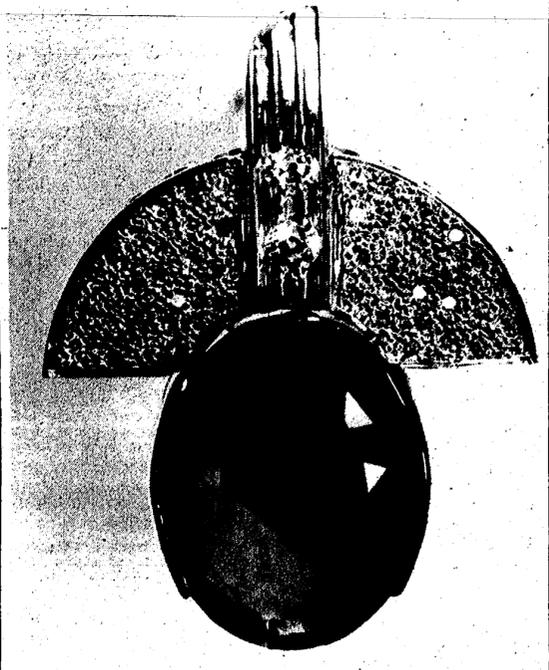

The selection of a memorial is a most important decision... because it is a permanent tribute of love and respect to the memory of departed ones.

We offer sincere counsel, years of experience and the finest memorials produced anywhere, at a reasonable price.

POLICE BEAT: Members of local police agencies in Washtenaw county took part in last Thursday's 10th annual Michigan Law Enforcement Torch Run for Special Olympics. These officers follow state police car escort on Freer Rd. just east of Polly's supermarket along route to finish line in Ann Arbor. Chelsea police chief Lenard McDougall and

county sheriff's deputies were among those pledging a minimum of \$100 to help reach the state Torch Run's goal of \$350,000. McDougall chose to pedal his bicycle rather than run in the event. Some \$700,000 has been raised for Special Olympics since the inception of the charity run.

Township Board of Trustees needs our thanks for having the courage to do the right thing.

Letters to the Editor

To the Editor:

Every once in a while a story gets circulated which can have an adverse effect upon many people and it is difficult to know exactly how or if to respond to it. Such is now the situation regarding a story going the rounds about myself and St. Barnabas church.

The "tale" has several variations of a main theme, but, primarily it has me "retiring" in the near term and that St. Barnabas is closing!

Let me take them as two separate but at least partially intertwined issues.

First by Canon Law of the Episcopal (Anglican) Church a member of the clergy is faced with a "mandatory" retirement age varying from 70 to 72 years depending upon the branch or nation in which the church is located. However, dependent on a number of factors such as health, need of the church, desire of the individual and at the discretion of the Diocesan Bishop the priest, deacon may continue to actively serve on a year-to-year basis. I am neither of the mandatory age nor do I intend to seek an earlier retirement date.

Second, perhaps it may be easier to start out with a brief description of corporate law. A corporation is a fictitious entity that has a life of its own; therefore, if a division, branch or employee of the corporation dies, retires or leaves the corporation still continues. The Episcopal and many other denominations can be likened to a corporation with the Diocese being the "corporation" in a specific state or area, the parish churches as divisions or branches and the clergy as employees. It follows that, should the local clergy be transferred, retire, die or become incapacitated, the parish still continues and a new "employee" priest will be assigned or "employed" to carry on the activities of the parish.

As you may know, the Diocese of Michigan has recently been subdivided in two, an action of the National Church's approval and which will be effective Jan. 1, 1995. As a part of the over-all planning parishes and missions have been evaluating their position within the newly formed diocese considering such things as the impact the change will have on their future, what the shape of the relationships with other nearby churches will be and the mission of the parish in the years to come, a process started about six years ago. Contrary to what might be thought, the Episcopal Church rather than closing its smaller parishes and missions is founding new ones, the most recent to be located in Canton.

I realize that this may well be a very long answer to two questions to which I could have responded by simply saying, "Not true," but, I believed it necessary to offer you, my friends, neighbors and those who depend on St. Barnabas a fuller and public response.

Like Mark Twain's reply to his obituary, my/our death has been overly exaggerated—or words to that effect.

To the Editor,

It seems to me that to attack the Dexter Township Board of Trustees regarding the sewer at North Lake and the other lakes is not right. They are doing their best to do what is right for all of the residents of the Township. Do they need to be attacked for doing their job? They have a thankless job. They spend many hours working in behalf of all of us.

All one has to do is drive down any road in the Township to see that the Township is expanding at a rapid rate. The sewer is not going to speed this process. The process is already happening.

Doing what is right, in the long run, is what is important.

It takes a great deal of courage to do what is right rather than what might be politically expedient. The

Dear Editor,

Our neighbor boy, Kevin Riddle, found one of the stolen A.T.V.'s that was listed in the paper. We called the sheriff and the owners were able to recover it. We called the owner and told her to contact Kevin and thank him for helping them get their 4-wheeler back.

Now, here is an 11-yr.-old boy, doing the right thing and these people haven't even bothered to call him or give him the reward they offered.

The sheriff's department did their part and thanked him. So, to the owners, come on, at least give him a call and let him know he did the right thing. We need more honest, caring kids like Kevin, and we as adults, need to make sure Kevin is given the thanks he's due.

week that the tax rate per \$1,000 of assessed valuation in the township this year will be \$57. This is an increase of \$8.40 over last year's rate, which was \$48.60.

Vice-President Richard M. Nixon is campaigning in Michigan today and his schedule calls for his train to pass through Chelsea at 10:45 a.m. after a half-hour stop in Ann Arbor.

Because of flagrant disregard of business ethics by many door-to-door peddlers, Chelsea Village officials advise Chelsea residents that to protect themselves and others they should demand that the salesman show a permit secured from the village clerk. If the salesman fails to produce proof that he has such a permit, the Chelsea Police Department should be notified at once.

Those in-the-know about such things say the bowfin is, in fact, one of a handful of "living fossils." The modern bowfin is little changed from that which swam in pre-historic waters. Apparently, the fish's design needed little improvement—it's near perfect as is. Who among us can say that?

Next time you're lucky enough to land a bowfin, afford the fish the respect it deserves. Treat it well and, if you're of a mind, return it unharmed to the water to live out its life's purpose. You'll be glad you did.

New Jeff Daniels Comedy Opening at Purple Rose

Purple Rose Theatre Company will launch the 1994-95 season of productions with *Thy Kingdom's Coming* a new comedy written by Jeff Daniels. Previews of *Thy Kingdom's Coming* will be held Thursday, Oct. 6 through Oct. 13, with the official opening night on Friday, Oct. 14.

Performances for the remainder of the eight-week engagement will be Wednesdays through Saturdays at 8 p.m. with Sunday shows at 2 p.m. and 7 p.m. through Sunday, Nov. 27. All performances are at the Purple Rose Theatre Company's Garage Theatre, 137 Park St., Chelsea.

Thy Kingdom's Coming takes a hilarious and biting look at Hollywood and political censorship movements. Action movie hero Derek Johansen, along with his personal assistant, producer and screenwriter, believe that their new film concept will take them down the road to superstardom and megabucks. This Hollywood quartet, convinced that an action movie based on the Bible will break box office records, are soon faced with the dilemma of translating the Bible's words of wisdom into sound bytes, freeze frames and promotional trailers. Additional troubles are faced due to the possible objections that leaders of conservative religious groups or political censorship campaigns may have with this artistic venture. *Thy Kingdom's Coming* is an adult comedy containing strong language which may be offensive to some audience members.

Thy Kingdom's Coming is written by Jeff Daniels, executive director of the Purple Rose Theatre Company and noted actor of Broadway and Hollywood fame. This production of *Thy Kingdom's Coming* will be the fourth original script of Daniels' to be produced by the Purple Rose Theatre Company. His first PRTC script, *Shoe Man*, ran for 13 weeks in 1991 and received 1990-91 Best New Play Award from *The Detroit News*. Daniels also wrote *The Tropical Pickle*, which ran for 17 weeks during the summer of the 1991-92 season and received the 1992 Best Comedy Award from *The Ann Arbor News*. Last season he wrote *The Vast Difference*, a comedy which not only had a successful 14-week run in Chelsea, but also transferred for a commercial engagement at the Gem Theatre in downtown Detroit. *The Vast Difference* is scheduled to be produced off-Broadway by Circle Repertory Company in New York during the spring of 1995.

Thy Kingdom's Coming cast includes Wayne David Parker as Derek Johansen and Guy Sarville as his personal assistant, Crash Baker. Phillip Locker portrays the producer Gordon Wessler and Anthony Caselli plays screenwriter Gerald Maruskin. All four performers in the cast are members of Actors' Equity Association.

Thy Kingdom's Coming is being directed by T. Newell Kring, artistic director of the Purple Rose Theatre Company. Kring has collaborated with Daniels and directed the PRTC productions of *Shoe Man*, *The Tropical Pickle* and *The Vast Difference*. Set design is by Bartley H. Bauer and lighting design is by Gary Decker. Costume design is by Susan Hollis Naum and sound design is by Joe Jenkins. Susan C. Guszynski is stage manager.

PEGGY HAINES

Peggy Haines Named To Head State Assoc. Of Register of Deeds

The Michigan Association of Registers of Deeds has announced the election of Peggy Haines of Superior township, as its president for the 1994-1994 term.

The election was held at the M.A.R.D. annual summer Educational Conference, July 12-15, at the Quality Inn in Coldwater. The installation was performed by Nancy Haviland, Livingston county Register of Deeds. The Association's membership is comprised of registers, clerk-registers, and several deputies in all 83 Michigan counties.

Peggy was appointed the Washtenaw county Clerk-Register in 1990, has been consecutively re-elected, and has accumulated more than 30 years of service in the Register's office. She has been an active member of M.A.R.D., serving on the Board of Directors and chairing or serving on numerous committees. She's also active in many community activities and organizations, as well as the United County Officers Association and the International Association of Clerks, Recorders, Election Officials, and Treasurers.

Other officers elected at the conference were Jerry McDevitt (Jackson county), 1st vice-president; Joe Merten (Oceana county), 2nd vice-president; Kaye Grubba (Shiawassee county), 3rd vice-president; Patricia Manley (Marquette county), treasurer; and Ginny McLaren (Tuscola county), secretary.

Snowmobile Trail Permit Will Help Fund State Trails

Beginning Oct. 1, anyone operating a snowmobile on public property in Michigan will be required to purchase a snowmobile trail permit in addition to having a valid snowmobile registration.

The new requirement is the result of an amendment to Michigan's Snowmobile Law, which provides a means to generate additional funding on a user-pay basis for the upkeep of the state's snowmobile trail system.

"The permit, which costs \$10 and is valid for one year, will help raise approximately \$2.5 million for the preservation of Michigan's premier public trail system," Department of Natural Resources Director Roland Harmes said. "These additional dollars are critical to maintaining safe, enjoyable recreational opportunities for snowmobile enthusiasts and others who use these trails."

The Michigan snowmobile registration fee will continue at its three-year, \$15 rate. This fee has remained the same since 1978.

Five dollars from each snowmobile registration fee collected is currently deposited in the state's Recreational Snowmobile Trail Improvement Fund (Fund). The amendment, (P.A. 99 of 1994), requires that \$9 of the new \$10 snowmobile trail permit fee be credited to the Fund, with 50 cents retained by the DNR for administrative costs and 50 cents retained by the agent selling the permit.

The monies will be used by the DNR for the purposes of planning, construction, maintenance and acquisition of snowmobile trails and areas, and basic snowmobile facilities.

"The additional revenue from these new trail permits will allow snowmobile grants sponsors to increase the grooming of these trails by 50% or more," Bill Manson, chairman of the Snowmobile Advisory Committee said. "It will also allow the future of Michigan snowmobiling to continue and expand."

Permits will be available beginning Sept. 1 and will be required for anyone operating a snowmobile in Michigan except when the snowmobile is: being operated exclusively on lands owned or under the control of the snowmobile owner; being used entirely in a safety education and training program conducted by a certified snowmobile safety instructor; or exclusively operated in a special event of limited duration.

Persons whose snowmobile registration expires this year can purchase a snowmobile trail permit when renewing at any Secretary of State branch office or when renewing by mail.

For information about snowmobile trail permit purchase locations in your area, please contact the Michigan Snowmobile Association at 616-361-2285; West

JV Team Splits Cliffhanger Road Games

The Chelsea junior varsity girls basketball team split a pair of cliffhanger road games last week, beating Williamston 37-35 before losing to Milan, 33-32, in the conference opener for both squads.

In the Tuesday, Sept. 20 victory over Williamston, the Bulldogs took a 19-13 halftime lead but saw its slim lead eventually evaporate late in the fourth quarter.

Trailing 35-34 with 15 seconds left, Michelle Lucas brought her team back, completing a three-point play for the game-winner.

She hit a free throw after being fouled on a made bucket to give her team a basket margin that held up when Williamston missed a shot at the buzzer.

"It was a tight game all the way. The kids did a great job of coming back in the end," said JV coach Paul Terpstra.

Christine Herndon led the Bulldogs with 11 points while Lucas scored 10. Emily Arend and Cindy Richard chipped in with four apiece, Carrie Williams had three, and Sarah Pruess and Angie Carpenter, two.

The team shot 33 percent from the field against Williamston on 16 of 49 attempts, while shooting only 5 of 11 foul shots for 45 percent.

Poor foul shooting undid Chelsea in its loss against Milan last Thursday.

The team had a number of chances to put the Big Reds away after leading 18-16 at the half, and

increasing the margin to seven in the third quarter.

But the Bulldogs couldn't pull away from Milan, and then saw their lead disappear before staging a near dramatic comeback in the closing seconds.

With Milan ahead 33-30, Chelsea got a basket with seven seconds to go, narrowing the lead to a point, before stealing the in bounds pass. After calling a timeout, however, the Bulldogs failed to get a shot off before time ran out.

"It was a great ball game. We didn't execute the play we had designed for the last shot," Terpstra said.

But the game was really lost at the line, where Chelsea missed all seven shots it took.

And despite enjoying a 44-25 rebounding edge over Milan, it couldn't take advantage because of costly turnovers that totaled 29 for the game. Most were committed as a result of Milan's relentless pressing defense.

Lucas led all Bulldog scorers with 14 points while grabbing a game-high 15 rebounds. Herndon added 12 points and 13 rebounds. The team's remaining points came from Richard, four, and Melissa Carty, two.

Seventh Grade Girls Start Basketball Season 1-2 After 3

The seventh grade girls basketball team is 1-2 after three games.

The team lost its first two games to Saline and Dexter before earning a 22-17 victory over Pinckney.

Lindsay Brink scored six points, six rebounds and two steals to lead her team in its Sept. 14 home-opening 39-16 loss against Saline.

Carris Harris also had six points in that contest, while Jocelyn Temple and Laura Saarinen had two each. Deb Adams contributed five rebounds and Liz Menge, three.

In the Sept. 19 15-11 loss to Dexter, Brink again led her team in scoring with five points. Other scorers were Traci Kern and Deb Postuff with two points apiece, and Menge and Patricia Herndon with one each.

Coach Ann Schaffner said turnovers were the difference in the Dexter game, with many coming before the team got a shot.

In last Wednesday's road win against Pinckney the seventh graders took a one point lead into half and increased it to five in the second half.

Herndon and Postuff both had eight points in the winning effort. Herndon also had 11 rebounds to lead the team.

Merkel's Celebrating 70th Year in Chelsea

Merkel's will celebrate 70 years of business on Chelsea's Main St. with an Open House Sunday, Oct. 2 from 12 to 5.

The store will be offering gifts, prizes and refreshments. Special guests include Larry Logan of Harden Furniture, Alan Zeigler of La-Z-Boy, and Brooks Miles from Sherrill Upholstery.

Merkel's began business in 1924 when Ferd Merkel took over ownership of an existing gas station and tire store. The store occupied one half of a building built by his father, Martin Merkel, in the early part of the century. He expanded into the other half of the building with general hardware. This building is the current location of the floor covering department. The gas pump remained operational in its original location on Main St. until the 1980's.

Ferd was joined by his brother Norb and the company became Merkel Brothers, selling hardware, farm implements, floor covering and some furniture.

Around 1940, the Princess Theater, next door, closed and Merkel Brothers expanded into the

space with a furniture showroom. In 1958, the furniture again expanded into the adjacent building which had housed a pool hall.

In 1974, the corner building where Sam's Barber Shop and Hilltop Plumbing had been located was acquired and remodeled into furniture showrooms.

Hardware had been discontinued after Ferd's sons, Jack and Bob Merkel joined the company and became the new Merkel Brothers. Under their direction, the store specialized in furniture and floor coverings, and has even expanded into Ann Arbor with a floor store on Stadium in the Lamp Post Shopping Plaza.

A third generation, Tim Merkel along with partners, Doug Carlson and Fred Zuidfeld have joined the company with a goal of serving the community into the 21st century.

Crunchiness is not a good indication of fiber content in food. For example, a serving of spinach has more fiber than cauliflower, and a half cup of beans has more fiber than an apple. So you can't really go by texture to determine fiber content.

Young Chelsea Tennis Team Seasoning Under New Coach

The Chelsea girls tennis team is off to a 3-2 Southeastern Conference start under new coach Marta Schnegelsberg.

With only four seniors, the 21-member team is dominated by underclassmen.

The team has been led this year by the steady singles play of Liz Holdsworth.

Among the team's other doubles players are Sara Walters, Bree Wireman, Becky Gordon, Brooke McArthur, Kim Schmill, Martha Merkel, Miriah Cherem and Melanie Hava.

Other singles performers include Ann Frederick, Aubri Shermet, Autumn Allen, Melissa Smith and Leslie Parker.

Let's Go Bulldogs!

Bulldogs Down Lincoln, Back in SEC Title Race

Two weeks ago, the Bulldogs were staring at two shutout losses and a bleak football future as coach Gene LaFave's question mark club headed into the heart of its Southeastern Conference schedule.

Two weeks later, Chelsea finds itself tied with Dexter for second in the conference race and growing in confidence. Who would've thought it?

Two straight wins will do that for you.

After escaping with an exciting Sept. 16 comeback win over Milan at home, the Bulldogs built on that victory with a 21-12 conquest at Lincoln last Friday.

Chelsea rode the strong running of newly-inserted tailback Case McCalla and the timely passing of quarterback Pat Lynch to the win over the Railsplitters.

For the second week in a row, the Bulldogs won a game in which they were outgained on offense. But that's no surprise. It's been the case all season.

So far, Chelsea hasn't won a statistical battle with any of its opponents.

The defense has been imprinted with a bend but don't break stamp. Against Lincoln, the defense was as good as it needed to be, shutting out the Railsplitters in the first half, and barely hanging on in the second.

The Bulldogs were helped as much by Lincoln miscues as by their own performance.

A second quarter 60-yard touchdown run by speedy running back Jaquan Wright was wiped out by a holding penalty. And Lincoln blew both its chances for two-point conversions after climbing back in the game in the third quarter with a pair of touchdowns.

The Bulldogs snuffed out Lincoln's final chance for a touchdown with just over two minutes left in the fourth quarter when Bryndon Skelton intercepted a Tony Mingas pass in the end zone.

For the first time this year, Chelsea got on the scoreboard ahead of its opposition.

McCalla capped a late first quarter eight-play drive with a one-yard run that gave the Bulldogs a 6-0 lead.

The key play was a third down 19-yard pass from Lynch to Skelton that set up McCalla's first TD of the season. But Chelsea had to settle for just six points when Casey Wescott missed the point after kick.

The Bulldogs expanded their lead in the second quarter with Lynch

slipping in for the touchdown from two yards out.

This time, Chelsea opted to go for two. And Lynch made it work by hooking up with McCalla who returned to tight end on the play. The senior snared Lynch's pass wide open in the middle of the end zone.

As the half ended, the Bulldogs surprisingly found themselves on the long end of a 14-0 lead.

LaFave was feeling good about his team at that point. It had pretty much shut down Lincoln's big play fullback, Glen McLain, a 6'0", 220-pound junior.

And Lincoln coach Russ McKenzie, realizing that Chelsea was keying on McLain, obliged by sending in running plays that featured sweeps by Wright, a 6'0" sophomore tailback.

In the first half, Lincoln's two running backs accounted for less than 100 yards on the ground.

But after making several adjustments, the Railsplitter offense came out sharply in the second half, shredding the Bulldogs defense and controlling the ball for two long third quarter drives ending in touchdowns.

Sandwiched in between was a short three and out possession by the Bulldogs that ate up less than a minute.

McLain plowed in from a yard out for Lincoln's first score with 6:24 remaining in the quarter. And Mingas then culminated a nine-play 75-yard march with a bewildering 8-yard TD pass to running back Bryan Williams six minutes later.

Bewildering because, instead of a touchdown, it should have been an interception. Mingas threw the ball in a crowd and seemed to guide it through the hands of Skelton before Williams cradled it in his arms for Lincoln's last score.

The crucial play of the game came next. Mingas faded back for a two-point conversion pass that fell incomplete, keeping the Bulldogs on top 14-12.

But the two scores gave Lincoln renewed life heading into the fourth quarter. Momentum had completely swung to the Railsplitters.

However, Chelsea showing poise on the road, put the game away midway through the last quarter.

The winning drive was keyed by two passes from Lynch to Skelton. The first was a 25-yarder that set the Bulldogs up in Lincoln territory.

The next came on a down and out toss that set up the passing duo for a

sideline and go route, leading to a 25-yard touchdown.

Lynch arched the ball on the timing pass just as Skelton had beaten single coverage. The senior wideout grabbed the ball inside the five, feinted one defender and ran in for the TD.

Skelton came up big on Lincoln's ensuing drive when he ended its final scoring hope on an interception. The Railsplitters got the ball back with 1:07 left but turned it over on downs before Chelsea ran out the final seconds.

While playing impressively for one half, LaFave said he was concerned about defensive "breakdowns" in the second half.

All told, the Bulldogs gave up 324 yards, including 234 on the ground. Lincoln's two primary ball carriers each ran for more than 100 yards apiece, averaging more than 5 yards per rush.

Wright gained 118 yards on 20 carries while McLain ran for 113 yards on 20 attempts. Mingas passed for 61 yards on eight of 12 attempts.

The Bulldogs rushing game modestly improved with McCalla making his debut in the backfield. He gained 55 yards on 17 carries. But he supplied the tough inside running Chelsea needed to move the sticks and make the passing attack more effective.

That was the recipe it used for the victory, along with no turnovers and a sharp reduction in penalties.

Lynch is also maturing at quarterback, making better decisions as a runner and passer. He ran for 60 yards on nine carries for the Bulldogs, while passing for 129 yards, hitting on seven of 10 passes.

McKenzie said Chelsea did a good job preparing for his team, and giving the Bulldogs credit for coming out "focused" and ready to play in the first half.

LaFave said he was pleased with his team's first half performance, and ability to make plays in the second half when needed.

"We're getting better. Our defense played great in the first half. We were able to stop their base running plays. They did some adjusting and found some areas to attack in the second half, and moved the ball consistently against us," he said.

"That's a talented (Lincoln) team. I don't know how good a team it is, but they're more talented than we are."

LaFave said the Bulldogs are showing signs of growth as a team. And that's all a coach can ask for, he said. "Each and every week, they're growing up. We know we're a better football team" than when the year started, he noted.

Spink Sisters Lead Chelsea Win

Led by Chelsea freshman Jeannie Spink, the girls cross country team swept to an easy victory over Milan, capturing the Sept. 20 road meet, 16-40.

Jeannie who ran a meet-best 21:29 finished five seconds ahead of her sister, junior co-captain Katie Spink, who took second, helping the team to its third straight conference win.

Two other freshmen, Karen Pieper and Meghann Ziegler, also ran well for the Bulldogs, finishing third and fourth, respectively.

Milan's Jennifer Westholm (5th, 22:41) was the top performer for the Big Reds.

Because of Chelsea's strong performance and depth, the team did not miss co-captain Melissa Hand who is out indefinitely.

Jenny Space helped pick up the varsity effort finishing sixth with a time of 23:04. And freshman Sabrina Flannery ran 10th for the Bulldogs with a time of 23:34.

"This was a fine team win for us," said coach Pat Clarke. "Karen Pieper and Meghann Ziegler ran especially well. Sophomore Jenny Space ran her best race of the season," he added.

WHO'S GOT THE BALL? Chelsea's Case McCalla does. He rushes up the middle chased by a bevy of Lincoln tacklers. Coach Gene LaFave moved

McCalla from tight end to running back in hopes of boosting the Bulldogs' ground game. And he provided tough inside running in the Chelsea win.

Spink Sisters Spark Impressive Jackson Win

Sparked by the Spink sisters, Chelsea's girls cross country team earned a solid victory over a dozen teams competing in Saturday's Jackson Invitational.

Freshman Jeannie Spink and sister Katie, a junior, finished third and seventh in the meet to help their team to a top score of 75.

That was 13 points better than second place finisher, Jackson Lumen Christi, and 38 points ahead of third place Sturgis.

Also performing well for the Bulldogs were Karen Pieper (13th, 20:50) and Meghann Ziegler (16th, 20:58).

Jenny Space and Jill McKinnon ran 36th and 37th just three seconds apart to finish the course in just over 22 minutes. While Sabrina Flannery (45th, 22:33) gave the varsity, seven finishes among the meet's top 50 runners. All told, 77 competed in the event.

But it was Jeannie and Katie Spink who led the convincing team victory.

Coach Pat Clarke was especially pleased with Katie Spink's performance. "She ran the best race of her career (20:20) to finish seventh."

While Jeannie Spink continues to marvel, taking third with a time of 20:09.

Also running career best times were Pieper and Ziegler. Their effort was especially noteworthy, because they passed four Jackson Lumen Christi runners in the last mile to secure the team triumph.

The undefeated Bulldogs are on a roll. "We are improving and running with more confidence every week."

Chelsea Crushes Milan in Road Meet

The Bulldogs ran away and hid from Milan during a Sept. 20 road meet against the Big Reds.

Chelsea placed runners 1-13 before Ken Molnar became Milan's first runner to cross the finish line.

Over-all, the Bulldogs had 30 runners finish between first and 37th place in drubbing Milan, 15-50.

The victory moved the Bulldogs Southeastern Conference record to 2-1.

Understating the team's overwhelming performance, coach Pat Clarke noted, "We ran a fine team race."

The victory was led by the Bulldogs big three runners, seniors Ryan Schultz (1st, 17:36), Scott Hawley (2nd, 18:11) and Chad Brown (3rd, 18:11).

Bulldogs Looking for More Consistent Team Play

It was a tale of two halves. And fortunately for the Bulldogs, they played a better first half than Lincoln did in the second half of Friday night's game in Ypsilanti.

After limiting Railsplitter runners to just 78 first half yards, Chelsea's defense gave up 156 in the second half, nearly giving away the game.

But a timely fourth quarter drive highlighted by the passing combination of Pat Lynch to Bryndon Skelton led to a touchdown that salted the victory, 21-12.

It was a game in which coach Gene LaFave made seven position switches and, afterward, claimed they were the difference in the game's outcome.

"If I hadn't made those changes we wouldn't have won the game," he said.

His most obvious move was the insertion of senior tight end Case McCalla at running back. While the senior rushed for a modest 55 yards, he gave the Bulldogs an inside rushing threat they have not possessed all year.

When the team needed a crucial yard or two to sustain drives in the first half McCalla delivered: He was less effective in the second half as a bigger Railsplitter team clamped down on defense the few times the Bulldogs had the ball.

What has pleased LaFave more than anything else the past two weeks is the emergence of leadership from his senior players.

"You can just see them starting to take over. We played the best half we have all season (in the first half against Lincoln). We had them on the run. We were focused."

But consistency remains a problem.

"It's a team that's growing up. We're not a very talented team. And it's not a team that is going to physically intimidate anyone."

The Bulldogs need to play almost errorless football in order to win. And they also need to halt a disturbing trend of allowing opponents to score after opening drives.

For the fourth straight game, Chelsea gave up a touchdown leading off a half. In this case, it was

Lincoln's first possession of the second half.

Chelsea had no turnovers against Lincoln and few penalties, a major improvement over its three previous games.

"We're getting better. Each week, every week, we're growing up. We could win the rest of our games or we could lose the rest."

But the Bulldogs take a break from Southeastern Conference action this week when they host Jackson County Western at Nierhaus Field.

Jackson County features a strong team with an experienced backfield, LaFave says.

The Bulldogs should also get an emotional lift from the induction of eight former teammates from Chelsea's SEC title teams the past two years to the high school's football hall of fame.

Cross Country Team Finishes Second in Jackson Invitational

Chelsea's boys cross country team ended in a three-way tie at the top of the leader board in Saturday's Jackson Invitational.

But coach Pat Clarke's squad had to settle for second place after being edged out by Grand Rapids Catholic Central for the title in the Class B event.

Chelsea tied Grand Rapids and Jackson Lumen Christi for the top spot with a score of 91. But the tie was broken based on the top finishes of each school.

Grand Rapids' Kevin O'Connor was fifth in the field of 80 contestants, while Chelsea co-captain Ryan Schultz (16:56) took seventh for the Bulldogs.

Jackson Lumen Christi's Jason Brinker was a distant 12th, giving his school third place.

Besides Schultz, Chelsea also got strong performance from its other senior co-captains, Scott Hawley (10th, 17:00) and Chad Brown (13th, 17:07).

The varsity's remaining top seven finished this way: Josh Metzler (29th, 17:52), Ashley Coy (32nd,

17:55) and Tim Lawrence (37th, 18:06).

And Brian Atlee finished 59th for Chelsea with a time of 18:48.

While praising Coy's performance, noting that the sophomore ran his career best time, Clarke said his team did not perform up to its potential in the Jackson event.

"We ran a fair meet, but we must improve with every meet or we won't go very far. We'll go back to work this week, and hopefully the team will come together," he said.

The team was slated for a meet Tuesday at Lincoln before returning home Saturday to host an 8:30 a.m. invitational at Hudson Mills Metro Park in Dexter.

CHELSEA'S UNDER-12 SOCCER CLUB defeated Clinton last Thursday, 10-0. Chelsea came out smokin' and never looked back as they evened their record at 2-2 on the year. Clinton fell to 0-4. Eight players scored for Chelsea. Charlie DeGryse and Kent Reames led the scoring with two goals each. DeGryse and Ben Gunderson combined in goal for the shut-out. Their Sunday game was rained out, they play at Tecumseh this Sunday.

Bulldogs Get Off to Fast Start in Conference Play

The Chelsea girls basketball team, looking to get off to a quick start in the Southeastern Conference, got a double digit victory over Milan last Thursday to open the league schedule.

The 49-35 road win was led by the team's dynamic inside duo of senior Courtney Thompson and junior Annie Terpstra.

They combined for 26 points and 25 rebounds to pace the team victory. But the team also got a lift from senior guard Suzy Steele who scored 10 of her team's 27 first half points, mostly on outside jumpers.

The Bulldogs ran to a 17-5 first quarter lead and coasted through the middle quarters when they were outscored by the Big Reds.

But Chelsea doubled Milan 9-4 in the fourth quarter to win the contest going away.

Milan used a game-long press hoping to rattle the Bulldogs. And despite picking up a number of turnovers, the Big Reds were unable to convert them into easy baskets.

That's because Thompson and Terpstra provided a strong inside presence, swatting away or influencing numerous layup and follow-up attempts.

Still, Milan matched up better than most SEC teams will against the Bulldogs' twin towers.

At 6'3", Milan's Heather Frank is the same height as Thompson, and 5'11" Erin Campbell was a near equal to Terpstra. They tried to collapse inside and prevent them from getting inside position.

But even when coach Charlie Waller was forced to sub for Thompson in the second half after she picked up her third foul, the team had enough balance to offset her absence.

Chelsea also did a good job defensively shutting down Milan guard Jenny Holly who was limited to one three pointer and a total of seven points.

Chelsea Girls Soccer Team 3-2

With an 11-0 blowout win over Ypsilanti, the Chelsea girls U-19 soccer team has reached the halfway point in its season with a 3-2 record.

The club team, sponsored by Chelsea Bike and Sports, enjoyed its most lopsided victory of the season against Ypsilanti as six different Chelsea players tallied in last Saturday's contest.

Amanda Rees and Heidi Begol each scored three goals while Alicia Vogel put in a pair of goals. Other goal scorers were Sara Martel, Beth Nimke and Leslee Parker.

Rees and Begol were each credited with two assists while Jeanine Mouilleaux, Sylvia Jorgensen, Nimke and Vogel also picked up assists in the game.

A tight defense led by Joycelyn Dohner, Krista Noye, Sandy Pasnik and Abby Bower sparked the shutout win.

Bulldog Golfers Lose 2 SEC Matches Last Week

The Chelsea golf team dropped a pair of Southeastern Conference matches last week, losing to Tecumseh and Pinckney.

Tecumseh shot a school record 146 to defeat the Bulldogs at Tecumseh Country Club on Tuesday, Sept. 20.

Chelsea, which wound up the nine-hole match with a score of 176, was led by Justin Kusterer's low 40 score. Jim Tallman shot a 42 and Adam Beauchamp, 44, while Ryan Fisher and Steve McDonald both finished with 47's.

Last Thursday, the team traveled to Pinckney where it was beaten by the Pirates, 171 to 194.

Beauchamp topped the Bulldog golfers in that match with a team-low 46. Fisher finished with a 47, Kusterer, 49, and McDonald, 52.

The two losses now gives Chelsea a 4-7 record. The Bulldogs were scheduled for another road match Tuesday in Saline.

Weeks of Sept. 25, some games were rained out!

Bulldog Varsity Suffers First Loss of Season

The Bulldogs are making a habit of late comebacks.

Unfortunately, a second half come from behind effort against Williamston and hot-shooting Shawna Cronk fell short as Chelsea dropped the Tuesday, Sept. 20 non-conference road game, 67-66.

It was the varsity girls basketball team's first loss of the season and final tune-up before opening Southeastern Conference action. The team entered SEC play with a gaudy 5-1 record.

Cronk, who led all scorers with 30 points, was in a zone against the Bulldogs getting most of her points from three-point range.

All told, she hit eight three-pointers, including several from well-beyond the high school shooting arc.

"She was hitting NBA range three-pointers," said Chelsea coach Charles Waller.

Despite Cronk's hot hand that catapulted Williamston to as much as a 16-point lead, Chelsea stayed in the game with strong inside scoring from its towering twosome of Courtney Thompson and Annie Terpstra.

Thompson, a 6'3 senior forward, nearly matched Cronk's output. She poured in a team-high 27 points while pulling down 14 rebounds.

The 6'1" Terpstra was also a scoring force for the Bulldogs as the junior center chipped in with 16 points.

The Bulldogs made a fourth quarter run at Williamston, briefly taking a lead before Cronk and her teammates held on for the victory.

NOTICE OF PUBLIC HEARING TOWNSHIP OF DEXTER, WASHTENAW COUNTY

TO: ALL RECORD OWNERS OF, AND PARTIES IN INTEREST IN, LAND IN THE PROPOSED SPECIAL ASSESSMENT DISTRICT DESCRIBED HEREIN

NOTICE IS HEREBY GIVEN that the Township Board of the Township of Dexter, Washtenaw County, Michigan (the "Township"), will meet at 7:30 p.m., Eastern Daylight Savings Time, on October 4, 1994, at the Dexter Townhall, 6880 Dexter-Pinckney Road, Dexter, Michigan 48130, and during such meeting will conduct a public hearing to hear objections to a sanitary sewer improvement project, the cost thereof and the special assessment roll therefor for the construction of a sanitary sewer system as follows:

MULTI-LAKE SANITARY SEWER SYSTEM PROJECT DESCRIPTIONS OF PROPOSED IMPROVEMENTS

Proposed Sanitary Sewer Improvements and Related Special Assessment District Project Description

The following project description is based on the "Final Feasibility Study for Sewerage Service, Dexter and Lyndon Townships, Washtenaw County, Michigan, North Lake, Silver Lake, Halfmoon and Blind Lakes," dated July, 1994, and modifications thereto prepared by McNamee, Porter & Seeley, Inc.

The project consists of a low pressure sanitary sewer collection system, individual grinder pumps, regional pumping stations, transportation force mains and a wastewater treatment facility.

The sanitary sewer collection system will consist of approximately 67,000 feet of 1 1/2 inch to 6 inch diameter low pressure sewers. This sewer system will generally be constructed in the road right of ways at the lakes. It is proposed to construct the collection sewers along the north, east, and south sides of Silver Lake; the west, south, and east sides of Halfmoon Lake; the north half of Blind Lake; and entirely around North Lake. Individual grinder pump stations will be located on the properties to be served. Non-residential property and multi-family residential property may be served by duplex grinder pump stations as required by the projected flow from the property.

Locally collected sanitary wastewater will be discharged to three regional pumping stations located on Dexter Townhall Road south of Silver Lake, on North Lake Road east of North Lake, and on Harker Road east of Halfmoon Lake. Regionally collected wastewater will be discharged through approximately 21,000 feet of 4 inch to 8 inch diameter force mains to the proposed wastewater treatment plant site located north of North Territorial Road in Section 16 of Dexter Township. A new wastewater treatment plant will consist of a Sequential Batch Reactor type treatment system and sludge handling and storage facilities. Treated wastewater will be discharged to the groundwater, via open sand beds, under the provisions of a Groundwater Discharge Permit issued by the State of Michigan.

In the special assessment district described herein (the "Project"), and to hear objections to the following special assessment district tentatively designated by the Township Board as the district against which the cost of the Project is to be assessed:

NOTICE IS HEREBY FURTHER GIVEN that preliminary plans describing the Project and its location in the Township and a preliminary estimate of the cost of the Project prepared by McNamee, Porter & Seeley, Engineers of Ann Arbor, Michigan, and a proposed special assessment roll, prepared by the Township Assessor are on file with the Township Clerk, at his office at 6880 Dexter Pinckney Road, Dexter, Michigan, for public examination during regular business hours, which are between 9:00 A.M. and 1:00 P.M., Monday through Friday.

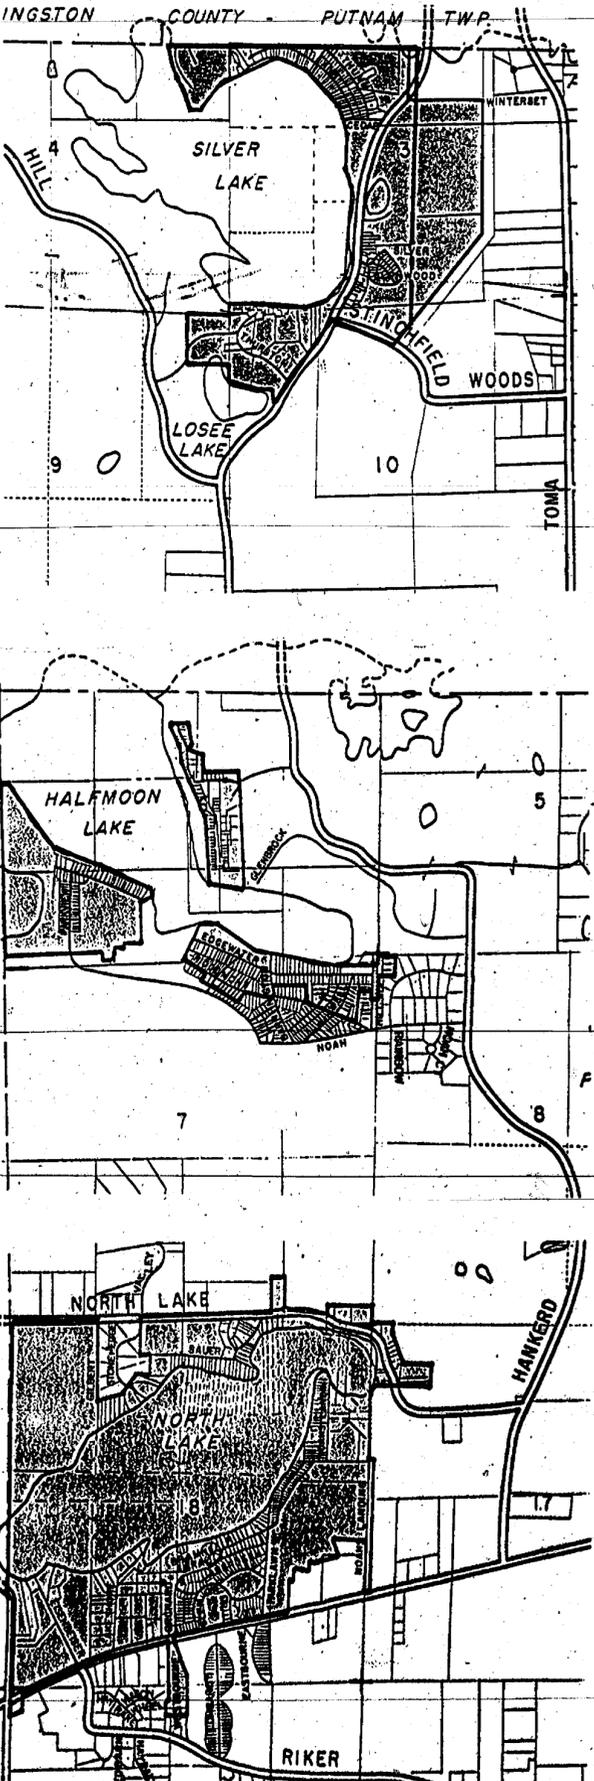

NOTICE IS FURTHER GIVEN that, in order to provide for such special assessments, a special assessment roll (the "Special Assessment Roll") has been prepared and is on file in the office of the Township Clerk for public examination during the same hours as set forth above.

NOTICE IS FURTHER GIVEN that the Township Board will hold a public hearing on the 4th day of October, 1994, at 7:30 P.M., Eastern Daylight Savings Time, at the Dexter Township Hall, 6880 Dexter-Pinckney Road, Dexter, Michigan, for the purpose of reviewing and hearing any objections to the Special Assessment Roll. Any person objecting to the Special Assessment Roll shall file his or her objections in writing before the close of the public hearing or within such further time, if any, as the Township Board may grant.

NOTICE IS FURTHER GIVEN that the owner or any person having an interest in property that is specially assessed may file a written appeal with the Michigan Tax Tribunal within thirty (30) days after confirmation of the special assessment roll. However, appearance and protest at the public hearing on the special assessment roll are required in order to appeal the special assessment to the Michigan Tax Tribunal. An owner or other party in interest or his or her agent may (1) appear in person at the hearing to protest the special assessment, or (2) file his or her appearance or protest by letter before the close of the hearing. The Township Clerk shall maintain a record of parties who appear to protest at the hearing. If the hearing is terminated or adjourned for the day before a party is provided the opportunity to be heard, a party whose appearance was recorded shall be considered to have protested the special assessment in person.

NOTICE OF PUBLIC HEARING TOWNSHIP OF LYNDON, WASHTENAW COUNTY

TO: ALL RECORD OWNERS OF AND PARTIES IN INTEREST IN LAND IN THE PROPOSED SPECIAL ASSESSMENT DISTRICT DESCRIBED HEREIN

NOTICE IS HEREBY GIVEN that the Township Board of the Township of Lyndon, Washtenaw County, Michigan (the "Township"), will meet at 7:00 p.m., Eastern Daylight Savings Time, on October 4, 1994, at the Lyndon Townhall, N. Territorial Road, Chelsea, Michigan 48118, and during such meeting will conduct public hearing to hear objections to a sanitary sewer improvement project, the cost thereof and the special assessment roll therefor for the construction of a sanitary sewer system as follows:

MULTI-LAKE SANITARY SEWER SYSTEM PROJECT DESCRIPTIONS OF PROPOSED IMPROVEMENTS

Proposed Sanitary Sewer Improvements and Related Special Assessment District Project Description

The following project description is based on the "Final Feasibility Study for Sewerage Service, Dexter and Lyndon Townships, Washtenaw County, Michigan, North Lake, Silver Lake, Halfmoon and Blind Lakes," dated July, 1994, and modifications thereto prepared by McNamee, Porter & Seelye, Inc.

The Project consists of a low pressure sanitary sewer collection system, individual pumps, regional pumping stations, transportation force mains and a wastewater treatment facility.

The sanitary sewer collection system will consist of approximately 67,000 feet of 1 1/2 inch to 6 inch diameter low pressure sewers. This sewer system will generally be constructed in the road right of ways at the lakes. It is proposed to construct the collection sewers along the north, east, and south sides of Silver Lake; the west, south, and east sides of Halfmoon Lake; the north half of Blind Lake; and entirely around North Lake. Individual grinder pump stations will be located on the properties to be served. Non-residential property and multi-family residential property may be served by duplex grinder pump stations as required by the projected flow from the property.

Locally collected sanitary wastewater will be discharged to three regional pumping stations located on Dexter Townhall Road south of Silver Lake, on North Lake Road east of North Lake, and on Hanked Road east of Halfmoon Lake. Regionally collected wastewater will be discharged through approximately 21,000 feet of 4 inch to 8 inch diameter force mains to the proposed wastewater treatment plant site located north of North Territorial Road in Section 16 of Dexter Township. A new wastewater treatment plant will consist of a Sequential Batch Reactor type treatment system and sludge handling and storage facilities. Treated wastewater will be discharged to the groundwater, via open sand beds, under the provisions of a Groundwater Discharge Permit issued by the State of Michigan.

in the special assessment district described herein (the "Project"), and to hear objections to the following special assessment district tentatively designated by the Township Board as the district against which the cost of the Project is to be assessed:

NOTICE IS HEREBY FURTHER GIVEN that preliminary plans describing the Project and its location in the Township and a preliminary estimate of the cost of the project prepared by McNamee, Porter & Seelye, Engineers of Ann Arbor, Michigan, and a proposed special assessment roll, prepared by the Township Assessor are on file with the Township Clerk, at her office located at N. Territorial Road, Chelsea, Michigan; for public examination during regular business hours, which are between 9:00 A.M. and 12:00 Noon, Monday through Friday.

NOTICE IS FURTHER GIVEN that in order to provide for such special assessments, a special assessment roll (the "Special Assessment Roll") has been prepared and is on file in the office of the Township Clerk for public examination during the same hours as set forth above.

NOTICE IS FURTHER GIVEN that the Township Board will hold a public hearing on the 4th day of October, 1994, at 7:00 P.M., Eastern Daylight Savings Time, at the Lyndon Township Hall, N. Territorial Road, Chelsea, Michigan, for the purpose of reviewing and hearing any objections to the Special Assessment Roll. Any person objecting to the Special Assessment Roll shall file his or her objections in writing before the close of the public hearing or within such further time, if any, as the Township Board may grant.

NOTICE IS FURTHER GIVEN that the owner or any person having an interest in property that is specially assessed may file a written appeal with the Michigan Tax Tribunal within thirty (30) days after confirmation of the special assessment roll. However, appeal and protest at the public hearing on the special assessment roll are required in order to appear and protest at the public hearing to the Michigan Tax Tribunal. An owner or other party in interest or his or her agent may (1) appear in person at the hearing to protest the special assessment, or (2) file his or her appearance or protest by letter before the close of the hearing. The Township Clerk shall maintain a record of parties who appear to protest at the hearing. If the hearing is terminated or adjourned for the day before a party is provided the opportunity to be heard, a party whose appearance was recorded shall be considered to have protested the special assessment in person.

Finalists Announced For State's Young Farmer Recognition

Eight of the state's top young farm leaders will be considered for recognition at the 1994 Michigan Farm Bureau Annual Meeting.

Finalists for the 1994 Young Farmer Achievement Award are Tom Barends, Fremont; Lance Purkhiser, Dowagiac; Jeff Bristle, Manchester; and Robert BeGole, Morrice.

Finalists for the Outstanding Young Agricultural Leader Award are Mike McManus, Eaton Rapids; Mike Wenkel, formerly of Dowagiac; Amy Martin, Leroy; and Gayle Bennett, Prescott.

Winners will be recognized at the Annual Meeting Banquet on Nov. 30 in Detroit.

The Achievement Award winner will get \$1,000 of Great Lakes Hybrids products, 50 hours free use of a Maxxum Tractor from Case IH and a \$500 award from Dodge Trucks. In addition, the winner and spouse will receive an all-expense-paid trip to the 1995 American Farm Bureau Federation Annual Meeting in St. Louis to represent Michigan in the national contest.

The Outstanding Young Agricultural Leader will receive \$1,000 of products from Great Lakes Hybrids, an all-expense-paid trip to the AFBF Annual Meeting and an all-expense-paid trip to 1995 MFB Young Farmer Leaders Conference.

All eight finalists will also receive a MFB Carhartt jacket presented by Blue Cross-Blue Shield of Michigan.

Relative of Local Family Named Commander of Naval Reserve Command
Rear Admiral John J. Mumaw, USNR, relieved Rear Admiral Grant T. Hollett, Jr., USNR, commander, Naval Reserve Readiness Command (REDCOM) Region 13 at a ceremony held Sept. 17, at Naval Training Center Great Lakes, Ill.

Rear Admiral Hollett assumed command in July 1992 and commanded REDCOM 13 during its recent realignment into the nation's heartland. During the realignment, reserve centers in Michigan, Wisconsin and Indiana were transferred to other REDCOMs. REDCOM 13 acquired oversight responsibilities for Naval Reservists in southern Illinois, Iowa, Kansas, Missouri and Nebraska. This is part of the over-all plan of the Department of the Navy to streamline costs and improve efficiency.

Upon relieving Rear Admiral Hollett, Rear Admiral Mumaw will continue additional duty in his mobilization assignment as Deputy Commander, Maritime Surveillance and Reconnaissance Forces, U.S. Sixth Fleet. In civilian life Rear Admiral Mumaw is a pilot for United Airlines.

Rear Admiral Mumaw is married to the former Lillian Beach, daughter of General (USA-ret.) and Mrs. Dwight E. Beach of Chelsea.

BIGGEST PARTY OF THE YEAR as it was advertised, proved to be just that as some 700-800 revelers crowded the Grey Building at Chelsea Fairgrounds. The barn was magically transformed into a very adequate site for food, dancing and gambling.

RALPH H. FITZPATRICK Fitzpatrick Named To Computer Post At Eastern Michigan

Ralph H. Fitzpatrick, student assistant microcomputer specialist in Eastern Michigan University Computing, was appointed microcomputer support specialist II in that department by the EMU Board of Regents at its regular meeting Sept. 20.

Fitzpatrick, 24, is working towards a bachelor of science degree at EMU. He has been a student employee in University Computing since 1992.

Fitzpatrick worked for Machine Craft, Inc., in Ferndale as a computer numeric control programmer/operator from 1989 to 1992. He also worked as a machinist for Power-train Design and Manufacturing, Inc., in Tecumseh, from 1988 to 1989.

At EMU, Fitzpatrick will provide moderately complex technical services for installation, support and maintenance of hardware and software for personal computers and local area network servers.

Originally from Belleville, he is an Ypsilanti resident, and the son of Cheryl and George Miller of Chelsea. His appointment is effective immediately.

Wild Hare Names Marketing Manager

Wild Hare Marketing, Inc. of Chelsea has announced the appointment of "Scope" Davis as marketing manager. "Scope" Davis was owner of Davis Real Estate for 25 years, is a past president of the Ann Arbor Board of Realtors and was a Realtor-of-the-Year. Prior to entering the real estate business, "Scope" was a teacher and coach at Pioneer High school.

"Scope" is returning to Washtenaw county from Indiana where he was vice-president and general manager of a manufacturing company for 15 years.

Wild Hare Marketing specializes in creative solutions to marketing needs with advanced computer graphics and custom screen printed apparel for corporate image development.

Faith in Action Gets Unexpected Windfall

It was a gift from heaven. Or so two volunteers from Chelsea's Faith in Action thought when they found an envelope stuffed with a large sum of cash in a pair of blue jeans left at the center, 775 S. Main St.

However, police think the donor probably wanted to leave the pants and not the pocket's contents.

As a result of the Tuesday, Sept. 20 discovery, the money has been impounded by police until an owner can be identified.

That person will have to know

the exact amount of cash left behind and other details before the money will be released, police said.

According to police, volunteers found the money while working in the center's clothing and food receiving area.

The volunteers told police they couldn't recall anyone who may have dropped the pants off as a donation.

Faith in Action said it also planned to place an advertisement in an effort to locate the owner.

HEARING AIDS
Q. My mother is becoming very withdrawn when the family gets together and I am concerned that she might be this way because of a hearing loss. She used to ask everyone to repeat what was said but now she just sits quietly. What do you suggest I do?
A. You definitely should have your mother's hearing tested. She is becoming withdrawn because she is tired of asking others to repeat what they said. She is probably embarrassed to be asking for repetition so she sits quietly hoping to catch what is being said. She is struggling to hear what is said and might be avoiding family get togethers entirely.
People who don't do anything about their hearing loss do have a tendency to become withdrawn and interpersonal relationships become more strained. Spouses and others who come in contact with the person will say things like "she/he ignores me," etc. People suffering from a hearing loss don't want to get involved in conversation or they create situations in which they can dominate a conversation and not be placed in a potentially embarrassing situation.
Help is available for your mother and there is no reason why she has to be left out of conversations anymore. Call our office and schedule a complete hearing evaluation for your mother. The test is free. You will know exactly what degree of hearing loss she has and whether it can be corrected medically or if a hearing aid is the answer. We are open Monday thru Thur 9-4:30 and Mon thru Fri 10-5 at the Sears office. Evenings are available by appointment.

Card of Thanks 19

NOTE OF THANKS: I wish to convey my thanks to so many for their support during my recent surgery. Many thanks to my pastor, John and Sarah Grosser, my wife, children and in-laws, and Bob and Ginny Noves for standing in wait during the hours of surgery and for their intercessory prayers. Also wish to thank the doctors and nurses and entire staff at St. Josephs Mercy Hospital for their fine care and kindness. For all who sent cards and letters of encouragement as well as flowers, and all who visited me, thank you. May God richly bless you all! Roy Clemons. c19

CARD OF THANKS

We wish to extend our heart felt thanks and appreciation to our relatives, friends and neighbors who gathered down at the lake to say a final Goodspeed to Wilfred F. (Fred) Cook. And express gratitude to the angels of Hospice (I.H.C.) Kristine, Becky and Ruth. Many thanks for the gifts of cards, food, flowers and donations and most of all thanks for the care, the love and the concern shown to us. Donald, Jerald and Mary-Rose Cook "Cook's" c19

THANK YOU

My sincere thanks for all the visits, cards, and get-well wishes during my stay in the hospital. Of all the gifts that heaven bestows, a true friend is the most cherished. My family and I are most blessed. Many thanks, Hal Pennington. c19

PROPOSAL C

A REFERENDUM ON PUBLIC ACT 143 OF 1993—AN AMENDMENT TO MICHIGAN'S AUTO INSURANCE LAWS

Public Act 143 of 1993 would:

- 1.) Reduce auto insurance rates by 16% (average) for 6 months for policyholders reducing personal injury (medical) insurance to \$1 million. Extra coverage made available at added cost.
- 2.) Permit Insurance Commissioner to waive company's obligation to reduce rates if statutory formula would be in excess of 1989-1992 state average.
- 3.) Place limits on personal injury (medical) benefits.
- 4.) Limit fees paid to health care providers.
- 5.) Limit right to sue by setting higher standards for the recovery of damages for "pain and suffering" and prevent uninsured drivers and drivers over 50% at fault from collecting damages.
- 6.) Allow rate reductions for accident-free driving with same insurer.

Should the law be approved?

YES
NO

PROPOSAL P

A PROPOSAL TO ESTABLISH A MICHIGAN STATE PARKS ENDOWMENT FUND, INCREASE THE MAXIMUM ALLOWABLE AMOUNT OF FUNDS IN THE MICHIGAN NATURAL RESOURCES TRUST FUND AND ELIMINATE THE DIVERSION OF DEDICATED REVENUE FROM THE MICHIGAN NATURAL RESOURCES TRUST FUND.

The proposed constitutional amendment would:

- 1.) Establish a Michigan State Parks Endowment Fund to be funded by certain royalties, bonuses and rentals collected by the state from the drilling of oil and gas or mining of minerals on state-owned land.
- 2.) Require that money in Endowment Fund be used to operate, maintain and improve Michigan state parks.
- 3.) Limit accumulated principal of the Endowment Fund to \$800 million with annual adjustments for inflation.
- 4.) Increase the maximum principal of the Michigan Natural Resources Trust Fund from \$200 million to \$400 million.
- 5.) Eliminate the diversion of dedicated revenue from the Michigan Natural Resources Trust Fund.

Should this proposal be adopted?

8 a.m. until 4:00 p.m.

FOR

GENERAL ELECTION TUESDAY, NOVEMBER 8, 1994

TO: QUALIFIED ELECTORS OF

DEXTER TOWNSHIP

NOTICE: I will be at my office, 13896 Island Lake Rd., to register qualified electors and amend registration records.

If You Have MOVED Recently, you must amend your registration record.

Election is being held to elect the following officers: Following partisan offices—Governor and Lieutenant Governor, Secretary of State, Attorney General, United States Senator, Representative in Congress, State Senator, State Representative, two members of the State Board of Education, University of Michigan Regents; two Michigan State University Trustees, two Wayne State University Trustees, two Wayne State University Governors; County commissioners. Following non-partisan offices—Supreme Court Justice, Appeals Court Judge, Circuit Court Judge, District Court Judge (except Ypsilanti Township), Probate Court Judge—other non-partisan offices, Washtenaw Community College Trustees.

ALSO, to vote on the following proposition:

PROPOSAL A

A PROPOSAL TO CONVENE A CONSTITUTIONAL CONVENTION FOR THE PURPOSE OF DRAFTING A GENERAL REVISION OF THE STATE CONSTITUTION

Shall a convention of election delegates be convened in 1995 to draft a general revision of the state constitution for presentation to the state's voters for their approval or rejection?

YES

NO

PROPOSAL B

A PROPOSAL TO LIMIT CRIMINAL APPEALS

The proposed constitutional amendment would restrict a criminal defendant who pleads guilty or nolo contendere (no contest) from appealing his or her conviction without the permission of the court. Currently, someone who pleads guilty or no contest to a crime has the automatic right to appeal. Should this proposal be adopted?

YES

NO

PROPOSAL C

A REFERENDUM ON PUBLIC ACT 143 OF 1993—AN AMENDMENT TO MICHIGAN'S AUTO INSURANCE LAWS

Public Act 143 of 1993 would:

- 1.) Reduce auto insurance rates by 16% (average) for 6 months for policyholders reducing personal injury (medical) insurance to \$1 million. Extra coverage made available at added cost.
- 2.) Permit Insurance Commissioner to waive company's obligation to reduce rates if statutory formula would be in excess of 1989-1992 state average.
- 3.) Place limits on personal injury (medical) benefits.
- 4.) Limit fees paid to health care providers.
- 5.) Limit right to sue by setting higher standards for the recovery of damages for "pain and suffering" and prevent uninsured drivers and drivers over 50% at fault from collecting damages.
- 6.) Allow rate reductions for accident-free driving with same insurer.

Should the law be approved?

YES

NO

NORTH, SILVER AND HALFMOON LAKE RESIDENTS

The Dexter Township is seeking applications from residents of the North, Silver and Halfmoon Lakes Area to serve on the Multi-Lakes Water and Sewer Authority Board. The Board members will be responsible for developing an ordinance for the Multi-Lakes area, budgeting and the operation and maintenance of the sewer system, once constructed.

Any interested person should submit a brief letter to the Township Board expressing your interest and qualifications no later than Tuesday, October 4, 1994.

Please send your letter to James L. Drolett, Supervisor, Dexter Township, 6880 Dexter-Pinckney Rd., Dexter, MI 48130.

REGULAR MEETING

OF THE DEXTER TOWNSHIP BOARD

To Be Held

Tuesday, Oct. 4, 1994-8:00 p.m.

at **DEXTER TOWNSHIP HALL**
6880 Dexter-Pinckney Rd., Dexter, Mich. 48130

AGENDA ITEM:

Appointment of members to the Multi-Lakes Sewer Authority Board.

WILLIAM EISENBEISER
Dexter Township Clerk

ARTICLES OF INCORPORATION

OF MULTI LAKE WATER AND SEWER AUTHORITY

These Articles of Incorporation are adopted by the incorporating municipal corporations for purpose of creating an AUTHORITY under the provisions of Act 233, Public Acts of Michigan, 1955, as amended (the "Act").

ARTICLE I

The name of this AUTHORITY is "MULTI LAKE WATER AND SEWER AUTHORITY." The principal office of the AUTHORITY will be located at the office of the Clerk of the Township of Dexter or at such other office location as may be designated by the board of the AUTHORITY.

ARTICLE II

The Incorporating Municipalities creating this AUTHORITY are the Township of Dexter and the Township of Lyndon, each located in the County of Washtenaw, State of Michigan, which are hereby designated as the CONSTITUENT MUNICIPALITIES.

ARTICLE III

The purpose of this authority is to acquire, own, improve, enlarge, extend and operate a water supply system, a sewage disposal system, or both, in accordance with the authorization of the Act. The terms "water supply system" and "sewage disposal system" as used in these Articles of Incorporation shall be as now or hereafter defined in Section 1 of the Act.

Members of the Board of Trustees (a "Member") shall be appointed by the respective legislative body of each of the CONSTITUENT MUNICIPALITIES on or before the 15th day of December of each year that a term of office expires, and each Member shall serve for a term of four years, beginning with the first day of January next following his or her respective appointment; provided, however, that the terms of office of the Trustees appointed in 1994 shall serve through December 31, 1995. Each CONSTITUENT MUNICIPALITY shall also appoint an alternate member or members who may attend meetings of the BOARD but may vote only in the absence of the Member appointed by the alternate's respective CONSTITUENT MUNICIPALITY.

Within twenty (20) days after the organization of the AUTHORITY shall become effective, the legislative body of each CONSTITUENT MUNICIPALITY shall select its representative(s) on the BOARD to serve for the term hereinabove specified, and within thirty (30) days after such selection the members of the BOARD shall qualify by taking the constitutional oath of office, and shall meet for the purpose of organizing the BOARD until the first annual meeting of the BOARD. The BOARD shall meet initially at 8:00 P.M. on the Third Monday after the final appointment of the BOARD by the CONSTITUENT MUNICIPALITY and notice thereof served upon all members in the manner provided in ARTICLE IX. No appointment to the BOARD and no selection of an office of the BOARD shall be deemed to be invalid because it was not made within or at the time specified in these Articles.

ARTICLE VIII

A. VACANCIES

In the event of a vacancy on the BOARD, the legislative body of the CONSTITUENT MUNICIPALITY selecting such representative shall fill the vacancy for the unexpired term. In the event of resignation of a member, the alternate member from the same CONSTITUENT MUNICIPALITY shall serve in the place of such member until the vacancy is filled. In the event of a vacancy in any office of the BOARD, such vacancy shall be filled by the BOARD for the unexpired term. In case of the temporary absence or disability of any officer, the BOARD may appoint some person temporarily to act in his or her stead, except that in the event of a temporary absence or disability of the Chairperson, the Vice-Chairperson shall so act.

B. REMOVAL FROM OFFICE

Any member of the BOARD may be removed at any time for cause by action of the legislative body of the CONSTITUENT MUNICIPALITY which such member represents.

ARTICLE IX

Meetings of the BOARD shall be held at least quarterly at such time and place as shall be prescribed by resolution of the BOARD and each member of the BOARD shall have one vote. Special meeting of the BOARD may be called by the Chairperson or any two members thereof, by serving written notice of the time, place and purpose thereof, upon each member of the BOARD personally, or by leaving it at his or her place of residence at least eighteen hours prior to the time of such meeting, or by depositing the same in a United States Post Office or mail box within the limits of the AUTHORITY, at least seventy-two hours prior to the time of such meeting, enclosed in a sealed envelope properly addressed to him or her at his or her residence address, with first class postage fully prepaid. Special meetings of the BOARD at which all members are present shall be deemed to be valid even though no written notice thereof may be given as above specified. Any member of the BOARD may waive notice of any meeting either before or after the holding thereof. At least a majority of the members-elect of the BOARD shall be required for a quorum. The BOARD shall act by motion, resolution or ordinance. For the passage of any resolution or ordinance providing for the issuance of bonds, or the execution of any contract, there shall be required a majority of the members-elect of the Board. For all other matters, a vote of a majority of the members of the BOARD present at any meeting at which a quorum is present shall be sufficient for passage.

Public notices of all regular, special or rescheduled regular meetings of the BOARD shall be given pursuant to the applicable provisions of Act 267, Public Acts of 1976, as amended from time to time.

The BOARD shall have the right to adopt rules governing its procedure which are not in conflict with the terms of any statute or of these Articles. The BOARD shall also have the right to establish rules and regulations for the use of any project constructed by it under the provisions of the enabling acts. The BOARD shall keep a journal of its proceedings, which shall be signed by the Secretary. All votes shall be "yeas" and "nays," except that where the vote is unanimous, it shall only be necessary to so state.

ARTICLE X

The Chairperson of the BOARD shall be the presiding officer thereof. Except as hereinafter provided, the Chairperson shall not have any executive or administrative functions other than as a member of said BOARD. In the absence or disability of the Chairperson, the Vice-Chairperson shall perform the duties of the Chairperson. The Secretary shall be the recording officer of the BOARD. The Treasurer shall be custodian of the funds of the AUTHORITY and shall give it a bond conditioned upon the faithful performance of the duties of his or her office. The cost of said bond shall be paid by the AUTHORITY. All money shall be deposited in a bank to be designated by the BOARD, and all checks or other forms of withdrawal therefrom shall be signed by the Chairperson and Treasurer or Secretary. The officers of the BOARD shall have such other powers and duties as may be conferred upon them by the BOARD.

Bonds issued by the AUTHORITY shall be executed in the name and on behalf of the AUTHORITY by its Chairperson and Secretary by manual or facsimile signature, and the corporate seal of the AUTHORITY of a facsimile thereof shall be printed on or affixed to bonds.

The BOARD shall prepare, adopt and submit to their respective legislative bodies an annual budget covering the proposed expenditures to be made for the organizing and operating of such AUTHORITY or a facsimile thereof shall be printed on or affixed to bonds.

The BOARD shall prepare, adopt and submit to their respective legislative bodies an annual budget covering the proposed expenditures to be made for the organizing and operating of such AUTHORITY and for the necessary funds required from each CONSTITUENT MUNICIPALITY for the next fiscal year beginning April 1, such budget to be submitted to each CONSTITUENT MUNICIPALITY on or before February 1 of each year. No budget shall be adopted by the AUTHORITY unless approved by a majority vote of the members-elect of the BOARD; provided, however, that no obligation shall be assumed by the AUTHORITY which may then or at any time in the future become in whole or in part the individual liability of any CONSTITUENT MUNICIPALITY without the prior individual consent of that CONSTITUENT MUNICIPALITY; and provided further, that any CONSTITUENT MUNICIPALITY may withdraw from the AUTHORITY at any time prior to the incurring of any indebtedness by the AUTHORITY for which the CONSTITUENT MUNICIPALITY may incur individual liability without any obligation whatever, and may also withdraw after the assumption of indebtedness by the AUTHORITY for which the individual CONSTITUENT MUNICIPALITY has by its prior agreement thereto incurred an individual liability, but in such latter withdrawal the consent of the creditor shall be obtained. The individual obligation assumed by the withdrawing member shall be paid by the withdrawing CONSTITUENT MUNICIPALITY on terms satisfactory to the creditor.

The provisions of this Article shall be considered controlling over all other Articles of this instrument.

ARTICLE XI

The AUTHORITY shall possess all powers necessary to carry out the purposes thereof and those incident thereto. It may acquire private property by purchase, lease, gift, devise or condemnation, either within or without its corporate limits, and may hold, manage, control, sell, exchange or lease such property. For the purpose of condemnation it may proceed under the provisions of Act 149, Public Acts of Michigan, 1911, now or hereafter amended, Act 87, Public Acts of Michigan, 1980, as now or hereafter amended, or any other appropriate statute.

ARTICLE XII

The AUTHORITY shall have the power to determine the location of any project constructed by it under the provisions of the Act and to determine, in its discretion the design, standards, and the materials of construction, and construct, maintain, repair and operate the same.

ARTICLE XIII

The AUTHORITY and its CONSTITUENT MUNICIPALITIES may enter into a contract or contracts providing for the acquisition, purchase, construction, improvement, enlargement, extension, operation and financing of a water supply system, a sewage disposal system, or both, as authorized and provided in the Act. The AUTHORITY may enter into contracts with any non-constituent county, city, village, township or charter township for the furnishing of a water supply or a sewage treatment service by any system owned or operated by the AUTHORITY, which contract shall provide for reasonable charges or rates for such service furnished. The AUTHORITY shall have the power to enter into contracts with any CONSTITUENT MUNICIPALITY or other municipality for the purchase of water supply or sewage disposal services from such CONSTITUENT MUNICIPALITY or other municipality. No contracts shall be for a period exceeding forty years.

ARTICLE XIV

For the purpose of obtaining funds for the acquisition, construction, improving, or extending of a water supply system, a sewage disposal system, or both, the AUTHORITY may, by ordinance or resolution duly adopted by it, issue its negotiable bonds, secured by the contractual full faith and credit pledges of each contracting municipality, and in accordance with and subject to the provisions of the Act.

ARTICLE XV

The AUTHORITY and any of its CONSTITUENT MUNICIPALITIES and any other municipality shall have authority, if provided by the terms of any contract, to acquire, construct, improve, enlarge or extend a water supply system, a sewage disposal system, or both, to provide for the sale and purchase of water supply or sewage disposal services from any such system or systems, and after the execution of such contract or contracts, the AUTHORITY may issue self-liquidating revenue bonds in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended, being Sections 141.101 to 141.139, inclusive, of the Michigan Compiled Laws, or any other act providing for the issuance of revenue bonds, which bonds shall be payable solely from the revenues of the water supply system, the sewage disposal system, or a combined system. The charges specified in any such contract or contracts shall be subject to increase by the AUTHORITY at any time if necessary in order to provide funds to meet its obligations. Any contract authorized herein shall be for a period of not exceeding forty (40) years.

ARTICLE XVI

The BOARD shall have the power to hire all necessary officers and employees to carry out the functions of the AUTHORITY and to fix the compensation therefor; provided,

ANN FEENEY, Chamber of Commerce executive C. members at the ticket sales counter. Members from director, was all over the place Friday night at the left, are Brian Myers, Suzanne Morrison, Jackie House Party. Here she is conferring with other C. of Schiller, Blake Thomson and Warren McArthur.

however, that no officer or employee of any CONSTITUENT MUNICIPALITY shall receive any compensation from the AUTHORITY except by the unanimous vote of the members of the BOARD. It is further understood that the BOARD may contract with any CONSTITUENT MUNICIPALITY or some outside governmental agency for the purpose of examining and preparing an eligible register of prospective employees for the several classifications of officers and employees needed to operate such facility.

ARTICLE XVII

The BOARD shall cause an annual audit to be made of its financial transactions by a certified public accountant and shall furnish at least two copies thereof to each CONSTITUENT MUNICIPALITY.

ARTICLE XVIII

These Articles shall be published once in The Chelsea Standard, of Chelsea, Michigan, and The Dexter Leader, of Dexter, Michigan, which newspapers have general circulation within the limits of the AUTHORITY. One newspaper copy of the Articles of Incorporation as printed in the aforementioned newspapers, certified as a true copy thereof as hereinafter provided, with the date and place of publication shown by a publisher's affidavit of publication attached thereto, shall be filed with each of the Secretary of State, and the Clerk of the County of Washtenaw within thirty days after the execution and publication thereof has been provided.

The Township Clerk of the Township of Dexter is hereby designated as the person to cause these Articles of Incorporation to be published, certified and filed as aforesaid. In the event he or she shall be unable to act or shall neglect to act, then the Supervisor of the Township of Dexter shall act in his or her stead.

ARTICLE XIX

This AUTHORITY shall become effective upon the filing of certified copies of these Articles of Incorporation, as provided in the preceding Article XVIII.

ARTICLE XX

These Articles of Incorporation may be amended at any time as so to permit any county, city, village, township or charter township to become a member of this AUTHORITY, if such amendment to and the Articles of Incorporation are adopted by the legislative body of such county, city, village, township, or charter township proposing to become a member, and if such amendment is adopted by the legislative body of each CONSTITUENT MUNICIPALITY of which the AUTHORITY is composed. Other amendments may be made to these Articles of Incorporation at any time if adopted by the legislative body of each CONSTITUENT MUNICIPALITY of which the AUTHORITY is composed. Any such amendment shall be endorsed, published, and certified and printed copies thereof filed in the same manner as the original Articles of Incorporation, except that the filed and printed copies shall be certified by the recording officer of this AUTHORITY.

These Articles have been adopted by the several incorporating municipalities, as hereinafter set forth in the following endorsements, and in witness thereof the Supervisor and the Clerk of each CONSTITUENT MUNICIPALITY have endorsed thereon the statement of such adoption.

Rebecca Flintoft Earns Kalamazoo Scholarships

Rebecca Flintoft, daughter of Peter and Carol Flintoft of Chelsea, has been awarded an honors scholarship and competitive music scholarship by Kalamazoo College.

The scholarships, which are renewable each year, recognize and reward students who have made significant contributions to their schools and communities while in high school.

Flintoft, a freshman at Kalamazoo, earned a \$7,500 yearly honors scholarship from the school. She also received an undisclosed amount for the music competitive scholarship to help defray tuition and room and board costs.

The \$7,500 scholarship award is the highest Kalamazoo offers. Flintoft "had one of the highest academic rankings" among incoming students, according to a college admissions spokeswoman.

Flintoft's music scholarship was based on her performance last winter in an instrumental audition for school professors.

The school is nationally known for its "K" Plan, which combines off-campus experiences in career internships, study abroad and independent research with on-campus studies in the liberal arts.

Kalamazoo College also outranks many other prominent Ivy League schools in its percentage of graduates who receive doctoral degrees in all fields.

Fermentation is an important food manufacturing process. Beverages like beer, whiskey and wine are made by fermenting grains and grapes. Cheeses, yogurt and even some medicine are made the same way. On the farm, farmers ferment a type of food for cows called silage by storing corn or hay in an air-tight structure called a silo.

Fall Color Show Near At Metroparks

Few of nature's annual events delight our senses and inspire our interest like the fall color extravaganza put on by the deciduous trees and shrubs.

The 13 Metroparks, containing extensive tracts of woodlands and fallow fields punctuated by lakes and rivers, offer some of the best displays of nature's colorful handiwork to be found in southeast Michigan. And, the annual sight show is close. The Metroparks stretch in an arc from Metro Beach on Lake St. Clair, along the Clinton and Huron rivers to Lake Erie Metropark near Gibraltar on Lake Erie, putting them within easy reach of the residents of Wayne, Oakland, Macomb, Washtenaw and Livingston counties.

You can enjoy the color spectacular at your Metroparks by car, bike, hike or boat.

- Paved bike/hike trails, ranging in length from 3-8 miles, are located at Metro Beach, Stony Creek, Indian Springs, Kensington, Hudson Mills, Lower Huron, Willow and Oakwoods.

- Nature trails can be found at Metro Beach, Wolcott Mill, Stony Creek, Indian Springs, Kensington, Hudson Mills, Lower Huron and Oakwoods.

- Boats and/or canoes are available for rent, mainly on week-ends, at Stony Creek, Huron Meadows, and Hudson Mills, Dexter-Huron and Delhi (private rental from Skip's Canoe Livery available at least three parks).

The peak of the fall color season in southeast Michigan is generally the second or third week of October, although weather conditions can change the peak color dates considerably.

A vehicle entry permit is required at the Metroparks-Annual: \$15 regular/\$8 senior citizens or daily-\$3 week-ends and holidays, \$2 week-days except Tuesdays, which are free entry days.

SCHOOL LUNCH MENU

- Friday, Oct. 7—Chicken salad in a pita pocket, vegetable sticks, peach half, milk.

TEAM TEACHERS: Karen Henry (left) and Crystal Heydlauff say early results of their team teaching experiment at South Elementary school are a success. They think the arrangement is likely to catch on elsewhere in the district and hope to continue teaching together for years to come.

Two Teacher, Classroom Experiment An Early Success at South Elementary

An educational experiment is going on at South Elementary school this year.

The experiment is team teaching. And those conducting it say the results, so far, are better than expected.

South Elementary third grade teachers Crystal Heydlauff and Karen Henry are finding out that having two teachers in the classroom, especially in a relaxed setting, can work just as well or better than one.

Both are teaching a class of 46 students. That's a big group even for two teachers.

But after only a few days, the kids were acclimated to Heydlauff and Henry's dual teaching approach and new surroundings, the teachers reported during a presentation to the school board last week.

Rather than operating out of one classroom each day, the students in this Chelsea third grade class work in two. Both are set up in portable buildings on school grounds.

But one is decorated in the form of a living room while the other is situated much like a traditional classroom with desks and chairs.

The teachers wanted to offer the students a different setting and more relaxed atmosphere for learning.

Though still early in the experiment, the teachers say the large class has not presented management or teaching problems.

"We both are teaching at the same time," Heydlauff said. But the arrangement also enables them "to monitor students more closely. We have sort of a big family atmosphere," she said.

Their students start their day in the living room classroom, saying

the pledge of allegiance, writing in their journals while Heydlauff and Henry are busy working in small groups.

Later the class regroups there for storytime.

One of the benefits of team teaching says Henry is that "We're sharing students and subjects. We do all projects together," Heydlauff said.

They co-ordinate their approach with one teacher leading the class while the other serving as an assistant. "The kids have noted that they get more attention this way," Henry said.

Trying to get some direct feedback on the experiment after 10 days, the teachers polled their students about the arrangement. They weren't sure what kind of response they'd get.

But their students are giving it a definite thumbs-up. "Every student filled out a positive comment about the arrangement," Henry said. We are very pleased with the students' responses."

One student wrote, "More teachers means more fun." Another men-

tioned that having two teachers means never going without one. "I like it because if one is sick, there's another one."

And still another likes having lots of classmates. "With more kids, there's more chances of having friends," the student wrote.

Dual teaching is something Henry and Heydlauff had considered doing because they got along so well while doing combined classroom projects over the last few years at South. Henry joined the staff there in 1989, while Heydlauff arrived a year later.

Their bond grew while taking classes together to complete work on their master's at Eastern Michigan University two years ago. And they thought it would be nice to teach together.

But they would only joke about it until casually mentioning the proposition to principal Lucy Steiber last year. She told them to write a proposal for board consideration. And last May it was approved.

Students assigned to Heydlauff and Henry's class were notified early on about the teaching arrangement. And the teachers held an open house a week before school started in late August to give parents and students an idea how they planned to run the class.

Now parents are some of their biggest boosters. Pat Rhorer, whose daughter, Jessie, is in the class, told school board members that her child thoroughly enjoys it.

"I think the parents were curious about how this is going to work," said Henry. But now, she said, "Parents are coming in constantly, telling us how their kids love it."

When they first drew up the team teaching proposal, the teachers thought they were breaking new ground.

Not so, however. Team teaching is also taking place in Saline, Dexter and Pinckney, they've learned. In fact, in Dexter there are three elementary classes with two teachers instructing them.

While a final verdict on the arrangement won't be reached for sometime, the teachers say they find it stimulating and professionally beneficial. They expect it will catch on with other teachers in the district. "We're working together, sharing ideas. We utilize peer-coaching," Henry said. "I think it's neat, professionally," Heydlauff said.

Having two teachers sharing curriculum and switching off on subject matter makes for a fast-paced day for students. "There's not a whole lot of transition time," Henry notes.

Plus, they point out, there is more time for them to spend on a one-on-one basis with students, monitoring classroom progress on assignments and joint planning.

With the help of parent aides and support, the class is working just fine, the teachers say.

"We'll be evaluated" at school year's end, Henry said, but adding, "We weren't told this is a one-year trial."

Said Heydlauff, "We hope to be doing this for years to come."

Eighth Grade Girl Cagers Looking For Their First Win

Poor shooting has led to three season-opening losses for the Middle School eighth grade girls basketball team.

The team has dropped games to Saline, Dexter and Pinckney.

On Sept. 14, the team fell in its home opener to Saline, 21-11. Miranda Harris was Chelsea's high scorer in the game with five points, while Karla Dettling and Katie Long had two points each.

The team doubled its scoring output in its next game against Dexter on Monday, Sept. 19, but wound up losing, 27-22.

Coach Cheryl Vogel said her club showed "more hustle and better defense" in that contest.

The team was led in scoring by Karen Kuhl with six points. Also scoring were Amy McCalla, four points, Kristin Ellis, three, Lisa Zimmerman, Miranda Harris, Amy Bergman, Amanda Tarantowski, two, and Meghan Holfka, one.

Lindsey Williams (six steals) and Bergman (five steals) led the team on defense, while McCalla had seven rebounds.

In a 32-18 Sept. 21 road loss to Pinckney, Harris was the team's top scorer with seven points, followed by Long with four.

Other Chelsea scorers in that game were Margaret Shick, Williams and McCalla with two points each, and Ellis, one. McCalla also had five rebounds.

Despite the loss, Vogel said her team made a good showing on defense, getting nine steals led by Bergman with four.

Besides those mentioned, remaining players on the team roster include Jenna Sparaco, Amanda McGonehey, Jenna Hall, Susan Kastula, Caressa Johnson and Rachael Zuika.

SHERIFF'S REPORT

Sylvan Township

Accidental Damage

A 58-year-old township man reported accidental damage to his 1986 Buick while he was driving along Lima Center Rd. near Scio Church Rd., Sept. 19, around 6 p.m. He said an unknown object struck his windshield and caused \$250 in damage.

Breaking and Entering

Breaking and entering was reported in the 13000 block of Sager Rd., Sept. 17. A 40-year-old township woman told police someone damaged three doors and entered her grandmother's home and stole \$18,000 in jewelry.

Webster Township

Malicious Destruction of Property

Malicious destruction of property was reported on Northgate St. near Holly Way Dr. at the Loch Alpine Golf Course, Sept. 16. A 74-year-old male resident told police the cart broke down while he was playing golf so he left in on the course until he finished playing. When he returned, the man said, he found the cart with puncture holes in the seat, air out of its tires, submerged in a creek. Damage is estimated at \$200.

Lima Township

Taken Without Permission

A 42-year-old township man told police his roommate took his 1981 Chevy Caprice without permission from their home in the 1000 block of S. Lima Center Rd., Sept. 17. He said he asked the 31-year-old man to vacate the home while he sprays for fleas. The victim went to his mother's home, located next door, and he said he saw the suspect leave in the vehicle. He also told police his roommate has taken the car without permission in the past. When police made contact with the suspect, it was noted in the report that the suspect was intoxicated and verbally abusive.

Dexter Township

Drunk Driving

A 32-year-old Pinckney man was arrested on Dexter-Pinckney Rd. near North Territorial Rd., Sept. 18 for operating a motor vehicle under the influence of liquor. He was stopped for speeding and erratic driving. The man admitted to consuming alcohol at the Moose Lounge in Ann Arbor prior to driving. His blood/alcohol level was tested at .09 percent, which is just under the legal limit. A prosecutor will review the case.

Larcenies

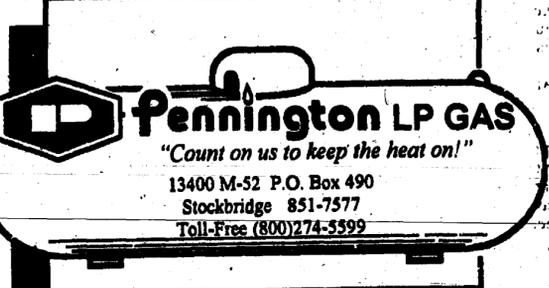

Larceny of a bicycle was reported in the 13800 block of Saver Rd., Sept. 18. A 33-year-old male resident said he was walking in the area and discovered one of his bikes in a swamp. When he checked his residence he discovered a total of two were missing. The other is a 15-speed mountain bike valued at \$150.

Breaking and Entering

Breaking and entering was reported in the 7000 block of North Lake Orchard Rd., Sept. 21. A 42-year-old Chelsea man told police someone broke into his home under construction, damaging two door locks and two door frames between 10:30 p.m. Sept. 21 and 7:30 a.m. Sept. 22. Nothing was reported stolen. Extra patrol of the area has been requested.

Warrant Arrests

Stephen R. Plasters, 24, of Pinckney was arrested on a warrant after stopped on McGregor Rd. near Robert Dr., Sept. 22. A computer check revealed Plasters was wanted on a felony warrant for retail fraud and receiving and concealing stolen property issued out of the Michigan

New Figures Show Success of NAFTA In Farm Trade

Figures released by the Clinton Administration show that American agriculture is benefiting from the first six months of the North American Free Trade Agreement (NAFTA).

U.S. farm exports have risen 11 percent in the first six months, from \$1.93 billion to \$2.16 billion. On an annual basis, U.S. agricultural exports should reach \$4.1 billion, a half billion dollars more than last year. Imports of Mexican agricultural products have also increased, by 5.9 percent. On an annual basis, 1994 imports from Mexico should be around \$2.9 billion which results in a projected U.S. trade surplus of \$1.2 billion in farm products.

"Mexico is a growing market for American farm products," said Ken Nye, director of commodity activities and research for Michigan Farm Bureau. "It could well be the most important export market that we have. We have close proximity, a large and growing Mexican population, and an increasing income level that will lead to more demand for our food items."

U.S. exports showing substantial gains include feedgrains, soybeans, cotton, tobacco, peanuts, soybean oil, sugars and sweeteners, red meats, poultry and fresh fruit.

Imports from Mexico showing gains include coffee, tea, snack foods, fruit and vegetable juices. Coffee and tea were already duty-free before the NAFTA.

Police Recover Bike

Chelsea police are seeking the owner of a 20-inch mountain bicycle that was found near the tennis courts at North Elementary school.

Police said the 10-speed, blue-black bicycle was unlocked when it was found last Saturday on school grounds.

The bike has been impounded at police headquarters.

McKUNE MEMORIAL LIBRARY NEW BOOK LIST

Some new selections at the McKune Memorial Library from which to choose include the following fiction.

"A Viking Daughter," by John Andrews, fills in the spaces left by 11th-century Norse sagas about Gudrid—a woman whose childhood in Iceland and later leader of a Norse colony in Greenland—became the basis for legend.

"The House of Memory," by Nicholas Clifford. From Shanghai in the 1920's to Tianamen Square in 1989, a young American finds striking parallels in history as he finishes research on his book.

"In the Dark," by Carol Brennan. A voice brings back memories from 20 years ago when a domestic quarrel by the heroine's parents turned into a so-called murder-suicide.

"Tickled to Death," by Joan Hess. Did the charming dentist murder his first two wives? Will his new fiancée be next?

"Mama," by Terry McMillian, is in Large Print and portrays Mildred

Peacock as a heroine who is tough, funny and feisty.

"A Killing in Moscow," by Clive Egleton tells the tale of British agent Peter Ashton who goes to Moscow to uncover a mole who is stealing commercial secrets; only to attempt her rescue and aid in her flight to England.

"Everything to Gain," by Barbara Taylor Bradford, celebrates family, friendship and the triumph of the human spirit. After a random act of violence destroys her almost perfect life, Mallory Keswick finds resources and strength to feel whole again.

"Thankyou for Smoking," by Christopher Buckley. Political satire by a master, this novel provides us with a wickedly funny look at the chief spokesman for the Academy of Tobacco Studies, Nick Naylor, whose job it is to defend the rights of smokers.

"Nop's Trials," by Donal McCaig, is a tale of Lewis Burkholder and his Border Collie, Nop, with whom he shares a remarkable bond of love and courage.

"Jupiter's Daughter," by Vernon Hyman, introduces Genevieve Stewart, who is the first human whose entire genetic character is programmed before birth. Born at midnight, on Jan. 1, 2000 she frightens and enchants her recently widowed mother by demonstrating mysterious mental and physical powers.

30-Year 4Max ARM

5.95% rate

8.498% APR

Most adjustable rate mortgages can jump 8% over the life of the loan. Ouch. Not the case with our 4Max ARM, which can jump no more than 4%. And as a homeowner, you'll save money with lower monthly payments the first year. Ahhh, much better.

Typical APR (annual percentage rate) includes interest on loan and other fees, and is based on a \$100,000 loan with an 80% loan-to-value ratio. The APR may increase after closing. Interest rates and terms are subject to change at any time without notice.
