ONE HUNDRED TWENTY-THIRD YEAR—No. 44

CHELSEA, MICHIGAN, WEDNESDAY, MARCH 22, 1995

20 Pages This Week Plus Supplement

FRED BARKLEY, right, Washtenaw County Parks & Recreation Commission director, was a guest of the Chelsea Kiwanis Club on March 13 to present a report on the current state of the Pierce Lake Golf Course and Park. Although much of the park development isn't yet complete, Barkley did

state that they expect to play golf on the back nine holes by July 1 of this year. The second nine is expected to be ready about Aug. 1. Paul Mann, left, and Herman Koenn who is also a member of the parks commission, studied the architect's plans of the park layout.

Pierce Lake Park, Golf Course Near Completion

With the coming of spring weather, development of the Washtenaw County Pierce Lake Park and Golf Course will be getting underway again.

According to Fred Barkley, director of the Washtenaw County Parks Commission, the irrigation system and all of the greens, tees, and fairways of the golf course have been constructed with about 75 percent of the seeding completed.

"There has been some winter damage to a couple of the greens by the deer herd, which continues to call the park home," he said. "But that is not extensive."

Park Superintendent Steve Southard said: "Over-all, the new construction came through the winter in pretty good shape and completing the course should not be a problem if we have a normal spring and early summer."

Contractors are now on site to construct the maintenance building, clubhouse and other site improvements, including the paving of the parking areas and entrance road and landscaping, which will include over 200 large pine trees, which were donated to the County Parks Commission by Chelsea area resident Jeffery Gummis.

Barkley has indicated that it is a goal of the Commission to have nine holes of the golf course open by the first of July and the remaining nine holes open by the end of August. The park will be completed and open for winter activities next winter.

When asked how the county was able to construct the Pierce Lake Park development in less than one year, he said: "We received a lot of great weather from Mother Nature last fall, and more importantly, terrific support and co-operation from the Village of Chelsea and the Lima and Sylvan township Planning Commissions."

Village Council Swears In Election Winners

"Out with the old, in with the new" was on the agenda for last Tuesday's Village Council meeting as the council said goodbye to trustee Tom Dorer and hello to new trustee Bob Clark.

"It was a pleasure working with everybody," Dorer said.

Dorer did not seek re-election to the council in the March 13 village election held in Sylvan township hall.

Council members present at the meeting were: village president Richard Steele, village manager Jack Myers, assistant village manager Bruce Pindzia, clerk Suzanne Morrison, and trustees Richard Rigg, Bob Clark, Joe Merkel, Frank Hammer and Brian Cashman. Trustee Steve Daut was absent.

Steele administered the clerkship oath of office to a re-elected Morrison. Morrison then swore in newcomer Clark and re-elected trustee Cashman. Re-elected trustee Daut, who was out of town, was unable to be sworn in. Each will serve two-year terms.

"Mr. Clark is a good man," said Daut in a phone interview. "I look forward to working with him."

Morrison announced that there were two write-in votes for assessor, Georgia Beeman, village deputy clerk, said the Washtenaw County Board of Canvassers will decide who will receive the assessor position. She added that Palmer Morrel-Samuels was the newest library board trustee who received the most write-in votes at 14.

"Palmer Morrel-Samuels will be sworn into the library board position prior to the next board meeting," Beeman said.

He, along with re-elected library board trustee Bill Personne, will each serve three-year terms.

Reports were heard from the various village department heads.

Dan Rosentreter, of the water department, said his office will finish conducting interviews for a vacancy in his department.

Hammer asked about the copper issue. Rosentreter responded that the lead amounts are OK, but the copper concentration was above the legal

limit. He added that his office took two sets of 40 samples each and tested them.

He said his office is working toward lowering the copper concentration in the water supply. He said it workers will put a phosphate coating on the interior part of the water pipes, so water won't attack the pipes and leave copper in the water supply. Once they have achieved this, further testing will be conducted.

Fire chief Dan Ellenwood reported that the fire department responded to 34 calls, and completed 372 man hours since the last council meeting.

Bob Shepherd, from the electric department, said the electric substation is "on target." He said he is looking at power transformers next week.

The start up date for the substation is scheduled for April.

Public Works representative Dave Bolson said Freer Rd. is scheduled to open up in a few days.

Myers announced that he will attend a preconstruction meeting for the water tower and water distribution line, which is to be built behind the McDonald's restaurant and extend to the Polly Shopping Center. Since the \$550,000 bond has been sold, construction will probably begin at the end of the month, Myers said.

A consultant gave a presentation about proposed parking spaces and new village offices. Daut said the council is just looking at this alternative. Nothing has been voted on yet, he said.

In new business, Glenn Burkhardt from McNamee, Porter & Seeley, said the Veteran's Park Pumping Station needs four transformers to convert to the 120-volts of power. He said it would total 35 amps of power when completed.

He estimated that the transformers would cost \$1,500. Burkhardt said it looks like Manchester Electric will add \$1,000 to its original contract, from \$13,990 to \$14,990.

The motion passed, 6-0.

Pindzia made a request to purchase survey equipment from Accurate Supply & Corp. in Plymouth.

"We wouldn't have to rent if we buy the equipment," Pindzia said. "It will save an enormous amount of money on labor (for consultation fees)."

Pindzia predicted that the village could save at 50 percent of what they are now paying.

Rigg asked Pindzia why this request wasn't in the \$5,000 budget for equipment rental leasing. Pindzia responded that he stumbled upon something at a trade show.

Rigg said: "Avoid trade shows for awhile."

The motion passed, 5-1, with Rigg casting the "No" vote.

The third item of new business was an amendment to Ordinance No. 118—Fire Control Measures and Regulations Ordinance.

Myers said the amendment was connected to the high school having a bonfire last year. He said the amendment would regulate open (controlled) burning.

The motion passed unanimously, 6-0. Morrison added that the amendment would get its own number.

Merkel reported that Huron Valley Ambulance (HVA) plans to construct a building by the white house behind the hospital on Old US-12. HVA plans to house an ambulance in the building. HVA requested that the village help fund the building. If it did, the building would be constructed larger and village fire trucks could be housed in the bays. The building would house four fire trucks in two bays.

"HVA is going to build this anyway," Merkel said. "They've been saving for three years."

Merkel said HVA plans to sign a 99-year lease on the land.

The breaking ground is scheduled for May, which doesn't leave much time to make a decision, Merkel said. Cashman said he would feel more comfortable seeing the actual figures. Ellenwood said the building "would be very beneficial."

"We lose everything if anything happens" to the current fire department building, he added.

The business was tabled until the next village council meeting.

School Board Approves Certificate Calling for Construction Project

Superintendent of Schools Edward Richardson recommended at Monday's school board meeting that the Board approve the certificate calling for the preliminary application to the State Treasury for approval of a school construction project, which includes potential sale of bonds not to exceed \$45 million.

The board unanimously approved the recommendation, 7-0.

R.E.A.D.Y. is the key word in order to take action on the proposed \$45 million school bond issue, which could be on the June 12 ballot. Plans are to:

R- Renovate North and South Elementary, Beach Middle schools

E- Educate Differently

A- Add a new high school, elementary school and technology

D- Develop a financial plan incorporating a bond and operations

Y- Say Yes to Change! Richardson made additional recommendations to the board.

Spectators at all regularly scheduled spring athletic events hosted by the Chelsea schools will be charged a \$1 admission fee, which the board approved, 7-0. This would include middle and high school events. Tickets could still be purchased at half-price through the Community Education office.

The board purchase of four bus bodies and four bus chassis was approved, 6-0, with one abstention. The following firms' accepted bids are: Bodies—Hoekstra Truck Equip. Co., three at \$16,341 each and one at \$19,862; Chassis—Palmer Motor Sales, four at \$33,652 each.

One new bus is equipped with lift for students needing assistance getting on the buses.

Joseph Redding chose to abstain because he is employed by Ford Motor Co.

Melanie Scott will be the special education aide for Nancy Cooper. Scott has been working as a substitute aide for four weeks.

Richardson proposed that the Board approve his appointment as election administrator for the 1995 Annual School Election and the rescinding of any previous motions of appointment.

The board met in closed session for the purpose of superintendent evaluation and one personnel matter.

Jim Winter gave a special presentation to the board introducing the mentorship program students and the prospective professionals whom they've worked under during the school year.

The students presented their

projects to the board and explained to the public the time and research involved working under their mentor. The board presented framed appreciation certificates to each professional.

The board discussed the potential hire of Ben Bower for the purpose of continuing the historical mural located in the board room.

"It's got a lot of historical significance in the community," said Janet Roberts.

School board members who were present were Dayle Wright, Roberts, John Eisenbeiser, Jane Diesing, Conrad Knutsen, Sandra Merkel and Redding. Also present were Richardson and secretary Miriam Klemer.

Fiddle Band Concert Set at Methodist Church

The First United Methodist church, 128 Park St., is hosting a family concert by the Old Time string band *Acoustic Mayhem* this Friday, March 24 at 7:30 p.m. The concert will be presented in the church.

Acoustic Mayhem is a quartet of musicians performing a wide variety of music from Old Time, Irish, and children's music to sentimental ballads, ragtime, and swing. They have performed at festivals and concerts throughout Iowa, and are coming to North and South Elementary schools.

Students will be introduced to American traditional folk culture through the band's eclectic variety of music. Every student will have an opportunity to participate with the members of *Acoustic Mayhem* in workshops as well as attend school concerts.

Acoustic Mayhem consists of four experienced and diverse members. John Kennedy, Chelsea High

and Beach Middle school orchestra director, plays bass and brings his classical background to the world of traditional music. Margaret and Loren Brumm, accomplished fiddler and guitarist, respectively, have appeared throughout the Midwest with many traditional and Irish musicians. As a Montessori School music teacher Margaret has a vast array of songs to delight the youngest of listeners. Mike Haverkamp, and Iowa Arts Council Residency Artist, drags out a bushel of instruments including banjos, mandolin, autoharp, ukulele and harmonica.

Friday's concert will have music and fun to delight all from 1 to 101. This special concert is free, with a free-will offering being taken to support the building campaign at the church. Come on March 24 for an uplifting and high-energy evening of melody and fun for the whole family.

Westland, Orion Men Fall Through Ice on Four Mile Lake

A 40-year-old Westland man and a 28-year-old Orion man are very lucky to be alive after one of them fell through the ice on Four Mile Lake in Lima township on Wednesday, March 15.

Giuseppe Feanga, of Westland, and Tony Livingston, of Orion, decided to go ice fishing last Wednesday afternoon. As they were walking on the ice back toward shore, some thin ice gave way.

"At 1:35 p.m., one of them fell through the ice approximately 400 yards from the shore," said R. J. Smith, of the Washtenaw County Sheriff's Department.

Both Chelsea's and Dexter's fire and sheriff departments initially responded to the call for help.

Smith said the ice cannot sup-

"Rescue efforts were hampered due to the extremely poor conditions."
— R.J. Smith
Washtenaw County Sheriff's Dept.

port any type of weight as the warm weather has made it very thin.

"Rescue efforts were hampered due to the extremely poor conditions," Smith said. "The Coast Guard was called in, and airlifted the two fishermen to safety via helicopter."

Both men refused medical treatment. Smith said the two men were lucky because the cold water can cause people to die from exposure.

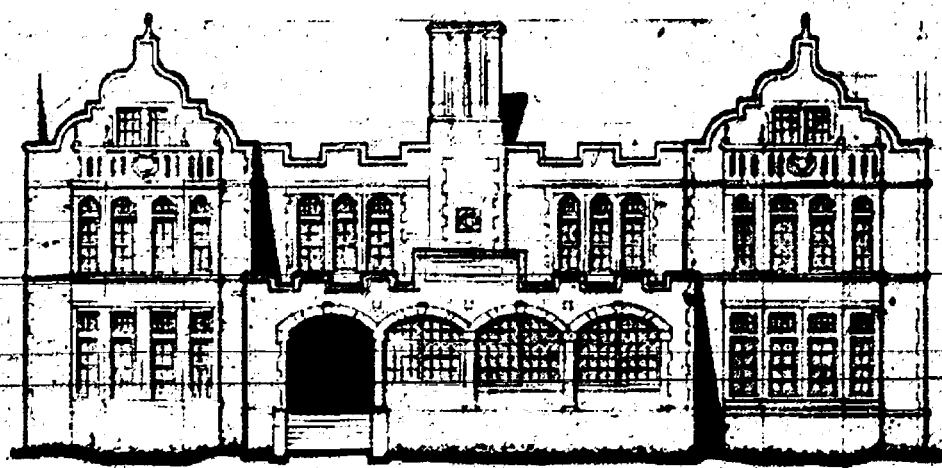

"There's a real danger of falling through the ice," Smith said. "The ice is unsafe for the rest of spring." Smith said there have been no incidents this spring until Wednesday's mishap.

He said the air temperature was 70 degrees last Wednesday.

SPRING-LIKE WEATHER with temperatures in the upper 60's was simply too inviting to wait any longer for some of the area's farmer-farmers. Above, 26-year-old Paul Seitz stands beside a grain drill Saturday while son Eugene handles the tractor as

they plant the first 1/4-acre plot of oats. Paul had plowed the field the day before and it was in excellent planting condition. Paul and his son farm the 180-acre homestead which his father and grandfather had also farmed before.

JUST REMINISCING

Items taken from the files of the Chelsea Standard

4 Years Ago...

Wednesday, March 20, 1991—

Developer Rene Papo's next Chelsea project may be a 60-unit mobile home park on the western edge of the village. Papo confirmed Monday that he has taken an option on a 16-acre parcel off Cavanaugh Lake Rd. near Hatch Stamping Co. for the proposed project. It is the only vacant piece of land in the village zoned for such use.

Assorted prescription drugs and \$730 cash was stolen from Chelsea Pharmacy late Sunday night or early Monday morning. According to Chelsea police, a hole was cut in the roof of the building at Chelsea Shopping Center to gain access to the inside. Once inside, thieves disarmed the alarm system, and eventually left through the back door. If activated, the system rings directly into the Chelsea Police Department.

Chelsea area property tax board of review were about as busy this year as they were last year, township supervisors say. New assessments were mailed March 1. Sylvan Township Supervisor Don Schoenberg, who is also the township assessor, said protests numbered 118 this year, down from last year's 130. The township average residential assessment leaped 12.4 percent, one of the highest increases in Washtenaw county, he said.

14 Years Ago...

Thursday, March 31, 1981—

Jim Gaken announced his retirement from his position as chief of the Chelsea Fire Department in a letter submitted to the Chelsea Village Council Tuesday, March 3. He joined the Chelsea Volunteer Fire Department March 3, 1947 as a result of the Central Fire fire. He served in various capacities since that time.

★ Washington Should Learn from Michigan's Budget Cuts

By Lawrence W. Reed

If those newly elected members of Congress who want to cut back or abolish the federal Department of Commerce need evidence to support their view, they should look no further than Michigan. Our state's recent experience proves that fewer subsidies to business and economic growth can indeed go hand in hand.

The federal Department of Commerce manages a lengthy list of programs and activities designed to promote American business. It throws money at schemes to increase exports. It entices politically favored technologies with awards and grants. It will spend \$4.2 billion this year, a whopping 28 percent more than it did just two years ago. It is a sacred cow to many big businesses, who collect the lion's share of the subsidies the department doles out in various forms every year.

As the new congress explores ways to reduce the burden of government on the average American, this corner of federal spending should be high on the list. Senate Budget Committee chairman Pete Domenici told NBC's "Meet the Press" in December, "Frankly, I don't know why Commerce couldn't be dramatically reduced." Big businesses are allying themselves with the Clinton administration to stave off reductions in their subsidies, arguing that without them, the nation's economic growth would suffer.

Michigan has its own Commerce Department Christmas tree of goodies for business by the time John M. Engler was elected Governor in 1990. State auditors in 1988 had put a magnifying glass to the Michigan Department of Commerce and found that the department's "efficiency evaluations generally addressed only the number of activities performed, without consideration of cost." Reports to the Legislature by department officials routinely addressed only the "quantity of activities," not their effectiveness. Many of the jobs the department's schemes were supposed to create, the auditors found, either never materialized or would have been created whether or not the companies had been given state money.

A long-time skeptic of government-directed economic development schemes, Governor Engler chopped the Michigan Department of Commerce's general fund budget by 47 percent in his first six months in office. He reduced or eliminated scores of programs and subsidies

that were little more than thinly disguised boondoggles for the benefit of special business interests. Figures obtained by the Mackinac Center for Public Policy show that through the end of 1995, the cumulative savings from those cuts in 1991 will approach \$400 million.

Among the hardest-hit were specialized services provided by state government to businesses in such areas as technology deployment, workforce development, and market analysis. Contractual services for "economic development promotion" in the print and broadcast media were drastically cut. One scheme the Governor axed was the utterly preposterous "Growth Margin" program, which was started late in the Blanchard administration. It was designed to subsidize rapidly-growing firms in Michigan with below-cost consulting services so they could better manage their growth.

At a time when most other states were increasing their assistance for business, Michigan went from being one of the most activist industrial policy practitioners to one of the least. No more handouts for white elephants like Flint's now-defunct AutoWorld or the failed Vixen Motors company in Pontiac. Governor Engler repeatedly declared it was unwise for government to "try to pick winners and losers" with taxpayer money. Making the over-all business climate friendlier and less burdensome to all businesses would be a more fruitful policy, he argued.

Four years of spending restraint have left Michigan's general fund budget smaller, in real terms, than when Governor Engler took office. The Michigan economy has benefited from a net tax reduction of more than \$1 billion in the last two years alone. Replacing much of the old activist, subsidy approach with a "fairer field and fewer favors" did not result in economic stagnation. In fact, Michigan began generating new jobs and businesses at a breakneck pace, producing an average unemployment rate in 1994 that was below the nation's for the first time since 1966.

Keeping the demands for special-interest subsidies at bay is a never-ending challenge. In recent months, even the Engler administration has shown signs of buckling under the pressure in spite of robust economic expansion. Still, the Governor's assessment of 1994 in light of his first-term economic strategy ought to be ample encouragement to the Commerce Department budget cut-

ters in Washington: "For the first time in almost 30 years, Michigan's economy outperformed the nation across the board. Whether you look at jobs, income, or economic growth, Michigan is turbocharging the national economy... Our representatives in Washington should follow Michigan's example by cutting taxes, limiting government, [and] balancing the budget."

(Lawrence W. Reed is president of the Mackinac Center for Public Policy, a Midland-based research and educational organization.)

Compass Reading, Night Animals Await Nature Lovers

Do you have trouble reading maps or knowing which direction is North? Join the Waterloo Natural History Association as interpreter Lisa Camero teaches the basics of maps and compasses on April 1 at 1 p.m. at the Gerald E. Eddy Geology Center.

Pre-registration is required for the program. Class sizes are limited to 20 persons. Children under the age of 12 will need to be accompanied by an adult.

Also, join Dorothy Blanchard and Kay Lane that night at 7:15 p.m. for a night of musical madness—the calling of spring peepers, chorus frogs, wood frogs, leopard frogs and more! Bring your flashlight, and dress appropriately for the weather. Be prepared to get your feet wet.

The center is located at 16345 McClure Rd. in Chelsea.

SHERIFF'S REPORT

Lima Township

Medical Assist

Deputies were called to Four Mile Lake near Dexter-Chelsea Rd., March 11, for a man who reportedly fell through the ice. The 59-year-old Dearborn-Heights man was ice-fishing when he fell through. He was submerged in the water up to his chest for 45 minutes and had to be taken to the hospital to be treated for hypothermia. A neighbor called police after hearing the man's screams for help. But by the time police arrived, the man had pulled himself out of the lake and made it back to his vehicle. Huron Valley Ambulance transported the victim to Chelsea Community Hospital for treatment.

Missing Person

A 47-year-old township woman reported her son missing from their home in the 1000 block of Herrst Rd., March 15. The boy, 17, left to pick up dinner for his brother at 5 p.m. on March 14; however, he never returned. The boy's mother called police around 11:30 p.m. The youth was found March 15 in Mackinac City.

Possession of Marijuana

A 24-year-old Ludington man was cited and ordered to appear in court on charges of possessing marijuana. The marijuana was discovered in the company van he was driving on Old US-12 near M-52, March 8. It was reported that a deputy found the suspected marijuana in the glove box of the man's van after finding the van unoccupied and parked on the side of the road. The deputy reportedly was looking for the man's vehicle registration after calling a tow truck to remove it from the roadside. The driver, however, returned shortly before the tow truck arrived to claim the van. He said he ran out of gasoline, and is working in the area on a roofing contract. The man admitted the marijuana was his, and because he was honest and forthright, the officer elected not to arrest him on the charges. Instead, the suspect was ordered to appear in court within 10 days.

Found Property

A high power amplifier was found on Island Lake Rd. near Werkner Rd., March 15, by a 17-year-old Grass Lake boy. The amplifier was placed in the sheriff's department property room. If no one claims it, the item will be sold at a public auction.

Dexter Township

Drunk Driving

A 27-year-old Pinckney man was arrested for operating a motor vehicle under the influence of liquor on Dexter-Pinckney Rd. near North Territorial Rd., March 11. The man was arrested after police noticed he was driving erratically. A deputy followed the suspect in his 1984 GMC Jimmy, but lost him when he pulled in a driveway. The man had fled his vehicle and was missing. So, the deputy set up surveillance and waited. He later saw another vehicle pull into the driveway and then the GMC Jimmy leave. He followed and stopped the driver. It was discovered that the driver pulled into the driveway and fled into the woods. He got a ride back to his vehicle later in the evening, hoping to evade police. At 4:15 a.m., the man's blood/alcohol was tested at .13 percent, which is more than the legal limit. He admitted to drinking at Shooter's Lounge in Dexter township and Dexter Bowl 'N Bar prior to driving.

Malicious Destruction of Property

Malicious destruction of property was reported in the 10000 block of Island Lake Rd., March 11. A 39-year-old township woman reported the exterior driveway lights at her home were damaged. It was reported that the lights appeared to be broken with a baseball bat. Damage is estimated at \$560.

Chelsea, Ypsilanti Men Build Parsonage for Indians in Louisiana

About 80 people volunteered for week-long trips

Two local men, Ron Fulton of Chelsea, and Jeff Fulton of Ypsilanti, spent the month of February in Dulac, La., where they led 75 volunteers from our area in the construction of a parsonage for the Clanton Chapel.

Dulac is a town located 60 miles southwest of New Orleans with a population predominately of Houma American Indians. Dulac is approximately 1,200 miles from Chelsea and Ypsilanti.

It was feared that the church would have to close due to a lack of housing for a new minister, combined with the potential of a retiring minister, after having suffered through Hurricane Juan in 1985, and Hurricane Andrew in 1993.

Ron is no stranger to volunteering his time to strangers. He helped out with Hurricanes Juan and Andrew, as well as this Louisiana trip. Jeff, not to be outdone, has been to Louisiana six or seven times helping out, usually in February.

"I own a golf course, so there's not much to do in the winter," Jeff said.

Ron and Jeff each committed six weeks to oversee the building of a new parsonage from scratch.

"The parsonage will guarantee that a minister will always be available," Ron said.

About 80 unskilled local volunteers paid \$400 each for the opportunity to volunteer, Jeff said.

"All the volunteers came down one week at a time," Ron said. "We used the \$400 that each person paid to buy materials that we needed to build the house."

They lived in a donated motorhome throughout the duration of their stay.

"It was a nice process putting this whole thing together," Jeff said.

For the past year, the two took this idea to many of the local United Methodist churches to raise money for costs.

Many of the district Methodist churches that were involved in fundraising and volunteers were Chelsea First, Ypsilanti First, St. Matthew's of Ypsilanti, and Dexter United Methodist.

The project raised about \$36,000, which covered all of the expenses incurred, Jeff said.

Some materials were donated, like floorcovering from Dennis Irish of Shamrock Floorcovering Services, Inc., in Ann Arbor.

Irish, along with the Rev. Rick Dake of Chelsea First, were able to

Volunteers Needed To Help With Scouting for Food

Chelsea Scouts have only one community service project per year: the "Scouting for Food Drive." All food collected is distributed locally by Faith in Action, so it is truly a community service.

All Boy Scout, Cub Scout and Girl Scout families are asked to participate in the food drive for at least one of the two week-ends.

Saturday, April 22 is devoted to contacting all households generally within the village limits, leaving a bag or flier for the family to place all donations to be picked-up the next week-end, April 29. On that day all donations will be picked up.

There are only 31 routes, and we need families or troops of scouts for both week-ends. We request that all families take part in this important community service activity. There are thankful food needy families, and your scouts receive community service awards.

Please call Stephen Akers, Scouting for Food chair, of Pack 455 Den 7, 475-7493 or 475-9300 (to leave message).

Cameras Taken From Unlocked Car

Two cameras were stolen out of a vehicle at Beach Middle school on Sunday, March 12. The vehicle was left unlocked and unattended at the time of the incident. The complainant said he made other stops that day, but assumed the cameras were stolen while at the school, police reports indicate.

Junior-Senior Prom Plans Underway

The Junior class has been busy raising funds and planning for the Junior-Senior prom, scheduled for Saturday, May 6 at Chelsea High school.

A parent-student meeting was held last week in the High School media center. Another planning session is scheduled for Thursday, March 30 at 7 p.m. in the High School media center. All parents of junior class students are encouraged to attend.

A giant rummage sale is planned for this Saturday, March 25 in the old locker building at the high school. If you have any items you would like to donate, please contact Scott Holmes at 475-8563.

This junior class is trying to bridge the gap between students and parents by involving as many parents as possible. You need not be a parent of a junior class student to be involved in a fun chance to work with a great group of teens.

Men Build Parsonage

(Continued from page three)

donate one weekend for the mission trip.

"We drove down on Friday—18 hours straight, installed the floorcovering on Saturday and drove back on Sunday," Irish said. "It was a worthwhile mission trip."

Irish said the people were "quite happy about what was going on."

Except for donations, "most of the materials were bought down there," Jeff said.

A friendship has developed with the Houma tribe, since the trip ended. Ron said he still keeps in contact.

Kirby Verret, the minister for whom the parsonage was built, hasn't moved in yet, as he was still in the hospital when they ventured back home. Ron said.

"The house is 100 percent complete," Ron said. "It took us four weeks."

Both men have no current plans to undertake a project of this caliber in the future.

"Six weeks is too long to stay away," Jeff said, as his wife nodded in agreement.

CHELSEA CHILDREN'S CO-OPERATIVE
Preschool selected 55 prize winners at its recent fund-raising raffle, with Chelsea schools superintendent Ed Richardson drawing the tickets. Grand prize winners Dick and Ileen Kinsey won a \$500 gift of travel, donated by Gina's Cafe. Pictured (standing) from

left, are Beth Kalmbach, ways and means committee chair, superintendent Ed Richardson, and Linda Meloche, ways and means committee member. The exciting event was held at the preschool location in St. Barnabas church, Chelsea.

ABWA Members Will Hear Manager Of Day-Care Center

Chelsea-Dexter Chapter of the American Business Women's Association will hold its regular monthly meeting on Tuesday, March 28 at Cousins Heritage Inn beginning with a social hour at 6 p.m. and dinner being served at 6:30 p.m.

Speaker at this month's meeting will be Gary Gabriel, manager of the Dexter-Intergenerational Center, one of three unique day-care facilities in the state of Michigan which combine the young and elderly in a day care giving environment.

For more information on ABWA and the meeting, please contact Dorothy Bates at 426-8387.

ABWA is an organization of local women in the business field who are actively involved in providing scholarships to area young women. Applications are currently available from Robin Meloche for scholarship funds. Contact her at 426-3223 for additional information.

Senator Bob Dole Wins Washtenaw

Washtenaw County Republican Party chair David Pantera announced the results of the Presidential Straw Poll conducted at Friday's Lincoln Day Dinner, March 10. "With 32 percent of the vote, the winner was Senate Majority Leader Bob Dole," Pantera said.

The other top finishers in the poll were Texas Senator Phil Gramm with 20 percent, former Education Secretary Lamar Alexander with 19 percent and California Governor Pete Wilson with 13 percent.

Others in the poll were Pat Buchanan 3 percent, Bob Dornan 0 percent, Alan Keyes 3 percent, Dick Lugar 5 percent, Lynn Martin 1 percent, and Arlen Specter 4 percent.

James R. P. Hoeff Promoted in Navy

Navy Petty Officer 2nd Class James R. P. Hoeff, a 1992 graduate of Dexter High School, recently was promoted to his present rank while serving with Precommissioning Unit aboard the submarine USS Cheyenne, based at Newport News, Va.

He joined the Navy in August 1992.

Heart Health Screening Slated

A Heart Health Screening will be conducted by the Washtenaw County Health Services Group on Tuesday, March 28, from 9:30 a.m. to 12:30 p.m.

Participants will receive blood pressure and cholesterol testing, individual consultation about their results, and information on how to decrease their risk of heart disease.

The screening will be held at the Adult Health Clinic located in the Washtenaw County Human Services Bldg., 555 Towner, Ypsilanti.

For further information, call 484-7200.

Genealogical Society Will Meet Sunday

The Genealogical Society of Washtenaw County will meet at 1:30 p.m. Sunday, March 26, in Lecture Hall No. 2 of the Liberal Arts and Science Building of Washtenaw Community College, 4800 E. Huron River Dr., Ann Arbor.

Bobbi Snow will give a lecture entitled "Making Effective Use of Libraries for Genealogical Research." Bobbi Snow is the chief circulation librarian in the Law Library at the University of Michigan.

Connie Olsen will lead a class on Beginner's LDS Research, and Bobbi Snow will give instruction on Advanced LDS Research.

Applications Available For Scholarships

Any Chelsea High school senior who will be attending college or a vocational school in the fall may apply for a scholarship through the Chelsea Scholarship Committee.

There are various scholarships available from donations to this one fund given by local clubs, businesses, individuals, etc.

There are different criteria to be met for some of these awards but the same application form covers all the different scholarships handled by the committee.

These forms may be picked up in the Counseling Office at the high school at this time.

Completed applications must be turned in directly to Mrs. Sweet in the Counseling Office by Monday, March 27.

ENGAGED: Mr. and Mrs. Arnold M. Zirolli of Chelsea, have announced the engagement of their daughter, Angela Marie, to James Ryan, son of Mr. and Mrs. John Ryan of Cincinnati, O. The bride-elect received her bachelor's degree from Penn State University and is a co-owner and salesperson of Eco-Graphics, Inc., of Ann Arbor. The prospective bridegroom received his bachelor's degree at University of Cincinnati and completed his master's degree at Stanford University. He is employed at Mechanical Dynamics, Ann Arbor, as the manager of educational services. A July 8 wedding is being planned at St. Thomas church in Ann Arbor.

Valentine's Day

The anticipation of the fun we will have in a coming event is often greater than the joy we have in the event when that date finally arrives. But we were ready for our Valentine's Day party on Feb. 14. The Woman's Club with their president, Shirley Smith, and many of their members, were ready for us. They have for many years taken over the Main Dining Room to give us the party. These special ladies, with a little help by some of our staff people have our thanks.

The room was rapidly filling up as we arrived. We looked for the microphone so we could see as well hear the program. We were lucky. Two long tables were surrounded by folks getting punch and cookies. Many helpers took heaping plates of every kind of delicious home-made cookies to tables for the handicapped. Those cookies were something! I will confess, I took some home. (They finally went to a lady that did not get to the party.) Those cookies were every shape and color. Lots of red hearts, and a special large plate marked for diabetics got lots of attention. As the ladies went from table to table, we heard more "thank you's" than normally. The spirit of that little guy with the bow and arrow filled the room.

Now for the Blackberry Jam. That's the name of the band which played dulcimers. There are ten in the full group. Patty Pelton, Susan Middle-

brook and Karen Atwood played the largest Hammered Dulcimers you ever saw. The instruments were tuned for harmony, and their sound filled the room. Then would have provided music for any concert hall. They played many requests.

A special benefit for us all. We could move around the room and greet friends. In our travels were Alice Jewell, Ed Lake, all having fun. There was Velma Huston; was it three times she was seen at the cookie table? But who's counting? Florence Simmons and Mildred Bushaw, remembering past Valentine Days. And there was Sarah Getz laughing and talking. And we must mention about a dozen friends from Wesley Hall around one round table with our good friend Daisy Smith having lots of fun with them. Oh yes, Hi to B.F.

And one new friend, Lois Palmer, coming to sit with us. A charming lady. And I guess—you could all say with us—"You are all special people, every day in the year."

M.C. Martin.

Bird Program

Harvey Bennett gave us a program in the Town Hall on Feb. 8 that was unusual in several ways. We were surprised by the amount of material on bird life. By the well planned program and that Harvey's positive statements on the location of the birds that he photographed. For

(Continued on page six)

Orchestra Teacher To Give 'Hands-on' Demonstration

Students in first and second grades at both North and South Elementary schools will have the opportunity to attend a music demonstration Wednesday, March 29.

John Kennedy, Chelsea High School's orchestra teacher, and a few of his students, will bring their instruments for a "hands-on" demonstration.

South school students will meet in the cafeteria from 2 to 2:30 p.m.

North school students will meet in the Multi-purpose room from 1 to 1:30 p.m.

This is one in a series of Exploration Workshops to be offered to grade school children this year. The program is sponsored by the Chelsea School District, a part of the Talent Development Program, as developed by Laurie Bissell, Chelsea schools curriculum director and is co-ordinated by Mary Jane Eder.

Seminars Feature MS-DOS at WCC

Computer veterans and novices interested in improving their understanding of WordPerfect will benefit from this computer seminar this April at Washtenaw Community College.

• WordPerfect-Level II for DOS (Version 6.0), April 4, 6, 11, 13, 5:15 to 7:15 p.m.

Participants will learn the advanced features of WordPerfect such as, tables, column formatting, macros commands, style sheets, line drawing, merge, math, and sort. Prerequisite: Introduction to WordPerfect or equivalent experience.

ALLEN C. COLE
Funeral Director

DONALD A. COLE
Owner/Director

"The basis of individual and national progress is the willingness to sacrifice the present for the future..."

—William Feather.

It is a fundamental human trait to be self indulgent. We all enjoy pampering ourselves. We are... we assure ourselves... entitled to life's pleasures right now... not next week or next year.

Those who are truly dedicated to achieving their goals will sacrifice today in the interest of a better tomorrow. Such people study, acquire capital, practice and prepare. The progress that will be made tomorrow will result from the self-denial and sacrifice that certain individuals... and nations... are making today.

We are prepared to conduct perfectly appropriate services for all faiths, creeds, all fraternal orders.

LIVING TRUSTS

Why wills are being replaced by Living Trusts:
Avoiding probate - saving money and time

Q. WHAT IS "PROBATE" AND WHY SHOULD I AVOID IT?
A. Probate is the court procedure used to transfer property from the name of a deceased person to that person's heirs. This process should be very simple. But it is not always that way.

The court proceedings can take years to complete. In most cases, the heirs must wait until the estate is "closed" to receive their inheritance. In the meantime costs and fees continue to accumulate. The process can be complex, costly and lengthy.

Q. I ALREADY HAVE A WILL. DOESN'T THAT SOLVE THE PROBLEM?

A. No. A will does not avoid probate. A will is just your written instructions to the court as to who gets your property and how. In order for your wishes to be carried out the will must be probated.

Q. IS PROBATE ALWAYS NECESSARY WHEN SOMEONE DIES?

A. No. The purpose of the probate court is to transfer property from the name of the deceased to the names of the heirs. If the deceased had no property solely in his or her name then no probate is required since there is nothing for the probate court to transfer.

Q. SO HOW DO I AVOID PROBATE?

A. There are three ways:

1. Transfer all your property before you die. Most people do not use this choice since they lose control of the property prematurely. They may also be liable for substantial gift tax.

2. Own all your property jointly with right of survivorship. This works well as between a husband and wife provided the estate is not over \$600,000 but the surviving spouse's estate would still have to be probated. Joint ownership can also create a serious tax liability for a non-spouse co-owner.

3. The best solution is the **Revocable Living Trust**. This allows immediate transfer of your assets to your heirs upon your death while avoiding probate court and allows you to control your assets during your lifetime.

Q. JUST WHAT IS A REVOCABLE LIVING TRUST?

A. Quite simply, it is a separate legal entity owned by you which owns your assets. You are the trust owner and manager. The trust owns your property and you own the trust.

As the creator of the trust you decide, in writing, how the trust will operate and what will happen to your property after you die. You can add to or subtract from the trust assets during your lifetime, change the beneficiary, sell trust property, even revoke the trust if you wish. In fact you can do anything with your property after you make the trust that you could do before.

After you die there is no probate because there is nothing in your separate name for the court to transfer. The trust is still there, owning your property. In your trust rules you appointed the successor trustee and instructed him or her as to how you wanted the trust property distributed after your death.

The successor trustee must follow your written directions to the letter, but does not need any court's permission to follow your instructions. The property can immediately be distributed to the people you named.

Q. WHAT ABOUT ESTATE TAXES?

A. Generally there is no tax in the small to medium size estate. But if your total estate, including the face amount of your life insurance, exceeds \$600,000, it is very important that you have a trust since you may dramatically decrease the amount of estate taxes paid. For example, a married couple with \$800,000 in insurance and other assets would pay about \$75,000 in estate taxes if they did not have a trust.

Q. ISN'T MAKING A TRUST COMPLICATED AND EXPENSIVE? I THOUGHT ONLY THE WEALTHY DID THIS KIND OF THING.

A. Creating a trust is very simple and inexpensive compared to going through probate, even for small estates. For those with larger estates the tax savings can be substantial. You generally see the trust attorney once for the initial interview and again when you sign the paperwork. The cost depends upon your circumstances and the type of property you own.

The preceding information is provided for informational purposes only and is not intended as legal advice. If you wish to discuss a revocable living trust call for a free interview appointment.

Methodist Home Senior News

(Continued from page five)

about 40 minutes one after another of his photos were flashed on the screen, with the place of the taking of the picture no matter where in the U.S. Harvey did not hesitate to identify the bird and maybe what indicated a likeness to another bird. Bird watchers in the audience as well as non-watchers were amazed with Harvey's scope of knowledge. To help us all I asked him to give us names and possibly locations we might see them around this area. His answers followed.

"Sandhill Crane—Migrates

through the Waterloo area, arriving about mid-March. Some nest in this area's marshes. Buff Head duck—Migrates on most of the main flyways in their nesting ground in Northern Canada. Northern Cardinal—Spends most of the year in the same area. Red Wing Blackbird—Migrates to the area in which they will nest. The most widespread of all blackbirds, Scarlet Tanager—Migrates to their nesting areas from Central America and a few from the southern tip of Florida."

Harvey and his wife Ruth live at Dancey House 372.

Juvenile Runs Away

A 15-year-old male left a goodbye note to his mother on Friday, March 10. The note, addressed to his mother, said he was going away "for a few days." His mother reported the runaway to Chelsea Police at noon on March 10, after finding the note.

The juvenile has run away in the past, police reports indicated.

Love,
Your Family

9 Months Till Christmas!

On March 25, 1975, a friend who had recently married asked, "Do you know what happens in nine months?" Naively I answered no, but my excitement was growing, thinking that she was telling me she was expecting. She responded, "CHRISTMAS!"

Over the next several years, on the 25th of each month, she would tell me how many months until Christmas. Sometimes she'd pull cute little stunts such as having Santa stop by to tell me how much time I had until the next Christmas. Although I changed employment, not because of the teasing, my friend found ways to continue this joke. Sometimes it was a phone call in the spring or summer asking if I knew where to find Christmas greens. Sometimes I'd arrive at work and find a package on my desk wrapped in Christmas paper. It seems no one, including my employer, was above helping this friend do her self-appointed task.

This continued and then I started jumping ahead of her attempts—I would call her and tell her how long it was until Christmas on the 25th of each month. Sometimes I would have the help of other people.

My friend's name is Lois and she works at the bank. I would like to thank her coworkers and mine, and our friends and family who have reminded us of the date, helped us reach each other, encouraged us, and given us ideas.

Lois and her husband recently celebrated their 20th wedding anniversary. On the 25th of March it will be 20 years since Lois first told me how many months until Christmas.

Please readers, friends/coworkers, anyone who cherishes friendship and loves Christmas, help me. On March 25, 1995, tell Lois Christmas is in nine months. Below is a Shel Silverstein poem I'd like to share with you.

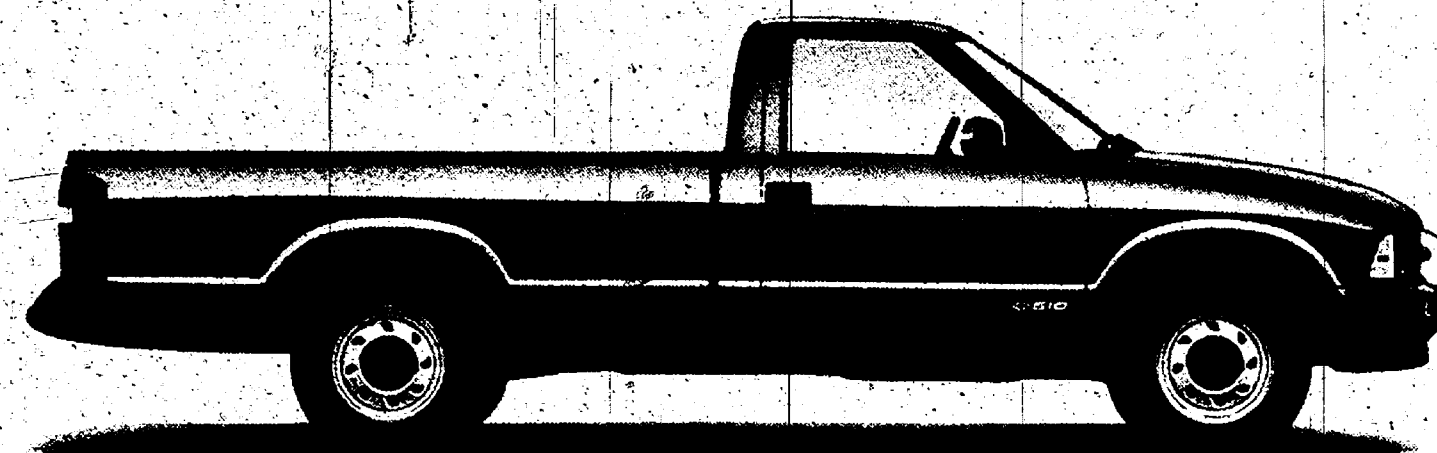

MERRY...

No one's hanging stockin's up,
No one's bakin' pie,
No one's lookin' up to see
A new star in the sky.
No one's talkin' brotherhood,
No one's giving gifts,
And no one loves a Christmas tree
On March the twenty-fifth.

NO ONE BUT MY FRIEND.

Who's behind these three great deals?

(The Great 8 Chevrolet/Geo Dealers, naturally.)

S-Series

Only \$10,219 MSRP
over \$500 less than Ranger*

Lumina

Only \$16,295 MSRP
\$1825 less than Taurus**

Camaro

Only \$14,995 MSRP
over \$300 less than Mustang***

JAZZERCISE STUDENTS from Washtenaw, Wayne, Oakland and Macomb counties participated in a fund-raiser for the Leukemia Society of Michigan on Saturday, March 4. Over 300 Jazzercisers raised \$30,000. This was the fourth annual event and close to \$100,000 has been raised. Eleven students from the Dexter area participated in this year's event, two others were unable to attend but sent pledges. Pictured are: (front row) Mary Quinlan, Dawn Clark, Vickie Kalser, instructor Juli Huddleston, Debra Adair, and Lucy Ransom; (back row) Nona Devine, Debbie Yuenger, instructor Jennifer Murray, Denise Kratzer, and Amy Hollman. Not pictured: Karis Kruzel and Michele Reilly. The total raised by the Dexter participants was \$2,219.

Tree Seedling Order Deadline Date Near

The annual spring tree seedling sale of the Washtenaw County Soil Conservation District will end soon. Orders for trees will be accepted until March 31.

Evergreen species are still in good supply, but hardwood and shrub varieties are going fast. If you are considering placing an order for hardwoods or shrubs, the District encourages you to get your order in as soon as possible.

All seedlings are offered on a first-come, first-serve basis, while inventories last. All ordered planting stock will be available for pick-up on Friday, April 28, from 3 to 7 p.m. and Saturday, April 29, from 8 to 10 a.m. at the Washtenaw Farm Council Grounds on Ann Arbor-Saline Rd.

For more information on the tree sale, what species are still available or to obtain an order form, contact the Conservation District Office at 7203 Jackson Rd., Ann Arbor, telephone: (313) 761-6721.

Miniature tools were used as money in China around 1100 B.C.

Annual Red Cross Family Brunch Scheduled

Washtenaw County Chapter of the American Red Cross is holding its third annual Red Cross Family Brunch to celebrate March as National Red Cross Month. The brunch will be held Sunday, March 26, from 11 a.m. to 2 p.m. at the Travis Pointe Country Club, 2829 Travis Pointe Rd., Ann Arbor. The public is invited to attend.

Guests will be seated at 11 a.m. and 12:30 p.m. Cost of the buffet style brunch is \$12.50 for adults and \$7 for children two to 12 years of

age. Children under two years of age are free. Reservations are suggested; walk-ins are welcome.

Volunteer waitpersons from the Red Cross board of directors and other community businesses and organizations will wait on tables. Waitperson's tips will go to benefit the programs and services of the Washtenaw County Chapter.

To make reservations or for more information, call the American Red Cross office during business hours at (313) 971-5300.

Take this
principle
and apply it to
your walls.

We've taken the magic of "Teflon" and put it in a paint! Silken Touch, the revolutionary interior wall paint with the very same super tough, super slick, no-stick finish that makes cleaning your pots and pans a snap.

Silken Touch goes on easy, too. Cleans up with water and dries to an elegant, distinctive finish. Don't just paint your walls. "Teflon" coat them. With Silken Touch.

Train Ties Up Main St. Intersection, Police Dept. Issues Four Citations

Con Rail stops traffic twice on St. Patrick's Day

Chelsea residents received an unusual St. Patrick's Day lunchtime surprise Friday afternoon. A 146-car Con Rail freight train blocked the Main St. East St., McKinley St. and Freer Rd. intersections causing traffic to pile up.

Chelsea Police Chief Lenard McDougall said the police department issues a fine that is at least \$500 if a train blocks an intersection for more than five minutes at a time.

McDougall said he can issue one fine for each intersection that a train blocks for more than five minutes. The department ultimately issued four fines within its jurisdiction. This isn't the first time Con Rail has been in violation of blocking intersections in Chelsea.

The train was on a regular run shortly after noon hauling nearly empty cars through the village. At 12:43 p.m., the train stopped on the tracks. Finally at 1:03 p.m., more than 15 minutes after the train stopped, it was forced to make a break on its lines at the Main St. intersection.

McDougall said Con Rail officials told him that they were waiting for a passenger train to connect, which would take an additional 40 minutes.

He said he forced Con Rail to make the break.

"They can't tie up Main St.," he said.

East St., McKinley St. and Freer Rd. intersections remained blocked once the Main St. break was made.

Apparently, the company didn't heed McDougall's first warning. It again tied up intersections throughout Chelsea at 1:42 p.m., this time for nine minutes as it connected to the passenger train it had been waiting for.

Finally at 1:51 p.m., almost two hours since entering Chelsea, the train was able to make its way to Detroit.

Cars were backed up through town and back toward I-94 on one side and lined up to Veterans Park on the other side.

Many drivers waited the time out in their cars, but others simply turned around and headed for the expressway or alternate crossroads.

Many drivers turned around on Main St., drove to Middle St., took a right turn and headed toward the next intersection by Cavanaugh Lake Rd., where the train had already passed through.

McDougall said the department plans to mail the citations to Con Rail.

Home Meal Service Needs More Drivers

Home Meal Service of Chelsea, which provides daily meals to seniors and shut-ins, is seeking volunteer drivers. Two of the long-term volunteers have resigned lately, due to changes in circumstances. These volunteers drove on Wednesday and Thursday.

"Meals on Wheels," the term most used to describe this service, has been bringing daily, hot, noon meals to seniors since 1972. There are two routes, each of which takes about an hour to complete. The Chelsea Retirement Community prepares about eight or 10 meals and the Senior Center at Faith in Action sends out another dozen. The availability of nutritious meals seven days a week has been credited with helping to keep our older citizens living independently for a longer time than if they had to do without a daily visit.

Anyone who might be interested in discussing the possibility of being a weekly or bi-weekly driver may call Mary Erskine at 475-9494 mornings, or 475-2821 in the evening.

Customer Gets in Argument Over Bill

A suspicious incident was reported at Charis & Hits on Tuesday, March 7. A customer became angry over an argument about a \$15 bill. Chelsea Police responded to the call and talked to the complainant and the customer, who was outside on the sidewalk.

The customer said he was unable to pay the bill because he didn't have enough money at the time and wanted his membership card cut in half.

A friend of the customer said he would pay the \$15 bill. The police officer went inside the building and paid the bill, obtained a receipt, gave it to the customer and cut his membership card in half, as requested.

The customer said he would take his business elsewhere in the future.

Gas Not Paid For At Amoco Station

A drive-off at the Amoco Gas Station occurred on Saturday, March 11. The employee said he was busy with other customers and didn't notice someone hadn't paid for their gas until it was too late.

The case is closed.

The Chelsea Standard

Section 2

Chelsea, Michigan, Wednesday, March 22, 1995

Pages 9-20

MARCH IS YOUTH ART MONTH: In back row, left to right, Dan Schauder, Marissa Guysky, Katie Beard, Sara Misenheimer, and (front row) Julie Kueker's artworks were chosen from South Elementary school for display at the Michigan Art Education Region 3 Art Show in Ann Arbor's City Hall, Feb. 27-March 9. Sarah Misenheimer's Greek

Black Figured Amphora was chosen to travel to Lansing to be in a state-wide art exhibit in the rotunda of the State Capitol, Michigan Library and the Historical Museum, March 13-24. May 11-13 it will be displayed in the Michigan Youth Arts Festival at Western Michigan University.

Fire Dept. Explorers Post Taking Applications At Station March 26

Chelsea Fire Department is giving young people the opportunity to get involved with their local fire department.

In association with Scouts of America and the Chelsea Fire Department, new members are sought for the Explorer Post here in Chelsea. Participants will be provided with training and educational programs to develop interest and experience in the fire service.

"We believe the program will help in the understanding of the workings of a fire department," said Robert Liebeck, Explorer Advisor for the Chelsea Fire Department.

Young people will be involved in

programs such as: visiting other fire departments; learning about and using fire service equipment; helping in the Annual Parade and other community projects; and taking care of fire department vehicles and a vast number of other trips and programs.

The Explorer's Post is taking applications for young men and women, ages 14 to 19 years, who are interested in this program on Sunday, March 26, from 4 p.m. to 6 p.m. at the Chelsea Fire Department, 200 W. Middle St.

"We hope to see you there to start a new and exciting relationship with the fire department," Liebeck said.

Kiwanis Club Sponsoring Easter Egg Hunt, Breakfast

Kiwanis Club of Chelsea has announced that it will have a community Easter Egg Hunt on Saturday, April 15. The egg hunt will be held on the grounds of the Chelsea Retirement Community and is scheduled to start at 10 a.m. This event is being sponsored by the Kiwanis Club of Chelsea for the first time.

Registration of children will begin at 9:30 a.m. Children will be divided into age categories as follows: up to three years, 4 to 6 years, and 7 to 12 years. Hunting for children up to three will begin at 10:15 a.m. Hunting for children 4 to 6 years will begin at 10:30 a.m. Hunting for children 7 to 12 years will begin at 10:45. This staggered schedule is designed to allow a parent with children of different ages to assist and watch each child. Plastic eggs filled with individually wrapped pieces of candy will be hid instead of real eggs.

Children of all ages up to 12 years are encouraged to make Easter bonnets/hats at their home and bring them to the hunt for an Easter Bonnet/Hat Parade scheduled to begin promptly at 10 a.m. Prizes will be given to participants on the following basis: most beautiful, most original, and most humorous.

The Easter Bunny is scheduled to be present for all of the day's festivities. Kiwanis expects the hunt and parade to be completed by 11 a.m. There is no charge for children to participate in the Easter Bonnet Parade or Egg Hunt.

Kiwanis will also be sponsoring a "Breakfast with the Easter Bunny" to

benefit the Kiwanis International World Wide Project of IDD. IDD stands for Iodine Deficiency Disorder. Kiwanis clubs have been charged with raising money to build iodination plants in other countries to prevent problems associated with iodine deficiency. A lack of iodine in a person's body can lead to problems such as mental retardation and goiter.

Kiwanis Club of Chelsea is joining the International crusade to wipe out Iodine deficiency by the year 2000. For a charge of \$5 per person, children and parents can enjoy an all-you-can-eat breakfast of waffles, fruit, muffins/donuts, and beverages. Each child can have a picture taken on the Easter Bunny's lap. The

breakfast will be served in the Town Hall at the front of the Chelsea Retirement Community. Everyone is invited to the breakfast, even if they do not plan to participate in the hunt. The breakfast will begin at 8 a.m. and end at 9:30 a.m. Reservations are necessary and may be made by filling out the advertisement form found in The Chelsea Standard or by calling Kiwanian Dale Cole at 475-6127.

The Kiwanis Club of Chelsea is open to all men and women who are interested in service, leadership, and fellowship. If you are interested in learning more about Kiwanis or would like to become a member, please contact club president Grace McCalla at 475-3532.

Chelsea Native Accepted into State Police Recruit School

Chelsea native Frank R. Keck has been accepted and is presently receiving training as a Michigan State Police Recruit. Keck, a member of the 111th Michigan State Police Recruit Class, is expected to complete his training May 12.

As a member of the 111th Class, Keck will receive 17 weeks of intense training in criminal law, criminal investigation, crime scene processing, patrol tactics, physical fitness, first aid firearms and defensive tactics.

Keck will also be trained in precision driving techniques, and special police enforcement functions. Upon graduation, Keck will become a Michigan State Police Trooper assigned to one of 64 state police posts in Michigan.

The 111th Recruit Class began with 100 recruits. Of those recruits, 16 have previous law enforcement experience, 22 have prior military service and 60 are college graduates.

Chelsea State Bank...

Opening The Window Of Opportunity For The Entire Community!

Who helped your neighbor down the street get that new business off the ground? Where did your co-worker turn when he wanted to complete a few improvements around the home? Who assisted the plant that employs many of your family members with their recent expansion?

Chelsea State Bank has been a guiding force in situations such as these time and time again. By working with individuals, businesses, organizations and other sectors of the community in which we live, we are able to play a vital role in the continued growth and prosperity of the area. We offer jobs in our own right and join with community members to create employment.

In simple terms, when you make a deposit at Chelsea State Bank, you generate loan funds others may put to good use. You are giving your friends and neighbors the means to reach a goal. Your deposit will result in an improved environment for all. And when you need to borrow, you can be sure that your friends' and neighbors' deposits are ready and waiting for you.

A window of opportunity... it awaits you at Chelsea State Bank!

SPORTS

Let's Go
Bulldogs!

THREE MEMBERS of Chelsea High school's wrestling team participated in the tough state championships on Friday and Saturday, March 10-11 at Kellogg Arena in Battle Creek. Ryan Ludwig, center won a state title in his 142-lb. class. Others in photo are from left, head coach Kerry Kargel, Jordan Dyer, Ludwig, Koby Foytik and coach Jim Young.

EIGHT SWIMMERS from the Chelsea High school team participated in the Class B, C and D state championships at the University of Michigan on Saturday, March 11. With outstanding performances, they finished eighth in the state. Members of this great team are, front row, left to right, Kurt Street, Christian Desarbo and Chris Frayer; second row, from left, are Kevin Kolodica, Jim Bergman, Peter Straub, Steve Straub and Matt McVittie.

Wrestlers Close Season With Awards Banquet

Chelsea High school's wrestling squad closed out another successful season this past Thursday by holding their annual awards banquet at the Chelsea Hospital main dining room.

Coaches Kerry Kargel and Mike Young felt that this year's team showed great heart and tenacity all season long, posting 18 victories despite what Kargel said were "more injuries, and more specifically illnesses, than I've ever seen in my years as coach in Chelsea. Mike and I especially enjoyed coaching this group, and we look forward to coaching our returners next year."

Several special awards were presented at the dinner banquet which was catered by the hospital staff.

Senior State Champ Ryan Ludwig was honored with the team's Most Valuable Player Award as well as Most Victories (44).

The Most Improved Wrestlers Award was presented to junior Jordan

Dyer who posted a 38-5 record this year, and also recorded the season's Quickest Fall (10 seconds).

This year's Outstanding Freshman Award went to Brent Young, who wrestled in the 134-lb. class this season.

A special award for Most Heart goes to the wrestler who shows great determination, outstanding work habits, and a particular willingness to do what's best for the team, and this season that award went to freshman Chris Hatch.

Varsity letters are awarded based on a specific number of points accumulated throughout the season. This year letters were awarded to: freshman Todd Pearsall (100 lbs.); junior Zach Erston (106 lbs.); sophomore Robert Bullock (106 lbs.); sophomore Kevin Bollinger (112 lbs.); junior Matt Tuttle (119 lbs.); senior Ray Hatch (119 lbs.); 3rd-year letter; freshman Colby

Foytik (119 lbs.); freshman Chris Hatch (119 lbs.); freshman Brent Young (134 lbs.); senior Ryan Ludwig (142 lbs.); sophomore Jamie Holzhausen (142 lbs.); junior Mike Alber (151 lbs.); sophomore Andy Kargel (160 lbs.); sophomore Brian Hall (160 lbs.); senior Mike Thayer (172 lbs., 3rd-year letter); junior Jordan Dyer (185 lbs.); freshman Joe Barkman (215 lbs.); and senior Eric Bergman (heavyweight).

Those wrestlers receiving Junior Varsity letters included: Kevin Bloemsaat (134 lbs.); Mike Kolessar (142 lbs.); Laramie Paxton (142 lbs.); Richard Polzin (160 lbs.); Kevin Long (172 lbs.); and Gary Ostrander (215 lbs.).

Also recognized for their outstanding contributions to the team were second-year manager Kyle McCalla, and statisticians Shontay Young and Corrine Foytik.

Monaghan's New Lucky Number Is 300

Using a brand-new 16 lb. Omega ball by Ebonite last Thursday, Kathy Monaghan accomplished in six years what most bowlers wait a lifetime for: bowling the perfect game.

Monaghan, 27, is the fourth woman in the Ann Arbor Bowling Association's 57-year history to roll a perfect score. She joins the ranks of Angie Boone, Traci Jordan and Leigh Martin.

Monaghan's perfect 300 game was bowled in the first game of regular league bowling at Bel-Mark Lanes, Ann Arbor. She almost didn't pull it off, save for three tense pin-splitting moments.

Moment No. One: A sliding pin

knocked down a solid nine pin.

Moment No. Two: She tripped a four pin on the 11th ball.

Moment No. Three: She headed for Brooklyn in the last frame.

The action stopped as she bowled her 10th frame, she said.

"The men from the other end came down to watch," said league secretary Judy Kubicki.

That last ball caused the crowd to erupt in cheers and hugs as everyone congratulated Monaghan. Kubicki said.

The assembly line worker employed by the Thetford Corp. in Ann Arbor, went on to bowl in 148 and 228 for a 676 series, her second highest since bowling a 717 series last fall.

Ironically, Monaghan has ventured into this arena before, when she bowled a 278 game.

Monaghan, a right-hander incorporating a slight hook, previously used a 15-lb. Rhino Pro Gold, which she said is "too light."

The 1986 Chelsea High school grad said she plans to use her new ball "for a while." Her average is 185.

She became interested in bowling because her boyfriend bowls in a league. The Grass Lake resident bowls with her mom, Judy, for Dexter Party Store in the Jackson 12 League, for the last three years at Bel-Mark Lanes in Ann Arbor.

Matt McVittie Dominates State Swim Meet, Achieves All American, All State Honors

The Chelsea boy's swim team finished an outstanding season last week at the Class B, C, and D state championships at the University of Michigan in Ann Arbor.

Out of 49 teams participating this year, Chelsea finished eighth with 71 points. Dexter was fifth with 103.5 points and Milan was second at 179.0 points to have the Southeastern conference well represented.

The 200-medley relay team of Christian Desarbo, Kevin Kolodica, Steve Straub and Jim Bergman finished ninth, stopping the clock in the finals at 1:43.20.

"This was the biggest question mark for us going into the State Meet," said coach Dave Jolly. "The guys really came together well and their ninth-place finish was incredible."

Matt McVittie started out his senior year at Chelsea with outstanding performances left and right. McVittie swam an outstanding 1:41.29 in the finals of the 200-freestyle to place second.

"His performance was an All American Honorable Mention swim," Jolly said.

McVittie came back in the 100-freestyle to win the event at 46.31. Besides his second all state honor, he also is considered for All American in this event as well.

McVittie led off the 200-freestyle relay for Chelsea with Steve Straub, Kolodica and Bergman rounding out the relay.

"I was happy with the way the meet turned out," said McVittie, who plans to swim at the collegiate level. "I was pleased with the way everyone swam."

For the second year in a row, the relay made All State honors, placing sixth at 1:29.07. Kolodica, another senior for the Bulldogs, placed seventh in the 100-yard breaststroke. His time of 1:02.29 was a career-best and won the consolation finals. Teammate Peter Straub placed 12th in the event at 1:03.14 and is one of

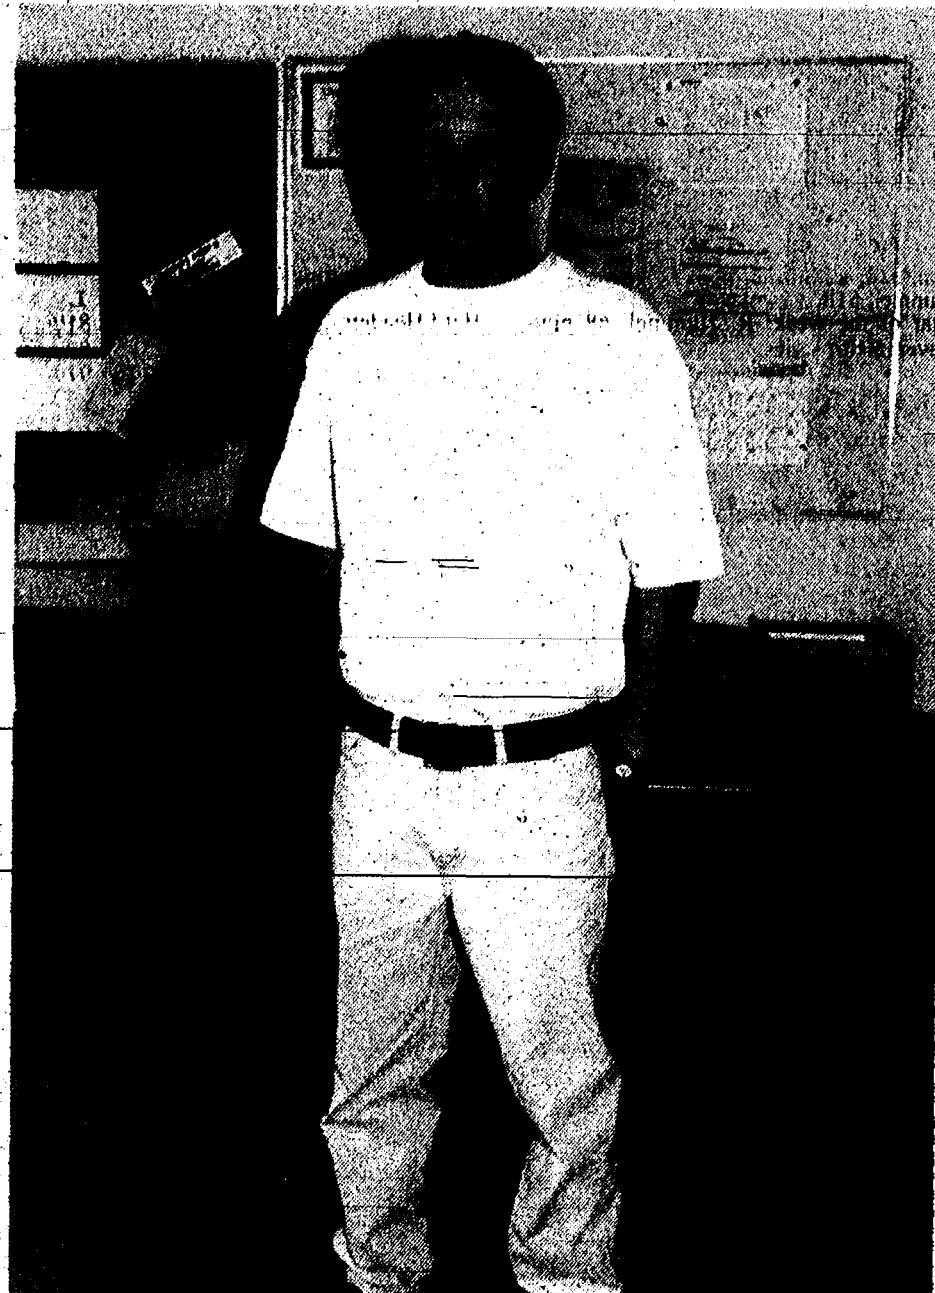

five breast-strokers to return from the top 12.

Chelsea's last event to place was the 400-freestyle relay. McVittie once again led the way with Steve Straub, Chris Frayer and Curt Street

placing ninth at 3:22.73.

This was Chelsea's best state performance in seven years.

"We have plenty of talent coming back and anticipate top performances at next year's meet," Jolly said.

MATT McVITTIE dominated the state championships by placing first in the 100-yd. freestyle event, second in the 200-yd. freestyle, led the sixth-place finishing team in the 200-yd. freestyle relay, and placed seventh in the 100-yard breaststroke, for All-State and All-American honors.

Organizational Meeting

The Chelsea Film Society

• A new non-profit organization now being formed •

If you want to help organize, direct, and support a non-profit film society in Chelsea, please join us for a brief organizational meeting.

THE CHELSEA BULLDOGS freshman basketball team worked hard this season, but had some bad luck along the way. They ended the season, 3-14. Pictured are, left to right, coach Mark Schesse,

Bobby Cooper, Nate Cooper, Adam Erskine, Ryan Hubbert, Scott Basar, Matt Adams, Chris Herter, Sean Stickney, Adam Schaper, Josh Powers, Rob Ellis and Mike McTaggart.

Chelsea Varsity Cagers Receive Awards at Season End Banquet

Coach Robin Raymond gave out many awards to the graduating seniors and players who will be returning next year.

The first award that was given was the "Iron Man Award." The recipients were Kevin Holmes, Damon McLaughlin and Case McCalla.

"This award is given to any player who hasn't missed any practices or been tardy for any team activities," Raymond said.

Chad Brown took the honors for the Most Steals and Most Assists, while Nick Brink won the Free Throw Percentage Leader, Free Throw Ladder and Three-point Field Goal awards.

McCalla received the Highest Field Goal Percentage, Total Points, Total Rebounds and Charges Taken awards.

Scott Colvin won the "Oil Can" Award.

"This award is given to the player who keeps the team 'loose' throughout the year," Raymond said.

The Coach's Award went to Bryndon Skelton. Most Improved Player went to James Dising and Most Valuable Player went to McCalla.

All League Honorable mention honors went to Chad Brown, Brink and Colvin.

McCalla made First Team-All League.

Raymond said next year's co-captains will be Colvin and Brink. The first game for the Bulldog cagers is Friday, Dec. 1, he said.

Graduating seniors are McCalla, Brown, Dising, Skelton and Kevin McCalla.

Girls Track Team Runs Well in 1st Meet

Chelsea girls track team had some strong performances in their only indoor meet of the season Saturday at Siena Heights College in Adrian.

In individual races, Jill McKinnon won her preliminary heat of the 55 hurdles, and ran well in the semifinals, but just missed qualifying for the finals.

Rachel Weirauch won both her prelim and semifinal heats of the 55 dash, and carried the second fastest time into the finals where she placed fourth in a very close race.

Heidi Wehrwein was the only placer in the field events, taking fifth in the shot put with a throw of 30'-9".

THESE 9-YEAR-OLDS placed second at Huron High school in the 3-on-3 Streetball Tournament. From left to right are Chris Dotson, Jimmy Baker, Joseph Myers and Paul Newhouse.

THE JUNIOR VARSITY volleyball team, led by coach Laura Atkinson, takes a breather after working to perfect their skills. Pictured are first row: Beth Vogel, Kasie Ruhlig, Christie Cox and Alicia Vogel; second row: Sara Ivietzier, Hillary Szczegiel, Jessica Forshee and Shannon Long; third row: Emily Arend, Monica Royce, Melissa Carter, Jennifer Space and coach Laura Atkinson.

"ALL THE TEAMWORK came together," said coach Pam Kemp, as her freshman girls' volleyball team beat rival Saline in two games, ending the season with a 15-9 record. Pictured are, first row, Emily Sterling, Robin Raymond, Sara Edman, Brandi Berg, Amanda Warren, Allison Montero and Christy Tripp; second row, Hilary Spooner, Jennifer Saarinen, Stephanie Lundquist, Christine Herndon, Leslie Parker, Jessica McVay, Angie Carpenter and coach Pam Kemp.

Letters to the Editor

Dear Editor,
I don't pretend to be on a crusade but I do think the residents in and around Chelsea should know about Medical Waste Incinerators.
It seems they have offered big bucks to the village so they may put an incinerator in the Industrial Park. They have unofficially approached some council members with their idea.
How big would the dollars look 20 years from now with sick children, contaminated water and soil. Chelsea cannot be that desperate we would jeopardize one child's health for a raise in revenue.
So to the people who have been hearing the cash register ring, don't. And to the people who do not want a Medical Waste Incinerator in our area tell your council.
Dave Murphy.

Dear Editor,
In the last month or so, 15 families in Washtenaw county have lost their homes to fire. Many of these incidents were covered by the local news. However, an important part of the story is often missing. In each of these cases, Red Cross assisted these families with either food, clothing, counseling and shelter. Last year in Washtenaw county, the Red Cross assisted 220 victims of disasters, mostly home and apartment fires.
The fact that the assistance provided by the Red Cross doesn't make news is not surprising. Very often the work of the Red Cross goes unnoticed. Although we try to educate and inform the public, many people aren't aware of Red Cross services and programs that are available to them, until they need assistance. In addition to disaster relief, the local Red Cross Chapter helps keep members of the armed forces from Washtenaw county in touch with their families, provides social services, health and safety education and blood services in our community.
On Monday, Feb. 27, President Clinton signed a proclamation declaring March National Red Cross month, continuing a tradition begun in 1943 by President Franklin D. Roosevelt. Red Cross Month gives the local Chapter the opportunity to showcase our accomplishments and to thank the members of the community whose generosity, support and partnership, makes our services possible throughout the year. In emergencies... help can't wait. From house fires to military emergencies to accident victims, the American Red Cross is here.
Heidi Salter
Chair, Board of Directors
American Red Cross,
Washtenaw County Chapter

ORDINANCE 6B

Lima Township Fire and Emergency Medical Charges Ordinance

An ordinance to establish charges for fire protection and emergency medical services under Public Act 33 of 1951, as amended, Compiled Law 41.801 et al., to provide methods for the collection of such charges; appeals and exemptions therefrom; to protect the health, safety and welfare of the Township inhabitants.

The Township of Lima, Washtenaw County, Michigan Ordains:
SECTION I. PURPOSE. The within Ordinance is adopted to provide financial reimbursement to the Township for the furnishing of fire protection and emergency medical services from those receiving direct benefits from such service; to provide for full funding of the fire protection and emergency medical services which remain in large part, and at-large governmental expense based upon the general benefits derived by all persons within the township from the availability of fire protection and emergency medical services to extinguish fires within the Township and perform other emergency services.

SECTION II. CHARGES. Charges for fire protection and emergency medical services shall be made to the owners of the personal or real property which the services are rendered per incident and to the persons benefited by the services. The charges shall include the Township's costs, current expenses and accrued fund charges, of fire protection and emergency medical services, plus the costs of administering the Ordinance. Where more than one property or person is involved or where there are more than one person who owns an individual property, all persons to whom services are rendered, and all owners of properties benefited by such services shall be jointly and severally liable for the charges. The Township Board is hereby granted the right to increase or decrease charges for fire protection and emergency medical services and to establish just and reasonable rates for fire protection and emergency medical services from time to time hereafter by resolution. The Township Supervisor shall deliver or cause to be delivered statements to the persons and owners liable. Delivery may be done by regular mail to the last known address of the persons or owners liable and a statement shall be conclusively presumed delivered as of the date it is deposited into the United States mail addressed to such persons and owners. The Supervisor is authorized to divide the statement among the persons or owners in equal prorate shares or some other fashion, or to submit a statement as a single joint, several and undivided liability to all persons and owners involved, in the discretion of the Supervisor.

SECTION III. TIME FOR PAYMENT. All of the foregoing charges shall be due and payable from the date of delivery of the statement for the service rendered and in default of payment shall be collectible through proceedings in the 14th District Court or any other Court of competent jurisdiction as a matured debt including the actual attorney fees and costs of collection. All statements are due sixty (60) days from delivery. After 60 days unpaid statements shall bear interest at 12% per annum until paid. Any person making a "False Alarm", as defined in Section IV.A., is liable for the charges incurred.

SECTION IV. EXEMPTIONS. The following properties and services shall be exempt from the foregoing charges:

- A. False Alarm, which is defined as an incident where there was no cause for an alarm and the request for services was not initiated by any action or omission of the persons or owners liable for the services rendered.
- B. Fire protection services involving township owned buildings, grounds and/or properties.
- C. Fire protection and/or emergency medical services in or at any residential structure.

SECTION V. APPEALS. Any person may appeal any statement of charges by filing a written appeal. The appeal shall be filed and received at the Township offices within twenty (20) days after delivery of a statement. The Township Board shall notify the person or representative making the appeal of a time, place and date of hearing on the appeal. The person making the appeal may appear in person or through a representative. The appeal shall be determined by the Township Board. The Township Board is authorized, in the discretion of the Township Board, to waive or reduce a statement of charges:

- A. Where there is unnecessary hardship or undue economic burden on the persons or owners liable for the charges.
- B. Where the rendition of service was made in error at the request of a person or persons other than those liable for the charges; and there was no benefit given or received by the services.
- C. Where there are other extenuating circumstances beyond the control of the persons liable and there was no benefit given or received by the services.

The decision of the Township Board shall be in writing and shall be final.
SECTION VI. NON-EXCLUSIVE CHARGE. The rates and charges shall not be exclusive of the charges that may be made by the Township for the costs and expenses of providing fire protection and emergency medical, but shall only be supplemental thereto. Charges may additionally be collected by the Township through general taxation after a vote of the electorate approving the same or by special assessment established under the Michigan statutes pertinent thereto. General fund appropriations may also be made to cover such additional costs and expenses.

SECTION VII. SEVERABILITY. Should any provision or part of the within Ordinance be declared by a Court of competent jurisdiction to be invalid or unenforceable, the same shall not affect the validity or enforceability of the balance of this Ordinance which shall remain in full force and effect.

SECTION VIII. EFFECTIVE DATE. This Ordinance shall take effect immediately. Ordinance No. 6A, the present Lima Township Fire, Charge Ordinance, is hereby replaced by this Ordinance. All ordinances or parts of ordinance in conflict herewith are hereby repealed.

RESOLUTION ESTABLISHING CHARGES AND FEES PURSUANT TO THE LIMA TOWNSHIP FIRE CHARGES ORDINANCE.

The Township Board of the Township of Lima, Washtenaw County, Michigan, adopt the following resolution:

BE IT RESOLVED and it is hereby resolved that pursuant to the Lima Township Fire Charges Ordinance, Ordinance No. 6B, Section 2, the Township Board hereby establishes the following fees for the administration of the Ordinance. These fees are in addition to the charges for the Township's cost of fire protection and the services for which the owners of personal real property are liable. The administrative fee shall be: \$100.00, or 10% of the actual costs of fire protection and services, which ever is greater, per incident. Said fees shall be billed, paid and collected in accordance with the terms and provisions of said Ordinance.

I do hereby certify that the above Ordinance and Resolution was adopted by the Lima Township Board at a regular meeting held on the sixth day of March, 1995 by the following roll call vote. Ayes: Heller, Bareis, VanRiper, Messman and Trinkle. Nays: None.

Arlene R. Bareis
Lima Township Clerk

Briarwood Run Sets April 9 Race Date

The Briarwood Run will get a race date. The run, now in its 18th year, has traditionally taken place in early April but, for the last three years, has

who will give up-to-the-minute weather reports.
Popular WJR-AM radio personality Bob Taylor, will again help emcee the awards presentations, and Doug Jacobs and The Red Garter Band will provide lively music before the race and during the awards presentation.
"We're going to keep everyone moving—whether that means running the race or just tapping their toes!" promises McIntosh.
All three runs begin at 9 a.m. from Briarwood's southwest corner. The walk starts at 9:15 a.m. on the south side at Sears.
Awards will go to the top male and female runners in each of the three races and the top five finishers in each age division.
Each run is split into divisions by age for men and for women, from "19 and under" to "70 and over." There will be one award each for the neighborhood and corporate team with the most participants finishing in all running races combined.
Registered participants will be eligible to win thousands of dollars in merchandise from a drawing in Briarwood's Grand Court immediately after the race. Top prize will be a \$500 shopping spree at the center. Runners must be present to win.
They won't, however, be the only winners.
All proceeds from the event will benefit Washtenaw county children through the Galens Medical Society, a group of U-M medical students who provide everything from art activities and teddy bears for hospitalized children to medication and safe playgrounds for needy youngsters.
Runners can pick up applications at Briarwood's Information Center, at WNIC-FM in Dearborn and at Briarwood sporting goods stores including Athlete's Foot, Champs Sports, Foot Action U.S.A., Footlocker, Imperial Sports, Kids Footlocker and Lady Footlocker.
Race packets will be available for pick up Saturday, April 8, from noon to 8 p.m. near Grand Court and Sunday, April 9, from 6:30 a.m. to 8 a.m. inside Briarwood near JC Penney. Runners may also register at these times.
A new co-sponsor, WNIC, joins other long-time Briarwood Run backers, including Briarwood, MedSport, the U-M Orthotics and Prosthetic Center, MedRehab and MCare in providing financial backing and volunteers to help on the day of the race.

Promotions Made at Tae Kwon Do Testing

A total of 31 people were promoted at the Chelsea Tae Kwon Do, March 11 testing. Master Pwson, 4th degree black belt, prides himself in running a family oriented martial arts program. Out of those people promoted, there were eight families, the Herndon's, Gasieski's, Bravo's, Mahoney's, Ceo's, Dahlgren's, Logsdon's, and the Gentz's. These are just a few of the families involved in the Chelsea Tae Kwon Do program.

Also Tyler Powers received the highest promotion this month to 2nd gup brown belt.

Woman's Car Damaged in Lot

A malicious destruction of property was reported by a woman who had parked her car in Polly's parking lot on March 7. The woman filed the complaint on Tuesday, March 14.

Upon investigation, the damage appeared to have been caused by a sharp instrument, possibly a key, pen or pocket knife. The damage was on the trunk next to the rear window, the report indicated.

There are no suspects.

A GREAT GAME of street hockey on roller blades, can be enjoyed nearly everyday by children in Belser Estates as was the case on Friday, March 10, when the children enjoyed a break from school.

A CHEERLEADING CLASS has proved popular with the girls enrolled in a Super Saturday class. Heather Gunnis was instructing this class last Saturday at Beach Middle school.

Cagers Receive Awards

(Continued from page 11)
Coy. Each junior received a varsity letter, Raymond said.

Returning players for next year's squad are Brink, Colvin, Kevin Cross, Holmes, McLaughlin and Sam Morseau. Chris Dronen, who is a sophomore this year, will also be returning to the team next year as a junior.

The cagers' final season record was 10-11 over-all and 5-7 in the Southeastern Conference.

KAY BULMON, daughter of Robert and Jill Bulmon of Chelsea, has been selected as the "1995 Miss Michigan Angus Queen." She will not only represent the Michigan Angus Association during all of the Michigan Registered Angus shows, sales, and all breed youth shows but will represent Michigan during the Junior Angus Nationals, in Louisville, Ky., this July. Kay and her mother, will attend a special dinner in honor of the Queens who represent each state in the U.S. A gift of \$100, plus a crown and sash were given to assist Kay in representing the Michigan Angus Association.

MCRC Schedules Annual Meeting

The 30th annual meeting of the Mill Creek Research Council will be held Tuesday, March 28, at 8 p.m. in the Lima Township Hall.

The annual meeting is always held the last Tuesday in March.

The Council was formed in 1965 by local residents to study a proposal by the U.S. Army Corps of Engineers to buy over 12,000 acres for a sewage disposal project to be dependent upon water collected from dams on Mill Creek. The project was eventually abandoned.

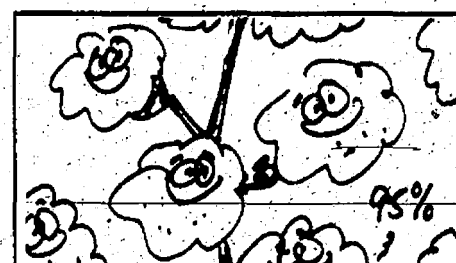

Also, the Council has been active in securing and disseminating information about the proposed Mill Creek Metropark and a low-level radioactive waste disposal site.

The proposed waste disposal site had a high water table and was dropped from consideration.

Last year, the Council contributed to a student project on the history of Lima township.

Some of the subjects to be covered at the annual meeting are: (1) current funds of Huron-Clinton Metropolitan Authority as this relates to the proposed metropark, (2) a vacancy on the Board of Directors.

Yearly dues are payable to the treasurer, Bill Chandler. Dues are \$12 for new members and \$10 for current members or former members.

Cotton accounts for 95 percent of the natural fibers used in the United States.

The by-laws require members to have paid their dues to vote on issues.

MARK T. BURY, D.D.S.

BROWNIE TROOP 719 learned about different countries at a recent meeting. One of the main events was Maria. She is an Au Pair from Sweden and shared some great information about her country with the group to help them earn their Around The World badge. Pictured here is Maria, Ariel Schepers, Renee Pirrong, Monica Quimby, Allison Frayer, Jackie Daane, Erin O'Brien, Meghan Hoage, Stephanie Cashman, Jessica and Nicole Lodewyk.

BROWNIE TROOP 719 enjoyed learning about Africa from Jessica and Nicole Lodewyk, Japan from Allison Frayer and Holland from Laura Oberholtzer.

Chelsea Village Council Proceedings

Regular Meeting. Tuesday, February 28, 1995

Present: President Steele, Clerk Morrison, Village Manager Myers, Assistant Village Manager Pindzia.

Trustees Present: Cashman, Dorer, Hammer, Rigg, Daut.

Absent: Merkel.

Others Present: C. Clouse, D. Ellenwood, B. Roberts, B. Shepherd, B. Clark, J. Machnik, J. Smith, J. Frank, H. Thukow.

The first order of business was public participation and there was none. Motion by Dorer, supported by Rigg, to accept the Consent Agenda with the following changes:

A request from Judge R. Connelly requesting additional reserved parking spaces. Council took no action.

A request from Judge R. Conlin requesting additional reserved parking spaces. The consensus was that Council was unwilling to take formal action regarding this matter.

All Ayes. Absent: Merkel. Motion carried.

President Steele opened the Public Hearing for Hatch Stamping Industrial Facilities Exemption Certificate—Personal Property. There were no comments.

President Steele closed the Public Hearing for Hatch Stamping Industrial Facilities Exemption Certificate—Personal Property.

Motion by Hammer, supported by Rigg, to approve Hatch Stamping's request for an industrial Facilities Exemption Certificate—Personal Property. All Ayes. Motion carried. Absent: Merkel.

Village Manager Myers noted a piece of correspondence dated February 24, 1995 sent by Michael J. Swartz from Plante & Moran, LLP, regarding the Governor's budget recommendations for lower state shared revenue distributions than currently provided by state law.

Village Manager Myers explained the 1995/96 Fiscal Year Budget.

President Steele opened the Public Hearing for the 1995/96 Fiscal Year Budget.

President Steele closed the Public Hearing for the 1995/96 Fiscal Year Budget.

Motion by Cashman, supported by Dorer, to adopt the Resolution Re: 1995/96 Budget. Roll Call Vote. Ayes: Cashman, Hammer, Daut, Rigg, Dorer, Steele. Absent: Merkel. Motion carried. Resolution adopted. (Resolution Attached as Appendix A.)

Village Manager Myers explained the 1995/96 Enterprise and Other Budgets.

President Steele opened the Public Hearing for the 1995/96 Enterprise and Other Budgets.

President Steele closed the Public Hearing for the 1995/96 Enterprise and Other Budgets.

Motion by Daut, supported by Hammer, to correct the Sewer Fund expense budget amount in the 1995/96 Enterprise and Other Budgets to \$466,200. All Ayes. Absent: Merkel. Motion carried.

Motion by Daut, supported by Cashman, to adopt the Resolution Re: 1995/96 Enterprise and Other Budgets with a change to item Fund #304 to read Limited not Unlimited. Roll Call Vote. Ayes: Cashman, Hammer, Daut, Rigg, Dorer, Steele. Absent: Merkel. Motion carried. Resolution adopted. (Resolution Attached as Appendix B.)

Motion by Hammer, supported by Dorer, to adopt the update to the Personnel Manual. All Ayes. Absent: Merkel. Motion carried. (Change Attached as Appendix C.)

Motion by Dorer, supported by Hammer, to appoint Assistant Village Manager Pindzia as Acting Zoning Inspector until a replacement is found. All Ayes. Absent: Merkel. Motion carried.

Motion by Daut, supported by Dorer, to request that the Planning Ordinance Review Committee discuss the Sign Ordinance and its relationship to canopies. All Ayes. Absent: Merkel. Motion carried.

Motion by Hammer, supported by Rigg, to purchase 100,000 trash bags from Continental. The bags are orange, linear low density, 1 mil with flat bottoms, 33 gallon and are package 10 each per roll. All Ayes. Absent: Merkel. Motion carried.

Motion by Hammer, supported by Dorer, to transfer a request from Wendall Dunbar for annexation for proposed manufactured homes to the Planning Commission for review. Additionally, to notify the appropriate involved townships. All Ayes. Absent: Merkel. Motion carried.

Motion by Rigg, supported by Hammer, to adjourn into Closed Session to discuss potential property purchase. All Ayes. Absent: Merkel. Motion carried. Time: 9:00 p.m.

Motion by Dorer, supported by Hammer, to adjourn Closed Session. All Ayes. Absent: Merkel. Motion carried. Time: 9:45 p.m.

Motion by Hammer, supported by Rigg, to rescind motion made at the last regular Council meeting which directed Village Manager Myers to obtain an appraisal on Park Street Property. All Ayes. Absent: Merkel. Motion carried.

Motion by Daut, supported by Hammer, to adjourn the Regular Council Meeting—Time: 9:50 p.m. All Ayes. Motion carried.

Suzanne C. Morrison, Clerk.

Motion by Hammer, supported by Dorer, to transfer a request from Wendall Dunbar for annexation for proposed manufactured homes to the Planning Commission for review. Additionally, to notify the appropriate involved townships. All Ayes. Absent: Merkel. Motion carried.

Motion by Rigg, supported by Hammer, to adjourn into Closed Session to discuss potential property purchase. All Ayes. Absent: Merkel. Motion carried. Time: 9:00 p.m.

Motion by Dorer, supported by Hammer, to adjourn Closed Session. All Ayes. Absent: Merkel. Motion carried. Time: 9:45 p.m.

Motion by Hammer, supported by Rigg, to rescind motion made at the last regular Council meeting which directed Village Manager Myers to obtain an appraisal on Park Street Property. All Ayes. Absent: Merkel. Motion carried.

Man Arrested For Jackson Warrant

An officer on duty was investigating a suspicious incident in the 1000 block of S. Main St. on March 7, when informed of a warrant existing for the suspect's arrest.

The warrant had been issued by the Jackson County Sheriff's Department for possession of marijuana on July 14, 1994.

The man was transported to the

Jackson County line and taken to the Jackson Police Department. No bond was set.

Purse Taken from Shopping Cart

A purse was suspected to be taken from a shopping cart at Pamida store on March 9. The complainant said she had been shopping for children's clothing and didn't notice anyone except workers in the area.

She had just received a \$200 refund for returned merchandise, which is a suspected reason for the theft, police reports indicate.

The purse was recovered in the domestic sales section of the store. Nothing was missing from the purse upon investigation, reports indicate.

Christopher Haugen Named to Dean's List At Wheaton College

Christopher Olson Haugen of Chelsea has been named to the Dean's List for the Fall 1995 semester at Wheaton College, Ill. He is a senior, majoring in geology.

Chris is the son of Rik and Ginger Haugen of Chelsea.

CARD OF THANKS

The family of Harold R. Litke would like to thank the many special friends who reached out and helped us with our great loss. We are especially grateful to Hosmer-Muehlhig funeral home for their compassionate service, and to Pastor Akse for his kind words. Also, we are thankful for the many food donations we received from friends and family. The kind people of Christian House of Prayer organized a nice luncheon and we appreciated their help. It's comforting to know we have wonderful friends who are with us in our time of sorrow.

+ AREA DEATHS +

Dorothy B. Dietz

Chelsea
Dorothy B. Dietz of Chelsea, age 69, died Tuesday evening, March 14, 1995 at her home. She was born July 7, 1925 in Chicago, Ill., the daughter of Steve and Jenny (Rozewicki) Gorgas.

Mrs. Dietz had been a resident of Chelsea for eight years, moving from Chicago.

She was a member of St. Mary's Catholic church and the Senior Club of Jackson and the Chelsea Senior Citizens.

She was married in Chicago to John J. Dietz, Sr., on May 25, 1946 and he survives. Also surviving are her two sons, John J. Dietz, Jr., and his wife, Wendy, of Ann Arbor, and Mark Dietz of Minnesota, one granddaughter, three sisters: Eleanor Schneider, Florence Keiner and Gertrude Augustyn, all of Chicago, Ill., and several nieces and nephews.

The funeral mass was held Friday, March 17, at 11 a.m. from St. Mary's Catholic church with the Rev. Fr. Philip Dupuis officiating. The vigil and rosary was held Thursday evening at 7:30 p.m. at Staffan-Mitchell Funeral Home with Deacon Richard Shaneyfelt officiating. Burial was in Mount Olivet Cemetery, Chelsea.

Expressions of sympathy may be made to St. Mary's Catholic Church Building Fund.

Arrangements were by the Staffan-Mitchell Funeral Home.

Dyln June Penix

Dansville
Dyln June Penix, 36, died at her home on Saturday, March 18, 1995. She was born Feb. 21, 1959, in Jackson, the daughter of Wayne and Norma Penix. Dyln worked as a hostess at the Edgewood Blvd. Target store in Lansing and as a volunteer for the Salvation Army.

She enjoyed crafts, country-western music and was an avid MSU fan.

Dyln is survived by her parents; one brother, Timothy (Margaret) Penix of Stockbridge; two sisters, Tina (Ken) Delor of Chelsea, and Wendy (Alan) Cole of Belleville; one grandmother, Lula Riggs of Stockbridge; and numerous aunts, uncles, nephews, nieces and cousins.

She was preceded in death by her grandparents, Walter and June Penix; two grandfathers, David Penix and Wayne Riggs; and one uncle, Calvin Riggs.

Caskey Funeral Home in Stockbridge handled the funeral arrangements. Services were held Monday, March 20, 1995 at Stockbridge Church of God, with Pastor Wesley Duncan officiating. Burial took place in Oaklawn Cemetery in Stockbridge.

Memorial contributions may be made to Hospice of Lansing.

Light travels 5.88 trillion miles in a year.

Owen B. Bigelow

Pinckney
Owen B. Bigelow of Pinckney, age 88, died Saturday, March 18, 1995 at Chelsea Community Hospital. He was born the son of George and Frances (Benjamin) Bigelow on Jan. 22, 1907 in Rose City. He married Annabell Marie and later Ila Marie and they both preceded him in death.

Owen graduated from East Tawas High school in 1925 and completed a B.S. degree in pharmacy from U.M. in 1937. Owen received the distinction of Emeritus of Pharmacy from U.M. for 50 years of service. He was a former teacher and principal in the Dexter School System.

Owen was very involved in the Masonic Lodges of Rose City, Ann Arbor, and Dexter for over 50 years, and also belonged to the Eastern Star. He owned a surgical garment business in Ann Arbor and farmed in Saline.

Survivors include his children, Frances Ann (Henry) Wright, Ann Arbor; Daniel B. Bigelow, Huntsville, Ala.; one step-son, Robert E. (Delores) Wyman, Pinckney; six grandchildren: Joshua Wright, Daniel Benjamin Bigelow, Sue Anne Pierce, Jamie, Darlene and Brenda; four great-grandchildren: David, Adam, Aaron, Aubrey; and several nieces and nephews. He was preceded in death by his one sister, Janice Mallon.

Funeral services will be held Wednesday, March 22, at 1 p.m. at the Hosmer-Muehl Funeral Chapel, Dexter, with the Rev. Anna Marie Austin officiating. Entombment will take place at Washtenaw Memorial Park, Ann Arbor.

Visitation was at the funeral home on Tuesday from 9 a.m. to 9 p.m. with a Masonic Memorial Service at 7 p.m.

Memorial contributions may be made to charity of one's choice.

Mystery Book Club Changes Meeting Date To Hear Author

McKune Memorial Library's Mystery Book Club has changed their April meeting date from Monday, April 3 to Monday, April 24 at 7 p.m. The meeting is being rescheduled so club members can attend the "Love Your Library Week" presentation of Tecumseh mystery author Craig Holden.

Holden, author of the 1994 mystery success "The River Sorrow," will talk about his debut as a writer, and the four years he spent grappling with the characters in his first mystery thriller.

The McKune Mystery Book club will resume their regular meeting schedule, the first Monday of every month, on Monday, May 1, at 7 p.m. upstairs at the Library. The club is sponsored by Friends of McKune Memorial Library.

For further information call the Library at 475-8732.

Library Friends Need Westerns, Children's Books for Spring Sale

Friends of the McKune Memorial Library are collecting books for their annual Used Book Sales, which are held to benefit the library.

The Friends organization is particularly interested in building their inventory of gently used children's books and novels about the "old west." Donations of used mystery novels and other kinds of adult fiction in good condition also would be appreciated.

Bring your donations to McKune Memorial Library during regular hours.

For further information call the Library at 475-8732.

"IT'S AN ALL-NATURAL SNACK," says Renee Spaulding of Countryside Herbal Foods, of her gourmet herbal spreads. Spaulding sold the salt and

sugar-free dips and salsas to a hungry crowd at the Country Craft & Folk Art Show Saturday at Chelsea High school.

SCHOOL LUNCH MENU

Weeks of March 22-31

Wednesday, March 22—Oven fried chicken, whipped potatoes with gravy, bread with butter, green beans, apple crisp, milk.

Thursday, March 23—Folded pizza pockets, bagelette with butter, tossed salad with dressing, crushed pineapple, milk.

Friday, March 24—Fish sand, wick, tartar sauce, oven brown potatoes, ice juice, milk.

Monday, March 27—Submarine sandwich, tri-tators, vegetable sticks, applesauce, milk.

Tuesday, March 28—Chicken pot pie with gravy, bread and butter, green peas, mandarin oranges, milk.

Wednesday, March 29—Vegetable soup with crackers, hamburger on a bun, tator tots, pear slices, milk.

Thursday, March 30—Italian spaghetti, warm French bread, broccoli spears, sherbet, cookie, milk.

Friday, March 31—Cheese pizza, tossed salad dressing, fresh fruit, milk.

Science increases our power in proportion as it lowers our pride.

Chelsea, Saline Orchestras Will Present Joint Concert

On Tuesday, March 28, the Chelsea High school orchestras will present a joint concert with Saline High school. This annual event will take place at 7:30 p.m. at the Saline High School auditorium. In addition to directors John Kennedy and Robert Phillips, the students will be conducted by special guest Russell Reed. Mr. Reed, former professor of music at Eastern Michigan University and conductor of the Plymouth Symphony, is nationally known as an educator and clinician. He will conduct the combined Chelsea and Saline Chamber Orchestras in the haunting *Adagio for Strings* by Samuel Barber, and the combined Symphony Orchestras in the lively and energetic *Overture to Lucia Silla* by Mozart. The Chelsea and Saline orchestras will also play music by Tchaikovsky, Verdi, and Beethoven, and music from the movie *Jurassic Park*. This exciting concert is part of a continuing collaboration between the Chelsea and Saline orchestra programs. It is joined by the joint orchestra camp, now in its 10th year, which occurs every September and brings together musicians from the two districts for a week-end of co-operation, learning and fun. The students of Chelsea and Saline have been enriched by this connection. The Chelsea-Saline High school orchestra concert will be an exciting event of fine music making.

Chelsea Scouts Joining in Food For Needy Drive

Be aware of Scouts knocking on doors, asking for food for the needy! The annual Scouting for Food drive will be held in Chelsea on Saturdays, April 22 and April 29, between 9-12 a.m. Chelsea Cub Scouts, Boy Scouts, and Girl Scouts will be collecting non-perishable food donations for Faith in Action and Chelsea Social Services. Collection bags and/or fliers will be distributed throughout the village on Saturday, April 22 and the scouts will return to pick-up donations on Saturday morning, April 29. Please leave all food donations on your porch early on Saturday morning. If you live outside the village, and would like to donate non-perishables, there will be drop boxes in The Common Market, Polly's, and possibly ACO.

You stay young as long as you can learn, acquire new habits and suffer contradiction. —Ebner-Eschenbach

Diamonds: Were They Given Away?

A mother and daughter are feuding over diamonds that were set into a pair of earrings and a ring at a local jewelry store. According to police reports, the daughter said her mother gave her the diamonds, and the mother said she did not give her daughter the diamonds. The daughter filed a civil claim of larceny on March 14 against the mother for picking up the jewelry at the jewelry store. The investigating officer believed that the diamonds were given to the daughter, because the jeweler recalls hearing the mother saying she would give her daughter the diamonds. The diamonds were originally purchased in September 1994, according to police reports.
