JOSIE PARKER, McKune Memorial Library youth services director, helps Garrett Branham, 3, choose a sticker from her collection before he and his mom, Diana, pick out a book to read.

Josie Parker Named New Youth Services Director at McKune

□ The Scio township resident's interest in libraries was ignited when her grandmother took her to get a library card when she was in the first grade.

Josie Parker, the new Youth Services Director at McKune Memorial Library, has jumped into the thick of things in her job in just over a week.

"I'm impressed with the support of the Friends of McKune, and with the number of kids that come in at all hours of the day," she said.

Parker currently conducts the "Storytelling" reading time for preschoolers on Thursday mornings, in addition to planning the library's Summer Reading Club, slated to run from June 16 to July 28.

Parker is developing a circus theme for this year's summer program to be available to children from preschool to sixth grade. However this year, she is instituting something a little different than years past.

"We won't be counting the number of books read, but the time that is spent on each book," said Parker. "Children can read anything they want, even cereal boxes."

She said the children can read

magazines, listen to audio tapes, and have books read to them. Parker said that the children don't have to check out their books at McKune. Anything they may have at home or from other resources is OK as long as the material is read, she said. Weekly prizes will be awarded with grand prizes to be given out at the end of the program. The grand prizes will be divided into various age groups.

"Every child who completes the summer reading program will receive a paperback reading book from a pre-selected group," Parker said.

Besides the summer reading club, she is working with other library workers on "Computer Pix." Young adults will have the opportunity to come into the library and use the newest computer program addition.

"It's like 'The Dating Game' for young adults," Parker said. Any student in seventh grade or higher will come in and fill out a form listing their favorite things to

read about, others that they might be interested in and their favorite authors.

The computer program then matches up 15 book titles to each young adult, thus providing for a more personalized reading experience. The only catch is that young adults have to wait one day for the computer to access the files and match up 15 titles for them. Parker said the program has been in use for 15 years at the Library Network and is offered to area libraries in their respective co-operatives.

The Scio township resident has been preparing all her life to be a librarian.

"I remember my grandmother taking me to the library when I was in first grade to get my library card," she said. "I've had one ever since."

With her introduction to libraries sparked, Parker volunteered in her high school library in Laurel, Miss. She became a library assistant at the Auburn University Veterinary Medical School, where she received a bachelor's degree in English from AU in 1979.

Parker met and married her husband, Robert, a veterinary pathologist. They have two children, a son, Morgan, 10, and a daughter, Marion, 13. Robert Parker is employed at Parke-Davis.

For the next 10 years, Parker volunteered as a school librarian in several states, since the family moved around a lot. During that period, Parker owned and operated her own licensed day care for four years out of her home in Birmingham, Ala.

Since moving to Michigan, Parker has worked for MLink as a reference assistant. (MLink is a state-wide fund set up by the W.K. Kellogg Foundation in Ann Arbor in conjunction with the University of Michigan. It provides free reference services to public libraries in Michigan.)

She is currently a master's student at U-M. She expects to earn her degree in the summer of 1996.

"Getting a degree in library science is important today," Parker said. "Library education has changed drastically. The focus is on print and non-print material."

She said that librarians should obtain their master's degree. "It has always been a goal of mine," Parker said.

The classes teach library science as well as business courses, such as management. Parker said librarians need these types of courses because working in a library is like running a business.

She said it helps if librarians are computer-literate, especially since McKune is going on-line with the Internet sometime this year.

"You've got to be open to technology and welcome it," she advises.

State Treasury Approves \$45 Million School Bond, Vote Going on June Ballot

Superintendent of Schools Edward Richardson announced at Monday's school board meeting that the State Department of Treasury finally approved the \$45 million school bond proposal. The bond now will be placed on the annual school election ballot for voters to decide its fate June 12. Also in that election, school board vice-president Conrad Knutsen is running for re-election to a four year term.

If the \$45 million bond is passed, the following changes will be implemented within the schools. South Elementary school: improve plumbing, heating, ventilation and electrical systems.

North Elementary school: upgrade plumbing, heating, ventilation and electrical systems; convert gym into new entrance/offices and a hallway; remodel the cafeteria into a library or instructional space; add multi-purpose area for the cafeteria/physical education classes and large meetings; refurbish the equipment rooms and halls, and install technology.

The new elementary school will provide space for 450-500 students. It will be designed for space and grade-level flexibility. Approximately 55,000 square feet with multi-purpose area for a cafeteria/physical education/large meeting room will be implemented. Tentative plans include it being located south of the present high school on Freer Rd. And if the bond is passed, the projected completion date is fall 1997.

At Beach Middle school, the bond will help to create flexible instruction space, install technology, refurbish rooms and halls and replace lockers, upgrade the electri-

cal, plumbing, and ventilation systems, and assess and improve Mayer Drive and parking.

The Community and Administrative Service Center plans would be to upgrade and refurbish buildings for community use and K-12 overflow activities, raze locker and home economics buildings for energy efficiency and campus space needs, improve sites for parking, appearance, and community access, remodel administrative offices for

utility and meeting space, refurbish office/meeting spaces to accommodate community agency co-operatives and services, and provide accommodation for additional senior citizen programming.

The new high school would incorporate flexible space for 950-1,100 students; provide offices/conference rooms, shared technology space and library/media center, plus up-to-date science labs; an

Bomb Threat Made To High School Monday Morning

■ The caller claimed that a bomb was 'out front' and was going to explode. The call was received at 10:35 a.m.

An unknown male called in a bomb threat Monday morning to Chelsea High School. The call came into the main office at 10:35 a.m. said Superintendent of Schools Edward Richardson.

The caller said that there was a bomb "out front" and it was going to explode. He used much profanity in the call, Richardson said. Chelsea High school principal Ron Mead evacuated students and staff members from the building.

Chelsea police and fire departments responded to the call and subsequently searched the building. They looked for anything that might resemble a bomb and kept their

eyes open for anything that looked suspicious.

No bomb was found in the buildings or surrounding areas. Students and staff members were allowed back in the buildings shortly after the search was complete.

This is the first time this school year that a bomb threat has been made in the Chelsea School District.

Richardson said if the police or fire departments had found anything suspicious, they would have sent students home for the rest of the day.

"We didn't find that necessary," Richardson said.

Education Foundation Hosting Forum on 'The Learning Revolution'

"The Learning Revolution: Meeting the Challenges of New Educational Needs" will be the topic of a community forum sponsored by the Chelsea Education Foundation on Tuesday, May 16, from 7 to 9 p.m. in the Chelsea High School Auditorium.

The forum will feature the visions of community leaders on how we should go about educating differently to meet new educational needs. The panel members will relate their visions from the unique perspectives of their work, school and community responsibilities.

Panel members will include Edward Richardson, superintendent, Chelsea School District; Ann Feeney, executive director, Chelsea Chamber of Commerce; Willard Johnson, president, Willard Community Hospital; Tim Eder, chair, Village Planning Commission; Jessica Flintoft, president, Chelsea High School Student Council; James Winter, teacher, Chelsea High School; Dr. David Angus, Professor of Education History and Policy, University of Michigan; William Thomas, parent representative and Jean Bauer Spencer, Chrysler Corp.

"I look forward to hearing a community perspective on what 'educating differently' means and also discussing the who, what and where of education," said Ed Richardson, superintendent of the Chelsea School District. "In other words, who should provide education, what education should be provided and when education should be provided—what are our educational needs from birth to death."

Panel members will be given three minutes to relate their vision of how our community should go about educating differently, including:

- what will be the new educational challenges,
 - how new educational challenges will be met,
 - who will be responsible for meeting educational needs,
 - what kinds of new environments will be needed,
 - challenges students face in higher education,
 - challenges students face in the workplace,
 - how to provide creative teaching alternatives and experiences.
- Challenges in the workplace will be a focus of Ann Feeney, executive

director of the Chelsea Area Chamber of Commerce.

"It is essential that our graduates have a grasp of the economic realities which govern the workplace into which they will eventually enter," said Feeney.

Dr. David Angus, Professor of Education History and Policy of the University of Michigan, will also highlight the economy in his visions for education.

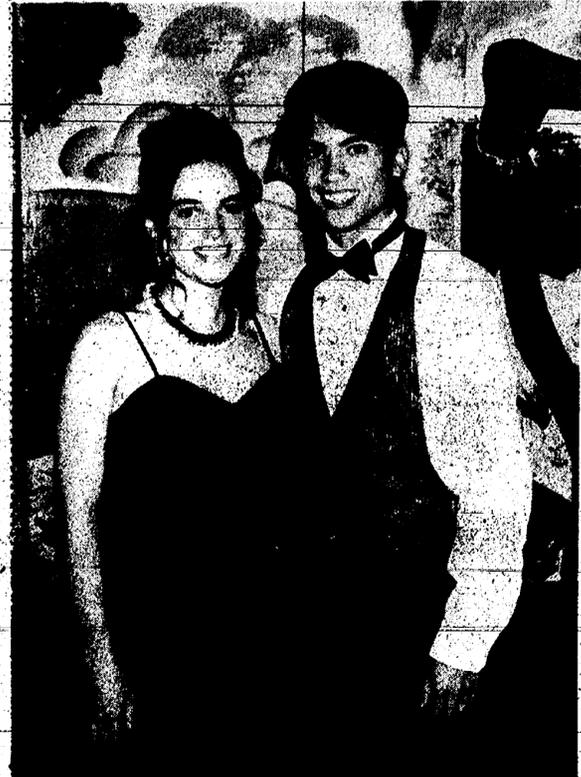

"I hope to raise discussion of the implications of the global economy on curriculum development," Angus said. "The United States must stop being so insular and be more world-wide in its curriculum development."

As chair of the Village Planning Commission, Tim Eder will address the need for students to have a better understanding of government.

"Based on my experiences, I feel that many students do not fully understand and appreciate that government can work," said Eder, "even though at times it may be a frustrating process."

"A new educational challenge will be to involve students with their

KING & QUEEN of the Junior Prom at Chelsea High school Saturday night were Chad Brown and Charlotte Ziegler. They were chosen by popular vote of the senior class.

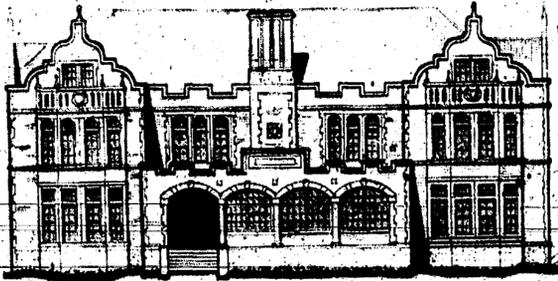

WARM, SUNNY WEATHER greeted the opening day of the Chelsea Farmers Market Saturday, May 6. Nine vendors displayed their wares on this opening day with craft items, t-shirts, and plants. Among the plants were hostas, clematis, geraniums,

impatiens, begonias and other perennials. Shown above are Bev Allen of Tulip Tree Farms, and Bea and Beth Strader with t-shirts. Additional vendors and maybe some early produce are expected next Saturday if the warm weather prevails.

Chelsea Board of Education Monday night voted 5-2 to put a \$23.75 million bond issue before the voters in September for the construction of a new elementary school as well as renovations and construction district-wide. Trustees John Eisenbeiser and Joe Redding voted against trustee Ron Satterthwaite's motion. Initially, a voice vote was taken which indicated a 4-2 split. However, president Ann Comeau requested a roll call vote, which allowed her to officially cast a vote. Comeau has been an enthusiastic supporter of the plan.

A total 14 Chelsea High school students will be honored as Cum Laude Seniors next Wednesday, May 15, at the 18th annual Honors Banquet at the high school. Modern Mothers Study Club, along with the Chelsea School District, is hosting the event.

Jack Myers knows "it'll be a tough situation for a while," but Chelsea's newly-appointed village manager says he's ready for the challenge that awaits him in early June. Myers, whose only municipal experience has been his 13 months as a village trustee, was offered the job last week at a special session of village council. The post has been vacant since Robert Stalker, a man whose entire education and professional experience was in government, was forced to resign in February.

The recently completed Freedom Township Hall will be the scene of an Open House, Saturday evening, May 22. The fete celebrates the near completion of the hall, which has been under construction since last May. A recent addition to the building is the brick "building marker" in front which was constructed from the used bricks from the old hall. Set into the brickwork is the former cornerstone of the town hall, which was originally constructed in 1878.

The limb shattered the windshield of his car and caused minor bruises to Pfeifle, who was a bit shaken up. Chelsea police were notified and the Village Department of Public Works was contacted to remove the limb.

★ Block Grants Are Not the Answer

By Lawrence Reed and Dean Stansel

If you wanted something done in your community, would it ever occur to you to send a check to Washington, D.C. first, so that the federal bureaucracy could take a cut before sending back the rest?

Welcome to the new world of "block grants"—the latest fashion that has Congress and state legislatures buzzing. The motivation is commendable: reduce federal micro-management and allow states to innovate by giving them large block grants of federal money with few strings attached. In place of failed, one-size-fits-all programs run rigidly by Washington, the states would function as 50 "laboratories," generating new approaches that would work better because states are closer to the people. Congress, before the year is out, may reorganize and consolidate many federal programs this way—from welfare to crime control.

If less federal meddling in how programs are locally run is the primary objective of the block grant approach, it may be easy to achieve at the start but difficult to sustain. As the old saying goes, "He who pays the piper calls the tune." Congress will always be tempted to add conditions and clarifications each time appropriations bills that contain block grants come up. It is not hard to imagine state and local officials complaining, a few years from now, "Where did all these strings come from?"

The truth is that block grants would do little to address the inherent flaws in our current system of multi-layered bureaucratic structures. Laundering the people's money through two or three levels of government is a make-work scheme for administrators. Of the \$226 billion spent by federal, state, and local governments on welfare in 1990, one study showed, only 35 cents of every dollar ever made it into the hands of the poor. On the farm, that's called feeding the sparrows through the horses.

Furthermore, block grants would actually reduce the accountability of government because they would separate the raiser of the tax revenue (the federal government) from the spender of it (state and local governments). If something goes awry, Washington will blame the states for not spending the money wisely, and

the states will blame Washington for not providing enough money to do the job. Taxpayers and users of government services will be left wondering who is responsible for what.

It is generally true that because states and municipalities are closer to the people than the federal government, they are more accountable and responsive to individual citizens and local concerns—as long as they are spending local money. Not even the most diligent of local politicians, however, will spend money from Washington as carefully as they spend what they are accountable for raising themselves.

We should have learned that lesson in Michigan years ago. In the late 1980s, one township in Oakland county that has no downtown accepted federal block grant funds earmarked for "downtown revitalization." The money went for a parking lot at the township hall. The same officials accepted another block grant to construct "barrier-free improvements" on the same site, but used the money not to assist the handicapped so much as to enhance their own work environments. Fifteen of the 23 block grant programs enacted by Congress since 1966 are still on the books, shoveling out \$35 billion yearly and raising plenty of questions about their wisdom in the process. What makes Washington think that federal welfare for state and local governments can work any better than federal welfare for individuals?

Instead of the half-hearted reform of block-granting, Congress should revive a Reagan-era reform known as "turnbacks." Under that plan, the federal government turns back to state and local governments both the spending responsibility for programs now run from Washington and the revenue sources too. Instead of "We'll raise it and you spend it," with turnbacks Washington says, "You raise it and you spend it."

For example, the Reagan administration once proposed ending federal responsibility for highways and repealing federal gasoline taxes, giving states the option of raising their own gas taxes. It wasn't enacted, but if it had been, Michigan would not be sending nearly twice as much gas tax money to Washington as it gets back each year.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Use to, Bug Hookum allowed at the country store Saturday night, the honor system was where the college had the honor and the students had the system. He told the fellows that now it looks like the system is all that's left. Bug had read where colleges and universities are bragging bigger than they can back up.

The clipping Bug had give examples where some schools competing for students flat lie about all they offer. It stands to reason, he went on, that when students find schools don't live up to their end of the bargain the first thing they learn is how to take the short cuts to the degrees. No wonder so many students see college as a place to party and look for jobs, was Bug's words.

To a man, the fellows said education is not their long or strong suit, but all are big on honesty. They agreed with Zeke Grubb that when you lose that you give new meaning to the idea that a little knowledge is a dangerous thing. Actual, Zeke went on, from what he reads a heap of schools ought to be in line for safety awards for offering no education at all.

As for danger, the fellow who runs the store noted that another school year is about over, and he is worried about all the young people looking for someone to do or get into this summer. He said he hopes they don't take to the roads on them skinny wheel bicycles, because nothing scares him more than to see a pack of bikes weave in the wind

when one tractor trailer passes and another is snorting to get by.

Riding bicycles on the same roads with cars and trucks may be good exercise, the store fellow said, but it's bound to be hazardous to your health. He said he'd feel better knowing children were at home in front of the TV, because he'd rather have soft muscles than cracked heads. Furthermore, he can't figure the logic in letting bikes on two lane roads, but not on the bigger interstates where drivers have room to get around them.

Clem Webster said it'll be hard for college students to know when vacation starts. From what he reads, Clem said, most schools now don't call the roll or give tests. The idea is that when students don't have to please somebody who grades them they will learn for learning's sake. To him, Clem said, leaving students on their own explains why students don't mind lying on their applications to get in and to qualify for grants and scholarships.

It can't be said that none of the fellows has even seen the inside of a college. Some years back, Ed Doolittle visited his daughter in the city, and she took him to a concert at the university. Ed reported that while his girl was listening to what she told him was music he snuck out and walked all over the campus. Beyond that, a discussion of higher education by the fellows is not much more than pooling ignorance.

But after listening to them, I got to thinking more of a piece I read about Communitarianism, which is as hard to figure as its name. It looks like a civic movement and acts like a religion. Members want a life centered on the family; they want to get rid of crime and corruption, and they want a world where everybody respects the rights of everybody else. The hitch is, they don't want arguments or hurt feelings, which looks like the college plan to me.

Yours truly,
 Uncle Lew.

LINDA SOLOMON

Famed Celebrity Photographer Visits North Elem. School

Students at North Elementary school discovered how to explore the world in a snap when one of the country's best known celebrity photographers visited the school Tuesday, May 2, as part of National Photography Month.

Linda Solomon, whose photographs have filled numerous publications, including Time, Newsweek and People, spoke to first grade students in Chelsea as well as in Ann Arbor, Saline and Dexter.

Her appearance kicked off Briarwood's "Let's Discover" children's exhibit, which will be on display at the shopping center during the Ann Arbor Art Fair, July 19-22.

The exhibit will include each youngster's best photo, blown up to 11-by-14 inches courtesy of Ritz Camera.

To get the young photographers started after Solomon's visit, every first-grader received a free disposable camera, donated by Kodak, a photography tip sheet, written by Solomon, and two weeks to "discover" the world around them.

"The only limit is each child's imagination," says Linda McIntosh, marketing director at Briarwood.

"They can discover anything from a rainbow, to a bird, to their own little brother or sister.

"We see the photography and show as a wonderful opportunity to expand students' creative horizons," she said. "Having their work displayed at Briarwood will help them feel that they are part of the community, and we're particularly excited that they'll give someone as famous as Linda Solomon to give them instructions before they begin taking pictures."

Solomon, who specializes in photographing politicians, athletes, media stars and business leaders, is a regular guest and commentator on "Good Morning America." She is a newspaper columnist, television entertainment correspondent and a regular guest on talk shows nationwide.

"I learned when I was a child that I could express what I was feeling by looking through the lens of my camera and taking a photograph," says Solomon. "Photography builds confidence and self-esteem. Children learn to appreciate the beauty in their lives and thereby the beauty in themselves."

To honor the young photographers, Briarwood will donate \$100 for art supplies to each participating class. The center will also host a "Young Artists Reception" on Tuesday evening, July 18 for the artists, their teachers and their families.

Manchester Man Killed, Four Injured in Crash

The driver apparently didn't see the oncoming vehicle and proceeded into the intersection when the crash occurred. The struck vehicle spun around, hitting another vehicle.

Center in Ann Arbor. Bruce Gaivelis, 73, was listed in critical condition the morning after the fatal accident.

Whiteaker also was taken to U-M Hospitals by Huron Valley Ambulance. She and her two young passengers were treated for their minor injuries and released. Washtenaw County Sheriff's Department deputies said the crash occurred after the Gaivelis vehicle halted at the stop sign at the intersection, then proceeded north on Sharon Hollow Rd.

Whiteaker was traveling west-bound on Austin Rd. She had the right of way as there is no stop sign on Austin Rd. The Gaivelis vehicle struck Whiteaker as it crossed Austin Rd. Whiteaker's vehicle spun around and subsequently hit another vehicle, driven by Ray Edmund Wurster of Manchester. Wurster was headed south on Sharon Hollow Rd, when he was struck. Wurster was not seriously hurt in the crash.

A University of Michigan survival flight crew transported Gaivelis and his wife to the U-M Medical

No charges were filed in the collision, reports indicate.

"All that I am, or hope to be, I owe to my angel mother..."
 -Abraham Lincoln

Lincoln said it for all of us... our mothers have given us all of the good and worthwhile things we possess. Nowhere in this imperfect world do we find anything as perfect, true and steadfast as a mother's love and devotion to her children. No task is too disagreeable, no effort too exhausting for the mother who labors on behalf of her family.

And so, on one day of the year, we honor Mothers. It is little enough to do for her... or her memory... in the light of what she has done for us. Happy Mother's Day.

Microwaving Rules for Kids

By Debbie Barrow, Extension Home Economist
Research shows that 86 percent of children reportedly use a microwave oven an average of twice per day. Kids need to learn some basic microwaving rules so they won't get sick from improperly cooked food or get burned because of improper handling procedures.

General Rules

- Never turn on an empty oven—this can break the oven.

- Use only microwave-safe cookware. Make sure the children know which plates and bowls can be used in the microwave. If you have young children, you may want to mark a large "MW" on the bottom of each bowl or plate with a permanent marker.

- Review with the children the package cooking directions on the microwave convenience foods they most commonly prepare. They should understand the need to cook the food long enough to kill bacteria, but not so long that the food is overcooked or a fire starts. It's important that children understand the concept of holding—letting the food sit for a minute or two when the directions call for it is critical to having the food completely cooked.

- Teach kids to properly set microwave controls. An incorrectly set oven—10:00 instead of 1:00, for example—could result in food overcooking to the point of a fire starting.

- Remind kids to let cooked foods cool for a few minutes before eating, to avoid a burned mouth. If the plate or bowl isn't hot, the children may assume the food is eating temperature.

- If they cover a dish with plastic wrap or waxed paper, they need to turn up one corner before putting it in the microwave so that excess steam can escape.

- Children need to understand that microwave food needs to be rotated and/or stirred as part of the cooking procedure so that the food gets cooked all the way through. If children are too young to remember to do this, you may want to consider buying a rotation plate specifically designed for microwave ovens.

- Use oven mitts or pot holders to remove items from the microwave. Some cookware stays cool to the touch—other cookware can get very hot.

Specific Tips

- Hot dogs and baked potatoes need to be pierced before cooking to let steam escape so the food won't explode.

- Jelly donuts and fruit pastries need to be broken open and cooled for a few minutes before eating. The jelly often gets very hot and could burn a child's mouth.

- Popcorn needs to set for a minute to two to allow steam to escape from the bag before it's opened.

Phone books, newspapers and other waste papers can be recycled into pellets that work as ground cover for various farm crops. Weeds are wiped out by being smothered by the pellet mulch, which can also be combined with weed control chemicals. Scientists are now working on a way to use the paper pellets to hold down highly erodible soil.

WEDDING PLANS: Tiffany Joanna Huston and Gregory Scott Rossette are engaged. Parents of the future bride are Walter and Dawnetta Huston of Chelsea. Parents of the future bridegroom are August and Alice Rossette of Manchester. The future bride is a 1991 graduate of Chelsea High School and currently studies dance at Washtenaw Community College. The future bridegroom is a 1983 graduate of Manchester High School and is employed with Wyandotte Electric Supply in Ann Arbor. The couple is planning a May 1996 wedding.

ENGAGED: Michael D. and Cheryl Hassett of Chelsea, have announced the engagement of their daughter, Tina Marie, to Matthew Rothamel, son of David and Sue Rothamel, also of Chelsea (formerly of Livonia). The bride-elect is currently attending Eastern Michigan University. The prospective bridegroom is a student at Washtenaw Community College. An Aug. 10, 1996 wedding is being planned.

Intergenerational Team Organizing At Senior Center

Members of the Chelsea community are invited to join with the "Intergenerational Team" at the Chelsea Senior Center on May 15 to learn more about an exciting opportunity.

A team of Chelsea leaders met through the winter to discuss the possibility of developing an intergenerational opportunity.

This team found that there are a variety of unmet needs in the Chelsea community. Some of these needs include: Reading to children at the library, shopping for an older adult, tutoring in the schools, visiting with residents at CRC and patients at CCH.

There are a number of individuals in the Chelsea community who have the talent and desire to meet the unmet needs.

Some of the individuals are: Students, persons working at home or in the community, or retired persons.

The group of leaders could arrange an opportunity for those with talent and desire to learn about the unmet needs.

For additional information call 475-3913.

CARBARET '95: Perhaps you have had the opportunity of seeing them perform at one of our local community events. The Washington Street Show Choir has been very active in its fifth year of existence under the direction of Steve Hinz. They have performed for the Kiwanis Club, Faith in Action, 6th Grade Camp, Senior Citizens and other various organizations. They made an appearance at the Fall Festival of Choirs, and performed for a sold-out audience as they hosted Showcase '95. In

February they traveled to Indiana to perform in a competition with other highly talented musicians from Indiana, Ohio and Michigan. Washington Street Show Choir will be performing their grand finale Cabaret '95 on Friday and Saturday, May 12-13 at 7:30 p.m. at Chelsea High school. This performance will consist of numbers from previous shows as well as solos, duets and quartets. There will be a special recognition for the Seniors of the group Saturday night. Tickets for this event may be purchased at the Chelsea Pharmacy.

auditorium (900-1,300 seats), dividable for classroom sections; physical education practice/event gymnasium; located on Freer Rd. and Trinkle Rd. site (approximately 50 acres); Multi-purpose cafeteria/meeting room, preparation kitchen; band practice fields, tennis courts, playing fields; and projected completion date of fall 1998.

In conjunction with the bond proposal, the school board has put together the "Chelsea Challenge," a newsletter detailing the information about the bond plus details about the READY bond information campaign. The newsletter answers questions and concerns about the bond that voters have repeatedly requested answers to.

Any community member desiring more information about the bond issue may call any board member or the superintendent at 475-9131.

The election will be held at Beach Middle school on June 12 from 7 a.m. to 8 p.m. in the Large-Group instruction room. Those who are eligible to vote are registered voters of the Chelsea School District.

government," Eder added, "being participants rather than observers."

Jane Dising, president of the Chelsea Board of Education, will be the moderator of the forum and will conduct a question and answer period following the panelists' statements.

"I've received many comments from people in the community who are concerned that Chelsea schools need to do things differently, that businesses and schools need to work together more, that our children aren't prepared for the work force and higher learning. This will be a wonderful opportunity to explore these concerns and together vision how to improve what this community can offer our students," said Dising.

The Foundation, governed by a voluntary Board of Trustees, seeks financial support for worthy, broad-based educational projects for Chelsea area residents of all ages. Technology Fair Slated Thursday at North School

If you've always wanted a chance to fool around with the newest educational technologies, to get a chance to try something out yourself, then come to the North School Technology Fair Thursday, May 11, from 7 to 9 p.m.

Here is a sampling of the kinds of the things you can see and learn.

First Grade: demonstration of Touch Screen and Storybook CD Roms in learning language arts. Paul Orseli, from the Ann Arbor Hands On Museum, will be demonstrating "Simple Science: Electricity and Technology for K-1."

Second Grade: learn about using video taping as a tool for improving reading expression and comprehension.

Third Grade: learn about developing multi-media programs on the Power Mac.

Fourth Grade: learn about how machines are put together. You will also get a chance to see how "Dinosaurs," a CD Rom program, can be used to develop non-fiction reports.

Fifth Grade: learn about using CD Rom encyclopedias and word processing to do research papers.

In the Media Center, you will get a chance to learn about the new Internet connection, and ways e-mail and the internet can be used in instruction.

North Elementary school will be bursting with other exciting exhibits and activities, so be sure to drop by, and learn about the new tools that will soon be an integral part of a good education.

Mother's Day Picnic Hike May 14 at Lyndon Park South

The Washtenaw County Parks and Recreation Commission is hosting a "Mother's Day Picnic Hike" on Sunday, May 14 at 10 a.m. at Park Lyndon South.

Bring your walking shoes, a picnic lunch, water and the mother of your choice for this annual hike to Green Lake and back. Participants should be able to walk four miles of rolling terrain on this hike.

The event is free and the public is invited to attend. The Commission asks that walkers be on time for this annual event.

For more information, call naturalist Matt Heumann at the Washtenaw Parks and Recreation Commission at 971-6337, weekdays from 9 a.m. to 3 p.m.

Mailbox Improvement Week Slated By U. S. Postal Service

Mailbox Improvement Week, a traditional annual observance that contributes to the appearance of the countryside and streets in suburban areas, is being held May 15-20, according to Chelsea Postmaster Deborah Wellnitz.

"Mailbox Improvement Week has long served as the starting signal for special community efforts to repair, repaint, and make other improvements in the security and appearance of suburban and rural mailboxes," supervisor John Wampler explained. "And this gives our community another opportunity this spring to promote the security of mail by repairing mailboxes damaged by the weather during the last year."

Mailboxes in good condition contribute to a more efficient delivery and collection operation and improve service to an entire route, according to the postmaster.

Customers must use only approved traditional or contemporary curbside mailboxes for new installations or replacements, according to Postmaster Wellnitz, but customers may use a custom-built mailbox if they get local approval to make sure it conforms to guidelines applying to flag, size, strength, and quality of construction.

For more information on the use of names or numbers on mail receptacles, supports, and answers to any other questions, call Postmaster Wellnitz at (313) 475-1441 or stop by the Chelsea Post Office at 200 S. Main St.

Spring Achievement Awards Presented

By Janet Nagele
4-H Youth Agent

The annual 4-H Spring Achievement program was held Saturday, April 22, at Saline High school. This year's program, "Everything's Coming Up Clovers," featured exhibits and evaluation of 4-H projects in team leadership, performing arts, demonstrations, wood-working, knitting, crocheting, and clothing construction. In the evening the annual style revue program was held. Members, both male and female, had the opportunity to model clothing they made. The evening ended with the Ambassador program and an awards presentation.

The Washtenaw County 4-H staff members, along with the 4-H volunteer community and the many 4-H parents and supporters, were pleased with the members' accomplishments at this year's Spring Achievement program.

Clothing Construction Awards

Potawatomi Land Trust Completes Conservation Guide

Potawatomi Land Trust has announced the completion of a new brochure directed at landowners who wish to protect the conservation values of their property.

Entitled "Conservation Options: A Guide for Washtenaw County Landowners," the brochure outlines several methods by which a property's natural, agricultural or open space features may be protected.

The two basic "tools" groups like PLT use to protect property are Conservation Easements and Transfers in Fee Title. Conservation Easements are legal agreements reached voluntarily by a landowner and a land trust that protects conservation values, permanently limits certain rights of current and future landowners and keeps property in private hands. By donating some or all of the development rights to a qualified, tax-exempt organization like PLT, the landowner may be eligible for certain tax benefits. Easements can even be designed to allow for a few carefully placed housing sites.

PLT recently completed its first Conservation Easement on a 116-acre wildlife preserve in Lyndon township.

Land trusts sometimes purchase or receive donations of land outright, also known as "fee title." If the property is purchased at a below-market price or is donated, the landowner may be eligible for certain tax benefits. PLT is currently involved with one below-market (or "bargain sale") purchase, but has limited fund-raising capability that limits involvement in such transactions.

The Guide goes into greater detail on how Conservation Easements and Transfers in Fee Title are developed and completed, and describes how the tax benefits are determined.

"The Conservation Options Guide provides a great opportunity for landowners to learn about the benefits of protecting property by working with land trusts like PLT," said PLT executive director Barry Lonik. "We see this as a primary means to inform people that there are ways to ensure their land can remain as they have enjoyed it forever." Lonik thanked the Buhr Foundation of Ann Arbor for their grant that made production of the brochure possible.

The Guide is printed in an easy-to-read question-and-answer format and is available free of charge from PLT at P.O. Box 130122, Ann Arbor 48113-0122, or by calling (810) 231-4375.

Handyman—Honors went to Matthew Jones, (Ann Arbor) and Richard Wild, (Ann Arbor), and top award went to Heidi Ernst, (Ann Arbor).

Apprentice—Top award went to Joey Palmer, (Chelsea). Honors went to Andy Low, (Saline), Angie Fiegel, (Ann Arbor), and Alex Plouff, (Ann Arbor).

Basic Skill—Top award went to Emily Reimold, (Ann Arbor). Honors were awarded to Ashley Finkbeiner, (Clinton) and Justin Jedele, (Saline).

Teen Leadership—Top ward was given to Jodi, Feldkamp (Manchester).

Best-of-Show—Award for Demonstrations went to Sam Jones, (Ypsilanti).

Performing Arts—Best-of-Show was awarded to Jonathon Ringel (Saline); with honors given to Jamie Guenther (Ann Arbor); Laurie Schiller (Chelsea); Katherine Williams (Ann Arbor); and Jeremy Kittel (Saline).

The evening Style Revue proved rewarding for many of the six 4-H participants in the judging for Top Model of the Year.

Senior Models—1st, Suzanne Lowery (Manchester); 2nd, Sarah Feldkamp (Manchester); 3rd, Andra Clark (Manchester). Other honor recipients were Angie Cooper (Manchester) and Julie Yapp (Ann Arbor).

Junior Models—1st, Susan Yapp (Ann Arbor); 2nd, Laura Haeussler (Manchester); 3rd, Ruth Raleigh (Saline). Other honor recipients were Heidi Ernst (Ann Arbor), and Adam Stoll (Whitmore Lake).

Young Models—1st, Amber Finkbeiner (Clinton); 2nd, Jennifer Schulze (Manchester); 3rd, Renee Thelen (Ann Arbor). Other honor recipients were Amber Morin (Saline), and Jackie Martin (Ann Arbor).

Beginner Models—1st, Renee Raleigh (Saline); 2nd, Kristen Hayes (Milan); and 3rd, Chris Morin (Ann Arbor). Other honors were given to Rachel Vaassen (Ann Arbor), Julie Thelen (Ann Arbor), and Susan Benjey (Dexter).

Six and seven-year old models received participation ribbons for their modeling. They were Debbie Poet (Ann Arbor), Stephanie Haeussler (Manchester), David Reimold (Ann Arbor), and Abigail Johnson (Ann Arbor).

At the Ambassador Selection the members chosen to represent 4-H for the 1995-96 year are: Stephanie Wesolowski (Chelsea) was chosen to be the Teen Ambassador Advisor for 1995. Josh Mawyer (Belleville), Sarah Heller (Chelsea), Bryan Cort (Northville), Ruth Raleigh (Saline), Jodi Feldkamp (Manchester), Teri Oxender (Ypsilanti), Jenny Swopé (Grass Lake), and Katrina Luckhardt (Dexter).

For more information on the Spring Achievement program or on any other 4-H programs and learning opportunities, please call the Washtenaw county 4-H office at 313/971-0079.

The Michigan Department of Agriculture says that strict enforcement of tough apple cider standards in Michigan means that you can be confident that Michigan-made cider and apple juice is free of harmful E. coli bacteria. All of Michigan's 130 apple juice and cider processing facilities are inspected at least once per year to ensure compliance with stringent sanitary requirements.

CAPITOL EXPERIENCE: Washtenaw county teens met with state legislators March 26-29 in Lansing during the 1995 4-H Capitol Experience. Pictured, left to right, at a legislative breakfast March 28 are Senator Alma Wheeler Smith, Stephanie Wesolowski, and Representative Mary Schroer.

County 4-H Teens Visit State Legislators

By Janet Nagele,
4-H Youth Agent

Stephanie Wesolowski, 4-H Club member from Chelsea, spent 3 1/2 days in Lansing March 26-29 learning how Michigan lawmakers address critical issues facing Michigan communities.

Stephanie was among the 108 teen participants and adult volunteers from 37 Michigan counties who met with state legislators, lobbyists and representatives of community and state agencies to discuss how government deals with eight critical social issues chosen by the participants.

With changes in the state property tax laws and increasing budget concerns in community school systems, it's no surprise that the teens chose school funding and operations as their No. 1 concern for discussion during their state capital visit.

Participants also explore how lawmakers address wildlife management, family farm issues and juvenile crime, other issues that topped

their list of eight possible issue areas.

4-H Capitol Experience is an annual 4-H youth program in citizenship and leadership. It provides teens with the opportunity to learn how state and local governments address issues affecting their communities.

In addition to interaction with various government decision makers, participants took part in mock committee sessions, "shadowed" government professionals, and took part in leadership and group decision-making exercises that required them to debate the issues and offer solutions in much the same way the legislators do.

4-H Capitol Experience is sponsored by Michigan State University Extension, the MSU Department of Resources Development and Michigan 4-H Youth Programs.

Michigan 4-H Youth Programs is part of MSU Extension Children, Youth and Family Programs.

COLORING CONTEST WINNERS in the Ann Arbor Civic Theatre's "Annie" production were announced in the form of a songfest at Little Professor Book Company. From right to left, counter-clockwise are judges Diane Totten, illustrator, and Connie Walters, children's author; Ashlee Doletzky, 9, of Dexter, first-place; Brian Koch, 10, Whitmore Lake; Jane Jackson, 7, Ann Arbor; and Rachel Wagner, 6, Ypsilanti, first place.

Civic Theatre Announces Coloring Contest Winners!

Leapin' Lizards! While Mary Ann Stevenson was directing and Ann Chapman was teaching dance steps, Connie Walters, children's author, and Diane Totten, illustrator, had the difficult job of judging Ann Arbor Civic Theatre's Annie coloring contest. Winners were announced in the form of a songfest held at Little Professor Book Company, Ann Arbor. Ms. Walters and Ms. Totten not only met the winners, but taught them the song, "Tomorrow" from the play, Annie.

First-place prizes went to Ashlee Doletzky, 9, Dexter, and Rachel Wagner, 6, Ypsilanti. They received star status with tickets to AACT's Annie. They were also given an Annie button to wear while they took

a trip backstage to mingle with the cast and have their picture taken with Annie and her dog, Sandy.

Second-place winners, Brian Koch, 10, Whitmore Lake and Jane Jackson, 7, of Ann Arbor, were also given VIP treatment. Their wonderful pictures not only earned them tickets to Annie, but a button to wear, plus a poster from the show, autographed by the cast and suitable for framing.

Other enjoyable entries could not be overlooked and were given "Honorable Mention" status. These pictures were submitted by: Betsy Hansen, 11, Ann Arbor; Rebecca Markovitz, 10, Ann Arbor; Stephen Doletzky, 7, and Katie Sinnott, 7, Dexter. Each received an Annie button to wear and a certificate for a job well done.

All entries were so beautifully done that each was deemed a "winner" by the cast and crew. In honor of their creativity, the artwork was placed on display at the Lydia Mendelssohn Theatre, Ann Arbor, during the run of the show.

If you're in the market for cotton clothing this spring and summer, you may see somewhat higher prices because of the huge demand and tight supply of cotton. Farmers had a record cotton crop last year, but demand has gone up even faster.

UPDATE ON TWO LOST DOGS

I received a call the afternoon of Sunday, May 7 from my neighbor, who in turn had spoken with a man who had been fishing out on Crooked Lake. He informed her that he had seen a beagle and a cocker spaniel against the shoreline.

My son and I went in the water about eight houses down and found them there. We brought them back home and buried them on our hill.

I just wanted to let the people know that we deeply appreciate all those who have been so kind. We are grateful for everyone who has been involved in this hunt since December 9, 1994, for the support they showed, for helping search for them, for all those who gave us numerous tips, and all the local establishments that let us leave our flyers.

Our unknown thoughts, hopes and concerns can now be put to rest.

Thank you all very much,

Dian McWhorter

Baccalaureate Service To Be Held June 7

The service will be in Chelsea High school's auditorium.

This year, the Chelsea Ministerial Fellowship is sponsoring a baccalaureate service as one of their joint activities in support of the community.

"One of the rich traditions of our community is a long history of baccalaureate services to thank God and honor our high school graduates," said the Rev. Wayne Hawley.

Although the service is not an official school function, the members of the ministerial Fellowship hope that there will be a large turnout to show our appreciation for the accomplishments of the Chelsea High school 1995 graduates.

Baccalaureate will be held on Wednesday, June 7 at 7:30 p.m. in the Prinzing Auditorium at the high school.

"Student participants, such as readers and singers, are being sought," the Rev. Hawley said.

The service is open to the whole community, and especially to the students and their families. Planning is now underway. If you have suggestions, please contact the Rev. Nathan Perkins at 475-1391, the Rev. Frank Giebel at 475-1404, or the Rev. Wayne Hawley at 475-7569.

CHELSEA KIWANIS CLUB entertained members of the police and fire departments Monday, May 1 in what has become an annual tradition. Club spokesmen say it is a way of showing appreciation for their dedication in serving the community. Members of the police department present were, front row, left to right, Scott Sumner, John Dettling, Chief Lenard McDougall, David Dettling, Marc Williams and Capt. Robin Wright; back row, from left, are Rodney

Schneider, Chris Minick, David Sprinkle and Matt Cole. Tech Expo Showcases Students in Future Learning Processes

North Elementary school is hosting a "Tech Expo" on Thursday, May 11 from 7-9 p.m. Various demonstrations plan to be shown, as well as upcoming attractions that will be implemented in all the schools if the \$45 million school bond is passed by voters on June 12. All grades within the Chelsea School District are being represented in the Expo.

"I think it will be beneficial for the public to see how we'll educate differently if the bond issue passes," said school board treasurer Janet Roberts.

Kindergarten, First Grade
Teachers Deb Holfka, Beth Newman, Francie Wheeler and various students demonstrate a fun and fantastic learning environment

where characters and objects come alive and bring a whole new dimension to storytelling. Laurel McDonald will conduct the storytelling demonstration of the Accelerated Reader program. Demonstrations will take place every 20 minutes starting at 7 p.m.

Second grade
Teachers Martha Piper, Marsha Hansen and Susan Harris are using a television and VCR as learning tools in the classroom. Hansen and Harris will be running programs on GS computers.

Piper will show how video-taping is used as a tool for improving reading expression and comprehension. An employee of Huron Camera is planning to be there to discuss the

future of video. He will describe techniques for enhancing amateur filming skills.

Third Grade
Marcia Quilter, Andrea Quimby and students will show how they put together a class newsletter and a video of multimedia project that was created by Mrs. Quilter and Lauren Williams. Student-created slides will be displayed to be used in combination with the Chris Allsburg books, which are being studied.

Fourth Grade
Suzanne DeVries and Rose McKenzie plan to demonstrate "Dinosaurs"—a CD-ROM program for developing non-fiction reports.

In the future, students hope to use

Let's Go Bulldogs!

Lady Bulldogs Track Team Win Captures First Place Ranking in SEC

The team's win over Saline on May 4 paved the way for the Lady Bulldogs to claim the top spot in the SEC.

Chelsea High school girls track team survived a difficult week with three wins last week, including back to back wins over Saline and at the Corunna relays.

"We don't like to run back to back like that because it's hard on the legs with so little recovery time, but we had to because of the rescheduled Saline meet," said coach Bill Bainton.

Fowlerville Quad

On Tuesday, May 2, the Bulldogs won a quad meet at Fowlerville with 102 points to 64.5 for Portland, 63.5 for Fowlerville, and 10 for Webberville. Although they didn't win many events, Chelsea's depth clearly showed with at least two places in 10 of the 12 individual events. Five places are scored in a quad.

Shanell McWhorter had her best long jump of the season, 14-9 3/4 to pace a 1-2-3 finish. Katie Spink was second, and Erin Hack third. Courtney Thompson won the high jump on fewer misses at 4-10 over teammate Chrissy Hodgson who also jumped 4-10, her best ever.

The Bulldogs had a near sweep in the discus as Heidi Wehrwein was second in 100-11 with Thompson third, Jessica Flintoft fourth, and Becca Burby fifth in her best of 85-6. In the shot, Wehrwein was second, Cindy Richard third, and Burby fourth.

Chelsea also took four places in the 100 hurdles with Jill McKinnon second with a career best of :17.2; Richard third in :17.4, her best; Keri Kentala fourth; and Emily Wineland fifth. Rachel Weirauch won the 100 in :13.1 with Rachelle Skelly fifth in :14.0, Jeannie Spink won the 1600 in :4:00 with Sarah Jedele third. Meghan Ziegler ran very well to win the 3200 in 12:50.0 with Jedele completing a difficult double with another third.

In the 400, Katie Spink was the only scorer for Chelsea taking third. Heidi Kennitz was third in the 300

hurdles with Keri Kentala fourth. Jennifer Space was fourth in the 800 with Sabrina Flannery fifth. Shanell McWhorter was third in the 200.

The 3200 relay of Space, Flannery, Ziegler, and Sarah Metzler was second, as was the 800 relay of Weirauch, Richard, McWhorter, and Katie Spink. The team of Jeannie Spink, Metzler, Kennitz, and Megan Smith was third in the 1600 relay, and Skelly, Kentala, Leigha Young, and Krystal Baird tied for third in the 400 relay.

First Loss For Saline

On Thursday, May 4, the Bulldogs moved into first place in the SEC by handing Saline their first league loss, 73-55.

"We set our priorities for the week on Monday, and the Saline meet was number one," Bainton said. "They were undefeated in the league having beaten defending champion Pinckney, and we expected a tough test. Our athletes rose to the challenge."

The meet was close, as expected, with the teams trading firsts; Saline winning seven events, to nine for Chelsea. The big key was a Bulldog sweep of all six places in the throwing events.

"We knew we matched up well everywhere but the throws where we felt we had a big advantage," Bainton said. "One of our goals was to avoid giving up any 1-2 finishes so we could make the most of that advantage. Saline did get one, the 300 hurdles, but Chelsea balanced that with one of their own in the 3200, so the 18 points in the throws was a major factor."

Heidi Wehrwein took a first in the shot at 30-11, with Cindy Richard second at 30-2 3/4, a season best, and Becca Burby third. Just for insurance, Kim Herrst was a non-scoring fourth. Courtney Thompson won the discus, with Jessica Flintoft second, and Wehrwein third. Thompson was a double winner as

she also took the high jump. The Bulldogs got a second and third in the long jump from Katie Spink and Erin Hack to build a 27-9 advantage in the field events.

Freshmen Jeannie Spink and Rachel Weirauch had a hand in the rest of Chelsea's firsts. Spink won the 1600 in 5:38.9 and the 3200 in 12:40.0 and anchored the 3200 relay of Jenni Space, Karen Pieper, and Meghann Ziegler to a win in a season's best of 10:21.7. Weirauch bettered a freshman class record while winning the 100 in :12.9. She also won the 200 in :27.2 and anchored the 400 relay of Sarah Schick, Keri Kentala, and Rachelle Skelly to an exciting come from behind win in :53.9.

Ziegler was third in the 1600 with a 5:55.3 and Pieper was second in the 3200, Chelsea's only 1-2 in the running events, in 12:50.3. Shanell McWhorter ran very well to add a third in the 200 in :28.6.

Cindy Richard was third in the 100 hurdles with her season's best of :17.3 with Jill McKinnon third. Katie Spink was second in the 400 at 1:05.1, Jenni Space was second in the 800 with a season best of 2:33.0, and Heidi Kennitz was third in the 300 hurdles in :52.7.

The win makes Chelsea 3-0 in the SEC, while Saline is 3-1. The Bulldogs ran at Dexter on Tuesday, host Tecumseh on Thursday, then wrap up the dual season at pre-season favorite Pinckney on Tuesday, May 16.

Corunna Relays

The girls track team won the Corunna Relays for the fourth straight year on Friday, May 5 — scoring 88 points to 75 for runner-up Frankenmuth. Owosso was third in the eight-team field with 70, edging Corunna who had 69.

Chelsea's throwers again played a major role as the Bulldogs won both the shot and discus relays. Heidi Wehrwein, Cindy Richard, and Becca Burby took the shot with a total of 93-8 and Wehrwein, Jessica Flintoft, and Courtney Thompson won the discus with a total distance of 283-3.

Thompson jumped a season best of 5-2 in the high jump as she and Chrissy Hodgson combined for a second place. Erin Hack, Katie Spink, and Shanell McWhorter had a difficult day in the long jump, but still managed a third.

In the running events, Heidi Kennitz, Cindy Richard, Keri Kentala and Jill McKinnon won the shuttle hurdle relay by .1 second in 1:12.2 with McKinnon running a strong anchor leg to hold off Corunna.

The 3200 relay of Meghann Ziegler, Karen Pieper, Sabrina Flannery, and Jeannie Spink had Chelsea's only other win as they too edged Corunna with a time of 10:31.7. Ziegler, Pieper, Spink, and Jenni Space finished second to Frankenmuth in the distance medley in 13:55.0.

The sprint medley of Kennitz, Space, Katie Spink, and McWhorter was third. Katie Spink, Rachel Schoenberg, Kentala, and McWhorter were fifth in the 800 relay and the 400 relay of Sarah Schick, Leigha Young, Rachelle Skelly, and Kentala was also fifth.

The Bulldogs wrapped up the meet on the next to last event, the freshman sophomore 1600 relay. A strong finish by Megan Smith, led the team of Smith, Schoenberg, Sarah Metzler and Erin Hack to a fourth-place finish which, combined with their nearest threat Owosso not scoring, put the meet out of reach.

CHELSEA'S GIRLS golf team was recently awarded the runner-up trophy in the Jefferson Invitational. Pictured are, front row, Lesley Davis; second row, from left to right, Erin Armstrong, Beth

Wagenschutz, Jessica Inwood, Liz Holdsworth; back row, from left, coach Cheryl Vogel, Meagan Williams, manager Julie Inwood and Corrine Foytik.

Freshman Softball Faces 3 Tough Losses

Freshman softball experienced a tough week in competition, losing a total of three games, one being a doubleheader.

The Bulldogs faced Bedford on May 2, losing 27-2 in the first game and 9-7 in the second.

"Wild pitching put us in a hole," said coach John Ruhlig. "The second game was much more competitive."

Emily Arend and Melissa Yektuis pitched for Chelsea. The leading hitter was Heather McKenzie with two.

The team packed their bags and headed for Monroe St. Mary's last Friday. It just wasn't their day as St. Mary's mercied the Bulldogs, 18-3.

"We're giving the team too many chances," Ruhlig said. "We need to work on defense."

The losses brings the freshman softball team record to 3-3. They played Plymouth-Canton on May 8 and face Tecumseh on Friday.

Golf Team Awarded Runner-Up Trophy In 12-team Tourney

Four golfers each attained personal best scores, either in regular competition or in tournament play.

Chelsea's girls golf team has had a busy couple of weeks. They played an 18-hole Jefferson Invitational tournament at Raisin River Golf Club in Monroe on April 28 and came home with the runner-up trophy among a field of 12 teams.

In each match, the top four individual scores are counted for each team. Lesley Davis led Chelsea with a 101, followed by Liz Holdsworth with a 105. Jessica Inwood shot a 112 and Erin Armstrong finished with a 114. Each team member received a medal in the tourney.

The team traveled to Ypsilanti May 1. The Lady Bulldogs snared a victory by 14 strokes, 213-227. Davis led the team with a 49 — her best for the season, while Holdsworth shot a 51 for her best. Inwood had a 54 and Armstrong shot 59.

On May 3, the team lost 219-205

to Ann Arbor Huron, and 219-193 to Ann Arbor Pioneer. Inwood had a personal best at 51 and Armstrong shot a personal best at 52.

Last Friday, the team played their second 18-hole invitational tournament at the Whitetree Hill Golf Course in Concord. Chelsea placed sixth out of 15 teams. This event hosted many of the best teams in the state. Chelsea's team total was 422.

Inwood led the team with a 98 — her best of the season in a tournament. Holdsworth and Armstrong each dropped their scores with a 103 and a 111, respectively. Davis shot a 110. Jackson Lumen Christi won the tournament with a total team score of 331.

"The team's scores keep improving each week," said coach Cheryl Vogel. Also playing on the team are Corrine Foytik, Beth Wagenschutz and Meghann Williams.

The team resumed play May 8 at Saline with Pinckney adding to the competition. On May 9, Chelsea goes up against Ann Arbor Huron and Howell at Huron. The Lady Bulldogs' next home match is Thursday against Saline.

Dexter, Tecumseh Prove Challenging for JV Softball

After beating a tough Ann Arbor Pioneer team and posting an impressive 11-1 record through their first 12 games of the season, Chelsea's JV softball team has dropped their last three games to challenging Dexter and Tecumseh teams.

After handling Ann Arbor Huron easily on Tuesday, May 2, Chelsea couldn't manage to put a strong Dexter team away on the rainy Thursday, May 4 game. The score was tied, 6-6, in the fifth inning, thanks to strong batting performances from sophomores Hilary Szczygiel, Jenny Paddock and Laura Hurst. Freshman Jessica Ritter added a two-run RBI homer in the fourth to tie the score. Despite a solid defensive game from Hurst, the Lady Bulldogs just couldn't seem to put together enough offense to pull out the win. Dexter won 15-7 in the seventh inning game.

On Monday, May 8, the team traveled to league challenger Tecumseh. Despite a strong defen-

sive game and some quick bats, Tecumseh beat the Bulldogs, 4-3, in the seven inning game.

The game remained scoreless through the first four innings, as defense was the key for both teams.

Beth Vogel was instrumental in center field, with four put outs and no errors, said coach Andrea Maines. Erin Longe and Katie Ricker allowed nothing by them as well. Sarah Pruess played a strong third base with three assists.

Chelsea bats came alive in the fifth inning with a single by Szczygiel, Hilary Spooner and a two-run RBI triple from Pruess. Chelsea took the lead, 3-0. Tecumseh responded with two runs of their own in the bottom of the fifth. The score remained, 3-2, going into the bottom of the seventh inning. Tecumseh responded with three hits and won the game, 4-3.

Melissa Bycraft pitched well, allowing only four hits and striking out two, while Szczygiel played

tough behind the plate, allowing only three stolen bases.

"The second game with Tecumseh proved equally as challenging," Maines said.

After opening the first inning with a home run by Pruess, hits by Carrie Williams, Bycraft, Szczygiel, Hurst, and Vogel, and scoring six runs, Tecumseh came back and scored seven. The Bulldogs just couldn't seem to put Tecumseh away as Tecumseh scored seven more runs in the next four innings. The Bulldogs only managed two more runs.

Pruess' bat remained strong as she went 3-4 with a single, a triple, and a home run. Szczygiel and Vogel each had two hits. Bycraft and Paddock each added one. Strong defense was played by Shannon Longe and Hurst. The Bulldogs lost the game, 14-7.

Chelsea's next competition is Pinckney at Beach Middle school on Thursday, May 11 at 4 p.m.

MARGARET SCHICK anchored the sprint medley relay team, which finished in first place in 2:04.3 at the Tecumseh Invitational May 5. Schick ran the 400-meter leg of the 100-100-200-400 medley race.

Boy's Track Team Places Fifth at Corunna Relays

The boy's track team placed fifth at the Corunna Relays on May 5. They competed against nine teams, with Corunna winning the meet with 106 points. Chelsea was in the middle of the pack with 64 points.

Adam Skyles, Eric McCalla and Tom Barkman placed fifth in the shot put with a distance of 117.4. Mark Hand, Dan Wehrwein and Peter Straub came in sixth in the long jump with jumps of 49-10. David Tracy,

Mike Alber and Chris Frayer claimed the No. 5 position in the pole vault, while in the high jump, Hand and Scott Hawley also placed fifth in 11-0.

Varsity Softball Team Wins Doubleheaders Against Milan, Lincoln

Chelsea played at Milan on Monday, May 1, defeating Milan, 5-1 and 9-3. Lisa Beard raised her record to 6-0, striking out eight, while Carey Schiller picked up the win in the second game, raising her record to 4-1.

In the first game the leading hitters were Carey Schiller and Nancy Pidd each with two hits. The only extra base hit came in the bottom of the first when Lisa Beard hit a double, driving in Schiller and Sara Petty, which proved to be the winning runs as Beard allowed only three hits and one earned run.

In the second game, Chelsea's offense went to work, driving out 13 hits and scoring nine runs. The leading hitters were Schiller with three hits, Martha Merkel and Charlotte Ziegler with two each. Ziegler and Merkel led the charge with two RBIs each, while Beard, Pidd and Kyle Kentala picked up one RBI.

"Strong pitching performances by Beard and Schiller, along with solid defense, proved to be too much for Milan to cope with," said coach Joe Beard.

triple, driving in two runs. Lori Ritter batted out a solo home run and Perry had two hits and scored two runs.

In the second game, Chelsea jumped out to a 4-1 lead. Then in the top of the fifth, Chelsea scored seven runs to break open the game.

Leading hitters Chrissy Vargo and Ziegler with two hits each. Kacie Ruhlig and Merkel had two RBIs. Schiller picked up her fifth win (5-1), allowing just three hits and striking out four.

Chelsea is now 12-1 on the season, 4-0 in the SEC.

The Chelsea Invitational was April 29. The winner of the tournament was Jackson Northwest.

Chelsea won the consolation game, finishing the day at 3-1.

Schiller pitched against Brooklyn Columbia Central and Trenton, winning both games, raising her record to 7-1. Beard pitched against Plymouth-Canton and Holt. Losing to Canton, 2-1 and winning against Holt, 9-1, making her record 8-1.

Offensively on the day the leading hitters were Kentala with six hits, two of them doubles. Schiller with seven hits, two doubles and a triple. Lisa Beard connected with seven hits, a home run, a double and seven RBIs. Pidd had six hits on the day, one of them being a triple.

Chelsea's record is 15-2 over-all and 4-0 in the SEC.

Skyles, McCalla and Kevin Kolodica placed sixth in the discus with throws of 304-2. The 400 relay team of Jim Irwin, Dave Tracy, Tom Irwin and Jason Scibor finished in the middle with a fifth-place finish in 47.6. Likewise in the distance medley, Josh Metzler, Jason Phelps, Ryan Schultz and Pat Flynn also placed fifth in 12:06.

The 1600 freshman-sophomore event ranked Chelsea in fourth place as Chris Dronen, Jake Hurst, Rob Frayer and Chris Frayer came in at 4:02. At the varsity level, the team of Peter Straub, Hawley, Kolodica and Dan Wehrwein came in at 3:34.5 for one of the Bulldogs two first-place finishes in the meet. Ziegler, Bryndon Skelton, Dronen and Wehrwein placed fourth in the shuttle hurdles in 1:09.5.

The 800 relay team of Jim Irwin, Kolodica, Tom Irwin and Hand combined for sixth in 1:38.9. The 3200 relay team — Hawley, Brown, Metzler and Wehrwein — added yet another victory under their belts, winning the event in 8:22.4. The sprint medley team of Skelton, Straub, Kolodica and Hand made an impressive finish in the meet, placing third in 3:34.7.

Relay Teams Walk All Over Saline, Boy's Track Wins 77-60

"This was a good team effort for us," said coach Pat Clarke. "Saline was a pretty good track team."

Junior Mark Hand won the long jump and anchored the two winning sprint relays to lead the Bulldogs. Junior Jim Irwin also had a career day, winning the 100 meter, 200 meter and leading off both winning relays.

Hurdlers Jeremy Ziegler, Bryndon Skelton, and Chris Dronen had a 1-2-3 sweep in the 110 high hurdles to turn the tide of the meet in the Bulldogs' favor. The Bulldogs are now 6-1 over-all and 2-1 in the SEC.

and Dan Wehrwein had their season-best time of 8:18.47 against Saline.

The Bulldogs dominated the 110/100 hurdles, with Jeremy Ziegler leading off at 16.54. He was followed by Bryndon Skelton and Chris Dronen at second and third, respectively. The Irwins sandwiched in Saline as Jim took first in the 100 dash, while Tom came in third.

Chelsea came back in the 800 relay to win it in 1:38.32, with Jim Irwin, Kevin Kolodica, Tom Irwin and Mark Hand contributing. Brown and Schultz each placed in the 1600 — Brown was second in 4:50.8, while Schultz came in third at 4:53.3.

Adam Skyles took third in the discus with a 103-4 effort and second in the shot put (40-8 1/2) for the only Chelsea scorer in both events. The Bulldogs dominated the long jump, sweeping it in 1-2-3. Hand jumped at 17-5 1/4, while Peter Straub finished at 17-3 1/2 and Dan Wehrwein rounded out the event at 16-9 1/4.

Scott Hawley scored for the Bulldogs in the high jump, clearing the bar at 5-6 for third. Chelsea got back into the thick of things, again sweeping another event — this time the pole vault. David Tracy, Rob Frayer and Mike Alber placed 1-2-3, with Tracy clearing 11 feet, and his teammates both succeeding at 10 feet.

Although Chelsea didn't win the 3200 relay, the team of Scott Hawley, Josh Metzler, Chad Brown

and Dan Wehrwein had their season-best time of 8:18.47 against Saline.

The Bulldogs dominated the 110/100 hurdles, with Jeremy Ziegler leading off at 16.54. He was followed by Bryndon Skelton and Chris Dronen at second and third, respectively. The Irwins sandwiched in Saline as Jim took first in the 100 dash, while Tom came in third.

Chelsea came back in the 800 relay to win it in 1:38.32, with Jim Irwin, Kevin Kolodica, Tom Irwin and Mark Hand contributing. Brown and Schultz each placed in the 1600 — Brown was second in 4:50.8, while Schultz came in third at 4:53.3.

Relays were still No. 1 as the 400 team — Jim Irwin, Dave Tracy, Tom Irwin and Hand — claimed another victory in 47.4. Hawley and Peter Straub were on each other's heels in the 400 dash. They came in 2-3 in :54.3 and :54.6, respectively.

Ziegler (:43.0) and Skelton (:43.4) took up hurdles in the 300, sliding down to second and third. Wehrwein (2:03.0) and Metzler (2:14.32) went for the 1-3 combination in the 800 run, while likewise in the 200 dash, Jim (:24.20) and Tom Irwin (:24.85) did the same.

The team of Hawley, Straub, Kolodica and Wehrwein kept up their winning streak in the 1600 relay. They completed their event in 3:44.0. The final score of the meet was Chelsea 77, Saline 60.

Beach Girls Track Team Defeats Pinckney, Loses to Tecumseh

On May 3, the Beach Middle school girls track team nearly overcame some tough breaks with fine efforts, but fell one point short to Tecumseh, 64-63. A top sprinter, McKenna Houle, suffered a groin injury in the long jump and was lost for the remainder of the meet. The subsequent substitution in the 800 relay resulted in a disqualification on the hand-off, both unfortunate turns.

In field events, Amy McCalla placed first in the shot put with a distance of 28-6, while teammate Megan Marshall threw a second-place effort of 28-5 1/2. Deb Postiff leaped 4-0 in the high jump for first. Second in the long jump was Katie Henry, with a third by McKenna Houle.

The 3200 run earned Deb Adams a first in 14:32. Jocelyn Temple added a third. Tina Wiese hustled in the 55 hurdles in 9.81 seconds to place in the No. 2 spot.

Margaret Schick (2:41.05) and Mora Arnold each won their races in the 800 and 100 meter, respectively.

Postiff again placed in her events—a third in the 1600 meter. Lindsey Brink added a second in the 400, while the 3200 relay team of Jessica Gillespie, Alix Ryder, Louisa Hubbard and Diane Richardson won in 12:14.29.

In the 200 hurdles, second and third ratings were earned by Katie Henry and Tina Wiese, respectively. Liz Menge finished second in the 70 meter dash in 10.75. Kim Tourou's efforts in the 200 meter were good for first in 29.34. Teammate Sarah Martin was right behind her and

claimed the third spot.

Placing first in the 400 relay was Marshall, Jessica Heaton, Menge and Arnold in 57.45.

On May 1, the girls faced a good Pinckney team. Their depth was evident as they took all four relays and the meet, 74-54, despite many good individual Chelsea efforts and best relay times.

Chelsea points were earned by McCalla and Marshall in the shot put. McCalla outdistanced the competition for first with 30-4, while Marshall was second at 30-5. Houle took first in the long jump with a leap of 13-10 1/2, while Henry earned a third.

Gillespie and Adams were unable to capture a first ranking in the 3200, used the 2-3 combination, respectively.

Wiese and Marshall placed second and third in the 55 hurdles. A first place finish in the 800 meter was claimed by Margaret Schick.

Postiff placed third in the 1600 meter as teammates Arnold and Brink (1:10.8) each won their races in the 100 and 400, respectively. Annie Bullock pulled into second and Sarah Martin into third to sweep the competition in the 400.

Henry and Wiese placed once again in the 200 hurdles—Henry took second and Wiese was third. Houle placed third in the 70 meter as Tourou earned another victory in the 200 meter in 30.0.

The team's next meet took place on Monday, May 8 against River Rouge and St. Thomas.

Tennis Team Splits Contests Against Jackson, Brooklyn

You win some, you lose some. Unfortunately that old wise tale came true for Chelsea's tennis team last week. The team lost to Jackson Lumen Christi on May 2, 7-0. But they rallied back and defeated Brooklyn Columbia Central last Friday, 6-1.

All the singles and doubles matches lost to Jackson. Nathan Butler, Dan Johnson and Scott Boughton each succumbed with the same scores, 6-4, 6-1. Ryan Chase recently moved up to the 1000 level, but lost 6-2, 6-3 in his matches.

Mike Bainton and Scott Hammell paired up in No. 1 doubles, losing 6-2, 6-2. O'Connor and Koenigter ended up in a tie, 6-4, 7-6, 7-3, but were unable to capture the victory. McDonnell and Valchine, likewise, weren't able to add a victory and lost 6-1, 6-0.

However, the tables were turned as the Bulldogs swept up the competition last Friday. Butler won 7-5, 6-3. Johnson and Boughton defeated their opponents, 6-3, 6-4. Ryan Chase was the only player to lose, 6-3, 6-3.

Bainton and Myers teamed up once again for the victory, 6-4, 7-5, as did O'Connor and Koenigter, 6-3, 6-1. McDonnell and Valchine completed the wins with an upset of 6-3, 6-3.

"Jason played his best match of the year," said coach Rahn Rose. "He was down 4-2 in the first match, but came back to win it. It was a pretty good comeback."

The match against Monroe Jefferson on May 4 was rained out. Rosentretre said he didn't think the meet would be rescheduled due to the shortness of the season.

The tennis team is very busy this week with four matches against Carleton Airport, Ypsilanti, Howell and Dexter.

SHERIFF'S REPORT

Webster Township

Assault and Battery
Assault and battery was reported in the 9800 block of Old Hamburg Rd., May 2. A 33-year-old Hamburg man told police he was beaten by a man living in the area, April 14 between 6:30 p.m. and 7 p.m., after the man saw him beat his own dog for jumping out of his truck. The victim said the man confronted him about the incident and then assaulted him by punching and kicking him. He said the man kicked him in the leg and he fell and then the suspect kicked him some more and hit him. The victim said he was taken to the hospital by his friend and had corrective surgery on his broken ankle four days later at McPherson Hospital.

Livestock Kill

A 41-year-old township woman told police two dogs attacked her rams, killing one and badly injuring the other, in the 7500 block of Walsh Rd., April 27. A witness reported seeing one dog standing over the dead animal. The dogs reportedly belong to a neighbor living in the 7900 block of Walsh Rd. Both dogs are Rotweilers. The ram they allegedly killed is valued at \$110. The dogs were photographed on the woman's property as evidence.

Sylvan Township

Drunken Driving
A 45-year-old Grass Lake man was arrested for operating a motor vehicle under the influence of liquor on westbound I-94 near M-52, April 27. Police were dispatched after a Gregory man called 911 on his cellular telephone to report a hazardous driver. The witness followed the suspect until police arrived. When the man was stopped by police, it was reported that he smelled heavily of intoxicants, had watery and glassy eyes and slurred and confused speech. Beer was confiscated from his vehicle and he was cited for refusing to take a preliminary breath test. Police later obtained a search warrant to have his blood drawn at the hospital for a blood test. Pending the results, the man could face drunken driving charges in court.

A 41-year-old Chelsea man was arrested for operating a motor vehicle under the influence of liquor on Sylvan Rd. near Old US-12, May 1. Police were initially dispatched to the area for a call of a person slumped over the wheel of his 1991 GMC Sierra. When police arrived at 12:34 a.m., the man's vehicle was running, his foot was on the brake and he had a beer in his hand. The man admitted to consuming eight to 10 beers prior to driving. His last drink was reportedly at the Aura Inn in Pleasant Lake. The suspect failed several field sobriety tests. His blood/alcohol level was tested at .21 percent, which is more than twice the legal limit.

Dexter Township

Malicious Destruction of Property
Malicious destruction of property was reported in the 9900 block of Algonquin Rd., May 1. It was reported that anti-freeze was poured in the gas tank of a 1982 Chevy pick-up truck, causing \$300 in damages. The man who reported the incident said it is the second time this has happened. He said he noticed the anti-freeze in the fuel line after running the engine and hearing a back firing noise. He said he checked the fuel line and discovered an unusual coloring and fluid bubbling.

Larceny

Larceny was reported in the 6100 block of Green Ct., May 2. A 37-year-old township woman told police two rings and a gold bracelet valued at \$1,114 were taken from her home. She said the jewelry was last seen April 27, just before her son had friends over and she held an open house.

Illegal Entry

Illegal entry was reported in the 13800 block of Edgewater Dr., April 27. A 41-year-old township woman's 1989 Dodge Daytona was repossessed by City Recovery and Adjustments of Pontiac, but police report employees illegally entered the woman's garage to take her car. The woman's son initially called police to report three men were stealing his mother's car. Police stopped the suspected car thieves on North Territorial Rd. east of Mast Rd., then discovered they were repossessing it. The three employees, ages 20 to 23 and all of Oxford, said they had to punch the ignition to take the vehicle because it is an older model and the recovery card said there was no key available. The workers were reprimanded for not notifying the sheriff's department prior to repossessing the vehicle. The case will be sent to the prosecutor for possible illegal entry charges.

Assault and Battery

Assault and battery was reported in the 8800 block of Stoneyfield Rd., April 28. A 25-year-old Pinckney man told police a 68-year-old Chelsea man attacked him on a work site because he was making a mess and delaying work. The Pinckney man is an electrician, who said he was doing work around 9:30 a.m. when the suspect, a carpenter, began to shout and swear at him for making a mess with drywall pieces and electrical wiring. He said the man shoved him and then the suspect's son stepped in and also ordered him to pick up the mess. The victim said he complied and left without doing further work. When interviewed by police, the suspect said he politely asked the electrician to pick up his mess, but said the man basically told him to do it himself. He said the electrician tried to leave and he blocked the doorway, but never touched him.

Track Team Wins Three at Fowlerville

"We had a good day over-all," said coach Pat Clarke. "Senior Dan Wehrwein won the 800 meter run and anchored two winning relays to lead the Bulldogs."

Chelsea's boys' track placed second in a quad meet with 95 points on May 2, with Fowlerville seeded against Portland, Chelsea and Webberville. Each event was scored to five places, except for the relays.

Mark Hand placed fifth in the high jump, clearing the bar at 5-4. Chelsea didn't score again until the discus. Adam Skyles was the only Bulldog to enter into the top five in second at 116-11. Junior Dave Tracy won the pole vault as daylight was failing to win the meet. Sophomore Mike Alber had a season's best 9-6 in the pole vault.

The Bulldogs, usually the favorite in relay events, were only able to take firsts in the 3200 and 1600. In the 3200, Wehrwein, Josh Metzler, Chad Brown and Scott Hawley finished in 8:28.659, while Peter Straub, Kevin Kolodica, David Tracy and Wehrwein took the top honors in the 1600 in 3:39.307.

Jim and Tom Irwin went head to head in the 100 meter dash, with Jim winning the event in :11.49. Tom, though on his heels, finished fourth in :11.81. Brown (4:51.234), Schultz (4:52.465) and Brian AtLee (4:55.301) went 3-4-5 in the 1600 meter run. Hawley (:54.58) came in second in the 400 meter dash, while teammates Straub (:55.132) and Kolodica (:55.85) took up the reins at fourth and fifth, respectively.

The Bulldogs hurdlers had another fine performance as Bryndon Skelton (:42.23) and Jeremy Ziegler (:42.55) ended up second and third in the 300 meters. Besides Wehrwein placing first in the 800 run, his teammates—Hawley (2:08.642) and Metzler (2:12.378)—earned additional points for Chelsea by placing second and fourth, respectively. In the 200 meter, sprinter Jim Irwin (23.54), Hand (:23.93), and Tom Irwin (:24.40) finished in the 2-3-4 combination. Rounding out the day's events, Brown (10:47.688) and AtLee (11:09.57) came in at second and fifth, respectively.

The Bulldogs are 5-1 on the season.

Ministerial Fellowship Sponsors Summer Slow-pitch Softball League

Another community activity of the Chelsea Ministerial Fellowship is the sponsorship of a local slow-pitch softball league.

"Old mitts are being taken off the hooks," said the Rev. Wayne Hawley. "Rookies are now being recruited and trained."

The first game of the season will be June 1 at 6:30 p.m. Games are played on various local fields. Games will be held on Thursday nights at 6:30 p.m. through the end of July.

This slow-pitch softball league is co-ed. No team may field a team of more than seven males. Players must be 14 years old by September.

There is no upper age limit.

"The league has been in existence since at least 1986," Hawley said.

In the past, teams have been fielded by Dexter United Methodist, First Assembly of God, St. Paul's United Church of Christ, St. Mary's Catholic, Chelsea Free Methodist, First United Methodist, North Lake United Methodist, Zion Lutheran, Chelsea Christian Fellowship and Immanuel Bible church.

If you are interested in playing, or your church would like to sponsor a team, contact Hawley at 475-7569 or 475-9348.

THESE CHELSEA MEN were some of more than 40 from the area, and a total of 72,000, who attended the Promise Keepers Men's Conference at the Pontiac Silverdome on Friday and Saturday, April 28-29. The Promise Keepers, began in 1990 by former Colorado football coach Bill McCartney, is a Christ-centered ministry dedicated to uniting men of all race, culture, denominations and economics.

Through vital relationships and a commitment to Jesus Christ the Promise Keepers strive to become Godly influences in their world. In photo above are, first row: Dave Lang, Jared Bradley, Ron Schlegelmilch, Pat Hassett; second row, Mark Musolf, Marv Fischer, Mearl Bradley, Dale Kolodica, Andy Zeigler; back row: Brooks Cone, Mike Bowen, Randy Lane, Brian Schott.

Area Residents Graduate from Concordia College

Three area residents were among 132 students to graduate from Concordia College May 6.

Joan Hoffman, of Dexter, Susan Kamenek of Pinckney and Wendy Wood of Gregory earned bachelor's degrees from the college.

The commencement address was delivered by Congressman Dick Chrysler of Michigan's 8th District. Chrysler was elected to his first term in the U.S. House of Representatives in 1994.

During the ceremonies, Donald Kell of Ann Arbor received the college's Christus Primus award for Christian service. Kell recently retired from his position as executive director and superintendent of schools for the Michigan District of the Lutheran Church—Missouri Synod.

Tony Bowen Gets First Hole-in-One Monday Afternoon

Monday was Tony Bowen's lucky day.

The retired avid golfer hit his first hole-in-one at the Inverness Country Club golf course. A friend of his, Glenn Hunter of Redford township, joined up with Bowen on the golf course and they played together for the remainder of the course.

Bowen used a No. 5 wood-club for the treasured shot. The hole-in-one was played on No. 7, par three. The No. 7 hole is 171 yards in length.

Bowen said he was thrilled and very excited with the hole-in-one and proudly told everyone at the Pro Shop after the game.

Building Restoration Specialist To Address Historical Society

Ted Micka will be the featured speaker at the Waterloo Area Historical Society annual Membership Meeting on Sunday, May 21 at 2 p.m. at the First United Methodist Church of Waterloo.

Micka is well known and respected for his expertise in house and barn restoration, devoting his skill, energy, and innovative problem-solving techniques to each project.

Sought after as a speaker, Micka shares the slides of his work, accompanied by a narrative interspersed with wit and personal perspective.

The Historical Society Board invites the members and public to attend this annual meeting to get an update on Historical Society activities and programs, and to enjoy Ted Micka's presentation which will include slides of the restoration projects at the farm museum. (Micka is responsible for laying a stone foundation under the barn at the Waterloo Farm Museum, as well as beam and floor support in the farmhouse.)

The First United Methodist Church of Waterloo is located on Territorial Rd. at Parks Rd., in Waterloo Township. Admission is free. Call (517) 596-2956 for more information.

CHELSEA COMMUNITY HOSPITAL has been selected as a test site in Michigan for "Libraries as Gateways," a project sponsored by the United States Public Health Service to investigate ways to make health information from federal agencies more accessible to the public through libraries. Margaret Connors, left, manager of Library and Health Information Services at the hospital will administer

the project. Ms. Connors and Carole DeHart, Diabetes Educator/CPR co-ordinator, are shown here reviewing some of the materials received by the hospital for implementation of the project. The hospital plans to share the health materials with public libraries in its service area during the three months of the test period. Community members may call 475-4120 to request information by mail on a health topic.

Baton Corps Members Win At Miss Majorette Competition

Several Chelsea Baton Corps members won top awards at the Miss Majorette of Michigan Pageant April 22, at Oakland Community College Highland Campus.

The Miss Majorette of Michigan Pageant qualifies solo twirlers for the National Baton Twirling Association Nationals at Notre Dame in July. CBC teacher is Susan Usher.

Sarah Schwartz was awarded first-place in the Basic Skills Pageant for 7-9 year-olds. Stephanie Mitchell took home the 10-12 year-old Basic Skills title. The Basic Skills is an introductory to the Miss Majorette Pageant competition.

Sarah who also was a first time pageant competitor placed first in basic skills modeling, third in basic strut and third in solo which earned the title. Stephanie Mitchell also placed in all three events and earned her title.

Hillary Wiedmayer is the Intermediate Miss Majorette of Michigan. Hillary won first place in modeling, strut and solo which won her the title. Hillary will represent Michigan at NETA Nationals competing for the Intermediate Senior Miss Majorette of America title. Twirlers who entered the pageant for

strut, third in open modeling and second in basic skills pageant for 0-6 year-olds. Brittany won third place in the basic skills pageant in the 0-6 year-olds by earning first in open best appearing and second in open modeling. Brittany was also awarded "Miss Photogenic." Jenna placed fifth in the basic skills pageant in the 10-12 year-olds while earning third place in open solo.

Sarah Skyles was awarded first place in the Beginning Miss Majorette of Michigan Pageant in the 10-12 year-old division. She placed second in open solo, third in modeling, fifth in strut and fifth in Miss Majorette Solo.

Erica Bloomsaat also was awarded fourth in the Intermediate 10-12 year-old Miss Majorette of Michigan pageant.

Laura Roskowski won a second place in the Senior Intermediate Miss Majorette of Michigan. Laura is instructed by Patti Jankowski.

Jenna Haas and Shannon Weeks recently competed in a Twirlers Unlimited contest in Charlotte on April 29. Jenna placed second in Special Beginner Solo and third in Special Beginner March. Shannon placed third in Special Beginner March.

BABY BOTTLE TOOTH DECAY

From a dental point of view, nursing babies from bottles can cause problems. Dentally speaking—what's the worst thing you can do to a baby? Stick him in his crib with a bottle at nap time and let him fall asleep with the bottle in his mouth. Milk or juice in the mouth and on the teeth turns to acid and causes teeth to break down rapidly. Many babies who sleep with a baby bottle develop severe tooth decay, often in their front teeth. The problem is not the bottle but what's in it. The sugar in the milk, formula, or fruit juices causes the decay. Sometimes, these teeth become so decayed they cause severe pain and may break off or have to be pulled.

During the day, the baby swal-

lows these drinks quickly, so there is no damage to the teeth. But during sleep, the liquid pools behind the baby's teeth and keeps them bathed in sugar for hours.

One solution is to give baby the last feeding before bedtime. If your baby is still using a bottle when his teeth begin to appear, let him use it for short periods of time awake or sitting up. If he is using a bottle as a pacifier, put water in the bottle.

Chelsea Painters Art Fair, Sale Slated June 4-5

Chelsea Painters will hold their annual Art Fair on the grounds of the Chelsea Community Hospital and Chelsea Medical Center on Saturday, June 3, and Sunday, June 4, from 10 a.m. to 5 p.m. Area award winning artists will exhibit and sell original art including watercolors, acrylics, oils, prints, drawings, collages and cards.

A percentage of the proceeds will enable the painters group to award the Palmer Medical Scholarship. Since 1974, the Chelsea Painters have given more than \$11,000 to this fund. Last year the recipient was Ravi Vadlamudi from Chelsea, a medical student enrolled at Michigan State University.

The Chelsea Community Hospital Auxiliary will assist with refreshments and there will be entertainment by Marianne Murphy on both days.

This event will be held rain or shine and is open to the public.

GATHERED TOGETHER after their annual meeting, the Chelsea Painters marked a milestone as Madeleine Vallier retired as president after holding that office since 1984. Vallier has been with the Chelsea Painters since their beginning in 1967. Pictured members are first row, from left to right, Nancy Feldkamp, Nancy Michelson, Mary Sue Compton, Madeleine Vallier, Jane Farrell, Mae Hostetter, Pat Stebelton and Bob Carrigan; Willie

Eder, second row, from left, Martha Ceccio, Janice Stevens Botsford, Joyce Sysol, Donna Zagotta, Linda Kropf, Barbara MacKellar, Susan Falcone Jo Sauter; back row, from left, Ada Crispin, Delores Boos, Winnie Ramfjord, Lou Galan, Sherle Stofflet, Sandy Knapp, Maxine Newton, Alice Swainson and new president Bill Knudstrup. Middle School Boys Track Team Improving, Unable To Gain Victories

Beach Middle school boys track team had a tough time against Pinckney, 91-46, and Tecumseh, 89-44 last week, but showed signs of improvement across the board.

In the Pinckney meet, Ruhind (11:59.5) and Groesser (12:52.4) placed 2-3 in the 3200. Stretching in the 55 hurdles was Sawdard, coming in :10.6 and teammate Reynhoys

third in :11.2. The Bullpups were unable to score in the pole vault, and the 800, 1600 and 3200 relays. Hack and Freeman went 2-3 in the 800 run; Hack coming in at 2:31.5 and Freeman at 2:35.4.

Seward ended up second in the high jump at 5-2, while Holloway was third at 5-0. Kolodica was the only Bullpup to score in the 1600, a third in 5:44.7. Holloway came back in the 100 dash, taking first in 12.9 seconds. Seward also improved, this time in the 200 hurdles in 30.9 seconds.

Helms claimed the No. 2 spot in the shot put, with a throw of 33-5 1/2 as his teammate Bollinger was third in the 70 dash in :10.08.

Stieber rounded out the individual events with a third ranking in the 200 meter, coming in at :29.29. The 400 relay team shut out Pinckney by two seconds in :52.7.

The highlight of the week was at the Tecumseh Relays. The Bullpups competed against 12 teams and finished eighth over-all.

"This was a marked improvement over last year's performance where the Bullpups failed to score a single point," said coach Dave Jolly.

This year's squad scored 18 points behind the outstanding efforts of Mike Holloway and Dan (Continued on page 21)

Beach Girls Track Brings Home Runner-up Trophy from Tecumseh Relays

The beach girls track team culminated a busy week with a fine effort at the Tecumseh Relays Friday night. In the 12-team invitational, they finished second to Pinckney by a three-point margin, earning them the team runner-up trophy and medals or ribbons for seven of their nine entries.

Earning first place medals were the long jump team of Mora Arnold and Katie Henry with personal best jumps of 14-3 and 13-11 1/3, respectively.

The shuttle hurdle team of Tina Wiese, Megan Marshall, Karen Kuhl and Henry also earned first with a fine 1:06.4 effort. They were followed by the winning combination of Arnold, Lisa Zimmerman, Kim Touroo and Margaret Schick in the sprint medley relay with 2:04.3 in the 100, 100, 200 and 400 meter combination.

The distance medley team of Arnold (65, 400 meter), Touroo, Zimmerman and Lindsey Brink earned second-place running very well in the 400 meter, 200 meter, 200 meter, and 400 meter entry.

The shuttle hurdlers again combined this time in the 800 relay, and the team of Marshall, Wiese, Kuhl and Henry placed third in 2:04.1.

The high jump team of Karla Dettling (4-6) and Deb Postiff (4-0) combined for a fifth place tie in the 12-team field.

The evening concluded with the team of Schick, 800 meter; Jessica Gillespie, 400 meter; Annie Bullock, 400 meter; and Diane Richardson, 1600 meter, running to a sixth-place finish.

The 400-relay team of Katie Dixon, Jessica Heaton, Lauren Turok and Heather Kemnitz just missed scoring, as did the relay entry of Amy McCalla and Marshall.

"This was the first big meet for nearly all of these girls and it was exciting to see them rise to the occasion with such fine performances," said coach Ann Schaffner.

Contest Win Shaped Artist's Life

One little five-year-old girl's life changed when she won a coloring contest some 40 years ago. The Standard had sponsored the contest, in which Chelsea resident Jane Farrell won the first prize award — a newsprint tablet and a big box of crayons.

"It was the best gift I've ever received," Farrell said. "All I was interested in was coloring, drawing and painting."

The future water color painter quickly used up the tablet soon after winning the coveted prize. It has been the only award that Farrell has won to date. She said she can't wait to win another contest. If she won a prize in another contest, Farrell remarked that nothing else could compare to the joy she experienced that accompanied winning that tablet.

She continued to remain interested in art by taking classes in junior high and high school. From there she went to college, where she shifted her concentration to respiratory ther-

apy. Farrell worked as a respiratory therapist at Beyer Hospital in Ypsilanti for 10 years before she answered her calling to paint full-time.

"I don't miss working — except for the money," Farrell said. "I'm a starving artist."

Farrell is currently painting watercolors. She even has some notoriety in the community.

"I've had my work displayed in the Moveable Feast," she said.

Besides having the honor of her work being displayed in public, Farrell had a photograph of the old Glazier Stove Co. building made into blank greeting cards, which have been sold at Maureen's Bookstore in Chelsea. She also has been showcased in a three-person show at the Michigan League. Farrell said she would like to have her own show someday, but only time will tell.

She tries to adopt different styles of painting. She strives to have each one shown at a different angle, out of

context or bigger, she said. One of the pieces that Farrell is proud of is the six foot by three foot self portrait that she has completed.

"I'd like to paint a bigger one," she said, her eyes lighting up.

Like most painters, Farrell has studied the art. She took a watercolor painting course at Eastern Michigan University as well as a graphic arts and fine arts courses at Washtenaw Community College.

Alex Powers is her favorite artist over-all, while local painter Madeleine Vallier, former president of the Chelsea Painters, is her favorite local artist.

For now she enters the local juried shows, like the Chelsea Art Fair, to be held June 3-4.

"Most of the Chelsea Painters enter their work in the fair," Farrell said, who is one of the group's members.

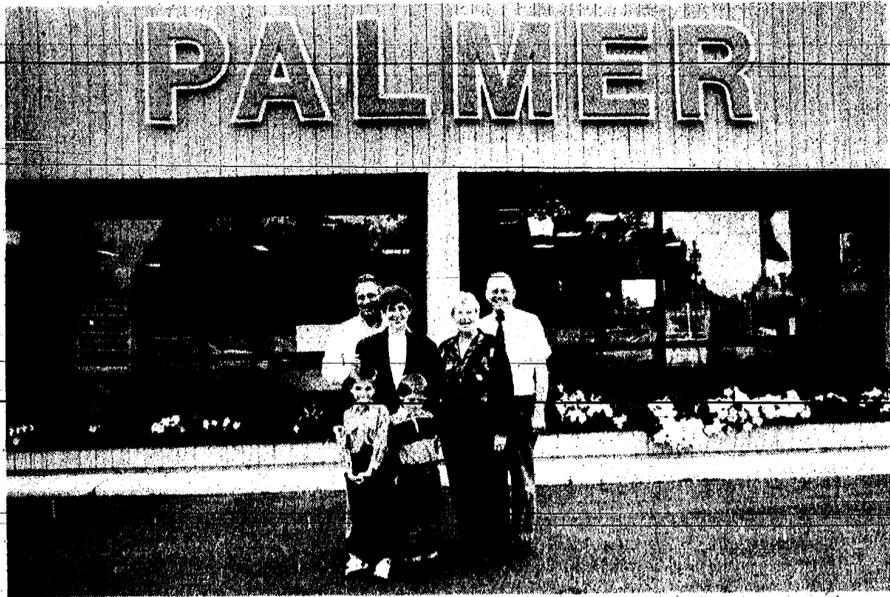

She does emit one small ounce of advice to would-be artists: "People should keep a sense of humor when painting."

WATERCOLORIST Jane Farrell poses next to an easel containing one of the paintings she is working on. She began her career after winning a coloring

contest nearly 40 years ago. Farrell took home a newsprint tablet and a big box of crayons as her prize.

Thank You 19

FAITH IN ACTION SAYS THANK YOU!
 Faith in Action offers our sincere thanks to all who helped in the success and presentation of our annual fund-raising dinner on April 29th. Chelsea Greenhouse provided lovely floral arrangements and corsages. Ron Yankowski and his courteous staff prepared and served delicious hors d'oeuvres and dinner. Tracy Dufek, Bekah Knight, Melissa Smith, Courtney Chamberlin, Cara Heitman and Melissa Clairmont entertained us with their exceptionally talented musical renditions.
 Dr. Tony England, a professor at the U of M and astronaut on Challenger 5, delivered a fascinating presentation on "The Future of Humans in Space." His exciting slides taken from space added to the enjoyment.
 We are also grateful to the following for donating door prizes: Chinese Tonite, Cleary's Pub, Common Grill, Cole Funeral Chapel, Cousins Heritage Inn and the Purple Rose Theater.
 Most of all, we are appreciative of each of you who attended. Through your generous support, Faith in Action was able to assist over 8,000 individuals last year. In their name, we thank you!

Freshman Baseball Increases Record to 6-4, With Wins, Loss

Chelsea freshman baseball split a doubleheader at Saline on May 2, losing the first, 14-2 and winning the second, 8-7.

Scott Basar and Tom Holdsworth each traded off pitching duties in the first game. Each leading hitters had one hit each. Rob Ellis and Adam Schaper led the troop. Basar connected with a triple and an RBI, while Don Reilly homered, batting in a run. Nate Cooper also contributed a double to the outcome.

In the second match-up, Chelsea turned around and narrowly escaped with the victory. Ryan Hubbard struck out nine and walked three for an impressive performance. Leading hitters were Ellis with a double and an RBI. Basar connected for two hits and added two RBIs to his docket. Chris

Seward. These two young men combined their efforts in the high jump clearing 5-6 and 5-3, respectively.

Both these athletes rank among the top in the area, Jolly said.

The other top finishers for the Bullpups were fourth place finishes in the 400 meter relay and the distance medley relay. Dan Seward, Aaron Mantero, Mike Lindner and Grant Bollinger ran an outstanding 400 meter relay in :54.0. Brian Groesser, Mike Holloway, Drew Henson and Aaron Montero combined for a 2:58.1 finish in the distance medley.

Seward (5-4) and Holloway (5-2) again teamed up in the high jump for a 2-3 combination. Skelton managed to slip in for a third in the long jump with a leap of 15-5. Scheffler and Helms each placed in the shot put, with Scheffler ranking second with 34-0, and Helms distancing in at 31-11 1/2.

Kolodica and Hicks ran 12:42.48 and 12:44.83 in the 3200 for second and third, respectively. Seward stayed in the No. 2 spot in the 55 low hurdles, coming in at :9.35, just 8/10 of a second behind first place. Hack came within one-hundredth of a second in the 100 meter dash for third in :12.28. In the 800 meter run, Groesser (2:25.43) and Hack (2:31.38) sandwiched in Pinckney, taking first and third.

Rourke Skelton, in turn, was the sandwich filling coming in second in the 200 meter in :30.71, while Holloway (.9.16) and Freeman (.28.66) each won their races in the 70 meter and the 200 meter dash, respectively.

The next home meet was May 8 at River Rouge/St. Thomas. The teams gears up to face Saline on Wednesday at 4 p.m.

Sylvan Township Board Proceedings

Regular Meeting
May 2, 1995

The regular meeting of the Sylvan Township Board was held May 2, 1995 at 7 p.m. in the Sylvan Township Hall, 112 W. Middle Street, Chelsea, Mich.

The following board members were present: Supervisor Dresselhouse, Clerk Koch, Treasurer Pearsall, Trustee Heller and Trustee Lesser.

Also present were Sharon Roberts, Stewart Stetson, Michael Centofanti and Charles Burgess.

Minutes were approved as presented.

Motion by Pearsall, supported by Lesser, to pay bills as presented. Carried.

Zoning Inspector Charles Burgess reported 7 permits and 5 violations were issued in April.

Supervisor Dresselhouse reported that the Drain Commission will attend the May meeting of the Planning Commission to give a brief presentation, also a need for a contract for the Snow and Ice removal at the Recycle Bins was discussed and approval was given to the Supervisor to receive bids for the upcoming year on both sites and a signed contract before snow and ice removal begins.

Clerk Koch reported on the District Library. A map of the boundaries was shown and a discussion followed. There are 5 municipalities involved in the forming of this District Library, they are Dexter, Lima, Lyndon and Sylvan Township and the Village of Chelsea.

The process from here is as follows: the District Library Planning Committee presents a District Library Agreement to the Municipalities asking them to join. The Municipalities sign

the Agreement. The District Library decision goes on the August Primary Presidential ballot. Residents vote yes if they want the municipalities to join in the District Library and be assessed a millage. Residents vote no if they do not want to join and be assessed. The outcome is if 2 of the 5 municipalities vote yes by majority and the Municipalities have all signed the Agreement; all 5 municipalities will be included in the District Library and be assessed a millage, even if a certain Municipalities majority voted no. Therefore, this Board is requesting a Petition per State Statute be submitted.

Motion by Heller, supported by Koch, to set the Spring Clean Up Day for Saturday, May 20, 1995 at Jim Kalmbach residence, 476 Pierce Road, from 8 a.m. to 5 p.m. A bin will be located on site for collection. There will be an ad placed in The Chelsea Standard for notification.

Motion by Heller, supported by Lesser, to issue two driveway permits on Spruce Run to Stewart Stetson according to submitted plans and placement of 2 culverts. Carried.

Motion by Lesser, supported by Koch, to respond to the Clean Water Action that this Township is not interested. Carried.

Motion by Heller, supported by Pearsall, to appoint Linda Hahn to the Zoning Board of Appeals whose term will expire in January 1996. Carried.

A roll call vote: Heller, Dresselhouse, Koch, Pearsall, Lesser all ayes; was taken to enter a closed session at 7:50 p.m. to discuss litigation. Session closed at 8:15 p.m.

Motion by Heller, supported by Lesser to adjourn.

LuAnn S. Koch, Clerk.

Dennis Turner, of the Jackson County ISD plans to teach how videos are designed, directed and produced by students, as well conduct an ongoing demonstration of video production techniques.

Gymnasium
Washtenaw Intermediate School District's High Point program will be using technology with exceptional children.

Complete Computer Connections will display and show the nuts and bolts of networking, for example, fiber optic cable.

Parker Pennington, of Blue Skies, plans to showcase an interactive on-line weather program created for students, allowing them to input local data in addition to receiving data from other students world-wide.

Jean Meconi will display various weather equipment and learning resources made possible by a grant from the Chelsea Education Foundation.

Cafeteria
Duane Moss, a Beach Middle technical education, displays models that have been created by students.

Sandi Graff plans to build a Geodesic Dome, while Eric Smith will show how machines are put together.

Paul Orselli from the Ann Arbor Hands On Museum plans to demonstrate hands-on science projects that students may complete in their science classes.

Sue Beard, who works in Beach Middle school's Media Center plans to show how PageMaker is used to produce the Beach School Yearbook, as well as demonstrate Follett program for the library/media center on-line catalog & circulation system; a program under consideration for automating the Chelsea School Media Centers.

EBSCO will set up periodicals on CD-ROM.

Letters were sent home to parents on May 8, detailing what they and their children can expect on this innovative night, said Barbara Locks, one of the co-ordinators of Tech Expo.

Letters to the Editor

To the Editor,
I have been reading with interest, recent articles regarding the proposed medical incinerator. It is evident that most of the discussion has centered around potential health risk of emissions. I believe another fundamental question must be answered before a decision can be reached.
Is a medical incinerator consistent with long range plans of the residents of Chelsea? Are we, as a community, interested in expanding our definition of industrial use to include heavy industry?
If a medical incinerator is built in this Village, we must also be prepared to respond to proposals from other waste handling operations, other types of incinerators, and/or heavy industry. These businesses are always looking for supportive communities. Are the residents of Chelsea willing to be recognized as one of the communities?
It is important that there not be a silent majority on this issue. If you have an opinion, express it! The Village Council must know how you feel about this issue so an informed decision can be made.
Douglas Denison.

Dear Editor:
This letter is written by The Committee to Support the R.E.A.D.Y. Campaign, a committee of concerned citizens who support the Chelsea School District Bond Proposal. The R.E.A.D.Y. campaign means:
R—Renovate North, South, Beach and Community Center (High School)
E—Educate differently
A—Add a new high school, elementary school and technology
D—Develop a financial plan
Y—Say yes to change!
Our slogan is "CHELSEA BOND—A SOUND INVESTMENT FOR THE FUTURE" and in this letter we explain why we think passage of this bond is a sound investment of our tax dollars and essential to the future of our community.
The passage of the bond would allow construction of a new high school and elementary school, renovate Beach Middle school, North and South Elementary schools and our old high school into a new community and administrative service center. A bond is the only way to build or renovate schools—by law, the money may not be used for operations, maintenance or salaries.
We believe that the bond is a sound investment because:
1. THE BOND IS AN INVESTMENT IN OUR CHILDREN'S FUTURES.
If we allow our children to attend elementary schools that are 150-200 students over capacity, if we allow our children to study in hallways and if we allow our children to go to schools that were considered "modern" 40 years ago but outdated now, then we will allow our children to enter their future unable to compete in a world-wide economy. With the

advent of computers and technology we have crossed the line where a small village like Chelsea could exist within its own boundaries and not worry about the outside world—those days are gone. We need to invest in the tools to provide the best education possible so our children can contribute their best to Chelsea and society. We can't teach 21st century ideas in 1950's schools.
2. THE BOND IS AN INVESTMENT IN OUR COMMUNITY
Good schools mean good communities. With this bond, we will invest in a school system and flexible community facilities of which we can be proud, as proud as we are of our homes, parks, shops and beautiful downtown.
North and South Elementary schools (built in the 1950's) and Beach Middle school (built in 1968)

Lit Cigarette Blamed For Man's Death

The man fell asleep while smoking in bed.
A man who had lived about six months in his apartment in Freedom township was killed in a fire in the early morning hours of May 2.
Walter Vacek, 30, was found dead by two residents in the apartment building above the Aura Inn Tavern, located at 11275 Pleasant Lake Rd. in Freedom township, indicate reports from the Washtenaw County Sheriff's Department.
Upon discovering Vacek by the door to his apartment at 2:57 a.m., the two residents took his body outside, where he was pronounced dead at the scene by deputies.
Sheriff's deputies said the blaze appeared to have started in Vacek's apartment.
Police and fire investigators have determined that the blaze was ignited when the victim fell asleep while smoking in bed. In his sleep, he apparently dropped the lit cigarette into his bed, starting the fire.
An autopsy was scheduled for May 5, whereas preliminary findings revealed that Vacek died from smoke inhalation.

will all be renovated. Plumbing, electrical and heating systems will be updated. Windows, doors and floors will be fixed and replaced. New technology will be installed district-wide. In addition, we will have a new high school and elementary school to remedy our overcrowding, which will continue according to the Stanford Survey Co.
We will save \$1 million by remodeling our high school into a community and administrative center rather than an elementary school. And it will pay for itself—users will pay the Chelsea School District for this space. This center will provide space for school administration, community education classes, business training activities, Washtenaw Community College classes, after-school activities, and for additional senior citizen programs. It will be a flexible space that will grow and change as Chelsea grows and changes. This center will educate not just our K-12 graders but will serve the education needs of all community members.
3. THE BOND IS AN INVESTMENT IN OUR HOMES.
For a home valued at \$100,000, the cost of this bond will be an additional \$300 in taxes per year—only 84 cents per day. People on a fixed or low income will possibly qualify for a Homestead Property Tax Credit—this credit could be worth up to \$1,200. As property values rise in the future, the millage rate on this bond will decrease.
Our property values are directly linked to quality of schools. It has been documented that in communities where the citizens have passed bond proposals and improved their schools, there has been a rise in property values. Prudential Hubbell Real Estate Co. recently did a survey of schools in the Lansing area and found that schools that passed bond issues realized a rise in property values. For example, Okemos and Haslett both passed bond issues in 1992 and property values increased 15.38% and 11.66%, respectively. In contrast, St. Johns and Grand Ledge did not pass bond issues during the same period and property values decreased 10.15% and 4.29%, respectively.
Our property values have reflected the Chelsea School District's past reputation for excellence. However, is that reputation still deserved with deteriorating facilities, outdated technology and overcrowding?
WILL THE PAYOFF BE WORTH IT?
Yes. The biggest investments we make are in our communities, our homes and our children. Let's protect that investment and vote yes.
The Committee to Support the R.E.A.D.Y. Campaign.

"ENGAGED"

Holy Shroud Exhibit Schedule Announced

The Shroud will be displayed May 15-21 at St. Mary's Parish Center Hall.

St. Mary's church of Chelsea is honored to host "The Shroud of Turin Exhibit" in its parish center hall, 400 Congdon St. The shroud will be displayed May 15-21.

From Monday, May 15 through Thursday, May 18, it will be displayed from 11 a.m. to 8 p.m. On Friday, May 19, the display hours are 11 a.m. to 5 p.m. On Saturday, May 20, the hours are 11 a.m. to 8 p.m. and the final day of the exhibit is Sunday, May 21. The hours for the final day are noon to 5 p.m.

The shroud is reputed to be the world's only life size reproduction of the Holy Shroud of Turin, which has for centuries been the source of worship and controversy.

The exhibit commemorates the shroud that has been kept in the Cathedral of Milan, Italy, since the Middle Ages.

Many believe it to be the actual burial cloth of Jesus Christ. St. Mary's church invites the public free of charge to come and see the evidence for themselves. The shroud will be exhibited in a factual, history-based exhibit featuring an actual sized transparency of the Shroud of Turin for the public's

examination.

The exhibit features not only a replica of the Holy shroud, but an historical interpretation of the Crucifixion of Christ, as reported in the Gospel of the Apostle of John. There is also a life-size replica of the Crucifixion, as well as over 100 photographs by Easman Kodak, charts and the results of scientific and forensic studies of the Shroud. An up-to-date sound video regarding the historical and scientific research presents an extraordinary enigma.

HOLY SHROUD EXHIBIT SCHEDULE	
May 15-18	11 a.m. to 8 p.m.
May 19	11 a.m. to 5 p.m.
May 20	11 a.m. to 8 p.m.
May 21	Noon to 5 p.m.

In 1978, 24 U.S. scientists and 22 Italian and other nation's scientists formed the STRUP-Shroud of Turin Project, providing the most extensive research and technology ever applied in

analysis of this Holy Relic. The video, "The Silent Witness," provides a synopsis of the results of this research and other scientific investigations.

This exhibit is based on historical and scientific research. It is truly non-denominational, unbiased and free to the public.

SCOTT HOLMES, president of the Chelsea High school junior class, also served as general chairman of the prom. His date for the prom was Sara Walters. Her duties included being chairman of the cafe committee.

ENJOYING A BREATHER from the excitement of the prom activities were Kendra Weld and her escort Damon McLaughlin. They found a bench next to the putt-putt golf course on the balcony of the gym. Between the refreshments, dancing, game room and strolling through a replica of Jurassic Park, party-goers were a busy lot.

PROUD FORENSICS COACH Bill Coelius congratulates Ana Morrell-Samuels and Tara Platt on a job well done at the state forensics tournament last week-end at Western Michigan University. Morrell-Samuels placed third in broadcasting, while Platt placed fifth in Storytelling among 96 schools and 393 entries.

Ana Morrell-Samuels, Tara Platt Place in State Forensics Tourney

Ana Morrell-Samuels and Tara Platt had a banner week-end at Western Michigan University as they placed in the state forensics competition. Platt earned a trophy for fifth in the state in the Storytelling division. Morrell-Samuels brought home a trophy for third place in the broadcasting category. Schools from Class A, B, C, and D entered the competition — in all 96 schools comprised 393 entries. Forensics coach Bill Coelius said one of Chelsea's finalists was in first place coming out of the first round. The competition included four preliminary rounds, one semi-final and one final round. The focus this year in the story-

telling division was medieval, legends or folk tales. Morrell-Samuels read the Russian Yuga Buga Boneyeap. Broadcasting is a timed event, Coelius said. Students have 30 seconds to prepare a five-minute news-cast, which includes a four-minute presentation plus a one-minute editorial. Most make notes and read from them, but not Morrell-Samuels. "She memorizes the whole thing," Coelius said. "That's one factor that makes her so competitive and why she's state-ranked." Chelsea is not unfamiliar on competing at the state level. The Bulldogs have won six state championships as a team, Coelius said.

Minors Cited For Alcohol Possession

Two men, both 20, were stopped by Chelsea police on May 6 after the driver fishtailed a left turn from Old US-12 onto N. Freer Rd. Chelsea police asked if they could search the vehicle. Upon investigation, the officer discovered two packages of Zig/Zag papers, one pair of hemostat scissors, one small marijuana pipe, one large marijuana plastic pipe, four 12-oz. unopened Bud Lite beer cans, and three 12-oz. unopened Molson Ice beer bottles in the 1991 Chevrolet S-10 pick-up truck. The alcohol was found under the driver's seat and behind the front passenger seat. The drug paraphernalia was found inside the front console between the driver and passenger bucket seats. The driver told the officer that the beer belonged to both men. The officer issued each a Minor in Possession ticket. The driver also was cited for No Proof of Valid Registration. He passed three sobriety tests and blew .079 percent on his first try on a preliminary breath test given at the scene.

BOB AND BECKY Brunton, of Eaton Rapids, are a vocal duet team who will host a concert at Mt. Hope Bible church on May 14 at 6 p.m. The couple, who has released eight gospel albums, pursues their musical ministry, which features the use of piano, synthesizer, violin and taped accompaniments as a full-time practice.

ROTARY CLUB MEMBER Dr. Frederick van Reese, left, recently sponsored the Rev. Dr. Lynn Spitz-Nagel to be a member of the Chelsea Rotary Club. Pictured with them is the president of Chelsea Rotary, Gloria Mitchell.

Lions Club Members Provide Service, Return Funds To Community

Some of the fundraising efforts support high school students and sight, hearing and physically handicapped persons.

Chelsea's 11th annual Senior Citizen Prom, to be held May 13 from 8-11 p.m. at Beach Middle school, is just one of the many service projects that Lions Clubs members participate in. Members commit to doing this annual project for the benefit of senior citizens in the Chelsea area. "Lions Club members provide corsages for the ladies, photographs and dance partners for single ladies," said Lions Club secretary Don Kvarnberg.

Another service project that the Lions Club have worked on is the Christmas in April project. Members recently roofed a house on Trinkle Rd. on April 29. During the summer months, Lions Club members brave the freezing waters and the cheering crowds who populate the dunk tank booth at the Chelsea Fair.

The group keeps busy year-round. Near the Halloween season, they put together a haunted house to try and spook those who dare to enter. In order to complete the many service projects each year, fundraising efforts are made possible by energetic club members. Some of the fundraisers include a White Cane Sale, a Christmas Candy Sale, and the aforementioned haunted house. Some organizations who benefit are the Chelsea Area Transportation Service bus and Faith in Action. The Lions Club also sponsor a Chelsea High school scholarship and sends students to Girls State and the World Affairs seminar. The group continues to assist to sight and hearing impaired as well as to physically handicapped persons.
