MRS. JOHN BAUER FATALY INJURED IN ACCIDENT

Automobile and Interurban Collision on Crossing Near Lima Center About Nine O'clock on Monday Evening.

Mrs. John Bauer was fatally injured, Mr. Bauer, her husband, and Miss Helen Bauer, daughter, were slightly injured when the automobile in which they were riding was struck by an eastbound interurban car near Lima Center about nine o'clock on Monday night. Mrs. Bauer died about 11:30 at St. Joseph's hospital at Ann Arbor. The husband and daughter were able to return to their home near Dexter on Tuesday.

Mr. and Mrs. Bauer and daughter had driven from their home about two and one-half miles southwest of Dexter to the home of Henry Clark, near Lima Center, on M-17. In leaving the yard of the Clark home it was necessary to drive across the interurban tracks before reaching the pavement. Mistaking the light of the car for that of an automobile, Mr. Bauer stopped his machine on the tracks, the crash coming a moment later.

Passing motorists took the injured persons to Ann Arbor, where Mrs. Bauer was found to be suffering from broken bones and cuts from glass which proved fatal shortly after.

Mrs. Christina Bauer was born April 16, 1872. Surviving beside the husband are three daughters, Mrs. Wilbur Trinkle of Lima, and Helen and Katherine at home; one son, Jacob, at home; her mother, Mrs. Jacob Haas, and brother, Edwin Haas of Dexter.

Funeral services will be held at the late home, near Dexter at 1:30 Friday and at St. Andrew's Lutheran church, Dexter at 2 o'clock. Rev. J. H. Kreuger officiating. Interment in St. Andrew's cemetery, Dexter.

STABLES WILL INTRODUCE WHOLESALE BUSINESS HERE

Wholesaling as well as retailing of gasoline and other petroleum products in the local territory has been initiated by Staebler Bros., who this week established Nathaniel Struble in this territory as wholesale agent. Mr. Struble continues in charge of the service station at the corner of So. Main and M-17 where a large retail business has been built up.

CHELSEA BOY MAKING ENVIABLE MUSICAL RECORD

The citizens of Chelsea have reason to take pride in the brilliant musical career of one of their citizens, Mr. Julius Niehaus, who during the past several years has been making a most enviable record not only in the State of Michigan but throughout the Middle West as concert singer and artist. Mr. Niehaus has lived all his life in Chelsea and vicinity and has on many occasions delighted local audiences. Several years ago he undertook the serious study of music and since that time has been a student of James Hamilton, formerly of Chicago, but now of Ann Arbor. Last summer after a season of study during which time he also served as soloist at the Olivet Methodist Church in Chicago and the St. Marks Episcopal Church at Evanston, he toured the Middle West doing Chautauque work. His concert numbers were of a high order and attracted wide attention. He visited hundreds of different communities and traveled many thousands of miles. During the past month he has continued his special study under Mr. Hamilton at Ann Arbor and has appeared frequently in concert appearances having been given in Adrian, Monroe and several times in Ann Arbor and other cities.

"Music News" of Chicago in referring to his Adrian appearance said, "Julius Niehaus, the basso, is a giant in stature and his voice reverberates with physical force. He appeared at his best in the aria 'The People That Walked in Darkness'. The forceful rendition given by him of the narrative against its onchaining background of weird harmonies being one of the enduring memories of the evening," while the "Musical Leader" of Chicago commented as follows: "Mr. Niehaus is the possessor of one of the finest of bass-baritone voices. He came before the audience a stranger and became a friend at the end of his first song," while at a later date the same paper said, "Mr. Niehaus gave a very fine reading of 'Even Bravest Heart' from Faust (Gounod) and displayed dramatic ability and power in his singing of 'Rolling Down to Rio' (German). Singers with such a voice as his find appreciative audiences."

Many other comments of like nature are found in the newspapers of the cities in which he has sung. It is, indeed, gratifying for his friends in and about Chelsea and for the public in general to know that one of their young men is accomplishing so much not only for good music, but in spreading the good name of Chelsea over the entire land.

Bread Has Individuality

It is only in the villages that bread has individuality, and it takes all kinds of individuals to make a world.

"Nothing But The Truth."

WILL OPEN GASOLINE STATION ON SATURDAY

Souvenirs and Special Favors Will Be Presented Motorists Who Call at New Location During Opening Day.

Announcement in another column of this paper of the formal opening of the Federal Petroleum Co.'s drive-in gasoline station on Saturday of this week marks practically the end of a period of transformation which the corner of South Main and Orchard streets has been undergoing for several months past. The oil company will have completed their building operations by this time and throw open to the public one of the most modern and efficient gasoline filling stations in the state of Michigan.

Beginning with razing of the old Baptist church site last fall, workers have been busily engaged remaking the corner into a veritable beach spot in the heart of Chelsea. Situated as it is near the business section of the village, and on state highway M-22, there is every reason to expect the public will readily respond to the appeal of quick service well rendered.

Souvenirs of special interest to motorists will be given to visitors on Saturday. L. E. Reade, the company's representative, will be in charge of the station, assisted by competent help who will endeavor to meet the public's needs in every respect.

LIFE-LONG RESIDENT PASSED AWAY WEDNESDAY

Entire Life-Time Spent in Washtenaw County—Funeral Saturday at St. Mary's Church.

Miss Margaret Savage was born in Sylvan, October 18, 1860, and passed away at her home on Congdon street, Chelsea, on Wednesday, May 14, 1924, following an illness of several weeks. She was united in marriage with James L. Wade, May 16, 1889, and had she survived two days longer she would have celebrated 55 years of married life.

Following their marriage Mr. and Mrs. Wade settled on a farm in Sharon, located on the Chelsea-Manchester road, where they resided until 1893, when they moved to Chelsea which has been their home since that time. Mrs. Wade was a lifelong member of St. Mary's church. Two daughters and three sons have preceded her in death.

She is survived by her husband, two daughters, Mrs. Michael Howe and Mrs. John Upson, both of Detroit, nine grandchildren, one great-grandchild, two brothers, Rev. Monsignor James Savage of Detroit and Michael Savage of Jackson, and a number of nephews and nieces.

The funeral will be held at 10 o'clock Saturday morning in St. Mary's church. Interment in Mt. Olivet cemetery.

ANOTHER CONVICT ESCAPES FROM CEMENT PLANT HERE

Arthur Young, alias Frank Pondrett, escaped from the cement plant barracks of the Michigan State Prison east of here just before noon on last Friday. This was the third escape from the plant within a week.

Young was sentenced from Ingham county March 29, 1924, to serve two to five years for the larceny of goods valued at \$25.

NEW DOG PICTURE CAUSES SENSATION

"The Love Master," the latest First National picture starring Strongheart, the wonder dog, and regarded by critics as being the best in which he ever appeared, will be the attraction at the Princess Theatre for 2 days, Wednesday and Thursday, May 21 and 22. As an added attraction there appears in the cast Lady Julie, Strongheart's wife, and the Strongheart quintuplets.

The picture was produced by Laurence Trimble and Jane Murfin, the discoverer of Strongheart, and was directed by Mr. Trimble, who also wrote the story. Lillian Rich, Harold Austin, John J. Richardson, Joseph Barrall, Walter Perry and Hal Wilson are among the players in the large cast.

The production has created a sensation wherever it has been shown because of a daring scene which Mr. Trimble has interjected in which the dog hero visualizes Death and fights it away from his young master in a physical battle. No apparition of any kind is used to visualize the "Dread Specter" for the audience, the effect of the scene depending entirely upon the dramatic ability of Strongheart.

OTTO HOME NORTHWEST OF CHELSEA BURNED

Entire Building and Contents Destroyed When Early Morning Blaze Was Discovered By Owners.

Awakened by what she thought to be a cat scratching on the door leading into their kitchen, Mrs. George Otto discovered the dwelling of she and her husband enveloped in flames early Friday morning. The Ottos reside on the Stockbridge road about three miles northwest of Chelsea.

Calling her husband and notifying him of the flames which were rapidly eating their way through the entire dwelling, Mrs. Otto, clothed in only her nightdress and barefooted, ran to the home of Mr. and Mrs. Wm. Birch, on the Lusty farm, and aroused them. However the fire had made such headway that it was impossible to save any of the house or contents. Mr. Otto escaped partly dressed.

Origin of the fire, which started between one and two o'clock Friday morning, has not been determined, and although insurance was carried, there is said to have been considerable loss.

SENIORS WILL PRESENT "NOTHING BUT THE TRUTH"

Comedy in Which a Young Man Endeavors to Tell Truth for Twenty-four Hours To Be Heard in Town Hall.

A rare comedy, in which a young man of rare truth-telling ability endeavors to tell "nothing but the truth" for twenty-four hours, will be presented before Chelsea audiences at the Town Hall on Friday and Saturday of this week by the Senior class of Chelsea high school. Elaborate preparations are being made to give what is expected to be one of the most successful stage events of the year in the local hall. No effort has been spared in the preliminary practicing, members of the cast entering enthusiastically into every detail which might make for better presentation. Orchestra music and between act specialties will also be on the program.

The play, "Nothing But The Truth," has been widely and enthusiastically received in theatrical circles, has been a part of chautauque programs for several seasons, everywhere meeting with hearty approval by audiences. That Chelsea Seniors will meet with the same results is the expectation here.

Formal Opening of a Novel Institution

On Saturday, May 17, 1924, our new Service Station will be formally opened to our many friends and patrons of Chelsea and vicinity.

The public at large is most cordially invited to call and inspect one of the most efficient and best constructed Service Stations in the State of Michigan. A trained corps of attendants will be on duty throughout the day. All motorists will receive a valuable souvenir without incurring obligation.

Location

Situated at the southeast corner of Main and Orchard streets, just a block from the congestion of the business district.

Building

Based on years of practical experience and as the direct result of months of intensive study, we believe that our building design and construction represent the last word in modernness, convenience to the public and operating efficiency. No expense has been spared in providing spacious driveways, easy approaches and ample clearances, so that heavy traffic can be served with utmost dispatch.

Equipment

The gasoline equipment consists of ten gallon visible power operated units equipped with positively automatic measuring mechanism, absolutely insuring correct measurement.

The lubricants will be handled through modern dust and dirt proof containers and approved measures, thus insuring clean oil and full measurements.

Crank Case Service

A thoroughly modern Lubricating Service pit has been installed in strict conformity with a design to provide complete safety and convenience to motorists and to attendants as well.

Draining of crank cases and greasing will be featured, a charge being made only for the lubricants used.

Air and Water

We particularly plan that all motorists shall have full advantage of clean, dry, filtered air for their tires and replenishment of water for their radiators. This voluntary service will be cheerfully and courteously rendered free of charge.

Safety and Cleanliness

Every device and method known for safety and cleanliness will be employed and rules pertaining to these important features will be rigidly enforced.

Comfort Station

For the convenience of the public and particularly for the ladies we have provided a completely and modernly equipped comfort station. Its conveniences are freely offered.

Merchandise

The well and most favorably known American Certified Quality Petroleum Products exclusively will be offered to the public. American Gasoline is safeguarded for purity, inherent goodness and efficiency through more than 130 separate and distinct tests during the refining operations. American Lubricants are of unvarying high standard of quality, being the products of an experienced and long established leader in the production of lubricants.

Service

Our conception of service embraces not merely the mechanical side of the question but also that indefinable human touch of sympathetic interest, courtesy and swiftness which leaves an indelible impression on both those served and the server. We shall always welcome constructive suggestions as to how this service can be improved.

Operating Policy

With a large field from which to choose we have selected Mr. L. E. Reade to assume full charge of the Service, he having been chosen to head the service staff because we have every reason to believe that he is experienced, capable and dominated by the sincere desire of rendering an efficient and highly meritorious service to the motorists of Chelsea and vicinity.

ST. MARY'S STUDENT WINS A FIRST PRIZE

Mary Eder, student in the 12th grade of St. Mary's School, won a first prize on her essay submitted during the contest. Her essay follows:

"IN THE HOUR OF TRIAL"

Washington and his men held Philadelphia in the year 1776. In 1777, Howe of England with an army, larger than the American army, took that city. Washington was forced to retreat back to the hills of Valley Forge. Valley Forge is located in Chester County, Pennsylvania, and because of the terrible winter the American troops spent there, it is one of the most important spots of history.

The soldiers suffered cruelly that winter. Their feet were bound in rags to keep them from freezing, and the paths traversed by the guards was covered with blood. Rude huts were constructed, but these afforded very little warmth from the cold winter winds. After the patrol had watched all night in the cold, they returned in the morning to find no breakfast set for them, or prospects of one, for that matter. Many died that winter of cold, hunger, and sickness.

America has always held just cause for regret on recalling that fatal time.

Washington had sent repeatedly to Congress for aid, and each time, because of the incompetency of the men in Washington, he was refused that assistance, which would have meant so much to him and his men.

This event is one cause why Washington is called "The Father of His Country," because of his thoughtfulness, and his kindness to his children. Like a father he stood by them in their hour of trial, when he could have had the comforts of home. He preferred the hardships, which his men had to endure. This instance, too, inspired in the hearts of his men, a deep respect and understanding, along with their common-interest at heart and common suffering, tended to bring peace and unity to the ranks of his soldiers, and gave them courage to fight on.

But in spite of the discouragements which met them at every turn, Washington and his men were confident that they would win out in the end. On that Thanksgiving Day, so long ago, when they had reached their destination in safety. Washington, who was a pious man, called all his troops together, and led them in a prayer of thanksgiving. Even when the world seemed dark and discouraging, the men seemed to feel that they would get through the winter safe.

After that year when the world seemed again to be brighter, Washington and his men with renewed courage, decided to take steps to force Howe to surrender. Howe and his men had gone to New York, while Washington followed cautiously, and at Monmouth, he attacked the British army. But for the shameful retreat of General Lee the Americans would have won then, as it was they were driven back to watch a second chance.

Washington kept at a distance and all through the next winter, he watched Howe's every movement. Finally Washington saw his chance and with the help of a French army, attacked Howe at Yorktown, October, 1781. After a short battle the British surrendered, leaving the way clear for our independence.

We are accustomed to think of the war in connection with our independence, as it was the result of a supreme effort of our people. It was done by a part, yes, the poorer part of our ancestors. They won that great struggle with hardships and suffering, which we must all endure to gain that worth while, and with the leadership of that great man, who we respectfully call, "The Father of Our Country."

Coats

Every coat must be sold this season right down to the very last coat. We started this season with a clean slate and we are determined to sell every garment again this spring. The stock is getting small but there are still a lot of most desirable styles left to select from. Mostly small sizes though. Prices are now cost and less in many cases. Don't delay.

Silk Dresses

This stock is being reduced to make room for new arrivals for summer weather. Prices on every dress in our entire stock reduced for quick sales. In many cases these prices are no more than the actual cost of the materials in the garment. Plenty of Betty-Wailes and other high grade dresses to select from.

Women's, Misses' and Children's Footwear

We have gone through our department and selected several lines of fancy pumps and oxfords and are offering special prices for this week.

We never have any but the most reliable, serviceable and satisfactory footwear in our department. Our shoes are never bought because of price. Quality, reliability and style are always the consideration when we desire to stock shoes. Women's oxfords and pumps in fancy cut-out styles, strap pumps and vici or calf oxfords. Special values at \$5.00, \$5.50 and \$6.00

Rugs

In buying rugs you cannot afford to disregard the quality. You should know that the rug is the product of a reputable maker. We stock no other kind. Our stock is larger than we have shown in years. Prices are lower for this week.

This Week Only

J & K pumps and oxfords, their latest styles and in their usual high quality. Same shoes are being sold in nearby cities at \$11.00 and \$12.00.

Special values this week in children's, misses' and growing girls' newest footwear.

Remnant Sale

Remnants of all kinds have been accumulating during this spring's selling. These remnants are now measured and marked very low, for quick selling, in many cases marked to ONE HALF the usual price. There are lots of short ends of curtain materials, wash goods, white goods and cotton goods of all kinds.

\$2.25

One lot of women's aprons, made of very best quality percale (fully as good as usually sold at 29¢ and 32¢ yard) furthermore the colors in all these aprons are absolutely guaranteed to be fast colors.

All Nations Marching to--

Earth's Perplexities of Today Marked in Prophecy

A great crisis is upon the nations of earth. Sensing the possible collapse of civilization, statesmen of the world are perplexed regarding the outcome. Perilous times, starting with laxity of morals and disregard for established laws, leading on to wars and revolutions, sometimes obliterating nations, are matters of history. New governments are established for the public good, and as there is more or less experiment these oftentimes are found to be quite unsatisfactory, and the people are bruised under them. Some wars or great calamities have been viewed as signs of the approach of the end of the world. Christians of all denominations have predicted that at some time the world would end. Bible prophecies speak of troublous times which mark some such period in earth's history. Many have thought that the world's end meant a literal burning of our earth. In such an event, the

reducing of the earth to a molten mass could hardly take place without knowledge of the people. Yet the prophecies imply that the events foretold would occur with man living in the midst of thielike, the Bible says.

The present seemingly unsolvable problems facing the leaders of the world indicate that we have reached that time in prophecy when the old order of things must give place to the new, a sired peace, liberty and happiness may come to the peoples of earth. Additionally, the prophecies foretell the fatality of human efforts, and show that the mal-practice of administration tends to obstruct the progress of the better day foretold in the Bible.

A lecture on "All Nations Marching to Armageddon," given

By M. M. SILLIWAY, V. D. M., of Jackson

under the auspices of the International Bible Students Association, seeks to show the meaning of today's events and to anticipate the future in the prophecies of the Bible. The lecture is

PERSONAL AND LOCAL

W. H. Benton of Jackson, is the guest of Chelsea relatives today.

George A. Runciman, who has been ill for several weeks past, was taken to the hospital in Ann Arbor Wednesday, where he underwent an operation.

Max Roedel of Detroit spent the first of this week at the home of his mother, Mrs. Alice Roedel. Mr. Roedel is making arrangements to open a drug store in Detroit.

Jay G. Pray, of Ann Arbor, who has filled the office of County Clerk for the last three years, is not a candidate for renomination on the republican ticket at the primaries in September. Mr. Pray's term of office will expire on January 1st, 1925.

A general registration of all electors in Sylvan will be held from June 1 to August 31. All electors, both male and female, should make personal application to the clerk if they desire to vote at the September primary or November elections.

Miss Doris Corwin, daughter of Mr. and Mrs. A. P. Corwin of Temperance, Michigan, will graduate from Saint Vincent's School for Nurses, in Toledo, Ohio, Friday evening, May 16. Mr. and Mrs. Corwin were former Chelsea residents.

Mr. and Mrs. George Winchell and family, of North Adams, Mr. and Mrs. Fred Whiting and son Edward and Miss Hazel Schultz of Ypsilanti, and Kline Sprague of Hillsdale were Sunday guests at the home of Mr. and Mrs. E. D. Brown.

The Banks of Washtenaw County have subscribed \$700 to the County Fair Association. Of this amount, \$200 will be devoted to special premiums on livestock at the fair. Winners of exhibits by boys' and girls' clubs in the county will receive \$500 of the fund.

Mr. and Mrs. D. C. McLaren entertained the officials and directors of the Keppel Commercial & Savings Bank at a six o'clock dinner Tuesday evening. Place cards symbolical of spring, and spring flowers were used as decorations and favors. Covers were laid for fourteen.

Mrs. Lydia Seeger spent the weekend in Jackson with her son Ed and family, and also attended the 50th anniversary of the Evangelical church. Her uncle, Rev. S. Heintger, of Grand Rapids, accompanied her home and visited his nephew, H. J. Heintger, Monday and Tuesday.

The Michigan Congregational conference will be held in the Masonic Temple in Charlotte Thursday, May 22. Two hundred and fifty delegates are expected to be in attendance. Edgar A. Guest, of Detroit, is the speaker and music will be furnished by the Olivet College Glee Club, college quartet and Congregational Sunday school orchestra. Clyde A. Fulton will be the song leader.

M. L. Burkhardt of Lima, has sold to Homer Brown, three acres of land on the corner of M-17 and Fischer road. Mr. Brown will erect a store and dwelling on the property at once. He will serve lunches and will also cultivate gladiolus. He has already broken ground for the building. He will take up his residence for the present at the home of Mr. and Mrs. Sherman-Pierce.

The state and county highway authorities during the past week have had a white strip painted in the center of the driveway on M-17. If motor drivers will observe the white mark and keep to their own side of the driveway, perhaps there will be fewer accidents in the future than there has been. The white mark ends at the Jackson county line but extends through Washtenaw to the Wayne county line.

George Fuller of Dexter township, met with an accident Saturday forenoon, at the intersection of Main and East Middle streets when, in making the turn from Main to Middle street, he steered his automobile into the boulevard lamp post in front of Kautlehner's store. The lamp post was broken in two places and all of the light bulbs and globes were broken. The auto was also considerably damaged.

HAGUE PARK WILL OPEN SATURDAY, MAY 17TH

Hague Park, "The Beauty Spot of Michigan" on Vandercreek Lake, is now more beautiful than ever. Grand Opening Saturday, May 17th. Everything will start Saturday and run until autumn.

All rides, including the New Whip, will be in operation on the Opening Day. Buildings, Grounds and the various concessions are in complete readiness, and the Park will present a most attractive appearance this season. The Ball Park promises to be a busy place during the coming months.

Many plans have been considered to make your outings at the Park far more attractive than ever before. Several features contribute to the popularity of beautiful Vandercreek Lake as an ideal place for recreation, rest and comfort.

Arrangements have been made for Fire Works, Balloon Ascensions, Band Concerts and many free attractions while Boating, Bathing and Fishing are unsurpassed.

There is ample parking space provided together with the convenience of a garage with a capacity of sixty cars.

MADE WORK EASIER

Chelsea People Are Pleased to Learn How It Has Been Done. It's pretty hard to attend to duties with a constantly aching back. With annoying urinary disorders. Doan's Pills have made work easier. So thousands have gratefully testified. They're for bad backs.

They're for weak kidneys. "Chelsea people gratefully recommend Doan's. Ask your neighbor. Mrs. E. Hoeker, N. East St., Chelsea, says: "I was in bad shape with kidney trouble brought on by hard work. There were times when I could hardly get about because of the sharp shooting pains across my back and many a night I was kept awake with my back. I was so dizzy I had to catch hold of something for fear of falling and I felt tired and nervous which interfered greatly with my work. I read about Doan's Pills and went to Freeman's Drug Store and got two boxes. After using them I was better."

SYLVAN BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the Township of Sylvan, County of Washtenaw, that the assessment roll of said township, as prepared by the undersigned, will be subject to inspection at the clerk's office in the Sylvan town hall, Village of Chelsea, on Tuesday and Wednesday, June 3 and 4, and on Monday and Tuesday, June 9 and 10, 1924, at which time the Board of Review will be in session from 9 a. m. to 4 p. m. of each of said days, at which time, upon request of any person who is assessed on said roll, or of his agent, and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment be just and equal. Such assessment, as reviewed and approved by said board of review, shall be the assessment roll of said township for the year 1924.

GEORGE W. BECKWITH, Supervisor.

Dated, May 10, 1924.

CHELSEA BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the Village of Chelsea, County of Washtenaw,

BREVITIES.

Arbor—The new motor bus between Ann Arbor and Farmington will be put in operation on May 15.

Washenaw—The Washenaw Club held its annual picnic on Tuesday, May 13, at the club house. A picnic dinner was served at noon. Good addresses were delivered at all seasons.

Arbor—The American Legion, school and citizens generally will be invited by the G. A. R. to a program of exercises and

decoration of graves of soldiers of the several wars, on Friday, May 30, at the cemetery.

Parma—County voters will have a chance at the next November election to decide whether or not the county will continue bovine tuberculosis eradication. It was decided at the meeting of the board of supervisors Monday afternoon.—News.

Stockbridge—The Ingham County Association, Order of Eastern Stars, will be held here on Thursday, May 22. The Organist and Worthy Patron

from Stockbridge Chapter will assist in the initiation. The Presbyterian L. A. S. will serve the dinner on that day.—Brief-Sun.

Stockbridge—This village has a new theatre which will be opened on three evenings of each week. The owners of the new play house are residents of Dansville.

Ann Arbor—Lawrence C. Otto, of Mountain street, was killed and Robert Cutter, 1111 Michigan avenue, and Worthington Mobus, 727 Oakland avenue, were injured about 1:30 Saturday morning when an automobile in which they were riding crashed into the railroad bridge on Whitmore Lake road, near the city limits.

Jackson—M17 will be built straight through from Butcher's crossing to Parma on the old territorial road. Separate grade crossings will be established where the road crosses the Michigan Electric railway track at Phillips and Chapel's crossings, and an overhead bridge will span the Michigan Central at Parma.—News.

Pineau—At the last meeting of the American Honorary Chemical Society, held in Chicago recently, Dr. Lucille McCuskey was one of the five members who addressed the meeting. Dr. McCuskey is a daughter of Mr. and Mrs. J. E. McCuskey, a graduate of Pineau High School, who has achieved national prominence in a remarkably short time in her chosen profession.—Dispatch.

Clinton—Thirty-two members of the fourth grade of the Ann Arbor public school, taught by Miss Hendrick, were brought to Clinton, last Friday by the Business Men's Exchange of that city. The children were being given a lesson in observation, and were taken through each stage of the work at the woolen mill. Later they were taken to the farm of W. H. Gadd, where they observed the shearing of sheep. Lunch was served the children by Mrs. Gadd.—Local.

Grass Lake—Mr. and Mrs. C. E. Babcock celebrated their 50th wedding anniversary, Wednesday, the 7th of May. They were remembered with a shower of cards and flowers and took a short wedding trip. Mr. and Mrs. Babcock are among our most estimable people and the news of their many friends in congratulating them and wishing them many more years of happy life.—News.

Clinton—A greater respect for the law and for the rights of pedestrians on the streets of Milan among the motorists of Milan and tourists coming through the town is urged, according to a statement issued by John Lawson, Village President, a few days ago. Local motorists are very careless about speeding through the village streets, and many are careless about driving at a speed of more than fifteen miles an hour past the school building where the children are liable to be playing around.—Leader.

Clinton—Word has been received in the city to the effect that Minnie & Ramsay have been awarded the government contract to furnish a building and equipment to be used as a postoffice in this city, and Minnie & Ramsay are making plans to immediately erect a building 42x66 feet on the south half of the former Hyde property. The present contract expires July 1, 1924, and if possible the new building will be completed by that time, although it is probable the date of occupancy will be some time later.—Review.

South Lyon—A stop-road ordinance recently adopted by the Oakland County board of supervisors and now waiting the O. K. of the Governor will require all motor vehicles to come to a full stop before crossing certain main highways of the county. Included in these stop-roads are the Grand River road and the Dixie Highway at all points in the county and certain other roads mostly in the southeastern section. The intersection at Highland-village where the Elizabeth Lake road crosses the Milford road is made a stop-point from all directions.—Herald.

Ypsilanti—The Ypsilanti township board and the Ford representatives, Wm. Gregory and Charles Newton, met at the town house Saturday afternoon with a large number of residents, and after many questions had been answered and the matter thoroughly discussed the board decided to close the Tuttle Hill road. The new road will be across the river from the Ward road to the south river road and the bridge will be built over the dam and the expense will be borne by the Ford Motor company. When the dam is completed the flats will be flooded. The cement road, however, will be kept open until the new roads and bridge are completed.—Record.

Saline—Friday night, George J. Klager, north of town, was awakened some time during the wee small hours by a noise in the vicinity of his poultry yard. He got up and switched on the barn light, the illumination going on so suddenly that one of the frightened two who were in the act of taking all of George's chickens, dropped his coat in his anxiety to get away from there as soon as possible, but not before they were able to take forty of the fowls with them. Upon examination of the coat a receipt was found which later led to the apprehension of the owner in Detroit, together with the coupe and truck the gang used in their operations. The captured one is in jail in Ann Arbor, but steadfastly refuses to reveal the identity of his pals.—Observer.

Chats With Your Gas Man

WHY are some gas bills higher than they should be?

Because the housewife uses the giant burner on her range, when a smaller one would do.

She lights two burners at a time, and then lets one of them wait while she is getting food ready.

She takes food off the fire and leaves the burner lighted.

She buys so-called gas-saving devices, without finding out whether they really save gas, although the gas company would tell her.

She uses the gas oven to heat the kitchen and to dry damp clothes.

She allows water and foods to boil furiously, instead of turning down the flame.

She uses a worn-out range, with burners out of adjustment.

She never cleans the burners of her range.

She uses larger cooking utensils than she needs.

She uses open vessels, which consume five times as much gas as closed vessels of the same size.

Jews Used Fireless Cooker

It is impossible to say exactly where the principle of the fireless cooker originated. It was known to the Jews many centuries ago, who used bags of feathers for insulation. Sweden is reported to be the home of the bag box, which was the immediate predecessor of the modern fireless cooker.

It's easy to understand why Staebler gasoline is more economical for any car. IT DOES give increased mileage. Yet it DOES NOT cost a cent more per gallon than ordinary kinds.

CHURCH CHURCHES

ST. MARY CHURCH
Rev. Fr. T. J. Fallon, pastor.
Low Mass at 8 a. m.
High Mass at 10 a. m.
Baptism at 11 a. m.
Mass on week days at 8 a. m.

METHODIST EPISCOPAL
Rev. O. S. Risley, pastor.
"It's not going to rain no more" so plan to be present Sunday. Mothers' Day was profitably recognized. Special music was fine.
We are going to try something different Sunday—"Three Great Affections." You will want to hear this. Our Sunday school is a "hammer." Everyone in your place. Our Children's Day program is in preparation. The evening service is as important as any other. Are you "A Then Some Christian?" Well, that is our topic, and if you do not know just what we mean, we'll tell you. Thursday evening is out! Church night, 7:30 and official board meeting follows. The slogan is "The Church First and God's Out-of-Doors Afterwards."

CONGREGATIONAL
E. L. Sutherland, Minister
Sunday, May 18th—
Morning worship at 10 o'clock.
Children's sermon, "A Sharp Bargain." Adult sermon, "The Power House of the Soul."
Sunday school at 11:15. Be present if possible.
Evening worship at 7:30. Song service and sermon, "Mirth and Feelsiness."
A man may conquer a great temptation and then fall before many little ones. Things need changing, and prayer changes them. Have you tried it? Our Sabbath days are quiet islands on the tossing sea of life. Make some church your port over Sunday. You are welcome at this church.

ST. PAUL'S CHURCH
E. H. Grabowski, Pastor.
English service every 1st, 3rd and 5th Sunday of the month.
German service every 2nd and 4th Sunday.
Sunday school all English.
Services commence at 10 o'clock.
Sunday school at 11:15.

Steel Withstands Earthquake
Steel and reinforced concrete withstood the earthquake shocks of Japan better than any other type of construction.

Improving Sugar Making
When sugar first was made from beets it took about twenty tons of beets to produce one ton of sugar; now it requires but six tons, the change being due to scientific production of the beets.
