### FUNERAL OF MRS. ELIZABETH FORD HELD AT HOME WED.

Mrs. Elizabeth Ford, member of the Old People's Home, passed away at the Home Monday afternoon, January 2, aged 78 years. Funeral services were conducted at the Home Wednesday afternoon by Dr. W. J. Balmer and Rev. F. I. Walker, and burial services were held in Adrian, where Dr. C. L. Norton, nephew of Mrs. Ford, conducted the services. Dr. Norton also officiated at the funeral service of Mr. Ford, who passed away November 22, 1923.

Mrs. Ford, whose maiden name was Elizabeth Alsbaugh, was born in Middlebury, Ohio, January 24, 1849. She was united in marriage with Frank P. Ford December 29, 1868, and they lived in Adrian and Kalamazoo for a number of years, coming to the Home March 9, 1918. She was a lifelong member of the Methodist church.

The only surviving relatives are a brother and sister-in-law, Mr. and Mrs. E. M. Alsbaugh, of Kalamazoo, who attended the funeral services here.

### FELLOWSHIP CLUB WILL MEET THURSDAY, JAN. 12

The regular monthly meeting of the Fellowship Club of the Methodist church will be held in the church parlors Thursday evening, January 12. Committees have been appointed and are busy arranging program, menu, etc.

While no speaker has been announced the program committee has let it be known there will be speaker and other numbers on the program which will make it well worth while attending. Ladies' night will be observed and scrub lunch supper will be served at 7 o'clock.

### AMERICAN LEGION MONTHLY MEETING TUESDAY, JAN. 10

The regular monthly meeting of the local American Legion post will be held Tuesday evening, January 10, at 6:30 at which time a banquet will be served. According to announcement, a five-piece orchestra will furnish music for the occasion and a Spanish-American war veteran will be the speaker.

Each Legionnaire is expected to bring a friend, and all ex-service men are invited. The meeting will be held in the Legion rooms above Kolb's restaurant.

### SCHOOL NEWS

The Chelsea High school boys basketball team lost a hard fought battle, last Friday evening to the Alumni. The game was one of the fastest contests played by the locals in quite a time. The old combination of Steger, Beach, and Fox, kept the C. H. S. from getting an early start and the Alumni led at the half 10 to 4.

The odds were too great against the High school to be overcome in the second half and the Alumni came out on the long end of a thrilling last half battle for victory, 21 to 15.

The lineup for C. H. S. was: Steger, Beach, and Fox, forwards; Steger, center; Meyer and Weber guards. Substitutions: Dancer for Fahrner, Fahrner for Sandeck.

The lineup for Alumni was: Fox and Beach forwards; Steger, center; Faust and Beach guards. Substitutions: Dancer for Fox.

Our girls had promised a victory on their part, and proofs were shown in the game last week. Matched against an extremely strong Alumni group the girls displayed the strength of the whole team. When the game was called both teams went into the contest with intense determination. The Hi girls took an early lead, and continued this throughout the first half.

As the second half opened, enthusiasm ranged high while the alumni girls tried to pull up their score. But the school girls continued the onslaught and refused to let up until the final whistle blew, with the finished score 14 to 10, the past stars suffering defeat. The girls aim to continue their winning streak and add another victory to their credit Friday night at Dexter.

Lineup: rt, Turnbull; lf, Steiner; c, Brooks; rg, Wheeler; lg, Hindelang; rg, Jones. Substitutions: White for Wheeler.

The preliminary contest was staged by the C. H. S. Reserves and the C. O. Class of the M. E. church.

The C. O. Class won after a hard fought game. The main cog in the C. O. C. offense was "Bert" White, a former C. H. S. star. However, he was closely watched by the Reserves and he failed to show any of his former ability. Alexander and Van Gieson, long shots failed to pile up many scores. At the first quarter the Reserves led by one basket. The second and third quarters ended tie. The C. O. Class were outplayed all through the game, but were lucky and managed to make a foul shot and a lucky basket in the last few minutes of play and managed to beat the Reserves. The Holmes brothers and Foster led the offense. Staffan played a remarkable defensive game. Winans, Griffin and Beutler also did some good work against their larger opponents.

The lineup for the C. O. C. was as follows: Van Gieson and Conk, guards; and Capt. "Bert" White, center.

The lineup for the Reserves were as follows: D. Holmes, Foster, forwards; Griffin and Staffan, guards; and H. Holmes, center. Winans substituted for Griffin in the 2nd quarter.

### MRS. EMILY GLAZIER DIED IN METHODIST HOME HERE

Had Been Resident of Home Named For Her Several Years; Funeral Held Monday.

Funeral services for the late Mrs. Emily Glazier, 86, in whose honor the Emily Glazier Memorial Home, the Methodist old people's institution at Chelsea was named, were held at 1 o'clock Monday at the Home, Rev. W. J. Balmer of the Home, assisted by Rev. F. I. Walker, officiated. Interment was in Oak Grove cemetery. Mrs. Glazier died Friday noon at the Methodist home.

Mrs. Glazier was the widow of the late George P. Glazier, pioneer Chelsea banker. Mr. and Mrs. Glazier, who formerly was Miss Emily J. Stinson, were married May 12, 1861. She was a daughter of H. I. Stinson, of Parma, who came to Michigan in 1839 and settled in Lenawee county, where Mrs. Glazier was born. Mrs. Glazier had resided in this village since 1867.

She had made her home in the Methodist institution, which was named in her honor, for a number of years. Her son, Frank P. Glazier, died in 1922.

Mrs. Glazier is survived by a sister, Mrs. Mary McAllister of Boulder, Col., a daughter-in-law, Mrs. Frank P. Glazier, of Ann Arbor, two grandsons, Harold, of Detroit, and Henry, of Ann Arbor, and two granddaughters, Mrs. Roland Schenk, of Oak Park, Ill., and Mrs. D. V. Barker, of Grand Rapids.

### MRS. LOUIS YAGER

Mrs. Eliza E. Yager was born February 13, 1862 and passed away at her home in Lima, Friday, December 30, 1927, following an illness of several years.

She was united in marriage with Louis Yager. They moved from their farm in Lima to Chelsea, where they resided for several years. During the past year they moved back to the farm.

She is survived by her husband, one daughter, her mother-in-law, Mrs. Yager, and a number of other relatives.

The funeral was held from the family home Tuesday afternoon, Rev. A. E. Potts conducting the services. Burial in Oak Grove cemetery.

### SCOUT NEWS

Scout meeting held January 3, 1928 at Chelsea high school building. Meeting called to order by Assistant Scoutmaster Howard Holmes, Jr. Oath given, led by Senior Patrol Leader, Leon Beutler. Scoutmaster Blake received the names of all the scouts who wanted to usher at basketball games at Ann Arbor this winter. Registration money for 1928 is now due. The new Scout books are here and may be had from the scribe. The officers for the coming year will be appointed and installed at the next meeting. A regular meeting will be held next Tuesday night at the public hall.

A special meeting will be held on the afternoon of January 8, 1928 for the purpose of passing tests and only for those who wish to pass tests. All members wishing to enroll please attend to it at once.

School activities were resumed in the Chelsea public school Tuesday morning after the holiday vacation.

The first out of town basketball game of the season will take place Friday evening when both the boys' and girls' teams of Chelsea high school will meet those of Dexter high school. To Chelsea basketball fans this promises to be an exciting and worth while game as has already been shown in the game which Dexter played here.

### CALIFORNIA FOLKS ENJOY GETTING THE HOME PAPER

The Standard is always glad to hear from its subscribers who have moved from "the old stamping ground" to fields of endeavor elsewhere, and here is a cheerful letter from sunny California where flowers are blooming and summer temperatures are being enjoyed while Michigan shivers in zero weather. Mr. and Mrs. H. B. Pierce write as follows:

"We enjoyed the Christmas number of the Chelsea Standard very much."

"We have ordered the 'mid-winter number' of the Los Angeles Times sent to you. This will be mailed about January 8, 1928. Hope you enjoy it as much as we enjoy sending. You will get true and wonderful facts on Los Angeles and its prosperity."

"Wishing you a happy and prosperous year for 1928."

Yours truly,  
Mr. and Mrs. H. B. Pierce.

### COMMUNITY CHOIR WILL REHEARSE TUESDAY EVENING

After having rested during the holidays the Community choir will again take up active practice again next Tuesday, January 10, when preparations will be started for another concert to be given sometime in March. So successful was the first concert given here last month that members of the choir are encouraged in their efforts for a second musical evening which will eclipse the initial appearance both in quality and in attendance. It is believed. Receipts at the first concert were an even \$110 and expenses, including music, training and rental of the auditorium amounted to \$111.89. While the concert went "in the hole" \$1.99, members of the choir are well pleased with the results and support accorded.

Rehearsals will be in the Fireman's hall as usual, at 7:30 o'clock.

### TWO LYNDON TOWNSHIP 4-H CLUBS MERGE

Two 4-H clubs in Lyndon township have been merged as the result of action taken at a meeting of the two organizations held recently at the home of Homer Stoffer, Lyndon.

The clubs officially uniting as one group are the Lyndon Lucky Lassies Canning club and the S. L. D. Spud club. The following officers were chosen: President, Orpha Noble; vice president, Jack Gilbert; secretary, Eleanor Gilbert, and treasurer, Irene Stoffer.

The girls in the new group decided to carry on clothing club work during the winter months. James Grisom selected handicraft work while the remainder of the boys will carry out a general educational program.

Mr. and Mrs. Stoffer were chosen leaders of the boys and girls respectively and Mildred Noah, Irene Stoffer and William Bielec were appointed on a refreshment committee. At the conclusion of the meeting Mr. and Mrs. Arthur Hagen, county club agent and his wife, were given a shower of potatoes, canned goods and other articles, the products of the club members.

The next meeting of the organization will be held at the home of Orpha Noble on January 7.

### WATERLOO

The first Glensier meeting of the year will be a day meeting with pot luck dinner, Thursday, January 12th. Let's have a good turn-out.

Mrs. Helen Berman entertained the Lyndon Unit of Women's Extension Society, last Thursday, December 20th. Pot luck dinner was served to twenty, and a business meeting held in the afternoon. The next meeting will be held January 19th at the home of Mrs. Charles Clark, with the lesson in the afternoon, and with pot luck supper, to which our husbands or brothers are invited. A pleasant evening with good eats is promised the men.

George Stoffer and Alva Deeman went to Detroit last Saturday with turkeys and ducks for the New Year's market.

Mr. and Mrs. Ed Cooper and sons, and Mrs. Jane Cooper spent New Year's day at the home of Alva Deeman.

Mrs. Eva Barber pleasantly entertained the "Ever-Ready Circle" recently. Gifts were exchanged, and a business meeting held. Yearly reports were given, and Mrs. Bada Artz was again elected chairman, and Mrs. Walter Vicary secretary-treasurer for the new year.

Mr. and Mrs. Arthur Waltz had Mrs. Martha Runciman and daughter Ethel, for dinner guests New Year's day.

Mr. and Mrs. Floyd Rowe and children of Chelsea, spent part of last week at the home of Milton Barber.

### CARD OF THANKS

We wish to express our heartfelt thanks for the beautiful floral offerings and our appreciation for the kindness shown us by our neighbors and friends during our recent bereavement.

Mrs. Albert H. Guthrie,  
Mr. and Mrs. Ellsworth Hoppe.

**SHARON TAXPAYERS**  
I will be at the Farmers & Merchants Bank, Chelsea, on Tuesday, January 10, 1927 for the purpose of receiving taxes.

### FADA HARMONATED RECEPTION

What is this Fada Harmonated Reception that one hears so much about? It is really just the name of the result you hear when you have a Fada receiver and Fada cone speaker. They are designed to work together, synchronized and coordinated so that you hear all the notes of the musical and vocal scale in their relative amplitude—just as they are broadcast. The throb of the drum, the strum of the strings, the clear high notes of the flutes and brasses—you hear all of them just as if the orchestra were in the same room. That is Fada Harmonated Reception. Hear it and know the difference between Fada and ordinary radio.

Comparisons are encouraged, because they are not feared and because the more you compare the more you will appreciate Fada Harmonated Reception.

**"gas chats"****Smoking Expenses**

Husbands' Wives! Here's some news. The cigar and cigarette bill, an erstwhile cause of many a domestic argument, is only a minor part of the cost of smoking. The most important item in the nation's smoking bill is charged to the smoke that goes up chimneys.

From a mellow cigar or fragrant cigarette, pleasure can be subtracted from the debit column, but chimney smoke is a total loss. And yet you pay dearly for every curling wisp that darkens the heavens, pay in actual dollars and cents, in economic waste, in health.

Cut down smoke expenses at your house, in your town. Use Gas for all fuel needs, and you get value received, full use, from everything you pay for. Nothing goes up in smoke. Nothing is charged to total loss. Gas is the only part of fuel that burns. Think it over. Talk it over with your neighbors.

**Editorial**

**TIME TO TAKE STOCK**  
Once a year business establishments take stock, weigh resources against liabilities, turn back the old pages and put pen to new. Each year the well-regulated business strikes balance and starts again, not over again from the old beginning, but fresh from the old year's finish.

Once a year the individual—serious-minded man or woman or ambitious girl or boy—takes stock, stock of happiness and the health and the wealth upon which it is founded. Each measures with the yard-stick of conscience the component elements of these two great pillars of life; health of body and mind and spirit, and wealth of experience, mental resources, friendships, the will to do, and self-esteem.

Inventory is important to the corporation and to the individual because it points out basic truths. First, perhaps, is that life is growth. Another that the matter of our growth is in our own hands. And still another that we may guide ourselves to a more productive and happier future by knowing and correcting the mistakes of the past.

To "know thyself" continues to be the first rule of happiness and success, which are one and the same. Honest self-examination is profitable, but painful, as most unaccustomed exertion is. Probing a lazy mind, a sore conscience or a hollow tooth is unpleasant. But it is absolutely necessary to prevent further decay, and eventual dissolution.

Experience exposes the weak links in the chain of life as in the chain of business. Inventory is the reading of experience. It must be done honestly, courageously, without self-deception. Else one day the chain will snap.

Let us take stock, not fear to know our weaknesses. Knowing, we may correct them, and build stronger and surer, happier for ourselves because more useful to others.

**THE PAY ROLL**

The pay roll and pay day are products of our modern industrialism. They did not exist when the human race was divided into slaves and masters, nor even during the period of hand craftsmen when workmen labored alone in their homes. Today both are commonplace.

Perhaps it is because it is so universal and commonplace that people never look upon the pay roll in its true light as the life blood of the community. To the home-town merchants pay days have always been good business days, and yet those merchants received as a great discovery the idea that every day would be a good business day in the town or city whose industries were so numerous and diversified as to make every day a pay day.

Pay rolls mean business for merchants, taxes with which to run local governments, homes, schools, churches, charity, public improvements and public contentment. The more pay rolls the more of all of these community assets. And finally, and of still greater importance, pay rolls mean employment for the community's surplus labor and attractions which lure new workers and new families.

For these reasons progressive and growing communities offer inducements to new industries. Each new factory means another pay roll. The offers include free land, low taxes, cheap fuel or water, local capital, and even free use of buildings for limited periods.

Within certain limits, a growing population is beneficial to every community and what benefits the community as a whole serves each of its component parts.

**SUPERSTITION**

Many things thought commonplace and customary were unusual and strange if by chance they got into print. A case in point is the delay in recording a deed in the capital city of Pennsylvania occasioned by the refusal of a woman to transact business on the thirteenth day of the month and by the reluctance of a man to invest his money under an "unpropitious" sign of the zodiac.

It must be generally known that there are thousands of people, both urban and rural, who "swear" by the almanac and who believe the number thirteen is "unlucky," and yet to great numbers the thing seemed unbelievable when presented in newspaper type.

Many who deny being superstitious also deny that superstition has anything to do with "believing in signs" or planting the garden and transacting business by the signs of the zodiac. They place no credence in the supernatural, but never "make garden" without first consulting the almanac. To what proportion of the country's population this applies is impossible of determination, but it is evident it is no small minority.

impossible of determination, but it is evident it is no small minority.

After all, the end and not the means is the thing to consider. If all business transacted on every other day of the month than the thirteenth were successful "would be folly to do business on the 'unlucky' thirteenth. And if the gardeners a la zodiac always raise bumper crops there is no reason why they should adopt another method."

f. o. b. Detroit, plus dealer's estimate

One look at the new Essex Super-Six will convince you that it will excel in popularity the Essex which has just completed the most successful year ever achieved by a six-cylinder car. From radiator to tail light it is a smarter, more beautiful car than even the Essex which preceded it. And in performance it surpasses in smoothness, reliability, speed and ease of handling, the standard Essex owners are so proud to acclaim.

You get an impression of completeness and fine quality in the design of every detail. From

the new pattern Colonial lights—the higher, narrower radiator with vertical shutters—the heavy sweeping fenders—the rubber-covered running boards—the new improved steering mechanism and the steering wheel similar in design and construction to that now used on the very latest and very highest priced cars—there is outstanding reason for pride.

With all these advantages, there is also an amazing price reduction. The Sedan at \$795 f. o. b. Detroit is \$40 below the Sedan price of last year.

## VOGEL & WURSTER'S January Clearaway Women's Coats and Dresses

That all stocks must be kept fresh and new is the cardinal merchandising principle of this store. Rather than carry apparel over from season to season we prefer to take decisive reductions at the end of the season, and be ready to meet the new season with new styles. Remember this, please—all garments offered in this sale are taken from our regular stocks. It is an opportunity that no woman who intends to buy a coat or dress can afford to overlook.

### The Coat Department

Every coat will be sold now and regardless of what they cost us too. Plenty of good style serviceable warm coats that were made by some of America's best makers. Every coat in the stock is new this season. Prices are now 1-3 to 1-2 less than usual. Don't delay if you have any use for a new coat as a few days will deplete the stock. \$12.50 to \$25.00 buys a real good coat now.

### Better Dresses

Now ONE-FOURTH to ONE-THIRD Less

At \$19.50—Your unrestricted choice of any dress in the stock, values up to \$35. In lovely heavy satins, and crepe exquisites. One and two piece models, in all the new full styles and colors, including navy and blacks. Sizes 16 to 46.

### Inexpensive Dresses

# MICHIGAN

"A Butterfield Theatre"

## Welcome To THE MICHIGAN

The MICHIGAN bids you welcome.

To you who read these lines THE MICHIGAN owes its being. To you and to the hosts of artisans who, down the ages, devoted their lives to development of that which you and the hosts gone on before you approved. And to those other hosts whose inspiration, given permanence in expression, freight that great incentive and reward—the Motion Picture.

ENGINEERING, Architecture, Invention and their train produced this structure. Painting, Sculpture and their allies made it beautiful. Music, hand-maiden of the Arts, gives it life.

PRESENTLY Science will lift you out of yourselves and take you to far places where Romance and Adventures still live, returning you anon to the happy contentment of Here and Now.

HERE and now, you are you and the Michigan is THE MICHIGAN—made for you by countless generations of toilers for your comfort and pleasure, the glorious fruit of whose labors it is our cherished privilege to deliver to you as the finest theatre and entertainment that human brain and brawn has produced.

WELCOME TO THE MICHIGAN.

TONIGHT at 7 and 9 o'clock.

# Announcing The VICTORY SIX BY DODGE BROTHERS

The Victory is radically new, radically different and thoroughly original—is literally years ahead of its time in many vital features.

It compares with no other car or class, because NO car, either here or abroad, provides features that are comparable. To enjoy these advantages you must buy THIS car, for elsewhere they simply do not exist.

**Revolutionary New Principles of Design**

1. For the first time since the invention of the automobile, the chassis and body of The Victory are a single integral unit—the wide, deep Victory chassis frame, flush with the lines of the body, replaces the customary body sills. (Heretofore, the body was mounted on a sill and both in turn mounted on the chassis.)

2. For the first time in history, battle-ship construction (i. e., double steel walls) is here applied to the motor-car.

**Spectacular Performance**

The results of these, and other basic innovations are astonishing in their effect on every phase of motor car value: beauty, comfort, safety, strength and most impressive and important of all—performance itself.

With chassis and body a single unit, there are 330 fewer parts—175 pounds less weight—and an extremely low center of gravity.

The results are greater motor efficiency—increased power—quicker pick-up—reduced fuel consumption—greater stability and flexibility in relation to load—an easier car to handle—a faster car to drive!

Drive over cobbles and avoid the usual discomfort—it will never occur! The Victory is the smoothest riding car for its type, ever built.

**Safe, Strong and Stable**

Because the chassis frame conforms precisely with the body lines—and because of the car's low center of gravity (weight close to the ground) The Victory is remarkably stable—tipping, skidding and swaying are reduced to a point positively negligible!

And the double steel walls mean double protection in case of accident—double the safety of any type yet known. A staunch body, with doors that close with a substantial and non-metallic snap.

**Quiet and Comfortable**

The aim of all engineering is simplicity, for simplicity means economy—strength—SILENCE. There are only 8 major parts in The Victory body—and they are welded into a single unit. Not a joint to squeak or rattle. A silent body.

And Dodge Brothers' powerful new six-cylinder motor—specially engineered for The Victory—preserves this luxurious quietness at all speeds.

**A Car of Striking Beauty**

Body and chassis built as a single unit—without the customary body sill—permits lower over-all height with liberal head-room and road-clearance.

Splash shields, a constant source of noise, are replaced by the wide, deep Victory chassis frame. Upholstery, hardware, instruments, color combinations and other appointments satisfy the most exacting demands of style and good taste.

Indeed, you have a distinct and thrilling impression that the car in which you are riding is long, low, swift and safe—a car of surpassing originality and smartness down to the smallest detail.

Miss Elizabeth Lemm of Detroit, spent the holiday week with her brothers and sisters here.  
Veit Bahnmiller is spending some time in Chelsea visiting his children.  
The holiday party held at the home of James Strupers last week Wednesday evening was largely attended and a good time was had by all.  
Miss Martha Wolf spent her holiday vacation in Ann Arbor with her aunt and uncle, Jennie and Lewis Rhoades.  
Mrs. Ella Beutler of Chelsea, visited her sister, Mrs. Alice Lehman, a few days last week.  
Mrs. Gertrude Ellis, who has been sick for the past two weeks, is recovering.  
The heaviest snow fall in several years fell in this section Saturday and Sunday, completely blocking all roads. Monday men were busy everywhere opening them up.  
John Leeman, Jr., spent his holiday vacation with his aunt, Mrs. James Strupers.  
Mrs. Oscar Bahnmiller and children visited last week with relatives in Ann Arbor. Mr. Bahnmiller went down Saturday and all returned Monday.  
The rural schools all opened again Tuesday morning.  
Mr. and Mrs. George Lehman and daughters, Alice and Dorothy, of Royal Oak, spent Sunday and Monday with relatives here.

**WATERLOO**  
Gorton Riethmiller of Olivet college, spent his holiday vacation with his father, Milton Riethmiller.  
Mrs. Henry Mollenkopf and children of Jackson, spent a few days of last week with her parents, Mr. and Mrs. Geo. Rentschler.  
Mr. and Mrs. Fred Gorton of Ypsilanti, spent Friday with Mr. and Mrs. L. L. Gorton.  
Glenn Rentschler and Chas. Daly spent Saturday in Albion.  
Mrs. C. A. Barber of Munnith is spending some time with her daughter, Mrs. Ezra Moeckel.

**New Chevrolet**  
now on display!

Today, Chevrolet presents the crowning triumph of sixteen years' continuous progress—a great new automobile so impressive in appearance, performance and staunchness that it marks the opening of a new era of luxurious transportation at low cost.

Built on a 107-inch wheelbase—4 inches longer than before—the Bigger and Better Chevrolet is impressively large, low and racy. Its new Fisher Bodies are finished in new Duco colors and offer rich new upholstery and handsome appointments. Its improved valve-in-head engine has numerous impressive features such as alloy "invarstrut" pistons, hydro-laminated camshaft gears, mushroom type valve tappets, AC oil filter and AC air cleaner. The chassis also has been redesigned. As a result, the new Chevrolet provides delightful smoothness throughout the entire speed range—a wide margin of power for hills—

click-of-the-heel acceleration—the ability to maintain 50, 55 and 60 miles an hour without the slightest sense of forcing or fatigue—the safety of four-wheel brakes—the steering ease that can only result from a ball bearing worm and gear steering mechanism—and comfort over all roads at all speeds due to semi-elliptic shock absorber springs—84% of the wheelbase.

Come in—see the car—and learn how Chevrolet has again electrified America by creating a bigger and better motor car and offering it at prices so low as to be actually amazing!
