Independents Win From Sparton Radio

The Chelsea Independents emerged victorious with a score of 10 to 8 in their game with the Sparton Radio team of Jackson at Wilkinson field last Sunday.

The Spartans took a big lead in the first inning, scoring three runs to Chelsea's one. The Chelsea boys then tightened up and held the Jacksonians scoreless for the rest of the game.

Chelsea scored one run in the first, five in the fifth, three in the sixth and one in the eighth, for a total of ten runs.

Rossbach again displayed his skill in a well-pitched game and had ten strikeouts to his credit for the day. This brings his total number of strikeouts for the season up to 140, in the thirteen games he has pitched for the Independents, which is a remarkable record.

Ed. Miller continued his heavy batting in this game, getting two doubles and one single out of four times at bat. The outstanding play of the day was Arnold Fahner's fast double, when he tagged a man trapped between third and home, and unassisted, tagged a man stealing third on the play.

Next Sunday the Independents will journey to Wayne, where they will play the Graham-Paige team of that city. Chelsea fans are urged to accompany the team and a good game is assured as Wayne has a good team. They have not been defeated this season.

The Orioles and Hoppe's Wildcats will play at Wilkinson field at 2:30 o'clock Sunday afternoon.

Fire Destroys Two Barns And Contents

A fire of undetermined origin destroyed two barns on the farm of Antonio Youngbill of Dexter township, Saturday evening. The Youngbill family discovered the fire as they were returning from Dexter. The fire started in an empty sheep barn which was 20x80 and spread to a basement barn 80x40. This barn was filled with 20 tons of hay and farm implements. The Dexter farm pump was called and they succeeded in saving another barn and the wheat and oat stacks. The loss will exceed more than \$8000. Mr. Youngbill had \$1000 insurance. This farm was known as the J. E. Hall farm.

Lima Man To Head State Association

Mr. and Mrs. George Haist and son, Mr. and Mrs. Fred Reichert and Mr. and Mrs. Elba Gage and sons attended the annual meeting of the Black Top Delaine Merino Sheep Breeders' Association which was held Thursday at Michigan State College, East Lansing. Mr. Haist was elected president of the association for the ensuing year, with W. C. Horden of Pinckney vice president and Herbert Collier, Laingsburg, secretary-treasurer. Eight new members joined the association.

MRS. ELIZA GEER

Mrs. Eliza Geer died at her home, 600 West Ganson street, Jackson, Sunday at 11:45 a. m., aged 82 years. There survive two sons, Charles Congdon and John Geer; two daughters, Mrs. Mary Whedon and Frances Ward; eight grandchildren and six great grandchildren; and one brother, Frank Mills of St. Johns.

Funeral services will be held at the home Wednesday at 2:30 p. m., burial at Mt. Evergreen.

Mrs. Geer was a former Chelsea resident and before her marriage was Eliza Ellis.

TO WHOM IT MAY CONCERN

GOLF TOURNAMENTS IN FULL SWING AT SYLVAN ESTATES COUNTRY CLUB

Father And Son, Kiwanis And Other Tournaments Hold Interest Of Members.

The unusual amount of interest shown by the members, and the interesting tournaments on the program have combined to draw large crowds to the Sylvan Estates Country Club links this summer.

The climax of the season will be, of course, the finals in the club championship, which tournament is now in the second round. Those who are still in the running are John Fletcher, Howard S. Holmes, B. B. Turnbull, J. S. Schmidt, A. J. Moquin, Hiram Ash, and Leigh Palmer. The last two played an exciting match last Sunday in which Palmer recovered for a tie after being two down on the sixteenth hole.

The Pioneer trophy is still in the first round, with the drawings as follows: J. R. Claxton, Robert Gauss, B. B. Turnbull, Leigh Palmer, Hiram Ash, A. J. Moquin, Howard S. Holmes, Sr., J. E. Schmidt, H. M. Lewis, Rev. Potts, Dr. A. A. Palmer, A. L. Lowry, Howard Holmes, Jr., J. E. Pratt, John Fletcher, and F. E. Benz.

The Kiwanis tournament is drawing to an exciting close, with Leigh Palmer and Carl Mayer playing off in the semi-finals. The winner of this match will meet John Fletcher in the final round. The qualifying round for the Lowry trophy will be played with in the next few days.

On Sunday, August 11, a blind bogey tournament was held in which Harry M. Lewis of Detroit and Kent Walworth of Chelsea tied for first place, each with a score of 101.

A mixed two-ball foursome will be played off on the 17th and 18th of August, with George Wood Hays and J. Howard Boyd as captains.

Howard S. Holmes of Chelsea and Albert Wood of Kingsville, Ontario, will captain a father and son tournament on August 24 and 25, which promises to be one of the most interesting of the season, while a member and caddy tournament during September will provide some keen competition.

On September 19, the Southern Ontario golf professionals will be guests of Sylvan Estates Country Club, and will play a pro-amateur tournament. All members and their friends are invited to attend this event.

Newly-Weds Given Surprise At Home

The P. T. A. of District No. 7, Sylvan, gave a surprise party at the home of Mr. and Mrs. Sylvester J. Weber in their honor last Friday evening. Progressive pedro was played after which refreshments were served to about seventy-five.

Mr. and Mrs. Weber were presented a beautiful clock as a wedding present from the P. T. A.

Mr. and Mrs. Weber returned to their home Sunday, August 4 after spending a three weeks' wedding trip at Yellowstone Park, the Black Hills and other parts of the West. They saw many interesting and beautiful sights but still another awaited them upon their return home, for their friends had gayly decorated the front porch which showed skill in decorating.

Fire Department Called Out Tuesday

The Chelsea fire department was called to Hinderer Brothers grocery store about 6:15 Tuesday morning when discovery was made by Mr. Haines, who resides above the store, that the building was filled with smoke.

When the fire department arrived and investigated it was found that the smoke came from a defective motor in the automatic refrigeration plant, and no damage had been done except to the motor.

LORENZ BAGGE

Lorenz Bagge, lifelong resident of Chelsea, passed away at midnight Tuesday, August 13, at St. Joseph Mercy hospital, Ann Arbor, after an illness of 28 months.

Mr. Bagge was the son of John and Wilhelmina Bagge and was born in Chelsea, November 18, 1880. He was married March 19, 1902 to Miss Inez Leach. He was a member of the Knights of Pythias of Chelsea.

He is survived by the widow, one daughter, Faye, his parents, Mr. and Mrs. John Bagge of Detroit, and one brother, Carl Bagge of Chelsea. Funeral services will be held at the residence at 2 o'clock Friday afternoon, Rev. A. E. Potts officiating, and burial will be in Oak Grove cemetery.

Legion Convention Held Here Sunday

About one hundred and twenty-five delegates were in Chelsea Sunday to attend the annual convention of the Second Congressional District American Legion posts which was held at St. Mary school.

Reuel I. Blake of Ann Arbor was elected district executive committee man, with Earl J. Vandenberg of Jackson as alternate.

Following the afternoon business sessions, a joint meeting of the Legion and auxiliary was held, and was addressed by Mrs. Everett DeRyke of Milan, district auxiliary president, and Reuel I. Blake.

Plans were completed for the annual department convention which will be held in Battle Creek, September 1, 2 and 3. The annual district banquet will be held Sunday evening, September 1, the opening day of the convention. George W. Walworth was chosen as a recent meeting of the local Legion to attend the convention as a delegate from Chelsea, with Carl J. Mayer as alternate.

Members of the Chelsea Legion served a banquet in the evening. Those in charge were George W. Walworth, Carl J. Mayer, Faye Palmer, Wm. G. Kolb, Wilbur Hinderer, A. L. Brock and Clarence O. Bahnmiller.

Thieves Attempt To Steal Livestock

Deputy Sheriff Wm. Atkinson and Constable John Frymuth were called to the W. H. Dancer farm in Lima about one o'clock Monday morning, after Albert Schiller, who occupies the farm, was awakened by an auto which had driven by the residence several times.

Upon investigation, Mr. Schiller discovered a truck and a sedan in front of the field where he had a herd of cattle in the pasture. The gate at the roadside was found to be open and when the men in the party found that they had been discovered they made a quick get-away without securing any of the animals which were in the field, although they were equipped to take several of the animals.

When the officers arrived the men had left the scene of their attempted theft. Mr. Atkinson notified the sheriff in Ann Arbor but no trace of the parties was found.

Bride-To-Be Given Surprise Shower

To fête Miss Rowena Finkbeiner, of Lima, a bride-elect of August, Mrs. Selma Kelley and daughter Mirron of 403 West Madison street, Ann Arbor, entertained a number of friends at a surprise miscellaneous shower on Wednesday evening of last week.

Bridge was in play and an attractive color scheme of pink and white was used in the decorations. A miniature bride adorned the center of the luncheon table.

The guests were Miss Harriet Cane, Mrs. Roy Ankney, Mrs. E. Milner, Miss Freda Volz, Mrs. Charles Marker, Mrs. A. Robinson, Miss Harriet Cushing, Miss Ruby Maulbetach, Mrs. John Weber, Miss Ruby Jedele, Mrs. C. Buss, Miss Miron Hogan, Miss Edna Feldkamp, Mrs. H. Gray.

E. J. CLAIRE & SONS To Sell Sparton Radio

Announcement is made in this issue by E. J. Claire & Sons that they have been appointed agents in this community for Sparton radios.

The Sparton radio, which is manufactured by the Sparks-Withington Co. of Jackson, is one of the most popular receiving sets on the market. The factory at Jackson has been constantly expanding in an effort to keep up with the demand for their product.

The Claire firm have been selling the Atwater Kent, Amrad and Crosley radios, and with the addition of Sparton to their line they will be in a position to take care of radio wants from a good radio at a cheap price to the best that is made in high class cabinet models.

STANDARD ENTERS 60th YEAR

With this issue, The Standard enters into its sixtieth year of existence in Chelsea. Through this period many changes have taken place through consolidations and changes in ownership, but The Standard has always enjoyed the reputation of being one of the leading weeklies in Michigan. Its service to the community has been made possible only through the loyalty of the business men and citizens at large. It is our earnest desire to further increase in every possible way the service which the newspaper can render to Chelsea and vicinity.

CARD OF THANKS

We wish to express to our many friends and neighbors our sincere appreciation for the kindness and sympathy extended to us during our recent bereavement.

KELLYS do not cost more

There are several good makes of tires on the market, but some are better than others. Among these better tires Kelly's Springfields hold an undisputed high place.

Kellys have always been built to give service. That is what has given them their reputation. This reputation has created an impression that Kellys cost more than the so-called "Standard makes." As a matter of fact, they don't. You can buy a Kelly for the same price you would pay elsewhere for a tire with a lesser reputation.

Give us a call the next time you need a tire; you won't regret it. The Kellys of today are the toughest, longest-wearing and easiest-riding tires that ever came out of the Kelly plant—and the prices are the lowest in Kelly history.

"The Trail of '98" Tells Heart-Throb Story

"The Trail of '98," the great northern film epic which will be shown at the Princess Theatre Wednesday and Thursday, August 21 and 22, is proving to be to the north what "The Covered Wagon" was to the south, "The Birth of a Nation" to the west, and "Way Down East" to the eastern States and their inhabitants.

"The Trail of '98" was directed by Clarence Brown for Metro Goldwyn Mayer and is based on the celebrated Robert W. Service story of the Klondike gold rush in 1898.

Though set in spectacular surroundings, in a background of such grandeur and immensity that it almost dwarfs humanity, the plot is so dramatic and emotionally touching that it stands out supreme, yet it is but a simple love story of a boy and girl and their fight for happiness against lust and greed and temptation and the almost insurmountable obstacles of the north.

One of the picture's most dramatic scenes is the burning of Dawson City.

The leading roles are played by Ralph Forbes, the boy; Dolores Del Rio, the girl; Harry Carey, the villain; Karl Dane, the comic, and Tully Marshall, George Cooper, Tenen Holtz, Cesare Gravina, William Orlamond, Emily Fitzroy and others.

Mrs. Grace Blessing, 20 years old, of Toledo, was killed when the horse she was riding ran away and threw her on the road near Wampler's Lake, 20 miles southeast of Jackson. Coroner John Pulling, of Jackson, learned that a dog ran out from a farm yard and frightened Mrs. Blessing's horse. Her foot apparently had caught in the stirrup and she had been dragged for some distance.

Long Distance Rates Are Surprisingly Low

Question And Answer Dept.

NOTICE—If your question does not appear below, it is because it is awaiting its turn, and will be published eventually.

Ques.—Will you kindly answer in your question column, if you can, what country does the Panama canal pass through?

Ans.—The Panama canal passes through the Isthmus of Panama, a strip of land 47 miles long and 10 miles wide from the Atlantic to the Pacific oceans. It was purchased from Panama by the United States for \$10,000,000, payable \$250,000 annually. The Canal Zone is quite like a territory of the United States.

Ques.—May I ask in your interesting question and answer column where do peanuts grow? Also what is a good yield per acre?

Ans.—Peanuts are formed under the ground. The plants, which have spreading branches similar to potatoes, grow from one to two feet high and blossom. When the flowers wither and the petals fall the main stalk bends downward and push into the soil, where the peanut pods are developed. Peanuts are raised extensively in many of the southern states of the United States. The plants are loosened with a special plow, gathered and put in shocks, where they are left several weeks, after which the pods are picked. Peanuts are planted in the late spring and gathered in the early fall, and from 40 to 60 bushels an acre is a good yield.

Ques.—I want to ask why the eldest son of the British king is called the prince of Wales? Also if the present Prince of Wales was to die, who would succeed him as the "Prince of Wales?"

Ans.—Edward II, who was crowned king in 1301, was the first to bear the title because he happened to be born in Carnarvon, Wales, and sat in parliament as the "Prince of Wales." The title is not inheritable. It is a purview of custom to refer to the heir of the British throne as the "Prince of Wales." If the prince dies while his father is still king, the title becomes extinct and will have no further existence except by fresh creation. Any king or queen may, however, make the heir apparent the "Prince of Wales," which is not his official title. The prince's official title is Prince and High Steward of Scotland, Duke of Rothesay, Earl of Carrick, Baron of Renfrew, Lord of the Isles, and Earl of Dublin.

Ques.—Can you tell me why it is that when a person's name begins "Mac" he is said to be Scotch or Scotch descent, but if it is "Mc" he is said to be Irish?

Ans.—"Mac" in family names usually means "son of," such names are Scotch, Irish or Gaelic. There is no sure rule to tell whether a name beginning with "Mac" or "Mc" is Scotch or Irish. Generally speaking "Mac" is more common in Scotch names and "Mc" in Irish. Both mean the same. For instance, MacDonald means the son of Donald, and McDavid is the son of David.

Ques.—Can you tell in your question

and Answer column what is meant by the word "Derby" as applied to Derby races?

Ans.—The "Derby" is an important annual race on the famous course at Epsom, England, about 15 miles from London. The first "Derby" race took place in 1780, under the auspices of the Earl of Derby and has been known by that name ever since. The distance is one mile, four furlongs and twenty-nine yards, and the prize is \$25,000. In imitation of the English race we now have the Kentucky Derby in the United States and the French Derby in France. It is now loosely applied to the chief race on most all race tracks.

Ques.—I would like to know how rocks and stones are formed and whether they grow? Nobody seems to know, so I'll appreciate your answer.

Ans.—We believe we answered this question before, but for your benefit we will state that rocks are formed in several ways. Some of them, such as sandstone, is formed by sediment in water. Others—the igneous crystalline, for instance—were formed millions of years ago when the earth was in a molten state. Then there are the metamorphic rocks which have been formed under pressure, heat or chemical action. Rocks do not have life, and consequently do not grow in the proper sense of the term; they increase in size only by accretion or addition of material from without.

Ques.—I have been very curious to know why tomatoes are sometimes referred to as "love apples." If you can do so, I wish you would answer that question?

Ans.—We do not know, unless it is because they soon get rotten.

Twenty-four Years Ago

Thursday, August 10, 1905

W. S. McLaren left Tuesday for Detroit where he will be employed in the circulation department of the Free Press.

Three new cottages are being built on the land of R. M. Hoppe on the shore of Crooked Lake.

Dr. A. McColligan has purchased the residence of Mrs. Emma Stinson on Park street.

P. D. Foster of Ypsilanti has been appointed as agent of the D. J. & C. electric railway to succeed A. Steger, who resigned. Mr. Steger has been the Chelsea agent of the company since they opened the station.

J. A. Maroney has taken the contract to build a residence for Owen Murphy on Wilkinson street.

Miss Catherine Curran was born in Madison, New Jersey, March 12, 1828, and died at her home in Sylvan, Friday, August 4, 1905. She was united in marriage with Hiram Pierce, December 4, 1848. Eleven children were born to them, nine of whom survive.

The funeral was held from the family home, where she had resided for fifty-four years. The services were conducted by Rev. F. A. Stiles of Hudson.

The blacksmith shop of Albert D. Riddle at Jerusalem was destroyed by fire last Thursday night. The loss was \$1,700 covered by an insurance of \$1,075.

Born, Monday, August 7, 1905, to Mr. and Mrs. Elmer Bates of Chelsea, a son.

Born, Tuesday, August 8, 1905, to Mr. and Mrs. John Reule of Wilkinson street, twin daughters.

Frank P. Glazier has men and teams at work making extensive improvements at the north end of Cavanaugh lake. There is 200 acres of land in the tract of land owned by the Glazier family.

John Kelly has filed a declaration for \$10,000 damage suit against the Michigan Central Railroad Company. The case will be ready for the October term of the circuit court. Mr. Kelly had his left foot badly crushed when a carload of rails was being unloaded at Dexter December 31, 1903. One of the rails fell on his foot.

The peach crop this year will be an enormous one. The wheat crop is a good one, but the yield of rye is below the average. All other farm crops are in a fine condition.

Thirty-four Years Ago

Thursday, August 8, 1895

The residence of Mr. and Mrs. R. A. Snyder on Park street was burned to the ground last Saturday. The fire was caused by a blazing gasoline stove. Most of the household goods were saved by the assistance of neighbors. The loss is partly covered by insurance.

The Chelsea Fair will be held October 2, 3 and 4.

C. T. Genkin is making arrangements to have a new barn built on his farm in Sylvan. The new building will replace one that was recently destroyed.

G. Erzer of Lima had five sheep killed by dogs during the past week. Work on the Mill lake drain is progressing finely and it will probably be completed by October 3.

One hundred and six of the inhabitants of this vicinity took in the M. C. excursion to Detroit, Wednesday.

C. E. Whitaker is installing a new furnace in St. Mary's rectory. Chicken thieves are at work in this vicinity. A dose of rock salt seems to be what some one is in need of.

St. Mary's parish of Pinckney will hold their tenth annual picnic in Jackson's grove just south of the village on Wednesday, August 15.

SLAT'S DIARY

Friday—Art Emmy was reading in the noon paper where Sam Dr. had wrote the remark that the last close we were the longer time we will live. Pa spoke up and said Well if that is the case he seen run girls today which has a fare chants to celebrate the 500th anniversary of the Declaration of Independence he said.

Saturday—Ma sent me down town today and told me to purchase some cole Cram. When I got there I had a wet weather she replied and said you Dummy I want cold Creme for my sun burn. So after that my Appatight was disappointed a grate deal.

Sunday—Are Sunday school teacher ask us what did we like to play when we went to school. Jaken answered and said Hooke was what he liked to play morn enny thing elst.

Monday—Laa nita when we was out taking a ride in the 2nd hand ford

why I et a lotta Peanuts and when we cum home I et a piece of Pie and sum pickles and then I dreamt I was a nite watchman in a ice cream factory. So I am gonna eat sum of the same every nite witch I got the chanet to.

Tuesday—Well I put bills all the after noon and I got a dime for it. Pa had to have his little Jook and he sed well he sees I was a working for a Close Corporashun. Only this wasent enny joking matter with me this kinda weather.

Wednesday—well ma wants me to play with the now Kid witch's father just bot the now sady founon on acct. of he uses such good Englist. But I druther play with sum I can understand what the yare tawking about.

Thursday—This was a unsuccessul day for me. I tried to smoke a pipe. I believe if enny I had of offered to kill me I eud of loved them hartilly. Whoever says they is solid comfort in a pipe is as big a lie as the one who brags about likeng Caster Oil. Smoaken pipes is a very vishus Habit. So never no more.

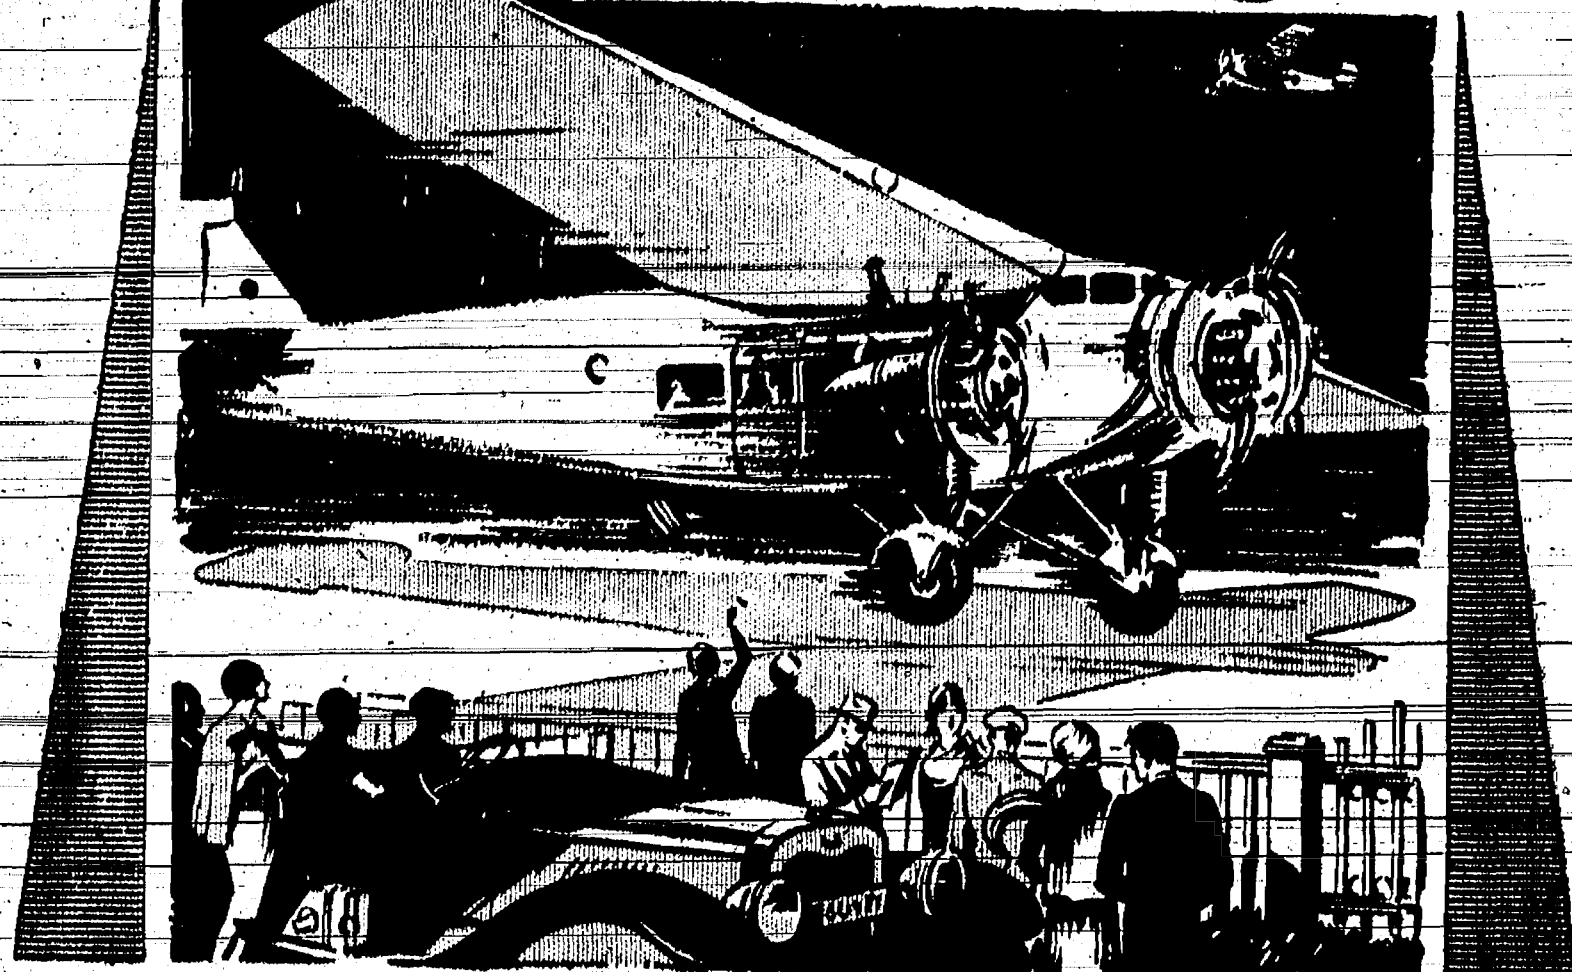

Manchester—If the State Conservation department would come here with gins and take the carp out of the river, it would not only please fisherman here, but be the means of increasing the number of good fish in the river. Carp being a good price in New York and that would help some towards paying the cost of catching them.—Enterprise.

when performance counts

products of the Standard Oil Company (Indiana) are chosen. Their dependability is proved.

The planes of the Universal Aviation Corporation, as part of the new coast to coast air-rail passenger service, carry passengers and mail on regular schedule. The lubrication of their Waep, Hornet and Wright Whirlwind engines is a vital matter—entrusted to this Company because it offers a Specialized Lubricating Service and a Quality of Oil unequalled.

Day in and day out, Stanolind Aviation products faithfully protect airplane engines of the Universal Aviation Corporation against friction.

Iso-Vis and Polarine

as faithfully protect automobile engines against friction. These two motor oils are unusually sturdy and unusually rich. They stand up under every strain of modern driving. They insure smooth performance and a long life for modern motors.

Iso-Vis is a newer motor oil—equally dependable. It represents a sensational advance in lubrication for it will not thin out. Motorists drive for 1000 or 2000 miles without draining Iso-Vis.

Polarine has been kept abreast of developments. It is a modern oil for modern engines—with the reputation of years of satisfactory service behind it. Drain Polarine every 500 miles and you'll have no lubrication worries.

If the performance of your car counts—and if you'd like to keep the engine young and healthy—use Iso-Vis or Polarine of the grade manufactured for your car. At any Standard Oil Service Station and at most garages.

Fair Exhibit Sent On County Circuit

A special exhibit prepared by five departments at Michigan State College will be shown at six county fairs this fall.

A portion of the exhibit displays methods of growing all classes of livestock so the animals will mature at an age and in a condition to furnish

the small high quality cuts which the consumers of meat now require the butcher to sell.

The importance of trees as a farm crop and forestry methods which will increase the profits from the farm wood lot is the theme of the portion of the exhibit prepared by the College Forestry department.

More efficient utilization of farm horses is the subject selected for illustration by the Farm and Horse de-

partment. Crowds which have watched horse pulling and horse breaking demonstrations in Michigan indicate that the farmers of the State have not all decided to turn to mechanical methods of doing farm work.

The short course department has a pictorial exhibit to tell the story of the advantages offered by the courses of study which are given for the convenience of those people who can not enroll in the regular agricultural courses.

Material prepared by the Soils department completes the exhibit which will be shown at St. Johns, August 6-8; Davison, August 13-15; Bay City, August 26-28; Big Rapids, Sept. 3-5; and Saginaw, September 9-14.

INSURE AGAINST WIND STORMS

High winds often come without warning. There's no telling what damage they may do to a home.

A roof blown off, perhaps. Or a porch demolished. Maybe a tree uprooted and blown against the house.

The best safeguard against loss caused by storms is an insurance policy that covers specifically this sort of damage. We have it—at little cost.

OUR NEIGHBORS

Howell—The annual picnic of Livingston county supervisors, ex-supervisors, county officers and ex-county officers will be held in the city park, Wednesday, August 21.

Howell—A radio in Otto Frykman's window carries this sign: "This radio phone built by Melvin J. Gallup in 1918." It looks somewhat crude now but was a great achievement when the young man built it.—Republican-Press.

Dexter—A business change took place last Friday in the dissolution of the firm of James J. Roberts & Son. The business will be continued by the senior member of the firm, James J. Roberts.—Leader.

Dexter—The members of St. Joseph parish of this village are making arrangements for their annual Labor day picnic.

Brooklyn—S. S. Simonds of Munnich who will move to Brooklyn this week to enter the employ of Harley Ladd has purchased the fine Monroe street home of Wm. Donahue. Mr. and Mrs. Donahue have moved to Jackson.—Exponent.

Manchester—Two dogs found killing sheep in the flock belonging to Lawrence Van Gieson near Clinton were killed Sunday by Deputy Sheriff, Chester Harvey. One sheep in the flock had been killed by the dogs and others were mutilated.—Enterprise.

Freedom—The extension of the Pleasant lake road, two miles west of Rowe's corner has been completed, but it should be continued to Sharon Hollow and on to the Manchester Jackson road, giving access to that section.

Ann Arbor—University of Michigan faculty has had training in 823 institutions of higher learning, a compilation of the scholastic migrations of instructors shows. The compilation lists 714 members of the instructional staff 681 of whom received their first degrees in the United States and the remainder in foreign schools.

Mason—Supt. James Cotter of the Williamson school was in Mason last week and stated that the new school in that thriving village would be ready for occupancy this fall. School will not begin as early in Williamson and for a few weeks it may be necessary to use temporary class rooms. Mr. Cotter said the building will be so nearly completed that teachers or pupils will not be seriously handicapped.—News.

Stockbridge—A two days homecoming celebration will be held here on August 31 and September 1.

Saline—Mrs. Bertha Wallin of Unionville is the owner of a Holstein cow that must be milked three times daily.

The animal gives more than 100 pounds of milk per day, approximately 50 quarts. The cow is less than six years old.—Observer.

Jackson—The name of John Minor has been presented as a candidate for the office of city mayor to be voted for at the September primary election.

Dundee—Plans for the old time parade on Monday, September 2nd, are well under way, according to R. C. Poucher, chairman of arrangements. This parade will be composed of entirely old time horse-drawn vehicles, etc. All modern cars, dresses and such will be taboo.—Reporter.

South Lyon—Eighty acres of land, known as the Wood farm, one mile south of town, have been sold to the Universal Wireless Communication Co., Inc. of New York, who have announced that they will erect a wireless relay station there. Twelve of these stations are to be established, one in a state, and this will be the one for Michigan, the company deeming it the most suitable location near Detroit.—Herald.

Chevrolet Production Reaches Million Mark

One million six-cylinder Chevrolets have been placed on the road since the first of the year.

This sensational announcement, indicating as it does the great popular appeal of the new six-cylinder car, was made at the central offices of the company in Detroit yesterday as assembly plants in various parts of the country were operating on the biggest summer production schedule in the history of Chevrolet.

Never in the history of the industry has any other manufacturer equaled the achievement of placing a million six-cylinder cars on the road in less than eight months. In fact, according to observers, this is more than three times as many six-cylinder cars as were ever produced by a manufacturer during a like period.

The record-making model, probably the most famous of all Chevrolet record cars, rolled off the assembly line at the huge Flint, Mich., plant on August 5. It happened to be a sedan—the new Imperial sedan, introduced a few weeks ago. The gleaming record-breaker was welcomed at the end of the assembly line by W. S. Knudsen, president, and other high officials of the Chevrolet company.

Without any ceremony the car left the plant for Detroit where it will be presented at one of the interesting exhibits that are to be a part of the mammoth Chevrolet sales convention in Detroit, August 14-15-16. The entire sales supervisory force of nearly 2,000 men will be on hand for the biggest convention of its kind ever held by the company.

It is the only time which Chevrolet marched on to the record of a million six-cylinder cars in less than eight months will be noted from the following tabulation of the various dates when the epoch making sixes were on the road:

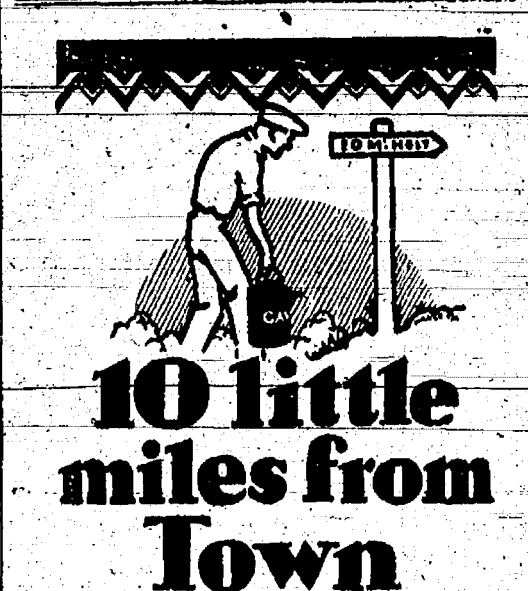

First Six	January 1
250,000th Six	March 6
500,000th Six	April 24
750,000th Six	June 12
1,000,000th Six	August 5

As officials point out, the achievement is even greater than during the same period of 1927 or 1928, during

which years the Chevrolet Motor Company was the world's largest builder of automobiles. Furthermore, the change made by Chevrolet January 1 from four-cylinder production to six-cylinder production has upset all previous precedents in the low priced field by causing the production of six-cylinder cars to exceed the production of four-cylinder cars for the first time in automotive history.

It is also significant to note, from automobile registration, that since January 1, 1927, Chevrolet Motor Company has built and produced to date more automobiles than any other manufacturer in the world. Also, Chevrolet sales for the first time in history of the company were greater in July than they were in June, which still further emphasizes the constantly increasing popularity of the new six-cylinder car.

The row between the State Highway Department and the State Welfare Commission over solicitation of funds on the State ferry docks at the Straits of Mackinac has been settled by the attorney-general in favor of the highway commissioner, Grover C. Dillman. As a result, a church organization will not be permitted to solicit despite a permit granted by the Welfare Commission.

METHODIST HOME

Mrs. Francis Pool expects to leave Friday for a two weeks' visit in Romeo, Pontiac, Drayton Plains and other places.

Mrs. Jennie Defendorf returned Saturday from a month's visit with friends in Francisco and other places. George Hunt has gained in strength and health so that he gets down stairs occasionally.

Miss Alice Brown is visiting with her sister at Ypsilanti.

Mrs. Jennie Wood has so far recovered her strength that she is able to come down to the lower floor occasionally. Mrs. Wood's residence in the Home is exceeded by only one member, Miss McArthur. Mrs. Wood came here in August, 1915.

Mrs. Louise Soules has been confined to her room for a week past but is recuperating slowly and is able to leave her room.

Mrs. Martha Wheeler is confined to her bed. She passed her 90th birthday in April but does not seem able to hold up that aged year as she has failed ever since that day.

Mrs. Clara Payram entertained Mr. and Mrs. Leslie P. Bacon and Mrs. A. E. Rutherford of Detroit and Mrs. W. D. Hall of Utica, N. Y. one day last week.

Mrs. Susan Danson seems to be lost somewhere in Detroit as no one has heard from her. Her friends are wondering what has become of her.

M. B. Chapin of Flint spent some time Sunday with his mother, Mrs. Alice Chapin.

Mrs. Susan Baldwin is able to come down stairs occasionally after a long confinement to her room.

Joseph Gibson spent several days in Detroit. He returned Sunday.

Since the Home was started in 1907 there have been 214 admissions. One has withdrawn, there have been 185 deaths and there are now 78 members. The lady members admitted have predominated as 171 have entered to 42 gentlemen.

Mrs. Philena Smith of Dryden comes to the Home this week. She will be the 215th member admitted since the Home was founded.

It is estimated there are 1,309,304 Smiths in the United States. We have two of them and there are 1,309,302 somewhere else.

Mr. and Mrs. C. W. Hutchins of Chicago were the guests of his mother, Mrs. Jennie Hutchins last Tuesday.

Mr. and Mrs. Ralph J. Fosdick of Rosedale called on Mrs. Elizabeth Atchinson, Thursday.

F. M. Roberts' guests Sunday were T. R. Britton of Detroit, Mr. and Mrs. John Morrison of Ferndale and Mrs. Elizabeth Kenneth of Litchfield, Ill.

Mr. C. Reed of Birmingham called on Mrs. Emma Rowe, Wednesday.

Mrs. Samuel Gilchrist of Indiana, Penna., spent the past week with her aunt, Mrs. Emma Rowe. Before she left she found the way to every member's heart through his stomach by supplying all with a chicken dinner.

Mr. and Mrs. Fred Meyer of Indiana, accompanied by their daughter, Mrs. Albert Pielemeyer and husband, called on Mr. and Mrs. Henry Pielemeyer, Sunday.

Mr. and Mrs. Titus Yettah and family spent Sunday viewing the beauties of Belle Isle, Detroit.

Mrs. Lena Lanzou and Mrs. Dorothy Colegrove, daughters of Rev. and Mrs. Palmer, gave us a very interesting entertainment Friday evening.

Miss Emma Daniels entertained Sunday, Mr. and Mrs. John Burgess and Mrs. Jackson, mother of Mrs. Burgess, and Miss Adell Dutton of Orange, California.

Mr. and Mrs. Ed Weaver and Lloyd Weaver of Romeo called on the Romeo bunch, Wednesday.

Mrs. Margaret Bliss left Monday night to attend a family reunion at Mt. Clemens.

Mrs. Flossie Quackenbush of Dixboro was a caller on Mrs. Francis Robby, Sunday.

Mrs. L. Van Aiken, who has held a membership here for some time, but has been with a nephew, Dr. Rowe, of Jackson, was here Monday for a short time section.

call. It is uncertain when she will be here permanently.

Mrs. Ione Gorton and Mrs. Amelia Lewis have been invited to spend the week with Mrs. Truesdel of Belleville and left Tuesday morning for there.

The Misses Irene and Ruth Hoag of Sandusky, Michigan, made their first visit to the Home Wednesday. They had often heard of the place and took this opportunity to look it over. They were more than pleased.

Mrs. Partridge and Mrs. White of Plymouth knew the Home by reputation and drove over Saturday to see for themselves. They expressed great satisfaction with what they saw and heard.

Mr. and Mrs. H. W. Schunck, Chas. Whima and Mildred Schunck of Palmyra were guests of Mrs. Mercy Co-man, Saturday.

Mr. and Mrs. Chas. Cannon and children, who have been visiting their parents, Rev. and Mrs. Palmer, the past ten days, returned to their home in Pt. Huron, Wednesday. During their stay they have made many friends among the members of the family. They will always find a welcome here.

Mrs. Susan Baldwin entertained a number of old friends from Morenci, Mrs. Herbert Snyder, Alice Wilsberg, Virginia Evans, Mrs. Dell Baldwin and Dell Baldwin.

Mrs. Lois Bigdon of Fowlerville, who has been spending a week with her sister, Mrs. Elvira Green, returned to her home, Sunday.

Mr. and Mrs. Oliver L. Hollapeter and children of Lincoln Park, and Mr. and Mrs. L. H. Martin of Flat Rock visited their mother, Mrs. E. Hollapeter, Sunday afternoon.

Mr. and Mrs. A. L. MacAdams and family of Pontiac visited with their mother, Mrs. Louise MacAdams, Sunday.

Mr. and Mrs. D. Parker and Mr. and Mrs. Fred Curtis of Fowlerville visited with Mrs. Elvira Green, Monday afternoon.

"NEW KONJOLA PROVED ITS MERITS TO ME"

MR. C. W. ANDERSON

"I was stiff and sore all over," said Mr. C. W. Anderson, 319 Pasadena avenue, Highland Park, Detroit, Mich. "I was told that my kidneys were out of order, but no one seemed to be able to give me anything to make them better. I was weak and rundown; tired out all the time."

"Oh, the suffering and expense I could have saved had I known of this wonderful medicine, Konjola, years ago. Konjola went right to the seat of my trouble. A full treatment—six bottles—and I am a well man; better than I ever expected to be. Relieve me when I say 'no one need be in doubt about Konjola's merits; I speak from experience.'"

Konjola is sold in Chelsea at Burg's drug store and by all the best druggists in all towns throughout this section.

Oakland Will Continue With Present Lines

No material mid-season changes will be made in the 1929 models of the Oakland All-American Six and the Pontiac Big Six, it is announced by W. R. Tracy, vice-president in charge of sales for the Oakland Motor Car Company.

In previous years it had been the policy of the Oakland Motor Car Company to introduce a new line of Oakland Sixes in mid-summer and new Pontiac models at the beginning of the year. As a result of this policy, the factory recently received many inquiries regarding its plans for the remainder of the year.

"No changes are needed," Mr. Tracy explained. "The sustained demand for these cars offers the best proof that they lend their respective fields in appearance, engineering and performance."

"Model changes invariably are made to keep abreast of the popular demand for style and performance. It will be remembered that the present Oakland All-American Six was not introduced in mid-summer, but in November of

last year. The new Pontiac Big Six followed last January. Many revolutionary advances gave these cars such a distinct identity and placed them so far ahead of current practice that they are new today as when they first entered the market. To change models now would mean to alter features that the public very evidently wants. This is true of the overseas market as of the domestic field, for our export sales reveal as gratifying gains as those at home.

"The fact that we need no mid-season changes denotes a new important step in the policy of the progressive manufacturer. Today he has become a forecaster. Instead of following the lead of others, he literally forecasts the mode and builds his cars to its requirements. Long before the present Oakland and Pontiac Sixes were designed, the Oakland Motor Car Company had carefully determined the trend of public preference. Thousands of reports were received from our dealers and field men. General Motors' stylists and Fisher Body craftsmen independently checked our findings as to what features and designs, what color combinations and what lines were destined to become popular.

"The Research Laboratories of Gen-

eral Motors, co-operating with our own engineers, had perfected chassis advances that developed new peaks of performance. We knew that we were building more speed and performance into our 1929 cars than were required at that time to meet the current standards expected by the public. But we built to meet a previously determined public preference that we knew eventually would develop. Thus the Oakland All-American Six and the Pontiac Big Six remain the outstanding cars of their respective price classes."

All Growers Meet To Show Gladioli

A floral rainbow will be on display when amateur and professional growers of gladioli meet to show their favorites in the fourth annual Gladioli show to be held at Michigan State College, August 29-30. Classes are provided for both classes of growers so the beginner in the art of growing flowers will not be compelled to compete with the grower who has had years of experience in producing the flowers and selecting them for exhibit.

Cups and medals are offered as prizes

in the display classes which require quantities of flowers, and money prizes will be given in the classes which require the display of three flower spikes in a vase.

Sixteen different colors are listed in which entries can be made, and there is a provision for the entry of flowers which do not fall in any one of these color classes. About the only colors which are not listed are blue and green.

All exhibits must be in position on the display tables by noon, August 29. Alex Laurie, East Lansing, is secretary of the show.

— Is The Romance Gone Out of Your Life? —

Have you forgotten that idealistic young lady whom you vowed to love and honor and protect?

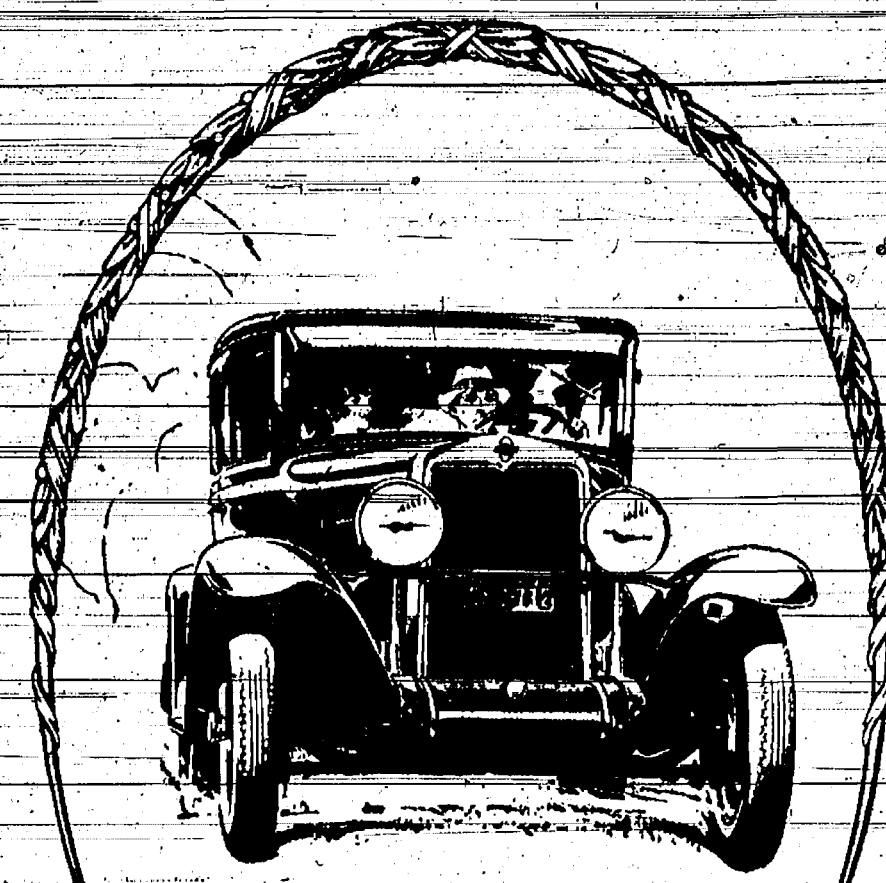

And is protecting her, to allow her to toil her days away, in such heavy jobs as washing?

In addition to this, you are NOT saving money. There is no logical argument as to why you should have your wife do your laundering. The modern methods in this laundry save you time and money, save your wife happiness, and saves wear and tear on fabrics.

Let us prove this to you.

COMPARE the delivered prices as well as the list price in considering automobiles. Chevrolet's delivered prices include only reasonable charges for delivery and financing.

Less than eight months have elapsed since the first Chevrolet Six was delivered to an owner—and already there are more than a million six-cylinder Chevrolets on the road! And the reasons for this overwhelming success are easy to understand.

Into a price field that had hitherto been occupied exclusively by four-cylinder cars—Chevrolet has introduced a six-cylinder car of amazing quality and value. Not only does it offer the smooth, quiet, velvety performance of a great six-cylinder valve-in-head motor—but, from every standpoint, it

is a finer automobile than was ever before thought possible at such low prices! Its beautiful new bodies—which are available in a variety of colors—represent one of Fisher's greatest style triumphs. And its safety and handling ease are so outstanding that it's sheer delight to sit at the wheel and drive.

You owe it to yourself, as a careful buyer, to see and drive this car. For it gives you every advantage of a fine six-cylinder car in the price range of the four, and with economy of better than 20 miles to the gallon! Come in today!

SPECIAL RADIO PROGRAM
The Chevrolet Motor Company will present a special radio program Wednesday, August 14, over the Columbia network, 8 to 8:30 p. m., Eastern Standard Time, celebrating the millionth six-cylinder Chevrolet delivered in less than 8 months' time.

Mystery Is Shown In Power Ratings

Horse power ratings appear to be something of a mystery when the formula used for computing the horse power engines showed that a team of horses exerted 18.9 horse power at St. Johns in a horse pulling contest supervised by members of the animal husbandry department at Michigan State College.

This team, owned by Glen Wisner, Ovid, pulled 2750 pounds on a measuring machine for a distance of 27.5 feet in 6.5 seconds. The weight is equal to lifting that number of pounds vertically. The 2750 pounds vertical lift is equal to keeping a load of 91 tons in motion on a paved road.

The animal husbandry specialists say that the reason a horse can exert nearly equal to several horse power is because a good horse has reserve strength that can be drawn upon in emergencies, and that record breaking teams are those animals which have the "heart" to give every ounce of their reserve at the summons of their owners.

Horse pulling contests are scheduled at the following places: Ionia, August 13-14; Yale, August 21 and 23; Bay City, 27-29; East Jordan, 29-30; West Branch, September 3-4; Big Rapids, 5-6; Saginaw, 9-10; Muskegon, 12-13; Adrian, 17-18; Traverse City, 19-20; Hillsdale, 23-24; Pawtucket, October 2-3; and Marshall October 4-5.

Racing Stars Enter For Toledo Event

The greatest Auto Race Drivers of the country are preparing for the 100 mile A. A. A. Champions Auto Race, at Ft. Miami mile track, Sunday, August 18.

Seven of the stars have already entered the big event which is expected to attract 20,000 race fans to the mile oval. Among those prominent in racing are: Lou Moore, the "California Whirlwind" as he is affectionately called by his fellow pilots. Lou won second at Indianapolis in 1928 and was in second place in this year's 500 mile until the last two laps, when he broke a supercharger and was forced out of the race.

Cliff Bergere, the Hollywood movie stunt man, will drive a Miller '28' front drive. Bergere is the driver who drove his car under that of Ray Keck when he was in his fatal plunge at Altoona recently.

Deacon Litz, who led this year's Indianapolis race for 148 miles, will have as his mount the car that won the 1928 Indianapolis event and one of the fastest cars in America.

Jimmy Glascock will drive the car in which the late Ray Keck was killed—the car that won this year's Indianapolis race and won the 1925 International. At that time the car was driven by the late Frank Lockhart.

Zoe Meyer, internationally known star and winner of many speedway events, will pilot a Deussen '28'; Burt Karnatz will drive a Miller front drive; Billy Arnold will drive the same car with which he won seventh at Indianapolis this year; Fred Winnat, winner of fourth at Indianapolis this year and Wilbur Shaw, who finished in the same position in the 1927 event as well as "Shorty" Canton, have already entered. The race will start at 3 o'clock and the admission price will be but twenty-five cents more than ordinary races.
