### All-Star Basket Ball Team Organized Here

A group of former local basket ball stars have formed an organization to be known as the St. Mary's Club and are arranging a basket ball schedule which will bring some of the best teams in Michigan and perhaps from nearby states to Chelsea this winter. Wm. G. Kobb, manager of the 1919 St. Mary's champions, will manage the newly organized team. Under his capable management the team will, without doubt, be developed into one of the best teams in this part of the country. The line-up of the team will include such outstanding stars as John Kusch, Arnold Stager, Leo Tuttle, Paul Hoffman, Al Rosbach, Robert Wheeler, M. Hoffman and Leonard Kior. Local games will be played in St. Mary's hall. The first game of the season will be played here Friday night with the Grass Lake American Legion team as opponents. A preliminary game will be played at 7:30 between Van's Vanishing Five, a local aggregation, and the Grass Lake Celtics.

### St. Mary's Victors In First Game Of Season

St. Mary's won their first victory of the season by defeating the strong Irish Five of Ann Arbor at the Herbert McKune Memorial hall last Friday night. With St. Thomas leading at the half by a score of 8 to 9, St. Mary's stepped out and took a six-point lead, which blasted all hopes of St. Thomas ever gaining the lead. Unable to break the defense of their strong rivals, the Irish saw if victory was to be had, it was in long shots, but they failed in this. St. Mary's girls played the Alumnae to a tie of 5 to 5. Although the game was a good one, the teams lacked the "zip" that has always been theirs. The line-ups were as follows: St. Mary's—Lyons, r. f., Swick, l. f., Vioh, c., At. Emergents, c. J. Jurgens, r. g., Tony Jurgens, l. g. Total score—20. St. Thomas—Walsh, r. f., Casey, l. f., G'Brien, c., Pagliola, r. g., Smith, l. g., Barnard, l. g. Total score—8. ## The Only Real Winter Tread!

More than 20 winters have proved the Goodyear All-Weather the safest and best non skid tread.

You can see the reason in the center—where you most need cleats on a tread to grip and hold the road—only in a Goodyear All-Weather do you get those famous deep-cut, sharp-pointed, diamond-shaped cleats of tough rubber. They dig in and take hold—to stop spinning or sliding. Extending up the sides are hundreds more of these sharp-edged cleats—to prevent skidding on turns—to take hold in ruts—to "get you out" when your tires sink into mud, sand, slush or snow. Yet these safe tires cost no more than tires with nothing but slippery "sled-runner" ribs down the middle!

Trade Your Tires that Slip for Tires that GRIP!

**Knights Of Pythias Go  
"Over Hills To Tipton"**

(By Jas. W. Speer)

Over the hills to Tipton, twenty-seven strong, the Brothers of the K. of P. Fraternity of Chelsea journeyed Monday evening to attend the county convention. Those who remained at home missed a wonderful time.

On arrival at the little town upon the four corners of two state roads, we alighted from our car and when the writer looked over the little burg he wondered what was there to entice one so far from home in such unfavorable weather, but upon entering the lodge room we were escorted to a place to hang our coats and before we had time to hang them up the command was shouted to form in line for the banquet tables.

On we marched round and round in single file until an estimated 250 sat down—ye gods, to what a wonderful spread, our plates filled to overflowing with all the good things that one could wish served by the Pythian Sisters which Tipton and the K. of P. members should be proud of. It would be a hard proposition for any, even in larger towns, to surpass the wonderful personalities and fraternal atmosphere extended to all. They surely were a wonderful bunch of ladies!

The tables were soon cleared and again quickly filled, again with the same fraternal feeling existing.

At its conclusion the room was quickly dismantled from a banquet hall to a Castle and by invitation the Chelsea team exemplified the third rank upon two new members in that manner which was a credit to our lodge and town folks. It was one of the most pleasant and successful meetings that the writer ever attended, which are many.

There was an estimated attendance of five hundred, who all expressed the pleasure of being with us, as we all prepared to wind our way over the hills from Tipton to Chelsea, twenty-seven strong. We were also glad that we went and hope for an invitation to return again to the little town of Tipton, where every family for miles around is represented in their lounge room, overflowing with that old-time hospitality that makes one glad to be with them.

We arrived home at 12:15 a. m., all so pleased we took the trip, and sorry for those who remained at home.

**WHAT TO BUY  
TO PUT AROUND THE CHRISTMAS TREE**

The merry old game is well on its way, and you've joined the hunt, but what about the people for whom you're buying gifts—perhaps they've new interests, perhaps they're not the same people they were last year. Have you thought about that? Maybe Cousin Caroline has gone in for aesthetic dancing and Aunt Marian has turned interior decorator! Of course, they're different—everyone is! So you want to keep in step with this progress, and give them presents which interest them. Let your particular gift reflect not only thoughtfulness, but also your keen perception in recognizing this change. Start your list by classification—it does work beautifully. And we have gifts for everyone in every group!

**THE MALE QUARTET**

If he is domestically inclined, you can make him comfortable with a lounging robe. Silk brocade is very good this season, or he may prefer terry cloth or wool, which are also popular. He is sure to appreciate this happy thought. From \$5 to \$15.

You'll win the permanent affection of some man friend if you choose for him one of our artistic smoking stands. And then you will be doing his household a great favor, too. Good looking pieces in metal and in walnut and mahogany finish are priced from \$1 to \$14 and up.

Ensembling the masculine wardrobe has been carried to such lengths that the average man finds himself out of step with the details of mode. He would appreciate the early-morning convenience (to say nothing of the style-rightness) of a trio of braces, in blue, brown, and black, perhaps, to match his various suits. \$1.50 and \$2.

Luggage has changed radically in recent months, and any man who is a modern would be pleased with a gift of luggage. Compactly built cases that are really suitable for all travel, and bags for week-end golfing (priced from \$5 to \$25).

**TOYS FOR LITTLE SISTER AND BROTHER**

For the boy engineer there are construction toys of all descriptions. He can build and tear down to his heart's desire. And, of course, games of all kinds, football, and baseball and other sports. Santa has hundreds of varieties here. Bring the children to our toy department.

And dolls for the "little mother." Baby dolls that cry and sleep, and beautiful grown-up princess dolls that are regal and grand. And, of course, pretty dolly-dinner dishes—for everyday use, tin ones that won't break, and china dishes for very special party days.

**THE FEMINE CONTINGENT**

If some of your friends have not been writing regularly enough to suit, perhaps a gift of stationery would be an appropriate reminder. You may have the name of monogram engraved, giving a pleasing personal touch. Fine engraved stationery is priced as low as \$2 a box.

Jewelry is always expressive, if she is the feminine type. Chanel necklaces, in-choker styles with a back drop and bracelets and earrings to match are very good this season. \$1.75 to \$10. A real stone of onyx, carnelian, lapis, or chrysoprase, set in silver or marcasite, is equally smart. What a practical gift are umbrellas! They are always a utility and an ensemble feature as well. What do you think about a silk one of fancy stripe or plaid with quartz handle in straight or fancy cane? \$5.95 to \$11.95.

For the perfume users we suggest this scented gift. You have a great variety to choose from. Then again a compact or any of the other beauty necessities is always appreciated by girls and grown girls at this season.

Of course, handkerchiefs are always a good gift when you are the least in doubt. Nothing could be more expressive of loveliness than a Porto Rican handmade handkerchief with colored and embroidered corners. 29c to \$1. Then there are dainty chiffon styles with lace edges and inserts, 49c to \$2.25.

There is no gift appreciated so much by women and girls as a handbag. We are showing many styles and models that are the newest things in fashion, so your purse selection is certain to be appreciated. \$2.95 to \$20. Evening bags to \$45.

The modern penchant for travel comfort has brought out new fitted leather cases of the overnight type, which are designed to carry the necessary few garments and yet are so small that they occupy little space. Cases \$5 to \$25.

### HIGH SCHOOL WILL PRESENT PLAY FRIDAY EVENING

For many months the student body and faculty of the public school had a fine treat in the form of a one-act farce, presented as a Sophomore Assembly under the direction of Miss Spelker. They thought it so fine, in fact, that they decided the public should have the opportunity of seeing it. The Sophomores, as the Conglomerated Players, presented "And the Villain Still Pursued Her." The cast of characters are: Jack Sewell, the hero—Donald Adams.

Emma Hindout, the heroine—Helen Primidic. John Hindout, her papa—Robert Harris. Tom Hindout, her mama—Thelma Vall. George Graham, the villain—Walter Meyer.

Jim Spout, the detective—Russell McLaughlin. Mary Knight, the maid—Ruby Hopkins.

Lizzie Leaping, the country library attendant—Eunice Guldo. The Prologue Spoker—Anna Schneider.

This play proved so delightful that the students and faculty unanimously approved of the suggestion to present it to the public on Friday evening, December 18, at 8 o'clock.

Added to this there will be several readings and musical numbers. The admission will be 20c for adults and 10c for children.

See these two teams clash next Monday evening in St. Mary's hall at 7:30. This will be the probable lineup: B. Dancer, c. F. Wiggins, f. W. Alexander, c. N. Mayer, g. A. Alexander, g. J. P. substituting for Cook, f. P. Hales, g. Van Gieson, center.

County 4-H Club Work Closed With Banquet

Summer 4-H club work in Washtenaw county was brought to a close Tuesday evening, December 10th at the Masonic Temple, Ann Arbor when the Ann Arbor Kiwanis club banquet approximately 450 guests which included 4-H finishers, and their parents. Professor Clifford Glover, president of the Kiwanis club, acted as chairman, and Dean Gordon, president of the Washtenaw County Council of 4-H clubs, acted as toastmaster. Mr. and Mrs. Paul Niehaus had charge of the community singing for the occasion. The Ann Arbor Daily News awarded their 4-H club leaders' cup to Cyril Spike, member and leader of the Keweenaw-Kare-Kalf Klub. The State Savings bank represented by D. P. McAuliffe, awarded the State Savings Bank trophy to the club showing the best all round work according to the score card used for their club work. The award was made to the Lima 4-H club of which Gordon Bradbury is president. Local championships were selected for each year's project in each club previously. These local champions took part in the contest for county championships which were awarded by a representative of the state club office. The county champions will compete for state championships which will be awarded at Farmers' Week during February. A representative of the state club office also awarded 100 per cent honor certificates to the leaders having 100 per cent clubs. H. S. Oaler, county agricultural agent, awarded the fourth year pins to all members having finished at least four years work in any one project. He also told of the special honors that have come to Washtenaw county 4-H club members during the year. The Washtenaw County Council of 4-H clubs, composed of all of the 4-H club members in the county and represented by its board of directors, Dean Gordon, Katherine Outwater, Donald Heard, Chester Martin and Max Ross, awarded leadership pins to all of the leaders who have successfully carried on club work this summer. County championships awarded to 4-H club members in the Chelsea area are as follows: Junior Potato—Kenneth Outwater, Lima 4-H club. Senior Potato—Olney Outwater, Lima 4-H club. Forest Ranger—James Grissom, Clear Water Ranger Station.

Dairy Calf, 1st year—Harold Gross, Lima 4-H club.

Hogs—68 animals valued at \$1,896. Sheep—86 animals valued at \$1,773. Poultry—2722 birds valued at \$24,249. Handicraft articles—249 valued at \$208.03. Canned products—7550 quarts valued at \$3,148.70. Hot Lunch—5190 dishes served at a cost of two and one-tenth cents per dish. Clothing—322 garments made—value \$163.36. House furnishings—30 articles made—valued at \$28.70. Pinkney—The barn on the Nancy Beebe farm west of town burned down Tuesday night. The farm is owned by M. Bartovitch of Detroit. He leased it to Vern Kellenberg last spring and the latter subleased it to J. Washouken. The barn contained clover seed, corn and beans which Kellenberg had taken for his rent. The farm was unoccupied at the time of the fire, Washouken having moved away a few days before this. The barn was insured but the contents were not. We understand that there is evidence of incendiarism and the state fire marshal's office is making an investigation. Dispatch.

**WAGON MASTER**

You'll say this is one of the best pictures ever seen! A wagon train on full flight across a desert. Romance and intrigue rampant! But the greatest gem and Nature! Conflict and color! Drama that grips! A great big picture with a theme as big as the wonderful outdoors in which it is staged. SEE IT!

Also Stan Laurel and Oliver Hardy in "DOUBLE WHOOPEE."

**SUNDAY, DECEMBER 15**

**"BARN" WAS RIGHT**

with Glen Tryon and Merna Kennedy. "There's a sucker born every minute," said P. T. Barnum—and here it's proved in one of the funniest pictures you have ever seen! See the ragged eminence of the youth who tried to put over a summer resort with stories of pirate gold and the hilarious complications and consequences that ensued. It was a huge trap set for him. DON'T MISS IT!

Also "GRADUATION DAZE," Final Number of The Collegians.

**MODEL T FORDS**

USUALLY, when a person buys a new Ford from us, he has by no means exhausted the transportation in his old car. We have several bargains in unused mileage in our showroom right now, waiting second owners. Naturally, the prices are so low that you could easily afford to have one—possibly for that second car which will solve your family's transportation problem.

Model T Fords are thoroughly reconditioned and guaranteed. We also have other makes of cars for second owners—priced according to the amount of service in them.

Regarding our used-car prices, remember this: There is no "padding" to care for excessive trade-in allowances for the price of the new Ford—no low-stake drive to the cost of production and selling—there is no leeway for unreasonable trade-in concessions. When you buy a used car from us you pay just what it is worth, and no more. We would hardly care to risk our reputation and credit with you.

**GRUEN... the watch for all**

The smart, modishly inspired styles that so quickly captivate youth; the conservative yet perfectly proportioned designs admired by the mature; the original and practical development—enthusied over by the man-of-the-day—all are Gruen. For long has the Gruen Guild set the pace in the introduction of new ideas and styles in time-pieces. Naturally, therefore, we're showing Gruens for every member of the family, each the utmost value for the amount asked—beginning as low as \$27.50.
