Modern Refrigeration Wherever You Live

Electrolux, equipped with a kerosene burner, makes modern refrigeration a practical possibility today in many locations where such convenience would otherwise be wholly out of the question.

From homes, village homes, homes in suburbs beyond the gas mains, summer cottages, mountain lodges—all can have fine refrigeration. It will make tourist cabins more attractive, wayside stands more profitable.

And Electrolux is supplied in a wide range of models with different capacities to fit all needs. See them at our store!

Local Sea Scouts Will Cruise On Great Lakes

Several local Sea Scouts are planning to go on a 2,000 mile cruise on the Great Lakes. They will leave Detroit on June 22, sailing up Lake St. Clair, the St. Clair river, Lake Huron to the Soo Locks. After stopping at the Soo for a day or two they will cross Lake Superior to Isle Royale and spend two days there. Returning from Isle Royale, passing through the locks and the Straits they will cross Lake Michigan to Green Bay, Wis. From here the trip will include stops at a few ports on the way back to Detroit.

The Scouts will use the U. S. S. Seminole, a large three-deck ship, 100 feet in length, with sleeping quarters for more than one hundred twenty men. The Seminole was used for a coast guard cutter until this spring. It was one of the largest ships in the coast guard service on the Great Lakes.

40th Annual Banquet Held By Alumni Group

Visiting alumni, with the graduates this year of the Chelsea High School, now joining the alumni group, were guests at the 40th annual alumni banquet held Friday evening in the public school gymnasium. There were nearly 200 present at the banquet, which was served by the Ladies' Aid Society of the Methodist church.

A Dutch windmill in blue and white decorated the ceiling, from which were suspended various colored balloons and streamers, forming an attractive setting. The alumni colors, yellow and white, were carried out in the table decorations.

J. Howard Boyd presided as toastmaster of the evening, introducing those who took part in the program. "Verses to the Freshmen," composed by Marie Hindelang Fleming of Detroit, who was unable to be present on account of illness, were read by Katherine Kusterer, and the "Response for the Class of 1936" was given by Richard Sowers. Vocal solos, "Dawn," by Pearl G. Curran, and "Friend O' Mine," by Wilfred Sanderson, were pleasingly rendered by Miss Katherine Fletcher. The banquet was accompanied by Miss Nina Della Wurster.

Carlton H. Runciman of Lowell responded to the toast "Hanna, Potatoes or Something", relating several incidents of his school days and his experiences in the business world. Two poems, "Bud Discovers Cleanliness," by Edgar A. Guest, and "Meditation," were given by Marvin Wolf; also a song, "I Can Hardly Wait Until I Grow to be a Man," with LaRue Wolf as accompanist. Florence Bachman Howlett gave a toast, "The Years Between," after which she was presented with a basket of flowers, as a member of the Class of '85. Greetings were read from Max Schoenhals of Dallas, Texas, as was also a telegram of congratulations to the Senior class from Milo Taber of New York.

Officers chosen for the coming year are:

President—Edith Boyd Weber.
Vice President—Rene Roedel Walworth.
Secretary—Flora Schans.
Treasurer—Lloyd Heydlauff.

Among the guests attending the banquet were Mrs. Alice Chandler Thibault of Columbus, Ohio, Fred J. Morton of Westhewton, N. J., Mr. and Mrs. Carlton H. Runciman of Lowell, Mr. and Mrs. Clayton Hoeselschwerdt and William Pierce of Jackson, Mr. and Mrs. George W. Turnbull, Mrs. Dorothy Dancer Braund and Lloyd Morley of Detroit, Mrs. Helen Dancer McKelth and Wallace Whiting of Ypsilanti, Mrs. Eva Lulek Wood of Hart, Alberta Winans and Howard Park of Ann Arbor.

Al Cowan's League Orchestra furnished music for the dancing following the banquet.

WILL ATTEND WEDDING

Rev. and Mrs. P. H. Grabowski, daughter Helen and Jeanne Moravia, will leave Sunday for St. Louis, Mo., where they will visit Mrs. Grabowski's parents, Rev. and Mrs. Frederick H. Kraft. On Wednesday they will attend the wedding of her sister, Helen Jeanette Kraft, and Mr. Douglas Charles Schluske, organist of St. Matthew's Evangelical church, St. Louis. The bride's father will perform the ceremony, assisted by her uncle, Rev. Frederick Kiek, who is president of the Evangelical Synod. Miss Kraft has many friends in Chelsea, where she has often visited.

PURCHASES QUALIFY FOR INTEREST

Irwia Klumpp has purchased the interest of his partner, Harold Guental, in the Recreation Restaurant, effective Monday, June 10. The restaurant has been operated by this partnership for more than a year. Mr. Klumpp having the interior of the building completely redecorated.

School District To Vote June 18th On Grounds Extension

The Board of Education of School District No. 9 Fr. Sylvan and Lima, has called a special election for Tuesday evening, June 18, when taxpayers of the district may vote on the proposition of purchasing property to extend the playground surrounding the school buildings.

An option has been secured by the Board on the Thompson property which is located on Harrison street adjacent to the school grounds. It is the desire of school officials to purchase this property in order to make a square section of the school grounds. The south side of the school property where the tennis courts are situated is at the rear of the Thompson lot, which has not proven at all satisfactory.

Considerable effort has been made to improve the lawn in front of the school building and if this part of the grounds is to be beautified there must be some provision made for extension of the playground for children. Acquisition of the Thompson property will extend the grounds about 4x8 rods.

The District will close the year with a good balance on hand, with provision made to pay cash for this property which has been optioned at a very nominal figure. Teachers' salaries have been increased for next year and in spite of these increases the tax rate for the district will be considerably lower than last year. With this excellent financial condition of the district in mind it is expected taxpayers will vote almost unanimously for the playground extension, which makes possible a more beautiful school property.

The special election will be held in the school auditorium and the polls will be open from 7:30 to 8:30 o'clock Tuesday evening. Only taxpayers of the district will be entitled to vote.

First Band Concert To Be Given Wednesday

The Chelsea Band, under the direction of Fred Fuller, will present their first concert of the season next Wednesday evening, at 8:00 o'clock. The bandstand will be located at the corner of Main and Middle streets, and the program will be as follows:

- March—Booster—J. G. Klein.
- March—On To Victory—David Coate.
- Overture—Olive Branch—Edward Hazel.
- The Silver Glad Waltzes—W. L. Skaggs.
- March—Thunderer—Souza.
- Serenade—Sweet Dreams—H. C. Miller.
- March—Playfellow—Henry Fillmore.
- March—Hudson—R. C. Jarrett.
- Star Spangled Banner.

Boy Scouts Invited To Attend Camporee

"We hope that all the patrol from Chelsea will take part in the camporee which will be held at Camp Newkirk at Dexter, on Friday afternoon and Saturday forenoon, June 21 and 22." Walter MacPook, Scout Executive of the Washington-Livingston Boy Scout Council has announced.

The camporee is a camping contest in which each patrol, regardless of size, works to measure up to a B standard, of a possible rating of A, B, C or D.

A similar camporee was held on May 24 and 25 with such excellent results that the committee has planned the June 21 and 22 camporee event.

First Check Delivered for Project Property

The first check for a government purchase of land in the Waterloo project area was given last Friday by J. L. Kabatsky, attorney of the department of justice, to Mrs. Anna Walsh of Congdon St., Chelsea.

The 250 acres of land for which the check was delivered came into possession of the Walsh family in 1890 and includes within its boundaries Walsh's lake and a frontage on Mill lake. The Cassidy family, Irish pioneers, took up the 250 acres in the original transaction for the government, later it was purchased by a farmer named Thomas and at the close of the Civil war was sold to the Walsh family. It was the family home until the house burned down 45 years ago, after which they resided about two miles west of there on another parcel of land, which also has been optioned by the government.

The old Catholic cemetery adjoins the property, but the Catholic church, one of the first religious edifices in this locality, burned down 88 years ago.

Mrs. Walsh, believed to be the only surviving Irish pioneer of this section, was born in Tipperary, Ireland, 81 years ago, and came to this country when 17 years of age. She has resided in Chelsea since 1926.

It is expected that the development of the 25,000-acre recreational project will begin in the near future with the establishment of CCC camps on Mill lake in Washtenaw county and Portage lake in Jackson county.

McLaughlin To Open New Service Station

O. B. McLaughlin, who has operated the Sinclair super service station, corner of South Main and Orchard Sts. for the past 10 years, has secured the property formerly occupied by the Ann Arbor Dairy just across the street from his present location, and is completing extensive improvements to the property.

Within the next week Mr. McLaughlin will leave his present location and operate a super service station at his new site, where he will market both a wholesale and retail business in these products in this community, as well as in Dexter and Saline, where Mr. McLaughlin and his son, Cleland, also have service stations.

Although it is expected that the new super station will be in operation before the next publication date of The Standard, Mr. McLaughlin will announce the formal opening with his new line of products next Thursday.

GET DATE WITH VAN WAGONER

The local committee named to interview State Highway Commissioner Murray D. Van Wagoner in regard to routing the new U. S. 12 super highway in its present location past Chelsea, have received notice from Mr. Van Wagoner that he will receive the delegation on Wednesday, June 26. The original date was set for June 5, but the appointment was cancelled because of the commissioner's absence from the state.

Dr. Aaron B. Avery died suddenly at his home in Pontiac on Monday, June 12, 1911. He was a member of the first class to graduate from the Chelsea High School.

Mr. and Mrs. Walter Vicary of Duluth, Minn., are visiting relatives in Waterloo.

Henry Winters has a force of carpenters at work on his new residence which he is building on Washington street.

Miss Ella A. Eschelbach and Louis H. Kuhl were married at the home of the bride on Thursday afternoon, June 15, 1911.

The Senior class of the Chelsea

High School held a picnic at Belle Isle in Detroit last Friday.

Miss Amy Schanz, a former resident of Lima, died on Wednesday morning, June 14, 1911 at the home of her parents in Ann Arbor.

B. Thomas, who recently purchased the Brown farm at North Lake has had the house remodeled and is making arrangements to build a number of cottages for the accommodation of campers.

34 YEARS AGO

Thursday, June 13, 1901

During the storm on Tuesday morning lightning struck the barn of William Mayer, instantly killing Edgar Moeckel, son of Mr. and Mrs. C. Moeckel of Waterloo, who was taking the bride off a horse at the time, and also killed the horse.

Bert B. Turnbull of this place will graduate from the Detroit College of Law, on Friday evening.

The B. B. of A. P. of the Congregational Sunday school gave a reception at the home of Kent Walworth on Friday evening.

Miss Ida Schumacher and Dr. W. Greenleaf, both of Chelsea, were married at the bride's home on Wednesday evening, June 12, 1901.

Claude Sears Martin died at his home on East street on Sunday, June 9, 1901, after an illness of several weeks.

The B. B. of A. P. defeated the Junior Stars on Saturday, 22 to 16. This finishes a series of five games and Saturday's game made the former the victors.

The Chelsea Bay View Reading Circle closed their year's work Monday evening with a reception at the home of Mrs. A. A. Van Tyne. The occasion was a fitting close of the seventh year of their work.

DUNDEE—Work at the Ford mill progresses, and the activity of the 50 men employed is a gratifying sight to every resident of the village and surrounding community. Motorists passing through the village are also attracted by the workers and stop to view and inquire as to the whys and wherefores. The blasting, which has been a rather startling happening several times daily for the past few

weeks, continues where the solid stone river bed is being deepened to make way for the installation of a new 200 h. p. turbine. The old turbine, a much smaller one, was taken to Dearborn some time ago.—Reporter.

Mrs. Edith West passed away on Thursday morning after a long serious illness. The funeral was held Saturday, Dr. Leeson officiating. Mrs. West's only son, Clarence West of Ironwood, came to the funeral. There were beautiful flowers. In her illness Mrs. West was very brave and uncomplaining. She will long be remembered by her many friends in the Home.

Thursday was the big day here—the annual visitation of the Board of Managers to the Home. From the Superintendent and Matron to the help in the Home, and the members of the family, all were interested and helped to have our Home at its best and serve a fine dinner to our guests. The guests were most appreciative, and the event most enjoyable. The program at the tables was directed by Rev. E. D. Dimond of Flint, President of the Board; singing was led by Rev. H. G. Pearce; responsive reading by Rev. M. R. Reed; brief impromptu remarks by Supt. and Matron of the Home and visiting guests, B. D. York, treasurer, Rev. Kilpatrick, and George E. Bohn of Highland Park, a new member of the Board. The principal address was given by Rev. Chas. W. Brashares, pastor of First Methodist church, Ann Arbor. It was a fine and deeply spiritual address. It made those who listened feel they could and would in all circumstances of life, be led by Divine will, receive daily power from God by prayer, to be led on to do great things in the Kingdom of God. The benediction was given by Rev. Reuben Crosby.

CHRISTIAN SCIENTISTS

HOLD ANNUAL MEETING

Boston—Attended by 6000 members from many parts of the world, the annual meeting of The First Church of Christ, Scientist, The Mother Church, was held in Boston recently. Announcement was made of the appointment of Ralph B. Schofield of London, as First Reader of the church, and of Miss Florence Siever, Midland of Los Angeles, as Second Reader.

Mr. Schofield, who was educated at Eton College, served as captain in a British infantry regiment during the World War. He is now a member of the Christian Science Board of Lectureship.

Miss Middaugh, a student of Christian Science for more than twenty years, is well known as a singer. She was formerly soloist in The Mother Church.

The election of A. Barry Bacon of Boston, as President of The Mother Church, was also announced. He suc-

ceeded Professor John M. Brewer of Harvard. Mr. Bacon, Boston department store president, is a native of Pontiac, Michigan.

Mrs. Marjorie C. Mulock of Bloomfield Hills, Michigan, read to the meeting authenticated reports of the healing through Christian Science of pernicious anemia, epilepsy, arthritis, defective eyesight, and other diseased conditions.

Many Michigan members of the church attended the meeting.

"Climb up on top, too, if you want to... it's steel, you know!"

WHEN you choose your 1935 car, think how it will compare with the new cars a year or two from now! That's what will decide its trade-in value.

Who will want to be driving—then—with anything less than complete steel protection? Terraplane gives you that protection now, in America's only bodies all of steel.

Will you want brakes that are up to date or out of date? Terraplane's

police-tested brakes have cut "perfect stopping" almost in half in public tests from coast to coast.

Performance is always important... and Terraplane has record-breaking performance today, certified by 36 official marks on the A. A. A. record books.

Drafts Public Works Construction Program

State Highway Commissioner Murray D. Van Wagoner has drafted a public works construction program of \$20,600,000 for Michigan highways and railroad grade separations.

The new program to be rushed to Washington for Federal approval includes \$13,000,000 in a work relief Federal grant and \$7,600,000 in Federal aid projects. The latter will be expended on a matched-fund basis under the state law with the Federal government and the state furnishing \$3,800,000 each.

The new program was drafted during an all-night session Wednesday of Commissioner Van Wagoner and his staff. It was whipped into shape less than twelve hours after the commissioner and Varnum S. Steinbaugh, deputy commissioner and road engineer, returned from Washington by airplane where they received long-awaited Federal regulations. Immediate action was possible because the commissioner had anticipated general provisions of the program two months ago and had expanded his drafting forces.

Significant features of the new program mean:

Expenditure of Federal funds on county roads for the first time.

General exclusion of highway construction projects in municipalities under the work relief phase of the program.

Selection of projects requiring 90 per cent relief labor.

Expenditure of the \$7,600,000 of Federal aid money under the state law. This requires that 50 per cent of the fund be allocated below Town Line 12 (south of the city of Saginaw, east and west), 25 per cent above this line, and 25 per cent in the Upper Peninsula.

A division of the \$13,000,000 work relief grant into \$6,300,000 for roads and \$6,700,000 for railroad grade separations.

Commissioner Van Wagoner said he hoped to start advertising for bids under the new program within two weeks after final Federal approval.

County roads are brought into the Federal relief picture for the first time. New regulations require that 75 per cent of the road fund shall be expended on state and Federal aid trunklines and 25 per cent on county roads. Commissioner Van Wagoner hopes to build low-cost oil aggregate surfaces that are dust proof on county roads.

Labor requirements preclude any general trunkline street development through municipalities. The only type of road projects available in the cities is surfacing. Cost of materials and equipment, however, will prevent surfacing projects to qualify under the work relief program. City streets, on the other hand, will qualify under the Federal aid phase of the program.

Grade separation projects may be selected without limitation as to location except that not less than 25 per cent of the funds must be spent on crossings off the Federal aid system. Respective mileage of the various railroads must also be taken into construction.

Labor regulations call for an 8 hour day and 5 days a week. Rates are expected to range from 30 to 40 cents an hour for unskilled, 44 to 60 cents for intermediate, and 60 to 80 cents for skilled labor.

Commissioner Van Wagoner pointed out that a number of projects which had been tentatively proposed "must necessarily be discarded in view of the revised regulations."

MORENO—Wilson K. Brewer and Allen Borick, both Eagle Scouts of Moreno Troop No. 12, left Saturday morning for a bicycle trip through the South. The boys' equipment was packed in two packages and consisted of provisions, blankets and knapsacks. They intend to sleep out of doors when the weather permits and cook part of their meals by camp-fire. The boys will visit Mammoth Cave, Lincoln's birthplace, My Old Kentucky Home, from where they will go to Chattanooga, Tenn., and from there to Florida. On the return trip the boys expect to visit Washington, D. C. They will be gone six or eight weeks. —Observer.

TECUMSEH—The Toledo power strike, effective Wednesday morning at 7 o'clock and which during the day caused several industrial plants to close their doors, throwing some 80,000 persons out of employment, was felt in Tecumseh yesterday, but J. H. Rohweder, manager of the Lenawee County Light & Power Co., here, declared that local residents need feel no alarm as a result of the walk-out. Both Adrian and Tecumseh yesterday were able to get a small amount of electric energy over the high lines from Toledo, but here and in Adrian, steam plants were brought into operation to furnish the needed energy for industrial and domestic demands. Locally and in Adrian there was no interruption of service. Mr. Rohweder said that the steam and hydro plants here were sufficient to carry Tecumseh's load, and that it might be possible to give some relief to Adrian, if the demand arose. At Adrian, it was said that current could be bought from the Consumers Power Co. of Jackson, over a high line at Hudson, if the emergency demanded. —Herald.

MASON—Anson D. Grimes, 76, for many years a resident of Waterloo township, Jackson county, but for the past several years, a resident of Lansing where he was employed at the Boys Vocational school and the Michigan School for the Blind, father of Mrs. Flora G. Dewey, deputy county clerk, died at the home of his son, Clarence, in Jackson, at an early hour today, in Jackson. He had been ill but a short time. —County News.

MRS. McLAUGHLIN'S BROTHER DROWNED IN NEBRASKA FLOOD
Mrs. O. B. McLaughlin has received word that her brother, George Sayer, was drowned in the flood waters near his home at Cambridge, Nebraska, on the morning of June 1, when the Republican river, swollen by heavy rains and cloudbursts, overflowed its banks and flooded the lowlands.
Mr. Sayer's wife and family, nine in number, had gone to town the evening of May 31 to see Medicine Falls, which was high, and on the way home they were struck by a wall of water, which came up six feet in ten minutes. They got out of the car, which was later washed away, and escaped to a bridge, where they stayed from 7 o'clock Friday evening until 10:30 Saturday morning. Mr. Sayer discovered them on the bridge about three-fourths of a mile from home, and in attempting to rescue them he was swept away. The body was not found until Thursday, June 6. Mr. Sayer was the oldest brother of Mrs. McLaughlin and was about 60 years of age.
One hundred miles of railroad were washed out in the flood and the death toll in the devastated area of southwestern Nebraska is estimated at 250.

Twilight League News
The Trojans entered the ranks of those teams which have been defeated when they were beaten by Spaulding Chevrolet in a postponed game played Friday evening. The score was 8 to 7.
This game, like many others this year, was lost and won in the 6th inning. When they came to bat in the first half of the 6th, Spaulding Chevys were trailing the Trojans by 2 runs; but by utilizing two Trojans' errors, three walks and one hit, they tallied 4 times. The Trojans with their best efforts could only score once in their half of the 6th, leaving them one run behind.
Mayer Electric opened the second series of the Twilight League games by vanquishing St. Paul's, 10 to 5, on Monday evening.
After the first inning, during which the Electric scored 4 runs and the Lutherans 8, never for a moment were the St. Pauls in a position to threaten seriously the lead piled up by the Mayer boys in their half of the fourth frame.
Among the first series, who the winner will be is undecided, but it may be said that Mayer Electric stands to win it unless the Trojans win both their remaining games.
The game played on Tuesday evening between the Sea Scouts and Spaulding Chevrolet ended in this season's first tie when the game was called at the end of the 6th inning. The score was 8 to 8.
The Chevys spread their scoring quite evenly over four innings. The Scouts, though they out-hit the Chevys and made 5 runs in one inning, only succeeded in tying the score during the last of the 6th when C. Miller's hit-drove in Conk who had been given a pass to first base, one of 15 walks throughout the 6 innings.

Schedule
Thursday, June 13—Trojans vs. Congregational.
Friday, June 14—St. Pauls vs. Trojans (postponed game).
Monday, June 17—Mayer Electric vs. Sea Scouts.
Tuesday, June 18—Spaulding Chevrolet vs. Trojans.
Thursday, June 20—St. Pauls vs. Congregational.

The following standings are for games of the first series of the season which have been played. There are four postponed games of this series to be played before the first series winner is decided. The standings for the second series will be delayed until all games in the first series have been played. The second series opened Monday evening.

Cutworms Are Now No. 1 Public Enemy

Cutworms have become public enemy number one in the fields and gardens of Michigan, and, like other criminals, public notice so far accorded them seems only to have encouraged their appetites for crime, according to the entomology department at Michigan State College.

Reports of destruction roll into the entomology department on the telephone, by telegraph, and by mail. Six acres of overbearing strawberries disappeared near West Highland, and an inspection of the field showed a condition which was expressed as "paved with cutworms." The taste of these insects for green stuff is not confined to any one species of plant. They have been reported as destroying carrots, corn, tomatoes, all sorts of garden plants, and some flowering plants.

When cutworms are present in the numbers now reported, the only practical method of controlling them is to use poison bait. The bait should be placed in the infested areas just before dark. It is scattered on the ground in flakes to avoid leaving lumps which might injure birds or domestic fowls.

The poison bait is prepared by mixing one bushel of bran, one-half gallon of cheap molasses, and one pound of white arsenic or one pound of paris green. Enough water is added to permit thorough mixing and to allow the poison to go into solution so that each particle of bran has a coating of the killing agent. Too much water wastes poison, as any water that drips out carries poison in solution. Two ounces of banana oil are added to the mixture.

The quantities of materials mentioned will make bait enough to treat two acres. Bait should not be wasted by applying it in areas where plants are not being damaged. Bait applied early in the day will dry out and is effective in attracting cutworms.

Fail plowing of land to be used for gardens or crops helps materially in controlling cutworms and other insect pests. The insects are turned up to the surface where they are exposed to unfavorable weather conditions and to the attacks of birds and animals.

Special bulletin No. 183 published by Michigan State College contains detailed directions for controlling the insects which attack field and garden crops. Extension bulletin No. 117 is intended for the use of gardeners who are having trouble with bugs. Either bulletin or both will be sent to anyone requesting it from the bulletin clerk at the College, East Lansing.

BE STRONG—BELIEVE

Men may misjudge thy aim,
Think they have cause to blame,
Say, thou art wrong.
Hold on thy quiet way,
Christ is the judge, not they,
Be strong—Believe.
I cannot tell what lies before,
But all is well, and I believe—
Though dark perhaps may be the sky,
He said, "I will your need supply,"
And I believe—
I shall be strong.

Expect Good Crops On Michigan Farms

East Lansing.—Michigan crop prospects are very bright as far as they can be determined now, according to Verne H. Church, agricultural statistician.

The outlook for wheat in the State is for a crop 50 per cent larger than last year. This is much better than conditions indicate for the crop in the whole country where more than 13,000,000 acres were abandoned following the drought in the southwest.

About 46,000 acres more rye will be harvested in Michigan this year than last and the prospects are that the yield will be more than a million bushels higher.

Close pasturing last year failed to permanently injure pastures, which now are in excellent condition. Killing out of new seedlings of clover during last year's dry season has made it necessary to plant more than a normal acreage of emergency hay and pasture crops.

The value of alfalfa on Michigan farms was demonstrated by its ability to withstand extremely adverse weather conditions. The acreage of this crop has increased from 74,000 in 1919 to 891,000 in 1934. The condition of alfalfa is quite good this year.

An unusually encouraging prospect faces fruit-growers of the State as far as yields are concerned. This condition may be changed by later adverse conditions. Reports from southern states indicate a larger peach crop there than last year. California will have a smaller crop, and the conditions are unfavorable in the eastern states from Virginia northward.

Keeping Post Offices Open
The law and regulations require third- and fourth-class post offices to be kept open to care for receiving and sending mail by the regular mail train or other mail routes, and at such other time and hours as is reasonably satisfactory to a majority of the public served by the post office.

Question And Answer Dept.

Ques.—Will you please tell me in your Q. and A. column what the different wedding anniversaries stand for? Thank you.

Ans.—The various wedding anniversary symbols are as follows: First, Cotton; second, Paper; third, Leather; fifth, Wood; seventh, Woolen; tenth, Tin; twelfth, Silk and Linen; fifteenth, Crystal; twentieth, China; twenty-fifth, Silver; thirtieth, Pearl; fortieth, Ruby; fiftieth, Golden; seventy-fifth, Diamond. There is no symbol for the intervening years not given in the above list.

Ques.—To settle an argument will you kindly answer, if you can, when was false teeth invented, and who invented it? Also when writing ink and playing cards were invented, and who the inventors were?

Ans.—Science has discovered that false teeth were used 500 B. C., but nothing is known about the inventor. Ink (common writing fluid) was first used about the year 2000 B. C. Its inventor also is not known. Playing cards were invented in A. D. 1420 by Juan Ruiz of Spain primarily as a means to amuse imbecile kings. They became so popular throughout Spain and other nations of the earth that the original purpose of the invention was lost.

Ques.—Will you please tell me how I can get out a screw that is badly rusted in? I am afraid of twisting off the head.

Ans.—Place the end of a red-hot iron against the head of the screw and hold it there about three minutes. Then unscrew while it is hot. Usually this will do the trick, but if it fails, apply a little penetrating oil while it is cooling, and then repeat the red-hot iron process.

Ques.—Can you tell me in your interesting paper how old is Arthur Brisbane, the columnist of the Hearst daily newspapers?

Ans.—Arthur Brisbane was born on Dec. 12, 1864, and therefore he was 70 years old on that date.

Ques.—I would like to know when the first Congress met in the Capitol building at Washington, D. C. Will you answer soon as possible?

Ans.—After the completion of the Capitol building at Washington the first Congress met there on Nov. 17, A. D. 1800.

Ques.—When was Hawaii annexed to the United States?

Ans.—The Hawaiian Islands were

annexed to the United States on August 12, 1898.

Ques.—What was the day of the week and date of the Battle of Bunker Hill in the Revolutionary War?

Ans.—The Battle of Bunker Hill was fought on Saturday, June 17, 1775. As this battle was fought before the declaration of war against Great Britain, it is not officially listed as a battle of the Revolutionary War.

Ques.—How long does it take for goose eggs to hatch?

Ans.—Thirty days.

Ques.—Did Admiral Byrd who has been exploring the South Pole ever try to discover the North Pole?

Ans.—Admiral Byrd made an expedition to the North Pole in 1926 in an airplane. He flew over the Pole, but saw nothing there except ice. There was no land directly at the point of the Pole.

Ques.—Will you kindly tell me on what day of the week I was born? The date was June 2, 1901.

Ans.—You were born on Sunday, if the date was June 2, 1901.

Ques.—Will you please state how long standard time has been in existence?

Ans.—Standard time was officially adopted in the United States on Nov. 18, 1883.

New Laws Affect Drivers

Two bills of the recent legislature of particular interest to automobile drivers of the state. One, Senate Bill No. 288, Senate Enrolled Act No. 31, provides that anyone whose operator's license has been suspended as the result of an accident, must, if he seeks reinstatement prior to the time at which the revocation order apply to the circuit court of the county in which the accident occurred. The measure was drawn to guarantee to circuit judges the privilege of reviewing their own revocation orders.

The second measure, House Bill No. 40, House Enrolled Act No. 148, strikes the offense of driving while improperly registered, or while not registered at all, from the list of violations for which conviction automatically brings the operator under the stern provisions of the financial responsibility act of 1931. Since the latter act became law, nearly 1,000 operators have been brought under its provisions, chief "looph" in the act being that the operator must prove an ability to meet accident claims up to \$10,000, which requires the posting of cash, securities or insurance policies. In this sum, with the Secretary of State.

Officials of the Department of State believe that with this future possibility eliminated, the penalty for the misdemeanor of driving while improperly registered, is made somewhat more proportionate to the offense. There are, at present, approximately 100,000 persons operating automobiles in this state without operator's licenses.

Scout Executive Says**More Scouting Needed**

"We have passed the 50 mark in number of troops and 1000 mark in number of Scouts but we have only begun," Walter MacPeak, Scout Executive of the Washtenaw-Livingston Council told leaders assembled at the Council office in Ann Arbor, Monday night.

"Our major emphasis has been put on serving the 12 to 16 year old boys," Mr. MacPeak said, "but we must not overlook the 9, 10 and 11 year old boys, but must provide the Cubbing program for them."

He spoke also of the Explorer program and other Senior Scouting available for groups of older boys of 15 years of age and up.

"The ideal situation," he said, "would be for a church or Parent-Teachers' Association or other sponsoring organization to carry through all three of these programs for youth. One committee could supervise the group, but each would have its separate Cubmaster, Scoutmaster or Explorer-Counselor."

Presidential Flag

President McKinley started the idea of a Presidential flag. He designated blue, with the Great Seal of the United States in embroidery. Theodore Roosevelt changed it to red when he came into office, but he stands alone in his preference. Every other President has desired blue.

FRANCISCO

Several from here were in Chelsea to attend the class day exercises of the Chelsea high school.

Downer and Cadwell shipped a carload of wool from here last week. Mrs. Sam Hoffman and mother, Mrs. Lou Cadwell of Chicago called at James Cadwell's last week Wednesday on their way to Mr. and Mrs. Wm. Goodband's, near Unadilla. Mrs. Cadwell remained at Mrs. Goodband's until Sunday when she went to visit Mrs. Slater at the Henry Kalmbach home.

Mrs. Etta Stedman and son Harry were recent guests of Mrs. Nora Notten.

Walter Reading and wife of Brooklyn spent an evening last week with Mr. and Mrs. James Cadwell.

Mr. and Mrs. Charles Barrett of Detroit spent a day recently with Mrs. Barrett's aunt, Mrs. Nora Notten.

Mr. and Mrs. Wm. Niebling, Jacob Niebling and Miss Emma Niebling from near Williamston called on Mr. and Mrs. Wm. Horning, Sunday.

Mrs. Bertha Benter and daughter, Miss Augusta Benter are home from Pontiac, where they attended the graduation exercises in the public schools of that place. Mrs. Benter's grandson, Junior Benter, son of Albert Benter, was one of the graduates.

Mrs. Eugene Flemming of White Cloud was a caller at Mr. and Mrs. Wm. Horning's on Monday.

Herman Benter and Frank Johnson of Chicago visited at the Benter family home Monday.

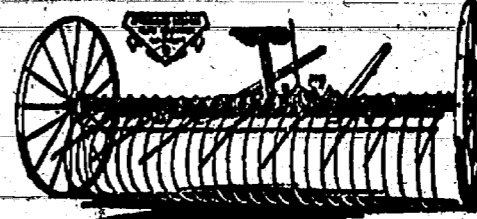

While away, Mrs. Bertha Benter

and Miss Augusta Benter visited Mr. and Mrs. Joe Marantette of Detroit.

Mr. and Mrs. James Richards spent Monday evening with Mr. and Mrs. James Cadwell.

Fastest Time by Horse

Apparently the fastest time recorded for a horse was by Bob Wade which ran a quarter-mile straight stretch in 31½ seconds, or at the rate of 42 miles an hour.
