Local Group To Aid Returning War Vets

A group of about forty representatives of local churches, schools, industry, lodges and other organizations met in the assembly room at the high school last Friday night to form an organization to aid returning veterans of World War II.

Village President Walter D. Mohrlock presided at the meeting and introduced Lieut. Geo. F. Parish, director of the Cassidy Lake Honor Camp, who gave a short talk and presented L. H. Marling of the State Office of Veterans Affairs.

Mr. Marling informed the group as to the procedure necessary in forming a local council of veterans' affairs and a veterans' counseling center. He made it clear that his office is not dictating policies of local groups, but merely acting in an advisory capacity.

Following Mr. Marling's advice, an executive committee was named to direct the local council and to name representatives of all local groups to work as members of the committee for returning veterans' assistance. Wm. G. Kolb was named executive chairman, with Mrs. A. D. Mayer and Supt. A. C. Johnson as his assistants.

Aid and advice to veterans which this committee will offer includes re-employment, new placement, rehabilitation, education, vocational education, health, mental health, rights and benefits, and other services.

Mr. Kolb and his assistants will name representatives from the various groups and this committee will meet in the near future to appoint a counselor who will study the problems confronting the returning veterans and give them the help they need.

WACaravan to Appear In Ann Arbor Tuesday

The Army Air Forces and the Women's Army Corp are bringing to Ann Arbor the WAC's famed two-hour show, the WACaravan featuring the performances of 30 enlisted men and women who were professionals of radio, stage and screen before they joined the armed services. The performance will be held at Hill Auditorium, University of Michigan, Tuesday, October 3, at 8:30 p.m.

The show has a brilliant 12-piece orchestra made up of men who have played with the top "name" bands of the nation. The 16 acts in the vaudeville-styled show include such celebrated performers as young Cpl. Bobby Stevenson, rated by "The Dorsey" as one of the five greatest "hot pianos" in America; Dickie Cohen, one of the youngest and most talented professional ventriloquists in the world; handsome Tony Costello, "the GI Sinatra"; and dozens of others now nationally famed for their performances with this greatest of the service shows.

Because the show, with entertainment which no amount of money could possibly buy in these wartime days, is free to the public, the WACaravan always turns away thousands from each performance, no matter how large the auditorium. The reception here is certain to be the same.

The whole two-hour performance is entertainment. And because it's such wonderful entertainment the management urges all to come early.

Tickets for the performance are now available and may be obtained at the Chelsea State Bank, The Chelsea Standard, all factory offices or Paul F. Niehaus.

Come early for an evening of real entertainment.

Milkweed Pods Will Be Gathered By Children

Ives' feed mill has been designated as one of the stations in Washtenaw county as a milkweed pod collecting station where Washtenaw boys and girls can deliver the dry bags of pods. Five hundred 50-pound onion bags have already been distributed among the school children of the county, announces H. S. Osler, County Agricultural Agent. The school children will deliver the full bags of collected pods at the above station. After the bags are filled they should be hung on fences in the bright sunlight long enough to become crackly dry. They are then to be delivered to the receiving station where they will receive 20c per bag.

The milkweed floss is used in the manufacturing of life jackets for the Army and Navy and the government requirements for this year is 2,250,000 50-pound onion bags full of pods. It requires the floss from two bags of pods to make one life jacket.

Mrs. Margaret Eotherlyn of Pontiac is the district supervisor of the milkweed project program for southeastern Michigan. Further information can be obtained through the Agricultural Extension Office or the County School Commissioner's office in the Court House, Ann Arbor.

POPULAR PARTY

A popular party will be held at the UAW-GIO hall on Saturday night, Oct. 7, at 8 o'clock. 50c admission for the evening. Public invited. Adv.

With Our Men In Service

Mr. and Mrs. Henry Werner have received a copy of a citation awarded their son, Pfc. Paul D. Werner, who is with the Fifth Army in Italy. The citation, awarded with a bronze star, was for "heroic achievement in action on July 13, 1944, in Italy."

Paul was inducted into the Army

PFC. PAUL D. WERNER

on March 6, 1943, and trained at Camp Jos. T. Robinson, Ark., Camp Gruber, Okla. and at Fort Sam Houston, Texas, before going overseas last December.

Pvt. Robert C. Reed, son of Mr. and Mrs. Frank Reed, is spending a 21-day furlough with his parents. Robert, a paratrooper, saw active service in Italy and was wounded on July 13, and has been a patient at McGuire hospital at Richmond, Va. and Gardner General hospital, Chicago. He was awarded the Purple Heart in Italy. Robert will report at Miami Beach, Fla. in October.

Mr. and Mrs. Howard C. Baker of Grosse Pointe Park, former Chelsea residents, received the following letters recently from their son, T-Sgt. C. K. Stone:

September 7, 1944.

Dear Mother and Baker:
I'm still "somewhere in England" and I've enjoyed the time I've spent around the village and countryside when on pass. I like it a lot here and the people are very nice. I've learned a lot about this country and these people and I'll tell you all about it some day. I've received your letter and pictures of the 24th and your V-Mail of the 22nd and enjoyed them very much. I've also received the September issue of the Chelsea church paper. I like to get it and it keeps me posted on the other boys who are "in the same boat." Don't send any Xmas box as one never knows about those things according to the "point system." I'll be right in line for discharge soon as I get "combat credit." I hope it won't last much longer. Getting so near the end it makes one get restless. Write.

Love—Bud.

September 12, 1944.

Dear Ma and Baker:
Yes—we've finally reached our destination—France. I haven't seen much of it yet but what I've seen is nearly ruined—in fact the buildings are ruined. I haven't seen any enemy action yet—only what remains of the action that took place some months ago. I'm feeling well and haven't had anything but minor aches and pains from sleeping in cramped positions—gets rather difficult for me to get my legs in these small trucks. Otherwise I've enjoyed everything so far. It's much warmer here than it was in England and that helps an awful lot. I probably won't get your letters as quickly as I was but keep 'em coming anyway. I'll write every (Continued on page five)

Forester Employed for So. Michigan Counties

John Fields has been employed as District Forester for counties in Southeastern Michigan, according to H. S. Osler, County Agricultural Agent. Mr. Field's services will be available to farmers desiring help in timber marketing, woodland management and other farm forestry products.

Mr. Field's first work will be to facilitate the movement of farm timber to saw mills. Farmers will be given help in marking and measuring trees that should be cut, thus leaving a good stand of young trees for future timber crops. Mr. Field's assistance should aid the farmers in obtaining maximum values for timber he has for sale as well as provide valuable help in woodland management problems. Mr. Field's headquarters for the district will be in the Federal Building, Marshall, Mich. Inquiries may be addressed to him at that office or made through the County Extension Office, Court House, Ann Arbor, says Mr. Osler.

Quotas Are Announced For War Fund Drive

A meeting of township chairmen and key workers was held at Sylvan town hall on Tuesday night to make plans for the United War Fund drive which will start on October 18.

Leigh Beach, Lima township supervisor, who is general chairman of the Northwest Region, consisting of Sylvan, Lyndon, Lima and Dexter townships, called the meeting so that quotas could be determined and other preliminary work outlined.

Foster L. Fletcher, of Ypsilanti, Washtenaw county secretary for the United War Fund, instructed the group on the procedure to be followed and distributed literature which would acquaint them with details of the work to be done.

Quotas for this region were set as follows: Sylvan township and Chelsea village, \$6783, in addition to the fund which will be included for Boy Scouts and Girl Scouts, with Fred G. Broesamle acting as chairman for the township and George Doe for the village; Lyndon township, \$405; Homer Stofor, chairman; Dexter township, \$507; Gilbert Madden, chairman; Lima township, \$584; Clifford Bradbury, chairman. Washtenaw county's quota is \$95,690.00 and the Michigan quota is \$5,462,009.00.

Mr. Fletcher stated that a meeting will be held Tuesday night, October 17 at Sylvan hall, when all workers will receive instructions and supplies for the drive which will start the next day.

Plans Made for Junior Band at Chelsea High

This week Henry E. Busche, instrumental music director of the local schools, is visiting each of the grades from four through the high school to interest the school children in joining the junior band. All those interested will then be given adaptability and aptitude tests to determine to which instrument they are best suited. After the instruments for the students have been secured, actual organization of the band will get under way.

Much interest has already been shown by Chelsea students in band work, and there is every reason why their school should develop a band which will bring much pleasure to the students in the band as well as to the people who hear and support it. Through the efforts of Supt. Johnson, services of Mr. Busche, a graduate student of the University of Michigan, and a high school band conductor for nine years before enrolling at the U. of M., has been secured. The instrumental program will also be under the direct supervision of Mr. Revelli, the famous University of Michigan band conductor. It is the desire of both Mr. Revelli and Mr. Busche, as well as the local school superintendent, Mr. Johnson, to develop a fine concert and marching band here.

If anyone has a band instrument which he would like to sell, please notify the high school superintendent's office. There will be a big demand for instruments.

Local Boys Take Part In Poultry Culling School

Two local farm boys took part in poultry culling school held in the county last week. LeRoy Loveland and George Merkel were two of five boys that received two days intensive instruction in poultry culling under the direction of J. M. Moore, Extension Poultryman, Michigan State College, East Lansing.

Mr. Moore gave special instructions in the culling of farm poultry flocks, especially old hens. During the two-day period eight different flocks were culled and the boys handled about 2,000 birds. This plan for special training to local poultrymen is part of the agricultural extension program to provide persons qualified to cull poultry flocks in the different communities in the county. Flocks of old hens should be carefully culled if they are not all going to be sold this fall. Only the very best should be kept in the laying flock, Mr. Moore told the boys. This will save feed, eliminate the non-producing and provide more room for laying pullets. Services of the boys will be available for poultry culling to flock owners for a nominal charge.

Arrangements for the two days culling school was made through the cooperation of H. S. Osler, County Agricultural Agent, Court House, Ann Arbor.

Y. M. CHILD STUDY CLUB

The members of the Young Mothers Child Study club and their guests met at the home of Mrs. Russell McLaughlin on Tuesday evening, September 25. Lieut. George Parish gave a very interesting talk on child delinquency. He related some very interesting facts about the Cassidy Lake camp and the boys connected with it.

The next meeting of the club will be held at the home of Mrs. Alfred Mayer on October 10. This will be a Red Cross meeting.

OFFICE NEWS

Football boys go to Dundee Friday to play first game of season. First home game will be played October 6, with Flat Rock.

A member of the CAP from Ann Arbor met with the boys Tuesday to discuss the possibilities for enrollment in CAP courses.

ATTENTION!

The Journalism Club would like the help of the community in making a complete and up to date mailing list for their service letters. This includes new addresses and the names and addresses of boys who left during the summer. Thank you.

YOUR FUTURE

Another school year has begun, but there are some things missing. One, which happens every year, is that the last year's Seniors are gone. Another which doesn't often happen but because of the War it has happened, is that many of the boys have joined the Armed Forces. A third, which has been growing for the last two or three years is that a number of boys and girls are giving up their chance for an education which would actually help their country in a future time of need. This is due to the manpower shortage which has caused the employer to pay higher wages to their employees.

Millions of boys and girls have been working during their vacation and can't see beyond the next pay day and how much they will get. Now that school is beginning their conscience is having a trying time deciding between school and money.

In the near future, millions of veterans will be returning from the war and wanting jobs; more millions of discharged war workers will be looking for jobs.

Will they see the few obvious facts employers will consider when hiring? Are you able to see these facts too?

1. Employers will want people with the most training.

2. To enter college you must have a high school diploma.

3. People going to night school seldom finish.

4. An incomplete high school course may be a lifelong handicap.

So if you have not finished high school, stay in school and have a future.

"IF YOU ASK ME"

It's usually customary, after the first week of school, to track down all the new teachers and a few of the old, and proceed to get some sort of statement from them concerning "good old Chelsea High" and its students. Now, that is a much harder job than it appears, because most teachers have a habit of hiding when you want them and turning up when you don't! But after a fashion we were able to secure a few answers to our questions.

In answer to such questions as, "how do you like your work, what do you think of the school, and your opinion of the students?" Miss McMahon and Miss Beam were agreed that the school was a comparatively well equipped one and they liked the new paint as well as anyone. As for their work, they love it, and were greatly impressed by the friendliness and courtesy of the students. "They treat you like one of the gang," they both said in surprise, and by the expression on their faces they both enjoyed it.

Miss Fox's brief (?) reply was: "I'm glad to be back and like my new desk very much." (she was only doing about six other things at the time, too!)

Miss Alban said that she liked it all very much and summed it all up by saying, "There's nothing like teaching!" (We wonder what she meant by that?)

Mr. Cameron had nothing to say whatever! Must be the weather!

Mr. Alperitz merely sighed, closed his eyes, and in an emotional voice said, "I love my work deeply!" After which he laughed hysterically for some time!

Miss Schell has reported she likes everything about her work. She says, however, that the between-classes-

jam-session was a little hard on her physically.

The things all of the new teachers have said about us and our school as a whole should make us very proud! Let's hope their opinion will not change in the months to come.

ATHLETICS

There are thirty-two boys going out for football this year. They are: Jim Gaken, Tom Smith, Leroy May, Jack Wellnitz, Don Eismann, Charles Slane, Marion Dietle, Cameron Colquhoun, Ray Knickerbocker, Jim Miller, Don Baldwin, Jerome Burg, Douglas Vogel, Bragdon Barlow, Don Barth, Robert Breitenwischer, Lyle Chriswell, Roland Roberts, Bob Daniels, Eldore Carlson, Howard Smith, Don Eder, Eldean Eisele, Jim Carragher, Richard Carlson, Charles Dudley, Bill Van Riper, Dick Schulze, Dale Collins, Milton French, Duane Clark, and Junior Niehaus.

There was to be a scrimmage with Dexter last Tuesday here. There will be a game with Dundee tomorrow, at Dundee.

HI-Y CLUB

The Hi-Y Club for this year has been organized with the following officers: Jim Gaken, president; Jim Gaunt, vice president; Veryl Steinaway, secretary; and Robert Gross, treasurer. Mr. Alperitz is faculty advisor.

At the same time it was decided that the prospective new members be invited to the next meeting.

Christmas card orders are being taken in the hall, by the office. Anyone outside of school wishing cards, please leave name and address with Mrs. Claire.

CHORUS

Forty-seven students have enrolled for Chorus this year under the direction of Miss June Betterly. Although there is quite a large group there is a decided shortage of boys. Any boys who take band, and are interested in Chorus, may make arrangements to take it also. If there are any other boys who are interested they are urged to join at once.

GIRLS' ATHLETIC ASSOCIATION

The G.A.A. had their first meeting Tuesday with forty-one present. Miss Beam is the director this year. A committee was appointed by Miss Beam to plan a program for the first part of the year. The committee included Joan Moore, Barbara Eaton, Francis Hale, Elaine McClear and Ruth Paul.

HOMEMAKING NEWS

In place of Homemaking III this year, Homemaking I and II each meet for ninety-minute periods instead of the usual sixty minutes.

The three girls in the Homemaking III class are acting as assistants:

Jane Downer and Ruth Paul in the seventh grade class, and Melva Myers in I.

One of the classes is studying a unit of related art, and another is studying nutrition. They plan to invite the fourth grade to some of their classes later on.

All students are invited to see the display which is now in the Home Economics room.

STUDENT COUNCIL

The Student Council has appointed the following committees: Social—Donna Perkins, Bragdon Barlow and Douglas Vogel; Assembly—Veryl Steinaway, Clara Miller and Charles Slane; Buildings and Grounds—Duane Luick and Donna Burman.

BAND

The Band has started this year with twenty-four members. Try-outs were held Thursday and Friday. Many interesting things are being planned for the coming year.

In Geography we have found that Eurasia has a greater amount of people than any other Continent.

In Science we found that the sun is a million times larger than the earth.

We are reading the story of Robinson Crusoe. We like it very much and hope you can read it also.

We have chosen sides in football. The blocking does the runner very much good.

Seventh Grade

By Betty Jean Osborn
The seventh grade came back to school to find itself in an entirely different set-up, with subjects such as shop, home making, study hall, and so on, which are new.

Three new pupils have joined the group. They are Margaret Jean Collins from Beach school, Jim Clark from Sylvan Center, and Priscilla Popp from St. Mary's.

Some of the pupils used their vacations to good advantage. Danny Maroney went to West Virginia, Dorothy Howard waited in Royalton, Ky., Marilyn Johnson went to Canada. That must have been exciting, eh? Barbara Manore went to Toledo. Jean McClure went to camp for eight weeks. Lucky, isn't she?

Eighth Grade

By H. Jarvis and D. Eismann
We started out the year with an enrollment of thirty-four pupils, four of which are new. They are: Gerald Fauser, Lois Stevens, Audrey and Robert Taylor. Gerald has been with

us before in the sixth grade.

We started out the year by getting right at our work. It might be because of the extra two weeks' vacation.

Miss McDonald, our home-room teacher, teaches all our subjects, except history, which we take from Miss Spence, and gymnasium, which is taught by Miss Beam.

Our room has been painted. It looks very nice and we hope to keep it that way. We have a new teacher's desk and bulletin board.

In Science, we have made a star map. We have also had a test on the first science chapter.

THE OLD JUDGE SAYS...

"Did you hear that Tom is going to be inducted into the Army next week, Judge?"

"Yes, Frank told me this morning down at the barber shop. Our town's got a lot of men in the service now, Jim. In fact, all towns have. I was just reading in the paper where there are more than 10,000,000 men away from their homes in the armed forces. And, from all reports, they're doing a grand job bringing victory closer every day."

"We folks at home have a mighty big obligation to those 10,000,000 fighting men. We've got to produce the food to keep them

well fed. We've got to keep them supplied with the ammunition and equipment they need to finish their job. We've got to help the Government pay for all these supplies our men need by buying more and more War Bonds. We'll have another big chance to do that by helping to put the next War Loan drive over the top, Jim."

"And, in addition, we must be sure that, while they're away and can't express their opinions, we don't go voting on and deciding any things that will displease them when they come back."

Foods at Their Best

PARSLEY BUTTERED...
NEW POTATOES

New potatoes are in the market. They are good in texture and flavor, particularly if cooked with the jackets on. Let's get all the food elements out of potatoes that we can. To do this, it is better to cook them in a small quantity of water — just enough to create steam inside the pan. This is true in cooking all vegetables. A large quantity of water may be used, but it is not advisable because Vitamins B and C are readily dissolved in water.

Potatoes are a fairly good source of Vitamin C, too, not because there is so much in one potato, but because Americans eat so many potatoes. We can depend on them for part of our daily Vitamin C requirement. After cooking the potatoes, remove the skins, roll them in butter and chopped parsley. Serve immediately.

(6 Servings)

22 small potatoes or 6 medium-size potatoes 1/4 cup melted butter or margarine
1/2 cup boiling water 1/2 teaspoon salt
2 tablespoons chopped parsley

1. Wash potatoes, put into a saucepan, add water and cover.
2. Heat to the boiling point over a full flame; turn burner down to the simmer position or to a low flame.
3. Steam 25 to 30 minutes or until potatoes are tender.
4. Remove skins while potatoes are hot.
5. Roll potatoes in butter and sprinkle with salt and chopped parsley.

WEDDINGS

Lehman-Sharpe
Helen Caroline Lehman, daughter of Mr. and Mrs. Elmer C. Lehman, became the bride of Glendon Sharpe, son of Mrs. Laura Russell of Howell on Tuesday evening in St. Paul's Evangelical church. Rev. Paul H. Grabowski performed the ceremony at 7:30 before a background of palms and gladioli, and candelabra bearing white tapers.

Mrs. Carl J. Mayer played the bridal chorus, also accompanying Mrs. John Osterle who sang "Because" and "The Lord Is My Shepherd." Given in marriage by her father the bride wore a gown of white satin with fitted bodice and full skirt. Lace insertion formed a square line and also trimmed the slight train. Her finger tip veil fell from a beaded tiara and she carried a white prayer book with a purple orchid and streamers of white.

Edna Steinway, the maid of honor, wore a gown of light blue taffeta. A flower of the same material held a veil of pale pink tulle, which fell to her shoulders, and her bouquet was of tallian roses.

Glenn Hanson of Fowlerville was best man, and the ushers were Earl Lehman, brother of the bride, and Thomas and Clarence Sharpe, brothers of the groom. A reception for 75 guests was held in the church hall following the ceremony.

The bride, a graduate of Chelsea high school and Cleary business college, has been employed at Eberbach & Son Co., Ann Arbor.

The groom, who graduated from Howell high school and Cleary business college has a position with the General Motors Corporation, Detroit. After a short wedding trip, Mr. and Mrs. Sharpe will reside at 31 Maplewood avenue, Detroit.

MEN IN SERVICE

(Continued from page one)

chance I get. Don't worry about me. Love—Bud.

September 14, 1944.

Dear Mother and Babe:

First off—don't worry about me because I'm in France—under the circumstances I don't think you're going to have any cause to worry. I've enjoyed all the traveling I've done up to now. I liked England, although I didn't get much chance to know it like I wanted to. I like France and the French people. I can converse somewhat with the people here because we've been issued booklets containing the necessary phrases and sentences to open a conversation and chat about this and that. This country has felt the war a lot more than England did—France is practically nothing but rubble and dust. Some parts haven't been hurt but other sections are leveled to the ground. They've taken quite a beating and they're making out in the midst of their ruins—brave people, the French. Keep writing and don't worry about me. I'm well and safe.

Your son—Bud.

Mrs. Hilda Grissom received the following letter recently from her son, Sgt. James Grissom, who is serving in the European Theater of operations:

Dear Mother:

Just a line or two to let you know that everything is O.K. I am hoping to hear from you any day now. The mail is very slow here—hope it picks up some of these days. I sure would like to get a few letters, but I bet when I do get the mail there will be quite a stack.

How is everything with you and the kids? Hope they have their new place fixed up by this time—bet Albert sure is proud of it.

Wrote a letter to Jim Livermore a while ago. Hope he is well.

Do you get to see any of our old friends anymore? Well, Mom, there isn't much to say but I am well and am making it O.K. Will close for this time and hope to hear from you soon.

Love—Jim.

Pet. Ethel Hale Raley, daughter of Mr. and Mrs. Vincent Hole, and a member of the Women's Marine Aviation Reserve, has been promoted to the rank of First Class Private. She spent her furlough in Chelsea last week.

At the business meeting, conducted by the president, Mrs. Philip Olin, reports were read on the summer activities of the various circles. All are working enthusiastically on their projects for the annual church fair to be held in November. In closing, Mrs. Olin read a beautiful poem called "Scripture of a Soul," by Kagawa.

ADMIRAL ERNEST J. KING: "The dollars of every patriotic American must continue to build invasion ships to transport our men and materials in increasing numbers to the many active fronts. In 1944, more than ever before, the money we invest in War Bonds is of supreme importance."

GENERAL GEORGE C. MARSHALL: "The American people must give not only their full personal effort but the full use of their dollars invested in War Bonds to back these attacks. There is no alternative. Total victory is in sight, but it can only be won by concentrating every resource of America to the task."

The first 3 years have been the easiest!

It's easy to give everything you've got when you're scared to death and fighting for your life.

It's hardest to bear down when things look "in the bag."

As the war looks today, for instance.

Overconfidence may not lose us this war. But if it

makes us ease up, it can prolong it.

Even if only one extra day is added to the war—just one—thousands of American boys may die for it. Perhaps, God forbid, a friend of yours, or son, or brother, or sweetheart, or husband.

So don't slow down now. Don't coast. Buy Bonds with that extra cash—all the Bonds you can.

After all, buying Bonds is not only a patriotic but a very wise thing to do. The dollars you put in Bonds now will come back to you—bringing more dollars with them. Dollars that can mean happiness, security, comfort—just when you'll want those things most.

Buy War Bonds for your country. Buy them for yourself. They're the world's safest investment.

War Bonds—to have and to hold
