Mishaps Most Costly
New York state workmen's compensation board survey showed that accidents in the construction industry are more severe and costly than in any other industry. The average cost of compensation to disabled construction workers was twice the amount of payments to other disabled workers. Falls account for the most accidents.

Extension Groups To Learn How to Repair that Freakish Hat

Making the old hat look like new will be demonstrated at the meetings now being planned by the Home Economics Extension groups of Washtenaw county.
Miss Mary C. Wiseman, Home Demonstration Agent, announces that a leader's meeting has been scheduled on Feb. 5, 6 and 9th at Rows Corners, Ann Arbor and Ypsilanti, from 10:00 a.m. until 3:30 p.m.
The lesson "New Hats from Old" will include instructions on the cleaning and blocking of hats; freshening of veils and ribbons, and the retrimming of hats.
How to reduce the millinery bill, save material, and yet have a hat which adds to one's appearance is of interest to every woman.
Practically every woman has an old hat which she wishes she might wear. It may be one which she has enjoyed but is now outdated or soiled, or it may be one which was a mistake in the first place. With planning, perseverance, and a little "know-how," most women can clean and re-trim an old hat and give it a new, up-to-date look.

Highest of All Authority
The Koran, the sacred book of the Mohammedans, forms the religious, social, civil, commercial, military and legal code of Islam. It teaches that there is but one god and that Mohammed is his prophet. The word Koran signifies "the reading."

National Guard Commission

Now Open to All Grades

A policy of direct appointment of second lieutenants to the National Guard of qualified former enlisted men of all grades has been announced by Major General Kenneth F. Cramer, chief of National Guard Bureau.

Former enlisted men having a minimum of six months of service in the Army of the United States between Dec. 7, 1941 and June 30, 1947 are now eligible for direct appointment as second lieutenants in the National Guard if they meet the following requirements:

1. They are graduates of an accredited college or university where no advance Reserve Officers Training course was given or, if it was given, their period in school before graduation was too short to permit them to complete the ROTC course.

2. They are 21 years old and have not passed their 28th birthday at the time of appointment in the Guard.

Commissioned as second lieutenants in the National Guard are also open to advance ROTC graduates without previous military service.

Hitherto, direct appointments were limited to eligible warrant officers and enlisted men of the first three pay grades.

Interested veterans should inquire at any Army or write to the Adjutant General's office, Capitol Savings and Loan Building, Lansing.

Sprinklers Pay Off

Use of sprinkler irrigation of hops increased the income of Oregon farmers more than \$800,000 in 1945.

Based on Oregon station experiments showing increases of 25 to 40 per cent due to irrigation, an estimated 5,000 to 7,000 acres are now under irrigation in Willamette valley.

Birth of Experiment

First agricultural experiment station in America was established in Middletown, Conn., in 1875, under direction of Prof. Wilbur C. Atwater of Wesleyan university. He later became founder and chief of the U. S. department of agriculture experiment station. Atwater conducted extensive experiments in calorimetry.

DEATHS

Miss Nellie Winter
Miss Nellie Winter, a former Chelsea resident, died Thursday afternoon at Fiske hospital in Jackson and funeral services were held in Jackson Monday afternoon, with burial taking place in Woodlawn cemetery there. She had lived near Jackson for many years.

Miss Winter is survived by a sister, Mrs. Louise Wilcox of Jackson and several nieces and nephews including Fred and Will Winter of Chelsea.

Mrs. Robert Inskip
Mrs. Robert Inskip of Ann Arbor, a resident of Chelsea for some time about thirty-five years ago when Mr. Inskip was employed at the former Flanders Mfg. Co., and later, at the Chelsea plant of the Hoover-Ball company, died suddenly of a heart attack at her home, 1305 Edgewood avenue, Wednesday evening. She was the former Anna S. Barsantee and was born in Philadelphia, Pa., March 27, 1881. She and Mr. Inskip were married in Philadelphia June 26, 1907. They left Chelsea when the Hoover plant here was discontinued and have lived in Ann Arbor since that time.

Survivors are her husband, two daughters, Mrs. Dwight L. Faupell of Niles, and Miss Wilma Inskip of Ann Arbor, and a nephew, Robert J. Barsantee, of Ann Arbor.

Rev. Robert H. Jongeward officiated at the funeral services which were held at the Muehl Funeral chapel in Ann Arbor at 8 o'clock Saturday afternoon. Burial was in Forest Hills cemetery, Ann Arbor.

Club and Social Activities

DESSERT BRIDGE CLUB

The Dessert Bridge club was entertained Monday afternoon at the home of Mrs. J. E. McKune.

HONORED ON BIRTHDAY

Mrs. Walter Gage entertained at a dinner Friday night in honor of her son, Lynn, whose second birthday occurred on Thursday, Jan. 29. A feature of the dinner which was of special interest to the honored youngster, was the beautifully decorated birthday cake which centered the table. He was remembered with a number of very nice gifts.

Later in the evening the guests

enjoyed several games of cards.

Those present at the dinner included Mr. and Mrs. Leigh Luick and son, Mr. and Mrs. Elba Gage and Miss Hilda Gage. Mrs. Otto Luick, great-grandmother of Lynn, joined them for the evening.

FAREWELL PARTY

Mr. and Mrs. Elton Frey, who, with their family, will move soon to Ann Arbor, where they have purchased a home, were honored on Thursday evening with a surprise farewell party at their farm home on Sibley road, which they have sold to Paul Maroney. About forty friends and neighbors were present.

ent and in addition, Mrs. Frey's parents, Mr. and Mrs. Fred Rens of Ann Arbor and Mr. and Mrs. Ralph Frey, Mildred Frey and Barney Lewis, also of Ann Arbor, were guests.

The Freys were presented with a pair of end table lamps as a gift from the group.

Cards were enjoyed as the evening's entertainment and high prizes were awarded to Mrs. Lynn Main and Floyd Rowe, while Mrs. Lewis Schneider and Mr. Rens received the consolation prizes.

A pot-luck lunch was served following the games.

ANNOUNCE ENGAGEMENT

Mrs. Ruth Riemenschneider of Detroit, formerly of Chelsea, announces the engagement of her daughter, Grace Winifred, to Bruce Love of Howell. The wedding will take place in early summer. Miss Riemenschneider is a teacher in the Fowlerville school and graduated from Chelsea High school with the class of 1941.

ENTERTAINS AT PARTY

Mrs. Chas. Loomis entertained ten children Saturday in honor of Philip and Karen, who were celebrating their eighth and sixth birthdays, respectively.

Games were played and prizes awarded. Refreshments of ice cream and cake were served to the youngsters.

Philip and Karen received many nice gifts in honor of the occasion.

ENTERTAINS CYTHEREANS

Mrs. D. R. Hoppe, who plans to leave soon for Concord, Calif., for an indefinite stay with her son-in-law and daughter, Mr. and Mrs. Ernest Ascher, entertained the CytHEREANS at a 6 o'clock dinner at the home of Mrs. Henry Schneider, Friday evening. Fourteen ladies were present.

Enroute to California, Mrs. Hoppe plans to stop at Tucson, Arizona, for a visit at the Donald Bacon home and at Altadena, California, to visit Dr. and Mrs. Horace R. Getz. Mrs. Getz is a daughter of Mr. and Mrs. Henry Schneider.

Mr. and Mrs. Harold Mahurin of Nevada, Mo., who came to Ann Arbor Saturday to attend the Silver wedding of the latter's aunt and uncle, Mr. and Mrs. Roy Page, spent from Sunday afternoon until Monday here at the home of another aunt and uncle, Mr. and Mrs. Coral Combs.

MR. AND MRS. ROBERT GILLETTE are shown above as they were leaving the altar following their marriage in St. Paul's church, Friday evening. Mrs. Gillette is the former Virginia Lucht.

Lucht-Gillette Vows Repeated in Friday Candlelight Service

Vows uniting in marriage Virginia Lucht and Robert Gillette were repeated by them at an impressive candlelight double-ring ceremony performed by Rev. P. H. Grabowski in St. Paul's church here at 8 o'clock Friday evening in the presence of one hundred and fifty relatives and friends of the couple. The bride is the only daughter of Mr. and Mrs. Otto Lucht. Mr. and Mrs. Gillette are Mr. and Mrs. Thomas Gillette of Jackson.

Before the ceremony, Mrs. Rohn Miller sang "Because," and later, during the rites, she sang "The Lord's Prayer." The organ accompaniment was played by Mrs. Carl Mayer, who also played the wedding march from Lohengrin's "Bridal Chorus" as the wedding party entered the church and appropriate soft music as the guests were being seated.

Potted palms and baskets of gladioli, white snapdragons and cushion mums placed at either side of the altar in a banked effect arrangement, together with the tall, seven-branched candelabras holding the lighted, white candles, and the large white bows marking each pew, all combined to make a beautiful setting for the ceremony.

Preceding the bride down the aisle were the bridegroom's sisters, Mrs. Maurice Richmond of Lansing, and Mrs. Robert Horton of Jackson, as bridesmaids, and the bride's cousin, Mrs. Veryl Steinaway of Ann Arbor, as matron of honor. Mrs. Steinaway, in a floor-length velvet gown of Alpine rose color, wore a matching colored sash which plumed in her hair and carried a tiny satin muff of the same color on which was fastened an arrangement of "Better Times" roses.

The bridesmaid's wore Arcadia blue velvet with blue plumes in their hair. Their muffs were of the same blue and their flowers were like those of the matron of honor.

The gowns of all three were made alike with sweetheart necklines and long fitted bodices, and with the full skirts attached at the hip-line. The very short puffed sleeves were finished with an edging of pleated velvet. All wore triple-strand pearl necklaces.

The bride, entering with her father, who gave her away, was gown in a candlelight chiffon-velvet fashioned with a long-line bod-

white four-tiered wedding cake topped with a white bell ornament in which were tucked a few orange blossoms and valley lilies. Low bowls of white snapdragons and "mums" and twin crystal candleholders bearing lighted white tapers were placed at either side of the cake. The silver coffee service at which another cousin of the bride, Angeline Merkel, presided, completed the lovely table arrangement.

Mrs. George Winans was in charge of the guest book at a table on one side of the hall on which also was placed a low bowl of red snapdragons tastefully arranged with a few white mums and gladioli spikes among them.

Mrs. Lucht wore, for her daughter's wedding, a grey dress with a rose print design and rose-colored sequin trimming, with which she wore a deep rose-pink camellia corsage. Her hat was black and was trimmed with a large white flower.

The bridegroom's mother wore an aqua-colored dress trimmed with matching sequins, and a black hat. Her accessories were black and her corsage was of pale pink camellias.

The bride's grandmother, Mrs. Mary Faust, was in black and wore a corsage of white Amazon lilies.

The bride is a graduate of Chelsea High school and is attending the Walton School of Commerce in Chicago. She is employed as bookkeeper at the Chelsea Implement company.

The bridegroom, a graduate of Middleville High school, served three years with the armed forces and is now attending the University of Michigan.

Mr. and Mrs. Gillette will be at home, after a week's honeymoon in Chicago, in the Ulrich apartment at Harrison and East streets. For going away, Mrs. Gillette wore a gold and brown gabardine suit with brown accessories. Her corsage was the orchid she had carried on her Bible.

Pre-nuptial miscellaneous showers were given for the bride by Mrs. Richard Hoelzer and Mrs. Earl Brown of Leslie, at the Hoelzer home at Cavanaugh Lake, and by Mrs. Roy Tutthill of South Haven, Mrs. Ray Gillette and Mrs. John Stuckemann of Ann Arbor, at the home of Mrs. Stuckemann. The rehearsal dinner was given at the home of the bride's parents, Thursday evening.

MERRY STITCHERS MEET

The 4-H Merry Stitchers held another sewing session at the home of their leader, Mrs. Wilbur Hart, Saturday afternoon, Jan. 31. The afternoon was spent cutting patterns and sewing on their garments; also exchanging sewing tips.

Three of the members are still ill and were unable to attend. Refreshments were served in the form of cake, cookies and fudge candy, after which dancing and singing was enjoyed by the group.

The next meeting will be Feb. 14. Everyone is requested to bring a valentine. —Leona Hatt, Reporter.

FREEDOM FOR THE FREE

Abraham Lincoln devoted his life to the task of making his country truly free. Today, in countless laboratories through-

out the land, scientists are devoting their lives to assure a new birth of freedom from the slavery of disease — to bring greater freedom to the free men of our country and of the world. We salute these great emancipators, on the birthday of the greatest emancipator of them all—Abraham Lincoln.

Desire Spring Jobs

As spring approaches, many citizens of Chelsea may need help with jobs that can be handled by boys and girls of high school age. Most adults can testify that they have learned as much by holding a job as by taking a course in school. This valuable work experience should be given to more of our young people.

The High School will do its part by serving as a clearing-house in trying to fit workers into the right jobs. Employers should contact Marshall Richards, Director of Guidance and Vocational Education, at the High School.

Flying Lizards of Malay

The flying lizards of the Malay region have a fold of skin along the sides of the body which enables them to make gliding flights from tree to tree. These "wings" are often so gorgeously colored that the animals in flight resemble gaily colored butterflies, but the body is usually of a sober hue and when the wings are folded, the change is so abrupt that the animal itself seems to disappear.

Oil for Everyone

Some 1.75 billion barrels (42 gallons each) of crude oil were moved from oil wells to 400 refineries in the past year. This averaged more than 33 gallons for each of the world's 3.15 billion people.

University High plays the girls here, tomorrow afternoon at four o'clock. The boys play U. High also; their game in the evening begins at seven o'clock.

The Juniors are in charge of a pot-luck dinner to be given here, tomorrow evening, starting at five-thirty p.m.

There will be dancing in the

gymnasium after the U. High game until eleven o'clock p.m. The girls play Dexter there, Tuesday, Feb. 10, at four o'clock.

"LET'S DO IT WEEK"
The idea of having different weeks of the school year devoted to special interests strikes us as a very good idea. The Student Council has discussed the subject at its meetings. Maybe a little encouragement on the part of the student body would start the ball rolling.

You diligent little souls who take time to read the editorial column each week can plainly see how the Journalism club has striven to promote courtesy to students and

teachers, cleanliness, good will, better marks. And several other items that have slipped our minds at the present time. These things might be achieved if a bigger issue were made of them. Why doesn't the school have a "Be Kind to Teacher Week," a "Better Grades Week," a "Teacher Have a Say" path on Student Week, a "Keep the Desks Clean Week," a "Courtesy to Each Other Week," a "Get to School on Time Week," or "Bring a Pencil to Class Week," just to mention a few? All of us would be accomplishing an aim while actually having fun trying to out-do one another.

How does this idea appeal to you? Good? If so, try to think up some other constructive ideas and tell your Student Council representative about them.

GIRLS ATHLETIC ASSOC.
The Chelsea girls played the Manchester girls last Tuesday, in the local gym.

The starting line-up was as follows: Chelsea—(guards) M. Palmer, P. Schaible, M. Robards; (forwards) J. Hughes, D. Howard, M. Schrader; Manchester: (guards) E. Johnson, A. De Claire, S. Merriam; (forwards) J. Conser, A. Little, M. Wright.

The game got off to a roaring start with Chelsea leading 6-0 in the quarter by 6 to 0. The second quarter was not so profitable, both teams battling, with only two points scored.

At the half Chelsea was still in the lead, 6 to 2. Immediately after the half, Manchester came to life and made two quick baskets, tying the score. The teams then battled the rest of the game, with Chelsea scoring seven more points to Manchester's two. The final score of

the game was Chelsea 13 and Manchester 8.

RED CROSS MEETING

Audrey Lake, president of the school Red Cross organization, discussed with the home room representatives, the making of tray covers, napkins, and greeting cards for children stricken with infantile paralysis. There were other items mentioned for the children of Europe, such as albums and gift boxes. To help with these items they would like the cooperation of the students themselves. Ways of making money to pay for the material needed was also a subject of discussion.

PEP MEETING

The walls of Chelsea High school echoed with laughter at the Pep Meeting given by the Latin club, Jan. 27. The pep meeting was opened with speeches from Mr. Newkirk and Mr. Cameron. A skit was given concerning the Roman Gods Hercules, Minerva and Mercury, played by G. Lehman, R. Eder and R. Usewick. A student, B. Wolfe, was trying to find out who would win the Manchester-Chelsea game. Mr. Cameron (T. McClellan) sent her to an oracle (C. Dryer) who in turn called the Gods. The Gods were about ready to drop dead from exhaustion and had promised to help Manchester anyway.

At this point the wonderful Manchester cheerleaders (B. Matson and B. Toney) performed. After two cheers from the Chelsea cheerleaders, there were talks from J. Miller, D. Vogel and D. Meyers, stating that Chelsea would win without the help of Gods. The pep meeting was closed with the school song.

STUDENT COUNCIL

The Student Council has decided that there will be no more dancing Monday nights. This is because of poor attendance. They are going to purchase a new box for the records. The Student Council will be in charge of finding guides and ushers for the Parent's Night program. There will be a prize for the grade that has the largest number of parents in attendance. There is to be considered the advisability of a series of weeks devoted to special subjects such as "Be Kind to Teachers," "No Gum Chewing," and so on.

MARCH OF DIMES CAMPAIGN

An assembly on Jan. 27 informed Junior and Senior High School students of the infantile Paralysis campaign to be held from Jan. 27 to Jan. 30. Phyllis Fisher, a senior, was the speaker at this assembly. She told of the importance in contributing to this great cause.

Every year grades from seven

There were also many movies, demonstrations and speeches dealing with improved methods of producing and marketing farm products.

ASSEMBLIES

After that strenuous Manchester game Tuesday night, Mr. Johnson thought Chelsea students would need a little pepping up. He started the day off right by calling an assembly in study hall, and reminded us of the fact that Mr. Newkirk had put himself out on a limb, by saying that we would win the game, and much to our joy he didn't fall off!

We have to give the girls' team credit for the well-undefeated position they've been holding throughout the last two years. The captain, Joyce Hughes, assured us that they would keep up the good work with a little more support from us.

Mr. Newkirk gave a few of the faithful bench warmers a little due praise. The boys are Don Bald-

ATHLETIC BOARD

Mr. Newkirk recommended that Chelsea High have mats at both ends of the gym under the baskets. The motion was made and carried that the Athletic Board buy them.

The Athletic Board decided to pay for the U. High basketball girls' supper at the banquet tomorrow night.

The question arose as to whether or not the Athletic Board should pay for the Band members' supper. After some discussion the motion was made and carried that this was not necessary.

BAND NEWS

The High School Band played several selections at the Chelsea-Manchester game, Tuesday evening.

The High School Band and the Grade School Band also played at a special assembly for the Grade schools. The Grade Band played "Old MacDonald" and "Yankee Doodle."

The next appearance will be at the Chelsea-University High school game, Friday, Feb. 6.

FFA NEWS

Nearly all of the 44 FFA boys attended Farmers' Week Day College in Lansing, Thursday, Jan. 29.

The main items of interest were the steer judging, the exhibits of all the latest farm machinery. Many were interested in the irrigation and safety exhibits. Gov. Sigler addressed the farmer's group in the afternoon.

SMALL TALK

Going around one of those many corners at Lincoln Consolidated, one ran into a mass of new Chelsea school sweaters. Did anyone forget to wear theirs? At the gym door one heard many shouts and saw George Heydlauff dribbling down the floor. What a game! Speaking of games, that variety game was no tea party! The poor referees had a hard time; one player on each team had the same number.

Some conspicuous things about the school were its many, many halls and the lockers recessed into the wall. The school is very nice. Chelsea drinking water is far superior to theirs, in both temperature and flavor.

CHORUS NEWS

The Chorus is planning to present an operetta sometime during the first part of May. Places are still available in the regular Chorus, especially male voices are needed. Tryouts for the operetta will take place in approximately two weeks. The special Chorus, a (Continued on page eight)

STYLE-PACING TEN STUNNING MODELS

Is the 144-hp. Model 71 ROADMASTER 4-door Sedan shown above "Type 1" also available on the 115-hp. SUPER and the 110-hp. SPECIAL? The trim 2-door Sedan is likewise available in all three of these series, while the sleek-lined Convertible and the all-purpose Estate Wagon are both supplied on ROADMASTER and SUPER chassis.

Buick takes the bows—with ten sparkling models, a new Vibra-Shielded ride, sensational Dynaflo Drive, 30-odd new advances

The curtain's up—the show is on—and look what's in the spotlight, taking all the bows.

It's Buick—this bonnie, brawny Buick, highway fashion plate of 1948, and easily the most distinguishable car on the road.

It's taking bows for the eye-appeal of its ten stunning models—for their size, steadiness, and rich, fine finish.

It's catching bouquets on the brilliance of Hi-Poised Fireball power, now so utterly smooth you hardly know the engine's running—and now provided in separate horsepower ratings for the sprightly SPECIAL, the quick-stepping SUPER—and two for the rich and regal ROADMASTER.

It's getting applause on Safety-Ride rims, pillow-soft tires, coil springing all around, on bodies newly sheltered against travel noise—on no less than 30 new features.

But most of all it's winning curtain calls on two major advances no other car offers.

One is the sensational new Dynaflo Drive,* through which something close to magic is made yours.

Here there is no gearshifting, even by automatic devices under the floor boards. Here for the first time the power plant does what gears used to do—giving you smooth fast starts, silken acceleration, effortless

cruising at the touch of your toe on the gas treadle.

No clutch pedal—no sliding gears—no halt, hesitation, jerk or click. Just silken ease and matchless simplicity.

The other star feature is the Vibra-Shielded ride. It's the first ride in which the driver and passengers are fully shielded against vibration build-up—against the piling up of little vibrations into big ones that leave you tired and tense.

Engine sensation becomes almost imperceptible—road noise cut to the minimum. Every model in the line gets a new measure of smoothness, quiet and ease that make Buick more than ever the car wanted for its all-round satisfaction.

Buick dealers everywhere are showing this fashion plate of '48. See it. Look into it. And get your order in.

*Optional at extra cost on Roadmaster models.

NO GEARS EVER SHIFT IN DYNAROW DRIVE*

In Buick's new Dynaflo Drive, sliding gear transmissions and complex gear-changers are made unnecessary. You simply set a selector lever and step on the gas. The power plant does the rest, adjusting itself to varying driving conditions with utter smoothness. You start up—accelerate—climb hills—cruise—stop—start up again—all without touching the selector lever.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

From where I sit... by Joe Marsh

Do You Have Noisy Neighbors?

A lot of the neighbors were suddenly annoyed by Jeb Crowell's hammering at night. Jeb was building himself a new front porch—and the only time that he could give to it was after sundown.

Finally we decided the best thing to do was all pitch in and help—and get the carpentry over with as soon as possible. We did. Finished the porch next evening—and Jeb gratefully treated us to ice cold beer and cider.

From where I sit, that's what being a good neighbor means. In-

stead of complaining about the other fellow's habits, try to understand and share his interests.

So if my practicing on the flute annoys you, come on over, neighbor, with your fiddle or guitar and join me! Maybe it will end up in our knowing and appreciating one another better... in an evening of good fellowship. And I'll promise to provide the beer that goes with evenings of good fellowship!

Theodore Feldkamp has sold his farm in Freedom township to Joseph Wenk, who will take possession of the farm the coming spring.

Michigan Center High school will present a comedy, "Lost a Chapter," at the town hall next Tuesday evening.

Consumers Power company is planning extensive improvements to take care of increases in its Chelsea business.

Estimates of Supt. Boehm indicate approximately \$10,000 profit will be credited to the Chelsea Municipal Power plant for the fiscal year.

Mrs. Albert Nicolai, whose illness was mentioned in the last issue of The Standard, was taken to the U. of M. hospital in Ann Arbor, Tuesday, for treatment.

The C. G. Spring Co., the first of the week transferred several of their former employees of the Chelsea shop to their shop in Detroit, where they will be employed until the shop here is re-opened later in the season.

The Washtenaw Farmer's club will hold their regular meeting at the home of Mr. and Mrs. S. A. Mapes, Friday, Feb. 15. There will be a discussion on the topic, "Are We in Favor of the Income Tax?" led by S. A. Mapes.

Miss Maude Jayne, formerly principal of the Chelsea High school, and Dr. B. H. Honeywell of Ann Arbor, were married in Grand Rapids, Feb. 2, 1924, and will make their home in Ann Arbor.

Mrs. T. Wallace, who, with her husband, resided for many years on the farm in Sylvan now owned by Mr. and Mrs. Walter Boone, died at the home of her daughter, Mrs. Mabel E. Blum, in Ann Arbor, Sunday, Feb. 3.

Chelsea joined with other municipalities in mourning for the late ex-President Wilson, who died at his Washington home Sunday, Feb. 3, when the first plane of half-staff out of respect for the memory of the war-time president.

Washtenaw County

Rural Property Value

Shows Increase in '47

Farm property in Washtenaw county is now worth more than \$34,247,000, and rural homes here and throughout the state are in the best condition in history, according to a report just released by the Title Council of America.

More than 88 per cent of farm dwellings in Michigan and in the North Central states are in excellent condition or need only minor repairs as painting or general maintenance, the report revealed. Only 69.9 per cent were in good repair in 1940. The report was based on Bureau of the Census surveys.

"The rise in farm incomes and property values since 1940 has been accompanied by a great increase in the number of rural homes equipped with such modern conveniences as electric lights, tiled baths and showers and running water," said F. B. Ortman, chairman of the Council's residential construction committee.

Electricity, for instance, has gone into hundreds of thousands of rural dwellings in this state and others in the North Central area since 1940, Ortman noted. More than 65 per cent of such farm homes now have electric lights, in contrast to 39.4 per cent in 1940.

More than 33 per cent of rural dwellings in the North Central region today have running water, and 22 per cent have private baths, according to the report. In 1940, 17.3 per cent had running water and only 11.3 per cent private baths.

Eleanor Eisenbeiser is confined to her room in Chelsea with the chicken pox.

B. C. Whitaker has contracted with Jackson parties to have a lighting plant installed on his premises.

Lafayette Grange will meet at the home of Mr. and Mrs. G. F. English, Wednesday, Feb. 11. Included in the program will be a discussion on the topic, "Green Vegetables and Their Uses in the Diet."

Howard Congdon, having decided to quit farming, will sell his personal property at public auction on the premises known as the Theodore Feldkamp farm, one-half mile east of Chelsea, Tuesday, Feb. 17, 1914, commencing at 9:30 a.m. A good lunch will be served at noon.

E. W. Daniels is the auctioneer. Milo Updike has sold his farm of 120 acres on section 26 in Sylvan, to W. C. Pritchard, an enterprising young farmer of Forrest, Illinois, who will take possession of the premises Jan. 15.

Updike purchased the farm in 1882 from the estate of W. A. Begole, who took up the farm from the government in 1831, and on it built the second house in Sylvan township, the first one having been built by Cyrus Beckwith, assisted by Mr. Begole.

North Sylvan Grange will be held Wednesday, Feb. 11, at the home of Mr. and Mrs. Emerson Lesser. Program as follows: song service; general discussion, "Can the Farmer and His Wife Maintain a Systematic Routine of Farm Work?"; violin duet, Mrs. Lesser and Mr. Ward; farce, "How She Cured Him"; piano duet, Mrs. Lesser and Mrs. Brosamle.

William Monroe Vocum died Monday at the home of his son, Austin, in Manchester, at the age of 86 years; Russell W. Lake, aged 75 years, died at his home here Monday evening; John Frederick Seeger died at his home in Grass Lake township, Wednesday, and on Tuesday Miss Marion Prout, only daughter of Mr. and Mrs. Avery H. Prout, died at the age of 17 years and five days.

A one-day 'Farmer's Institute' will be held at the town hall Friday, Feb. 13. Those taking part in the day's program will be A. B. Cook, state speaker, O. C. Burkhardt, Rev. J. W. Campbell, R. M. Again the world's best Sports and Boat Show will be held in Convention hall, from Feb. 14 to 22. And as usual, William H. Fraus, who has managed this annual event for 15 years, will direct this year's activities.

The show will cover approximately 130,000 square feet of the huge Convention hall. One half of this space will be devoted to boats of all kinds, from luxurious cabin cruisers to small row boats, canoes and sail boats. Many national manufacturers of fishing tackle and guns are listed among the exhibitors.

Headlining the stage show will be Pauline Betz, four times national tennis champion and 1946 winner of the world title. She will stage a tennis exhibition as well as engage in table tennis matches with Sandor Glancz, former world's champion tennis table player. GRADE NEWS

Gail Maxfield has been absent from grade two all week with the chicken pox. They hope she'll be back soon.

The third graders are making artificial flowers for window boxes. Jim McLaughlin flew to Florida for a three-weeks' vacation with his grandparents. Grade four misses him.

The fourth graders enjoyed their bus trip to Ann Arbor to participate in a radio program over station WPAG. Besides taking an active part in and seeing the broadcast, they also saw a tele-type machine at work.

Their table scene of a farm in the Altiplano in the Andes mountains is completed. They also have enjoyed the drawing and writing the paragraphs that tell the story.

Mrs. Keezer brought fresh baked cups to eat with their milk Monday morning, because it was Jim Keezer's birthday.

The grade school, Kindergarten through sixth, enjoyed the concert given by the band, Thursday, Jan. 29. They hope to be invited again.

Four seventh graders, Joyce Messner, Norma Jean Morgan, Lyndall White and Gary Wortley have already handed in book reports for Feb. 24.

Grade seven was the first to

reach its infantile paralysis quota. Grade six collected \$5.06 for the "March of Dimes."

Included in the sixth grade Honor Roll for this marking period are: Sandra Baldwin, Jeanette Berke, Duane Satterthwaite, Beverly Smith, Doris Weinberg, Janet Widmayer and Kathleen Widmayer.

Mrs. Hinderer substituted for Mrs. Alpervitz who was ill last Thursday. The sixth grade went to hear the band play. The junior and senior bands played very well.

The Freshman class has just been joined by a new girl, Martha Van Zandt, who is from Robert Burns school, Detroit.

The Juniors have chosen their play, "A Date with Judy."

The Juniors hope for a large turnout at their dinner, Friday, Feb. 6, between the girls' and boys' basketball games with U. High.

The Seniors have chosen their chapters for their trip to Niagara Falls. They will be Mr. Carl Chandler and Mrs. Victor Kohs-

man.

Radio Broadcasting

In the United States, 600 radio broadcasting stations daily serve more than 50,000,000 receiving sets.

It was a pleasant shock to Leon Chapman family when, Feb. 3, 1930, a bundle of joy named Donna Lee was dropped on the doorstep.

She has lived near Chelsea all her life and is a senior in Chelsea High. She has reached the age of 17, with blonde hair and blue eyes. Her favorite color is yellow; sports bowling, and subject, bookkeeping. Be on your toes, boys, her hobby is going to football games. Her favorite song is "Peg O' My Heart."

After graduation she plans to work.

Letter of Explanation Received from Secy. Chelsea ABA Local

"It has come to my attention in the last few months that some persons are knocking the artificial breeding program in this area. When planned down to facts, however, it is found that these people know nothing at all about the subject. It usually starts with, 'my neighbor, my uncle,' or something similar.

"There will be present at the Annual Meeting of the Chelsea ABA, on March 8, at the Municipal building, George Parsons of this State Extension Service, Michigan State College. All persons who have any questions should plan to be present.

"One of the favorite gripes that has come to my attention is that taxpayers' money is spent to buy these bulls. These bulls are all owned or leased by the Michigan Artificial Breeders Co-op, Inc., of East Lansing. They are paid for from the 'finance fees.'

This consists of one dollar for each cow subscribed to the association. As of Jan. 1, 1948, there were about 100,000 cows subscribed, thus making \$100,000 available for the purchase of bulls. At present there are about 50 bulls at the bull barn. These bulls are taken care of and fed by MABCI funds. This operating fund is obtained by a \$2.00 share of each \$5.00 service fee charged by the local inseminator.

"The State college is cooperating with the MABCI in several ways as they both have the same goal in view, namely, improving the average dairy herd in Michigan. This is the purpose of the dairy extension service and there is no better way known to make good bulls available to the average farmer than through the MABCI. There are several individual firms offering artificial insemination at this time, but at all sorts of prices. A recent dairy magazine carries an advertisement offering a premium bull service at \$100 per service. It is a good, blood line, but beyond the reach of the average farmer. At the present \$5.00 per service and two extra services free of charge when necessary, the MABCI

offers good proven bulls at a cost comparable to that of feeding a grade bull at home.

"In the average Michigan herd, the heifers from these bulls will out-produce their mothers by a considerable amount. In the 600-800 lb. fat class (very rare) the production will be maintained in most instances.

"Some are blamed to the inseminator. In some places this has proved true, but the Chelsea local has a very capable young man who is careful in his work, and especially about disinfecting boots and equipment to avoid spreading disease. Not one complaint has come to me about his sanitation measures.

"I said at the beginning of this article that the March 8 meeting will be an open meeting and everyone is welcome. I am sure Mr. Parsons will be more than pleased to answer questions from anyone interested in the project."

Floyd P. Fowler, Secy.-Treas., Chelsea Local, ABA.

partment, cooperated in keeping down the fire until the Northville, Plymouth and Detroit fire departments arrived. There were several cases of frost bite among the inmates, who worked in temperatures below zero. They were treated at the institution's hospital. —The Northville Record.

Standish—In the Whittemore news on page seven of this issue of The Independent there appears an item in reference to the "funeral" of Dr. Kenneth Jacques of Saginaw. This morning The Independent accidentally came upon the information that the funeral was not a funeral but a wedding. The correspondent unintentionally erred in the information and she has made the correction to the parties interested. We're sorry to have had the joyful affairs of a wedding referred to as a funeral but we're glad it "is as is" and wish Kenny and his bride many happy returns of the wedding day. —Arenac County Independent.

Northville—Lloyd H. Green Post American Legion is organizing a Drum and Bugle Corps. Commander Croft has named a committee headed by Andrew Torok of 605 Carpenter to head the committee. Mr. Torok will also direct the corps. Many of the former members of the old corps have joined up and Mr. Torok is hoping that many others will join. A meeting will be held soon to determine the most convenient time for rehearsals. The Post hopes to enter the

corps in competition at Legion conventions. —The Northville Record.

Buchanan—We won't vouch for this story but it came to us via the North Buchanan neighborhood grapevine. Earl Beck had himself a new fertilizer spreader recently and loaded it up with what they load spreaders with for a test run. He trundled a half mile to the starting point before he threw the spreader attachment into gear. As it went into gear it was not any kind of fertilizer but a White Leghorn rooster that had been enjoying a ride on the rear end. Earl stated that he had heard the things called, "Democrat Platforms" before, but that was the first real evidence. —Berrien County Record.

Our Neighbors

Dexter—The hope of having an American Legion post in Dexter will soon be a reality according to the word received today. The local post's temporary charter has been granted according to Larry Baker, post commander, but requires one more signature before being issued. —The Dexter Leader.

Rochester—The Rochester Lions have made a contribution of \$50 to the Rochester High school towards the new piano recently purchased for the use of the school. The Lions have made notable contributions to youth activities, charitable drives, and other numerous community services during the short period of their organization here. —The Rochester Clarion.

Manchester—Old time dancing, free refreshments and many valuable door prizes will highlight the formal opening of Manchester's new farm equipment store on Saturday. The K and W Farm Supply features the J. I. Case farm implements and the J. I. Case Farm White. The partners in the business, report that it has taken much longer to construct their new building and to get it ready than they anticipated when they came to Manchester last spring. —The Manchester Enterprise.

Milan—Tuesday evening at the high school, John Giguere, assistant director of Michigan Motor Vehicle Council of Ann Arbor brought before the Community Council the facts about city government, its relative value to the community. Because there were so few in attendance at this meeting it was deemed advisable to have a similar meeting again in March, when everyone in town can know about the meeting and make an effort to attend. The subject matter is extremely interesting and every one should be thinking on this matter. —The Milan Leader.

Dexter—In this issue is announced the opening of a new building of the Devine Chevrolet Sales and Mobil Oil service station in Dexter. The new building has been constructed in practically the same location as Leo G. Devine has been operating the business since 1932. The new cinder block building is painted white and stands at the west entrance to the village next to the bridge. The new building is set back from the street providing ample space to drive in. —The Dexter Leader.

Stockbridge—Friends and relatives will be interested to know that the following members have enlisted in the 26th Infantry Division, currently stationed in Japan. Burl C. Saylor, son of Mr. and Mrs. Morgan Saylor, Robert Minix, son of Mr. and Mrs. Add Minix; Malcolm Cole, son of Mr. and Mrs. Newt Cole, and Wm. Gullett, son of Mr. and Mrs. Beecher Gullett. Burl Saylor was the only veteran of the four. From Detroit they were shipped to Ft. Ord, Calif., and from there they will leave for Japan. —The Stockbridge Brief-Sun.

Saline—Two pastors who are well known in Washtenaw county figure in the history of Detroit church. Rev. David Lambart has resigned his pastorate at Harmony, Ill., and is moving to Detroit with his family this week to take the pastorate of Bethany Evangelical and Reformed Church, assuming charge there on Feb. 1. The pulpit of Bethany church became vacant last fall when Rev. Edwin C. Mayer left to become assistant superintendent of the Evangelical Home for orphans and old people. Rev. Lambart is the son of Mr. and Mrs. Charles Lambart of Waterworks road, Saline, and Rev. Mayer is the son of the late Dr. Frederick Mayer, for many years pastor of Bethany Evangelical and Reformed church in Freedom township. —The Saline Observer.

Northville—A defective chimney caused the fire at the Detroit House of Correction last Friday morning, completely destroying the building's treasury, a refrigerator and pasteurizing equipment. Only the wall remained. Damages are estimated at between \$5,000 and \$10,000. An inmate on night duty at the milk house turned in the alarm and over thirty inmates, with the aid of their own fire de-

Silver Anniversary Observed by Former Chelsea Residents

Mr. and Mrs. Roy Page, of Ann Arbor, who were married here at the home of Mrs. Page's sister, Mrs. Coral Combs, Feb. 3, 1923, and lived in Chelsea for several years before going to Ann Arbor to make their home, celebrated their Silver Wedding anniversary at the Gleaner Hall on Pontiac trail near Ann Arbor, Saturday evening, Jan. 31. Mrs. Page is the former Amanda Combs. The Pages have one daughter, Mrs. Violet Gardner, of Ann Arbor, and one granddaughter, Susan Marie Gardner.

About seventy-five guests were present at the celebration Saturday, those from Chelsea being, Mr. and Mrs. Coral Combs, Mrs. Bert Combs, Mr. and Mrs. Charles Pool and family, and Mr. and Mrs. Theodore Combs and son.

An orchestra furnished music for dancing, and cards were enjoyed, and later, refreshments were served buffet-style, from a table centered with a beautiful silver-trimmed anniversary cake.

The honored couple received many lovely gifts of silver as mementoes of the occasion.

Rev. and Mrs. M. W. Brueckner and Reverend Brueckner's sister, Mrs. Louise Goebel of Mendota, Ill., who is their guest this week, spent Monday in Toledo at the home of their daughter, Mrs. Robert Warren and family.
