

## Michigan MIRROR

By Gene Alleman

● Governor Kim Sigler, now an avowed candidate for re-election, believes that Michigan must renew its efforts to "sell Michigan."

In a Lincoln Day address at Jackson, Sigler warned that the state's industrial and tourist competition from the South, it would pay Michigan people, he said, to be "mindful of that which has made us great."

The South's competition for industry is best illustrated by Florida, which has no state income tax, no state sales tax, no tax on homesteads over \$5,000 valuation, no state realty tax and no state bonded debt.

● These fortunate and attractive safeguards will be maintained, observed the Tampa Florida Morning Tribune recently, "because overwhelming public sentiment will prevent the imposition of any new taxes."

The same newspaper points out that Florida had the third greatest increase in individual income in the nation during the period 1940-1947 and that its population gain was 18 per cent, exceeded only by 10 states.

Governor Sigler visited Florida prior to his return to Michigan, following a month's rest in the South.

● It may be assumed that Governor Sigler, during the 1948 campaign, will express his current views on the subject of taxation.

Dull as this topic traditionally is, it is pertinent to the future of industry in Michigan. Burdensome taxes, levied by a legislature seeking its way out of the sales tax diversion dilemma, could readily speed up the industrialization trend voiced recently by Henry Ford II.

Ford thinks the company employs too many people at River Rouge for production efficiency.

One year ago Sigler was opposed to imposition of new taxes. Instead, he favored repeal of the sales tax diversion amendment, an accomplishment now conceded to be very difficult to attain.

● The 1947 Bonine-Tripp labor act, a state companion law to the federal Taft-Hartley act, may prove to be a deterrent to industrial migration from Michigan.

If either of these laws discourage costly labor strikes and encourage friendly labor-management relations, much will be accomplished. Michigan still has a reputation, like Chicago, for gangsterism, and the best of labor agitators. People still remember the sit-down strikes in Michigan.

● Nature richly endowed Michigan with natural resources, transported by water or railroad to be processed into consumer and capital goods. Man can safeguard this blessing by assuring freedom from discriminatory taxes, freedom to work, and freedom of competition. Surely these are among the reasons why Michigan enjoys its present greatness.

## Historical Society Hears of Criminal Records in County

George J. Burke, Jr., Ann Arbor attorney, addressed the Washtenaw County Historical Society, Friday, Feb. 27, at 8 p.m., at the Ruchman building, on the subject of "Early Criminal Cases in Washtenaw County."

Mr. Burke said much of his information came from the records of the Pioneer Society of Washtenaw County.

The first criminal case in the county was tried in January 1827, by the Territorial Court. Erastus Priest was arrested and tried for selling less than one quart of rum and wine. There was no place for the court to meet so they met at the home of Mr. Priest. There were seven witnesses and the verdict was not guilty.

In 1828 there were no cases. In 1829 Erastus Priest was again brought before the court for assault and battery. The circuit judge found him guilty. Afterward the decision was reversed and he was set free.

In 1836 John Hinkley was brought before the court, accused of winning \$20.00 and losing \$20.00 in gambling. He was found guilty of winning \$1.50 and then the decision was reversed.

On Feb. 2, 1837, came the assault and battery case of the first candidate for U. S. Governor, Edward Mundy and Mark Howard. In this disagreement the candidate, E. Mundy, kicked Mr. Howard. He was fined \$5.00.

In May 1843, the first murder was committed. This case was Pat Dunn vs. Mr. Choro. Choro shot Mr. Dunn and was sentenced to hang. The militia was sent out from Detroit, but Choro escaped and was never heard from afterward.

The most brutal murder was the Wagner murder. Mr. and Mrs. Wagner did not live too happily and they quarrelled over money. He killed her with a hatchet. He was brought to trial and sentenced to the penitentiary.

In the first 50 years of the county's history, with a population of 40,000, there were 18 murders, all acquitted, with 17 convictions and one trial. There were, during that time, 563 indictments.

In 1947 there were 175 felonies, alone. The laws are being well enforced but the comparison shows that we need something more to prevent crime. What is it?

## Cage Squad Takes Defeat from Milan

### Big Reds Capture Fourth Consecutive Huron League Title

By DWIGHT GADD

Milan's Big Reds evened the athletic count for the Chelsea defeat in football last Fall as they drubbed the Bulldogs, 65-19, at Milan last Friday night.

It was hardly a contest from the very beginning. Milan just had too much height, fitness and teamwork for the Bulldogs. They must be complimented though for staying in there and scrapping all the way.

Milan appeared to get better as they went along and their first test substitutes were almost as good as their starting quintet. The Big Reds led, 19-6, at the end of the first quarter, and 27-13 at half time.

In the second half it was even more one-sided as they made 38 points to Chelsea's 6, and really poured it on. The score stood 45-15 at the three-quarter mark and the final, again, was 65-19.

It was the final league game for both teams and gave Milan the Huron League championship for the fourth straight year.

Baseball led the Big Red's attack with 17 points while Bobby Vogel led Chelsea with 9.

Tonight, at Napoleon, Chelsea will tackle Michigan Center in the first round of the State Tournament games. Napoleon and Manchester will play in the first game at 7:00 and immediately following will be the Chelsea-Michigan Center contest Saturday night.

8:00 The Thursday winners will play. Chelsea drew a tough opponent as the Centerites were undefeated in Jackson county league play this year and have a fine team.

Tournament games are usually "great" from the spectators viewpoint, so everyone who can should go tonight and back the Bulldogs all the way.

See you at game time!

## Independent Cage League Will Begin Playoffs Tonight

Manchester, Millers and Products closed out with wins last Thursday evening to end the Independent league schedule for this season.

Manchester swished in 71 points in the first game to swamp Cassidy Lake, 71-31.

Products' tenth straight win in the league this year and Cassidy's tenth defeat. Manchester had a very fine team in the league and was extended only one night. Millers crowded them in their first meeting, but were beaten in the last minute, 27-26. They should make a good showing in the State Independent Tournament.

Millers ended in a tie for second place in the standings by dumping the Grass Lake Church outfit, 42-32. Newkirk was high man for the victors—with 23 points and Snyder had 12 for the Church.

Products and Grass Lake Merchants had quite a game in the finals, with Products coming out on top, 36-34. The win is notable because, due to injuries to some of their players Wednesday night in the Ann Arbor Industrial league, Products only had five men for the game here. Kusterer paced the Products with 16 points while Wednesday netted 9 for the losers.

Last Thursday's games completed the regular league schedule, but the top four teams will engage in the playoffs tonight and the winners of this round will then meet next Thursday evening.

In tonight's opening game at 7:00, Millers and Grass Lake Merchants will tangle in what should be a very good game. Both teams had identical records in league play and are quite even. At 8:30, Manchester will attempt to make it three in a row over Products for the year. What should be another very good game.

There is no admission charge to those of you who aren't traveling to Napoleon tonight. You can see two games right here at the high school gym.

Final Independent League Standings:

Team	W	L	Pct.
Manchester	10	0	1.000
Grass Lake Merchants	6	4	.600
Millers	6	4	.600
Chelsea Products	5	5	.500
Grass Lake Church	2	8	.200
Cassidy Lake	0	10	.000

## Chelsea Girls Team Leads Bowling Event

Lesser's bowling team of Chelsea rolled into first place Saturday night at Ann Arbor in the bowling team events, with a 2659 total, beating the Edison girls' score of 2609 for a week ago.

The team included Mrs. Gladys Klompp, Mrs. Madred Breiten, Misses Gertrude Young, Donna Leach and Mrs. Dorothy Eder of Ann Arbor who substituted in Margaret Haselwerdt's absence.

There are two more week-ends of competitive bowling. Good luck, girls.

## High School PTA Hears All-Student Program, Monday

An all-student program was featured at the High School PTA meeting held Monday evening, March 1, at the High school. The program was in charge of Mrs. Martin Steinbach and included two clarinet solos, "Deep Purple," and "Smoke Gets In Your Eyes," by Raymond Steinbach. Also on the program was a soil conservation demonstration given by three FFA boys, Richard Carlson, Oscar Hansen and Kenneth Proctor.

The High School PTA has gone on record as supporting the House of Representatives Bill No. 2953, and the Senate Bill No. 472, both of which have to do with federal aid to all schools. It was announced that a meeting pertaining to these two bills is to be held at the Adrian High school at 2:30 p.m. and also at 8:30 p.m., March 8.

It was also announced that because of the Spring vacation the first week in April, the next PTA meeting will be held Monday, April 12, instead of the first Monday of the month.

At the close of the meeting, refreshments were served by the month's committee, Mrs. Lyle Chiswell, Mrs. Bert White and Mrs. Russell Baldwin.

## Officer Frank Reed Will Receive FOE Feb. Civic Award

The FOE civic service award in Chelsea for the month of March is to be given to Police Officer Frank Reed in a public ceremony to be held at the Eagles' Home on Main street, over Moore's restaurant at 9 p.m. next Thursday, March 11. Mr. Reed was chosen for the award for his single-handed capture of the three Jackson prison escapees two weeks ago.

The award, in the form of a civic service certificate, is given each month by the Aerie to a citizen who has shown noteworthy achievement or service. Worthy President Howard Bergman is to make the presentation.

Membership in the organization has no bearing in determining who is to receive the honor. The award is given solely on the basis of outstanding civic service for the month.

President Truman was given the Grand civic award for last month by the National FOE. The people of Chelsea and vicinity are cordially invited to attend the presentation ceremony. The place is the Eagles' Home, over Moore's restaurant, at the date, Thursday, March 11, at 9 p.m.

## Old Enough To Vote After Many Years!

Ed Chandler was honored with a family birthday dinner at his home, Sunday, Feb. 29, all of the family being present except a daughter, Mrs. George Turnbull, who is residing in a home in Florida. Those present included Carl Chandler, who lives with his father, Mr. and Mrs. Lyle Haselwerdt, of Chelsea, and Mrs. Henry Thierman, Martha Thierman, all of Columbus, Ohio.

Monday, Feb. 29, as it does, this year marked Mr. Chandler's twenty-first birthday. He was born in 1864.

Next Wednesday's Union Lenten service will be held at the Congregational church. Rev. P. H. Grabowski is to preach the sermon.

## WHAT IS YOUR OPINION?

### Kiwanis Committee Asks Citizens for Their Ideas on Home for Boy Scouts

Willard Guest and Dr. Parker Sharrard, acting on a Kiwanis club committee named to obtain estimates on the cost of lots for a playground and buildings or a cabin for Boy Scouts in the Village of Chelsea, would like expressions of opinion on the desirability of the project and also whether support would be forthcoming for the purchase of a site and creation of a suitable building, such as a play or other money-raising undertaking.

Put on by Kiwanis, the committee of mothers and fathers in regard to this plan for an educational and recreational program to further the development of their children into future citizens of an up-and-coming community. He said considering all the information being gathered on the cost of materials and building lots. They have five or six estimates on file for cabins, houses and huts and an offer of a building site on McKinley street which they have not yet had time to investigate.

Light, Kiwanis club if a permanent meeting place for Boy Scouts, and possibly also for Girl Scouts, can be obtained.

Scouting has been pronounced one of the finest activities for young boys and girls and is said to act as a deterrent to juvenile delinquency. Circuit Judge James

## Funds Drive for Red Cross Is Underway

### Local Workers Will Call at Each Home in Next Few Days

Mrs. A. A. Palmer, 128 East Middle street, has been appointed Fund Chairman for the 1948 Red Cross Fund drive in Chelsea. It was announced by Ann Arbor Red Cross headquarters this week. With a county goal of \$66,800, Chelsea has been assigned a fund quota of \$1,200.

The month of March is the time set aside for our services to the Red Cross. Many workers in Chelsea will, during the month, call upon you and give you an opportunity in the sharing and giving for this tremendous project.

Many persons labor under the impression that the Red Cross functions only in wartime, but this is a false idea. It does not take arms and ammunition to call forth the services of the Red Cross, for they are on the "front" constantly in time of pestilence, want and disaster. When you support the Red Cross you help in all these things.

You are there because the Red Cross represents you, in there. It is a time when all may serve a demonstration of neighbor helping neighbor.

In the next four weeks, a representative from your locality will call upon you and courteously offer you an opportunity to contribute to this worthy cause. If the volunteer from your neighborhood has not been able to call on you at home, please call her and let her know when she may contact you.

Following is a list of the workers who are giving of their time and effort to see that you, the community and the Red Cross are generously taken care of:

Mrs. A. W. Lyons, Mrs. Lawton Steger, Mrs. Elmer Lindeman, Mrs. R. A. McLaughlin, Miss Margaret Miller, Mrs. S. Bohner, Mrs. Robert Howe, Mrs. A. Storer, Miss Virginia Wurster, Miss Cora Feldkamp, Mrs. O. G. May, Mrs. M. J. Baxter, Mrs. Geo. Barlow, Mrs. A. D. Schneider, Mrs. Clara Hutzler, Mrs. Harold Spaulding.

Mrs. Geo. Baxter, Mrs. Eugene Fisher, Mrs. L. J. Paul, Mrs. H. Flintoft, Miss Phyllis Vedemeyer, Mrs. L. Iselander, Mrs. Anna Dvorak, Mrs. Clara Wald, Mrs. L. Wacker, Mrs. Martin Miller, Mrs. S. Beal, Mrs. Paul Messner, Mrs. W. R. Daniels, Mrs. J. Cummings, Mrs. L. G. Palmer, Mrs. George Atkinson, Mrs. Joe Dreyer and Mrs. Olie Johnson.

Three major activities are planned by the American Red Cross for 1948. They are: disaster relief and preparedness, the National Blood program, and continued services to veterans.

Red Cross authorities point out that last year was the most serious disaster year in a decade. It cost the Red Cross \$11,000,000 in relief and rehabilitation work and created a need for funds for their disaster preparedness.

The National Blood Program, now underway, is designed to provide blood and blood derivatives to all who need them, without cost for the products. This will take from three to five years to become fully operative and will cost an estimated 10 million dollars during the coming fiscal year.

Mr. and Mrs. F. E. Stickney are new-comers to Chelsea, making their home at 554 Chandler street. They have moved from Ann Arbor and Mr. Stickney is employed by Argus, Inc.

Also on Monday night's program was an FFA team of three local boys, Oscar Hansen, Kenneth Proctor and Richard Carlson, who gave an interesting demonstration on "Soil Conservation." They explained the advantages of organizing a soil conservation district in the county and the benefits it would afford the farmers of the county.

It was announced that Monday, March 15, will be the annual Farmers' Night.

### FFA Contestants Win Two First Awards in District Contest, Tues.

Chelsea's Chapter of Future Farmers of America Tuesday, March 2, took part in the District FFA contest held in Saline High school.

In the Public Speaking contest Walter Zeeb, Jr., received first award on his topic, "24D," while Kim Jacobson of Saline with "Get That Rat," took second place.

"A Soil Conservation District in Washtenaw County," Chelsea's team composed of Oscar Hansen, Richard Carlson and Kenneth Proctor, received another first place award.

Another demonstration presented by the Saline team, entitled "How Farm Machinery Aids the Farmer," received second honors.

The local team composed of William Lyons, Robert Bauer, Paul Bollinger, William Schultz and Lawrence Haffey, received a second place award in the Parliamentary Procedure contest.

Winners in this District contest will compete in the Regional contest to be held in Hillsdale, Tuesday, March 3, at 9:00 a.m.

CAMPAIGN POSTER for American Red Cross 1948 Fund Drive is shown above. Stephen Dohanos, Westbury Connecticut, artist, whose work appears frequently on the cover of The Saturday Evening Post and other nationally circulated magazines, designed the poster, in which he has reflected the community spirit of small towns throughout the United States.

## Kiwanis Club Hears Details of Com. Chest

### Ann Arbor Official Explains Plan of Organization Mon.

Gladwin Lewis, executive secretary of the Ann Arbor Community Chest, explained fully the workings of the Community Chest organization in Ann Arbor, and pointed out the advantages of organizing one in Chelsea, at the Kiwanis club meeting in the Municipal building, Monday evening, March 1.

In speaking of the reasons why a Community Chest is necessary or desirable in a community, he brought out three points, which he said were three principal purposes which the project or fund fulfills as follows: (1) it is to meet the needs of local people; (2) it avoids duplication and (3) it makes certain that the people themselves, in the matter of budgeting the funds raised for all purposes in the community. Citizens in the community are also in a position to make certain that an organization really needs and puts to good use the funds given to it.

Mr. Lewis emphasized the fact that the Community Chest is not a relief organization, but a service organization set up to facilitate the gathering of funds for all the present different drives during the year at one time. He said the average Chest contribution in the United States has been found to be about \$2.50 per inhabitant in the cities where Chest collections are made.

In many communities the Red Cross is not included in the Community Chest fund, the Red Cross preferring to have its own separate drive.

Also on Monday night's program was an FFA team of three local boys, Oscar Hansen, Kenneth Proctor and Richard Carlson, who gave an interesting demonstration on "Soil Conservation." They explained the advantages of organizing a soil conservation district in the county and the benefits it would afford the farmers of the county.

It was announced that Monday, March 15, will be the annual Farmers' Night.

### Paul Maroney Resigns Job with Electric Dept.

### ADD TO COST OF LIVING: County Road Commission Reports Sharp Increase in Cost of Road Surfacing

Sealed bids were received Friday by the Washtenaw County Road Commission for their 1948 requirements of road asphalt and calcium chloride for dust laying. Continuing increases in price of all items being purchased for highway use is reflected in the bids received last week, according to Kenneth Hallock, County Road Commission manager.

The asphalt which are a by-product of petroleum are 3.1 cents per gallon higher in price this year than in 1947. Estimated quantities to be used in 1948, contingent on the townships providing the money for new blacktop, are 200,000 gallons, which at the rate of 20,000 gallons per mile will cause an increase of \$620.00 per mile for the asphalt alone. "High" costs of gravel production; gasoline used in equipment—which has increased 7 cents per gallon during the year; labor increases; and all other operating costs are estimated to have increased the cost per mile of new blacktop by more than \$1,000.00, Hallock said.

## Public School Is Planning Parents' Nite

### Classes Will Be in Session; CHS Band, Chorus To Appear

The Chelsea Public School is planning a Parents' Night program on March 12, 1948, and all the parents of Chelsea are cordially invited to attend.

At 7:15 the rooms open, and exhibits and displays will be shown. At 7:45 until 8:15 there will be special demonstrations in the grades.

Reading Readiness; first grade, Mrs. Maroney, Phonics and Reading, Mrs. Hale, Phonics and Reading, Mrs. Hale, Phonics and Reading; second grade, Numbers; fourth grade, Science (New Author Bird-Sides); fifth grade, Oral Reading; sixth grade, Reading.

After this program there will be an informal consultation period in the grades.

The Junior and Senior High school will hold three classes, each twenty minutes long, starting at 7:15. After this everyone is invited to a musical program in the High school auditorium beginning at 8:30. There will be numbers by the Kindergarten, Rhythmic Band, Fourth Grade "Tonette" Class, Fifth and Sixth Grade Instrumental Class, High School Band, High School Chorus, and as a finale the High School Band and Chorus will join together in "Victory."

The faculty and pupils have worked hard to arrange this program, and they are hoping for a large attendance.

## Candidates for Village Jobs Displaying Lively Interest as Election Approaches

### Mobile Telephone Use Inaugurated in This Area Thurs.

Mobile telephone service to motor vehicle users in this area began a reality Thursday, when the Michigan Bell Telephone company initiated service over its Jackson station.

Chelsea is in the range of the new station, the fourth to go into operation in Michigan, and the third in outstate territory, according to Nicholas J. Pratkan, Michigan Bell manager.

Dashboard telephone service first came to Michigan at Detroit late in 1946.

Outstate service was introduced Jan. 19 with the opening of the Saginaw-Bay City-Midland section. The new station in this area and the one in the Saginaw and Kalamazoo-Battle Creek territories are the first in a network that soon will provide service over major highways in the southern part of the state. Service is to start by coming over stations at Jackson, Flint, Grand Rapids, and Port Huron to complete that network.

Another station under construction at Sault Ste. Marie will serve not only the nearby land area but also ships on the Great Lakes.

The new station operates on a 2-way channel using radio frequencies of 35 and 43 megacycles with a land transmitter having a power of 250 watts and a range of some 35 miles.

Michigan Bell plans to limit usage to about 25 to 30 mobile units on the single radio channel and on several additional channels from the Federal Communications Commission as demand warrants and facilities become available.

Users can make any kind of a call from motor vehicles with the new service—local, long distance, ship-to-shore, overseas, and calls to other mobile units.

### Hold-Up Attempt of Youthful Bandit Foiled by Storekeeper

Emanuel Wacker, who owns and operates the general store on the corner of the Jerusalem corners, was the victim of an attempted hold-up about 7:45 o'clock Sunday evening.

Mr. Wacker, who usually closes the store about 8 o'clock Sunday nights, was alone in the place at the time and was sitting in a chair at one end of the store when a young man, who, he judged, was about 18 or 19 years old, entered the store, dressed in an oversized Army coat and trousers, with his hat pulled down over his forehead and a white handkerchief tied around the lower part of his face as a mask.

When Mr. Wacker asked if he wanted anything the fellow said, "Hold it!" and kept his right hand in his coat pocket as if he were carrying a gun. Mr. Wacker got up and went toward him and the fellow shouted "Hold it again, Mr. Wacker then said "What are you trying to do—hold me up? You'd better get out of here!" He continued walking toward the young man who backed out of the door and then fled west on foot. Mr. Wacker said he heard no car start or stop either before or after the attempted hold-up.

Two suspects were viewed Monday by Mr. Wacker, who said that neither one fitted the description of the young would-be bandit.

Miss Mary Broesamle and Mrs. Carl Mast visited Mrs. Philip Riemenschneider Thursday afternoon.

### 99th Anniversary of Congregational Church Is Observed

The ninety-ninth anniversary of the founding of the local Congregational church was appropriately observed at the regular morning service last Sunday, Feb. 29, at which time the new chancel was dedicated. Also the altar is the gift of Mrs. D. E. Beach and her sons, Dwight and David, in memory of her son, Captain Kenneth Beach, who died while a Japanese prisoner in World War II.

Dr. Malcolm Dana, president of Olivet college, spoke at the service and special music was rendered by the choir. George Atkinson, guest soloist, sang, "Teach Me To Pray."

A dinner was served in the church dining room by the ladies of the church at 1:00 o'clock and Dr. Dana spoke informally afterward.

The new altar is a beautiful addition to the church interior, the center hangings being of deep rose velvet while the wooden portions are of carved dark wood. The platform has been enlarged and the steps to the chancel are now at the center giving a nicely proportioned effect to the front of the church auditorium.

## N. LAKE EXT. GROUP

The North Lake Extension Group held a family card party at the home of Mr. and Mrs. Ernest Hopkins, near Dexter, Saturday evening with thirty-six present. Progressive euchre was played and high prizes were won by Mrs. Homer Stoffer and Chris. Fitzsimmons, while Mrs. Ivah Harker received the traveling prize.

A surprise feature of the evening was a celebration of the "sixth" birthday of Mrs. Grover Colby, Jr., one of the club members, which occurred Sunday, Feb. 29.

## BIRTHDAY DINNER

Mrs. Wilbur Bollinger entertained at a dinner at the family home Sunday, in honor of her brother-in-law, Rev. Joel Krumlauf, of Kenton, Ohio, whose birthday occurred on that day, Feb. 29. Also present at the dinner, in addition to the immediate family, were Mrs. Krumlauf and the Krumlaufs' son-in-law and daughter, Mr. and Mrs. Evan Yeager of Tiffin, Ohio, and Mr. and Mrs. Alvin Reinhardt and children of Gregory.

Afternoon callers were Mr. and Mrs. Emanuel Bollinger and daughter, Erma. A much enjoyed feature of the afternoon's entertainment was the showing of moving pictures of the Bollingers' trip through the West last summer.

## ENJOY SOCIAL EVENING

Olive Fellowship club members and their wives, with Blue Lodge members and their wives as their guests, enjoyed an evening of cards and dancing at the Masonic hall, Saturday.

Two interesting travel pictures, "Little Towns of Mexico," and "Spokane and Its Inland Empire," were shown by George Atkinson. Later, refreshments were served. About thirty-five attended the party.

## VFW JUNIOR GIRLS' AUX.

The VFW Junior Girls' Auxiliary met Saturday, Feb. 21, at 2 p.m., at the home of Mrs. Mary Knies. Twelve members were present. Cancer pads were made and a few games were played which were followed by refreshments served by the hostess.

More girls are needed for this worthwhile work and any girls between the ages of ten and sixteen who are interested may contact Mrs. Carl Lentz or any member.

## LIMA CENTER HOME EXTENSION GROUP

The Lima Center Home Extension Group met at the home of Mrs. Earl Pettibone on Wednesday, Feb. 28, and completed the lesson on hat remodeling in which the leader, Mrs. Floyd Fowler, very diligently and patiently instructed the group at both this and the previous week's meeting. The remodeled hats are to be worn at the next meeting and will be voted on to determine whose is to be judged the best.

This meeting is to be held at the home of Mrs. Alvin Pommerening on April 14, beginning at 10 a.m. There is to be no regular meeting in March because of the District Spring party which is being held today (Thursday, March 4) at St. Andrew's church in Dexter. The majority of the Lima Center Group members have made reservations with the chairman, Mrs. Jack Bradbury, and have been looking forward to this event which is one of the highlights of the year's program.

Plans were made at the meeting for the Group's part of the program at the District Party, which will be in charge of Mrs. W. G. Price.

At the close of the meeting a delicious lunch of cookies, fruit jelly and coffee was served by the hostess.

Fourteen members and three guests were present.

DR. IRWIN A. MOON of Moody Bible Institute, seen above in one of his "Sermons from Science" demonstrations, is the producer of the sound-color film "The God of Creation" to be shown at 8:00 p.m. Saturday, March 6, at the Youth for Christ Rally, in the Chelsea Municipal Building.

## Youth for Christ Will Present Moody Film Here, Saturday Eve.

Vivid full-color scenes from astronomy and natural science are featured in "The God of Creation," a sound motion picture to be shown at 8:00 p.m. Saturday, March 6, at the Youth for Christ Rally, to be held in the Municipal Building.

"The God of Creation," produced by Dr. Irwin A. Moon in the Los Angeles laboratories of Moody Institute of Science, already has been shown to more than two million people in this country and was recently introduced in Europe. It is one of a series of evangelistic films by Dr. Moon, which also includes "God of the Atom" and "They Live Forever."

In the opening section of "The God of Creation," the audience travels to the stars to view the complexities of our own solar system. The astronomical photographs were taken through the giant 100-inch telescope of Mount Wilson Observatory in southern California.

Lapse-time photography is utilized to demonstrate the beauties of natural science, as flower buds appear to develop into full-blown blossoms in a few seconds. The metamorphosis of a caterpillar from worm to butterfly and the pollination of flowers are also seen on the screen.

Believed to be the first of their kind are the natural-color pictures of photosynthesis, the mysterious food manufacturing process resulting from the action of sunlight on leaves. At the conclusion of the film, photomicrography enables the audience to see the tiny organisms in a drop of water enlarged more than a million times.

"The God of Creation" will be shown by the Rev. J. W. McCarrell, Moody film representative.

## Advise Brooder Check Before Chicks Arrive

If you've ordered your baby chicks, here's a word of advice for you: don't wait until the chicks get here before you get the brooder house ready.

Poultry specialists say the first job is to clean the brooder house thoroughly—and that means scrub and disinfect the house and equipment. Cracks in the walls and floors should be sealed to stop drafts. Before the chicks arrive the brooder should be checked to see if the temperature holds.

## Older Folk Need Milk Too, Says Authority

Middle-aged and elderly people should have at least a pint of milk in their daily diets for good health and to fortify their bones against breakage.

Many older people believe that they don't need milk or that their body doesn't use it. This is not true reports Miss Mary C. Wiseman, Home Demonstration Agent. Studies made recently show that a lack of calcium in the diet leads to broken bones in old age.

To get enough calcium, protein and phosphorus, older persons need at least a pint of milk each day. It has been suggested that many a broken bone in older persons has caused the person to fall rather than the fall causing the broken bone. Lack of minerals in bones causes them to become weak so that they break easily.

If you would like to make sure of the amount of calcium in your daily diet, write to the Agricultural Extension office, Court House, Ann Arbor, for the score card, "What Is Your Calcium Count?" A recipe leaflet, "Milk in Modern Meals," also may be obtained from the Extension service.

## THANK YOU!

I wish by this means to express my thanks to the Pythian Sisters, the Women's Guild of St. Paul's church, and all my neighbors and friends for the fruit, baked goods and other food brought in while I was confined at my home; also for the many cards and messages sent to me. Everything was very much appreciated.

Mrs. Fred Sager.

## CARD OF THANKS

I wish to thank all my kind friends for their many acts of kindness shown me while I have been confined at home with a broken arm.

### Washtenaw Chapter of Red Cross Urges Vets To Reinstate GI Life Insurance

(This is the first in a series of articles describing the services your Red Cross offers, through your help, to the people of Washtenaw county. The 1948 Red Cross campaign for funds to carry on this work opens Mar. 1.)

Many veterans in Washtenaw county are not fully aware of medical, educational and pension benefits which are due them.

Lacking complete information, they may have neglected to reinstate their National Service Life Insurance or to take complete advantage of the benefits offered by this insurance plan.

National Service Life Insurance may still be reinstated. If application is made before July 30, 1948, this may be done upon presentation of a statement of health and payment of two monthly premiums, if the insured is in as good physical condition as he was when the insurance lapsed. This provides the veteran a maximum amount of protection at the least cost and in some cases it can be purchased by the disabled veteran who is unable to obtain commercial insurance.

Waiver of premiums is automatic with all NSLI policies. This keeps the policy in force without payment of premiums if the insured becomes totally disabled for six consecutive months or more.

Veterans are reminded that if they applied to the government to protect insurance policies while in service, all premiums due must be paid to the government with interest within two years of their discharge or the policy will become void and cash surrender value will be used to pay indebtedness.

Veterans who applied for NSLI prior to Jan. 1, 1946 must convert to either Ordinary Life, 30 Payment Life, 20 Payment Life, Endowment at 65, Endowment at 60 or 20 Year Endowment within eight years of the date of the original policy. Policies taken out after Jan. 1, 1946 must be converted within five years of effective date.

A veteran may file claim for disability compensation or pension at any time during his life, but immediate action is advisable in making application for disability compensation in order to establish service connection for any disease or injury incurred in service.

Red Cross urges this because needed organizational and medical records frequently are incomplete or unavailable. In this case it is necessary to obtain affidavits from comrades and officers serving with the disabled man who knew of the circumstances. As time passes it becomes increasingly difficult to contact these men and thus almost impossible to establish service connection.

Your local Red Cross has on hand complete information about National Service Life Insurance and disability benefits. They have forms for all Veterans Administration benefits, including insurance and disability. A staff of trained workers is on hand to give assistance in completing those forms and to develop necessary evidence to support and expedite claims.

The local field director in any branch of Veterans Administration, with authorization from the veteran, will follow up and develop a claim until satisfactory adjudication has been completed.

# VILLAGE OF CHELSEA AUDIT REPORT

December 31, 1947

February 19, 1948.

To the Honorable, the Village Council,  
Village of Chelsea, Michigan.

Gentlemen:

We have examined the balance sheet of the Village of Chelsea as of December 31, 1947 and the statement of receipts and disbursements for the year then ended, have reviewed the system of internal control and the accounting procedures of the Village, and, without making a detailed audit of the transactions, have examined or tested the accounting records of the Village and other available supporting evidence, by means and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in these circumstances, and it included all procedures which we considered necessary. We did not confirm receivables by direct correspondence.

In our opinion the attached balance sheet and related statement of receipts and disbursements presents fairly the position of the Village of Chelsea at December 31, 1947 and the results of operations for the year then ended, in accordance with generally accepted accounting principles.

Very truly yours,  
Iceman, Johnson & Hoffman,  
By C. A. Hoffman.

## VILLAGE OF CHELSEA Electric and Water Department AUDIT REPORT

December 31, 1947

February 19, 1948.

To the Honorable, the Village Council,  
Village of Chelsea, Michigan.

Gentlemen:

We have examined the balance sheet of the Electric and Water Department of the Village of Chelsea as of December 31, 1947 and the statement of income and surplus for the year then ended, have reviewed the system of internal control and the accounting procedures of the Department and, without making a detailed audit of the transactions, have examined or tested the accounting records of the Department and other supporting evidence by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances, and it included all procedures which we considered necessary.

We did not confirm accounts receivable by correspondence with the debtors because it was not practicable to do so. We satisfied ourselves by other means that the accounts were genuine.

In our opinion the accompanying balance sheet and related statement of income and surplus presents fairly the position of the Electric and Water Department of the Village of Chelsea at December 31, 1947 and the results of operations for the year then ended, in conformity with generally accepted accounting principles.

Very truly yours,  
Iceman, Johnson & Hoffman,  
By C. A. Hoffman.

Saline—Fathers and sons of the Federated church on Thursday evening and fathers and sons of St. Paul's church on Monday evening banqueted together in their respective church dining rooms and toasted one another in the 1948 repetition of an annual event in Saline. William H. Barr was the oldest father at the Federated church banquet.—The Saline Observer.

Saline—Very nice institution that which gets the community out of a night when they publicly proclaim their confidence in the sturdy calibre of the sons the proud looks the boys gave when they rose . . . Why haven't they ever had a mother and son banquet with the fathers wearing the aprons?—The Saline Observer.

Northville—Among the 29 Ford employees in the Parts and Equipment Manufacturing Division scheduled for special recognition are four employees of the Northville Valve Plant. Walter Mielbeck completed 30 years on Feb. 1, William Liebetreu, Roy Matheison and George Stanford completed 25 years with the company on Feb. 12, 15 and 17 respectively. All four men received special recognition pins and a congratulatory letter from Henry Ford II, president of the company.—The Northville Record.

Buchanan—A pair of bluebirds was seen Sunday, Feb. 22, at the Carl Remington home at Indian Springs, three miles north of Buchanan. The bluebirds were on a bird-feeding table a few yards from the living room window of the Remington home. No mistaking—Spring's coming soon, robins or no robins.—Berrien County Record.

Rochester—Four ladies, well-known in village circles, have entered the political campaign for offices which will be voted upon at the March 8 election. Two of the ladies are incumbent officers and have been nominated for re-election by their party, the Progressives. They are Mrs. Lillian Eastale, who is the present village clerk, and Mrs. Mae Nyhus, who is the village treasurer. The two who will oppose them at the polls are Mrs. Nina Hunt, who is seeking the post of clerk, and Mrs. Shirley Gray, who is running for treasurer.—The Rochester Clarion.

Milan—Mrs. Dorothy Pearl, eminent teacher, civic leader, club woman and Past National President of the American Legion Auxiliary, visited Milan Sunday. She came under the auspices of the local American Legion and its Auxiliary. Invitations were extended to the various organizations of the town, and to the general public. Mrs. Pearl recently returned from a trip to Europe and brought first hand and vivid knowledge of conditions there, unbiased and human. It was a rare opportunity and a fitting observance for Washington's birthday. At three o'clock the group assembled in the high school auditorium. But there a disappointingly small crowd gathered. Were it not for the visitors from Ypsilanti, Ann Arbor, Jackson, Saline, Blissfield and other points in the district, it would hardly have been worth the time to deliver the message.—The Milan Leader.

Rochester—The prospect of not being able to meet its payroll and other operating obligations after the month of March is facing the village, according to the annual financial statement presented to

## Better Citizenship Is Goal of 4-H Clubs in State as They Observe National Club Week

### 4-H CLUBS HELP FEED EUROPE

President John A. Hannah of Michigan State college expresses satisfaction with the Michigan 4-H Club program to send vegetable seeds to starving European families. Marilyn Janis, Ionia, and Ray Luit, Leland (Monroe county), both MSC club members, are shown in their own community 4-H Clubs for the past eight years, show the president the contents of one of the cartons. Thousands of these cartons each with enough seed to raise five tons of vegetables are being shipped as a result of 4-H Club activity in Michigan.

Each county arranges its own 4-H Club Week program in Michigan and throughout the United States, Hawaii, Puerto Rico and Alaska where the 1,750,000 4-H Club boys and girls live. County 4-H Club camps were held in more than half of Michigan's counties last year and three summer camps at East Lansing, Gaylord and Okemos provide a week's activity for more than 2,000 of the boys and girls. One highlight of the year is the annual 4-H Club Show held at Michigan State College in late August when members bring in their livestock, crops, handicraft, food preparation and other entries. Another is the Junior Livestock show held in December at Detroit.

Michigan sends four outstanding members to Washington, D. C., each June for the National 4-H Club camp and from 25 to 30 members to Chicago each December for the annual 4-H Club Congress. Entries of 4-H Club members comprise the backbone of the youth exhibits in many Michigan county and district fairs.

MSC poultry specialists report that for best production, temperatures in the laying house should be from 40 to 60 degrees Fahrenheit. Protection should be made against sudden changes. Artificial heat in winter is not economical unless suitable insulation is used.

Dexter—Dexter's newest organization is the Dexter Club, a social dinner and dance club, membership including some forty Dexter couples. The objective of the organization is to provide good, wholesome, clean, friendly, old fashioned fun, an occasional get-together for food, dancing and pleasure at prearranged dates to promote community good-will. The first dinner and dance will be on St. Patrick's night, March 17, and other parties planned so far include a hardtime party April 21, a guest party May 19 and a summer outdoor picnic for which the date has not been set.—The Dexter Leader.

### Freezes, Stores 385 Pounds of Food

Homemakers with freezers not only enjoy a plentiful reserve of delicious fresh food, but are able to store many fruits and vegetables out of regular season. An additional advantage is that freezing conserves vitamins and minerals important to the family health. Illustrated, with professional model, is the new International Harvester 11-cubic-foot freezer now on display at

## Club and Social Activities

### DESSERT BRIDGE CLUB

The Dessert Bridge club was entertained Monday afternoon at the home of Mrs. R. E. Jolly.

### RELATED BIRTHDAY PARTY

Mrs. Darrell Larson entertained eleven little girls at a party Saturday afternoon in belated celebration of the birthday of her daughter, Norma Jean, who was six years old Jan. 27. The party planned for that date was postponed when Norma Jean came down with the chicken-pox.

Mrs. Larson used the Easter motif in her decorations, with Easter place cards marking each place at the table and the birthday cake decorated with Easter nests of coconut containing tiny candy Easter eggs.

Games were enjoyed and many prizes were won by the guests. Norma Jean received many nice birthday gifts.

## at the Village Election Monday, March 8

Polls Will Be Open from 7 a.m. to 6 p.m.

### Vote the Straight PEOPLE'S TICKET

### The Candidates:

President: M. W. McCLURE

Clerk: CARL J. MAYER

Treasurer: DAVID STRIETER

Assessor: DAHUE A. RIKER

Trustee: VICTOR KOHSMAN

Trustee: LOWELL DAVISSON

Trustee: EUGENE FISHER

Library Board Directors (3 years):

MABEL W. FOX

LUELLA ROGERS

If elected next Monday, these candidates pledge a continuance of the policy of working WITH and FOR the people of Chelsea; to keep the public informed on the many problems and issues that confront the village; to continue the making of much-needed public improvements to the entire extent of available funds; to start on a program of improvements to the Electric and Water Department, out of plant earnings, so that the type of service demanded by the public may be available within the shortest possible time. We will welcome helpful suggestions and constructive criticism.

### PAST CHIEFS

The Past Chiefs of the Pythian Sisters held their March meeting at the home of Mrs. Carl Bagge, Monday evening, with sixteen members present.

A dessert lunch was served, and later, several games of cards were enjoyed.

### NEIGHBORHOOD CARD PARTY

Mr. and Mrs. Herman Hasley entertained at a neighborhood card party at their home, Saturday evening, with prizes in progressive euchre being awarded as follows: high, Mrs. Anna Reichert and Adolph Seitz; low, Mrs. Carl Schlosser and Elmer Pierce.

### CAVANAUKE LAKE GRANGE

Cavanaugh Lake Grange held a day meeting at Salem Grove church on Tuesday, March 2. A pot-luck dinner was enjoyed at noon and during the business meeting that followed, four men, Richard Kaimbach, Welton Bohne, Dean Schweinfurth and Henry Notten, were given their obligations as new members of the Grange.

As a memorial tribute to their former Grange Master, the late Ashley Holden, the assembly sang, "The Old Rugged Cross," and this was followed by County Agent H. S. Oiler's talk on "Soil Conservation." He showed pictures on the subject and also presided at a question and answer period.

About twenty members attended the meeting which was the last of the day meetings for this year. Enticing meetings are to be held in the evening.

### SILVER ANNIVERSARY

Honoring Mr. and Mrs. Hazen Lehmann on their 25th Wedding Anniversary, about 60 relatives met in the basement of Salem Grove church Sunday, Feb. 29. Dinner was served at 1:30. The tables were beautifully decorated in silver and white, and centered with a three-tiered wedding cake.

The following program was presented in the afternoon:

Song: "Sweeter As The Years Go By," Assembly.

Reading: "The Bride," by Eunice Lehmann.

Duet: "I Love You Truly," by Mr. and Mrs. Wilbur Beeman.

Reading: "Who's Boss," by Mrs. Anna Lehmann.

Reading: "The Wise Monkey," by Mrs. Nadine Artz.

Lord's Prayer, Assembly.

The honored couple received many lovely gifts.

Mrs. Lehmann is the former Irene Vail. She and Mr. Lehmann were married March 3, 1923, at St. Paul's parsonage, by Rev. P. H. Grabowski. They have five children, Jeanette (Mrs. Norman Collins), Evelyn (Mrs. William Osborne), Eunice, Gerald and Roger.

### NORTH SYLVAN GRANGE

There was a very good attendance at the meeting of the North Sylvan Grange, held Tuesday evening, March 2, at the home of Mr. and Mrs. Elmer Weinberg, in spite of the bad roads caused by the heavy snow.

County Agricultural Agent, H. S. Oiler, was present to show pictures and give a talk on "Soil Conservation." He also conducted a question and answer period, which brought out many details explaining the forming of a soil conservation district in this county.

A very nice lunch was served by Mrs. Weinberg at the conclusion of the evening's program.

### LEGION AUXILIARY

The American Legion Auxiliary met in the Home Ec. room at the High school Tuesday evening, March 2.

Plans were made for the pot-luck supper and card party to be held at the Legion hall on Thursday, March 18, for members of the Legion and Auxiliary. Everyone is to bring a dish to pass unless otherwise solicited. The supper is to be served at 6:30.

It was voted to make a five dollar donation to the cigarette fund for hospitalized veterans.

In the games which were the entertainment feature of the evening, Mrs. Wilbur Hinderer won first prize and Mrs. Susie Hulce received the consolation prize.

Refreshments followed and were served by the month-committee, Evelyn Howe, Ruth Christwell and Helen Otto.

The committee for the April meeting is to be Florence Merkel, Agnes Hummel, Veronica Dumouchel and Othilia Guenther.

### BIRTHDAY PARTY

Twenty-six friends, relatives and neighbors were entertained at a birthday party for Mrs. David Lixey in honor of Mr. Lixey's birthday which occurred Saturday, Feb. 28. Present for a one o'clock dinner were Mr. and Mrs. David Rossbach of Ann Arbor, Mr. and Mrs. Harvey Lixey and children, Dorothy Lixey and a friend, B. White, Mr. and Mrs. Joseph Dreyer, Mr. and Mrs. Roy Kaimbach and son, Paul, Mr. and Mrs. Emerson Lesser and son, Jerry, Mr. and Mrs. Albert Forner, Mr. and Mrs. Emil Regner and Mr. and Mrs. John Hude.

The afternoon's entertainment was presented by "Peppery" and when several of the guests had to leave early to do their chores, prizes were awarded as follows: High, Mrs. David Rossbach and B. White; second, Mrs. Emerson Lesser and John Hude; third, Mr. and Mrs. Emil Regner and consolation, Dorothy Lixey and Melvin Lesser.

Later there was a play-off of euchre games between the remaining men and women, Mrs. John Hude and Mrs. Emerson Lesser being the winners.

The party, arranged as a surprise for Mr. Lixey proved to be a very enjoyable affair, and as a memento of the occasion he was presented with a gift from the group.

In honor of the 29th wedding anniversary of Mr. and Mrs. John Hude, they were surprised with a gift of a set of Turkish towels as a remembrance from the group.

The Ancient Muckmelon

The muckmelon was cultivated in Persia, Turkistan and along the shores of the Mediterranean long before the Christian era. In this country, most of its favorite varieties are called cantaloupes after an Italian nobleman of that name.

As a result of long scientific breeding, today's cantaloupe is a much "meatier" melon than its ancestor of a generation or two ago. Careful seed selection and production have developed a thin skin, thick meat of a golden tint and a very much smaller seed chamber.

Archery Becomes Popular

Since 1870, when the first American archery tournament was staged in Chicago, the sport has become increasingly popular. Men use a 6 foot bow and women a 5 1/2 foot bow. The arrows are made of cedar, pine or yew wood. The arrows for men are 24 inches long. The targets are placed on an easel, the center being 4 feet from the ground.

The Diamond State

"Liberty and Independence" is the motto of Delaware. The state flower is the peach blossom and the blue hen chicken is the state bird.

IT SEEMS BUT YESTERDAY

... that greasing the buggy was a regular job, like lubricating the auto. Pressure lubrication was unknown; the wheel was taken off, grease dipped from the can with a stick and spread on the axle. A squeaky wheel, not mileage, determined when to grease the buggy. Remember?

MR. AND MRS. ERNEST DIUBLE

### Ernest Diubles Mark Fortieth Anniversary with Open House

Mr. and Mrs. Ernest Diuble of West Liberty road, who were married Feb. 28, 1908, celebrated their fortieth anniversary with a dinner for twenty-five relatives at noon, and an open house attended by 150 guests between 2:30 o'clock in the afternoon and 7:00 o'clock in the evening, on Sunday, Feb. 22. Seventeen of the relatives present at the dinner attended the wedding forty years ago at the home of the bride's parents, Mr. and Mrs. George Schable of Lodi township.

Assisting as hostesses at the open house were Mrs. Diuble's sister, Mrs. William Haas, a sister-in-law, Mrs. Albert Schable, a niece, Mrs. Le Roy Gale of Ann Arbor, two cousins, Mrs. Henry Engelhart and Mrs. Albert Eschbach and Mrs. Otto Blass of Ann Arbor.

A ruby and white color-scheme was carried out in the table setting; the centerpiece being a four-tiered anniversary cake decorated with icing in the two colors, and flanked by four tall, lighted candles. Ruby and white monogrammed napkins were used.

Guests were present from Ann Arbor, Grass Lake, Chelsea, Manchester and Albion. Those from Chelsea were Mr. and Mrs. Henry Engelhart and Mrs. Mattie Lucht.

Mr. and Mrs. Diuble were presented with many lovely gifts, including a number of beautiful pieces of ruby glassware.

Saturday evening, fifty-five friends and neighbors surprised the honored couple with a party. Cards were enjoyed during the evening and prizes were won by Juanita Yetka, Clarence Egeler and Walter Rothfuss.

Mr. and Mrs. Diuble have lived in their present home since their marriage. They were the parents of seven children, three of whom have died. A son, Alton, was killed

ed in an automobile accident several years ago and another son, Paul, was killed in the European area, during World War II. A daughter, Louise, died about two years ago. Three daughters, Mrs. Earl Layton, Mrs. Russell Downing, and Mrs. Alton Blass, reside in Ann Arbor, and a son, Norman, is at home. All were present at the celebration.

BARN CONVENIENCE  
Costs Less Than You'd Think

It's surprising how little you can completely modernize that old barn of yours. Jamesway planning help and equipment will save you steps, work and time. Thousands of farmers know what it means to save miles of walking—30 to 40 minutes every day—in doing the chores.

And at the same time, Jamesway planning means more animals in the same space, increased milk production, greater herd health and less depreciation in the barn itself through adequate ventilation. So come in and see us today. We'll be glad to tell you how you can have a better barn, hog house or poultry house at minimum costs.

### WHY IS IT?

Why is it that when the teacher leaves the room everyone declares a personal holiday? Lessons seem to be forgotten and the teacher really has a job trying to regain order when he or she returns.

Why is it that when teacher's back is turned that someone starts entertaining the class in general? Most of the time these little episodes destroy the carefully made plans the teachers are presenting to the class. After all, these teachers are doing it only to benefit those in the class.

Do the students appreciate their strenuous efforts? It certainly doesn't look that way. Of course, no one can be perfect all the time, but when nine times out of ten it's the same people, there's no excuse for it. This is high school, we're not exactly children anymore, even though sometimes there are doubts. Let's see if we can't be more considerate and appreciate teacher's efforts.

### SCHOOL SUPPLIES FOR CHILDREN OF FRANCE

Several students have been working hard the past two weeks sorting, packing and labeling packages for the children of France. These students were Mary Paul, Minnie Mae Platt, Paul Niehaus, Jr., Robert Stoffer, Erlamae Wanous, Phyllis Fischer and Agnes Forner.

The school children in grades kindergarten through twelve, brought in pencils, tablets, erasers, crayons, etc., until twelve boxes were packed.  
A complete inventory was made on all the things sent and it reads as follows: 236 tablets (large); 35 tablets (small); 1661 pencils; 216 boxes of crayons; 1 box wooden crayons; 260 erasers; 3 loose leaf notebooks; 30 packages of notebook paper; 6 large and 2 small spiral notebooks; 13 pads of typing paper; 13 paint boxes; 1 painting set (large); 1 small pad of paper; 1 pair of scissors; 14 hankies; 6 bars of soap; 6 tooth brushes; 4 tubes of tooth

paste; 4 color books; 1 pair of mittens and 1 pair of gloves.  
These twelve boxes of supplies will be sent to Dr. Kuo in Paris for distribution.

### HOME EC. FIELD TRIP

The second and third year Home Ec. girls made a field trip to Palmer's Goodbye Store Wednesday morning to see a demonstration of an automatic washer, dryer and iron.

Mrs. Rostock, who gave the demonstration, began by explaining how the washers are constructed and how action takes place within the washers when they are in operation. After this she placed some clothes in a washer and set the automatic dial. Then the machine did all the work formerly done by the housewife with a regular washing machine.

The dial is set so that soaking the clothes, washing, rinsing and wringing of the clothes are all done automatically. The only thing the housewife must do is add the soap to the water. After the clothes were washed Mrs. Rostock then placed the clothes in a dryer. While the clothes were drying she showed the girls how to operate an iron. After the demonstration Mrs. Rostock answered many questions for the girls. Mrs. Rostock gave many helpful hints about laundering which will be helpful to the girls in the future.

### 'SMALL TALK'

Teachers evidently don't like noisy shoes, Eh, Bob? You better have those taps removed.

What's that contraption that's rigged up in Miss Larson's and Miss Schell's rooms? It looks like a telephone. Well, even teachers have to talk!

What's this about John Lightner's "tester-toter"? Maybe you'd better let us in on the details, John.

Seems as though Buddy Johnson should know by now, not to write notes (?) in study hall.

We wonder what keeps "Gabriel" Dreyer from world history class every day?

Have you heard? Audrey Taylor (at least in 1st hour English class), would rather shoot herself than keep on drinking! De-aney Seniors remember "Miniver Cheevy"!

Oscar Hansen, such ideas! Do you really think girls appreciate whistles? Well, if that's your interpretation—OK.

Does Joan Hughes live inside the school districts? Maybe Mr. Cameron can answer that question.

Merle Leach, you'd better stop that talking in 5th hour, or you will be in front of the room all of the time!

The Sophomores had better have a good class ring by now, after having to vote three times. Maybe they're just particular!

### BAND NEWS

The band and chorus are rehearsing for a Parents' Night program. The band is also rehearsing for a program to be given for the Hi-Y, March 8, in the Municipal building.

### STUDENT COUNCIL NEWS

At Student Council meeting Feb. 22, 1948, Delores Eiseman reported on the committee which is working on the Parents' Night program.

There was another discussion about the Sophomores getting their rings before next year. It was decided that the class should wait until they are Juniors before buying their rings.

Douglas Vogel reported that reporters on the pictures from Dexter will be here Friday.  
The Junior High school contributed money for postage for the

packages that are to be sent overseas. Ten more dollars are needed and the Student Council is conducting a campaign to raise this money. Each person in high school is asked to contribute a nickel.

### GAA ALUMNAE GAME

The basketball girls played a practice game with the Alumnae last Tuesday.  
The starting line-up for Chelsea was: forwards, J. Hughes, D. How-

ard, M. Slane; guards, P. Schallbe, M. Roberts, C. Fouty; substitutions, P. Scott. Alumnae: forwards, J. Winans, V. Gillette, N. Pearson; guards, C. Ewald, M. Ingram, B. Luick; substitutions, N. Hummel.

The game got off to a slow start with Chelsea shooting a great deal, but always missing. The score at the end of the half was 2 to 0 in favor of the Alumnae. (Continued on page 11)

**STANDING** still, it has the eager look of a pointer scenting game, so swift and flowing are its lines.

Sweeping by, it stands out unfailingly from the highway crowd, unmistakably a Buick and unquestionably the year's trimmest fashion plate.

But have you *traveled* in one of these tidy new beauties?

Have you seen for yourself how smooth and silent is its flow of power, how hushed and quiet is its ride?

This comes from many things. From Fireball power now Hi-Poised for throbless smoothness. From a Vibra-Shielded ride that is your ever-present protection against road-noise, body-drum and vibration build-up.

And it comes, in addition, from a brand-new development we call Sound-Sorber top lining.

It's a thick pad of feathery insulation much like that you use in your own home, and it goes into every

closed model in our 1948 SUPER and ROADMASTER series.

This new lining cloaks your Buick in new and delightful silence akin to that of your own living room—silence that encourages normal-tone conversation, makes soft radio music clear and enjoyable throughout the whole car.

So you ride in quiet as well as beauty when you travel in this style star.

You find it a great-hearted lovely that is soft of voice and gentle of manner—a delight to the traveling ear, the guiding hand and the passing eye.

Don't just see it at your Buick

dealer's — look into it with greatest care. The deeper you look the surer you'll be to see the wisdom of getting a firm order in now!

You shall have music—wherever you ride. Front seat or back, you listen to your radio at soft and undistorted volume in this new Buick. You talk without shouting, know freedom from rumble and din. Always cars of quiet comfort, the Buick SUPER and ROADMASTER step out still further with Sound-Sorber top lining—a Buick exclusive.

## Rural Tele-news

**VOICeways FOR '48:** Michigan Bell expects to set 25,000 poles and string over 11,000 miles of wire in rural areas this year. This will help bring telephones to folks who are waiting and reduce the number of parties on many rural lines.

**GOOD NEIGHBORS:** Good rural-line neighborliness means better service for all. We're good telephone neighbors when we keep calls short, remember not to interrupt others' talks, and hang up after each call. (One receiver off the hook ties up the line for everyone.)

**BIG CITY:** The number of telephones added in rural areas by Michigan Bell in the past two years would provide a telephone for every man, woman and child in a city the size of Battle Creek. There are now 125,000 telephones in rural areas served by Michigan Bell.

## Declines in Market Prices Make Study of Situation Vital

Recent drops in the commodity markets, particularly in wheat and corn have prompted many farmers to wonder if we are headed for a recession or a depression.

Arthur Mauch, agricultural economist, points out that it is necessary to examine the facts before making a decision. Price declines have been noted in a number of commodities for some time. Fruit prices in the U. S. continued to drop for the fourth consecutive month. For some time now hay, potatoes, apples, chickens, eggs, and wool have been selling for less than parity. The price of some industrial goods has been declining, too.

While grain has declined rather rapidly, farmers should remember that grain still is not cheap. Prices of corn and wheat still run higher than a year ago. Livestock feeders and dairy farmers will welcome lower grain prices that will make feeding ratios more favorable.

Future economic developments depend to a great extent on the attitude of the people. Mauch advises that "fear psychology" that makes people buy and sell without thinking could result in a serious depression. Good judgment and sound business planning can help to prevent such a drastic result. Present indications are that the readjustment may be similar to the 1920's when agriculture suffered price declines while general business conditions were relatively good.

Despite future developments, the recent changes in price show what

## Annual Flower Show Being Held in Detroit

Michigan's 18th annual flower and garden show which will be held at Convention Hall, March 13-21, is fostering a lot of firsts. For instance, the highlight of the show this year will be a "Garden of Old Detroit" showing the old-fashioned garden with its romantic atmosphere. It is being sponsored by the Detroit Historical Society. This is the first time that a garden with the east-iron-deer-cast-iron lawn benches, old time costumes, croquet on the lawn, hammocks, the old front porch and wrought iron fence have ever been presented. It will bring back nostalgic memories to the old and show the young folks the contrast in styles between early 1900's and today.

For the first time in the history of Detroit flower shows there will be a planetarium on exhibit. It was bought by the Detroit Astronomical Society for use by Wayne University, but will be presented first at the show.

**Cleaning Willow Creel**  
A willow creel that develops a bit of an odor as a result of constant use can be cleaned easily. Rinse it thoroughly with clear, cold water and hang it in the open air to dry. Let the water run through the willow sticks. Use of soap or deodorant is not necessary.

can happen to prices in a short period of time. The MSC economist believes the best plan for the farmer to follow is one that helps him to absorb the shock of rapid price declines with the least possible loss and hardship.

While gasoline is one of the most common fuels, it is extremely dangerous if not handled and used correctly. MSC farm safety specialist Fred Roth points out that the safest storage is underground. If this is not possible, it should be used from an approved tank in the open or in a special building at least 50 feet from other buildings.

Federal Payroll Cut Adds to State Responsibility

The United States Veterans Administration announced this week that it is virtually abandoning the supervision of GI Bill-approved schools and job-training establishments.

Advisement and guidance of GI Bill students and trainees will also be slashed to the bone as VA jugs its huge employee list to meet anticipated cuts in the number of non-medical personnel it will be allowed in the next fiscal year.

Veterans Administrator Carl R. Gray, Jr. announced an over-all cut of \$500 persons from the VA payroll before June 30 to get in line with the President's budget recommendations to Congress.

The Office of Veterans' Affairs has one man whose entire time is devoted to unraveling problems which develop when veterans are engaged in on-the-job or apprenticeship training. No other provision is made by the State for such assistance to those more than 25,000 veterans.

There are 20 employees in the Office of Veterans' Affairs, nine of whom are stenographic and clerical employees. The remaining 11 are divided as follows: administrative and supervisory 3; field service, 3; rehabilitation, 2; counseling and special problems, 1; TB hospitals, 1; on-the-job and apprenticeship training, 1.

The Office of Veterans' Affairs was created by the legislature in the executive branch of government and is directly responsible to the Governor.

NSLI Is Valuable During Lifetime of Every Veteran

National Service Life Insurance, often described as the greatest benefit granted the majority of veterans by a grateful government, places the emphasis on "life" when it comes to protecting the veteran.

Many veterans believe their NSLI provides only for their families in the event of their deaths. Actually it is worth a great deal to the veteran during his lifetime.

There are five benefits in addition to death claims: (1) Loans on permanent insurance; (2) Cash value; (3) Proceeds of endowment policies; (4) Disability premium waiver; (5) Disability income payments.

A veteran may secure a loan up to 94 per cent of the reserve on any permanent NSLI policy, which includes ordinary life, 20- and 30-payment life, 20-year endowment policies and endowments at age 60 and 65, at any time after the policy has been in effect for one year.

Any permanent form of NSLI premium which has been paid in full for one year may be surrendered for its cash value. This cash value differs with each type of policy.

A new disability feature may be added to all types of NSLI for an additional premium. This coverage provides for payment of \$5 a month for each \$1,000 of insurance in force for veterans who are totally disabled for more than six consecutive months commencing prior to the veteran's 60th birthday.

Builders' Materials To Be Shown at MSC

The great number of building materials being sold often makes it difficult to choose the right one. A feature of the Farm Building Conference at Michigan State college on March 11 and 12 will be a discussion of all types of building materials. Another attraction will be a display of building equipment and materials.

Members of the MSC agricultural engineering department will present interesting talks and representatives of various industries will be present to answer questions on farm building.

The Collins brothers are moving from the Healey farm to the Sidney Collins farm near Waterloo.

Despite the fact that land in rural districts is comparatively cheap, more than half of the country schools possess grounds of one-half acre or less, forcing the children to play in the road or neighboring fields.

Mrs. and Mr. G. Hindelang and family are moving from Milwaukee, Wis., to Chelsea. Mr. Hindelang has accepted a position in the hardware store of F. H. Beller. They will make their home in the Stripe residence on South Main.

Preparations are being made by the members of the Church of Our Lady of the Sacred Heart for the proposed observance of St. Patrick's day. A grand banquet will be given with the principal address to be given by Father Command of Trenton.

Mrs. Cordelia Maroney and Mrs. Cornelia Lewick, twin sisters, celebrated the 80th anniversary of their birth on Monday. Owing to the cold weather the two sisters were unable to meet together, and had been their custom for years past, to celebrate the event. Both are enjoying good health.

Mr. and Mrs. John Metzger, who were recently married, were honored at a surprise party with about seventy-five neighbors present at the home of Mr. and Mrs. Albert Widmayer, of Lima. N. W. Laird, on behalf of the assembled guests, presented the young couple with a handsome clock.

Report of the school in District No. 2, Rogers Corners, for the month of February, is as follows: attending every day—Elsie Hinderer, Alfred and Clara Schiller, Julius Haas, Lydia Buss; star spellers for the month, Edna Koenigster, Clara Schiller, Lenora Eschelbach. Mrs. Lucy Stephens is the teacher.

Village election will be held Monday. On the Independent ticket the candidates are as follows: president, D. C. McLaren; clerk, C. W. Maroney; treasurer, J. F. Alber; trustees, J. B. Cole, P. G. Schable, Conrad Lehman for two years, and A. F. Schumacher to fill vacancy for one year; assessor, Ford Axtell; committee, D. C. McLaren, H. D. Witherell and L. P. Vogel. The People's party offers the following: president, Wm. Bacon; clerk, Herman J. Dancer; treasurer, C. E. Kantlehner; trustees, C. W. Lighthall, Jacob Hummel, J. N. Dancer, for two years, and N. S. ## GIRL SCOUT NEWS

Senior Girl Scouts

The meeting was called to order by the president at 7:00 p.m. Thursday evening. Minutes from the last meeting were read and approved. The treasurer made her report and it was approved. All members were present.

The girls talked about the conference which they had attended in Ann Arbor. They got many new ideas to make scouting interesting and are going to try to get more members.

Plans were made for the coming week, then the meeting adjourned. Following the meeting, troop members worked on rugs and had refreshments furnished by Mary Ann Wheeler.

At nine o'clock the entire troop was called over to the Eagle Lodge by Mrs. Bair who presented the troop with a check for \$25.00 to help fix the club room. The troop was told by Eagle spokesmen that they would like to be sponsors of the Senior Girl Scouts for this year. Mrs. Helen Otto, troop leader, thanked the Eagles for the kind offer and encouragement offered. Her scouts accepted the check and all went home happy because of a feeling of confidence that the Girl Scouts can have a new troop.

**Brownie Groups I and II**  
The Brownie Groups I and II opened their meeting at the home of Mrs. Warren Daniels.

The meeting was called to order by President Barbara Osterle, and in unison, all repeated the Brownie promise.

The treasurer's and secretary's reports were given and approved.

The groups elected Doris Wood and Beth Irwin for Clean-up committee. Refreshment committee is Maxine Packard, Doris Woods and Christina Risen, who were appointed for next week's meeting. A social time was enjoyed and refreshments were served by the committee. The meeting was closed by the closing ode, "Day is Done." —Sharon Dancer, Scribe.

Now for Your Entire Summer Meat Supply

Now is the time to round up that steer you've been fattening all winter or to select the hog you want for your summer meat supply.

E. D. Farwell, animal husbandry specialist at Michigan State college, warns that farmers shouldn't wait until it is too warm to keep fresh meat without spoilage. With spring not far away, and the planting rush that comes with it, there is no better time to slaughter than now.

Each farmer should have about 150 pounds of meat per member per year, and plans should be made to store half of that supply now. A 220-lb hog will yield 170 to 180 pounds of pork, a 1,000-pound steer will supply 550 to 600 pounds of beef, and a 100-pound lamb will yield about 50 pounds of lamb. Selection of young healthy livestock in good flesh is best, since their meat is more tender than meat from aged livestock.

## THE HI-LIGHT

(Continued from page nine)

These two points were made on the second half was a little more profitable with Chelsea scoring 11 points to the Ann Arbor's 10. The final score was 11 to 4 in favor of Chelsea.

**GAA** The basketball girls played their first game at U. High, Feb. 27. The starting line-up for Chelsea was the same as in previous games. For U. High: forwards, Jean McGarran, Mary Peterson, Charis Moehl. The guards: Jean Peterson, Peggy Graham and Jean Clapham. At the half the score was 6 to 8 in favor of U. High.

After the third quarter the score was 8 to 10, still U. High's favor. At the beginning of the fourth quarter the tying basket was made, making the score 10 to 10. The tie remained unbroken throughout the rest of the game.

## GRADE NEWS

**KINDERGARTEN**—Kurt Howe had a birthday party last week. His mother provided the children with tasty refreshments, consisting of cup cakes and sundaes. She also furnished decorated napkins. The children enjoyed the refreshments very much.

**SECOND GRADE**—The second grade students are studying about the people of Holland. They are also very busy making things for Parents' Night.

**FIFTH GRADE**—Martha Howard had a birthday Feb. 26. Her mother provided cup cakes for the children to eat with their milk. The children enjoyed the cup cakes very much.

**SEVENTH GRADE**—This year in history we divided into three groups. One group was the Northern colonies, the second was the middle colonies, and the third was the Southern colonies. We built scenes to represent our colonies. Feb. 18, Miss DeRose and Mr. Johnson came in and judged our work. They both thought our work was good. The Northern colony group won. The middle colony was the second. The Southern colony was the third. The leader of the Northern colony was Janet Widmayer, the secretary was Billy Hollifield. The people of the Northern colonies who won the prizes were D. Rowe, B. Hughes, B. Smith, K. Keeney, C. Paul, R. Bertke, K. Widmayer, and the officers. The chairman of the middle colonies was Duane Satterthwaite and the secretary was Sandra Baldwin. The chairman of the Southern colony was Donald Proctor, and the secretary was Judy Davison. Friday

afternoon the Northern colony received their prizes. The girls won prizes, coin purses and the boys a marble game. We all enjoyed doing our work. Thanks go to Mr. Johnson and Miss DeRose.

Donna Hinderer got the least number of mistakes on our six-weeks poem which was "Godfrey Gordon Gustavus Gore."

People who haven't been absent this six-weeks are: John Batsakes, Karen Chase, Bill Clark, Dean Clark, Barbara Collins, Donna Hinderer, Janet Lotridge, Eleanor Schmidt, and Phyllis Vogel. People who haven't been absent since Labor Day are Barbara Collins, Donna Hinderer, Dean Clark, and Karen Chase.

We received a letter from Bill Etlicker who lives in Eugene, Oregon. He is willing to make a scrap book on Oregon and he would like us to make a scrap book on Michigan. When we get our scrap book finished we will exchange them. We decided that we would do it.

Some of the things to be included are history, climate and geography, chief cities, important industries and natural resources. We drew lots for topics. We are supposed to look in magazines for various pictures for the scrap book.

**JUNIOR NEWS**—The Juniors have been working industriously on their play, "A Date with Judy." They presented March 10 in the High School gymnasium. Rehearsals have been held regularly for three weeks directed by Miss Mary Lou Larson and Miss Esther Schell.

The "Bulldog" beanie, which the class has been selling, were purchased at a rapid rate, and this program is now completed.

**SENIOR NEWS**—The Seniors have started work on their Annual, and their various committees are now striving to get it in order. Doug Vogel and Don Baldwin, our Advertising managers, are soliciting the advertising.

**SENIOR BIOGRAPHIES** Her eyes are hazel, hair is brown. She wasn't born in this old town. 'Twas in Dayton, Ohio, in thirty-

## BOY SCOUT NEWS

The Pack meeting for Cub Scouts, Den Chiefs, and parents and friends of Cub Scouts, held Wednesday evening, Feb. 25, in the Home Ec. room at the Chelsea High school reflected the increased interest in Cub Scouting here, one hundred and three persons being in attendance.

The meeting began at 6:15 o'clock and was opened by repeating the "Lord's Prayer" in unison. This was followed by a very fine pot-luck supper planned by Mrs. Lewis Schneider and her committee, and then the business meeting was held.

Philip Olin, Cub Scoutmaster, spoke to the group, acquainting the parents and friends present with Cubbing activities.

An American flag was presented to the Cub Scouts by Mrs. Edward Walker, on behalf of the VFW Auxiliary sponsoring committee, and a standard flag was donated by Mrs. Mary Kline. Mrs. Ren Hutzler, president of the VFW Auxiliary, was also present. Cub Scouts from the dens of Mrs. R. A. McLaughlin, Mrs. Francis Dault and Mrs. Clinton Collier conducted a flag ceremony with their newly acquired flag and Cub Scouts from Mrs. Jack Barkley's den put on a skit pertaining to George Washington cutting down the cherry tree.

Cubs from Mrs. Lewis Schneider's den group gave Webelos requirements and also the Boy Scout laws, as these boys will soon be graduating from the Cub Scouts and entering the Boy Scouts.

Members of the Pack committee present were introduced as follows: Al Mahar, chairman and treasurer; Russell McLaughlin, Clive Weir, and Melvin Lesser. Also introduced were Cubmaster Philip Olin, assistant Cubmaster Dale Keizer, Den Mothers Mrs. Clinton Collier, Den I, Mrs. R. A. McLaughlin, Den II, Mrs. Francis Dault, Den III, Mrs. Jack Barkley, Den IV, and Mrs. Lewis Schneider, Den V. Each Den Mother was assigned to her proper place and each Cub was assigned his prospective meeting place.

Several Bobcat pins, Wolf and Lion badges, and silver arrows were awarded the eligible Cub Scouts by the parents present, through the Cubmaster.

Because of the Lenten service held that evening at the Methodist church, no formal closing was made and as soon as the badges were awarded and Den members and Pack members had enjoyed one made a quiet exit as those who wished to do so could attend the church service.

The Cub executives thanked everyone who assisted in making the evening a pleasure.

The exceptionally fine attendance was gratifying, and it is hoped that all parents and interested teachers will feel free at any time to attend Pack meetings or Den meetings.

Mrs. Lewis Schneider was commended for the fine supper she and her committee had arranged, as was Mrs. Lawrence Fowler for the home-made rolls she donated for the occasion. Mr. Keizer and his committee assisted greatly by setting up and taking down the tables and chairs.

The sponsoring committee was thanked for the gift of the American flag and was assured that it would receive the special care and proper attention it deserves.

## DEATHS

Mrs. Anna Burns, a resident of Chelsea township most of her life, died at 1:30 a.m. on Monday, March 2, 1948. She was seventy-one years old.

Mrs. Burns was born on the old farm homestead on Roe road in Chelsea township on May 22, 1888. Her parents were Richard and Ann McGuinness Clark. She was married in 1906 to John Burns, who died April 15, 1938. The home they had lived in during their married life, west of Sugar Loaf Lake, was sold to the government as a part of the Waterloo Project area and is now known as Burns Lodge and rented to responsible persons for special occasions.

After her husband's death, Mrs. Burns returned to the Clark homestead to make her home with her sister, Mary Clark, and two brothers, Alfred and John Clark. The

latter is the only surviving member of the family, all of whom were born on the homestead. Alfred died Nov. 6, 1944, and Mary died Oct. 9, 1947.

Burial is to take place in St. Joseph's cemetery in Dexter, following funeral services at St. Mary's church here at 10 o'clock this morning (Thursday). Father Leo Laige is to officiate at the service.
