By Gene Alleman

Governor Kim Sigler has redesigned his package for Michigan government reform. Immediate reform is giving way to long-range reform.

Showing a willingness to change his mind when convinced that he can achieve results better by other methods, Sigler now favors the following program which is being shaped for presentation to the state legislature in special session starting next Tuesday (March 16):

1. No new or higher taxes. Michigan taxpayers, the governor says, are paying enough money today for government public services. The big job is to distribute this money equitably where it is needed. Hence, no new or higher taxes. For example, no increase in the state gasoline tax for additional road building.

2. Remove from the November ballot the legislature authorized vote on revision of the state constitution by constitutional convention. The governor is convinced that piecemeal revision of the constitution is a more intelligent way to proceed than concentrate their thinking on a few issues at hand, rather than opening the door-wide to complete revision through the relatively slow process of a convention.

3. Remove from the November ballot the legislature authorized vote on repeal of the sales tax diversion amendment. The governor has consistently favored repeal; he still does. However, he is convinced that the time is not ripe for such action. The public must be convinced of its necessity, and the most realistic way to do this is to demonstrate through red-ink financing deficits, if you please, that the public cannot enjoy state public service (without new or higher taxes) while 76 per cent of the sales tax money is returned to home communities for spending by home government.

4. Four-year tenure of office for all constitutional state and county officers except the state and county secretaries of state and attorney general, both to be filled by appointment by the governor. The first election to be in 1950, a non-presidential campaign year.

5. These elected officials to take office on December 1, instead of January 1, as at present. The governor, for example, could then ready his legislative program before the legislature meets.

6. An amendment to remove salary limitations from the state constitution. There is also evidence that Sigler is thinking more of a "cabinet" of responsible department heads and elective officials and less of suggested power whereby the governor would have the right to hire or fire any department head. These plans form a formidable program. They illustrate anew the process of democracy in action.

## Catholic Women Gather in Monroe

The Southwestern Deanery of the Detroit Archdiocese Council of Catholic Women held its fourth quarterly meeting Sunday, March 7, at 2:30 p.m. in St. Mary's parish hall, Monroe.

New officers elected were: President, Mrs. John A. Martin, Adrian; first vice-president, Mrs. E. J. Willis, Northville; second vice-president, Mrs. Owen Cleary, Ypsilanti; secretary, Mrs. Louis Collins, Adrian; and treasurer, Miss Dora Neidinger, Newport. The delegate-at-large is Mrs. J. L. Ennen, Ypsilanti, who is the retiring president.

Mrs. Ennen, the present first vice-president of the archdiocesan council, presided at the meeting. Rev. Monsignor Warren Peck of Ann Arbor read the opening prayer and spoke briefly concerning the necessity for doing penance.

Mrs. Kenneth Heliker of Ypsilanti, County Commander of the Washington Unit, Cancer Society, was the principal speaker. She spoke to the women in Rome in 1945, at which time she stressed the point that the essential work of woman is that of a homemaker and when family life flourishes everything good flourishes.

A short program followed and refreshments were served. Ladies attending from St. Mary's parish of Chelsea were Mrs. Carl Frances Albery, Mrs. Herbert Roy, Mrs. August, Mrs. Wm. Wm. Hafner, Mrs. Joseph Hafner and Mrs. Roscoe J. Lowmyer. In all, representatives attended from 29 parishes and more than 200 ladies were in attendance.

The next meeting of the Southwestern Deanery will be held at Plymouth in June. The tenth annual day-convention of the Detroit Archdiocesan Council of Catholic Women will be Thursday, March 11, at the Hotel Statler, Detroit. Delegates from St. Mary's of Chelsea will be Mrs. Norbert Merz and Mrs. Armin Schneider.

## Anniversary Banquet Held Thursday Nite

IOOF, Rebekahs Observe 30th, 31st Years in Joint Affair

An excellent roast beef dinner topped off with a dessert of homemade cherry pie was served to about one hundred Oddfellows, Rebekahs and their friends in the dining room of the Congregational church by the ladies of the church last Thursday evening, the occasion being the thirty-first anniversary of Chelsea Lodge No. 101, IOOF, and the thirtieth anniversary of Chelsea Rebekah Lodge No. 130.

Bouquets of gladioli were used

DR. CHARLES F. KLUMPP

on all the tables, the speakers table being centered with a bouquet of spring flowers. Place cards and favors were in the Lodge colors, pink and green.

Rha Alexander, IOOF Chaplain, offered prayer before the group was seated.

Following the dinner, Martin Miller, as general chairman, introduced Mr. and Mrs. Paul F. Niehaus, the latter accompanying on the piano for group singing led by Mr. Niehaus. Featured during this portion of the program was an impromptu quartet rendition of "My Wild Irish Rose," the singers being Mrs. Donovan Sweeney, Mrs. Rha Alexander, Mrs. R. Jones and William Schatz, picked from among those present by Mr. Niehaus.

This was followed by the introduction of the toastmaster for the evening, Raymond Canine, who called first upon William Schatz, Noble Grand of the Oddfellow Lodge. Mr. Schatz stated, during his short talk, that a lot has been purchased in Chelsea for a home for Oddfellows and Rebekahs and to bring about the success of this and other projects inaugurated by the lodge, the watchword must continue to be "Forward."

Mrs. Harold Bair, Noble Grand of the Rebekah lodge was next introduced by the toastmaster. Mentioning the cooperation that has always been evident between the two lodges, she stated that this cooperation must continue if both lodges are to continue to prosper.

She mentioned that the oldest member of the Rebekahs, Mrs. J. J. Bareis, who has been ill for some time, has returned home from the hospital but was still not well enough to be present at the banquet. She concluded her talk by saying "Let's be what our friends think we are — through and through."

Mr. Canine, regretting that Mrs. Bareis could not be present, said also that the oldest Oddfellow, A. B. Shutes, could not be present either, but that both would be remembered by the lodges.

Mr. Canine said that in 1917, the year that the IOOF Lodge No. 101 was instituted on March 8, thirty-seven initiates were accepted as members and of these, four are still active Oddfellows. The Howard Brooks and also Donald Pancost, now in Idaho. Of the 1918 initiates, Truman Lehman is still an active member of the group, initiated in 1919, and of the 1920 initiates (Continued on page ten)

Last Thursday night saw the first round game of the Independent League play-off games being fought out in the High School gymnasium. ## Chelsea ABA Observes End of First Year

Gather in Municipal Building Saturday for Annual Meeting

The first annual meeting of the Chelsea A.B.A. was held Monday evening, March 8, in the Municipal building with more than eighty members and friends present, as shown by the roll call.

George Parson, of the Dairy Extension Service at Michigan State college, was the principal speaker of the evening. He spoke of the vast improvement in dairying that the A.B.A. can provide for the average farmer—an improvement not possible without the facilities of the cooperative association.

The meeting was in charge of Chelsea A.B.A. President Everett Van Riper and was opened with the "Star Spangled Banner" played by the Chelsea High School band, under the direction of Mr. DeWitt. Other numbers were played by the band as follows: "Queen City March," "Champions of Liberty," "Marilyn Waltz" and "Transcontinental March."

Floyd P. Fowler, secretary and treasurer read his reports and also read a history of the Agricultural Breeding Association. James Bradbury gave his report as manager and Gordon Van Riper, chairman of the Auditing committee gave that committee's report. This was followed by election of Walter Wolfgang and Jay C. Bradbury as directors.

Washtenaw County Agricultural Agent, H. S. Oiler, spoke on the "Progress in Dairying," and E. J. Coleman, from the Ebling Creamery company of Detroit, presented the motion picture, "No Hand Stripping," by Babson Bros. Inc., of Chicago.

A feature of the evening was the making of a fifteen-minute recording by John E. Merrifield, farm editor of radio station WWJ, assisted by Royden C. Miller, WWJ engineer. The recording was used on yesterday morning's broadcast between 6:30 and 7 o'clock. Those who took part were Walter Wolfgang, Everett Van Riper, Lowell Spiker, H. S. Oiler, George Parsons and John Merrifield.

Several firms donated various articles to help assure success for the occasion which was also designated as a family night. Refreshments of ice cream and cake were served at the close of the meeting.

Miss Dorothea Pielmeier reported Tuesday that she saw a robin perched in a tree outside the kitchen window at the family home on the Manchester road. This was the first one she'd seen this year and is the first one reported to the Standard.

## Bulldogs Lose First Game of Tournery Play

Mich. Center Wins Contest Marked by Loose Officiating

By DWIGHT GADD

Chelsea was eliminated, not beaten, last Thursday night at Napoleon, in the first round of state tournament play, by Michigan Center, in a very low scoring game, 22-19.

The game was more like hockey than basketball, as it is known around here, due almost entirely to the poor officiating. Michigan Center jumped to an early lead in the first eight minutes of play, and was on the long end of an 8-3 count at the close of the first period.

Chelsea struck back in the second quarter, held Michigan Center scoreless while dumping in eight "checkers" being thrown on practically every Chelsea attempt at a break toward the basket, and eliminated Chelsea, 22-19. Incidentally, there was not one foul called on Center during the last half.

The Bulldogs widened their lead to 17-13 during the third period, but the game was rapidly losing its resemblance to basketball. And as for the final period and the "hockey finish," the less said, the better. Michigan Center outscored the locals 10-2, with "body checks" being thrown on practically every Chelsea attempt at a break toward the basket, and eliminated Chelsea, 22-19. Incidentally, there was not one foul called on Center during the last half.

Knoop paced the Cardinal attack with 11 points and Miller led Chelsea with nine. There were only 11 fouls called for the whole game, six on Chelsea and five on Center, and just to substantiate claims of poor officiating, those who are interested or doubtful will find by checking box scores that around 30 fouls is an average in tournament play.

Chelsea might not have won the game anyway, but it's a bad break to have to bow out under such conditions. The Bulldogs deserved to win that one.

Next week this column will carry a summary of the season of 1947-48.

## Four Young People Will Be Confirmed

A class of four is to be presented for pre-confirmation examination at Zion Lutheran church, Rogers Corners, next Sunday. Those in the class are Edward Schiller, son of Mr. and Mrs. Albert Schiller, Duane Schiller, son of Mr. and Mrs. Robert Schiller, Robert Heller, son of Mr. and Mrs. LeRoy Heller and Barbara Kuhl, daughter of Mr. and Mrs. Arthur Kuhl.

## Ext. Groups' District Meet Held in Dexter

134 Women from 9 Districts Gather for Dinner, Program

One hundred and thirty-four women representing nine Home Extension groups, Lyndon, Webster, South Sylvan, Dexter, North Lake, Sylvan, Lyndex, Lima Center and Delhi, attended the District Spring meeting held at St. Andrew's church hall in Dexter Thursday, March 4. A delicious roast beef dinner was served at 12:30 o'clock by the ladies of the church in the basement dining room and this was followed by a program and business meeting in the auditorium of the hall.

Mrs. Wilber Hatt of Chelsea, county chairman, presided, calling on Mrs. W. G. Price of the Lima Center group, to lead the community singing which opened the program. Mrs. D. Maynard of the Lyndon group was the accompanist.

Mrs. Ronald Lentz of the Sylvan group was presented with the first prize in a get-acquainted contest which had been in charge of the Lima Center group before the dinner. She played "DeBussy's" "Gloire" and MacDowell's "To A Wild Rose," and also accompanied the vocalist, Mrs. Louise Miller, who sang, "Mother Machree" and "The Holy City."

The next number on the program was a very hilarious skit called "The Waist-Whittling Rodeo," put on by members of the North Sylvan group, dressed in skits and costumes, having secured the autographs of forty-four ladies in the allotted time. Mrs. Winifred Ulrich of the Lyndon group was given the consolation prize.

This was followed by two piano selections Chopin's "Minute Waltz" and "Nocturne" by Schumann, played by Mrs. John Whitcomb of Dexter.

The group cannot become a regular troop unless the number of members is increased from the present number to eight and the girls are hoping that enough girls between the ages of fourteen and eighteen years will become interested in joining them so that they may soon be organized as a troop and share in the benefits, such as credits for achievements and ratings, not possible otherwise. They emphasize that previous Scout work is not necessary for those wishing to join them. National dues are one dollar per year.

A very interesting project being planned at the present time is an Easter party for their mothers and one of the helpful projects the girls have already undertaken is the making of party favors for distribution at the Methodist Home. Other projects have been crocheting rugs from rags, making scrapbooks for children in hospitals and learning textile painting.

Leola Altstaetter is president of the group, Mary Ann Wheeler is secretary and Virginia Christwell is treasurer. Mrs. Otto, their leader, present when the check was handed the girls, expressed her thanks and appreciation. FOF and its officers for this fine contribution and also for the offer to sponsor the group for a year.

## Next Wednesday Ends Union Lenten Services This Year

On Wednesday evening, March 17, at 7:30 o'clock the last Union Lenten service of the season will be held at the Methodist church in Chelsea. The program of the evening will be a program of choral music. A forty-voice choir, members of St. Paul's, the Congregational and Methodist churches, will present two anthems from Stainer's "Crucifixion," a choral benediction, by Lutkin, and a solo, by Mrs. A. A. Palmer. There will be a trio, "Lift Thine Eyes," from Mendelssohn's "Elijah," sung by Mrs. A. A. Palmer, Mrs. Dwight Gaddery and Mrs. Philip Olin.

A male quartet, Paul Barbour, Neil Beach, Paul J. Niehaus and Neil R. Niehaus will sing "O Master, Let Me Walk With Thee" and "When I Survey the Wondrous Cross," and the congregation and choir will join in singing Lenten hymns.

Mrs. Elizabeth Powell of the Methodist church will be the organist and director, and Rev. W. H. Skentelbury, Rev. P. H. Grabowski and Rev. O. W. Morrow will lead the service with prayer and scripture.

## Former Resident Dies in Havana

Chelsea friends of Mr. and Mrs. Ernest Moore of 203 Bowen street in Jackson received word the first of the week of Mr. Moore's sudden death on Thursday in Havana, Cuba, where the Moore's were visiting their son Clarence W. Moore. Mrs. Moore is the former Marie Wunder, a Chelsea resident many years ago when her father, Fred Wunder, was a baker here.

Funeral services were held at Wetherby's Funeral Home in Jackson Wednesday, March 10, at 8:30 p.m., and burial was in Mt. Evergreen cemetery.

Two other sons also survive. Paul C. of Richmond, Va., and Carl E. of Washington, D. C., and also a granddaughter, Mary Ann of Richmond, Va.

CHELSEA'S SENIOR SERVICE Girl Scout Group is shown above with their leader, Mrs. Helen Otto, as they accepted a check for \$25.00 from FOF Aerie 2636. Howard Bergman, president of the Eagles lodge, made the presentation. Those in the picture above are, from left to right: Mrs. Helen Otto, Mary Ann Wheeler, Virginia Christwell, Leola Altstaetter and Howard Bergman.

On Feb. 19, the Fraternal Order of Eagles of Chelsea, through the Worthy President, Howard Bergman, presented a check for \$25.00 to the Senior Service Girl Scouts, whose leader is Mrs. Helen Otto, and also offered to sponsor the group for a year. The money was to be used to help fix up the club room where the girls meet at 115 1/2 South Main street, and equipment has already been purchased with the money. Extra pieces have been furnished by the girls themselves and they have been given a radio, an army cot, a card table and two chairs. They are hoping to acquire several more chairs and any contributions of items to furnish the club room would be gratefully accepted. The girls are using the Scout colors, green and gold, as their color scheme.

The group cannot become a regular troop unless the number of members is increased from the present number to eight and the girls are hoping that enough girls between the ages of fourteen and eighteen years will become interested in joining them so that they may soon be organized as a troop and share in the benefits, such as credits for achievements and ratings, not possible otherwise. ## N. Sharon Church Holding Series of Special Meetings

Ella Gustavson and Helen Miles, missionary workers for the Youth Home Missions, sponsored by the Christian Business and Professional Women of America, are working at present in this community and are holding meetings in the North Sharon Bible church, corner Washburne and Sylvan roads in Sharon township, on Wednesday, Thursday and Friday nights this week, beginning between 7:30 and 8:00 o'clock each evening. It is possible there will also be meetings Saturday and Sunday night of this week and announcements are to be made at the services already scheduled.

These missionaries have worked in many churches and schools throughout Michigan and a number of other states and are well worth hearing. Everyone is invited to attend the meetings.

On Wednesday morning they began their work in the three rural schools in the North Sharon area, Dorset school, District No. 9, on Washburne road, Craft school and Dorset school on Grass Lake road. Missionary work in the schools includes instruction of Bible classes. Their work is interdenominational. They teach by means of illustrated Scripture verses, Flannelgraph Bible stories and special Bible courses.

## American Legion Oratorical Contest Being Held Monday

The American Legion's eleventh National High School Oratorical Contest, sponsored locally by the Herbert J. McKune Post No. 31, will have two entries this year in the persons of Shirley Kolb and Phyllis Fischer, both Seniors in the Chelsea High school.

This contest will be held in the High School Assembly room at 4:00 p.m. Monday, March 15, and will be judged by Mrs. E. W. Eaton, Mrs. Newkirk of the Speech department, and Mr. Cameron, High School Principal. The public is cordially invited and it is hoped that there will be a good audience.

Miss Kolb has chosen for her subject, "The Privileges and Responsibilities of an American Citizen," and Miss Fischer will talk on "The Right We Defend." Each orator must not require less than ten minutes nor more than twelve minutes for delivery.

The Herbert J. McKune Post No. 31 offers two prizes this year: \$5.00 and an Oratorical medal for first, and \$3.00 for second. It was hoped that a third prize could also be awarded; however, because of the number of entries, this was omitted.

The winner of the local contest is eligible to compete in the District contest, which will be held March 17. District winners will go to the zone eliminations, then State and Regional, and finally, the National contest.

Good luck to our entries! The American Legion committee for this project in Americanism is the local Post Commander, David Eaton, and the Education chairman, Carl Chandler.

## Saline Mayor Proffers Information on Result of City Govt. There

The following letter was received by Wm. Schatz, a member of the joint committee from the Chelsea Chamber of Commerce and the Elwanis club in reply to an inquiry he had made regarding city form of government in Saline.

Saline, Mich.  
February 12, 1948  
Dear Mr. Schatz:  
In reference to your letter of January 19, here is the information you requested.  
We changed Saline from a village to a city in 1930, and for our City it has worked out exceptionally well. At the time it was voted upon, there was very little opposition. I believe it was carried by a four-fifth vote, and as far as I know, none has ever suggested changing back to a village. By becoming a city you have your own governing body, as set up by your own charter. There is no connection with townships, whatsoever.

So far as affecting the taxes at the present time, I don't believe it would make a partial difference. By becoming a city, the residents of the village will have only one set of officers to deal with, as in the case of a village they have two treasurers, two clerks and two assessing officers to deal with. As a village, the township and the village has one representative on the Board of Supervisors. When changing to a city, the township still has one representative on the Board and the city is allowed two

on the Board, therefore, giving your community two more representatives on said Board. I believe one of the most important things in becoming a city is to have a good charter commission. A good charter is the most important factor in a city operating smoothly, after once adopted. The Michigan Municipal League will be a big help to your people in making this change. Their representatives, Mr. John Huss and Mr. John Iglauer, are both very well trained in Municipal Govern-

ment work and are both wonderful men.  
About eighteen months ago, we hired a City Manager and this move has worked out excellently. Especially in the efficiency in our public works and thus taking time and responsibilities off of the council's shoulders.  
I hope this covers the information you desire, and I regret that I did not find time to answer your letter sooner.  
Yours very truly,  
Alwin Gross, Mayor.

## St. Andrew's in Dexter Engages New Pastor

Dexter—Rev. Herbert H. H. Schowe, the pastor-elect of St. Andrew's Evangelical and Reformed church is a native of New Bremen, Ohio. After attending grade and high school in his home community, he entered Elmhurst college, Elmhurst, Ill., and later Eden Theological Seminary, Webster Groves, Mo. He was ordained to

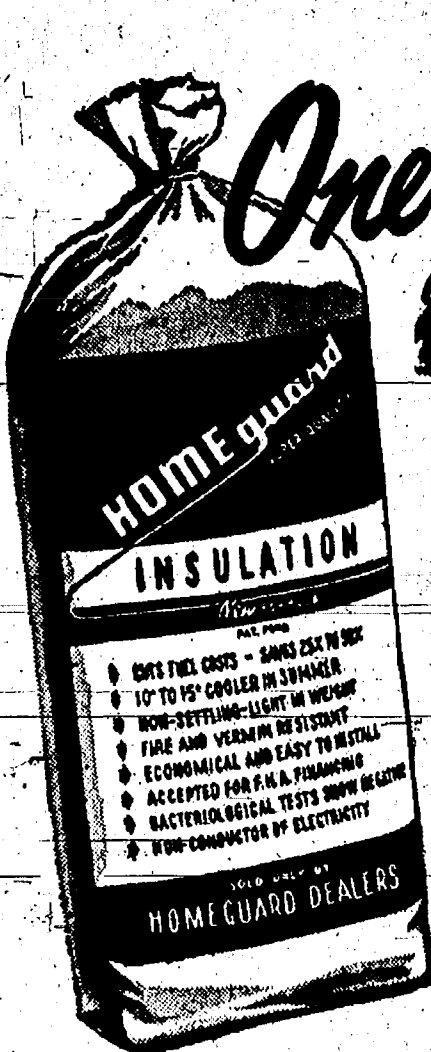

the Christian ministry on June 17, 1923, in St. Paul church, New Bremen, Ohio. Since ordination, most of the years of his ministry have been spent in visiting various churches in the Texas Synod, the last ten and one-half years having been given to Bethel Evangelical and Reformed church of Houston, Texas. Two more marking periods! Yep! That's all! Just think, school will soon be out for the year! Then comes the fun—awakening, hiking and just lying around! But, will it be a gay vacation if you should happen to "funk" a few subjects?

You may not care one way or the other, but what about your parents? They wouldn't think it was so hot! You can bet your bottom dollar your teachers aren't going to have mercy on you, they'll give you just what you deserve—no more, no less. Maybe you should just forget about that movie or early evening soda or sundae, and bury your nose in that English or History book! Bring those dragging marks up to a higher level. Then you'd feel like a million dollars, instead of a worm, when your parents open that final report card. Gee! Wouldn't that feel good though?

"Honor Roll" band wagon and we'll all have a gay old time!

### SMALL TALK

Mr. Cameron saved time calling roll on the pupil bus Thursday night by calling just Kenny, for he knew if Kenny went, Georgia Ann would be there.

By the way, what was the idea, Mr. Cameron, of turning on the lights in the bus at certain intervals?

Mary Kay, where-in the world did you learn to spell?

Where did Norman O'Connor and John Lightner get the nicknames of Canopener and Fearless? It seems Delores Walker has quite a vocabulary!

The Latin Club thinks Bob Toney should go out for track. "A hundred yards a second, that's his motto."

If you hear a peculiar noise coming from the Gym, 5th hour, you'll know it's the band and chorus practicing for Parents' Night. Does anybody know why Marlene Schneider goes around singing "My Heart Calls Me?"

Will "Flash" Quilati ever be on time for English class?

Jim Ewald, were you the only boy in that car last Thursday night?

What class was so unobserving that didn't notice their teacher was chewing gum? This was done to test the pupils' power of observation.

## There's New Glamour in the Way it Goes

TAKE the glamour of its tapered gracefulness for granted, if you will. One glance tells you it's tops.

Take an inside peek at its newly fashioned interiors — and see if you're not dazzled by the luxury that greets your eyes.

But wait — just wait — till you learn what makes this banner beauty run off with the year's high honors on the highway. Dollars to drachmas — you'll fairly itch to get in and GO!

For now your right foot commands a Fireball power plant that's as eager as a panther on the prowl — yet is so quiet in purr and pulse you barely sense its telltale throb.

Now you slip through traffic or light out cross-country as relaxed as a baby with his bottle—in a body that's bountifully big, cozily cushioned, and insulated against the usual noises of traveling.

Now you experience the first scientific system ever devised to shield a car's ride

against road noise, shake and the vibration build-up that previously took advantage of an automobile's tendency to play sound box.

Now you ride the washboard roads and cobbles as though they were carpet — thanks to coil springs all around — plus extra-low-pressure tires, carried on Buick's own wider, more stable Safety-Ride rims.

And last but not best, if a Roadmaster's your choice, you can enjoy the really effortless driving—in a new kind of drive that not only frees you of gearshifting, but that *doesn't even shift itself!*

It's Dynaflo Drive\* — a drive that's devoid of all halt, lag and hesitation through all

speed ranges — because here, for the first time, the power plant itself does what gears used to do.

Fact is, you'll find the new Buick sparkling with more than a score of new advances — in ten brilliant models that span three series and give you your choice of three wheelbases and four power ratings.

So why dally? Here, certainly, is the dilly of the year for smartness and roominess — for the newest in driving ease and riding relaxation — and for all those basic bounties that are forever Buick's.

Place your order with your dealer now — whether or not you have a car to trade — and hasten the day when you'll reach those motoring heights you hanker for.

\*Optional at extra cost on Roadmaster models only.

### BUICK alone has all these features

**DYNAFLO DRIVE** — smooth, silent flow of power with no gears ever shifting either manually or mechanically. (Optional, Roadmaster Series)

**TAPER-THRU STYLING** — distinctive, tapering car-length fenders set a fashion of standout beauty.

**VIBRA-SHIELDED RIDE** — smooth, fatigue-free ride from scientific cushioning of vibration build-up.

**HI-POISED FIREBALL POWER** — valve-in-head straight-eight engines in four power ratings, now cradled to new smoothness.

**SAFETY-RIDE RIMS** — check heel-over on turns; better car control; peak mileage and lower tire pressures.

**QUADRIFLEX COIL SPRINGING** — level going buoyancy from a soft coil spring on each wheel.

**FLEX-FIT OIL RINGS** — In super-precise cylinder bores. New oil savings.

**ROAD-RITE BALANCE** — from low center of gravity; equalized front-and-rear ride.

**RIGID TORQUE-TUBE** — by sealed chassis protects moving parts, takes all driving thrust.

**SOUND-SORBER TOP LINING** — Insulated for new "conversation tone" quiet. (Super and Roadmaster Models)

**DYUOMATIC SPARK ADVANCE** — vacuumatic plus centrifugal action assures exact ignition for peak engine efficiency.

**TEN SMART MODELS** — In three series, featuring body by Fisher and smart new interiors.

Joker Joe Miller  
Joe Miller, of "joke book" fame, was an actor whose present renown in the field of humor came somewhat unjustly, according to Encyclopedia Britannica. After Miller died in 1738, John Motley brought out a book called "Joe Miller's Jests," or "Wit's Vade Mecum." Of this collection of jokes, only three were told by Miller.

## Teachers Hear Details of Federal Aid Bills

Mrs. Norine Whipple, Mrs. Mildred Breitenwischer and the Misses Mabel Fox and Ida Brown were in Adrian Monday night to attend a widely-publicized meeting of the NEA for teachers in four counties in this area and found only a handful present.

D. C., and Wesley Thomas were present to address the group and answer questions on the Federal Aid bills which, if passed, are expected to equalize educational facilities in all sections of the United States.

Those attending the meeting remarked on the lack of interest shown in a matter that should be of interest to all teachers and other persons interested in better education for children in the country.

Milan—Friday night, March 12 will mark the closing of the Ford Motor Company's plant in Milan. The whole community regrets this step on the part of the company for the pretty little plant on the banks of the river has been a source of pride to the community as well as furnishing employment at home for 300 people. Latest reports are that all of the Milan force will continue their work at the Ypsilanti plant, as it has been expanded to accommodate the added operations. The disposition of the Milan plant is still undecided and rumors are rife as to the possible occupants, but there is nothing determined as yet.—The Milan Leader.

## 100F---Rebekahs

(Continued from page one)

the active ones are Lynn Kern, Harry Servis (now of Grass Lake), A. R. Jones, Emerson Lesser and Ehler Metten.

The Rebekah Lodge, instituted in 1918, has one charter member who is still very active, Mrs. Rha Alexander. Mrs. Helen Schatz and Mrs. Eva Withers are remaining members who joined the Lodge during 1918, while Mrs. Wilbert Breitenwischer, Mrs. Evelyn Burton and Mrs. Emerson Lesser, all of whom joined in 1920, also are active members at this time.

The speaker of the evening was Dr. Charles F. Klumpp, Grand Secretary of the Grand Lodge of Michigan. He thanked and complimented the ladies of the church for the fine dinner, and all who took part in the program, as well as the chairman, Martin Miller and Mrs. Donovan Sweeney, and their respective committees, who had charge of all the banquet arrangements, for making the banquet such an outstanding success. In his talk he mentioned the hospital bed program of the Lodges, saying that hospital beds for the use of anyone in need of them were now available in most cities of Michigan because of the efforts of Oddfellows and Rebekahs. In Sturgis, he said, there were 17 hospital beds, and a number of crutches and wheelchairs, all for the use of people needing them, whether Lodge members or not. He stated that the citizens there were so grateful to the Oddfellows and Rebekahs for this service that when they were in need of funds for their work the mayor sent out an appeal for donations and \$1,000 was raised in a short time.

He mentioned the blood donor program introduced by the Lodges of Michigan, and the camp for boys and girls at Big Star Lake, saying that plans were being made to accommodate deer hunters there next fall.

The program in the dining room was closed with group singing, "God Bless America," and then the moving picture, "The Stillwell Road," shown by Al Gieske in the Primary room on the street floor of the church, concluded a most enjoyable and instructive evening's entertainment.
