

## Father-Son Banquet Held by St. Paul's

Rev. W. Hainsworth of Dexter Addresses 115 Guests Present

Bouquets of forsythia and yellow and green candles in crystal holders effectively decorated the tables in the dining room at St. Paul's church hall for the Father and Son banquet held there Friday evening, April 2. One hundred and fifteen fathers and sons attended the banquet which was presided over by the Rev. W. Hainsworth of Dexter.

Commissioner Charles M. Ziegler estimates the loss at \$500,000, the worst in 20 years. Detroit's greatest damage was estimated at \$1,000,000.

The governor's attitude is based on his belief that Michigan's tax revenues are not being distributed equitably due to the sales tax distinction. Seventy-six per cent of the state sales revenue is now returned to local governments, including public schools.

Sigler does recommend, however, that present highway funds be distributed more equitably. This covers the motor vehicle weight tax.

A. O. Cuthbert, director of the County Road Association of Michigan, says that an emergency legislation now exists on Michigan highways because of post-war inflation.

"In 1940 the county road commissions paid \$3,300,000 in wages," he said. "Last year they paid \$15,200,000. A highway maintenance truck and a road repair truck and now costs \$2,000 a motor grader costing \$5,000 in 1940 is listed at \$11,000 today."

Counties now maintain 87,000 miles of Michigan's 107,000-mile highway network.

The tug-of-war continues between state and local governments over whom should be held responsible for enforcement of liquor laws.

Eighty-five per cent of liquor license fees are now returned to local units to help finance enforcement of such regulations. Yet the state liquor control commission maintains a force of 82 inspectors.

Attorney General Eugene Black has ruled the commission can withhold payment of license fees to any municipality or township which does not utilize such revenue for the use as intended.

The house of representatives has voted to cut the number of inspectors from 82 to 56.

Michigan miscellany: Thirty-four county and district fairs will have harness horse racing during their fairs this year. . . . The Michigan Education Association is sponsoring a constitutional amendment to permit lifting of the five-mill limitation on state taxes by a majority of votes.

Instead of the two-thirds majority now required, Ludington voted 754 to 581 to levy an additional five mills for five years. Such a vote on a bond issue would have carried it, the two-thirds requirement is a defeat.

Rudget Director John A. Perkins reports these significant figures: During the 1943-49 fiscal year approximately \$300 millions will be returned to the State of Michigan to local governments from state-collected taxes. During the 1940-44 fiscal year the total was \$142 millions. Payroll of state employees is 13.9 per cent of total current expenditures; in 1942 five years ago it was 14.9 per cent.

Ernest T. Conlon, former state senator, lieutenant governor, and ex-lobbyist, has just received a \$750 a year plum as head of the sales tax division for Detroit. The job was revived after a lapse of ten years.

Back in the days of Governor Alex Groesbeck the governor had power to hire or fire the department heads. Groesbeck wielded his authority, and it is a matter of record that he fired Tom Johnson as state superintendent of public schools and the State Supreme court upheld his right to do so. ## Kiwanians View Colored Pictures of Southwest States

Monday evening Nick Panaretis took Kiwanis club members on an imaginary trip through the colorful southwest states by way of his colored slides taken this winter on a vacation trip through that area.

To those who had visited the scenes themselves it was a renewal of pleasant memories and to others who have not actually seen the many natural and man-made wonders pictured, it created a great desire to steal away and enjoy it personally.

Announcement was made of the coming Kiwanis District No. 6 meeting which will be held in Ann Arbor, April 21, at 6:30 p.m., of the Windsor International meeting being held in that city April 23 at 6 p.m. Reservations should be made immediately by those planning to attend either meeting.

President P. E. Sharrard and Mrs. W. McClure were named as delegates to the National convention being held in Los Angeles sometime this summer, while Robert Foster and Carl Schweiger were named as alternates.

The cancer death rate has more than doubled since 1900 and is still on the increase, statistics reveal. Unless cancer can be licked, it will result in a death every two minutes in less than two decades.

Research workers are battling against cancer's ruthless march. While fifty per cent of the funds donated in this area remain here for local use, the remainder goes to national headquarters to carry on vital research.

World War II brought death to 280,000 Americans and cost three hundred, seventeen billion dollars. During the same period, 607,000 Americans died of cancer. Only two million dollars were spent for cancer research during that time.

The American Cancer Society is striving to make the public aware of the personal threat of cancer and to abolish the "taboo of silence" that has surrounded it for so many years. Cancer's greatest ally has been the cloak of fear and ignorance that has accompanied the mere mention of the word.

Thirty-five per cent of all cancer deaths is attributed to delay. "Watch for cancer signs and seek medical advice upon the slightest suspicion of the disease," the society has appealed. Danger signs include any sore that does not heal, a painless lump or thickening, progressive change in the color or size of a wart, mole or birthmark, persistent indigestion, persistent hoarseness, unexplained cough, or difficulty in swallowing.

Recognition of cancer's danger signals and immediate treatment may save a life, and that life may be your own!

As in previous years all exhibits will be placed in lower corridors of the high school on Monday. Mrs. Corrine White and Neels Pearson, assistant state 4-H leaders will judge the exhibits Monday evening. Ribbons will be placed and honor roll members selected Tuesday morning. Clothing projects will hold their dress review at 3:00 o'clock Tuesday afternoon. At this time the dress review champion and the county honor roll will be announced.

4-H tractor maintenance clubs in Washtenaw county have set Saturday, May 1 as the date for their second annual 4-H plowing contest.

At the meeting of the 4-H tractor maintenance club leaders last week, tentative plans were made to climax the year's work.

Paul Cheney, leader of the Ann Arbor Tractor Club, gave a report on the consignment sale of farm machinery and gave an estimate of the amount of money available to finance the plowing contest, achievement banquet and trophies.

Committees were appointed to make arrangements for holding the tractor club achievement banquet in Dexter and for purchasing suitable trophies.

As yet no definite place has been obtained for holding the plowing contest. It is hoped that a site can be acquired in the area between Ann Arbor and Saline.

## Cancer Fund Campaign Is Progressing

Half of All Money Collected Will Be Used in Local Work

The annual campaign to raise funds to fight cancer in the Chelsea area is in progress under the direction of Mrs. William Webber, village commander.

Volunteer workers will strive to provide every family in the area with educational material on the disease, cancer, which claims a life every three minutes.

The American Cancer Society is stressing this important fact: "This is not only a fund-raising campaign—it's a life-saving campaign and that life may be your own!"

## Local Boy Scouts Receive Awards at Court of Honor

George Alperitz, Chelsea Boy Scout, a member of Troop 25, was one of ten Scouts in the Washtenaw-Livingston area who received star class awards at the Washtenaw-Livingston Boy Scout Council's Court of Honor at the Northside school in Ann Arbor on Tuesday of last week.

Cecil O. Creal, Ann Arbor city council president, acted as judge of the Court of Honor and introduced the following men: Joseph Juncker, V. M. Sullivan, Harvey Sanderson, J. McCoy, Lee Sanford and Harold Logan, who made the award presentations.

A complete list of awards received by Chelsea Scouts is as follows: George Alperitz, star class; three merit badges; David Hoffman, first class; three badges; Douglas Schneider and Richard Schneider, second class, two merit badges each; Stanton Walker, one badge; David Bertke, Richard Merkel, and William Moody, each second class; Dick Keezer and William G. Keefe, third class.

All Chelsea Scouts were present to receive their awards except Stanton Walker. They were accompanied to the Court of Honor by Scoutmaster Morris Alperitz and by Norbert Merkel.

## Sponsor Free Immunization for Children

Clinic Will Be Held Tuesday, April 13, in High School Gym

The Washtenaw County Medical Society and the County Health Department will conduct another in a series of free clinics for immunization of children for smallpox and diphtheria at the Chelsea Public School Tuesday, April 13, beginning at 9 a.m. This will be similar to the clinics conducted last year.

Response to the clinics already held by Ann Arbor and Ypsilanti have been extremely gratifying, said Doctor H. A. Towles, president of the Washtenaw County Medical Society. These clinics are free to all children in the county from pre-school age through high school age. They have been set up to provide immunization for smallpox and diphtheria for all who participate. Family physicians in each community are donating their time in the clinics to wipe out these two diseases.

The doctors who will immunize the children in Chelsea area are Dr. Andrew Guidice, Dr. A. Palmer, Dr. M. L. Sibbald and Dr. J. V. Fisher.

Cooperating with the Medical Society are the Washtenaw County Health Department and the schools, in which the clinics will be held. "Volunteers from local areas will also work in the clinics. Diphtheria immunizations should be repeated every three years, which would mean that if a child was not immunized in 1946 or 1947, he should be this year. The diphtheria immunization should be as follows: (1) All children from 10 months through 9 years of age will receive toxoid; (2) Children 10 years and over who have been immunized before will also receive toxoid; (3) Children 10 years and over who have never been immunized will be given a Schick test. If the Schick test shows red one week after it is given, the child should be taken to his family physician for immunization.

Smallpox vaccinations should be repeated every five years. Children from six months through high school age, who have not been vaccinated since 1943, will be vaccinated now and receive a booster shot. The year is made for service given in this clinic.

Sponsoring groups are particularly eager to immunize children who are not old enough to be in school. These children need immunization now and receive a booster shot. The year is made for service given in this clinic.

## Village Committees Named at Council Meeting, Monday

Village President M. W. McClure made the following appointments at the Council meeting Monday evening:

President, pro-tem, Dudley Holmes; street commission, George Seitz and Eugene Fisher; sidewalk commission, Walter Gage and Victor Kohman; finance committee, Lowell Davidson and Dudley Holmes; electric light and water commission, Entire Council; building and recreation commission, Entire Council; village attorney, John P. Kousch; health officer, Dr. Otto Engleke; deputy health commissioner, Carl J. Mayer; chief of the fire department, Howard Brooks; deputy village clerk, Grace Ward.

The contract for rubbish pick-up in the village until Feb. 1, 1949, was awarded to Robert Lantis at Monday's meeting also. The contract is for pick-up of ashes, tin cans and glass only and these must be placed in containers not larger than one bushel in size.

## Petitions Are Required for Nomination

Minimum of Nine Names Needed for Charter Commission

Petitions which must be circulated on behalf of nominees for members of the charter commission, are now available from the Village Clerk, according to an announcement made today by the joint committee from the Chamber of Commerce and Kiwanis club.

Since it is necessary that nine or more persons be nominated to appear on the ballot for election to the charter commission at the special election called for May 11, at least that many petitions must be circulated. However, there is no limit to the number which may be nominated and anyone may circulate a petition for a person of his choice. At least twenty signatures are required on each petition to nominate any candidate, and no one person may sign for more than nine nominees.

Anyone circulating a petition on behalf of a nominee is instructed by the sponsoring committee to make certain that every signer meets all of the requirements before his name may be entered. If there is any question regarding the qualifications of a signer, a signer it should be referred to either E. W. Eaton, F. N. Merkel or James Daniels, who compose a committee appointed for this purpose.

Names of persons properly nominated will be entered on the ballot and voted on at the same time the vote is made upon the proposed change to a city form of government, Tuesday, May 11.

Spokesmen for the sponsoring groups urge everyone to "exercise your rights and the person of your choice on the ballot. If a city form of government is chosen the future government of Chelsea will depend largely on these persons, as it will be their duty to draft a charter which will be sanctioned or rejected by the voters at a later date when they are asked to prove the charter as drafted. Be sure to vote on the city government issue Tuesday, May 11, 1948."

## New Evidence Found To Show N. America Connected to Asia

New evidence that a land bridge once connected North America and Asia has been reported by Prof. P. A. Herbert, head of the Michigan State college forestry department.

Prof. Herbert reports the receipt of seed, wood, leaves and flowers from a forest tree recently discovered in China which he says is "obviously related to the California sequoias." The specimens, believed to be the first to reach the United States, were given him by a Chinese graduate student in forestry.

A few years ago fossil remains estimated to be 50 million years old were found by the Japanese. Later, a living specimen of the tree was found, according to Prof. Herbert. This tree is in a carefully guarded temple garden in an interior village of the Eastern Szechuan province. It is 117 feet high and 28 feet in circumference. Its leaves and seeds resemble the Sequoia of California.

Prof. Herbert plans to germinate the seed given him and have the young trees planted in various parts of the United States to determine how and where they will grow. The other specimens will be placed in college collections.

## Registration Notice

For Special Village Election to Determine if Chelsea is to Become a Home Rule City Without Change of Boundaries, and for the Election of Nine Charter Commission Members.  
TUESDAY, MAY 11th, 1948

To the Qualified Electors of the Village of Chelsea, County of Washtenaw, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," 1, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, at any of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTIETH DAY before any regular, special or official primary election and the day of such election.

Notice is hereby further given that I will be at the Electric Light and Water Department office in the Municipal Building, on WEDNESDAY, APRIL 21st, 1948, the Twentieth Day preceding said election, as provided by Section 2822, Michigan Election Laws, from 8 o'clock A.M. until 8 o'clock P.M. on each said day for the purpose of Registering and Re-registering such of the qualified electors in said Village as shall properly apply therefor.

Note—Wednesday, April 21st, is the Last Day for General Registration by Personal Application for said election.

The name of no person but an Actual Resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration records.

Registration of Absentee by Oath.

Part II-A, Chapt. 1, Sec. 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered by the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Note—Sec. 2825 provides that in townships, cities or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

Carl J. Mayer,  
Village Clerk.  
Dated: April 6th, 1948. Apr 8-16

## Spring Clean-Up

Spring clean-up week is designed to make the farm a better and safer place to live. It provides a special time to clean up the premises, put everything in order. By doing this, the way is paved for better living, grain is conserved, and fire hazards are eliminated. This year, Spring Clean-Up Week is being celebrated in Michigan during the week of April 4-10.

## Our Citizens of Tomorrow

Pictured in the upper left-hand corner of the above group is Eric Knisely, son of Mr. and Mrs. Holton Knisely of 3501 Hankard road. He was three years old on Jan. 17, and attends the North Lake Methodist Sunday school. The center picture in the top row is that of seven-year-old Sandra Buehler, daughter of Mr. and Mrs. Lero Buehler of 350 Elm street. She is enrolled in the primary department at St. Paul's Sunday school and is a second grade pupil at Chelsea Public School. Miss Jane Kompass is her teacher. Richard Wood, "Richie" to his family and friends, is the boy pictured in the upper right-hand corner. He is a son of Mr. and Mrs. Wallace Wood of 19020 Old US-12, and is four years old. He was baptized at St. Mary's church by Father Lee Laige.

In the bottom row, at the left, is Michael Carlson, two and one-half years old when the picture was taken. He is enrolled as a member of the Cradle Roll department at the Methodist church. His parents are Mr. and Mrs. Willard Carlson of 19950 Old US-12. Nancy Wilson, in the center of the bottom row, is the daughter of Mr. and Mrs. Arthur Wilson of Freer road. She was baptized at the Catholic church in Plymouth by Father Mooney. The picture at the right in the bottom row is that of Jerome Combs, son of Mr. and Mrs. Theodore Combs of 338 Elm street, who will be three years old on Aug. 4. He is another of the Cradle Roll enrollees at the Methodist church.

## Early Coins, Arms To Be Shown at U. of M.

Ann Arbor—Early American coins and an exhibit of American rifles and pistols will be displayed by the University of Michigan Museum of Archeology from April 11 through April 25. Curator E. E. Peterson said coins dating as far back as 1652 would be shown. Arms used in every major war in which the United States has been involved from the Revolution to World War I will be included in the other exhibit, as well as non-military rifles and pistols which have had an influence on the history of the nation. The new displays are replacing an exhibit depicting life in a Roman town in Egypt from 30 B.C. to 400 A.D. This display proved to be the most popular in the Museum's history and thus was permitted to stay on exhibit far beyond the usual time.

## Urge Observance of Arbor Day on April 23

Arbor Day will be celebrated on April 23 in Michigan's lower peninsula and on May 7 in the upper peninsula.

## Producers Urged To Cool Milk Properly To Avoid Spoilage

With the present heavy demand for dairy products, the Michigan Department of Agriculture has requested all dairy farmers to use the utmost care in cooling and handling their milk and cream for marketing.

F. M. Skiver, Chief of the Bureau of Dairying, states that with the present high cost of feed and labor, financial losses caused by rejection of poor quality milk and cream will be greater this spring.

Many losses can be prevented if all producers are properly cooling their milk when the first warm weather arrives. Proper cooling of milk and cream is a year-around job for most producers, but some think that the cold air is sufficient for cooling in winter and spring. Air cooling of milk is a poor method at any time of the year, and is very ineffective during the

warm nights of spring and summer—consequently, considerable warm milk is always rejected by inspectors during the first warm days of spring, as some producers have not started placing their milkcans in the tanks of cold water for proper cooling before milk delivery.

Recently all Michigan dairy plants were warned by letter from the Department not to accept milk unless it had been properly cooled. Haulers and truckers have also been warned of the necessity of providing covered trucks for the protection of milk on farm pickup routes.

All of the department's dairy inspectors will be checking on the quality and temperature of milk received at plants throughout the state, and milk will be rejected that does not meet the 60-degree temperature standard of the law.

## FOR BETTER SCHOOLS

Fellow Citizens:

A representative of one of the organizations named below will soon call, asking your help for Michigan Schools.

In 1932 the state law was changed. A five-year bonding limit was placed on school districts. Few families can pay for a home in five years, why should a community have to pay for a school in five years?

In 1932 also, taxation was limited to 15 mills, except for interest on debt, and a two-thirds vote was required to change the millage. A majority of only 30,000 out of 1,310,000 votes cast fastened that two-thirds requirements on us! Let's change it back to a majority vote! That is the democratic way!

Since these laws went into effect, school construction has dropped to one-fourth of the previous rate, is almost at a standstill today.

At the same time, the number of children in our schools increased. In 1948 there are 35% more children less than ten years old than there were in 1938. These "war babies" are already entering school. Also a new law requires all rural children to attend school until aged 16 instead of dropping out after the eighth grade as formerly.

Michigan schools are literally bursting at the seams—buildings are old, over-crowded, insanitary, often dangerous.

The organizations listed below are sponsoring petitions to place on the fall ballot two changes in state law:

- 1—TO RAISE THE BONDING PERIOD TO TWENTY YEARS.
- 2—TO PERMIT A MAJORITY TO DETERMINE THE MILLAGE.

Please be prepared to receive representatives, and to sign the petitions.

Yours most sincerely,

GRADE PTA ASSOCIATION.  
HIGH SCHOOL PTA ASSOCIATION.  
CHELSEA TEACHERS' CLUB.

## State Parks Being Prepared for Picnics

Lansing — State park picnic tables and picnic stoves are coming out of storage, and as fast as frost can be made it possible, water is being turned on the shallow lines of the park water systems, the conservation department reports.

Instead of waiting for the traditional May 30 opening, state parks for visitors as fast as weather conditions permit. In the southern counties especially, some park facilities have been kept available throughout the winter.

Hirings to rebuild the parks staffs are now in progress. As many as 75 experienced seasonal employees and new men may be engaged by June 1. The department's parks and recreation division plans to manage directly a total of 60 parks this season.

# Club and Social Activities

## SOCIAL MEETING

The WRC Social meeting was held at the home of Mrs. Florence Walker on Thursday, April 1. Games were played and later refreshments were served by the hostess.

## BIRTHDAY

Mr. and Mrs. Moritz Brueckner of Detroit spent the week-end at the home of Rev. and Mrs. M. W. Brueckner and Sunday evening were present at a birthday supper given in honor of Reverend Brueckner. Also present was Mrs. James Hunter of Detroit. The Brueckners' son, Rev. Theodore Brueckner, formerly of Mulien, Idaho, but now of San Bernardino, Calif., where he was installed two weeks ago as pastor of the Church of Our Saviour, telephoned congratulations to his father.

## PAST CHIEFS CLUB

The Past Chiefs club of the Pythian Sisters met at the home of Mrs. Clarence Dietz Monday evening. A dessert lunch was served at 7:30 o'clock by the hostess and assisting hostess, Mrs. Inez Bagge and later cards were enjoyed. Fifteen were present at the meeting.

## BIRTHDAY

Mrs. John Heselschwerdt was the guest of honor at a pot-luck family dinner given at the home of her sister, Mrs. David Mohrlock, on Sunday, as a celebration of her birthday. Out-of-town members of the family present were Mr. and Mrs. Thomas Wortley and family of Franciscan, and Mr. and Mrs. Waldo Ehms and family of Lansing.

## LUCKY SEVEN CLUB

The Lucky Seven Sewing club met Friday evening, April 2, at the home of Mrs. Wm. Hafner with all members and one guest, Mrs. J. P. Cook, present. Following an evening of sewing, ice cream and cake was served by the hostess.

One birthday was celebrated, that of Mrs. Wilbert Breitenwischer who received a birthday gift she had shown from her "mystery sister."

## BIRTHDAY

Paul Barbour was guest of honor at a surprise celebration of his birthday on Thursday, which included a 6:30 o'clock dinner and a social evening at the home of his aunt, Miss Amanda Koch, who, with Mrs. Barbour, had arranged the affair.

The table was centered with a birthday cake decorated in yellow and green, flanked by yellow candles in crystal holders.

The guests included Dr. and V. W. Peterson and son Johnnie, and Eunice Wolfe, all of Ann Arbor. Mrs. Barbour's mother, Mrs. B. F. Archer of Norwich, Ohio, who spent the past week here at the Barbour home, and Mr. and Mrs. E. J. Bahnmiller.

## LIMANERS

The Limaners met Thursday, April 1, with Mrs. Lee Weiss and Mrs. I. H. Lounsbury at the home of Mrs. Weiss. Thirteen members and one guest sat down to a fine one o'clock luncheon.

It being April Fool's Day, nearly all came appropriately dressed for the occasion, some being decidedly overdressed.

The afternoon program was in charge of Mrs. Walter Beutler and prizes in the games and contests were awarded to the following: Mrs. Glenn Wiseman, Mrs. Alfred Lander, Mrs. Carl Schlosser, Mrs. Fred Center, Mrs. Herman Hashley, Mrs. Andrew Leland and Mrs. John Metzger.

## "20-30" CLUB

The "20-30" Club of Salem Grove Community met Thursday evening, April 1, at the home of Mr. and Mrs. Dorr Whitaker with eighteen members present.

In the games that were the evening's diversion, the grand prize was won by Mrs. Reuben Hartman. Mrs. Virgil Pabst received the consolation prize which turned out to be an "April Fool" joke, a large box which, after delving through many layers of wrapping, was found to contain a nest of envelopes, the smallest one bearing the message, "April Fool."

Pot-luck refreshments were served after the games.

## ATTEND DISTRICT MEETING

Ten members of the local Rebekah Lodge attended the annual meeting of District No. 12, held at Vandercreek Lake last Thursday afternoon at which time one of their number, Mrs. Velma Wolfe, was elected District treasurer. In the evening the remaining members of the degree staff joined them and put on the initiatory work.

Officers and members of the local lodge who attended the meeting report that much constructive information about lodge work was obtained from the various talks given during the afternoon.

## Zeeb-Novess Vows Spoken Fri., April 2 in St. Mary's Church

Mr. and Mrs. Walter Zeeb have announced the marriage of their daughter, Margaret Ruth Zeeb, to Frank Novess of Chelsea, son of Mrs. Elsa Novess of Ann Arbor, on Friday, April 2, at 10 a.m., in St. Mary's church, with Father Lee Laige officiating in the presence of the immediate families of the couple.

The couple's only attendants were the bride's brother, Walter Zeeb, Jr., and a former classmate of the bride at St. Joseph's Academy, Adrian, Delores Lassalin, of Detroit.

A reception was held in the evening at the home of the bride's parents on Saturday.

Mr. and Mrs. Novess are residing in the Moore apartments, at 111 South Main street.

The bride graduated with honors from St. Joseph's Academy, in June, 1947. The bridegroom is a graduate of Chelsea High school.

## HI-NEIGHBOR CLUB

Mr. and Mrs. Andy Fritz and Mr. and Mrs. Vernon Satterthwaite were hosts for Friday night's meeting of the Hi-Neighbor club and entertained their guests at the Lima Center Grange Hall. About thirty were present.

Progressive euchre was played and high prizes were won by Mrs. Henry Orthing and Wilbur Hatt; consolation prizes by George Steele and Don Houle, while Reuben Leaser received the traveling prize.

With Mr. and Mrs. Henry Orthing and Fred Centner furnishing the music, dancing was enjoyed and was followed by a delightful lunch served picnic-style in the basement dining room. Mrs. Leon Chapman assisted in serving the lunch.

Mrs. Harley Hatt and Mrs. Wilbur Hatt were on the entertainment committee.

## CENTRAL CIRCLE

Forty-two members attended the meeting of the Central Circle of the Methodist church which was held at the home of Mrs. Florence Howlett, Thursday evening, April 1. The meeting was opened with the hymn, "Blessed Assurance," and the devotions on the topic, "Prayer," were led by Mrs. Harry Litteral and included an explanation of the "Lord's Prayer."

The program was in charge of Harriet Heininger and included readings given by Mrs. Brown of the Methodist Home and Mrs. Lula Bahnmiller.

It was announced that the Mother and Daughter banquet is to be held this year on May 14.

Refreshments were served at the close of the meeting by the class, assisted by Mrs. Harold Craven as co-hostess. The next meeting is to be held May 13 at the home of Mrs. Charles Finkbeiner.

## CHRISTENING DINNER

Mr. and Mrs. Elmer Bristle entertained at a dinner at their home on Freer road Sunday, following the christening of their son, James Alan, by Rev. M. W. Brueckner, the guests including Mrs. Christina Bristle and sons, Paul, Leroy and Lawrence, and near Clinton, Ruth Schittenhelm of Grass Lake, Mr. and Mrs. Clark.

Refreshments were served at the home of Mrs. Bristle.

## MICHIGAN MIRROR

(Continued from page one)

tors today to centralize power in the hands of the governor, may be traced back to memories of 1921 when Groesbeck swung the big stick.

• If the state legislature declines to submit the reform amendments to the people at the November election, Governor Sigler is likely to take the issue directly to the voters. As a self-registered lobbyist for the people, Sigler would make a vigorous campaign.

• Should the governor of Michigan have new and additional powers over departments, commissions and bureaus?

Is the governor, as has been recently charged, merely a "glorified clerk?"

Vernon J. Brown of Mason, former lieutenant governor, auditor general and state legislator, does not think so. During his 40 years of public service, half of which was as either a legislator or a state official, Mr. Brown served along with eight different governors in succession.

• "There are two distinct theories of government," observes Mr. Brown. "They are in direct opposition one to the other, and one must choose between them."

"First, and the one on which the

ence Bristle and family of Dexter, Mr. and Mrs. C. M. Thompson and daughter Lucille of Ypsilanti, and Mrs. M. W. Brueckner of Rogers Corners.

## CHILD STUDY CLUB

The Family Night supper of the Chelsea Child Study club held Tuesday evening, April 6, at the Municipal building with about seventy-five present, proved to be a very enjoyable affair.

Following the supper, Miss Patricia Murphy very pleasingly sang two solos, "Serenade of the Bells" and "Now is the Hour." Piano accompaniment was furnished by Katherine Merkel.

William Kurtz then delighted both youngsters and grown-ups with a program of magic.

## SEVERAL EVENTS CELEBRATED

Mr. and Mrs. Fred Sager were guests of honor at a family dinner given Sunday at the home of Mr. and Mrs. Lawrence Moran in Webberville in celebration of their fifty-fifth wedding anniversary which occurs next Tuesday, April 13.

The dinner also was a surprise celebration of the home-coming from an extended stay in Florida of their daughter and her husband, Mr. and Mrs. J. B. Dalton of Dansville, and a celebration of the birthdays of another daughter, Mrs. H. T. Fuller and her daughter Shirley of Mt. Morris.

Present in addition to the honor guests and their families were Mr. and Mrs. Wayne Dalton and daughter of Dansville, and Mr. and Mrs. C. A. Brady of Birmingham.

## CARD OF THANKS

I wish to thank my friends, neighbors and relatives for their kindly visits and for cards, flowers, plants and candy given me while I was a patient at St. Joseph's Mercy hospital; and Rev. Morrow for his visits at the hospital and since my return home. Mrs. Floyd Collins.

## CARD OF THANKS

I wish in this way to thank my friends, neighbors and the Rebekah's for the lovely cards and flowers I received during my illness. Mrs. Rose Whitaker.

A good fire extinguisher is a must in the kitchen and barn. One fire that gets out of hand can wipe out a farmer's life work in a few minutes.

American way is founded, is government based on the theory that the closer it is kept to the people the better. This implies strong local units and a division of authority and responsibilities so that the manifold duties of administration may be divided among as many capable administrators as may be required. In a state so diversified as Michigan no individual can hope to attend to everything and no person should be expected to undertake to do so. Neither should he be entrusted with so great responsibilities.

• "The opposite theory in government is found at its highest development where Hitler and Mussolini and Stalin are produced. Under such a government all authority is centered at the top where every decision is made. Everything below must bend either the knee or the neck. There are those in this country who evidently yearn for the power and the obedience that go along with this last described type of government."

• "It is noted that there are certain public officials in Michigan who do not like the Michigan way. They like neither the laws nor the restrictions imposed upon them."

• "Most of the restrictions complained of have been imposed and are in effect since the day of Alex Groesbeck. There are some left who will recall the primary campaign of 1926 when the Groesbeck autocracy was the prime issue. Evidently the people of that day had become tired of Groesbeck's autocracy. In any event they chose Fred W. Green in preference. And beginning then and continuing until this day there has been a trend in Michigan resulting in sorting out first one function and then another for independent administration, free of interference by the governor and free from partisan politics."

"The first notable example was the establishment of the department of conservation which long had been a political football. The revenue department, the mental hospital group, veterans affairs and several others have followed. Even before this there was the independent highway, the colleges and the university and several lesser boards and commissions."

• "It is true that in Michigan the governor has not the power and authority he once had nor has he as much as the governors of some of the other states now have. But this by no means is accidental. It has come about because of a public demand."

• "Nevertheless from my observation over the years I have never known of an instance where any commission, bureau, board or other agency has snapped its fingers at the governor or ignored his wishes—except when to do so would have been against good public policy. I have known of instances where certain boards have refused to do the bidding of the governor but in every such instance I can recall, time proved they were correct and not the governor."

• "There is a division of authority in Michigan. None will deny that. Making up the list of all the good citizens of Michigan now serving on some eighty-odd such boards appear the names of more than half a thousand good citizens. But let us remember that most of them are serving the people without reward or pay and that each is a man or woman of good repute in his own locality. Moreover each has been selected for his intimate knowledge in the special field covered by his particular group. The public receives many thousands of dollars of free service from these boards and commission members."

"No such system should be disturbed merely to satisfy the ego of one person or his demand for more power. Governors come and go, but government must carry on and that is why most of the boards and commissions of which the present governor now complains were created."

## ATTEND WEDDING

Mrs. Christina Nicolai, with her son Paul, attended the wedding of her granddaughter, Shirley Whipple, daughter of Mr. and Mrs. Harold Whipple of Ann Arbor, and Nelson Strieter, son of Mr. and Mrs. Theophil Strieter of Scio Church road, which took place Saturday evening at Bethlehem Evangelical and Reformed church in Ann Arbor. Rev. Theodore Schmale officiated.

The bride's mother is the former Milda Nicolai, a resident of Chelsea, until her marriage to Mr. Whipple.

Paul Nicolai, the bride's uncle, was one of the ushers and Mrs. Clarence Nicolai, the bride's aunt, and Mrs. J. N. Strieter, the bridegroom's aunt, both of Chelsea, and vicinity, poured at the reception which was held immediately after the ceremony in the church parlors.

Samuel Yoell of Detroit spent the week-end here with his children, Patricia and David.

## ATTEND MEETING

The Workshop meeting, conducted by the president of the women's groups of the Congregational churches of the Jackson association, was held yesterday at the First Congregational church in Jackson. Those from Chelsea who planned to attend were Mrs. Dor Rogers, Mrs. Otto Luick, Mrs. M. J. Baxter, Mrs. L. Wacker, Mrs. Vivian Baldwin, Mrs. W. H. Skenelbury, Mrs. Clara Hutzel and the Misses Nina Crowell and Nina Belle Wurster.

Richard Poor, a sophomore at Albion college and son of Mr. and Mrs. Alvin Poor, 416 McKinley street, will play the bassoon with the Albion college band which is to be on tour from April 12 to 22. More than seventy young men and women are to meet 26 engagements this year in Michigan, Indiana and Ohio.

Jean McClure spent the week-end at the home of Ann Smyzer in Toledo.

Horses hoofs are very sensitive. Problems such as brittle hoofs, spongy hoofs, thrush, and foot rot can be caused either by excessively dry, hard floors, or by standing in damp and unsanitary conditions.

Michigan State college poultry specialists say that eggs should be held at high relative humidity to prevent evaporation of water from the egg. Good apple holding conditions will store eggs well. Eggs pick up flavors rapidly.

## EDITORIAL

Spring vacation is here and the pupils of Chelsea High school begin to get rested-up for school. Can't one just see resting during spring vacation?

Some of our mothers seem to think spring vacation is also the time for spring housecleaning. Of course, if you're one of the lucky birds that don't have to help clean house, there are ever so many more things to do than lie in bed. One can get up early in the morning, take a brisk walk before breakfast and feel better all day long. This, of course, is only the way to start the day. After you are once started there is nothing more to plan.

Now, if you don't want to follow old Doctor Remedies' advice you can always lie in bed, but who wants to lie in bed on such a spring day? Don't all speak at once!

## WORK! WORK!

Work! Work! That's all one hears. Why do we have to work? Isn't there a simpler method, or an easier way, of earning a living? Apparently not, for Tuesday the Junior and Senior classes were presented with a movie concerning different occupations one may un-

dertake after graduation and the qualifications necessary for types of jobs.

It was interesting and helpful, but who wants to work?

## SMALL TALK

Why are the Sophomore girls getting so interested in formal? The Physics class thinks that they would have enough parts to assemble a car if a certain Junior goes to that Plymouth plant with them.

Girls! Your chance to ask out the man in your life has finally come! GAA is sponsoring a "Sponge Week" in the not too distant future.

What attraction draws a certain Grade school teacher to the gym, fifth hour?

What takes Joyce Crawford's mind off typing? Could a certain Senior boy be the reason?

Orchids go to those people who have so faithfully been trying to refrain from misuse of the English language.

Why does "Deak" always end up in study hall?

Making and so much to talk about for two hours?

These Post-Grads certainly have it soft spending three weeks in Florida.

## THEY'RE OFF AGAIN

Through the courtesy of Mr. Longworth, the Physics class went on a field trip through his electroplating plant to see examples of copper, nickel, chromium and cadmium plating. The Physics students have been studying this phase of electricity and therefore found this trip very interesting and informative. After the very long journey on the bus, down to the plant, located just across the

railroad tracks, everyone was excited in comparing each other's findings.

Bob Barlow was unofficially declared the winner for having collected the most souvenirs. The Physics students and their instructor, Mr. M. Richards, sincerely wish to extend their thanks to Mr. Longworth for his time and courtesy.

## GIRLS' BASKETBALL TOURNAMENTS

The famous girls' basketball tournaments were played March 23, 25 and 30.

The Freshmen and Juniors played a "rip-roaring" game on the twenty-third, with an ending score of 20 for the Juniors and 5 for the Freshmen.

March 25, the Seniors and the Sophomores played another exciting game. The Sophomores reached a score of 18 and the Seniors made 3 points.

The best game was played Mar. 30, between the Juniors and the Sophomores. After much hard playing the Sophomores landed on top with a score of 9 to 5.

Then GAA girls will begin to play tennis and baseball as soon as the weather permits.

## IMMUNIZATION CLINIC

The Washtenaw County Medical society and the County Health department will conduct another series of free clinics for the immunization of children for smallpox and diphtheria. Parents are urged to bring their pre-school age children to the clinic. It is highly important that pre-school children receive this treatment. The clinics will be held April 13, starting at nine o'clock, in the High School gym. The work will be done by our local physicians assisted by our nurses. This clinic is free and is open to all children.

## COMPTOMETER REPRESENTATIVE VISITS

Mrs. Keast, a representative of the Comptometer school in Lansing, visited the school last Thursday and told the students of the commercial classes about the school in Lansing and about jobs that are available around this vicinity in working with a Comptometer.

## STUDENT COUNCIL

The Student Council decided to send Wilma Paul and Paul Niehaus to represent our school at the United World Federalist Forum at the University of Michigan, April 23 to 25. The GAA girls have asked for permission to have a "Sponge Week" before their dance on April 30. They were given permission.

## BAND NEWS

The Band is planning on having a roller skating party at the roller drome in Jackson, next week.

## HI-Y CLUB

Members of the Hi-Y went swimming Wednesday evening at the Michigan Union in Ann Arbor.

## FFA

On Wednesday, March 31, the FFA held a meeting to elect new officers. The following persons were elected: Keith Bradbury, president; Richard Carlson, vice-president; Walter Zeb, secretary; Oscar Bareis, watchdog; Oscar Hansen, reporter.

## LATIN CLUB NEWS

The Latin club is making notebooks which will be for the members' own use. They are to contain all the verb conjugations and the declensions of the nouns.

## SEVENTH GRADE NEWS

The Seventh graders had a vis-

itor last week. Janet Plankell, a former resident, visited with Donna Hinderer.

Some of the Seventh grade students peddled letters for the PTA Wednesday, after school, in spite of the down-pour of rain, the following pupils managed to deliver some 700 letters: Bill Clark, Alfred Knickerbocker, Priscilla Yoell, Dorothy Speer, Bill Cutler, Maryellen Moore, Gene Lake, Ernest Aldrich, Howard Manginen, Frank Roberts, Gary Wortley, Douglas and Richard Schneider.

## JUNIOR NEWS

The committees for the prom are now working on the annual event.

Representatives for the president and vice-president of the Student Council for next year will be elected the week after spring vacation.

Trout Fishermen Are  
Preparing for Season

Lansing—Thousands of Michigan trout fishermen preparing for the season—opening just three weeks away appear to have overlooked to date one essential item: the new \$1 trout stamp. Among the first few hundred stamp buyers, stamp collectors outnumbered fishermen three to one.

Residents and nonresidents alike must have the stamp pasted on their regular fishing licenses, as duck stamps are pasted on hunting licenses, when they get out on trout lakes and trout streams on April 24. While fishing for brook, brown or rainbow trout, every fisherman must have the stamp with him—with one exception. The wife of the licensed resident angler may fish trout free on her husband's stamp, as she fishes for other species free on her husband's license.

Revenues from trout stamp sales must be used by the conservation department exclusively for the propagation of trout and planting of trout in trout streams. The trout stamps are available at any one of the state's 3,300 license dealers in sporting goods stores, hardware stores, gas stations and resorts.

## ARRIVES IN GERMANY

Corporal Billie Kosinski has arrived in Frankfurt, Germany, where he will be stationed permanently, after enlisting for a three-year period in the Army. Billie, the son of Mrs. Lelia Kosinski, 13875 Yoakum road, is a Navy veteran with two years' service in the Pacific theatre during the last war, receiving his naval discharge in 1946.

## 24 Years Ago

Thursday, April 10, 1924

Mrs. Fred Mensing, until a few years ago a resident north of Francisco, was called from her home in California because of the illness of her father, Fred Gilbert, of Chelsea.

Mrs. George Chapman, Mrs. Chas. Messner, Mrs. Fred Gentner, Mrs. J. F. Waltrous, Mrs. Ruth Waltrous and Ida Dettling spent Wednesday, April 9, at the home of Mrs. E. A. Lowry in Ann Arbor.

The Junior class play, "And Home Came Ted," given last Friday and Saturday evenings, was very well done. Helen Lambert, John Hamp, Doris Foster, Luella Cox, Glens Gage, Oleta Hutzler, Florence Schmidt, Lucien Broesamle, Jay Weinberg, Clayton White, George Atkinson, and Ralph Kinner were members of the cast.

The French club of Chelsea High school took charge of the assembly program. The program consisted of a piano duet by Doris Foster and Luella Cox, two vocal solos by Norma Pittsler and Clayton White. Doris Foster and Glens Gage gave a reading. A play was presented in French by Hazel Anderson, Agnes Ellsworth, Helen Goetz, and Vera Harvey. Ruth Dancer read a paper. The "Clown" Band, conducted by Clayton White, played several popular pieces.

The following were elected in the Sylvan township election Monday, April 6, 1924: Supervisor, Geo. S. Davis, clerk; Chauncey Hummel, treasurer; John H. Miller, commissioner of highways; Edward A. Ward, Justice of the Peace, full term; Geo. W. Gage, Justice of the Peace, to fill vacancy; Frederick Kalmbach, member of the Board of Review; Wm. C. Pritchard, overseer of highways; Geo. A. Young, Edwin H. Chandler, Frank A. Leach, and John W. Haselschwerdt as constables.

## 34 Years Ago

Thursday, April 9, 1914

Forty years ago Henry Merkel and family came from Germany and settled in Sylvan.

Wm. Scripper has accepted a position at the heating plant of the Michigan Central at the track near Four Mile Lake.

Frank G. Haist of Lima, Gilbert Madden of Dexter, Frank H. Knebe of Freedom, John Young of Lyndon, Ashley Parks of Sharon, and J. W. Van Riper of Sylvan will be members of the Board of Supervisors for the coming year.

Married, Saturday, April 4, 1914, at the Baptist parsonage, Miss Onedia Gage and George Burgess, both of Sylvan. Rev. A. W. Fuller officiated. The bride is a daughter of Harold Gage and the bridegroom is a son of Mr. and Mrs. O. A. Burgess.

The Western Washtenaw Farmers' club will meet at the home of Mr. and Mrs. Albert Widmayer on Friday, April 17. S. A. Mapes and N. W. Laird will sing; a recitation will be given by Alvin Baldwin, and a reading by Mantie Spaulding.

Officers for the coming year in Olive Chapter, O.E.S., are as follows: Mrs. Minnie Mapes, Worthy Matron; John B. Cole, Worthy Patron; Mrs. Cora Martin, Associate Matron; Mrs. Enid Boyd.

State Was Industrial  
Before Auto Arrived

Michigan was already established as an industrial state before the coming of the automobile industry; a report given at the meeting of the Michigan Academy of Science at the University of Michigan indicates. The state's own "industrial revolution" began in 1855, and today's industrial centers were well-defined by 1904 when the automobile industry began its growth.

Muskegon Monument Honors Only Man  
U. S. Courts Ever Ordered Branded

Capt. Jonathan Walker, said to be the only person a U. S. Federal court ever ordered branded, is remembered by a monument at Muskegon.

Standing near the entrance to the Greenwood cemetery, the memorial bears a replica of Capt. Walker's right hand with the initials SS for "slave stealer" branded on the palm.

The sea captain had been arrested in 1844 off the coast of Key West, Florida, while transporting seven runaway slaves to the Bahama Islands and freedom, according to information in the Michigan Historical Collections at the University of Michigan.

His arrest climaxed a colorful sailing career begun at 17. Among the high points of his life were the time he was marooned on an Indian Ocean island and later when he sailed the dangerous Gulf Coast for nine years, transporting escaping slaves to freedom in Mexico.

As he already bore a price on his head for numerous anti-slavery deeds, the sentence of the court

was strict. He was heavily fined, sentenced to a year's solitary confinement and ordered branded so that he might forever be marked as a slave stealer.

After he served his sentence, he came north where lectured for freedom of the slaves and woman suffrage. In 1846, John Greenleaf Whittier immortalized him in his poem "The Branded Hand."

After the Civil War and freedom of the slaves, Capt. Walker went to Lake Harbor, near Muskegon, where he died April 30, 1878.

On August 1 of that year the memorial was dedicated. The Muskegon Chronicle reported several thousand persons from Michigan and surrounding states were present at the ceremony as a final tribute to the man who had devoted so much of his life to helping slaves.

Mrs. Mike Misaledak and son, Sammy, left last Friday for Alma, to be with the former's sister, Mrs. Geo. Ligos, who is very ill.

Which were you in 1947?

"I AM ONE of 1,200,000 Michigan Bell customers. In 1947 we bought more telephone service than ever before. And the rates we paid were the same or lower than they were ten years ago. We made 10% more local calls and 8% more long distance calls than in 1946. We got better, faster service. By the end of the year there were 133,000 more Bell telephones in Michigan that we could call. So our own telephones became more valuable to us—and will become even more valuable when the thousands who are waiting for telephones get them."

"I AM ONE of more than 730,000 people whose savings, invested in Bell System securities, provide money for building the telephone system. That makes me an investor in Michigan Bell. Millions of others have invested in the telephone business indirectly through their savings accounts or insurance policies with institutions owning Bell securities. Although Michigan Bell took in 6% more money than in 1946, the cost of providing service rose 13%. And Michigan Bell earned only 3 8/10c last year on each of our dollars invested in the business. This is less than a fair return and offers us little incentive for investing additional money needed to expand and improve service. So it's a good thing Michigan Bell has asked for an increase in telephone rates to assure us a fair return."

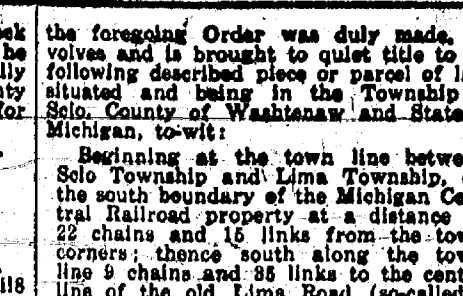

LOOKING AHEAD: Michigan Bell fully expects to supply a continually improving service to the public... good jobs for thousands of employees, with plenty of opportunity for advancement in a growing business... and a reasonable return to those whose savings are invested in the business.

## GRASS FIRES DANGEROUS

Persons who give little heed to  
soil scientists' annual warnings  
about the damage spring burnings  
do to soil fertility are asked by  
conservation department officials  
to consider two more obvious con-  
sequences of setting fire to ground  
cover at this season.

The first is substantial damage  
to fences. Charred posts and wire  
from which the galvanizing has  
been burned become useless long  
before their normal life expectancy.

The second is the liability of  
the man who starts the fire if the  
fire gets out of hand. If it gets  
into his neighbor's woodlot or out-  
buildings the cost may be greater  
and less convenient to meet than  
if it damaged his own property.

## PERSONALS

Mr. and Mrs. Fred Sager at-  
tended the funeral of Mrs. William  
Stoll in Ann Arbor Monday after-  
noon.

Mr. and Mrs. Fred Sager have  
received word of the birth of their  
fourth great-grandchild, son of  
Mr. and Mrs. Wayne Dalton of  
Danville, born Monday, April 5,  
at Sparrow hospital in Lansing.

Mr. and Mrs. Harold Stewart of  
Jackson spent Tuesday evening  
here with Mrs. Stewart's father,  
Herschel Watts. Another son,  
Floyd and his wife of Ferndale,  
and two friends, visited Mr. Watts  
Sunday afternoon.

## Lack of Space May Cause Chick Picking

Cannibalism in chicks is hard to  
stop once it gets started so "keep  
chicks busy at the feeders and  
water fountains," is the advice of  
poultry specialists. Don't let the  
idle chicks start something that  
will affect the entire brood.

If cannibalism should start, af-  
fected parts should be treated with  
pine tar or commercial prepara-  
tions made for the purpose. Re-  
duce the light in the house, if  
possible exclude all light by shad-  
ing the windows and use a red  
light if the house is wired for elec-  
tricity.

Salt added to the drinking water  
at the rate of one tablespoonful

per gallon of water for half-day  
periods on three successive days  
may prove beneficial. If the first  
treatment is not successful, repeat  
after three days.

**WATCH MOISTURE OF CORN**  
Michigan State college agricul-  
tural engineers warn that corn  
moisture should be checked this  
spring. If it's more than 20 per  
cent during the winter months, and  
the corn is stored in a poorly ven-  
tilated crib eight feed wide or  
wider, spoilage is very likely to  
occur in the Spring when weather  
gets warmer.
