New Local Team
Enters Tri-County
Baseball League

By DWIGHT GADD

Local baseball action gets underway next Sunday, May 30, here at the home field as Chelsea's new entry in the Tri-County League, Chelsea Milling, meets the Novi Ann Arbor Vets in the curtain-raiser for both clubs.

This new town team, backed and sponsored by the Chelsea Milling Co., and McLaughlin-Motor Sales, is not to be confused with the other, older town team, Chelsea Independents, as both are entirely separate from each other, although they are both entered in the Eastern division of the Tri-County league. This new team will also be entered in one of the Ann Arbor leagues as "Mack's."

Plans are being made to have a band for the pre-game entertainment, and also for Vic Kohman, representing the Village President and Council, to throw the first ball, with one of the Holmes brothers catching and Gus McLaughlin batting.

Come one, come all, and bring your friends to opening day, Sunday, May 30, at 3:00 p.m., at the local Athletic field. Admission prices for games of both of Chelsea's home games will be 10c-20c and 35c.

The "Jiffy-Mixers" complete schedule is as follows:

Chelsea Days' Sure of
Adequate Financing

Lloyd Heydlauff, president of the Chelsea Chamber of Commerce, stated today that definite announcements may be made soon as to entertainment and special features for "Chelsea Days," to be held June 25 and 26.

Preliminary calls made Tuesday afternoon on a number of merchants and businessmen, and the contributions received to help finance the affair, were more than satisfactory.

Watch for future announcements and plan now to be on hand for "Chelsea Days" as this promises to be the biggest bargain festival and celebration Chelsea has seen in many years.

Pinckney 10—Chelsea 4

Last Thursday, May 20, Chelsea traveled to Pinckney and absorbed a thumping defeat, 10-4, in a game played under very adverse conditions of wind and dust.

Chelsea scored one in the first, one in the second, two in the third and one in the fourth, but as the seventh inning opened they were still down, 9-5.

The seventh saw a fine rally by both teams, as Chelsea tied it up in their half and then Dundee won it in the last of the seventh.

Heydlauff started Chelsea's big inning by doubling to left center. Stoffer singled through the box to score Heydlauff and Ewald sent him to third with a single to right. With two out and men on first and third, Slane blasted the first pitch far over the right fielder's head for a home run, to tie the score at 9-up.

Two errors and a batter hit with a pitch, loaded the bases for Dundee, and then Tobin threw a low one to Bordin, Dundee pitcher, which should have been a ball, but he golfed it over second to bring in the winning run.

However, it was a fine game for the final one in the league for this year.

Dundee 10—Chelsea 9

The Bulldogs took it on the chin again as they were tripped, 10-9, by Dundee last Monday at Dundee, but they made a great game of it for a change.

Dundee got their runs in bunches, four in the first, and five in the third, off Miller, but Tobin cooled them off after taking over in the fourth inning.

Chelsea scored one in their half of the second inning as Slane singled, stole second and came home on Stoffer's single.

Pinckney tied it up in the last of the second, and also added a run in the third and another in the fifth to lead Chelsea by 3 to 1 as the sixth inning started.

Chelsea jumped back into the lead in the sixth as they scored three runs on three errors, a walk and a wild pitch, but their lead was short-lived as Pinckney also had a great time at bat in the sixth. On two hits, three errors, two walks and a couple of sleeping spells by Chelsea, Pinckney scored seven runs and took the lead, 10-4.

And that's the way it ended as Chelsea could not get another rally started in the seventh.

Chelsea 5, Manchester 0

Chelsea's "Bulldogs" got back into the win column Tuesday as they thumped the "Dutchmen" from Manchester 5-0, on the losers' home field, and a win welcome. Manchester is always very welcome. Manager wanted the route for Chelsea allowing but three hits while striking out seven and walking (Continued on page ten)

Chelsea-North Lake Road Surfacing Will Be Completed Soon

According to an announcement early this week by Kenneth L. Hallenbeck, manager of the Washtenaw County Road commission, representatives of Dexter, Lyndon and Sylvan townships have agreed to contribute half of the cost of black-topping the Winkler-Stofer road link of 3.6 miles, which will complete the improvement of the road between Chelsea and North Lake, begun last summer.

Total cost of the black-topping is to amount to \$18,000. Lyndon township will contribute \$6,000; Dexter township will pay \$1,600, while Sylvan township's share is to be \$1,200.

Townships are being asked under new post-war plans of the Road Commission, to contribute at least half of the cost of road improvements in the respective townships.

Funeral Directors of Southern Michigan Here Last Thursday

Members of District No. 11 of the Southern Michigan Funeral Directors association met in Chelsea Thursday for their regular monthly meeting. Arrangements for the dinner meeting, which was held at St. Paul's church hall, were made by Mr. and Mrs. Martin Miller, local members of the association. Ladies of the church prepared and served the roast beef dinner.

During the business meeting which followed, a report of the state convention at Grand Rapids was given by Wesley Adams of Camden, District Governor of the association, and a very interesting discussion of the occurrences at the convention took place.

Rev. William Hainsworth of Dexter, entertained the group with one of his well-given talks which included several paralogues.

An amusing incident during the dinner, which it was suggested, should be included in a report of the meeting, was that "Wesley Adams poured, assisted by Don Pelham of Jackson."

Foreign Aid Drive Success

\$1,375 Turned in;
Total Still Growing

With reports still incomplete and a number of contributions still to be turned in, the total amount raised in Chelsea in the "Crusade for Children," to date, is about \$1,375, according to a report made by the chairman, Rev. Orville W. Morrow, and the treasurer, W. R. Guest. A complete report is to be compiled for publication in next week's issue of The Standard.

In the rural area, under the chairmanship of Fred Breesmale, workers' reports were still incomplete and will also be completed and announced next week. Rural workers, appointed by Mr. Breesmale, are Mrs. Lawrence Fowler, Mrs. Ray Franklin, Mrs. Kenneth Proctor, Mrs. George Hatley, Mrs. Sylvester Weber, Mrs. L. H. Walker and Mrs. Henry Helm.

Mrs. Walter Mohrlock, secretary of the drive in Chelsea, was to make her report at a dinner meeting of the county organization in the Allenel hotel in Ann Arbor yesterday.

Rev. Morrow stated that as chairman of the drive here, he was "gratified with the splendid response of the people of Chelsea for this vital and needy cause" and praised the fine spirit of cooperation shown by all the workers in the campaign. He credits this spirit of cooperation on the part of chairman and workers with the splendid success of the Crusade drive for funds. He said that "in spite of a number of campaigns held recently for a variety of worthy causes—campaigns which have almost overlapped each other, Chelsea people have again shown their willingness to respond generously to a call for help for a deserving, humanitarian cause."

Committee chairman who, together with block workers, have worked so wholeheartedly for success of the campaign, are as follows: Willard Guest, business manager; William Collins, labor representative of industry; Mrs. A. A. Palmer, block chairman; Mrs. Warren Daniels, business district and publicity; Rev. W. H. Skentelbury, clubs and lodges; Miss Michelene DeRose and Miss Jane Kompass, school; Mrs. John Chaplin, coin boxes.

All solicitors in the campaign are urged to report as soon as possible to Mrs. Walter Mohrlock, the amounts they have collected, as it is hoped to complete the tabulation this week.

Donations which were necessarily postponed are still being accepted. These include donations from clubs and organizations which have had no regular meetings since the "Crusade for Children" began and therefore have not had an opportunity to vote a contribution to the cause.

Fire Dept. Called Out for Two Roof Fires

Fire of undetermined origin burned a hole about four feet long in the roof of the Walter Jarvis home on the Dexter-Chelsea road Saturday afternoon. The fire began near the chimney and was discovered shortly after two o'clock by the Jarvis' daughter, Helen, who had just gone out to work in the yard. Calling to her mother that the roof was on fire, she ran about a quarter of a mile to the nearest telephone, at the Vincent lives home, and called in the alarm.

Mrs. Jarvis was credited with keeping the fire from spreading until the fire department arrived on the scene. She climbed up on the roof and turned water on the blaze with a garden hose. A strong wind was blowing at the time and it was said that the fire would undoubtedly have been much more serious but for the efforts of Mrs. Jarvis.

About 12:30 o'clock Sunday noon the fire department made a run to the home of the elder George Eder on the east side of Taylor street just south of Pierce street, when a small fire on the roof was discovered by neighbors. The fire was extinguished by the time the fire department arrived.

Union Memorial Services To Be at Methodist Church

The annual Union Memorial church service will this year be in charge of Rev. P. H. Grabowski, pastor of St. Paul's church. Because it was thought that St. Paul's church was not large enough for a union service of the three protestant churches of the community, an invitation extended by the members and pastor of the Methodist church to hold the service there, was gladly accepted by the members of St. Paul's church and their pastor.

The St. Paul's church Junior and Senior choirs will combine in presenting special music during the service and Rev. W. H. Skentelbury of the Congregational church will preach the sermon. Rev. O. W. Morrow, pastor of the Methodist church will take part in the worship service.

A special invitation is extended to all service organizations to attend the service which will be held at the Methodist church at ten o'clock Sunday morning, May 30.

Mrs. Elizabeth Powell will preside at the organ.

Reverend Morrow urges everyone in the community to attend this service, stating, "we can do no better than to perpetuate a kindly, co-operative, purposeful community spirit."

Sunday school sessions will be held at each of the three participating churches at the usual hour.

Kiwanis Box Social Tonite

Sen. Down Speaks
about Legislature

Final plans and arrangements were made at the Kiwanis meeting Monday evening for the Box Social and Old-Time Dance to be held in the High School gymnasium Thursday (tonight) at 8:30 o'clock under the club's sponsorship.

With Hazen Leach and his Cavanaugh Lake All-Stars providing music for dancing, card tables for those wishing to play cards, and Irving Kalmbach handling the auctioning of box lunches later in the program, a full evening's entertainment is assured everyone. Tickets may be purchased at the door or from any Kiwanis member.

Hon. Edgar F. Down, state senator from the 12th district, who was the principal speaker at the meeting, addressed the club on "Observations on the Legislature."

Senator Down told of the hectic period the Senate went through to adjourn the special session on April 27 with two important measures to be acted on the last day. In fact, Mr. Down said "it was about five o'clock in the morning of April 28 before adjournment could be reached. Since the legislature is required to adjourn no later than midnight of April 27 the legal requirement was met by slipping a false face over the dial of the clock in the chambers, with the hands pointing at three minutes until twelve, where the time remained until adjournment."

It was announced that next week's meeting will be held on Tuesday evening because of the Memorial Day holiday.

VFW Aux. Members Visit Eaton Rapids

The annual pilgrimage to the National VFW Home at Eaton Rapids took place on Sunday for the first time since 1941. Mrs. Mary Kniss, president of the Chelsea VFW Auxiliary, with Mr. and Mrs. Robert Hochrein and daughter, Helen, and Eleanor Embury were the only ones from Chelsea who attended.

Mrs. Kniss reported that there were about three hundred cars there. Features of the program were band music furnished by two bands, group singing by the children of the Home, crowning of the Poppy Queen, talks by Past Commander of Posts throughout Michigan as well as several from outside the state, and an address by Col. Henry B. Joy of Air Service Post No. 702, and Detroit Naval Post No. 233, of Detroit.

Three-Way Accident

An accident involving three cars occurred about 12:30 Saturday noon on US-12, about a quarter of a mile east of Dancer road, resulting in damage to all three cars but no serious injuries to the occupants. Zeb White of Chelsea, driver of one of the cars, suffered two cracked ribs, cuts on his head, and bruises. Hagar Large, also of Chelsea, riding with White, suffered cuts and bruises.

Two Injured as Fast Train Strikes Auto

John Rudd, who resides on Conway road, suffered a possible fractured skull and internal injuries about seven o'clock Monday evening when the car in which he was riding, driven by his son-in-law, Art Weaver, of 406 North street, was struck and demolished by a freight train at the railroad crossing at the Methodist Home.

According to a report of the accident, given to Police Officer George Doe who was called to the scene, Weaver and Rudd, coming into Chelsea from the Cavanaugh Lake road had stopped at the crossing and waited while a west-bound freight train passed, and then started south across the tracks directly in the path of the east-bound freight train.

Rudd and Weaver were taken to St. Joseph's Mercy hospital, Ann Arbor, where, at latest reports, Rudd was still unconscious. Weaver suffered a broken ankle. The car, a new Oldsmobile, is said to be a total loss.

Conductor on the freight train was H. O. Frank, while Lannigan and McVay were the engineers.

PERSONAL NOTES

MISTER, I SEE A MAN NAMED SAM GIVING YOU \$4998.00 IN 1958!

That's a wonderful prediction the Swami is making, and for once, the Swami isn't just talking through his teeth.

If you can regularly set aside as little as \$37.50 a month... through the Bond-A-Month Plan at your local bank... in ten years from now, Uncle Sam will be handing you the beautiful sum of \$4,998.00, too!

Here's why: Under the Bond-A-Month Plan, your savings are invested in U. S. Security Bonds. These Bonds mature in ten years, repay you \$100 for every \$75 you put away.

And just think of what you can do with that money! You can make a good down payment on a new home... or send the kids to college... or have a good nest egg to start your own personal retirement fund.

What's more, by saving this money, you'll be helping to safeguard your country's financial future, too!

Why not drop in at your bank, and sign up for the Bond-A-Month Plan today?

AMERICA'S SECURITY IS YOUR SECURITY!

CHILDS STUDY CLUB

The annual Spring dinner of the

THE FORMER Caroline Elaine Breitenwischer is shown above with her husband, Glenwood Britten, as they prepared to serve the wedding cake at the reception following their marriage in St. Paul's church Sunday afternoon, May 16. The couple will make their home in Jackson.

Chelsea Child Study club was held Tuesday evening, May 25, at the Hayes hotel in Jackson, with twenty-seven members present. Eight new members were introduced.

Mrs. A. O. Allread of Jackson, president of the Michigan Child Study association, was a guest, and spoke, after the dinner, describing the present situation of the State association and explaining its workings. She said Michigan was the only state in the United States with this particular type of association set-up.

Bridge and pinocle were enjoyed to conclude a very nice meeting of the club which is the last one of the season.

SYLVAN CENTER SCHOOL REUNION

Schuyler Foster, a former teacher of Sylvan Center school, and an interested and loyal supporter of the annual reunions held there, proposed a resolution at the reunion held at the schoolhouse Sunday, May 23, that, regardless of the possible future disposition of Sylvan Center school, the school reunion group would continue the annual reunions. Oscar Kalmbach, president of the group, asked for a vote on the resolution and it was unanimously passed. Mr. Foster's proposal was made at the conclusion of his talk, which took place at the end of the program and could very well have borne the title, "Reminiscences."

Lloyd Heydlauff, who attended Sylvan Center school for his entire grammar school education, was the main speaker of the afternoon. He stated that the studies he was taught so thoroughly at the rural school have been of more practical use to him in his business career than much that he learned later and that he had always had a feeling of pride in being a former pupil of the school.

Mrs. Oscar Kalmbach was chairman of the program committee and announced the other numbers on the program as follows: Song, "America," followed by the Salutes to the Flag, by the assembly; Prayer, William Hatley of Jackson; Vocal Duet, "Now Is The Hour," Donna Kalmbach and Mrs. Oscar Kalmbach; Recitations, "Little Charlie Chipmunk," Loretta

Schmitt, and "Morning," Deloris Schmitt; Reading, "The Kind of Girl That Mother Used To Be," Donna Kalmbach; Recitations, "My Baby Sister," Audrey Welch, "Little Birdie," Linda Welch, and "School," Janice Welch; Vocal Duets, "My Task" and "In My Heart There Rings a Melody," Mrs. Oscar Kalmbach and Mrs. John Cesterie.

An impromptu vocal solo by Harrison West, who played his own piano accompaniment.

Song, "God Be With You 'Til We Meet Again," by the assembly.

Donna Kalmbach was the piano accompanist for the singing. All present officers were re-elected for another year with the exception of vice-president and are as follows:

President, Oscar Kalmbach; vice-president, Schuyler Foster; secretary, Miss Minnie Allyn; treasurer, Fred Hatley.

The table committee chairman is to be Harrison West and he chose Mrs. Fred Gentner and Mrs. Willis Heydlauff as members of his committee.

Mrs. Pearl Hartman of Ann Arbor, with Mrs. Raymond Schmitt and Mrs. George Hatley will be in charge of next year's program.

About fifty were present at the reunion, including those who were present for the one o'clock potluck dinner and those who came for the afternoon program.

"WHAT'S THIS PRESCRIPTION FOR?"

When you ask your pharmacist to tell you, on the basis of your prescription, what your illness is, you ask him a question to which you should not expect an answer.

Many important drugs prove useful in a variety of diseases. The use of a certain drug in your prescription may not serve, therefore, as an exact clue to the nature of your illness. Quinine, for example—long known for its qualities in combatting deadened malaria—has frequently been prescribed in treating other conditions. Then, too, some drugs are known to counteract specific symptoms only, while the same symptoms may be observed in more than one type of illness.

The doctor who examined you and diagnosed your condition will have given you all the necessary information. It is not within the pharmacist's province to diagnose illness. His is the task of preparing the prescribed medication in a manner that will be the most effective. His scientific training enables him to overcome chemical or physical incompatibilities that may present themselves in a mixture of various ingredients.

Your pharmacist's skill makes sure that each dose of the finished product will contain the exact amount of the drugs your doctor intends you to have.

Dexter plays here May 25.

Baccalaureate will be held at the Methodist church on Sunday, May 30, beginning at 7:30 p.m. On June 1, Class Night and on June 2, Commencement will start at 8:00 p.m. This year the school picnic will

be held on Thursday, June 3. On June 4 report-cards will be given out.

The Alumni banquet will be held this year on Saturday night, June 5.

"BEG YOUR PARDON" School is coming to an end and the students are dreaming through their classes of the many plans made for the summer.

Some of the plans include going to the races, "And There They Go." Others are planning on having a picnic "Down By The Old Mill Stream." "Nature Boy" is "Dream"-ing of spending "Saturday Night in Central Park." "Baby

Face" says "That's My Desire" to board the "Stanley Steamer." Some are "Gonna Get a Girl" and "Come to the Mardi Gras." "Now the Day is Over" but we can dream some more "Manana."

OSCAR'S CAR

Today we've been asked to write a descriptive theme for English class, and as I look out of the window of Miss Betley's room I see just the thing, "Oscar's Car."

This car, which I will try to describe, is a Dodge. It must be of the very latest type, because I have never seen anything like it. One of its many amazing features is that the front end is much higher than the back end and could be due to the slightly flat rear tire? The running boards of this car are slightly drooping, but the chicken wire seems to be holding it on fairly well. The fenders must be in very good condition for he never uses them, or at least they're not on the car.

Oscar could receive thousands for his car if he wanted to sell it, for almost any dealer in rare articles would consider it a great find. Who knows, maybe even Ripley would want to use it in his book, "Believe It or Not."

Now don't take me wrong, this

car is really "one in a million," just like its owner!—Corky Dreyer.

SMALL TALK

Why is Joyce M. receiving so many letters lately? (from?) Did any of the girls and Bob Stofor miss the Seniors last week? Why didn't Marlene H. go to the Grass Lake Prom?

Has Chelsea taken over the Regent Cafe? It looked that way early last Saturday morning!

Robert Stofor was "sweet sixteen" last week, but it's rather doubtful whether the rest of the familiar ditty applies to him.

What magic formula do the Junior boys have that makes "John's" pin ball machine pay off so well?

What certain Junior girl rated two dates and two corsages at the Prom?

The Grass Lake boys certainly cause a stir, don't they, Rowena and Doris?

Why is it that some of the "handsome" boys didn't have dates for the Prom? Is it that the Chelsea girls don't rate?

Where did Joan pick up the nickname of "Smokey"?

Audrey, how do you rate cards when it isn't even your birthday? Because shoe styles hadn't

changed enough, three girls in 3rd hour study hall did some work of their own.

Another Sophomore girl seems to have snagged a Freshman. Is that right, Marilyn?

Why does Joyce Malott go around fishing her right arm in everyone's way? Could it be the identification bracelet she is wearing?

LATIN CLUB

The Latin Club is planning to have a weiner roast at Clear Lake, Wednesday, June 2. A chaperon has not as yet been chosen and a life guard is needed. The committee is as follows: Food—Verdine Wheeler, chairman; Nellie Atkinson, Phyllis Koffman and Marilyn Johnson; Transportation—Dorothy Howard, chairman; Pat Scott, Betty Wolfe and Winona Franklin.

Jerry Abdon had a birthday treat for his class on his birthday.

FIRST GRADE—Several students have measles and we hope that they will all be back in time for our picnic.

SECOND GRADE—We have in our room a banty hen which has hatched ten baby chickens. This banty hen was brought to us by Carolyn Lindner.

For our picnic at the end of the year, we are going on an adventure which is being kept a deep, dark secret.

We had two birthdays last week. Joyce Block's and Nancy Irwin's. We have a tad-pole which has developed very long legs.

THIRD, FOURTH AND FIFTH GRADES—We are going to the Detroit Zoo at the end of the year.

SEVENTH GRADE NEWS—Donna Hinderer won her birthday game, May 17. We also played an arithmetic game in class last week.

Eleanor Schmidt and Dorothy Speer brought Miss Fox lilacs last week. Eleanor also brought iris. Richard Schneider brought a small bouquet of violets, lilacs-of-the-wood and a tulip. Friday, Priscilla Yell brought four bouquets of lilacs.

The seventh and eighth grade boys played against each other in baseball last Thursday. The seventh grade boys won with a score of 17 to 8.

ELEVENTH GRADE NEWS—The Juniors have charge of the recreation for the school picnic at Portage Lake.

CLASS NIGHT—The Class Night program will be

held Tuesday evening, June 1, at 8 o'clock.

Awards will be given for Hi-Y, FFA, Journalism, American Legion Award, Athletic Awards, and the Awards for the "Most Representative Girl and Boy" will also be given.

All awards to underclassmen were given in an assembly last Tuesday and only those given to the Seniors will be presented at Class Night.

GRADE NEWS—KINDERGARTEN—The morning Kindergarten class and the two first grades are going to stay at school for their picnic on June 2.

The afternoon Kindergarten class will have their picnic on June 1. Each child will bring his own lunch, and after-dinner they will play games.

LUBRICARE—tailor-made lubrication for Buicks

It's lubrication made to measure for your Buick by the engineers who built the car—with lubricants carefully chosen for just one reason: they are best for your Buick.

Men who know Buicks thoroughly see that all the different points that need it are properly supplied with exactly the right kind and right amount of lubricant.

You're away knowing your car is protected and set to roll smoothly and dependably with lubrication that has been matched to the mileage you have driven.

SEE YOUR BUICK DEALER REGULARLY FOR LUBRICARE

No wonder you grin! There's that zoom again—that go—that flashing spirit that you know is built in Buicks. There's that split-second answer to your call for power, the feather-light response to your finger that makes your two-ton honey handle like a baby buggy.

This is what happens when a Buick is cared for by men who know Buicks best—men who know the height of spirit a Buick can reach and how to bring it out.

Buick men have a way with Buicks no one else can have. That's only natural. Whatever they do, they do as the designers and builders of Buick say it should be done. They use Buick-approved checks and tools. And when

time and miles finally take their toll in wear, they have right at hand a stock of Buick-engineered replacement parts.

Wheel in and they'll sweeten your engine to bring out all its surge and go. They'll steady your car's easy gait and make steering limber. They'll even take out your worn engine and give you new-car zing and power with a factory-fresh Fireball.

See for yourself. Bring your car in and get real, understanding Buick car care. You can't buy it anywhere else—and job for job it doesn't cost you a penny more.

Our Citizens of Tomorrow

In the top row of the above group, reading from left to right, are the pictures of Cynthia Paul, Mitchell Whitaker and Barbara Jean and Marilyn Ann Balmer. Cynthia, who was 12 years old March 16, is the daughter of Dr. and Mrs. L. J. Paul. She is in the sixth grade at Chelsea Public School, attends the Methodist Sunday school regularly, and is a member of Girl Scout Troop 111.

Mitchell, the son of Mr. and Mrs. Kinn Whitaker of M-92, was five years old Feb. 7. He was a kindergarten pupil the past year at the Canfield school in London township of which Claude E. Deatruck was the teacher.

Barbara Jean and Marilyn Ann are the daughters of Mr. and Mrs. Floyd Balmer. They also live on M-92, and Barbara Jean attended Canfield school. The former was seven years old last Feb. 25, while her sister, Marilyn Ann, was three on Oct. 11.

Helen and Nadine Lentz are pictured in the lower left-hand corner of the group. Daughters of Mr. and Mrs. Carl Lentz, of 409 Garfield street, they were baptized at St. Mary's church, the former by Father Dorr and the latter by Father Laige.

Helen is a first-grade pupil at St. Mary's school, and Nadine will be five next July 11.

In the center of the bottom row is the picture of Jane and David McLaughlin, children of Mr. and Mrs. Russell McLaughlin. David, at present, is "entertaining" the measles and Jane has just recovered from an attack. Jane was six years old March 13 and is in the kindergarten. Mrs. Lucille Kelly is her teacher. David, who was four on March 8, and Jane, both attend the Congregational Sunday school. Both, together with their older brother, Jim, were baptized at the family cottage at Cavanaugh Lake, by Rev. Wm. H. Skentelbury.

The remaining picture, in the lower right-hand corner, shows Patricia Ann and Lynn Allen, children of Mr. and Mrs. Walter A. Gage, of 616 Flanders avenue.

Patricia Ann, more familiarly known as "Patsy," will be seven years old next Aug. 31. She is in the first grade in the section taught by Mrs. John Hale. She attends Sunday school at the Congregational church and was baptized at the church by Rev. Ray Barber.

Lynn Allen, who was two years old last Jan. 29, also was baptized at the Congregational church, but the officiating clergyman was Rev. Wm. H. Skentelbury. He also recently began to attend Sunday school there with his sister.

Chelsea Reservists Bolster Jackson Navy Division

Chelsea men are making a fine showing in the organized Naval Reserve division which is headquartered at Jackson, according to Lt. Commander Marshall E. Collins, USNR, Inspector-Instructor. Next to the city of Jackson, Chelsea is found to be the community with the second greatest number of men enrolled. Chelsea is followed by Michigan Center, Manchester, Brooklyn, Tecumseh and Concord.

The men who keep Chelsea in the foreground are: Donald E. Baldwin, Lytle D. Christwell, Vernon Conk, Robert J. Freysinger, LaVerne Hafey, Clare Knickerbocker, David S. Longworth, Philip Roy, Walter Tarnacki and Jack Herbert Wellnitz.

Scores of reservists from Jackson and the neighboring towns will be enrolling this summer for cruises which they selected themselves. So many cruise opportunities have been offered by the Navy Department that the Naval Reserve Office in the Adult Education Center, Jackson, has taken on the aspect of a "travel bureau."

In each case the man's train fare is paid to the port of embarkation and return. His dining car meals are at government expense as he travels along in first class accommodations.

In order to receive promotions at the earliest possible date each man in the Organized Division 0-99 must attend 75 per cent of the drills and take a 14-day tour of training duty of his own choice. For the lower rates promotions come along every nine months to men who apply themselves as they study electronics, sonar, radar, radio and diesel engineering. Leaving Chelsea about July 2 for a 14-day cruise to foreign ports will be Donald E. Baldwin, Lytle D. Christwell, Vernon L. Conk, Robert J. Freysinger, LaVerne G. Hafey and Jack H. Wellnitz, all of Chelsea. These men will go aboard Cruiser Division 10 at Newport, R. I.

During August Clare A. Knickerbocker, David S. Longworth and

Walter Tarnacki will entrain for Philadelphia, Pa., where they will board the heavy cruiser, USS Rochester, for a 14-day cruise.

Applicants for cruises are provided with maps and travel literature describing the countries they will be visiting. Destinations are not indicated at present, but will be announced later after diplomatic arrangements have been made.

BEACH CLEANING BEE

Frankfort—By request of Frankfort's Mayor, Perry L. Mauser, there will be a beach cleaning bee next Sunday morning.

In his announcement Mayor Mauser asked that all of Frankfort's many organizations and individuals cooperate with this program and come down to the Frankfort beach with rakes and baskets prepared to help with the clean-up.

"Because of the importance of the Frankfort beach to the towns' resorters," he went on "the matter of cleaning up the beach is imperative." "The beach provides one of the best attractions the town has to offer its summer visitors, and its maintenance is necessary."—The Benzie County Patriot.

Avert Serious Injury as Trench Caves in

Otis Titus, local plumber, narrowly escaped serious injury or death Friday afternoon when one side of a trench in which he had been working, suddenly caved in, pinning him against the opposite side until village employees working nearby, were able to free him. Because of the danger of injuring Mr. Titus, if shovels were used, the men had to dig the dirt away with their hands.

The accident occurred on Taylor street, just two doors south of the

Titus residence, where a new home is being built by R. V. Worden. Mr. Titus and his helper, Albert Doll, Jr., had just finished putting in the water pipe connections when the cave-in occurred.

Mr. Doll saw it coming just in time to jump back and save himself, but Mr. Titus had his back turned at the moment and had just straightened up after tightening a connection and was ready to leave the trench. Had he still been stooped over, it is doubtful if he could have been rescued in time to prevent suffocation.

The doctor who was summoned advised that Mr. Titus be taken immediately to a hospital for X-rays to determine the extent of his injuries. He was taken to St. Joseph's Mercy hospital, Ann Arbor, where it was found that no bones were broken; however, he suffered painful injuries to his back and hip as well as multiple bruises. He has been confined to his home since the accident.
