

● "Gene" Black, Michigan's scrapping attorney general, has become the "Porky" of the Kim Sigler administration.

The man whom Sigler once indicted was a "must" for his cabinet is now his No. 1 prickly thorn.

Because the Republican delegation at the Republican national convention in St. Louis, Mo., in the second ballot, hoping to elevate Michigan's national spokesman from the United States Senate to the White House, Black is now assailing Sigler for Michigan's "most distasteful" political position.

Black says he has been a Dewey booster for years. Recently he sounded a call for a "new and resolute Republican candidate for Governor to oppose Governor Sigler."

● The Port Huron attorney, who commutes daily between the state capital and his home in Port Huron, has not indicated whom he would favor for Republican leadership.

Lt. Governor Eugene C. Keyes, in the meanwhile, is circulating petitions for both governor and lieutenant governor. He says he will not make up his mind until the July 20 deadline for nominating petitions.

State Treasurer D. Hale Brake of Stanton is unhappy over the Philadelphia outcome. He also differed recently with Governor Sigler over the proposed constitutional reforms.

Asked about his intentions of running for governor, Brake told a Lansing newspaper reporter, "I have no intention of running. But I wouldn't tie myself up with any flat prediction about being, or not being, a candidate for any office at this time."

● To all these rumors Governor Sigler is unperturbed.

"The people elect the lieutenant governor," he said, following his return from Philadelphia. "If they elect Keyes I'll try to get along with him as well as any human being."

"My big problem is that a part of the administrative board wants to be governor and use every means to advance their own political ambitions."

Black, Keyes and Brake are members of the Administrative board.

Sigler said he thought Black should "spend more time helping to get things done than in popping off to anyone who will listen."

● One thing is sure: "Gene" Black doesn't give a whole lot of what happens to him politically. He finds it at the state capital very distasteful.

Following the 1946 election, he sought to get an expense account for room and board at Lansing, maintaining that he was due him under an ancient statute. When Auditor General Muriel Eaton refused to honor the claim, he promptly began the daily trek via a state-owned automobile from Port Huron and Lansing. His 1947 legal practice at Port Huron was lucrative.

He feuded with Lansing newspaper correspondents over release of public information and was spanked publicly by Governor Sigler.

He recently charged that Michigan automobile dealers were in cahoots with the state Republican command, contributing huge sums of money for the 1948 campaign.

All of this has been irritating to the Republican state central committee and to Governor Sigler. It is quite unorthodox for the attorney general of a reform administration to hint boldly of fingering in high places. Black has done just that.

● Governor Sigler told Associated Press managing editors at Higgins Lake that he refuses "to bring himself down to the level of his feeding colleagues, Mr. Black."

"Mr. Black is a nice fellow personally," said Sigler. "But he has a peculiar complex. He has swung in many directions."

"I do not feel the same way Black does. Should I criticize him publicly?"

Whether Sigler does or does not, "Gene" Black is very much in the news.

Chelsea Independents Team Defeats South Lyon Sunday To Keep Undefeated Record

Fowlerville Beaten in Exhibition Match Played Monday P.M.

By "BILL" SCHATZ

Chelsea Independents had a field day Sunday, July 4, at the expense of South Lyon, emerging on the long end of an 18-6 score.

Bill Beaman put on a stellar performance for our locals, collecting 5 for 6, one being a thundering triple. Bill continued on home on an overthrust to third. Adding to South Lyon's woes he worked their pitcher for a walk, so "Bill" got on at every opportunity.

Andy Policht continued the assault with 2 triples and a double, fattening up his batting average.

The Lyonsers came very much to life during one inning when they turned in a brilliant triple play, the only one so far in the Tri-County Association.

A. Wingren started on the mound for the locals. Al had plenty of stuff but was laying them in there just too good and hard to be lifted for by Miller. Miller did a fine job the rest of the route, getting a big hand from the gang who remembered his brilliant performances of a couple of years ago.

Stan Koneski was beamed by a pitched ball, just over the left eye. Stan was out for quite a while and was carried off the field by his teammates, but he will be back again soon.

Jack Miller was also badly dazed when he topped a slow roller towards first, the catcher fielding the ball, making the play, but he tagged Jack in the back of the head. Jack, however, fell over the bag and was safe. After a few minutes he resumed play.

Sunday, July 11, we play the Chelsea Milling team. Let's everybody come out and see both our local teams in action. We will try our best to please, as the Independents always do.

The Independents playing an exhibition game at Fowlerville, Monday, July 6, tripped up the flashy Fowlerville clan, 7 to 3. It was our first invasion of the other circuit, the Western end of the Tri-County League.

This confident crowd at Fowlerville had to bow to the Chelsea Independent's superior power, both on the mound and at bat. Our mainstay rifeater, Slim McClanahan, went the route for the Independents.

4-H Delegates Compete in State Club Week at MSC

Washtenaw county 4-H delegates to 4-H Club Week at Michigan State college last week, came home with an admirable record.

Norwin Lesser of Dexter, who is completing his last year of 4-H club work and has been active in the county 4-H council and service club, was chosen as one of the four winners of the Achievement Booth Contest.

This honor permits him to compete at the State 4-H Club Show from a trip to National 4-H Camp at Washington, D. C. next June.

Thirty-eight 4-H boys and girls were entered in the Achievement Booth Contest. This event is designed for older members to exhibit a sample of their entire club career in an attractive manner as possible. These booths are judged and the participants interviewed by a committee of State and County Staff members in order to select the outstanding 4-H young people to attend National 4-H Club Camp.

Winners from the Upper Peninsula, the Northern area of the Lower Peninsula and from the southern district will be entered in the final contest at the State 4-H Show in August.

Doris Downer of Chelsea was Washtenaw county's entry in the girls' division. While Doris was not selected as a finalist, both Norwin and she were inducted into the State 4-H Service Club along with Mrs. Earl Quackenbush, a local leader, of Dixboro.

Audrey Coy of Dexter, another delegate to Club Week and winner of the county 4-H Spring Achievement Day Dress Revue held last April, was selected as one of the representatives of Southern Michigan in the State 4-H Show Contest.

Other delegates from Washtenaw were: Barbara Collier, Lima Township; Loris Sanderson, Ann Arbor; W. W. Wagoner, Dexter; Dorothy Zahn, Lima; Jane Latson, Webster; Ronald Kapp, Northfield; Kenneth Proctor, Sylvan; Oscar Bareis, Lima; Herman Engel, Northfield, and Robert Cole, Milan.

Holiday Is Observed Quietly in Chelsea

Chelsea's Fourth of July was exceptionally quiet this year. In fact, it was one of the sanest and most quiet that the town has experienced in years. Many residents said they didn't even hear the "pop" of a single fire-cracker, which is as it should be.

Record crowds were reported at all parks and lakes where picnic and bathing facilities could be had. Joyous during the three-day holiday week-end on idyllic summer weather.

Fourth of July celebrations at several points in the county drew a goodly share of people from outlying sections as well as from Chelsea, although many were observed enjoying the relaxing comfort of their own porches and lawns, both on the Fourth, itself, and on Monday.

PUBLIC-ICE CREAM SOCIAL

A public Ice Cream Social will be held at the Salem Grove Methodist church Friday, July 9, beginning at 6 p.m. The social is sponsored by the Youth Fellowship of the church. There will be home-made ice cream, home-made cakes, coffee, "hot dogs" and soft drinks on sale. Everyone is invited. Adv.

Financial Report Will Be Presented for Final Approval

A large turnout of electors is expected for the first annual meeting of the Chelsea Agricultural School District to be held in the High school gymnasium on Monday, July 19, at 8 p.m. At the election of trustees for the district held last fall, 322 voters were cast in electing the complete Board of Education.

Items of business to come before the electors will be the election of one trustee to succeed E. W. Eaton, president of the Board; approving the financial report, determining Board salaries for the year 1947-48 and for future years, and a report to the electors regarding the operation of the school program during the past school year.

Registration is not necessary for this election and the qualifications for voting are as follows:

A citizen of the United States.

A resident of the State of Michigan for at least six months.

A resident of this school district for at least 20 days.

Electors who meet the above requirements and who would have voted in any one of the following original school districts are eligible for this election: Staphis, Pumpkin College, Collins Plains, Lyndon Center, Melrose, Howe, Riemenschneider, Savary, Sylvan Center, Schenk, Merkel, Irwin, and the Chelsea District.

Afflicted Children's Camp Will Hold Open House Sun.

Visitors will be welcomed from twelve until five o'clock in the afternoon (last time) and refreshments are to be served. The camp will be officially opened for the 1948 season, on Monday, July 12.

The camp was first opened on trial under the auspices of the Michigan Society for Epileptic Children two years ago, in the summer of 1946, but was not in operation last year.

About seventy-five children will be accommodated at the camp during the six weeks the camp will be operated this summer. Each group will remain for a two-weeks regular camp program under the supervision of a camp director and two counselors. Personnel at the camp also includes a cook and an assistant cook.

Remodeling at the thirteen-room farmhouse includes shower rooms, a new well and a thoroughly modern kitchen. Future plans call for building a number of cabins and extending the camping period from six to eight weeks.

Mrs. J. Frank Crie of Detroit, who was instrumental in forming the Michigan Society for Epileptic Children which operates the camp, is active in the project. According to present information, this is the only camp of its kind, not only in Michigan, but in the United States.

Offering as it does, normal camping experiences for afflicted children who cannot be accepted at regular camps, the project is considered very worthwhile, especially since no epileptic children are barred because of race, creed or color.

To Be Represented
at NEA Convention

The Eighty-sixth Annual Convention of the National Education Association will be held at Cleveland, Ohio, July 5-9, when the 2,600 members of the Representative Assembly of the organization will address themselves to the annual business of the Association. The delegates represent 800,000 of the nation's educators.

High spots on the program include presentation of the issues facing American voters in the November election. The Republican platform will be presented by Senator Wayne Morse (R., Ore.); the issues as they will likely be stated in the platform of the Democratic Party will be set forth by Senator Robert D. Thomas (D., Utah). Discussion groups on the convention will be devoted to current problems relating to education, such as international relations, cooperation between the races, the moral and spiritual values of education, and the development of citizenship programs which will prepare every youth for his citizen duties, whether they be peace or war. The keynote address of the convention will be delivered by Glenn E. Snow, president of the National Education Association and president of Dixie Junior College, St. George, Utah.

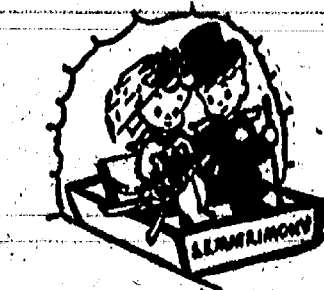

Greetings will be brought to the convention by Mrs. Mabel Williams, Hughes, president of the National Congress of Parents and Teachers; James F. O'Neil, national commander of the American Legion; David Munroe, president of the Canadian Teachers Federation, Quebec, Canada; and William Rodda, president of the National Union of Teachers, London, England.

Delegates to the Representative Assembly will consider a change in dues of members of the organization from \$3.00 to \$5.00, and expansion of the Executive Committee from 9 to 11 members. A special feature of the program will be the banquet of the Department of Classroom Teachers of the NEA, the largest teacher group represented at the convention. Plans for the banquet and entertainment program to follow are being made under the direction of the Missouri Department of Classroom Teachers and the Northeastern Ohio Education Association. Miss Marie Ernst of St. Louis, Missouri, is president of the Department of Classroom Teachers.

One hundred twenty delegates will attend from Michigan, among whom are Mrs. Gertrude Nanny, Miss Nina Hull from Ann Arbor, and Miss Mabel Fox from Chelsea. Miss Elizabeth MacDonald from Plymouth, formerly a Chelsea teacher, will also attend.

Youth For Christ
Rally, Sat., July 10

Chelsea's Youth For Christ will meet at the Municipal building on Saturday, July 10, at 8 p.m. The Skinkle family of Rives Junction, will be the special feature of the evening. They are a very talented family and provide both vocal and instrumental music in great variety. Dr. John Hunter of Detroit, will speak at this Rally. We very cordially invite every one to attend.

Chelsea Youth For Christ's third birthday Rally, held at the Sterling farm, was attended by nearly 200 young people, from Ann Arbor, Jackson, Dexter, Chelsea, Northville, Pinckney, North Lake, and vicinity. A splendid program was enjoyed by all and the speaker, Rev. Gordon Northrup, climaxed this with a wonderful message. Youth For Christ is looking forward to its fourth birthday Rally, next year and many more in the future.

CARD OF THANKS

I wish by this means to express my thanks to all my friends, relatives and neighbors for the many cards, messages and other remembrances sent to me during my stay at the hospital and while I've been confined at home; also, all who called to see me. I especially wish to thank Rev. P. H. Grabowski for his kindness and the Women's Guild of St. Paul's church for the plant they sent me. Everything was very much appreciated.

Miss Dorothy Pucak Married to A. Paul in Saturday Ceremony

Miss Dorothy Ann Pucak, daughter of Mr. and Mrs. George Pucak of Hubbard, Ohio, who has been making her home here with her brother-in-law and sister, Mr. and Mrs. W. A. Guest, was married at 4:30 o'clock Saturday afternoon to Arthur C. Paul, son of Mr. and Mrs. Herbert Paul. The ceremony was performed by Father Lee Laige in the parish house of St. Mary's church. The bride's brother, William Pucak of Hubbard, gave her in marriage.

A reception for thirty-five guests was held at the home of Mr. and Mrs. Guest, following the ceremony. Mrs. Charles Ferradino of Hubbard, sister of the bride, poured, while Mrs. Hubert Berg of Detroit, served the wedding cake.

The bride's parents did not attend the wedding because Mrs. Pucak is recuperating from a recent operation. On Tuesday evening they held a reception at their home in Hubbard for seventy-five relatives and friends, when the young couple arrived there to spend a few days while on a week's wedding trip.

On Thursday evening (tonight), friends of the bride in Hubbard, are giving a miscellaneous shower in her honor.

For the wedding and reception here, the bride wore a light blue silk gabardine suit with a white hat and all-white accessories, including a corsage of white roses and baby-breath.

The bride's sister, Miss Betty Janis Pucak, in a pink suit with white accessories and a corsage of deep pink roses and blue sweet peas, was maid of honor, while Robert Shanahan was best man.

Miss Lucille Finkbeiner played the wedding music.

A dress of pink eyelet embroidery, complemented with a white lace hat and gloves, and a bouquet of pink roses and shasta daisies, was the bride's costume for the wedding.

Her sister, Miss Esther Riemenschneider, as maid of honor, wore an aqua eyelet embroidered dress. Her flowers were yellow roses and daisies and her lace hat and gloves were white.

MR. AND MRS. LEWIS PHILIP VOGEL, JR. are shown above at the reception held in the Congregational church parlors immediately following their marriage Saturday evening.

Miss Joyce Hoffman Becomes Bride of L. Philip Vogel, Jr.

Miss Joyce L. Hoffman became the bride of Lewis Philip Vogel, Jr., son of Mr. and Mrs. L. P. Vogel, in a candlelight, double-ring ceremony performed in the Congregational church Saturday evening at seven o'clock by Rev. W. H. Skentelbury. The altar, before which members of the bridal party took their places while the wedding march was being played on the organ by Mrs. L. H. Wacker, was decorated with potted palms, baskets of white gladioli and two seven-branched candelabras in addition to the altar candles. White satin ribbon bows marked the pews where members of the couple's families were seated by the ushers, Ralph Oesterle, brother-in-law of the bridegroom, and Douglas Vogel, the bridegroom's nephew.

Before the ceremony, Mrs. M. J. Baster sang "Because," and, later, during the ceremony she sang Malotte's "The Lord's Prayer." The bride was given in marriage

by her father, Milton B. Hoffman. Miss Johanna Costman of Ann Arbor, was maid of honor. Her gown of lilac summer taffeta was made like the bride's except that there was no train and the sleeves were very short. She wore long mitts to match the gown and a headpiece of hand of chiffon leaves and flowers of the same lilac color and a single-strand pearl necklace, a gift from the bride. Her bouquet was of yellow roses and yellow daisies and was tied with a large bow of yellow satin ribbon. The bridesmaids, Mrs. Jack Cheeseman and Miss Lois Schlosser, both of Ann Arbor, wore summer taffeta gowns like that of the maid of honor except that theirs were in mint green. Their bouquets were of pink roses and blue delphinium tied with lilac-colored satin ribbon, and they wore matching mits and headpieces and the pearl necklace the bride had given them, also.

Richard Bahnmiller assisted the bridegroom as best man. A reception was held after the ceremony in the church parlors where the refreshment table was covered with a beautiful, cut-work embroidered, linen cloth. The four-tiered wedding cake, placed in the center of the table and flanked by silver candle holders, was wreathed at the base with greens and yellow roses.

Edward Gehldinger, aunt of the bride, cut the cake and Mrs. Leroy Mayer, another aunt, and Mrs. Ralph Oesterle, the bridegroom's sister, poured. A cousin of the bride, Miss Arlene Haist, registered the guests in the guest book.

After a two-weeks' honeymoon in Northern Michigan and Canada the couple will be at home at 334 South Fourth avenue in Ann Arbor. The bride's traveling outfit was a blue Palm Beach suit with white accessories and the orchid from her bouquet.

The bride, graduated in 1945 from Chelsea High school. She is employed as a bookkeeper at the State Savings Bank in Ann Arbor. Mrs. Vogel, who graduated from Chelsea High school in 1944 and served two years in the armed forces, is now attending the University of Michigan College of Engineering.

For her daughter's wedding, Mrs. Hoffman wore a navy blue sheer two-piece-effect dress and a navy blue hat. With this she wore a corsage of pink roses. Mrs. Vogel, the bridegroom's mother, wore an eggshell-colored lace-trimmed dress, a tiny flowered hat, and a corsage of yellow roses.

Drivers Are Warned by Mich. State Police to 'Take It Easy'

"Speed kills—take it easy!"

This is the traffic safety theme to be stressed during the month of July by police agencies of Michigan, according to Sergeant G. H. Austin, commanding officer of the Jackson post of the Michigan State Police. The campaign is part of a year-round traffic education program sponsored by the National Safety Council under the title of "Operation Safety."

"Modern, smooth-running cars give a delusion of safety when running at high speeds," Sergeant Austin said. "No car, however, is safer than its driver, and the records show that speed is a factor in accidents more often than any other violation. Speed is likewise a contributing cause in two out of every five traffic deaths."

Contrary to general belief, Michigan does have a speed law that applies to the open highway, Sergeant Austin pointed out.

"Unless a zone is posted with signs, the law does not designate any specific speed limit outside of business and residential districts," the officer said. "But it does provide that driving too fast for conditions is a violation. By conditions is meant such considerations as the weather, volume and rate of flow of traffic, condition of highway, and whether it is day or night."

"Under certain circumstances, you can speed at five to 10 miles an hour as well as at 50 or 60. And when you're going 60 and hit a solid obstruction it is just like driving off a 10-story building."

Although the accident record is not increasing proportionately with the increase of traffic, nevertheless it is at a new peak and growing, Sgt. Austin stated. Last year 1,444 persons were killed and 39,682 injured in 1947 traffic accidents in Michigan.

"There just aren't enough policemen to control the situation," Sgt. Austin said. "If we are to reduce accidents, drivers must police themselves by being conscientious in the operation of their cars. They must also be alert for the unexpected, especially carelessness or recklessness on the part of the other driver. And remember, you can't dispute the record, speed kills. So take it easy, what's the hurry?"

at the home of the bridegroom's parents Friday evening and a pre-nuptial shower honoring the bride was given by Mrs. Russell Gardner, Miss Johanna Costman and Mrs. Jack Cheeseman, all of Ann Arbor, at the home of Mrs. Russell Gardner, recently.

Father Lee Laige officiated at the double ring ceremony before the altar decorated for the occasion with lilacs and white gladioli.

The bride, given in marriage by her father, wore for her wedding a floor-length dress of white chiffon and a fingertip-length veil held in place with a beaded tiara.

Her bouquet of white roses and sweet peas was centered with a corsage which she later wore with her going-away suit of black with white accessories.

A three-strand necklace of pearls with matching earrings, a gift from the bridegroom, effectively completed her ensemble.

Miss Eleanor Embury, a cousin of the bride, in blue net with a matching headdress, was maid of honor. She carried pink roses and sweet peas.

James Brett Kenna officiated. The chapel was prettily decorated with Tiffany baskets of white gladioli and Easter lilies, backed with cathedral candelabra.

The bride's father, Dr. H. F. Froehlich, of Detroit, gave her in marriage.

The bride, formerly of Detroit, where she attended Southeastern High school before coming to Ann Arbor to attend the University of Michigan, is the daughter of Mrs. C. E. Weiss of Ann Arbor, and the late Clarence Weiss who maintained the old Weiss homestead on Old US-12 near Freer road until Mrs. Weiss' death.

While at the University she was a member of Alpha Delta Pi sorority and Phi Kappa Phi and Pi Lambda Theta honor societies. She is now teaching at the University High school in Ann Arbor.

The bridegroom is formerly of Iron Mountain, Michigan, where his father, the late Fred Johnson, was superintendent of lumbering operations in the Upper Peninsula for the Ford Motor Co. He attended Culver Military Academy and the University of Michigan and served three years in the U.S. Coast Guard and then took one year of flight training in the Navy.

The family moved to Dexter about three years ago.

The bride wore a street length dress of white crepe having a cape and a blue linen collar and belt.

A white straw picture hat and white linen opera pumps completed her costume together with two Vanda orchids pinned to her hat.

A cluster of three pinned to the back of her cape and a crescent-shaped bouquet of the Hawaiian Vanda orchids centered with a large hybrid orchid which was detachable for wearing on her going-away suit.

The bride's only attendant was Mrs. Norman Koyall, who has just returned after two and one-half years in Berlin where her husband was serving with the army of occupation. She wore a pink crepe dress, white straw hat edged and veiled with brown and shoes. Her bouquet, also crescent-shaped, was of frenched maroon carnations centered with brown cymbidium orchids.

The bride's mother wore a neckline corsage of Vanda orchids and a small cluster of the orchids at the gathering in her dress at the waist. Her dress was grey satin, while her hat and gloves were pink.

Mrs. Johnson, the bridegroom's mother, in black sheer, with white decorations and accessories wore a shoulder corsage of white anthuriums centered with a rubrum lily.

Howard J. Van Oosten, a medical student at the University was best man and Dr. Norman Koyall of New York City, and William Hanna of Muskegon, were the ushers.

A reception was held in the Green Room of the church immediately following the ceremony.

Mrs. A. J. Lonsway of Jackson, was a guest Sunday and Monday at the home of her son, Roscoe Lonsway, and family. Also a guest Sunday and Monday was Mr. Lonsway's sister, Miss Bertilla Lonsway, of Kalamazoo, and Mr. and Mrs. Herbert Maloney and daughter, Mary Therese of Jackson, spent the Fourth there.

TO BUILD NEW SCHOOL

Buchanan—To many Buchanan parents of grade school pupils it may yet seem too good to be true, but it is now practically assured that the town is to have a new school building affording some-where near the accommodations needed at a price that the community can pay.

The last obstacle was removed last Tuesday afternoon when the Buchanan school board totaled up the bids received for construction and equipment and found that the total of the lowest bids, submitted

by the Christman Construction company of South Bend for building, the Consolidated Plumbing & Heating company of Kalamazoo for that installation and the Stouffer-Frick company of Benton Harbor for electrical work to be well within the funds made available by the sale of the school bonds—Berrien County Record.

TWO HEADLINERS are better than one!

NO doubt about it—the tires on your car have a lot to do with its comfort, and the new oversize casings deserve all the headline play they're getting.

But if you like to take things easy as you drive, why be content with one such headliner, when Buick gives you riding comfort in a double dose?

For instance, every 1948 Buick rides on lower-than-usual air pres-

sures. That comes not only from the tire sizes, but from the fact that Buick wheels have the widest rims in the industry.

Wider rims increase tire air capacity. They also straighten sidewalls, giving them a braising action against side thrust and sway.

Result: Comfort plus control—a soft ride and surer handling—in every Buick in our '48 line.

On top of that, every Buick has a soft coil spring on each wheel to back up the cushioning action of the tires.

Each wheel is prepared to step over bumps as they come, front and

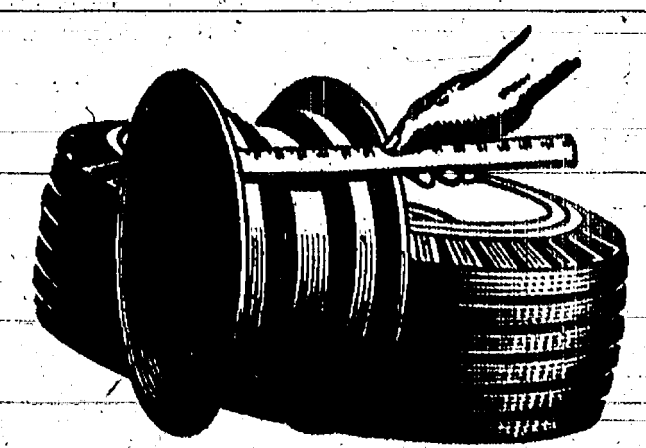

rear springs are precisely balanced with each other, and both front- and rear-seat passengers enjoy a level, jounce-free ride.

On such springing alone this sprightly fashion plate of '48 would be noted for its easy-going stride.

But we figure that two headline features are always better than one, so every Buick enjoys both gentler springing and lower-pressure tires.

Go try out a Buick and see for yourself what we mean. If you haven't done so already, you'll see your Buick dealer pronto, with or without a car to trade—and get a firm order in.

White sidewall tires, no 11000000, available at extra cost.

The Widest Rims in the Industry
Compare Buick rims with those on other cars of the same size and weight, and you'll find that Buick's are wider—why? Because wider rims increase air space and permit lower air pressures. They also give sidewalls an extra braising action that checks sway. The result is a softer ride, plus better car control.

Rural Tele-news

BLUE-RIBBON TELEPHONE—A certain telephone which looks like any other, but nevertheless bears an unseen mark of distinction, was installed a few weeks ago. It brought to 50,000 the number of additional telephones installed in rural areas by Michigan Bell since VJ Day. That's about as many telephones as there are in Lansing. Rural installations since VJ Day have averaged nearly 1,500 a month.

WEB OF WIRE—To bring telephone service to more folks in rural areas, Michigan Bell, since VJ Day, has strung 23,000 miles of wire and placed hundreds of miles of cable and buried wire. Large amounts of central office switching equipment have been required, and in some exchanges, new buildings or building additions.

ON SCHEDULE—Michigan Bell's rural expansion and improvement program is moving along right on schedule. Besides installing 50,000 more telephones in rural areas since VJ Day, we have reduced the number of parties and improved the ringing on many rural lines.

Our \$12,500,000 postwar rural construction program means more and better rural telephone service

MRS. ARNOLD DOBBERSTEIN

Miss A. Koengeter Is Married in Zion Lutheran Church

Zion Lutheran church at Rogers Corners, where members of the paternal side of the bride's family have been members of the congregation for four generations, was the scene, Saturday afternoon, of the wedding of Miss Arlene Laura Koengeter of Ann Arbor, formerly of Freedom township, and Ralph Arnold Dobberstein of Dayton, Ohio. The church was beautifully decorated for the service with white satin bows holding clusters of huckleberry greens and four large candelabras at the altar each having a bouquet of white lilies fastened to the standard. The candles were lighted a half-hour before the ceremony, adding much to the beauty of the setting as the guests were shown to their places by the ushers, James Dobberstein, brother of the bridegroom, and William McCall, a brother-in-law, both of Dayton, Ohio. Ervin Dobberstein of Dayton, another brother, was best man.

Rev. M. W. Brueckner, pastor of the church performed the double ring ceremony at 5:30 o'clock in the presence of one hundred and

twenty-five guests, many of them from Ohio.

Paul Barth of Columbus, Ohio, was the soloist and was accompanied on the organ by Mrs. Alton Gray as he sang, before the ceremony, "O Perfect Love," and "Because," and also during the rites, "Memento," "The Lord's Prayer."

The bride's gown of white satin had a yoke of inset lace with a matching lace peplum, long sleeves ending in points at the wrists and a hooped skirt extending into a short train, and was fastened down the back with a row of satin-covered buttons. A beaded, crown-shaped tiara held her fingers, and of fine net in place. Her cascade bouquet of white roses and delphinium was finished with ivy and flower streamers and white satin ribbon. In the center was a corsage of roses shading from white to cream. The pearls she wore were a gift from the bridegroom.

Miss Wilma Koengeter, in a gown of light green net over tulle, was her sister maid of honor. Fashioned with a hooped skirt with narrow green velvet ribbon bands around the bottom, the gown was finished with ruffles at the neck and the short sleeves. Miss Koengeter wore a matching hat and carried a modernistic style bouquet shading from pale pink at the edge to a center of deep pink double daisies.

The two bridesmaids were gown-ed in pale pink made exactly like the gown worn by the maid of honor. They wore matching pink hats and their bouquets were the reverse of Miss Koengeter's, their's being circled with deep pink and centered with pale pink. The bridesmaids were Mrs. Charles Long of Columbus, Ohio, roommate of the bride at Capital University for three years, and Miss Alice Scheunemann of South Lyon, a former classmate of the bride at Cleary Business College in Ypsilanti.

The maid of honor and the bridesmaids all wore rhinestone necklaces which were gifts the bride had presented to them.

Margaret Lou Frey, four-year-old second cousin of the bride, in white organdy made similar to the bride's gown, was flower girl. She wore a tiara of flowers in her hair and scattered flower petals in the path of the bride.

The ringbearer was a cousin of the bride, Moritz Ziegler of Dexter, who wore a white linen suit.

Following the ceremony, a reception for a hundred guests was held in the Henderson room of the Michigan League in Ann Arbor. Mrs. Reuben Lesser, aunt of the bride, presided at the punch bowl while Miss Mildred Frey, another cousin of the bride, assisted with the guest book.

The couple left after the reception for a trip through the Upper Peninsula and Wisconsin, Enroute, the new Mr. and Mrs. Dobberstein will spend a few days at the Ziegler cottage near Alpena. When they return the middle of the month they will reside at their apartment at 204 N. Ingalls street, in Ann Arbor.

For going away the bride wore a champagne linen suit with brown and white accessories and the corsage of roses from her bridal bouquet.

Both the bride's and bridegroom's mothers wore light blue, the bride's mother's corsage being pink and white mixed flowers, while the bridegroom's mother's was pink carnations.

The bride was a junior the past year at Capital University, Columbus, Ohio, where she is a member of Kappa Sigma Theta and sang in the chapel choir.

The bridegroom, a pre-medical school graduate at Capital University, plans to continue his studies at the University of Michigan. He spent three and one-half years in the Army Air Corps.

The bride's parents are Mr. and Mrs. Clarence Koengeter, who during the past year, moved from Freedom township to Ann Arbor. Mr. Dobberstein's parents are Mr. and Mrs. Adolph Dobberstein of Dayton, Ohio.
