

By Gene Allemen

Lucerne—"For quiet, restful week-ends away from the state capital, what we need is a place of our own up in the North Country," I said, pulling out a state highway map.

The Missus took a look.

"Use this patch of green," I pointed to the point. "It stretches from Kalkaska to Harrisville. It blankets the Ausable State Forest to the west and the Huron National Forest to the east. Here the North begins.

"Right in the center of this green, east to west, is the town of Lucerne, and just to the north is the Ausable river, famous for trout. Pines and hardwood. Lots of fresh air. No dust. No automobile traffic. Solitude day and night. Yes, that's the spot for us."

And so we signed a land lease with the Consumers Power company which owns much of the river land west from its Mio hydro-electric plant. That was four years ago.

Our war-time cabin fund had financed purchase in 1947 of a mobile cabin-on-wheels, a snug 19-foot house trailer. Since we spent occasional week-ends there, it had seemed a shame to fence in the 40 acres and to put up signs.

From the high bank is a commanding view of a scenic river bend. Three springs provide cold water in great abundance.

Verily, a dream place for a quiet week-end.

• We arrived late Friday in great anticipation.

Thirty minutes later an automobile from Pontiac pulled up to a birch grove west of the high banks. A tent soon appeared, and with it two men, a woman, a boy and a dog.

"We began camping at this spot for a year," enthused one of the men. "Beautiful view, ain't it?"

"Four more kindred souls seeking peace in the North Country," I surmised. "So I invited them to stay."

• Saturday morning, after I had finished cleaning up the rubbish left by deer hunters the winter before, two fly fishermen appeared in an ancient car. Where glass windows had once been, fly rods stuck out. Parking the car carefully at an angle, the men descended the bank carrying a basket filled with bottles and beer and there camped for the day.

By twilight the parade of automobiles, bringing more fishermen and sight-seers had worn a deep rut in the road by the trailer. The men closed the trailer windows. "Too much dust," she said.

"I'm not sure I heard her," the camper dog howled for a while. And someone had left a car radio going full blast.

• Then the fishermen with "rubber doughnuts" appeared. Laden down with creel and equipment, they descended the bank to the Ausable stream for a few minutes. Straddled inside the "doughnuts," they would float down to the Red Oak bridge, two miles downstream.

Our guests explained they "always" pushed off from this spot. Other tourists arrived with canoes or boats.

"Where can I put this boat in the river?" was the usual query. Like a traffic cop presiding over a busy street, I volunteered detailed instructions to each guest.

"Drive down the trail to the first bend. Park your car there. Carry the canoe down the footpath to the river's edge. A swell place."

• Across the river, down at the bend, two men were putting up a cabin. They had engaged the Indian Trail lodge on Kellogg road to furnish lumber. The easiest way to deliver it was by boat, ferrying the supplies across the stream under camp, and all with automobile horn signals and put-putting of a outboard motor.

Our Sunday morning included a fellow who took possession of a deep trout hole near the springs' outlet. Well, by actual count, more than 60 persons—men, women, children and pets—swarmed over our leased land in one week-end. Fly rods to the left. Canoes to the right.

Chelsea Independents Win over Milling Team in Feature Contest Sun. on Local Field

Grass Lake, Novi
Next Opponents for
Local Ball Players

By "BILL" SCHATZ

The two local teams tangled here Sunday afternoon, "The Independents" and "Chelsea Milling." The Independents lived up to pre-game dope, winning by 4-0.

Pouncing on the Miller's for 4 runs in the first inning and from then on they were never in any serious danger or trouble. The Miller's, however, were a scrappy gang, fighting back until their last man was out in the ninth.

McClanahan toiled on the mound until the seventh, when he was lifted for J. Miller. Miller carried on ably, protecting the 7-run lead.

Jack Miller slammed out a beautiful triple. Extra base hits seemed to be at a premium; the choking, stifling weather slowing up both teams.

"Dick" White started for the Milling team, allowing the Independents 8 runs. He was relieved by "Don" Alber, the Independents collecting 2 more runs off his offerings.

Gakin, catching for the Miller's, was robbed of a circuit clout when fleet-footed Andy Policht made a marvelous running catch of his power drive.

The Independents pulled one out on the sixth when they cut down an attempted double steal, turning it into a run-down double play.

Here is how the play worked. Catcher Marsh pre-arranged for an overthrow to short, Lefty Barth playing left field, cut over fast to get the ball on the first hop, pegging it back to the thrower who flipped it to short. Stanislav, who was down the player, threw to first, catching that man off, Louie Birch running him down. It's a nice play but dangerous to try too often.

The weather, well, that's another thing if you just wish to call it weather. I heard it called a lot of different names, but boys and girls it was hot and no shade.

Products Workers Accept Proposal, Return to Work

Employees at the Chelsea Products plant, members of the UAW-CIO Local No. 437, voted Wednesday morning to accept the firm's latest proposal and return to work Wednesday afternoon.

According to E. W. Eaton, vice-president of the company, terms of the new contract call for a straight wage increase of fifteen cents per hour plus three cents per hour holiday pay which will be distributed weekly with the regular payroll, making a total increase of eighteen cents per hour.

Julius L. Herman, chairman of the Negotiation Board of UAW-CIO Local No. 437, reported at noon Wednesday, at the close of a meeting of union members called to ratify the new contract, that terms were satisfactory to the Local and as many employees who knew of the settlement would return to work Wednesday afternoon.

All are expected to be back on the job this morning (Thursday).

The firm is at present employing a total of 88 workmen, who have been idle since June 28, when the strike was called.

Located just east of the Tom House residence on West Middle street, the building is to be of frame construction and will be painted white. Attractive landscaping is planned so that the building and grounds will be in keeping with the residential district in which it is located.

Automatic laundry service has been available to many city residents for some time past but Chelsea is one of the first of the smaller communities to try out such a plan.

Meeting recently at the home of Anton Nielsen, plans were made by the Community Fair association for a fair to be held on Oct. 15 and 16.

The following officers and directors were elected for the coming year: president, Anton Nielsen; vice-president, John Glick; treasurer, Carl Mayer; secretary, Barbara Riemschneider; Fair Superintendent, Marshall Richards; directors, Joe Merkel, Darwin Downer, Paul Niehaus, Harold Widmayer, Mrs. Stanley Seal, Raymond Schaefer, Mrs. Homer Stofer, Mrs. Louis Heeschewitz, Jack Bradbury, George Brettschneider, and Harold Sias.

Committee chairmen were appointed as follows: program, Paul Niehaus; finance, Carl Mayer; publicity, John Glick; agricultural exhibits, Anton Nielsen; commercial exhibits, Dr. F. E. Sharrard; hobby show, Dr. A. L. Brock; home-making exhibits, home-making teacher; concession, Keith Bradbury.

The Fair has not been held for several years because of the difficulty of getting enough help for the many activities involved. It is hoped everyone in the community will give all support to the effort being made this year, to help make the event a huge success.

Another meeting of Fair officers will be called some time in August, at a date to be announced later.

Chelsea's Junior Baseball Team in a game with Blissfield, Saturday, July 12, at Blissfield, won by a score of 22 to 7. The team's hitting power has been a little low so far. The boys, being tops at stealing bases, played an infield mat out in the fifth inning. In the third innings Arden Musbach hit a hard ball over right, bringing in two men and scoring the first home run. Stofer also hit a good ball over center field for a home run, bringing in Vogel to score.

Next game is with Monroe Saturday at Monroe.

Dr. Harvey G. Pearce will preach at the North Lake Methodist church, Sunday, July 18, at 11:30 a.m. Dr. Pearce preached at the First Methodist church, Ft. Meyers, Fla., from December to June, following the death of the pastor, Dr. Culepper.

Dr. and Mrs. Pearce will spend the summer months at Glenhaven, their home here. The pastor of the North Lake church, Rev. Dalton Bishop and family are vacationing in Canada.

Sunday school precedes the service at 10:30 a.m.

Planning To Open Automatic Laundry on West Middle St.

Ground was broken on Monday of this week for a new building, 20x20 feet square, which, when completed within the next month or six weeks, will house Chelsea's first automatic laundry service for use of the public. The business is to be owned and operated by Mrs. Alice Atkinson, who, for the past three years, has operated a mending, alteration and ironing shop in room in the Freeman building and later at her home. Through her work she has come in contact with many Chelsea people who desired laundry service and this gave her the idea for the new addition to her business.

Starting out with two complete automatic washers installed and more ordered for delivery as soon as available, Mrs. Atkinson plans to provide use of the washers on an appointment basis. Dryers will also be installed. A nominal fee per load is to be charged.

Mrs. Atkinson plans to continue her present service of ironing, mending and alteration in the new building.

The building is being put up by Conrad Schanz and his men on property purchased by Mrs. Atkinson's brother, Fred Schanz, of Detroit.

Located just east of the Tom House residence on West Middle street, the building is to be of frame construction and will be painted white. Attractive landscaping is planned so that the building and grounds will be in keeping with the residential district in which it is located.

REV. MATTHEW J. BETZ

New Supt. Installed at Meth. Home

Rev. Lord Takes up Pastorate of Church in Detroit

Rev. Matthew J. Betz is the new superintendent of the Chelsea Methodist Home, succeeding Rev. H. W. Lord, whose resignation, tendered in February, became effective after the regular Detroit Conference meeting in June.

Reverend and Mrs. Betz and one of their sons, Wayne, a student at the Detroit Business Institute, moved to their quarters on the Home grounds on Friday, July 2.

They have another son, Earl, who is present in serving as instructor and counselor at Camp Nissikoni, the YMCA camp near Owosso. In the fall he will return to his studies at George Williams college in Chicago, where he is specializing in studies pertaining to boys' work.

Reverend Betz was pastor of the Twenty-Fourth Street Methodist church in Detroit for 16 years prior to his appointment as superintendent of the Home here.

The Detroit church was his only pastorate in Michigan. He has held pastorates at Portsmouth, Columbus and Pomeroy, Ohio, and at Lawrenceburg and Mt. Vernon in Indiana.

Both Reverend and Mrs. Betz are natives of Michigan. He was raised in Grand Rapids and she at Holt.

Reverend Betz graduated from Baldwin-Wallace college, at Berea, Ohio, and was ordained as minister at Louisville, Ky. in 1912.

Mrs. Betz is a graduate of the Ingham County High school. She received her teacher's certificate at the Normal College at Ypsilanti and taught school before her marriage to Reverend Betz.

Reverend Lord, who became a familiar figure in Chelsea during the eight years he was superintendent of the Home, is now pastor of the Thoburn Methodist church in Detroit. He and Mrs. Lord moved to Detroit the first of this month to take over their new duties.

Miss Mabel Fox Reports on NEA Meet Held in Ohio

A four-pronged drive to raise the standards of public school education throughout the United States was made at the 86th annual meeting of the National Education association, according to Miss Mabel Fox, who has just returned from the convention attended by 2,700 delegates at Cleveland, Ohio. Higher standards for teachers and administrators, smaller class sizes, salaries adequate to attract and keep competent teachers, and better housing for schools are the goals laid down.

The Resolutions committee recommended a bachelor's degree as the minimum qualification for all teachers with an in-service education requirement for advancement to a master's degree or its equivalent; a halt to the issuance of emergency teaching certificates; reciprocity between states in such matters as certification and retirement; and minimum salaries with adequate annual increments which recognize the services and responsibilities of the teacher and compensate for thorough professional training, extended graduate study, and years of experience.

Miss Mabel Studebaker, biology teacher in Strong Vincent high school, Erie, Pa., and a former president of the Department of Classroom Teachers, was elected to the NEA presidency, succeeding Glenn E. Snow, head of Dixie Junior College, St. George, Utah.

Chelsea Kiwanians voted at Monday evening's regular meeting to hold an inter-club meeting with Dexter Club.

Featured highlight of the meeting will be when the two clubs field their softball teams.

Mr. and Mrs. George Haney had as their guests Friday, the last of the week, Mr. and Mrs. George Burgess of Parma.

On Sunday, Mr. and Mrs. Richards were honored with a family dinner given at the home of their daughter, Mrs. Rex Dorr, in Grass Lake.

Present for the dinner, in addition to the hostess and her daughter, Doris, were Mr. and Mrs. Forest Dorr of Detroit, Mr. and Mrs. Duane Dorr, Mr. and Mrs. I. L. Klumpp, Mrs. Mollie Hoppe, Mrs. James Cadwell, John Weber and Mrs. Agnes Runciman.

A feature of the dinner was a beautifully decorated anniversary cake.

Mrs. Richards is the former Carrie Weber, daughter of pioneer Sylvan township residents, Christian and Christina Kalmbach Weber. She was born in a log-house on what is now the Oscar Kalmbach farm, on May 27, 1870. Her parents spent sixty-two years of married life together and their fifteenth wedding anniversary celebrated in the Salem Grove community.

Mr. Richards, whose parents were Frederick E. and Isabelle Runciman Richards, was born Nov. 26, 1864, on a farm east of the old James Runciman place on what is now called McClure road, near Mill Lake.

Mr. and Mrs. Richards were married July 13, 1888, in the parsonage of the Waterloo United Brethren church by Reverend Whitaker. They were immediately to the farm home of Mr. Richards' parents, on Loveland road, where they lived until about a year ago when, because of Mrs. Richards' ill-health, they moved to the home of her sister, Mrs. Helen Guthrie on West Middle street. Mrs. Richards' health is now somewhat improved. Mr. Richards is quite well but has to use crutches or canes when he walks.

The couple had three daughters, all of whom are living, Mrs. Dorr of Grass Lake, Mrs. Earl Beahan of Phoenix, Ariz., and Mrs. Irwin L. Klumpp of Chelsea, who has been employed in the Chelsea office of the Michigan Bell Telephone company for many years.

Reverend and Mrs. Dorr of Detroit, Doris Elaine Dorr of Grass Lake, De Forest Dorr of Detroit, and Duane Dorr, now living on the Richards farm.

Mrs. Richards has two sisters, Mrs. Mollie Hoppe and Mrs. Guthrie, and two brothers, Henry Weber of Whitmore Lake, and John Weber of Sylvan township. Another sister, Mrs. Nora Alber, died a number of years ago.

Mr. Richards had two sisters, Mrs. James Cadwell, who lives at Francisco and attended the celebration, and Mrs. Alice Angell of Columbus, Ohio, who died some time ago.

The Standard joins the many friends of Mr. and Mrs. Richards in extending congratulations and wishes to them on the completion of sixty years of wedded life together.

SALEM GROVE WSCS

The July meeting of the WSCS
of Salem Grove Methodist church
was held at the home of Mrs. Eva
Bohne, at Francisco, on Wednes-
day afternoon, July 7.

With the president, Mrs. George
Heydaufr, in charge, the meeting
was opened with a prayer by Mrs.
Philip Riemenschneider and the
hymn, "Near To The Heart Of
God."

Following the usual regular
business, plans were discussed for
the seminar which is to be held at
the church, July 23. This is to be
an all-day meeting.

Plans were discussed and com-
pleted for the sixtieth wedding an-
niversary of Mr. and Mrs. James
Richards, which was held at the
church on Tuesday evening of this
week. It was decided to serve a
light pot-luck lunch and everyone
in the community was to be in-
vited.

The devotional service was in
charge of Mrs. Oscar Kaimbach,
and included the hymn, "I Need
Thee Every Hour."

The lesson for the day was pre-
sented by Mrs. Truman Lehman,
the topic being, "Church In Pol-
and." Appropriate Scripture from
the 88th chapter of Isaiah, verses
9 to 12, was read by Mrs. Lehman.

This was followed by a report
of the WSCS meeting at Confer-
ence in Detroit, given by Mrs. T.
G. Riemenschneider and Mrs. En-
gel Quilatt and then the meeting
was closed by repeating the Lord's
Prayer in unison.

The next meeting is to be held
at the home of Mrs. Max Hoppe.

Mich. Divorce Rate Shows Slight Decline

Michigan's nine-year upsurge in divorces apparently has stopped, according to figures released today by the Michigan Department of Health.
Divorces in the state dropped from 29,158 in 1946 to 21,336 in 1947, but still one divorce was recorded for every three marriages.
While Michigan's 26 per cent decrease in divorces was the same as that for the nation, the state's 1947 rate of six divorces for every 1,000 population is nevertheless double the national average of three divorces per 1,000 population.
Both Michigan and the nation as a whole saw a ten per cent decline in marriages in 1947. Michigan marriages declined from their all-time 1946 peak of 79,808 to 71,819 in 1947.

THANK YOU

I wish by this means to express my sincere thanks to my relatives and friends, who so thoughtfully remembered me with cards, flowers and gifts while I was at the hospital and since my return home.

Attend Reception Held in Ypsilanti

Mrs. Edmund K. Miller, Sr., Mrs. Edmund K. Miller, Jr., and Mrs. Garnet Weir attended a reception given at the Gilbert House in Ypsilanti, from two until four o'clock on Sunday, by Mr. and Mrs. George Wheelock in honor of their son and daughter-in-law, Mr. and Mrs. Russell Wheelock, who were married July 6 in Angola, Ind.

The bride is the former Patricia Pepper, of Ypsilanti.

The bridegroom's parents are both former Chelsea residents, Mrs. Wheelock being the former Delight Krontz, a sister of Mrs. Garnet Weir, while Mr. Wheelock is the senior Miller's brother.

A three-tiered wedding cake, topped with a miniature bride and groom, centered the refreshment table. The cake was cut by Mrs. Beatrice Wolter, of Ypsilanti, and was served by Mrs. Marie Hill and Mrs. Ed. Frymuth, both of Ypsilanti. Mrs. Warren Wheelock and Mrs. Garnet Weir poured.

Guests were present from Morristown, Wayne, Ann Arbor, Jackson, Detroit and Chelsea.

The young couple was presented with many lovely gifts.

Edmund K. Miller, Sr., joined his wife and daughter-in-law at the home of Mr. and Mrs. George Wheelock Sunday evening after the reception and they accompanied him home.

MRS. ELLIS PRATT, the former Miss Doris Trinkle before her marriage Saturday evening in St. John's church, Rogers Corners, is shown above with her husband, Ellis Pratt, at the reception which followed the ceremony.

BAUER-ROH REUNION

Carl Mast of Dexter, was re-elected president of the Bauer-Roh reunion at the annual reunion held Sunday, July 11, at Dexter-Huron County park, with 99 members of the family in attendance.

Also re-elected for the coming year were Walter Bauer of Albion, vice president, and Mrs. "Kari" Guenther of Redford, secretary and treasurer.

After the one o'clock pot-luck dinner, the afternoon was spent in gathering information from those present for the completion of a family tree history.

Those from Chelsea who attended the reunion were Mrs. Christina Nicolai and her son Paul. They were accompanied by Mr. and Mrs. Clarence Nicolai of Grass Lake, and Mr. and Mrs. Will Roh of Hastings, who remained here for a two-day visit with relatives.

This was the 39th annual reunion of the family.

KOENIGTER REUNION

The annual Koengeter family reunion was held Sunday, July 11, at the Dexter-Huron County park. Among the 50 members of the family present were some from Indiana, New York City, Detroit, Ann Arbor, Chelsea and Dexter.

After the pot-luck dinner served at one o'clock, a program of games and contests for the different age groups was enjoyed and many prizes were awarded.

The committee in charge of the arrangements for this year's reunion included Mr. and Mrs. Max Ziegler of Dexter, Mr. and Mrs. Clarence Koengeter of Ann Arbor, and Mr. and Mrs. Wilbert Koengeter of Chelsea.

Mrs. Herbert Howell and daughter, Karen, of Kalamazoo, spent several days last week at the home of her parents, Mr. and Mrs. Fred Seitz.

Miss Doris Trinkle, Ellis Pratt, Married in St. John's Church

In St. John's Evangelical and Reformed church at Rogers Corners, before the altar decorated for the occasion with baskets of white gladioli and yellow carnations, tall, seven-branched candelabras trimmed with bouquets of white gladioli and huckleberry greens tied with white satin ribbon, Miss Doris Trinkle became the bride of Ellis Pratt, of Manchester, at seven o'clock Saturday evening.

The double-ring ceremony was performed by Rev. John Fontana, pastor of the church, in the presence of one hundred and fifty guests. Fewer where the guests were seated by the ushers, Robert Pratt, of Manchester, brother of the bridegroom, and Robert Trinkle, brother of the bride, were marked with white satin bows and clusters of baby-breath. The choir loft was banked with garden flowers, completing a lovely setting for the service.

Preceding the bride was the maid of honor, Miss Jeanette Fry, of Manchester, in a turquoise gown of organza fashioned with a drop-shoulder neckline, puffed sleeves and a fitted waistline section finished with a peplum at the hipline, and having a long, full skirt. Her bouquet was a colonial arrangement of pink roses and satin ribbon streamers.

Ruth Ann Trinkle, the bride's sister, also preceded her down the aisle. Acting as flower girl, she was dressed in a floor-length, yellow dotted swiss gown. She carried a hand-crocheted white basket trimmed in yellow, which the bride's mother had made. She wore a matching band of satin ribbon in her hair, fastened at either side with a rose.

The bride's gown was of white silk chiffon, having long, fitted sleeves finished in pointed outline at the wrists. A laced neplum was attached along the hipline at the sides and back. The bodice was

finished with lace to give an off-the-shoulder effect. A tiera of orange blossoms held her fingertip veil in place and she carried a white, tatting-trimmed handkerchief which was a gift from her aunt. She also carried a white Bible, a gift from her mother. The Bible was topped with an arrangement of white roses and narrow white satin streamers in which were knotted small white baby roses. To complete her costume the bride wore a rhinestone necklace and bracelet, a gift from the bridegroom.

James Pratt, of Manchester, was best man for his brother.

Arthur Cathy, of Manchester, as soloist, accompanied on the organ by Miss Hildegard Fontana, sang "The Lord's Prayer," "Because," and "Oh, Promise Me."

At the reception held at the church after the ceremony, Mrs. Herbert Hinderer cut the wedding cake, the Misses Elsie Hinderer and Virginia Esch, of Manchester, and Janis Weir and Joyce Eise-man assisted with the serving, and Miss Marion Homing, of Manchester, poured. Miss Maxine Tirth, of Manchester, registered the guests in the guest book.

After a week's trip in northern Michigan the new Mr. and Mrs. Pratt will be at home at 20414 Pleasant Lake road. For going away the bride wore a navy blue gabardine suit with navy and white accessories and a corsage of white roses.

HAVE YOU ORDERED YOUR TWINE?

INTERNATIONAL BALER TWINE

We wish there were indications of a near-normal supply of McCormick-Deering Binder Twine and International Baler Twine for 1948, but it doesn't look that way.

The situation this year, just as in the past several years, will be unsettled due to the shortage of fibers used in manufacture of twine.

We urge all of our customers who need binder twine and baler twine to order from us at once.

Fine Imposed for False Application on Gas Tax Refund

Secretary of State, F. M. Alger, Jr., was advised today that Dr. C. T. Lowers of Chicago, who was charged by the Department with making a false application for refund of gasoline tax was fined \$400.00 and costs of \$100.00 by Judge E. A. Westin in circuit court at St. Joseph, on June 21.

Lowers, who owns a farm near St. Joseph, was accused by the Gasoline Tax division of the Department of State of using the gasoline for highway purposes instead of for farm work as he had claimed in an application for refund of tax.

Routine investigation of the Lowers claim by E. J. Dickerson, Department of State field investigator, disclosed information leading to the conviction.

The Department of State, after investigation of claims, refunds approximately \$3,000,000 of highway funds annually, 70 per cent of which is for gasoline used on farms. To protect state highway funds Mr. Alger has insisted on a thorough checking of claims. In 1947 this activity resulted in a saving to the state of more than \$300,000.

MICHIGAN MIRROR

(Continued from page one)

It suddenly dawned on us that a lot of other folks had traveled to the spacious North Country, too, in quest of solitude and relaxation. It also dawned on us that we were vastly outnumbered—a good 80 to 1—as to enjoyment of this popular Ausable camping and fishing spot. The place fairly shouted: "Don't fence me in!"

Well, we don't intend to. Who are we to dispose so many people of their pleasure? Anyhow, we're too tired!
