

Chelsea Independents Defeat Brighton To Close Perfect Season, Take Division Title

Boast 18 Victories at End of Highly Successful Schedule

By BILL SCHATZ

Knocking off Brighton Sunday afternoon, 7 to 3, before a record crowd of fans, gave the Chelsea Independents the "Tri-County" Championship.

"Hank" Green, Brighton's ace pitcher, lost his effectiveness when the booming bats of the Independents began their barrage of hits. Brighton scored first, an unearned run to be tied for by Chelsea. The Independents scored again, making it 2 to 1. Then developed a fine pitchers' duel, Big B. McClanahan bearing down on each delivery and retiring the gang from "The House of Dougherty" in order.

Then came the break. Chelsea started the fireworks and when the skies had cleared, we had tied five more counts, and that was enough for Mr. Green. During this flare of safeties, Mr. Miller connected for the longest hit of the day, a boisterous triple in deep left center. This ball was really tagged boys and girls; really tagged. Exit Green, enter Voigt.

Voigt gave the Independents considerable trouble, using a somewhat freakish delivery for his knuckle ball which does a nice daisy doodle, but we had all the runs we needed, seven.

McClanahan was lifted in the seventh. Mr. Miller taking over the mound duties. Mac had pitched beautiful ball, but felt himself tiring. So Manager Marsh sent Mr. Miller in to pitch.

It was a fine decision as Mr. Miller continued to handout the boys from the "House of Dougherty."

Playing fine inspired ball, turning in many a brilliant fielding gem, it is hard to put your finger on any one or two outstanding plays, but I believe the flying one-hand grab of a hard hit ball, labeled for two bases, by Bill Beeman and the shoe string catch of fleet footed Bob Barth, were two of the best.

By the way, Bill's fast recovery of a ball that had dribbled by first base and his race to the runner to throw him out at home. As you know, Bill plays second base, but had backed up that play, and grabbed the ball, beating the runner by a scant eye lash.

Amateur Show To Be Sponsored by Kiwanis Club

Following the regular weekly Kiwanis meeting Monday evening, Dr. P. E. Sharrard, club president, called a directors' meeting at which time it was decided to sponsor an Amateur Show again this fall, probably during the last week in October.

Proceeds of the show are to be used to finance the annual Kiwanis sponsored "Kiddies" Halloween party.

Substantial prizes are to be offered for the winners in the various classes of competition of the show.

Committees are to be named soon to take charge of all arrangements.

The body of Staff-Sergeant Robert W. Devorak arrived in Chelsea at 6:13 a.m., Saturday, accompanied by Staff-Sergeant Thomas, who was with him until the funeral services Monday. Staff-Sergeant Ashbaugh's home is at Frederick, South Dakota, and he is stationed at Chicago. This was his first assignment as military escort for returned servicemen who lost their lives during World War II.

Staff-Sergeant Devorak is the only casualty of World War II among the membership of St. Mary's church, where the funeral services were held at 10 a.m. Monday, with Father Lee Laige officiating.

A large delegation of members of the service organizations of the community and the firing squad composed of members of the VFW Post and the American Legion Post marched in the funeral procession to Mt. Olivet cemetery where military rites were conducted and burial took place.

All business places in Chelsea were closed from ten until eleven o'clock while the services were being held, and flags in the community were flown at half-mast.

Staff-Sergeant Devorak lost his life as the result of wounds received in action during the invasion of the Philippines on Dec. 11, 1944. He died on Leyte two days later, on Dec. 13. His mother, Mrs. Anna Walsh Devorak, at that time employed in Manchester, was advised of his death by the War Department on January 29, 1945.

At the time of his induction into the U. S. Army on July 23, 1942, he was employed at the Packard Motor Car Co. in Detroit.

A 1931 graduate of St. Mary's High school, Staff-Sergeant Devorak had been a resident of Chelsea since he was two years old, coming here in 1916 from Chicago after the death of his father, John Devorak. He was born in Chicago, Dec. 19, 1913.

Sent overseas to Australia in 1943, he served in New Guinea and as a member of the Red Arrow Division took part in the Buna-Saidar, Hollandia, Morotai and Dutch East Indies invasions before being fatally wounded during the invasion of the Philippines.

Staff-Sergeant Devorak was awarded the Silver Star and the Purple Heart.

Surviving, in addition to his mother, is a brother, John Devorak, of Chelsea.

AMENDMENTS—NOV. 2 If you want to school to thrive, Vote "No" on Five And "Yes" on Two. adv.

Grade PTA Meeting Held Last Wed. Eve

Explanation Heard of Amendments Appearing on Ballot

Fifty-one parents and teachers attended the first regular Grade School PTA meeting of the Fall season which was held in the High school last Wednesday evening.

Miss Nina Belle Wurster presented an interesting talk on the "Growth and Development of Chelsea from 1850 to 1900."

Supt. Albert C. Johnson explained two proposed legislative changes which will appear on the November ballot. Amendment II is a proposed repeal of diversion of sales tax funds which Supt. Johnson said "has about two-thirds of our local school support comes from the state, it is vital that this source of revenue be protected."

Amendment V is legislation designed to permit school districts to bond themselves for periods of up to 20 years instead of being limited to five years as at present. Supt. Johnson stated that because of the rapidly rising birth rate, building facilities are urgently needed throughout the state, and Chelsea is no exception. The ordinary small community, Supt. Johnson pointed out, cannot pay for a school building in five years; therefore, longer financing periods are desired. The proposal also places excess millage appropriation under the control of a simple majority rather than two-thirds of the voters as at present.

A committee made up of the following persons was appointed to work with other groups in promoting interest in the two amendments affecting the school situation: Mrs. Lawton Steger, Mrs. Donald Fogg, Mrs. Walter Schradler, Mrs. Hugh Geddes, Robert Wagner, W. C. Kurtz, James Nutt, and Carl Mayer.

Room representatives were appointed as follows: kindergarten, Mrs. John Clark; first grade, Mrs. Donald Fogg; second grade, Mrs. Olen Hart and Mrs. Mac Packard; third grade, Mrs. Merle Barr; fourth grade, Mrs. Red Balmer; fifth grade, Mrs. Olive Weir; sixth grade, Mrs. Robert Lantia.

The October PTA meeting will sponsor free movies and light refreshments on Friday evening, Oct. 23, at the High School, and their parents, are invited to attend.

Congregationalists Hold Family Night Tonight in Remodeled Church Basement

The first event to be held in the newly-remodeled basement of the Congregational church is the Family Night which takes place tonight (Thursday) beginning with a ham supper prepared by the ladies of the church.

The basement dining room has been made more spacious by the removal of the large foundation posts. These have been replaced by reinforced steel supports which take up only a fraction of the space needed for the old foundation posts. The dining room is finished in yellow, giving it a bright, cheery appearance.

However, while the newly-arranged and renovated dining room is a source of much satisfaction to members of the congregation, the special pride and joy of the women members of the church is the beautiful, modern kitchen with its new, modern equipment. A special feature of the kitchen, entirely new in Chelsea, is the double sink unit and counter space placed in the very center of the room. The unit is composed of two complete double-basin sinks and counters, placed back-to-back. Ladies of the church who washed dishes there Tuesday prior to arranging them in the newly-finished cupboards, were enthusiastically over the ease and efficiency with which the task was accomplished.

Honored on 50th Wedding Anniversary

Mr. and Mrs. Schuyler P. Foster celebrated their Golden Wedding anniversary at their home here Wednesday, Sept. 15. Because Mrs. Foster had been feeling rather poorly no special plans were made beforehand for the celebration. However, on Wednesday evening a few relatives and friends dropped in to congratulate the Fosters. A social hour was enjoyed and ice-cream and cake was served.

Present at the gathering were Mrs. Eva Cummings and Mr. Foster's sisters, Mrs. Gertrude Hammond and Miss Lillian Foster, all of whom attended the wedding fifty years ago.

The Fosters were married Sept. 15, 1898, at the home of Mr. Foster's mother and step-father, Mr. and Mrs. Cyrus Updike. The officiating clergyman was Rev. John Holmes, pastor of the Congregational church. Mrs. Foster was formerly Ella Craig and had a milliner shop in Chelsea for several years.

Mr. Foster taught school in the rural schools of this area before becoming a rural mail carrier, which position he held for many years.

Mr. and Mrs. Foster are members of the Chelsea Methodist church and of the Western Washington Farmers' club.

They have two daughters, Miss Laura Foster, a teacher in the Wyandotte schools, and Mrs. Doris Foster Walling, of Grosse Pointe Farms, and two grandchildren, Robert and Janet Walling. A son, Wales Craig, died in 1918 at the age of fourteen years.

A family celebration had been tentatively planned for Sunday, but because the daughter, Laura, was suffering from a severe cold it was decided to postpone the event.

C. of C. Plans Community Park Project

Meeting in the Municipal building Tuesday evening for the first Fall gathering the Chelsea Chamber of Commerce discussed ways and means of developing the Village park grounds on South Main street. Land for this park development was recently acquired from Miss Alma Pierce and possession was turned over to the Village Council for use as a park site. The Chamber purchased two acres and Miss Pierce contributed two more acres with the stipulation that the grounds be developed for a park to be known as Place-Memorial Park.

In the belief that work should be started on clearing undergrowth and brush from the area this Fall so that intensive development may proceed early next Spring, the Chamber is sponsoring a community-wide bee to be held Thursday afternoon, Oct. 7. Since this will be a community park all able-bodied men are being given the opportunity in this way to contribute as much time and effort on the project as they can possibly spare. Work will begin at noon, with the closing of the stores, and continue through the afternoon and evening.

A committee composed of Walter Harper, A. D. Mayer and Dave Knickerbocker was appointed to arrange details of the event.

Fred Schaff, new owner of Ely Dairy Bar, was introduced at the meeting.

Next month's meeting will be held at 7 p.m. in the Municipal building with Fire Prevention as the topic. A representative of the State Fire department will be present, as well as supervisors and farmers from the surrounding townships who are interested in helping the Chelsea Fire department to arrange a better method of fire protection for Chelsea and surrounding rural area.

E. S. Conroy, a representative of Business Engineering Associates, Detroit, was present to present a movie which had been produced by a member of the Communist party in the United States, as admitted before Congressional investigating committees during the past few weeks, and which is being shown at the present time throughout the Electrical Workers union in this country. After the movie Mr. Conroy pointed out some of the more glaring errors of fact or distorted information, which is in this case, being used for agitation among members of this particular union, according to Mr. Conroy.

Mr. Conroy has had a long background of investigating subversive activities and Communist workings in this country and was presenting this film to show just one example of what must in his opinion be brought out into the open.

WESTERN WASHTEWAW FARMERS' CLUB The Western Washetaw Farmers' club met at the farm home of Mr. and Mrs. Earl J. Smith on the Dexter-Pinckney road, Friday evening, Sept. 17.

Very fine way was served by the month's committee, Mrs. Charles Clayton, Mr. and Mrs. Henry Musbach and Mr. and Mrs. Herbert Rank.

Schuyler Foster, vice-president of the club, presided at the meeting and the program was in charge of Mrs. Lina Whitaker.

Roll call was answered with short anecdotes of interesting vacation experiences and then Rev. E. O. Davis gave a very entertaining review of the book, "The Lamp-lighter" by Rabbi Jacob Tarasch.

Mr. and Mrs. Patrick Brouil recently moved to 675 W. Middle street, from Detroit. Mrs. Brouil was the former Margaret Corey, daughter of Mr. and Mrs. William Corey, former residents of Chelsea.

Deer Seen Here . . . Mr. and Mrs. Donald Wals, on their way to Ann Arbor at 3:30 a.m. Sunday to deliver papers, were forced to stop their car to allow a deer to cross the road. The animal, a young doe, was encountered on Old US-12, near the Wiseman farm and was startled by the car and its occupants as Mr. and Mrs. Wals were to see the deer in this part of the state.

With this first win under their belts, tomorrow night, the Bulldogs open their league schedule, as they meet Romulus under the lights at 8:00 p.m. at Romulus. Let's have a big crowd there to back them.

See you at game time!

Chelsea made nine first downs to Dexter's six, and completed five out of eight passes, while Dexter connected for seven out of twelve, and had one intercepted. It was as close a game as the score indicates and while not being in the least spectacular, it was very hard fought.

A Church Spire at Sunset
Grace Noll Crowell

ABOVE the city street a church's spire
Is climbing its bright ladder to the sky.
The steeple's slates glow red, its tip is fire.
A single burning finger there, and high
Above that peak a flying white dove swings,
A scarlet light upon its lifted wings.

These are God's emblems, and they call to men
Above the darkening shadows of the street,
beckoning to them, bidding them hope again,
Bidding them stay a moment their swift feet,
Calling to them to lift their eyes, and there,
Seeing that pointing finger, breathe a prayer,
And the white bird flying heavenward bids them cease.
The clamor of their hearts and find His peace.

Miss Lois Jane Hollis Becomes Bride of Ellis Carleton Boyce

Miss Lois Jane Hollis of Detroit, and Ellis Carleton Boyce, son of Mrs. Floyd S. Boyce and the late Floyd S. Boyce of Chelsea, were married at two o'clock Saturday afternoon, Sept. 18, at Westlawn Methodist church in Detroit, with Rev. Benj. F. Holme performing the double-ring ceremony.
Twenty-eight lighted candles, together with cydium ferns and palms formed an effective background for the large, white floral arrangements at either side of the altar.

Mrs. Joseph Hogan of Detroit, accompanied on the organ by Mrs. Alice Holstein of Detroit, sang "Because" and "O Perfect Love," before the ceremony.
The bride, daughter of Mr. and Mrs. Bertram T. Hollis of Detroit, was given in marriage by her father.

Her gown, of ivory-white satin, was finished with a three-yard train extending from the full, gathered skirt. The bodice of the gown was made with a sweetheart neckline and she wore a necklace of pearls which was a gift from the bridegroom. Her fingertip veil was held in place with a matching satin headpiece finished at either side with a cluster of flowers. Her flowers were white roses and daisies arranged in a loose colonial bouquet.

Miss Mary Mannie of Detroit, as maid of honor, was gowned in bright cerise taffeta made with a full skirt accented with a bustle. The fitted bodice was finished with wide bands of net forming a yoke with a square neckline. A floral headpiece and cerise taffeta gauntlets completed her costume and a bouquet of rubrum lilies and cerise-colored gladioli.

Miss Eleanor Jeffery of Detroit, as bridesmaid, was in deeper toned cerise taffeta with a high net neckline but otherwise similar to the gown worn by the maid of honor as was her bouquet and headpiece. Her gauntlets matched her gown.

Daniel Angell of Ann Arbor, a cousin of the bride, was flower girl and was dressed in a floor-length pale green taffeta gown with a fitted bodice having a sweetheart neckline and puffed sleeves, and a full skirt caught up at the bottom to show the ruffles on her underskirt. She carried a basket of pink pompons and wore a matching floral headpiece.

Stan LaSavage of Redford, the bridegroom's brother-in-law, was best man, while Paul Boyce of Dundee, the bridegroom's cousin, and Frederick E. Hollis and Kenneth S. Hollis, both of Detroit, and both brothers of the bride, were the ushers.

After the ceremony, a reception for two hundred guests was held in the church parlors and later a buffet dinner was served at the home of the bride's parents for members of the bridal party. Hostesses for the dinner were the bride's mother, the bridegroom's mother and the bride's aunt, Mrs. August C. Schlueter of St. Louis, Mo.

Miss Ruth Luckhardt, daughter of Mr. and Mrs. Otto Luckhardt of 20440 Sager road, became the bride of Arlo Seitz, son of Mr. and Mrs. David Seitz of Ann Arbor, in a double ring ceremony performed at seven o'clock Saturday evening in St. Paul's Evangelical and Reformed church in Saline, by the pastor of the church, Rev. Alvin Siemsen.

The Luckhardt family formerly resided at Saline and moved last spring to the Sager road address. The wedding date chosen by the young couple was the twenty-fifth wedding anniversary of the bridegroom's parents.
A reception was held after the ceremony in the church dining room for 150 guests. Assisting at the reception were Mrs. Lydia Zahn of Freedom township, Mrs. Clarence Werner of near Ann Arbor, Mrs. Norwin Raus of Saline, and the following cousins of the bride: Mrs. Erwin Haab, Mrs. Alfred Dieterle, Mrs. Alton Wahl, Mrs. Elsie Pratt of Manchester, Miss Irene Grob and Miss Gertrude Larnee of Ann Arbor, and the Misses Viola, Arlene and Irene Luckhardt of Freedom township. Mrs. Robert Roos of Ann Arbor, was in charge of the guest book and Mrs. Alton Grau cut the wedding cake.

The bride was gowned in ivory allover satin, fashioned with a fitted bodice having a yoke of illusion with a high round neckline and a full skirt ending in a long train. Her fingertip-length veil was held in place with a headpiece of orange blossoms and her bouquet was of white chrysanthemums and pompons. She wore a single strand pearl necklace which was a gift from the bridegroom.

Mrs. John Marshall of Ann Arbor, the bride's sister, was matron of honor, and the bridegroom's sister, Mrs. Florence Vogel of Ann Arbor, was the bridesmaid. They wore gowns of blue and pink, respectively, and carried yellow chrysanthemum bouquets. They both wore matching flowers in their hair.

Barbara Marshall of Ann Arbor, the bride's niece, was flower girl. Dressed in a floor-length white gown and wearing white ribbons in her hair she carried a basket of rose petals.

Walter Root of Ann Arbor assisted the bridegroom as best man, while Carl Luckhardt, brother of the bride, and Martin Seitz, Jr. of Ann Arbor, a cousin of the bridegroom, were the ushers.

The couple will live in Ann Arbor upon returning from a ten-day trip to Niagara Falls and other eastern points.
Both the bride and bridegroom are employees of Edwards Brothers in Ann Arbor.
Pre-wedding showers for the bride were given at the home of Mrs. David Wahl of Saline, and Mrs. Ernest Finch of Milan. Both hostesses are aunts of the bride.

CHAT 'N' SEAU
Thirteen members were present for the September meeting of the Chat 'N' Seau held Tuesday evening at the home of Mrs. Veal Whipple with Mrs. Ben Widmayer as co-hostess.

During the business meeting it was voted to have a fluorescent light installed over the sink in the upstairs room used to prepare refreshments for serving in the church parlors.
Guessing games were the evening's entertainment with prizes being awarded to Mrs. Tushingham, Mrs. Elmer Lindemann, Mrs. E. K. Musbach and Mrs. Charles Williams.

Refreshments were served by the two hostesses and it was announced that the next meeting is to be held at the home of Mrs. E. K. Musbach, on South Main street.

Counting Fish
Most important thing to remember in cooking fish is that it is often overcooked. Just enough cooking to enable the fish to be served easily from the bones will leave the fish moist and tender and bring out its delicate flavor.

From where I sit... by Joe Marsh

Nicest Compliment I've Had

One of the nicest comments I've received about this column was from an editor in the Middle West. He called on. And while I don't like to give myself a credit, I think it illustrates a point.

"Joe," he said, "it so happens I don't agree with everything you say, but I always like to run your column. Because it gets down to earth and talks about the right to disagree. And it only asks for tolerance towards the other person's point of view."

He went on to explain, by way

of illustration, that he never had happened to have a taste for ale or beer. But that when I spoke of the right to enjoy a moderate beverage like beer, well, he was right there with me!

And from where I sit, that's the important thing: not whether you share another person's tastes or point of view—but whether you recognize his right to exercise a free choice in a free land.

MSC President Expresses Optimism
About German Future after Study-Tour

East Lansing.—An optimistic
picture of the conditions in the
western sector of Germany was
presented by Dr. John A. Hannah,
president of Michigan State col-
lege, on his return from a six-
weeks study-tour of Europe re-
cently.

Dr. Hannah flew to Germany on
the invitation of top U. S. military
government officials, with whom he
conferred on matters of education,
agriculture, and agricultural edu-
cation plans for Germany. During
his stay, Dr. Hannah met with
Gen. Lucius Clay, military com-
mander of the U. S. Zone of Oc-
cupation; General George P. Hays,
deputy commander; Dr. Milton
Mueller, director of the U. S. di-
vision of educational and cultural
relations; and many other U. S.
and German officials.

The MSC president reported the
crop situation in Germany, and
all of Europe, as good. He added
that Germany's farm production
had reached the pre-war level, al-
though this only provides 60 per
cent of the necessary food prod-
ucts. Dr. Hannah also pointed out
that although many basic items
are still strictly rationed, the Ger-
man people are getting plenty of
food.

"The morale of the German peo-
ple is at its highest peak since the
end of the war," Dr. Hannah said.
This he attributed to the fact that
the Germans have sufficient food,
a sound national currency, and con-
fidence in the British and Ameri-
can governments.

Dr. Hannah said he felt certain
that the Germans are convinced
that living under the Americans
and British is much more desir-
able than it would be under the Rus-
sians. He opined, too, that the
land blockade of Berlin would be
lifted soon "now that the Ameri-
cans and British have definitely

proved they can heat the blockade
with the air lift."

"U. S. education officials hope to
establish a public school system in
Germany which will guarantee
seven years of free education for
all citizens," Dr. Hannah said. He
added that it was planned to re-
build the University of Gessen,
which was 80 per cent destroyed
during the war, into a land-grant
college much on the order of the
American colleges. These educa-
tional proposals and others, the
MSC president said, are part of a
concentrated program which was
begun by the U. S. military gov-
ernment June 1.

Building Permits . . .

During the period Aug. 28 to
Sept. 8, building permits were is-
sued by the Division of Building
Inspection, Ann Arbor, for new
constructions in the county total-
ing \$15,500.

These permits included a \$2,500
cottage, issued to Seward Oliver,

ations for which permits were is-
sued during this same period was
\$8,725.

NEW COURSES

RED CROSS—One of the two
new courses being taught this year
is the Red Cross course. The in-
structor is Mrs. Parker. This
course is being taught just the
first semester during the fourth
hour, with one-half credit being
given for it. There are approxi-
mately 25 students enrolled. Some
of the various fields that will be
covered are bandaging, traffic and
various types of accidents, and
how to care for the sick.

ART—The other one of the two
new courses being offered this
year to CHS students is Art. It
opens to all ninth through twelfth
grade students, and it gives one
full academic credit for two se-
mesters' work. Those participating
in the course are very much
pleased with it since the instructor,
Mr. Fisher, informed the class
that there would not be any tests,
with the exception of a final exami-
nation, and also, the only home-
work would be drawing in their
sketch books at random. So far,
the class has been learning human
proportions and has been making
sketches in pencil and charcoal
from live models, the members of
the class doing the posing. They
plan on also doing some animal
life sketches, finger painting, water
colors, landscapes, providing the
weather permits, stenciling, clay
molding, and various other ele-
mentary art studies. The course
should be very helpful to those
artistically inclined, and those in-
terested in art. Who knows, maybe
a promising Picasso or da Vinci
will be the result.

PEP MEETING

There was a very different and
unusual pep meeting held last Fri-
day. (My! how did you ever think
of the clever idea of cheers and
talks. Congratulations Seniors!)
It would be nice to say that it
got off to a rip-roaring start. There
were two cheers, but—After this
the new coach, Mr. Magiera, gave
a brief talk and the starting line-
up. Then there was a big thrill.
"Cannon Ball" Joseph was called
upon. Another cheer was given
and this time it was no better!
(What's happening to the school
spirit?)

Dave "Knuck" the captain, then
gave a speech which was followed
by one from Mr. Cameron. A cheer
then followed. (This time it was a
little better.)
Marcelline Hinderer happened to
be in school, so for old time's sake
she played the school song to close
the pep meeting.

MILAN SCHOOL BAND

"Milan—Milan's high school band,
66 strong, in their new uniforms,
made a public appearance at the
Michigan State fair Sunday. There
were five bands invited to this spe-
cial day: Warren, Jonesville, Lan-
sing Eastern, Milan, and Sylvania,
Ohio.
Under the direction of Mr. Mc-
Culloch, the band not only made
a fine appearance but showed con-
siderable musicianship—the con-
clusion of their concert—the
board member from Monroe coun-
ty, presented a trophy, which was
received by Peggy Brainard. It is
a valuable addition to the well
filled case at the local school—
The Milan Leader.

Hunters Reminded of Trespassing Act as Season Approaches

Lansing—When the southern Michigan hunter goes out for deer in the state's first buckshot season Nov. 15-30, he must remember the Horton Trespass act.

Each farmer may decide for himself whether his lands will be open to deer hunting, the conservation department points out.

The department adds, however, that approximately 125,000 acres of state-owned lands in the counties open to shotgun deer hunting will be available for public hunting this fall. This includes more than 74,000 acres in state game areas and wildlife experiment stations and the balance in state recreation areas.

Each hunter must have written permission to hunt on privately-owned farms or adjacent woodlots, or enclosed hunting club lands, according to provisions of the Horton act. The law specifies a fine of not less than \$10 or more than \$50 or 30 days' confinement for a first offense and a fine of not more than \$100 plus a mandatory jail sentence of 30 days for subsequent offenses.

Philip Skentelbury of Marquette, is spending several days here with his parents, Rev. and Mrs. W. H. Skentelbury, having arrived Tuesday evening.

BASEBALL

(Continued from page one)

Leon Marsh, catching, did his usual fine job on the receiving end, the same as he has done all year. Stan Koneski played a bang-up game at third as did "Fire Chief" Stan Policht at short.

Manager Marsh, before the game, said, "Boys, this is it! Don't go out there and blow it. Stay with every pitch. We are better than they are. Now, so go get 'em." That was it, folks.

We point with pride and I say a lot of pride, to an undefeated record this year. Champions of the Eastern Division and Champs of "The Tri-County Baseball Association." Eighteen (18) straight wins. What a fine record for your home town gang, "Chelsea Independents," for myself, the manager and all the players. We thank you, our loyal fans, for your wonderful support and lusty cheers. We owe a lot of our success to your presence in the stands. That's all folks until next year.

was unable to provide full service to all of its customers for only 17 days.

"Members of the commission sense an obligation, as representatives of the people, to do everything possible to assure adequate service by our public utilities. The consequences of our failure to do this would be costly, indeed."

When the commission does announce its findings on pending cases for higher utility rates, you may be sure that these three men all appointees of Governor Kim Sigler—believe the rates to be the lowest consistent with good service.

The history of the utility commission has not been favorable to public interests. The average commissioner has held office for only three years. Salaries have not been always attractive to high-caliber business men. Appointments have been political, as toward for political support, in too many instances.

The commission gets little publicity. Yet, its work affects everyone.

That's the picture of the Michigan Public Service commission in September, 1943.

Counties Will Receive Payment on Loan for Road Maintenance

Lansing—Highway Commissioner Charles M. Ziegler reports that vouchers have been prepared and will be submitted to the Auditor General for payment of \$1,250,000 of Highway department funds to the 83 counties of the state.

Under this payment Washenaw county will receive \$19,547.50, and Jackson county \$19,873.75.

The money represents the second payment of the \$5,000,000 total loan made to the counties as provided in Public Act No. 60 of the special session of the Legislature held early this year. It is to be used only for county road maintenance and construction purposes.

Distribution of the fund, as authorized by the Legislature, is being made in four equal payments, beginning last July 1. The money is allocated for road purposes in direct proportion to each county's percentage of the total mileage of roads taken over by the county road commissions. It amounts to approximately \$58 for each mile of county road.

The money is to be repaid by the counties from additional revenues, if any, received by them from increased gasoline or weight taxes.

THANK YOU

To all my relatives, neighbors and friends who have been so kind and thoughtful and have done so many things for me since I have been confined at home, I wish by this means to express my heartfelt thanks and appreciation. I also wish to thank the Women's Guild of St. Paul's church and the members of the U. K. club for the boxes of fruit and all who remembered me with cards and other gifts.

Mrs. Christina Nicolai.

THANKS!

I want to thank all my good neighbors and friends for the many nice things they have done for me since I became ill, and for the beautiful flowers and plant I received; also the ladies of St. Mary's Altar Society for their lovely card and the Mass and prayers offered for my recovery.

Elizabeth Geraghty.

CARD OF THANKS

I wish in this way to thank my friends, neighbors and relatives for the kindnesses shown me and for the gifts brought to me during my stay in the hospital.

Wilfred Hadley.
