

PARK SITE CLEAN-UP BEE SET FOR TODAY

Roosevelt High Smothered by Improved Bulldog Squad; Open Home Schedule Friday

Milan Seeks Win in First of Four Home Games for '48

By DWIGHT GADD

Chelsea's Bulldogs bounced back from the decisive defeat handed them at Romulus last week to completely smother Ypsilanti's Roosevelt High, 15-0, at Briggs Stadium in Ypsilanti, last Friday afternoon.

Coach Magiera's outfit looked much better in this last game than at any time yet. The defense permitted Roosevelt only one first down, while the Bulldogs ground out twelve as their pass protection and downfield blocking began to click.

Chelsea took the opening kickoff and in just ten plays marched 70 yards to pay dirt with Stan Knickerbocker racing around right end from the three-yard marker to score. George Heydlauff converted and the Bulldogs led 7-0 midway of the first quarter.

During the rest of the first period, and for most of the second, neither team could get started on attack, and it was strictly a punting contest between Chelsea's Lane and Roosevelt's Wolford and Arnet.

Late in the second period Chelsea got a safety on quite an odd play. A high pass from center got away from Benson, Roosevelt left half, and as he chased it goalward from his own 26, everytime he'd stoop over trying to pick up the ball, he'd kick it further towards the goal. Finally, he kicked it completely through the end zone and the officials awarded a safety to Chelsea, to make their lead 9-0 at the half.

After the half both teams had a few running plays, but the penalties were frequent. Neither team threatened at any time during the third period nor in the first half of the fourth, until Chelsea struck from far out for the last score of the game.

Taking over the ball on their own 31-yard line after a Roosevelt punt, the Bulldogs ripped to the roughriders' 41 in just four plays, and then, on a crossback which went around left end, cut along the sideline, and went all the way to score, standing up Heydlauff's kick for the extra point was wide to the right, but it didn't matter, for with less than two minutes to go the Bulldogs led 15-0, and that's the way the game ended.

Both teams threw six passes and completed three, but Roosevelt had two of their throws intercepted and Chelsea had one. The first downs were 12 to 1 in the Bulldogs' favor, and that just about tells the one-sided story.

Tomorrow night's home schedule as open their Milan, one of the current leaders in the league. Last year Chelsea upset them 14-12, so tomorrow night's game promises to be quite a scrap. Let's start the home season with a huge crowd.

See you at game time!

Police Seize 37 in Gambling Raid on Chelsea Farm

A twenty-five man raiding party consisting of sheriff's deputies and Ann Arbor and state police officers arrested 37 men Sunday afternoon after they were allegedly playing poker, slot machines and roulette wheel on a farm about two miles east of Chelsea on Trinkle road operated by Norman Nash.

The men were arraigned in Municipal court in Ann Arbor Monday afternoon before Judge Jay H. Payne on charges ranging from occupying a place where gambling was permitted to frequenting a gambling place. Thirty-three of the men were ordered released under \$500 bonds for appearance for trial beginning Oct. 22; three, Norman Nash, Andrew Sinclair, of Ann Arbor, and Richard Clark of Saline, were released on bonds of \$500 each to appear for trial Oct. 22.

Ann Arbor, had his bond set at \$100 and is to appear for trial Oct. 22 on a charge of wilfully less than \$50.

None of the men arrested in the raid, with the exception of Nash, were local people, some being from Saline, Detroit and other points and the rest from Ann Arbor.

The Ann Arbor aerie of the Fraternal Order of Eagles was brought into the picture because of tickets, picked up at the scene of the raid, which advertised the affair as a stag party called "Eagles-Down-On-The-Farm." Officers of the Eagles in Ann Arbor, it was reported, said they had no knowledge of the party. It was alleged that the party was sponsored by members of the lodge drill team and not by the lodge itself.

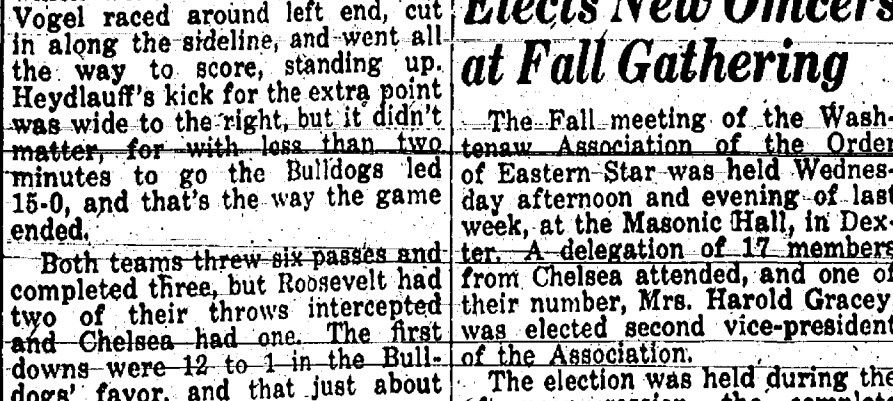

It is possible there will be a combined trial, if attorneys for the defendants agree on such procedure.

Spring Must Not Be Far Away Now!

On Saturday, Charles Rabley cut down an old apple tree on his property on East street recently purchased from Miss Levens Spicer. The tree was in the way where it was because Mr. Rabley plans to put up a garage on the spot the tree had occupied. So far, this was no unusual procedure. What made it unusual was the fact that the tree had quite a number of blossoms on it in addition to the ripe apples. Mrs. Rabley picked some of the blossoms for a very unusual October bouquet.

Monday afternoon Mrs. Ed. Burton came into the Standard office wearing a sprig of spirea blossoms on her coat. She had picked the sprig from a bush at her home at 415 McKinley street. Spirea normally blooms only early in the spring and a bush blooming late in the fall is a very unusual occurrence.

With this week, Oct. 3-9, designated as National Fire Prevention Week, Chelsea residents should be interested in a short history of their own fire-fighting and volunteer firemen consisting of 17 active members, including Fire Chief Howard Brooks, a member of the department since 1899, and Assistant Fire Chief Thomas Young.

Ed. Gentner and Ed. Chandler, both now retired, were members of Chelsea's fire department for many years.

Active members now on the list, in addition to Brooks and Young, are: George Atkinson, Kenneth Schanz, Floyd Gentner, Ted Balmor, Joe Wright, James Gaken, Reuben Hieber, Herbert Roy, Melvin Lesser, Waldemar Grossman, Claude Spiegelberg, Don Alber, Howard Wain, Roland Spaulding and Frank Reid.

"With the Graham-Paige 1928 Chevrolet engine, now kept only for use within the village, and the 1943 Chevrolet pumper used in the village and on country fires, the department is now much better equipped than in the early years of the century which Howard Brooks remembers vividly."

When he joined the fire department in 1899, a hand-drawn hook and ladder wagon, equipped with an extension ladder, a roof ladder and a single ladder, together with pike poles and 32 rubber buckets, was purchased to replace the former bucket brigade.

"This new and modern" equipment was stored in an old corner Howard built-in building behind the Town Hall.

There were 30 men on the squad, part of a company drilled here in expectation of being called into military service during the Spanish-American war. When the war was over, in 1898, and the company had not been called up, a number of the men joined the fire squad. At that time each man on the squad who responded to a fire alarm was paid fifty cents.

The fire alarm, in those days, was sounded by ringing the bell in the Town Hall belfry.

Several years later, a hand-operated two-chemical wagon was purchased and when an alarm was sounded the several horse-drawn drays in the village responded as quickly as possible, the first one arriving getting the job (and the pay) for hauling the hand-operated equipment to the scene of the fire.

Ed. Chandler, Theodore Bahmiller, and John Kelly are some of the men who were draymen here at that time.

In the 1900's the department began drawing water for fire fighting from the waterworks which was supplied by several small wells on North Main street. Equipment at this time was kept in a barn on the Dr. McGeigan property adjoining the McKim property on Main street and the

The Chelsea Study Club is planning another of its semi-annual sales which heretofore have been called "Rummage Sales." In the future it is planned to call this project the "Thrifty Shop." The fall sale is to take place on Tuesday and Wednesday, Oct. 19 and 20, at the Sylvan Town Hall. All donations for the sale are to be brought to the Town Hall on Monday afternoon, Oct. 12.

Proceeds from these sales are one of the main sources of income for the club's work which includes its charity work at home, the Christmas boxes for shut-ins and the support of two French children, in addition to donations for all worthy causes in the community.

Anyone in the community who has household articles, dishes, glassware, used clothing or shoes they care to contribute to the sale may rest assured they are contributing to a very worthwhile project. Any articles not sold during the two-day sale will be looked over by Mr. and Mrs. Ken Wain, who, with his family, is now living in Hattenheim, Germany, where he is stationed. He has given the Walworths a list of articles of clothing desperately needed by war victims there.

Mr. and Mrs. Walworth check all leftover items and sort out what they know can be used to help these overseas people. These articles are then packed and shipped directly to the Walworths, son, who sees that they are distributed.

His home is near a convent and articles sent by the club from recent sales were given to the nuns there to distribute among needy children. Children's shoes are especially desirable items.

Any articles left over after the overseas packages are made up are turned over to the Goodwill Industries who salvage and make use of everything given them.

Any clothing donated should be clean and mended.

Former Resident Dies at Home in Mason

Chelsea relatives have received word of the death of Ellsworth Fletcher of Mason, who was born in Lima township and lived here until moving to Mason some years ago. He was a son of Thomas and Clara Jewett Fletcher.

Mr. Fletcher died Monday and funeral services were held at the Jewett Funeral Home in Mason, yesterday afternoon at 2 o'clock.

Survivors in addition to his wife are a son Chester, and two daughters, the former Gladys Fletcher and Miss Florence Fletcher; also two grandchildren and a brother and sister, Alton Fletcher of Stockbridge, and Mrs. Ralph Pierce of Williamston.

Committee Named to Publicize Proposals Appearing on Ballot

A "Support Our Schools" committee has been formed in order to clarify and bring before the people two of the amendments affecting our schools which will be voted on at the November general election. The motto of the committee is: "If you want our schools to thrive, Vote 'No' on two and 'Yes' on five."

The first meeting was held Sept. 30 at 8 p.m. in the Agriculture room at the High school. The following people attended: Mr. and Mrs. Robert Lantis, H. T. Moore, Mrs. Robert Wagner, Miss Mabel Fox, Mrs. Lawton Steger, Mrs. Donald Fogg, Fred Brownie, Mrs. Richard Riemenschneider and Supt. Johnson.

Supt. Johnson presided, at which time Mrs. Wagner was appointed chairman with Mrs. Donald Fogg and Mrs. Riemenschneider as assistants. Plans were made to contact all local organizations for help of some sort in reaching as many people as possible to explain the reasoning and importance of voting on the two amendments.

A second meeting was held Monday, Oct. 4, to continue the plans. Representatives from all of the various services and social organizations are invited and welcome to attend, according to Mrs. Wagner, committee chairman.

On Monday at the meeting of the Board of Education, the Board passed a resolution supporting a negative action on proposal No. 2 and a positive action on proposal No. 5.

Kiwanians Reminded of 'Clean-Up Bee'

Following the dinner at the Kiwanis club meeting Monday evening two movies were shown by Al Gieske, the first being a description of post-war Czechoslovakia, where reconstruction was well underway until Russian domination of the country in February, 1948, put a halt to the work.

The second movie was called "Talent Exploit at the National Music Festival at Interlochen." Members were reminded to plan to help with the Pierce Memorial Park "Clean-Up Bee" which is to take place today (Thursday).

Howard Congdon of Ypsilanti, who spent two weeks here with his aunt, Miss Alma Pierce, returned to his home Sunday afternoon.

Community Fair Location Is Changed

Will Be Held on Grounds of Chelsea Impl. Co.

Preparations for the Chelsea Community Fair to be held Friday and Saturday, Oct. 15-16, are gathering momentum as the opening day approaches.

The Fair board has, because of the unexpectedly large numbers of entries already received, had to change locations for the show to the grounds of the Chelsea Implement company on M-92, one-half mile south of the village limits. Official plans called for the exhibits to be set up on the Public School grounds, but with the new location the Board feels they can better accommodate as many tents as may be necessary to house the growing list of exhibits.

Entries in all classifications are showing signs of exceeding expectations, with an outstandingly large number of entries in the livestock division.

In addition to the many prizes which will be awarded contestants, there is a variety of entertainment planned for everyone, being topped off with a big free show with professional talent being held at the Chelsea Agricultural School auditorium Saturday evening, Oct. 16, at 8 p.m. The same show, which admits to the fair exhibition grounds permits the holder to attend this show. Added entertainment features will be two horse pulling contests and a tractor driving contest.

Exhibit entry blanks may be obtained from officers and committee chairmen, or by contacting Antton Nielsen, Fair manager, at 122 Jackson street. All entries for livestock exhibits must be filed with the Fair Board members no later than Saturday, October 9. All other entries must be filed no later than Thursday, Oct. 14.

A complete and detailed premium list and rules and regulations governing exhibits will be found on page two of this issue of The Standard.

Washtenaw OES Elects New Officers at Fall Gathering

The Fall meeting of the Washtenaw Association of the Order of Eastern Stars was held Wednesday afternoon and evening of last week, at the Masonic Hall, in Dexter. A delegation of 17 members from Chelsea attended, and one of their number, Mrs. Harold Gracey, was elected second vice-president of the Association.

The election was held during the afternoon session, the complete list of officers being as follows: Pauline Essick of Saline, president; George Johnson of Manchester, first vice-president; Mary Ann Gracey of Chelsea, second vice-president; Margaret DeVoe of Ypsilanti, chaplain; and Margaret Bucy of Dexter, secretary and treasurer.

Installation of the new officers took place during the evening session with Etha Jeffries of Adrian, associate grand matron, and Ruth Rash of Ann Arbor, retiring president, acting as the installing officers.

Dinner was served at St. Andrew's church in Dexter, by the ladies of the church.

Chelsea people who attended the meeting were Helen Leggett, Janis Van Riper, Alene Steinbach, Helen Baxter, Hazel Wacker, Esther Lucht, Esther Belton, Leora Noll, Lydia Bonnet, Mary Ormsby, Mary Gracey, Mr. and Mrs. Clive Weir and Mrs. Clinton Collyer and Doris Smith.

St. Paul Ladies Guild Will Act as Hostess to Neighbor Group

Friday afternoon the Women's Guilds of three neighboring churches are to be guests of the Women's Guild of St. Paul's church at the regular October meeting of the local Guild. Guilds of Bethel church in Freedom township, St. John's church in Farmington, and St. John's church at Rogers Corners have been invited to attend the meeting, as well as the pastors of the churches, with their wives.

Mrs. V. J. Bartell of Detroit, first vice-president of the National Women's Guild of the Evangelical and Reformed Church, is to be the guest speaker. Mrs. Bartell is one of two Michigan women on the committee of ten women named to act on the committee working on the merger of the Congregational Christian and Evangelical Reformed women's groups as part of the merger of both church bodies. The other Michigan woman on the committee is Miss Frances Dunnette of Grand Rapids, former state president of the Congregational church women's groups.

All women of the church and their guests are invited to the meeting.

Program leaders for this meeting are Mrs. Paul Schaible and Mrs. Harold Widmayer. Mrs. Albert Ashfall will be the devotional service leader.

SEES DEER

While on her way to work at 8:15 a.m. on Monday, Mrs. Donovan Sweeney was surprised to see two deer jump a fence on the east side of the Chelsea-Manchester road and cross the road in front of her car. The deer, both does, jumped another fence into a field on the Elmer Mayer farm on the west side of the road.

RUMMAGE SALE

The Chelsea Study Club will hold a Rummage Sale at the Sylvan Town Hall, Tuesday and Wednesday, Oct. 19-20.

Every Able-Bodied Man Is Urged To Volunteer Services in Helping Establish Park

Volunteer workers at the "Clean-Up Bee" which begins at 1 p.m. today at the Pierce Memorial park site on South Main street are to be supplied not only with refreshments of coffee and doughnuts served right on the grounds, but are also going to have the privilege of listening to the World Series baseball game over a public address system provided by Al Gieske.

The clean-up project, sponsored by a Chelsea Chamber of Commerce committee, will continue through the afternoon and will dark. Volunteers have been lined up to come out and help get the park site cleared of brush and weeds at this time to facilitate preparations for its use next spring.

As stores will be closed this afternoon, according to custom on Thursdays, workers from businesses are expected to be on hand when the undertaking gets underway at one o'clock.

Men who work until 3:30 or 4 o'clock and later, are urged to grab a shovel or an axe and come out at that time to put in as much time as they can before dark.

Workers who may have brush hooks, shovels, axes or axes, are asked to bring them along as they will be needed in the work which must be done if Chelsea is to realize its long-dreamed-of park. The more men there are on hand the quicker and easier the job will be for all this sort should bring out a good share of the male population of the village to do their share toward making it possible for Chelsea to have a public park of its own. The location is one which is easily accessible for everyone in the community and, when fully developed, will be a fine addition to a thriving and continually growing village. This park will stand as another lasting example of a healthy community spirit with everyone working together for its realization.

Chelsea Study Club Will Hold Annual Rummage Sale

The Chelsea Study Club is planning another of its semi-annual sales which heretofore have been called "Rummage Sales." In the future it is planned to call this project the "Thrifty Shop." Pick-up Service, Office Established by R. R. Express

Because the 10:17 a.m. west-bound New York Central train, which served the express office at the depot, has been discontinued, the Railway Express Agency at the depot has been discontinued also and express service of the company between Detroit and Jackson is now handled by truck since Friday, Sept. 29.

Ed Miller is the agent here and his place of business will be the main office for Chelsea and the surrounding community. He will take calls for express pick-ups in the village and will handle "on hand shipments" when arrangements have been made with the customer and the Railway Express company.

Express packages will be delivered within the village at no extra cost, but packages for rural destinations will be left at the main office for pick-up by the address-sees.

The truck makes two trips daily, except Sunday, between Detroit and Jackson, and serves Dexter, Chelsea and Grass Lake, according to an announcement of the change made by J. E. Dunn, route agent connected with the Detroit office of the company.

The truck stops in Chelsea for pick-ups at 11:00 a.m. and at 3:00 p.m. each day except Sunday.

Public Schools Will Close Friday, Oct. 15

Because of the number of activities taking place Friday, Oct. 15, all schools in the Chelsea Agricultural School district will be closed on that date.

The judging and display of exhibits for the Community Fair will be held during the day in addition to the opening of the hunting season at noon, and the football game at University High in the afternoon.

Mr. and Mrs. Lingane will spend some time here with the Rows before returning south for the winter.

Mr. and Mrs. Wayne Wiseman of Detroit, were weekend guests at the home of Mrs. M. J. Baxter.

Notice is hereby given that in conformity with the Michigan Election Law, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the names of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth day before any regular, special or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Absent Law.)

Notice is hereby given that I will be at my home on Steinbach road, RED Dexter, any day and on Wednesday, October 13, 1948 — Last Day, The Twentieth day preceding said Election

as provided by Sec. 3, Chapter 3, Part II, P. A. 306, 1926 and Sec. 1, Chapter 3, Part II, P. A. 1939, Act 31, P. A. 1941, and Act 291, P. A. 1945.

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Electors Unable To Make Personal Application, Procedure.

SEC. 16. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths

and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Registration of Electors Required: Registration on Election Day, Identification of Elector

SEC. 17. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote; but the name of a qualified elector may be registered on the day of any election or primary election up to 4 p.m. of said day: PROVIDED, That he shall, under oath, state that he is a resident of such precinct, is at least 21 years of age and has resided in the State for at least 6 months and in the Township or City 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself, or of some member of his family, or owing to his absence from the Township or City on public or private business, and without intent to avoid or delay his registration, he was unable to make application for registration. And days set for such registration: PROVIDED FURTHER, That he or she is accompanied and identified by a registered voter known to a member of the election board: PROVIDED FURTHER, That the Board of Supervisors of any County may by resolution duly adopted suspend the registration of electors on primary and election days and such registrations shall not be taken in such County thereafter on primary and election days unless and until

the Board of Supervisors rescinds its action in connection therewith.

Transfer of Registration: Application, Time

SEC. 19. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the 20 days next preceding any election or primary election, provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided 20 days next preceding any election or primary election.

Transfer of Registration on Election Day

SEC. 20. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for

that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with

respect thereto in order to be eligible to vote. When the resident house numbers of any section of a Township, City or Village have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made by the Clerk or upon election day upon proper showing.

Norman Schmidts Honored on Silver Wedding Anniversary

Mr. and Mrs. Norman Schmidts celebrated their silver wedding anniversary on Sunday with a renewal of their wedding vows at a reception in the church hall.

The service in the church, at four o'clock in the afternoon, was preceded by appropriate organ music played by Mrs. Carl Mayer, and included the selection, "Just A Wearyin' For You," in a beautiful adaptation making use of the chimes.

Before the ceremony, Mrs. John Oesterle sang Louise E. Stairs' "O Perfect Love," and during the service, sang the "Lord's Prayer" by Malotte.

White gladioli and chrysanthemums were effectively arranged in the tall vases at either side of the altar and, together with the tall seven-branched candelabras bearing lighted white candles, made a lovely setting for the couple and their son and two daughters, Richard, Elaine and Eleanor, who were their parents' attendants.

Rev. P. H. Grabowski, who married the couple at the parsonage twenty-five years ago on Oct. 6, 1923, officiated at the service Sunday.

Mr. and Mrs. Howard Walz, who were the attendants at the original wedding, were guests at Sunday's service and reception.

At the reception which followed the service, Mrs. Schmidts' sister, Mrs. Harvey Earl of Royal Oak, poured, while Mr. Schmidts' sister, Miss Freda Schmidt, of Bridgeport, Conn., cut the three-tiered anniversary cake which was beautifully decorated in silver and white.

The table from which the refreshments were served was centered with a low arrangement of white chrysanthemums and asters in a silver bowl flanked by lighted silver candles in silver holders.

Assisting at the refreshment table were two cousins of Mrs. Schmidts, Mrs. Charles Norton of Ypsilanti, and Mrs. Walter Leneberg of Dexter.

Another cousin, Mrs. Robert Hawkins of Grass Lake, was in charge of the guest-book at a small table on which was placed a bouquet of asters in beautiful shades of red, blue and purple.

About seventy-five guests were present at the service and reception, coming from Bridgeport, Conn., Jackson, St. Johns, Ypsilanti, Ann Arbor, Okemos, Saline, Mason Royal Oak, Detroit, Dexter, Grass Lake and Chelsea.

The honored couple was presented with many lovely gifts of silver.

Mrs. Crowell Eddy of National City, Calif., who is visiting Michigan relatives and friends, spent Monday at the home of Warren and Miss Bertha Spaulding. Mrs. Eddy is the former Florence Killam, daughter of pioneer residents here. During her visit, friends here learned for the first time of the death last April of her brother, Alvin Killam, of Idaho, formerly of this vicinity.

Honored at Shower

Miss Virginia Liebeck, an October bride-to-be, was guest of honor at a miscellaneous shower given by the Misses Dorothy Eisenman, Marie and Bernadine Wheeler at the Wheeler home last Thursday evening.

Harr at her home in Waterloo. The wedding rehearsal took place at the Unadilla Presbyterian church following the supper.

Lansing Girl Becomes Bride of Richard Hummel

A wedding of interest to Chelsea friends of the bridegroom, took place Saturday morning, Oct. 2, at St. John the Baptist Catholic church at Hubbardston, when Miss Florence Ann O'Brien, of Lansing, became the bride of Richard D. Hummel, also of Lansing, but formerly a Chelsea resident.

The officiating clergyman was Father James E. O'Brien, pastor of St. James Parish, in Ferndale, an uncle of the bride.

The bride is the daughter of Mrs. Patrick O'Brien and the late Mr. O'Brien, of Hubbardston. Mr. Hummel is the son of the late Walter Hummel, former Chelsea resident, and Mrs. Walter Hummel, now a resident of Chicago.

For her wedding the bride chose a white satin gown which was made with a hoop skirt caught up with rosettes at intervals around the bottom revealing rows of lace. The bodice was finished with a lace-edged, marquisette yolk. She wore a veil of illusion, of fingertip length, which was held in place with a headpiece of beaded orange blossoms and her colonial bouquet was of white gladioli.

The bride's only attendant was her sister, Miss Patricia O'Brien, of Lansing. Her gown of light aqua color, was made like the bride's except that the underskirt was finished with ruffles of self-material instead of lace. Her bouquet, also colonial style, was of pastel pink gladioli.

James H. Kain of Lansing, was best man, and Robert L. McMillan of Hubbardston, and William L. Drennon of Lansing, were the ushers.

Following the ceremony a reception was held at the home of the bride's mother, where breakfast was served to the bridal party and the immediate families of the bride and bridegroom, and a buffet luncheon was served to one hundred guests.

For going away, the bride wore a brown gabardine suit with beige and green accessories.

After October 11, Mr. and Mrs. Hummel will be at home at 488 North Butler Boulevard, Lansing. The bride is a graduate of St. Lawrence School of Nursing, at Lansing, while Mr. Hummel is a graduate of the University of Detroit. He served about three years in the Medical Corps and was overseas for more than a year. He has made his home during several stays in Chelsea with Dr. and Mrs. A. L. Brock.

Those from Chelsea who attended the wedding were Dr. and Mrs. Brock and Mrs. John Hummel and her daughters, Virginia and Rosemary.

LIMA CENTER HOME EXT. An afternoon business meeting of the Lima Center Home Extension.

along Group was held Thursday, Sept. 30, at the home of Mrs. Walter Brunninger, with 18 members present. Delicious refreshments were served after the business session and it was announced that the monthly meeting is to be held in Ann Arbor at the Ann Arbor High school Thursday afternoon (today).

From where I sit... by Joe Marsh

Get The Truth!

Called on my good friend "Cappy" Miller, who edits the County Bee, the other day. And hanging up on the wall of Cappy's office is this slogan for his paper:

"Remember there are two sides to every question. Get both sides. Be truthful."

A good slogan... not just for a newspaper—for people, too. Because there'll always be two sides to every question: the side of those who vote one way, and those who vote another—the side of those who enjoy a temperate beverage

like beer or ale, and of those who swear by nothing but cider. And from where I sit, once you've got both sides—and faced them truthfully, you realize that these differences of opinion are a precious part of what we call Democracy—the right of the individual to vote as he believes, to speak his mind, to choose his own beverage of moderation, whether beer or cider.

School will be closed today and tomorrow.

The Milan football team will play here tomorrow night at 8:00 o'clock. This will be the first home game.

The Parent's Club of Riemen-schneider school will hold its meeting at the school tomorrow evening at 7:30 o'clock.

Bus drivers will attend the bus drivers' meeting at the General Motors building at Pontiac tomorrow.

The Community Fair will be held on Friday and Saturday, Oct. 15 and 16.

GROWING PAINS
"Mr. Fischer," shrieked a voice quivering with excitement, "look

at this drawing, will you please?" An arrogant, staid, budding artist conspicuously displayed his sketch with a flourish.

"Fine!" exclaimed the art instructor in an equally ardent expression. "That's the best sketch I've ever seen drawn by a student!"

"But, Mr. Fischer, this is the mill we were sketching, not the hay-stack," objected the grave little artist with a frog in his throat.

"Oh! so it is. So it is," assured the art director seriously. Such clever and witty retorts as this, prominent during the first few sessions of the newly introduced art course, have been decidedly on the decrease. Under the instruction of Mr. Fischer, pupils marvously become mills and hay-stacks become hay-stacks.

SENIOR DOINGS
The Senior Class wishes to thank the people of Chelsea and the surrounding community for their fine co-operation in the magazine campaign. They exceeded their quota, \$2,000.00, by collecting

the sum of \$2,807.55. Again the Seniors thank everyone. The Seniors hope to have coffee for sale at the next home game. If it is successful, coffee will be sold at all home football games. They are going to have their usual wares at the Community Fair, too.

The importance of fire drills is being stressed at Chelsea High school. It is very important that everyone cooperates during these drills. In case of a fire, your life and the lives of others are endangered if you do not obey fire drill instructions which are posted on every bulletin board. Everyone should know them.

The pupils of this school have done very well in previous fire drills. At a fire drill held Oct. 6, the building was cleared in one minute and twenty seconds. The success of future fire drills will depend upon the cooperation received from the student body.

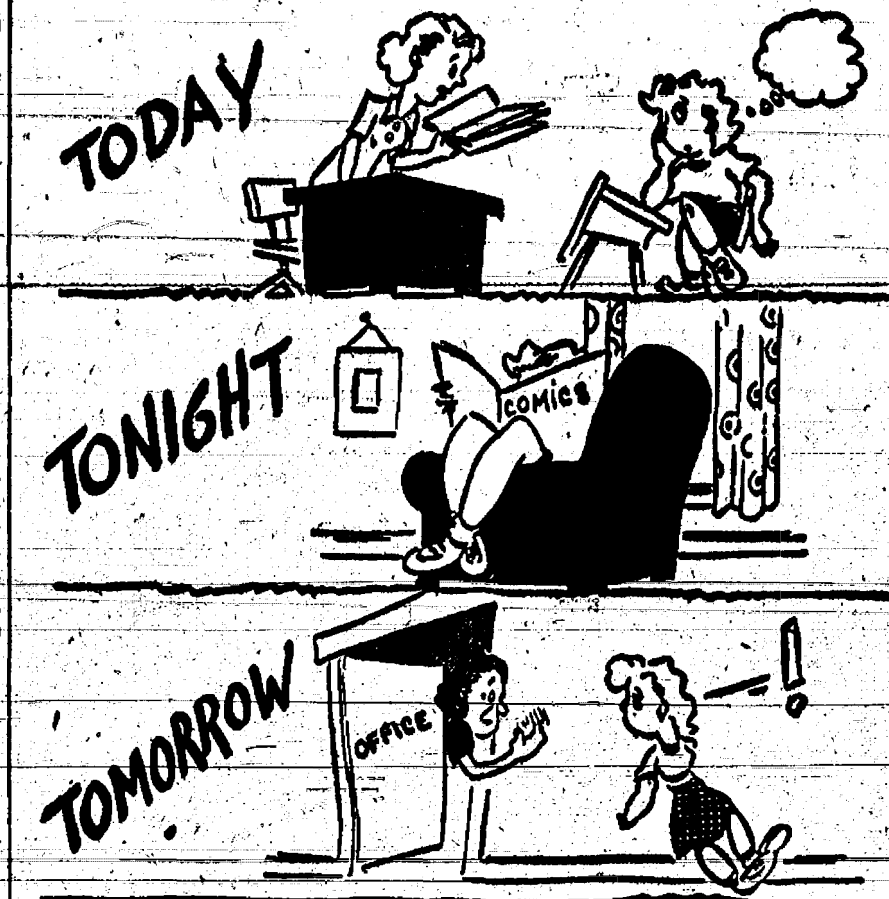

ASSEMBLY

At a meeting of all the people who ride the school buses, Mr. Johnson explained a few of the rules which the pupils are expected to follow this year. Talking must be stopped upon approaching a railroad crossing. To protect the children riding buses, the windows may not be opened more than three inches. The pupils are expected to be at their designated spots on time. To help the younger children, and also in case of an emergency, there are to be appointed two safety patrols in each of the buses. Although cars behind the buses are expected to stop, pupils should look both ways before crossing in front of the buses. These were the main rules discussed at the meeting.

FORTY-NINERS

On May 29, 1931, a little bundle of joy (?) arrived at the Robards home. It was a bouncing baby girl with blue eyes and brown hair. She was named Myrna June. She is now 17 and enjoys a good time. She works at the local bakery on Saturdays. Her favorite color is blue and she thinks a Ford is a rather nice car. (Why?)

Cause and Effect

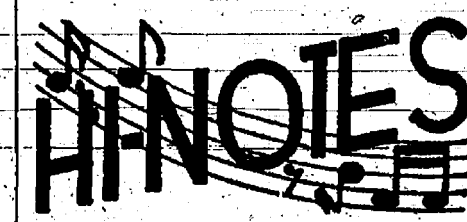

Her plans after graduation are to travel.

"I dream of Jeannie with the light brown hair," so thought Mrs. Crawford as she fondly gazed down at the bundle in her arms on the morning of March 10, 1931. However, when that baby looked her mamma right in the eye and declared her name would be Joyce, there was nothing to do but name her Joyce!

Joyce says she entered Home Ec. to learn to bake a chocolate cake (she certainly knows the way to a man's heart). To keep in line with her favorite color, green, she thinks olives are delicious (can you imagine?). Whenever she hears "I'll See You In My Dreams," Joyce is in seventh heaven. In her estimation, basketball is tops in sports. As of yet, Joyce has not decided on what she's going to do after she finishes school (but it is expected that whatever she does, she'll do well).

MOVIES

The typing classes saw a movie entitled "Progress in Typing" on Wednesday of last week. The movie was centered on the beginning typist and stressed the fact that a typist begins to relax and without a rest. After much practice the typist begins to relax and can type much more easily and confidently. The movie demonstrated that the important factor in learning to type well is to relax and type with confidence. If all the typists of Chelsea High practice these points, we should have some very good typists! (How about it, Miss De-Rose?)

HI-Y NEWS
Plans for HI-Y initiation have been made. The following people are on the committee: Ted McClellan, Dave Slane, Bob Stoffer, Fred Weber and Bill Lyons. The fateful event is to be held Nov. 5.

The prices of tickets were changed to: adult 70c, and student 40c.

HOME ECONOMICS

The Home Economics II class was taken on a field trip to Saline Valley Farms upon completing their course on food preservation. A tour was conducted through the cannery where both custom and commercial canning is done. At this time the factory was doing its commercial canning, although unfortunately, the larger machines were not in operation.

Before returning to Chelsea the girls also visited Saline's community fair at the local high school. There they saw the home economics department and exhibits.

LATIN CLUB

The Latin club decided to have a pep meeting and to sponsor an All-High dance. Bob Toney was appointed to secure a date from the Student Council.

The pep meeting committee includes M. Johnson, L. Eisele and C. Dreyer.

D. Thomas was appointed chairman of a money-raising committee.
