PARK CLEAN-UP BEE CONTINUES TODAY

Commerce Members, Guests Hear Discussion of Plans for Improving Fire Protection

Emphasis Placed on Bettering Rural Fire Fighting Service

Seventeen guests and twenty-nine members attended the Chamber of Commerce meeting in the Municipal building Tuesday evening at which Arnold C. Kenner, chief of the fire bureau at Lansing, was the principal speaker, taking for his topic "Fire and Its Prevention."

A fine Swiss steak dinner was served to members and their guests, members of the local fire department, supervisors of the surrounding townships, factory representatives and farmers.

President Lloyd Heydauft introduced the visitors and School Superintendent Albert C. Johnson gave a short talk regarding the school legislation to be voted on at the coming election.

A cooperative spirit was urged by Mr. Heydauft for the local park-cleaning bee, and Harold Bair, secretary of P.O.E. Aeris No. 2836, on behalf of the Chelsea Eagles, urged the citizens to help with the framed Civic ward citation and fifty dollars as a help on the park project.

Mr. Kenner opened his talk with the statement that prevention of fire is of interest to the entire community as well as the necessity for adequate fire protection if fire does break out.

He said that Howard Brooks, chief of the Chelsea fire department, is the oldest living, active fire chief in the state of Michigan, and that Mr. Brooks' years of service with the department was a fine contribution to our village.

Mr. Kenner said that on occasions he had found it necessary to close schools and theatres whose condition made them fire traps, and recommended general inspection of all public buildings and schools, also gas station regulations and regulations for the handling of all forms of petroleum products.

He said the fire bureau investigates thousands of fires per year, some accidental and some where arson is involved. Last year the fire loss in Michigan was \$25,325,000. In the last year, nineteen lives were lost in fires than in the year before, showing he said, that safety elements had been improved.

Chelsea is in dire need of new and more equipment, according to Mr. Kenner, who said the present equipment is far from adequate. He praised the ability and alertness of Chief Brooks in keeping fires to a minimum while twenty-five pieces of equipment more than twenty years old. According to state fire standards, he said, much of the present equipment has passed the age of usefulness by more than six years, having only one good pump which pumps 400 gallons per minute, while the amount should be 750 gallons for the village, not including the surrounding townships.

Mr. Kenner said that charging \$50 per run outside of the village was being "just bit-hearted" and that amount does not begin to pay the overhead.

Village fire protection with the present equipment should have No. 1 priority over all outside fires, Mr. Kenner said, and advised saving out adequate help on all rural fires but never so much as to leave the village short of fire protection.

He said Lansing was the first town in the United States to use "fog" to fight fire and suggested it could be used ideally for rural fires inasmuch as the amount of water that can be carried in a tank goes much farther and is more effective in fog fire-fighting.

Mr. Kenner's talk was forceful and to the point. He concluded by stating that fire prevention and adequate fire-fighting equipment cannot be overemphasized as it may be instrumental in saving the most valuable of all property, a human life, and that outlying rural districts who expect protection should help more in purchasing fire-fighting equipment and in its maintenance.

At the close of the meeting the supervisors of the outlying townships met to decide what action to take as a foundation from which to work in the future to give better fire protection to their townships.

School Authorities Ask Patrons Not To Drink at Games

The matter of drinking alcoholic beverages at local high school football games has been called to the attention of school officials by a number of citizens in the community. The large percentage of people who attend the games do not imbibe prior to or during the games and are opposed to a mixture of alcohol and a high school athletic program. Some communities have had serious difficulties with this problem, and a few have found it necessary to eliminate night football games.

Let us hope this will not be the case in Chelsea.

With the complete cooperation of everyone the evenings when the team plays at home can be one of enjoyment for all.

PTA-Student Dinner Oct. 25

Event Planned as Get-Acquainted Aid

Mrs. Beulah Barnum, assistant superintendent of the Jackson Recreation department, is to be in charge of the program at the High School PTA-Student dinner to be held at the gymnasium, Monday, Oct. 26, beginning at 6:45 p.m.

The dinner has been arranged as a planned get-together by committee in charge.

It is hoped to have a good attendance at the gathering which is being held with the express purpose of providing an entertainment evening for parents and students as well as giving parents an opportunity to become acquainted with their children's teachers who are to be guests at the dinner.

The class having the largest representation of parents present is to receive a cash prize.

Blinker Lights Will Be Installed at Notten Road Grade Crossing

During the past year the Board of Education of the Chelsea Agricultural school has attempted to have flashing-light signals installed on the Notten road crossing in Sylvan township.

Last summer a hearing was held with representatives of the New York Central Railway, Washtenaw County Road commission, the Chelsea Agricultural schools and the Michigan Public Service commission to determine the need for the signals.

As the result of this hearing, along with surveys made at the crossing, the Michigan Public Service commission has ordered the installation of the signals at this crossing within the next nine months.

Receives Discharge from Navy after Six Years of Service

Harold Hanselmann, GM 2/c, who has received his honorable discharge and returned to the home of his parents, late Tuesday evening, of the past week.

During the war he served nine months in New Guinea and after the close of the war his ship was assigned to cruise in the Pacific area. He spent the last few months at Pearl Harbor.

Sunday evening his parents entertained at a party in his honor, those present including Mr. and Mrs. Waldo Elsemann and family, Mr. and Mrs. Roy Hanselmann, Mr. and Mrs. Charles Winans, Mr. and Mrs. Alvin Vail and daughter Helen, Mr. and Mrs. Norman Elsemann and family, and Mrs. Effie Gage.

Mr. and Mrs. Bert A. White and daughter Nancy, Mr. and Mrs. Wayne Patterson of Alma, Mr. and Mrs. William Briston and son David of Chelsea, Mr. and Mrs. John E. Clark of Kalamazoo and Fred Gotta of Ann Arbor, attended the wedding of Alma Titus and Fred Gotta at St. Paul's Episcopal church in Detroit on Saturday, Oct. 18. The bride and bridegroom are now visiting their grandparents, the Whites, here.

Community Fair Declared To Be Very Successful

Chelsea's Community Fair, held last Friday and Saturday on the grounds of the Chelsea Implement Co. and in the building itself, has been declared a great success by those who attended, as well as by committees in charge of the project.

The supper served Friday night at the Fair was attended by more than 300 persons, and was reported to have been exceptionally good.

An attraction for the youngsters were the Shetland ponies on which they could ride for a small fee.

Paul F. Niehaus was master of ceremonies at Saturday evening's program at the High school gymnasium which concluded the two-day Community Fair.

The Chelsea High school band, under the direction of Gale Groves, opened the program with the "Star Spangled Banner" and then played several other numbers.

Professor J. G. Hayes of Michigan State college, gave a humorous talk on "How a Cow Should Be Built."

This was followed by several songs by the Elksbarber Shop Quartette, of Ann Arbor. Members of the quartette are Walter Strickland, tenor; Phil Luhn, baritone; Wayne Teschworth, lead, and Harold Schneider, bass.

Dancing was enjoyed for the rest of the evening with music furnished by Fred Gentner, Flora Orthing and Henry Orthing. Calling for the square dances was done by Lulu Sweeney and Edwin Lonsberry.

A complete listing of prize-winners for exhibits at the Fair will be published next week.

Seek New Home for Unusual Kitten with Seven Toes on Foot

Mr. and Mrs. Wesley Morrison, former Chelsea residents who have made their home in Livingston county for the past year, have returned to live here and are now residing at 1154 South Main street.

They brought with them their half-grown pet kitten, which unlike the kittens in the nursery rhyme, does not seem to have lost any mittens. Instead, the kitten appears to be wearing two extra gloves because of the fact that each front paw has seven toes and the rear paws each have five toes. This peculiarity was inherited from its mother.

Because the Morrisons are living in a third-floor apartment they feel they cannot keep the kitten and are hoping to find someone who will give it a good home. The kitten is gentle and gets along well with children, having been the pet of six-year-old Ann, the Morrison's daughter, who is in the first grade at St. Mary's School.

CRCT Club Hears Mrs. Nannery Tell of Correlating Art Work

The Chelsea Rural Classroom Teachers' club held the regular October meeting at the home of Miss Hildegard Fontana, Monday evening, Oct. 18. Mrs. Gladys Feldkamp assisted Miss Fontana as co-hostess, and they served drinks and refreshments at the close of the meeting.

Several guests were present at the meeting, including the speaker, Mrs. Gertrude Nannery, teacher at the Stone school on Packard road, Miss Gleake and Miss Smith, both teachers of schools on Pleasant Lake road, and Mrs. Howell and Mrs. Bless of Ann Arbor, representatives of Miss Mary Ellen Lewis of Ann Arbor, who brought information and material in regard to the coming election on Amendments II and V.

Mrs. Nannery's talk was very much enjoyed by the group. She demonstrated how art work could be correlated with other subjects so that the regular daily classwork might become more meaningful and interesting to the pupils.

Heavy Frost Ends Make-Believe Spring

The heavy frost Monday morning blackened garden crops and abruptly ended an unusually mild fall. Only last week Julius Horn reported that three pear trees on the old Fuller farm at Half Moon Lake were in blossom, and for several weeks there have been reports of spring shrubs blossoming for the second time this year.

Roy Bertke, local mail carrier and his family, have been enjoying raspberries from their own garden for the past few weeks.

But with Monday's killing frost these are all things of the past and the old snow shovels will have to be hauled out of the basement and put to use.

Bulldogs Bow to Fighting U. High Team

Will Play Hosts to Saline High Hornets This Friday Night

By DWIGHT GADD

Chelsea's Bulldogs made a game of last Friday afternoon in Ann Arbor as they battled U. High for the first three periods, but they folded in the final stanza and went down to defeat, 19-0.

The Cubs jumped to an early lead as they took the opening kickoff and smashed straight downfield for their first touchdown. Weather conditions for the last 30 yards and the score, 7-0, was wide but it seemed unimportant at the time because of the ease with which the marker was gained.

For the next two and a half periods, however, there was no more scoring and those early six points loomed more important each minute. U. High did have one chance during this time but on the play that LeClair scored on there was an offensive holding penalty which nullified the score and set the Cubs back to the 25.

Late in the third quarter U. High seemed on the march but Stan Knickerbocker intercepted Walter grill's pass in the end zone to halt the drive, at least temporarily.

Chelsea couldn't gain a bit though and Slane got away a short kick which rolled dead on the Chelsea 44. From that point U. High began to roll, and Chelsea began to fold.

The Cubs needed 10 yards to cover the distance with West, U. High fullback, going the last two yards to score. Twining's kick this time was straight through the uprights, and with the last quarter just going underway, U. High led, 18-0.

U. High's third and last score came very quickly. Heydauft took the kick-off back to the Chelsea 35-yard line, but three plays later they were on their own 18, with fourth down and 27 yards to go. Slane's punt was taken by Weather on the 50, and he ran it back to the Chelsea 35. On the first play from scrimmage, LeClair raced wide around his own right end, eluded the Chelsea halfback, a safety man, and went all the way, untouched. Twining's kick was wide to the left, leaving the score at 19-0.

The Bulldogs put on a small offense of their own after the kickoff. They were quickly started and the Bulldogs were victims of another shut-out.

Tomorrow night the Bulldogs will meet the Saline Hornets at 8:00 o'clock on the local athletic field. The Hornets are having a better season than they have had in recent years, but they're still a second division ball club. It should be an even game.

See you at game time!

DR. ARTHUR SCOTT AITON

Second Lecture of Current Series Will Be Monday Night

Arthur Scott Aiton, professor of history, University of Michigan, will appear in the Chelsea Public Library at 8:00 o'clock Monday evening, Oct. 25, as the second speaker of the current lecture series being sponsored by the Chelsea Club.

Dr. Aiton has chosen for his topic "South America Views the U. S."

In 1927 Dr. Aiton published "Antonio de Mendosa, First Viceroy of New Spain," and has contributed articles to many historical journals. He lectured at the University of Seattle, Spain, in 1936, leaving there just as the revolution broke.

Dr. Aiton is a member of many Latin-American committees and a member of the Second General Assembly of the Pan-American Institute of Geography and History in 1938.

In 1941 Dr. Aiton went to Costa Rica as an Exchange Professor under the Convention to promote Inter-American Cultural Relations. He recently returned from South America, where he gave numerous lectures.

Season tickets for this year's lecture series are still available and may be purchased at the Chelsea Public Library or at the Monday lecture. Anyone interested in securing season tickets may do so.

Council Discusses Building Code Plans, Zoning Ordinance

A special meeting of the Village Council was called for Wednesday evening last week for the purpose of discussing a building code and zoning ordinance for Chelsea.

Glen Wenty, Washtenaw county building inspector, and George Hurrell, of the County Planning Commission were present to explain the project and President McClure appointed a committee to investigate the matter further.

Those acting on the committee are Lowell Davidson, Dudley Holmes, Walter Gage and John Kaushner.

The contract was let to Klump Bros. at this meeting for a one thousand foot sanitary sewer extension on Washington street, and work was begun this week.

Women's County Club Group Will Meet

The Washtenaw County Federation of Women's Clubs will hold its annual Fall meeting at the Methodist church on South Ann Arbor street, Saline, Tuesday, Oct. 26, at 2 p.m. Registration is scheduled to begin at 1:30 p.m.

Hostess clubs for this meeting are the Saline Women's club, Miss Esther Landwehr, president, and the Willing Workers, Mrs. Louis Smith, president.

Mrs. Wm. O. Merrill, the guest speaker, will talk on "On the Peace Path." She will give several readings in costume.

At the recent executive board meeting of the Federation, Mrs. J. N. Lewis and Mrs. Ray Bodley were elected delegates to the southern District meeting to be held in Ann Arbor, Oct. 21 and 22. Mrs. J. E. Warner and Mrs. Geo. Nichols were chosen as alternates.

Dr. and Mrs. E. E. Koobbe, of Columbus, Neb., arrived Thursday evening and spent until Sunday at the home of the former's mother, Mrs. Edwin Koobbe, and on Saturday attended the football game at Ann Arbor. On Friday Mr. and Mrs. Harry Culp and daughters of Grand Lodge, spent the day here and all attended the Community Fair.

Kiwanis Sees Movie on Construction of Mich. Gas Pipeline

Milton Kendrick, sales manager of the Ann Arbor district of the Michigan Consolidated Gas Co., was the speaker at this week's Kiwanis club meeting held Monday evening at the Municipal building. Ralph G. Peterson, also connected with the company, showed moving pictures of the new pipeline recently completed between Detroit and Big Rapids by means of which the company is able to pipe excess gas from the Detroit area in slack periods to an underground, nature-made, storage reservoir, and then cause it to flow back to the metropolitan area in the same pipe to meet unexpected and sudden demands for an excess supply of gas such as occurs when the weather suddenly turns colder.

Reports made by the ticket sales committees indicated that already tickets are going fast for the Kiwanis amateur show which will be held Thursday and Saturday evenings, Nov. 4 and 6.

Chelsea Flyweights Swamp Dexter Lads on Their Home Field

Chelsea's Flyweights football squad traveled to Dexter last Sunday and swamped them 37-18.

Dexter received the kickoff and marched to Chelsea's 10-yard line. A pass to their right end was the first score of the game. Another pass to him made the score 7-0. Chelsea's fullback, John Batsakes, received the kickoff on Chelsea's 35-yard line, went to Dexter's 40-yard line. Batsakes took the ball around right end and all the way for a touchdown. Alfred Knickerbocker drove over the line for the extra point. That was the end of the first quarter as the teams changed ends on the playing field.

Dexter opened up the second quarter with a touchdown. After driving to the Chelsea 20, a run around right end for the score. The try for extra point was not good, as Bobby Joseph knocked down the pass which was intended for the right end, to make the score stand at 13-7. The kickoff to Chelsea was taken by Richard Elseton on the 40-yard line and carried five yards before being puffed up by the Dexter line. A lateral to Batsakes from Knickerbocker was the play that tied up the score. Batsakes took the ball around left end for 55 yards. The try for extra point was not good when Joseph was caught behind the line.

Chelsea received on the kickoff with Batsakes getting the ball back on the 15-yard line and running for another touchdown. The pass to Batsakes was incomplete and the score stood at 19-13.

Bobby Joseph kicked the ball to Dexter's left half, who was hit by the entire Chelsea line, fumbling the ball, which Chelsea recovered. This time Chelsea moved the ball to Dexter's 25-yard line. Batsakes again carried the leather around for another touchdown. Batsakes was hit hard and stopped when he tried to plunge the line on the try for extra point, so the score stood at 25-18 as the third quarter ended.

Chelsea kicked to Dexter again. They carried the ball back to Chelsea's 45-yard line. An interception by Knickerbocker on Chelsea's 30-yard line set up another march for a touchdown. Knickerbocker carried the ball around left end for 65 yards to the Dexter 5-yard line, from where Batsakes went over center for another touchdown, his fifth. The try for extra point was (Continued on page five)

Group Attends Legion District Gathering

Donna Kalmbach was an honored guest at the American Legion District meeting, held Sunday, October 10, at Hudson. She gave a talk, at the meeting, on her experiences in Washington, as a representative of the Chelsea Legion Auxiliary at Girls' State, and was highly complimented by a past district president, Mrs. Helen Benjamin.

Chelsea Legion and Auxiliary members who attended the meeting were Mr. and Mrs. Leon Fox, Mr. and Mrs. Paul Maroney, Mr. and Mrs. Merle Barr, Sr., and Mrs. Lyle Chiswell, with her daughter, Mary.

Local Blacksmith Wields His Hammer as He Observes His 80th Birthday

Henry Schumacher, who has been a blacksmith in Chelsea for the past sixty-five years and still works, at a hobby, forging and ironing, door knockers, etc., as gifts for friends and for people who have shown him kindnesses, will celebrate his 80th birthday next Monday, Oct. 25.

Several generations of school children on their way to and from classes at the Public school have stood at the door of his shop on Park street, and watched as he worked at his forge. Older generations will remember his shoeing of horses but the younger ones very seldom had the opportunity to see any horses shod. However, while there was little horsehoes to be done, Mr. Schumacher, until recent years, worked daily at the shop doing many special jobs such as machinery repairing and other work for farmers and residents of the community.

Mr. Schumacher, who makes his home here at the McKuno House, also spends some time almost every year with his daughters, the Misses Dorothy and Doris Schumacher, at their home in Minneapolis. His son Earle, lives in New Jersey. In connection with his work for the Edison Laboratories, the son makes numerous business trips and every other stops off here for visits with his father.

Friends will be congratulating Mr. Schumacher on his birthday, and with these The Standard joins in extending best wishes to a man who has served his community well for more than three score years.

BIRTHDAY DINNER

Mr. and Mrs. Leon Chapman entertained at a birthday dinner at their home Wednesday evening in honor of their brother-in-law, Paul Klager, and Mrs. Minnie Nelson, both of Ann Arbor. Those present included Mr. and Mrs. Henry Klager, Mr. and Mrs. Paul Klager, Mrs. Minnie Nelson and Donna Lee Chapman, all of Ann Arbor.

GIRL SCOUT NEWS

The Brownies have started their activities for the year with Miss Kompass as leader and Miss Mithrand as assistant leader. Both leaders are teachers of the second grade at the Public School.

Troop III of the Girl Scouts, sponsored by the Chelsea Study club, has Mrs. Ted Paist as leader and will hold meetings at 8:30 o'clock Thursday afternoons at the Methodist church.

A group of several girls interested in organizing a troop has been handicapped because of the lack of a leader and sponsor. Any one interested in promoting or continuing Girl Scout work in Chelsea is urged to offer her services as a leader in this worthwhile work by contacting Mrs. H. T. Moore.

PHILATHEA CIRCLE AFTERNOON GROUP

The afternoon group of Philathea Circle of the Methodist church was entertained Wednesday afternoon at the home of Mrs. Leigh Beach beginning with a dessert luncheon served by the hostess.

Mrs. O. W. Morrow presented the opening devotional service which was followed by the discussion of various business projects of the group.

PNG CLUB

The PNG Club met Thursday afternoon at the home of Mrs. George Barth.

CENTRAL CIRCLE

Mrs. Harry Littoral was the hostess for the meeting of the Central Circle of the Methodist church held at her home Thursday evening, Oct. 15. About thirty members were present.

PHILATHEA BREAKFAST CLUB

Nine members of the Philathea Breakfast Club met for the regular monthly meeting at the home of Mrs. O. W. Morrow, Wednesday morning, Oct. 13, at nine o'clock.

PHILATHEA EVENING GROUP

The evening group of Philathea Circle of the Methodist church met Wednesday evening, October 13, at the home of Mrs. Albert Johnson. Nineteen members were present.

The opening devotions, on the topic, "Forgive and Live," were in charge of Mrs. James K. Daniels, who also was in charge of the program which was a resume of several articles taken from the Christian Herald magazine and was very interestingly presented.

The several chairmen of project committees gave their reports during the business session and it was decided that the group will hold a bake sale some time this month.

Mrs. James Nutt, president of the group, announced that there is to be no fair at the Methodist church this year.

Following the close of the meeting, a sale of baked goods and fair articles was held, after which the hostess, assisted by Mrs. Charles Cameron, served dainty refreshments.

The next meeting is to be held November 10 at the home of Mrs. Donald Dancer.

DORCAS CHAPTER

Lt. Col. Dwight Beach, who is stationed at West Point, and was a visitor the past week at the home of his mother, Mrs. D. E. Beach, was the speaker at the Dorcas Chapter meeting held at the Congregational church Thursday evening, October 14. He gave an interesting word picture of life at West Point, which was much enjoyed by the sixty persons present.

Husbands of members were guests at the meeting.

Adding much to the enjoyable evening were the piano selections played by Bill Snyder, of Grass Lake.

The program was preceded by a pot-luck dinner served by a committee in charge of Mrs. Lyle Haselwerdt and Mrs. Cameron Burns, hostesses for the meeting.

CHAT 'N' SEAU

Mrs. Elton K. Musbach and Mrs. S. E. Tishingham entertained the Chat 'N' Seau for the regular October meeting at the home of the former, Tuesday evening, Oct. 19. Eleven members were present.

BIRTHDAY PARTY

Paul Klager of Ann Arbor, and LeRoy Satterthwaite were guests of honor at a supper party given in celebration of their birthdays at the home of Mr. and Mrs. Vernon Satterthwaite Sunday evening.

Present, in addition to the honor guests and the Vernon Satterthwaite family, were Mr. and Mrs. George Satterthwaite, Mrs. Paul Klager, Mrs. LeRoy Satterthwaite and sons, Mr. and Mrs. Leon Chapman and son, Larry, of Chelsea, with their daughter, Donna Lee, of Ann Arbor, and Mr. and Mrs. Larry Wines and children of Birmingham.

BAPTISMAL HONORED

Philip Lowell, baby son of Mr. and Mrs. Lowell Spike, was baptized Sunday morning at the Rowes Corners United Brethren Evangelical church. Following the service, the baby's grandparents, Mr. and Mrs. Reuben Sott, entertained dinner at their home, those present including Mr. and Mrs. Howard Sott and son Brian, of Jackson, Mr. and Mrs. Spike and children and Mr. and Mrs. L. Dean Sott and daughter Martha Jane.

The dinner was also a celebration of the birthday of Karen Spike, in whose honor a birthday cake centered the table.

Chelsea Flyweights

(Continued from page one)

not good. Score 31-13. Again Chelsea kicked off to Dexter, but an interception by Knickerbocker started another touchdown march for Chelsea, as they marched to Dexter's 12-yard line. A pass from Batsakes to Bobby Joseph was the sixth touchdown for Chelsea. A pass over center to Knickerbocker was not complete. Score 37-13 to end the scoring as Batsakes made the final tackle after the kick-off.

The next game probably will be at the local Athletic field this Sunday, Oct. 24.

ST. PAUL'S MISSION CLUB

Nine members and three guests attended the October meeting of St. Paul's Mission club, which was held Thursday afternoon, Oct. 14, at the home of Mrs. John Wahl.

The opening devotional service was presented by Mrs. Adolph Duerr and was followed by a program of readings as follows: "The Little Deeds," by Mrs. Alvin Vail; "The Sunday Parlor," by Mrs. Ola Hilfinger, and "Sharing," by Mrs. J. N. Strieter.

Following the afternoon's work of dressing dolls and sewing on quilts, a lovely lunch was served by the hostess. At the table the birthdays of Mrs. Christina Nicolai and Mrs. Ola Hilfinger were celebrated with congratulations extended to both and by singing the birthday song.

Plans were made to send eight dressed dolls and a number of scrap books to the Orphans' Home in Detroit.

Announce Marriage

Mrs. Harriet Platt announces the marriage of her daughter, Minnie Mae, to Clarence G. Erskine, son of Mr. and Mrs. John C. Erskine, of Allenville.

The double-ring ceremony took place at Toledo, Ohio, Oct. 18, with Rev. Andrew Douglas officiating.

BIRTHDAY CELEBRATION

In celebration of the birthday of Mrs. Christina Nicolai, members of her family gathered at her home for dinner Sunday. Present were Mr. and Mrs. Harold Whipple and family, Mr. and Mrs. Nelson Strieter and family, Mr. and Mrs. Paul Seltz and family, of Ann Arbor, Mr. and Mrs. Carl Maute and family and Mr. and Mrs. Clarence Nicolai, of Grass Lake, and Paul Nicolai and John Bayer, of Chelsea. In the afternoon, Mrs. Philip Riemenschneider of Cavanaugh Lake, joined them, remaining for supper.

A RESTFUL ATMOSPHERE

Ours is truly a funeral "home"—a place of friendly understanding, quiet thoughtfulness and comfort. We invite those, who at a time of sorrow, are in need of counsel and advice. Here—they will find peace of mind in the restful atmosphere of our establishment.

From where I sit ... by Joe Marsh

I'm Glad
We're "Different!"

There's a lot of difference of opinion in our county on the best kind of pasture. Some say alfalfa mixed with brome grass others say mixed with oats or barley. But all agree that a mixture's better than a single crop.

I sometimes think people are the same way—and the strength of America is its mixture of so many different strains—some from one country, some from another right down to little differences—like folks who have a taste for beer and those who prefer cider.

From where I sit, so long as we never become intolerant of one another's different tastes so long as we live together with our differences, and even supplement them the way brome grass does alfalfa, then we're a mighty good crop!

So neighbor enjoy your cider while I enjoy my beer! Vote for your candidate—I'll stand by mine! But never let our differences divide us!

New telephone rates for Michigan Bell customers

THE Michigan Public Service Commission has authorized increased rates for Michigan Bell telephone service. New basic monthly rates are effective October 16, 1948. New charges for certain long distance calls between points in Michigan are effective October 20, 1948. This is the first general increase in 22 years. Michigan Bell requested the increase more than a year ago because of sharply increased costs of providing telephone service.

BASIC MONTHLY RATES

Basic monthly telephone rates for practically all types of service have been revised, effective October 16. New basic rates for your community will be listed in a folder enclosed with the first telephone bill you receive under the new rates.

The rate increase will produce 8% more revenue for Michigan Bell. However, the increase in some exchanges will be higher than average—in some, lower than average—in order to establish the same rates for communities having a comparable number of telephones. Your basic rate will be determined by the number of telephones you are able to call in your local calling area.

These uniform rates, fair to all, mean that you will pay the same as subscribers in other towns and cities with comparable local calling areas.

LONG DISTANCE CALLS WITHIN MICHIGAN

The following changes, effective October 20, apply to long distance calls between points in Michigan:

The initial period is changed from 5 to 4 minutes on 15¢ station calls, and from 5 to 3 minutes on 20¢ and 25¢ station calls.

Overtime rates per minute on calls costing 20¢ or more are changed from 1/4 to 1/5 of initial period rate.

Night and Sunday rates are increased 5¢ on calls between points 48 to 112 miles apart.

TO PROTECT THE QUALITY OF SERVICE ANOTHER INCREASE IS NEEDED

To meet the unprecedented demand for telephone service following the war, Michigan Bell had to tackle the greatest improvement program in its history. So far, \$150,000,000 have gone into new and improved facilities—and the program is only half finished! Many more millions will have to come from investors before we will be equipped to give every one the kind of telephone service he wants and needs, whenever and wherever he wants it. Investors will continue to provide that money only if they are assured a fair return.

But our operating costs have continued to rise since we asked for a rate increase a year ago. Looking ahead, even with the new rates, our revenues will not be enough to pay day-by-day operating expenses and still leave enough to pay a fair return to investors. On top of that, we have made a wage offer to the telephone unions that would add substantially to our costs.

All of which means we must have more revenue. So we have no alternative except to ask for another rate increase. But you can be sure that it will be no more than necessary to operate the business and to provide a return that will attract the capital needed to continue our improvement and expansion program.

Grades 7-12 and the school organizations are assisting the P. T. A. in sponsoring the dinner. Each class and organization has something to bring and do.

The seniors are to bring scalloped potatoes; Juniors, meat loaf; Sophomores, cake; Freshmen, jelly; Eighth grade, hot vegetables; Seventh grade, salad.

The P. T. A. furnishes coffee, cream and sugar. Hi-Y is helping to serve and the Latin Club is in charge of decorations and setting up tables.

Remember, save that date and be sure of an evening of fun. If you have a date, bring him along. O.K.? See you at the dinner!

A-HUNTING WE WILL GO

Mr. Johnson, in an assembly of boys who are going to hunt this year, showed them how to come back alive. He also told them

the main parts of the hunting laws.

In previous years the Chelsea high school boys have not done so well as far as the amount of game shot is concerned.

A poll taken on the Monday after the season opened showed that only four pheasants were shot and one boy shot two of these.

We hope the boys will have better luck this year.

SUPERINTENDENT SPEAKS ON CONDUCT

Mr. Johnson, the speaker at an assembly for grades 7-12 last Wednesday morning, discussed a variety of topics. First, he spoke on behavior at games. Mr. Johnson repeated some comments which were made to him, concerning students running back and forth in front of the bleachers, and thus obstructing the view of persons seated there. He also mentioned

the fact that the cheerleaders would like a special section blocked off for cheering.

Another thing mentioned at the assembly was behavior on buses going to and from games. This should be given a lot of consideration from students, because transportation to and from the games is something we would not like to be deprived of.

Lastly, there was a discussion concerning the Journalism opinion box which the club hopes will be a success.

THE FORTY-NINERS

"Early to bed and early to rise makes a man healthy, wealthy, and wise." At six o'clock in the morning, April 13, 1931, the Gilsons were awakened by the cries of Doris-Esther as she made her grand entrance on this earth.

Doris is now 17 and very definitely has a mind of her own. Her pet peeve is silly people. She can be seen riding in a Ford car, her favorite, dressed in bright yellow, eating turkey drumsticks in time with the melody "How Soon" Doris has a job of selling tickets at the Sylvan-theater and her ambition is to go to college after being graduated.

Time: June 3, 1931; place: Detroit, Michigan; main characters: Mr. and Mrs. Wm. Geddes; added character, Ellen Geddes. As the curtain opens, Mr. and Mrs. Geddes are making plans for the new arrival to their home—Little Ellen. They thought that she should go to the best schools so they started her in Detroit; then Lakeland, Florida, and then to the best—Chelsea Public. She does not remember very much about the other schools 'cause she was just a little girl. While in the process

of growing up she has become quite fond of some things. Her favorite food is spaghetti and noodles; song is "If You Were The Only Girl" and her pet flicker is "Since You Went Away." Being a cheerleader for three years, caused about her liking for football and also her pet peeve, people who won't cheer at a game. She has been quite an active person in journalism, chorus and G.A.A. throughout high school and takes quite an active part in music. Ellen has some mighty modern ideas, too, like admiring the new look and not liking a surfew. After (Continued on page eight)

Step out with Brand-New Fireball Power in your old Buick

THIS is a brand-new Buick engine. It's fresh from the factory—straight from the same assembly line where the engines in 1948 Buick cars are built.

If you'd like to boss it around—mister, that's easy, if you have any Buick built since 1937.

All we need to do is take out your old engine—and put this one in.

Then you can feel the thrill of a brand-new Fireball engine. You can enjoy all the pep, power and performance that you'd get if you had a 1948 car.

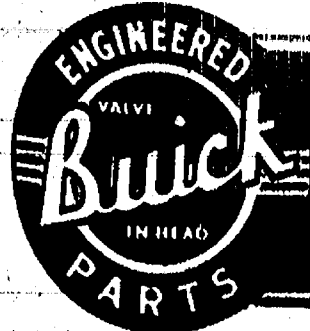

It's spick and span, from head to pan, with all the features that make today's Buick engine the pacesetter of the power parade.

And it can be yours in less than two days. Look at the list of what you get

— the most complete power package ever. There's a brand-new ignition system—brand-new clutch, pistons, pins, rings, valves—even the water pump.

We can make this offer because engine output has outstripped new-car production at the factory. The cost? Much less than you think, although it varies a bit from model to model.

Come in today for detailed figures on bringing your old Buick right up to date on power.

JOURNALISM CLUB ATTENDS CLINIC

The Journalism field trip to Michigan State college last Wednesday for the "Annual Journalism Day" proved to be a success.

From 10:00 a.m. until 4:30 p.m. there were a series of informal lectures on many different subjects pertaining to news writing. These included features, editorials, sport write ups, etc. The seniors found the discussion concerning the publication of yearbooks very helpful. There were many suggestions as to cover designing, advertising, and preparation.

The Journalism students who

went to the Journalism Clinic at Michigan State College are: M. Slane, C. Otte, J. O'Dell, V. Christwell, P. Platt, W. White, P. Schabell, J. Hughes, G. Wedmeyer, W. Franklin, V. Quatt, J. Crawford, R. Uswick, M. K. Palmer, M. Heydauff, P. Scott, S. Geer, A. Lake and M. J. Jarvis. The club sincerely wishes to thank the characters who were Mrs. Lyle Christwell, Mrs. Paul Neihaus and Mrs. Lloyd Heydauff.

TYPISTS AND HOME EC STUDENTS SEE MOVIES

Typing class was surprised with two movies this week on Monday and Tuesday. Both had some very important hints to help the typist.

The first movie reviewed all the important facts about typing, and took 30 minutes. The second movie was about Albert Langora, seven times world champion. His average is 142 net words a minute. He operated a typewriter at first 20 to 30 words per minute, then faster until he attained 140 words per minute. The movie showed in slow motion the movement of Mr. Langora's hands on the keys. It also showed to correct posture, the correct way to turn to copy sheet page, and

to feed the paper. It really looked amazing in contrast with ours. These movies were very helpful to all of us.

The Homecoming class saw a short movie entitled, "Modern Milk," which was put out by the Evaporated Milk Co. The movie emphasized the convenience of canned milk and the ease with which it can be used for everything from making desserts to feeding the baby. It also showed the process of canning milk.

A picture has been taken of this project.

Activities... STUDENT COUNCIL. The Student Council is in charge of distributing the copies of the Declaration of Independence to the high school rooms. The documents were presented to the school several weeks ago.

The members of the Student Council have been discussing the conduct of guests and students at the Al-High dances and also the conduct of pupils at assemblies. They plan to have some ruling as to what should be done to people who do not conduct themselves in an orderly manner at both the dances and assemblies.

BAND NEWS

The Chelsea High School Band played three selections at the program in the gymnasium last Saturday night. They played "The Star Spangled Banner," "The Golden Gate," and "The Star March". The band is planning to play at the Halloween party at the school.

As you know, Mr. Grove is the band instructor, and we believe that he has done very well in helping to make a band Chelsea can be proud of.

The 1949 FRAZER

Trailblazer-of cars to come!

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and differently handsome it is the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time... out front—trailblazing the way for all the cars to come.

First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability—2 billion miles worth! Value-proved to a quarter-million justly proud owners. See and drive the new FRAZER now! It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan.

NEW DEMANDS

SOARING COSTS WAGE INCREASES

48 hours pay for 40 hours work
Penalty pay for weekends & holidays
25¢ an hour increase
Total 1 1/2 BILLION DOLLARS

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 18 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25¢ an hour for every employee!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48¢ an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10¢ an hour.

Railroads Run for Everybody—Not Employees Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. Everybody who enters railroad employment knows this.

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!
