

TRUMAN ELECTED IN CLOSE CONTEST

Bulldogs Take Well-Earned Victory from Dundee Eleven on Opponents' Home Field

Flat Rock Team Will Appear Here Friday Evening

By DWIGHT GADD

Dundee's supposedly inept Vikings rose up from the depths last Friday night and surprised the Bulldogs by scoring quickly, early in the game, but Chelsea smashed back to take the crowd-pleasing contest, 28-13.

It not only was a fairly even ballgame, but an odd one, too, as Mother Nature stepped in with her Halloween trick a night earlier and proceeded to shroud the field in a very heavy fog for most of the third quarter and more than half of the last quarter. It was almost impossible to see the players from the sidelines. It was as confusing to the players as it was to the spectators, for there was no scoring during the fog.

Dundee must not have read how weak they are this year, because after taking the opening kick-off they smashed straight downfield to score. Each man in the Dundee backfield had a hand in the 72-yard march, and the score came on a 9-yard pass from Morris Newman, quarterback, to left half, Jim Zieske. Bob Berndt, Viking fullback, booted the extra point and the underdogs lead, 7-0, not the Bulldogs.

Chelsea got back in the ballgame

in a hurry as they took the kick-off and went 61 yards in 13 plays to notch the tying marker. A 15-yard offensive holding penalty slowed them a little around mid-field, but after reaching the Dundee 20, they ran these 16 back as the officials called an unnecessary roughness penalty on Dundee, placing the ball on the 5-yard stripe. Bob Robbins, fullback, ripped over guard for the score from a yard out and after George Heydlauff's kick was good it was a new ballgame, 7-7.

Chelsea had another chance to score during the last minute of the first quarter and first minute of the second, but they couldn't make it. After Stan Knickerbocker intercepted a Dundee pass on the Chelsea 41-yard line the Bulldogs went all the way to the Viking 14, but two incomplete passes and an offside penalty gave the ball to Dundee on their own 19, early in the second quarter.

After rolling to their own 44 in five plays, the Vikings got their signals mixed, the ball bounced to the 30 and was downed by Robbins at that point. Chelsea wasn't to be denied on this occasion as they rolled to a first down on the Dundee 17 in three plays. From that point Stan Knickerbocker started to the right, cut back inside the end and outraced the Viking secondary to score standing up. Heydlauff's kick again was good, making the score, 14-7.

Chelsea's third score came very quickly, and on one of the best plays of the game and the night's longest run. Dundee took the kick-off and in three plays were on Chelsea's 38. An attempted pass from there was gathered in by Robbins though, and Chelsea had the ball on their own 16. On third down with the ball on the 25, Heydlauff, from the T-formation, handed the ball off to Bobby Vogel on a split back. He was almost past the secondary before being spotted, and he outran the defensive halfback and safety man to score without being touched.

This run was a little on the comical side because over the yard line Bob would look back over his shoulder to see how close the pursuit was. Each time he did it the safety man would gain a step, and then Bob would turn around, dig in, get the step back, and then do it all over again. Even so, it was a very fine run.

Heydlauff's third try for the point after was good and Chelsea led 21-7. The Vikings unleashed their attack after running the kick-off back to their own 49, and it was very successful. On the first play from scrimmage Berndt fired a long one to the left end, Brown, and he raced to the 14 before he was stopped. A Newman-to-Robbins pass gave them a first down on the 28, and after one pass fell incomplete, the Newman to Zieske combination clicked for their second touchdown of the evening. Berndt's kick was low and at the half Chelsea led, 28-13.

The fog, which was mentioned earlier, probably kept this from being a higher-scoring game than it was, because during the time when it was so foggy, passing was futile. There were a few attempted passes, and one of Dundee's was intercepted by Stan Knickerbocker on the Chelsea 5, after the Vikings had driven deep to Chelsea's 16. That was the only threat by either team, however, for the entire third quarter and until late in the fourth.

JOE LEE DAVIS

Prof. Davis Will Address Lecture Series Tuesday Eve

Joe Lee Davis, associate professor of English at the University of Michigan, will speak on "Revelation of Democracy in Contemporary Non-Fiction" at the third lecture of this season's lecture series. The lecture will be held in the Chelsea Public Library at 8 p.m. next Tuesday. At this meeting the Chelsea Study Club members will be hostesses to members of the lecture series. Observance of National Book Week will also be included in the program.

Prof. Davis, born in Lexington, Ky., received his A.B. degree and Masters degree from the University of Kentucky. He received his Ph.D. degree from the University of Michigan. He is the author of several articles published in the Michigan Alumni Quarterly Review.

Public Schools To Observe National Education Week

"Strengthening the Foundations of Democracy" is the theme of Education Week this year, and throughout the week there will be much emphasis on schools as the bulwark of democracy.

During Education Week, or at any time during the year, it will help public support and public appreciation of the schools to show parents and others what actually goes on in the classroom to strengthen the foundations of democracy.

American Education Week which begins Nov. 7, will be observed in the local public schools. The junior and senior groups will be shown movies entitled "Choosing Your Life's Work." The kindergarten, through grade 6, are planning to carry on the usual class activities and parents are invited to attend any morning session during American Education Week.

REV. MATTHEW J. BETZ, Superintendent of The Methodist Home, is shown above as he turned the first earth in ground-breaking ceremonies to begin construction of a new wing to the Home. Pictured with Rev. Betz are Rev. Benjamin F. Holmes, President of the Board of Trustees of the Home, and O. C. Kimball of Hillsdale.

Ground-Breaking Ceremonies Start Work on New Wing to Methodist Home

Favored by beautiful weather, the ground-breaking ceremony for the new wing at the Chelsea Methodist Home took place Wednesday, Oct. 27, shortly after one o'clock in the afternoon.

Rev. Benjamin F. Holmes, president of the Board of Trustees of the Home, was in charge of the service, and Rev. Frank Fitch, Ann Arbor District Superintendent, offered prayer. Rev. Matthew J. Betz, Superintendent of the Home, read from the Scriptures.

Appropriate remarks were made by the chairman who then introduced the architect who designed the new wing, Lynn W. Fry, of Ann Arbor, and also, Mr. North of the North-Moller Construction Company of Jackson, the builders.

New platters were presented to the Home for breaking the ground and were used by Rev. Holmes, Rev. Betz and O. C. Kimball, of Hillsdale, who, together with his wife, gave \$100.00 toward the cost of the new building. Mr. Kimball spoke briefly, stating that he and his wife were influenced in their decision to make their gift when they made a visit to the Home and learned of the need for additional quarters.

A number of pictures, including the one above, were taken, and these will be filed for historic purposes.

Immediately after the services, workmen began excavating operations. The new four-story building will contain forty-seven rooms, sun-parlors, an elevator, and storage space, and will be constructed of brick, matching the main building and the new wing. The new wing is to be added at the south of the already existing building.

It is estimated that two hundred calendar days will be required to complete the building.

Meeting Is Planned To Organize Junior Livestock Club Here

An important meeting of FFA and 4-H club organizations will be held Tuesday, Nov. 9, at 8:00 p.m., in the High school gymnasium for the purpose of forming a Junior Livestock Club.

Thomas Bust, County 4-H leader has arranged to have the Blank, Michigan State Livestock specialist, take charge and discuss plans and possibilities for a livestock club for this community.

Parents of 4-H and FFA members are invited to attend this meeting to learn of the plans. Function of a Junior Livestock club would be to locate feeder steers, first class dairy calves, pigs, and sheep and aid in obtaining better livestock projects for the Junior Livestock Farmers.

E. G. Van Riper heads the committee made up of local business men and farmers, which will assist the FFA under the direction of Marshall Richards, and 4-H clubs directed by Thomas Bust, County 4-H leader.

Truck Loaded with Furniture Burns Sat.

A truck, loaded with furniture, was completely destroyed by fire shortly after midnight Saturday on U.S. 12 a short distance west of M-92.

The driver and owner of the truck is Peter McEvoy, of South Haven. Property damage was estimated at more than \$5,000. The Chelsea fire department answered the alarm.

OES Installs Officers for Coming Year

Installation of newly-elected and appointed officers of Olive Chapter No. 108, OES, took place in the Masonic Hall here Wednesday evening, Oct. 27, before a large crowd of members and friends.

The installing officer was Mrs. Wilma Miller of Paw Paw, a former Chelsea resident and a past matron of the local Chapter. Mrs. Helen Baxter was the installing marshal, Mrs. May Luick the installing chaplain and Mrs. Leah Smith the installing organist.

The Chapter room was beautifully decorated for the occasion with bouquets of fall flowers and leaves and with potted chrysanthemums.

After the retiring worthy matron, Mrs. Esther Lucht, had called the installation meeting to order she bid goodbye to her staff of officers assembled in a circle around the altar and, as Mrs. John Osterle, guest soloist, sang "Without Your Love," Judy Davidson and Connie Ann Steinbach, in floor-length gowns, presented gifts to each of the out-going officers on behalf of Mrs. Lucht.

Officers were then installed in the impressive installation ritual in the following order:

Worthy matron, Janis Van Riper; worthy patron, Olive Weir; associate matron, Helen Leggett; associate patron, Franklin Gee; secretary, Lenore Schmidt; treasurer, Lila Ashraf; conductress, June Robinson; associate conductress, Leila Weir; chaplain, Helen Baxter; marshal, Esther Lucht; organist, Hazel Wacker; Adah, Arlene Larson; Ruth, Martha Davidson; (Continued on page five)

Two Persons Hit by Autos Saturday Eve.

Two Chelsea women were struck by automobiles driven by local drivers, within an hour and a half of each other, Saturday evening, Oct. 27, at the corner of Main and Middle streets and the other at Main and Park streets.

The first accident occurred about 6:15 at the Middle street intersection when Lyle Chriswell made a left turn from East-Middle to Main Street and struck Mrs. Myrtle L. Miller, of 428 West Middle street, who sustained a fractured right leg. Mrs. Miller was picked up and taken to St. Joseph's Mercy hospital, Ann Arbor, by ambulance. Before police arrived at the scene of the accident.

In the second accident, at 7:45 p.m., at the corner of Main and Park streets, Mrs. Anna Reichert, 12290 U.S. 12, suffered a fractured skull when she was knocked to the pavement by a car being driven north on Main street, by William Hitchingham.

Mrs. Reichert was taken to a local physician's office and later removed to St. Joseph's Mercy hospital. It was thought that she would be able to return to her home yesterday or today.

Police Ask Special Care in Handling of Accident Victims

The Chelsea police department again emphasizes the rules for the proper procedure to follow when an accident resulting in personal injury has occurred.

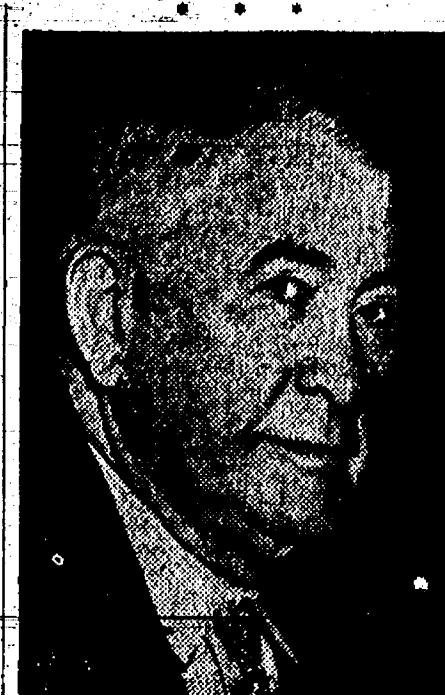

If a police officer is not present to handle the situation the first thing for a bystander to do is call the sheriff's department or the police department, stating clearly the location of the accident and whether an ambulance is needed.

NEVER move an accident victim before police or an ambulance arrives. Police and ambulance personnel are trained in the care of accident victims and will move them with the least possible danger. Careless handling may cost an accident victim his life.

Another rule police officials stress is that any vehicle involved in an accident is to be left where it stands and not to be moved until police or sheriff's officers arrive on the scene.

The indiscriminate calling of ambulances is also discouraged. After police or sheriff's officers have been notified of an accident and advised that an ambulance is needed, nothing more should be done until the police or the ambulance arrives.

Very often several ambulances arrive on the scene of an accident after being called by excited onlookers, when only one is needed. This causes needless expense and inconvenience to owners of ambulances and often results in one establishment being swamped with calls.

ALBEN W. BARKLEY
Newly-Elected Vice-President

At 11:15 a.m. Wednesday, Republican presidential candidate Thomas E. Dewey conceded defeat to President Harry S. Truman, after one of the closest popular votes in years.

Throughout the night and during the early morning hours it seemed to the millions who were eagerly awaiting vindication of a trend which would permit them to forecast the outcome, that no candidate would receive a majority of electoral votes and the election would consequently go to the House of Representatives.

Incomplete returns as we go to press, indicate that the Democratic party will hold a majority in both the Senate and House.

Kiwanis Kiddies' Halloween Party Is Huge Success

The Kiwanis Halloween party for the youngsters of Chelsea Saturday night was, as usual, a very successful affair, beginning with a parade that was "bigger and better than ever," according to those who witnessed it. Kiwanians themselves, appeared in costume and added to the hilarity of the evening, both at the parade and at the entertainment which followed in the High school gymnasium.

Refreshments of cider and doughnuts were served around the bonfire on the school grounds.

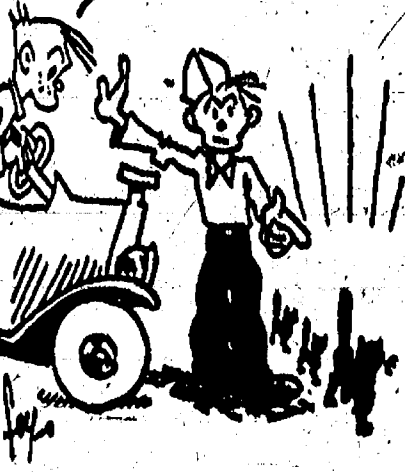

Under the direction of Gayle Grove, the High school band opened the program in the gymnasium by playing several numbers.

Prizes for the floats and costumes were then awarded as follows by John Keusch, chairman of the judging committee:

Floats—1st, \$10, Child Study Club, "Flower Garden," 2nd, \$5, Seventh grade, "Giraffella and Her Pumpkin Coach," 3rd, \$2, Eighth grade, "Fashions of '53."

When Names Are Colored

Israeli or Israelite could as well be called an Italian, in the manner of the Brazilian, Egyptian or Babylonian. He could be an Israelite, following the form for the man from China, Japan, Siam or Portugal. Taking a hint from the book of the New Yorker, the Asiatic, the Frenchman, or the Nazarene, he could be, respectively, an Israelier, an Israelic, Israelman, or Israelene, notes the National Geographic society.

Weight Tax Funds

Payment Is Now Being Prepared

Lansing—Vouchers for returning to the counties, cities and incorporated villages of Michigan the \$1,637,267.95 collected in weight tax by the state during the third quarter of 1948 have been prepared by the State Highway department and sent to the Auditor General's department for payment. Highway Commissioner Charles M. Ziegler reported.

All weight tax money is returned to the counties, cities and villages for expenditure on local roads and streets, under provisions of Oct. 302, Public Acts of 1915.

The third quarter payment makes a total of \$3,146,127.83 collected in weight tax during the first three quarters of this year and returned to the counties, cities and villages as provided by law. This is an increase of more than \$4 million over the weight tax collected in the first three quarters of 1947.

As their share of this payment Jackson county will receive \$2,533.14 and Washtenaw county will receive \$27,528.47.

McLaren Com. Club Holds Hallowe'en Party Friday Eve.

With a setting of fall leaves and pumpkins and long, gaily decorated tables, 57 members of the McLaren Community club, dressed in overalls, bright shirts and call-cos, enjoyed the Harvest supper and evening of fun at the home of Mr. and Mrs. Harold Shepard, Friday evening.

A planned pot-luck supper of baked ham, escalloped potatoes, potato salad, squash, baked beans, escalloped corn, escalloped salmon, homemade rolls, pickles, pumpkin and apple pie, coffee and a huge birthday cake, made everyone glad he had come. Mrs. M. L. LaChapelle, Mrs. Douglas Weese and Mrs. William Bahnmler had planned the menu. Mrs. Donald Herrat, Miss Elizabeth Zahn and Arthur Kuhl assisted Mrs. LaChapelle and Mrs. Shepard in serving.

The beautiful, white birthday cake was presented to Harold Shepard by Mrs. LaChapelle, who had baked it. The group presented him with a box of cigars. The rooms were cleared of tables for a brief business meeting in charge of Earl Bauer, the new chairman. Incomplete plans were begun for a hot lunch program in the school. The mothers will meet soon with Mrs. Loose, the teacher, to complete the program.

Mrs. Clarence Reddeman and Mrs. Douglas Weese will be hostesses to the next meeting, Nov. 19, at the schoolhouse. Each family is requested to bring five or six "white elephants" wrapped as prizes for games.

Hilarity and fun ran high for the next couple of hours, with Clarence Reddeman, Glen Wiseman and Harold Shepard in charge of games for young and old. Square dancing closed the evening's festivities.

Families present were the M. L. LaChapelle's, the Arthur Sias's, the Rudolph Zahn's, the Frank Reddeman's, the Clarence Reddeman's, the William Bahnmler's, the Don-

From where I sit... by Joe Marsh

"Husbands, Wives, and Marriage"

Maybe you read that survey published recently in a national magazine, entitled "Husbands, Wives, and Marriage."

It showed that among happily married couples, those who criticized themselves outnumbered those who criticized the other person. Among unhappily married couples, it was just the opposite—each one tended to criticize the other.

That's the way it is in our town, as I guess it is in yours. Criticism, whether it's of a wife's taste for hats, or a husband's taste for pipe

tobacco and an evening glass of beer or ale, is a sure start towards unhappiness.

As for what made happy marriages, companionship within the home was listed most important of all. And from where I sit, husband and wife who can spend an evening by the fire—with nothing more exciting than a mellow glass of beer, and a friendly conversation—are a truly well-matched couple!

All-New Fireball Engine — Yours without Delay

WINTER'S the time when an old engine really bogs down — when weak sparks fail to fire a charge of gas — when worn rings and compression leaks get in their dirty work.

But we've got the answer, right here waiting for you. We've got a brand-new Buick Fireball engine that will fit right in your prewar car — any Buick built since 1937.

In 12 to 15 hours — at a cost only slightly above a thorough overhaul — we can take the weary engine out of your Buick and put in a brand-new power plant.

These engines are built on the same assembly line as the engines in 1948 Buicks. They bring you all the 1948 engine features. They're all new — new pistons, rings, pins. New clutch and carburetor. New spark plugs, new wiring. Everything listed in the panel shown is yours in this "power package."

Best of all, there's no waiting. Engine output at the factory is running ahead of car production — so your 1948 Fireball engine is waiting for you right now.

Steal a march on winter today. Come in and get all the facts — including our easy-pay terms.

WATCH FOR

The Kiwanis club is sponsoring the annual amateur show tonight and Saturday night in the gymnasium.

The football team plays Flat Rock here tomorrow night at 8:00 p.m. The final game of the season will be against Manchester on Friday, Nov. 12, at the local athletic field.

SHOULD CHELSEA HAVE A "TEEN CANTEEN?"

The Journalism Club of Chelsea High definitely believes it should. In order to "get the ball rolling" they had an opinion box. If the entries received mean anything, there will be no canteen. In two weeks about ten opinions were

dropped in the box. Even then some just said "yes" or "no." The young people of Chelsea "cry" for more entertainment in the evenings and yet when someone tries to help them start something, few cooperate.

Some people are cooperative and here are some of the suggestions received by the club.

Some suggested the Town Hall or Municipal building, but the best suggestion was to get the town authorities to help secure a place which could be the students' own building.

If a suitable building is secured, ping-pong tables, shuffle board courts, a dance floor, a handicraft section, and a snack and coke bar could be set up. Maybe we could even get a rink for skating!

One person stated that the old excuse for entertainment is to go to the show. Yet, how can you always go to the show with only three different ones a week? The older people complain that all the students do is "walk the streets." If a place were available to which students could go on various evenings, there wouldn't be this lingering on street corners. If the students started a campaign to eliminate these crowds, Chelsea would be better, the students would be happier, and everybody would be satisfied. Other towns have done it. Can't we? Let's show some initiative, cooperate and get a canteen started before it's too late!

IT'S THE LATEST—DOPE!

The new cheerleaders will be selected by direct election tomorrow morning at the pep meeting.

The Student Council has decided to once again have boy and girl relationship meetings.

Preparation is under way for the "Hag" dance which will follow "Sponge Week." The GAA is the instigator of the whole works.

A junior band has been organized. It consists of members from the seventh and eighth grades. The topic of conversation at the

TRUTHFULLY SPEAKING

What's the matter with our school dances? There is nothing so wrong about tripping the light fantastic! Let's blame ourselves for a change. Could it be that we lack what is known as school spirit? We must admit our dances used to be a "flop," at least some of them. This year we are showing a little more enthusiasm, but it takes a lot more than this. We complain about the dances being so dull and lifeless. If each and every one of us was a bit more friendly toward each other it would help a great deal. Remember the next fellow is probably just as shy as you are. Why not give him a little more courage by being friendly? That way, we would all have a much better time. Well, then, let's all cooperate and make our school dances a big success. How about it?

Hi-Y meeting was "going steady." (Bet it was interesting!)

The Ninth grade is the winner of the \$5.00 prize for having the most parents present at the PTA dinner, Oct. 25.

Marty Tobin has resigned as president of the Sophomore class. This place is being taken by Buddy Johnson.

the one and only Ted McClear, was born Aug. 16, 1932. This sweet and innocent "waver buttons" was soon christened James Terrance, but is better known to his classmates as "Ted."

For favors, he enjoys sitting down to a delicious dinner of fried chicken with "You Were Only Fooling" softly playing in the background. (By the way Ted, who is foolin' you?) His favorite movie is "The Outlaw" and for recreation, he enjoys "smooching." (For place, he's not particular!)

Besides being popular with the feminine gender, he also rates high in his school activities, which have included Hi-Y, Student Council, football, baseball, Speech and Latin Clubs.

Ted has been elected vice-president of his class during both his sophomore and senior years. He has been president of Latin Club and is now secretary of Hi-Y.

His plans after graduation are indefinite.

THE VACUUM CLEANER

WE PICK UP ALL THE DIRT!

Why are so many of the GAA girls interested in track? A good guess would be that they meet the same time, and place as the football team does when practicing!

Do you have a stray kangaroo or maybe a wildcat at home that you would be willing to lend the Art class for posing purposes? Dick Seely's monkey proved to be a gay, unusual diversion. Nothing like something different.

Hurray for the Seniors! They finally got some support from the faculty for their Senior play. Mrs. Magiera, Miss DeRose, Miss Betley, and Mr. Fischer have offered their services in helping present the play which is scheduled in early December.

Attention all you unwary males! Your money shall be saved, but your doom is inevitable! Sponge week is approaching and the girls are scheming already!

Does anyone know how the "Waver Buttons Club" started? Their talk is driving us away! When did Johnny Popp become the great Casanova? (Careful, Stoffer, dangerous competition.)

How does P. Schablie meet the Michigan men? Boy, don't you wish you had a brother!

These Sophomore boys really go for the redheads. They always have all the luck!

Jackie, can't you make up your mind? Most females are lucky to have one!

Marlene and her little Ford pickup finally met their Waterloo. Nothing like a dead-end road to foul a person up on a dark, dark night!

George A. Runciman, pioneer resident of Sylvan township, died at his home on Harrison street Friday, October 17, at the age of 73 years. Rev. C. S. Risley officiated at the funeral service and burial took place in Mt. Hope cemetery, Waterloo.

Congressman Earl C. Michener, of this district, will be one of the speakers at a republican rally scheduled to be held at the town hall Tuesday evening, Oct. 28, at 7:30 p.m. Attorney Roscoe Bonisteel, of Ann Arbor, will also address local republicans on issues of the campaign.

The Princess Theatre on Tuesday finished installation of a new Mazda motion picture projector, made necessary by the changeover from direct to alternating current. The machine is the latest word in this type of construction and was installed at a cost of several hundred dollars.

Among the latest industries to make its appearance in or near Chelsea, is the fox ranch recently acquired by J. D. McManus, local photographer, who, after more than a year's experience in the silver fox-raising business, decided upon the purchase of six acres west of town on M-17, from W. E. Boone, and late Friday night returned home from a trip north bringing four pairs of fine foxes with him. James Bain will be in charge of the ranch and will live on the premises in the ranch house recently built there.

With a large number of visiting members and guests present, the eighty-second annual meeting of the Jackson Association of the Michigan Congregational Conference opened at First Congregational church, Chelsea, Tuesday morning and continued through the day and Wednesday. Churches represented included: Ann Arbor, Dexter, Hamburg, Jackson Fires, Jackson Plymouth, Leslie, Pinckney, Sandstone, Union City, Webster, Ypsilanti and Chelsea.

Girls should be conscripted and taught the domestic arts, and thus relieve the house-help shortage, declares a New Zealand statesman. Paving on South Main street is expected to be finished this week if prevailing fair weather continues. Plans are discussed for laying cables for boulevard lights while the curbs are all torn up, the main question being "how to raise the funds."

On Friday, Oct. 24, Mr. and Mrs. Jabez Bacon were surprised with a celebration of their Golden Wedding at the Maccabee hall. Their eleven surviving children and their families and the children of their deceased daughter, Nellie, were all present at the gathering. Lady Maccabees served the three-course dinner to the more than forty relatives and friends present.

Advertisements in this week's issue of The Standard include the following: candy special at O. D. Schneider and Co., Brooks chocolate creams, 39c per pound; salted peanuts or fresh roasted peanuts at Freeman's, 20c per pound; and radio sets at \$35 and up at E. J. Claire and Sons, who advise buying radios in the fall at the "beginning of the radio season" when cooler weather atmospheric conditions favor perfect operation of radio apparatus.

Chelsea Kiwanians and their ladies on Monday evening enjoyed what has been unanimously pronounced as the most entertaining and instructive session yet held by the local club. Albert E. Buss, of Detroit, entertainer, impersonator, musician and lecturer talked and sang, and the Misses Ruth and Esther Bauerle of Lansing, played several piano duets. Miss Ruth Bauerle also entertained with vocal solos, accompanied on the piano by her sister.

The Chelsea and Jackson High school football teams played a game in Jackson last Friday afternoon, the Chelsea team capturing the game with a score of 13-6. Dr. H. J. Fulford has purchased a 1916 model Ford runabout and Emory Chipman has purchased a 1916 model five-passenger Overland touring car.

Mrs. L. T. Freeman, who has been spending the past three weeks in New York City, taking lessons in china-painting, returned home Sunday.

A number of Odd Fellows who reside in this place are making an effort to organize a lodge in Chelsea, and it is expected one will probably be organized here in the near future. "Under" happenings of 40 years ago" (1874) are listed the following: Saturday evening a barn belonging to Fred Girbach was burned and John Bagge, butcher, lost a valuable horse in the fire; also, married on Saturday, October 24, 1874, Miss Eliza Hook Franklin and Jabez Bacon, both of Chelsea. Rev. Benjamin Franklin officiating. At the Western Washtenaw Farmers' Club meeting to be held Friday, October 30, 1914, at the home of Mr. and Mrs. N. W. Laird, the program will include an address by Prof. O. K. White, of the Michigan Agricultural College and, immediately after dinner, a foot race headed by Earl Lowry and Geo. K. Chapman.

Thursday, Oct. 29, 1914

Five loads of Chelsea-Boy Scouts went to Stockbridge Saturday afternoon for the football game between Chelsea and Stockbridge scouts, which Chelsea won by a score of 37-0. The boys went to Stockbridge in touring cars of W. B. Shepherd, S. P. Foster, F. L. Davidson, S. A. Mapes and J. G. Wagner.

Happenings in Chelsea forty years ago this week (1874) included the following: H. L. Wood was building a new residence on Jefferson street at a cost of \$1,500; Kempf Bros. were shipping two carloads of apples daily from the Chelsea station of the Michigan Central railway; and E. Hammond, J. Hudler, Dr. T. Shaw and many other residents have had wells put down at their homes because of the continued drought of over a month. The marshes in the vicinity were burning and the village was filled with smoke from the fires.

Mrs. William T. Schnatman, the former Ella May Akay, adopted daughter of Mr. and Mrs. James P. Wood, died Friday at her home near Flint where she had lived since last spring. She had lived in Chelsea until six years ago when the family went to Detroit. Burial was in Oak Grove cemetery here on Tuesday. Other obituaries in this issue of the paper were those of Francis Beeman, born in London township, April 6, 1844, who died at the home of his son, George W. Beeman, Sunday evening, and Mrs. J. B. Beisel, the former Sarah Staffan, who was born in Alsace-Lorraine, France, Feb. 25, 1838, and died at her home Tuesday night, Oct. 2, 1914. The funeral services for Mrs. Beisel were held Saturday in the Church of Our Lady of the Sacred Heart with Father Considine officiating, and burial was in Mt. Olivet cemetery. Mr. Beeman was buried in Mt. Hope cemetery, Waterloo, following funeral services conducted by Rev. Geo. C. Nothdurft, at the son's residence at 1 o'clock Wednesday afternoon.

Several registered Holstein-Friesian cows in the dairy herd owned by Lowell Spikes, have recently completed official production tests in Herd Improvement Registry Test, the Holstein-Friesian Association of America announces.

The highest producer was Rose Pontiac-Ormsby Pietie with a total of 451 pounds of butterfat and 14-642 pounds of milk. The test was completed in 365 days on two milkings daily and at the age of three years and 5 months.

The second highest producer was Ionia KBKO Pauline Segis with 442 pounds of butterfat and 12-956 pounds of milk made in 365 days on two milkings and at the age of seven years and nine months.

Another high producer is ASilly Ormsby Inka Supreme, who at the age of four years and eleven months, made 414 pounds of butterfat and 11,880 pounds of milk on two milkings daily in 311 days. Testing was supervised by Michigan State College of Agriculture, in cooperation with the Holstein-Friesian Association of America.

People of Chelsea...

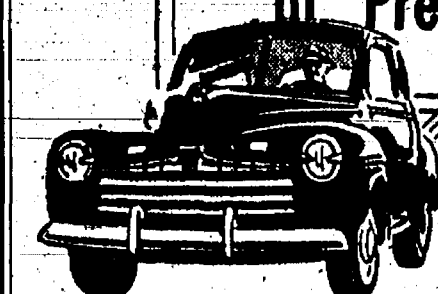

I really didn't expect to see so many of you at my opening in Ann Arbor. It was one of the most pleasant and most appreciated surprises I've ever had. Believe me, you made things a lot easier for me on that "big" day.

Sincerely,
Walter Aupperle.

When a manufacturer produces a car so obviously ahead of the times as the Futuramic Oldsmobile, it's only natural that demand for that product should break all records. Add to this today's pent-up need for automobiles—plus continuing shortages of steel and other critical materials—and you'll see why we have a real problem on our hands. We value the good will of all our customers. We would like to provide all our customers with new Oldsmobile cars. But unfortunately, this can't be done overnight. That is why we are taking this opportunity to reaffirm publicly our POLICIES ON PRICES AND DELIVERIES. We believe that under present circumstances these policies constitute a sound basis for "fair play" to everybody. And we hope that, on this basis, we may continue to serve you.

FOOTBALL ...

(Continued from page one)

In one attempt to get back into the ballgame, Dundee tried a reverse from punt formation, only to have it backfire, and Chelsea took over on the Dundee 40. Sticking to straight, power football, they went the distance in 9 plays for their last score of the game. Dave Knickerbocker carried on five of the nine plays, plunging through center each time.

From the 8-yard stripe, Stan tried to pass to brother Dave for the score, but he was covered, so

Stan continued on around right and scored his second touchdown of the night. Heydlauff's fourth try was good, and that's the way the game ended, 28-13.

Chelsea played good ball last week as they ran up against a ball club more their own size and experience. It was a good team win, but the two Knickerbockers, Dave and Stan, Bob Robbins and "Red" Myers looked especially good on defense, and Dave and Stan, Robbins and Bobby Vogel ran very well on offense.

Dundee rolled up 14 first downs to Chelsea's 11, but couldn't hit in the clutch. The Vikings did

have some tricky spread formation plays though, and they gave Chelsea trouble. The Vikings are coached by a former local star, "Chuck" Lane, and we are certain everyone here wishes him luck on his first job, regardless of his luck at Chelsea last Friday night.

Tomorrow night the Bulldogs meet the Rams of Flat Rock here at the local field at 8:00 o'clock. Flat Rock, defending champions of last year, is currently tied with Komulur for the loop lead.

See you at game time!

Detroit Home Is Entered by Thieves

Mr. and Mrs. Wayne Wiseman of Detroit, who came Saturday to spend the week-end here with Mrs. Wiseman's mother, Mrs. M. J. Baxter, were called home early Sunday morning when police discovered that their home had been entered in the night and ransacked. The discovery was made by police officers who were scouting the neighborhood after receiving reports of twenty thefts in the vicinity the same night.

When the Wisemans reached home they found a half dozen new sheets were missing as well as pillow cases, a large stack of almost new bath towels, a number of white shirts belonging to Mr.

Wiseman, Mrs. Wiseman's winter coat and numerous other articles. Watches belonging to both were not taken, but a watch chain and gold knife attached to Mr. Wiseman's watch had been removed and were missing.
