

Bulldog Eleven Loses Game to Flat Rock in Final Minutes of Play on Rain-Soaked Field

Manchester Renews Traditional Rivalry Here Friday Night

By DWIGHT GADD

Chelsea's Bulldogs rose to the heights of rain and mud last Friday night as they fought and out-played the favored and highly regarded Flat Rock Rams, only to lose in the last two minutes of play, 7-0.

For the local eleven it was a heartbreaker to lose. They played their best game of the season and deserved a tie, at least. It would have been a great consolation prize for the Bulldogs, because the Rams were the only team to defeat Chelsea last year, and that one game gave the champions' crown to Flat Rock with the Bulldogs finishing runners-up.

The weather was anything but conducive to enjoyment of a game from the crowd's standpoint, and there were only a few hardy souls who braved the elements for the night. One of the officials glanced at the empty stands and declared just before the kick-off that anyone there who didn't have to be there "either intensely loyal or incurably crazy." It rained steadily until early in the third quarter, and for the whole game, of course, the field was very muddy and slippery.

Flat Rock's lone score came on an underscore, because with only two minutes of the game remaining, with a first down on their own 34, Chelsea attempted a pass from the back lateral series. After taking the lateral, Stan Knickerbocker dropped back to pass, but he was rushed badly and instead of holding the ball he attempted to throw just as he was hit. The pass was short and wobbly, and Ram quarterback, gathered it in on the Chelsea 45 and raced to the 8 before Stan knocked him out of bounds. This was the spark and the chance the Rams needed. On the third play Don Schweitzer bucked over from a yard out for the score, and then plunged over the extra point, to make it 7-0.

When the gun-sounded the Bulldogs were on the Ram's 5-yard line with second down and goal to go, but the time ran out on them. Chelsea got that far in the first minute of the last quarter, too, but lost the ball there on downs. Dave Knickerbocker set up this earlier threat as he raced from the Chelsea 26 to the Flat Rock 15, a run of 48 yards, and they could get only six yards in four plays.

There was one odd phase of the game that is rarely seen. Ted Slane, Chelsea punter, attempted four punts and wound up with a negative 5.25 yards per kick as all four kicks were blocked by the Ram line. All four times Flat Rock had the ball deep in Chelsea territory, but on each occasion Bulldogs rose up and threw them back.

Chelsea rolled to 14 first downs while Flat Rock garnered but 9. In the air, Chelsea completed 8 of 16 throws, while the Rams could do no better than 3 for 10. The Bulldogs led in everything except the score, but that's what they pay off on.

Tomorrow night it's the traditional rivalry game with our neighbors to the south, the Fighting Dutchmen of Manchester High. Year in and year out this is "the" game for both schools and the feeling always runs high. It is one of the oldest rivalries in this part of the state, and while both clubs have had only mediocre seasons, records mean nothing when the Bulldogs and the Dutchmen square off.

See you at game time!

Wins Refrigerator on Radio Quiz Program

Raymond D. Gadd, 203 West Middle street, is the owner of a new Westinghouse refrigerator, which, according to Karl Koenig, local Westinghouse dealer, was sent here marked for delivery to Mr. Gadd for answering correctly a question asked on the "Hit the Jackpot" program.

"When asked what the question was that he answered, Mr. Gadd said he really couldn't remember; that early last summer he sent in a number of answers to questions asked on several programs and he is not certain which one earned him the refrigerator."

He has written to check on the matter but had not yet received an answer to his letter on Tuesday. However, he does have the refrigerator which was installed in his home last week.

Methodists Hold Family Night as Farewell to Olins

The Family Night dinner at the Methodist church last Thursday was exceptionally well attended, the program which followed taking the form of a farewell to Mr. and Mrs. Philip Olins, who have recently moved to Ann Arbor after more than ten years residence in Chelsea.

While they made their home here, Mr. and Mrs. Olins have been very active in the work of the church and in social and civic activities in the community. The after-dinner program opened with a devotional period in keeping with Armistice Day. This was followed by a fine tribute to Mr. Olins, given by Mrs. D. L. Gadd, and a tribute to Mr. Olins by Rev. O. W. Morrow, Mr. and Mrs. Olins responded and then Charles Cameron, president of the Fellowship club, presented the letter with a crystal bowl as a farewell gift. The bowl was filled, for the occasion, with a lovely arrangement of chrysanthemums.

Circuit Court Dismisses Ag. School Suit

The suit filed by some of the residents of the 13 school districts in this area which were consolidated into the Chelsea Agricultural School district last year, questioning the legality of the consolidation and the subsequent election of a school board for the district, was dismissed in the Washtenaw County Circuit Court Tuesday morning.

Reason for the dismissal was that the court lacked jurisdiction in the case, according to a ruling by Circuit Judge Clifford A. Bishop, visiting judge from Flint, who heard the case on Monday and Tuesday after numerous postponements during the year since the suit was begun on Sept. 18, 1947.

The Chelsea Agricultural school district has been operating during the time the suit was pending, under an agreement between board members and the residents of the districts who brought suit against the consolidated district.

Kiwanis Has Ladies' Night Monday Eve

The Kiwanis club held its annual Ladies' night at the Municipal building, Monday evening, Nov. 8, with 85 persons present, including members, wives and guests of Kiwanians, school board members and teachers.

The evening's program included two impromptu quartets, the first composed of Kiwanians—Rev. O. W. Morrow, Wally Grossman, Vic Kohnman and A. D. Mayer, and the second, of members of the school faculty, Superintendent Albert C. Johnson, Charles Cameron, Edward Benjamin and John Magiera.

Also featured on the program were two U. of M. students who had appeared in the Amateur show—Floyd Werle, pianist, and Delores Gillian, marionette player.

The speaker of the evening was Miss Alberta Worden, of Michigan Center, lecturer on subjects pertaining to Alaska, who lived in Alaska for two years, has made three trips there and returned only last week from her most recent trip, having been there since June.

She described the people and their customs and showed colored film slides of Alaska. She also exhibited costumes that are worn there.

4-H Club Members Honored at Annual Fall Achievement Program Held in Ann Arbor

Body of Pfc. Koch Being Returned for Burial Here

The Department of the Army announced Monday from the headquarters of the Michigan Military District in the Federal building in Detroit, that the body of Pfc. Earl C. Koch was among the 7,129 which were returned to the United States from Italy aboard the U. S. Army Transport Lawrence Victory.

The Army stated that next of kin are notified in advance of the arrival of the vessel, and notified again after arrival of the remains at the regional Distribution Center of the American Graves Registration Service.

Chris Koch, the serviceman's father, received a telegram Wednesday of last week advising him that the body of his son was en route to the United States. He has made arrangements with the State funeral home here where the body will be taken upon arrival in Chelsea and where funeral services will be held. Military rites will be in charge of the two veterans organizations of Chelsea, the VFW and the American Legion.

Funeral services will be set following notification of the time of arrival of the body which will probably be in about two weeks.

Pfc. Koch was inducted into the Army and left to enter the service on Nov. 9, 1942. He was wounded in action in Italy on Sept. 22, 1944, and died five days later.

Final Fall Clean-Up on Park Today

Clean-up work on the Pierce Memorial park project is to be continued this afternoon (Thursday) beginning at 1 p.m., after a lapse of two weeks during which Kiwanis members who have helped each time work was done, were busy with arrangements for the youngsters' Halloween party and the Amateur contest.

A special appeal is being made to factory workers to come out after work and help until dark. Because of the lateness of the season it is thought that this will probably be the last time this fall that any large scale clean-up work can be done.

A good showing has already been made in clearing the four-acre plot of weeds and underbrush, and if a large enough crowd will turn out today, the job can probably be completed to the point where it could be left for the winter.

As has been stated before, the tools that are most useful and necessary are brush hooks, axes and shovels, and anyone having any of these articles is asked to bring them along. Tractors and Jeeps are also needed for the job. Arrangements have been made for refreshments to be served on the job to all workers.

Other business included voting to send \$25 to the VFW Cancer Research project and then a report was given of the party given for about 150 veterans at the Dearborn hospital Saturday, Oct. 30. Older and doughnuts were served after games had been enjoyed and prizes were awarded the winners. The twenty cartons of cigarettes divided among the players as prizes were a donation of the local Post of the VFW.

Those from Chelsea who attended the hospital party were Mrs. Gladys Westervaux, Mrs. Otilla Guenther, Mrs. Estella Light, Mrs. Iza Carty, Mrs. Gertrude O'Dell, Mrs. Josephine Hochrein, Mrs. Mary Knies and Eleanor Embury, with Ren Hutzel and Jerry Hutton.

PILGRIM FELLOWSHIP NEWS
Fall meeting of Jackson Association Pilgrim Fellowship.

Theme: Flight to One World Through Christ.

Time: Sunday, Nov. 7, 1948, 2:30 p.m.

Address: Wheatland Congregational church.

"Oh where is Wheatland?" was the urgent question of many P. F.'ers as they tried to be on time for the beginning session of the Jackson Association meeting Sunday. Since many groups were lost, and did not arrive until quite late, the 5:00 p.m. session entitled "Take Off with Worship," directed by Rev. Clark Adams, did not start until much later. Following talks and discussion given by Nancy Bender of Ann Arbor on the program of the United Christian Youth Movement and our part in it, and by Rev. Wm. Matters, the new director of Christian Education and Young Peoples' Work for Michigan Congregational Conference; his subject was on "The Course We Want to Fly in Co-operative Youth Work."

"At approximately 5:00 p.m. a surprise landing was made, old friendships were renewed and new ones formed, as we played different 'get acquainted' games and danced."

The time to re-fuel finally came at 5:45 and everyone was very hungry. After a very delicious meal, a business meeting was held and we discovered that seven P. F.'ers and four adults had traveled to Wheatland from Chelsea.

Namely: J. McClure, E. Geddes, D. Maroney, A. Musbach, W. Aldrich, R. Eder, R. Steinbach, Mr. and Mrs. M. W. McClure and Mr. and Mrs. H. D. Leary.

When everyone had re-fueled, a film strip, "Pilgrimage to Amsterdam" was shown so that everyone might see how the world council of Churches is leading us to One World Through Christ.

The last half of the evening session began with "Music in the Airways" made up of vocal and instrumental members of the Dundee and the Pinckney groups.

"Oh where is Wheatland?" was the urgent question of many P. F.'ers as they tried to be on time for the beginning session of the Jackson Association meeting Sunday. Since many groups were lost, and did not arrive until quite late, the 5:00 p.m. session entitled "Take Off with Worship," directed by Rev. Clark Adams, did not start until much later. Following talks and discussion given by Nancy Bender of Ann Arbor on the program of the United Christian Youth Movement and our part in it, and by Rev. Wm. Matters, the new director of Christian Education and Young Peoples' Work for Michigan Congregational Conference; his subject was on "The Course We Want to Fly in Co-operative Youth Work."

"At approximately 5:00 p.m. a surprise landing was made, old friendships were renewed and new ones formed, as we played different 'get acquainted' games and danced."

The time to re-fuel finally came at 5:45 and everyone was very hungry. After a very delicious meal, a business meeting was held and we discovered that seven P. F.'ers and four adults had traveled to Wheatland from Chelsea.

Namely: J. McClure, E. Geddes, D. Maroney, A. Musbach, W. Aldrich, R. Eder, R. Steinbach, Mr. and Mrs. M. W. McClure and Mr. and Mrs. H. D. Leary.

When everyone had re-fueled, a film strip, "Pilgrimage to Amsterdam" was shown so that everyone might see how the world council of Churches is leading us to One World Through Christ.

The last half of the evening session began with "Music in the Airways" made up of vocal and instrumental members of the Dundee and the Pinckney groups.

The Lowly Mushroom
Romans referred to mushrooms as "food of the gods." They have always been considered a delicacy, a fine food to be eaten slowly and enjoyed. Until the 17th century only wild mushrooms were served. It was in France during the reign of Louis XIV that mushrooms got their start as a cultivated crop.

MRS. EDWARD RENZ

Jahn-Renz Nuptials Spoken Recently in Cedarburg, Wisconsin

Miss Ruth Jahn, daughter of Mr. and Mrs. Carl M. Jahn, of Thiensville, Wis., became the bride of Rev. Edward Renz, of Scottville, Mich., son of Mr. and Mrs. Lewis Renz, of Chelsea, in a ceremony performed recently in Immanuel Lutheran church in Cedarburg, Wis., by the Rev. Peter Buenting. The bride's attendants were her cousin, Mrs. Marion Otto, as matron of honor, and Mrs. Doris Lange as bridesmaid. Both wore taffeta gowns featuring hooped skirts, the former's in American Beauty shade and the latter's in peacock blue. Both carried floral muffs of pom-poms and tallman roses, and wore halo-shaped headpieces of daisy mums.

The bride's gown was of old ivory satin edged with lace and trimmed with seed pearls and beading matching the crown-shaped headpiece which held her fingertip veil in place. Her cascade bouquet was of American Beauty roses and ivy and she wore a three-strand necklace and bracelet of pearls which were a gift from the bridegroom.

Raymond Renz assisted his brother as best man and Carl Jahn, Jr., brother of the bride, and John Westendorf were the ushers.

Following the ceremony a reception was held at a tea room in Thiensville for about 200 guests. After a two-weeks' trip through the New England states and Canada the couple will live at 304 East Main street, in Scottville.

The bride's mother, in a dark green gown, wore a corsage of white pom-poms, while Mrs. Renz, in black with blossom pink trimming and accessories, wore a matching corsage.

The bride is a graduate of Cedarburg High school, while the bridegroom, a graduate of Saginaw

High school and Watertown college, Wis., took his seminary work at the Thiensville Lutheran Seminary.

PONTIAC

A Product of General Motors

Even Better than it Looks!

When we tell you that a Pontiac is even better than it looks, we realize that we are making a strong statement about Pontiac quality.

But here is an automobile so thoroughly good that there is no practical limit to its usefulness, if it is given the proper kind of care.

Here is a car so good that even its second and third owners pay it the highest compliments.

Here is a car so good that its dependability lasts on and on while the miles and months roll by.

Here is a car so good that owners say they prefer its performance to that of any car they have ever driven. And here is a car so good that its price on a used car lot is often far higher than the price of cars which cost far more when new.

In short, here is a car so good that it would make you very, very happy—on every count!

Please remember this when you order your next car—and order a Pontiac . . . the car that is always good, and always getting better.

General Motors Hydra-Matic Drive and White Sidewall Tires and Bumper Guards optional on all models at additional cost.

The final football game of the season is to be played here with Manchester at 8:00 o'clock tomorrow night.

"Strictly Formal," the senior play, will be presented Dec. 10, in the High school gymnasium.

The annual FFA meeting will be held in the Home Economics room next Wednesday evening, Nov. 17.

KEEP YOUR EYES OPEN

Students (and maybe teachers) are your eyes red and swollen? Do you have bags under your eyes that look as though you were taking a trip?

This proves our point then, that students don't get enough sleep. The amount of sleep students require is a question often discussed and argued about. However, most teachers and doctors agree that a student requires from eight to ten hours of sleep. Of course, this depends on the person, for some require more sleep than others. But if you lack pep, vim, and vigor, the most probable explanation is not sufficient sleep. Undoubtedly

To Dunk or Not To Dunk?

Dunking doughnuts is Sober Hopkins' favorite morning pastime... and for a long time Ma Hopkins has been trying to break him of the habit. Feels it sets a bad example for the children.

So one morning she puts a heavy frosting of chocolate on the doughnuts... figuring that will stop him. Sober thinks it over for a while and then: Dunk! Taste! Smile! And Sober compliments the misus on the lovely macia flavor!

I guess there'll always be two schools of thought: to dunk or not to dunk. But from where I sit, it's a matter of personal choice and taste—like some folks prefer beer to cider, also to beer. And the less we criticize those differences of taste, the better.

In fact, Ma Hopkins got so curious about the flavor of chocolate-covered doughnuts dunked in coffee, that she tried it herself. Now you've guessed it—she's a daily dunker, too!

Did you folks know you were housing fugitives from justice in your school, or didn't you hear about the rip-roaring party at Nellie A's? What did you kids do anyway?

Ted, why are you interested in the cost of bathing suits? Helen, did you know Sumner was as good as a clock? When we see him coming up East Middle we know it's time to go back to school. Miss Fox seemed to have some

Because of the success of their roller skating party last year, the Latin club plans on having another one this year.

The next Junior High dance will be Jan. 28.

That strange man that you might have seen visiting all the classes last Thursday was a representative from the University of Michigan. A representative comes every two years so that Chelsea High will remain on the accredited list of the University.

PET PEEVES

It seems that the students here at Chelsea High school do have pet peeves. They aren't perfect after all. Let's see just what seems to be annoying them, shall we?

C. Otto—"My sister's sense of humor."

J. O'Dell—"People who can't make up their minds as to where they want to sit."

G. Williams—"People that call me Gee Whizz."

V. Quist—"My brother, who gets the car all the time."

Joyce Hughes—"People who ask for things free."

M. Proctor—"People that call me 'Muscles'."

D. Myers—"Nothing makes me mad."

A. Mushbach—"Fingernail polish and the kind of lipstick that does not come off."

W. Franklin—"People who pull my hair."

B. Wolfe—"Coming into home room a second after the bell rings."

M. Johnson—"People who always tell me to hurry up."

P. Murphy—"Slow people!" (My little brother.)

A. Lakes—"Students who don't participate in school doing."

P. Schable—"People who act artificial."

J. Crawford—"People who say, 'Oh, never mind.'"

G. Heydlauff—"Long dresses."

S. Knickerbocker—"Girls!"

G. Dreyer—"Rakative women."

O. Johnson—"Sisters."

O. Weber—"People who argue and don't know what they are arguing about."

M. Siane—"Just people."

trouble marking history papers last week. Football boys, could you sing before the reason?

Dorothy, how come you know the name of our history visitor?

Phyllis, could you by any chance like blue Ford?

Becky, how are you coming with your sleep these days?

Girls, why did you let the air out of Norman's tires that night? You didn't want that elder-bad did you?

Who threw the airplanes on top of the lights in the study hall? Have you no pity?

Barbara, don't you wish you took art? We're going to Albion next month.

FORTY-NINERS

One of the juiciest morsels ever to come out of a meat market is Frederick Albert "Fritz" Weber. Strange as it seems, he likes steak above all other food. He is president of Hi-Y and enjoys playing baseball and cards. "Pride of the Yankees" is his favorite movie.

THE VACUUM CLEANER

WE PICK UP ALL THE DIRT

Bill, as he prefers to be called, has in his youth, attended two other schools besides Chelsea, one being Oxford and the other Circle A. After comparing the schools he agrees that Chelsea is tops, although he wishes that the courses weren't quite so limited.

Bill has held the office of vice-president of the Hi-Y. He has participated in basketball and is active in both the Hi-Y and FFA clubs. After school he has worked in the bakery and for the Department of Agriculture.

Bill does not believe that our parents should choose our friends, but rather that they give us advice on the qualities we should look for in our friends. He said, that his favorite pet peeve is "People who pretend to be what they aren't."

When he was asked to give his opinion of the "new look," he said, "I like it." Bill has made no plans for after graduation.

PEP MEETING

"Take me out to the ball game!" sang Joan Schneider to Buddy Johnson in a clever skit put on by the Sophomores last Friday morning. After this vaudeville skit, a cheer was given by the cheerleaders. Encouraging talks for the game were given by Mr. Magiera, Mr. Cameron, and the great Sophomore football players K. Proctor, George Heydlauff and Stanley Knickerbocker. Another cheer was then given.

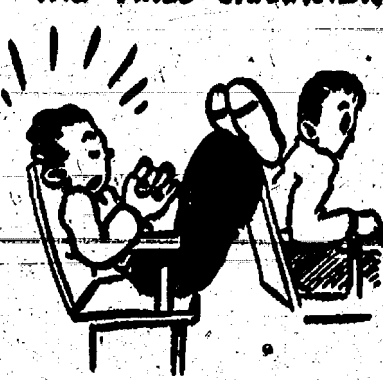

Then the entire student body were given ballots to indicate which cheerleaders they would like to

have. An entire new team of eight cheerleaders, with two substitutes, will now cheer at the games.

Fifteen girls cheered before the students and ten of these were chosen. The ten girls that were elected are: W. Eschebach, E. J. Geddes, G. Holfeld, D. Howard, Jackie Hughes, K. Lentz, J. McClure, M. Proctor, M. Proctor, and A. Schrader. After the votes were cast, Donna Kaimbach played the school song.

A LOOK INTO THE FUTURE

A look into the future was made by the seniors who attended College Day at the University of Michigan last Thursday. These students went to meetings at which a representative from a certain college spoke. Some of their reports and opinions were: "It wasn't what I expected," and "I was rather disappointed."

"It didn't live up to my expectations and really didn't do me much good."

"They stressed 'A' and 'B' averages and having your majors and minors."

There were, however, those who found it interesting. They reported: "I thought it was very helpful. The speaker from Central Michigan was very friendly and

could have talked me into going to school there."

"I'm glad I went. I'm very enthusiastic about college now. One thing wrong was that the meetings were too long. We were only able to go to two of them."

BUTTERFLIES

"My they're beautiful," "Gee, look at that one," and "Wow, look at those horns on his head!" These were some of the exclamations that were heard from the biology and FFA classes last Friday when they were shown a movie entitled "Butterflies."

This movie contained many interesting facts concerning the cabbage butterflies, the harm they do, and how to control their actions. The swallow-tail butterflies were also shown to be quite harmless. The swallow-tail group obtains its food from the parsley family.

Two FFA boys gave their honest opinion about the movie, and I quote: Walt Bauer, "It was beautiful," but Norman O'Connor had a different viewpoint on the subject. He said, "It was the dullist movie I have ever seen."

FLYING FINGERS

The faint clicking of typing keys could be heard last Friday when the typing classes were shown a movie showing the basic typing methods.

There are three classes of typewriters: the noiseless, the electric and the manual. Each typewriter requires a different operating technique.

The various parts of a typewriter were shown and the movie (Continued on page nine)

8-Letter word for "Sensation"—DYNAFLOW

ONE thing that 1948 has demonstrated—when better drives are built Buick will build them.

Ever since we introduced Dynaflo,* back in the early months of the year, things have happened to prove how true a statement this is.

Newspapers gave it headlines. Magazines wrote whole articles. Crowds gathered at gas stations to look it over. Proud owners insisted that friends slip behind their wheel and get the thrill of this new way to transmit power.

"No gears ever shift at stop lights," they explained. "No gears ever shift to give you a jack-rabbit getaway. No gears ever shift in a full day's drive. You just sit there, feed gas, and steer."

*You get Dynaflo Drives, at extra cost, on Roadmasters only.

Happy owners found they could stop half-way up a steep hill—wait for a safe chance to pass—then scoot smoothly on their way and sprint over the top just by gas-treadle pressure.

They found, when they parked, their cars would stay exactly where they left them.

They found they had out-of-this-world control on slippery pavements.

When better automobiles are built

BUICK

will build them

And they found that they got a "sweetness" to the whole feel of the car on straightaway cruising.

There's just one way for you to share this thrill through every mile of driving.

That is—place your order now. It will be for future delivery, of course. But when the happy day comes, you'll get your new Buick, with or without a trade-in.

Tune in HENRY J. TAYLOR, Mutual Network, Mondays and Fridays

BUICK alone has all these features

- * DYNAFLOW DRIVE * TAPER-THRU STEERING (Roadmaster Series)
- * QUADRAFLUX COIL SPRINGING * FLEX-FIT OIL RINGS
- * ROAD-RITE BALANCE * RIGID TORQUE-TUBE
- * HI-POISED FIREBALL POWER * VIBRA-SHIELD RIDE

FUTURE VOTERS

Before the mock election held in school, campaign speeches were given by members of the speech class. P. Schable and H. Jarvis spoke for the election of Thomas Dewey, J. Umstead and C. Holiday spoke for the re-election of President Truman, and lastly, M. Palmer spoke for the States Rights candidate, J. Strom Thurmond. The speaker for Wallace failed to appear.

Because proposals for amendments numbers 11 and V were so important to our schools, P. Kelly and M. Heydlauff urged the students to vote, according to the little ditty that became so familiar to everyone. ("No" on two and "Yes" on five, etc.)

During the day the students who had registered previously could vote in Study Hall. CHS didn't quite come in accord with the rest of the nation, for Dewey won easily here; also for governor, Sigler got the majority. It is a good thing the experts didn't take a poll here, too!

The American Government class planned the whole election (campaigns, ballots, etc.) so as to acquaint the students with voting methods. R. Lentz and M. Proctor should get many thanks for their fine work!

RADIO STARS APPEAR

The house lights dim (even though it was the middle of the afternoon) as an unexpected hush falls over the waiting audience. The curtain goes up with the strains of Chopin filling the air. The pianist seated upon the stage is Robert Drumm of NBC studios. Among the favorites played were "Claire de Lune," Chopin's "Polonaise," ("Till the End of Time"), "The Turkish March," and "The Fire Dance" by a famous Spanish composer.

Now the spotlight focuses upon the microphone where Warren Anthony (another NBC star from the Lucky Strike program) stands. His first selection was "There's a Great Day Coming." Then he sang "One Alone," "Temptation," "Night and Day," and last but not least "Song of the Open Road." The house rocks with applause while the curtain falls.

STUDENTS SAFER WITH OLDER PATROL BOYS

Since the beginning of this school year, older boys have volunteered to patrol the dangerous corners at noon. These boys are given the power to stop anyone from crossing the streets anywhere, but at the corners; also to report those who do so. The first and second offense is reported to the teachers or to Supt. A. C. Johnson. The third offense is reported to Deputy Sheriff George Dos.

As reward for doing safety work safely, the Eagles are giving the boys with the safest corner a \$5.00 award; the boy with the best attendance record a \$10.00 prize. At various times throughout the season, dinners, baseball games and swimming meets will be given the boys by the Eagles.

The patrol boys are: Seniors—D. Knickerbocker, B. Lyons; Juniors—J. Popp, R. Robbins, R. Vogel; and underclassmen, such as

D. Satterthwaite, R. Petach, J. Bakes, F. Fischer, P. Schneider, and A. Knickerbocker.

Grade News . . .

SEVENTH GRADE—Last Friday night, Oct. 29, was the first Junior High party. It turned out to be a great success.

Saturday, Oct. 30, was the Kiwanis Halloween party at school. The seventh grade entered a float which showed Cinderella and the Fairy Godmother. This scene took place when Cinderella was in rags and the Fairy Godmother was turning her into a beautiful girl. They had a six-foot pumpkin in this scene. Cinderella was Beverly Hughes and the Fairy Godmother was Judy Davison. The float won second prize.

Janet Widmayer had a birthday Nov. 5.

In Social Studies the group is giving oral reports on all that they have studied.

The seventh graders played the eighth graders in football with the eighth grade winning by the score of 12 to 6.

EIGHTH GRADE—The float was quite a success. Grade eight won third prize.

In science the group has been collecting insects and reptiles. So far we have a snake, three lizards, spiders, flies and caterpillars. They have also done experiments on plants. They had a bean growing in a wet sponge. It grew to about three and one half inches tall and then wilted.

Activities . . .

LATIN CLUB

This is American Education Week. The Latin class adapted a skit to show how American education today can be used in the home. In this skit Corsey Dreyer, acting as Papa Clark, quite unexpectedly decided to go to a PTA meeting with Mamma Clark. The baby-sitter, Ann Stonily, was played by Pat Murphy.

BAND

For the first time this season we saw the majorettes in action at the Halloween parade. Leading the field was Phyllis Hoffman, accompanied by Nellie Atkinson and Barbara Manors.

Under the direction of Mr. Grove, the band played during the half at the Flat Rock game.
