IN MEMORY OF LT. EUGENE CZAPLA

Our dear, beloved son and brother, who gave his life for his country, Dec. 17, 1946.
 Two long years have just gone by.
 Oh what would we give to clasp his hand,
 To see his smile and happy face.
 His life is a beautiful memory.
 He sleeps in God's beautiful garden.
 In the sunshine of perfect peace.
 Our home is dark and lonesome.
 The clocks don't want to tick,
 The chair in the corner is empty.
 Our eyes are filled with tears.
 We can't say Hello Son.
 Because God wanted you
 The rest of the years.

His smile will never be forgotten by his family and host of friends.
 Mom, Dad, Brother and Sister.
 Jos. Czapl Family.

CAVANAUGH LAKE GRANGE
 Cavanaugh Lake Grange met in the basement of Salem Grove church for the Christmas party Tuesday evening.
 The meeting was opened with recorded Christmas music and group singing of the songs "O Little Town of Bethlehem," "Silent Night," and "There's A Song In The Air."

On behalf of the Grange, Mrs. Franklin Van Valkenburg expressed love and appreciation for almost a half-century of service as secretary of the Grange, to Mrs. Lydia Riemenschneider, and presented her with a service pin. Mrs. Riemenschneider has been secretary of Cavanaugh Lake Grange since its organization 46 years ago.
 Rev. E. O. Davis gave an interesting talk on "The Spirit of Christmas," and the program was concluded with a reading by T. G. Riemenschneider, entitled "A Christmas Wish."
 Popcorn, candy, apples and doughnuts were served at the close of the meeting.
 Next month's meeting is to be held at the home of Mr. and Mrs. Chester Notten.

HELP IN LEGION GIFT SHOP
 Mrs. Merle Barr, Sr., Mrs. Howard Wain and Mrs. Lyric Chriswell were in Battle Creek recently and spent a day working in the veteran's gift shop there. These gift shops are operated by the American Legion Auxiliary, and here the hospitalized veteran may choose gifts for any member of his family and have them wrapped in colorful wrappings and shipped in time to reach his family for Christmas, all at no cost to himself. This program has been carried on for the past few years and has done much for the contentment and happiness of the patients.

Altar Society Holds Annual Xmas Party

St. Mary's Altar Society held its annual Christmas party Wednesday evening, Dec. 8, following the regular monthly business meeting, 70 ladies attending.
 The room was appropriately decorated with candles, a lighted Christmas tree, and a miniature crib. The table, from which assorted Christmas cookies and coffee were served, was centered with a small Santa Claus, complete with sash and sleigh, and flanked on either side by Christmas greens, and waxed figures in the holiday motif.

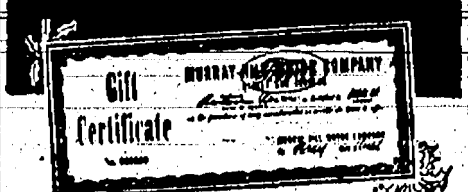

The girls of the seventh and eighth grades of St. Mary's school presented a Christmas program, wherein the story of the Nativity was related, and Christmas carols were sung. At the conclusion, gifts were exchanged.
 It was decided to entertain the husbands of members in February at a pot-luck supper, to be followed by an evening of cards.

ST. PAUL'S MISSION CLUB
 The Christmas meeting of St. Paul's Mission club was held on Thursday afternoon, Dec. 9, at the home of Mrs. John Osterle, with 12 members and one guest being present.

Following the opening devotional period in charge of Mrs. Louis Eppler, a German Christmas carol singing was enjoyed, and Christmas readings were given as follows: "Prayer for Christmas," Mrs. Alvin Vail; "Lullaby," Mrs. John Osterle; "The Christmas Fruit Cake," Mrs. J. N. Strieter; and "Christmas Eve," Mrs. Hazen Lehman.
 Mrs. Strieter also read an amusing poem called "Belsnickel," which brought to older members the memory of childhood fears of having Christmas toys taken away by the "Belsnickel" if they were naughty.
 During the business meeting it was voted to send donations of five dollars each to the Emmaus Home for Epileptics and to a missionary project.

Mrs. J. N. Strieter, the secretary.

SYLVAN EXTENSION GROUP

The Sylvan Extension Group met at the home of Mrs. Doris Whitaker Thursday afternoon, Dec. 9. A prettily decorated and lighted Christmas tree and reindeer and sleigh gave an effective atmosphere for the Christmas party. All members, but one, were present, and also several guests.

The meeting was opened by repeating the Michigan Extension Women's Creed, and thoughts on

THE DECEMBER POEM

"I will honor Christmas in my heart and try to keep it all the year," were expressed by each member.
Mrs. Harold Widmayer, the chairman, conducted the business meeting and plans were made for the coming year. Mrs. Widmayer read "The Requirements of an Extension Member."

Each member offered a recipe, pattern or suggestion for making Christmas gifts or goodies, and

MRS. ARNOLD LENTS PASSED ON

Mrs. Arnold Lents passed on gifts to each member from the "mystery sister" of the past year. The recipients then tried to guess who her mystery sister was, and fines were imposed on those who failed.

Mrs. Lents then conducted a game in which a group of objects was viewed and then fitted with descriptive phrases. Prizes were won by Mrs. George Sanderson and Mrs. T. G. Riemenschneider. Christmas refreshments were

THANK YOU

I wish by this means to express my thanks and appreciation to all who remembered me with candy, fruit and candy, and all who called on me during my stay at the hospital and since my return to Chelsea. Your thoughtfulness will always be remembered.

TO CHELSEA TELEPHONE CUSTOMERS:

Notice of Application to the Michigan Public Service Commission by the Michigan Bell Telephone Company

For Authority to Make Effective Certain Schedules of Rates, Rentals, and Charges

In accordance with statutory requirements, notice is hereby given that an application will be presented by the Michigan Bell Telephone Company to the Michigan Public Service Commission in the City of Lansing on the 29th day of December, 1948, for authority to make effective increased schedules of rates, rentals and charges for the furnishing of telephone service and facilities in the exchanges of the Michigan Bell Telephone Company in the State of Michigan, as set forth below. The application also will request the Commission to set a date for the hearing of the matter.

Rate increases authorized by the Commission in October were insufficient by a large margin to provide the

revenues now needed to assure good telephone service in the future. The authorized increases were based on the financial condition of the Company in the period beginning September 1947 and ending August 1948. The increases were not large enough to meet the steadily rising costs since the Company filed its application in 1947. The Company now asks that the Commission consider increases to meet conditions as they exist today and as they will be in the near future. To meet present needs, the Company will ask approval at once for the increases shown in the schedule below. Those increases would remain in effect until the Commission has had an opportunity to determine that the remaining increases shown in the following tables are reasonable and proper.

PROPOSED INITIAL RATE INCREASES

Pending complete consideration of all the rate changes proposed below, the following initial rate increases are proposed:

Exchange Rates

Increase the present basic monthly rates for business main telephones 50c.
Increase the present basic monthly rates for residence main telephones 25c.
Increase the present basic monthly rates for private branch exchange trunk lines 75c.

Increase the present daily guarantee for semi-public coin box service 2c.
Increase the present monthly switching rate for service stations 25c.
Miscellaneous Rates
Increase service connection charges the full amount as proposed below.
Intrastate Toll Rates
Increase intrastate telephone and teletypewriter message toll rates the full amount as proposed below.

EXCHANGE RATES (Excluding Federal Tax)

For rate purposes, exchanges are grouped according to the total number of telephones that can be reached, at the rates shown below, without payment of a toll charge. In the case of present rates, there are 8 groups. The total number of telephones in service on March 31, 1947 in all exchanges and zones of the Company is the basis used generally to determine the group rates applicable for local area service and those applicable for "Extended Area Service." In the case of proposed rates, there are 7 groups. The current total number of telephones in service in all exchanges and zones of the Company is the basis used to determine the group rates applicable for local area service and

those applicable for "Extended Area Service." In the majority of the Company's exchanges "Extended Area Service," which will increase the number of telephones that can be reached without payment of a toll charge, is to be furnished when facilities are available. Meantime, a lower schedule of rates is applicable in most exchanges until "Extended Area Service" is furnished. In a few exchanges, the furnishing of "Extended Area Service" will not change the rates. In a few cases, "Extended Area Service" will not be furnished. In a few other cases "Extended Area Service" already is being furnished.

PRESENT SCHEDULES OF MONTHLY EXCHANGE RATES

Group 2 rates, as shown in the following table, now are applicable in Chelsea. When "Extended Area Service" is provided, Group 6 rates would be applicable under the present schedule.

WITH PRIDE...

When preparing a funeral service, we take the utmost care to see that no detail—no matter how unimportant it may seem to be—is overlooked. It is the careful consideration to these details that helps to bring peace of mind to the bereaved and to make the services we arrange beautiful and lasting tributes to the departed.

PAST PRESIDENTS OF WRC

The Past Presidents' club of the Women's Relief Corps was entertained at the home of Mrs. H. T. Moore, Friday evening. Christmas decorations were used throughout the house and on the table. A very fine pot-luck dinner was followed by a short business meeting. The names of the "mystery sisters" were revealed and new names drawn for the coming year. This was followed by an exchange of gifts.

CHELSEA STUDY CLUB

The Chelsea Study Club met for the annual Christmas meeting Tuesday evening, Dec. 14, at the home of Mrs. Warren Daniels. There were 28 members and one guest present.

During the business meeting it was voted to make a donation of fifteen dollars to the Salvation Army and a similar donation for underprivileged children in Chelsea. It was also voted to contribute for the coming year to sponsor the two French children the club has assisted for several years.

The program was in charge of Mrs. George Walworth and consisted of readings and appropriate vocal selections by a trio, Mrs. D. G. Gidbery, Mrs. A. A. Palmer and Mrs. C. Mayer, with Mrs. Walworth as accompanist.

Following the program thirty Christmas boxes for distribution to shut-ins were packed. Gifts were brought to this meeting for the veterans at Percy Jones hospital.

Refreshments at the close of the meeting were served by Mrs. Charles Meserve and Mrs. Wilbur Hinderer.

PYTHIAN SISTERS

Nineteen members attended the Christmas meeting of the Pythian Sisters Tuesday evening and enjoyed the pot-luck lunch served at tables decorated in the traditional Christmas colors. Gifts were exchanged around the decorated Christmas tree.

During the business session the charter was draped in memory of Mrs. Anna Storms, a member of the lodge, who died Tuesday after a long illness.

AMERICAN LEGION-AUXIL

The regular meeting of Herbert J. McKune Unit No. 31, American Legion Auxiliary, was held Tuesday evening, Dec. 7, in the Home Ec. room of the High school. Twenty-nine members were present.

The Unit Activities chairman, Ruth Wala, reported that a number of boxes of Christmas paper had been sold, and Cora Wright reported on the Armistice Day dinner at which time Auxiliary members were entertained by the American Legion.

It was voted to give a donation to the public school milk fund. At the close of the business session an exchange of gifts was enjoyed by the group and refreshments were served by the committee, Ethel Buehler, Florence Fox, Alma Eisele and Florence Merkel.

VFW AUXILIARY

The regular business meeting of the VFW Auxiliary was held at St. Mary's hall Monday evening, Dec. 13.

Plans were made to pack Christmas gift boxes to be distributed to local needy families.

This being the Golden Jubilee year of the VFW organization, it was voted to send a five dollar donation for the Golden Jubilee fund.

It was also voted to make a donation of five dollars to the public school milk fund, and a donation of five dollars for the memorial organ which the VFW Auxiliary at large is presenting to the new chapel being built at the National VFW Home at Eaton Rapids.

The Ways and Means chairman, Mrs. Anna Werner, gave a report on the recent bazaar and popular party given by the committee which showed the projects to have been a decided success.

ENTERTAINS AT LUNCHEON

Mrs. Edwin W. Eaton entertained at a luncheon at her home on Wednesday in honor of Mrs. Walter L. Stripe of Kenosha, Wis. Out-of-town guests were Mrs. Donavan, Mrs. A. B. Rodger, Mrs. Keith E. Terry, Mrs. E. J. Yeager, and Mrs. Don C. Pinkerton, all of Detroit, who were Olive college classmates of Mrs. Stripe and Mrs. Eaton. Mrs. Stripe is the mother of Mrs. David Eaton, at whose home she has been a guest for the past ten days.

HARMONY CHAPTER

Harmony Chapter of the Congregational church, with 25 members and one guest in attendance, met for the Christmas party at the home of Mrs. E. W. Eaton, with Mrs. Dor Rogers and Mrs. John Carson as co-hostesses.

Mrs. W. H. Skentelbury was in charge of the devotional service and read the Christmas Scripture and the story of the wise man "who didn't go" with the three.

Christmas carols were sung by the group, the last one being "Silent Night," and this was followed by a reading by Mrs. Kent Walworth, on the origin of this carol.

Refreshments were served by the three hostesses following the close of the program.

FAMILY NIGHT

Miss Yu Hung Lin, of Peking, China, who has been a teacher in the Bridgman Girls' School of the Congregational Church there, and is attending the University of Michigan at Ann Arbor, was the speaker at the Family Night Program at the Congregational church last Thursday evening. She was accompanied by Mrs. Chambers, counselor of foreign students under the direction of the churches of Ann Arbor, who introduced her and also spoke briefly.

Miss Lin's talk dealt with the work of her school in China and with the effects of the war on the work there.

The evening's program was preceded by a pot-luck dinner and by the presentation to Mrs. M. J. Baxter, of a set of matched luggage, in appreciation for her efforts on behalf of the church during the past year's extensive remodeling program. Mrs. Dor Rogers made the presentation on behalf of the Ladies' Guild, of which Mrs. Baxter is president.

and commended her highly for her untiring work. Mrs. Baxter, overcome with surprise, by the presentation, responded, thanking the group for the gift and for the thoughtfulness which prompted its presentation.

THANK YOU

The chairman of the local Red Cross unit wishes to thank all those who so generously contributed to the appeal for gifts for the veterans at Percy Jones hospital. Your cooperation was greatly appreciated.

Mrs. Leigh Palmer, Local Red Cross Chairman.

Phone Rate Increase

(Continued from page one)

to 20 per cent less than day rates. Pratkan said further increases in long-distance rates and service connection charges were not contemplated at this time.

Exchange rates, however, would be further boosted when and if the additional rates are approved by the Commission.

The services to be affected by the additional boost, and the amount of both increases, follow: Residence lines (including both immediate and additional increases); individual, 75c; two-party, 75c; (temporary rate, ultimately to be discontinued); four-party, 75c; rural, 75c.

Business lines (including both immediate and additional increases); individual, \$1.00; two-party, \$1.00; rural, \$1.00; semi-public, 90c.

These rates are based on schedules currently in effect and do not include any increase which may result when extended area service is introduced.

All residence and business extensions would be raised 25 cents.

Nurses' Training Has Attracted Many New Students in Past Year

Nursing as an occupation has attracted more new students in 1948 than in any previous year except during the war, according to a report from the Michigan Nursing Center Association.

"Prospects that the supply of nursing service in Michigan will begin to catch up the mounting demand look brighter than for a long time," says Thelma Scratch, R.N., Detroit, chairman of the association's committee on Careers in Nursing.

With 1423 freshmen admitted this year to schools of professional nursing, the state's record is 19 per cent better than a year ago and comes within 6 per cent of 1,500, the quota for 1948.

High school and college students are advised by Miss Scratch to seek information early from the Michigan Nursing Center Association, 750 East Main street, Lansing, if they wish to qualify for entrance into schools of nursing in 1949.

CARD OF THANKS

I wish to express my appreciation for the many cards, candles, flowers and all thoughtful remembrances paid me during my stay at the hospital and since my return home.

For the Good of Your Service . . . Adequate Telephone Rates are Essential

You

want good telephone service and we want you to have good service. But to be able to continue it, another increase in telephone rates is essential.

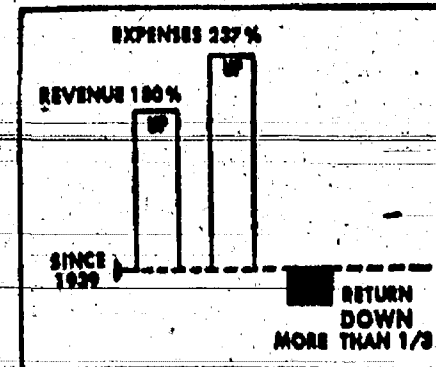

The rate increases put into effect in October were based on conditions in a past period, and already the effect of those increases has been wiped out by rising costs.

Elsewhere in this newspaper, in accordance with the State law, legal notice of our intention to ask the Michigan Public Service Commission for a further increase and details of the proposed rates appear.

1 TELEPHONE RATES ARE UP MUCH LESS THAN MOST OTHER THINGS YOU BUY

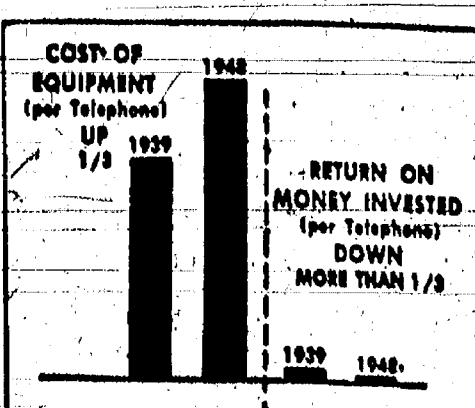

The recent increase in Michigan Bell rates—the first in nearly a quarter of a century—plus the new one now being asked, would boost the average customer's bill only about 25% over prewar telephone rates. Most businesses have had to raise their prices not once but many times. Compared with other prices, as you can see from the chart, telephone rates will still be low.

180% over 1939. But the cost of giving you service has gone up even faster... 237%. Wages, for example, make up more than half of our total expenses; and our wage bill is now over four times as big as in 1939. And the return on the money people have invested in our business is down more than a third.

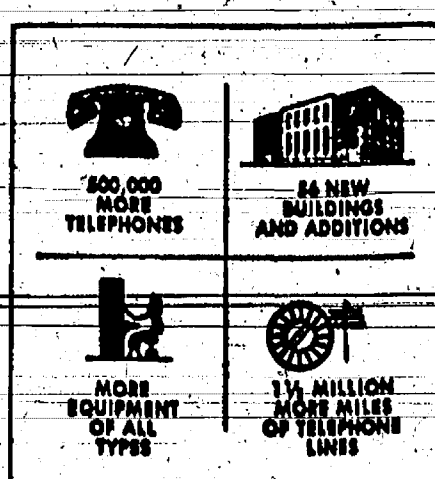

2 MICHIGAN BELL TAKES IN MORE... BUT HAS LESS LEFT

With all the telephones being put in, perhaps you've assumed that we're making a lot of money. With the recent increase in rates, our "revenue"—the money we take in—is up... 180% over 1939. But the cost of giving you service has gone up even faster... 237%. Wages, for example, make up more than half of our total expenses; and our wage bill is now over four times as big as in 1939. And the return on the money people have invested in our business is down more than a third.

4 \$162,000,000 SPENT SINCE VJ DAY FOR MORE AND BETTER SERVICE... MILLIONS MORE NEEDED

Since the war, Michigan Bell has been carrying on one of the largest construction programs—if not the largest—in the State. It is not yet completed. Even though over 500,000 more telephones have been connected, a lot still must be done to give everyone the kind of service he wants and to provide a telephone for everyone who wants one. But to build telephone plant, of course, takes money—at today's prices, lots of money.

5 MONEY FOR SERVICE IMPROVEMENT AND EXPANSION MUST COME FROM INVESTORS

This money must come largely from people all over America who have savings to invest in the telephone business. Naturally, they'll invest their money only if they're convinced it will earn a reasonable return. We compete with other businesses for this investment money. And our return is substantially below that of representative companies in other industries.

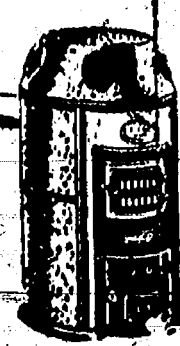

We want to continue our improvement and expansion program because it is for your good. We can go ahead with it if investors continue to put money into our business.

ADEQUATE TELEPHONE RATES ARE NEEDED

It all boils down to this: The money to provide you with the service you want can be obtained from investors only if their return is adequate. Unfortunately, it's not. So, although we'd rather not be asking for this second rate increase, adequate rates are needed—and needed right away—to protect the future quality of your telephone service.

HAPPY HOLIDAY

Everyone seems to be in that
Christmas mood. It's a gay feeling
to look forward to decorating the
Christmas tree, wrapping presents,
and on Christmas Eve, reminding
little brother and sister to hurry
to bed so that Santa Claus may
come. Yes, and you often hear
them say that night in their pray-
ers that they hope Santa remem-
bers to bring that dolly and sled
they had so hoped for.

Now Christmas day seems so
full of joy and happiness; mother
preparing that special dinner,
father trying out brother's new
train, and sister playing with her
new doll.

In the midst of all this happi-
ness, let's not forget the less fortu-
nate families to whom Christmas
will be just another day. Children
whose letters Santa may never
answer, and the parents whose
dream of fulfilling their family's
Christmas wishes is an empty fu-
turity. Let's all contribute to the
organizations who will see to it
that every child has a Merry
Christmas.

IN OUR OPINION ...
After two weeks of effort, the
Journalism club members dis-
covered that a few opinions, eight
to be exact, had found their way
into the opinion box. The subject
was "How can we stop petty
theft in our school?"

The results show that there are
few who consider the matter one
of any importance. Fifty per cent
of the opinions showed that more
care should be exercised in keeping
money or other valuables in lock-
ers, and some believe that the lock-
er rooms should be watched by
some reliable person from study
hall each hour. Other remedies
suggested were that all lockers
should be kept locked at all times
and the combinations should be
known by the owners only. If these
precautions are taken and if petty
theft still continues, the guilty
persons should be exposed in front
of the student body.

The other fifty per cent of the
answers were entirely useless, be-
ing such as "Close school so there
will be nothing to steal," and
"Have armed guards in the locker
rooms."

These are the results on this
question. The Journalism club
would like to have more coopera-
tion from the student body on the
opinion poll, for it is up to them
to make the poll a success.

WHO DUNIT?

What brought up this great question? To be very
frank, there were ten dollars of
Red Cross money that has been
knocking around in the safe for
several years. Who brought up
this great question? As the story

goes Mrs. Claire casually informed
two Red Cross representatives that
it was in the safe. As you may
have expected this was really a
surprise to the representatives, and
with great eagerness they wanted
to hear more about this money.
"Well," said Mrs. Claire, "I don't
know where it came from but it
has been in the safe for a long
time." As a result the representa-
tives accepted the money that Mrs.
Claire cheerfully presented to
them. If anyone knows the answer
to this question, may he speak now
or forever hold his peace.

CHORUS BROADCASTS

On Dec. 6 the student body,
assembled in the study hall to
listen to a broadcast of a Christ-
mas program by the High School
chorus. The program began with
the humming of "Silent Night," as
a theme song, followed by many
old and beautiful Christmas songs
such as "Carol of the Bells," "We
Wish You a Merry Christmas,"
"Christmas Roundelay," "Mary
Borned a Baby," and "Hark! The
Angels Sing." The chorus then re-
sumed humming "Silent Night" to
bring the program to a very ef-
fective close. The students highly
enjoyed this program and wish to
congratulate the chorus and its
director, Bertram Gable.

CHEMISTRY MOVIE

The Chemistry class on Thurs-
day, Dec. 9, saw a film entitled,
"Velocity of Chemical Reactions,"
which explained the factors affect-
ing the speed of reactions in chem-
istry. Animated cartoons were
used in the movie to show how
molecules combine, and how heat
will speed up the combining. Also
the benefit of the students' knowl-
edge of the concentration of the
substances was explained.

GIRLS' SPORTS

The girls' basketball team this
year started out with a rip-roarin'
bang. They traveled to Ann Arbor
to attend a clinic and to play a
practice game.
The first part of the afternoon
was devoted to a demonstration by
the college physical education ma-
jors. During this time the girls
discovered two new rules started
this year. One was that if a girl's
foot is on the line while she has
the ball, she is considered outside
of the line. The second, and the
most important was that it is legal
for the girls to take double drib-
bles. This is only permitted if
both teams agree to it before the
game.

Then the girls received the blow
they were to play Ann Arbor
High, an A-class school. The start-
ing line-up was as follows: for-
ward, M. A. Schrader, B. Holli-
field, M. Heydlauff; guards, M.
Johnson, M. K. Palmer, J. McClure,
with R. Eisenman substituting for
the guards. The shock of whom

they were playing was so great
the girls couldn't seem to get
started. At the half the score
read 10 to 2 in favor of Ann Arbor.
The Chelsea girls had made only
two free throws. The second half
went a little better, but not quite
well enough. The final score was
12 to 8 in favor of Ann Arbor.

High. For the first one of the
season, the girls played a good
game and they are to be congratu-
lated.

JUNIORS—The Junior class is still trying to select its play, which will be given sometime in the spring. The class led the High school in Red Cross contributions.

The Junior class is planning a history on "Peculiarities of our Presidents" program to be presented on a radio program on Jan. 24. Those selected to plan the program are: Linda Bradbury, Marilyn Johnson, Jean McClure, Pat Murphy, Roslyn Reule, Peggy Schable, Nellie Atkinson, Sara Geer, and Shirley LeVan.

You have guessed it: The Senior play. Other comments concerning this masterpiece were: "characters were suited exactly to their parts," "I think Ted McClellan was the cutest actor," "Oh, but did you notice Elden Moore's muscles," and "I never before realized how tall Bill Lyons is!"

The sound effects and lighting were excellent. Joanne, Joyce, and May did a wonderful job of entertaining between acts, and did you

Local Aircraft Co. To Start Production

The Sentinel Aircraft Co., at 6540 Jackson road, about midway between Ann Arbor and Chelsea, is to begin work about Feb. 1, on the production of their own planes, it has been announced. Since the company started operation in 1945, in a remodeled barn at the present location of the enlarged plant, parts only have been made there for the L-5 liaison airplane which the company now plans to produce at the rate of ten planes a week, and later, possibly, on an assembly-line basis, if future contracts justify the enlarged program.

Ralph T. D. Montagu, president of the firm, has announced that a new international sales organization has been formed, headed by Frank H. Boesch, of Washington, D. C. The new division, called the Sentinel International Division, Inc., with a capital stock of \$100,000, is incorporated in Delaware.

The L-5 airplane to be manufactured at the plant, is now used for liaison work by the Army Ground Forces, and during the war was also used by the Army Air Force. A modification of the plane's wing design, which the company plans, it is said, will cut the landing speed to 27 miles an hour from the present rate of 43 miles an hour.

The first plane to be completed is to be flown to South and Central American countries, from which requests for demonstrations have been received. Mr. Montagu, a former RCAF combat pilot, who has been a flyer since he was 14 years old, will fly the plane south for the demonstrations.

The international sales are to be promoted in all friendly foreign nations by the new sales organization.

It is expected that the first plane completed here when operations begin, will be tested at Fort Bragg, N. C., by the U. S. Army for government approval before production begins in earnest.

hear the sighs that arose as Bob Taylor stepped into the limelight, or were they due to Mary Lou Tobin's playing?

"Just wait till the next play," Gould that be the voice of a Junior?

Not one disparaging remark was heard about this performance which was "extraordinary," "masterfully directed," and the characters who were "marvelous, simply devastatingly marvelous."

From where I sit... by Joe Marsh

The Missus "Ducks" Out

Slim Hartman took his missus duck hunting the other day. And after five hours of sitting in a swamp, she'd had enough! Going home, Slim reminded her good-naturedly of the time she'd taken him to a woman novelist's lecture, and insisted that he sit it out.

So now the missus and Slim have an understanding. No more duck hunting for her—no more lectures for him. They decided each to his own taste.

It's because they can agree to disagree like that, I think, that

Slim and the missus get on so well—content to stay home nights together, enjoying one another's company over a glass of beer and a game of chess.

From where I sit, we can't all enjoy the same things—but we can share those little pleasures that we do enjoy—a glass of beer, a game of chess, some music on the radio—and live-and-let-live when it comes to the others.
