A \$13,977,000 state conservation
budget for the next fiscal year will be recommended by the conservation commission to the legislature in January. The figure includes \$4,015,000 for parks operation, repair and development.

By KARL KOENGETER

Who says there are no new frontiers left in this weary old world? There may not be landr left to explore

and settle. But Television is the "frontier medium" for and a new under-

of all nations. And what big-ger and better frontier could be? Through this great and important "eye of the world" . . we are coming to have a greater knowledge of other people and other places. Television makes next door neighbors of folks a thousand miles away . . . whom we could never hope to see and meet in glimpses into other lives and ways of living . . and this makes for a better informed citizenry. Yes . . Television may well be the key to a better world for all of us.

The Battleship Missouri is the first man o'war to get a men who make the news can see what's going on in the rest of the world. It figures that now's the time to get the television set you need. Later might be too late . . . when prices are higher and sets are harder to get. Right now we

invite you to come in to look over the famous WESTING-HOUSE 16" screen model. It's a beauty . . . with all the latest and best engineering develop-ments. And, of course . . you get our fine service and installation, too. So drop into CHEL-SEA APPLIANCES, Television/ Headquarters, at 115 Park St. Phone: 8068.
