

CONFESSTION GAINED IN NURSE SLAYING

Grid Team
Hands Dexter
13-0 DefeatUniv. High Squad
Will Meet Bulldogs
Friday Night, Here

Chelsea High school opened its 1951 football season last Friday night with a 13-0 victory over Dexter. A quick kick by Dexter in the first quarter put Chelsea deep in their own territory. On the second down Chelsea fumbled and Dexter recovered on Chelsea's ten-yard line. In three plays Dexter drove to the two-yard line, but a backfield in motion penalty hurt the Dreadnaughts and they failed to capitalize on their break.

For the rest of the first quarter, and most of the second, neither team threatened seriously. Chelsea had difficulty getting started on offense. Inability of the Dexter ends to hold on to the bullet-like passes thrown by quarterback Fred Cummings prevented the Dreadnaughts from getting their offense rolling. The half with neither team having scored.

Midway in the third quarter the Bulldogs, with Don McClellan, Al Knickerbocker and Richard Baris carrying the ball, advanced from their own 40 to Dexter's 8-yard line. Al Knickerbocker carried it the remaining eight yards to score Chelsea's first touchdown.

At the end of the first half, Chelsea led 7-0. Dexter again threatened in the fourth quarter but a mix-up in signals lost them the ball on Chelsea's 29-yard line where Bob Bertke pounced on a loose ball. Captain Don McClellan and Richard Baris carried the ball to the Dexter 35-yard line. From here Al Knickerbocker scored the remaining 35 yards to make Chelsea's second touchdown. This time Richard Baris tried for the extra point was wide. The score at this point was 13-0 for Chelsea and 0 for Dexter.

The Dreadnaughts of Dexter put up a great fight but the experience of the Chelsea Bulldogs seemed to pay off in the second half.

This Friday Chelsea will play host to the University High Cubs of Ann Arbor at the Chelsea Athletic Field. The game will start at 7:30 p.m. since the Huron League of which Chelsea is a member adopted a policy to start all of its football games at that time.

Douglas Vogel
Completes Course
as State Trooper

Having successfully completed nine weeks of intensive training at Michigan State Police headquarters in East Lansing, Douglas A. Vogel, son of Mr. and Mrs. Clarence E. Vogel, M-82, Chelsea, has been sworn in as a probationary trooper by Commissioner Donald St. Leonard and assigned to the Traverse City Post.

Trooper Vogel is married and has a daughter almost a year old. He and his family lived at 235 Adams street here until moving last week-end to 87 Peninsula Drive, Traverse City. During World War II, he served with the U. S. Navy.

Trooper Vogel was among 14 recruits to take the oath of office at graduation exercises in East Lansing. The class included eight married men. Married men as well as single men were accepted as recruits for the first time last year.

New troopers must serve a probationary period of six months before being confirmed in their appointments.

C. of C. Plans
Park at North
Village Limits

At Tuesday's Chamber of Commerce dinner meeting in St. Paul's church hall, announcement was made in the treasurer's report of a contribution of \$250 from the Federal Sewer Works management for the development of Pierce Park.

Announcement was also made that attractive sign now appears at Pierce Park. The sign was erected last Thursday by the C. of C.

The Chamber of Commerce is interesting itself in a roadside park at the north entrance to the village where the new bridge is being constructed. The Pierce Construction company, builders of the bridge, have freely helped volunteer workers in their efforts to make a roadside park.

The entrance to the village, the contractor has filled in and bulldozed the location and has dredged the creek to widen it. All brush has been cleaned away and tentative plans call for erection of a rustic bridge across the creek, a parking lot and room to accommodate two or three roadside tables. Plans here are strictly for a roadside park and no recreational facilities will be provided. It was emphasized that Pierce Park improvement is still the major objective of the Chamber of Commerce and the North Main street parkette on village property is no competitive project. All C. of C. members agreed the roadside park was a worthwhile project and that the park will add much to the appearance of the main entrance to the village. Roland Spaulding was named chairman of a Chamber of Commerce committee to work with the contractor and the Village Council on the roadside park project. Others on the committee are William Rademacher and M. W. McClure. The committee was appointed after it was voted to go ahead with the roadside park project.

The bridge contractor and two of his associates were guests of the C. of C. at the meeting. It was voted to enter a float in the Community Fair parade. It was also voted that merchants will again contribute door prizes to be given away at the fair by the guest ticket method as in previous years.

Three Teen-Agers Admit
Brutal Ann Arbor Murder

Signed confessions were gained late Wednesday night from three Washtenaw county youths in the brutal slaying of 34-year-old Nurse Pauline A. Campbell in front of her Ann Arbor rooming house at 1424 Washington Heights as she was returning to her room at about 12:05 Sunday morning from working a late shift.

The three youths, Max Tell, 18, of Ypsilanti, Bill Morrey, 18, also of Ypsilanti, and David Royal, 18, of Milan, were arrested Wednesday evening by Ann Arbor Police Chief Casper Enkemann, County Prosecutor Douglas Reading, Detective Bauer and Detective Damron after receiving a tip.

After admitting the charge, the three were taken to State Police Headquarters in East Lansing for lie detector tests. Confessions were still being obtained in the early morning hours with detailed information not yet available.

Max Tell stated in his confession that Morrey struck the blow with a heavy rubber mallet which killed Miss Campbell. He also said that robbery was the motive and that they had since destroyed the red leather purse which the girl always carried and which they had taken.

The trio also admitted slugging U. of M. Nurse Shirley Mackley near Couzens Hall early Wednesday morning, Sept. 11.

Miss Campbell, an orphan, had been rooming at 1424 Washington Heights, Ann Arbor, and working at St. Joseph's Mercy hospital. She had attended Ann Arbor high school from 1940 to 1944, supporting herself by working as a nurse's aid at University hospital and as a nursemaid in private homes.

After graduation from high school she enrolled in St. Lawrence School of Nursing, Lansing, graduated, and became a registered nurse in 1947. After working as a nurse at University Maternity hospital from 1947 until March, 1950, she went to St. Joseph's Mercy hospital as a nurse where she cared for babies.

The sole immediate survivor is a sister, Mrs. Kenneth Holcomb, of Sumner, near Alma in Gratiot county, where the body was taken for burial.

Meanwhile, the bus takes home the first group and picks up the third group consisting of children in the south half of the district and the remaining town children and these attend kindergarten from 1:15 until 3:30.

Mark Merkel
Killed When
Hit by Train

Mark Anthony Merkel, 18, youngest son of Mr. and Mrs. Joseph T. Merkel, was instantly killed at 7:13 Sunday evening in a milk truck-train collision at the Maute road crossing about a mile west of the Jackson county line.

The Diesel locomotive was damaged and was backed up to Grass Lake. The New York Central train, the Wolverine, continued on its way two hours late after a new engine was attached. The truck Merkel had been driving was demolished by the impact and the wreckage dragged to a point east of the Jackson county line.

Mark and his brother, Thomas, were in partnership in doing contract hauling for the Pet Milk company.

Born on the Merkel farm on Manchester road May 10, 1933, his parents are Joseph T. and Florence Dohr Merkel. He attended St. Mary's school and Chelsea High school and was a member of St. Mary's church.

Surviving, in addition to his parents, are three brothers, Joseph E. Merkel, of Whitmore Lake, and J. Thomas and George A. Merkel, a sister, Mrs. Monica Gauthier, of East Lansing; eight aunts and uncles and a number of cousins.

Funeral services were held in St. Mary's church yesterday morning at 10 o'clock and burial followed in Mt. Olivet cemetery. Father Lee Laige officiated.

The Rosary was recited at the residence at 8 o'clock Tuesday evening.

Say Steel for
New School Is
Quite Certain

Wallace Bjorklund, of Douglas building contractor whose firm is constructing the new elementary school building was present at the Sept. 11 meeting of the Board of Education of the Chelsea Agricultural Schools district to report on the construction progress. While the government officially approved the steel needed for the new school building, there was still the problem of procuring the steel. Bjorklund reported to school officials at the meeting that he was as sure as anyone can be in these times that he will have the steel needed here by late October or early November. He said construction would continue right through the winter.

School officials here said they felt fortunate to be fairly certain of the steel needed for the school construction in view of the fact that of the 198,500 tons of steel requested for school building purposes elsewhere the government had granted permission for only 104,000 tons.

The footings, wall and fill are now completed for the new school and continued construction work hinges on delivery of the necessary steel.

A representative of Louis C. Kingscott & Associates, architects who designed the new school, was also present at Tuesday's meeting.

Grad Overlooked

The name of Richard Seely, who is now stationed with the Navy at Great Lakes, Ill., was unintentionally omitted from last week's list of 1951 graduates of Chelsea High school and their present activities.

Work Bee at
Fairgrounds
Set for Today

Planks Needed
To Construct Fence
To Enclose Arena

Business men and farmers in the community are having another work "bee" at the Community Fair grounds this afternoon and hope to get the fences put up. End posts for the fences and the arena were set in cement last Thursday afternoon in spite of rain. A large number of farmers were out for last Thursday's "bee" and hauled railroad ties to be used for fence posts. They had received permission to get the railroad ties from the Chrysler Proving Ground where they had been used as fence posts on one of the farms now a part of the project land. Planks are needed for the arena fence and farmers having logs to donate for this purpose are asked to contact Walter Harper.

The arena will be a permanent structure. Horsepulling contests, the rodeo and judging of animals will take place in the arena. It is also planned to allow 4-H clubs to use the arena at other times for their horse club meetings.

The Chelsea Community Fair Association is holding a meeting Tuesday evening, Sept. 25, in the Municipal building. The meeting is for chairmen, committeemen and all interested persons in the community.

Present indications point to a "bigger and better-than-ever" fair with more entries and exhibits in all divisions and large displays of farm machinery and new and antique cars.

The horsepulling contests will be held Friday afternoon (for lightweight teams) and Saturday afternoon (heavyweights). A separate prize is being offered for local teams. The Dynamometer

Entry blanks for all exhibits at the Chelsea Community Fair must be signed and filed with the chairmen of the various divisions of the Fair by Saturday, Sept. 22.

from Michigan State College will be used in both horsepulling contests.

Friday night the Waterloo Band will play and Saturday night the prizes contributed by Chelsea merchants will be given away. The queen of the Fair will be crowned also, as a Saturday night event. Each float entered in the parade Saturday is entitled to enter a candidate for queen.

The parade begins at 12:30 Saturday afternoon and will include floats of new cars, antique cars, horses and farm machinery. There will be two bands in the line of march.

All fair entries must be in place by 12 o'clock noon, Wednesday, Oct. 3, and judging will begin at 9 a.m. Thursday. Wednesday night will be Children's Night with games and contests for all ages. Thursday afternoon the rodeo will be the main attraction.

Food concessions will be operated by local clubs and service organizations. Midway attractions will include a merry-go-round, ferris wheel, "thriller ride," music and other features.

The Fair premium list is published elsewhere in this issue of The Standard.

Floats Wanted for
Com. Fair Parade

It is hoped that more organizations and individuals will enter floats in the parade. As one Fair official stated "We need floats."

The more floats entered the better the parade will be. Cash prizes of \$20.00, \$15.00, \$10.00 and \$5.00 will be awarded the prize-winning floats.

Anyone interested in entering a float in the parade may contact George Atkinson, W. J. Grossman, George Doe or Ted Balmer.

LYNDON FARM BUREAU

The Lyndon Farm Bureau met Friday evening at the Lyndon Center Town Hall and elected officers for the coming year. Those elected are Leonard Keith, chairman; George Beaman, vice-chairman; Mrs. John O'Connor, treasurer; Mrs. Guy Barton, treasurer and hospital insurance chairman; Homer Stoffer, minute man; Spencer Boyce, chairman of the membership drive.

The next meeting will be held at the hall Oct. 12.

CENTRAL CIRCLE

Twenty-three members and one guest attended the September meeting of Central Circle of the Methodist church last Thursday afternoon. The gathering took place in the social center at the church. The meeting opened with the hymn "I Need Thee Every Hour," sung by the assembly, and prayer and a devotional reading by Mrs. Harry Lital.

Mrs. Mabel L. Foster presented the chapter relating the story of Esther from the study book, "Women of the Scripture." Other numbers on the program included a reading, "A Leak in the Dike," by Miss Nellie Hall, and a vocal duet, "Whispering Hope," by Mrs. William Brown and Mrs. Florence Higley of the Methodist Home.

Mrs. Brown played the piano accompaniment.

Refreshments were served by the committee at the close of the program.

It was decided to have a pot-luck supper for the next meeting to be held at the church Oct. 11.

More TV

Television a problem? Do the children want to watch cowboys and cartoons while you're entertaining guests in the living room? Your set can't be in every room at once, but you can fix it to serve you in two rooms—at least—if it's practical in your home—open up a small section of wall, and place it on a turntable between the rooms. This is particularly adaptable where the TV set occupies a section of a large bookcase.

CHAT 'N' SEAU

The Chat 'N' Seau meeting at the home of Mrs. Norman Perkins Tuesday evening was given over to a business session. It was announced that the next meeting will be held Oct. 16 at the home of Mrs. Leon Chapman.

Refreshments were served by Mrs. Perkins and Mrs. D. A. Riker.

BETA SIGMA PHI

Members and guests of Zeta Beta Chapter held a game social at the home of Virginia McClear on Thursday, Sept. 13. Helen Vail won first prize and Rosemary Hummel was awarded the consolation prize. Refreshments were served at the close of the evening by the hostess, Allyn Seitz, and Norma Kern.

S. SYLVAN EXTENSION CLUB

South Sylvan Extension club with fifteen members in attendance held a regular meeting at 8 p.m. Thursday, Sept. 13, at the home of Mrs. Albert Doll.

Those who will assume office Dec. 1 as the result of the election are: Mrs. John Brooks, Jr., chairman; Mrs. William Erickson, vice-chairman; Mrs. Albert Doll, secretary-treasurer and news reporter; Mrs. Arthur Grau, recreation chairman; and Mrs. William Reule and Mrs. Joseph Merkel, Sr., leaders (re-elected).

SYLVAN EXTENSION CLUB

Sylvan Extension club met at the home of Mrs. Theodore Riemenschneider Thursday, Sept. 13, at 1:30 p.m., with 18 members present.

The order of the day was the annual election of officers. Elected were Mrs. T. G. Riemenschneider and Mrs. Harold Widmayer, leaders; Mrs. Ronald Lentz, chairman; Mrs. Franklin Van Valkenburg, vice-chairman; Mrs. Leon Sanderson, secretary-treasurer; Mrs. William Broesamle, news reporter; Mrs. Engle Quatt, recreation chairman; Mrs. Roy Miller, community chairman. The newly-elected officers will take office Dec. 1.

It was voted to hold the next regular meeting and all future regular meetings on the third Thursday of the month. Next month's regular meeting is scheduled for Oct. 18 at the home of Mrs. Ronald Lentz.

Mrs. Widmayer and Mrs. Riemenschneider displayed leathercraft work they completed at the Woman's Extension camp at North Lake during the summer and members voted to place an order for similar material and a special meeting is to be held for making leathercraft articles.

DORCAS CHAPTER

Members of Dorcas Chapter of the Congregational church were entertained Thursday evening at the Cavanaugh Lake home of Mrs. Holmes as assisting hostess. Twenty-two members were present for the opening meeting of the fall season. Mrs. P. E. Sharrard presented the devotional service.

Plans were made for the church's Family Night supper to be held in the church dining room tonight (Thursday).

The Dorcas Chapter is in charge of the supper.

Games were enjoyed after the business meeting and the evening was concluded with refreshments.

MAYFLOWER CHAPTER

Mrs. M. J. Baxter, presiding at the opening of the September meeting of Mayflower Chapter of the Congregational church last Thursday afternoon, outlined the beginning of the fall work. After the program period, plans were made for activities of the chapter from now through December.

The Fellowship Night supper to be held at the church tonight, was also discussed.

The devotional period and the program were combined and presented under the leadership of Mrs. Leon Chapman.

The first church in the year's study "A Highway for Our God" was interestingly carried out with the use of a small model of a church made last year by Mrs. Edwin Dickelman's Sunday school class. Conclusions reached during a resume of the program material were that the most important of many rules for improving the whole of the church organization for the coming year are: (1) to attend church regularly in a reverent and expectant spirit; (2) give generously; and (3) show a spirit of friendliness to all members and friends of the church.

Tea and cakes were served at the close of the program with Mrs. Alvin Foor and Mrs. R. Miller pouring. Hostesses included Miss Florence Ward and Mrs. M. W. McClure.

STORK SHOWER

Mrs. Rohn Miller and Mrs. John Brooks, Jr., entertained twenty friends and relatives at a stork shower honoring Mrs. Henry E. Orthing. The party was held Wednesday evening of last week at the home of Mrs. Miller.

Games were played during the evening and then refreshments were served by the hostesses. Table appointments included tiny stork figures made of safety pins and colored toothpicks.

The guest of honor was presented with a gift from the group.

Kathryn A. Henry, Keith Bradbury Wed Friday Evening

The Pinckney Congregational church was the setting for an 8 o'clock ceremony Friday evening uniting in marriage Kathryn A. Henry, of Pinckney, and Keith H. Bradbury, son of the Clifford Bradburys. Rev. Alfred Allard, of Breckenridge, performed the ceremony in the presence of 160 guests.

The bride is a daughter of Mr. and Mrs. L. J. Henry, of Pinckney, and has been employed in the Agricultural Extension office in the court house at Ann Arbor.

Chantilly lace over satin was used for the bride's princess-style gown. Matching lace formed a cap which held her veil of illusion and she carried a white orchid on a white ribbon.

Lois Curtis, of Pontiac, was maid of honor and Betty Bradbury, the bridegroom's sister, Mrs. Lois Timmer, a cousin of the bride, and Mrs. Joan Matson, were bridesmaids, while Cheryl Gustafson, a cousin of the bridegroom, was the flower girl and Bruce and Gary Henry, brothers of the bride, were ringbearers.

The maid of honor wore moire taffeta in an American Beauty rose shade and a halo headpiece to match. The bridesmaids wore in turquoise moire taffeta. They all carried carnations.

James Bradbury was his brother's best man and the ushers were Jerry Henry, a brother of the bride, Jerald Heydlauff and Robert Toney, a cousin of the bridegroom.

A reception was held in the church parlors after the ceremony. Assisting at the reception were Mrs. Joseph Griffith, Lucille Beck, Susan Campbell, Bernice Burns, Dorothy Lavey, Virginia Shirley and Barbara Van Slambrook with Mary Margaret Clark in charge of the guest book.

Following a few days' stay in northern Michigan, the couple will be at home at 1478 Manchester road where Mr. Bradbury is engaged in farming.

For going away the bride wore a black and white check suit with red accessories and the white orchid she had carried atop her Bible during the wedding.

Free Matches

In the 50 years since a match company started the custom of free book matches with tobacco purchases, the practice has grown to a point where today an average of more than a million books of matches are handed out to Americans every hour—nearly nine billion free books of matches per year.

Maybe you're missing something BIG

WE know how you feel when a car has given you faithful service. You like it. You're loyal to it. And that's only human.

But just suppose you found out that some other car could make familiar roads seem a lot smoother.

Suppose some other car held the curves in a way you'd never felt before.

Suppose some other car had more thrilling power—steered like a dream—held its course like an airliner on the beam—and let you finish a long day's drive feeling daisy fresh.

Wouldn't you feel you're missing something big unless you tried it out?

There is such a car. Its name is Buick. It has big soft coil springs on every wheel. It has a Fireball Engine. It has a "front-end geometry" that does miracles with steering. And it has Dynaflo Drive.*

And incidentally, it wears a price tag

that makes it a very smart buy compared to anything else you own.

We'd like to have you try this car. You'll never know what you're missing till you do.

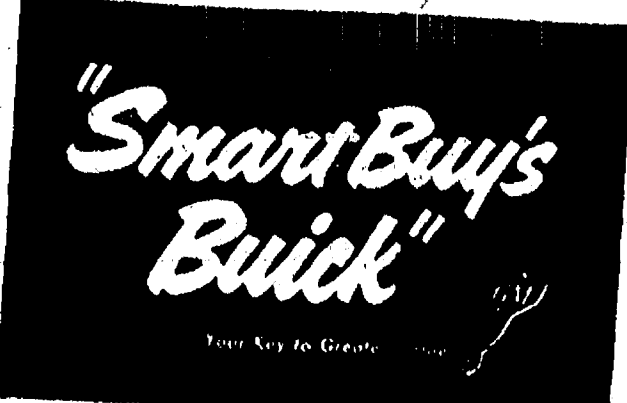

How about giving us a call—or coming in to see us real soon?

*Standard on ROADMASTER, optional at extra cost on other Series.

NO OTHER CAR PROVIDES ALL THIS:

- DYNAFLOW DRIVE*
- FIREBALL ENGINE
- 4-WHEEL COIL SPRINGING
- DUAL VENTILATION
- PUSH-BAR FRONTEND*
- TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS
- DREAMLINE STYLING
- BODY BY FISHER

Mr. Johnson is attending The Michigan Association of School Administrators meetings, which are being held Thursday, Friday and Saturday of this week in Traverse City.

The annual presentation of the Jerry McSweeney program will be held Wednesday morning, Sept. 26. There will be no High School PTA meeting this month. School plays here tomorrow evening at 7:30. There will be a dance following the game.

PEP MEETING

The first pep rally of the 1951 football season was presented by the senior class. The announcer was Mary Lou Tobin, who started the meeting by asking the cheerleaders to direct us in a cheer.

Mr. Magiera announced that there would be a "B" team scheduled this season for boys who perhaps aren't as large as the boys on the varsity squad. Six games will be scheduled for this team.

The existence of a "B" team will eventually give us an experienced, trained varsity in years to come. The pep meeting took place in a court room with Judge Lee Hoppe presiding.

Harvey Koselka was called to the stand and charged with selling senior pins without a license. John Magiera (Jana Lou Weinberg) was called to the stand and convicted for carrying "sixteen" students in the drivers' training car.

Raymond Louthen (Clara Louis) was charged with trying to overthrow the democratic ways of the school and trying to establish a dictatorship over the football squad.

Stanton Walker was "carried" to the stand and charged with disturbing the peace and disrupting the morale of the football squad. He was to be shot at sundown.

Court was adjourned.

Mr. Cameron gave a short discussion on courtesy to and respect for the opposing teams and their crowd of spectators. He also announced that the Hi-Y would sponsor a dance after the game. He wished the team "good luck" and hoped they would have a successful season.

After the school song was played by Kathy Merker, students went to their first hour classes.

ATHLETIC BOARD

Clara Lewis was appointed treasurer and Shirley Rikimaki assistant treasurer of the Athletic Board. Game tickets will be sold

in the halls Friday noon and Friday after school.

The Student Council has elected Jeanette Sette as their secretary for this year.

The Hi-Y has been given the privilege of holding dances in the gym after every home game. These dances are to end at eleven o'clock.

The possibility of installing a coke machine in the hall was discussed and approved with some restrictions. The final decision, however, will be made by the faculty at a later date.
