

Basketball Team Loses to Saline Quintet

**Fourth Quarter
Rally Falls Short
in Bid for Victory**

Chelsea cage squad traveled to Saline to be defeated 32 to 27. Saline monopolized the first quarter of game; however, a fourth quarter spurt of speed and accuracy on Chelsea's part kept both spectators and team worried.

First quarter found Saline in the lead 11 to 8. Jerry Gonsler, Saline with four points while Dick Merkel accounted for Chelsea's three lone points.

Second quarter was a fast stepping period as Chelsea racked up ten points to Saline's seven only to have Saline lead at the end of the quarter 18 to 13. Chuck Anderson, Don Feldkamp and Jim Cook accounted for a basket each for Saline, as Dick Merkel, Joe Greenwood, Bob Bertke, Dave Bertke and Bob White all accounted for a basket for Chelsea.

Third quarter saw Saline racking up eight points to Chelsea's five, as Saline again lead 25 to 19. Earl Feldkamp led Saline with four points while Dick Merkel and Bob White each added a bucket and Joe Greenwood tossed in a foul shot to account for Chelsea's five points.

Fourth quarter, like the second, was fast stepping, pace thrilling time as the spectators were sitting on the edges of their seats. Chelsea racked up eleven points to Saline's six only once more to have Saline come out on top. Gonsler, Saline with four points while Dick Merkel and Bob White each added a bucket and Joe Greenwood tossed in a foul shot to account for Chelsea's five points.

Chelsea connected ten times out of fifty-four tries for a percentage of 18.5. Saline tried seventy times and connected fifteen for a percentage of 21.4.

Chelsea took nineteen foul shots and made seven for a percentage of 36.6. Saline took fourteen foul shots and made four for a percentage of 28.6.

Chelsea's second team was skunked by Saline's second team 67 to 29. Ken Burnerstein led Saline with eighteen points while ably assisted by Jerry Miller and David Brederlitz with twelve each. Phil Barrels led the pups with ten points while Tom Eisele and Ralph Owings accounted for four each.

Tomorrow night Chelsea plays host to Lincoln, game time is 7:00.

March of Dimes Canister Stolen from Light Office

The March of Dimes canister in the Chelsea Light and Water department office in the Municipal building disappeared over the noon hour Saturday.

March of Dimes campaign chairman here who are working hard to raise every dime they can for the fight against polio said this week that they are sorry to lose the contributions that had been placed in the canister and are hopeful the money will be returned.

The theft is believed to be the thoughtless act of youngsters who didn't realize that by that act they are possibly depriving some polio sufferer from receiving the benefit of the good-will contributions it contained.

Leaving the money at the office from which it was removed will be the only proper thing for the guilty party to do in correcting his wrong.

Polio Funds Total Shows \$450 To Date

How the March of Dimes has helped polio patients in Washtenaw county in their comeback battles against the disease was revealed today by Mrs. Herbert Sanborn, Chelsea campaign director for the National Foundation for Infantile Paralysis.

Summarizing the accomplishments of the chapter during 1950 and 1951, Mrs. Sanborn said that 89 children and adults had been aided directly with the March of Dimes funds. Other facts she reported:

Eighty-one patients stricken in previous years still are receiving some form of chapter assistance. Patient costs assumed by the chapter during 1950 totaled \$40,065.26 and in 1951 the costs were \$21,566.97. In 1951 \$34,400 was received from the National Foundation to cover patient expenses the Washtenaw county chapter has been unable to pay.

The cost of hospital care in this area has increased approximately 15 per cent in the last year.

More than \$14,000,000 in March of Dimes funds have been authorized by the National Foundation for Infantile Paralysis since 1938 for scientific research into every phase of polio. The University of Michigan's school of Public Health is one of the centers for polio research, endowed by the National Foundation for Infantile Paralysis.

To date, \$450 has been contributed in the present campaign in Chelsea.

Mrs. Sanborn reminds people of the community that no postage is required when returning the dime cards with contributions for the fund.

18-Pound Pike Speared Thursday at Half Moon Lake

Junior Reiley got the thrill of his life last Thursday afternoon when he speared an 18-lb. pike through the ice at Half Moon Lake. He was using a cisco spear which is ordinarily used for the whitefish weighing around two pounds each, which are plentiful at the lake.

Reiley got his prize catch about 300 feet off shore near the Julius Herman home about 5 p.m. Mrs. Herman, who helped him weigh and measure the huge pike, said everyone was amazed that he could land it with the spear he was using.

When he was asked how he managed, he said he believed he stunned the fish with his first blow which landed just behind the head. He quickly dropped his spear and the ice and hauled the fish out of the hole in the ice by using both hands under the fish's gills. By that time the pike was beginning to rally and show fight but he successfully landed him. (Probably no one would have believed his story if the size of the fish had it been one of those that "got away.")

Mrs. Herman said the pike was 39 inches long with a girth measurement of 17 inches.

The largest pike speared previously at the lake in recent years was one that weighed eleven and one-half pounds caught last winter by Mrs. Herman's brother, Percy Noble.

Reiley, about 19 years old, lives on Hanked road with his brother, Basil.

Two Inflammable Sweaters Found Here in Chelsea

Inflammable sweater sets of the type police and fire officials in nearby communities recently discovered, turned up in Chelsea this week and Fire Chief Ted Balmer advises anyone who suspects he has one to bring it in for comparison with the one he has.

The first set discovered was purchased in Chelsea from a salesman about a year ago, and the second set was acquired only a few months ago.

The first set was tested at the firemen's meeting Monday night and found to be highly inflammable when touched with a lighted match. The garment was cut into pieces so each fireman could have a sample for comparison with any others which might be discovered.

Chief Balmer described the material as being like wool cashmere on the surface and having a shiny back. The material feels spongy, he said.

Both sweaters were brought to Balmer voluntarily by the owners. To date, the inflammable material has been found here only in men's sweaters with the label bearing the name "Yorkshire."

The regular monthly meeting of St. Mary's Altar Society, was held Wednesday evening, Jan. 9th, at 8 o'clock in the School hall, with 47 members and two guests present. President Mrs. G. L. Staffan, opened the meeting with the Prayer of Our Lady of Good Council.

Two new members were welcomed into the Society, Mrs. Keith Boylan and Mrs. Al Grammatico.

Reports of the standing committees were given. Mrs. Howard Gilbert reported she and her committee remembered 18 shut-ins with Christmas gifts. Mrs. J. V. Burg reported through the newly formed Community Social Service, the Altar Society were able to help a needy family at Christmas time. Plans are being made to erect an outdoor crib next Holiday season.

Mrs. Carl Reigger, Relief chairman, reported 263 pounds of new and used clothing and bedding were shipped in December to the National Council of Catholic Women in New York for the needy overseas. New clothing is badly needed for the Pope's storehouse. Each member is asked to bring to the February meeting, an article of clothing for infants up to 6 years of age.

A donation of \$10.00 was approved for the March of Dimes. After the meeting games were played and refreshments served with Mrs. August Dorer chairman of the month.

Debate Teams Entertains Local C. of C.

**Adopt Resolution
Supporting Zoning
for Sylvan Township**

Chelsea High school debating teams were featured on the after-dinner program at the Chamber of Commerce meeting Tuesday evening. Members of the affirmative team are Jean Schweinfurth and Barbara Spear, while those on the negative team are Sandra Baldwin and David Bertke. Their exhibition debate was on this year's high school debate topic: Resolved: That All American Citizens Should Be Subject to Conscription for Essential Service in Time of War.

Miss Marilyn Nanry, teacher of speech at Chelsea High school, is their coach.

"Shift-of-opinion" ballots were filled out by 38 of the 45 members and guests present at the meeting. Results of the ballot showed that after hearing the debaters' arguments, nine listeners retained their same opinion on the matter; 18 were against conscription before the debate and were more strongly against it afterwards; and six were more strongly for it than they were before.

This was the debating team's first appearance before an all-adult group and Chamber of Commerce members commented favorably on their performance and on Miss Nanry's coaching. This is the first year of debating for the group.

Reuben Lesser chairman of the Sylvan Farm Bureau township zoning committee, attended the meeting to get an opinion on what the Chamber of Commerce members thought of township zoning. He introduced Carl Geiger of Sdo township, who explained about the ordinance now in effect there, and John Keusch spoke of the legal aspects of adopting such an ordinance.

The Chamber of Commerce passed a resolution supporting the Farm Bureau in its efforts to have a zoning ordinance passed here. A Sylvan township zoning ordinance would apply only in the township outside the village of Chelsea, it was pointed out.

Future meetings of the Chamber of Commerce will be held in the Municipal building during 1952.

Eastbound Track Opened for Trains Saturday Noon

The 1,300-foot stretch of track torn up in last Wednesday's train wreck at Dexter was temporarily replaced and put into use for 15-mile-an-hour traffic by Saturday noon, according to railroad officials here. Eastbound trains will use the track at the reduced speed until the entire stretch has been replaced with new track. More than half has already been rebuilt.

Four of the wrecked train's cars were sidetracked at Chelsea and the remaining ten were on a Dexter side track since they were lifted onto the rails and moved last Saturday morning. The last of the cars and the diesel engines were moved out entirely Tuesday of this week.

Seven persons were taken to the hospital with injuries received in the wreck, and a number of others were given first aid on the train. At the time The Standard went to press last week hospital spokesmen had reported only three injured, the others being brought in later.

Girls' Basketball Team Wins Game from Manchester

The Chelsea girls' team traveled to Manchester last Friday afternoon to defeat the Manchester girls' team, 21 to 17. The game was very close and sometimes heartbreaking for both teams.

Jo Miller led for Manchester with six points while Ebbie Dresh and Mary Schaub assisted with five and four points respectively. Dixie Rowe led for the Chelsea team with ten points while Judy Hughes accounted for two foul shots to put Chelsea's girl team out front at the end of the game, 21 to 17.

The girls play Dundee Jan. 25 here. Here's hoping they keep the winning streak up all year long, as Manchester made their second win out of two games.

Mr. and Mrs. Ray Franklin received a telephone call last Thursday from their son, Pte. Thomas Franklin, informing that he was being transferred Jan. 11 from Fort Campbell, Ky., to Camp Pine, New York.
