## Local Churches Making Plans for Confirmation Rites

Three Chelsea area churches have confirmation classes this year. Thursday night, April 10, at the Congregational church, nine young people will be confirmed at the candlelight communion service to be held at 7:30 o'clock. They are Evelyn Nothnagel, Diane Barr, Gloria White, Jay Furguson, James McLaughlin, James Keezer, Billie Geddes, George Collier and James Hough.

At Bethel church, Freedom township, there are also nine in the confirmation class. Donna and Richard Audish, Mary Ann Boettner, Ronald Gibson, Roland Guenther, Marjorie Heber, Anne Marie Menzel, Richard Roehm and Elizabeth White.

Rev. T. W. Menzel, pastor of the church, has announced that the confirmation service will take place Sunday morning at 10 a.m. There is to be no Sunday school. Rev. M. W. Brueckner, pastor of Zion Lutheran church, Rogers Corners, will confirm a class of five boys and one girl at the Palm Sunday service. The group includes Howard and Arthur Moore, Reuben Lesser, Max Ziegler, Kenneth Halst and Marlene Kuhl.

Sunday classes will not meet Sunday at Zion Lutheran church, also.

## Emergency Vehicle Must Be Given Right-of-Way

All vehicular traffic should pull to the side of the road and stop immediately when the siren of fire equipment, police car, ambulance or other emergency vehicles, is sounded. Cars should remain stationary until all the emergency equipment has passed.

Over the week-end, with the fire department making a number of runs, infractions of the state law regarding motor traffic allowing fire equipment the right-of-way have become more noticeable.

Monday afternoon when the run was being made to a car fire on US-12, the police car following the fire truck with its siren at screaming full blast, was held up by a car which turned onto Main street directly in front of it and kept on going instead of pulling to the side of the street and coming to a complete stop as required by law.

Similarly, the pumper, rounding the corner a minute later, barely missed a vehicle making a left turn in front of it at Main and Middle streets. The pumper's siren was sounding at the time also.

## VFW Auxiliary Members Attend Ann Arbor Party

A group of members of the VFW Auxiliary attended a party Thursday night of Graf-O'Hara Auxiliary, Ann Arbor, in honor of Mrs. Glenda Berger, District VI president. A class of candidates was initiated in her honor also.

Speakers at the gathering included Mrs. Ethel Gagner of Detroit, department vice-president; Mrs. Augusta White, of Ann Arbor, past department president; and Mrs. Janet Hutzel, department chaplain.

## Protestant Churches To Join in Union Good Friday Service

Rev. David Bryce was the scheduled speaker at the Union Lenten service in St. Paul's church last night. This was the final one of the series of six services held alternately in the three Protestant churches during the present Lenten period.

There will be no Wednesday evening service next week but on Friday, April 11, the three Protestant churches will join for the Good Friday service at the Methodist church at 1:30 p.m.

Good Friday evening at 8, the Passion Play will be given in the Methodist church here by the Waterloo players under the direction of George and Muriel Pluck.

## NAMED IOOF DISTRICT DEPUTY GRAND MASTER

Martin E. Miller was elected District Deputy Grand Master of the newly-organized district No. 18 of The Independent Order of Odd Fellows of Michigan at a meeting held in Ypsilanti, March 20.

Information given by the Standard last week was in error in listing his office as District Grand Master.

## New Church Consecrated in Ann Arbor

### West Side Methodist History Closely Tied to Local Churches

The consecration services at the new West Side Methodist church on South Seventh street in Ann Arbor, last Sunday, was of special interest to people in the Chelsea area because of the early connection of that church with churches in this vicinity.

Officially organized as a congregation May 8, 1847, by Rev. Peter Schumucker, district superintendent of the German speaking Methodists of the Ohio conference, the Ann Arbor church was the forerunner of German Methodist churches in Ypsilanti, Chelsea, Waterloo, and Franciscan. The latter, now known as Salem Grove Methodist church, and the Ann Arbor West Side church are the only two churches remaining as separate congregations, the others having merged with churches in their respective communities.

The first preacher to serve the German Methodist churches organized in 1847 and the years immediately following, was Rev. Johann H. Sedelmeier. The churches continued as mission charges of the Ohio conference until the formation of the Central German Conference of the Methodist-Episcopal Church in 1884.

The German conference merged with the English speaking conference in 1935 and the West Side church and Salem Grove church are now members of the Detroit Conference of the Methodist Church.

Rev. Edwin J. Weiss is pastor of the Ann Arbor church.

A banquet was held at the church last night and the week-long celebration of the opening of the new \$133,000 church will be concluded next Sunday when the 15th anniversary of its founding will be observed.

Rev. Frank L. Fitch, D.D., district superintendent, will preside at the 11 a.m. service. From 2 until 5 o'clock there will be an open house reception, and in the evening, at 7:30, Dr. Dwight Large and the church choir of the First Methodist church in Ann Arbor will be in charge of the service.

William D. Schmidt, an active member of the West Side Methodist church for 50 years, now makes his home with his daughter, Mrs. Norman Nash, on Trinkle road, near here.

## Leonard Lovelands Honored on 49th Anniversary

Mr. and Mrs. Leonard Lovelands were guests of honor at a family pot-luck dinner given Sunday at the dining room at Salem Grove church in observance of their 49th wedding anniversary. The table centerpiece was an arrangement of daffodils.

Following the dinner a program was given by the Lovelands' grandchildren as follows: guitar selection, Robert Rentschler; recitation, Linda Loveland; piano solos, Linda and Leah Wahl and Jana Loveland; and an accordion solo, by Janette Loveland.

The honored couple was presented with a gift from the group.

Those present were Mr. and Mrs. Ralph Loveland and family, Mrs. Helen Corley and family, Mr. and Mrs. William Bader and family, Mr. and Mrs. Dale Loveland, Mr. and Mrs. Harley Loveland and Mr. and Mrs. LeRoy Loveland and their families, of Grass Lake, and Mr. and Mrs. Glenn Rentschler and son and Mr. and Mrs. Dillman Wahl and daughter.

## Bob Yocum Named Spring Plant Steward in Run-Off Election

Because candidates for the posts of chief steward, days, and recording secretary did not receive the required 51 per cent of votes in the election of officers of UAW-CIO Local 437, Chelsea Spring division, a run-off election was held Friday, March 21.

In the run-off election Bob Yocum was elected chief steward for days when he received 88 votes. His opponent, Jack Murray, polled 66 votes.

For the post of recording secretary, Ann Bumpus received 117 votes to Bobby Kiefer's 86.

Mr. and Mrs. Frank E. Quinlan of Detroit, spent Saturday with Misses Margaret and Anne Miller, Dr. Edmund J. Quirk of Grass Lake, also was a Saturday caller at the Miller home.

## School Officials Attend Gatherings of Administrators

Charles S. Cameron, Chelsea High school principal, is in Chicago where he is attending the annual meeting of the North Central Association of Secondary Schools and Colleges as a representative of the Chelsea school. He left here Tuesday to be present for the meetings which began yesterday and continue through tomorrow.

Chelsea High school is a member of the association and, by virtue of this membership, can send graduates to any college or university in the association without entrance examinations, providing the individual's standings are satisfactory.

The association places special emphasis on the preparation of the school staff in considering eligibility of schools.

Superintendent Albert C. Johnson will leave Saturday noon by plane, with approximately 100 Michigan school officials to go to Boston for the meetings of the American Association of School Administrators. The program gets underway Sunday and the final session takes place Wednesday.

## Grass Fire Siege Surest Sign of Spring's Arrival

During the past weeks "signs of spring" have been reported thick and fast. Wild geese settled on Crooked Lake at 11 p.m. Tuesday, March 25, according to Mrs. Wahl.

On the lake, tulips were coming through the ground, mourning doves are back and sparrows are nesting.

Flocks of wild geese were resting on Cavanaugh Lake, too, before continuing their flight north. And, the surest sign of all, are the grass fires. The fire department was called out three times over the week-end to put out fires that were getting out of control.

Saturday afternoon grass fires were on the Harold Salvers property on the south side of Old US-12, a half mile west of Chelsea, and behind the Ray Johnson residence on Taylor street.

Monday morning, the department answered a call from South Main street residents. A grass fire was getting beyond control behind the houses south of Hankard's gas station, near the old post marsh.

## W. G. Stewart's Return from Interesting Overseas Vacation Trip by Air Travel

Mr. and Mrs. W. G. Stewart, who returned last week, Tuesday, from an extended overseas vacation trip by air, have many interesting experiences to recount.

They were at Casablanca, French Morocco, for 12 days, and traveled by private automobile, with an English-speaking guide, for about 2,500 miles to various spots of special interest in Africa.

The Stewarts said it was a source of amazement to them how far behind the times the native farmers are in the way they do their work. Fields were being plowed while they were there and the plows were drawn by camels, burros and oxen. They never saw a tractor being used until they came to the place south of Casablanca where United States airplanes are being constructed.

Living, in general, is very primitive, the Moroccan farmers' homes being mainly straw huts huddled together in groups of 7 to 10 and enclosed with stone walls. The gates in the walls are closed at

One girl will be selected by a panel of judges to represent Washtenaw county in the State Dress Review. Other highlights of the program will be a performance of the Jackson county 4-H Band starting at 7:45 p.m. Presentation of Awards, announcement of county Honor members, presentation of the Club Trophy to an outstanding 4-H Club in the county, and many other interesting exhibits.

Exhibits will be open to the general public on Wednesday, April 9, at 10:00 a.m. and the public is also invited to attend the evening program.

## Harold Marsh Gives Talk Before Cavanaugh Grange

Cavanaugh Lake Grange members at their meeting Tuesday evening, heard Harold Marsh, international representative of the UAW-CIO, of Jackson, outline the Union's program and recommend full cooperation between industrial workers and farmers for their mutual benefit. The meeting was held at the home of Mr. and Mrs. Albert Schweinfurth with 20 members present.

Marsh described the Union's benefits for industrial workers under six headings: educational program, engineering study, health institute, diagnostic clinic, cooperative department and credit union. He said he felt farmers should be interested in any program affecting industrial workers because prosperity in the city meant prosperity on the farm and unemployment in the city would also result in adverse farm conditions.

Mrs. Vern Panzer was in charge of the program and opened the period by leading members in group singing. At the close of the meeting Mrs. Schweinfurth served ice cream and cake.

## Huge Crowd Makes Annual Parents' Night Successful

The Parents' Night program at the school last Friday night was considered a gratifying success by teachers and parents alike. It was impossible to estimate the number of parents who attended but the turnout of parents was such that the gymnasium was packed during the program.

Main purpose of the annual event is to give parents an opportunity to see what is being done at school and all rooms were open to visitors. Work of the elementary grades was on exhibition and teachers received parents in their homes.

In grades 7 through 12, classes were conducted as they are during the daily school sessions.

Mrs. W. G. Price attended confirmation services Sunday evening at St. James Episcopal church, Dexter. Her granddaughter, Judy Sindlinger, was a member of the class.

## Car Stolen in Quincy Recovered Here on Earl Whitney's Tip

A car stolen in Quincy, was recovered here Saturday afternoon when Earl Whitney reported to local police that a car had been parked behind the barn across the road from the Whitney residence on Old US-12 for two days.

Chelsea police, checking by radio with the sheriff's department at Ann Arbor, learned that the car had been taken Thursday from its parking place beside the sales room of the Quincy Auto Sales. The car owners are Donald Holmes and Tom R. Steele, proprietors of the sales company.

Accompanied by a sheriff's deputy, the owners picked up the car Saturday night.

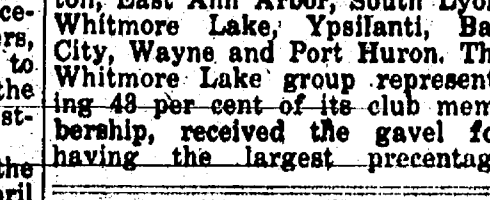

## Spring Vacation

Spring vacation for Chelsea schools begins when school closes tomorrow afternoon, April 4. Classes will be resumed the morning of April 14.

## Kiwanis Club Is Host for Division Meet

### State Club Officials, Neighboring Groups Discuss Program

Approximately 100 Kiwanians were present for the spring divisional meeting of Division VI of the Michigan District of Kiwanis International held in the Methodist church here Monday afternoon and evening. Representatives were present from Kiwanis clubs in Ann Arbor, Dexter, Brighton, East Ann Arbor, South Lyon, Whitnare Lake, Ypsilanti, Bay City, Wayne and Port Huron. The Whitnare Lake group representing 49 per cent of its club membership, received the gavel for having the largest percentage.

M. J. ANDERSON Kiwanis Governor

present. Oren Nelson, president of the Whitnare Lake club accepted the gavel.

M. J. "Andy" Anderson, of Bay City, elected governor of the Michigan District of Kiwanis International at the 34th annual convention in Lansing last September, was present for both the afternoon and evening meetings and gave the main address at the evening meeting. Topic of his speech was "Diamond Mines in Your Own Back Yard." He pointed out that responsibility for good government should be every individual's concern.

Anderson, as governor, heads 131 Kiwanis clubs with nearly 7,500 members. He is a past president of the Bay City Chamber of Commerce, vice-president of the YMCA and holds responsible posts in various civic projects. He has been a Kiwanian since 1939.

Past Lt. Gov. Ralph Keyes also spoke at the evening meeting. He pointed out that getting out the vote is one of the chief ways to overcome the three great influences which undermine good government—crime, corruption and Communism. Blame for allowing such evils to exist can be traced to each individual's "own back yard," he said. Subject of his talk was "The Ballot Battalion."

The dinner and evening meeting were held in the social center of the church while the afternoon meeting, beginning at 4 o'clock, was held in the upstairs League room.

District Secretary Frank O. Staiger, of Port Huron, gave the invocation on the conference at the afternoon meeting and gave his report as district secretary at the evening meeting.

Lt. Governor Harold Beadle, of Ypsilanti, presided at the afternoon meeting and Charles Lancaster, Chelsea Kiwanis club president, called the evening meeting to order.

A special feature of the evening meeting was a vocal selection, "Now Is The Hour," sung by Frank Staiger, John Hoey of Dexter, Herbert Fry of Ypsilanti, and Paul Niehaus of Chelsea.

From where I sit... by Joe Marsh

Might As Well "Get In Key"

Last Tuesday Judge Cunningham wanted to go fishing. "Why aren't you working?" I asked. Judge explained how his wife had gone on a trip, taken his keys by mistake and now he couldn't get in the office. So we went fishing. Next day, he wanted me to go again. I was surprised those keys hadn't shown up yet. "The little woman phoned to say she matted them," the Judge explained. "They're now in the office, under the mail slot. I'd get 'em if I could just open that door." He grinned and picked up his fishing rod.

"Great little woman, the wife. You can always count on her. Let's go!"  
From where I sit, we can use tolerance like the Judge shows for his wife's absent-mindedness... and she shows for his habit of lighting out for the fishing hole at every opportunity. He can't see why she likes tea, and she doesn't share his taste for a glass of beer. But they get along fine! Learning to respect other people's ways will "open the door" to happier living.

Out of this World for you!

Want a lot of mileage for your money?

WE'LL admit that the price tags of automobiles—all automobiles—are not what they used to be.

But it's just as true today as ever before that some price tags are lower than others, and some cars cost less to own than others.

So let's see how a Buick SPECIAL fits into the picture.

Take first cost. If you put the price tag of this Buick against price tags of cars that have always been tagged as belonging in "the low-priced field"—you'll find that, in actual dollars, a Buick's surprisingly close to these cars of lesser size and horsepower.

But that's just the beginning.

What you're getting here is Buick quality—this SPECIAL comes down the

same assembly line as SUPERS and ROADMASTERS.

Its heft tells you it has extra sturdiness in frame and structure.

Its Fireball Engine delivers extra power. It is an eight, a valve-in-head, with high compression, and the miles you can get from a gallon of gas make it a thrifty performer.

You get Buick's Million Dollar Ride, which protects you—and the car—from jars and jolts.

Even the tires are bigger—which, any tire man will tell you, lengthens their wear.

And if you pay a bit extra for Dynaflo Drive\* you're easing the strain on the engine, the rear end, the tires—and eliminating clutch repair bills.

So when we talk about "mileage for your money" we're talking about the miles you'll get from your car—including the unused miles that are what you have to sell when you trade it in.

Maybe that's why Buick's doing so well in the present market. Why not come in and see what a great car this is for you?

\*Equipment, accessories, trim and models are subject to change without notice. Wheel covers standard on ROADMASTERS, optional at extra cost on other Series. White sidewalls optional at extra cost when available. \*Standard on ROADMASTERS, optional at extra cost on other Series.
