

**H. Schneider
Resigns from
Library Post****Decision Announced
at Annual Meeting
of Library Friends**

At the annual meeting of the Chelsea Friends of the Library Monday evening, Henry Schneider resigned as a member of the executive board and as secretary, because of ill health. Harold Jones, president of the Friends of the Library group, in regretfully accepting Mr. Schneider's decision, said all members and friends of the group experience a feeling of great loss because of Mr. Schneider's withdrawal from active participation in the organization.

Other members of the group later mentioned the many fine things Mr. Schneider has done for the library, his church and the community, all in such a quiet, unassuming manner that many people do not realize the extent of his community work for the good of the community.

Col. P. S. Holmes was elected to fill the vacancy on the board of directors, caused by Mr. Schneider's resignation. The remaining three elected officers were re-elected as follows: Harold Jones, Miss Nina Belle Wurster, and Mrs. Dudley Holmes.

Mrs. Warren Daniels gave a report of the building and site fund started with a \$100 contribution from the Woman's Club of Chelsea. She said a private individual and a factory in the community have included contributions to the fund in their annual budgets. The individual contribution is \$50 per year and the factory contribution is \$100 annually, she said.

Harold Jones gave his report as Friends of the Library president, and Armin Schneider, Library Board representative on the Friends of the Library executive board, at the Friends' request, made suggestions for items which would be welcomed as library improvements. These included the need for shades on some sort for the windows to soften glare.

Mrs. George Walworth, the librarian, spoke briefly, quoting library statistics and mentioning other items of special interest.

Miss Mabel Fox, Chelsea Public Library Board president, was the principal speaker of the evening. She explained that she was ignoring the portion of the announced title race talk regarding "progress" and was reluctant as well to speak of plans any farther than her own elected term, so she decided to give a brief analysis of the library service here.

She said the answer to the question, "Why a Building and Site Fund?" lies in the increased school population which in the last 20 years has created a necessity for greatly enlarged school facilities. In the next 15 to 20 years, Miss Fox predicted, this increase will be reflected in a proportionate need for increased library service, and the building and site fund, begun now, is far-sighted provision for that eventual need.

After the close of the meeting the executive board met to organize and elect officers. Harold Jones was re-elected president, Col. Holmes was named vice-president, and Mrs. Dudley Holmes was elected secretary-treasurer.

Dr. Brooks' wife, the former Agnes Stokes is a sister of Mrs. Leigh Palmer.

Dr. Brooks has practiced in Rochester since his graduation from the University of Michigan in 1927 and has gained nation-wide fame for his work in "endodontics," a form of root surgery. He is on the staff of the University of Michigan and instructs graduate classes in this special phase of his work. He is considered one of the top men in his field and patients come to him from all over the country.

He had cared for his own practice until two years ago when he chose another Michigan graduate, Dr. James Acreus, as his assistant. Dr. Brooks' son, Richard, is a student at the U. M. Dental School and has just finished his second year.

CANCER FUND BOOST—Blane McClanahan, left, plant chairman for Central Fibre Products company division of UAW-CIO Amalgamated Local No. 437, is shown above as he presented a check for \$1,063 to Mrs. Ren Hutzler, Chelsea Cancer chairman, on behalf of the employees and management of Central Fibre. Ren Hutzler center, is enjoying a chat with Senator Blair Moody, right, who was the principal speaker at the annual Central Fibre employee-management dinner Saturday night at which time the presentation was made.

EX-NEWSPAPERMAN Senator Blair Moody, left, and ex-president of the University of Michigan, Alexander G. Ruthven, together for a brief visit after the Saturday evening meal at which they were both guests of Central Fibre company management and employees at their annual banquet. Ruthven remarked "that before most of you were born I was spending a lot of time in Chelsea trying to persuade the girl who is now Mrs. Ruthven that I was earning enough to support her." Mrs. Ruthven was teaching school here at that time.

**Mrs. George T. English Honored
by Friends on 90th Birthday Sunday**

Thirty friends, relatives and neighbors called Sunday afternoon to extend congratulations and best wishes to Mrs. George T. English on her 90th birthday. Mrs. Otto Luick, a niece of Mrs. English, had arranged the affair. Out-of-town guests were Mr. and Mrs. Grandin Calkins, of Detroit.

The refreshments included a beautifully decorated birthday cake baked by Mrs. Walter Beutler.

Mrs. English was remembered with a shower of birthday cards and also received a number of gifts, plants and flowers.

Mrs. English and her late husband were actively interested in the Grange for many years. Mrs. English has been affiliated with Grange work for 59 years. Mr. English died Nov. 8, 1950.

The open house Sunday, from 3 until 5 o'clock, was held at Mrs. English's home on South Main street, where she has lived since 1920 and where she and Mr. English quietly observed their 67th wedding anniversary Nov. 22, 1949.

They had one daughter, Juliet, who died shortly after her birth.

Mrs. English, who is the former Frances Cooley, was born June 15, 1862, at Fayette, Seneca county, N. Y. She came to Michigan in 1887 with her parents, Mr. and Mrs. John Cooley, and the family home for many years on the present Philip Seitz farm, on Lima Center road.

Except for a period of about eight years, prior to 1896, when she and her husband lived in Oregon, Ind., Mrs. English has always lived in this vicinity since coming here from New York state.

She is a member of the Congregational church, a life member of Olive Chapter No. 108, O.E.S. and a member of Lafayette Grange.

Also in observance of her birthday, Mrs. English's niece, Mrs. Otto Luick, took a complete dinner to the English home at noon and stayed to share the meal with her.

**Senator Blair Moody
Stresses Importance
of U. S. Leadership****'U. S. Must Hold
World Together or
Fall Apart with It'**

Senator Blair Moody was favorably received here Saturday when as the guest of his friend, Donald Bacon, president of Central Fibre Products Company, he met Chelsea people at an open-house reception held in the Central Fibre plant offices at 5:30 o'clock and was the principal speaker at the company's annual employee-management dinner at the Congregational church an hour later.

The senator spoke briefly at the reception after he was introduced by Talbot Smith of the Ann Arbor law firm of Burke, Burke and Smith, John Keusch, local attorney, had first presented Moody.

Following his talk, Moody answered questions informally for a short time, touching on such matters as the steel situation and the St. Lawrence waterway project.

Regarding the steel situation Senator Moody remarked that the only way it could be settled was for "both sides" to sit down together and "really work" toward an agreement.

In his talk after the dinner in the Congregational church-dining room, he complimented employees and the management for their fine relationship at Central Fibre, saying that their was an example of the good that can be accomplished by combining intelligent management and the skills of labor into a harmonious unit, that benefits both.

He said labor and management of America must learn that both get much farther by working together, rather than against each other.

Saying that we, in America, today face problems we have never had before, warned that we are no longer immune to the things that have happened to other countries,

Moody continued, "the loss of power in Europe would mean loss of power here." In such an event, Moody stated, even more military force would be needed, and if this ultimately resulted in a military state, we would be faced with more and more regulations and more and more taxes.

One of his concluding remarks was the statement that if we, in America, "don't hold the world together with our leadership, it will fall apart and we will fall apart with it."

One of the highlights of the after-dinner program was when Blane McClanahan, plant chairman of the Central Fibre division of the UAW-CIO Amalgamated Local 437, who presided, turned over to Mrs. Ren Hutzler, Chelsea cancer chairman, a check for \$1,063 for the Washtenaw county Cancer Fund. The amount was the contribution of Fibre plant employees and management. The amount given by employees, \$534 was matched by the management to make the grand total of \$1,068.

Other guests at the dinner included former University of Michigan President Alexander G. Ruthven and Mrs. Ruthven, of Dexter and Dr. and Mrs. Harry Nelson, of Detroit. Dr. Nelson is one of the national trustees of the American Cancer Society.

Also a guest was Emil Mazey of Detroit, secretary-treasurer of the International UAW-CIO.

Dr. Ruthven, Dr. Nelson and Mazey each spoke briefly and the program was concluded by remarks by Donald Bacon.

Relatives of Mr. Bacon, here from California and Illinois, and others from Ypsilanti here to attend a family reunion Sunday, also were present at the dinner.

**Three Cars
Involved in
US-12 Crash**

Three cars were involved in a crash at M-92 and US-12 about 2 a.m. Sunday when a coupe pushing another car and traveling west on the highway, attempted a right turn and collided with a car also headed west in its proper lane, according to sheriff's deputies' reports.

As an aftermath of the collision, three Detroit and Highland Park men were assessed costs of \$15 each with alternatives of 10 days in jail, the driver of the coupe was fined \$25 and assessed \$10 costs as an alternative for 10 days in jail, and a fifth man, from Highland Park, was held for Detroit officers on another charge not related to the accident.

All appeared in Municipal court, Ann Arbor, Monday morning.

Kenneth Milton, of Highland Park, driver of the coupe, was charged with reckless driving, and Robert Green and Tony Wilson, of Detroit, and John Green, of Highland Park, were charged with being drunk and disorderly.

William Lynn of Detroit, who was in the car being pushed, was the man held for Detroit officers. Driver of the third car was Donald Schultz of Birmingham. His car was severely damaged.

Milton, driver of the coupe, appeared in Municipal court Tuesday morning on a charge of driving with a revoked license and was ordered to pay \$15 costs and was sentenced to three days in jail.

About 3:10 a.m. while officers were taking the five men to Ann Arbor to lodge them in jail, they picked up Fred Lovejoy of Jackson, for drunk driving. In Municipal court Monday, he was ordered to pay \$50 fine and \$50 costs or spend 30 days in jail.

In the second inning Chelsea put the game on ice by scoring six more runs. Dick Merkel led off by walking, Alber struck out, Stan Knickerbocker walked, and Heydlauff bunted, but was safe at first when the pitcher fumbled the ball. Then with the bases loaded, Arden Muebach batted out his second straight hit, scoring Merkel and Knickerbocker, and when the ball went through the right fielder's (Continued on page six)

**Drug Firms Aid in
Drive for Muscular
Dystrophy Fight**

During the week of June 23-29 drug firms all over the country will cooperate in raising a research fund for the muscular dystrophy appeal campaign. Drug manufacturers, wholesalers, chain drug stores and independent stores will share in the drive as collection centers for Dollar-a-Family contributions.

Locally, Fenn's Drug Store and the Chelsea Drug Store have pledged to provide counter space for the display of the muscular dystrophy collection display. Self-addressed envelopes and canisters will be placed in a convenient spot in the drug stores and the plan is that would-be contributors may pick up an envelope in which to send their contributions directly to Muscular Dystrophy Appeal headquarters.

The campaign is being launched by Paul Cohen, national president of the Muscular Dystrophy Association. Locally, Edna Ritterskamp has been active in promoting the success of the drive here, assisted by Mrs. Elson Unstead.

Muscular dystrophy, while not as well-known as polio, cancer and other diseases for which campaigns for funds are held annually, is a crippling, wasting of the muscles for which no known cure has yet been found. Funds secured in the present campaign will help finance research in the fight against the disease which attacks young and old, alike.

Telephone Rate Hike Will Affect Some Types of Service Here

The increase in telephone rates granted the Michigan Bell Telephone Company last week by the Michigan Public Service Commission will effect rural residence lines and business service here.

The monthly increase for rural residence subscribers in the local exchange will amount to 75 cents—less than three cents a day.

There is no change in other classes of residence service here. One-party and two-party business telephones here will be increased 75 cents a month. Rural business service and private branch exchange trunk lines will be increased \$1.00.

Residence and business extensions will be increased 25 cents per month. Under the rate revision order, local calls from pay stations will be 10 cents. It is expected that about 30 days will be required to convert all of the company's dial coin box telephones to 10-cent operation in the outside area.

Commenting on the increase in rates granted the company, W. Calvin Patterson, vice president of Michigan Bell, said: "Not only is the increase inadequate to assure good telephone service in the future, but the delay in getting it has denied the owners of the business a return on their investment that cannot be recovered." Patterson pointed out that less than half the ordered rate increase will remain with the company. More than half of it, he said, will go to the Federal Government in taxes.

Referring to a recent \$7,000,000 wage boost to employees, and an increase in state and Federal taxes three and one-half times what they were in 1940, Patterson stated: "The price of most everything else has gone up much oftener and much more than the price of telephone service. Including the increase granted last week, Michigan Bell revenues will have risen only 27 per cent from rate increases since 1940 while the overall cost of living has gone up 89 per cent."

She is now visiting friends in Brooklyn and will visit here before returning to her home next month.

Rowes Corners Pastor Surprised with Pound Shower

Rev. and Mrs. J. W. Beardsley were surprised with a "pound shower" during the reception given in their honor Sunday evening by members of Sharon Evangelical United Brethren church at Rowes Corners. Rev. Beardsley became pastor of the church June 1, coming here from St. Mark's EUB church, Detroit. Their youngest son, James, home from college for the summer vacation, was present at the reception.

Anton Feldkamp, speaking for the congregation, formally welcomed the new pastor and his family during the program held in the church, and Vernon Dresselhouse presided during the presentation of the "pound shower" in the church basement where the refreshments were also served.

The new pastor responded with thanks and an informal talk. With Mrs. Ira Uphaus pouring, coffee, ice cream and a variety of cake was served.

The shower gifts included many staples and other foods of all kinds, including flour, sugar, potatoes, fresh and canned fruits, eggs and dairy products. All were attractively arranged on a long table in the dining room. Gifts ranged from one to 25 pounds each.

Vermont Cemetery Association Increases Price of Burial Lots

At the Vermont Cemetery Association meeting, held on the grounds of the cemetery Thursday afternoon, it was voted to raise the price of lots, the change to be effective Jan. 1, 1953. Four-grave lots will be raised from \$20 to \$25, while eight-grave lots will go from \$40 to \$50. The perpetual care charge of \$50 remains the same and all purchasers of lots will be required to provide the perpetual care after the Jan. 1 date. It has been the practice to allow purchasers to elect whether they wished to have the perpetual care or not, but officials point out that this plan has proved impractical where no survivors of families remain and the care of the lots must be assumed by the association.

Officers elected for the coming year are Leon Chapman, president; Mrs. Henry Orbring, Sr., vice-president; Mrs. Alfred Faulkner, treasurer; and Mrs. Leon Chapman, secretary.

Fathers' Day guests of Mr. and Mrs. Adam Eppler were Mr. and Mrs. Quentin Kline and Mr. and Mrs. Kermit Kline, of Dearborn, Kathryn Maher, of Maumee, Ohio, and Gertrude Eppler, of Bowling Green, Ohio. SMILE WEEK

Every Week is Smile Week for the Jones . . .

Hot water used to be a problem at the Jones'. A scramble to get a bath before it was all gone. Somebody always forgetting to chase down to the basement to start the old heater.

But now the Jones are a happy, smiling family. Know why? They've replaced their old-fashioned water heater that was always playing tricks on them with a new automatic gas water heater. Now they have plenty of instant hot water day and night for everybody.

You can save YOURSELF a lot of time waiting for water to heat. Save all that chasing down the basement stairs to turn on the old heater and then back again to turn it off. Be "hot water happy." Replace your old heater with an automatic gas water heater. Costs less to buy, less to install, and less to operate than any other automatic type.

Daniels' 1911 Buick Wins Awards in Antique Car Show

Mr. and Mrs. James Daniels and Mr. and Mrs. Ted Balmer and son, Robert, were in Lansing Sunday to attend an antique car meeting. Approximately 75 antique cars were present.

A number of events took place during the afternoon and Daniels won two prizes. His 1911 Buick, Model 10, was judged the most popular car entered, and he won the "cranking" race. Entrants in the latter contest had to get in their cars, wait for the starting signal, dash out and crank their cars, run entirely around their cars before getting back in and driving to the finish line.

Balmer drove to the meet in his 1907 DeSoto.

Both Chelsea cars had to get on the road early Sunday morning to make the trip to Lansing.

Certain Self-Treatment Should Worry You, Too...

Powerful and effective, many new drugs can produce remarkable results. Likewise, much damage can result from improper use or overdose. Dangerous immunities can develop. Permanent injury can be done—even life can be endangered.

For good reason, there are restrictions on the use of penicillin, Chloromycetin, certain sulfa compounds and other drugs without the care and prescription of a physician. When your health requires it, consult your Doctor. He will prescribe these new and potent remedies when he feels they are required.

Bulldozers Prepare New Parking Lot at Bethel Church

Two large bulldozers of the Guenther Brothers company of Ann Arbor, did the grading Monday for a parking lot at the church, replacing the old hitching sheds at Bethel church, Freedom township.

Farmer members of the congregation will draw the gravel for the 60x500-foot lot located across the road from the church, although that part of the work will be delayed until after haying and harvest.

The long sheds, used in early years for the protection of church attendants' horses and buggies during the services, were a landmark in the community since 1879.

The advent of the automobile had made the old sheds obsolete and the modern parking lot will be a great convenience for those who attend the church.

The bulldozers were on hand just at the right time to afford "entertainment" for the children of the pastors and their wives of the Ann Arbor Region who were meeting that day with Rev. and Mrs. T. W. Menzel for a picnic dinner.

Attending from Chelsea were Rev. and Mrs. P. H. Grabowski. Also at the picnic as guests of the ministers were Rev. and Mrs. Leonard Stark and Rev. and Mrs. Walter Stark. The two brothers had been ordained at Albion Sunday evening.

Mr. and Mrs. Albert Ashfal were Sunday dinner guests of their daughter and her husband, Mr. and Mrs. Charles Norton, at Allen Park. In the afternoon they called on Mrs. Ashfal's mother, Mrs. Charles Hagadon, at the home of her son, Allen Hagadon, and family.

Our Neighbors

Rochester—Dr. Bertha Van Hoesen, whose personal achievements in the field of medical science earned the respect and admiration of the entire world, died Saturday, June 7, in a convalescent home in Romeo following an illness of seven months.

Born March 26, 1863 on the Van Hoesen farm in Stoney Creek, Dr. Van Hoesen practiced her profession for most of her 89 years.

She spent her first practice in Chicago in 1892, as an emergency physician at the Columbian Exposition, and actively maintained that practice until February 1950. In the intervening years she received recognition after recognition, spoke throughout this country and abroad, taught in universities and in 1947 wrote a book, "Petitcoat Surgeon," which has since been re-printed in England and Denmark.—Rochester Clarion.

Northville—Two young men in a jeep headed west to Montana Tuesday night, before a swing north to the Alcan Highway and Alaska.

Leonard "Skip" Howard and William "Bud" Canfield wedged themselves into their jeep, already jammed to the roof with supplies and equipment, and headed out into the night at 10:30 Tuesday, bound for the Auskegon-Milwaukee ferry which crosses Lake Michigan every morning. "Skip" is the son of Dr. and Mrs. W. Leonard Howard and "Bud" is the son of Mrs. William H. Canfield and the late Mr. Canfield.

The trip, planned for months, was almost cancelled when "Bud's" draft board wouldn't allow him to leave the country. The difficulty was resolved when the commission was granted on promise that the wayfarers will return by 4th and 6th of August.—Northville Record.

Standish—There'll be no more work on the Augres flood control project during 1952-53. That's the word received last week from Gale H. Gibson, executive secretary of the Saginaw Valley Regional Planning Commission.

Gibson wrote Norman Staebler, chairman of the Augres Flood Control Commission, that the reduction in flood control survey funds voted by the House of Representatives will eliminate any work on the Augres.—Arenac County Independent.

CHOIR ENTERTAINED

Mr. and Mrs. Eugene Fisher entertained members of St. Paul's senior choir at their home Thursday evening following the choir practice period at the church. Husbands of several of the choir members were also invited to the gathering.

Before the ceremony Carl H. Bryan of Northville, sang "Calm As The Night," and "At Dawning."

The bride's gown of white lace and tulle, over satin, was fashioned in princess style with long sleeves and an illusion neckline finished with a lace collar. Her veil was of matching lace with a satin headpiece trimmed with pearls. Garlands, arranged in a corsage, centered her bridal bouquet of stephanotis and tulips.

Mrs. Wilbur Johnston of Centerline, a sister-in-law of the bride, was matron of honor, and Helen Casfield of Northville, and Mrs. Donald L. Coon of Albion, were bridesmaids. All were gowned alike in blue lace and net and wore headpieces of blue tulle. The matron of honor was distinguished from the others by her bouquet of red carnations and the matching carnations trimming her tulle headpiece. The bridesmaids' flowers were pink carnations.

John Butterfield of Homer, was best man, and Frederick Weber and John Winans, of Chelsea, and Wilbur Johnston, the bride's brother, acted as ushers.

Following the reception in the church parlors the couple left for a week's trip to northern Michigan. They will live in East Lansing this summer and in the fall will make their home in Flint.

The bride graduated last week from Albion College where she became affiliated with Zeta Tau Alpha sorority. She will teach in the Flint schools next fall.

Goodwill Industries Schedule Pick-Up of Discarded Items

Household discards can be turned into time cards at Goodwill Industries of Detroit. The 31-year-old organization, which provides training, rehabilitation and employment for physically handicapped men and women now has the greatest payroll in its history. To keep employment at a high level and to provide training and productive jobs for an even greater number of disabled adults, Goodwill Industries is appealing for household discards in greater quantities than ever before.

Goodwill Industries trucks will be in this community on June 25-26 to pick up household discards such as clothing, shoes, hats, books, dishes, toys and small appliances. These items are taken to the Goodwill workshops where handicapped employees repair and renovate them for sale in one of three Goodwill stores. Receipts from store sales paid the wages of over 540 men and women during 1951.

Housewives wishing to support the Goodwill program of rehabilitation and employment will also be helping themselves by disposing of articles which might otherwise remain in closets or other storage spaces for years, creating confusion and of hazards.

A phone call to Chelsea 6821 or a post card addressed to Goodwill Industries, 6522 Brush, Detroit 2, is all that is necessary to arrange for a pick-up by a Goodwill truck and start turning discards into time cards.

Two Guild Delegates Attend Conference

Mrs. Fred Seitz and Mrs. Floyd Walz returned Friday from Richmond, Ind., where they attended the annual conference of the Women's Guild of the Evangelical and Reformed Church as delegates of St. Paul's Women's Guild. More than 200 leaders of the Guild from many sections of the country attended the sessions.

It was announced that the program study for the year 1952 is to be on the topic "The Bible Speaks To Us Today." Delegates devoted themselves in the four-day session to the study of the churches in the local and world community, their development and some of their responsibilities and resources. Recognized leaders in the denomination and in the field of Christian religion led classes on Bible study, personal religious living, program building, home missions, human rights and other topics.

Among the class leaders were Dr. Allen Wehrli, professor at Eden Seminary, Webster Groves, Mo., Miss Louise Auchbach, of the Women's Guild staff, Cleveland, Ohio, and Dr. Charles D. Spotts, of the faculty of Franklin and Marshall College, Lancaster, Pa.

*This is the local delivered price for the Buick SPECIAL 2-door, 6-passenger Sedan MODEL 48D (illustrated)

Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

WE put the price of this Buick in big type because we're proud of it.

It's the price of the six-passenger, two-door SPECIAL—ready to roll.

When you put this price against the local delivered prices of other cars that folks usually associate with Buick—you'll have a hard time finding a single one as low.

When you put this price against what you'll pay for cars with the reputation of being "lower priced"—you'll find why this Buick gives them such keen competition.

And—if you want to go in for extras—you can still add up what goes on the bill of sale of other cars and a Buick—you'll find out that Buick's an even greater buy.

We know that price is important to a lot of folks, especially with the price of groceries—and even baby shoes—where they are today. But you also want some fun for your money—and that's where a Buick really shines.

Just wait till you give a gentle nudge to the power that's under that big, broad hood and

feel your shoulders sink back as this beauty takes off.

You'll feel like the million dollars it cost to perfect its ride, when you sample the steady smoothness of its gait.

It's eager, alert, alive—makes each mile a new experience.

Want to try it? Why not? We're willing to let this beautiful bundle of high-powered energy speak for itself.

Equipment, accessories, trim and models are subject to change without notice.

For Tar Paper Roofs
Tar paper roofs are usually painted with asphalt paints containing fibrous asbestos or with the newer aluminum-asphalt paints which are black asphalt varnishes in which aluminum powder or paste is mixed. When applied, the aluminum flakes float to the top and give a metallic lustre to the coating. Besides having good durability, these paints reflect the sun's rays and keep a building appreciably cooler in warm weather.
