**H. Schneider  
Honored by  
Library Body****Hand-Made Plaque  
Pays Tribute to Long  
Voluntary Service**

Henry C. Schneider, who resigned Monday, June 16, as secretary-treasurer of the Friends of the Library group here, was today presented with a framed, hand-

Mr. and Mrs. Henry Schneider

lettered, parchment copy of the following resolution:

"It is hereby resolved that whereas: Mr. Henry C. Schneider has completed his many years as secretary-treasurer of the Friends of the Chelsea Library; and, whereas: it is the desire of the Friends of the Chelsea Library to record officially its appreciation of Mr. Henry C. Schneider's sincere, capable and energetic performance of his duties to the library, the secretary is hereby directed to enter the foregoing upon the official record of the Friends of the Chelsea Library and to forward to Mr. Henry C. Schneider a certified copy thereof."

In announcing the presentation of the resolution of appreciation to Mr. Schneider, Friends of the Library officials cited his many contributions to the entire community, all on a voluntary basis.

He has been financial secretary of the Congregational church for many years and was also active in all of the work of the church. During the remodeling of the church basement and kitchen several years ago, he supervised the work and gave freely of his time and engineering knowledge to help make the kitchen and dining room one of the most modern and convenient in the community.

While a member of the school board, his engineering knowledge was also put to frequent use in matters pertaining to the school buildings.

For the village, itself, he supervised the construction of the service building and garage on North street and the electric power substation on Van Buren street. When village officials wished to determine the load-capacity of the Chelsea fire barn in the Municipal building at the time of the purchase of the new fire truck, Mr. Schneider made the necessary engineering tests free of charge.

Similarly, in his work as a member of the Chelsea Public Library Board, he supervised the installation of the acoustical ceiling in the library room in the Municipal building, and he, himself, made the cases for the children's records and for the bound volumes of The Chelsea Standard.

Mr. Schneider, who was hospitalized several weeks last winter, is much improved in health at present, but gave ill health as the reason for his resignation as secretary-treasurer of the Friends of the Library.

Legion Post Plans  
**Fireworks Display  
at Cavanaugh Lake**

Herbert J. McKune Post No. 31, American Legion, is planning a display of fireworks for the Fourth of July and invites people of the community to witness it. The fireworks display will take place on the waterfront at the Legion cottage at Cavanaugh Lake.

Legion members and their families and friends will have a picnic supper at the cottage at 6:30 p.m. The Legion will furnish the meat for the occasion and those who attend are to bring a dish to pass and their own table service. Elton Guenther is chairman of the committee in charge of the Fourth of July celebration.

**Contributions Here  
to Easter Seal Fund  
in Excess of \$600**

Chester's contribution to the 1952 Easter Seal campaign of the Washtenaw county chapter of the Society for Crippled Children and Adults was \$668.32, according to a report of the campaign report recently. Of this amount, the report states, \$500 was contributed after the campaign closed.

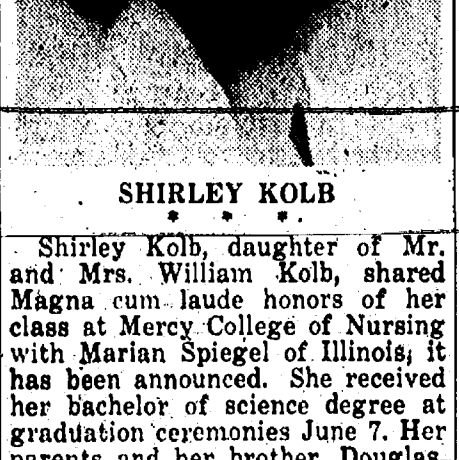

Chester placed third highest on the list of cities and villages in the county, being topped only by Ann Arbor, with contributions of \$2,563.64, and the Ypsilanti, Pittsfield, Belleville and Willis area combined, with \$699.30.

In expressing appreciation for the amount contributed, which was several hundred dollars over last year's contributions, the report continues with the following statement: "as to use of the funds."

"Money contributed will help send several crippled children to a summer camp; will buy much needed wheel chairs and appliances; \$500 will be spent to help in the county-wide hearing test of all school children; and all money will be spent for the comfort, encouragement and improvement of crippled children and adults."

Paul F. Niehaus is president of the Washtenaw county chapter of the society this year.

Shirley Kolb Wins

It has been announced she received her bachelor of science degree at graduation ceremonies June 7. Her parents and her brother, Douglas, and her grandmother, Mrs. John Forner, attended the exercises.

She is a graduate of the Chelsea High school.

**Radio Club  
Participates  
in Contest****Shows Capabilities of  
Amateur Operators  
for Defense Work**

The Burns Lodge Group Camp, building on Loveland road at Sugar Loaf Lake, was a busy place the past week-end when members of the Huron Valley Amateur Radio Association took part in a 24-hour national-wide contest, object of which was to contact as many stations as possible. When the contest was concluded at 4 o'clock Sunday afternoon, the station operated by Marion Longworth, local member of the association, had contacted 185 stations in widely scattered sections of the United States and Canada. Almost every state in the United States was contacted.

Longworth's contacts included California, Washington, Florida, Quebec, Ontario, and points along the east coast of Canada. His equipment was operating on a 40-meter wave length, while others operated on 80-, 75-, 20-, 10- and 2-meter wave lengths.

The equipment for the seven stations was operated on power generated by a large generator set up behind the lodge, away from the house. The generator is the one which is to be used on the retired Detroit street car, but recently acquired by the association for its mobile power equipment. This generator and bus is the unit which is to be used in civilian defense maneuvers. The stations are all operated independently of commercial power sources.

The continuous 24-hour demonstration of disaster communications facilities was given by more than 6,000 amateur radio operators across the nation.

At Burns Lodge, 25 of the more than 40 members of the association took part in the 24-hour contest. The seven stations were operated simultaneously.

This was the 16th annual field day sponsored by the American Radio Relay League.

After the test was concluded all equipment was removed and the contest was up in approximately 30 minutes.

**Road Commission  
Truck-Scraper  
Struck by Auto**

A Washtenaw county Road-Commission truck driven by Victor Miller, of Chelsea, was rammed from behind by a car driven by Thomas Lemble, 531 2nd street, Ann Arbor, on Maple road north of Miller rd., northwest of Ann Arbor, about 3:25 Friday afternoon.

According to information given Kenneth Holzappel, Washtenaw county sheriff's deputy, Lemble said he did not see the county truck until he was within 10 feet of it because of clouds of dust raised by a passing car. The road truck and Lemble's car were traveling north.

The road truck, with a scraper attached, was scraping the highway at the time of the crash. Lemble, 26 years old, was listed as manager of the meat department in the Jackson Road Kroger supermarket. He was admitted to St. Joseph's Mercy hospital, Ann Arbor, suffering head and chest injuries. Saturday morning reports by relatives stated that he also suffered fractured ribs, according to Holzappel.

Miller, driver of the truck was not injured but the scraper and rear of the truck were somewhat damaged and the load of ballast carried in the truck was shifted.

Mrs. Harold Harrison is a patient at U. of M. hospital, Ann Arbor.

Mrs. Elmer H. Allen of Manchester, moved last week-end to her home at 333 Madison, Chelsea.

OLD-TIME AUTO RALLY—Friday afternoon's rain didn't stop the two determined couples shown above from making the trip to Jackson in their antique cars. Mr. and Mrs. James Daniels, top photo, traveled in their 1911 Buick roadster, while Mr. and Mrs. Ted Balmer and son, lower photo, used their 1911 Oakland sedan. In Jackson they participated in an old-time car rally sponsored by the Greater Jackson Association. Mr. and Mrs. Daniels stayed overnight and drove to South Bend, Ind., Saturday for the antique car show in connection with the Studebaker Centennial. The 140-mile return trip from South Bend to Chelsea was made Sunday in six hours, averaging 24 miles to a gallon of gas.

**Balmers, Daniels Display Old-Time  
Autos in Jackson Parade Last Friday**

Mr. and Mrs. James Daniels and Mr. and Mrs. Ted Balmer and their son, Robert, attended the first annual old-time automobile rally sponsored by the Greater Jackson Association at Jackson Friday.

Approximately 60 of the old-style cars were entered. These were viewed by the crowd, out for the event, in a roped-off city block on South Jackson avenue between Washington and Cortland.

Daniels drove his 1911 4-cylinder Buick, Model 10 roadster which was judged the most popular car entered in an antique car meeting at Lansing, Sunday June 15, while Balmer drove his 1911 Oakland touring car.

The old cars, in parade formation were driven to the Jackson Country club where the drivers and guests had dinner.

Among those in the parade was Henry B. Joy, son of the former Packard company president. He rode in a 1918 Packard touring car. At the dinner at the clubhouse, a prominent guest was Clarence B. Hayes, pioneer automobile wheel builder, who is now head of Hayes Industries, Inc., of Jackson.

Mr. and Mrs. Balmer and their son participated only in the Jackson program but Mr. and Mrs. Daniels remained overnight in Jackson and went to South Bend, Ind., Saturday, where approximately 55 old cars participated in a tour which was to take them to Fort Wayne, Indianapolis and back to South Bend. Mr. and Mrs. Daniels attended the banquet given in observance of the Studebaker Centennial at South Bend Saturday night and returned home Sunday.

They did not go on the tour to Ft. Wayne and Indianapolis. They made the 140-mile trip back to Chelsea from South Bend in six hours, averaging 24 miles to a gallon of gas.

Both Balmer and Daniels are members of the Veteran-Motor Car Club of America, with headquarters in Massachusetts. The club is an international organization whose interest is entirely in antique cars. There are members in Canada and England as well as in the United States. Daniels is also a member of the Horseshoe Carriage club which has its headquarters in Los Angeles, Calif.

Because of a misunderstanding about the time for the parade in Jackson Friday afternoon, the Balmers said, they sat in their car for two and a-half hours during the rain before the parade started.

The Daniels and Balmers have been invited to bring their old time cars to Jackson again July 5 for the Parade of Progress.

The local Auxiliary also received a citation for its legislative book prepared by the legislative chairman, Mrs. Alura Geer. Mrs. Geer was given an individual award, also.

Gov. G. Mennen Williams attended the banquet held Friday evening and was one of the speakers. **Ann Arbor Man  
Drowns Sunday  
in North Lake**

William L. McGee of Ann Arbor, was drowned at North Lake Saturday afternoon when he fell from a boat into 15 feet of water near the east shore of the lake. According to reports of the mishap, he apparently lost his balance while he was fishing. A brother-in-law, Albert Root, Jr., also of Ann Arbor, was rowing the boat and summoned help at Roehm's boat livery, nearby. The body was recovered in about 20 minutes by Elmer Roehm.

The drowning victim lived at 391 Packard street, Ann Arbor.

Chester Fire Chief Ted Balmer, with Kenneth Schanz and George Atkinson, rushed to the scene in answer to a request for the department's resuscitator, but found it was too late to help McGee because of the length of time he had been in the water.

June 26, 1950 Do Not Remember

It was a blistering hot Monday. The people were walking about in the sun. They were talking about names that were still strange to their tongue, Pyongyang, Seoul, Pusan.

The day before, while Michigan had taken to the road to dodge the last wave, North Korea forces had crossed the Republic of Korea and were advancing with tanks and were advancing with the speed of Hitler's panzers.

Today, June 26, 1952, Michigan (the defense officials are preparing to set up a 24-hour aircraft spotting service. Twenty-seven states, including Michigan, that are the vulnerable northern perimeter of the nation will go on the alert, July 14.

But, with only 9,000 volunteers lined up in Michigan, and 18,000 in the rest of the country, the need, CD chiefs worry about the speed of people whose lives have been in the whole quite unchanged by the Korean "police action."

That apathy is due to the rapid accumulation of news—from good to bad—from the 38th Parallel.

There was the period of shock when American soldiers entered combat, the shrinking beachhead at Pusan, the bitterness of defeat.

Then came mounting hope, spurred by MacArthur's brilliant landing at Incheon and the GI drive toward the Yalu. The gloomy days of the epic retreat from the Chosin Reservoir again gave way to hope when truce negotiations began a year ago.

But the protracted sessions in the circus tent at Panmunjon have killed America's tenseness. You can't stay at hair-trigger alert indefinitely without the stimulus of danger. Maybe Uncle Joe bases his true talk strategy on "that fact."

How, then, to find 9,000 volunteers to man ground observation posts?

Brig. Gen. Lester J. Maitland, Michigan CD director, believes the "card-on-the-table approach" is the way to do it.

"We're not trying to scare anyone," he affirms. "We're just going to present the facts. I think that's all the American people need."

To know the danger their country faces.

**Testimonial Dinner  
Tonight To Honor  
Johnsen Family**

The community testimonial dinner in honor of Supt. and Mrs. Albert C. Johnsen, being held this evening in the social center of the Methodist church, will be attended by approximately 150 persons, according to Alfred D. Mayer and M. W. McClure, who were in charge of the dinner ticket sales. The dinner was promoted by the Kwanza Club as a community project.

Johnsen leaves the Chelsea school system, of which he has been superintendent the past 14 years, to become superintendent of the Willow Run schools. He takes over his new duties July 1.

Dr. L. Luther Purdom, director of the placement service at the University of Michigan, will be the principal speaker at the dinner and Dr. J. V. Fisher will speak for the Methodist church, of which the Johnsens are members.

Rev. M. W. Bruckner, pastor of Zion Lutheran church, in Grand Rapids, and Rev. P. H. Grabowski, pastor of St. Paul's church, who have been friends of Supt. Johnsen through the years, will also speak briefly.

Charles S. Cameron, Chelsea high school principal who will greet Johnsen as superintendent, is the program chairman for the dinner.

**Manchester Road  
Base Material Coat  
Exceeding Estimates**

Washtenaw county Road Commission Manager Howard L. Minier said yesterday that the 18,000 yards of bank run material originally estimated as the quantity needed for the roadbed base on the Chelsea-Manchester road, has already been augmented with an additional 6,000 yards. Minier said that a rough estimate of the quantity still needed before the surface gravel can be added indicates another 8,000 yards will be needed. The bank run materials are being hauled from the Wellhoff pit on the Chelsea-Manchester road which the Road Commission owns. Because the quantity needed is much more than originally estimated, the date for the completion of the road base has been changed from July 1 to July 7.

It will take approximately ten more days, Minier believes, to add the surface gravel which completes the base for future blacktopping. A minimum of 5,000 yards of gravel has been estimated as the amount that will be needed for the toppling.

## Police Campaign Seeks To Eliminate Excessive Speeds

Sergeant G. H. Austin, commander of the Jackson post of the Michigan State Police, is appealing to motorists to practice strict, self-enforced speed control to reduce the alarming high number of highway accidents.

"Excessive speed is public enemy number one on the highways," Sgt. Austin said. "It is a factor in two out of every five fatal traffic accidents."

"During the summer months when travel is at a peak, speeding is especially hazardous and deadly. Week-ends are the worst."

"Last year 470 persons were killed in Michigan traffic during June, July and August. An average of 21 fatalities occurred every week-end."

"Motor vehicle travel this summer is expected to exceed an average of 80 million miles per day. Unless greater caution is taken, particularly in maintaining safe driving speeds, the accident toll will again be shamefully high."

"There is no good reason why accidents cannot be kept at a minimum. It simply requires some effort on the part of the drivers. By practicing courtesy, caution and common sense, lives can be saved and injuries and accidents prevented."

"If you take a motor trip, get off to an early start. Take your time and stay with the normal flow of traffic. Adjust your driving speed to conditions. Be careful and be here, next year."

JOHN B. MARTIN, JR.

## Martin Asks for Election of Outstate Man as Senator

Approximately 30 people of the community attended the coffee hour in the Municipal building at 10:15 a.m. Friday to meet John B. Martin, Jr., Michigan auditor general, who is campaigning for nomination as Republican candidate for United States senator.

Martin advocated the election of an out-state senator and said that all present candidates for the Republican nomination, as well as Senator Ferguson, are from Detroit or favored and financed by Detroiters. He claims this makes for unbalanced representation of the state in Washington.

Martin avowedly is out to try to replace Senator Blair Moody, who, he claims "has consistently voted for increased federal power."

In charge of arrangements for Martin's visit here were Sylvan township's supervisor, Elba Gage, and Miss Ida Dettling.

Mrs. Walter Wolfgang and Mrs. William Pritchard assisted in serving coffee and rolls.

## Members Volunteer Time To Decorate N. Sharon Church

Members and friends of the North Sharon Community Bible church are redecorating the interior of the church on a volunteer basis and are hoping to have the work entirely completed in time for next Sunday's services.

The first full day's work was put in Tuesday with Don Irwin, Alfred Burkhardt, Lawrence McAtee, Alvin Wahr and Herman and Arthur Osterle painting the walls and ceiling.

A partition which formed a small room in one corner of the building has been removed, enlarging the auditorium. Walls have been painted a soft rose while the ceiling is white. A wainscoting around the room was to be removed and the floor was to be painted in a brown-toned green to blend with the woodwork and walls.

Members of the church are planning to replace the present pews as soon as it is possible.

Women of the church served noon dinner to the workers on the church lawn. Women who worked Tuesday were Mrs. Lawrence McAtee, Mrs. William McAtee, Mrs. Don Irwin, Mrs. Alfred Burkhardt and Mrs. Harold DeMing.

## Virginia Chriswell, Robert Geer Speak Wedding Vows Here

Virginia E. Chriswell became the bride of Robert E. Geer in a ceremony performed in the Congregational church at 7:30 o'clock Saturday evening with Rev. W. H. Skontobury officiating. The bride is a daughter of Mrs. Lyle Chriswell, Sr., and the late Mr. Chriswell. The bridegroom's parents are Mr. and Mrs. W. L. Geer.

Lee Jones of Ann Arbor, was the soloist and sang "Until," "Because," and "The Lord's Prayer."

The bride, given in marriage by her brother, Lyle Chriswell, wore a ballerina-length gown of white net and lace panels over satin, topped with a fitted lace jacket fastened to the neckline with tiny satin buttons. The jacket featured long sleeves, pointed over the hands. A lace cap, trimmed with seed pearls, held her fingertip-length veil. Her ensemble was completed with a rhinestone necklace and she carried a white orchid and stephanotis on a white prayer book.

The bride's sister, Mrs. William Boyle, of Detroit, was matron of honor, while Sarah Geer, the bridegroom's sister, and Nancy White, both of Ann Arbor, were bridesmaids.

The attendants' gowns were ballerina-length and were fashioned of net over satin in strapless style with net stoles. The matron of honor was in pink while the bridesmaids were in green. The two bridesmaids' gowns had additional net overskirts of green over the blue net. All wore matching net headpieces and carried daisies.

Paul Lancaster, son of Mr. and Mrs. Charles Lancaster, in a white linen suit, carried the rings on a lace-trimmed, white satin cushion.

The bridegroom's brother, Allen Geer, of Dexter, was best man. Another brother, John C. Geer, and the bride's brother-in-law, William Doyle, were the ushers.

A reception followed in the church parlors. Mrs. Bonnie Resor, of Cement City, a cousin of the bride, and Joan Thompson, of Ann Arbor, assisted at the reception, while Mrs. Lyle Chriswell, II, was in charge of the guest book.

For her daughter's wedding, Mrs. Chriswell wore blue chiffon and lace, while Mrs. Geer was in grey nylon. Both wore corsages of yellow roses.

When the couple left for a trip to northern Michigan, the bride wore a suit in a black and white checked pattern. Her accessories were white and, pinned to her suit jacket, was the white orchid she had carried during the wedding.

Both the bride and bridegroom are graduates of Chelsea High school. The bride also graduated from the Alexandra School of Cosmetology, Ann Arbor.

### Methodist Home Resident To Mark 90th Birthday

Mrs. Elizabeth Wray, who lives at the Methodist Home, will observe her 90th birthday Saturday. She has lived at the Home since coming here from Detroit Sep. 23, 1949. She was born June 28, 1862, in Lincolnshire, England. Her husband, William Wray, died in 1933.

She has a daughter and son-in-law, Mr. and Mrs. Walter Stewart, who live in Detroit and are expected to visit her on her birthday.

Mrs. Ella Snowden, another nonagenarian, observed her 91st birthday June 15. She came to the Home Jan. 4, 1927, from Detroit. She has lived in Michigan since 1908 and was born in Fond du Lac, Wis., in 1861. She is the widow of Alexander Snowden who died in 1913.

Mrs. Wray and Mrs. Snowden were among the group of eight ladies who were honored at a birthday dinner given at the Home June 8, although Mrs. Snowden could not be at the special "birthday table" in the dining room because she is confined to her bed in the Home hospital.

Another of the ladies, Mrs. Nora Marsh, was absent from the birthday dinner because she was visiting in Oxford, which was formerly her home.

The others whose birthdays were celebrated at the dinner are Mrs. Mary Krueger, Mrs. Margaret Neff, Mrs. Catherine Plunkett and the Misses Frances Fraser and Alma Eves.

Daises and white candles centered the table where the June birthday celebrants were seated. Several received stationery as gifts and the others were given either handkerchiefs or knitting yarn.

WRC Members Are Guests of Local Legion Auxiliary

Fifteen members of the Woman's Relief Corps were guests of Herbert J. McKune Unit No. 31, American Legion Auxiliary, at the annual dues luncheon held Wednesday evening preceding the June meeting. Approximately 60 Auxiliary members and guests were present, among them being Mrs. Lucella Dell, district president, and Mrs. Sally MacArthur, district secretary, both of Saline, and Mrs. Howard Baker, of Fort Lauderdale, Fla., a former member of the Unit, who was visiting friends here. All spoke briefly at the luncheon.

Mrs. Edward Walker, Woman's Relief Corps president, thanked the Auxiliary members for their courtesy in inviting them to their luncheon meeting.

During the business meeting Mrs. Ruby West, Mrs. Susie Hulce and Margaret Mary Dumouchel were appointed as a nominating committee for the September election of officers.

Mrs. Charles Spencer, Mrs. Richard Kern and Mrs. George Knick were members of the Woman's Relief Corps at this meeting and Mrs. Fred Haffey was taken in as a gold star mother.

Other business included voting a contribution to the Smith Fund. Wednesday's luncheon meeting was held in the Legion Home at Cavanaugh Lake.

The Pleasant Lake School District, a recent consolidation of the former Pleasant Lake, St. Thomas, Dresselhouse, Irish, Silver Lake and Kuebler rural school districts is voting today on a \$125,000 bond issue and a proposed increase in millage tax monies to retire the bonds. The \$125,000 bond issue is being sought to finance the construction of a five-room elementary school for the newly-consolidated district.

The proposed location for the new school is a six-acre plot on Pleasant Lake road adjoining the Plevin, Cervinka and Alton Horning farms.

Election in the new district are to cast their ballots in the Freedom Town Hall from 2 until 8 p.m.

Mr. and Mrs. John Hummel and their daughter, Rosemary, visited their son, Jack, at Wolverine Boys' State, East Lansing, Sunday afternoon.

Let A Standard Want Ad Help You Find It

**Have you tried Buick's POWER STEERING?**

HIGH-TAILING down a broad straight road, you have that same sure sense of command that has always put such a thrill into piloting a great performer.

You're the boss. Your hands tell you so. It's the feel that so many folks who love to drive have come to know and enjoy.

This year, you also have at your command the highest horsepower in Buick history—and an Airpower carburetor, with two barrels in reserve to deliver an extra spurt when needed.

You have the size, the silence, the

smoothness that make this ROADMASTER so distinguished among fine cars.

Where then, you ask, does Power Steering come in?

When you want to get into—or out of—a tight spot at the curb, Power Steering takes over the extra effort of turning the wheels, and you can forget the two-tons-plus of automobile you're handling.

When you want to turn around in a narrow space—Power Steering lets you get the last inch of benefit from Buick's short turning radius, because it makes the maneuver so easy.

When one front wheel hits a bump, a

chuckhole, loose sand or dirt at the edge of a road—Power Steering takes up the jerk—makes control of the wheel easier and therefore safer.

Many folks who have tried it tell us that Power Steering has added almost as much to the pleasure of owning a Buick as Dynaflow Drive.

When would you like to try it?

Equipment, accessories, trim and models are subject to change without notice. \*Optional at extra cost on Roadmaster only.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

### Colored lights

speed culling of cherries

Colored lights help sorters of fruits and vegetables to detect small but important defects before processing. In a new technique developed in the agricultural engineering department of Michigan State College, plain white, blue and red fluorescent lights were tested. Under blue fluorescent light, sorters spotted defects 10 to 30% more efficiently than under white fluorescent. Under red fluorescent, sorter efficiency increased an average of 64% over white. Red light proved especially effective in culling cherries. For more information, call your County Agricultural Agent.

DIAPHRAGM

A plastic makes listening easier

Inside your telephone receiver a sensitive diaphragm produces the sounds you hear. Bell Telephone Laboratories have developed a new kind of diaphragm made of stiff, light plastic, driven by a magnetic-metal ring. This new diaphragm reproduces the human voice more naturally than before, lets you hear higher tones that make a voice more personal. Also, telephone lines need deliver only a third as much power to work this new receiver, so finer wires can be used. Once again telephone research increases the quality of service, keeps costs down.

### Whitey Sure "Rang the Bell"

Telephone woke me out of a sound sleep last Friday about eleven-thirty. "This is Whitey Fisher out on River Road," says a voice. "I just wanted to tell you how much I like this week's *Clarion*."

"Thanks, Whitey," I told him. "But why in blazes call to tell me at this time of night?" "Simple," he says, "your paper boy just delivered it a short while ago. Been waiting for it all evening."

Next day, Buzzy Wilson tells me he delivered Whitey's paper late because he stayed for the school dance and thought it would be OK

to drop it off on his way home. From where I sit, I can't blame Whitey for his joke. He was just reminding me we owe other people the same respect we expect from them. Since I'm always talking about respecting the other fellow's rights—including his right to enjoy a glass of beer if he chooses, it was only fair that Whitey should "wake me up" to his right to get his copy of the *Clarion* on time. Thanks again, Whitey!
