

## BARGAIN DAYS SET FOR NEXT WEEK-END

Independents  
Gain Victory  
over HowellWinning Run  
Not Scored Until  
Seventh Inning

It was another victory for the Chelsea Independents Sunday as they squeezed out a 3-2 win over league-leading Howell. The batter was Marty Tobin and Stanley Knickerbocker for Chelsea, and Tom Rowe and Don Davis for Howell. Tobin did a fine job in holding Howell to only two runs and six hits as his team mates collected eight base hits.

Both teams scored one run in the first inning. Chelsea scored theirs on a walk to Knickerbocker, an error by Judd, the Howell third baseman, and a single by Hansen. When Howell came to bat in their half of the inning they put together a walk, a sacrifice hit, and a base hit to tie the score at one-all.

In the third inning the Independents took the lead. George Heydlauff led off with a single, stole second base and scored on Hansen's hit along the left field line. The score was again tied up in the sixth inning when Howell scored another run, but in the seventh Chelsea took the lead. With one out, Merkell walked and took second on a Howell error. Stan Knickerbocker then pounced out a hit to right field, scoring Merkell. The third Chelsea run was enough to win as Tobin stopped all threats in the last three innings.

Oscar Hansen and Stanley Knickerbocker were leading hitters for Chelsea as they both collected two hits and drove in all three runs. Hansen drove in the first two and Knickerbocker in the last one.

Next Sunday Chelsea will play a double-header with Ann Arbor. The games will be played in Ann Arbor. Don Alber will probably pitch the first game and Marty Tobin will pitch the second.

It's the seventh annual forum on state and local government on the Michigan State College campus. It won't have as great an impact on the nation as the party convention but its sponsors believe that it's almost as important on the long haul because it creates a better understanding and understanding of government at the grassroots level.

It's been just as hot on the thermometer at East Lansing as it's been in Chicago and there were moments these past few days when the political temperature soared, too.

The Republican delegates had some explosive topics, FEPC, the international plank seating of contested delegates and of course—the titanic battle between Taft and Ike. But the Michigan conference has a couple of topics that were hardly conducive to a cool and academic discussion.

There was the explosive topic of state governmental reorganization (Continued on page eight)

Wolverine Tavern  
Sold by Batsakes  
to Local Brothers

Wolverine Tavern on Old US-12 West, has changed ownership after 25 years under the ownership and operation of James Batsakes.

Announcement was made this week that Joseph E. Merkell and Thomas Merkell, brothers, and sons of Mr. and Mrs. Joseph T. Merkell, had purchased the business on Wednesday, July 2. It will be jointly operated by them while Joseph E. Merkell is in the military service and Thomas is employed at the James Batsakes family moved to Ann Arbor three years ago. Mr. Batsakes has no immediate plans and is planning to "take it easy for a time."

Week-end guests of Mr. and Mrs. John Jenkins were Mr. and Mrs. Harold Robinson of Milan. Additional guests Saturday were SFC Robert Gladstone, stationed at Colorado Springs, Colo., and Mrs. Jenkins' sister, Rowena Lents.

Methodist Service  
Will Be Broadcast  
Sunday Morning

Services at the Methodist church next Sunday morning are to be broadcast over radio station WPAG, Ann Arbor, under the sponsorship of the Ann Arbor and Ypsilanti Councils of Churches. Because the program is regularly scheduled for 11 a.m. each Sunday, the services at the local church will be held at 11 a.m. for this Sunday only. Regular services at the church will revert to the usual time, 10 a.m., Sunday, July 20.

The primary and junior department of the church will reverse the time for their classes for this one Sunday, also. Junior classes will meet at 10 a.m. and primary classes at 11 a.m. The Sunday school classes will go back to their regular schedules again July 20.

The Ann Arbor and Ypsilanti church groups have arranged for an out-of-town to broadcast services each third Sunday on a rotation plan started this summer, and the Chelsea church was invited to participate by broadcasting the July 13 service.

Rev. David Bryce, pastor of the church, will preach.

Barbara Kuhl  
Will Compete  
in State Show

Barbara Kuhl, whose achievement booth at the Washtenaw county 4-H spring achievement program at Ann Arbor last spring won her the opportunity to compete at the 4-H Club Week activities at Lansing last week, placed in the group of six winners from the lower peninsula who are eligible to compete in the State Show the last week in August.

State Show winners will be eligible for trips to Washington, D.C., and the Toronto Exposition. Four achievement booth winners will be chosen from the upper peninsula and the ten from the entire state will compete for the high awards in August.

Barbara's exhibit included a picture 5 feet long and approximately 3 feet high. At one side of the picture is shown a run-down farm with dilapidated buildings and poor crops, the result of neglecting to plan for erosion prevention.

A streak of lightning across the sky is significant of the general air of trouble and disaster because of poor management. On the other side of the picture is shown a model home and farm buildings, pine trees planted on a hillside, green pasture land and correctly planted crops. On this side of the picture, a rainbow curves over the farm giving emphasis to the slogan "Find the End of the Rainbow through 4-H." On a pathway leading to the model farm, is shown the figure of a girl headed in the right direction because of her interest in 4-H work.

Barbara's booth was one of approximately thirty that were in the competition for the six top places.

Barbara, who graduated in June from Chelsea High school, has been active in 4-H club work the past seven years. She was one of six girls who received scholarships for tuition at Michigan State College from the National Farm and Garden Association.

She is a daughter of Mr. and Mrs. Arthur Kuhl. This summer she is employed in an Ann Arbor department store.

Two High School  
Teachers Granted  
Contract Releases

At the meeting of the Board of Education of the Chelsea Agricultural Schools Monday evening, Arthur Redner, vocal music teacher at Chelsea High school, and Ray Louthen, football coach, were given releases from their contracts here.

Redner is taking a position as director of music at Iowa State Teachers College and Louthen is going to Flint Central High school as head baseball coach and assistant football coach. Neither has been replaced as yet.

Mrs. Jane Schairer was hired as secretary for the high school and elementary school principals in action taken at Monday's meeting.

Approved at the meeting was the purchase of gang mowers to be attached to the recently-purchased tractor.

**MEMORIAL BOOK**

On the list of books given this year for the Memorial Shelf at the Chelsea Public Library, as released in the Friends of the Library report last week, is a book given by Mrs. Katharine Yoster and Mrs. Olga Stricker was accidentally omitted. The book, "Blood Brother," by Arnold, was given in memory of their father, O. L. Hoffman.

No Serious  
Injuries Here  
over HolidayLegion Fireworks  
Display Attracts  
Many Spectators

The Fourth of July observance in Chelsea and vicinity was rather quiet with many residents getting together for family gatherings and picnics at nearby spots.

The Chelsea Knights of Columbus held its annual picnic at the Whitney-Turner grove during the afternoon and evening, and Herbert J. McKune Post No. 31, the American Legion, held a dinner at the Legion cottage, followed by a display of fireworks. Approximately 90 persons attended the dinner.

The public had been invited to be present for the fireworks display and cars were lined up all around the lake and from the main highway to the Legion home during the display which lasted for approximately 45 minutes.

Eltor Guenther was in charge in an area roped off at the edge of the lake as a safety measure.

Commander David Strieter said later that members of the Post were unprepared for the exceptionally large attendance and are already planning for next year's observance with special emphasis on refreshments for children. He said the Legion hopes to make the fireworks display an annual community project after a lapse of about 15 years. Plans for next year include doubling the \$50 spent for the fireworks this year.

Attendance at the Knights of Columbus picnic was somewhat less than last year, according to Alex Mahar, general chairman. It was believed the three-day holiday week-end which took many people of the community out of town, was the reason for the smaller attendance.

Winners of grand prizes at the picnic were Alda Juergens, Karl Rieggier, Gertrude Young, Kathleen Parr of Sugar Lake, Robert Kirk of Manchester, and Arnold Fahrner.

Police Chief George Doe said the entire week-end was quiet with no serious personal injury accidents reported here.

Thursday, July 3 at 1:30 p.m. the tractor of a semi-trailer type truck was wrecked when it hit a culvert and the vehicle turned over on US-12 east of M-92. Theodore E. McGee of Coldwater, driver of the truck, told officers a car pulled out suddenly in front of his truck and he took the ditch to avoid a collision. The truck trailer was loaded with shingles. The driver was not injured.

Saturday noon, Carol Franck, 18, of Portland, a counselor at Cedar Lake Girl Scout camp, received slight head injuries when a panel truck in which she and a group of girls were returning to the camp, swerved suddenly and turned over at a curve on McClure road, near Bush road. Miss Franck was taken, by ambulance, to St. Joseph's Mercy hospital, Ann Arbor, for treatment and returned to her duties at the camp. Driver of the panel truck was Albert T. Miller, 616 Ellison Drive, Ann Arbor.

The two accidents were the only ones reported in this area over the holiday period.

The weather was ideal for the three-day holiday with temperatures in the 80's.

Three Central Fibre Employees Retire  
Under Terms of Pension Program

Three employees of the Central Fibre Products company were retired the past week under the company's pension program which lists retirement age at 68 years. The three are Edward Fisk and Godfrey Elsiele, both 70, and Patrick Savage, 75, better known as Harry Savage.

The three men were presented with gifts of money as they left their jobs at the plant for the last time.

Eisele was employed at the plant since 1941. Fisk had worked there since 1942, and Savage had been there the past six years. Eisele and Fisk were watchmen at the time of their retirement, and Savage was a janitor.

Eisele had been a farm worker

Two-Day Canoe  
Trip Is Feature  
for Girl Scouts

Girl Scout camping activities at Camp Cedar Lake are in full swing and a highlight of the past week-end was a two-day canoe trip to Highland Lake Recreation Area.

The opportunity to take the coveted trip was won by 12 girls in the 13 and one-half to 15-year-old age group who successfully passed all swimming, canoeing and camping tests. They were accompanied by the camp physician and his wife, Dr. and Mrs. Ted Eaton, and the girls' unit leader, Joanne Cook.

Those who stayed behind had a treasure hunt, the "treasure" being watermelons.

The various recreation events are planned by the Girls' Council, a group which includes girls from each of the three units at the camp, the Greenwood, Oak Ridge and Juniper Knoll group. The latter are the youngest of the campers who remain for one-week periods, while the two older groups have two-week periods.

Miss Fern Brown, camp director, said the girls have had hay rides and other traditional camp fun in addition to their regular projects.

Miss Brown mentioned that the weather has been "ideal" for camping so far this year.

Varied Merchandise  
Will Be Offered in  
Huge Street AuctionSchool Elections  
Will Be Held  
Next Monday

Annual school elections are to be held next Monday, July 14. The Chelsea Agricultural School district, listed as District No. 1, Fr., Sylvan, of the township of Sylvan, counties of Washtenaw and Jackson, will hold its election in the Chelsea High school gymnasium from 2 until 8 p.m.

Two trustees for terms of three years each, are to be elected. Candidates are Earl Beaman, present member of the board, who seeks re-election, and Dr. J. V. Fisher, Alex Mahar and Irven Weiss.

Terms of Beaman and Russell McLaughlin expire this year and McLaughlin has declined to run again.

Rural school districts will hold their annual meetings and election of officers the same date. Unless otherwise decided by individual districts, the meetings will be held on the same evening, according to the office of Julius W. Haab, Washtenaw county Superintendent of Schools.

To be qualified to vote at Monday's school elections, electors must be 21 years of age or over, a citizen of the United States, a resident of the state of Michigan at least six months, and a resident of the school district for 30 days.

Pleasant Lake School  
District OK's Bonds  
for New Building

The Pleasant Lake school district, in the election held last Wednesday, approved the \$125,000 bond issue to construct a new school for the newly-consolidated district, and also approved a special millage levy to raise the necessary funds for retirement of the bonds.

Balloting on the two issues resulted as follows: bond issue, 129 yes, 42 no; millage question, 137 yes, 45 no.

Present enrollment in the newly-formed district is 120 children.

Merchants Planning  
Reduced Prices for  
Customer Benefit

Chelsea merchants are making final preparations for the gala bargain event which has been sponsored annually by the Chelsea Chamber of Commerce for the past several years because of its popularity.

Plans being made by the merchants promise to offer merchandise of highest quality at special bargain prices throughout the regular shopping hours of Friday, 8 a.m. to 6 p.m., and Saturday, from 8 a.m. to 9 p.m.

Last summer the public showed such enthusiasm for the public street auction that a second one was held later in the summer. Next Saturday evening, beginning at 9 p.m. at the corner of Main street and Middle street, this event will be repeated. The auction will feature new merchandise from local stores to be sold to the highest bidder. Irving Kalmbach will be the auctioneer.

Chelsea's Main street is already assuming a festive look with bunting being strung along the sides of the street.

Wes Howes is chairman of the Bargain Days committee. Members of the group working with him are George Winans, David Strieter, Howard Flintoft, Roland Spaulding and Harold Hopper.

Sylvan Residents  
Renew Registration

Walter Kantlehner, Sylvan township clerk, estimated yesterday that approximately 400 persons registered here before the deadline date, Monday, July 7, was the final date for accepting registrations for the Aug. 5 primary election.

The new registrations will need to be checked through and inserted in their proper order on the township registration roll before an accurate count of the number of registered voters in the township can be made, Kantlehner said.

Registration in Sylvan township is estimated at approximately 2,000.

Road Improvement  
Projects Progress  
in This Vicinity

The Consumers Power company project of moving its poles out of the way of the Wilkinson road improvement program has now been completed.

The work on the roadbed is proceeding and sand cushion material was being hauled in Tuesday and yesterday.

The sand cushion base will be topped by a six-inch layer of compact gravel to complete the preparation for future blacktopping.

The Wilkinson road improvement program is being carried out under the county "match-money" program whereby the Board of Supervisors last year appropriated \$40,000 out of the general fund to be matched by the various townships for the financing of improvement of secondary roads. The Wilkinson road improvement and a section of Heim road were selected by the Sylvan township board as the projects which Sylvan's 1951 share of the "match money" should be used. Heim road work was completed last fall.

On this year's "match-money" program, Edwin Schaible, Freedom township supervisor, told County Road Commission Manager Howard G. Miner that the township had approved the appropriation of \$2,046. This equals Freedom township's share of the county-appropriated amount. The total thus obtained, \$4,092, will be used to repair and reinforce spots in Freedom township that have, in the past, broken up in the spring of the year. Approximately 3,000 yards of gravel will be used, according to present estimates.

Large quantities of gravel will be placed on the spots to be reinforced in on Bethel Church road between Steinbach and Schneider road.

On the county's Chelsea-Manchester road job, the top-layer process gravel is being added this week and when it is finished the road will be treated with chloride dust layer, according to Miner.

**TALKING IT OVER**—George Merriman, Manchester postmaster and a member of the Michigan State Fair Board of Managers, at the right above, is shown making plans with James M. Hare, new State Fair general manager, for a bigger and better state fair Aug. 29 through Sept. 7 at Detroit.

Manchester State Fair Board Member  
To Inaugurate Wool Growers Exhibit

George Merriman, Manchester postmaster, who is a veteran member of the Michigan State Fair Board of Managers, is playing an active role in this year's State Fair to be held Aug. 29 through Sept. 7 at Detroit.

Merriman is serving as chairman of the Commercial and Industrial Exhibits committee. He is also a member of the Entertainment, the Agriculture and Livestock, the Concessions and the Free Space committees.

He announced yesterday that he is this year instituting an educational wool exhibit which he believes will be of special interest to the many sheep raisers in the Chelsea-Manchester area. He said the exhibit will show the processing of wool from the time the fleece is clipped from the sheep, through the various stages of its development and manufacture into clothing.

Merriman is encouraging wool growers in this area to exhibit their wool fleeces at the fair and to take part in the wool contests. Those who would like to exhibit

fleeces are reminded that the final date for sending in entry blanks is Aug. 15.

Both Merriman and James M. Hare, of Detroit, new general manager, are helping reorganize state fair policies in an effort to give a still greater emphasis to the agricultural and rural areas of Michigan without sacrificing the industrial and urban interests.

In this direction Hare has announced a number of "firsts" for this year's state fair.

The Coliseum will be entirely cleared of entertainment on Sept. 2, 3 and 4 for livestock judging and events. On September 3 the livestock auction will be held in the evening for the first time, to enable more buyers to attend.

There will be nightly livestock parades in the Coliseum and the six horse hitching as well as the mounted police drills will be shown inside the Coliseum this year.

Premium books, listing \$110,000 in prizes, are now being mailed out, the earliest in years. Entries will close Aug. 15.

## Homemakers Meet at MSC Campus for Annual Conference

Mrs. Anna B. Brown, county home demonstrator agent, issued an invitation today to Washtenaw county women to attend the annual Homemakers' Conference at Michigan State College, July 22-25. She said the conference, sponsored by the home demonstration staff of the Michigan Cooperative Extension Service, is open to any Michigan woman.

On the agenda for the four-day meeting is a well-rounded program of educational events. Classes on world affairs, family life, gardening, music, public speaking and leadership will be conducted during morning and afternoon sessions by MSC faculty members. The program will be highlighted by a special 25th anniversary event. Plans have been made to recognize Michigan women who attended early Farm Women's Week—now changed to Homemakers' Conference. Television flashbacks will be used to compare homemaking methods of yesterday with modern methods, Mrs. Brown said.

Listed on the agenda are such outstanding speakers as John Strohm, associate editor of "Country Gentleman" who recently traveled in Russia, and Margaret Hildkey, public affairs editor of "Ladies' Home Journal." Mrs. Kathryn VanAken Burns, state home demonstration leader in Illinois and Mary Barber of Battle Creek, food consultant with the U.S. Department of Defense, will give talks during the Conference. Special event of Thursday evening will be a talk, "Blueprint for Contentment," by Dr. Tennyson Guyer who has been called Ohio's Ambassador of Good Will.

Mrs. Brown urged Washtenaw county women to contact her at the Agricultural Extension Office, Court House, Ann Arbor to make arrangements to attend the Conference. Cost for the four days is \$20.45.

## MICHIGAN OUTDOORS

### BASS FISHING TOO GOOD

In more than one Michigan lake right now black bass are too willing to take just about anything tossed their way, and many sportsmen are considerably concerned about the situation. While the bass may be caught readily, they must be released inasmuch as the season is closed until June 21st. Yet fishing is permissible in all bass waters right now.

Some mortality is sure to result. It's pretty hard to remove gang hooks from any fish in many instances without inflicting severe injury, and bait fishing may be even worse, for a hook that's swallowed must often be cut away—an operation that frequently proves fatal.

#### Bass Now Spawning

The fact that Michigan bass are spawning at this writing is the cause for most concern. And it's this same fact that makes the fish so easy to catch. Appetite isn't the big factor in making a black bass strike at anything from a tiny fly to a piece of cloth on a hook these days. They're smashing at an imaginary intruder near their spawning grounds. The male fish is the protector at such times, and he'll haunt the area near the nest until the young are hatched. Even then Papa Bass will often

cruise in wide circles around the school of fry, ready to ward off all enemies.

#### Prized Game Fish

Probably no inland lake fish is more highly prized than the black bass—both large and small-mouth, so it is little wonder that many people fear the results of the early opening of our lakes to fishing. Few fish put on the spectacular performance of the bass, especially when hooked on light tackle. The plunging surge of a small-mouth, followed by a fine show of aerial acrobatics makes dreams come true for the average fisherman, and the fact that the meat is very tasty adds to the enjoyment of the catch.

#### Fletcher Floodwaters Typical

Up near Hillman in the Fletcher Floodwaters you'll find a typical example of the situation. Would-be pike fishermen are having a hard time keeping bass off the hook—and with big pike lures many of the fish must be severely injured during the process of release. Fish biologists aren't worried however. They claim there's plenty of seed stock on hand to keep the population at par. But many sportsmen aren't too happy. You can't blame them. Who could be happy about tossing back a 5 pound bass just because the season doesn't open for a few days?

Mori Neff's "Michigan Outdoors" television show may be seen every Thursday at 10:15 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

## Jr. Baseball League Play Scheduled

At the suggestion of John S. Magiera, Chelsea Summer Recreation Program Director, the South-County Junior Baseball League is expanding its program this year to include the 12-year-olds-and-under teams, and also to raise the age limit from 15 to 16 years of age for the junior teams. These changes were made to allow more boys to participate.

The following villages are represented in the league: Chelsea, Stockbridge, Grass Lake and Vandercook Lake. The games are to be played on Fridays.

Paul F. "Jerry" Niehaus was elected secretary of the league. Mr. Niehaus contacted members from each community to meet and continue this league.

The schedule, as made out by John Magiera and approved by the league members, is as follows:

Friday, July 11, Chelsea at Grass Lake, and Vandercook at Stockbridge.

Friday, July 18, Vandercook at Chelsea, and Stockbridge at Grass Lake.

Friday, July 25, Chelsea at Stockbridge, and Grass Lake at Vandercook.

Friday, Aug. 1, Grass Lake at Chelsea, and Stockbridge at Vandercook.

Friday, Aug. 8, Chelsea at Vandercook, and Grass Lake at Stockbridge.

Friday, Aug. 15, Stockbridge at Chelsea, and Vandercook at Grass Lake.

Two teams from each town will play on the dates listed above. The Midsets teams will include all 12-year-olds and under. The Junior teams will include all 16-year-olds and under.

The Juniors will play on regulation size diamonds. The Midsets will play on diamonds with the following dimensions: pitching distance, 50 feet; distance between bases, 75 feet.

No pitcher on either the Midset or Junior teams is to pitch more than four (4) innings.

All games are to start at 5:30 p.m. The games will consist of seven (7) innings or a two-hour limit will be in effect. No new inning will be started after 7:30 p.m.

## Junior Baseball Team Loses Heartbreaker to Grass Lake Nine

The Chelsea 16-year-olds and under team lost a heartbreaker to Grass Lake by a score of 2-1 this past week. Going into the last half of the seventh inning with the score tied at 1-1, and Bob White pitching no-hit ball for six innings, the Grass Lake lead-off man, Larry Weeks, beat out a bund down the third-base line for the first hit off White.

The next batter, Cooper, walked. Then Weeks and Cooper executed a double steal. With runners on second and third and no outs, Graffa was the next batter for Grass Lake. He hit a ground ball to Neil Buehler, Chelsea's second baseman, scoring Weeks with the winning run.

Neil Buehler and Bob White each hit singles for Chelsea's two hits off Anderson, Grass Lake pitcher. Bob White allowed Grass Lake only one hit. Both teams scored their first run on errors. This was not a league game.

Week-end guests of the George TurnBulls at their Cavanaugh Lake cottage were Mrs. Henry Thierman, Mr. and Mrs. John Thierman and son, John, Jr., Mr. and Mrs. Gordon Peters and daughter, Barbara, and Mr. and Mrs. Paul Quick and sons, P. D. and Timmie, of Columbus, Ohio. Ed. Chandler and son, Carl, and Mr. and Mrs. Lyle Haselswerdt. Guests of the TurnBulls' daughter, Janis, were Lt. and Mrs. Gene Johnson, of Fort Benning, Ga., and Thomas Pond of Pleasant Ridge.

Howell—The Chelsea Labor Local knocked Howell from a first-place tie with Williamston into third place in the Tri-County Baseball league, by tripping the Howell team, 3-2. Marty Tobin hurled six-hit ball for the winners, that saw Dick Merkel and Stan Knickerbocker put together singles for the winning run in the seventh.

Williamston continued to lead the pack with an easy 5-0 win over Lansing Labor Local 602. Ray Vincelle pitched and batted the Bills to the win, as he collected a double and single in four trips to the plate. His battery mate, Butch Goodall, had a triple and a double and batted in four of the five Bill runs.

Gary Prater had a no-hit, no-run game with two men out in the ninth, but he lost Auburn Perkins on a base on balls, and Norwood Andrews punched a clean single to right to spoil the bid for the perfect game. Prater struck out nine, but walked eight.

The Stockbridge-Saline game was postponed to a later date.

Don't Thin Faint  
The next time you are faced with brushing heavy paint, enamel, or lacquer, don't try to cut it down with thinner. You will get better coverage if you warm the paint. Instead, if the can has already been opened, submerge the lower half in a pan of hot water. A warmed finish will brush easily without dragging, streaking, or piling up. Remember, however, you should never place the can in water that is still over the heat.

## Local Junior Baseball Team Now Leading Ann Arbor League

The 13-14-year-olds of the Chelsea summer recreation program took the lead in the Ann Arbor League this week. Behind the brilliant pitching of Bruce Hoffman the Chelsea lads lead the league with a two-win and one-loss record.

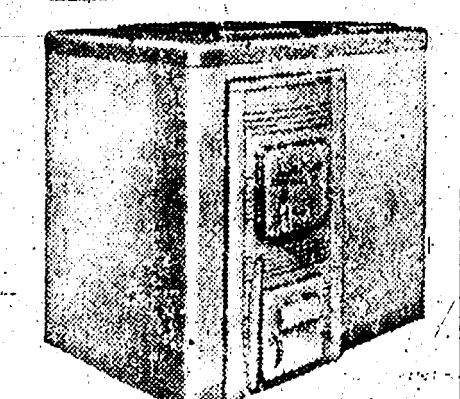

In the first game, against the East Ann Arbor team, Bruce Hoffman allowed only one hit, and against the Raymond Motorola team of Ann Arbor, he pitched a no-hit game. Chelsea won the first game by a score of 5-0, and the second by a score of 12-0.

Against East Ann Arbor, Bruce Hoffman, with a double and a single, and Ralph Owings, with a triple, were the hitting stars for Chelsea. Against the Raymond team, Ralph Owings, with four hits, one a triple, Otis Richardson and Hugh Weinberg with two hits each, led Chelsea in the hitting department.

Chelsea played the strong JCC team of Ann Arbor yesterday. This local team plays each Wednesday at 5:30 at Island park in Ann Arbor.

**Raising Rice**  
The United States rice farmer prepares his ground in much the same way as for a wheat or barley crop, by plowing, harrowing and making the proper seed bed. However, since rice fields must be kept evenly flooded, the rice farmer must also level his land and prepare it for flooding. In the United States, rice is grown by broadcasting from airplanes or by using mechanical seeding machines. When rice is seeded on dry ground, the plants usually are permitted to grow to a height of six inches before the fields are flooded.

## It Wasn't So Very Long Ago

Items taken from files of The Standard of years past.

### 1 Years Ago ...

Norwin Lesser of Dexter, who is completing his last year of 4-H club work and has been active in the county 4-H council and service club, was chosen as one of the four winners of the Achievement Booth contest at the 4-H Club Week at Michigan State College. This honor permits him to compete at the State Camp at Washington, D.C.

Chelsea Independents had a field day Sunday, July 4, at the expense of South Lyon, emerging as the long end of an 18 to 6 score.

Chelsea Fourth of July was exceptionally quiet this year, in fact it was one of the sanest and most quiet that the town has experienced in years.

## MICHIGAN MIRROR

(Continued from page one)

with Gov. G. Mennen Williams leading the discussion on the opening day Monday.

Equally controversial was the Tuesday topic: Reapportionment of representation in the Legislature.

Both of these issues are certain to be major bones of contention in the coming elections. Two reapportionment proposals will be on the November ballot and voters must make a direct choice. Governmental reorganization will undoubtedly be one of the campaign battle lines and there, too, voters will make a decision even if in a more indirect manner.

Sessions today and tomorrow are scheduled to take up the financial problems of both state and local government and during the next two weeks, students will confer with leaders of every branch and at every level of government and with political science experts.

They'll discuss everything from state rights and decentralized government to the labor movement and two-party system.

The political leaders who attend the conference are influential in their own communities. The conclusions they draw—and pass on to their fellow-citizens at home—will certainly have an effect on the November elections.

In that way the conference, now overshadowed by the Chicago convention, may become far more important than the headlines alone would indicate.

Two news events have underlined Michigan's importance in the arsenal of democracy. One was the unveiling of the new T-48 tank by Ford and General Motors that is expected to give the United States the edge on its opponents in mechanized striking force.

The other was the visit to the Lansing Oldsmobile plant by Vice Adm. C. Turner Joy, former head of the UN truce team at Panmunjon. At the Olds plant he saw the manufacture of the 3.5-inch bazooka rocket that seems to have been more effective in Korea than the efforts of the Admiral's team.

A combination of both is needed in Korea, Joy said. "Keep on trying for an armistice and meantime exert military pressure, the only language the enemy understands."

That was the recipe he gave capt. newsmen.

Michigan products will help exert that pressure.

JUNE 17, 1951 TO JUNE 16, 1952

June 19, 1952  
Board of Education  
Chelsea Agricultural Schools  
Chelsea, Michigan

We have examined the receipts and disbursements of the General Fund, Building and Site Fund, and Debt Retirement Fund of the Sylvan Township School District No. 1 Fractional, known as the Chelsea Agricultural Schools, for the period from June 17, 1951 to June 16, 1952, and the High School Student Fund of the Chelsea Agricultural Schools for the period from June 17, 1951 to June 16, 1952. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying receipts and disbursements statements present fairly the operations of the Chelsea Agricultural Schools and the High School Student Fund for the period from June 17, 1951 to June 16, 1952, in conformity with generally accepted accounting principles.

Very truly yours,

## Our Neighbors

Saline—The playground equipment in the form of swings, teeter-totters, and a grand big slide that the city had ordered for the park has finally arrived.

The city crew started work on installation immediately and the "fun gadgets" installed by the Fourth—Saline Observer.

Stockbridge—Alva Beeman, who has been a Co. Deputy Sheriff here for a good many years, has resigned his job on account of poor health, to take effect July 1. He is expected to have part time jobs from the Sheriff's department.

Neil Oakley, who has been employed at the Michigan State Prison for a number of years, has been engaged to take Mr. Beeman's place. Mr. Oakley has had considerable experience along this line, and is thought to be a very good man for the position.—Stockbridge Brief-Sun.

Stockbridge—This summer, for the first time in a number of years, a community band has been organized in Stockbridge. The purpose of this organization in addition to providing music for concerts and other civic events, is to provide an opportunity for all members of the community, both young and old, who can play a horn or woodwind instrument, to get together for some enjoyable playing.—Stockbridge Brief-Sun.

Milan—Howard Herman, who was assistant coach at Leslie during the year of 1951-52 has been engaged as the new coach for Milan. He will be the head football coach, assist with basketball and baseball and teach history.

No stranger to Milan, this local graduate will be a most welcome addition to the faculty. A member of the graduating class of 1946, he was not present to receive his diploma having already left for the armed forces. Earlier in the year however, he had been a valuable member of the basketball team which had won the Huron and regional district championships.—Milan Leader.

Scottville—Robert J. Smith, local insurance man, caught a 6-pound, 9-ounce brown trout while fishing in the Pere Marquette river Tuesday evening. This is one of the biggest catches reported thus far this season.

Bob caught the big trout, which was 26 and a half inches long, with a girth of 14 inches, on a coddis fly. It took about 20 minutes to land it.—Mason County Press.

Buchanan—The city water system shut down from 2 a.m. to shortly after 7 a.m. Sunday to permit connection of the two new city wells in the Athletic field with the city water system.

While the output of the new wells is now available for use, it will not actually be drawn on for several weeks, until arrangements are completed for automatic hook-up with the rest of the wells at a central point. Berrien County Record.

Dexter—Supt. Kenneth Letsinger states that Enumerators Ardele Boettcher and Mildred Bielocki have just completed the school census for Dexter Agricultural schools.

The census includes 427 under five. The total of names this year is 1455 compared with 1341 a year ago.—Dexter Leader.

Frankfort—With the rest of the United States reeling under a series of heat waves that have set records almost daily Frankfort has been enjoying temperatures that

average in the low 70's for the month of June.

During the past month there were only two days in which the mercury climbed to 83 degrees. On June 16 and 28, the temperature made this unusually high rise. It dropped as low as 39 on June 4. Benzie County Patriot.

Grace E. Schenk, Roy Bradley Wed in Thursday Ceremony

Grace Elizabeth Schenk, daughter of Mr. and Mrs. Herbert Schenk, of Waters road, and Roy R. Bradley, son of Mrs. Clara Bradley and the late John R. Bradley of Ann Arbor, were married in Zion Lutheran church, Rogers Corners, at 3 o'clock Thursday, July 8. Rev. M. W. Brueckner officiated at the double-ring, candle-light ceremony in the presence of 125 relatives and friends of the couple.

Richard Akin, of Ann Arbor, sang, "O Promise Me" and "The Lord's Prayer" with Mrs. Alton Grau, aunt and godmother of the bride, as organist.

The bride had designed the gown made especially for her of silver-striped silk-organza in princess style with a bouffant skirt in ballerina length. She wore a matching, long sleeved jacket, fastened at the neck with a camellia pin belonging to her mother, and a white lace hat with an elbow-length veil. Her flowers were white rosebuds and stephanotis arranged in a hand bouquet centered with a corsage of three white camellias, which she removed and wore later on her aqua-colored, going-away suit. The couple is spending a week in northern Michigan and will then be at home at 120 Virginia avenue, Ann Arbor.

Kathleen Eschelbach, a cousin of the bride, was maid of honor, and Mrs. John Pierson, another cousin, and Mrs. Robert Oppenheim of Brighton, a sorority sister, were bridesmaids. ## DEATHS

## Albert G. Eisele

Albert G. Eisele, a former Chelsea resident, died suddenly Tuesday afternoon at his home in Lakeview subdivision, Ann Arbor. Mr. Eisele had been in failing health the past two years but his death was unexpected. Prior to his retirement in 1949, he had been a stone mason for many years.

Born Feb. 14, 1874, in Alsace-Lorraine, then a part of France, he was a son of Martin and Eva Mayer Eisele. The family came to America in 1883 and made their home in Chelsea.

Mr. Eisele was married April 29, 1897, in St. Mary's church, to Wilhelmina Koch. They lived in Chelsea and vicinity until moving to Ann Arbor more than 25 years ago. They celebrated their golden wedding anniversary in 1947. Mrs. Eisele died Sept. 29, 1949.

Survivors are three daughters, Mrs. William Weber of Chelsea, Mrs. Floyd Spencer of Birmingham, and Mrs. Kenneth Royal of Ann Arbor; two sons, Leo, at the family home, and Paul of Chelsea; a sister, Miss Anna Eisele, of Detroit; and 17 grandchildren. Two sons preceded him in death, Ambrose, on Dec. 4, 1950, and Robert, Oct. 29, 1951.

Friends may call at the Staffan-Hindinger Funeral Home in Ann Arbor where the Rosary will be recited at 8:30 o'clock tonight. Funeral services, with Rev. Fr. Lee Laige officiating, will be held in St. Mary's church at 10 a.m. tomorrow. Burial will be in Mt. Olivet cemetery.

Mr. Eisele was a member of the Ann Arbor Council of the Knights of Columbus, St. Thomas Catholic

church, and the Holy Name Society.

## Mrs. Christine Alber

Mrs. Christine Alber, mother of Mrs. Amanda Schiller and Mrs. Paul Eisemann, of this vicinity, died Thursday evening at the Colonial Manor Convalescent Home where she had been cared for since June 26. She had been a patient at St. Joseph's Mercy hospital, Ann Arbor, since she injured her hip in a fall at the home of another daughter, Mrs. Paul Baucknecht, of Saline, April 4. She had made her home with the Baucknechts at 5700 Braun road, Saline, the past six years.

For many years Mrs. Alber lived at 12800 Pious road in Freedom township.

Born in Wuerttemberg, Germany, Oct. 14, 1868, she was a daughter of Jacob and Caroline Schmidgal. She was married, Dec. 10, 1891, at Bridgewater, to Matthew Alber, who died Jan. 2, 1928. Mrs. Alber remained on the family farm until 1931. She had since made her home with her daughters.

She was a lifelong member of Bethel Evangelical and Reformed church and funeral services were held there at 8 o'clock Sunday afternoon. Prayer services were held at the Staffan Funeral Home at 2:30.

Rev. T. W. Menzel, pastor of the church, officiated and burial followed in the church cemetery. Survivors, in addition to the three daughters, are a sister, Mrs. Louise Brustle, of Sharon township; four grandchildren and three great-grandchildren. A son, Paul, died in infancy.

Mr. and Mrs. Merle Summerland of Brainerd, Ohio, spent the week-end here with Mrs. Mabel McClain, Beach, N. Y.

## Mercury Plunges Following Shower

The oppressive heat of the first of the week was changed to a chilly 58 degrees as registered Wednesday morning on a number of thermometers in this area. This was a 40-degree drop from Monday's sweltering 98 degrees registered on the same thermometers.

The sudden drop in temperature followed a thundershower which struck here Tuesday afternoon. The mercury tumbled rapidly and blankets were hauled out for sleeping comfort Tuesday night.

**Renew Usefulness.** Marred and dented chairs, tables and odd pieces of furniture that seem to fit nowhere and frequently be made into new and attractive household additions. Repair them, if necessary, and the surface smooths and apply enamel undercoat. Over this, flow on a coating of colorful enamel. If the design of the piece is good, your final coat can contrast with the well against which it will stand. This will give it emphasis. If it is useful, but not as beautiful as you might wish, camouflage its shortcomings by painting it to match its background.

Callers during the Fourth of July week-end at the Ray Thomas home were Mr. and Mrs. Lloyd Yeager and daughters, Janet and Marian, and their fiancés and their daughter, Dorothy; also, Mr. and Mrs. Bertram Yoell and son, Thomas, and Samuel Yoell, of Detroit. Mrs. Thomas returned home early Wednesday after visiting relatives in Lockport and Olcott Beach, N. Y.

## Recreation Program Offers Badminton for Adult Women

Because women of the community have shown a great deal of interest in volleyball and badminton, Mrs. Basil Shell arranged a special event for last night, July 9, in which women took part in playing badminton. This was the first activity of the summer recreation program arranged especially for women and will be continued as a weekly event if enough interest is shown to warrant it, Mrs. Shell said.

Any women of the community who care to play may do so. If they have racquet and birds they are asked to bring them along for Wednesday evening games.
