## School Opens with Record Enrollment

### Kindergarten Total Reaches 103 with Still More Expected

Enrollment in the kindergarten at the Chelsea Public school skyrocketed to an all-time high of 103 with at least 10 registrations still expected. This is an increase of 30 over last year's opening day registrations.

Mrs. Lucile Kelly and Miss Mildred Laitinen are the kindergarten teachers. Each teaches a morning and an afternoon section. Those in the morning groups attend school from 8:30 until 11 a.m. and the afternoon groups from 12:30 until 3:30. Those who attend in the morning are taken home by school bus and station wagon at noon.

Total increase over last year in the elementary grades (kindergarten through sixth), is 48 while high school registration is 21 over last year.

Total enrollment in the elementary grades last year was 386 as compared with 434 this year. Last year's high school registration was \$29 while this year the registration is 360. Total overall increase at present is 69.

Figures for the various grades, with last year's totals in parentheses, are as follows: kindergarten, 103 (73); first, 62 (50); second, 62 (50); third, 52 (59); fourth, 59 (50); fifth, 50 (42); sixth, 46 (53); seventh, 56 (46); eighth, 38 (48); ninth, 77 (70); tenth, 64 (57); eleventh, 55 (62); twelfth, 60 (46).

## Judge Breaker Named To Head State Association

Last Friday, at the concluding session of the three-day annual meeting of the Michigan Judges Association, Judge James R. Breaker, Jr., was elected president for 1953. He will take office Jan. 1.

Judge Breaker, who was first vice-president of the association this year, has been acting president since the death July 1 of his predecessor, Judge George W. Desjardins.

Other officers named Friday include Judge Archie D. McDonald, of Hastings, first vice-president; Judge Chester P. O'Hara of Detroit, second vice-president; Judge Louis C. Goss of Lansing, secretary; and Miss Ann V. Cramer, assistant secretary-treasurer.

On Aug. 22, a Saturday, but nowhere near a holiday, nearly 3,000 vehicles were carried across the eight-mile ferry route. That was an all-time record and nearly doubled the peak load of 1942.

More than half of the present ferry business comes from Illinois, Ohio, Indiana, and Pennsylvania. These are all heavily populated and rapidly growing sections of our nation. The potential added traffic from these areas has not been touched yet. The bridge itself would lure tens of thousands of visitors and its convenience would take many more along U.S. 2 for transcontinental travel, say men who study traffic trends.

There's another economic factor involved in crossing the Straits. The state loses more than a half-million dollars annually operating the service. As demands increase—as they do every year—deficit gets larger.

The \$8 to \$9 million invested in new boats and docks the past three years would have built a lot of state highways, Brown points out.

Upper Peninsula businessmen would purchase more of their requirements from lower Michigan and Illinois if a bridge speeded transportation.

"Scores of businessmen hesitate to expand about the Straits because they cannot depend upon the arrival of shipments on schedule," says Brown. He knows, too, because he spent most of his life on the northern shores of the Straits. "They can't afford to tie up their men and equipment waiting for ferries, either."

He envisions the new bridge transferring fresh economic blood into the UP country which hasn't been flush since the days of copper and lumber booms. And that, he contends, will help the financial security of all Michiganders.

Sen. Brown's group was formed by the legislature in 1950 to study the physical and economic feasibility of the bridge. After it reported that no real obstacles stand in the way, the Authority was empowered to finance and build the structure.

Since then the Authority has (Continued on page two)

Herman Mayer and his mother, Mrs. Sophie Mayer, of Dearborn, were callers Saturday at the home of Mrs. Carrie Wahl and Mr. and Mrs. J. Lewis Wahl.

Mrs. Grace Beck of Jackson, Mich., yesterday here with her mother and his wife, Mr. and Mrs. Alfred Faulkner.

Pfc. Don O'Dell is now serving with the First Marine Division at Bunker Hill in Korea. Don, who is the son of Mr. and Mrs. William O'Dell, received his "boot" training at San Diego, Calif., and from there reported to Camp Pendleton, Oceanside, Calif., for advanced training. He was assigned to overseas duty in Korea in July.

## All Students Will Receive Hearing Tests

Following the meeting of the Chelsea Agricultural Schools Board of Education Tuesday night it was announced that John Griffin, Chelsea High school principal, has been invited by Lee Thurston, state superintendent of public instruction, to be a member of the Committee on Education for Home and Family Living for the school year ending June 30, 1953.

An explanation of the purpose of the committee includes the following: "The Michigan curriculum program is designed to improve instruction in Michigan through bringing together the efforts of citizens, local school systems, institutions of higher education, voluntary educational associations and the Department of Public Instruction."

Business transacted at Tuesday's meeting included authorization for the purchase of all new sewing machines for the Home Ec. room. The five sewing machines previously owned will be turned in on the purchase of six new ones.

The Board also authorized Supt. Cameron to study the present school bus routes with the idea of possibly revising them for better service for bus-riding pupils. Bus schedules have not been materially changed in the past five years.

The Chelsea school is to be the testing center for all schools in this area for hearing tests which will be given all pupils from kindergarten through the 12th grade. All pupils from rural schools, whether part of the Chelsea Agricultural district or not, will be brought here for the tests, it was announced.

The hearing tests are given through cooperation of the Washington county Health Department, Washington county schools and Washington county chapter of the Society for Crippled Children and Adults.

Results of the hearing tests will be used for planning special attention for children with defective hearing.

The testing program is scheduled to begin Oct. 15.

Mr. and Mrs. David Mohrlock and Mr. and Mrs. Lewis Noll are to return home today from a trip to the Smoky mountains. They left here Sunday.

The Thomas Guireys, of Berkley, spent the week-end here with Mrs. Guirey's parents, Mr. and Mrs. J. V. Burg.

FAIR ATTRACTIONS—California Frank and Montana Joe, with Pinto, the Hollywood Wonder Horse, are but a few of the special attractions at the Chelsea Community Fair to be held Oct. 1, 2, 3, and 4. Frank and Joe will show their outstanding western cowboy novelty act, followed by the world's greatest shooting exhibition by California Frank. Montana Joe will present an out-standing whip and rope act, which will be followed by the grand snake including Pinto, the Hollywood Wonder Horse. These acts will be presented at the afternoon and evening performances, Thursday, Oct. 2.

## Contracts Let for Black Top Seal Coating

The Washtenaw County Road Commission awarded the contract for single seal coat work on approximately four miles of road in this vicinity to the T. P. Flynn company, of Detroit, whose bid of \$7,852 was the lowest of the five received. Other firms submitting bids were Wells Paving, Ferris Construction, Ward-Van Nuck and Detroit Concrete company. Their bids ranged from \$8,173 to \$10,425.

Howard Miner, Road Commission manager, said.

Roads to receive the single seal coat of asphalt and pea gravel are the three and a-half miles of Chelsea-Manchester road and the one-quarter-mile stretch of Wilkinson road, both of which were graded this summer, and a one-quarter-mile stretch on Maple road between US-12 and M-132. Work is to be started immediately.

County crews are seal coating Pleasant Lake road from Chelsea-Manchester road east to Alber road this week. Last week they finished the west end of the road. Miner said if weather permits he is hoping to have Cavanaugh Lake road seal coated, also.

Cavanaugh Lake road was heavily traveled this summer because of detoured traffic while Main street was closed for through travel. It was believed that final work of paving and improving the New York Central crossing would be completed by last week but weather conditions held up work and it is now expected that the crossing will be ready for traffic within a week.

The North Main street roadbed work is completed and a coat of dust layer is to be applied when it is opened to through traffic. Some sidewalk work and other small finishing work is still to be completed.

Harvey Fischer, chairman of the electricity committee of the Community Fair Association, was told at Tuesday night's meeting in the Municipal building to proceed with arrangements for having permanent transformers installed on the fairgrounds, thus insuring sufficient power for all electricity needed.

It was announced that the Chrysler Band is to take part in the program at the Fair Saturday evening, Oct. 4. The Waterloo Band is scheduled to play Wednesday night.

Jack Bradbury reported that he had been informed that chickens entered at most fairs in the county have been sold after they had been exhibited and the proceeds turned over to the county potto fund. Association members voted to do likewise here, providing the exhibitors agreed.

The next meeting, which probably will be the final one before the opening of the fair, is to be held at 8 p.m. Friday, Sept. 19, in the Municipal building.

Also surviving are his son, Chief Warrant Officer Thomas Kent Walworth, security officer, stationed in Linz, Austria; three granddaughters, Elizabeth Jean, Patricia Ann, and Margaret Kent; a sister, Mrs. George Bacon, of Fort Wayne, Ind., and a brother, George Walworth, of Chelsea. Mrs. Thomas K. Walworth and children are in Austria, having joined her husband there during the past year.

Funeral services were held at the residence at 2 o'clock Saturday afternoon, with Rev. W. H. Skelton officiating. Burial was in Oak Grove cemetery.

Elementary PTA To Hold Meeting Next Wednesday

Teachers at the Chelsea Public school will be introduced to Elementary PTA members at the first meeting of the season to be held Wednesday evening, Sept. 17 at 8 p.m. in the Home Ec. room at Chelsea High school.

After the business session, Supt. Charles Cameron and Elementary Principal Basil Shell will speak of problems confronting teachers and parents and will also speak of matters pertaining to the new school.

Parents of all elementary pupils, and especially of new pupils in the school, are urged to attend this meeting.

A committee is to serve refreshments.

The Elementary PTA president, Mrs. John Chaplin, assisted by Mrs. Graham Sprague, Mrs. Donald Osterle, Mrs. Russell Abdon and Mrs. William Freligh began PTA activities for the year by serving coffee and cakes to 97 mothers of kindergarten children on the opening day of school.

Mr. and Mrs. Ora Smith of Morenci, spent Sunday here as guests of Mr. and Mrs. Donovan Sweeney.

1952 LIGHTNING BOLT—Adolph Duerr is shown above, shortly after he discovered that 13 of his cattle had been struck by lightning. He discovered the loss Tuesday noon of last week, but believes the cattle were killed during the storm that struck here about 3:30 p.m. the day before.

40 YEARS AGO, SAME SPOT—The late Conrad Hafner is shown in the above photo, as he was digging a pit in which to bury 32 sheep struck by lightning under the same hickory tree where Duerr lost 13 cattle Labor Day. Also in the picture is Hafner's son, the late William Hafner.

## T. Kent Walworth, Former Merchant, Dies Suddenly

T. Kent Walworth, who was engaged in the men's clothing business here for more than 30 years, died suddenly Wednesday evening of last week at his home, 176 Orchard street.

He was a life member of Olive Lodge No. 156 F&AM, a member of the Congregational church, and a member of the board of the Oak Grove Cemetery Association. He served as a member of the school board for five years and was on the board at the time the gymnasium with Julius Strieter in the men's clothing business here from 1914 until his retirement in 1946.

A son of Orion and Minnie Wright Walworth, he was born Aug. 5, 1888, in Eaton Rapids. He came to Chelsea with his parents in 1900 after having lived for a time in Detroit. He was married Nov. 22, 1915, to Jean Grover, who survives.

Also surviving are his son, Chief Warrant Officer Thomas Kent Walworth, security officer, stationed in Linz, Austria; three granddaughters, Elizabeth Jean, Patricia Ann, and Margaret Kent; a sister, Mrs. George Bacon, of Fort Wayne, Ind., and a brother, George Walworth, of Chelsea. Mrs. Thomas K. Walworth and children are in Austria, having joined her husband there during the past year.

## St. Paul's Church Will Hold Annual Mission Festival

St. Paul's Evangelical and Reformed church is holding its annual Mission Festival next Sunday and will observe the occasion at two special services.

The morning service begins at 10:45 and will be held in the church. Rev. William H. Daniels, who was among the missionaries who were forced to leave China when the Communists overran the country, will preach the sermon. Because of illness in the family, it was still uncertain yesterday if Mrs. Daniels will be here, but if she does come she will speak during the Sunday school session, which begins at 9:30 a.m., and will take part in the regular services.

The evening service will begin at 7:30 and will be held in the church hall. Pictures of missionary work in China will be shown by Rev. Daniels.

Rev. Daniels is at present serving at Caroline Mission in St. Louis, Mo., until such time as he can return to China. He and his family were in China from 1948 to 1951.

The junior and senior choirs have prepared special music for the Mission Festival.

Library Schedules Series of Four Fall Lectures

The first of the fall series of lectures sponsored by the Chelsea Public Library is scheduled for Sept. 29, when Preston Slosson, professor of history at the University of Michigan, will speak on the subject of current events.

The schedule for the popular lecture course has been arranged so the fourth and concluding lecture will be given well before Christmas. This arrangement, it is believed by Library Board members, will be more convenient for patrons who wish to attend.

The second lecture will be on the topic: "National Politics in Election Years," and will be given Oct. 20 by Joseph Kallenbach, professor of political science at the University of Michigan.

Henry L. Bretton, also of the University political science department, will speak Nov. 17 on "Foreign Policy" and William Haber of the economics department will give the concluding lecture Dec. 15 on "Labor and Industry."

All four lectures begin at 8 p.m. According to library officials, last year's series of lectures were exceptionally well attended and it is believed that many people of the community will find this year's timely lecture subjects of special interest.

Ceilings Completed in New Grade School

School superintendent Charles S. Cameron made an inspection tour of the new elementary school Tuesday and found that all of the window glazing was completed and a full crew of carpenters was at work on the finishing work inside.

Ceilings are all in place in the east wing and men were working on the ceilings in the halls.

Tiling was being installed on window sills and other areas and floors will be tiled as soon as the smaller tiling jobs are completed.

The heating boiler is to be tested for approval next week, Cameron said.

## Rep. Potter Will Speak Before C. of C.

Open to Public; Dinner Reservations Must Be Made Now

Congressman Charles E. Potter, representative from the 11th district, and Republican candidate for U. S. Senator from Michigan, will be in Chelsea next week to speak at the Chamber of Commerce meeting in St. Mary's hall.

Potter, who says he feels that his surprising show of strength in the Detroit area primaries indicates that he stands a good chance of defeating Senator Blair Moody,

the Democratic candidate, is a veteran of World War II. He was believed dying after losing both legs in a land mine explosion in the Hurtgen forest on the way to St. Lo and Paris, but returned home, a hero to his Cheboygan friends.

Although Cheboygan claims him as almost a native son, he was born on a farm near Lapeer. He has made his home in Cheboygan since 1938 and, in 1939 was married to a Cheboygan girl, Lorraine Eather Eddy.

He had graduated in 1938 from Michigan State Normal College and took a job with the Cheboygan County Social Aid Bureau. He is credited with establishing a program of rehabilitation which replaces what has been called the "handout system."

Chamber of Commerce officials have announced that people of the community who wish to hear Potter are welcome to attend the dinner if they will make arrangements with either David Strieter or Howard Plintoft, or they may come at approximately 8 p.m. at which time it is expected the after-dinner program will begin.

The Chamber of Commerce dinner meeting will be held next Tuesday, Sept. 16. Dinner will be served at 7 o'clock.

William Rademacher is to introduce Potter.

Mrs. James Pine of Dexter, is a patient at St. Joseph's Mercy hospital, Ann Arbor. She is a daughter of Mr. and Mrs. Charles Ryecraft.

A. A. Feldkamp, of Manchester, won a grand champion award on a Brown Swiss bull.

been ringing doorbells to find the millions needed for the job. It has applied to the Reconstruction Finance Corporation for such a loan and has invited private financial firms to bid on bonds it would issue.

The latter have reported that without the state underwriting the loan to some extent, such bonds would be hard to sell. The law creating the Authority prohibits pledging the faith and credit of the state, so it appears that the RFC is the key.

● A report due any day now is expected to lend much weight to the Authority's arguments. It's by Coverdale & Colpitts, New York traffic experts, who made previous reports and now are bringing data up to date that, the Authority feels sure, will demonstrate both to RFC and private financiers that their investment would be sound and profitable.

● "For 50 years the people of

Michigan have dreamed about a bridge to link the two great peninsulas of our state," Brown recalls. "We believe that if people can have the bridge at no greater cost than they now pay for ferries, they would much prefer it. I know that many people enjoy the boat ride across the Straits. Most people enjoy a horse-and-buggy ride, too. But they wouldn't swap their new auto for a surrey with a fringe on top. Barring upheavals in the international situation, it appears that a bridge at the Straits is virtually on its way," observes the former senator.

Texas! Better do your bragging now; Michigan is coming up with a real whopper!

## Opening of School Brings Safety Plea from State Police

With the reopening of schools and nearly one and one-half million Michigan children crossing streets and highways on their way to and from classrooms, Sergeant G. H. Austin, commander of the Jackson State Police post, is urging all persons to take part in the current statewide child safety campaign.

"Last year," Austin said, "8,247 children under 15 years of age were killed or injured in Michigan traffic, an average of about 160 casualties each week. More often than not the children were victims of their own carelessness, but many of the tragedies could have been avoided if drivers had been more alert and expecting the unexpected."

"Drivers should take special precaution, not only in school and playground areas, but in all areas where children are likely to be. They also should always remember that thousands of pre-school children will be outdoors during all hours of the day. In other words, children may be anywhere, any time."

"Likewise, adult pedestrians, parents especially can help prevent accidents involving children by practicing safe walking habits. Adults should realize that their own actions are examples boys and girls observe and follow. Too often these are examples of carelessness."

"Help protect children. For their sake—as well as your own—walk and drive carefully." The slogan of the campaign, which is sponsored by the State Safety Commission, is "Watch Out For Kids."

**Family Gathering Honors R. Stoffers on 25th Anniversary**

A family gathering at the home of Mr. and Mrs. William Finkbeiner and Mr. and Mrs. Ralph Stoffer Sunday was the occasion for a celebration of the 25th wedding anniversary of the Stoffers.

The affair was arranged by Mrs. Stoffer's parents, Mr. and Mrs. Finkbeiner, and her sister and her husband, Mr. and Mrs. Walter Schmid of Ann Arbor. The 36 guests present were from Fort Lauderdale, Fla., and from Redford, Royal Oak, Detroit, Ann Arbor, Bellevue, Jackson and Chelsea.

Garden flowers were used as decorations about the house and on the table which held the beautifully decorated anniversary cake. Mrs. Stoffer's father had presented her with a lovely, pure white orchid which she wore as a corsage. Dinner was served on the porch and in the dining room of the family home on Steinbach road. Mrs. Stoffer is the former Ella Finkbeiner. She and Mr. Stoffer were married in Toledo, Aug. 15, 1912. They have one son, William, who is a student at Dexter High school. Mr. and Mrs. Stoffer, accompanied by Mr. and Mrs. Wilbert Trinkle, left yesterday morning for a trip to Niagara Falls. They plan to return home Sunday or Monday.

**BAPTISM**  
Diane Marie Schneider, one-month-old daughter of Mr. and Mrs. Lewis Schneider, was baptized Sunday, Sept. 9 at St. Paul's church by Rev. P. H. Grabowski. Sponsors were Mr. and Mrs. R. Weimer of Lincoln Park. A dinner was held immediately after the baptism and was attended by Rev. and Mrs. Grabowski, Mr. and Mrs. Weimer and sons, and Mr. and Mrs. Reuben Grieb.

## Two New Directors Named for FHA County Committee

The appointment of William Densham, Jr., of Dexter, and Glenn O. Weber, of Saline, as new members of the Farmers Home Administration County Committee was announced Friday by Clayton Ingerson, county supervisor for Washtenaw county FHA. Mr. Densham replaces William E. Ertchard, Chelsea, and Mr. Weber replaces Vincent R. Ives, also of Chelsea, whose terms of office have expired. The committee is responsible for determining eligibility of applicants and advises the supervisor on operations of the program in the county. The FHA is an agency of the Department of Agriculture which makes supervised loans to farmers for operating expenses, farm enlargement, farm improvement, or farm purchase. Loans are also made to improve rural housing. These loans are made to farmers who have necessary experience or character but lack security to obtain bank loans.

## Colonel Herbert D. Vogel Appointed Division Engineer for Southwest Area

The Engineering News-Record, a McGraw-Hill publication, in its Aug. 7 issue carried a story regarding the appointment of Col. Herbert D. Vogel as Division Engineer of the Corps of Engineers' Southwest Division.

Col. Vogel, who was born in Chelsea and was graduated from Chelsea High school, is the son of Mr. and Mrs. L. P. Vogel and has many friends here who will find the following excerpts from the story of interest.

"Col. Herbert D. Vogel, the man who introduced large scale experimental hydraulics into the United States, has become Division Engineer of the Corps of Engineers' Southwest Division with headquarters in Dallas, Tex."

"He also takes over as chairman of the Arkansas-White-Red (AWR) Basin Inter-Agency Committee, a federal and state group drawing up an overall plan of soil and water development for one-eleventh of the United States. Now half way through a four-year study, this is the first inter-agency committee to start from scratch in formulating and integrating a comprehensive plan."

"Col. Vogel will also serve as a member of the Board of Engineers for Rivers and Harbors and as Department of the Army representative on the International Boundary and Water Commission for the Rio Grande."

"His territory includes the Texas coast and stretches across eight states from the backwater of the Mississippi to the Continental Divide. District officers in the southwestern division are at Albuquerque, N. Mex.; Fort Worth, Galveston, Tex.; Little Rock, Ark., and Tulsa, Okla."

"The military construction program in the division is one of the largest in the United States and the civil works program covers a variety of coastal and river basin projects."

"Despite his extensive formal training, Col. Vogel tends toward the practical approach, as indicated by a statement made in connection with his inter-agency work. 'Academic knowledge is of value only when it has an ultimate application in the service of humanity,' he said. 'Our job in the Arkansas, White and Red Basins is not to show how much we know about soil and water development, but primarily to help people better use of their soil and water resources, and secondarily, to give those who follow us in other basins and other times the value of the experience we gain here.'"

"He expects to spend a considerable part of his time on the work of the AWR committee which is under national scrutiny as a possible guide to future integrated basic natural resources planning. In addition to utilizing the regular forces of his Division and the Lower Mississippi Valley Division on the Corps of Engineers portion of the work, he has a small AWR staff in Tulsa, where the Department of Interior-Agriculture and Commerce have similar offices."

"Also represented on the Inter-Agency Committee are the Federal Power Commission, Public Health Service of the Federal Security Agency of Louisiana, Missouri, Arkansas, Texas, Kansas, Colorado, Oklahoma and New Mexico."

"The story continues as follows: 'Before coming to the Southwest, Col. Vogel was Lt. Governor of the Panama Canal Zone. During World War II he saw service in the South Pacific and Philippines and, after the war, in Japan. Previously he was District Engineer at both Buffalo and Pittsburgh."

"In 1930 he constructed, for the

Corps of Engineers, the United States Waterways Experiment Station at Vicksburg and was in charge of its operation until 1934."

The remainder of the story gives a resume of Col. Vogel's education and training which includes engineering study at the University of Michigan, graduation from West Point Military Academy, study at the University of California, completing study for a doctor of engineering degree at the University of Berlin, and finishing courses in the Engineer School, the Command and General Staff School, and the Army and Navy Staff College.

Col. Vogel succeeds Col. Louis W. Prentiss who is now Assistant Chief of Engineers for Personnel and Administration.

## Wilbert Zoglemans Attend Wedding in Wichita, Kansas

Mr. and Mrs. Wilbert Zogleman and children, Michael and Diane, returned home Tuesday evening of last week from Wichita, Kan., where they had been guests of the former's parents, Mr. and Mrs. Chris. Zogleman, and had attended the wedding of his brother, Norbert Zogleman, and Bertha Schoencker.

The wedding took place in St. Joseph's Catholic church, in Wichita, at 9 a. m. Saturday, Aug. 23, with Rev. Peter Sattler officiating. The bride is the daughter of Mr. and Mrs. Nick Schoencker of 143 South Fern street, Wichita.

The bridegroom and his best man, Jerome Ternes, have visited in Chelsea and have a number of friends here.

## New Legion Officers Installed Saturday

Eugene Bostrom of Ypsilanti, American Legion commander of District No. 11, was the installing officer at the installation ceremonies of Herbert J. McKune Post No. 31, Saturday evening. The installation took place at the Legion Home at Cavanaugh Lake and was witnessed by approximately 75 members and guests.

Officers installed are Donald Doll, commander; David Strieter, adjutant; Carl Mayer, first vice-commander; Elton Guenther, second vice-commander; E. W. Eaton, finance officer; Harrison Cooper, historian; Richard Kern, sergeant-at-arms.

**FOE DINNER**  
Approximately 30 members and friends of the Chelsea FOE Lodge and its Ladies' Auxiliary were present for what may be the first of a series of family gatherings at the FOE hall. Some of those who attended and enjoyed the evening have suggested the affair be made a regular event each month. Following the dinner, cards were enjoyed.

## Highland Park Kiwanians Are Guests of Local Club Monday

Highland Park Kiwanians were in Chelsea for an inter-club meeting with the local Kiwanis club Monday evening. The meeting was held in the social center of the Methodist church. Also present at the meeting were three Ann Arbor club members and one from Whitmore Lake.

The program feature was a debate on the advantages and disadvantages of televising and broadcasting congressional sessions. Charles S. Cameron and John Keusch as the negative team and Harold Jones and Basil Shell, the affirmative team, debated the following: Resolved, that in the interests of better government and a more informed public, all sessions of general congressional committees as well as general sessions of congress should be televised or broadcast by radio.

No decision was made on results of the debaters' efforts. Announcement was made of the state Kiwanis convention to be held in Detroit from Sunday through Wednesday.

It was also announced that some local Kiwanians will be entering the Kiwanis state golf tournament at Meadowbrook Country club in Northville next Wednesday.

William Rademacher was inducted into membership of the Chelsea Kiwanis club at Monday's meeting with Past Lt. Gov. Ralph Keyes of Ann Arbor, in charge of the induction ritual.

### HOW MANY DEER WILL WE TAKE?

Everybody else is talking about the new deer-hunting regulations, so we'd better register our opinion while the subject is "hot."

With the northern part of the lower peninsula wide-open for killing any deer, buck, doe or fawn on the last three days of the season, mortal damage might be done to our deer herd if three or four hundred thousand hunters took to the woods with a determined gleam in their eye.

However, fortunately for the deer, a few psychological factors are working against this possibility.

**Record Army Will Start**  
 Let's begin with opening day, November 15th. Probably a record number of hunters will open the season. Opening day falls on a Saturday. There'll be more noise in the Michigan woods that day than any battle in history ever produced. Lots of deer will be killed and they won't all be bucks. The hornless variety shot by "trigger-happies" will be left to rot in the woods, and the culprits who escape will tell their conscience. "Oh, well, they'd be shot, the last 3 days anyway, so why should I worry?" Many of these hunters will still consider themselves sportsmen. That's debatable!

As the season moves along and those fatal 3 days approach, more

and more bucks will have been killed, and at least one-fourth, or about 100,000 hunters will have gone home with their trophy. Another 200,000 will have "had it."

The rugged spirit of the chase doesn't feel so rugged any more. Pocketbooks will have grown slimmer, and mamma will be saying, "No more hunting. Pop! Baby needs new shoes." That leaves 100,000 more or less strong.

**Deer Get Smart**  
 The last 3 days fall on a week-end. That's bad—for the deer. But deer get smart. All that noise has made them college-educated. Even the fawns get the idea, and head for tall timber that's hard to find. So what happens? The success ratio will stay about the same in my opinion.

Another 30,000 deer, with and without horns will be killed in 3 days—and that many only if the weather is good. A customary late November snow storm will cut that figure to 10,000. So, after the hail is over the "disaster" that some people anticipate may not even produce a kill great enough to begin to level off the herd as much as our game experts call for. Well wait and see.

However, if those last 3 days are bright and sunny lots of people who ordinarily love Michigan Outdoors will take the advice of their insurance agents and choose Michigan Indoors for a safe and sane week-end!

To Which Extreme Are You Nearest...?

Some people go years without much attention to health. Others may need the Doctor on hand to start the day—every day. Between these two extremes are great numbers of thinking people caring for their health in an orderly manner.

They see their Doctor at regular intervals for guidance. They take the medicine he prescribes according to direction. They report unusual symptoms promptly. All these are common sense precautions and intelligent steps in health care, as is the practice of bringing your Doctor's prescriptions to this fine pharmacy.

# What's the MOST SURPRISING THING about this BUICK?

LOCAL DELIVERED PRICE FOR THE NEW 1952 BUICK SPECIAL \$2213<sup>88</sup>

2-door 6-passenger Special Sedan MODEL 480 (Illustrated)

Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

WE'LL tell you the answer to that one—it's the figures on the price tag.

For some reason, lots of people just can't believe they can buy a Buick at a price so close to "the low-priced three."

Maybe it's because a Buick seems so much better and bigger.

Maybe it's because they think Buick has so much more power and room—which is true.

Maybe it is because so many distinguished people own Buicks—which is also a fact.

But the fact remains—if you can afford a new car, you can own a Buick—so let's see what you get.

You get the thrilling power of a Fireball 8 Engine, that's a gas-saving high-compression valve-in-head—as much power as you can get in cars costing \$300 to \$400 more.

You get as much room as you'll get in cars costing hundreds of dollars more.

You get a ride that cost an honest-to-goodness million dollars to develop.

You get the silken smoothness of Dynaflow Drive.

You get big-car comfort, styling, durability.

Don't take our word for it. Come in and see for yourself why so many folks are stepping up to this great car this year.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series.

### Narrow Town—Broad Outlook

The wife's cousin Ben, and Belle his bride are back from honeymooning in the Rockies. Took them to dinner last night at the Garden Tavern. Ben told about the trip: "Went through a town in Idaho that was only 100 feet wide. No kidding! Built into a long, narrow canyon. And it shares those 100 feet with a railroad track that runs right through the hotel!"

"To get gas there we had to park right on the tracks. Suddenly Belle screams—there's a train coming! But the gas fellow just laughs and says we were there first. Blamed if the engineer didn't stop the train and wait, too!"

From where I sit, it's a good illustration of how people can learn to "think of the other fellow" so that the community benefits. Railroaders and townspeople, Democrats and Republicans, malted milk fanciers and those who prefer a temperate glass of beer—we all have to share the same space. Let's maintain our neighbor's "right of way."

## Lift truck boosts profits for fruit growers

Fruit growers who handle 10,000 crates a year can realize generous savings on labor and equipment costs by using a fork lift truck. A recent study by agricultural engineers of Michigan State College and the U. S. Department of Agriculture revealed this saving: In 1950, without a lift truck, a 25,000-bushel apple crop was moved from orchard to storage by 2 tractors, 4 orchard trailers and 7 men. In 1951 a similar crop was handled by a lift truck with 2 tractors and only 2 trailers and 3 men. Savings on loading and unloading operations alone amounted to \$1,000 during the harvest season. Your County Agricultural Agent can give you further advice on mechanizing your orchard operation.

### Why we pamper telephone poles

Did you know timber for telephone poles is growing scarce? And that the cost of a single pole has more than doubled since 1940? To insure a proper supply, and to help keep costs down, Michigan Bell is using new timber species such as Western Larch. And to prolong the life of telephone poles on the job, telephone engineers constantly take advantage of new and better timber preservatives. Michigan Bell's pampered poles are further evidence of a continuing effort to hold costs down while keeping the quality of telephone service high.

## GRADE ENROLLMENT

There has been a tremendous increase in the grade school enrollment. Compared to the last school year, 1951-52, an increase of 129 pupils have started school to make the total number of students 434.

Although only 90 children were expected this year, 103 are enrolled in the kindergarten, with four sections each day. The first and second grades have 62 members, an increase of 13 and 11 pupils, respectively.

The total enrollment in the third grade is 52 pupils, an increase of 11 pupils since last year.

Compared with 37 in the fourth grade last year, there are 59 this year, an increase of 22.

This year the enrollment of the fifth grade is 50, an increase of seven pupils. There are 46 members in the sixth grade, an increase of 12 since last year.

## GRADES 7-12 ENROLLMENT

Grades seven through 12 number at present as follows:

|          |    |

## Munith Area 4-H Club Wins Honors

Members of the Busy Beavers 4-H club have finished their summer's work by exhibiting at the Jackson county fair and at the State 4-H Show in East Lansing. The 21 members of the club made a total of 102 entries in various divisions, winning 61 "A" ratings, 38 "B", and 3 "C".

The dairy project, under the leadership of George Liebeck, made an excellent showing with their 17 animals. The club had one of the outstanding exhibits in the dairy barn. They used green gates with the club name stenciled in white, to separate their animals. Three large name-banners, plus green and white bows added to the appearance. The dairy members worked in relays all week to keep the exhibit in good order. They were awarded a plaque for being judged the best kept and decorated 4-H club exhibit at the fair.

The club also won nine grand champion and reserve grand champion ribbons on dairy, sheep, swine and showmanship. Winners of these blue ribbons are as follows: Maryann Musolf, Jr. Champion Showmanship, Reserve Champion 4-H Holstein, and Grand Champion and Reserve Grand Champion in open class.

Bill Lindstrom won Reserve Grand Champion on his Chester White Junior boar.

David Cook won first place and Grand Champion on his Hampshire ewe in open class. His yearling ram placed first in open class, as well as 4-H, and took first place and Reserve Grand Champion at the State 4-H Show. He also won the Reserve Champion on his pen of fat lambs and individual fat lamb.

Other members selected to show at the State 4-H Show were Alan Cook, Corridale ewe; David Cook, Hampshire ewe; Carol Hannevald, cup cakes; Virginia Lindstrom, cereal bread; Janice Walz, vegetable basket; John Liberski, vegetable basket.

On Thursday night our administrative leader, Mrs. Arthur Cook, attended the leaders' banquet in East Lansing, where she was awarded the golden clover for ten years' service as a 4-H club leader.

## Our Neighbors

**Northville**—The Northville Village Commission was told Tuesday evening that the transit mixed concrete used in construction of 6,518 feet of curb and gutter on Lake, Grace, Rayson and Carpenter streets during August was not up to engineering specification. —Northville Record.

**South Lyon**—Announcement was made this week by the homecoming committee that Governor G. Mennen Williams will be in South Lyon Saturday, Sept. 13. Governor Williams was invited to appear by the Kiwanians through Leonard Bennett, local Democratic committeeman. —South Lyon Herald.

**Frankfort**—Despite the fact that negotiations in Detroit recessed indefinitely last Friday the outlook for the settlement of the 62-day old carter's strike appeared somewhat brighter this week. Reason for the optimism came from the report from usually reliable sources that the members of the Great Lakes Licensed Officer's Organization, the striking union, have indicated a desire to end the dispute to arbitration. Should the matter be arbitrated the men would return to work while the arbitration meetings were in session. —Benzie County Patriot.

**Rochester**—The Village of Rochester was accorded a special tribute by the parent City of Rochester, County Kent, England, Wednesday when that city's citizens, Mayor and Mrs. A. J. Anderson visited this community to personally present a special tribute and greetings from their community to residents of the village. Both Mayor and Mrs. Anderson were visibly pleased with arrangements made in their honor, highlighted by a potluck supper at Avon Park Pavilion which was attended by hundreds of local residents, virtually all of whom had an opportunity to hear and meet the British Mayor and his wife. —Rochester Clarion.

**Saline**—Sgt. Roy and Pvt. Jack Burmeister, sons of Mr. and Mrs. Carl Burmeister of Saline, had a reunion in Germany last recently. Roy is with the Ordnance Stock Control Detachment, at Sandhofer, and Jack is with the Ordnance Maintenance Company at Nurnberg. Jack spent the week-end with Roy and Isabel, Roy's bride from Scotland. Roy and Isabel are waiting port call to return to the States at any time, while Jack will be spending the next couple of years there as he just arrived in Germany this May. —Saline Observer.

**Dexter**—Dexter had a mild rain-cold drive during the past week.

when a quantity of growing marijuana was identified by William Pidd and it was destroyed by Marshal John Palmer.

John estimated the quantity at "30 to 40 pounds" and apparently it had not been recognized nor touched with the exception of one or two branches that had been cut off to compare with pictures for recognition. —Dexter Leader.

**Pineckney**—The Pineckney post office has moved from its location in the old Tsele Bank building to a new location one door west of the Roy Clark store which has been purchased by the postmaster, Lawrence Baughn. —Pineckney Dispatch.

**Northville**—Commissioner Claude N. Ely announced at the conclusion of the Sept. 2 meeting of the village commission that he wished to resign, effective immediately. His reason, he said, was the constant criticism to which the commission is subjected and his inability as a commissioner to live his private life without being constantly approached by resident with complaints about village affairs. After remonstrating with Ely's determination to resign, President Conrad E. Langfield refused to put the resignation to a vote, but tabled it until the next meeting. —Northville Record.

**Buchanan**—Mrs. Adaline Paul received a telegraph message from her son, Hubert, at 10 a.m. Monday, informing her that he was then in Sasebo, Japan, after having survived without injury the sinking of his vessel the U. S. S. navy tug boat Sarsi, which had struck a mine a short distance off the coast of Korea at midnight Wednesday. —Berrien County Record.

## Two Hospitalized After Crash on M-92

Charles E. Salyer, 18498 M-92, and his mother, Mrs. Elizabeth Salyer, were taken to St. Joseph's Mercy hospital shortly after midnight Friday, when their car and one driven by George Stiles Paxton of Gregory, collided on M-92 near the Gaunt farm. Salyer's injuries were lacerations of the head, while his mother suffered shock. According to police reports of the accident, the collision occurred in the northbound lane with Paxton headed north and Salyer driving south.

## Escapes Injury

Woodrow Gullett escaped injury when he fell asleep momentarily as he was driving on M-92, east of Boy's road at 2:30 a.m. Tuesday, Sept. 2, but the right front of his car was considerably damaged when it collided with the guard rail at the side of the road. Eleven posts of the guard rail were broken, according to police reports.

## Girls Escape Injury as Car Turns Over

Eva and Elizabeth Kovitch and Christine Rowe escaped serious injury when a car driven by Miss Rowe turned over as she lost control of it after striking loose gravel at about 9:30 p.m. Wednesday of last week near Pleasant Lake in Jackson county.

The car made a complete turn and landed upright on its wheels. The three girls were bruised and shaken up but otherwise uninjured.

The car, which belongs to Miss Rowe's parents, Mr. and Mrs. Wesley Ellenwood, was severely damaged.

## Sentenced for Buying Beer for Minors

Walter Joseph of Dexter, was ordered to pay \$15 costs and was put on probation for one year when he appeared in Municipal court, Ann Arbor, Friday, for sentence on a charge of buying beer for minors. He had pleaded guilty to the charge Saturday, Aug. 30, according to Chelsea police reports. He had been taken into custody at 9 p.m. Aug. 29.
