**C. of C., Guests
Hear Potter
Tell Views****Merchants Vote
To Award Prizes
During Fair Days**

Approximately 180 members and guests of the Chelsea Chamber of Commerce were present at Tuesday's meeting in St. Mary's hall to hear Congressman Charles E. Potter, Republican candidate for the office of U. S. senator from Michigan, as he expressed his views on the country's foreign policy, graft and corruption found in government circles, and "waste of the people's money" paid to the government in the form of federal taxes.

He talked at some length of the Korean situation and advocated the development, under U. S. leadership, of Southern Korean manpower (of which he said there was no shortage) to replace the manpower now largely supplied by this country.

Communists were capitalizing on the presence of American troops in Korea to spread propaganda, Rep. Potter said, stating that the Korean conflict is a "race war" between "imperialistic whites" and the Asiatics.

If Western troops were withdrawn, Potter claimed, the Communists' propaganda would lose its effect and become valueless to them.

In answer to questions from the audience, Potter said he was for the Taft-Hartley law, "clarifying it as the Wagner Act." He said, however, that he felt it was "cumbersome."

In answer to a question, he said he favored the St. Lawrence seaway project.

On the matter of burdensome federal taxes, Potter said taxes in Canada had been "lowered three times" since the end of World War II with the result that business has expanded and the Canadian dollar has increased in value, accordingly.

The high federal taxes of the United States, he said, are the means of discouraging expansion of business and the American dollar is decreasing in value in direct ratio to the increase in the national debt.

Congressman Potter, who is the representative from the 11th district, was introduced by William Rademacher, local attorney. He was accompanied by his campaign manager, John Denman, radio news commentator.

In a short business session held immediately following the dinner, Chamber of Commerce members voted that merchants of the community will again contribute prizes to be given away at the Community Fair.

**Delegates Attend
FOE District Meet
Held Here Sunday**

FOE District No. VII held its district meeting here Sunday with 30 delegates present from Lansing, Jackson, Albion, Camden and Chelsea.

A highlight of the meeting was a talk by Lansing's Blood Bank chairman Ammerman, in which he announced that the FOE is making a survey of all Michigan hospitals and patients who have received blood donations in an effort to restrict the maximum charge for blood transfusions of contributed blood to \$5.00. Ammerman said this has already been accomplished in the Lansing area.

The Chelsea Aerle extended an invitation to the Jackson and Lansing Aerle to have them and their Ladies' Auxiliaries and the Lansing FOE clown band participate in the Community Fair parade here on Oct. 4.

Work is to begin the latter part of next week, on cleaning up the accumulation of debris on the grounds of the new elementary school.

Work is continuing steadily on the time-consuming job of inside finishing and some tack boards, chalk boards in the new shade of green, and other equipment are already installed.

Carpenters are preparing to install the acoustical tile. The boiler is being tested the end of this week, Supt. Charles Cameron said yesterday.

Because of rainy weather last week, the painters have been delayed.

Mr. and Mrs. Cameron Colquhoun and Mr. and Mrs. David Colquhoun were in Lansing Friday evening to attend the graduation of Mrs. Cameron Colquhoun's daughter, Marie, from the Michigan School of Nursing. The exercises were held in the First Baptist church and the reception followed in the nurses' home.

**Birthday Party
at Methodist Home
Pays Tribute to 13**

Mrs. Carrie Firman, who will be 90 years old Sept. 23, was the oldest of the 13 residents of the Methodist Home who were honored at a joint birthday party during the dinner hour Tuesday.

Table decorations carried out the "going back to school" theme, the centerpiece being autumn leaves and various school supplies. Favors were pencils and notebooks and each of the birthday celebrants was presented with stationery as a gift from Detroit's Chelsea Home Friends group.

Mrs. Firman has been a resident of the Home since coming here from Pontiac, Oct. 8, 1949. Her home church was Central Methodist in Pontiac. Her husband, Charles, died in 1925. She is confined to her room and could not be at the special birthday table.

Others whose birthdays occur during the month and thus shared honors at the party are the Misses Margaret Craig, Ethel Morrow, Anna Wilsey and Mary Nelson.

Mrs. Orla Fisher, Mrs. Rodda Roche, Mrs. Grace Sherman, Mrs. Clara Swartz, Mrs. Christina Taggart, Mrs. Etta Taylor, Mrs. Florence Tiffany and Leonard Hendee.

Miss Wilsey and Mrs. Fisher were away visiting relatives and friends, while Miss Nelson and Mrs. Sherman were also confined to their rooms.

**Flower Sale
Saturday by
County DAV**

Washtenaw county Chapter No. 13, Disabled American Veterans, is holding its annual forget-me-not sale Saturday, Sept. 20, and DAV auxiliary members will be volunteer workers during the sale in Chelsea.

Workers will be on the streets here beginning at 8 a. m., Warren Ross of Ann Arbor, county chairman, announced yesterday. Ross said sales will take place simultaneously Saturday in Ann Arbor, Ypsilanti, Dexter, Whitmore Lake and Saline.

All proceeds of the annual sale, Ross said, are used for emergency service work among disabled veterans, their families or widows and orphans in need.

Ross said proceeds of previous sales have enabled the organization to save homes of veterans in at least two instances by quick action in taking care of delinquent third mortgages. Proceeds have also been used in helping to properly clothe children for school, send children to camp and provide ambulance, out-patient and medical care for veterans in need in emergencies.

In addition to the DAV Auxiliary, organizations assisting in the forget-me-not sale include the Dexter American Legion Auxiliary and the Ann Arbor Gold Star Mothers and Mums' club.

Mrs. Lyle Christwell and Mrs. Susie Hulce are active in the work of the DAV Auxiliary. Mrs. Christwell being a past commander. Mrs. Hulce has held various offices in the organization.

**Main Street Crossing
Opened to Traffic**

The New York Central's Main street crossing, closed since June, was opened to traffic the past week-end. Traffic had been detoured with keeping with the North Main street improvement project.

The spaces between the tracks are paved with concrete and the approaches are graded and ready for paving when the entire stretch from the tracks to the bridge is done, probably not before next spring.

The North Main street roadway has been treated with dust layer, the great relief of the residents living on the thoroughfare.

Supt. Charles S. Cameron will be in Escanaba from Sunday through Tuesday attending the meetings of the Michigan Association of School Administrators. Superintendents from all over the state will be present.

OLD TIME FISH STORY—Back in the early 1900's when the above photo was taken people didn't believe the story about "the big one that got away" so this group of five Chelsea anglers had a photo taken as proof of the catch. Two days of fishing on North Lake netted these strings of fish, according to Howard Brooks, who is shown at the extreme right. The large fish in the center, hanging from the upper crossbar, weighed 11 pounds, according to the anglers' story. Others in the photo are, from left, Will Oesterle, Frank F. Brooks, Will Schatz (seated), Chelsea barber for many years, and Tom Hughes, brother-in-law of Howard Brooks.

**Teachers Club
Names Officers
for New Year**

The Chelsea Classroom Teachers club recently elected as officers for the year 1952-53 Micheline DeRose as president, Philip Smith as vice-president, Mary Ann Wade as secretary, and Mabel Fox as treasurer.

The eight-year old organization indulges in many forms of activities, some of them social. Picnics, dinners, and parties are staged regularly, to make newcomers to the staff feel welcome, and to promote a sense of unity and solidarity.

Professional activities are not neglected. The local club feels impelled to keep local teachers aware of and informed upon matters of educational policy and problems, and to solve cooperatively such local problems as might arise.

Group insurance, sick leave, teacher load, salary scheduling, and curriculum revision are among those which have been discussed at one time or another.

The club also cooperates with other local groups, such as the Parent-Teacher organizations and the school board, on matters of research, legislation affecting the schools, general policies, etc.

Last year, considerable work was done on recommending architectural features for the new elementary school, and another group worked on the best possible utilization of the old building.

**Miss Jessie Everett
Dies Late Tuesday;
Funeral Saturday**

Miss Jessie Everett, a life-long resident of this community, died late Tuesday evening at St. Joseph's Mercy hospital, Ann Arbor, where she had been a patient since she suffered a broken hip in a fall at her home Aug. 28.

Miss Everett had lived in the present home, 168 East Summit street, since it was built in 1877. Born Oct. 9, 1863, on the Everett farm in Sharon township which her grandfather, John Everett, secured from the government in 1833, Miss Everett was one of a family of eight children. Her parents were Jay Everett and the former Susan Ann Smith.

Only surviving members of the family are a brother, Fred, of Seattle, Wash., and a sister, Mrs. Irene Fenner, of Santa Barbara, Calif. Because of their advanced age, neither will be able to attend the funeral here. Other survivors include several nieces, nephews and cousins.

Miss Everett was a member of the former Chelsea Baptist church. She studied music at the University of Michigan in 1882 and 1883 and had planned to become a church organist but spinal trouble at that time forced her to give up these plans. Later, she taught school for a time and then was employed for five years in the Stockbridge bank.

Friends may call at the residence and funeral services will be held there at 1 o'clock Saturday afternoon. Burial is to be in the family plot in Vermont cemetery.

**Methodist
Church Plans
Remodeling**

The Chelsea Methodist church has planned a \$4,000 remodeling project in the church sanctuary with work to begin as soon as the money has been raised.

The plans include raising an additional \$1,000 for various repairs to the church building. Rev. David Bryce, pastor of the church, is chairman of the fund-raising committee, which, to date, has accumulated \$3,100 of the needed amount.

According to plans drawn up for the remodeling, the platform at the front of the church is to be extended three feet at each side. The present choir rail is to be removed and an altar will be erected in the front of the church on the raised portion of the platform under the organ pipes. The altar will be dedicated as a memorial to the Smith children, Virginia, Claire, Gerald and Linda, who lost their lives in an automobile accident May 24. Miss Mabel Fox is chairman of the Smith Memorial Altar Fund.

An octagonal-shaped pulpit will be placed at the right of the platform, and the lectern will be at the left. The organ console will be at the right, on the platform, and will face the center, while the choir will be seated at both sides of the platform, also facing the center.

Wood paneling, three feet high, will enclose the pulpit and lectern, and the altar rail will be divided to form a center entrance to the altar.

All furnishings will be in Romanesque style in keeping with the architectural design of the church, while the new wood paneling will be chosen to perfectly match the wood now in the church.

In planning the remodeling, committees visited several churches in other communities and the plan decided upon is very similar to the altar design in Bethlehem Evangelical and Reformed church, in Ann Arbor.

Sunday evening a special item of interest to all will be the showing of the Christian film, "And Now I See," which will be about 45 minutes in length. The story is a dramatic one on Christian worship which will not soon be forgotten. A free-will offering will be received. Public is invited.

Sunday will also be observed as a special day of prayer for our denominational seminaries and colleges.
Monday is the annual session of the WWS Fall Institutes to be held in the EUB church of Dearborn, beginning at 9:30 a.m. Miss Lefevre, returned missionary to China, will be the main speaker. State officers of the society will also play prominent roles in the institute. This group is the official missionary organization of the denomination and all women are invited.

A sanforized garment won't shrink more than one per cent, while a "pre-shrunk" garment may shrink as much as two or three per cent which would make an inch difference in length.

V-8!

FIRST with the NEWEST!

You'll find Ford has made more advances for '52 than any other car in its price field. You get new features like Power-Pivot Clutch and Brake Pedals, suspended from above, to allow more foot room, eliminate dusty, cruddy floor holes. Miss Mary Ann Gabel, Lt. Jack Merkel Wed in Fremont, Ohio

Mary Ann Gabel, daughter of Judge and Mrs. A. G. Gabel of Fremont, Ohio, and Lt. Jack Merkel, who is a son of Mr. and Mrs. F. W. Merkel, 118 Park street, were united in marriage at a nuptial High Mass in St. Ann's Catholic church in Fremont at 11 o'clock Saturday morning. Rev. Fr. John McCullen officiated in the presence of 200 guests.

The bride was gown in satin and nylon illusion in a bluish shade. The satin bodice, styled with an off-shoulder neckline of illusion had long-sleeved white floor-length, bouffant skirt was of illusion over satin and was trimmed with six inset cores of chantilly lace. A buff bonnet-style headpiece held her finger-length veil of nylon illusion. She carried white roses and stephanotis.

Mrs. William T. Wanzek of Ann Arbor, was matron of honor, while Patricia Vandenberg of Detroit, was bridesmaid and Martha Rose Gabel, sister of the bride, was junior bridesmaid. All three wore identical floor-length gowns of maroon velvet with boat necklines and very short sleeves. Each also wore white, elbow-length gloves and a maroon velvet bustle hat trimmed with seed pearls and having a brief nose veil. The attendants' bouquets were cascade arrangements of maroon and rose-colored gladioli.

The bridegroom's brother, Robert, assisted him as best man, while his cousin, Richard Merkel, and the bride's brother, Glenn R. Gabel, were the ushers.

Forty-four guests were present for a wedding dinner at High Manor in Fremont, and 200 guests attended a reception held in the Fremont Moose ballroom. At the reception Katherine and Joan Merkel, cousins of the bridegroom, presided at the punch bowl. Mary Ann Meyer of Cleveland, Ohio, was in charge of the guest book.

The bride is a graduate of St. Joseph's High School, Fremont, Ohio, and St. Joseph's Mercy School of Nursing, Ann Arbor. She has been employed as a nurse at Memorial Hospital in Fremont.

The bridegroom graduated from

Chelsea High school, attended Ferris Institute at Big Rapids and Assumption College, Windsor, Ontario, Canada, and is a member of Sigma Chi fraternity. He is now a second lieutenant in the U. S. Army and is to be stationed as an instructor at Fort Dix, N. J., where the couple will reside after Sept. 25.

After the reception Saturday, the couple left for a short trip in northern Michigan. When they left the bride was wearing a three-piece gray flannel suit with which she wore a red hat and black accessories.

Attending the wedding from Chelsea were Mr. and Mrs. F. W. Merkel, Mr. and Mrs. Norbert Merkel, and Mr. and Mrs. Henry Merkel and their families, and many other relatives and friends.

Where A-C Subsoilers
ADD EXTRA ACRES

Low, waterlogged areas in fields are too often unproductive, even where rainfall is comparatively light. Excessive water remains in these spots long after the shower.

Now Allis-Chalmers Subsoilers may help solve this problem. Just go round and round above the "pot hole" . . . breaking up the subsoil so that more water will penetrate before it collects in the low place. Next, chisel right through the low area.

Hydraulically controlled, the WD Subsoiler penetrates to 18-inches, the CA to 14-inches . . . breaking hardpan below the reach of a plow.

Let us show you how the new Allis-Chalmers Subsoilers can make more of your land more productive.

ROADMASTER
CUSTOM BUILT BY BUICK

Power Steering
on the Roadmaster and Super

BENEATH that big broad bonnet is the reason for this headline. It's a four-barreled automatic carburetor—Airpower by name—which has a way of gulping in what the dictionary defines as "a sudden blast of wind" when extra power is needed.

And the way this gorgeous performer can step out as this occurs is something you'll always remember.

For ordinary driving, two barrels are all you need—and two barrels are all that are working. They give you an extra thrifty flow of fuel for round-town cruising.

When extra power is wanted in a hurry—the "reserves" swing into action—feeding extra fuel and extra air in an ever-thrifty mixture, which delivers the greatest horsepower in Buick history.

This is one of many distinctions that endear ROADMASTERS to fine-car owners.

It's a car as rich in finish as it is in power—a car of expansive room—restful silence—level in gait—beautifully responsive to your mood and will.

And it offers the effortless ease of Power Steering* especially engineered by Buick to save your strength in parking and slow-motion maneuvers, and still let you feel a proud sense of command and a sure sense of control on the highway.

There's just one question we'd like to ask: When are you going to come in and enjoy the ride of your life?

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on ROADMASTER and SUPER only.

THE CENTRAL IDEA

More Power to "CENTRALAND"

NEW YORK CENTRAL SYSTEM

1. PRODUCTION FOR FREEDOM is the theme of the private power companies. Back of it is the biggest post-war expansion program of any United States industry. In the area served by New York Central, these companies are investing \$6 BILLION in new electric power facilities.

2. MAN WITH 210 HELPERS! The 14,000 kilowatt hours a year used by the average U.S. worker are equal to 210 helpers! That's why the 15,000,000 kilowatts of generating capacity private power companies are adding between 1944-54 in Central territory are so vital to new industry.

3. KILOWATTS BY THE CARLOAD! Most of that new capacity will come from efficient, low-cost, year-round steam power plants that burn coal. And with 22,000 new coal cars added to its fleet since 1944, New York Central will be well equipped to deliver kilowatts by the carload!

4. NOT ONLY COAL, but big transformers, generators, spools of power cable move dependably and economically by train. So do the things electricity helps produce in your town and every town on New York Central. That's transportation for freedom. And it's the CENTRAL IDEA!

He had been a patient at the hospital at intervals during his illness and had been in the hospital seven weeks at the time of his death. Prior to his illness, he had been employed as a foreman at the Hancock Manufacturing Co. in Jackson.

Only survivors of Mr. Sullivan are a number of cousins. Born at Hillsdale, Dec. 2, 1895, he was a son of Timothy and Catherine Shanahan Sullivan. The family home in Chelsea was on West Summit street.

Funeral services were held at 10 a.m. Tuesday in St. Mary's church with Rev. Fr. Lee Laige officiating. Burial was at Mt. Olivet cemetery.

The Rosary was recited at the Staffan Funeral Home at 8 o'clock Monday evening.
