Bulldog Grid Team Wins from Dexter

Home Season Opens Friday Night with Saline as Guests

Chelsea traveled to Dexter to open the football season with a 7-6 victory last Friday.

Chelsea kicked off to Dexter's Patrick who took the ball from the 11 to the 38-yard line. Dexter then moved the ball down to Chelsea's 37, but lost it to Chelsea. The Bulldogs moved it back to the Dexter 28 where they fumbled and recovered for themselves. Baldu's fine tackle threw Chelsea for a six-yard loss, but Chelsea continued on down the field for a TD with Don Proctor carrying the ball over for Chelsea. Richard Bareis ran the extra point, so Chelsea led in the first quarter, 7-0.

The second and third quarters were characterized by hard, rough, see-sawing back and forth, interrupted by frequent penalties on both teams. A couple of intercepted passes added to the general excitement.

Fourth quarter saw Dexter moving down the field to Chelsea's five-yard marker. Plays and penalties brought them to the one, from which Long went over for Dexter. The extra point was stopped by Bareis and Heuerle. Saline will open the home season at 8 o'clock tomorrow night.

Repair Crews Apply Seal Coat to County Roads

T. B. Flynn company crews were to begin application of the primer coat on the three and one-half mile stretch of Chelsea-Manchester road yesterday. After the primer coat is applied the road will be closed to traffic for 24 hours. The road will then be opened again and the primer will be allowed to sink into the roadbed for a week or ten days before the single seal coat of asphalt and stone chips is applied. The schedule for completion of the work depends upon favorable weather. This stretch of highway, immediately south of US-12, was graded this summer.

Howard Miner, Road Commission manager, said the seal coat application should carry the newly graded highway through the winter with a minimum of break-up.

Road crews are working this week on Huron River Drive and have also completed a three-mile stretch of sealcoating on North Territorial road from Portage Lake to Madden road.

Church Will Dedicate New Organ Sunday

Dr. Frank Fitch, superintendent of the Ann Arbor District of the Methodist Church, and Dr. Harvey Pearce, of North Lake, will participate in the service to be held at 3 o'clock Sunday afternoon at the North Lake Methodist church to dedicate the new Minchall-Estes electric organ. The organ was purchased with proceeds of a fund started with memorial gifts given at the time of the death of Mrs. Harvey Pearce and supplemented by gifts from members and friends of the congregation since then.

Dr. Fitch will conduct the dedication. Rev. Vern Harner, pastor of the church, has announced. Dr. Pearce is to preach the sermon, taking for his topic, "The Story of My Religious Pilgrimage."

Special organ music will be played by Mrs. Charles McDaniels, the church organist, and Mrs. McDaniels and Mrs. Robert Harris will sing a duet during the service.

People of the community are invited to attend.

Bethel Church Mission Festival To Be Held Sunday

The annual Mission Festival of Bethel Evangelical and Reformed church in Freedom township will be held Sunday, Sept. 28. Rev. Edwin A. Hixon, pastor of Zion church, will preside.

He was born in the parsonage at Bethel during the time when his father, Dr. Paul Irion, served this church for 25 years.

The speaker at the 8 o'clock evening service will be Dr. Henry J. Welch, pastor of the First Presbyterian church of Plymouth. Dr. Welch has been moderator of the Detroit Presbytery of the Presbyterian church.

Mission Festivals have been held at Bethel since the founding of the congregation by Rev. Frederick Schmidt in 1840. In the earliest years the congregation tried to give support to the Basel Mission Society of Switzerland from which Rev. Schmidt had come to America. He was Michigan's pioneer preacher to the early German settlers. A recently obtained letter from Rev. Schmidt in November, 1859, tells of plans for the festival that year at Bethel, in which all of the existing German churches in the Ann Arbor area were to share.

Bethel church has just completed the grading of a new parking lot, 500 by 60 feet, on the site where the old horse sheds stood for the past 75 years. The remaining sheds were removed last fall.

There are only nine more days to register with your township clerk for the Nov. 4 election. Oct. 6 is the final day registrations may be accepted.

Any citizen who is not certain that he is properly registered to vote in the coming presidential election should check with his township clerk immediately. It takes only a few moments to do this.

Anyone desiring transportation to the registration location in his township may call any of the six cooperating dealers and transportation will be arranged.

Dealers cooperating in the plan are: Albert Motor Sales, W. R. Daniels, Grossman's Garage, Harper Sales & Service, Palmer Motor Sales, and Spaulding Chevrolet Sales & Service.

The local group purchased its own equipment this year, she said. The equipment has been stored and will be ready for use again next year. Others on the committee with Mrs. Sharrard were Mrs. Clinton Collyer, Mrs. Claude Biles and Mrs. John Chaplin.

Mrs. Nelson Kreider and Mrs. Karl Koenigter served refreshments after the meeting adjourned.

Plans Complete for 'Better Than Ever' Annual Fall Show

Chelsea's Community Fair parade will assuredly be "the biggest and best ever" if present plans are an indication of what may be expected. Through the cooperation of manufacturing who are contributing financially to defray the costs involved, seven bands will be marching in the parade. These will include the Waterloo band, well-known Plymouth Kilted Band, which will participate under the joint sponsorship of the Plymouth Motor corporation and Alber Motor Sales; and two high school bands from Saline, one from Dexter, and one from Napoleon in addition to the Chelsea High school band, whose expenses will be paid from the contributions made by local manufacturers.

All merchants are being requested to display flags during the parade. There is to be no parking on Main street from noon until after the parade which is to begin promptly at 2 o'clock.

The parade will assemble at the school grounds and the line of march will be north on East street to Middle west on Middle to Main street, and then south on Main to Old US-12 and the Fairgrounds.

The reviewing stands will be located at the postoffice.

The following have already indicated to the parade committee their intention to enter a float in the parade:

Knights of Columbus, Girl and Boy Scouts, Chamber of Commerce, American Legion, Chelsea Spring Co., Chelsea Products, Kiwanis Club, CIO Local 437, and the sixth grade at the public school.

George Atkinson, parade committee chairman, said yesterday that it is important for those who plan to enter a float in the parade to notify him or any member of the parade committee which includes George Doe, Ted Balmer, Don Alber, M. W. McClure, Harold Hopper and Charles Cameron.

The committee must have a complete list of entries in order to plan places for the floats in the parade.

It was announced two weeks ago that decorated bicycles are to be included in this year's parade with prize awards of \$3, \$2 and \$1 for first, second and third place winners.

Yesterday it was announced that tricycles will also be included. Prize awards for first, second and third place winners will be the same as for bicycles, \$3, \$2 and \$1. Tricycles are to drop out of the parade at Orchard street after passing the reviewing stand since a ride to the fairgrounds would be too arduous for tricycle riders.

Local car and implement dealers are also planning entries in the parade and a special feature will be a good representation of old time cars. The antique cars are to be on display at the fairgrounds after the parade.

Program Features Public Wedding Wednesday Evening

Plans for the afternoon and evening programs at the Community Fair, Oct. 1, 2, 3 and 4, are now complete, according to Paul F. Niehaus, chairman of the entertainment committee.

Creating special interest is the wedding of James Ewald and Betty Louise Robinson which will be the highlight of the first night's program. Justice of the Peace William Pritchard will officiate on the stage of the grandstand.

The bride and bridegroom are the local pair who were the first to apply for the honor. They will receive a large number of gifts contributed by business concerns in the community.

Wednesday has been designated as Children's Day at the fair. There will be games of all kinds of special interest to the youngsters, with the evening program beginning at 7:30 p.m.

In addition there will be hog calling and husband calling contests, and a tug-of-war contest between Chelsea village residents and farmers.

The big event Saturday is the parade which promises to be a fine one. It begins at 2:00 p.m. sharp, according to George Atkinson, chairman of the parade committee.

The grandstand show will be free Saturday night and will include a square dance routine by Pittsfield Juniors under the direction of Lloyd Siewers of Ann Arbor.

The Plymouth Kilted Band, which is to be one of the six bands in the parade, will give a concert Saturday evening.

Traditional fall events of the fair will again include crowning a queen and giving away the free prizes contributed by merchants and awarding the fat steer.

Admission to the fairgrounds is to be free but those wishing to park on the grounds will pay 25 cents.

REGISTRATION NOTICE

FOR

GENERAL ELECTION

Tuesday, November 4, 1952

To The Qualified Electors of the TOWNSHIP OF LYNDON

Precinct No. 1

COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

Notice Is Hereby Given That I Will Be at my home, 11380 Roepecke Road, R. R. 2, Gregory, Michigan each day until Monday, October 6, 1952,

Monday, October 6, 1952—Last Day

The Thirtieth day preceding said Election

As provided by Section 10, Chapter I, Part 2(a), Act No. 306, Public Acts of 1929, as amended by Act No. 291, Public Acts of 1945 and Act No. 108, Public Acts of 1951.

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTER-ING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident; to vote at the next election, shall be entered in the registration book.

Elector Unable To Make Personal Application, Procedure

SEC. 16. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing, in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Unregistered Persons Not Entitled To Vote

SEC. 1. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote. (As provided under Act 108, P. A. 1951.)

Transfer of Registration; Application, Time

SEC. 19. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved there and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the (30) days next preceding any election or primary election, (unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day), provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided (30) days next preceding any election or primary election.

Transfer of Registration on Election Day

SEC. 20. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct of election in charge of the registration records and shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change and to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the residence house numbers of any section of a Township, City or Village have been changed, such a change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made by the Clerk or upon election day upon proper showing.

EMMA GOODWIN,
Township Clerk.

A Service That Keeps Faith
With The American People

Higher average incomes have, through the years, resulted in higher standards of living. And the funeral profession has steadily kept pace with all advancement.

The notable improvements made in both the extent and quality of service and merchandise have not been extravagantly priced.

On the contrary, as is shown by our wide range of prices, every family, regardless of its circumstances, may arrange for a funeral of highest standards at a price it can afford to pay.

Pull-Type Picker

Saves More Corn

Low-sloping gathering snouts follow the ground, nose under leaning stalks and scoop up low-hanging ears. That's the Allis-Chalmers way to crib more corn.

You'll like the simplicity of the Allis-Chalmers One-Row Corn Harvester. It's engineered down-to-earth, with fewer working parts to wear, and lower upkeep all the way.

Rubber husking rolls and spring-steel pegs handle ears gently — leave the kernels on the cobs. All operating parts are enclosed or shielded for safety.

Here's a picker priced for home ownership. When your crop reaches the just-right stage for picking, save more corn by being ready to go with your own Allis-Chalmers Corn Harvester.

MICHIGAN MIRROR

(Continued from page one)

steel strike . . . well under 200,000 tons.

Of course, John L. Lewis can change the picture in the flick of one of his king-size eyebrows. A coal strike—possibly to regain personal political power Lewis has lost—would play hob with more than Michigan.

Michigan lost one popular insurance policy against John L.'s whims.

The last working mine in Saginaw County—and in the whole Central Michigan area—closed this summer at St. Charles. Owned cooperatively by the men who worked it, the mine was granted special dispensation by Lewis to stay open during strikes.

Many a Saginaw Valley home stayed warm during mine shut-downs, thanks to the St. Charles mine.

Today not even a tippie remains to mark the last stronghold of the once-mighty coal mining industry in lower Michigan.

Michigan dairy leaders are studying the vigorous competition the revived oleomargarine business is giving butter makers.

In 1940, butter eaters used 17 pounds per capita. Then came the war years and butter was scarce. Many housewives turned to oleo from necessity. When it became legal to sell colored oleo and the housewife was spared the laborious chore of kneading coloring into white oleo, the per capita consumption of butter tumbled to nine pounds, little more than half of the pre-war figure.

Twenty years ago, America used 2.3 billion pounds of butter annually; last year it ate 1.4 billion pounds. Oleo meanwhile went from less than 2.5 pounds per capita in 1940 to about seven pounds last year.

Michigan has fared better than the national average because oleo is still a favorite in tenement areas. But you can bet a buffalo nickel that the huge dairy industry of our state isn't going to sit idle and not protect its butter market, a source of economic strength not only to that industry but to all of Michigan.

Fire Destroys Barn on Plymouth Farm of Correction House

Returning to Chelsea from Detroit early Friday morning, Louis Benkert and Dick Johns, of the Chelsea Manufacturing Corp., witnessed the fire at the Detroit House of Correction farm, at Phoenix and Ridge roads, which completely destroyed the largest of one of the farm's barns along with 500 tons of hay and two large bins of oats. Benkert said he and Johns were told the fire began at 8 a.m., and it took the combined efforts of the House of Correction fire depart-

ment and the Plymouth fire department crews to get it under control after a five-hour battle.
