Council Sets New Policy on Subdivisions

All Improvements To Be Paid By Future Subdividers

At the Village Council meeting Monday evening a resolution was passed adopting a policy for future acceptance of subdivisions by the village.

The resolution provides that all improvements in any new subdivision, such as sewer and water extensions, be paid for by the contractor or subdivider before the subdivision will be accepted by the village.

Subdivisions now in the village that are not yet improved, will be handled as in the past, with the village paying a share of the cost.

Wolverton's Nursery was the low bidder for the 100 Norway maples which the village will set out to beautify the streets of Chelsea. The bid was accepted at Monday's meeting.

Representatives of Atwell & Hicks, an Ann Arbor engineering firm, were present at the invitation of the Village Council, to impart information regarding a long-range program for streets and sewers to take care of future development here.

CHS Baseball Team Wins Two Games

Defeat Defending Champs Thursday In 11-Inning Contest

Last Thursday Chelsea High opened the Huron League season by besting Lincoln 2-1 in a well-played ball game. The victory was an important one as Lincoln is defending league champion and regarded as the team to beat this year.

Chelsea opened the scoring in the first as Mike Murphy drew a base on balls, stole second and scored on Ralph Owings' double to left center.

Lincoln tied the score in the sixth on a walk and two successive Texas league singles just over the infield.

Thus the game went into extra innings and it looked as though the game would go indefinitely as Bulldog Pitcher Phil Barais struck out 11 of the 12 men he faced in the extra inning.

Lincoln's pitcher, Don Lind, was almost as effective. In the last of the 11th, with one away, Bruce Hoffman tripled to deep center field. The tying Lind then walked Barais, Owings and Catcher Hugh Weinberg to force in Hoffman with the winning run.

Barais showed excellent control in walking only four men in the 11 innings, striking out 25 and giving up five hits.

Owings' double, plus a double and triple by Bruce Hoffman, were the only hits collected by the Bulldogs.

Box score: R-H-E
Lincoln 000 001 000 00—1 5-2
Chelsea 100 000 000 01—2 3-2
Judge, Lind (6th) and Cullen, Barais and Weinberg.

ALL-SPORTS BANQUET—Sonny Gande, left, defensive end for the Detroit Lions, Wally Weber, freshman football coach at the U. of M., Ray Glasser and Alan Conklin, CHS coaches, provided the entertainment and athletic awards Monday evening when members of the high school varsity sports teams were honored at the second annual All-Sports Banquet. Mrs. Greta Balstad, not shown in the picture, presented the girls' athletic awards at the affair which was sponsored by the Kiwanis club and held in the high school gymnasium.

Polio Inoculation Clinic Scheduled For Area Children

Church Women Enter Busy Week Of Spring Activity

Local women's organizations are scheduled to participate in regional and association spring meetings of their respective churches this week and next.

Today there is a district meeting of the Women's Society of Christian Service of the Methodist Church at Plymouth and representatives of the Chelsea Methodist church are to attend.

Mrs. T. W. Menzel has announced that the annual spring rally of the Ann Arbor Regional Women's Guild of the Evangelical and Reformed Church, of which she is president, is to be held at St. Paul's church, Lansing, next Thursday, April 28, with registration to take place at 9:30 a.m.

Speakers at the meeting are to include Rev. Bert Helm of St. John's church, Grand Rapids, and Russell Hartley, who is active in the CROP overseas relief program, which now has a heifer project.

The business session will include election of new officers.

A group of Chelsea women will give a kitchen band skit during the fellowship luncheon hour.

Speakers attending the Regional Guild meeting will be women of Bethel church, Freedom township, St. John's churches of Francisco and Rogers Corners, Emanuel church of Manchester and St. Andrew's of Dexter.

Congregational church women are to attend the spring meeting of the Women's Fellowship of the Jackson Association, to be held at the Congregational church in Dunbar next Tuesday, April 26.

The spring meeting opens with registration at 9:30 a.m., according to Mrs. E. C. Burns, president of the Women's Fellowship of the Chelsea Congregational church.

Schedule Includes All First, Second Grade Students

Dr. Otto K. Engelke, director of the Washtenaw county Health Department, announced yesterday that the first of the polio inoculation clinics will be held in Chelsea May 2 as previously announced.

Following the statement last week by Dr. Jonas E. Salk, originator of the vaccine, that only two inoculations should be given at this time and a third later in the year, there was some confusion over the fact that plans had been made to give three shots at one, two and four-week intervals, and letters and forms to be filled out had been printed to that effect.

Volunteer committees had been preparing to send the letters home with first and second grade children for parents' signatures giving permission for the inoculations; however, these letters were ordered held up until a new decision was reached. The letters have all been destroyed and new ones are expected to be ready today or tomorrow.

Mrs. Hugh Sorensen, Chelsea chairman for the National Foundation for Infantile Paralysis, assisted by Mrs. E. B. Sorensen and Mrs. Nelson Kreider had prepared the first set of letters and forms when word of the proposed change reached here. The forms were discarded and new ones are to be prepared as soon as they reach here.

Washtenaw county Health Department officials were notified Monday morning that the vaccine had arrived in Lansing and that afternoon Mrs. James Nichols, first vice-president and Salk vaccine chairman of the Washtenaw County Chapter of the National Foundation for Infantile Paralysis, with Miss Katherine Dohm, supervisory nurse with the Health Department, went to Lansing and brought back the county's supply.

According to present schedules, Dr. J. V. Fisher will be the local physician at the Chelsea clinic to be held in the South Elementary school, beginning at 9 a.m. Monday, May 2. University of Michigan physicians are expected to be here, also.

St. Mary's school, as well as seven rural schools in the area, will send their first and second grade pupils to the clinic here.

The second Chelsea clinic is scheduled to be held in the same location May 23 and Dr. A. A. Palmer and Dr. V. R. Hanson are to be present to administer the vaccine.

Cancer Tag Day Set for This Saturday

Cancer Tag Day will be held in Chelsea Saturday, it has been announced by Mrs. John Chaplin, Chelsea chairman for the Washtenaw county chapter of the American Cancer Society.

Proceeds of the project, together with contributions from all over the country will go for research, education and service to cancer victims, with special stress on the early detection of the disease.

The drive here, in addition to Saturday's tag day, includes the placing of canisters in business places and the customary direct mail plan.

In soliciting contributions for the annual fund-raising campaign the American Cancer Society points out that cancer plays no favorites; it can strike rich or poor, young and old alike; research is the most important method of fighting the disease, and research requires large sums of money for its attempts to find a cure or preventive.

Described as man's cruellest enemy, cancer's seven danger signals are listed as follows:

1. Any sore that does not heal.
2. A lump or thickening in the breast or elsewhere.
3. Unusual bleeding or discharge.
4. Any change in a wart or mole.
5. Persistent indigestion or difficulty in swallowing.
6. Persistent hoarseness or cough.
7. Any change in normal bowel habits.

The campaign for early detection of the disease is based on the urgent warning to see a doctor at once if any of the symptoms are noted.

This part of the fight against cancer has already saved many lives according to statistics of the national organization.

Four-Family Apartment Home Burns

Six adults and seven children, ranging in age from one to eight years, were made homeless and lost all their possessions in a fire which destroyed an apartment house owned by Joseph T. Merkel, located on his farm at 13176 Old US-12, east of Chelsea, Monday afternoon.

When the fire was discovered at 3:35 p.m. by Mrs. David Haas, who lives in one of the downstairs apartments, the roof at the back of the house was ablaze. Fanned by a south wind, the fire gained headway so rapidly that the building burned to the ground in less than an hour.

Chelsea, Dexter and Cassidy Lake Fire departments were rushed to the scene remaining several hours to pour water on the smoldering embers to prevent the spread of the fire to other buildings.

The Haas family includes two boys, Kirk, 4, and Jeffrey, 2, and a little girl, Debbie, just a year old. All their clothes, with the exception of a bundle of laundry Mrs. Haas had just taken from the line, were lost in the fire.

Firemen managed to carry out a bed and a dinette set belonging to the Haas family but nothing further was saved. The family escaped with only the clothing they wore.

Mrs. Haas is the former Phyllis Platt, daughter of Mrs. Harriett Platt, 127 Van Buren street. The family is now staying with Mrs. Platt.

Mr. and Mrs. Charles Gadbey, who lived in another apartment, had just left for work at the Federal Screw Works plant. They have no children. Their possessions were completely destroyed except for their clothing, which lived in the third family, who lived in an upstairs apartment, are Mr. and Mrs. Donna Aisep and their children, Jerry, 8, Barbara, 5, Blake, 3½, and Gwen, 1½. Another child is expected soon.

The family has gone to the home of Mrs. Aisep's father, John Tolby, at Williams Lake Grove, between Gregory and Stockbridge.

Haas and Aisep are also employees of Federal Screw Works. They work on the day shift.

The fourth apartment in the building was vacant.

Mrs. Bernard Wolf and children, of Homewood, Ill., were last week guests of her mother, Mrs. Paul Belser. Mr. Wolf spent the week-end here.

Varsity Sports Participants Honored at Monday Banquet

Varsity sports participants at Chelsea High school were honored at the Kiwanis-sponsored All-Sports banquet in the school gymnasium Monday evening. Approximately 220 members and guests were present.

Wally Weber, freshman football coach at the University of Michigan, previously announced as toastmaster for the after-dinner program, was the principal speaker.

He did some reminiscing about his own athletic experiences, along with those of former U. of M. teams and paid tribute to the late Fielding Yost, who, he said, had been his coach.

Saying that "good sportsmanship is the Golden Rule in action," he emphasized that the teamwork learned in athletics is good training for learning "to do things for your fellowmen" after school days are over.

Although enthusiastically describing the many advantages of high school and college athletics, he pointed out that athletic honors and letters "are nothing if your scholarship is slighted."

Weber concluded his talk with the statement "Athletics are fine but curriculum is by far the most important."

Charles Cameron, Kiwanis club president, presided at the banquet program which opened with the singing of "America" and the invocation by Rev. Thomas Toy.

Special guests at the banquet included Stan Knickerbocker of the Detroit Lions.

Free Off-Street Parking Plans Are Considered

Free off-street parking for Chelsea, financed with proceeds of parking meters in the downtown area is the subject of study by a committee of Chamber of Commerce members appointed to work with the Village Council in perfecting plans for the project. The committee made a report on its progress at Tuesday's Chamber of Commerce meeting in the dining room of the Congregational church.

Members of the committee are Ferd Merkel, Walter Harper and Roland Spaulding.

Both parks of the village are being put in readiness for the summer, it was reported by the organization's park committee headed by Roland Spaulding. The C. of C. committee is working in cooperation with a Village Council committee in working out plans for the monument to be placed in Veterans Memorial park at the north entrance to the village.

Another committee appointed at the meeting is to work with the Village Council in making plans for the observance of Michigan Week, May 15-21. On this committee are Charles Lancaster, William Freeman and Norbert Merkel.

Beginning next month, the monthly dinner meetings of the Chamber of Commerce will begin at 6:30 p.m., one-half hour earlier than has been the custom to date.

JC Road-e-o Will Be Held Here May 14

May 14 is the date set for the Chelsea teen-age Road-e-o to be held here. The site for the Road-e-o will be on Chandler street. The street will be blocked off on that date.

All teen-agers, boys and girls, who hold a driving permit or a license, and do not have a traffic violation for reckless driving or speeding for six months prior to May 14, are eligible to enter this safe driving event. The local winner will go on to the state contest to be held in Lansing to compete for a place in the national contest.

One youngster from each state will take part in the national Road-e-o, July 25-29, in Washington, D. C., to compete for \$3,000 in scholarships.

George Palmer and Tom McClear said application blanks for the local Road-e-o will be issued at the school and can also be obtained at One's Dairy Bar, Foster's Mens Wear and at Chelsea Drug.

Applications will be turned in to Ray Glasser at the school or at Palmer Motor Sales.

More detailed information will be published in next week's edition of The Chelsea Standard.

Mr. and Mrs. W. R. Guest and daughter, Patty, were week-end guests of Mr. and Mrs. Hubert Berg in Port Wayne, Ind.

Junior High Parents' Night Will Be Held Tomorrow

Parents' Night for junior high school classes has been set for tomorrow night, Friday, April 22, and for senior high school classes, next week Friday, April 29.

Activities planned for the junior high school Parents' Night tomorrow will include class sessions from 7:30 until 8:20 p.m. and from 8:25 until 8:55 p.m., followed by a program of band and chorus numbers under the direction of Eugene Sirovey and Miss Martha Smith, respectively.

The classes to be demonstrated are seventh and eighth grade English and history, seventh grade art, home economics, shop and eighth grade mathematics.

Class rooms will be open to visitors for 30 minutes following the program in the gymnasium and there will also be a junior high dance sponsored by the Student Council.

Exhibits will be placed in the gymnasium by the seventh grade shop class and the Adult Education class, and the eighth grade painting classes.

Seventh and eighth grade students will be excused at noon tomorrow. Those who are transported by bus will be taken home together with the kindergarten pupils who customarily go home at noon.

John Griffin, high school principal, has pointed out that because the high school classes are in session longer than the kindergarten groups, the latter will arrive home from 7:30 to 8:30 minutes later than usual tomorrow.

The same plan is to be followed for the senior high school next Friday April 29, when grades nine through twelve will be excused at noon.

Lt. (j.g.) Robert Daniels, who served in the U.S. Navy for 38 months, has been released from active duty and has returned to Chelsea. He was accompanied by his wife and two-month-old son, Jeffrey, who had been with him at Athens, Ga., where he had been stationed the past several months.

He had served two years on a destroyer and while living at Athens was an instructor in the Navy Supply Corps School.

He is now associated with his brother, James K. Daniels, in the Chelsea Lumber company.

High School Chorus To Attend Vocal Music Festival

Chelsea High School chorus of 70 voices will attend the Southwestern Michigan Vocal Festival next Wednesday and Thursday, April 27 and 28 according to an announcement by Miss Martha Smith, vocal music teacher here.

This annual affair, which last year attracted more than 1,400 high school students, is held on the Western Michigan College Campus in Kalamazoo.

Dr. Elwyn Carter, head of the music department at Western Michigan College, will conduct this year's group.

The guest musical group this year is to be the South Haven high school orchestra, directed by Michael Listiak. South Haven has boasted an orchestra for the last 26 years. The group now numbers 67 members and is considered to be one of the outstanding high school orchestras in the state.

The high school chorus will leave Chelsea at 8 a.m. and travel by bus to Kalamazoo where they will spend Wednesday in rehearsals. Wednesday evening, Dr. Carter will conduct the group in a public program. Students from Chelsea will then spend the night with the high school chorus members from Paw Paw, in their private homes.

Thursday, the chorus will visit Kalamazoo College, Western Michigan College, Sutherland Paper Mill, and Post Cereal Company. They are scheduled to eat in the Post Cereal Cafeteria in Battle Creek and then return in time for regular bus routes Thursday afternoon.

Miss Smith expressed the feeling that this was one of the outstanding events available for high school vocalists. It is not a contest where ratings are given, but instead each student is the judge, evaluating the people around him and comparing them with his own group. Thus the desire to improve comes automatically and with a greater amount of enthusiasm as it is the student's own evaluation that has shown the need for improvement.

School Board OK's Budget

The budget of the Chelsea Agricultural Schools was approved at the meeting of the board of education April 13, however, the budget is subject to revision because of annexations to the school district.

School officials of recently annexed primary districts are to be invited to attend the school board meetings of the Chelsea Agricultural Schools school district, it was announced after last week's meeting. Attendance at the meetings will acquaint them with the problems facing the district, as well as possible solutions to these problems.

At Wednesday's meeting approval was given to have plans drawn up for landscaping the grounds of both elementary schools. It is proposed to carry out the plans as finances of the district make it possible.

Announcement has been made that open house will be held at the North Elementary school May 6, with the entire community invited to attend.

John Freysinger Honored by State Handicapped Group

John Freysinger, son of Mr. and Mrs. Robert Freysinger, has been elected third vice-president of the Michigan Federation of the Physically Handicapped.

The election took place the past week-end at the state convention held in Saginaw.

Freysinger has been president of the Ann Arbor branch of the federation since its organization more than a year ago.

Sunday visitors at the home of Edwin Beutler were Mr. and Mrs. Albert Jeddle of near Saline, and Mr. and Mrs. Albert Fink of near River Junction, and their families.

Visiting Lecturer To Speak at Sunday Union Vesper Service

Stephen A. Haboush, described as a shepherd from Galilee, is to speak at a vesper service at the Methodist church here at 5 o'clock Sunday afternoon.

Rev. S. D. Kinde, pastor of the church, announced yesterday that the service is in the nature of a union service with St. Paul's and the Congregational church participating.

Everyone is invited to attend, Rev. Kinde said.

Haboush will speak on the subject "The Shepherd's Psalm."

He is scheduled to appear in a special program at Chelsea High school April 28 and his appearance here Sunday, Rev. Kinde said, will serve as an introduction to the community.

One Week Remains For Reservations at Girl Scout Camp

Girl Scouts and Brownies of the Chelsea Neighborhood should be making plans soon for attending the day camp at Hilltop Lodge, Ann Arbor in June and July. Registrations, together with the \$3.50 camp fee for the 8-day sessions must be in the hands of local leaders by Friday, April 29 and leaders are required to have the registrations filed in the Girl Scout office by May 4.

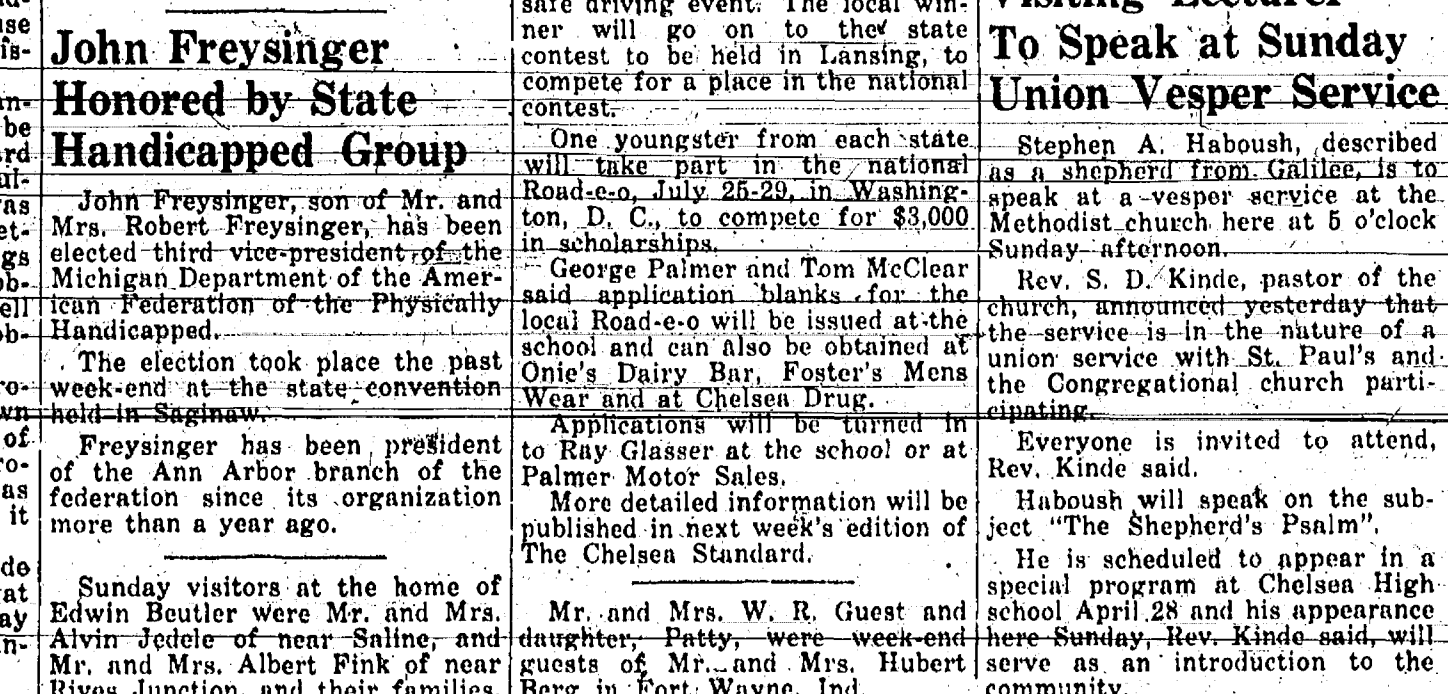

The first session camp days are Tuesdays and Thursdays, June 21-23-28 and 30 and July 5-7-12 and 14.

Second session dates are for Mondays and Wednesdays, June 20-22-27 and 29 and July 6-11-13 and 15.

Mrs. Lewis Bernath, Chelsea Girl Scout Neighborhood chairman, said there is urgent need for additional adult leaders for the day camp since one adult must be provided for each eight girls who attend. The daily sessions are from 9:30 a.m. until 3:00 p.m.

Mrs. Bernath may be contacted for additional information regarding the day camp project.

Roy D. Lange, son of Mr. and Mrs. H. Douglas Lange, underwent a tonsillectomy at Colonial Manor hospital Friday.

APARTMENT HOUSE BLAZE—Fire of undetermined origin raced through the four-apartment house at 13175 Old US-12 about 4 o'clock Monday afternoon. Fanned by a stiff south breeze, the above picture shows how little of the building was left standing in less than an hour after the fire was discovered. Joe T. Merkel owned the house which was occupied by three families at the time of the fire. No one was injured but all suffered complete loss of clothing and household effects.

Former Galilean Shepherd Carries Rod Notched To Represent Dead Jackals

Not at all unlike the notches on a gangster's gun are the 28 big spikes imbedded in the shepherd's rod of Stephen A. Haboush. The difference is that each spike represents a dead jackal, hyena or wolf—not a human life.

Now he spends his time lecturing before church and school groups, telling them of his boyhood as a Palestinian shepherd and showing his full color motion pictures of the Holy Land. The much-scarred rod more than once has meant the difference between life and death for him and his flocks on the lonely western shores of the Sea of Galilee.

"For several years I was a nursemaid to a flock of 85 sheep and a dozen goats," he said recently. "It wasn't an easy job. The goats made my life miserable and the stray sheep unhappy. Most of my trouble was with the goats howling. And I love goats as much as the Irish like the English. Nevertheless, thanks to my trusty black oak rod, I never lost more than seven or eight animals a year. That's even a pretty good record among the Palestinian tribes of today."

His father was makdar, or head, of the Haboush tribe in old Galilee—north of the city of Nazareth. When the father died several years ago, Stephen Haboush became patriarchal head of the tribe despite the fact he lived in the United States and had become a citizen.

"As a result, I have to return to my homeland every four years," he said. "In the meantime our tribal affairs are handled by a council of sheikhs."

When he first came to the United States he "hit the chaqueta trail" with such figures as the late William Jennings Bryan, the former Ambassador Joseph Daniels, and Vilhjalmur Stefansson, the famed arctic explorer. He has been at it ever since, turning to the churches and schools when the chaqueta vanished.

Therefore it is going to be a rare opportunity for the people of Chelsea to meet and hear this native son of Galilee, when he and Madame Haboush present their Bible Land Musical Travelogue of

STEPHEN A. HABOUSH
and his former
Shepherd's Rod

the Holy Land in natural color films and other special features. They will appear at Chelsea High School gym, Thursday, April 28 in a matinee at 1:30 p.m. under auspices of the Student Council. The public is cordially invited to attend.

It is a program that will be a delight and an inspiration to all who are fortunate enough to attend. Madame Haboush will have charge of the music and two young men will operate the professional equipment. Tickets are sold by the above organization at a reduced rate. Admission at the door, the night of the program is higher.

Senior Class Enjoys Lansing Field Trip

Miss Mabel Fox and seniors of Chelsea High school enjoyed a field trip to Lansing Wednesday of last week in observance of Government Day.

Eleven cars transported the group, leaving Chelsea at 7:30 a.m. Adult drivers and advisors who accompanied the group, one in each car, included Thomas Davis, Mike Green, Mrs. R. Ringe, Mrs. Warren Eisenbeiser, Mrs. Doris Whitaker, Mrs. Lyman Walker, Mrs. Robert Turner, Mrs. Fred Klink, Mrs. Lyle Walz and Mrs. Charles Stapish.

The group went directly to the Oldsmobile automobile plant where they were taken on a tour of the factory and saw the processes of motor assembly and chassis assembly and observed large-scale factory methods.

They continued their day's field trip by visiting Sexton High school, as guests of the Student Council. They had lunch in the school cafeteria and then took an hour's tour of the building.

While not a new school, Sexton has long been held up as a model because of the intelligent use of its available space. The school has a wood shop, metal shop, print shop, automobile repair shop, home economics space, band and chorus rooms, individual musical practice rooms and other desirable features.

Foods, clothing, business and art programs are provided and all class rooms have plenty of storage space.

Terrazzo floors and acoustical tile and cork ceilings make for a quiet, orderly effect throughout the building.

The Chelsea people were told there are 1,700 students in grades 10, 11 and 12 who attend Sexton High school.

The local group's final stop of the day at Lansing was at the capitol where they were present when the Senate formally voted to change the name of Michigan State College to Michigan State University.

GIRLS ATHLETICS

Spring is here and with its arrival, the girls will soon start softball practice. A schedule is being planned.

ART CLASSES

The seventh grade art class is making masks of papier-mache. Art I is also working on masks. Art II is working out various scenes for a mural for the band room.

Grade News

KINDERGARTEN

The boys and girls have been talking about seeds and plants in their rooms. They have planted seeds. Both the morning and afternoon classes took a trip to the Chelsea Greenhouse. They enjoyed seeing all the flowers.

FIFTH GRADE

Vanetta Jefferson, a fifth grade student of the North School, showed her interest in books by arranging a display of book jackets on the bulletin board which included eye-catching signs. The display was effective almost immediately. Among the books taken out of the library soon afterwards were "Poppy Seed Cakes," a book of poetry and "Green Eyes." Many thanks to Vanetta for her efforts.

EIGHTH GRADE

The eighth grade boys are very busy with their sports activities. The Junior High baseball team was organized by Mr. Musser while Mr. Glasser started a basketball clinic for the boys.

Class News

FRESHMEN
The freshman class received a card from Janie Morgan last week. Janie spent almost two weeks in Florida, and we are happy to say she is back among her schoolmates again.

JUNIORS

The junior class is busy working on one big project—the prom. The decoration committee, aided by Mr. Musser, met last Wednesday.

BUSY BEAVERS

The photography members met with their leader, Mrs. Harold Wink, Saturday, April 16.

The regular meeting was held Monday night, April 18, at Bill and Virginia Lindstrom's. The summer enrollment was taken then. Mrs. Arthur Cook and Janice Wink attended the FFA state convention in Grand Rapids, April 14-15.

Several members attended the 4-H dance in Grass Lake, April 16. Marilyn Liebeck, reporter.

Got an itch to switch the pitch?

Here's the New Hit in Hardtops
—the 4-Door Riviera—

WANT to do what a pilot does when he clears for take-off?

Want to feel the pulse-quickenning thrill that comes of giving the gun to a high-powered automobile with the world's first airplane-inspired transmission?

Want to try Buick's Variable Pitch Dynaflo*—the spectacular new wonder drive that's the talk of car makers and car buyers alike—and the drive that's sending Buick sales soaring to new record-breaking highs?

Well, sir—be our test-pilot guest at the wheel of a '55 Buick and let today's Dynaflo do the honors.

When you press the pedal as you normally would, you move ahead in velvety smoothness, getting plenty of miles from each gallon of gas...

Because twenty propeller-like blades inside the Dynaflo unit, spinning in oil, have an angle of "pitch" for top economy—like the modern plane's propellers when cruising in the air.

But comes the need for emergency acceleration, and—like a pilot does for quick take-off and climb—you switch the pitch of those Dynaflo propellers for action, just by pressing the pedal all the way down.

Instantly, you get full-power

response for split-second getaway, or for a sudden safety-surge to get out of a tight spot on the highway.

It's a response thrilling beyond all previous experience—because there's never been anything like it before in any car.

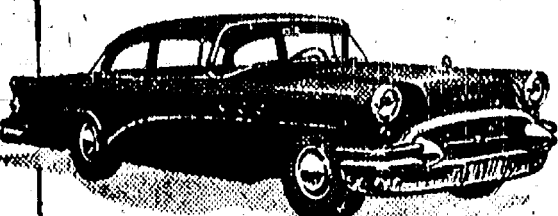

And we'd like you to try it—along with the wallowing new V8-power, the cruiser-steady ride, the fine handling ease, and the true big-car roominess that are all part and parcel of every Buick.

Can you come in today—this week, for sure—and test pilot the hottest Buick yet built?
