Need 100 More Volunteers for Showboat Cast

Sign Up Now as Rehearsals Start in Early June

There is another "up-to-the-minute" report on preparations for Chelsea's Off-Time Showboat production, scheduled for June 22, 23 and 24. The report was submitted to The Standard's special Showboat reporter.

The production of your Off-Time Showboat, Jim Egbert, arrived in town last night and will be here the rest of the week working with the committee on preliminary out-reach and plans for the Showboat production.

According to Anton Nielsen, show division chairman, the cast is shaping up nicely with more than 100 people already "raving to go" but at least that many more are urgently needed for the production.

Actual practice will not start until June 10 and it is expected that our community will be out in full support as they always do in any community activity.

Paul Mann, ticket division chairman, reports the sale of tickets moving along, usually ahead of schedule and at this time wants to remind everyone in the community that patron tickets are available for anyone who wishes to make an additional donation for their favorite cause at the same time secure two more seats for the performance. These patron tickets are for sale to individuals only, not families. (Continued on page five)

FFA Judging Teams Compete in State Contests

Four Chelsea Future Farmers of America teams went to East Lansing Saturday for the FFA state judging events, however, because of the rain, one of the teams—the soils judging group which included John Steele, Joseph Nyies and Harry Hadley—did not function. The soils judging event was called off for this year because of the weather.

Two of Chelsea's participants, Richard Harvey and David Young, each received a gold award in.

PTA Panel Will Discuss Marking Plan

"An Evaluation of Progress Reporting as Used in the Chelsea School System," will be the subject of a panel discussion at the final PTA meeting of the current school year Wednesday evening, May 17. The meeting is to be held at North Elementary school.

Panel members will be selected from among teachers at North and South Elementary schools and the Junior High school for a discussion of the present system of marking as well as possibilities of changes in the grading procedure.

Showboat Sale Planned By Merchants

Fred Anderson, chairman of the Retail Merchants Division of the Chelsea Chamber of Commerce, today announces the scheduling of a village-wide sale to be held Friday and Saturday, June 16-17.

The event will be called "Show Boat Sales," in keeping with the theme of Chelsea's newest and latest endeavor in the entertainment field which is being held the following week-end.

The committee is promoting "100 per cent backing" of all Chelsea-area merchants in offering, for the two days, bargains "the like of which have never been equaled."

Various businesses will offer free coupons redeemable in trade, plus top quality merchandise at below cost prices, according to an announcement of the project.

Cards announcing the sale plans have already been distributed to businessmen and explanatory letters giving details of the promotion will follow soon, according to Anderson and his committee—Elmer Schaible, Jack Merkel and Vince Burg, II.

The committee, in announcing the Show-Boat Sales, said "Chelsea has become famous for its 'Sidewalk Sales'; therefore, we, the merchants, feel that we owe it to the people of Chelsea and the surrounding area to periodically offer these sales on a village-wide basis to show our appreciation for their business."

Major General and Mrs. Dwight Beach and their daughter, Florence, returned Friday to Fort Meyer, Arlington, Va., after spending nine days here as guests of General Beach's brother and sister-in-law, Mr. and Mrs. David Beach.

CUB SCOUTS SELL FLARE KITS—Cub Scout use in case of vehicle breakdown or accident on the highway. Use of such warning flares will greatly lessen traffic accident and death toll on the highway, Jaycees and Cub Scouts believe. State Police Sergeant Harold Bliss (left), here as one of the road-edge judges, told Cub Scouts the flare was a "better" one than he had carried in his own car. The other Cub Scout in the photo is John D. Potts. Jaycees chairman for the sale are Ralph Frisch, Sr., and Elton Guenther.

Spring Concert Slated Monday At High School

Lixey Wins 4th Term as Union Head

Harvey Lixey was re-elected president of Amalgamated Local Union No. 437, UAW-CIO, at Thursday's annual election held in the Union Hall. This is his fourth consecutive term.

Lixey received a total of 248 votes, his opponent, Western Allen, polling a total of 131 votes.

Other officers elected are Mac Packard, vice-president; Mitchell Picklesimer, financial secretary; Stanley Policht, recording secretary; Bruce Hopkins, Don Joseph and Hager Large, trustees for two years; Henry Musolf, sergeant-at-arms; and Arnel Minix, sergeant-at-arms.

Candidates other than president: (Continued on page five)

All School Music Groups To Participate

Monday night at 8 o'clock in the High school auditorium, the annual spring concert will be presented by the vocal and instrumental music departments. Much planning has gone into the programming of music to insure a variety to suit the taste of the most discriminating listener.

The band will present selections including good solid marches, music of the masters and light and gay descriptive numbers such as "Gone With the Wind" by Leroy Anderson and the ever popular "Syncopated Clock."

Feature of the band program will be the presentation of the John Philip Sousa Award to the student voted "most representative of the band in musicianship, attitude and leadership by fellow band members and recommended by the band director, school administrators and Band-Booster club officers."

This high honor will bring back memories of the greatest writer of marches ever to grace the American scene. Sousa became famous as conductor of the U. S. Marine Band and added to his laurels through the presentation of his own concert band which toured the world.

The 60-voice choir of Chelsea High school will round out this evening's entertainment in music with the singing of a variety of selections. It is expected that the Cheliettes will also perform. The work of the vocalists on the program will represent the effort involved in many hours of diligent rehearsal by the students and their director.

The choir will be directed by David Sanborn while David Lindsay will direct the band. There will be no admission charge; however, donation boxes will be available for those who wish to make a contribution.

Directors and band and chorus members invite everyone to "bring the family and enjoy an evening of good music at the High school auditorium on Monday, May 15, at 8 p.m."

Four Track Men Place in Albion Relays

Saturday Coach Al Conklin entered four men in the big Albion Relays and saw all four boys place.

David McLaughlin won the high hurdles while taking third place in the shot put and low hurdles. Jim Maynard placed fourth in high hurdles. Don Sexton took a fourth place in the broad jump, and Larry Cattell tied for fourth in the pole vault.

Tonight, Thursday, the Bulldogs compete with Pinckney, at Saline. On Saturday the Regional track meet will be held at Eastern Michigan University and on Tuesday evening at 7:00 the Conference Championship track meet will be held at the same place, EMU.

Crooked Lake Cottage Damaged By Vandals

The Edward Stange cottage at 504 Crooked Lake Rd. in Sylvan township was damaged by vandals the past week-end. According to reports of the incident, 10 windows and two screens were broken, three light bulbs were smashed and a couch was cut, apparently with a knife.

Stange, owner of the cottage, lives at Royal Oak.

MYSTERY-FARM NO. 150—Here is the 150th in the current series of farm photos published each week for readers to identify if they can. If you know the place, please call The Standard office, GR 5-3581. The owner will receive as a gift, a mounted photo of the farm if he will call at The Standard office on or before Saturday.

Mother's Day Flowers Sold By Kiwanians

Friday and Saturday, Chelsea Kiwanians are holding their annual Mother's Day flower sale at Hilltop Plumbing shop, corner Main and Park Sts.

General chairman of the event is Loring Bates.

Kiwanians have been appointed to act as salesmen during the two-day sale, each taking an assigned period to be on duty.

Proceeds of the flower sale, as well as other fund-raising projects of the club are customarily designated for financing the various community service projects during the year.

Their next project is the annual summer rummage sale.

Kiwanians are holding their first general pick-up Monday evening, May 15, beginning at 7 p.m., in preparation for their 1961 rummage sale to be held July 7-8.

'Underground Railway' Is Topic for Library Friends

Mrs. Blanche B. Coggan of Lansing, who has done research the past five years in preparation for writing a book pertaining to the so-called "underground railroad" of pre-Civil War days, will be the guest speaker at the annual meeting of the Friends of McKune Memorial Library Monday evening, May 15. The meeting will be held at the library, beginning at 8 p.m. and Harold Jones, vice-president, has announced that all interested persons in the community are invited to attend.

In her research, Mrs. Coggan has located 225 houses in Michigan that once served as way stations for the "underground railroad" by means of which escaping slaves were helped on their journey north to Canada and freedom.

One such station was located just south of Chelsea in the Dewey home. A picture of this log home, painted by a descendant of the original owners, is now the property of the McKune Memorial Library and will be on display at

Monday's meeting. It was presented to the library by the late Schuyler Foster, another descendant of the Dewey family.

It is not known whether Mrs. Coggan has special knowledge of the Dewey home; however, she does have volumes of pictures, comments from descendants of people who worked in the underground system and much historical information she has unearthed in her search for authoritative data.

Mrs. Coggan has found that many of the buildings used 100 years ago for harboring escaping slaves are still occupied. As proof of the means by which searchers were thwarted in attempts to locate hidden slaves, some of these old buildings still have their sliding panels, trap doors, tunnels and secret stairways.

Mrs. Coggan explains that she became interested in the underground railway project when she

NEW WELL OR OLD
Fast dependable service in drilling or repairing your well

CRIBLEY & SON
7185 Dexter-Ann Arbor Rd. HA 6-5561

Last year the "Weight and Measures" brought before the public that some Drilling Contractors were using light weight pipe. CRIBLEY & SON REPORTS THAT SOME OF THESE CONTRACTORS ARE STILL USING THIS SAME PIPE.

Since there is no code on well construction these drillers are now using it without any marking on it as to weight, make, O.D. or I.D., or metal specification. Making no claims on the pipe to be used they are within a non-existing code and the law.

If you see Cribley & Son you will pay less for your well to start with and even a greater savings when it comes to repairing it later on because you will have Jones & Laughlin Standard Seamless Pipe. A choice in either galvanized or black pipe that meets A-53 specification.

Let Cribley & Sons bid on your complete pump and well job and you will have it all in writing. Cribley & Son buy right and pass the savings on to you.

Students To Be Recognized At U-M Honors Convocation

The University of Michigan will cite 883 academically distinguished undergraduates at its 88th annual Honors Convocation at 11 a.m. Friday, May 12 in Hill Auditorium. Included are Gerald Kleis, son of Mr. and Mrs. Albert Kleis, 17980 Waterloo Rd. who will receive junior honors in the School of Literature, Science and the Arts; and Lynda Meyer, daughter of Mr. and Mrs. Carl Meyer, 858 Washington St. who will be cited for senior honors in the School of Nursing.

Both are graduates of Chelsea High school and both also were included in the 1960 Honors Convocation.

Of those honored, 57 have been named as James B. Angel Scholars for earning all "A" records over the last two semesters. Others will be cited for class honors, having averages of 85 or better for two straight semesters. Of the total, 58 will receive both honors.

U-M President Harlan Hatcher will preside at the convocation. Honorary doctor of laws degrees will be granted to the convocation speaker and British historian Arnold J. Toynbee, and to Frederick G. Donner, New York City, board chairman of General Motors Corp.

Regents Citations of Honor will be granted to Charles E. Frazer, Clark, principal of Detroit's Mumford High School and James F. Lawton, Berkley, co-composer of "Varsity," U-M fight song.

The U-M will cite Toynbee as an heir to the Hellenic tradition in his belief that history is a moral and philosophic science, and Donner.

Monday night on Saline High's new lighted track the Chelsea track squad trounced Manchester, 66-43, as they took first in 10 of the meet's 13 events.

Winners for Chelsea were Dave McLaughlin with a first in the shot put with a heave of 48'8" which established a new school record. Dave also won both the 100- and 220-yard dash.

Jim Maynard had two firsts in the hurdle races, a second in the shot put and took third in the high jump.

Don Sexton took a tie for first in the high jump before he slipped in the jump and wrenched his knee. The injury was not believed to be too serious.

The mile relay unit of Albert Schauer, Larry Kramer, Paul Schramm and G. Cattell, won their event.

Don Wilson, back after a two-week lay-off due to an ankle injury, won the 880 in the excellent time of 2:16.2.

Warren Porath turned in a time of 59.5 seconds as he won the 440 yd. dash.

Gary Cattell won the mile run in a time of 5:38.2.

Duane Weiss took second in the 440, and Albert Schauer took second place in the pole vault. The following boys, all freshmen and sophomores, took third places for the Bulldogs: Bill Howling (pole vault), Warren Porath (broad jump), Mike Schrader (high hurdles), Jim Schneider (100-yd. dash), Vic Parks (220), John Ashley (880), and Ted Kaiser (mile).

Today, Thursday, at 7:00 p.m., the Bulldogs compete with Pinckney at Saline.

Ford Provides On-the-Job Project For EMU Seniors

Lynwood Noah, a senior at Eastern Michigan University, Ypsilanti, was one of 18 students from EMU and Cleary College who took part in a College Student Visitation Day instituted as a "pilot project" by Ford Motor Co. at its Rawsonville and Ypsilanti plants.

The unique program which is designed to offer a day's "on-the-job-training" for college seniors interested in careers in industry, was launched last Thursday at the two Ypsilanti area plants.

The seniors, who were all given new cars for use Wednesday night and Thursday, were assigned individual hosts in managerial capacities at the two plants. They spent the day with the hosts and took active parts in actually resolving problems, delegating assignments and otherwise administering departmental responsibilities, a Ford spokesman said.

Peter Lyshak, chairman of Ford's Ypsilanti-Rawsonville Community Relations Committee, said one of the main objectives of the program is "to indirectly afford counsel and guidance to seniors who are about to seek careers, by giving them the opportunity to see what industry is really like."

Methodist Confirmation Class To Be Entertained At Picnic Supper
Members of the 1961 confirmation class of the Methodist church will be entertained at a picnic supper Monday, May 15 from 6:00-7:15 p.m., at Veterans Memorial Park on North Main St. Hosts will be members of the Commission on Membership and Evangelism and their families.

Mr. Wesley Howes, chairman of the commission, will be assisted by Mrs. Donley Boyer in planning the supper and Mr. Boyer will serve as recreation chairman for games following the supper.

The Rev. S. D. Kinde will confirm the class of 20 members on Sunday May 21 at the 10 o'clock worship service.

The man who said you can live without money never tried it.

The Standard To Be Planted Along I-94

A copy of The Chelsea Standard, dated Dec. 22, 1960, will be "planted" somewhere along I-94. The copy will be sealed in a time capsule for the special "planting ceremony."

Why "plant" the Standard? It is a part of the State Highway Department's program for observing Michigan Week, scheduled this year for May 21-27. A collection of representative materials will be sealed and buried, possibly to be turned up in the far distant future by some farmer driving a nuclear-powered tractor.

That Dec. 22 issue contains a story on the ribbon-cutting ceremony near the Parker Rd. overpass when I-94 was officially opened to traffic. That was our Christmas issue and for those who may have forgotten the story, then Governor-elect Swainson called it a "milestone for the people of Michigan," and predicted a business boom for communities along I-94.

Other stories in that issue included announcement that the Second Annual Chelsea Holiday Basketball Tournament was to begin Tuesday, Dec. 27, at Chelsea High school gymnasium with Coach Bob Taylor's Bulldogs scheduled to meet Grass Lake at 9:30 p.m. the first night; that George Kleis, 17-year-old son of Mr. and Mrs. Albert Kleis, had rescued a male woodcock stranded on ice in the Waterloo area and had been instrumental in arranging passage for the woodcock on an Eastern Air Lines plane which dropped the bird in Florida; also, that Durwood Prochnow, 363 Washington St., and Tony Jurgens, 544 Freer Rd., were first place winners in the Chamber of Commerce Christmas home lighting contest.

Sunday afternoon visitors of Mrs. Kate Lehman at the home of Mr. and Mrs. Garnett Weir were a grandson and his family, Mr. and Mrs. Glen Lehman and children, of Allen Park.

Mr. and Mrs. M. W. McClure spent the past week visiting their daughter and family, Mr. and Mrs. F. W. Hopkins and children, at Hartford, Conn.

Four CHS Students Participate in Speech Regional Competition

Four Chelsea High school speech students participated in regional competition Tuesday at Eastern Michigan University and one, David Lixey, placed second in his division, which was extemporaneous speaking. The topic assigned to him was "U. S. Unemployment."

Other students who took part are Christine Tarasow, declamation; Lynn Lipphardt, extemporaneous speaking; and Linda Burghardt, interpretive reading.

They were accompanied by their speech teacher and coach, Mrs. Beverly Sharp.

Showboat Plans

(Continued from page one)

... stories nor businesses, and a list of all patrons is to be printed on the back of the program.

The advertising division is following along on the program set up by the division head, the late A. D. Mayes, and as you have come to expect, this plan is very well designed to both advertise your Showboat through the usual advertising media and also to provide some "Chelsea Friday Nites" with our neighboring towns invited over to join us in the fun. Could be that plans for a caravan or two will also be carried out.

Your music committee reports that special music has been arranged for the "Junior Brothers of the Brush-Band" and the boys are ready to present some fine Dixieland-showboat music at the slightest provocation.

All in all, according to your general chairman, "Doc" Alber, "everything is progressing smoothly, promising a good time for all in the pre-showboat activities and an actual production that everyone in our community will be proud of."

THANK YOU

I wish to thank all my relatives, friends and neighbors for their many beautiful cards and for their calls while I was in the hospital and since my return home. Special thanks to the Reverend Kinde and the Reverend Harry Pyscher for their calls and prayers. I thank you all.

Clarence Lehman.

Mr. and Mrs. Albert Zink and son, Mitchell, and A/3c and Mrs. Harold Huggins, spent Sunday at Claremont Furns, Danville, O., where they visited Airman Huggins' parents, Mr. and Mrs. Ralph Huggins.

Mrs. P. G. Schable, Sr., is spending some time at the home of her daughter and family, Mr. and Mrs. Harold Sutton and children, at Rockford, Ill. The Suttons have a new baby, Timothy, born Apr. 30.

The first requisite of being a leader in your community is the ability to lead and the willingness to follow.

State Police Plan 'Hospitality Day' For Michigan Week

As has been the custom the last several years, the State Police will observe Michigan Week with open house "Hospitality Day" Tuesday, May 23, at all posts, according to Sgt. Raymond McConnell, commanding officer of the Jackson post.

Visiting hours at the Jackson post will be from 10 a.m. to 5 p.m., and everyone is extended a special welcome to examine the equipment and facilities and ask questions regarding the operations of the department. Officers will escort the visitors.

"While visitors are always welcome at the post, Hospitality Day offers a special opportunity to look us over and in past years many have done so," said Sgt. McConnell. "Those who call on us will learn about the services the State Police perform and how a post functions."

"To those who may not know the location, the post building, which is easily identified, is situated at the corner of M-106 and Parnell Roads, at Jackson. Stop in to see us."

In addition to open house, the State flag as well as the United States flag will be displayed all week at the post.

FFA Judging

livestock judging. The gold award signifies placing in the top 10 per cent in the state. There were 49 livestock judging teams at the state event.

Of the total of 324 different teams at the state contest level, 72 were in dairy judging and 30 in meats divisions.

Chelsea dairy judging team included Charles Koehn, Kenneth Bollinger and Lynn Harvey.

The livestock judging team included Richard Harvey, David Young and Edward Keezer.

Meat judging team members from the Chelsea FFA group were Richard Haist, Ronald Walter and Stanley Dyer.

The contestants were accompanied to the judging events at Michigan State University by their agriculture instructor and FFA advisor, Stephen Hayden.

Friends of Library

(Continued from page one)

"started looking for something on our record to prove to the world that the record is not all bad." She believes the evidence of co-operation between the white and colored races as brought out by the kindness shown by the white people to the escaping slaves of 100 years ago, even at great risk to themselves, goes a long way to prove her point.

A graduate of Michigan State University, Mrs. Coggan's literary ability includes composing lyrics for songs, writing and directing community historical pageants and writing numerous articles and manuscripts, in addition to being the author of a science-fiction novel, "The Edge of the Hiroshima bomb." The novel is entitled "When God Quit."

In announcing the annual meeting of Friends of McKuna Memorial Library, Jones said the meeting will include election of officers for the coming year.

Menace of Child Molester Is Constant Threat Everywhere

By John Edgar Hoover, Director Federal Bureau of Investigation

"One of the most horrible offenses in the sordid history of crime is the brutal sexual attack on the body of a small, innocent child. The threat of the child molester hangs over each and every community in our country. Swift and decisive action is necessary to assure that these human violators who prey on children will be removed from our society."

"A foremost measure of crime prevention against this type of criminal is a program of educating children in regard to the dangers of being lured by strangers. As a primary weapon in this campaign the FBI in 1956 began distributing coloring sketches for elementary school children, pointing out the menace of the child molester. No less than 3 million

of these posters have been disseminated by the FBI. These sketches are furnished free of charge and quantities may be obtained by writing to me.

"The protection of the Nation's children is the responsibility not only of parents but also of police and the public."

"Only constant vigilance against the child molester in communities throughout the country can prevent the black headlines reflecting the vicious attacks of this criminal. It is imperative that school authorities, police officials, news media representatives, business executives, civic and patriotic group leaders, and others interested in safeguarding children recognize the threat of the child molester in their communities and take positive action against it."

Attend Synodical Meet at Mt. ClemensThe Rev. Paul M. Schnake, pas-
tor of St. Paul's Evangelical and
Reformed church; the Rev. P. H.
Grabowski, pastor emeritus; David
Strietter, president, and Paul G.
Schabbe, Jr., vice-president of St.
Paul's Church Council; and Mrs.
Emma Seitz represented St. Paul's
church at the 23rd annual meet-
ing of the Michigan-Indiana Synod
of the Evangelical and Reformed
Church held last week at Zion
church, Mt. Clemens.At that meeting, delegates voted
unanimously in favor of ratifying
the constitution of the United
Church of Christ—a merger of the
Evangelical and Reformed Church
and the Congregational Christian
Churches.All synods of the Evangelical
and Reformed Church will have
voted on acceptance of the consti-
tution by the end of May.Voting on the question by the
synods of the E & R church and by
the individual Congregational
Christian churches is one of the
final steps in ultimate completion
of the merger of the two church
bodies to form the United Church
of Christ.The Michigan-Indiana Synod is
comprised of a total of 106
churches including the following in
this vicinity: St. Paul's of Che-
lsea, St. Andrew's of Dexter, St.
John's at Francisco, St. John's at
Rogers Corners, Bethel church of
Freedom township, Emanuel
church at Manchester and Beth-
lehem church and the Church of the
Good Shepherd in Ann Arbor.Two area men were elected to
an office in the Synod—Adolph Schai-hle of St. Andrew's, Dexter, as
vice-moderator, and John Westfield
of Bethlehem church, Ann Arbor,
as a member of the Synodical
Council.Among action taken at the an-
nual meeting was passage of res-
olutions stating the Synod's posi-
tion on Communism and empha-
sizing that missionaries of the
Church are in other countries
purely as "missionaries of Christ,"
with no nationalism involved.The resolutions as passed, read
as follows:"Be it resolved that Michigan-
Indiana Synod urges its members
to work diligently to preserve our
democratic government in Amer-
ica. We warn our people of cer-
tain extreme rightist pressure
groups and organizations, which
under the guise of anti-Commun-
ism and defense of freedom, ac-
tually teach and threaten to un-
dermine our democratic pro-
cesses.""Whereas the issue of nation-
alism has become critical in many
lands and whereas suspicion exists
that our missionaries are there to
make propaganda for American-
ism and whereas we have confi-
dence in the ability of our mis-
sionaries to adjust themselves, be-
lieving that they are sent as mis-
sionaries of Christ and not as ex-
ponents of any form of nation-
alism."Nobody holds more strongly to
an opinion than a man of little
intellect.

Baseball Team Wins Three in Row

The Chelsea High school baseball team made it three in a row on Friday by defeating Manchester, 7-0, after turning back Pinckney on Thursday, 5-3.

On Thursday the Bulldogs combined timely hitting with the fine pitching of Don Blalock to hand the Pinckney Pirates their third conference loss.

Chelsea batsman collected only five hits off the offerings of Pinckney pitcher Don Barker, but were able to get them when it counted.

Chelsea got two runs in the first inning as a result of two errors, two walks, and a timely double by Homer Nixon. In the second inning, Chelsea collected two more runs, this time, as a result of one error, a fielder's choice and another timely hit, this time by Ken Larson.

The fifth Bulldog run came in the sixth inning by way of a double by Jerry Ringe and singles by Alton Nixon and Mike Marsh. Don Blalock pitched very well, especially in the clutch. He walked only one man and pitched his way out of many tight spots.

Line Score:
Chelsea 5 5 6
Pinckney 3 0 4

On Friday it was all Chelsea as they outthrew and outpitched Manchester to the tune of 7-0.

It was Homer Nixon who got the call to duty this time, and he responded with a five-hit shut-out over the Duteemen. He struck out seven while walking three, and allowed only one runner as far as third, and only three men as far as second.

The Bulldogs broke Nixon up with a strong ninth-inning attack, featuring Don Blalock's 400-foot home run, two triples and a single by the fine first baseman Charles Keenn, a triple and a single by reliable Kenny Larson, and singles by Ed Lauson, Jerry Ringe, and Homer Nixon himself.

The Bulldogs also played well in the field, handling 17 chances and committing only one error. The score by innings for Chelsea was 2 in the first, 4 in the third and 1 in the sixth.

Line Score:
Chelsea 7 0 1
Manchester 0 5 1

Tuesday's game at Saline was rained out and rescheduled for May 19. Other games scheduled for this week include Chelsea at Dexter on Wednesday, Dexter at Chelsea on Thursday and Chelsea at South Lyon on Friday for a double-header.

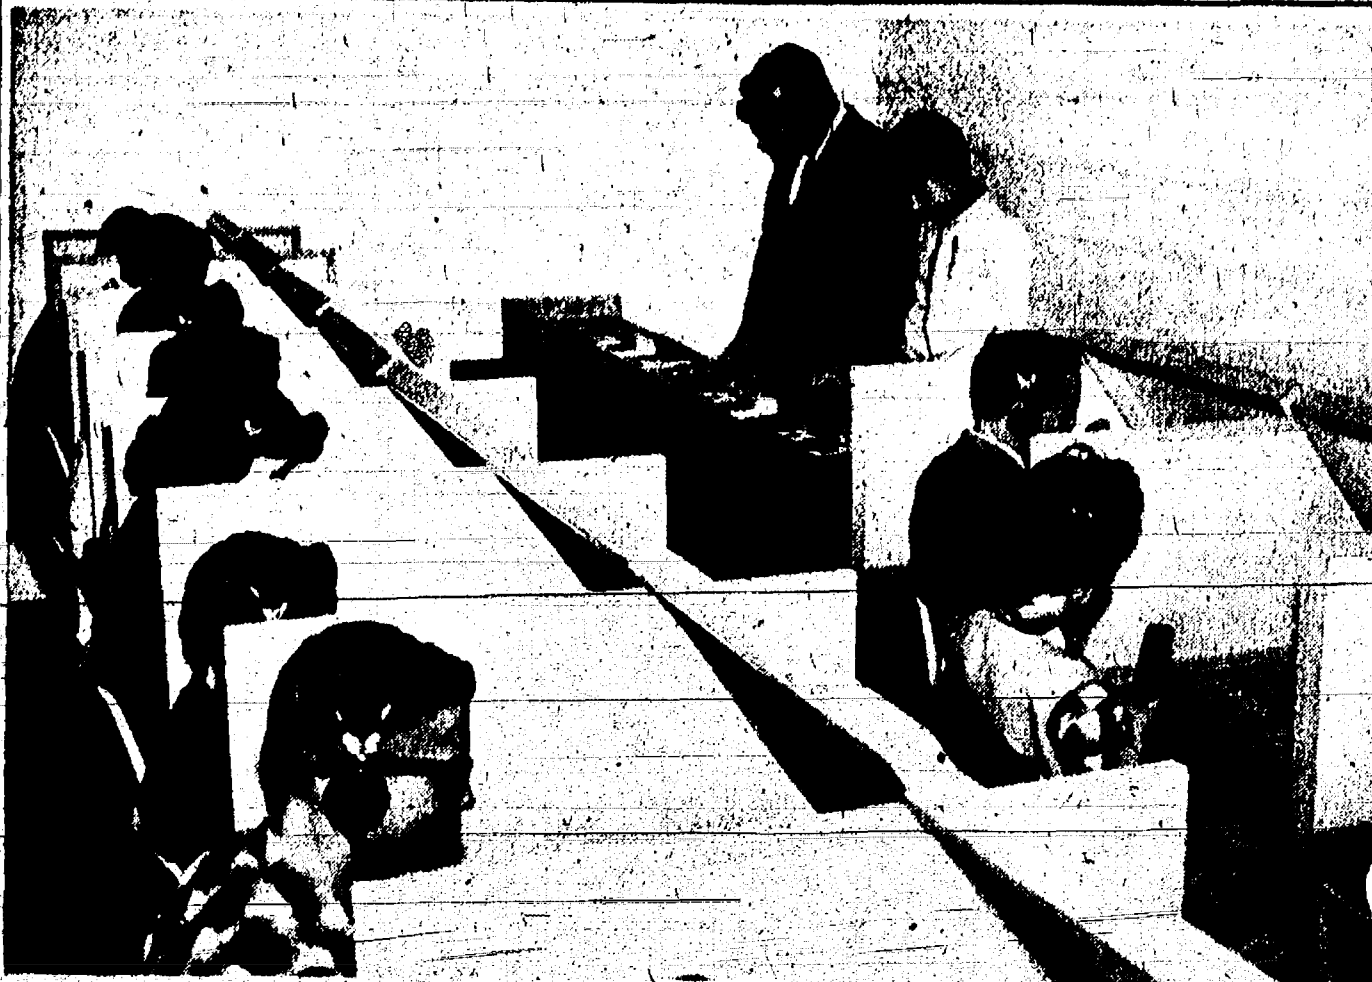

Sprague Wins Buick Royal Purple Award

Graham Sprague of Daniels Motor Sales, Inc., who recently won Professional Salesman standing in the exclusive Buick Salesmaster Club was announced this week as having won Royal Purple Salesmaster standing in the club.

Membership is based on points for each Buick sold during the year. A minimum of 600 points is required for Salesmaster rating and 1000 points for Royal Purple standing.

Royal Purple Salesmasters receive a diamond mounted in gold pin displaying the Buick crest. A diamond is added for each year the salesman qualifies as a Royal Purple Salesmaster. He also receives a Certificate of Achievement.

The hard-working, God-fearing man deserves to get ahead but there is no guarantee and, consequently, no reason for anybody to blame.

LANGUAGE LABORATORY—This is the scene in the language laboratory room at Chelsea High school when the Latin, I, class meets for sessions of study which include a listen-speak type of equipment which enables the student to listen with little or no interruption to one of five master programs through earphones. The master program is so arranged that the student has time to give responses in the native language. Words of the master voice may also be repeated by the student, and in so doing he is able to hear himself speak as others ordinarily hear him speak. Critical comparison with native speakers is thus made possible and necessary improvements may then be made with continued repetition. Tapes also may be and have been prepared by the language teachers themselves. Students in the classroom, at left from front to back are David Runciman, Jim Schneider, Gordon Beeman, Janice Wood, Linda Blass, Sue Schroen, Mike Schrader and Victor Parks. At right were Beverly Windell and Dianne Edwards, neither visible in photo, Sharon Allen, Robert Reed, and David Winans standing at rear with the teacher, Alfred Smith.

Track Men Win Meet By 1 Point

Last Thursday Chelsea edged Roosevelt's track squad by the slimmest of margins, one single point, 55-54.

The tension started to build up after the half-mile run in which Roosevelt claimed all three places and it became apparent that the Bulldogs would have to pick up a first and a third in the mile run, and the 880 relay, the meet's final event would have to be won by Chelsea.

The mile race came through in fine style as Gary Cattell won the mile in 5:30, his best time of the season, and freshman John Hand took third.

Then the 880 relay team of Larry Cattell, Don Sexton, Warren Porath and Dave McLaughlin won in 1:39.5, also their fastest time of the year.

The only school record broken for the Bulldogs was the mile relay team of Al Schauer, Larry Kramer, Gary Cattell and Warren Porath in 3:55.3, only to be beaten by two yards.

First-place winners in the meet were Dave McLaughlin in the shot put and both hurdle races, and Don Sexton in the broad jump and high jump. Jim Maynard picked up three seconds for Chelsea in the shot put and both hurdle races and tied with Sexton for second in the high jump. Larry Cattell picked up a second in the pole vault while placing third in both sprints.

Third places were earned by Warren Porath, broad jump; John Bowling, pole vault; Mike Schrader, high hurdles; and John Hand, mile.

Band Boosters Selling Community Calendar

Chelsea Band Boosters, with the assistance of Junior High and Senior High Band members are promoting the sale of a community calendar, proceeds of the sale to be used for band equipment and instruments.

Band members will canvass all homes in Chelsea between 6 p.m. and 8 p.m. Tuesday and Wednesday evenings, May 10-17 to assist with the project.

Chelsea Schools To Close Friday

All Chelsea schools will be closed Friday (tomorrow).

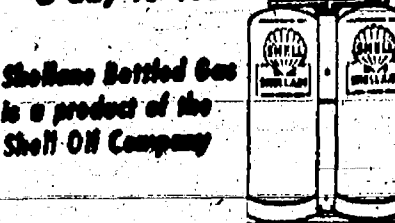

Junior and senior high school teachers are to attend the Schoolmasters meetings in Ann Arbor while teachers of North and South Elementary schools will be at their respective schools scoring and recording the Metropolitan Achievement tests which have just been given to all elementary children.

Parents of elementary school pupils who wish to confer with their child's teacher tomorrow should call either the teacher or the elementary school office to make arrangements.

Elementary School Principal Arthur Schmunk also announced yesterday that the annual kindergarten "round-up" of children who will be entering school next fall has been scheduled for Friday, May 19. Details of the round-up will be announced in the May 18 issue of The Standard.

Ten million people are employed in the storing, transporting, processing and merchandising of agricultural products. Another 6 million have jobs providing supplies to farmers. About 7.4 million people work on farms and ranches.

Music Week Observed by Kiwanis Club

In recognition of National Music Week, the program at Monday's Kiwanis club meeting in the social center of the Methodist church, centered on the National Music Camp at Interlochen. John Merrill of Ann Arbor, secretary and director of personnel for the camp, was introduced by the evening's program chairman, P. F. Niehaus and outlined the camp's history and future goals.

Among the latter is the aim of the camp to become a year round academy by the fall of 1962. Merrill also showed a color film of camp activities.

Mrs. Robert Daniels was a guest at the meeting and was introduced as the winner of the "Mrs. Ann Arbor Area" title in the current Mrs. Michigan contest which leads to selection of a Mrs. America.

Mrs. Daniels was introduced by Herman Deal, sales manager for Michigan Consolidated Gas Co., of Ann Arbor, sponsors of the area contest. Deal, in turn, had been introduced by Chelsea Kiwanian M. W. McClure, manager of the Chelsea branch office of the Gas Co.

Announcement was made that the first general pick-up for the club's 1961 rummage sale is scheduled for 7 p.m. Monday, May 15. James Windell attended the meeting as a guest.

and Japanese decorations throughout were very pleasing for the occasion. There were between 70 and 80 guests present. Barbara Beeman then took charge of presenting gifts to the following: the oldest mother was Laura Vicary; youngest mother, Yvonne Adkins; youngest daughter was her daughter, Susan; mother with most daughters-in-law present was Carrie Beeman; mother with most daughters present was LaVon Beeman. Mrs. Jean Silvernall was presented with a corsage. She, being the speaker, then proceeded by telling of Japanese life, their foods, wearing apparel, dishes and various items of interest. Vernita Prentice acted as model for the clothing, all very interesting and entertaining. Virginia Walter was toastmistress. Leona Beeman gave the invocation, a clarinet duet was given by Linda Beeman and Lynn Harr. Toast to Mothers was by Janet Prentice. Toast to daughters was by Joyce Harr. The men who served the meal were the Rev. Silvernall, Mr. Hugh Gaddis and son, Bill, Kenneth Platt and Henry Walter. In the group singing, one song was dedicated to mothers and one to the men waiters, both original wording to familiar tunes, and very nice.

Mrs. Harry Hess has returned to her home here after spending the winter in Florida.

Mrs. Jessie Schulz spent the week-end with her sons and their families, the Howard Wahls and Willis Schulzes.

GIRL SCOUT NEWS

TROOP 148
Wednesday, May 3, Girl Scouts of Troop 148 met at South Elementary school and played games. Lee Spaulding brought refreshments.

Julie Rosebush, scribe.

TROOP 496
Thursday's meeting of Girl Scout Troop 496 was held at South school and was called to order by Mrs. Knoll and Mrs. Reed. The girls were told about the things they would need and given other information about their coming camping trip.

Mrs. Reed will be assisting with our troop for three or four weeks.

Karen Miller, scribe.

TROOP 48
We talked about what we should have and shouldn't have done on our cook-out so we can improve for Junior-Senior Week-end. Each girl was given a chance to give her opinion on what she liked or didn't like.

We are now working on the Good Grooming badge.

Janet Hafner brought refreshments.

We are also looking for tents to use on Junior-Senior Week-end.

Sherry Clark, scribe.

FROSTING IN THE FREEZER
Freezing a frosted cake can be simple. Freeze the cake first, then wrap it. When it's time to serve, unwrap the cake and then defrost it.

They would... if they were all formulated the same way and made with the same materials. But today's fertilizers, even those of the same analysis, give different crop results because they're made differently. Depending on the plant food sources used, your crop yields will be high, average or low.

AGRICO selects and combines the plant foods that are best suited to give you top crop yields. Farmers right in your own state have proved in actual field demonstrations that this AGRICO quality gives the best return on their fertilizer investment.

CENTENNIAL FARM—The Dorr Whitaker home at 16771 Old US-12, West, has been designated a Michigan "centennial farm" and will receive a metal marker to be placed on the property. The Dorr Whitaker's son, Edson and family now live on the farm.

Whitaker Home Designated Michigan 'Centennial Farm'

The Michigan Historical Commission announced this week that the farm at 16771 Old US-12, West, owned by Dorr Whitaker, has been designated by the commission as a "centennial farm." The designation is an honorary title given to farms that have been owned by the same family for 100 years or more.

An appropriate marker inscribed to that effect will be presented to Whitaker.

The Michigan Historical Commission established its centennial farm recognition program in 1948, and since that year has awarded certificates and metal markers to some fifteen hundred Michigan farms. The program is administered by the Michigan Historical Commission Museum, Lansing, and the markers have been provided through the courtesy of Detroit Edison Co. and Consumers Power Co.

The Whitaker farm, in the western part of Sylvan township near the Jackson county line, has been in continuous possession of the

family since 1831, when Edmund E. Conklin and his wife, the former Catherine Hickox, descendant of an old Connecticut family, bought it from the U. S. Government. That was five years before Michigan became a state. Conklin himself was a native of Orange County, New York.

Whitaker family legend has it that one of their ancestors married an Indian girl and it is believed she was Edmund Conklin's second wife whom he married following the death of the first Mrs. Conklin in 1838. At that time their son Calvin was seven years old.

Calvin Conklin, listed on ownership records as the second generation owner of the farm, born in 1831, was said to be the first white child born in Sylvan township.

Calvin's daughter, Alice, married Dorr Whitaker and they were the third generation owners. Since then the farm has been known as "the Whitaker place."

The fourth generation owners

were Burleigh C. and Lina Notten Whitaker, parents of the present owner, Dorr Whitaker.

Dorr's son, Edson and his wife, the former Veretta Greenwood, now reside on the place and their two-month-old son, John Nelson Whitaker, is the seventh generation of the family to live on the family farm.

Michigan Drivers Logged 33 Billion Miles Last Year

Lansing — Michigan motorists logged 33.2 billion miles during 1949, an increase of nearly four per cent over the previous year. The final mileage figure, based on gasoline tax collections, was 400 million miles more than had been estimated for the year. The 1949 provisional figure was 32.8 billion miles. In 1948, Michigan motorists drove an estimated 32 billion miles.

State Highway Commissioner John C. Mackie said the volume of traffic on Michigan highways has increased more than 300 per cent during the last 25 years. In 1924, Michigan motorists drove an estimated 11.1 billion miles.

Mackie said 1.5 million motor vehicles traveled 11.1 billion miles in 1924 compared to 3.3 million cars, trucks and buses that traveled more than 33 billion miles last year.

"In other words, traffic volume has tripled in 25 years, while the number of cars and trucks on our highways has only doubled," Mackie said.

Gasoline consumption in Michigan totaled an estimated 2.6 billion gallons during 1949, while an estimated 45.4 millions of diesel fuel was sold.

WAR ON JACKRABBITS — San Antonio — The Air Force plans to battle jackrabbits symbols of the old West that have become menaces to flying.

Kelly Air Force Base, plans to use airmen to drive the rabbits into an area at one end of the runways area, there, air police will dispatch them with guns.

Officials say the drive is necessary to keep the runways relatively free of rabbits which have created a hazard to take-offs and landings.

The young people of the present era, we are happy to report, are doing quite well despite the fear of the older generation which remembers its childhood.

Supervisor Wolter Appoints Standing Committees for Year

Selo Township Supervisor E. A. Wolter, chairman of the Washtenaw County Board of Supervisors, has announced appointment of members of the board to the 30 standing committees for the year.

USES FINGER FOR GUN — San Antonio — Jesus Gonzales, watchman for a dry cleaning plant, used his index finger to capture a would-be burglar.

The 60-year-old watchman spotted

an intruder slipping window and slipped around the man, jabbed a finger in back, and said: "Freeze. This gun." The intruder froze until police arrived to cart him off jail.

Trucks Create New Horizons

Michigan Week's theme—"Michigan's New Horizons"—ties in beautifully with truck transport on the service it renders the people of this State. For trucks do create new horizons through their ability to serve the most remote areas. They go wherever there are roads (and even where there aren't roads, for that matter), carrying new products, new conveniences, new services to people all over Michigan. Yes, trucks stand ready to play a most important role in Michigan—going marching forward to new horizons.

PLAN AHEAD, LEAVE WORRIES BEHIND—Wise is the family that plans ahead for a smooth summer vacation. By mapping out trips and taking time now to ready tents, trailers, boats, and other gear for use, families can sidestep last-minute delays in their vacation fun. If your family is going to spend its vacation at a state park this summer, here's another time-saving tip: Buy your entrance permit now to avoid waiting in line for one during the jam-packed season. An easy way to beat the rush is to mail \$2 by check or money order to Michigan Department of Conservation, Publications Room, Lansing 26. In return you will receive a decal permit (top photo) which must be attached to the lower right-hand corner of your car's windshield. Annual permits are also on sale at about 900 hunting and fishing license dealers, any AAA office in Michigan, and all state parks.

Extension Service Offers Booklet Giving Facts on Deer Browsing Situation

Victor G. Horvath, district forester for the Michigan Department of Conservation, is calling attention to the newly-published Extension Folder No. F-298. The booklet answers a number of questions pertaining to the deer situation in Michigan.

Entitled "The Facts About Deer Browsing," the booklet was prepared by Charles Schick, extension wildlife specialist, and Lester Bell, extension forester, both from Michigan State University.

Among the questions answered in the folder are the following: How much food does a deer need daily to survive the winter months? What do deer eat and what are their favorite foods? How many fawns does a well fed doe produce each year? What is a browse line?

What effect does heavy browsing of the vegetation by deer have in deer yards?

The folder is available at the Washtenaw County Co-Operative Extension Service in the County Building, Ann Arbor.

MSU Plans Open House

East Lansing—Michigan State University will play host to thousands of parents and guests at Four-day Open House, Friday and Saturday, May 12 and 13.

An Engineering Exposition, hundreds of exhibits, an International Festival with two stage shows, sports events and open houses in all living units will be features of the University's annual open house.

From 9 a.m. until noon Saturday, youngsters will have an opportunity to see baby pigs, lambs, chicks, calves, colts and other young farm animals in an open house at the University Farms.

Highlighting the International Festival in the Auditorium Saturday will be stage shows at 3 p.m. and 8 p.m. The 15 acts will include songs and dances from Africa, Latin America, Egypt, Japan and other foreign nations as well as from the United States. The shows are free to the public.

Arts and crafts exhibits prepared by various foreign student groups on campus will be on display from 9 a.m. to 10 p.m. Saturday on the lower floor of the Auditorium.

A full size car which runs, not on wheels, but on a cushion of air, will be among some 120 projects to be exhibited by the high school members of JETS, the Junior Engineering Technical Society. Projects will be displayed in the main lobby of the Library and in Agricultural Engineering Building May 12-14.

All departments in the College of Engineering will display exhibits constructed by MSU undergraduates, to be viewed from 3 p.m. to 8 p.m. Friday and 9 a.m. to 6 p.m. Saturday in engineering buildings. Guided tours will be held both days.

Saturday morning activities will feature "Micro-midget" auto race at 9:30 a.m. in the parking lot south of the Physics-Mathematics Building.

Congregationalists Hold Annual Mother-Daughter Banquet

Approximately 100 mothers and daughters were present May 3 for a banquet in their honor in the dining room of the Congregational church. The pre-Mothers' Day observance was sponsored by the Women's Fellowship of the church.

Program chairman for the event was Mrs. David Beatty while general chairman for the dinner were Mrs. Russell McLaughlin and Mrs. Robert Wagner.

Mrs. Philip Rusten was called upon for a Mothers' Day prayer preceding the program and, during the program, Mrs. Henry Orling was honored as the oldest mother present; and Mrs. Jerry Satterthwaite as the youngest mother present. Each received as a gift, a blossoming geranium plant.

Also presented with a similar gift were Mrs. Parker Sharrard; as the mother attending with the most daughters (three) and Mrs. Raymond Singer as the grandmother of nine granddaughters.

Entertainment consisted of piano selections by Lynn Visel, Ellen Rusten, Jackie Bailey and Susan Bond.

The regular monthly meeting of the Women's Fellowship was held following the banquet.

Altar Society Sponsors Mother-Daughter Breakfast Sunday

St. Mary's Altar Society sponsored a Mother-Daughter breakfast following the 7 o'clock Mass Sunday morning and more than 150 women and girls of the parish attended.

Four mothers present were honored and received plants as gifts—Mrs. Don Mshar, the youngest mother attending; Mrs. J. V. Burg, 11, and Mrs. Earl Weinkauff who tied for the distinction of being present with the most daughters (four each); and Mrs. John Lyons, the oldest mother present.

Also honored and presented with a gift was Mrs. Marie Merkel of Minneapolis, Minn., mother of Mrs. Les Bennett, who came the longest distance to attend the affair.

The Rev. Fr. Francis Maliszewski spoke briefly during the program period and Mrs. Harold Pennington read a history of St. Mary's church to conclude the program.

Mrs. John Keusch and Mrs. Keith Boylan were general chairmen of the breakfast which took place of the customary annual Mother-Daughter banquet at St. Mary's.

Attend Mother-Daughter Banquet at Munnith Methodist Church

Mrs. Robert Harris and Mrs. Elton K. Musbach attended the annual Mother-Daughter banquet Thursday evening at the Munnith Methodist church and were among a group of 65 charter members of the Women's Society of Christian Service of the church who received special recognition.

Mrs. Musbach was the first vice-president of the organization when the WSCS group was founded at the church 21 years ago.

Mrs. Harris was secretary of student work in the new society and her stepmother, the late Mrs. W. R. Mayer (the former Mildred McDaniels) was its first president.

Forty-one of the 96 charter members are now deceased.

Approximately 300 mothers and daughters attended the banquet, Mrs. Musbach being the guest of her granddaughter, Janet Kay Musbach.

VFW Auxiliary Wins Membership Honors in District

The Ladies Auxiliary to Veterans of Foreign Wars Post No. 4076, received honorable mention at the Sixth District meeting held at Petersburg, Sunday May 7, for 100 per cent paid-up membership.

VFW Post and Auxiliary No. 6509 were hosts for the district event.

Mrs. Ray Franklin of the Chelsea group was elected district guard. She had formerly served as assistant guard.

Elected as district president was Mrs. Ardis Clark of Howell.

Mrs. Fred Klink, Sr., president of the Chelsea Auxiliary, said a highlight of the district meeting was presentation of a color bearer's flag to Newport Auxiliary No. 3943, a new Auxiliary instituted earlier this spring. The presentation was made by Mrs. Alice Rhode as Department of Michigan representative.

Those from Chelsea who attended the district meeting are Post Commander, Fremont Buyer, the Auxiliary president, Mrs. Fred Klink, Sr.; Auxiliary delegates, Mrs. Iza Carty and Mrs. Mac Packard; and Mrs. Ray Franklin and Mrs. Mary Kniss.
