# Church Dignitaries Present for Ceremony at Methodist Home

## New Wing Will Add Nearly 90 Members to Capacity of Home

Ideal weather prevailed Friday afternoon for the cornerstone-laying ceremony for the new wing of the Methodist Home, now under construction. Exterior work on the building is completed and the interior is scheduled to be completed ready for occupancy by Oct. 1.

The upper floors of the new unit are designed for medical care. Of the 62 beds on these floors, 55 will be in private rooms.

On the first floor there are 22 efficiency units for residence areas; while the ground floor is designed for therapy, crafts, hobbies, recreation, laundry and storage areas.

Applications are already being accepted and processed for residents of the new unit when it is completed.

At present there are 145 residents living at the Home, including several retired ministers and their wives in retirement cottages on the Home grounds.

Errol Clark, representing the architectural firm of Clark, Scripture and Psihos, made the formal presentation of the cornerstone which was accepted on behalf of the Board of Trustees by its chairman, the Rev. J. Douglas Parker.

Bishop Marshall R. Reed of the Methodist Church and the Rev. Edwin J. Weiss, superintendent of the Home, sealed the cornerstone, using a silver trowel brought to the Home for the occasion by Harold Glazier of Cavanaugh Lake.

Glazier's father, Frank P. Glazier, donated the site for the Home and contributed money toward construction of the first unit in 1905-1906. The first unit was named for Harold Glazier's grandmother, Emily Glazier.

The trowel, which Glazier said is actually a silver cake server, was used in the original cornerstone-laying ceremony by his mother, Mrs. Frank P. Glazier, and by others who participated in that ceremony. It has been a family keepsake since then.

Harold Glazier was among those who used the trowel Friday, having been invited to participate in the cornerstone laying because of his family's connection with the early history of the Home.

Others present to take part in the ceremony are Bishop Marshall R. Reed, bishop of the Michigan area of Methodist churches; the Rev. George P. Stanford, chaplain of the Home; the Rev. Edwin J. Weiss, superintendent of the Home; the Rev. Roy Johns, chairman of the building committee; and representatives of the Chelsea Home Hospitals, Conference Board of Lay Activities, and Conference Board of World Service and Finance.

It was pointed out at the cornerstone laying ceremony that completion of the new structure will increase the membership potential (Continued on page six)

## Farm Council Barbecue Set For June 17

The annual Washtenaw Farm Council Chicken Barbecue will be held June 17 at the Council Activities Center according to Mrs. Simon Girbach of Saline, general chairman.

The barbecue, one of the largest in Michigan, attracts more than 4,000 guests each year. Frank Haggard of Dexter, ticket chairman, states the number should reach 5,000 this year. He bases his predictions on the fact that the center is gaining in popularity as an ideal place to hold a great variety of events.

In the past years, it has been used for horse shows, dairy shows, 4-H shows, dog and rabbit shows, farm machinery exhibits, Saline Community Fair, church youth groups, to mention a few.

The center consists of 40 acres of land which provides ideal parking for most any size event. The main building, equipped with kitchen and other facilities, is 150'x600' and will seat 1,200 to 1,500 people. The three barns are 50'x150' each and houses the livestock for events such as County 4-H Show and State Black and White Show.

The 1961 State Black and White Show drew an estimated \$1 million worth of Michigan's best Holstein cattle. The 1962 state show will again be held at the center on July 27.

Farm Council Board of Directors are in the process of constructing a new 150'x80' clear span show building.

## THE LETTERBOX

To The Editor:

May 27, 1962

It was particularly revolting to read the views of a person calling himself "A Citizen" who advocated euthanasia behind a pseudonym. The article gave the impression of having been written by one who has some medical background but few ethics or religious convictions and can only emphasize the decadent attitude of our so-called intelligentsia. They would reduce our society to the level of Nazism or Communism with all life the property of the state, to do with as suits their whim.

Our constitution guarantees life, liberty and the pursuit of happiness—not a state where life or death is given or taken at will. The "prominent clergymen" referred to, but otherwise unnamed, must certainly ignore the Fifth Commandment—"Thou Shall Not Kill." God is the author of life and only He terminates it in His own good time. This Godless attitude toward life or death has no place in our society, a society which has already shown unmistakable signs of moral deterioration from the agnostic dogma of such "thinkers."

Our national motto "In God We Trust" states our faith in Almighty God; and for any society to usurp these God given miracles of life or death is sheer communism.

I suggest that the writer of such blasphemy apply for a travel visa to some totalitarian state preferably not in this universe. With regard for our national heritage and an absolute trust in the Almighty, I remain, a citizen with a name—

Keith Boylan.

It takes a little bit of thinking

It takes a little bit of thinking to understand just what the impact would be on the total population of the United States if Congress were to adopt the King-Anderson bill, commonly called "medical aid to the aged."

First, it's a false title with heavy emotional appeal.

It really isn't a plan to give "medical aid to the aged."

Doctors oppose it because they are dedicated to the health of others.

They have worked toward increasing your life span so that you may enjoy living longer.

They are doing this by helping solve the problems of financing health care, in providing additional care to the aged and in developing rehabilitation programs and mental health programs. But that is not all.

They not only concern themselves with the health problems of the aged, they also concern themselves everyday with the health of the middle-aged, young people and infants.

Now, about the King-Anderson bill. Fees of doctors are not involved, though the politicians and bureaucrats would have you believe this.

What is involved is the practice of quality medicine.

What is involved is your health.

What is involved is your pocketbook.

The King-Anderson plan would not only reduce the quality, but would also reduce the availability of hospital services and intervene between a doctor and his patient by destroying the American system of medicine based upon the private doctor treating the private patient.

The King-Anderson plan places a great burden on every taxpayer by increasing his Social Security taxes, and would cover millions of persons well able to pay their own medical bills. Millions who need help would not qualify.

Doctors are not politicians. They're not looking for votes. They're too busy looking after the health of their patients.

They can't buy the politician's approach of sacrificing your health just to get votes.

They can't buy legislation which would raise Social Security taxes by 17%, to start with, to finance a multi-billion-dollar program which would only pay PART of the hospital bills of the elderly and provide SOME nursing home care.

The fact is, under the King-Anderson plan, an elderly person with limited funds would have to pay \$10 a day for the first nine days of a hospital stay, and also have to pay his doctor. A wealthy elderly person would pay the same \$90 amount—and the taxpayers would pick up the rest of the hospital bill for a protracted stay.

By contrast, the Kerr-Mills medical aid to the aged law which provides for COMPLETE hospital and doctor care without any personal cost for all who need help, is available to Michigan's elderly persons with limited funds.

It's total cost last year was \$12,000,000. Not one cent was paid out of taxpayer's money for those who could pay their own way or for those of our senior citizens who have private insurance coverage.

Think it over.

Should Congress be pressured to adopt a needless, unfair, inadequate and extremely costly program... or should the Congress REJECT this King-Anderson bill, with the Kerr-Mills Law already on the books and sensibly providing TOTAL help to those who need help?

Think it over... and then WRITE TO YOUR CONGRESSMAN AND TELL HIM WHAT YOU THINK.

## Girl Scout Council Elects New Officers

The annual business meeting of the Huron Valley Girl Scout Council was held Thursday, May 24 at the First Baptist church in Ann Arbor.

After the luncheon, the Council honored three Girl Scouts for their acts of bravery this past year. Blenda DeDula, daughter of Mr. and Mrs. Walter DeDula of Ann Arbor, gave first aid to a seriously injured trooper while on a camping trip at Plymouth Lodge. Connie Beaman, daughter of Mr. and Mrs. Howard Beaman of Ypsilanti, and Barbara Tussey, daughter of Mr. and Mrs. Fred Tussey of Ypsilanti, saved the life of a young baby by giving mouth-to-mouth respiration when the baby stopped breathing. They were baby-sitting at the time.

At the business meeting, Mrs. W. W. Glas of Wayne, was elected second vice-president; Mrs. Allen Wiedman of Ypsilanti, was elected secretary; and Ronald Robson of Wayne, was elected treasurer. These officers are for 1962-65.

Also elected to the Board of Directors for the years 1962-65 are Mrs. Max Hileman of Wayne, District I chairman; Mrs. Calvin Kitchin of Ann Arbor, Committee on Employed Personnel chairman; Mrs. Melvin Decker of Brighton, District IV chairman.

## Scouts Attend Camporee at Bruin Lake

A council-wide Portage Trails Council camporee at Bruin Lake Friday, Saturday and Sunday, May 18-20, was attended by almost 1,000 Boy Scouts including 50 from Chelsea Troops 25 and 70.

The full week-end began with Friday evening's registration and setting up camp (and talking into the "week" hours).

Saturday morning the Michigan Air National Guard gave a demonstration of an air-sea rescue mission; the Ann Arbor Fire Department's "Resus-Anne" dummy was used by J. R. Williams of the department in giving a realistic demonstration of mouth-to-mouth resuscitation; and the Howell Rod & Gun club gave a valuable demonstration on the subject of gun safety.

The National Guard used a helicopter in the rescue demonstration. In addition, an unscheduled shower served to teach the boys a lesson in primitive clothes-drying techniques, according to Scoutmaster Robert Foye of Troop 25 and Alvin Reinhardt of Troop 70.

Various units at camp gave demonstrations of skills during the afternoon such as rope making, rope bridges, different types of cooking, firebuilding, tower building; different types of available tents; surveying; pioneer living; and others.

The evening meal Saturday was cooked by individual patrols and judged by leaders at the camporee on the basis of its completeness and palatability. The meal requirements stated it must include bread or biscuits, meat cooked without the use of manufactured equipment such as pots, pans or commercial stoves (plain stoves only), one boiled vegetable and one fried vegetable and the whole topped off with a cooked dessert.

At the big campfire "tap-out" ceremony Saturday night by the Order of Arrow, honorary camping order of Scouts, two Scouts of Troop 25 and one Scout and Scoutmaster Reinhardt of Troop 70 were tapped for membership.

The Troop 70 Scout is Paul Stahl and those from Troop 25—Tom Scholtens and Alvin Schneider.

The week-end camporee ended Sunday at 11 a.m. with an awards ceremony.

The total personal income in Michigan for 1961 amounted to \$18,120,000,000 according to Frank A. Alter, manager of the U. S. Department of Commerce Field Office in Detroit.

He mentioned that this total represents a per capita personal income of \$2,278 for the residents of Michigan. This placed Michigan ahead of 31 other states and above the national per capita average of \$2,265. This is the second highest annual per capita income earned in Michigan.

Delaware had the highest per capita income and Mississippi the lowest for 1961.

Michigan rivers and streams would reach one and a half times around the world.

## L. Kalmbach Promoted to New Position

Leland J. Kalmbach of Somers, Conn., formerly of Chelsea, has been elected to the newly-created post of chairman of the board and chief executive officer of the Massachusetts Mutual Life Insurance Co., Springfield, Mass.

Charles H. Schaff has been named to succeed Kalmbach as president and Homer N. Chapin was named executive vice-president.

Speaking for the board, Kalmbach commented, "The increasing size and complexity of our operations have made it advisable to establish the separate posts of chairman of the board and that of president. The chairman will be the chief executive officer. He will continue to be chairman of the executive committee of the board and the chief policy-making official. The president will be the chief operating official of the company, and the executive vice-president will be responsible for all investment operations."

"The election of Schaff, as president," Kalmbach added, "represents a fitting recognition of his leadership ability and of his many contributions to our company as well as to the institution of life insurance in general."

"The election of Chapin as executive vice-president," Kalmbach added, "completes the establishment of a strong and flexible management team. His ability and experience in the investment field are generally recognized not only in the life insurance industry but in financial circles in general."

During 1961 Michigan State University had under way 1,628 research projects. They ranged from research on a cyclotron to research on cancer to research on poison ivy; from research on the structure of the atom to research on the structure of society.

Mr. and Mrs. Eugene Wahl

### Alice Klink, Eugene Wahl Repeat Nuptial Vows Saturday at St. Mary's Church

St. Mary's Catholic church was the setting for the wedding ceremony at 10 a.m. Saturday uniting Alice Klink and Eugene Wahl, with the Rev. Fr. Francis Maliszewski officiating. The bride was given in marriage by her father.

She is a daughter of Mr. and Mrs. Fred Klink, Sr.

During the Mass, "Pans Angelicus" was sung as a duet by Mrs. Joseph Marzec and Mrs. John Thomson.

For her wedding the bride wore a floor-length gown of sheer nylon over tulle and lace featuring floating panels trimmed with appliques of lace, sequins and pearls. The hooped skirt terminated in a chapel-length train. Her lace-trimmed tiered veil of French illusion was held in place with a pill box, headpiece of pearls and sequins.

The bride's bouquet was a cascade of white roses, centered with a corsage of white carnations which she later removed to pin to her going-away suit—a two-piece black costume trimmed with white. Rosemary Calverton of Grass Lake served as maid of honor. She wore a waist-length gown of pink tulle with a bustle at the back of the fully gathered skirt. A matching crown-shaped tiara and a cascade bouquet of white carnations with pink tinted centers completed her ensemble.

The bride's sister, Esther, in aqua, the bridegroom's sister Joan, in mint green, and Donna Verschieve of Grass Lake, in yellow, served as bridesmaids. Their gowns were styled like that of the maid of honor and their bouquets were of white carnations with tinted centers matching the color of their gowns.

Shelly Curtis, a cousin of the bridegroom, was dressed in white and wore a picture hat for her role as flower girl and David Klink, brother of the bride, was ring bearer.

The bridegroom, who is the son of Mr. and Mrs. Harold Wahl was assisted by Ralph Lammers of Grass Lake, as best man.

Ushers were Fred Klink, Jr., brother of the bride, Daniel Wahl, brother of the bridegroom, and James Schittenhelm of Grass Lake. For her daughter's wedding Mrs. Klink wore a pink lace jacket with white accessories and a corsage of white roses.

The bridegroom's mother, in a two-piece dress of blue lace over tulle, wore matching accessories. Her corsage matched that of the bride's mother.

The bridegroom's grandmother,

June 9—Alumni Banquet.

## NATIONAL HONOR SOCIETY

On April 30 the Chelsea High School students, their parents, the administration faculty, and guests witnessed for the first time in the history of Chelsea High School the initiation of 28 Juniors and Seniors to the Charles S. Cameron Chapter of the National Honor Society. This is a very high honor for a student to hold. The guest speaker was Gorton Rethmiller, president of Olivet College. Also present were two students from Airport High School who are members of the NHS and their principal, Howard Plintoff, president of the Board of Education, and of course, Superintendent Charles S. Cameron.

The following is a list of the students initiated that day: Seniors—Don Atkinson, Nancy Carter, Linda Koenig, Mary Ann Hanson, Nancy McCalla, Jim Maynard, Ava McDougall, Pat Pastor, Donna

Snyder and Joanne Wojciehowski; Juniors—Tom Eisenbeiser, Nancy Fairbrother, Sandy Sharrard, Barbara Wenk, Kathy White, Margaret Bauer, Margie Bauer, Diane Edwards, Nancy Huestberg, Judy Miller, Wendy Gilbert, Dorothy Martin, Jean Pajot and Cathy Wengren.

They met with their advisors Mr. Cavell, Mr. Hayden, and Mr. and Mrs. LaGoe on May 21 and elected officers for the coming year. They are: president, Tom Eisenbeiser; vice-president, Dianne Edwards; secretary, Wendy Gilbert; and treasurer, Kathy White. They also discussed activities for the coming year.

## FROSH GO TO THE PROM

Mrs. LaGoe's freshman English class (8th hour) are diligently working on a short play for entertainment following the Prom banquet. Every member of the class has some part in the play or are preparing props, costumes, and programs. The title of the play is "The Stolen Prince," taking place in China on the shore and vicinity of the river Chang Hsi.

Through the voting in English classes, the Freshmen-elected new Student Council Representatives. They are as follows: Tom Johnson, Linda Meehan, Jim Cameron Grace, Kushmaul, David Frisinger (alter-

**STUDENT INTERVIEWS CON-CON DEL- EGATES**—Kenneth Faupel, of Elkton in Huron county, a senior at Michigan State University, visited the Constitutional Convention to interview delegates on changes in the proposed new Michigan Constitution. Talking to Faupel are (from left) Rockwell T. Gust, Jr. (R-Grosse Pointe Farms); Don Binkowski (D-Detroit) and the Huron District delegate, Thomas McAllister (R-Bad Axe).

## BAND SUMMARIZES ACTIVITIES

As school commenced and try-outs were completed, drills and formations to be included in the football game half-time shows were begun. Some nights it rained, others were crisp and clear—but the shows proceeded quite well. Instead of the entire Band attending a pep band was transported to some away games.

The first band concert of the school year was titled "Christmas Concert, 1961." Fruit cake and candy bar salesmanship leaders were recognized that evening.

The second semester began with attempts at music and extra practice by the individuals who had decided to enter the solo and ensemble contest in February.

The last week in February found six first chair players at Carson City for participation in the Greater Michigan All-Star Band.

The District XII Band Festival was held in Saline. The Senior Band was awarded an I or Superior rating playing "Seipio" march, Class B required number "Pearl Fishers," and "Westchester Overture."

March 27, a Tuesday night, saw the gymnasium of CHS filled with people who had come to see the Detroit Lions exhibition basketball game. All proceeds went towards the purchase of band uniforms for new members in the 1962-1963 school year.

On April 28, approximately a month and a half after District, the State contest was held in East Lansing. A II or excellent rating was received, placing Chelsea's Band in the upper 15 percent of the state's bands.

May and June are the busiest months on the Band's calendar. Besides playing for three assemblies at school, an exchange concert with Stockbridge was performed. A new precedent in concert scheduling was started by holding it on the Sunday afternoon a week before Mother's Day. The seventh and eighth grade bands also played.

Later that week on Wednesday night a banquet was given for the Senior Band. After a dinner of turkey with all the trimmings and home-made pies for dessert, the Huron Aires, a very good barber-shop quartet, sang four or five numbers and did almost as many encores.

Mayor's Day Exchange Parade began at Pierce Park and proceeded up Main Street to the Municipal Building. The Band also marched for the Memorial Day Parade.

Class Night and Graduation music require a light mood for one

night and a more serious mood for the other. Of course, both nights "Pomp and Circumstance" will march the Seniors in and out.

## SENIORS

### ANTICIPATE GRADUATION

June 8, 1962 is the big day for 75 seniors, more or less. This is when the stupendous event of graduation takes place, and the graduates are out on their own. For some out is a new and challenging job, for others it is a rougher version of what they have had for the last 18 years, more schooling. The process of graduation will cover only the short time between June 3 and June 8, but the effects will last forever.

## DRAMATICS CLUB HOLDS WORKDAY

The newly-organized Dramatics Club of Chelsea High held a workday, Saturday, May 19. Several members participated in cleaning up the stage, taking inventory of the properties and costumes, and filling equipment. After the workday, there was swimming out at Cavanaugh Lake at the home of the advisor, Mrs. James LaGoe. Members roasted hot dogs for their supper. Dancing and games followed.

The Dramatics Club elected new officers at their last-regular meeting. Those officers elected are Kathy White, president; Jim Cameron, vice-president; and Jill Howard, secretary. The Dramatics Club anticipates many activities for the next school year and hopes to promote interest in the theater.

## AWARDS ASSEMBLY

At the Awards Assembly that was held May 18, the following students were chosen to represent their classes for the citizenship awards given yearly by the Chelsea Kiwanis Club: Seniors Mary Ann Hanson and Don Atkinson; Juniors Drucilla Picklesimer and Tom Eisenbeiser; Sophomores Carol Mayer and Warren Porath; and Freshmen Terry O'Neill, Jane Faust and Paul Huber. This award was a very high honor; the students were chosen from their entire class by the faculty. These young citizens were honored at a Kiwanis dinner which was held last Monday night.

The highest honor that was given out at the assembly was the announcement of the new Central Treasurer. This job must be given to a very responsible and scholarly person. This year's central treasurer, Jo Wojciehowski, is being replaced by Junior Barbara Wenk. Through the years Barb has proved to be a very likely candidate. She is very interested in school functions, is an excellent scholar and has a good deal of experience in being a treasurer.

MICHIGAN FARM BUREAU

### Farmers Endorse New Constitution

Take it from farmers—Michigan's proposed Constitution is a good one worthy of support.

That's the conclusion reached recently by the Board of Directors of the Michigan Farm Bureau after a critical review of the contents of the finished document. It took more than seven months of study, seemingly endless debate, and much compromise.

The end result, farmers believe, meets for the most part their recommendations and quells fears that the new Constitution would limit local government or be tailored to favor special groups.

Rural residents were fearful that a general revision of the Constitution would result in a flood of objectionable features, and originally opposed the calling of a Con-Con on this basis. They are relieved to find that the new document does not contain favoritism, or from their viewpoint, even drastic compromise.

Farmers leaders indicate that the apportionment issue has been met in as fair and equitable a manner as possible, with the House of Representatives selected on the basis of population and with necessary adjustments to recognize county lines, and Senate on a combined population and area basis.

Farmers were jubilant when the 15-min limitation on the taxation of general property was retained, and actually strengthened in some important respects. They were pleased with the continued earmarking of funds for school and highway purposes and applauded the new section that provided for executive and legislative controls on state expenditures.

"Farmers didn't get all the things they wanted, of course," says Farmer-Delegate J. Burton Richards, of Berrien county, "neither was the end result objectionable as we thought it might be."

In any event, the question of adoption will be on the ballot either in November this year or in April 1963, depending on the outcome of a court action now pending. At that time it must be endorsed by a majority of those voting, something that members of the Michigan Farm Bureau Board feel it strongly deserves.

### Hospital Staff Will Participate in State Panel Meet

At the regular Board meeting of the Washtenaw County Hospital Auxiliary on May 16 it was announced that the hospital superintendent, Robert Reynolds, and his staff would participate in a panel at the Management Conference of the Michigan Medical Care Facilities. The subject of the panel is the "Medical Care and Rehabilitation of County Patients." The place of meeting is the Kellogg Center at Lansing.

Those who will attend are Drs. Ralph Brandt and Edwin Smith and the hospital staff, as follows: Robert Reynolds, superintendent; Mrs. Webster Pepper, head nurse; Mrs. Richard Poole, registered nurse; Mrs. Robert Perry, physiotherapy.

Troops of the 4th Michigan Cavalry captured Jefferson Davis, president of the Confederacy.

### Lt. Dennis Gary Participates in Joint Army-Navy Exercise

Fort Lewis, Wash.—Second Lt. Dennis T. Gary, 21, son of Mr. and Mrs. Gordon J. Gary, 14001 Riker Rd., Chelsea, Mich., participated in Exercise Mesa Drive, a joint Army-Air Force training maneuver, at the Yakima (Wash.) Eirong Center, May 7-21.

More than 26,000 Army troops and airmen were engaged in Mesa Drive, the largest joint field training exercise held in the Pacific Northwest. The exercise was designed as a defensive combat maneuver in which a realistic enemy "Aggressor" force engages "friendly" forces in simulated attacks utilizing all types of weapons employed in modern warfare.

Lieutenant Gary is assigned as a mess officer at the 60th Field Hospital, Fort Lewis, Wash.

The lieutenant was graduated from Chelsea High school in 1958 and received his bachelor of arts degree from the University of Michigan in 1962.

## WINDSHIELD VIEWS GREASING AND THINKING

While greasing auto chassis, I've often wondered why auto manufacturers didn't make some arrangements on grease fittings that would keep dirt from penetrating into these vital parts of a car. Simple rubber caps made to fit over a bearing joint would be an efficient idea to keep dirt from contaminating the working grease.

However, on second thought, this would cut down on grease job serv-

icing at places like FOOR MOBIL SERVICE. Instead of the thousand-mile grease job, it would mean a ten thousand mile grease job, or maybe, a twenty thousand mile grease job necessity. Better I keep these ideas to myself.

So, keep driving over to 520 South Main Street for thorough lubrication services that keep your car running smoother and longer.

## It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN MICHIGAN, the new mines in the southwest corner of the state were supplying the Union with desperately needed iron ore. And, all over Michigan, beer was supplying folks with sparkling refreshment.

For then as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of hospitality to any occasion. Folks in Michigan have always enjoyed the good-fellowship that goes with every glass.

TODAY, in its Centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.
