GOVERNOR ROMNEY REPORTS

The complex situation in Hillsdale involving the Essex Wire Corp. and the International Union of Electrical Workers (IUE), brought into sharp focus some very fundamental questions that

go to the very root of the principles upon which our republic is built.

Except for emergency protection of life, can we permit mob violence, lawlessness, and threats to the public peace and tranquility to dictate the actions of public officials to the extent of prolonged abridgement of personal and property rights of individuals?

Except for emergency protection of life, can the State properly resort to prolonged use of its inherent police power, including determination of the use of private resources to encourage settlement of what both are Federal and State laws have decreed is a private affair?

The first breeds anarchy. The second breeds totalitarianism.

To protect the lives of citizens, on May 28-1 invoked Michigan statutes to declare a state of public emergency in Hillsdale.

I am convinced of the sound legal grounds, for that action and that such action was demanded for the immediate protection of life and property in Hillsdale. When both sides in a dispute started shouting and lives were endangered, it was time for prompt action. That was the situation in the Essex-IUE dispute. Three private groups were fully organized and highly armed for conflict—the company, the union and the community residents.

The plant was closed because it was a highly armed citadel, and lives could not be protected in the community while this citadel remained in operation, and before adequate public protection forces were clearly in a position to control all the elements that had produced violence and mob rule.

Although declaration of a public emergency to exist in Hillsdale was not designed to influence the negotiations between the company and union, and the effect of bringing spokesmen together for serious collective bargaining, the conduct of management, union and community and public officials created the dangerous condition of mob rule that made the emergency order necessary.

The threats of life and property in Hillsdale were more serious than had first been realized. Yet it would be a threat to every private organization to permit such threats to deny individuals and private organizations their legal rights.

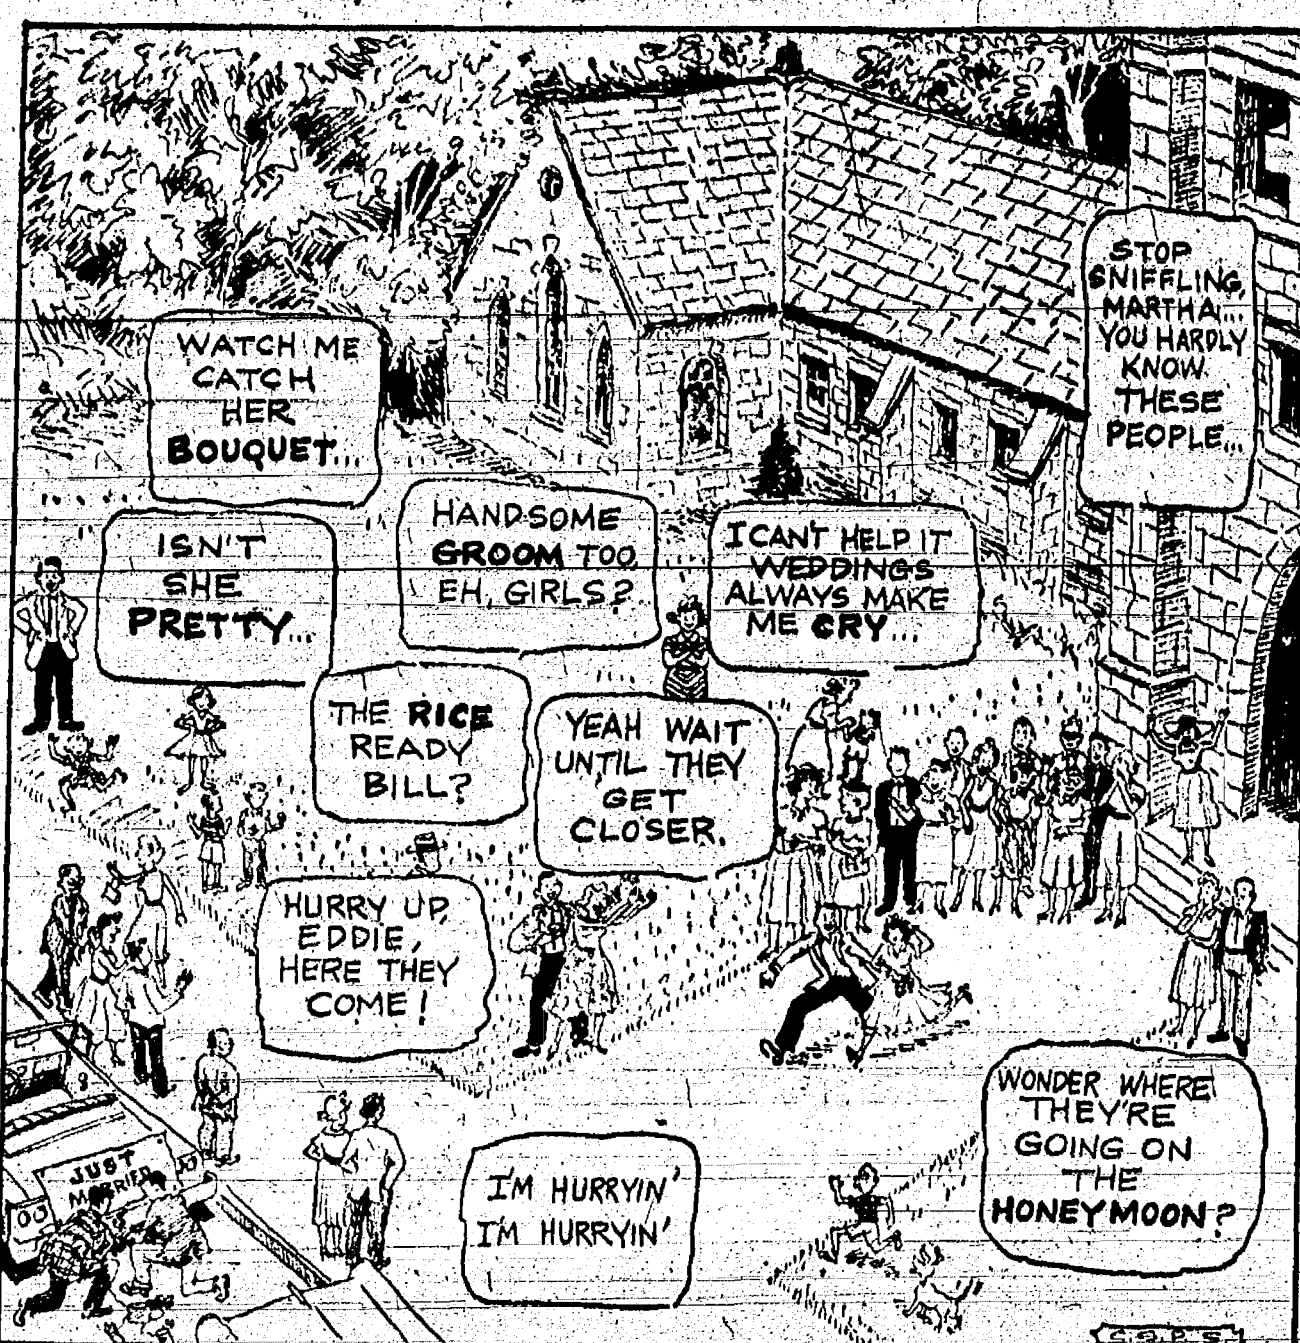

Consequently, despite the abhorrent conduct of company officials and deplorable conduct of union officials, it was essential to enforce law and order and restore the legal rights temporarily suspended to put down violence and mob rule.

We must not tolerate violence and mob rule, beyond the steps necessary for its control and prevention. To do otherwise would expose every citizen and his rights to violence and mob rule—in other words, anarchy.

The law gives the Governor no authority to use emergency powers to maintain the peace to do anything other than what he considers essential to protect the rights of people and property. I am dedicated to protecting the lives of people, eliminating violence and threats, and encouraging peace and tranquility.

But I am also dedicated to ensuring any doubt in anyone's mind that the State of Michigan will permit mob rule, violence and threats of bodily harm to dictate public policy. This cannot be permitted.

JUNE, THE MONTH OF WEDDINGS

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Battlelines Drawn
Fall campaign issues were clearly set in the final days of the 1964 legislature.

The Massachusetts ballot, new Congressional districts and the legislative reapportionment plan approved by the State Supreme Court will provide the highlights for the biennial GOP-Democratic struggle for public offices.

Republicans, led by Gov. George Romney, saw the Massachusetts ballot as a means to, as Romney put it, "whittle away at excessive partisanship."

Democrats, on the other hand, leaved the new voting method as an unfair and unnecessary removal of one choice in the balloting process. The new ballot eliminates the straight-ticket lever on voting machines and box on the paper tally.

Changes in the Congressional and legislative districts find the parties generally at opposite poles—there are exceptions.

In districts where incumbent is pitted against incumbent, neither party is satisfied. This is particularly true in the legislative plan approved by the Supreme Court and ordered put into use.

New challenges in the courts are anticipated on both apportionment plans, but there has been no definite indication whether these will be made in the form of attempts to stop use of the alignments in the 1964 election. Over-all issues of the campaign are most likely to boil down to the question of accomplishments by the legislature this year.

Republicans say they logically faced and solved more problems this year than in any period in history. These included implementation of the new Constitution, the new Constitution, the new

Congressional apportionment and such matters as minimum wage and aid to dependent children of the unemployed.

Democrats contend much of the action taken this year was merely a warmed-over version of what should have been accomplished previously.

The minimum wage, ADC-U and Congressional apportionment plans all fall into this disputed category over what was real accomplishment and what was last year's business renewed or corrected.

New Sport
Sportsmen will have a new field for game this fall by virtue of legislative approval of conservation experts' advice.

Approval of a special limited elk hunting season for the state will be implemented by a select number of license issues by the Conservation Department.

Michigan's elk herd is largely concentrated in the Pigeon River game area. Preservation of the herd has been a serious effort for years.

Population of the herd has been increasing at a faster rate than biologists anticipated, providing an excess of elk over the number desired to maintain a supply of the animals in the state.

Thus, Conservation Department biologists suggested Michigan hunters be allowed to take a small percentage of the herd. The hunting number will probably be held down to the very serious by the \$25 license fee imposed by law and the powers of limitation given the Department over license issue numbers.

Vacation Dangers
Hazards of summer activities

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle, that gits his morning prayers mixed-up with Abe Lincoln's Gettysburg Address, was claiming at the country store Saturday night the Republicans was gaining and would elect the next President.

Clem Webster, that says this country wasn't founded real good till Franklin Roosevelt took over in 1933, was of the opinion Ed had been reading the wrong newspapers, maybe that New York paper President Kennedy throwed out of the White House. Clem was perfuming we would be in the middle of great prosperity come election time in November and nobody was going to vote agin Santa Claus.

But come back with the claim the Democrats has done more with the English language than anybody since Shakespeare. He said under the Democrats we had slumps but no busts, down trends was just healthy adjustments, and inflation was now called disinflation. Ed said it made him recollect about Hitler's retreats. Hitler always called 'em disengagements from the enemy, said Ed, and he was slow but shore gitting disengaged from his money and if this

was prosperity he was hoping for the worst.

Clem argued that when Roosevelt took over, for instance, his church didn't have but six hitchhiking posts and now they got a paved parking lot for 60 cars.

Ed come back with the claim that afore Roosevelt invented the New Deal a farmer could trade one bale of cotton for two barrels of flour and now he had to shop around all day to trade in fer two loaves of bread.

Zeke Grubb requested the floor fer a minute and said he would vote for anybody that would get rid of the tax tango in Government. Fer instance, he reported he had saw in the papers where the U. S. Department of Agriculture and the U. S. Food and Drug Administration has spent the last 5 year conferring at the summit on a important matter.

The matter at hand, reported Zeke, was chicken soup. It was agreed by both sides that canned chicken soup should contain 2 percent chicken by weight. It was known by both sides that certain firms was selling canned chicken soup that was noted mostly fer the absence of any chicken. The question afore the house since 1959 has been which agency should enforce the 2 percent rule. Zeke allowed as how up to yesterday, they was still in conference at the summit on the matter and he wouldn't be surprised none to see the Congress appropriate \$100,000 to make a study of the soup situation.

Ed claimed this was a fine example of Democratic shenanigans, that afore the New Deal everybody made his own chicken soup. I'm sorry to report, Mister Editor, that the fellers was not agreed on the next President.

Yours truly,
Uncle Lew.

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago...

Thursday, June 6, 1964

Thirteen candidates seek election to three positions on Chelsea School District Board of Education. George Frisberger, George Knickerbocker, Wilbur Bauman, Betty Buist, Stuart Booker, Robert Foster, William Freeman, Nina Greening, Clarence Vogel, Jeremiah MacDougall, Charles Lancaster, John Thomson, H. Charles Powers.

Bruce Hopkins was elected chairman of the Rockwell Standard Corp. Spring Division Unit of Local 437 UAW-CIO at Tuesday's election.

The Rev. Wilbur Silvernail has been appointed to serve as pastor of the Waterloo Village EUB church succeeding the Rev. Dale Ferris who has been transferred to Marcellus.

In the 34 Years Ago column (June 10, 1928): The commencement program at St. Mary's High school Monday, June 14, will include a solo "Goodbye, Sweet Day," by Maurice Hoffman, accompanied on the piano by John Keusch.

14 Years Ago...

Thursday, June 16, 1954

School census figures list a total of 1,198 children under 10 years of age in the Chelsea School District. 401 under 5 years and 795 in the 5-9 years group.

Robert Devine was elected Grand Knight of the Chelsea Knights of Columbus at Thursday evening's election.

Clinton C. Johnson ("Dewey") was instantly killed in a tractor accident Monday at his farm home at Unadilla.

Mrs. Ren Hutzler, Cancer Fund chairman, received a check for \$750 Friday from Woodrow Gullett, plant chairman for Central Fibre Division of Local 437, UAW-CIO. The money was contributed by Central Fibre employees and officials in a drive they carried on at the plant themselves.

24 Years Ago...

Thursday, June 13, 1940

Chelsea High school alumni banquet was held Saturday in the school auditorium with 166 present. Officers elected are Lloyd Heydlauff, president; Mrs. Harold Spaulding, vice-president; Mrs. George W. Atkinson, secretary; Walter Kustarey, treasurer.

Among those from away who attended are Galbraith Gorman of Dexter and Mr. and Mrs. D. H. Bacon of Detroit; also, the George Bacons of Fort Wayne, Ind., and the Howard Farleys of Chelsea.

Commencement exercises for St. Mary's school graduates were held last night. In the class were Donald Alber, Patricia Burg, Robert Byerart, Rhea Clark, Mary Jane Eder, Mary Embury, Robert Embury, Dorothy Forner, Joseph Ottoman, Tom Rademacher, Donald Schanz and Margaret Steele.

Two Chelsea young men are graduating from the University of Michigan—Roger Hinderer will receive a master's degree in

business administration and Frederick Strieter a bachelor of science degree in metallurgical engineering.

In the confirmation class of 1940 at the Congregational church were Robert Eaton, Martha Louise Barber, Everett Carlton Christwell, Jane and Joan Christwell, Mary Ruth Christwell, Richard For, James Gaken and Virginia Spaulding.

34 Years Ago...

Thursday, June 12, 1930

The Rev. P. H. Grabowski led his teammates in the Twilight Ball League with a batting average of .415.

Mr. and Mrs. Paul F. Niehaus have a letter that was part of the mail cargo of the Graf Zeppelin on its recent South American jaunt. The letter mailed by Niehaus to Friedrichshafen, Germany, home base of the Zeppelin airship, to be put aboard on this historical flight, left Friedrichshafen on the day their son, Paul, Jr., was born (May 18) and reached here by way of Seville, Spain; Pernambuco and Rio de Janeiro, Brazil; and Lakehurst, N.J.

U. S. Senators Vandenberg and Copeland have been engaged as speakers for the 100th anniversary of the founding of the Methodist Episcopal church in Dexter.

In the 24 Years Ago column (June 7, 1906): The school census has just been completed in District No. 3 R. S. Sylvan and Lima (Chelsea) showing that there are 492 people of school age.

SEN. STANLEY G. THAYER

Senator Thayer Will Be Cited a Testimonial Evening

Senator Stanley G. Thayer (An Arbor), Majority Leader of the Michigan State Senate, honored at a testimonial reception and program Tuesday, June 11.

The testimonial will be held in the Grand Ballroom of the Grand Union in Ann Arbor. Governor George Romney, main speaker. The reception begins at 7 p.m. and the program at 8 p.m. Both are open to the public free of charge.

Senator Thayer will be here for his four years of service to the state as a member of the Senate. He will leave the Legislature following the current term announced his candidacy for Representative from the 1st Congressional District in the primary election September 10.

CHEVELLE by Chevrolet

FRISKY AS IT CAN BE...FINE A BUY AS YOU CAN GET (even finer now!)

Trade 'N' Travel Time is running out at your Chevrolet dealer's. This is about your last chance to get in a whole summerful of fun with a beautiful buy like a Chevelle Malibu wagon.

Let us point out some less-obvious pleasures. It has curved-side windows—not just for looks, but to give you more shoulder room.

It has those self-cleaning rocker panels beneath the doors that resist rust.

Inside, the upholstery over its wide foam-cushioned seats is soft, durable vinyl. We don't want anything playing havoc with Chevelle's good looks if we can help it. All in all, there are 11 different Chevilles being offered during Trade 'N' Travel Time. Wagons, coupes, Super Sports, convertibles, sedans. One's as beautiful a buy as the other. It's up to you. But hurry, whatever you do!

BIG ONE THAT DIDN'T GET AWAY: Looking bigger than life, a whopping-sized walleye pike reaches the end of the line in his battle with this fisherman. No doubt this catch will be the talk of the town, sending a flock of other fishermen to try their luck at the same stream. If they're keen to walleye fishing, these anglers will seek out submerged bars and deep rock areas close to shore. Some will try this fisherman's approach to success by spinning for action. Others will slowly drift or troll over likely spots, with their lines strung out 30-50 yards behind boats and the bait at the bottom in 6-30 feet of water. Minnows 2-5 inches in length hooked through both lips, or nightcrawlers on a harness are natural baits preferred for taking walleyes. A juncbug or similar spinner should be attached just in front of the natural bait. The Plutish, Pikey Minnow, River Run, or Lazy Ike, (baited with porkrind), are good artificial lures.

To steer clear of trouble have the danger spots in your car checked over at one of the statewide safety check stations sponsored this month by local community organizations. It pays to detect a defect.

The Rev. Albertus C. van Raalte, both a minister and a physician, led over to this state in 1846 the group of Calvinists from the Netherlands who established Holland on the shore of Lake Michigan.

Sp. 4 LeRoy Cummings
Enrolled in Army
Radar Technical School

Fort Monmouth, N.J.—Specialist 4 LeRoy G. Cummings, son of Mr. and Mrs. Merle L. Cummings, 9492 Grossman Rd., Manchester, Mich., was today enrolled in the U. S. Army Signal School for 33 weeks of intensive training as a radar technician.

He is a 1962 graduate of the Manchester public schools.

Admission to the Signal school is limited to men of outstanding promise. Classified as a technical institute, the school gives training chiefly in the operation, maintenance, and repair of 40 different types of electronic equipment, from radio and television sets to "electronic brains." Courses are given also in meteorology and both motion picture and still photography.

A yearly average of 6,500 enlisted men are selected for admission. All are chosen from among the Army's best in point of intelligence, educational attainments, and practical ability. Roughly 90 percent are high school graduates, and 21 percent have completed one or more years at engineering school or college.

The Signal School courses vary in length. All are designed to qualify the enlisted student for higher rank and more responsible duties in the Army.

HOOVER WARNS AMERICANS

As chief of the Federal Bureau of Investigation, J. Edgar Hoover, 60, has begun his 41st year. In a short warning, he told Americans that their morale are sagging and repeated his warning he gave Congress last winter that Communists are attempting to subvert the civil rights movement and "enjoying a measure of success."

U. S. EMBASSY WIRED

U. S. security men tore into walls of the U. S. Embassy in Moscow, and found 40 secret microphones. In making the disclosure, the State Department delivered a strong protest to Moscow. The security men could tear down the walls of the embassy but had no authority to trace the wires further than the wall.

SCIENCE TOPICS

★ Farmers Double Production Rate . . .

AN HOUR of farm work now produces twice as much yield as in 1950, and three times as much as in 1940, according to the U. S. Department of Agriculture. Obviously, this results in lower food costs, the Department points out. American consumers today spend less than 19 percent of their take-home pay for food; 15 years ago they spent 26 percent.

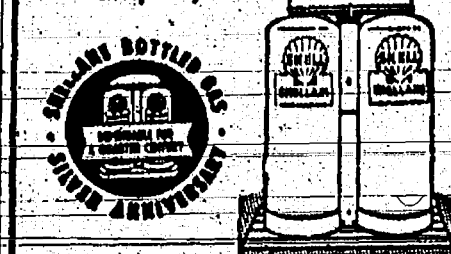

BOYS' INTEREST in science as a career seems to wane as they get older, a Harvard University study indicates. Interest in science peaks for 48 percent of the able male students in the seventh grade, and gradually drops as they reach high school, with most of the boys giving up on the idea entirely during the senior year. In college 25 percent of the students who start out intending to pursue a career in science switch to other majors. Family status doesn't seem to be a factor in the decision until the senior year in high school. Then, if the family is in comfortable circumstances, the boy is more likely to stay with science as a goal.

DISCOVERY of water vapor around and on the planet Venus has forced scientists to re-examine previous calculations concerning the possibility of some sort of life existing on the planet. John Hopkins University researchers say Venus may have an earth-like upper atmosphere and may be a model of the earth in this respect. They plan infrared studies of the planet in hopes of obtaining more complete information.

GENTLE FACIAL TISSUES have less than delicate beginnings. Milady's disposable cleanser and other paper products come from a tree log and must undergo profound changes before they are suitable for the boudoir. That's why an automated hinged closure developed by Tube Turns, Louisville, Ky., which speeds up production while reducing operating expenses, is being adopted by paper makers. The new closure makes it possible to open and close hatches in 30 seconds so that wood chips

AGRICULTURE In ACTION

by M. L. Woolf

★ 'Meatless' Meat

Cattlemen, already worried about low beef prices and foreign imports, may have new wrinkles added to their foreheads by two recent laboratory announcements concerning synthetic meat.

A "protein-synthesis-by-fungi" has been accomplished by Dr. William Gray of Ohio State University, who reports that the new process converts carbohydrates and inorganic nitrogen into protein within the tissue of fungi, and represents a "total synthesis of protein." In some cases the resultant product had a 38 percent protein value as compared to the 35 percent of dried chipped beef, now considered the meat of highest protein value.

At Michigan State University, Dr. Theodore Imiter of the Foods and Nutrition Department, tells of "meatless meat" now possible from spun protein fibers. In most experiments, soybeans provide the basic material although grass and sugar-beet tops have been successfully used.

The fibers simulate meat to an unbelievable degree, duplicating with great faithfulness the white meat of chicken or turkey. "Pork" chops, ham, filet mignon, dried fruits, nut kernels and many vegetables can also be imitated.

What does this mean to Michigan cattlemen? No much for now. Currently the cost of spun protein fibers are about the same as for meat of good quality. The fungi-protein experiment remains exactly that — an interesting experiment.

Although meatless meat will have some obvious advantages such as no bones, fat or other disadvantages. No one will contest that any laboratory process will come near to the aroma or edibility of a really fine cut of meat. There are other, more subtle differences, too, tied to the complex amino acids of proteins and fats, which must be fully explored.

Still, these new laboratory developments serve as warning to livestock men of new competition and new needs for keeping their industry "sharp" and alert. The synthetic foods signal the need for top quality meat at reasonable prices.

They are all the more reason for Michigan cattlemen to continue pressing for better meat inspection laws, and to support work of the recently formed Michigan Livestock Improvement Association.

Mr. and Mrs. Walter Vicary and Mrs. Annabelle Woolley were Sunday afternoon visitors of Mrs. Ward Vicary of Leslie.

Saginaw Man Named To Head Knights Templar

Abner Converse Sager was unanimously named Michigan's 108th Grand Commander of the Grand Commandery, Knights Templar of Michigan, during the closing session of the 108th Annual Conclave held in Flint, June 8.

Sager, a Saginaw Industrial Distributor, follows in the footsteps of five other Saginaw Masons who have held this high post. His predecessors were Irving M. Smith (1871), Thomas E. Borden (1903), Elmer C. Ceyer (1946), and R. Dewey Stearns (1954).

Born in Saginaw, Nov. 17, 1907, the eldest of five children, he is the son of Abner D. and Katherine Baum Sager. His father, who died in 1948, was a member of Salina Lodge No. 155, F&AM.

Schooling was obtained in his home town, where he graduated from Saginaw High school in 1924, and then pursued the study of accounting during the evenings for the next three years, while employed by Morley Brothers Hardware.

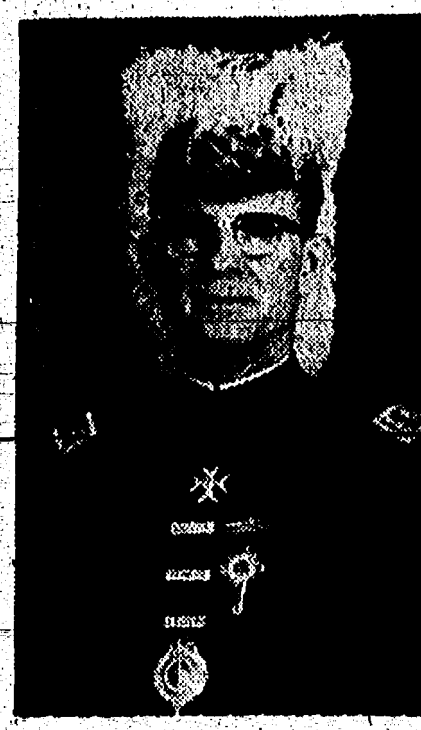

In 1927 he joined Raleigh Supply Company, wholesale distributors of plumbing, heating and industrial supplies, of which firm he is now vice-president and general manager.

In the course of his business activities he has served as President of the Michigan Industrial Distributors, and on committees of the National Industrial Distributors Association, and on the Distributor Advisory Board of the Carborundum Company.

He is a member of the Jefferson Avenue Methodist church.

Married to Evelyn Frances Cager in 1928, the new Grand Commander has one son, Ralph Edward Sager, who is an active member of St. Bernard Commandery No. 16, K.T.; and one daughter, Mrs. Shirley Ann Kraatz, who has presented him with three grandchildren.

Sager has been connected with Saginaw Masonry since the age of 19, when he became one of the

ABNER C. SAGER

first members of George Washington Chapter, Order of DeMolay. For services rendered, he was in 1959 named an active member of

the DeMolay Legion of Honor. Made a Master Mason in Salina Lodge No. 155 in 1940, he then years later joined Saginaw Valley Chapter No. 31, R.A.M., and of which he was Eminent Commander in 1950-51.

Greeted in Saginaw Council 20, R&SM in 1944, he served Thrice-Illustrious Master in 1945. He became a member of the P. Coordinate Scottish Rite Bodies Bay City in 1951, and has served on the Board of Trustees since 1951. He is also now serving as Hospitalier in Bay City Consistory.

Other memberships include Martin Conclave, Red Cross of Knights Templar, Elks Lodge No. 144, A.A.O.N.M.S. and Saginaw Chapter No. 44, Royal Order of the Jesu. He is a Past President of the Saginaw Shrine Caravan Club.

Grand Commander Sager came active in Grand Commandery work in 1951, serving as Deputy for three years, and State Conclave Chairman in 1954. He was elected Grand Master of Detroit on June 2, 1956, and gradually advanced through various line offices, culminating in his unanimous election to the office of Grand Commander on June 8, 1959.

VIRGIL FOX, America's greatest organ virtuoso, will present a solo organ recital at the Olivet Congregational church in Olivet, on Sunday, June 14, at 8:15 p.m. Fox, the man who proved to the world that an organ recital can astound and excite anyone, has played every important organ in the world and has concertized with the greatest symphony orchestras in the country. On Jan. 7, 1963, he gave the first solo recital on the Lincoln Center organ in New York's Philharmonic Hall. This recital in Olivet represents the concluding session of the Sacred Music Workshop, sponsored by the Olivet College Community Education department. The public is invited to attend this highly inspiring and entertaining event.

It's A Fact...

St. Peter's Episcopal church at Tecumseh is the oldest Episcopal church west of the Allegheny Mountains. Its cornerstone was laid in 1833, and among those who contributed to the building costs were Andrew Jackson, Henry Clay, and Daniel Webster.

It's A Fact...

The first Catholic paper in the United States was founded by Father Gabriel Richard in Michigan in 1809, and in 1823 he was elected to represent the Michigan territory in the House of Representatives, the only Catholic priest who has ever served in Congress.

MIDNIGHT MADNESS SALE

Plan To Be in Chelsea Monday, June 15 -- 8 to 11 p.m.

"Just 7 bucks* a month
more for a Chrysler
than for a Ford or Chevy?
You've got to be kidding!"

"Nope.
Just
bought
one."

No "ifs," "ands," or "buts" about it! We've got the figures to prove it! This big, beautiful Chrysler Newport is priced less than \$7 a month more than a comparably equipped Ford Galaxie 500 or Chevy Impala.

We're not talking about a stripped-down Chrysler. We're talking about a full-size Chrysler. With a 361-cubic-inch V-8 engine. Power steering. Power Brakes. Pushbutton automatic transmission. Radio. Heater. The works! Everything you want on a big car.

Still skeptical? Come in. Talk price. We'll convince you.

*Payments based on manufacturer's suggested retail prices of 4-door sedans. 1/2 down. 36 monthly payments. Excluding destination charges, state and local taxes, interest and insurance.

Personal Notes

Mr. and Mrs. Francis Smyser and daughter, Sharon, of Lawrenceville, Kan., spent from Saturday until Monday visiting friends and former neighbors here and in Ypsilanti. They were house guests of Mr. and Mrs. William Briston. Their son, Francis, who had spent the previous week here, returned home with them.

Dr. Charles Miller who spent since last September at Davenport, Ia., doing postgraduate study at Palmer College of Chiropractic, has returned home. All four of the daughters are also at home—Carolyn who is a student at Wisconsin State College, Stevens Point, Wis.; Terry Jo who attends Dr. Martin Luther College at New Ulm, Minn.; and Debbie and Janet who are home from their respective high schools. Carolyn and Terry Jo will return in two weeks to their schools for the summer sessions.

BIRTHS

A son, Charles Herbert, Jr., Wednesday, June 3, at St. Joseph Mercy Hospital, Ann Arbor, to Mr. and Mrs. Charles H. Miller, 304 S. Main St.

A. C. GERALD G. SMITH, formerly of Chelsea, will leave the end of this month for Saigon, Vietnam, where he has been assigned to the communications squadron for cryptograph maintenance work. He has been stationed the past 4 1/2 years at Turner Air Force Base in Albany, Ga. Before moving to Florida, with his parents he attended Chelsea High school. He finished his high school work in Florida, graduating in 1958 from Chamberlain High school in Tampa. While he is overseas his wife and daughter, Leslie, will live with her parents at Wichita Falls, Tex. Airman Smith's parents are Mr. and Mrs. Charles Smith, Sr. of Chelsea and Tampa, Fla. His current address is 1964 Com. Sq. APO 143, San Francisco, Calif.

St. Louis School Band, Choir Perform At Roseville Church

Tuesday evening of last week the St. Louis school band and choir members went to Roseville where they participated in a special installation of officers at St. Athanasius Catholic church. Two hundred women, their husbands and other guests were present. The 12 boys in the band were wearing their new uniforms for the first time. The uniforms, purchased with money the boys had raised themselves by means of candy sales, etc., feature bright red blazers, grey trousers, white shirt and black bow tie and a French beret.

The choir is composed of 15 of the boys at the school. The boys were accompanied to Roseville by the Rev. Frs. Fausto Sarmiento, Umberto Meliame and Gerardo Paganara and Thomas Nelson, a lay member of the school staff.

On Thursday, Father Joseph Leonard, director of St. Louis School, to spend until August in Italy and will be present for the election of a new Superior-General of their religious order, the Service of Charity.

Before their return, the two priests will have a general audience with Pope Paul in Rome. During their absence, the Rev. Fr. Louis Frangi, assistant director of a school for boys in Philadelphia, will assist at the school here.

Parish Picnic

(Continued from page one) phry, prizes; Maynard Poertner and Mark McKernan, refreshments; Duane Rowe and Lester Bennett, parking and transportation; and John Steele and Donald Eder, clean-up.

The Beecher Risners, Jr., of Trenton, O., are visiting Mrs. Risner's parents, Mr. and Mrs. George Knoll, after attending the funeral of Horace Miller of Parma, a brother of Mrs. Knoll.

Retiring Teachers Greeted By 400 Students, Friends

Approximately 400 former students and other friends of Mrs. Herbert Rank and Mrs. Charles Bidwell attended a reception in their honor Sunday afternoon at George A. Long school at Grass Lake. Both women, who are sisters, are retiring after 33 and 48 years, respectively, as school teachers in the Grass Lake and Chelsea areas.

Among the guests present were a grandniece, Lorri Shaw of Kansas City, Mo.; also Mrs. Rank's son and family, Mr. and Mrs. Donald Rank of Plymouth, their daughter and her husband, Mr. and Mrs. James Herter of Northville, their son, David and a friend, Virginia Aveson, both of Albion.

The grandson, David Rank, graduated at Albion College on Monday. Guests present for Sunday's reception, in addition to those from this vicinity, came from Allegan, Dearborn, Grand Rapids, Olivet, Onond, Cement City, Ypsilanti, East Detroit, Ann Arbor and Jackson.

Freysingers Locate 'Lost' Members of Family in Austria

Mrs. Karl Luckhardt and her father, Robert Freysinger, returned Wednesday of last week from a trip to Europe, their principal destination being Mr. Freysinger's birthplace Zell am See near Salzburg, Austria, where they attempted to locate relatives he had not heard from directly since World War I. They were finally successful in locating a sister, Mrs. Berta Bugl, only three hours before their plane was due to take off on their return trip.

Mrs. Bugl and Freysinger, they learned from her, are the only surviving members of a family of nine sisters and brothers. They also are the only members of the family of nine who had children. Mr. Freysinger, now 70, was the second youngest of the family.

A final search through church records and various directories their last day in Austria, led to their discovery of the sister's whereabouts.

Mrs. Bugl had believed all her brothers and sisters dead and was overjoyed to see Freysinger and learn about his family here. She was able to tell him about all the other brothers and sisters and the date of their death.

Freysinger left Austria in 1904 and came to the United States in 1905. He corresponded with members of the family until World War I, when communication was cut off, and after the war was over correspondence was never resumed.

Freysinger's mother had died in 1908 and his father in 1916. Freysinger and Mrs. Luckhardt flew first to Paris, then went on to Munich, Germany, and to Innsbruck and Salzburg, Austria. On their return flight they went by way of London, England.

Boys' State

(Continued from page one) basketball three years and baseball one year; has been on the track team two years; a member of the Varsity club three years and is a charter member and treasurer of the Chelsea High school Key club sponsored by the Kiwanis club. He is also an active member of the Methodist church, a past president of the Senior High Methodist Youth Fellowship and was a junior lay delegate to the Methodist annual conference in 1963.

THOMAS JAMES CASAD, son of Mr. and Mrs. Vernon James Casad, 19681 Old US-12, West, left for Germany on his 21st birthday, Saturday, June 6, for a two-year assignment with the U.S. Army. He enlisted in the Army for a three-year period and had just completed 14 weeks of special reconnaissance training at Fort Knox, Ky., before leaving for overseas duty. He graduated from Chelsea High school in 1962.

Several Class Reunions Planned Along With CHS Alumni Banquet

Approximately 150 reservations have been received for the Chelsea High school alumni banquet which is to be held Saturday evening at the Chelsea High school cafeteria. Dinner is to be served at 6:45 p.m.

Several classes are planning reunions, including the 25th anniversary class of 1939 and the 10th anniversary class of 1954.

Verification was received yesterday that Dr. William Knisely, a member of Chelsea High school's 25th anniversary class, will be the principal speaker at the banquet.

Currently at Michigan State University, he formerly taught anatomy at Duke University Medical School, Durham, N.C. and later assisted in the founding of the Medical School of the University of Kentucky.

Mr. and Mrs. John Cook were in Grand Rapids Friday for the graduation of their granddaughter, Gretchen Cook, from Marywood Academy there. Miss Cook is the daughter of Mr. and Mrs. Gerald Cook of Taylor.

HISTORY'S SCRAPBOOK

THE IMPORTANT DATES AND EVENTS FROM YESTERDAY

The American army embarked for Cuba, June 12, 1898. The City of New York was incorporated, with Thomas Willet as mayor, June 12, 1868.

The U.S. Department of Labor was established, June 13, 1888. The National Industrial Recovery Act passed Congress, June 13, 1933.

Hawaii was organized as a U.S. territory, June 14, 1900. President Roosevelt froze German and Italian funds, June 14, 1941.

Magna Charter, the Great Charter, was issued by King John of England, June 15, 1215.

June 16, 1775 is the birthday of the U.S. Quartermaster Corps. The first robot bomb hit London, June 16, 1944.

The cornerstone of the Bunker Hill monument was laid by Lafayette, June 17, 1825. A World Peace Jubilee was held in Boston, June 17, 1872.

The War of 1812 began on June 18; Napoleon was defeated at Waterloo, June 18, 1815.

Homer Allen Sustains Serious Head Injuries

The family had planned to return home over the week-end. Relatives in Ann Arbor said youth has undergone two operations since the accident and tors now say he has an excellent chance to recover, providing complications develop. He was unconscious yesterday, relatives reported.

The accident occurred at the home of his grandparents, Mr. and Mrs. Homer Howard, at LaGrange, Ky., where he and other members of the family were vacationing.

NATIONAL OUTLOOK

By GEORGE HAGEDORN

Progress Against Unemployment

Unemployment, which in February 1962, since the latter date, it has hovered around 5.5 percent and developed no particular trend—either upward or downward. Unemployment represents a sort of rock-bottom and that no amount of economic growth can break through this level. But this conclusion would bring up the question of why we were able to keep the unemployment rate substantially below this figure in certain earlier prosperous periods. During the Korean War years unemployment fluctuated within a narrow band about the 3.0 percent level. During the capital goods boom of 1956 through '57, the unemployment rate stayed close to 4.0 percent.

Behavior of Prices

An important factor which distinguishes the Korean War and capital-goods-boom periods from the more recent expansion is the behavior of prices. In the two earlier periods the general price level was rising. Increased labor costs could be passed on and hence did not reduce profit margins. Since job opportunities spring from profit opportunities, this meant that unemployment could be kept at a low level despite the upward trend in labor costs.

Union Pressures

We may in the future break through the 5.5 percent unemployment level as a result of renewed price rises. (This is the statement of a possibility rather than an expression of the writer's views as to desirable national policy.) With substantial cost increases in foreign industrial countries, we are likely to see some relaxation of the pressures which

have prevented any general rise in industrial prices here in the U.S. But do we really have to make a choice between inflation and unemployment? Only as long as their special powers in raising labor costs. In a labor market freed from such pressures there is no reason why we could not simultaneously have a stable price level and an unemployment rate well below 5.5 percent.

Worries Over

Lansing. For the time being, the auto industry has ceased worrying about the feared "saturation point," according to the American Automobile Association. Major reason is that the increased movement to the outer

suburbs makes car ownership desirable for everyone in the family of driving age.

People are honest when trust is placed in them by someone they admire.

Kiwanis Quotes

In the mountains of truth, you never climb in vain. Either you already reach a higher point today, or you exercise your strength in order to be able to climb higher tomorrow.

—NIETZSCHE.

4-H Clubs

BUSY BLUE BELLES
Members of the Busy Blue Belles 4-H club have completed plans to go on a hike next Thursday, June 18, and took their meals outdoors. This will be the third meeting of the club.

At the second meeting, held May 23 at the home of the leader, Mrs. Duane Landwehr, some of the members brought baked goods which were judged by the leader. Other club work included a demonstration on baking a loaf cake by Barbara Harvey and Roberta Dvorak and a demonstration on measuring by Kathy and Denise Hafner.

Jane Kalmbach is president of the club; Denise Hafner, secretary; and Roberta Dvorak, reporter.

LIMA SCIO LIVESTOCK

Lima Scio Livestock 4-H club met Wednesday at the home of Ron Sweeney, Mrs. Walter Wolf.

Kane was present and passed out tickets for the Farm Bureau chicken barbecue scheduled for June 21 at the Rural Activities Center, Ann Arbor.

The June 17 meeting is to be held at the home of Linda Van Riper, Roger Boyce is to give a demonstration on sheep and how to get rid of insect pests.

At the close of Wednesday's meeting refreshments were served by Mrs. Frank Sweeney.

Your life is at stake with a faulty brake! Make sure your braking power is even on all four wheels by stopping in at a safety check station this month, is the advice of the Michigan State Highway Department.

CHINESE LO-BALL TOURNEY WINNERS

Here are the winners of the Chinese Lo-Ball Tournament held each week-end during the month of May at Chelsea Lanes. Bowling with a full set of pins, the Lo-Ball score was tabulated by counting the pins left standing after each ball. Tied for first place with a score of 19 were Frealin Claff and Carlton Haffey, second and third from left. They shared the \$100 first prize award. Ed Greenleaf, Chelsea Lanes manager, is at far left. Others in the photo, continuing left to right next to the first-place men, are Ray Schultz and Maynard Poertner who scored 20 each, to tie for second place; Dave Feldkamp who placed third with 27; and Mrs. Don Alexander, fourth, with 29 points. Fifth-place winners, Mac Packard and Jack Elliott, tied at 30 points, were not present for the photo. A total of 60 bowlers took part in the tournament.

St. Mary's School Association Plans Details of Parish Picnic

St. Mary's School Association held the last regular meeting for this year on Wednesday, May 27, with the Sisters and approximately 25 parents present. Room 3, which is the 4th and 5th grades, with the parent attendance banner which is given at the conclusion of each meeting to the room having the largest parent attendance. Sister Leo Patricia is the nun teaching these grades.

The business meeting was opened by the president, Jack Meekel. Various committee chairmen gave reports.

Mrs. Hal Pennington, playground chairman, asked for a volunteer to assume this responsibility for the coming school year. There were no volunteers at this time so this will be one of the duties to be assigned at the October meeting.

Mrs. Alex Roskonick, hot dog lunch chairman, reported a very successful luncheon was held on Thursday, May 21. She thanked her committee for their help. This project was discussed further and suggestions were made to try to hold a hot dog lunch once a month starting next fall.

After the treasurer's report was given, Sister Ann Scraphim, principal of the school, surprised the group by giving a sizeable check to be added to the treasury. This check was the profits realized from the sale of jewelry that the school children had been selling in recent weeks.

Approval was given to the motion that the members treat the school children on Tuesday, June 30. Dixie cups were purchased and cookies solicited from mothers.

Mrs. Richard Kalmbach and Mrs. William Clark volunteered to make these arrangements.

The meeting was then turned over to J. V. Burg, II, chairman of the parish picnic to be held June 28 at the Ann Arbor Co-Operative Family Camping Grounds at Clear Lake.

He appointed committees and announced that all committees are to meet at 8 p.m., Sunday, June 14, at the K. of C. Hall.

Burg also announced that admission will be charged and tickets must be purchased by Thursday, June 25. Ticket sellers will be outside the doors of the church

Fishermen's Luck Not So Lucky As Bass Season Opens

Conservation Officer Donley Boyer, commenting on the opening of the bass season June 1, said "some" nice catches have been noted, particularly on Little Portage Lake at Dexter but, in general, fishermen have not been very successful. Boyer says the unseasonably cool weather is probably the reason.

He said he saw one fisherman at Portage Lake with five beauties—each bass averaging from three to four pounds.

Boyer said good bluegills should be appearing in catches soon; he himself, fishing on Monday of this week, however, was able to catch only a few.

An experienced driver knows that danger is where you find it, and it isn't hard to find. Always drive defensively and you will always be prepared for anything.

Two Motorists Ticked For Speeding at 15 Mph

Grand Rapids—How fast is too fast?

Kent Sheriff's Deputy Dick Williams ticked two drivers for driving too fast for conditions recently when they slid to stops near the scene of an accident he was investigating on M-37 near Caledonia.

Their speed? Fifteen miles an hour, Williams estimated. But he thought even that was a little too speedy, since visibility was almost nil at the time.

3 Businesses Broken Into Friday Night

"A couple of suspects" are under investigation in the break-ins at three local business places on Jackson Rd. last Friday night, according to Detective Sgt. Harold Owings of the Washtenaw County Sheriff's Department. No one, however, "has been picked up yet," the sergeant said.

Paul Banyan Restaurant was broken into and robbed of three boxes of cigars, cigarettes, and \$87 in change taken from the vending machine. A glass section in the door was broken in order to gain entry, deputies said.

Risner's Texaco Service, 5400 Jackson Rd., across from the restaurant, also had change taken from the cigarette vending machine, and at Sco Drive-In theatre, prowlers forced a door on the north side of the concession stand according to deputies, and took about \$13 in change from the cigarette machine.

Do not try to pass a truck on the downgrade at night. When the time is right, dim down when you see the taillights and keep them down until you pass the cab.

Stops Costly

Lansing—Some research claim it costs two cents a time a car is stopped. Using figure, if you brake for stop times daily, it costs \$2 for any work week just to get to job and back.

Bowling is so much fun

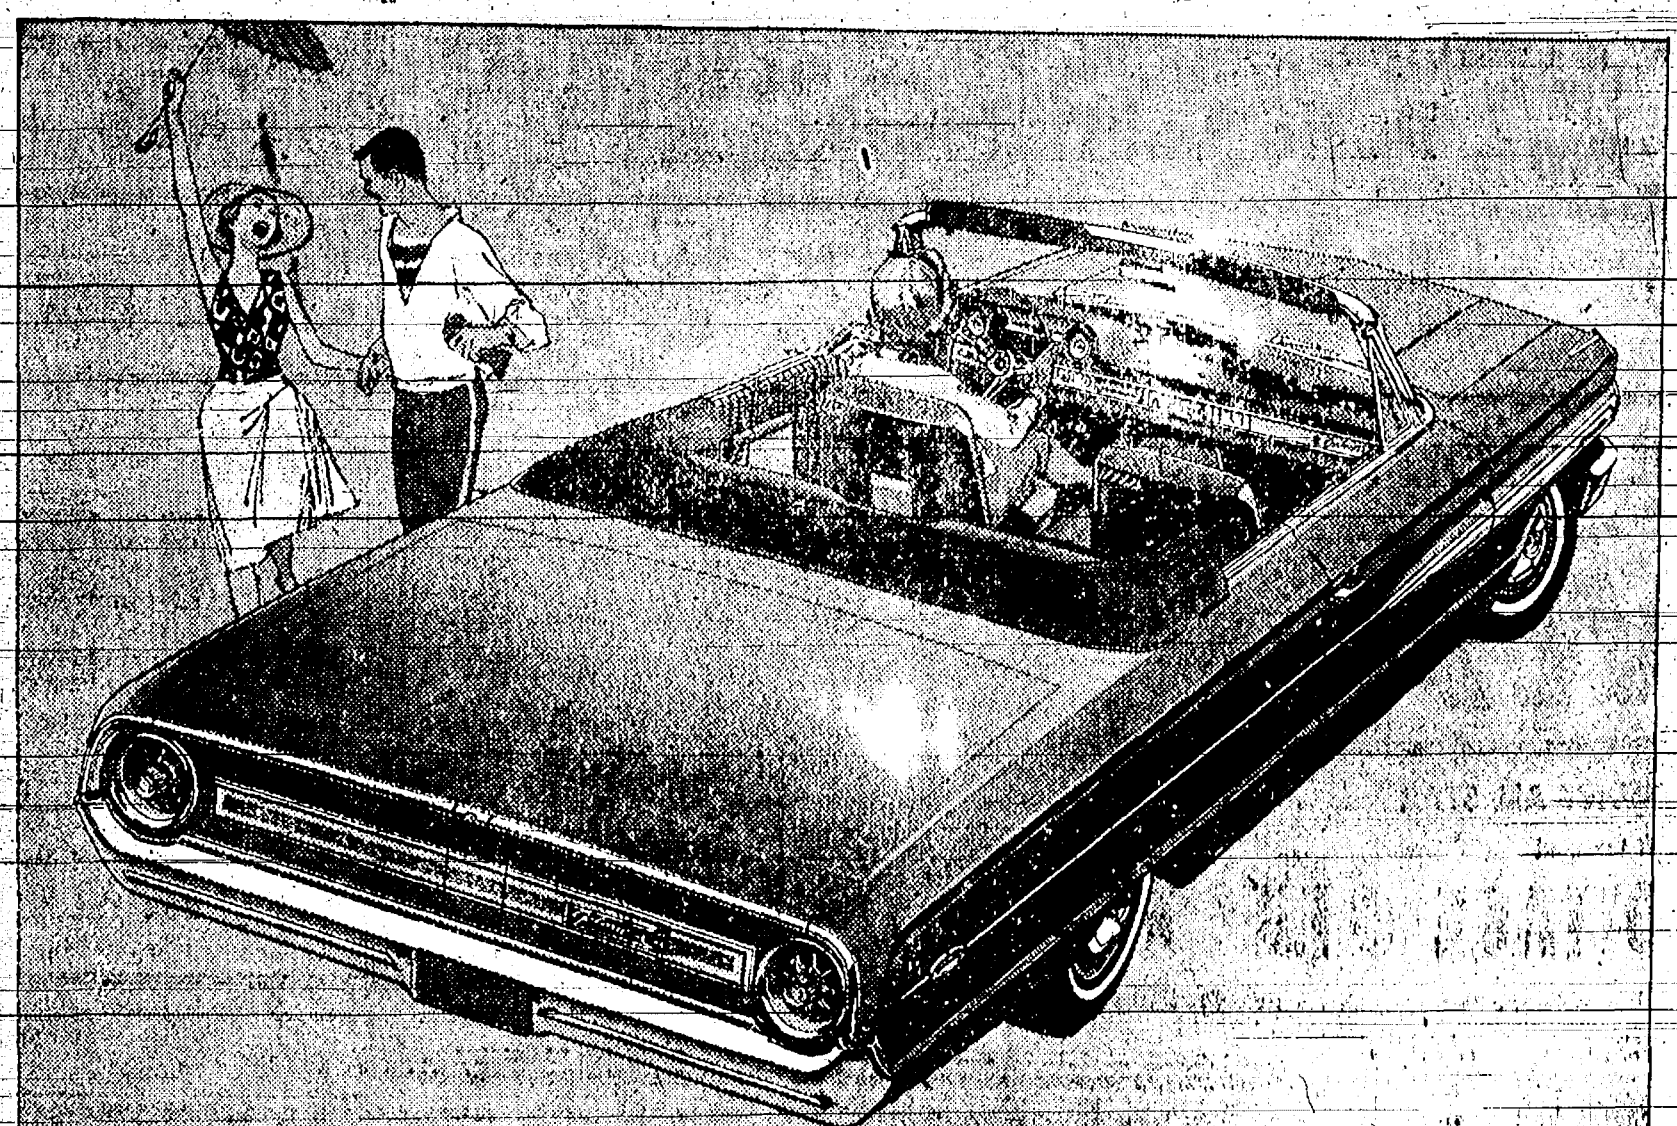

In Michigan... at a picnic, beer is a natural

When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst is whetted by fresh air and exercise—that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation—swimming, hiking, or just watching TV—and chances are nothing in the world fits it quite as well as beer.

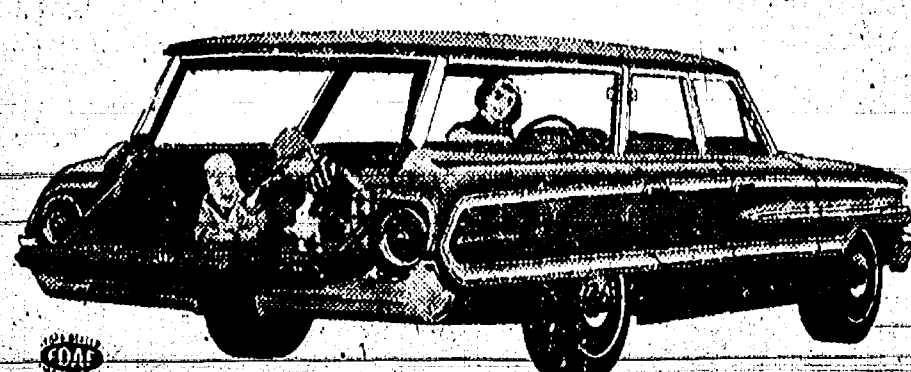

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Michigan...beer goes with fun, with relaxation

Mrs. Nina Wahl and granddaughter, Marilyn and Jeanne Hinderer, attended the reception for Mrs. Inez Rank and Mrs. Charles Bidwell Sunday afternoon at the George Long School in Grass Lake. After the reception they called on Mrs. Wahl's sister and brother-in-law, Mr. and Mrs. Elmer Landis of Jackson.

Mr. and Mrs. Douglas Kennedy and family were Sunday visitors of Mrs. Nina Wahl.

Mrs. Philip Hosier and daughter, spent Friday night and Saturday at the home of Mrs. Opal Hosier of Plymouth. Mrs. Opal Hosier brought them home Saturday returning to her home on Sunday.

Mr. and Mrs. Philip Hosier and daughters, were Sunday evening visitors of Mr. and Mrs. Donald Beeman and family.

Mrs. Max Hoppe visited Mr. and Mrs. Roy Miller Monday evening.

Mr. and Mrs. Chester Notten attended the reception honoring Mrs. Inez Rank and Mrs. Charles Bidwell at George Long school in Grass Lake Sunday afternoon. They also attended the reception Friday evening for Cheryl Lehman a 1964 graduate of Chelsea High school.

Mrs. Grace Davison has been released from the hospital.

Daily Vacation Church School begins June 22 at the Village church.

Mrs. Nina Dykema of Jackson spent the week-end with her brother and sister-in-law, Mr. and Mrs. Leigh Beeman. She was accompanied home by Darlene Beeman.

Linda Wahl, daughter of Mr. and Mrs. Howard Wahl was awarded a four-week scholarship to a Creative Arts Workshop at Olivet College to begin June 21. Miss Wahl will be as junior at Chelsea High school this coming fall.

Week-end guests of Mr. and Mrs. Wilbur Beeman were Mr. and Mrs. Harold Beeman and family, Carol and Dennis, of Muskegon. They also attended the graduation of Gordon Beeman.

Mrs. Singer of Dexter was a week-end guest of her daughter and son-in-law, Mr. and Mrs. Willis Schulz and family.

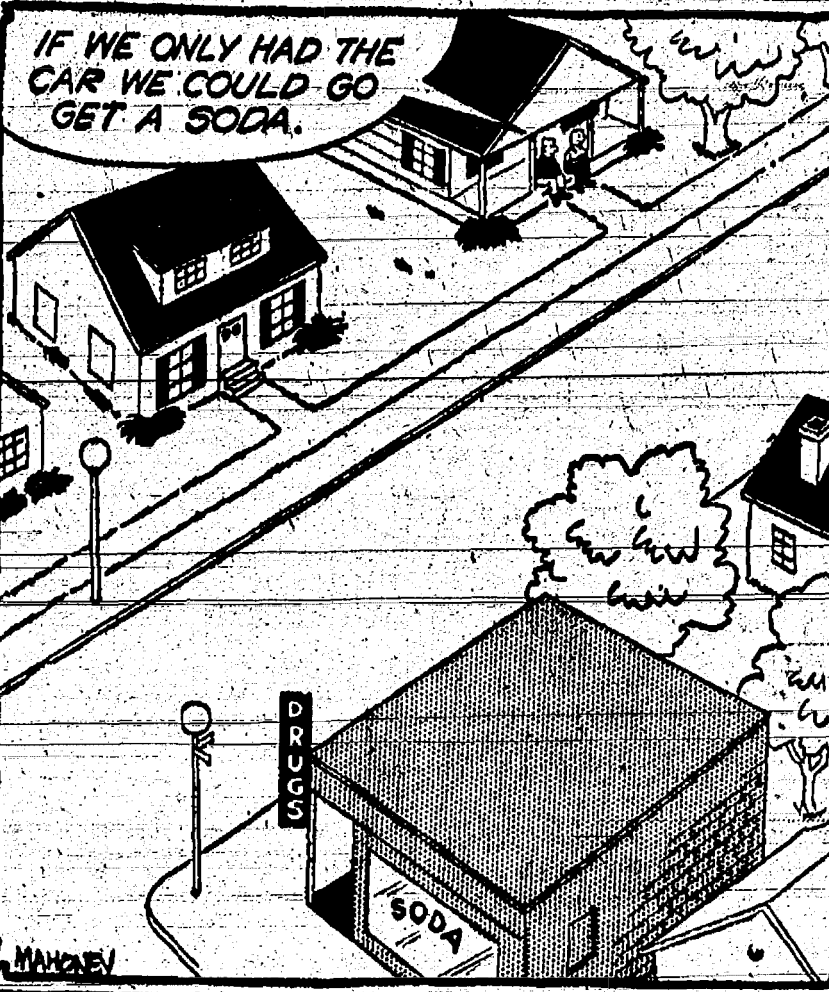

Mr. and Mrs. George Beeman and family entertained at a party Wednesday evening honoring Rosemary Beeman and her cousin Gordon Beeman, graduates of the Chelsea High school. Class of '64.

Guests included Mr. and Mrs. Leigh Beeman, Mr. and Mrs. Wilbur Beeman and Mr. and Mrs. Donald Beeman and family.

Mrs. Anna Walz spent Sunday with her son-in-law and daughter, Mr. and Mrs. Kenneth Stanfield and family of Stockbridge.

Mrs. Kenneth Platt and daughter, Joan, attended open house

HALF-PAST TEEN

Sunday, honoring the former's nephew, Glenn Slick, a 1964 graduate of Tecumseh High school.

Mrs. Ruth Schooning and son, Tony, of Jackson, were recent visitors of her parents, Mr. and Mrs. Lyle Walz.

Sunday afternoon callers of Mr. and Mrs. Glenn Rentschler were Mr. and Mrs. LeRoy Loveland and family of Grass Lake, and Mr. and Mrs. Gorton Riethmiller of Olivet.

LIMA TOWNSHIP

Mrs. Anna Reichert was in Detroit Saturday morning to attend the wedding of her granddaughter, Julie Roach, and Victor Venogus at Epiphany Catholic church and the reception which followed. The bride is the daughter of Mr. and Mrs. William Roach of Detroit.

Mrs. Reichert was accompanied by Dr. and Mrs. Paul Reichert of Tipton Ind., Mrs. James Tate of Indianapolis, Ind., and Irene Hayden and Nathan Aycock of New York, all of whom spent the week-end at the Reichert home. Also with them at the wedding were Mr. and Mrs. Herman Seheve of Ann Arbor.

Mrs. Victor Hoek of Grand Rapids spent last week here with her mother. Tuesday they were guests of Mr. and Mrs. Donald

Dancer in Chelsea. Tuesday evening they were dinner guests of Mr. and Mrs. Lynn Dancer at Bass Lake, remaining overnight; and Wednesday they were dinner and overnight guests of the Edward Lejas in Detroit. Thursday evening Mrs. Hoek and her mother, Mrs. Eva Dancer, together with Mr. and Mrs. Donald Cance and daughter, Carol Ann, were guests of the Howard Dancers in Ann Arbor.

Mrs. Wayne Osborn and children of Parma and Miss Margaret Moore of Ann Arbor were Sunday dinner guests of their parents, Mr. and Mrs. Clarence Moore.

Mr. and Mrs. Jerald Heydlauff and family attended a graduating party Friday evening in honor of Gloria Heydlauff at the home of Mr. and Mrs. Willis Heydlauff.

Mr. and Mrs. Silas Hopkins and family of Chelsea were Sunday dinner guests of Mr. and Mrs. Paul Bauer and family.

Mr. and Mrs. Robert Fischer and family of Ann Arbor spent the

Representative Bursley Appointed To Serve on New Standing Committee

Representative Gilbert E. Bursley has been appointed to the new House standing committee on "Organization of the Executive Branch." This is the only new standing committee created by the legislature in 1964.

"Reorganization of the Executive Branch into not more than 20 principal departments is a mandate to the legislature from the new Constitution," Bursley commented. "I consider this as important a work assignment as the legislature will have during the coming year."

Speaker Allison Green named Representative Rollo Conlin (R-Tipton), as chairman of the new committee. Besides Conlin and Bursley the committee includes Rep. Raymond Wurzel (R-North Street), Rep. Russell Strange (R-Clare), Rep. Lloyd Gibbs (R-Portland), Rep. Edson Root (R-Bangor), Clifford Perras (R-Nadeau), Rep. E. D. O'Brien (D-Detroit), Rep. Charles Towner (D-Mt. Clemens), Rep. Joseph Gillis (D-Detroit), and Rep. Bill Huffman (D-Madison Heights).

Michigan leads all the states in per capita support of higher education, and Michigan's 75 institutions of higher learning, both public and private, include some of the foremost in their fields.

Lilacs, Canoes Highlight State Tourist Calendar

Lansing — Horses, lilacs, canoes and skin diving will be stage center in the outdoor arena in Michigan the week-end of Saturday and Sunday, June 13-14, according to the Michigan Tourist Council.

The first week-end of the two-week observance of Lila Time on Mackinac Island is expected to bring the vanguard of summer visitors to the island. Symbolic of the historic Isle, the lilac was brought to Mackinac by French explorers more than 300 years ago.

Of more specialized interest is the Sheriff's Posse Cross-Trail Ride beginning at Alma, Saturday, June 13, and the Tawas River Canoe Race at Tawas, Sunday, June 14.

Also listed in the Council's Calendar of Events is the Skin Divers Treas-Q-Rama at Hixson Lake both Saturday and Sunday.

Copies of the Calendar of Events are available without charge from the Michigan Tourist Council, Lansing 48106.

Two days after Antoine Cadillac landed at Detroit in 1701, he established St. Anne's church, Michigan's first church and next to the oldest parish that has been maintained continuously in the United States.

THE DEPENDABLES: SUCCESS CARS OF '64

Not all leaders are born
some are made

The rather handsome car above is what you might call a two-time winner. Dodge led the nation in percentage sales increase, last year and continues to set and smash these lofty sales marks in 1964. It's also called a 1964 Dodge. Or the low-priced car that doesn't look like one or feel like one. People who have bought one, and who, incidentally, are trading in all kinds of other cars in record numbers, say they like: 1. The looks. 2. The roomy and rather posh interiors. 3. The extra savings of its famous Slant Six. 4. The lively V8 that goes on regular gas. 5. The self-adjusting brakes and 32,000-mile interval between major grease jobs. 6. The solid way it's put together — with a fully utilized, rust-protected body. 7. The price (right with Ford and Chevy).

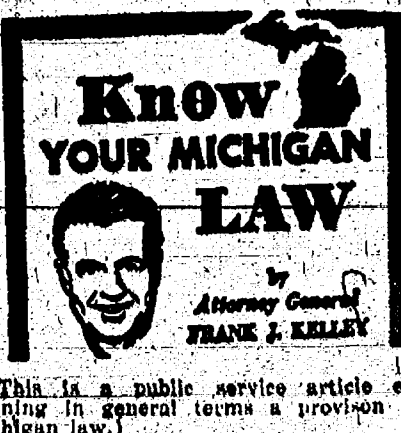

If these seem like pretty good reasons for buying a car, join the swarming throng of buyers who are changing the look and feel of the low-price field. You'll find them at your Dependable Dodge Dealer's.

KNOW YOUR MICHIGAN LAW
 (This is a public service article explaining in general terms a provision of Michigan law.)

Michigan's teachers are looking forward to summer vacation for more than the usual reasons this year. On Aug. 28, 1964, the new teacher's tenure law will become the law in every school district in the State of Michigan.

Every teacher who has taught satisfactorily in a school district for two or more years acquires continuing tenure unless the board of education gives definite written notice within 60 days before the end of the school year that the services of the teacher are unsatisfactory. Teachers who gain continuing tenure cannot be discharged by the board of education of the school district without notice and written charges. They are also entitled to appeal to the State Tenure Commission for review of the decision of the board of education.

Thus, the right of the board of education of a school district to dismiss a teacher is subject to the provisions of the tenure law. A teacher serves a probationary period during the first two years of service. He or she may be dismissed upon definite written notice of unsatisfactory service within 60 days before the end of the school year to afford the teacher an opportunity to find other employment.

The Michigan Supreme Court has held that the tenure law serves not only to protect the school district against a large turnover in teachers, but to insure a greater degree of security to school teachers.

FINES SELF \$24
 Trieste, Italy—A newspaper received \$24 with instructions to give it to an orphanage. An explanation said the money was for a fine he imposed on himself for violating a traffic law in which he almost caused an accident. Having always deplored anyone who broke a traffic law, the unnamed man said he must pay for his own error.

Rep. James Warner Tells Candidacy For Re-Election

REP. JAMES F. WARNER

Sheriff's Report Lists 2 Fatalities In Past Month

In a report prepared by the Washtenaw County Sheriff's Department pertaining to the department's activities during May, 1964, it was stated two persons were killed in two traffic accidents during that period and 77 persons were injured in 49 of the total of 105 accidents investigated. The remaining 56 accidents were listed as involving property damage only.

The report also lists a total of 1,089 complaints answered; 170 arrests made; 85 warrants closed; 624 civil papers served; and 153 traffic violations handled.

The department's cars were driven a total of 60,618 miles during the month and a total of 5,125 meals were served to County Jail inmates.

The Dog Control Division picked up a total of 110 dogs and answered 143 complaints.

The Driver's License Bureau issued a total of 1,337 licenses which included 49 duplicates; 208 chauffeur renewals; 917 operator renewals and 168 originals. Fees collected amounted to \$3,565.50.

A TRIP TO THE FAIR
 New York—A 12-year-old boy ran away from his Long Island home and spent 11 days at the World's Fair before being found by police.

Dominick Tucci had planned to spend the entire summer at the fair, but admitted he was getting a little homesick. He had eaten well by retrieving daisies about \$5 in "good luck" coins tossed into fountains. Sleeping quarters were found in several of the exhibit buildings.

Sidewalk law, like sidewalk medicine, is strictly for the birds.

State Representative James F. Warner (Republican) today announced that he will seek re-election for a fifth term, representing Washtenaw county's new 67th State Representative District.

Representative Warner has represented the Second District for eight years. The Second recently was renumbered the 67th by legislative reapportionment. The District was also realigned to include Webster and Seto townships and exclude Pittsfield township.

In addition to Webster and Seto, the 67th now includes the cities of Ypsilanti and Saline and the townships of Dexter, Lima, Lyndon, Sylvan, Ypsilanti, Augusta, York, Saline, Lodi, Bridgewater, Freedom, Manchester, and Sharon.

Representative Warner has been a member of the House Ways and Means Committee since first taking office in 1958 as successor to his father, the late Joseph E. Warner.

During the 1963-64 session of the legislature, Warner was chairman of the Joint House-Senate Conference Committee on Higher Education, General Government and Public Safety and Defense.

The appropriation made by the legislature was the largest increase for high education in Michigan history. Some \$131,000,000 is provided for 1964-65 for teaching and research at all state-supported universities and colleges, including Eastern Michigan University and University of Michigan. The increase amounted to 25 percent over the 1962-63 appropriation of \$104,000,000.

65 for teaching and research at all state-supported universities and colleges, including Eastern Michigan University and University of Michigan. The increase amounted to 25 percent over the 1962-63 appropriation of \$104,000,000.

Warner was also a leader in the legislature's creation of a new scholarship fund of \$500,000 per year which will enable 1,000 students per year to attend Michigan public or private colleges and of raising state aid to local school districts.

"My decision to seek re-election may be attributed to many reasons," Representative Warner said. "Foremost is the inspirational support of ever-faithful friends and colleagues and to continue the Republican objectives which have achieved an impressive performance record in building a Greater Michigan."

"Many positive actions were achieved during the 1963-64 legislative session, including reapportionment, a guaranteed minimum wage, Civil Rights, an increase in assistance to our senior citizens, a practical approach to youth problems and a sound fiscal policy."

"Michigan today is on the right track in terms of full participation by the citizens with its state government," he said. "This provides a future for Michigan even greater than most of us can envision in terms of economic growth."

Warner, who lives at 1305 Grant St., Ypsilanti, has been a lifelong resident of the Ypsilanti area. He is a former dairyman, farmer and businessman.

He is a former president of the Ypsilanti Area Board of Commerce and was one of the original sponsors of the Ypsilanti Area Industrial Development Corporation.

Representative Warner and his wife, Marion, have two daughters, Mrs. Michael (Mary Alice) Ulyshen, Cleveland, O., and Mrs. Jack (Barbara) Weiss of Ypsilanti township.

HOT FEET
 San Antonio, Tex.—After accidentally coming into contact with a 138,000-volt power line, Julian Salazar, 29, suffered only small burns on each of his big toes, but the mishap knocked out electrical power over a large section of the city. Salazar said he was working at a city public service board substation when a steel rod he held touched the power line.

Competition in traffic means conflict, and conflict means crash. Be careful, courteous, smart. Stay on the defensive when behind the wheel and stay alert.

Two Chelsea Girls Attending Student Nurses Convention

RAYMA SMITH

Lelah Huber and Rayma Smith are in Atlantic City from today through Monday attending the National Student Nurses' Association convention as delegates of the Michigan Student Nurses' Association from Foote Memorial Hospital, Jackson.

The two Chelsea girls were nominated by the Student Council with the approval of the faculty of the hospital's School of Nursing and subsequently elected as two of the four delegates who were named. Qualifications considered in making selection of delegates included interest in the MSNA and scholarship.

Approximately 1,000 student nurses are attending the convention representing nursing schools throughout the United States.

Miss Smith, who will be a junior in the fall, is vice-president of her class and secretary of the Caduceus club, a nurses' social club at Foote Hospital. She has been named president of the student body for the 1964-65 academic year. She is the daughter of Mr. and Mrs. Richard Smith and a graduate of Chelsea High School.

Miss Huber, whose parents are Mr. and Mrs. Robert Huber, is also a Chelsea High School graduate. She will be a senior at the School of Nursing in the fall.

Miss Huber was vice-president of the Caduceus club for the 1962-63 year and president of the student body during the 1963-64 year.

GREAT LAKES ARE TOPS
 The Great Lakes as a whole form the largest body of fresh water in the world. The combined area is greater than that of the Black, the Baltic, the Red, the White or the Caspian Sea, and as great as the Adriatic and Indian Seas combined.

Lives have been spent, and lost, at the card table.

June 18 — Detroit-Edison picnic, 11 a.m. at Kensington Park. Sponsored by the Detroit Edison Co. For 4-H members and leaders of foods, food preservation, woodworking, electrical and home design.

June 20 — Horse Judging clinic, Huron River Stables, James Alder, 3250 E. Huron River Dr., Ann Arbor.

We agree with Mark Twain: eat the foods you like and let them fight it out inside.

State Tour Maps List Park Areas

Lansing — Michigan motorists out for a Sunday drive and out-of-state visitors touring Michigan for the first time will enjoy a special "Pleasure Map" just published by the State Highway Department.

Pocket-sized when folded and only 12-by-15 inches when opened, the colorful little map locates 104 Roadside Parks or major state highways and 34 Safety Rest Areas on Michigan's freeway routes.

A table on the reverse side of the map lists the size of each park in acres; its distance from the nearest town; the number of picnic tables and grills available; and a short description of its scenic features.

Text printed beside the map also points out that the State Highway Department maintains more than 1,800 picnic table sites spaced about three miles apart on alternate sides of all State highways.

State Highway Department Roadside Parks range in size from one to 70 acres; have rest rooms and drinking water approved by the State Health Department and are equipped with rustic picnic tables, pedestal-type iron cooking grills, litter barrels and parking for cars and trucks.

Freeway Rest Areas also have restrooms, approved drinking water, tables, grills, litter barrels, parking for 50 cars and 20 trucks and are lighted all night.

Twenty-seven of the Roadside Parks listed have frontage on inland lakes or streams or on Great Lakes beaches.

Roadside Parks, picnic table sites or Freeway Rest Areas, most of the 4,000 picnic tables maintained by the State Highway Department are in almost continuous use from early spring until snow flies.

Sunday sightseers and motorists planning to tour Michigan on their vacation trips this summer may obtain a copy of the map by sending their names and addresses on a postcard to: Pleasure Map, Michigan State Highway Department, 732 Mason Building, Lansing, Mich. 48926.

Michigan Leads in Building Its Share of Freeway Mileage

Lansing — Michigan has a greater percentage of its Interstate Highway System completed to full standards than any other state in the nation, the U. S. Bureau of Public Roads reported recently.

As of April 1, Michigan had 748 miles of toll-free Interstate highways open to traffic and designed to accommodate the anticipated traffic needs of 1975. This represents nearly 70 percent of the 1,080 miles of Interstate highway allocated to Michigan.

Nationally, 28 percent of the 41,000-mile Interstate System has been completed to full standards. Oregon, with nearly 67 percent of its Interstate System completed to full standards, ranked second behind Michigan. It has 410 miles of its 781-mile freeway network built to 1975 standards. Wisconsin and Connecticut ranked third with nearly 60 percent.

There's nothing like a traffic accident to upset your vacation time budget. It's a lot cheaper and smarter to drive carefully and lawfully.

AWARD WINNER... Italian actress Claudia Cardinale, recently picked by a group of journalists as "the most operative actress with a present," is about to take a lot out of her tasty award, "Orange Prize."

Eighty-four winter sports centers were in operation in Michigan during the 1962-63 season, the largest number of any state in the nation.

Would you like cool, clean air coming from this hot air register all summer long?

It can, you know!

All you do is add a Gas air conditioner to your hot air heating system... and you're all set. Cool, clean air will circulate throughout every room of your house... making your home a real retreat in summer.

A Gas air conditioner not only cools the air, it dehumidifies it and removes dust and pollen, too.

And Gas, of course, is economical to use. A Gas air conditioner operates at about half the cost of other central systems.

What's more, if your home is air conditioned by Gas, you get a reduced summer rate not only on your air conditioning but on all your Gas appliances during the summer period.

You really should consider Gas air conditioning for your home. It makes a world of difference to live in an atmosphere that's refreshing. Easy terms are available. See the latest Gas air conditioners at heating contractor's or Gas Company showrooms, or call us at Normandy 3-8531, Ext. 252.

Just A Minute...

By the Rev. James A. Craig
The starling's aim was unerring. It had only been a couple of weeks since he had thrown the flickers out of their home and moved in. Now a young squirrel came around pecking in.
The squirrel couldn't get down the tree quick enough with the bird buzzing him. He stayed off the tree for some and froze every time a starling squawked.
He had only been curious, looking around just to see what he could see. After all he hadn't been in the yard very often.
For that matter he wasn't much different than any of us. We want to know what's going on around us also.
But curiosity simply isn't a good enough reason.
A better one, if we can live up to it, is an honest attempt to care about people.
That is, to be interested in them not for what we can learn to tell about them or what they can do for us. We can be interested enough to offer support, strength, and sympathy with no strings.
Jesus put it well: "You shall love your neighbor as yourself." Short of this we are just squirrels poking into starlings' nests.

Traffic Fines Drop In Lenawee County

Adrian — Two freeways which don't even touch Lenawee county are called largely responsible for a big dip in court fees reported by county justices of the peace. Traffic on US-12 and US-425 has dropped because Interstate 94 and US-23 freeways are taking motorists around Lenawee County instead of through it.
Penal fines reported by the township justices, the main support for county libraries, dropped from \$187,109 in 1959 to 188,080 in 1963.

NOTICE OF LAST DAY OF REGISTRATION School Election

Notice of the Last Day of Registration of the Qualified Electors of CHELSEA SCHOOL DISTRICT WASHTENAW and JACKSON COUNTIES CHELSEA, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Board of Education of Chelsea School District, Washtenaw and Jackson Counties, Michigan, has called a

SPECIAL ELECTION

to be held in said School District on

MONDAY, JULY 13, 1964

Section 532 of the School Code of 1955, provides as follows: "The inspectors of Election at any Annual or Special Election shall not receive the vote of any person residing in a registration School District whose name is not registered as an elector in the City or Township in which he resides."
THE LAST DAY on which persons may register with the appropriate Township Clerks in order to be eligible to vote at the special Election called to be held on Monday, July 13, 1964, is

MONDAY, JUNE 15, 1964

Persons registering after 5:00 o'clock, p.m., Eastern Standard Time, on the said Monday, June 15, 1964, are NOT ELIGIBLE to vote at the said Special School Election.

Under the provisions of the School Code of 1955, registrations will NOT BE TAKEN BY SCHOOL OFFICIALS and only persons who have registered as general electors with the Township Clerk of the Township in which they reside, are registered school electors. Persons planning to register with the respective Township Clerks must appear the days and hours on which the Clerks' offices are open for registration.

This Notice is given by order of the Board of Education of Chelsea School District, Washtenaw and Jackson Counties, Michigan.

June 1, 1964.

ROBERT Q. FOSTER
Secretary, Board of Education.

First Roadside Picnic Table Site To Be Dedicated

Dedication of the site for the first roadside picnic table in the state will take place June 14 at the site where the first table was placed in 1928 through the efforts of Allan Williams, former Ionia county engineer, and Roy Williams, former Ionia county commissioner.

The dedication speaker will be J. D. Fumbar, a member of the Michigan Historical Commission. The picnic table will be erected at the site of the first table in Ionia county, near the intersection of Old US-10 and the Ionia county road.

The roadside picnic table was placed in 1928 through the efforts of Allan Williams, former Ionia county engineer, and Roy Williams, former Ionia county commissioner. The table was placed in the roadside of Old US-10 near the intersection of the Ionia county road.

The roadside picnic table was placed in 1928 through the efforts of Allan Williams, former Ionia county engineer, and Roy Williams, former Ionia county commissioner. The table was placed in the roadside of Old US-10 near the intersection of the Ionia county road.

Wisconsin Senator Urges U. S. Standards For Tire Manufacture

Washington — U. S. Senator Gaylord Nelson of Wisconsin proposed recently that national standards of safety and performance be set for automobile tires.

Nelson sponsored legislation to direct the Secretary of Commerce to recommend the standards. They would not be compulsory for tire makers, he said, but would help motorists choose safe and suitable tires.

"There are no standards of safety, quality, and performance now for motor vehicle tires," Nelson said. "The maze of brand names, the use of phony labels such as deluxe, 'Premium,' and 'super deluxe,' the misleading guarantees and the bewildering range of prices have left the motorist with no way of knowing that the tire he buys today may not cause his death tomorrow."

PLANS TO VIETNAM

The U. S. Air Force has announced that the first of about 75 rugged and versatile Navy Skyraider planes are enroute to South Vietnam to replace older U. S. planes in use there that have been called obsolete. Delivery of the full quota is expected to be completed during July.

St. Mary's Honors List

St. Mary's school closed Tuesday, June 9. Father F. Mallazewski gave out the report cards in the morning. Award pins for honor and perfect attendance were given to the teachers. The St. Mary's School Association provided an ice cream and cookie treat for all the students in the afternoon.

The following students received awards:

GRADE ONE—
Perfect Attendance: William Clark.
Honor Average: Karen Bassett, Gregg Burg, Cindy Frisbie, David Keiser, Kim Miles, Melinda Newcome, David Proctor, Michelle Rappette, Lori Schrader, Shawn Spaulding, Duwana Villamure, Paul Wood.

GRADE TWO—
Perfect Attendance: Thomas Boylan, Ronald Clark.
All 4 Quarter Honors: Donna Alber, Thomas Boylan, Ronald Clark, Nancy Hoppe, Deborah Clear, Ann Merkel, Deborah Orlovski, Susan Ottomano, Kathryn Rybka, Patricia Schmidt.
Honor Average: Deborah Blacklock, Mary Clark, Arthur Paul, William Kalmbach, Carol Warywoda.

GRADE THREE—
Perfect Attendance: Beverly Bort, Gary Dorer, Christopher Phinney, Peter Stahl.
All 4 Quarter Honors: Barbara Buehler, Donna Clark, Sally Gaken, Jerry Hafner, Karen Sullivan, Mary Wood.

GRADE FOUR—
Perfect Attendance: Marijo Bott, Mark Thomson.
All 4 Quarter Honors: June Blacklock, Jeanne Haselschwardt, Ann McKernan, Joseph O'Neill.
Honor Average: Catherine Clark, Thomas McKernan, Constance Orlovski.

GRADE FIVE—
Perfect Attendance: John Benoit, Gary Montague, Jeanette Newcome, William Stahl.
All 4 Quarter Honors: Kathryn Huffner, Jane Haselschwardt, Mary Lu McClellan, Ann Thomson.
Honor Average: Mary K. Gribben, Patricia Laraway, Betty McNutt, James Schmidt, Joan Yocum.

GRADE SIX—
Perfect Attendance: Christine Alber, Ann Nyies.
All 4 Quarter Honors: Christine Alber, Janet Royhan, John Edger, Barbara Harvey, Barbara Dvorak, Phil Kantis.
Honor Average: Kenneth Dove, John Wood, Joyce Blacklock.

GRADE SEVEN—
Perfect Attendance: Linda Merkel, Marcy Orlovski, Wayne Stahl.
All 4 Quarter Honors: Denise Hafner, Catherine Westcott, Michael Schmidt.
Honor Average: James Boylan, Susan Forner, Linda Merkel, Mary Ellen Steele.

GRADE EIGHT—
Perfect Attendance: Lawrence Bott, Kathleen Dove, Roberta Paul, Vincent Stahl.
All 4 Quarter Honors: Sharon Alber.
Honor Average: Kathleen Dove, Daniel Maynard, Karen Miles, Barbara Frisbie, Mark Musolf, Karen Poerchner, Cecilia Ritter.

LEARNING METERS
Champaign, Ill.—The officials of this city have solved the problem of parked cars and broken meters that are accidentally bumped while the motorist is parking. They have installed parking meters atop strong springs in the place of the old-type stationary ones. The city gives out broken meters and the motorist is happier—even when he has to pay to park!

NO JIFFIES
Elizabethtown, Ky.—A kindergarten teacher, using an extra large clock, explained to her small students how to tell time by pointing out the hours, minutes and seconds. When she asked if there were any questions one little girl raised her hand and asked: "Where are the jiffies?"

Whitmore Lake Man Admits Beating Infant Son to Death

Young Father Had Lived in Dexter Apartment at One Time

The 25-year-old factory worker who was charged with first-degree murder Saturday night after admitting to Sheriff's Department detectives, he had beaten to death his 14-month-old son, was at one time a resident of Dexter.

Stanley A. Guerin of 42 Barker Rd., Whitmore Lake has lived in the Lovell apartments here. Now on probation for breaking and entering in the nighttime, he inflicted fatal wounds on his young child, Steven Scott Guerin, about noon on Saturday, detective Lt. Vincent J. Snell said.

"He said he couldn't stand the boy crying," Detective Lt. Charles A. Cook said. "He told us he held the child out at arm's length and struck him in the face and head with his first four or five times."

The beating, which occurred in the 14-month-old son, was the second attack made on the boy in the past two months, Snell said. The officer said Guerin also admitted he beat the boy with his fists last March and caused his hospitalization at that time.

Steven died at University Hospital at 6:40 p.m. Saturday, about seven hours after the latest beating, detectives said.

Detective Sgt. Dale Hoffman said Guerin maintained both before and after the child died that his older son—2½-year-old Wayne Guerin—had struck and injured Steven.

However, after a tearful meeting with his wife, Sharon, 23, and his mother, Mrs. Bertha Loar of Whitmore Lake, in the Detective Division, the Sheriff's Department in the County Jail, Guerin confessed the slaying, detectives said.

Guerin said he was caring for Steven and Wayne at his home Saturday while his wife worked her final day at an Ann Arbor business firm. Mrs. Guerin had decided to quit her job in order to take care of her sons who normally were in the charge of a baby-sitter, officers said.

Guerin, who had worked his regular night shift at his job Friday night and early Saturday morning, told questioners he came home, slept briefly, and then got up and fed Steven and Wayne breakfast. He said they played for a time and about noon he gave them lunch and put them back in their beds for a rest.

Guerin said he started using a vacuum cleaner on the living room rug. He said Steven began crying and he shut off the cleaner and went into the bedroom the child shared with his brother, Wayne. Guerin said he picked Steven out of his crib and carried him out to the living room.

Guerin said he then held the boy by his arm out at arm's length away from him and smashed him in the face and head with his closed fist "about four or five times," officers reported. After striking the boy, he whirled around and threw him onto a nearby couch, detectives quoted Guerin as saying.

The defendant said at that point he noticed Steven, battered and bleeding, was not breathing. He said he immediately applied mouth-to-mouth artificial respiration. He then asked a neighbor to summon a doctor.

The doctor and a patient then in his office in Whitmore Lake took the child and Guerin into old-type stationary ones. The city administrator oxygen to Steven en route to the hospital.

Doctors at the hospital who examined Steven when he was admitted later told sheriff's detectives that they determined "almost immediately" that the boy's injuries were so severe that death would come in a matter of hours.

Physicians at the hospital first called Ann Arbor police after a preliminary examination of Steven had been made. When it was found he lived outside the city, sheriff's detectives were notified.

Guerin at first told the three sheriff's detectives that Saturday morning he had caught his older son Wayne in Steven's crib "beating the baby with a soft drink bottle." Shortly after noon Guerin said he saw Wayne "jumping up and down" on Steven in the family living room. He claimed it was these attacks which inflicted the 14-month-old boy's injuries.

However, as Steven was dying attending doctors told county detectives that the injuries the child suffered could not possibly have been inflicted by a 2½-year-old boy.

Lt. Cook said the Guerin boy was "literally beaten to a pulp." After the child died Guerin was taken from the hospital to the County Jail where he steadfastly maintained that his other son had

beaten Steven. But after the brief meeting with his wife and mother, he admitted he had administered the fatal beating.

An autopsy on Steven's body was ordered to determine the exact cause of death. Detectives said Guerin gave them a lengthy taped recorded statement telling how he beat his son.

The autopsy showed he died of severe brain damage.

Lt. Snell said an investigation showed that Steven Guerin spent nine days in St. Joseph Mercy Hospital last March recovering from head and body injuries which his father claimed at the time were received when he "fell off a couch." However, after confessing Saturday night, Guerin said the boy had been hurt in March from another beating by him.

Arraigned late Saturday in Night Court on a first degree murder warrant, Guerin waived examination. Acting Municipal Court Judge Jerome A. Lamb bound the Whitmore Lake man to Circuit Court for an appearance this Thursday and remanded him to the County Jail without bond.

A BIRD LOVER
Mobile, Ala.—A mother cardinal held up the sale of more than \$400 worth of young oak trees by a nursery, for more than two weeks, due to a man's love for his feathered friends.

Harold Todd, owner of the nursery, said the entire shipment of oaks couldn't be moved until the cardinal's eggs were hatched and the young birds had learned to fly.

Kiwanis Club Has International Program With Egyptian Guests

William Windle was in charge of the program at the June 8 Kiwanis club meeting. The program centered on an international theme and Windle introduced Ibrahim Heissen and Salal M. Edioran, who spoke and showed pictures pertaining to their homeland in Egypt.

Other guests at the meeting were John Stuee, Dr. Bruce Stubbs, Leigh Beach and R. W. Karpinski.

A bus driver gave the following three rules for city driving: keep your distance, watch the traffic flow, watch intersections.

CUB SCOUT NEWS

DEN IX — Cub Scouts of Den IX met at Pierce Park Friday morning, June 5, for the final meeting of the year. After a period of play the boys had a picnic and then had ice cream treats for dessert. The May meetings of the den were devoted to practicing and playing baseball games with Cub Scouts of Mrs. Errol Jones' Den IV and Mrs. Danny Foytik's Den VII.

Fifth Grade — Tony Burnett, Tonya Clemons, Kim Corser, Marsha Ewald, David Heydlauff, Jill Kipfmueller, Vickie Salyer, Joan Schmidt, Jean Wenk.

If public speakers would spend a little time in preparing their speeches more people might listen to them.

Standard Want Ads Get Results!

THE LETTERBOX

Dear Editor:

I feel that the elementary school hot lunch program is a sufficiently important issue to warrant a few lines in our newspaper. I find no mention of the school board's recent action on this matter in any issue of the Standard and it was only by accident that I found the board had voted against the program.

Most of the mothers I have discussed the matter with had assumed that since we had signed slips indicating our desire to participate in the program, there was no question of whether it would or would not be done.

The board, at the present time, has no rural representation and so none of the board members realize what a problem the noon lunch presents to those of us who cannot have their children home at that time. Packing a lunch involves trying to prepare something in sandwich form that will warm in winter and not spoil in springs warm weather or falls hot temperatures. Space is limited in a child's lunch pail. There is barely enough room for a sandwich, fruit and cookies tucked in beside that very fragile thermos bottle that must be replaced at a cost of one dollar anywhere from two to six or seven times a year. I am sure Mrs. Mann or Mrs. Warren would not welcome their children at noon with this kind of lunch after a long walk home on a cold day.

Most bus children are on their way by 7:45 and don't return until 4:30. This is a long day by any standards. I feel if hot lunches are good for high school children they are very good for elementary children who are far less able to supply extra food from our village restaurants.

I have been told the hot lunch program is self sustaining and the cost involved in instituting the elementary program could be repaid in about three years.

This is one mother that will be present at the board meeting at the high school June 18 at 8:00. May I urge all interested parents to attend also. Contact any board member and tell him of your wishes concerning the hot lunch program. If they don't hear from interested parents our elementary children will be eating cold sandwiches another winter.

Mrs. Arthur Stoll.

Notary Appointment

Mrs. N. H. Miles has been appointed as a notary public, her commission scheduled to expire Feb. 16, 1968.
