Businessman Kantlehner Dies Saturday

Was Chelsea's Oldest Merchant With Years as Active Chelsea Jeweler

Walter F. Kantlehner, Chelsea, died Saturday afternoon at St. Joseph Hospital, Ann Arbor, following illness. He was 82 years old.

Kantlehner was a life member of the Chelsea Lodge No. 156, F&M, and was formerly a member of the Chelsea Club. He served as town clerk from 1946 and had also served as town treasurer. He was born July 20, 1882, in Chelsea, the son of Christian Fred and Eva Bauer Kantlehner. He was married in Chelsea, June 10, to Eliza Zinke who survives. He is at 136 South

WALTER F. KANTLEHNER

J. Beaumont Promoted By Screw Works

Jerry Beaumont has been appointed general manager of the Gold-Extrusion Division of Federal Screw Works to succeed Lester Garrell who has been transferred to Detroit. The appointment became effective Monday, Nov. 30.

Beaumont has been with the Cold Extrusion Division of Federal since he came here from Detroit. He was assistant manager until his appointment as general manager this week.

Garrell's transfer places him in the Federal Screw Corporation's sales engineering department to provide technical assistance to the sales division.

Farmers Guests of Kiwanis Club

Members Night, an annual event of the Kiwanis club, was held at the regular dinner-meeting club. There were 75 farmers as Kiwanians guests.

At the general field manager of the Ford Motor Company and Implement Division was the special guest for the evening. His talk to the many fields of agriculture was particularly pertinent to the special guests.

A guest at the meeting was a public relations manager of the Ford Motor Co. Unit Tractor Operation.

Guests present were: Ed. of Belleville, lieutenant-governor of the Michigan Division of the Kiwanis, and Walter Gempferline, lieutenant-governor, who presented him.

W. Pearsall was inducted member of the Chelsea club. Pearsall's sponsor was W. McClure.

Dinner Monday's meeting was prepared by mothers of Chelsea school Key club members. (Continued on page four)

15 Correct Wins Final Grid Contest

In the final football contest of the season sponsored by the Standard and co-operating merchants, and published in the Nov. 26 issue of the paper, the first prize winner in the adult division is Mrs. Gene Coltre (Mary Ann), while the first-place winner in the junior division (16 and under) is 15-year-old Norwood Bush.

Second place winners are Frederick Dickinson in the adult division and 10-year-old Robert Wojcik in the junior division.

The two first-place winners will receive \$7.50 each, and the two second-place winners, \$2.50 each.

Mrs. Coltre had a total of 15 correct and Dickinson correctly selected 14 winners. (Continued on page three)

School Board Briefs

Special meeting Nov. 24, 1964. Bills presented and approved in the amount of \$17,984.

Report of the negotiation committee, tentative approval of new sick leave policy for teachers beginning their third year of teaching in our system. Report on salary negotiation progress.

Report from the Vocational Education Advisory Council that the three schools of Dexter, Manchester, and Chelsea have found a satisfactory candidate for the job of director. If plans go as set, the director will start the second semester this year.

A letter from Sylvester Leonard, county treasurer expressing appreciation to the board and community for the support given in the recent election to the 18 mill issue.

C. Powers and G. Jackson presented the charter of the Advisory Council for Agricultural Education. The charter was praised by the Board and the Council was commended for their hard work and establishment of an outstanding adult farmer education program to begin in December.

Board approved the use of a school bus to transport PFA and advisors to the Chicago Livestock Show Nov. 27-30.

Board approved the use of school buses for the band to attend band camp next Aug. 20-Sept. 4.

The Board approved a request by Alan Conklin to have a group of principals in our area come in as a team to help evaluate our Junior High school program.

The date of the high school bond issue was set at Feb. 24, 1965. The delay from the original plan to hold the election in January, was necessitated since the Community College election has been set for Jan. 15. Law requires that there be a wait of 40 days after such an election. In the interest of not confusing issues, the Board decided against holding the election on the same day as the Community College. Both elections could not be held in the same location.

The future planning committee will meet soon to discuss action for future expansion of our school.

Six members of the JCC and Robert Foster of the Board of Education gave a report of their recent visit to the Flint-Mott Foundation adult education program.

Chest Fund Reaches Goal

Charles "Jack" Cattell, Chelsea Community Chest campaign fund chairman, announced yesterday that final figures show that the campaign has gone "over the top."

Total amount pledged or contributed is \$16,280.65, Cattell said. The goal set for the 1964 campaign to secure funds for the 1965 budget was \$16,200.00.

Dr. J. V. Fisher, who is spending six months in San Francisco, Calif., on a fellowship grant for study at the Langley-Porter Institute, University of California Medical Center, spent Thanksgiving with his family here. He arrived Wednesday and remained until Monday.

SANTA GREETS KIDNIES: Santa Claus arrived here Saturday afternoon for his first pre-Christmas visit and met with children at the intersection of Main and South St., which was blocked off during his stay. Auxiliary Police assisted in directing traffic during his stay. Each child who visited him received a filled Christmas stocking as a gift. Santa will be back again this week on Saturday and he extends an invitation to all Chelsea area children to be up to see him and tell him what they'd like for Christmas.

Local Masons Plan Joint Installation

Olive Lodge No. 156, F&M, and Olive Chapter No. 140, RAM, will hold joint public installation ceremony at the Masonic Hall Tuesday evening, Dec. 8, at 7:30 p.m.

All interested persons of the community — and especially relatives and friends of the newly-elected officers — are invited to attend.

Vivian Richards past master of Milan Lodge No. 823, F&M, will serve as installing officer for Olive Lodge No. 156 F&M, and Allyn Kaercher, past high priest of Washtenaw Chapter No. 6, RAM, of Ann Arbor, will officiate for the Royal Arch chapter of officers.

Following the public installation, refreshments will be served in the dining room of the hall.

Officers of Olive Lodge 156, F&M, are Franklin Sweeney, worshipful master; Marvin Salyer, senior warden; Harold Bair, junior warden; Carl Mayer, treasurer; Past Master Donald Dancer, secretary; Past Master, George Atkinson, chaplain; George Doe, senior deacon.

The list continues with David Murphy, junior deacon; Huey Hardy and Harold Dresch, Jr., stewards. (Continued on page five)

School Board Cites 'Critical' Need for Classroom Space

Special Election on 3-Mill Tax Levy Has Now Been Scheduled for Feb. 24

Classroom space at the High School is in extreme shortage. It has been explained in previous articles that at the time of the construction of the present high school, a section of 8-10 classrooms was deleted due to the bids coming at a higher rate than anticipated. With the increased number of students in the 6th, 7th and 8th grades the Board of Education feels that our immediate need is the greatest at the Senior High school.

It was stated earlier that the Board of Education would present the special millage issue of three mills for three years in January as soon as the legal period of six months was past. However, due to the recent announcement that the Community College election would be held on Jan. 15, the Board has set its election up to Feb. 24, 1965. It was felt that holding both elections at the same time would confuse the issues. Also it was noted that each election would have to be held at different locations.

Tuesday night, Alan Conklin, principal of the Junior High school, presented a list of building deficiencies as compiled by his teachers and himself to the Board of Education meeting. Some examples follow to show the types of things presented:

1. The fire hazard due to wood construction, open stairways and the two-story construction.
2. Lack of adequate toilet facilities for number of students in the building.
3. No adequate space for physical education program. No outside play fields.
4. Stairways — worn, steep, noisy, safety factor.
5. Lack of adequate and desirable lunchroom space.

This information is presented so the public might become a little more aware of the condition of our Junior High facility. The Board of Education acknowledges the facts as stated above, and is (Continued on page six)

Chelsea Mfg. Corp. Sold to Aseco, Inc.

Announcement was made jointly on Tuesday by L. M. Benkert, president, and R. J. Johns, vice-president of Chelsea Manufacturing Corporation, that changes of corporation ownership had been finalized and that the name of the plant has been changed to Chelsea Manufacturing Corporation, Division of Aseco, Incorporated.

The two officials made the announcement to the firm's employees before submitting the information for publication.

Benkert and Johns each disposed of their interests in the plant to Aseco, Inc., at an undisclosed figure. Johns will remain with Aseco, Inc. in an executive capacity and Benkert will be an individual exclusive sales representative of the Chelsea Division of Aseco, Inc.

Their combined announcement stated "This move was made necessary to provide continued future operations and expansion of product lines."

"The business has developed to the point where it is too large and important to our many employees to be dependent on just two people."

Benkert stated that he is looking forward to retiring in three or four years and would like to continue until then in his chosen field, the sales end of the business.

Johns said he is looking forward to this greater opportunity of expansion, diversification and multi-plant operations.

Aseco, Inc., manufacturers of diversified electronics products, has operated a plant in Detroit since the firm was organized two years ago. The Detroit plant is currently in the process of being moved to Port Huron.

The Chelsea Manufacturing Division main office will continue to be at 40390 Grand River Ave., at Novi.

Principal products of the Chelsea Manufacturing plant are sheet metal fabrications, truck assemblies and panel truck bodies.

Alden C. Hensel, formerly vice-president of Mueller Brass Co., is the president of Aseco, Inc., and will guide all the various corporate operations, including the Chelsea Division.

Hensel also addressed the employees group Tuesday and firmly stated and assured them that Chelsea Division would continue to operate with the same people, the same conditions and regard for the employees and with the same supervision as before, with the single exception of Benkert, who desired and agreed to be available as a consultant.

CHS Cagers Open Season Friday Night

Prospects 'Good' for Successful Year With Well-Balanced, Hustling Team

Friday, Dec. 4, the Chelsea High school basketball team opens up its season with a game at Jackson St. Mary, a non-league opponent. The Bulldogs have been working out since Nov. 9 and they should be ready for this big opener.

For the first time in four years the Bulldogs will be without the services of sensational Curt Farley. Last year Curt led the team to an over-all 13-5 record with a 27-point average.

Chelsea will have a very balanced team this year. No one player will dominate the play as Farley did last year. Actually this is a good situation as no team will be able to concentrate their defense on one person. All five of our boys, no matter who they are, on the floor have the ability to play good offense and defense.

Practice sessions have been devoted to more defense than in past. A man-to-man defense has been stressed and the boys have responded well to it. Coach Terry Pokela says "this defense will be used all over the court — in other words as a full court press. We will try to force our opponents into mistakes which we will capitalize on to score easy baskets."

"The team will run the fast break more than last year when they were learning it for the first time. Thus, it looks as though the Bulldogs will have an explosive team capable of scoring many baskets in a short time," the coach added.

The following boys are in the process of fighting for the starting berth Friday night:

Ed. Windell, 6'3", senior, will probably be the starting center. Ed has developed remarkably in the past year. He is a good shooter and is a good rebounder. Many shots are blocked as Ed throws up his long arms while playing defense. A good sprinkler who has great desire to be a fine basketball player.

Mike Tarasow, 6'0", junior, a returning letterman may start at the forward position. Mike is a strong rebounder and is developing a fine shot from the outside. Should be a real fine ball player before tournament time rolls around.

Gary White, 6'0", senior, did not play basketball last year, but has returned to the hardwoods and is doing a real good job. Gary may start at the other forward position. He has a good shot, plays an aggressive defense and is tough on the boards. Gary is a fine all-around athlete. (Continued on page three)

Recreation Basketball Starts Dec. 5

Alan Conklin, director for the Chelsea Area Recreation Commission, reminds boys of the community that the recreation program basketball league for young boys and for 7th graders and up, who are not enrolled in the regular school basketball program will begin Saturday, Dec. 5.

The boys' basketball schedule is as follows:

4th and 5th grade boys, 10 to 12 a.m. Saturdays at Chelsea High school. Terry Pokela, supervisor.

6th, 7th and 8th grade boys, 10 to 12 a.m. Saturdays at the Junior High gymnasium, James Bedford, supervisor.

High school boys not enrolled in regular school basketball program, 4th grade and up, 1 to 3 p.m. Saturdays at the Junior High gymnasium. Bruce Galbraith, supervisor.

A men's physical education class was to get under way at the Chelsea High school gymnasium last night (Wednesday) in charge of Jack Curl and a girls' physical education class will begin Saturday, Jan. 9. Mrs. Sharon Vonk will be the girls' physical education instructor.

Boys who participate in the Recreation basketball program should bring the required fee (\$1.00) the first day.

Extra Hours Scheduled By Chelsea Stores

Because of a misunderstanding it was announced last week that Chelsea stores will be open Wednesday evenings during the Christmas shopping season. This is incorrect.

The extra store hours are as follows:

Monday, Dec. 14 — 7 p.m. to 10 p.m. (Midnight Madness sale).

Thursday, Dec. 17 — Until 9 p.m.

Saturday, Dec. 19 — Until 9 p.m.

Monday, Dec. 21 — Until 9 p.m.

Tuesday, Dec. 22 — Until 9 p.m.

Wednesday, Dec. 23 — Until 9 p.m.

Thursday, Dec. 24 — Until 6 p.m.

Stores will also remain open as usual on Friday evenings until 9.

Donald Dancer Retires With 37 Years in Postal Service

Donald Dancer has officially retired after being employed as a clerk at the Chelsea Post Office since April 1, 1927, a year after he graduated from Chelsea High school. His retirement became effective Nov. 6 after he had been on leave of absence for several months because of his health. At the time of his retirement he was claims clerk.

When he started work in the Post Office it was located in the store building now occupied by Chelsea Restaurant at 110 S. Main St. For several years before the present Post Office building was constructed in 1937, the office was located in the former Kumpf Bank building at the southwest corner of Main and Middle St.

O. T. Hoover was postmaster at the time Dancer became a clerk in 1927. He worked successively under Acting Postmaster Kent Walworth, Postmaster H. D. Withers, acting Postmaster P. E. Nichols and Postmaster Carl Mayer.

After his graduation from high school in 1926 Dancer took a position as shipping clerk with the New York Central Railroad's Chelsea office. He remembers that Ward Jennings was the railroad's agent here at the time and that Ed Chandler and Ed Burton were in business for themselves as draymen. Large quantities of meats and other foodstuffs were shipped in those days by train in refrigerated cars and the draymen were kept busy hauling it to the stores.

Dancer also mentioned that all mail was brought to Chelsea by train and during his early years consultant.

DONALD DANCER, at right, has officially retired as an employee of the Chelsea Post Office after several months' leave of absence for health reasons. He was employed at the Chelsea Post Office for a total of 37 years and seven months. With him in the photo is Postmaster Carl Mayer.

CUB SCOUTS of Pack 415 are shown in the above photo as they gathered at the Nov. 24 Pack meeting when they brought "white" for later presentation to Chelsea Social Service. The gifts included in Christmas baskets prepared by Chelsea Social Service for people in the Chelsea area. In the front row, seated left, are Paul Case, David Lauson, John Beeman, Christopher Gaunt, Dennis Landwehr, Thomas Stock, Billy Schafer, William Olsinski, Thomas Forner and Jackie Wellnitz, den chief of Den VI. In the center row, standing, are Robert Heydlauff, Donald Gillett, Mark Collins, Douglas Hansen, Thomas Hepburn, Christopher Phinney, Brad Curtis, Larry Jones, Edwin Hartmann, Ronald Landwehr, Daniel Schuelke, David Bulson, Derrick Harris. In the back row are John Hepburn, den chief of Den II; Daniel Gaunt, Dennis Landwehr, Thomas Stock, Billy Schafer, William Olsinski, Thomas Forner and Jackie Wellnitz, den chief of Den VI.

J. Beissel Tells Jaycees of Recent Tour Through Russia

Chelsea Jaycees held their regular meeting Tuesday, Dec. 1 at Stiver's Restaurant. At the meeting they voted to go on record to give wholehearted enthusiastic support to the school bond proposal.

A report was made by Art Stoll and Ed Akin on a community school seminar sponsored by the Mott Foundation. The seminar was held Nov. 12 and 13 in Flint. The intent of the program is to achieve greater usage of existing community facilities by more residents of the community.

Jerry Beissel, formerly of Chelsea and now owner of Concord Lumber and Coal Co., at Concord, presented the program for the evening. He showed slides and gave an extremely interesting and enlightening talk about a tour to Russia, Poland, Czechoslovakia, East Berlin, West Berlin, Denmark, Holland, and other European countries. Beissel and his wife were members of a People-to-People Good-Will Tour sponsored by the Michigan Lumber Dealers Association.

Some of the highlights were the contrast between modern reconstructed West Berlin and some of the remaining war ruins in East Berlin. A striking picture was a main street of East Berlin taken at noon on Sunday. A lot of the members of the tour, there was not a soul in sight. Beissel said the people went out only when it was absolutely necessary.

He compared the expressways, and modern lighted streets, of West Berlin with the hustle and bustle of U. S. cities.

It was startling to find so many boarded up churches, he said. For example on Sunday in Leningrad there were only one Catholic church, one Protestant church, one Synagogue, and 12 Orthodox churches open. All the rest were closed. Some of the Russian people that day had walked so far to attend church that they had to carry their dinner.

A picture of several Russian teen-age girls in their graduation gowns showed the Western influence in their hair styles.

Quite fascinating was some of the "modern" planning of Moscow's finest hotels.

Other places visited behind the iron curtain by Mr. and Mrs. Beissel were lumber mills, factories, construction sites, community farms, schools, apartment houses, the Kremlin, Lenin's tomb, Red Square, and numerous other interesting places.

Beissel pointed out that everywhere they went they found the people very friendly and eager to find out as much as they could about the life in America. He said he could not help but feel that if the people had had a chance they would rid themselves of Communist domination.

This excellent program was thoroughly enjoyed by the Jaycees and several guests from the Dexter chapter who, just before the start of the program, arrived with the District 5 traveling troupe, a 16-foot sail boat.

Personal Notes

Mr. and Mrs. Dale Keezer and Mr. and Mrs. George Merkell and family were Thanksgiving guests of their daughter and sister, respectively, Mrs. Doris Clark Lyons of Ann Arbor-Saline Rd.

Guests of Mr. and Mrs. Wilbur Hinderer for Thanksgiving day and the weekend were their two daughters and their families, Mr. and Mrs. Fred Benson and children of Medina, N.Y., and Mr. and Mrs. James Linderman and children, of Wayne.

Kids Hurt

School district officials throughout the state are frustrated that their efforts to meet local educational needs were stalemated by a 1964 legislative act.

The local property tax is no longer adequate to provide revenue for the schools along with other community services, they say, and voters vent their ire on school millage proposals because of high taxes at all levels.

This year the legislature adopted a law declaring a moratorium on all local taxes except the city income levy.

Now, local school board members are hoping a legislative committee will recommend to the 1965 session authorization for school districts to levy excise taxes rather than relying almost totally on the property tax revenues.

The committee headed by Rep. James N. Polks, R-Horton, has been told school districts suffer heavily in nearly every extra millage and school bonding proposal. Voters defeat such questions because they have no direct control over other taxes.

School districts now get part of the state sales tax, cigarette and liquor tax collections in addition to the share of the local property assessments. A number of school officials feel they now should be allowed to impose excise taxes on items such as gasoline, cigarettes,

intangibles, incomes or sales.

Other education-oriented spokesmen contend additional funds for local school operations should come from a bigger cut in existing or new-state revenues.

"Education in Michigan needs a great deal more money and the only adequate way to meet this need is through a state income tax, a significant portion of which should go back to the schools," says Henry Limb, Grosse Pointe president of the Michigan Federation of Teachers.

With a substantial surplus in the treasury from the last fiscal year, it is certain these divergent views among school people will be strongly represented in lobbying attempts next year to get a bigger share of state funds available.

Gas Tax

Much has been heard in Michigan about the smog problems existing on the West Coast, largely blamed on Michigan-made automobiles.

Although the blame is more dispersed among several industries, some areas of Michigan also have expressed deep concern with the general problem of air pollution. Much less has been heard to date about this problem in Michigan, however.

Specific authority to control air pollution of any origin has rested solely at the local level for many years, although the State Health Department has worked with community officials on projects to eliminate air pollution.

Next year, however, Gov. George Romney has indicated he will propose to the legislature the first state-wide regulatory legislation and appropriation for an air pollution control program.

By proposing the creation of an air pollution section within the Health Department, Romney hopes

the state will qualify for some federal funds under the new Federal Clean Air Act.

Romney may attempt to get a state appropriation which would give the new working unit about \$80,000 in combined state and federal monies for the initial program.

The governor said the start of the program "will be a major forward step toward assuring the people of Michigan that the air we breathe is as free from contamination as modern science and vigorous education and enforcement can make possible."

Machine Works

Voter rejection by a wide margin of the so-called Massachusetts ballot enacted by the 1964 Legislature came as a big surprise to many, including some Democrats in high positions.

Democrats organized the petition drive which led to ballot placement of the controversial measure.

It appeared to be a well-organized petition campaign and resulted in the filing of more signatures than ever before gathered on a referendum question.

The opposition movement then seemed to disappear. Little publicity was directed to urge a "no" vote on the state proposal.

One state elections official, a non-partisan civil servant, said he was very surprised that the vote was so decisive. His reaction was based largely on the fact that the wording on such proposals is often unclear to many voters and rarely has such a controversial question been decided without an extensive campaign by proponents or opponents of it.

Another state official elected on the Democratic ticket expressed similar surprise at the outcome of

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellows at the country store Saturday night was having one of them "Round Table" discussions, the kind that goes round in circles and was invented by politicians trying to make someone solid out of hot air.

Ed Doolittle said he had saw in the papers where they was already getting started fixing up things in Washington for swearing in President Johnson on January 20. He was of the opinion they was running a little late with the preparations. Nowadays, claimed Ed, everybody keeps about 6 months ahead of the calendar. For instance, he said his old lady had took down her Fourth of July flag on the mantleboard the week before Thanksgiving and put up her Christmas decorations. Ed allowed us how them Government planners should have got started on this matter right after the Democratic convention.

Zeke Grubb reported he had saw a piece in the papers where it would cost about \$215,000 to set up the grandstands and get everything right for the inauguration. According to Zeke, the piece said when President Pierce was sworn in back in 1853 it didn't cost but \$322

to git ready for the ceremony. From \$322 back in 1853 to \$215,000 in 1965 is about par for the Washington course and all the fellows was shore the taxpayers was anxious to keep our spending at par. I can recollect reading when I was a boy that John Quincy Adams spent four year in the White House and didn't have but one suit of clothes and one hat all the time he was there. I reckon our modern Presidents keeps more clothes than that in their dress drawers.

The fellows was speaking their regrets about old Krushy getting throwed out of the lodge in Moscow. Bug Hookum was lamenting it took him 10-year to learn how to pronounce his name and just when he was getting where he could rattle it off real good when company came, they git a feller nobody could pronounce.

Clem Webster was of the opinion it would be a waste of time trying to git acquainted with this new feller, that he wouldn't be setting at the head table long enough for it to be worth while.

Josh Clodhopper reported he had heard one of them commentators from Washington say on radio we might have to "stabilize" prices again pretty soon. We been "adjusting" 'em up now for several year and I reckon they was going to "stabilize" 'em up now for a spell. Same difference.

But the feller that runs the store come up with the saddest news of the evening. He reported he had saw in the papers where a big horsehoe tournament in Florida was won by a woman. It was agreed by all the fellows that America has now crossed the Last Frontier.

Yours truly,
 Uncle Lew.

4 Years Ago...

Thursday, Dec. 1, 1960—Nine lettermen are returning to the basketball team for the 1960-61 season, with the opening game scheduled for Dec. 2 with Vasa-Roosevelt at Chelsea. The lettermen are Alton and Homer Nixon, Dave McLaughlin, Mike Marsh, Daryl Keezer, Ed Laubach, Don Sexton, Dan Mayser and Charles Koehn.

Work on the Post Office driveway and parking area and alterations of the mailing platform is now almost completed. Cost of the improvement is \$11,600.

In the Four Years Ago column (Nov. 29, 1956): John Eisenbeler and Denny Schumm were elected co-captains of the 1957 CHS football team; also, the Rev. E. J. Weiss of Ann Arbor is serving as associate superintendent of the Methodist Home until Feb. 1 when he will become superintendent to succeed the Rev. M. J. Betz who is retiring.

In the 14 Years Ago column (Nov. 28, 1946): By U. S. Government order, use of electricity is being restricted in order to conserve coal. Fine or imprisonment is ordered for those who do not comply. Uses banned are air conditioning, outdoor and indoor advertising lighting, outdoor display on flood lighting and decorative lighting.

14 Years Ago...

Thursday, Dec. 7, 1950—

Indication that the promised construction of a new bridge at the north edge of the village is definitely being processed through state and federal channels was given in a letter from the State Highway Department and read into the Village Council proceedings on Monday.

Ordered to report for induction into the armed services Monday, Dec. 11, are Merle Leach, Thomas

the Massachusetts ballot question. "We were very lucky on this one for some reason," he said. "Another time using as little campaign effort as was exerted after the petition drive we might not be so fortunate," he said.

24 Years Ago...

Thursday, Dec. 5, 1940—

At the regular meeting of the Village Council, Monday evening arrangements were made for the purchase of 70 Christmas trees to be used for sidewalk decoration during the holiday season. Merchants will furnish the colored lights for the trees in front of their stores.

The summer home of Mr. and Mrs. F. W. Merkel on the north shore of Cayuga Lake, with contents, was destroyed by fire at 12:30 Sunday noon.

The first Women's Homemaking Class will meet in the homemaking room at Chelsea High school, Helen Helm and Wayne Harvey were married Thursday, Nov. 28, at St. Mary's rectory by the Rev. Fr. Lawrence Dorr. Attendants were Florence and Earl Hetm, sister and brother of the bride.

In the 24 Years Ago column (Thursday, Dec. 7, 1916): Married Thursday, Dec. 7, (today) Anna Hinderer of Chelsea and Arthur Schairer of Seio township.

34 Years Ago...

Thursday, Dec. 4, 1930—

Officers of the Kiwanis Club, elected Monday, are Dr. A. A. Palmer, president; Henry Fenn, vice-president; M. W. McClure, trustee.

A number of local boys will participate in the Central Michigan Boxing Tournament to be held next week in Jackson, and sponsored by the Jackson Agricultural Society. Included are Francis Visel, Kenneth Gilbert, Raymond Liebeck, Maurice Hoffman, John Maxine, Joe Maxine, Karl Riegger, Wayne Rossbach and Allie Foster. Max Hoppe is their coach.

Fred Congdon, grandson of Elmer Congdon, one of the founders of Chelsea, and a nephew of Arthur Congdon, one of the Michigan volunteers who fought in the Civil War, died Nov. 29 at his home in Joplin, Mo. He had left Chelsea when he was 13 years old, after

his father's death, and had his own way since, working in lead mines at Joplin. In the 24 years ago column (Nov. 29, 1906): at a mass held in the town hall in Chelsea to form a stock company with capital stock of \$100,000, known as the F. K. White Building Co. and it is proposed to build a new and modern fire burned recently.

St. Mary's School Association Plans Christmas Party

An announcement was made Tuesday evening's meeting of St. Mary's School Association that the meeting of the organization being held on the 14th of the month for the Christmas party.

There were 30 parents present for Tuesday's meeting and attendance banner was awarded Sister Ann Seraphim for having the most room one for having the most children in attendance.

Principal activity at the party was the packing of Christmas boxes for the children's Christmas party scheduled for the 14th of school prior to the Christmas vacation. Plans for the party were discussed.

Sister Ann Seraphim announced that near the end of January will set a date for parents of children in grades one to four to the school to pick up the direct report cards. At the time she will explain the method of teaching mathematics parents will be able to the children with their home.

Parents of children in grade five to eight will be asked to come for their children's report cards, and the mathematics examinations on another date that for the younger age group.

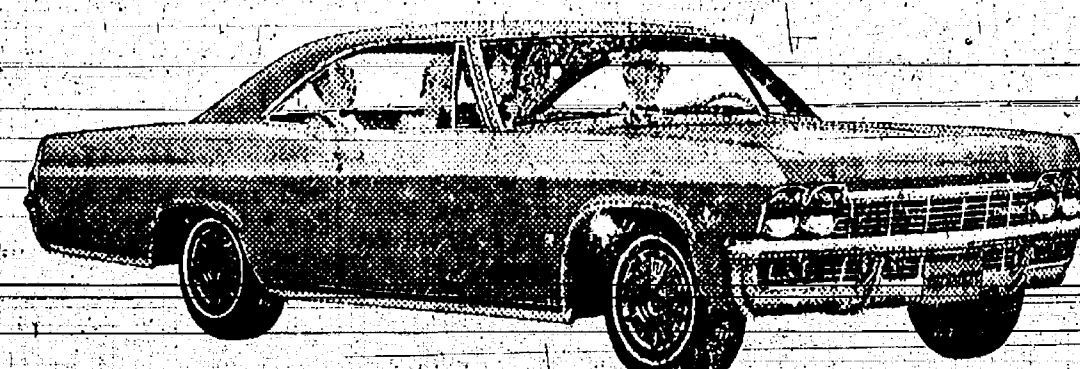

A door prize was awarded Tuesday's meeting by Mrs. Hoppe and was awarded to Tobin.

Refreshments were served at the meeting by Mrs. McKernan and Mrs. Johnson.

A white wool suit with a silk blouse is a lovely outfit during drab gray days the color is as right for the season as it is for the south.

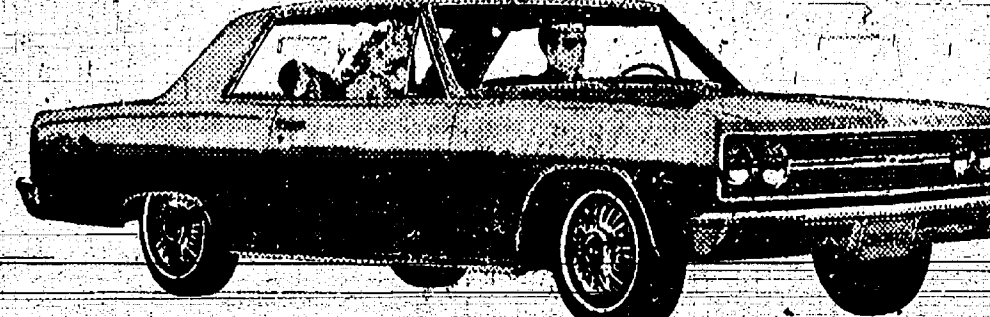

NOW ROLLING IN... America's most popular cars!

So place your order now for delivery on the beautiful new kind of '65 Chevrolet that's right for you!

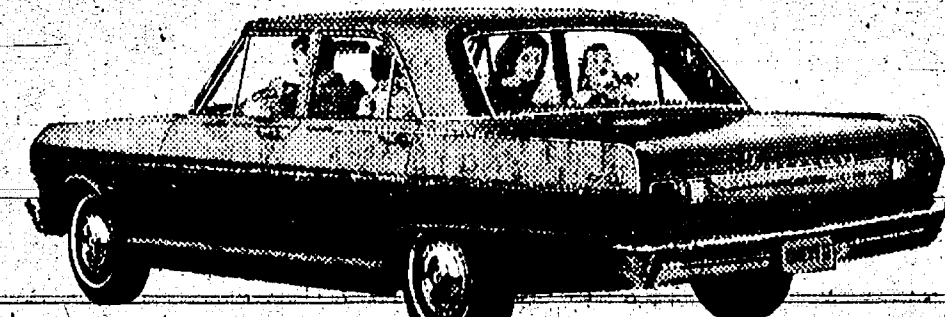

'65 Chevrolet Impala Sport Coupe

'65 Chevrolet Impala It's longer, lower, wider—with comforts that'll have many expensive cars feeling a bit envious.

REGISTRATION NOTICE

FOR
 WASHTENAW COUNTY COMMUNITY
 COLLEGE DISTRICT

SPECIAL ELECTION

Friday, January 15, 1965

To the Qualified Electors of the
TOWNSHIP OF DEXTER

(Precinct No. 1)

COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law," the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in this Township. City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at my home, 9823 Portage Lake Road, any day until Wednesday, December 6, and on

Wednesday, Dec. 16, 1964 - Last Day

THE THIRTIETH DAY PRECEDING SAID ELECTION
 As provided by Section 498, Act No. 116, Public Acts of 1954.

From 8 o'clock A.M. until 8 o'clock P.M. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said Township, City or Village as SHALL PROPERLY apply therefor.

The name of no person, but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

FFA Members and International Stock Exposition

A group of Chelsea High school Farmers of America chapter members, their advisor and agent, Gary Jack, and two adult chaperons and two school girls interested in agriculture, will attend the International Livestock Exposition at the Museum of Science and Industry in Chicago. They made it by bus.

Highlights of their stay include the livestock show, the Museum of Science and Industry and the Chicago skyline.

Those who took the trip are: Nancy Koenig, Gary Jack, Bob Kushnau, Barnhill, Ron Montagne, Royce, Bill Watkins, Joe Lloyd, Walz, Dan Eder, Clark and James Bristle. They were Mr. and Mrs. H. C. Postmaster Mayer says.

Dec. 10 is also given as the final date for sending Christmas cards by regular mail to distant points in the United States to assure delivery before Christmas.

The postmaster also suggests that Christmas cards be mailed first class (5 cents postage) since the cards will be returned to the sender if undeliverable for any reason — in any case, however, the return addresses should include the ZIP code number of the sender (in Chelsea it is 48188).

In a special request directed to rural patrons the postmaster says "Please be sure to buy your stamps in advance and place them on your cards and letters before putting them in the box for collection. Postal regulations require that rural patrons put stamps on all greeting cards and letter mail during the month of December. Your carrier has a supply of stamps and you may buy them from him."

All Post Office patrons — rural and city, can further assist by separating their cards for local and out-of-town delivery.

Early Mailing Urged Before Holiday Rush

Postmaster Carl Mayer again reminds Post Office patrons of the wisdom of mailing Christmas gifts and cards at the earliest possible time to assure delivery before the holidays.

He also emphasizes the importance of adding the ZIP code number to all addresses whenever the ZIP code number is known. On receipt of mail with return addresses which include the ZIP code number, the postmaster said, Chelsea area residents should jot down the ZIP code number to have it for another year when they send out Christmas cards.

Gift parcels to distant points in the United States should be mailed by Dec. 5 and air parcels to APO addresses for servicemen should be dispatched no later than Dec. 10, Postmaster Mayer says.

Dec. 10 is also given as the final date for sending Christmas cards by regular mail to distant points in the United States to assure delivery before Christmas.

The postmaster also suggests that Christmas cards be mailed first class (5 cents postage) since the cards will be returned to the sender if undeliverable for any reason — in any case, however, the return addresses should include the ZIP code number of the sender (in Chelsea it is 48188).

In a special request directed to rural patrons the postmaster says "Please be sure to buy your stamps in advance and place them on your cards and letters before putting them in the box for collection. Postal regulations require that rural patrons put stamps on all greeting cards and letter mail during the month of December. Your carrier has a supply of stamps and you may buy them from him."

All Post Office patrons — rural and city, can further assist by separating their cards for local and out-of-town delivery.

Basketball Season Opens

(Continued from page one)

Oren Wireman, 5'9", 165, senior, from the JV squad of last year, Oren is a never-say-die hustler who may find himself playing — a great amount of time at the guard position. His desire to play is making him a good shooter and field general. Defense needs some working on though.

Tom Steele, 5'10", senior, another ex-JV making his first appearance with the varsity. Tom has fine moves from the forward position. He scores with ease on layups and drives and rebounds with the best of them.

Jim Orbring, 6'0", junior, is a bright prospect at the forward position. He has a good jump shot and handles the ball well. Needs work on defense, also. Will give the starting forwards a hard time all year with his playing.

Gary Houle, 5'10", junior, will play the guard or forward position. Moves well on the fast break — can set up the wingmen real well. Gary has quick reflexes which helps him when the bigger and stronger boys are playing against him.

Tom Wojcik, 5'10", junior, a transfer student who has lettered in both his freshman and sophomore year at Whittemore-Prescott. Tom will play the guard position. He is a left-hander, strong and fast. When he adapts to our style of play Tom will help considerably. He plays a good defense and is developing a good shot.

Jim Cameron, 5'10", senior, captain of this year's squad, has a broken hand which will keep him out of action for the Jackson-St. Mary game, at least. Jim, of course, is a real veteran — three years of varsity experience. He definitely will be a tough all-around competitor when he returns to action.

Charles Schmunk, 6'1", senior, is the fastest and potentially the best basketball player we have. Charles will play at a guard position this year because of quick moves and aggressive play. An exciting performer who could be as good as Parley.

Dave Clark, 6'2", junior, was JV last year who will give Windell some competition at the center position. Dave is a good rebounder and can shoot with the best of them.

Gary Dresch, 5'10", senior, a started last year who will have to perform for better than year to keep his job. Gary has the best shot on the team when he is hitting. As a ball handler the Bulldogs have no equal — in fact — he takes out his own teammates with his left maneuvers with the ball.

Dennis Stoffer, 6'2", senior, a returning letterman who plays the forward position. Just returned to practice after having a cast removed because of a broken thumb. Will give all of our forwards competition in shooting and rebounding.

Dick Laubon, 6'9", senior, a returning guard, will provide us with good backing at the guard position. An explosive player who can play a real fine game when he is shooting well.

These are the personnel that will lead the Bulldogs varsity this year. All of the boys will have to give 100 percent in every game in order to insure victory for the schedule is a tough one. Quite a few new teams have been added to the schedule and all are good. New on the schedule are: Dundee, Lincoln, South Lyon, Jackson St. Mary, Brighton, Vandercook Lake, and Michigan Center. The foes of the past still on the schedule are Dexter, Saline, and Stockbridge.

Southeastern conference members are: Chelsea, Saline, Dexter, South Lyon, Dundee, and Lincoln. A week from Friday, Dec. 11, the Bulldogs open their home season with Dundee who was undefeated in regular season play last year.

The Junior varsity squad will make their debut this Friday, also. Fred Mills is the coach. Team members include: Tom Kern, Don Salver, Dan Parsons, Rick Salver, Paul Lancaster, Bill Harvey, Kim Flintoff, John Lixey, Bob Smith, Eric Bozendorfer, Jim Henry, Wes Steingalar, Bob McKinley, David Blass, Jeff Hitchingham, Pete DeFanti.

Mr. and Mrs. Norman Perkins plan to leave next Wednesday for Montebello, Calif., where they will spend the winter.

Mr. and Mrs. John Berman and children who had been living at North Lake, have returned to their home in Australia. Mr. Berman was on a sabbatical leave from the University of Australia and had been working at the University of Michigan the last half of his year in the United States. Their sons, Jeremy and Jonathan had attended North Elementary school since September — Jeremy in the fifth grade and Jonathan in the first grade.

Mrs. F. Mayer Seeks Post On Community College Board

Mrs. Florence Mayer, who has been on various committees the past several years in connection with the county-wide movement to establish a community college, has filed a petition with the county clerk's office at Ann Arbor to have her name placed on the ballot as a candidate for trustee of the proposed Washtenaw Community College.

MRS. FLORENCE MAYER

An election on establishment of the college and selection of trustees is scheduled for Jan. 15. Mrs. Mayer, who has operated the A. D. Mayer Insurance Agency since the death of her husband, is a former Chelsea High School teacher and Chelsea School Board member. She has lived in Chelsea since 1930.

While serving on the School Board and for a year afterwards, she was one of the members of a curriculum committee who made a survey of Washtenaw county schools. She also served on curriculum committees of Chelsea Junior and Senior High schools and on an educational needs committee of the citizens' survey to determine the possibilities of a community college for the county. After that group reported a need and support for the new facility in September, 1963, she was named by the Chelsea Board of Education to the citizens' implementation committee for a community college on which she now serves. Mrs. Mayer graduated from the

University of Michigan in 1938 and then taught in Chelsea-High school for three years. Before and after completing five years as a member of the School Board (three years as treasurer of the Board) she has served for 15 years as a substitute teacher. She has also taken additional courses at Eastern Michigan University.

Out-county persons interested in the promotion of a community college urged Mrs. Mayer to become a candidate for trustee since they felt it important to have representation from this area on the board of trustees. They are hopeful candidates will also be placed on the Jan. 15 ballot from the Manchester-Dexter area.

Mrs. Mayer served on the Chelsea School Board from 1947 until 1952.

She was a founding member of the Chelsea Parent-Teacher Association, president and chairman of the county committee of the Chelsea Girl Scouts for 10 years, and secretary of the Chelsea Community Chest for three years. She is now active in the fund drive for county Humane Society expansion.

The petition filed by Mrs. Mayer contained 80 signatures. Any registered elector may become a candidate by filing a minimum of 50 and a maximum of 200 signatures of electors. Blank petitions are available from the Community College office, 1100 S. University, or from the county clerk's office. Candidates will be on the same ballot with proposals to create the college and to authorize 1.25 mills of taxing power.

Mrs. Mayer's family includes a daughter, Mrs. James R. Grau (Nancy), a teacher at Chelsea's North Elementary school, and a son, Daniel, a senior at Oberlin College, Oberlin, O., majoring in government.

Masons Install . . .

AREA DEATHS

Archie E. McCloy
Dies at Methodist Home
Shortly After 91st Birthday

Archie E. McCloy, a resident of the Methodist Home since Jan. 14, 1957, died there Friday morning. His 91st birthday had occurred on Monday, Nov. 23. He came to the Home from Akron, Mich., and was a member of the Fairgrove Methodist church.

He was born Nov. 23, 1873, at Grand Bend, Ontario, a son of Alex and Ann J. Baird McCloy. On May 31, 1901, he married Frances M. Biles. She died in 1958.

Survivors of Mr. McCloy are a daughter, Mrs. Frances DeSmyster, and two grandsons, Richard and Keith DeSmyster, all of Detroit.

Funeral services were held at the Methodist Home Chapel at 10:30 a.m. Monday with the Rev. Robert H. Benedict, of Akron, and the Rev. John Fall, assistant administrator at the Home officiating.

Graveside services were held at Brookside cemetery, Fairgrove, Mich., where burial took place. Arrangements were in charge of the Burghardt Funeral Home.

Mrs. John Hertlein
Unadilla Area Resident
Dies at U-M Medical Center

Mrs. Maude A. Hertlein, 86, of Kaiser Rd., Unadilla, died at 1:55 a.m. Wednesday at University Medical Center, Ann Arbor, where she was taken shortly before midnight Tuesday. She had been a patient in the Sunnyview Convalescent Home in Willow Run for the past three weeks.

She was born April 22, 1878, at Flat River, Mo., a daughter of Harvey and Harriet Yount Hall. She had lived in the Chelsea area for the past 30 years, the past 22 years at the present address.

She is survived by her husband, John, to whom she was married 63 years ago; five sons, Harvey and John in California, Joseph and Armon, both of Detroit, and Eugene in Jacksonville, Fla.; six grandchildren; five great-grandchildren; and two brothers, Armon and Hugh Hall, both in California.

Funeral services were held at 2 p.m. Saturday at the Staffan Funeral Home in Chelsea with the Rev. John Jeffrey officiating. Burial took place at Unadilla cemetery.

Raymond D. Gadd
Suffers Fatal Heart Attack
Last Wednesday Evening

Raymond D. Gadd, 75, died suddenly of a heart attack at 10:50 p.m. Wednesday, Nov. 25, at St. Joseph Mercy Hospital, Ann Arbor.

An insurance broker, he lived in Chelsea from 1939 until 1949 when he moved to 7837 Jackson Rd. in Selo township. Prior to coming to Chelsea he had been personnel manager of Jackson Steel Products Co. and Kelsey-Hayes Wheel Co. for 20 years.

Born May 6, 1889, in Bridgewater township, he was a son of Charles and Mary Tate Gadd. He was married at Clinton May 20, 1923, to Elizabeth Wetmore, who survives.

Also surviving are a son, Dwight of Owosso; a daughter, Mrs. James Keegan (Ethelyn), five grandchildren; and a brother and sister, Clifford Gadd of Saginaw and Mrs. Sam Inkster of Jackson.

Funeral services were held at 2 p.m. Sunday at the Staffan Funeral Home here with the Rev. Robert Livingston officiating. Burial followed at Riverside cemetery in Clinton.

Mrs. Adolph Aue
Former Area Resident
Dies Nov. 20 in Cincinnati

Mrs. Adolph Aue, a former resident of this area, died Friday, Nov. 20, at the Baptist Home in Cincinnati, O. She was 79 years old.

The former Jennie Rothman, she was born at Dansville, Ind., July 1, 1885, a daughter of William and Christina Catherine Gretzinger Rothman, and came to Waterloo with her parents in 1893.

She was employed in Chelsea for approximately five years before going to Cincinnati where, on Sept. 1, 1909, she was married to Adolph Aue. Her husband, a mail clerk in the Cincinnati Post Office for 41 years, died March 3, 1964. They had observed their golden wedding anniversary in 1959.

Both were members of the United Brethren church in Cincinnati. Mrs. Aue is survived by one brother, Gottlieb Rothman of 15350 Seymour Rd., Waterloo, and a number of nieces and nephews.

Funeral services and burial took place at the Baptist Home in Cincinnati.

place Monday, Nov. 23, at Cincinnati.

R. B. Dexter

Former Chelsea Merchant
Dies After Fall in Houghton

R. B. Dexter, 69, of Atlantic Maine, Mich., a former Chelsea businessman, died Tuesday, Nov. 24, in a Hancock hospital following a fall in Houghton.

Dexter operated a grocery and meat market in Chelsea between 1929 and 1955, moving to Atlantic Maine three years ago to live with a daughter, Mrs. Jean Doll.

He was born Aug. 21, 1905, at St. Johns, and married Blanche Curry on Nov. 6, 1924. She died Oct. 14, 1959.

In addition to Mrs. Doll, survivors are two sisters, Mrs. Jennie Kurehar and Mrs. Blanche Halley, both in Florida, and six grandchildren.

Funeral services were held at 10 a.m. Saturday at the Staffan Funeral Home in Chelsea. Burial followed at Oak Grove cemetery.

Carl L. Jones

Operated Gravel Business
Before Recent Retirement

Carl L. Jones, 75, died Saturday at St. Joseph Mercy Hospital, following five weeks of illness. He had operated a gravel and excavating business in the Chelsea-Dexter area until his retirement three years ago.

Born June 24, 1889, at Saunemin, Ill., he was a son of Merese B. and Phoebe Trout Jones. He was married Oct. 22, 1910, at Saunemin, Ill., to Elsie Haag. They celebrated their 50th wedding anniversary in 1960. They have made their home the past 24 years at the present address, 7628 Toms Rd., Dexter township. They have lived in the Chelsea-Dexter area for 44 years.

Survivors are his widow; two daughters, Mrs. Stephen Slane (Viola) of Chelsea and Mrs. Kenneth (Inez) Anale of Whitmore Lake; three sons, Raymond V. and Eldon C. Jones of Dexter, and Leonard B. of Whitmore Lake; 29 grandchildren; 22 great-grandchildren; and one brother, Ronald M. Jones of Ann Arbor.

A son, Donald L. Jones, died in 1952 and a daughter, Mrs. Carl Davison (Diana) died in 1962.

Funeral services were held at 2 p.m. Tuesday at the Staffan Funeral Home with the Rev. Wilber Silvernail officiating. Burial followed at Mt. Hope cemetery, Waterloo.

Funeral services were held at 2 p.m. Saturday at the Staffan Funeral Home here with the Rev. Robert Livingston officiating. Burial followed at Riverside cemetery in Clinton.

Funeral services were held at 2 p.m. Sunday at the Staffan Funeral Home here with the Rev. Robert Livingston officiating. Burial followed at Riverside cemetery in Clinton.

Dancer Retires...

(Continued from page one)

in the Post Office, each mail train was met by a man, pushing a hand cart, who was employed to deliver it to the office for distribution. One who was a familiar figure for a number of years was Roswell "Ros" Gates, Dancer said.

Dancer had intended to work for awhile and then go to a college or university; however, in the spring of 1922 he had the opportunity to begin work with the Post Office and remained there, making it his life-time career. He continued his education by taking an accounting course by correspondence and also enrolled in college extension courses.

Reminiscing about his years in the postal service, Dancer mentioned some of the early rural delivery carriers. These included Schuyler Foster, Bert Taylor and Ed Weiss. The latter, Dancer said, was one of the first to change his mode of travel from the horse and buggy to a Model T Ford car.

Dancer said Weiss continued to use the Model T for his mail delivery even after he acquired other cars. Weiss often sent the youthful Dancer to get his car from a downtown garage where he kept it—the car had to be cranked and Dancer had several near accidents when the car started forward unexpectedly as he was cranking.

During the war years Dancer was assigned to be in sole charge of the sale of war bonds, all of which then were sold only through the Post Office. Dancer often issued and checked out as much as \$40,000 worth of bonds through direct sales and through the payroll plan in area industries.

He said he has made many good friends through his contacts with patrons of the Post Office and that he had enjoyed meeting people in his work.

Dancer has long been active in Masonic circles—he is a past master of Olive Lodge No. 156, F&M and has served as its secretary for 19 years. He also is a past high priest of Olive Chapter No. 140, Royal Arch-Masons, and a past patron of Olive Chapter No. 105, Order of Eastern Star.

He is a member of all the York Rite bodies in Masonry. He observed their 25th wedding anniversary. They are members of the First Methodist church.

Their family includes two daughters, Carol, at home, and Sharon, now Mrs. Ralph Owens of Plymouth. There are also two grandchildren, Scott and Lee Anne Owings.

He and his wife, Betty, have observed their 25th wedding anniversary. They are members of the First Methodist church.

School Needs...

(Continued from page one)

moving in a direction to correct this condition.

However, the Board also recognizes that the elementary schools are near capacity. With these many problems in mind, the Board has determined that the most immediate need is the critical shortage of space at the Senior High school.

The Board of Education once again reminds all individuals and groups that members of the Board are prepared to attend meetings to answer all questions pertaining to these problems and the approaching bond election.

Club and Social Activities

PEARL BAXTER CIRCLE
Pearl Baxter Circle of the Meth-
odist Woman's Society of Christ-
ian Service was entertained for
the November meeting at the
church parsonage. Hostesses in-
cluded Mrs. James Craig, Mrs. Ir-
win Klump and Mrs. Robert Dan-
iels.
The devotional service and
program were presented by the
group's chairman, Mrs. Howard
Walt, and Mrs. John Polts.
Program topics were "Disciples-
and Missionaries Serving the New
Age."
Marion Shaw Circle members are
to be guests at the Pearl Baxter
Circle meeting to be held Dec. 10
in the church social center. The
gathering will include a luncheon
at 12:30 p.m.

DELAY IN A-ARMS PACT
The United States is resigned
to a stretch-out in the time-table
for concluding a draft agreement
on formation of seaboard nuclear
missile force within the Atlantic
Alliance. After a conference with
Secretary of State Rusk, Belgian
Foreign Minister Spaak said that
French opposition to the nuclear
force pact had opened up a lot
of questions that would take time
to answer.

TIPS
for your
TOP
from
TODDY and FRAN
All year long our aim is to
make our customers' lives pleas-
anter, but particularly this time
of year, we think we're equipped
to do it. After all, what can be
puzzling now getting a tip that
can make your Christmas
shopping a cinch? An appoint-
ment with beauty is something
every lady every day would
love. Why not buy gift-certifi-
cates for the ladies on your list?
Or while you're keeping your
own appointment, select from a
number of appealing gifts we
have in the shop. It's the relax-
ed way to approach Christmas,
and we're open evenings, ex-
cept Saturday.

25th WEDDING ANNIVERSARY
Mr. and Mrs. Clarence Nicola
of near Grass Lake, were hono-
red Sunday at a family gathering at
their home in observance of their
25th wedding anniversary. Ar-
rangements for the affair were
made by sisters and brothers of
the couple and their families.
Mrs. Nicola is the former Es-
ther Bahnmiller, whose parents
were the late Mr. and Mrs. Fred
Bahnmiller. Mr. Nicola is the son
of Mrs. Christina Nicola and the
late Albert Nicola.
They were married Nov. 30, 1939,
at the parsonage of St. Paul's
United Church of Christ with the
Rev. P. H. Grabowski officiating.
Both are life-long members of St.
Paul's church.
Among those present Sunday
were Mrs. Nicola's sister, Mrs. Al-
fred Schneider (Freida) and Mr.
Nicola's brother, Paul, who were
the couple's attendants at their
wedding 25 years ago.

VFW AUXILIARY
A regular meeting of the Veter-
ans of Foreign Wars Ladies' Auxil-
iary to Post No. 4076 was held
Nov. 23 at the K. of C. Hall with
eight members and one guest pres-
ent, the guest being Laura Geer, a
former member of the Chelsea
Auxiliary. Now a resident of Cali-
fornia.
During the business meeting it
was voted to give a donation to
the Chelsea Community Chest; also
a donation was sent to the VFW
National Home at Eaton Rapids
for the Christmas seals which in
turn contribute to the support of
the orphans of VFW comrades.
Auxiliary President Thelma
Franklin appointed Eulabee Pack-
ard as Loyalty Day chairman. The
purpose of Loyalty Day which is
May 1, is designated to "dedi-
cate ourselves to our American
way-of-life." It was suggested
that on this day flag presentations
be made to schools, churches,
youth groups, Senior Citizens and
municipal buildings; urge mer-
chants and citizens in the community
to own and display the American
flag; have parades, floats, queens
and speakers for the programs
from among military or govern-
ment officials.
The next Auxiliary meeting will
be Dec. 14 and this will be a com-
bined business and social meeting.
Each member is asked to bring a
50-cent "White Elephant" item; al-
so an item for a needy family
basket to be presented at Christ-
mas time.

AGRICULTURAL ENTREPRENEURS
Agricultural Entrepreneurs
Farm Bureau has made arrange-
ments for the annual Christmas
party which is scheduled to be
held at Lima Center Community
Hall Friday, Dec. 11. A pot luck
supper at 6:30 p.m. will be fol-
lowed by a gift exchange and a
visit from Santa Claus for the
children. Meat and coffee for the
supper is to be furnished.
Plans were finalized at a meet-
ing held Nov. 19 at the home of
Mr. and Mrs. Harold Weeks with
10 families present.

On Friday, Mr. and Mrs. Charles
Ritter were called to Pittsburg,
Kan., because of the death of the
former's mother, Mrs. Charles Rit-
ter, Sr.

MODERN MOTHERS
Modern Mothers Child Study
club will have a Christmas gift ex-
change at the meeting scheduled
for next Tuesday evening, Dec. 8
at the home of Mrs. William
Adams.
Co-hostesses for the meeting will
be Mrs. Merle Leach and Mrs.
Clarence Wood.

The Nov. 24 meeting of the club
was held at the home of Mrs. Don-
ald Mshar with Mrs. Donald Busa-
ter as co-hostesses.
The evening's guest speaker was
Dr. C. D. Gingles, DDS, of Ann
Arbor, who showed slide pictures
taken during his two months of
duty aboard the hospital ship
Hopo, in Peru. He described the
ship as a "floating teaching hos-
pital" which operates on private
donations with one exception —
the U. S. Government donated the
ship.

CHELSEA SUBURBANETTES
Suburbanettes Extension Study
group met at the home of Mrs.
Elvin Leach Thursday evening.
Present were 14 members and one
guest, Mrs. David Satterthwaite
assisted as co-hostesses.
Mrs. John Laraway reported
that the date secured for the Y-
santi State Hospital Christmas
party is Dec. 8 at 2 p.m. She also
stated that the group would have
a different ward than previously.
This ward is a needy male ward
of 120 patients.
A lesson on "Water Conserva-
tion" was given by Mrs. Frank
Sweeney and Mrs. Melvin Leach.
They itemized the sources, supply
and uses of water. They pointed
out that of an annual average of
24 inches of rainfall all but about
eight inches is lost through evap-
oration. This eight inches is what
is left to utilize and it can't be
stressed enough not misuse it. It
was pointed out that all of Michi-
gan's lakes were formed during the
Ice Age when the glaciers with-
drew from the area causing water-
filled depressions.
A few years ago one could drink
from most any lake or stream
without fear of disease, but now
the water is becoming so polluted
that even the deepest wells should
be checked often against impuri-
ties. Due to a lowering of the
water-table each year, seven states
now draw water from the Great
Lakes for residential and commer-
cial use—perhaps sometime in the
future Michigan will have no lakes,
steps are being taken to in-
form the public about how pre-
cious the water is. They also pointed
out that a water testing program
is available through the county
Health Department. For testing
the water the sterilized bottles
provided by the county should be
used; also the best time to test
water is in the winter, due to bac-
teria loss during the summer heat.
The Christmas meeting is to be
a 7:30 p.m. potluck supper on
Dec. 17 at the home of Mrs. Edwin
Lantis.

Miss Sarah Benter of Francisco,
spent Wednesday with her sister,
Mrs. Floyd Rowe and they planned
to go to Ann Arbor in the after-
noon to visit their sister Mrs.
Ella Hamill of Grass Lake, who
submitted to major surgery Mon-
day at St. Joseph Mercy Hospital.
She had entered the hospital Sun-
day.

Dorothy Defant, Andy Fletcher Exchange Vows

Announcement is being made of
the marriage of Dorothy Defant
and Andy Fletcher which took
place Saturday, Nov. 14, at 7 p.m.
at Zion Lutheran church, Rogers
Corner, with the Rev. C. J. Ren-
ner officiating.
The couple's attendants were Mr.
and Mrs. Ralph Fletcher.

The bride is the daughter of
Mrs. Peter Defant and the late
Mr. Defant. She is a graduate of
Chelsea High school and is em-
ployed in the office at Central
Fibre Products Co.
The bridegroom, who is the son
of Mrs. May Fletcher, completed
an enlistment in the U. S. Army in
July. He is now employed at
Ford's service station.

Only immediate families of the
couple were present for the cere-
mony. A reception for 60 guests
was held later at the clubhouse of
the Chelsea Rod and Gun club.

The new Mr. and Mrs. Fletcher
are residing at 151 Park St.

Herold-Davis Vows Repeated at Addition

Friends here have received word
of the marriage of the Rev. E. O.
Davis to Mrs. Blanche Herold of
Addison which took place at Addi-
son on Sunday.
The Rev. Davis formerly served
as pastor at three Chelsea area
churches—Salem Grove Methodist
and later, St. John's United
Churches of Christ at Francisco
and Rogers Corners — and is cur-
rently pastor of a church at Port-
land, Ind.

Two Area Students Named to Dean's List

Two Chelsea students were
among the 254 who were named to
the Dean's Honor List for the sec-
ond semester of the 1963-64 school
year at Albion College. The two
are Ellen Fisher, daughter of Dr.
and Mrs. J. V. Fisher, and Marilyn
Fujot, whose parents are Mr. and
Mrs. Jack Pfeiffer.
To qualify for the honor of be-
ing included on the list, the stu-
dent must have attained a 2.8
average for the semester.

SETS WEDDING DATE: The engagement of Nancy Lee Schmitz, formerly of Chelsea, to Robert Guenther of Bridge- water is being announced by Mr. and Mrs. William Neilly of Sa- lmon. This bride-to-be is the daughter of Mrs. Neilly and the late Raymond Schmitz while the parents of her fiancé are Mr. and Mrs. Arnold Guenther. Miss Schmitz attended Saline High school and Mr. Guenther gradu- ated there in 1964. He is now em- ployed at the Ford Motor Co. Rawsonville plant. The couple will be married Jan. 2 at St. Paul's United Church of Christ in Chelsea.

Facts are very often stubborn
things and well concealed.

SHRINKING SILHOUETTES
Shrinking Silhouettes Chapter
of TOPS (Taking Off Pounds Sen-
sibly) was scheduled to hold a
meeting yesterday at Dexter Meth-
odist church social center. A low
calorie luncheon was to be served
at noon, the honored members be-
ing the winning "team"—a group
of six members who have lost the
most weight.
Hostesses for the luncheon were
Mrs. Roy Couch and the members
of the losing group.
The Nov. 26 meeting also was
held at the church center. Hostess
for that meeting was Mrs. Harold
Little and the "queen" for the day
was Mrs. Clara Reinhardt.
The Dec. 2 meeting, to be held
at the church center with Mrs.
Reva DeBrunner as hostess, will in-
clude election of officers.

cake.
Friday, Dec. 11—Fish on a bun
with tartar sauce, potato chips,
cabbage salad, pudding.

Lawrence Guinans Honored Saturday on 40th Anniversary

The 40th wedding anniversary
of Mr. and Mrs. Lawrence Guinan
of Sugar Loaf Lake was observed
Saturday at an open house recep-
tion held at the Knights of Colum-
bus Hall beginning at 2 p.m.
The open house was arranged
by the couple's son and daughter,
Lawrence Guinan, Jr., of Chelsea,
and Mrs. John Parks of Munith.
The couple's family also includes
11 grandchildren.
Mrs. Guinan is the former Kath-
ryn McGuire. She and Mr. Guinan
were married in Cleveland, O., Nov.
27, 1924. They have lived in this
vicinity the past 25 years.

CHS Wrestlers Opening Season Thursday Evening

Wrestling matches begin tonight (Thursday) at 7:30 p.m. in the Chelsea High school gymnasium, when wrestlers from Hudson come here for the opening of Chelsea's first varsity season. Wrestling was offered last year on a trial basis only.

Returning lettermen this year include five seniors—Dave Priest, Dick McCall, Paul Huber, Bob Snyder and Jeff Spaulding.

Other returning lettermen are Juniors Doug Young and Ken Loftquist and Sophomores Tom Bowling and Mike Funderburgh.

A 14-match schedule has been set up with the second match of the season to be held at Clinton next Thursday, Dec. 10, at 7:30 p.m.

Classes for competition are arranged by weight as follows: 95 lbs.; 103 lbs.; 112 lbs.; 120 lbs.; 127 lbs.; 133 lbs.; 138 lbs.; 145 lbs.; 154 lbs.; 165 lbs.; 180 lbs.; and unlimited (or heavy-weight) class.

Richard Dusseau is the wrestling coach in charge of the varsity competition.

Record Number of 730 Students Eat Turkey At School Cafeteria

A total of 730 students were served in the school cafeteria at the high school and elementary school at the turkey dinner Wednesday, Nov. 25. This was believed to be an all-time record.

In addition to the traditional turkey, mashed and sweet potatoes, cranberries and salad, the menu was topped with home-made pumpkin pie.

All the food is cooked at the high school and that for the elementary school is transported to the school and served by the three elementary school cafeteria workers—Mrs. Ed. Akin, Mrs. Arden Musbach and Mrs. Wesley Ellenwood.

In charge at the high school cafeteria are Mrs. Duane Weas, Mrs. Lorenz Wenk, Mrs. Herman Ashley and Mrs. Ralph Frisch.

The average daily number of students who eat school lunches is from 450 to 500.

When those in charge at the high school began to have indications that a greater than usual number could be expected to eat lunch at the Wednesday "Thanksgiving dinner," they made plans accordingly and everything went smoothly with all getting generous servings.

Planning for the future is the only way to improve the future.

Civil Defense

Assessing Fallout

A study was made by the St. Louis Committee for Nuclear Information. This voluntary organization of physicians and scientists has been assessing fallout hazards since 1958. Some of its work is financed by U. S. Public Health Service grants.

One of its most effective means of measuring year by year the ingestion of radionuclides in the analysis of baby teeth at the Washington University (St. Louis) School of Dentistry.

It was a simple way of collecting human material for measuring exposure to Strontium 90 by a large group in the population. Strontium 90 accumulates in the teeth as readily as in bones.

St. Louis Public and Parochial Schools helped in the baby tooth roundup. Teachers and parents were asked to persuade children to save "deciduous" teeth as they fell out and bring them to the teacher who forwarded them to the laboratory for analysis.

About 160,000 baby teeth have been collected in St. Louis and adjacent communities in Missouri and Illinois.

Trout Stock Released in Area Lakes

The Pinckney Recreation office at Silver Hill was notified by the Jackson office of the Fish Division that 7,200 rainbow trout were released in Half Moon Lake last week. The fish are about seven inches long.

Trout were planted several years ago in Brin Lake and have moved through the channel into Pinckney and Big and Little Portage Lakes.

On Nov. 18 and 19 according to Michael Crisovan of Newport Beach Club, the Conservation Department dumped 19,000 rainbow trout in Portage Lake at the Club beach. The first 12,000 ranged from 6 1/2 inches to 7 1/2 inches and 7,000 of the fish ranged up to 10 1/2 inches in length.

LIMOUSINE SCHOOL BUS

Middleton, Mass.—Bradburn Barrows, 18, drives a shiny, black, 12-cylinder Lincoln limousine that's 19 1/2 feet long and decked out like a living room. Barrows said he has had as many as 17 passengers in the make-shift school bus. The 1939 model car is expensive to drive—it gets less than eight miles to the gallon.

Tractors and other farm machinery are the greatest killers on American farms. According to the U. S. Department of Agriculture, 37 percent of all accidental deaths on farms are caused by machinery.

Businessmen, Banker, Lawyer Named to Michigan's New State Highway Committee

Two businessmen, a banker and an attorney will serve on Michigan's first State Highway Commission appointed recently by Gov. George Romney.

The Commission was appointed under provisions of the new Michigan Constitution which abolished the position of elected State Highway Commissioner.

John C. Mackie of Flint, who has held the post since 1957, takes office in January as U. S. Congressman from Michigan's new Seventh District (Genesee and Lapeer counties).

Members of the new bi-partisan commission include Republicans Ardale W. Ferguson of Benton Harbor and Wallace D. (Mike) Nunn of East Tawas and Democrats Charles H. Hewitt of Grosse Pointe Farms and Richard E. Vander Veen of Grand Rapids.

Ferguson, designated by Gov. Romney to serve as Chairman of the Commission, was born in the Kent county community of Cedar Springs. He is 56 years old. He joined the John Deere Co. in 1929 and was a sales executive in its Michigan branch headquarters in Lansing.

Since 1950, he has served as treasurer and manager of the Ferguson-Welding and Supply Co. of Benton Harbor. He is also treasurer and director of the Lapeer Steel Stores, Inc. of Benton Harbor and treasurer-director of Modern Light Metals, an Illinois firm that has a plant in Benton Harbor.

He has been active in Benton Harbor civic affairs and served

as president of the Twin Cities Community Chest in 1950. From 1957 to 1961 he was treasurer of the Republican State Central Committee. Gov. Romney named him to the Michigan Economic Expansion Council in 1963 and he was elected to the Benton Township Board of Review the same year.

Ferguson and his wife are the parents of three married daughters.

Nunn, who is 55, was born in the Iosco county community of Hale. He attended Ohio State University and Michigan State University. From 1931 to 1941, he was with the Michigan Department of Conservation. He was Assistant District Supervisor at Roscommon. Since 1941, he has owned a hardware and sporting goods store.

Nunn has been a member of the Iosco County Road Commission since 1950. He served as president of the Michigan County Road Association in 1961 and has been president of the Tawas Chamber of Commerce three times.

He and his wife, Edna, are the parents of a married daughter and an eight-year-old son.

Hewitt, 64, has been president of the Detroit Bank & Trust Co. since January of 1949. He joined the bank in 1938 as vice-president and served as executive vice-president from 1951 to 1963.

He began his financial career in the early 1920's with the State Savings Bank and Detroit Edison Co. in Ann Arbor and the old Oakland Motor Car Co. in Pontiac. He later managed the Detroit Loan Agency and worked as an examiner for the State Banking Commission. He served as Deputy State Banking Commissioner in 1937-38.

Hewitt is past president of the Michigan Bankers Association and the Detroit Clearing House Association.

He and his wife are the parents of two married daughters.

Vander Veen, 42, was born in Grand Rapids. He served in the Navy for five years during World War II and for two years during the Korean conflict. He graduated from the University of South Carolina in 1946 and Harvard Law School in 1949 and has practiced law in Grand Rapids since then. He is a member of the law firm of Vander Veen, Priehofer and Cook.

Vander Veen was an unsuccessful candidate for U.S. Congress in the Fifth District in 1958 and for Lieutenant Governor in 1960.

He served as a member of the Michigan Mental Health Commission from 1958 to 1963 of which he was chairman in 1963 and is active in Grand Rapids civic affairs.

Vander Veen and his wife, Marion, are the parents of three sons, ages 13, 11 and 9.

Traffic accidents cause injuries that hurt, bleed, and produce physical ailments that could last a lifetime. It's worth your while to try to prevent accidents—not just talk about them.

Cindy Roby, 17, Harper Woods Regina High graduate, is serving as honorary state chairman of Michigan's 1964 Christmas Seal campaign. A recovered TB victim, Cindy was hospitalized six months, is visiting TB sanatoriums to encourage the 2,500 in Michigan now under TB treatment.

Michigan Reports Record Summer Tourist Business

Lansing — Summer tourist business in Michigan climbed an average 12 percent over last year's record levels, according to a survey, just completed, by the Michigan Tourist Council.

"It now appears that total tourist business for calendar 1964 will be about \$800 million," said Council director William T. McGraw.

This compares to an estimated \$727 million in calendar 1963.

Winter business in early 1964 showed an increase of only about two percent over 1963 because of marginal weather for winter sports during much of the period.

"Excellent weather early in the summer season sparked a recovery from the slow start and it now appears certain that we will have an over-all increase in business this year of more than 10 percent," McGraw said.

Participating in the Council summer survey were more than 66 communities, attractions and tourist groups.

Among the indicators which reflected the summer increase were:

—Inquiries for Michigan Tourist Council vacation planning literature up more than 26 percent for the year through September.

—Mackinac Bridge traffic up more than five percent for the year, up more than six percent in July and more than 13 percent in September. August showed some decline attributed by bridge officials to a lengthy rainy period.

—Highway traffic volumes up more than eight percent through August.

—Camping in state parks up eight percent and over-all camp use up two percent as of mid-August. Turnaways of campers because of lack of space wins up

Brownies...

TROOP 247—

The 25 Brownie Scouts of Troop 247 entertained their mothers, brothers and sisters at tea on Tuesday, Nov. 24. The cookies served at the tea were baked by Mrs. G. R. Akin and Mrs. Glenn Allen, who came to the meeting on Nov. 10 to assist. Three kinds of cookies—peanut butter, sugar and chocolate chip—were served. Susan Allen and Cindy Frisbie "poured" at the tea table. Sharon Schiller, Kim Miles, Joanne Popovich, Brenda Hatley, Bridgette Grohnert and Shelly Porath presented the flag ceremony for the program and three songs were sung by the troop. Canned goods were collected for the Social Service as a Thanksgiving service project.

Troop officers for November were: Debbie Bertke, president; Joanne Popovich, secretary; Linda Harner, treasurer; Vicky Sager, scribe.

TROOP 143—

Brownies of Troop 143 were invested by their leaders, Mrs. Gene Shoemaker and Mrs. Donald Fritz at a ceremony held Monday afternoon at St. Paul's church.

The investiture included answers by each girl to the question, "Why do you want to be a Brownie?" Each girl also was asked to repeat the "Brownie Promise" and was then given her Brownie pin.

After all the girls had received their pins the Brownies formed a ring around the "wishing pool." Brownies and their mothers were served refreshments and then the girls played games, sang several songs and then had their closing ceremonies.

Gene Shoemaker, scribe.

7. Solomon.
8. Ancient names for China, Greece, Russia and Iran.
9. Yes. They are made into women's shoes and handbags.
10. And-Zouq or "the dry belt."

Thieves Take Money from Girl Scout Council Office

Ypsilanti — The Huron Valley Girl Scout Council, 310 S. Huron, Ypsilanti, was entered over the Thanksgiving holiday.

Five checks in the total amount of \$31.50 and \$54.82 of petty cash were taken.

Officers from the Ypsilanti Police Force are investigating the robbery which shows signs of forced entry.

Normally all cash is deposited daily.

The fault of the younger generation stems from the faults of the older generation.

+ Services in Our Churches +

CONGREGATIONAL CHURCH
(United Church of Christ)
The Rev. R. A. J. Livingston, Pastor

Wednesday, Nov. 25—
Saturday, Dec. 5—
10:00 a.m.—Junior choir rehearsal.

Sunday, Dec. 6—
Church School and worship service. Sermon topic: "From Meager Beginnings." Adult group will be joining the church.

Wednesday, Dec. 9—
9:00 a.m.—Ruth Naomi Chapter at the church.

Thursday, Dec. 10—
8:00 p.m.—Esther chapter at the church.

BETHEL EVANGELICAL AND REFORMED CHURCH
(United Church of Christ)
Freedom Township
The Rev. T. W. Menzel, Pastor

Sunday, Dec. 6—
10:00 a.m.—Worship service.

FIRST CHURCH OF CHRIST
SCIENTIST
1833 Washtenaw Ave., Ann Arbor

Sunday, Dec. 6—
11:00 a.m.—Morning service.

Bible lesson-sermon topic: "God the Only Cause and Creator."

Golden text: "Have we not all one father? hath not one God created us?" (Mal. 2:10).

STEAM FRESHEN
To steam-freshen garments, hang them in the bathroom, turn on the hot water faucet and keep the door closed briefly. Then let the clothes air and dry before wear.

If you can keep from being envious and jealous of your fellowman you are approaching the outskirts of civilization.

Just A
Minute...

By the Rev. James A. Craig

The silent sentinels again survey the streets. Candy canes salute. Greens sprouting from lamp poles try desperately to look like trees.

Santa Claus has arrived in most places by now.

The children are getting more excited. Their parents get more anxious.

Churches and homes are being decorated.

These things representing Christmas are now with us. For some they are here too soon, for others not soon enough.

Long ago a man closed the Old Testament and prepared the way for the New. He could read the signs.

Malachi wrote the prophecy of one who is to come, making preparation. Through him—God says, "Lo, I send my representative to clear the way for me."

For some it was too soon, for others not soon enough.

So the time is one of preparation. We prepare our streets and stores, our homes, our churches. We also prepare ourselves.

This in order that the season be what it should—one to which we can look eagerly—rather than one in which to be too tired and too rushed.

All the signs are here just as they were for Malachi. Will we read them as well as he?

Prayer: Let the silent sentinels be signs of joy for us. Amen.

GOING SUBURBAN
The apartment house, one of the traditional hallmarks of urban life in the United States, has been going suburban. An analysis of the trend of building permit figures gathered by the U. S. Bureau of the Census indicates that around half of all housing in structures of five or more units, the apartment definition, is now going up in the suburbs.

GOLD RING IN KALE
Baltimore, Md. — Mrs. Elizabeth Denhardt was surprised to find a gold wedding ring tucked inside the leaves of a package of kale.

Inside the ring were the initials "F.L." Mrs. Denhardt sent the ring to the company that processed the kale in hopes that they could return it to the employee who lost it.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

November 3, 1964
Council Room

Regular Session.

This meeting was called to order by Pres. Haselschwardt at 8:00 p.m. Invocation by the Rev. Father Maliszewski of the St. Mary's Catholic Church. Trustees present: Bollinger, Burg, Chapman, Crouch, Woher, and Wood. The minutes of the Regular Session of October 20, 1964 were read and approved.

Motion by Burg, supported by Chapman, to change the Regular Session of the Council meeting from Tuesday, November 17, 1964 to Tuesday, November 24, 1964. Roll call: Yeas all. Motion carried.

A request was entered by Earl Tison to authorize a variance in the Village Zoning Ordinance to allow the sale of used cars in the restricted business district located at the south of the village. Motion by Burg, supported by Crouch, to deny the proposed variance in the Village Zoning Ordinance as requested. Roll call: Yeas all. Motion carried.

A Public Hearing was held at 8:00 p.m. to consider objections to the proposed sidewalk construction on the south side of Van Buren Street from the existing walk to the most easterly line of the Thomas Eisel property.

No objections were voiced to the proposed construction.

Motion by Burg, supported by Bollinger, to authorize the proposed sidewalk construction. Roll call: Yeas all. Motion carried.

Motion by Chapman, supported by Burg, to authorize the payment of \$170.88 to Mr. Ray Eastman for printing and services in connection with the updating of the Village Zoning Ordinance. Roll call: Yeas all. Motion carried.

A discussion was held regarding tree trimming within the Village. The village clerk was instructed to contact the Forestry Division of the State Highway Department.

The Mackinaw City Travel Information Center led all Centers with 119,475 visitors, followed by the New Buffalo Travel Information Center with 75,811.

regarding possible tree trimming on North and South Main Street. Motion by Bollinger, supported by Wood, to authorize payment of \$500.00 to O'Brien Mfg. Co. as partial payment on the new "Kings" purchased for the Public Works Dept. Roll call: Yeas all. Motion carried.

Motion by Crouch, supported by Weher, to authorize and direct the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund, \$8,042.74; Equipment Fund, \$500.00.

Motion by Chapman, supported by Weher, to authorize the clerk to issue checks in payment of bills

PROPER SIGN

Wyo. — To stop hunting from leaving gates open on his property, a Gillette area rancher put this sign on one of his gates. "Hunters: Please close this gate behind you. The last man who didn't is 10 paces to your left. Ten paces over is a mound of dirt and a headstone."

Okay, so you hate Mondays

Well really, who could blame you? It's the beginning of another week of those daily chores it takes to be a good wife and mother. Mondays are also blue washdays. And what's fun about that? Toting a heavy load of wash out to the clothesline is enough to discourage a weight lifter. Then, too, the weather controls your washday schedule.

Why let it? Look at the brighter side. With a new automatic Gas dryer you just set the dial and forget it. AND, a Gas dryer will dry five loads of wash for the cost it takes to dry just one load with the other kind of dryer. So, forget about the weather. Find out for yourself how quickly you'll begin looking forward to Mondays.

Go on... get happy. See the latest Gas dryers now on display at dealer or Gas Company showrooms. You'll be glad you did. In fact, you'll wish you had yesterday. Easy terms arranged.

LIVE MODERN... FOR LESS... WITH GAS

Dec. 9 — West Bridgewater Study Group, Bridgewater Town Hall, Mrs. Nathan Alber, Mrs. Charles Gahms and Miss Amanda Glatz, co-hostesses.
Dec. 9 — York Study Group, Christmas Party, restaurant.
Dec. 9 — South Superior Study Group, home of Mrs. Floyd Atkinson, 6677 Vreeland, Ann Arbor.
Dec. 10 — Washtenaw County Home Economics Council, 1:30 p.m., at Ann Arbor Community Center.
Dec. 9 — Home Economics Leader, Training meetings: 1:00 p.m. Ann Arbor Community Center, 7:30 p.m. Washtenaw County Building, Room 1, Michigan State University Specialist Dr. Peisner will conduct both training sessions.

Clerk Hilda Staffan of
Selective Service Board
Receives Special Honors

Certificates of Appreciation were awarded last week to personnel of the local Selective Service Board in recognition of their outstanding public service to the nation. It was announced by William E. Brown, Jr., chairman of the local board.

Awards were presented to the following at a ceremony at the Local Board office: Mrs. Hilda A. Staffan, clerk, 20-year certificate and 20-year service pin.

In transmitting the awards issued in the name of the President and the National Director of Selective Service, Colonel Arthur A. Holmes, state director, declared "with this certificate goes my sincere appreciation for your devotion to duty, your integrity and leadership and your demonstrated spirit of volunteer public service." "These are the qualities which have made it possible for Selective Service to accomplish every mission assigned in peace or war. They are the qualities for which you have earned the respect of our fellow citizens. In no small measure they have contributed to the security of our nation."

The world is jammed with people who do not know as much as they think they know.

Overnight
Parcel Post
Now Possible

A new "Scheduled Delivery" system now permits overnight delivery of ZIP-coded parcel post five days a week between Chelsea and all post offices within a 25,200 square mile area of southern Michigan and northeastern Ohio. Postmaster Carl J. Mayor has announced.

The delivery area includes all of southern Michigan from the line Bay City - Mount Pleasant - Muskegon except the counties of Huron and Sanilac in the northeast and a portion of Berrien county in the southwest; and, in Ohio, an eight-county area surrounding Toledo. This area includes over 800 post offices and more than 7,972,000 people.

Deputy Postmaster General Frederick C. Belon discussed details of the plan and demonstrated the actual operation at a luncheon meeting in Detroit Nov. 23.

Extensive testing has assured the success of this dramatic new program, which in effect offers "first rate service" for fourth-class mail, according to Postmaster Mayor.

Mailing deadlines for the service will be 5:00 p.m. in Chelsea the time when the lobby window closes.

"The Post Office Department found through extensive study," the deputy postmaster general said, "that one of the major problems of parcel post service has been the lack of dependability of delivery. For many mailers, it is often more important to know when a parcel is to be delivered than it is just to get it there in a hurry. For these reasons the Post Office Department developed the concept of Scheduled Delivery."

In the Scheduled Delivery area, parcels will be transported to the destination post office overnight and will be delivered to the addressee on the next scheduled parcel delivery. In most cases this will mean next-day parcel service.

Postmaster Mayor explained, because parcel post deliveries are made five days out of the week.

DOG RENTAL

Spokane, Wash. — Diane Dizmang, 19, appeared at an animal shelter and asked to rent a dog to go walking since her parents had forbidden her to own a dog. Glen A. Yake, keeper of the shelter, thought over the idea and decided to begin a dog lending service for all those who would like part-time canine companions.

Hard work is probably a good thing for mankind but there are many people who want very little of the good things.

NORTH ELEMENTARY
SCHOOL NOTES

In our room we have been studying about the Pilgrims. We first learned about their life in England, and how they wanted to find a land where they could worship in their own way. We read about their life in Holland, and their long trip on the Mayflower. We drew pictures of the way we think the Mayflower looked. We heard about their hard life in America, and how they celebrated their first Thanksgiving.

MRS. BONNER'S Third Grade — This is "Better Breakfast Time" in Mrs. Bonner's Third Grade. The class is divided into four teams. Each morning the captains check to see who is eating a good breakfast. Points are given and at the moment Alan Maehnik's team is ahead. Our best breakfast eaters are Mike Moore and Debbie Bentley.

Mrs. Bonner's class had a visitor on Wednesday. Gina Shane brought her Bantam hen. Imagine the class' surprise when the hen laid an egg.

MR. BENEDICT'S Fifth Grade — Mr. Benedict's fifth grade has started a salt and flour map of the United States. We are adding each state as we study it. We have already done the Northeast and Southeastern States. We are painting it to show the mountains, rivers, lowlands, basins, and the plains. Our whole class will work on it.

Our class has written to a fifth grade class in Maryland. We wrote some facts about ourselves and sent them to that class. We want to exchange letters with them. We will know when we are writing to when we get the letters back. This is helping us to learn to write letters.

MRS. WINKLER'S Fifth Grade — Do you like wire lines? Visit Mrs. Winkler's fifth grade room and see her social studies line holding the explorers and early settlements in the New World. All are invited, even the "adventurous ones."

MRS. BAACKER'S Fourth Grade — We have just completed a social

studies unit about the tropical forest region in South America. After studying about color words and "when" and "where" sentences, we have been writing creative stories.

The class had its first spelling on Nov. 24. Michael Hess is the class champion and Richard Menge is the runner-up.

MISS WEBER'S Fourth Grade — Some boys and girls at North School just got back from an imaginary visit to New England. They were in Vermont one day and saw the beautiful Green Mountains. They saw the monument of Samuel De Champlain. He founded Vermont in 1609. Vermont was settled by white men mostly about 1724. Vermont sells dairy products and maple sugar. They visited a big farm and saw dairy herds. In some parts they saw the mining of marble.

In New Hampshire they learned that it was one of the first 13 states in our "first 13 colonies." It was settled in 1629 by farmers, fishermen, and traders. They settled at Portsmouth, which means "Little Harbor." New Hampshire is noted for its farm products and woolen cloth.

The class spent three days in Maine. They went to visit a herring factory and saw a movie about the herring industry. Maine has many small mountains to ski on. It is a state of many streams, lakes, and forests.

The children enjoyed delicious lobsters that were caught in the Atlantic Ocean.

This of course was all in fun, but don't you wish that you had been in New England with Miss Weber's class?

MRS. MORGAN'S First Grade — Jonathan Birman is leaving Mrs. Morgan's class. He will return to Australia. Mrs. Rosemary Harvick, our noon playground helper, baked two lovely cakes and brought ice cream for a farewell party. Mr. Wojicki came too!

MRS. VONK'S Fifth Grade — It's farewell time to the old U.S.A. In Mrs. Vonk's fifth grade, Jeremy Birman is leaving

the Chelsea schools to return to Australia. He leaves behind him a trail of friends among teachers as well as students. We as a class will miss his contributions in class and perhaps most particularly his British accent.

We asked Jeremy to comment on school, children, and our subjects. We asked him if there were any things he would change if he could or any improvements he could suggest. Here are his comments:

I liked the S.R.A. Reading Program. It is very good. I like the way the recesses are organized except the noon one. The children should be able to go out as soon as they are done and have to sit and wait. The projects were well organized; like the play, "Thanksgiving With Uncle Sam" and the map we were making out of wheat paste and water. I like the TV programs except for French which should not be on while we have recess. Recess could start at 10:15 instead of 9:55. I think the room should have a flag with 50 stars instead of 48. I also think it would be a good idea to have more room in the library. In the spring or when it becomes warm, I think we could use picnic tables outside to eat on. I like the way the boys and girls play together; boys in their group and girls in theirs." (Also included was a design for a new school). Happy Thanksgiving to all — Your Australian Friend, Jeremy Birman.

THIRTY-ONE OPERATIONS — Iowa City, Ia. — Fourteen-year-old Kevin Persen has undergone 31 operations for a chronic throat ailment. A web, or polyp forms between his vocal chord that interferes with his speech and breathing which has necessitated the operations. The doctors plan to operate once more and insert a plastic tube.

Registration Deadline
Is Dec. 16 for Vote on
Community College

The last day for electors to register in order to be eligible to vote on the Community College issue is Wednesday, Dec. 16. Any qualified person who has not already registered and who intends to help decide whether Washtenaw county should have a Community College and determine the Board of Trustees for it in the Jan. 16 election, should register with their township clerk before that date.

If the average person thought less about getting and more about giving, this might be a better world for everybody.

Communion

Breakfast Held By K-C

Members of the Chelsea Council Knights of Columbus received Holy Communion at the 8 a.m. Mass Sunday at St. Mary's church and breakfast was served later to all members at the K. of C. Hall. Following the breakfast Eugene Shehan, "Faithful Navigator" of the 4th degree Cardinal O'Hara Assembly for this area, spoke to the Knights about membership in the (social) 4th degree, according to Grand Knight George Merkel. Chairman for the breakfast was Charles Smith. He was assisted by Jim Gaken, Arthur Paul, Robert Ostrander and the sons of Smith and Gaken.

Sir Knight Shehan is well known in Chelsea having served as district deputy in this area.

At 8 p.m. members held a memorial service for all deceased members. This service is always held in late November. Eulogies were read for this year's deceased members: Joseph D'Amico, Paul Eisele and J. Vincent Burg, Jr.

U-M Foreign Students Entertained for Holiday

Eleven University of Michigan foreign students were entertained in Chelsea homes for the Thanksgiving holiday. They represented Argentina, Colombia, Indonesia, Iran and India.

Hosts and hostesses for the students included Mr. and Mrs. Frank Wexler, Mr. and Mrs. Jack Pfeiffer, Mr. and Mrs. Robert Schaffer, Mr. and Mrs. Harold Eisenman, Mr. and Mrs. James Bedford and Mr. and Mrs. Jack Merkel.

Several other prospective hosts had offered to entertain foreign students for the holiday but last-minute changes in arrangements at Ann Arbor were responsible for a reduction in the number who were assigned to come to Chelsea.

Mrs. Ben Donaldson and Mrs. Jack Merkel, chairmen of the all-churches' committee in charge of arrangements, said they are already looking forward to a similar project for next spring.

JUICE SAVER

An electric knife, which uses heat to cut through frozen foods, may have a push button on the heatproof handle to switch on heat up to 500 degrees F. The stationary blade, with both saw-type and serrated edges, may be used for any type of food and is said to seal in juices as it slices hot meat.

Enjoy the pleasure of glorious music as re-created only by the Magnificent new **MAGNAVOX ASTRO-SONIC**

Stereo High Fidelity Radio-Phonograph

... surpasses all other achievements in the re-creation of sound

Utilizing revolutionary space-age solid state circuitry instead of vacuum tubes, Magnavox Astro-Sonic now eliminates component-damaging heat as well as the source of distortions that have made high fidelity less than "high"; and exactly duplicates the unblemished tonal beauty achieved by today's foremost instrumentalists. An Astro-Sonic re-creates the great emotional experience of the performing artist with such glorious tonal beauty and absolute purity—that it does full justice to the greatest symphonic attainments. Once you hear a Magnavox Astro-Sonic Stereo High Fidelity instrument, you'll know why tube sets are obsolete—for an Astro-Sonic literally transports you into the concert hall—not just to any seat—but to the best seat in the house!
