## No Increase in Village Taxes

### Increased Revenues from Higher Valuation Balances New Budget

The \$376,664 village budget featuring the same tax rate as 1968 was approved at Tuesday night's Village Council meeting.

The budget, drawn up largely by the 1968 council members in consultation with village personnel, provides for a total tax rate of 1.5 mills.

The village was able to increase the 1969 budget by \$18,000 over 1968 without a tax increase because the assessed valuation of the village increased \$1.8 million last year and the assessed valuation of the state increased \$13,500.

The assessed valuation increased \$13.8 million to \$20.4 million last year, comprised of \$10 million personal and \$3.8 million real property.

This will give the village \$112,000 more in revenues than last year.

State shared taxes, including income, liquor and gas taxes and a payment to maintain M-62, increased \$11,000 over last year. State sales tax will give the village \$2,500 more than last year. Tax revenues from the state are approximately:

THE NEW VILLAGE ADMINISTRATION informally checks over a few final items after a Village Council meeting. They are, seated, from left, Arden Mushbach, trustee; Richard Harvey, clerk; Hal Pennington, president; Steve Clark, trustee; standing, from left, are trustees, Dr. Gene Miller, Eldon Gorton, William Chandler and A. E. "Mac" Fulk.

## Mike Schnaidt Wins Athletic Scholar Award

### New Kiwanis Award Started for Athlete With High Scholastic Ability

Chelsea High school senior Mike Schnaidt became the first recipient of the Chelsea Kiwanis Athletic-Scholar Award Monday night at the Kiwanis annual athletic recognition dinner.

Mike, the son of Mr. and Mrs. James Schnaidt, has been active in Chelsea High school since he transferred from St. Mary's Parochial school after the eighth grade.

He played JV football one year and varsity two years, earning "most improved back" award from his teammates during his junior year; three years varsity track; and two years each JV and varsity basketball. He was captain of the Bulldog cagers last season.

In addition to his sports interests—Mike takes part in other high school activities. He was builder and director of sets in Chelsea High school's recent production, "The Music Man." In that capacity he built a circular platform that revolved for set changes. He is a member of Student Council, National Honor Society and Varsity club and a former Key club member.

Next year Mike plans to attend Adrian College, probably with an art major, and join the football team. He is hoping to receive an academic scholarship.

The award will be given to a Chelsea High school graduating senior each year that a qualified candidate is available. Qualifications include active participation in two or more sports, maintenance of at least a B scholastic average for seven semesters, and exemplifying high standards of service, leadership, citizenship and dedication.

85 guests, including athletes and others associated with the athletic department, joined Kiwanians for a dinner served by Key club members and prepared by their mothers.

Guest speaker was Terry Barr, former All-American football player with the University of Michigan and All-Pro with the Detroit Lions. One of the main points of his talk was that an athlete does not have to be big to succeed. Barr himself is a good example of this point, since he weighed only 178 pounds when he signed with the Lions.

A movie showing highlights of the Baltimore Colts 1968 season followed the address by Barr.

## Summer Driver Ed Program Starts June 2

Chelsea High school's Driver Education program will start June 2. Students 16 years old by Jan. 1, 1970 are eligible to take this course.

Eligible students have been asked to sign up for the program and more than 230 have indicated an interest.

30 hours of classroom instruction, required by law, will be taught in one large class on Saturdays and after school so that classroom work is completed by June 20.

No classes will be held June 9 and 10 since final exams have been scheduled for those dates.

Behind-the-wheel training consists of six hours in dual-control automobiles furnished by local dealers. Driving is scheduled on an individual basis so that students may schedule driving time around vacations. Driving priority is given to older students with a reason to drive.

Students who cannot attend the 15 classroom sessions should not enroll, but other scheduling conflicts can be worked out with the instructor.

Public Works Building

The major expense provided for the 1969 budget is \$38,000 for public works building now being constructed. This structure was approved approximately six years ago and the village has been accumulating funds since that time.

Present the Public Works and Water Departments are building a structure that is too small to house and maintain all equipment properly. A number of machines that are now left outdoors will be kept indoors after winter, which should be within three months.

An \$8,000 increase in administrative funds, from \$12,384 to \$20,384, was budgeted to cover expenses from the \$750,000 lawsuit against the village by Chelsea Medical Center. The suit, still pending, concerns water drainage.

20 new streets will be included in the \$42,000 provided under present construction. The \$19,000 increase over last year will be used to apply second coatings to worn streets and streets that received one coating two and three years ago.

\$6000 budgeted for sidewalks to be used for upkeep and construction of a new sidewalk on W.

## Fair Board Elects Officers At Annual Meet

Officers and a Board of Directors were elected at the Chelsea Community Fair Board annual meeting April 10.

Herman Koenn, elected president last year, will finish his two-year term in office. Allen Broesamle was elected vice-president, and Everett Van Riper will again act as fair coordinator. John Weitz was named as new treasurer and Ed Keegan will be secretary.

Elected to three-year terms on the Board of Directors were Loren Koengster, Irwin Young, Stan Montagne, and from Dexter, Harold Trinkle.

Directors with two years remaining are Carl Heller, John Brooks, Anton Nielsen, and from Dexter, Harold Gross. Serving their final year as directors are Lynn Kern, Lloyd Gray, Earl Heller, and from Dexter, Ezra Lesser. A nominating committee and the Board of Directors made the selections.

## Golf Team Edged Out By Dexter

The Chelsea golf team lost a close match to Dexter and downed Milan by 19 strokes at a triangular meet Tuesday afternoon at Loch Alpine, Dexter.

Dexter's 176 was a narrow two points ahead of Chelsea's team, led by Ryan Smith with 40. Besides medalist Smith, low scores for Chelsea were Dave Gonkwith 45, Dan Spaulding with 46 and Tom Gardner with 47.

Coach Pat Wade commented that it was a good performance for early in the season and the course condition, and saw indications that the team would improve with practice.

Rain fell during part of the meet, making several of the fairways soft.

The next meet will be at 3:30 p.m. today with Saline and Milan, at Saline.

## Track Team Defeats 2 Top Rated Schools

Chelsea High school track team defeated East Jackson and Reading in a double dual meet Tuesday night and downed Michigan Center in a semi-meet Friday.

Chelsea snapped the three-year, 24-dual-meet winning streak claimed by East Jackson, 63-55, and put down Reading, 66-52. Both teams are considered top teams in the state in Class C.

Chelsea Coach Bert Kruse said the double dual at East Jackson served as a good warm-up for the important league dual meets to come.

The close meet was well-run but occasionally interrupted by showers.

The final score with East Jackson was settled by the last event, the mile relay, with Chelsea able to win by about a five-yard margin.

Taking first places in the Jackson meet were Mike Basset, who won the high jump with 5' 10", Jim Wojcicki with an 11' 6" pole vault and Rick Slane with his 20' 3 3/4" broad jump. The 880-yard relay team of Larry Gorton, Rick Slane, Ted Bennett and Mike Schnaidt won with a good time of 1:36.2. Mike McGinn took first in the 880-yard run with 2:06 and Mike Schnaidt won the 440-yard run in 55.6 seconds.

Larry Gorton won the 180-yard low hurdles in 2:24 and the mile relay team of Jim Wojcicki, Dan Hoover, Doug Weatherwax and Mike McGinn won in 3:42.2.

Although Chelsea claimed fewer firsts in the Reading competition, Coach Kruse said depth displayed in the number of seconds and thirds taken carried Chelsea to their 66-52 victory.

## CHS Senior Wins Dimes Scholarship

Chelsea High school senior Karen Sue Leach has been selected to receive one of three \$500-March of Dimes scholarships given to seniors in Washtenaw county who plan to enroll in medical professions studies.

Karen, daughter of Mr. and Mrs. Melvin Leach, 40 Cavanaugh Lake Rd., will enroll in the School of Social Work at Eastern Michigan University this fall. Besides her B-plus scholastic average, she is a member of National Honor Society, Student Council, All-Star Band, a majorette and homecoming queen and a baker at Farmer Grant's.

This is the third year the scholarships have been awarded to area students planning to study nursing, pre-medicine, social work, medical technology, occupational therapy, physical therapy or special education. They are selected primarily on the basis of need and scholastic ability.

The scholarships are given through the National Foundation-March of Dimes to encourage persons entering the medical professions to take an interest in solving the problems of birth defects.

## Haselschwardt, Storey File for School Board

Two candidates for school board positions have submitted petitions to the office of the Superintendent of Schools to date.

Howard Haselschwardt and William E. Storey will seek election June 9 to school board seats to be vacated by Robert Taylor and Charles Lancaster June 30.

Storey is a data communications consultant with Bell Telephone Co. and works directly with the University of Michigan, Michigan State University, the state government and in some cases with Consumer Power Co. in data communications.

He is currently president of Chelsea Band Boosters, a member of the First United Methodist Church and Chelsea Rod and Gun club and is an officer in the newly-formed Navy League in Ann Arbor.

He served as a trustee on the Village Council from 1966 to 1968. Storey graduated from Michigan State University in business administration and retired as a major from the Marine Reserves. While a Marine he was an aviator.

The Storey family moved to Chelsea in 1950. He and his wife, Jean, have three children; a daughter, Sarah, attending Michigan State University, a son, Jim, a seventh grade student at Beach school, and John, a fifth grader at South school. They own a home at 216 Jefferson.

Howard Haselschwardt, a salesman for O&W, Inc., Ann Arbor, for eight years, was born and raised on a farm between Chelsea and Manchester in Sharon township. He graduated from Chelsea High school in 1939, studied aeronautical engineering at the University of Michigan for two years, and returned to farming until 1961.

During this time he was Sharon township clerk for 18 years. He moved to Chelsea in 1961 and served as village president for two years and trustee for two years.

Haselschwardt and his wife, Agnes, have five children in Chelsea schools. They own a home at 754 Book St.

## Red Cross Board Quarterly Meeting Will Be in Chelsea

The regular quarterly board dinner meeting of the Washtenaw county chapter, American Red Cross, will be held Tuesday at the First Congregational church, Chelsea.

The meeting is open to the public. Reservations for the dinner should be phoned to the chapter at 971-5300. Bob Fisher, first aid instructor, will demonstrate artificial respiration.

The principal speaker will be Al (Continued on page three)

## Open House Scheduled at High School

Parents of Chelsea High school students will have an opportunity to become better acquainted with their children's studies at an open house April 24 at CHS.

The purpose of the first annual open house is to acquaint parents with their children's teachers and to observe school facilities and to receive brief descriptions of the courses.

Parents will follow their children's schedules, with first hour classes starting promptly at 7:30 a.m. Each class will last 10 minutes, with a five-minute break between classes.

Coffee will be served in the cafeteria starting at 7 p.m. The open house is being organized by the faculty.

## Baseball Team Wins Opening League Game

A four run second inning for Chelsea's baseball team was all they needed to defeat Dundee, 7-1, Tuesday in a Southeastern Conference opener for both teams.

The Chelsea nine scored the four runs on singles by Jeff Bust and Doug Schoenberg, doubles by Greg Stephens and Mike Harvey and a triple from Craig Houle.

Chelsea leading batters were Mike Harvey with three hits and three RBIs, Craig Houle with two singles and a triple and Greg Stephens with two hits.

In the pitching department Mike Gaken turned in an excellent performance by allowing only three hits, striking out three and walking three.

## Girls Track Team To Open Season in Triangular Meet

The Chelsea girls track team season officially begins at 8 p.m. Friday with a triangular meet with East Jackson and Saline High schools.

In addition to the regular schedule of events, there will be several junior high events and the 80-yard dash for sixth graders.

Saturday Chelsea will participate unofficially in a triangular meet between Milan, Grass Lake and Northwest High school in Jackson. Chelsea girls will not compete for team points and will therefore be able to compete in events that they don't ordinarily run. They are expected to enter special events such as 60-yard dash, 220 dash, 50-yard hurdles and junior high events.

Other meets have been scheduled for April 26 and May 3. Between 100 and 200 girls from the Chelsea-

**Washington Report**  
 by Congressman  
**MARVIN L. ESCH**

The nation has a traditional and commendable concern for the handicapped. Thus we have numerous national and state programs to assist the mentally retarded, the "handicapped," and the underprivileged. All of these programs are important, and many of them should be expanded.

However, in our concentration on the underdog, we have sometimes lost sight of the most valuable asset our nation possesses—our gifted and talented young people. National estimates indicate that there are nearly 3 million young people now in our school systems who have extraordinary talents, abilities, and intellect. These are the young people who may become our "Einstein" of the future (or Edison, Salk, Steinbeck, Louis Armstrong, Marian Anderson, etc.).

These young children with outstanding intellectual ability and creative talent require services and programs beyond those normally offered in school systems. For the intellectually gifted, regular programs frequently fail to offer sufficient challenge to retain the interest of the child and the boredom which sometimes results can lead to dislike of school and refusal to develop fully. The unusually creative child, if his talents are unnoticed, may never develop them to their full potential and thus rob the nation of the rich cultural contribution he might make.

I have introduced legislation, along with a number of my colleagues on the House Education and Labor Committee, which would make a national commitment to improve our programs dealing with gifted children. This program would require no additional funds. Its purpose is to utilize funds presently being spent to assure that gifted children receive adequate attention. It would not take away from any programs which are presently underway, but would add a new consideration to the administration of them.

Our bill would encourage the training of additional teachers to deal with the gifted child, would assist State Departments of Education in establishing special programs within their states, and would provide avenues for funding of special programs on a multi-school or regional basis. The federal Office of Education presently does not employ a single person whose responsibility it is to stimulate programs for the gifted nor is there a clearing house in the Office of Education which provides information to school systems on successful programs which have been conducted elsewhere.

This legislation has received strong support both here in the Congress and around the nation. I am hopeful that action will be taken on it in the near future. The future of the Nation can be improved with the full utilization of our human potential. We believe this bill is a step in that direction.

**"Medical Maze"**  
 Without major surgery, the state Senate has passed a bill to eliminate the legal-medical maze over human organ transplants in Michigan.

The measure sailed through the Upper Chamber in much the same form it was introduced three months ago by Sen. N. Lorraine Beebe, Dearborn Republican.

Specifically, it designates who may donate a heart, kidney or other organ, and provides protection for physicians performing operations.

Some doctors and hospitals in Michigan are now reluctant to authorize transplant operations because of questions involving the medical, moral and legal aspects of the issue.

Anyone over 18 and of sound mind could will his organs for use after death if Sen. Beebe's bill makes it through the House and the Governor's office.

Other key provisions designate accredited hospitals, surgeons, and medical schools as parties eligible to receive organs for transplant and allow an adult to make an organ gift by signing a document in the presence of at least two

witnesses. There is also a provision for revoking the gift. University of Michigan medical experts, who have performed three successful heart transplants, strongly supported the bill.

**Time Again**  
 Michigan's difficulties over the time-of-day have taken another twist. The Upper Peninsula has been authorized to rejoin the lower part of the state in the Eastern Time Zone.

Congressman Philip B. Ruppe, a Houghton Republican, announced the action by U. S. Transportation Secretary John Volpe.

"Since the summer daylight time is now a legal option in Michigan," Ruppe said, "opinion coming into my office and into the department of transportation ran nearly 10 to 1 in favor of Eastern Time."

Two years ago, the federal government placed the U.P. in the Central Time Zone, saying its economic ties were closer with those in Wisconsin than those in lower Michigan.

But three counties—Chippewa, Mackinac and Luce—at the eastern edge of the Peninsula, had declared themselves in the Eastern Zone.

Now, Ruppe says, "some areas near the Wisconsin border express preference for Central Time." He said there were indications that some areas at the western end of the Peninsula might decide to stay on Central Time.

Ruppe, who represents the entire U. P. as well as several lower Michigan counties, said the zone change will become effective April 27, when most of the nation goes on daylight savings time.

But Michigan voters last November decided against going on DST. That means that Michigan, instead of being in time-tune with New York, will be in step with Chicago.

With Volpe's ruling, however, most of the U. P. will move its clocks forward one hour to line up with the Lower Peninsula.

**Fun and Fight**  
 A bill has been introduced in the Michigan House to give cities 80 percent of the \$100 million recreation bond money, and out-state areas 20 percent.

Rep. James Bradley, chief sponsor of the plan, said the money should go "where Michigan's problems are."

Gov. William G. Milliken has recommended 60 percent of the funds go to the cities. Conservationists and their friends in the legislature maintain voters approved the program with the understanding 70 percent would find its way to outstate areas, and only 30 percent to the urban centers.

But Bradley said there are lots of problems in the cities "and the recreation money is a good way of straightening them out. People living in the ghettos have as much right to recreational facilities as those who live in the suburbs and are able to get to state parks and other facilities."

**Gasoline Tax Now 50 Years Old**  
 New York—The gasoline tax, 50 years old this year, brings in \$1 million an hour, Oil Facts reports.

The first gasoline tax, called by the state "painless penny," was levied in Oregon in February, 1919, to provide money for highway construction. The late Loyal M. Graham, the legislator who sponsored the tax measure, said he never thought the idea would spread. But by 1929 every state and the District of Columbia had gasoline taxes, and the federal government joined them in 1932.

The average state gasoline rate today is 6.8 cents a gallon; the federal levy 4 cents.

In an effort to interest business men and farmers in the construction of stockyards in Chelsea, H. H. Glick and W. D. Strickman, manager of the Owosso stockyards, outlined their proposals to the Kiwanis club at their Monday meeting. The plan is to build about 100 covered pens to house for the livestock which brought in for sale by farmers. Sales will be held once each week and buyers from all the major packing plants of the state and many from eastern markets attend the sales to make purchases to their concerns.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:  
 Ed Bonville, that was a Republican from the beginning to the end of all them Democrat wonder cures for what ails this country, reported to the fellers at the country store Saturday night he ain't had cause to change his mind about Mr. Nixon. He said he was powerful pleased to see Nixon elected President because he was shore taking the fight to pick postmasters and rural mailmen from Congressmen and giving it to the postmaster general that is appointed by the President is a cure fer what ails the mails. As long as he can remember, Ed said, the postmaster job has been a political plum on the local level, and the postmaster has been the local fence mender for the party that passed him the plum.

Everybody knows the assistant postmaster runs the postoffice, and the postmaster has a office in the building. Ed said he weren't agin giving the postmaster some post office work to do if it don't hinder the whole operation.

Ed said he couldn't see what changing the politics that picks the postmasters has got to do with how efficient the mail moves, but he allowed it were a good sign that the Nixon Administration is trying to do somepun besides trying to hike the price of postage stamps.

Personal, Mister Editor, it looks to me like these new private mail companies is taking the mail out of the post office. I don't think it's no more possible to git politics out of any Government service than to improve bacon by getting rid of all the hogs at the trough.

Yours truly,  
 Uncle Lew.

### Co-Op Nursery School Notes

Boys and girls from Chelsea Co-Op Nursery are back at "work" after their Easter vacation.

Pre-vacation activities included making Easter baskets from gallon plastic containers, coloring eggs, singing a bunny song, and best of all a visit from the Easter Bunny and a little helper who among other things passed out carrots including one for Pinky, the Nursery's own bunny.

Several children have joined the third year and four year assist groups for the remaining months. Margaret Peterson, Chelsea; Jay Eibley, Gregory, Tim Dmoch, Chelsea, and Mark Hicks, Dexter, are the new members.

Registrations are now being accepted for the 1969-70 school year. There are openings in all three sessions. The three year assist session meets Tuesday and Thursday 9-11 a.m. The four year old assist session meets Monday, Wednesday and Friday, 9-11 a.m. The non-assist session meets Monday, Wednesday, Friday, 12:45 to 2:45 p.m.

Mothers who have had their children in nursery feel that nursery is an ideal bridge between home and school. The child gently gains independence from his parents in an informal school atmosphere under the guidance of a trained teacher.

He learns to play with other children in group activities and individually. He learns to take turns and share. He learns responsibility by picking up after play and keeping the nursery in order. He learns table manners and cleanliness. He learns to help himself with buttons, zippers, boots and other clothing items. And he learns to express himself through a variety of activities.

Mothers feel they learn more about their own child by observing him with other children. They can share ideas with mothers who face similar problems and pleasures.

Interested parents may phone Mrs. Douglas Stark, 475-2924, or Mrs. Thomas Donkin, 475-7261.

Pat Gilbert and Caryl Thornton, who ran hurdles last year, will be participating this year also. They will also run the quarter mile.

Peggy Kraai, who ran the 50-yard dash last year, will be participating in meets this year as a junior high student. Another promising junior high member is Vickie Prater, who ran the 50-yard hurdles and dash well last year. Junior high team members add no team points to the score and the main value of their participation is to build up their abilities for future years.

A new addition to the girls track program will be the establishment of team records for the first time.

Jackie McClain, who placed fifth in the state in high jump last year by clearing 4'3", is expected to do well in all field events.

Becky Van Riper, a new team member, finished the 200 meter run Saturday in 29 seconds and the 60-yard dash in 7.6 seconds, good time for her first meet.

Debbie and Alicia Pierson are returning this year and have been doing well in dashes during practice.

Pat Gilbert and Caryl Thornton, who ran hurdles last year, will be participating this year also. They will also run the quarter mile.

Peggy Kraai, who ran the 50-yard dash last year, will be participating in meets this year as a junior high student. Another promising junior high member is Vickie Prater, who ran the 50-yard hurdles and dash well last year. Junior high team members add no team points to the score and the main value of their participation is to build up their abilities for future years.

Jim Boylan won shot put with 42' 9 1/2". Jim Wojcicki, Slane and McGinn won pole vault, broad jump and half mile by the same totals as with East Jackson. The 3:42.2 time by the mile relay team took a first against Beading also. Doug Weatherwax won the mile run with 4:47.8.

Chelsea defeated Michigan Center, 68-50, Friday in a scrimmage, despite the absence of several team members.

Coach Kruse said the performances of both teams were good for this time of the season and cited several Chelsea performances as outstanding.

The 880-yard relay team made up of Larry Gorton, Jim Wojcicki, Ted Bennett and Mike Schmidt ran in 1:36.8 seconds to win in that event.

Mike McGinn turned in a good time of 2:04.4 in the 880-yard run and Doug Weatherwax gave a strong performance in the mile by running in 4:45.5.

Other Chelsea winners were Jim Boylan in shot put with 25' 2.5". Mike Schmidt won the broad jump with 17' 11.5", and Mike Basset cleared 5'8" to win high jump.

Larry Blackwell won pole vault with 11' 6", and Mike Schmidt won the 440-yard dash with 55.3 seconds. Larry Gorton won the 180-yard low hurdles with 23 second flat and the mile relay team of Jim Wojcicki, Dan Hoover, Doug Weather-

wax and Mike McGinn won with a 3:43.3 time.

The Dundee meet originally scheduled for tomorrow night has been re-scheduled for Monday, April 21. This will be the first home meet of the season.

## Council Meet 'Crowded'

(Continued from page one) public hearings, although minor budgetary changes within departments may be made during the year.

Although the council announced that the meeting would include a "public hearing" prior to approving the budget, the only persons not on the council who attended the meeting were Village Attorney John Keusch and Police Chief George Meranuck.

## DEATHS

### Herman Heim

Former Chelsea Resident Dies at Rochester, N. Y.

Herman Heim, former Chelsea resident, died at his home in Rochester, N.Y. April 13.

He was born April 19, 1894 in Sylvan township to Joseph and Julia Lieback Heim. He was married to Teresa O'Keefe, who preceded him in death.

He is survived by one son, Elton, of Rochester, one brother, Leo Heim, Dearborn; three sisters, Mrs. Elmer Koebbe, Pleasant Lake, Mrs. Emerson Koebbe, Dearborn, and Mrs. Irene Browning of Bradenton, Fla.; two grandchildren and two great-grandchildren.

Funeral services will take place Thursday in Rochester with burial following.

## Demonstration Safety Lesson Starts Fire

Chelsea fire department responded to a number of grass fires during the past week, including one accidentally started by a man demonstrating the dangerous degree of dryness to his son.

Chelsea Fire Chief Jim Gaken said the man lit a handful of grass to show his son how quickly it ignited, when he dropped the lit grass and was unable to prevent it from racing across a field. Approximately two acres of grass were burned over during the fire Sunday afternoon.

Other calls included a small grass fire Friday afternoon at the home of Oscar Hansen, 15901 Seymour Rd., which was extinguished before fireman arrived.

At 4 p.m. Friday children playing behind houses on Cardale Court set fire to grass.

Chelsea firemen were called out five times Sunday. In addition to the fire caused by the man giving his son the safety lesson, a fire burned over approximately 10 acres of grass on land owned by James Grissom, 4109 Sylvan Rd.

Small patches of grass burned over on land owned by Laurence Noah on Werker Rd., land owned by Walter Harper and land owned by Earl Pettibone on Dancer Rd. A cigarette could have been the cause of the fire along the edge of Beeman Rd., that called firemen out at 3:11 p.m.

A heater and small freezer were damaged by fire Tuesday evening at the home of Curtis Dixon, 923 Flanders.

## Need Chaperones To Accompany Band to Camp

Parents are needed to chaperone students to band camp Aug. 17 to 23.

Parents willing to accompany students will receive free room and board from Camp Maplehurst, and should be able to combine fun with the responsibility of chaperoning.

Interested couples should contact Mrs. R. Robbins, 475-7282 or Mrs. D. Strieter, 479-4081 before April 25.

GARBAGE CANS LIKE THIS can be a thing of the past, according to Art Steinaway and other Chelsea Jaycees. They have scheduled a door-to-door sale of polyethylene trash liner bags Saturday from 9 a.m. to 1 p.m. The bags, in rolls of 100, come with twister seals to keep trash and odors inside. Jaycees plan to reach every home in Chelsea during the Saturday sales.

## Council Briefs

The Chelsea Village Council met in regular session Tuesday, April 15.

Further discussion was held regarding "School Crossing" signs on Main St. No official action was taken at this time.

A motion was made and approved to accept the low bid from Palmer Motor Sales for patrol cars for the Police Department.

A hearing was held as required by law on the 1969 Village Budget.

A motion was made and approved to accept the 1969 Village Budget as presented.

A motion was made and approved to accept the assessment valuation as presented with no increase over 1968.

A motion was made and approved to purchase a front end loader for the landfill per bids presented.

A request from Mobil Oil Corp. for a Special Use Permit was referred to the Village Planning Commission for their recommendation.

A motion was made and approved to appoint Conrad Hather chairman for "Michigan Week."

A motion was made and approved to appoint Walter Brown to fill a vacancy on the Village Planning Commission.

A motion was made and approved to accept the Planning Commission's recommendation on the site plan for an apartment building on Wilkinson St.

The Village administrator reported that an investigation showed the water problem on the property of John Eder was due to natural run-off water and that a private ditch and drain was not functioning adequately.

## Baseball Team Wins Over East Jackson

Chelsea's baseball team gained its first victory of the young 1969 season by edging East Jackson, 3-2, last Friday.

East Jackson scored two runs in the first inning on a walk, single, fielder's choice and then two more walks. Chelsea got one run back in the third inning when Howard Hercules reached first on an error, a walk and then a single by Doug Schoenberg. That ended the scoring until the sixth inning when Greg Stephens singled and Mike Harvey hit his game-winning homer over the right field fence.

Coach Carl Gensko said that overall the game was a great improvement over the first game, and after a shaky start by Hercules he pitched a fine game, walking only five and striking out five men. Chelsea 001-002-0-3 3 0 East Jackson 020-000-0-2 5 2 Howard Hercules and Mike Harvey.

## Arbor Week In Michigan Starts April 20

Michigan is the only state to observe Arbor Week instead of Arbor Day. This year by proclamation 20 to 26. The week observance started in 1966.

"Because of the increased interest in and importance of the state-wide 'Keep Michigan Beautiful' program one or two days do not afford enough time and opportunity for a full and proper observance of Arbor Day," Governor Milliken explained.

Moreover, Michigan's national tree leadership warrants Michigan's extended annual observance of the importance of tree planting. Michigan grows 90 varieties of trees, more than any state in the nation—and more than may be found in all of Europe.

With 59 national champion trees out of the total nation-wide of 117 species Michigan leads the nation with more big trees than any other state. Fifty-four percent of its total land area is classified as commercial forest land.

### AGRICULTURE ACTION

by M. L. Wood

#### The Year 2000

Space probes and moon have brought many of us face with the wonders of the future for the first time. The moon is a first step toward other planets. Now, moisture has been detected on Mars, and other "near" planets will be visited. True, there will be nutrient tanks, vegetables and fruits they will be an integral part of the oxygen-carbon-monoxide support system of the star. Quite likely, test animals will be used to check the capability of earth-creatures to survive back at planet Earth. Space research stations, satellite weather stations and a first will spot and record weather as it forms, but will allow weather control. Rainfall and sunshine will be controlled for farming areas as well.

The American Academy of Arts and Sciences has created a commission on the year 2000, and with others, has prepared a report which includes the prediction that there will be 320 million people living and eating in the United States at that time. It is thought that about half of the population will be located in megopolis - huge, continuous city areas extending for hundreds of miles, for example from Chicago to Pittsburgh and north to Toronto.

Modern agriculture, ocean fishing, appetite and weight gain, widespread use of synthetic foods and beverages, are other predictions.

Population numbers are expected to drop substantially, to an estimated 2.3 million compared to our present 3.5 million. Farm mechanization will grow far beyond anything now dreamed of. Farmers will count heavily on engineers, agronomists and scientists to help keep production ahead of population growth.

The year 2000 is only 31 years away. That's why farmers continue to call for more and more related research.

A continuing re-evaluation of the scope and character of agricultural research programs is essential if such programs are to meet the growing needs of the future. Farm Bureau members should be in their current policy positions.

### Three Runaway Juveniles Halted

#### Chelsea Police

Three runaway juveniles were returned to their parents or juvenile court after they were found by Chelsea Police Chief George Franck Tuesday morning.

The 14- and 15-year-old boys, from Detroit and Ann Arbor, told Chelsea Schools Business Manager Ed Milla that they were running away from home when he noticed them on S. Main St.

They had been reported missing from Boys Republic in Farmington Sunday night and the police had run away from his Detroit home.

Franck filed petitions to juvenile court for two, and the third was sent home.

For And About Teenagers

THE WEEK'S LETTER: I have a problem that bugs me. I have always been popular, not that I cared, but everyone liked my personality. They respected me because I was different and did what I thought was right.

OUR REPLY: You should always be your own, real self. If you are kind, and true to yourself and to others, no one can say anything against you and make it count.

IN THE OPEN

By Lee Smits. A squirrel dog makes possible a similar style of hunting. There must still be squirrel dogs in Michigan, even though the modern farm boy is too occupied by football practice to spend much time in the woods with a dog.

Biologists have no better explanation of the ups and downs of squirrel populations than seasonal crops of nuts and acorns. And squirrels are one game species that can stand heavier harvesting, according to the experts.

The legendary marksmanship of Daniel Boone et al was cultivated, not by shooting bears, Indians or deer, but by squirrel hunting. The famous Kentucky rifle was primarily a squirrel gun.

Squirrel hunting demands the utmost in woodcraft, patience, gunskill. The ideal firearm for a modern squirrel hunter is a 22 rifle with scope sights. The hollow-point bullet can be recommended, especially for the hunter who can be fairly certain of hitting the quarry in the head.

"Barking" a squirrel is something you read about, or a tale told by a senior citizen with long whiskers. I have never seen it done. The idea is to send a bullet between a squirrel's body and the limb of a tree, causing the squirrel to fall to the ground either dead or in a profound state of shock.

INDIAN RUBBER. Although Columbus has been credited with discovering rubber, the Arawak and Mayan Indians were using rubber about 500 years before Columbus landed.

## Plymouth Scores Most Points in Three Tests

A Plymouth Fury I scored the highest number of points of all 60 cars that competed in fuel economy, acceleration and braking tests of the Union/Pure Oil Performance Trials at Daytona Beach, Fla. The Plymouth Fury, competing in Class V for cars equipped with standard V-8 engines, scored a total of 98 performance points out of a possible 100. Two other Plymouth entries finished first in their respective classes, giving the Plymouth line of cars winners in three out of the nine classes of competition. Other Plymouth winners were a Valiant Signet in Class VII for six-cylinder compact economy cars, and a Barracuda in Class IX for sports compacts. The Union/Pure Oil Performance Trials, held under the supervision of the National Association for Stock Car Racing, compared the basic performance characteristics of American-made 1969 models which are in the popular price ranges. The fuel economy tests measured a car's fuel consumption at an average speed of 40 miles per hour over a distance of 18.567 miles. The acceleration tests measured the time it took a car to accelerate from 25 to 70 miles per hour. The braking tests demonstrated the car's high-speed stopping capability immediately after severe brake usage. The 60 stock cars competing in the tests were taken directly from dealers' showrooms throughout the country to provide a realistic comparison of various makes and models. Wagon Air Deflector The 1969 Plymouth Fury station wagon models have a new and efficient air deflector, mounted at the rear of the roof to divert air around and across the big rear window, significantly reducing vision obstruction. By blowing clean air over the window, the deflector prevents rain, dust and grit from accumulating

## We care where our product is served.

Beer served in pleasant and wholesome surroundings is the aim of the United States Brewers Association. And we are always striving to do something about it. The USBA is represented by field men around the country. They meet with proprietors of establishments where beer is sold. They work in every way possible to promote a set of high standards wherever beer is served. This USBA effort means even more enjoyable places for America's great beverage of moderation.

# Announcing a special new Plymouth.

## At a special low price.

Everyone says special, but we really mean it. Snapper's a new limited edition car like Plymouth has never made before. It'll shield you from weather's whims under a groovy turtle-shell vinyl top and carry you in a metallic muted-gold body. It has a "camp" Snapper emblem, like the one in the middle, on each roof pillar. An extended roofline that lets your rear seat passengers actually lean back (over 3" extra head room). And, of course, many of the "special" features that most people want: deluxe vinyl interior, white sidewalls, deluxe wheel covers, bumper guards, and a kooky little time-delay ignition switch light, all at a special package price (again, we really mean special). Naturally, you can personalize a Snapper even more, with everything from a Super Commando 440 V-8 to air conditioning or 8-track stereo; just ask your dealer. As a limited edition model with your own personal options, Snapper is a truly individual vehicle. See one now, at your Plymouth Dealer.

their education and pursue careers in the growing automotive service business. The winning two-man team at each of the 100 regional and state contests being held this spring will compete for \$125,000 worth of scholarships, prizes, trophies and automotive equipment for their schools at the National Finals at the Indianapolis 500 Speedway in mid-June. Winners at local and national contests are chosen by the speed and skill with which they find and fix malfunctions under the hood of a new Plymouth and restore the car to normal operating condition. All teams work on identical cars that have been deliberately tampered with in the same way. Plymouth Dealers sponsor a two-man team from their local school and make a Plymouth car available to practice on. The teams from the 2,000 participating schools, which have a combined enrollment of 150,000 students taking automotive shop courses, are selected by school instructors. The Plymouth Trouble Shooting Contest originated in Los Angeles in 1949. It was sponsored by Plymouth Dealers there who sought to recruit young men as mechanic trainees. The annual contest grew in size as educators gave it their support. Since the contest became national in scope in 1962, scholarships have been awarded to 116 students and full or part-time jobs have been found for more than 15,000 young men.

**SUNDAY'S SERMON**

**A Full Life**

What comes to your mind when someone speaks of a "rich, full life"? What you think is what you are. Do you think of a new house? A new car? Money in the bank enough to buy almost anything you might desire? These must be considered part of a modern-day, "rich, full life."

Yet isn't there more? Is not there a kind of richness that every man can afford? Does not proper reward await every man who takes time to do something good, to help a fellow man, to aid a just and worthy cause?

Is not a full life that particular life which devotes even the smallest action or deed to God's kind of a world? When God is with us always, and ever recognized, is not life filled with happiness and with a sense of purpose?

The "good things of life," as we call them, make easier to accept on a day-to-day basis. But, we can exist without them. We can, if we must, get by with the bare necessities.

The needs of our soul are more demanding. Life, whether one is rich or poor, is filled with challenges and temptations which must be met with strength and determination. Every man needs a share of faith equal to his needs. If he seeks God, he shall find it in proper measure.

**Letters to the Editor**

To make your taxes more equitable, you may write Senator Bursley and Representative Sharpe to ask them to support Senate Bills 360, 408 and 361; House Bills 2626, 2628, 2684, and 2687.

You may deduct from your state income tax the costs of tuition, books and fees paid to any school (from kindergarten through college) in Michigan if House Bill 2697 and Senate Bill 380 both pass. Be sure to mention the entire subject both bills cover to both your state senator and your state representative.

Senior citizens will get a higher homestead tax exemption and relief from the \$10,000 maximum value of real property clause, if House Bill 2820 and Senate Bill 408 pass.

House Bill 2684 and Senate Bill 361 would lower senior citizen tax exemption age from 62 to 60 years and would liberalize provisions for blind persons.

House Bill 2828 allows state income tax deductions for gifts to public schools, instead of just to institutions of higher learning as limited in the present law.

Source of the information in this letter is the Michigan Association of School Boards. From a private citizen. Ed Lewis.

**HISTORIC TREE**  
Bermuda's Calabash tree Walsingham, Bailey's Bay, and which the Irish poet Thomas Moore sat and composed some his odes, may still be seen. Moore and Hester Louisa Taylor were neighbors in St. George's 1804—and a notorious flirtatious between them is thought to have inspired the odes. The street where they lived? "Old Maid's Lane."

**what's a funny place for a phone?**

That depends a lot on your sense of humor. If splashing through the house to answer a telephone leaves you a little cold, then perhaps there is nothing funny about an extension telephone in the bathroom or dressing room.

Extension telephones save steps and let you do your telephoning from where you are.

Call your Michigan Bell Business Office or ask your telephone man. For as little as ninety-five cents a month (plus tax) you can have an extension telephone in any funny old place you'd like.

### Club, Social Activities

**KINDER KLUB**  
On April 9, Kinder Klub went on a field trip to the home of Mrs. Magie Mirror Beauty Salon in Ann Arbor, where a demonstration on wigs was given. Afterward members went to a restaurant. Guests were Mrs. Justice Marshall, Mrs. Duane Landwehr, and Mrs. John Skittenhelm. The next meeting will include a counselor from Chelsea Schools, at the home of Mrs. Don Doll, April 22.

**CHILD STUDY CLUB**  
Chelsea Child Study Club met April 8 at the home of Mrs. Charles Waller. Guest speaker Gene Schumaker gave meat-buying tips and discussed causes of rising prices. Mrs. Robert Merkel served refreshments. The next meeting will be April 22 at the home of Mrs. Robert Daniels with speaker Dr. Lowrey, from U. of M. Poison Control Center. Members are urged to attend this important meeting and bring a guest.

**CHELSEA COMMUNITY FARM BUREAU**  
Chelsea Community Farm Bureau met April 10 at the Sylvan Town Hall with Mr. and Mrs. Calvin Clark and Mr. and Mrs. John Klink as hosts. A pot-luck supper was served and the meeting was called by Reuben Lesser. Minuteman John Cook discussed the grape boycott. Allen Broesamle, discussion leader, talked about water pollution and pesticides. A large group enjoyed cards. Ladies-high went to Mrs. Reuben Lesser, and low went to Mrs. John P. Cook. Men's High went to George Brettschneider and Low was John Brooks. Travel went to Emerson Lesser.

**ALTAR SOCIETY**  
St. Mary's Altar Society held their regular monthly meeting April 9 in the school auditorium. Mrs. Leon Chapman, president, opened the meeting. The Rev. Fr. Francis Wahowiak led the ladies in prayer. The Mother and Daughter Breakfast will be held May 4 in the school auditorium. Miss Gertrude Young is chairman and Mrs. John Keusch is ticket chairman. All tickets will be sold in advance, none at the door. Fr. Wahowiak spoke about the coming May devotions and asked that he be contacted when a member of the parish is sick at home or in the hospital. Mrs. Chapman closed the meeting.

### Federated Women's Clubs Schedule Spring Meeting

Washtenaw County Federation of Women's Clubs will hold its spring luncheon and annual business meeting Monday, April 21, at the Stony Creek Methodist church, 8699 Stony Creek Rd., Ypsilanti, with Mrs. Walter Bullock, president of the federation, presiding. Registration will begin at 10 a.m. and members of the Ypsilanti Woman's Study Club will serve as hostesses. At the morning session, reports of officers, department chairmen, and presidents of member clubs will be heard and will be followed by election of officers for the coming year. Luncheon will be served at 12:30 p.m. and the afternoon session will begin at 2 p.m. The afternoon program has been arranged by Mrs. Robert Hartman, county chairman of International Relations. Mrs. John Cross from the League of Women Voters will be the afternoon speaker. Her topic will be "The China Puzzle." Newly-elected officers were installed by Mrs. Clyde Corrello.

### County Medical Care Facility Welcomes New Volunteers

New volunteers were welcomed at the spring meeting on April 16 at 1:30 p.m. by members of the Women's Auxiliary to the County Medical Care Facility ("County Hospital"). Each committee chairman explained her committee's function and recruited volunteers for it. Members of the staff demonstrated their particular areas of skill under the direction of Robert Reynolds, executive director of the Medical Care Facility. Election of officers was followed by a short musical program and dessert, arranged respectively by Mrs. C. W. Carpenter and Mrs. William D. Monamus. Performing artists were Willis Patterson, and Mrs. Helen DeKornfeld, Mrs. Helen Snyder, and Mrs. Nancy Zanelli.

### Two Chelsea Women Vacation in Bahamas

Mrs. William Kolb and Mrs. Louis J. Paul returned Sunday from an eight-day vacation in the Grand Bahamas. The two Chelsea women joined 120 alumni, students and faculty from Eastern Michigan University and approximately 40 others from Northern Michigan for the trip. While staying at the Lucayan Villas, four miles from Freeport, they took boat rides and sunned themselves to a bright red, according to Mrs. Paul, who said the weather was good during most of their stay. They enjoyed the International Bazaar, where various countries had booths with clothing and other goods made in that country. Plans for the return flight caused a delay while the group transferred at Miami. Mrs. Kolb attended Eastern for several years, and invited Mrs. Paul as her guest. Food expenditures in 1969 are expected to increase, but not at the same rate as in 1968. Vinyl fabrics are available in prints, solids, plaids and checks. They are especially good for rainy day fashions.

Mrs. John J. Mumaw  
**Lillian Beach, Lt. John Mumaw Wed at Naval Academy Chapel**

Lillian Beach and Lt. John J. Mumaw, USN, exchanged wedding vows April 12 at St. Andrews Chapel, United States Naval Academy, Annapolis, Md. Given in marriage by her father, the bride wore a gown of ivory satin falls with pearl-trimmed wrist-length sleeves. The scooped-neck gown featured appliques of embroidered lace and a chapel train. Her ivory veil was attached to pearl petals of alcon lace and she carried a cascade of Phalenopsis orchids and stephanotis. Sisters of the bride, Mrs. Donald E. Jaekle of Westport, Conn., served as matron of honor, and Miss Florence Beach was junior bridesmaid. They wore aqua floor-length gowns designed with an empire waistline and a back panel. Cynthia Jaekle, niece of the bride, was the flower girl and wore an aqua flowered dress. The attendants carried bouquets of yellow daisies. Thomas Mumaw was best man for his brother. Ushers were Capt. Richard P. Guthrie, USA, brother-in-law of the bride, of Ft. Benning, Ga., and Mark Boone of Raleigh, N.C. The reception was held at the Officers' and Faculty Club, United States Naval Academy. The mother of the bride received guests in a pink ensemble with matching marine hat. The bridegroom's mother wore an aqua silk suit with a hat of lavender and aqua flowers. Lt. Mumaw is assigned to the Naval Air Station Moffet Field, Sunnyvale, Calif., where the couple will make their home. The bride is the niece of Mr. and Mrs. David A. Beach of Chelsea, who attended the wedding, and the granddaughter of the late Mr. and Mrs. D. Edward Beach. The bride's father, formerly of Chelsea, her mother and younger sister plan to make their home in the Chelsea area this summer.

### Jaycee Auxiliary Elects New Officers

New officers were elected at the Tuesday night Chelsea Jaycee Auxiliary meeting and a new member, Mrs. Joe Verway, was installed. Mrs. Tom Thainer was elected president; Mrs. Robert Updegraff, vice-president; Mrs. Gerald Blough, secretary; Mrs. Walter Brown, treasurer; Mrs. Dan Eder, director; and Mrs. Don Proctor, alternate director. Installation will be May 27. During the program Ben Bower discussed picture frames.

Her address is: Mrs. Roy Williams, room 604, Herman Kiefer Hospital, Detroit 48202. Dale Hepburn has returned to Chelsea after spending the past three and one-half months at Bradenton, Fla.

### VFW Auxiliary Elects Officers For Coming Year

New officers were elected by the 15 members present at the Monday meeting of Chelsea Auxiliary to Veterans of Foreign Wars Post 4076. Elected were Mrs. Fred Klink, Sr. president; Mrs. Alex Eresten, senior vice-president; Mrs. Frank B. White, junior vice-president; Mrs. Carmer Slocum, Jr., treasurer; Mrs. Charles Carty, chaplain; Mrs. Mac Packard, conductress; Mrs. Clyde Matthews, guard; and Mrs. Wayne Harvy, three year trustee. Delegates to District Six are Mrs. Mac Packard, Mrs. Carmer Slocum, Jr., Mrs. Alex Eresten, Mrs. Kenneth Platt, Mrs. Charles Carty; Alternate delegates are Mrs. Carl Lentz, Mrs. Curtis Farley, Mrs. Cecil Clouse, Jr., Mrs. Frank White and Mrs. Henry H. Williams. Installation of officers will be held May 20 in the Rebskah Hall. Mrs. Juanita DeFant and Mrs. Cecil C. Clouse, Jr., were initiated and Mrs. Danny Ellenwood and Mrs. Jim Sweeney were elected into membership. Americanism chairman Mrs. Mac Packard spoke briefly about Loyalty Day, May 1, and reminded members to display their flags on that day. Mrs. Alex Eresten gave a report on the Sixth District meeting held March 23 in Lansing. Others attending the district meeting were Mrs. Charles Carty and Mrs. Mac Packard. Mrs. Kenneth Platt and Mrs. Clyde Matthews were appointed to head the committee for the Social meeting April 28 at the home of Mrs. Clyde Matthews. Telephone Your Club News To GR 5-3581.

ENGAGED: Mr. and Mrs. Clifford E. Bolton announce the engagement of their daughter, Jennifer Louise, to Jeffrey Scott Heth. Mr. Heth is the son of Mr. and Mrs. Claude W. Heth of 1004 Pinecrest, East Grand Rapids. Both will be June graduates of Central Michigan University where the bride-elect is affiliated with Zeta Tau Alpha sorority and the prospective bridegroom is affiliated with Delta Phi fraternity. An August wedding is planned.

You can get new and different effects with antiquing kits by varying the way in which you apply the toher. A splatter finish can be achieved by using a stiff bristle brush—such as an old tooth brush. Dip the end of the brush into the paint and "spring" the bristles with your finger to throw a fine spray of toner over the undercoating. Be careful; too much toner on the brush won't make splatters—just blotches.

### Wherine Metzger, D. Parsons Beat Vows in California

Wherine Metzger, 723 N. St. Lopez, Calif., married the LeAnn Metzger of Lompoc in a double-ring afternoon ceremony at First Baptist church March 28. Rev. Elwood S. Marvin, advised the vows to the son of Mrs. Donald Parsons, Lake, and the daughter of Mr. Andrew J. Ford. The bride was escorted by her father, Lawrence W. Metzger, and in marriage by her father. She wore a floor-length, A-line style gown with high neckline. The white bridal outfit featured long bell sleeves of scalloped-bridal lace appliques on the front. Her shoes were covered with white lace matching the gown. The bride's veil of nylon was fastened with a large crystal brooch. The groom wore a tuxedo with a white bow tie and a white boutonniere. The bride's bouquet was made of white lilies and baby's breath. The wedding was officiated by Rev. Elwood S. Marvin. The bride's bridesmaids were Miss Sharon Hansford and Miss Evelyn Reynolds, both of Lompoc. They wore gowns in the same style as that of the matron of honor in yellow and white flowered brocade. The matching hairpiece was of yellow satin and silk. Each of the bride's attendants wore a single strand of pearls and charm bracelets given to them by the bride. Cascades of green miniature carnations with one large green Fuji pompon mum in the center completed the costumes. Thomas Keeler of Kalamazoo acted as best man. Seating the guests were Lawrence Volmer and Andrew J. Ford, Jr., brother of the bride. Nathaniel Lee sang "Wedding Prayer" and Mrs. Lee provided organ music. The bride's mother chose a lavender suit with pale pink accessories, pink rose corsage with pink net and ribbon. The bridegroom's mother wore a beige and green ensemble with matching green accessories, and a pink rose corsage with white net and ribbon. Two altar baskets of white gladioli, yellow mums and green carnations were later used during a reception at the church fellowship hall. The bride graduated from Lompoc Senior High school in June, 1968 and is now attending Allan Hancock College, Santa Maria. The bridegroom graduated from Chelsea High school in 1968 and is stationed at Vandenberg Air Force Base. The couple are now at home at 723 N. Fourth St., Lompoc, after a three-day honeymoon in Santa Barbara. Mr. and Mrs. Donald Parsons and Mr. and Mrs. Jesse Parsons from the Chelsea area, attended the wedding in California.

### INFANTS NEED A MOTHER'S TENDER CARE

Receiving a baby's bottle to permit baby's self-feeding, may be the severest form of unintentional maternal neglect, says Dr. Doris A. Howell, a Philadelphia pediatrician. An infant needs physical warmth, plus encircling and firm support while being fed.  
"Supremely important milk can come from either a real or artificial nipple, but cuddling and nurturing can be supplied only by a tender human." There is no substitute for a loving mother.

**CAPE Group Urges Public School Support**

Approximately 80 people met in the Fellowship Hall of St. Paul's church Sunday evening for discussion on the controversial (Parochial) House Bill 2424, now in the House Appropriations Committee.

Guest speaker, Dan Walburn, legislative agent for the Michigan Education Association, stated his conviction that such a law would produce:

"First, a stratified society and a disintegration of public schools if it becomes state policy.

"Second, an inefficient use of tax funds since the state would support several public school efforts.

"Third, a breakdown of private schools since public control will surely follow public funds."

Citizens were urged to make their personal opinions on this issue known to Rep. Thomas Sharps, Sen. Gilbert Boreley and Gov. William G. Milliken as well as to friends and neighbors.

Michigan CAPE (Citizens to Advance Public Education) members believe that the citizens of this state must be increasingly informed in order to support legislative proposals which strengthen public education and to oppose those that would weaken it. They support right of parents and students to establish and maintain private schools, subject to law. They maintain that there is a need to promote greater understanding of the special relationship between the American system of tax supported publicly controlled secular education and the Constitution provisions, particularly the First Amendment.

CAPE membership blanks may be obtained from Dr. Clare Warren, 133 E. Summit, or from James Hoffmeyer, 146 Orchard.

A new convenience grocery store, Patsy's Superette, opened last week in the Chelsea area.

The new store, located next to Ken's Standard Service at 11515 Pleasant Lake Rd., is owned by Ken and Patsy Pardon, owners of the service station.

The 30 by 42 foot blue and white steel building houses "a little of everything," according to Pardon, including groceries of all types, including meat, and household goods. The owners have gained approval for a beer and wine license and hope to have these items in stock within two weeks.

Early spring rains may leave the ground soft in spots and that can mean accidents while using a ladder for outside painting. Make sure you rest the feet of the ladder on solid ground, with a maximum possible distance (preferably about 25 percent of the ladder's length) between the face of the ladder and the side of your home. These precautions could prevent some spills.
