Candidates File For Township Aug. 4 Primary

Deadline for filing petitions for the township primaries to be held Aug. 4 was 4 p.m. Tuesday, June 16. The following names have been submitted for candidacy.

Dexter township reports petitions for supervisor from John M. Tandy, Republican, and Earl Dolezky, Democrat; for clerk, Neil A. Frank, Republican, has filed along with Democrats William Eisenbeiser and Robert B. Devine; petitions for treasurer have been turned in for Mildred E. Hackney, Republican, and Winifred C. Aberdeen, Democrat, incumbent; both Gary Allen Albrecht, Republican, and Arthur Dolezky, Democrat, have filed petitions for trustee; and a petition for constable has been filed by Harvey G. Fischer.

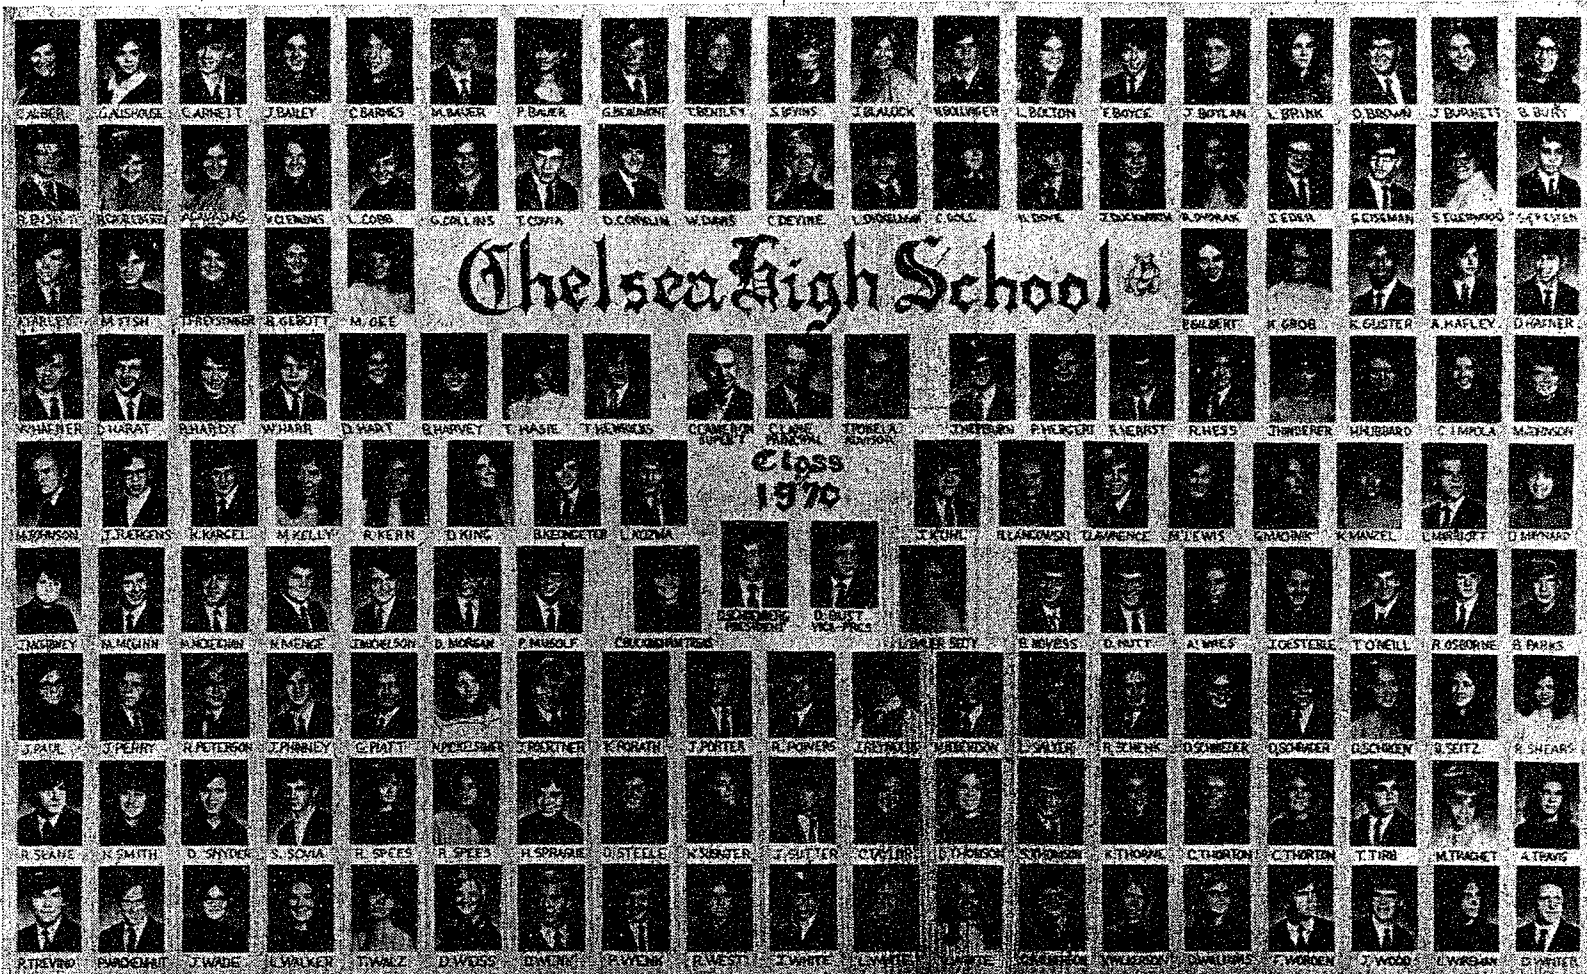

In Freedom township, John C. Miller, Republican, incumbent, has filed again for supervisor; Harold Eisenman, Republican, incumbent, filed for clerk; Walter A. Hiebert, Republican, incumbent, filed for treasurer; Gilbert Luckhardt, Republican, incumbent, filed for trustee; and James McKeever, Republican, has filed for the position of constable.

In Lima township, Edwin Coy, Republican, has filed a petition for supervisor; petitions for clerk have been filed by Lella Bauer, Republican, and George Paul Frisinger, II, Republican; the incumbent treasurer, Mrs. Hilda Pierce, Republican, has filed again for that position; Harold Gross, Democrat, incumbent, filed for trustee; and the incumbent Ralph Stoffer, Democrat, has filed his petition for constable.

Sylvan township has incumbent supervisor Maurice Hoffman, Democrat, with his petition in; incumbent clerk Daniel Murphy, Democrat, slated against A. S. Penhallegon, a Republican candidate for clerk; incumbent treasurer Fred Pearsall, Republican, filing a petition against Barbara Dresch, Democrat, for treasurer; incumbent trustee Reuben Lesser, Republican, has filed his petition again; along with Lyle Christwell, Democrat, for trustee; both the Republican incumbent constables John Pierson and Howard Walz have filed in Sylvan.

Lyndon township has George F. Bauer, Jr., Republican, incumbent, filing again for supervisor; Doris M. Fuhrmann, Democrat, incumbent, filing for clerk; for treasurer, petitions were turned in from Therese Bott, Democrat, Nancy C. White, Republican, and Virginia C. Meyers, Republican; Norman Kaiser, Republican, has filed for trustee; for constable, petitions were received from E. Jay Hopkins, Republican, Donald Beaman, Republican, incumbent, Robert J. Meyers, Republican, and George S. Paxton, Democrat.

Sharon township reports supervisor petitions from Russell Fuller, Democrat, incumbent, and Allen A. Alber, Republican; for clerk, the incumbent, Duane Haselschwerdt, Republican, has filed again; incumbent treasurer Herbert Jacob, Republican, has filed a petition; incumbent trustee Max D. Roedel, Republican, has turned in his petition; and for constable, incumbent, (Continued on page seven)

CHS 1970 GRADUATES: Chelsea High school's largest graduating class to date will have their commencement tomorrow night. Included among the 163 graduating seniors are the following students: First row, left to right, Christine Alber, Ginger Allhouse, Clifford Arnett, Jacquie Bailey, Christine Barnes, Michael Bauer, Patricia Bauer, Gordon Beaumont, Treva Bentley, Sandra Bivins, Joyce Blalock, Richard Bollinger, Lois Bolton, Floyd Boyce, Janet Boylan, Laurie Brink, Dennis Brown, Jody Burnett, Barbara Bury, Second row: Ronald Bush, Rita Castiberry, Angela Cavadas, Vickie Clemens, Lynda Cobb, Gregory Collins, Tim Covia, David Conklin, William Davis, Claudia Devine, Lee Dickelman, Christine Doll, Kenneth Dove, Jesse Duckworth, Roberta Dvorak, John Eder, Stephen Eisenman, Sandra Ellenwood, Steven Eresten, Third row: Arthur Farley, Matt Fish, Terry Freysinger, Beverly GeBott, Maxine Gee, Patricia Gilbert, Katherine Grob, Keith Guster, Albert Hailey, Donald Hafner. Fourth row: William Hafner, Donald

Harat, Regina Hardy, Walter Harr, Diane Hart, Barbara Harvey, Haise Tinsley, Tom Henricks, Superintendent Charles Cameron, Principal Charles Lane, Advisor Terrence Pokela, John Hepburn, Patricia Hergert, Ronald Herrst, Robert Hess, Jeann Hinderer, Helen Hubbard, Crystal Impola, Marsha Johnson.

Fifth row: Martin Johnson, James Juergens, Karsten Kargel, Marcia Kelly, Rhonda Kern, Diana King, Bob Keongeter, Lenard Kozma, Jerry Kuhl, Nancy Langowski, Terrence Lawrence, Martha Lewis, Gail Machniks, Karen Manzel, Larry Marriott, Debra Maynard. Sixth row: Joyce McGibney, Michael McGinn, Michael McKelghan, Norvel Menge, John Michelson, Dennis Morgan, Philip Musolf, Carolyn Buckingham, treasurer, Douglas Schoenberg, president, David Bust, vice-president, Linda Bauer, secretary, Barry Novess, Donald Nutt, Anne Nyies, Jane Oesterle, Ted O'Neill, Reed Osborne, Bruce Parks.

Seventh row: Janet Paul, John Perry, Robert Peterson, James Phinney, Gary Piatt, Nancy Pickelsimer, James Poertner, Kathy Porath, John Porter, Rodney Powers, Joy Reynolds, Mark Robertson, Lorraine Salyer, Richard Schenk, Diane Schneider, Douglas Schrader, Diane Schroen, Brenda Seitz, Roxanne Shears. Eighth row: Rick Slane, Katherine Smith, Dianne Snyder, Steven Sovia, Retha Spees, Rita Spees, Heidi Sprague, Diane Steele, Kathy Suzner, John Sutter, Constance Taylor, Denise Thompson, Stephen Thomson, Kathy Thorne, Caryl Thornton, Caryn Thornton, Tom Tirb, Mary Trachet, Anne Travis, Ninth row: Ray Trevino, Paul Wackenhut, Anna Wade, Linda Walker, Tylena Walz, Deborah Weiss, Daniel Wenk, Paul Wenk, Ruth West, John White, Lynn White, Virginia White, Glenn Wilkerson, Vickie Wilkerson, Denise Williams, Fred Worden, Jack Wood, Linda Wireman, David Winter. Graduating students not pictured: Larry Bauer, Lawrence Brown, Lawrence DeSmithers, David Drake, Tom Hoskins, Gail Maistre.

Senior Awards Given at Class Night

The honor and thrill of Senior Class Night for the Chelsea High School class of 1970 took place on June 17 in the high school gymnasium. After the high school band played the processional and the high school choir sang "Russian Picnic" by Enders, high school Principal Charles H. Lane introduced the cum laude graduates.

Cum laude graduates, cited for compiling averages of 8.5 or better, include Christine Alber, daughter of Mrs. Dolores Alber; Ginger Allhouse, daughter of Mr. and Mrs. Robert Allhouse; Floyd Boyce, son of Mr. and Mrs. Ellis Boyce; Janet Boylan, daughter of Mr. and Mrs. Keith Boylan; Carolyn Buckingham, daughter of Mr. and Mrs. Raymond Buckingham; Barbara Bury, daughter of Mr. and Mrs. Walter Bury; Barbara Harvey, daughter of Mr. and Mrs. Wayne Harvey; James Phinney, son of Mr. and Mrs. James Phinney; Douglas Schoenberg, son of Mr. and Mrs. Donald Schoenberg; Brenda Seitz, daughter of Mr. and Mrs. J. Raymond Seitz; Heidi Sprague, daughter of Mr. and Mrs. James Sprague; and Caryl Thornton, daughter of Mr. and Mrs. Robert Thornton.

After George Bergman presented the high school scholarships, the presentation of subject area awards took place. Outstanding students are chosen in five subject areas by teachers in each department to receive the awards and a \$50 savings bond. Robert Pursel presented the mathematics award to Brenda Seitz, who also received the language award presented to her by Mrs. Glibreath. The social studies award, presented by Mr. Bechtelheimer, was received by Steven Thomson. In English, Mrs. Roberts awarded Christine Alber; and Terrence Pokela honored Douglas Schoenberg with the science award.

Homemaking awards, presented by Mrs. Dean, went to Roxanne Shears, Crisco Award; and Marsha Johnson, Sterling Silver Award. Home economics students and teachers chose recipients of the awards on the basis of the student's enthusiasm, co-operation, and support of the department projects.

Christine Alber accepted the DAR Award, presented to her by Miss Wenk.

Quill and Scroll Awards, which Burley Hendricks presented, went to Karen Manzel, Ann Travis, Patricia Gilbert, Donald Nutt, Kathy Grob, Jacquie Bailey, Trena Bentley and Daniel Wenk. Quill and Scroll recipients were selected by advisors to yearbook and newspaper in conjunction with the outgoing staff.

William Coelius presented the

first-year Speech Award to Kathy Sunjer, the second-year Speech Award to Barbara Bury, and the Outstanding Senior Speech Award to Patricia Gilbert.

Band director, Warren Mayer awarded Heidi Sprague with the John Philip Sousa Award. Jane Haselschwerdt and James Wojcicki were chosen by their classmates to receive the American Legion Award for all-round leadership, school participation and scholarship.

The Bobby Vogel Award, granted

to Karsten Kargel for athletic performance and sportsmanship, was presented by Mr. Bareis. Karsten became the 16th recipient of the Bobby Vogel Award, given in honor of a Chelsea High School student and athlete killed in an automobile accident. Karsten excelled in football, wrestling and track.

One of the most important events of the evening was the presentation of keys to the most representative girl and boy of the senior class. Both faculty and stu-

dents voted on this honor which went this year to Heidi Sprague, Most Representative Girl, and Steve Thomson, Most Representative Boy.

Finally, Ann Travis, editor of the Annual, announced that this year's dedication would go to Terrence Pokela, class advisor.

163 Seniors Graduating Friday Night

Two Among Top Seniors Will Deliver Commencement Addresses

The 163 graduating seniors of the Chelsea High school Class of 1970 will receive their diplomas tomorrow night, June 19, at 8 o'clock in Chelsea High School gymnasium. The commencement program for this, the largest class ever to graduate from Chelsea High, will begin with an invocation by the Rev. John R. Morris.

For the second year in succession, senior students will deliver

the commencement addresses in the Chelsea High school Class of 1970 will receive their diplomas tomorrow night, June 19, at 8 o'clock in Chelsea High School gymnasium. The commencement program for this, the largest class ever to graduate from Chelsea High, will begin with an invocation by the Rev. John R. Morris.

Stephen, who intends to go to Kalamazoo College to study mathematics and physics, was active in football and the ski club for all four high school years. He was president of the ski club his senior year. Stephen was also active for two years in high school baseball and tennis. He was a member of the National Honor Society, Varsity Club, and an Explorer Scout.

Patricia intends to go to Western Michigan University to study drama and speech. In high school, she was also a National Honor Society, Varsity Club and an Explorer Scout.

Patricia intends to go to Western Michigan University to study drama and speech. In high school, she was also a National Honor Society student and Student Council president her senior year. She was a member of the junior-senior trip club, forensics and journalism clubs. Her musical interests led her to join the Madrigal Choir, symphony band, and high school choir. Patricia was in the school musical all four high school years and was chosen for the Greater Michigan All-Star Band.

Presenting diplomas at the commencement ceremony will be H. Charles Powers, treasurer of the board of education; Donald Iron, president of the board of education; Bryce E. Fauble, assistant high school principal; Charles H. Lane, high school principal; and Charles S. Cameron, superintendent of schools.

The music for the commencement program will include "You'll Never Walk Alone," a Rodgers & Hammerstein number, and the benediction piece, "The Lord Bless You and Keep You," both performed by the high school choir. The high school band will perform the "Joyant Narrative" by McBeth.

Scholarship Winners Announced

Chelsea Scholarship Fund awarded eight scholarships this year for the continuing education of Chelsea High school students. Winners include Floyd Boyce, Michigan State University; Vickie Clemens, Owsos College; Roberta Dvorak, Northern Michigan University; Patricia Hergert, Ferris State; Katherine Grob, Eastern Michigan University; Debbie Lynn Maynard, St. Luke's Nursing School; Donald Nutt, Jackson Community College; and Rita Spees, Eastern Michigan University.

The UAW scholarship was awarded to Barbara Bury, who will attend Michigan State University.

In the State of Michigan Competitive Scholarship and Tuition Grant awards, Chelsea contributed five monetary winners and nine non-monetary qualifiers. Monetary winners include Christine Alber, Eastern Michigan University; Janet Boylan, Western Michigan University; John Eder, University of Michigan; Steve Thomson, Kalamazoo College; and Caryl Thornton, Albion College. The list of qualifiers include Virginia Allhouse, Michigan State University; Floyd Boyce, Michigan State University; Stephen Eisenman, Western Michigan University; James Juergens, Washtenaw Community College; Jon Michelson, (Continued on page five)

Talented Young Musicians Will Attend Music Camp

Jill Flintoft and Jeff Parsons are two very talented young musicians who will attend the National Music Camp at Interlochen, for the second consecutive year.

Jill, the daughter of Mr. and Mrs. Howard W. Flintoft of 610 S. Main St., has studied piano for 10 years. She will continue studying with Mrs. Carol C. Kenny of Ann Arbor with whom

she has studied for six years. In addition to her musical activities at Chelsea High school where she will be a senior next year, Jill has performed at several civic functions.

The honors which Jill has accumulated so far are numerous. She was chosen as one of 10 soloists in the state to perform in the Michigan Youth Symphony. For the past three

years, Jill has received a top rating in solo and ensemble at district and state competitions. Last summer Jill gave a private recital and during her two weeks at Interlochen she was chosen to perform with nine other students in the Honors Recital at the end of the session.

Jeff Parsons, son of Mr. and Mrs. Ray Parsons, 620 N. Lima Center Rd., plays trumpet and is continuing his private lessons with Carter Eggers of Eastern Michigan University faculty. His activities at Chelsea High school, where he will be a senior, include holding the first chair in the symphony band for three years. Like Jill, Jeff has performed for church and civic organizations.

Jeff has received a top rating in solo and ensemble for the past two years on both district and state levels. He was selected as a member of the Michigan Youth Symphony and toured the Upper Peninsula with the symphony for four days, performing a solo entitled "Trumpeter's Lullaby."

Jeff and Jill will go to Interlochen at different times this summer. Jeff's session this year is from Aug. 10-23; while Jill will attend from June 29 to July 12.

Five-Week Summer Recreation Program Will Start June 29

Summertime is here in all its glory, and to help us enjoy it, Summer Recreation Director Ken Larson has planned a program which will begin June 29 and run for five weeks.

An arts and crafts program will be held at the old junior high school on Park St., from 9 to 11:30 a.m. daily.

At the high school, a baseball program will be held for Little Leaguers and T-Ballers, also from 9 to 11:30 a.m. daily. Anyone younger than 15 may take advantage of the tennis class from 9 to 11 a.m. every morning at the high school tennis courts, and support of the department projects.

es on Monday, Wednesday and Friday mornings at the high school. Beginners will meet from 9 to 10 a.m.; the intermediate class will meet from 10 to 11 a.m.; and the advanced class will meet from 11 a.m. until 12 noon.

Wrestling enthusiasts may attend a class every Tuesday and Thursday night at 8 p.m. at Beach Junior High school.

Any questions about the program should be referred to Ken Larson at 478-2560.

Move to Florida

The Harold Knotts of 304 South St. have moved to Naples, Fla., to make their permanent home.

FRED WAGNER, son of Mr. and Mrs. Fred Wagner, Sr., of 319 Congdon St., graduated from the University of Washington, Saturday, June 12 with a Master's degree in Physical Education. Following this, he and his wife, Margaret, will travel to Cape Town, South Africa to visit his in-laws, Mr. and Mrs. Charles Fens. In September, the Wagners will return to the University of Washington, where Fred will begin his doctoral program in Urban Planning.

INTERLOCHEN SCHOLARSHIPS: Jill Flintoft and Jeff Parsons, both juniors at Chelsea High school, have been awarded Kiwanis Club scholarships to study at the National Music Camp at Interlochen this summer. Jill plays the piano and Jeff's instrument is the trumpet.

Uncle Lew from Lima Says:

Dear Mister Editor:

The fellers at the country store was wondering Saturday night whatever come of the plan Henry Ford had fer showing the Russians how to make cars. They had heard a while back where young Henry might sell them some trucks and learn em how to make cars on the mass production, but they ain't heard no more of the deal.

It were Clem Webster that allowed he was glad young Henry had saw fit to take the advice of the fellers. You might recollect, Mister Editor, that jest a few months back the subject of cars was give a going over at the store, and it was full agreed at that time the way to make shore the Russian economy don't never catch up with us is to give ever Russian at least one car to support.

Clem reported young Henry said he might sell the Russians some trucks as long as doing it don't hurt this country's defense. Clem said he was getting off word to young Henry that they ain't nothing he can do that would be a bigger favor fer the U.S. than to flood Russia with cars and trucks.

Like they say in Genesis, went

roads begat more and bigger roads and bigger roads begat bigger cars and bigger cars begat drivers that want bigger cars and faster cars and big, fast cars begat more accidents, upkeep, and gasoline than their owners can stand and the whole business keeps building until the cars is driving the people down six lane roads to the porchouse.

If the Russians had plenty of cars, Clem allowed, they wouldn't have no time to worry about spreading their communist poison all over the world. They would have to spend everything they could make on cars, and they wouldn't have nothing left fer spying and paying other countries to do their fighting.

Zeke Grubb said he was sorry to break up Clem's dream, but that they wasn't no chance fer young Henry to put Russia on wheels. Old man Henry made cars at a profit so's he could make more and better cars, and that profit is what got the car business in high gear, Zeke said. When the Russians need some-thing, the Russians need to it, Zeke allowed, but when they just want some-thing, they do without. With the government in the car business, Zeke said, they ain't no hope of getting too many cars in the way of communist meanness.

Personal, Mister Editor, I ain't never been much fer cars. Except fer a trip to town now and again, my feet has allus took me most everywhere I need to go. But I can see some powerful changes cars has bring about. Like I saw where the interstate highway system that was to cost \$27 billion in 1955 was figured at \$70 billion, and them Government road experts says that may be a low guess, if the roads ever get done, that is.

Yours truly,
 Uncle Lew.

Escaped Prisoner Captured By Chelsea Officers

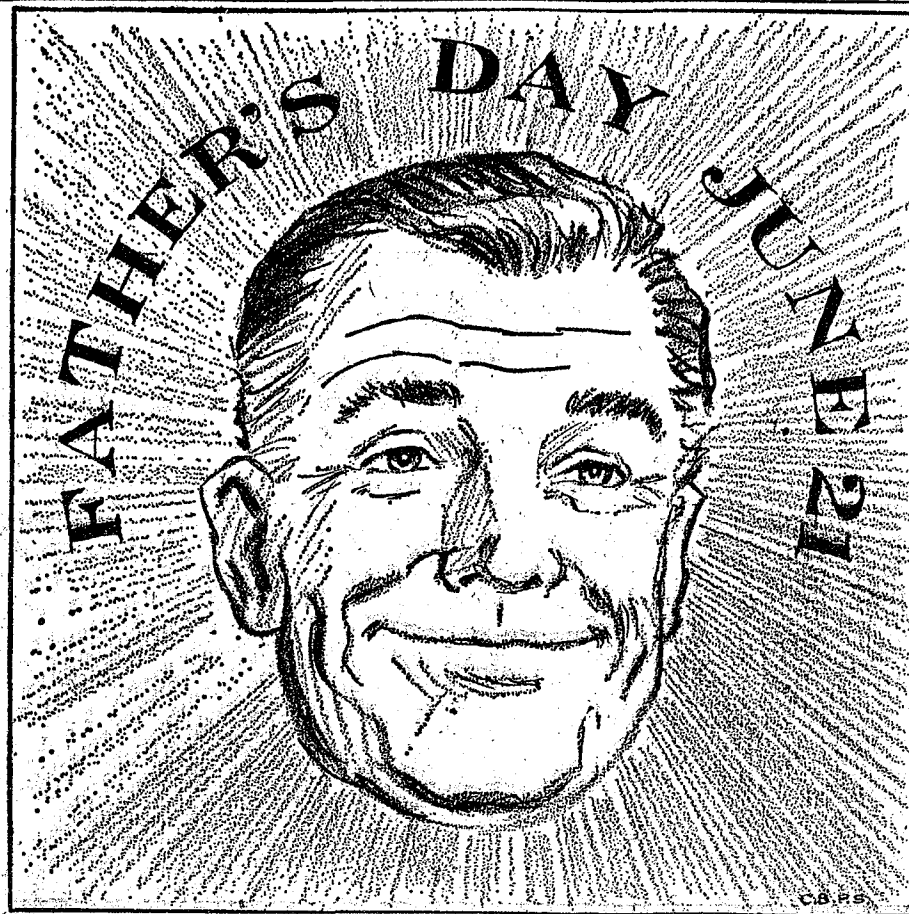

An escapee from Camp Waterloo of Southern Michigan State Prison was captured by Chelsea policemen on June 13.

Patrolmen McDougall and Peebles received information from the Washtenaw County Sheriff's Department that a prisoner had escaped. Fearful that the prisoner would enter Chelsea and commit a burglary or car theft, Chelsea officers searched for the man. The officers captured the escapee, David Paul Thimlar, who was serving two and one-half to five years for burglary in Oakland county.

He was found walking along Cavanaugh Lake Rd. at 1:20 a.m. on June 13. He was arrested and turned over to Sheriff's deputies to be returned to the State Prison.

CAN SMASH

All of us can do something about the pollution problem. Next time you open canned goods, pour out the contents, then also open the other end of the container. Step on the remainder of the can to mash it flat. The mashed can and flat ends will take up 90 percent less space in the garbage truck and in the landfill.

By Elmer E. White, Secretary, Michigan Press Association

Housing Needs Improvement

Nearly 1.4 million Michiganders live in housing that is either "poor" or "very poor," according to a report drawn up by the Michigan Housing Authority.

This includes more than 500,000 persons who live in homes that are "dilapidated and ruined or close to ruin," the report said. The federally funded report concluded that Michigan should "set a policy and begin an active program of funding, designing and helping develop new housing for the 431,600 families involved."

It was issued through the Governor's office the same day Gov. William G. Milliken signed into law a bill increasing the bonding limit of the State Housing Development Authority from \$50 million to \$300 million.

The authority uses money raised by issuing bonds to construct housing for low and middle income families who cannot afford to construct a home on their own. Milliken had pushed the increase in bonding capacity as one of his major legislative proposals this year.

He said its passage "will provide badly needed homes and additional jobs for Michigan residents as these homes are built."

The report said only 2 percent of those living in substandard housing have the ability at present to purchase adequate housing "without some form of government assisted financing and/or subsidy."

The report said estimates for the next five years show new residential construction will range from a low of 60,500 per year to a high of 121,000 per year.

As a result, he continued, "current new construction is not keeping up with new family formation, nor is it affecting to any degree that part of the market in poor housing."

It said the new housing which is being built "is not affecting low and moderate income families nor minority groups."

"Every major trend examined shows new residential construction is not keeping pace with the rate of decay, nor keeping up with the number of new families being formed," he said. "In short, the basic trends are not only unfavorable, the programs to date have not changed the patterns."

Bayonets Out

Michigan National Guardsmen are training this summer to use riot sticks instead of guns with bayonets in riot situations.

The 36-inch long ash night-

sticks, or batons as guard officials call them, are a new addition to the guard's weaponry. They were brought into use at the order of Gov. William G. Milliken after four students died from National Guard bullets at Kent State University.

State Fair Entry Deadline Set for Aug. 1

Changes in the dairy cattle and sheep sections of the 1970 Michigan State Fair agriculture and livestock premium book have been made for the benefit of exhibitors, according to E. J. (Jeff) Korns, State Fair general manager.

The book, announcing an Aug. 1 deadline for all State Fair entries, will be distributed this month.

The Fair will be held Aug. 2 through Sept. 7 at Labor Temple grounds. One change will find additional premiums going to exhibitors that have established a 305-day morning-evening production record in either fat or milk that is 10 percent over the state average.

Several premium book terms were clarified, and a point system for determining dairy cattle, premier breeder and premier exhibitor awards has been set up.

The division in the age groups for heifer calves was revised. The calves will now be divided into three age groups instead of two. They are senior heifer calves, born between July 1 and Sept. 30; early junior heifer calves, born between Oct. 1 and Dec. 31; and late junior heifer calves, born between Jan. 1 and April 1.

A total of \$900 was added to the purebred wool sliding scale schedule. In the four-lamb class, it was determined that all qualified entries after the first three places (\$25, \$20, \$15) would receive \$10 each.

A minimum weight for show and sale was established as 80 pounds for Southdowns and Cheviots and 90 pounds for other sheep.

The premium book is automatically sent to former exhibitors. Requests from new exhibitors should be addressed to the Michigan State Fair, Detroit 48203.

Since the State Fair announcement of premiums is distributed in three sections, exhibitors should indicate which section of the entry book is desired: Agriculture and Livestock, Horse Shows, or Community Arts.

"Batons are more credible than bayonets in a crowd," explains Brigadier General Floyd W. Radtke, who is in charge of the training.

"A crowd knows you aren't going to really use a bayonet and the guardsmen know it too," he said. "I'm sure there's never been a person impaired during the history of the Michigan Guard. But the men will use a baton and this means something to a crowd of people."

Radtke was trained to use the baton by the State Police. He directed the training of guard officers early in June and the officers now are training their own units.

He said it is not difficult to learn to use the baton because the basic holds and command positions are the same as with a bayonet.

"It would probably take half an hour to learn to use them," he said.

Must Leave Law
 In addition to the new weapons being used by the guard, Milliken and the legislature also have put on the lawbooks a new law aimed at helping control campus violence.

The new law makes it a misdemeanor for students and non-students alike to refuse to leave a university when ordered to vacate by an administration official.

"This is a clear indication of the legislature's intention to end the disruption and destruction of property that has occurred on our university campuses," Milliken said.

Gelman Has Backlog of Membrane Filters for Use in Coal Mines

Ann Arbor—Gelman Instrument Co. has received official government certification for membrane filters that measure possible toxic and explosive dust particles in the nation's underground coal mines, Charles Gelman, president, has announced.

Gelman will start delivering the filters, certified by the Department of Health, Education and Welfare for mine use, before the end of July, when the provisions of the Coal Mine Health and Safety Act of 1969 become effective, he said.

Initial orders of \$900,000 have been received for the membrane filters and the suction pumps.

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago...

Thursday, June 23, 1966—

School district residents are being requested to come forward next Tuesday evening at 8 p.m. at the CHS auditorium with suggestions for financing the Chelsea schools for the 1966-67 school year.

Summer Band will get under way in Chelsea Monday, June 27 and continue through Friday, July 29, under the direction of Bruce Galbraith, CHS band director.

Township voters have until 8 p.m. Tuesday, July 5 to register to vote in the Aug. 2 primary election. Filing has been completed for the various township offices and few contests have developed.

Area residents earned \$4,575 in a community effort last week to help Manchester resident, Melvin E. Lamb, an area barber, in his struggle against a serious kidney ailment.

Sea Scouts camping at Bruin Lake Scout Camp this week are in something of a predicament. Their uniforms disappeared Tuesday while being laundered at a Chelsea laundromat.

A summer reading program for students in grades 2-8 will begin Monday at 9 a.m. at CHS. Instruction will continue through Aug. 5 and is available free of charge to both public and parochial school students.

14 Years Ago...

Thursday, June 21, 1966—

Chelsea's \$2,200,000 school bond issue was approved Monday by the decisive vote of 574 yes and 324 no. A total of 915 ballots were cast, 17 being void.

At the organizational meeting of the Chelsea Board of Education Monday morning, Dr. J. V. Fisher was re-elected president.

Approximately 170 people attended the alumni banquet at Chelsea High school Saturday evening; best represented class was the 20th anniversary one of 1936.

Nightly practice sessions at the Athletic Field are helping Chelsea's Bulldog Band members get in top form for Saturday's competition in the VFW band meet at Bay City.

Capt. C. D. Miles, who has been superintendent of the Cassidy Lake Technical school for the past 12 years, will retire July 1 and Florida.

he and Mrs. Miles will move to standing rose garden at his home Lambert Mepyns has an out at 410 Garfield St., and is inviting it.

ing people of the community to Chelsea's Summer Recreation Program will open Monday, June 25. Three playgrounds will be in operation each morning. Monday through Friday, a spokesman said.

24 Years Ago...

Thursday, June 20, 1946—

The largest crowd ever to attend a softball game in Chelsea turned out to the local field last Friday and they were shown two of the best ballgames ever played.

Western Electric Spent \$25 Million In Michigan

Western Electric Co., supply and manufacturing unit of the Bell System, reported that it spent \$25 million in Michigan in 1969 for supplies and services.

Of this amount, the firm placed \$236,713 worth of orders with 55 Washtenaw county suppliers.

These expenditures, the company pointed out, were in addition to those made by the Michigan Bell Telephone Co. throughout the state.

Total payments for supplies and services were made to 1,540 suppliers in 162 Michigan towns. More than 88 percent of these were classified as "small businesses" employing less than 500 persons each.

Preliminary Census

Bureau Figures List Chelsea Count of 3,840

Preliminary population figures from the 1970 Census Bureau were released recently by District Manager Jay F. Fleming. For Chelsea, the preliminary count for 1970 is 3,840. This is an increase over the 1960 official count which was 3,355. For all of Washtenaw county, the 1970 figure is about 230,128. In 1960 Washtenaw county totaled 172,440.

COPPER FIND

Historians often credit a Stone Age Egyptian with the accidental discovery of copper ore as he built his campfire in the southern part of the Sinai peninsula. The peninsula's copper and turquoise mines were worked by pharaohs of the first dynasty.

Swim Lessons Available for All Age Groups

The Chelsea swimming program this summer will begin June 29 and run through July 31. Swimming lessons will be offered for youngsters age 6 and up from 9:30 to 11:30 each week-day morning. There will be a special class for pre-schoolers each Friday morning.

If enough high school students are interested, both Junior and Senior Lifesaving courses will be offered.

Pre-registration for lessons is necessary and must be made on or before June 25. Participants may register for lessons by calling 475-8328. There is no registration fee.

Each day from 1 p.m. to 3 p.m. a recreational swim program will be held. No registration is necessary. There will be a 35-cent per day fee for each child for bus transportation. Buses for both programs will leave from the old junior high.

Hopefully there will be three instructors for lessons so a large number of children may take advantage of the swimming program. The lifesaving program offers an excellent opportunity for high school and junior high school students to obtain their lifesaving certificates with a minimum of time and cost.

For any further information call 475-8328.

VINTAGE HOMES

Homes don't last forever. A survey indicates only two percent of all homes in the United States were built before 1955.

WILF PYLE, one of Don Turner's acquaintances mentioned in last week's letter of his sojourn in the province of Saskatchewan, tags an antelope fawn as part of his work on his master's degree study of antelope migration at the University of Saskatchewan.

Jaycees Seek Items for July Rummage Sale

In preparation for their annual Rummage Sale July 25 at Chelsea Fairgrounds, Chelsea Jaycees will have general pick-ups every Tuesday evening until July 21.

To arrange for pick-up, any one of the following may be called—Mitchell Zink at 479-5361; Dan Eder at 475-2663; or Glen Weir at 475-7509.

Jaycees need for their annual sale such items as bicycles, dishes, household appliances—in fact, any useful article no longer needed by the householder but of possible use to someone else.

Proceeds of the annual rummage sale are used to support Jaycees community projects.

Jaycees committees in charge of the rummage sale suggest that Chelsea residents "look through closets and attics" to locate articles no longer needed—the rummage sale is an ideal solution to the question of what to do with articles too good to throw away, but no longer of practical use to the family.

Three Students Plan Summer In Europe

This summer, three local students will have the worthwhile opportunity of learning about a foreign culture by living with a family abroad. The Youth for Understanding program, operating out of Ann Arbor, arranges most of the details, but the students pay their own way.

Sharon Heydlauff, 11340 Dexter-Chelsea Rd., and Jackie McClain, 6130 Stoffer Rd., will both get a taste of the French way of life.

Dorothy Gauss, daughter of Mr. and Mrs. Ernest Gauss, 247 Washington, will spend her summer with a family in Othfresen, Germany. Dorothy, 17, will be a senior in the fall at Chelsea High School. She worked part-time at the Chelsea Medical Center to help pay for the trip.

Smysors Report Son Graduating At U. of Kansas

Mr. and Mrs. Francis Smysor, former Chelsea residents, now living in Lawrence, Kan., announce the graduation of their son, Francis, II, from the University of Kansas on June 1.

Francis was granted a Bachelor of Music Education degree. In his four years at the University, he was a member of the KU Marching Band, a 150-member group, and made a trip with the group to the Orange Bowl in Miami, Jan. 1, 1969. In his last two years he was also a member of the select 30-voice Chamber Choir. He traveled with this group throughout Kansas and surrounding states.

This fall he will begin teaching vocal music in the Marysville, Kan. schools.

Francis Smysor, senior, was recently promoted at the Kansas Color Press where he has been employed since leaving The Chelsea Standard in 1962. Bernice Smysor changed from teaching to a position as the assistant librarian in charge of the mathematics library at the University. They report that their daughter Sharon, husband and little girl are fine and are expecting another child in August.

School Board Briefs

Board of Education meeting for June 15, 1970. Present: Irwin, Storey, Powers, Koenn, and Hopkins; absent: Lewis and Haselschwardt; also present: Superintendent Cameron; Business Manager Mills, Principals Conklin, Wojcik, and Benedict. Guests: Mrs. Keith Boylan, Gerald Straub, David Rowe, Robert Barlow, Jerald Heydlauff, Wallace Wood, Robert Heller, Carl Genske, Luther Kusterer, Robert Daniels, George Palmer, and Earl Heller.

Meeting called to order by President Irwin at 8 p.m.

Motion by Powers, supported by Storey, to adopt the minutes of the meeting of June 8 with minor corrections pertaining to three deletions. All ayes.

Motion by Powers, supported by Hopkins, to adopt the agenda as amended. All ayes.

Motion by Koenn, supported by Storey, to pay general fund bills of \$4,642.70. All ayes.

A discussion was held regarding the letter of resignation of High School Principal Lane.

Motion by Storey, supported by Hopkins, to accept the low bid submitted by C. A. Sales & Service of \$4,985 for 60-passenger bus chassis, the low bid submitted by Palmer Motor Sales of \$3,205 for 36-passenger bus chassis, and the low bid submitted by Mary Smith GMC Truck of \$6,697 for 73-passenger bus chassis. All ayes.

Motion by Hopkins, supported by Storey, to accept the low bid submitted by the A. D. Mayer Agency of \$7,565 per year for Fire & Extended Coverage on school property, Comprehensive Liability and Workmen's Compensation. All ayes.

Robert Barlow reported to the board that if the present trend of vandalism continues in the schools of Chelsea and other areas, vandalism insurance will be very difficult to obtain and very expensive in the future.

The boiler problem at the Beach school was discussed at length.

Motion by Koenn, supported by Powers, that in light of the fact that the boilers in the Dwight E. Beach school have experienced several instances of leakage and have not operated in an automatic manner as per the specifications, and in light of the fact that Malvern Obrecht, Ph.D., PE, expert for the Chelsea School District, recommended in his letter of June 4 that the board of education should immediately replace the boilers in the Beach school to have a reliable heating system by Sept. 15. Therefore, be it resolved: The Chelsea School District Board of Education directs the superintendent, with the assistance of L. C. Kingscott & Assoc., to proceed with the writing of specifications and the taking of bids for the removal of the present boilers and the installation of new boilers to insure a reliable heating system in the Beach school for the safety and protection of the students, employees and the building. Ayes: Storey, Powers, Koenn, Hopkins, Irwin.

Motion by Powers, supported by

BILL BANS CIGARETTE ADS

President Nixon has signed a bill that will ban cigarette commercials from radio and television starting Jan. 2. The bill also strengthens the health warning on cigarette packages and empowers the Federal Trade Commission to require warnings in other advertising after July 1, 1971.

Motion by Powers, supported by

A special board of Education meeting will be held in the board room on Monday, June 22, at 8 p.m.

A letter of resignation from the

Motion by Storey, supported by Powers, to sign the contract with Dennis Andariese as high school Graphic Arts and Power teacher. All ayes.

Motion by Storey, supported by Powers, to sign the contract of Mrs. Mary Ann Paulin as Beach school librarian. All ayes.

Motion by Storey, supported by Hopkins, to accept the resignation of Miss Charlotte Danborn effective June 20. All ayes.

Trustee Storey, chairman of the board Curriculum Committee, recommended the adoption of Making Health Decisions by Gmus, Fodor, Glass, & Langan and published by Prentice-Hall as the 7th grade science text. Motion by Powers, supported by Hopkins, to accept the recommendation of the Curriculum Committee to adopt Making Health Decisions. All ayes.

The negotiating team reported on the progress of negotiations with the CEA Superintendent Cameron and President Irwin reported on the meeting held with the CEA Grievance Committee.

George Palmer, representing the Kiwanis Club, along with Robert Daniels and Luther Kusterer, presented a proposal for re-lighting the football field. They asked that consideration be given to naming the field in memory of Paul F. "Jerry" Niehaus.

Motion by Koenn, supported by Powers, to accept with gratitude the proposal of the Kiwanis Club to re-light the football field, to name the field in honor of Paul F. "Jerry" Niehaus, to authorize the installation of an appropriate plaque and to hold a proper dedication ceremony after completion. All ayes.

Robert Daniels reported to the board that a group of interested citizens are exploring possible recreational facilities and improvements and will come to the board with a proposal at some future date.

Motion by Storey, supported by Powers, to implement the following regarding job descriptions for all administrators as board policy: "Job descriptions, for each administrator shall be submitted to the board of education by the superintendent annually, no later than June 30, for approval." All ayes.

Motion by Hopkins, supported by Powers, to implement the proposed written appraisal of all administrators and adopt as board policy. All ayes.

Motion by Koenn, supported by Hopkins, to authorize the business manager to apply for an ESEA Title I grant for 1970-71. All ayes.

Motion by Powers, supported by Storey, adopt New Approaches to Language and Composition published by Laidlow Brothers as the 7th and 8th grade English text. All ayes.

A letter of resignation from the

board of education was submitted by Trustee Edward Lewis.

Motion by Powers, supported by Koenn, to table action on the resignation of Trustee Edward Lewis until June 22. All ayes.

Motion by Koenn, supported by Powers, to go into executive session at 1:20 a.m. All ayes.

Meeting called back to order at 1:45 a.m.

Meeting adjourned at 1:45 a.m.

THANK YOU!!

In a busy world such as this one, it is often difficult to take the time to personally express our feeling of appreciation to friends and customers. So, we thought it would be appropriate to use our regular weekly advertising space to write all of you this short thank you note.

The confidence that you have shown in choosing our pharmacy to supply the prescriptions and health needs of your family is a special trust of which we are well aware. We will strive to always merit your approval and will welcome your suggestions to help us improve our pharmacy.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

THANK YOU
Dear Peggy and Ed,

We wish to say thank you so much for everything you have done for us the past year, both here at St. Louis School and at our convent at Willis. Remembering you in prayer always. Sincerely,
Sisters at St. Louis School.

THANK YOU
We wish to thank Mr. Drew for the train rides the past two years. He has been most gracious to spend all afternoon with us.

Sincerely,
The boys, Father Louis, and the Fathers, Sisters and staff at St. Louis school.

THANK YOU
A very special thank you to our dear Peggy and Ed for the wonderful picnic Saturday and for everything you have done for us all through the year. God bless you both.

Father Louis, Director;
Fathers: Sisters; boys; and staff at St. Louis school.

THANK YOU
The family of Edwin I. Gaunt extends a most sincere thank you to all our relatives and friends for the comfort of their many acts of thoughtfulness and kindness. Our deep appreciation also to the Rev. Clive Dickens and the Burghardts for their words and acts of sympathy and understanding.

Mrs. Edwin I. Gaunt
Mr. and Mrs. James Gaunt and family.

THANK YOU
I will always remember the Kinder Klub for the good luck charm and the wonderful poem. Thanks to all of you. Jane Kruse.

Boy Scouts
Get Awards at
Court of Honor

Chelsea Rod & Gun Club was the scene for the Court of Honor for Boy Scout Troop 465 held Sunday, June 14.

Robert Taylor opened with the Pledge of Allegiance and Dan Atkinson delivered the Scout Oath and Law. A skit entitled "Green Canary" was next presented by Jim Barnes.

Then came the awards. Robert Taylor presented the tenderfoot award to Mike Fouty, Joe Keizer and Jim Barnes. Doug Schrotenboer presented 2nd class awards to Jim Barnes, Chris Rabbitt and Joe Keizer. Larry Garlick, the scribe, presented the 1st class awards to John Tandy and Doug Lorenz.

Special awards were presented by Scoutmaster Robert Snyder. Robert Taylor received the safety merit badge; Larry Garlick was awarded both the safety merit badge and the first aid merit badge; John Tandy was honored with the Order of the Arrow; and Doug Schrotenboer was given a special award for brotherhood.

Recreation in the form of baseball and darts followed a closing skit and benediction. The day was topped off with a picnic luncheon for all guests and scouts.

Troop 476
Canoes Down
Pine River

Boy Scout Troop No. 476 embarked on a 65-mile canoe trip down the Pine River the week-end of June 12-14.

A total of 35 boys and adults attended the affair, where Rodney Branham swamped his canoe nine times.

The troop hit the river for about five hours on Saturday and four hours on Sunday. The following boys and adults attended: Vern Hiltz, Harold Carr, Robert Daniels, Paul Schabie, Alvin Reinhardt, Ron Kiel, Harold Baker, Larry Poertner, Lee Hafner, Jeff Daniels, Peter Stahl, Barry Czarniecki, Wayne Stahl, Don Harmon, Ray Worden, Tony Cafuk, Curt Umstead, Doug Farrell, Jim Stahl, Bill Hafner, Don ROLLINGER, Dave Heydauff, Dave Schabie, Bob Heydauff, Tom Forner, Lloyd Hafner, Arthur Paul, Steve Shepherd, Jon Spaulding, Rodney Branham, Steve Worden, Bill Kalmbach, Dennis Cosgrove, Ron Kiel and Don Oesterle.

Some highlights of the exciting trip were Robert Daniels and Paul Schabie swamping their canoe in calm water, Peter Stahl and Bill Hafner getting hung up on a rock with the front of the canoe five feet out of the water, Jon Spaulding and Jim Stahl winning the fastest canoe award and Larry Poertner learning how to eat raw eggs for breakfast. All in all, everyone had a good time.

Removal of Frogs
From Nature Center
Will Upset Balance

The removal of frogs and other animals from the "Nature Center" at Beach Middle school is not only dangerous to the children doing it, but also unhealthy for the natural development of the area.

With the advent of summer, parents are urged to caution their children away from that pond. The "Nature Center" was proposed to enable students to observe nature in its true form. If humans tamper with it, reports James Hoffmeyer, science department chairman, then the balance of nature will be upset.

THANK YOU
Words cannot express our thanks to all our wonderful parents, relatives, neighbors, friends, Fathers, Sisters, boys and pastor for all the gifts, money, cards, flowers and telephone calls, and to our loving son, Michael, for the beautiful corsage. It is impossible to name each and everyone of you, but we shall never forget a most perfect day. Special thanks to Mrs. Douglas Rowe and Mrs. Phil Blough for making the party possible and for all the work and preparation it took to have it. May the wind always be at your back, and the rain fall gently upon you. And may God hold you all in the palm of his hand forever.

Mr. and Mrs. Bill Robbins
13388 Old US-12

THANK YOU
I wish to extend my sincere thanks to all my relatives, friends and neighbors for the lovely flowers, cards and letters I received from them during my stay at the hospital.

Clara Kuebler.

Many Scholarships Awarded...

(Continued from page one)

son, Oakland University; Dennis Morgan; Douglas Schoenberg; Jackson Community College; Brenda Seitz, Michigan State University; and John Wood, University of Michigan.

Other scholarship awards include the University of Michigan Regents-Alumni Scholarship to James Edward Phinney; the Ann Arbor Elks Student Leadership Award to Ann L. Travis; the Western Michigan University Board of Trustees scholarship to Claudia S. Devine and Patricia Gilbert; and the Albion College scholarship to Caryl Ann Thornton.

MAJOR WATERWAY
The Amazon River has 1,100 major tributaries, 10 of them longer than the Rhine River.

If everyone thought alike this would be a stagnant world.

The Alexandra School of Cos-

metology full scholarship was awarded to Joyce McGibney, who has already used her scholarship, and Nancy Langowski and Sandy Ellenwood, who will make use of their awards in the fall.

Robert Peterson is the recipient of the General Motors Institute's work-study scholarship. The Ann Arbor branch of the American Legion Auxiliary has awarded a nursing scholarship to Debbie Maynard.

Our Best Wishes to the Class of '70

TODAY'S THOUGHT

By LOUIS BURGHARDT

On Father's Day, dad is "supposed" to have his slippers brought to him; to have his pipe or cigars handed to him; to have the right to select TV programs of his choice on his special day when he is "King". Most dads are realistic though and understand even if these "Kingship" advantages don't happen.

Let's face it. There are all sorts of fathers, just like all sorts of women and children. Some dads are considerate, some inconsiderate. Some are affectionate, some indifferent. Some are contented, some discontented. Some are happy, some unhappy. Some are ambitious, some are not. Some are companions to their families, some are aloof.

In all these contrasts, one thing stands out. Blood relationship is one thing. A friendly relationship is another thing. And a blood relationship without a friendly relationship is tragedy. For all of you who read this, we sincerely hope Father's Day is a triumphant day — a friendly day for all fathers and families — everywhere. BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

Al Kaline Day Scheduled for Sunday, Aug. 2

Friends and fans of Al Kaline form the general committee planning the day to be held in his honor at Tiger Stadium on Saturday, Aug. 2, according to Lee A. Iacocca, general chairman of the committee.

Iacocca, who is president of Ford Motor Company's North American Automotive Operations and a long-time friend of the Tiger star, said "plans for the well-deserved tribute are virtually complete."

"Al will be honored not only as a great performer on the diamond, but as a fine family man and citizen, as well," he said.

National and local government and sports figures, as well as representatives of Al's fans, will take part in the program beginning at 12:30 p.m. The Tiger-Minnesota game will follow at 1:30 p.m.

Tiger radio announcer Ernie Harwell will be master of ceremonies for the program.

Iacocca pointed out that Kaline, in his 18th season with the Tigers, is the first active player in nearly three decades to be honored with a "day." The late Harry Heilmann was honored on Sept. 11, 1948—long after his playing career had ended—but the late Tommy Bridges was the last active Tiger given a day on Sept. 7, 1941.

Chelsea Arrest Brings Sentence on Narcotics

Jeffery Michael Evans of Allen Park pled guilty on June 17 to unlawful use of narcotics. The trial which took place in Judge Deake's 14th District Court in Ypsilanti, resulted in a two-year probationary period and \$203 fine and costs.

The trial was the result of an arrest made by Chelsea Patrolman McDougall on April 18.

Three Parties Qualify for Primary Ballot

Lansing—There will be no new entries or any surprises as voters will be able to choose between three parties—in Michigan's primary election Aug. 4 and five parties in the November general election, Secretary of State James M. Hare has disclosed.

The five party choices in November are two less than in 1968 when an all-time high of seven parties were on the ballot. Besides the two traditional major parties, Republican and Democrat, the other parties qualifying for a spot in November are the American Independent party, the Socialist Workers, and Socialist Labor. Two parties which qualified in 1968—New Politics and Prohibition—did not qualify this year.

Minority parties must gain at least one percent of the votes cast for the successful secretary of state to automatically qualify for a spot on the general election without collecting new qualifying petitions.

The American Independent Party, by virtue of its strong showing in the last general election, qualified for both the primary and general elections and did not have to file qualifying petitions.

Regardless of your state of mind, you are a very lucky person and you can prove it to yourself by looking around you.

SPORTS CORNER

AN EARLY CANDIDATE FOR COMEBACK OF THE YEAR HONORS IS CHRIS SHORT WHO PITCHED ONLY TEN INNINGS IN 1969 AND THEN UNDERWENT BACK SURGERY. HE'S JOINED THE CHARGE TO MAKE A COMEBACK.

SHORT HAS WON MORE GAMES THAN ANY OTHER 'SOUTH PAW' IN PHILLIES HISTORY. HIS SHUTOUT WIN ON OPENING DAY WAS HIS 116TH FOR THE CLUB...

District Court Proceedings

In the 14th District Court this past week, Sharon Pope of Plymouth pled guilty to reckless driving, paying \$75 fine and costs.

Joyce E. Young of Ann Arbor pled guilty to failing to yield and not having an operator's license on her person, paying \$25 fine and costs.

Ralph J. Schloff of Ann Arbor also pled guilty to not having his operator's license, paying \$25 fine and costs.

Herman Duide of Gobles, pled guilty to driving while under the influence of liquor. He paid \$100 fine and costs and surrendered his driver's license.

Steven D. Wild of Saline pled guilty to speeding 70 mph in a 35 mph zone and paid \$60 fine and costs.

Rex M. Lickly, Jr., of Hudson paid \$40 fine and costs for driving 60 mph in a 35 mph zone.

Eugene Hunt, Jr., of Manches-

ter paid \$70 fine and costs for driving 95 mph in a 55 mph zone.

Clifford Carl Smith of Jackson paid \$100 fine and costs and surrendered his license for driving while under the influence of liquor.

Mrs. Jeanett Norton, 521 Wilkinson St., was convicted of disorderly person and simple assault in Judge Patrick Conlin's 14th District Court on June 15. The assault was made against her neighbor, Mrs. Nancy Scott, of 519 Wilkinson St., whom she threatened with an axe handle on May 8. Mrs. Norton was found guilty by Judge Conlin and referred to the Probation Department for sentencing on June 29. The arrest was made by Sgt. McCormick of the Chelsea Police Department.

George Norval Menge of Ann Arbor, was convicted of speeding on June 15 by Judge Conlin. He was arrested April 21 by Sgt. McCormick for going 60 mph in a 45 mph zone.

Drag Club Plans Varied Summer Fun

The June 10 meeting of the Ford Drag Club was conducted by Mr. Pratter from Penzoll Corp. His program, entitled "The Choice of Oil," was enjoyed by the 42 members who attended this month's meeting.

Later in June, the club plans a picnic for members at Half Moon State Park. Members will receive more details concerning the event in the club newsletter.

July 8 will be the date of the next club meeting at which time Jim Kalishnek of Jim's Pure Oil will give a demonstration on wheel balancing and wheel alignment.

Big days for any club member who would like to visit Michigan International Speedway are July 17, 18, and 19. There will be drag races, slalom, gymkhana, off the road racing and ladies events as well as a dance the evening of July 18 at the Speedway. Free camping facilities will be provided on the grounds. Registration for this event will be held from 7:30 to 11 p.m. on July 17. The cost will be \$12 per person for the entire week-end.

Area Residents Receive Degrees From MSU

Among the 4,783 recipients of degrees at Michigan State University's spring term Commencement June 14 were three local residents. Benjamin L. Stapish, of 20090 Waterloo Rd., graduated with a Bachelor of Science in Agricultural Education.

Philip L. Spike, of 3260 Sharon Hollow Rd., Manchester, graduated with high honors and a Bachelor of Science in Dairy. Laura K. Chatter, daughter of Mr. and Mrs. Clarence Reddeman of 10395 Jerusalem Rd., graduated with honors, receiving her Bachelor of Science degree in Community Services. She and her husband Michael, a December 1969 graduate also from MSU, will move to Los Angeles, Calif., in the fall, where Michael has received a fellowship to attend the Gould Law School at the University of Southern California.

To help reduce the risk of heart, the Michigan Heart Association recommends eating less animal fats and high cholesterol foods. This includes butter, suet, lard, organ meats, egg yolks, etc.

Bring 'em back ALIVE!

MORE THAN 70 PERCENT OF MICHIGAN'S FATAL ACCIDENTS OCCUR ON UNMARKED TWO-LANE ROADS, USUALLY AT SPEEDS TOO FAST FOR CONDITIONS. SLOW-DOWN AND 'BRING 'EM BACK ALIVE!'

St. Louis School Pupils Enjoy Picnic

On Saturday, June 13, Mr. and Mrs. Ed Beissel spent the day with the boys, Fathers and Sisters of St. Louis school. They had a picnic at Lyndon Center Park, with the boys enjoying hot dogs, potato chips, pop and watermelon. Games were played, and each boy won a toy plane which they all enjoyed very much. In addition, the boys had fun on all the rides in the park.

In the afternoon, everyone went to Mr. Drew's for a ride on his miniature train. Although it rained, the weather couldn't dampen the spirit of the St. Louis boys, and everyone had a great time.

Ypsilanti Youth Drowns at Silver Lake

Michael Tykosky, 13, of 1163 Share, Ypsilanti, drowned in Silver Lake, Dexter township, on Friday June 12. An eighth grade student at St. John's school, he was reportedly participating in a class outing when the accident occurred. When the boy was brought to shore, the marine patrol division of the sheriff's department, along with personnel from the Chelsea Medical Center, spent approximately one hour attempting to revive the youth, but failed.

The human race is divided into four classes of people; wise ones, foolish ones, nuts and those who believe in campaign promises.

GRADUATES

It's Your Day

To you, graduates of 1970, we extend our heartiest congratulations and most sincere wishes for a happy, successful future. You may be justly proud of your scholastic achievements, and we join with all your friends and neighbors in saluting you.

Candidates File for Primary...

(Continued from page one)

cent Floyd Proctor, Republican, as filed against Walter Boike, also a Republican.

Scio township reports three slates of petitions turned in. Democrats who filed are Gerald W. Brewer for supervisor, Carolyn E. Rehm for clerk, Alice Dwyer Pratt for treasurer; and for trustee, James L. Baden, Arthur E. Rogers, and John D. McBride all filed petitions. The first Republican slate consists of F. William Petring for supervisor; George H. J. Smith for clerk; Mrs. Evelyn P. Navarre for treasurer; E. Lowell Kelly, Robert W. Foster, and Barbara R. Kurtz for trustee; and Mike Dutzer filing for constable. The second Republican slate for Scio included Robert Hutchinson for supervisor; incumbent clerk Robert Gilbert refiling; incumbent

treasurer Mrs. Carol Breuninger filing a petition; trustee petitions from incumbent Jacob Grant, Frederick Arnett, II, and William James Darwin; and for constable, Stewart McMillan has filed a petition. A total of 20 petitions were filed in Scio township for the primary elections. The rash of candidates is apparently due to interest in zoning issues.

In Webster, the following Republicans filed petitions: for supervisor, incumbent Carl Mast, for clerk, Mrs. Wana Baldus; for treasurer, incumbent Mrs. Margaret Myhring; and for trustee, incumbent John Wheeler, Jr.

For the office of county commissioner, Republican Jay L. Bradbury has filed in District I; in District II, Neil Mast, Republican; and Mrs. Dorothy Hunawill, Democrat, have both filed petitions.

Don Turner Returns To Find Fish Still 'Bite Like Crazy'

BUD STEVENS, one of Don Turner's prospector friends, writes ballads and poems of the North such as "The Prospector's Lament," which Don includes in this week's letter.

ONE-PIECE SWIMSUITS

One-piece bathing suits bid fair to being favored for the coming season. Some are draped about the bust, others have a very short skirt.

Jeffrey Spaulding Will Teach in Dexter

Jeffrey Spaulding, son of Mr. and Mrs. Rolland Spaulding, 1421 Eisenbeiser Dr., has signed a contract to teach at Wylie Middle school in Dexter.

Jeffrey graduated from Central Michigan University, Mt. Pleasant, with a Master's degree in English and Art. On the same day he graduated, June 6, he married Anne Young, of Mt. Pleasant, with whom he attended school.

PAIN AND POLLUTANTS

Charleston, S. C.—Medical school professor Dr. Roy H. Hart, in an article for a medical publication, expressed his belief that certain aches and pains and discomforts suffered by some are associated with pollutants in the air.

Don Turner, continuing his travels to Alaska, dates his third letter June 9, from Watson Lake, Yukon. He writes: Dear Readers:

Since my last report I have been eating up the miles toward Alaska, stopping at some interesting and historical spots. I attended two Kiwanis Club meetings in Edmonton, Alberta, then pushed on to the start of the Alaska Highway which is at Dawson Creek, British Columbia.

The highway was in poor shape for the first 200 miles. The Highway Department was having a hard time trying to maintain it due to three days of hard rain. They couldn't seem to get the mud packed down.

You see the highway is made up of material found locally—sand, clay and some gravel. They try to apply a certain amount of clay and gravel on the surface to make it pack, but when it rains for three days in succession they can't get it dry enough to pack and the chuck holes get deeper and deeper. It was like driving through about six inches of fresh concrete.

When you meet one of the large tractor trailers, you get a mud bath hard to describe. Driving faster than 25 miles per hour makes you slide off on the curves and you are done until someone comes along and pulls you out. The large trucks are heavy enough to hold to the road so they roll about 60 which is sure to scare you out of 10 years of your life until you get used to it.

My advice to anyone traveling the Alaska Highway is to take it slow and don't get discouraged if you find it as I have just described. Better a day late than try to exceed the speed limit.

A retired couple I talked to the first evening in a restaurant were turning back after less than 150 miles. They said they had dreamed for several years of making the trip but at that point they were so shaken up they wanted no more. I tried to explain it would get better, but they had had it.

The next day I drove about 100 more miles and the road became dusty but smooth as pavement. One of the historical places I stopped to see was the site of the old Port St. Johns (see picture). On the banks of the Peace River seven miles off the Highway, it was the first fort built after Alexander McKenzie laid claim to this area for Canada in 1798. It's now a historical site worth seeing if you stop for a day in the area. It's one of the oldest buildings in British Columbia.

I stopped briefly at Muncho Lake Mill 464 on the Highway and had a pleasant surprise. Met a fellow I had met in 1968 at the same place and on the same date. Ed Geopfrich of Three Rivers, was making his second trip to Alaska. Neither of us knew the other was in the area. We had a real chat about our travels of the past two years. Muncho Lake was still frozen over and we couldn't fish so I came here to Watson Lake where I met a number of friends from my last trip.

One I wrote about the last trip was Jake Melnychuk and his fishing camp at Toobally Lake, Yukon, where the fish bite like crazy. Well I had to go to that quiet place again. Toobally Lake is about 85 air miles from Watson Lake. Jake takes a number of people there to fish during the summer, and this place is the "most." The beauty and quiet solitude alone is worth the trip, but the fishing is just out of this world. There are no roads to the lake so one must fly in.

Jake Melnychuk arranged a party to this fabulous place. (See picture.) We spent several days here in solitude with only the sound of the birds—loons, trumpeter swans and other song birds. Jake's camp is not plush like a lot of places, but he

DON TURNER finds this site of this early fort to be a nice, quiet camping place. on the banks of the Peace River in British Columbia.

THE 'BIG ONES' ESCAPED: Don Turner, the stillness fills you with peace," display the results of a fishing trip. (right) and his friend Jake in front of the trapper's cabin at Toobally Lake where the fish bite like mad and

makes one comfortable. If the weather permits he cooks the meals over the open fire in front of the cabin where you have a view of the lake and hear the sound of nature. Whether the fresh scented forest air or Jake's cooking ability does, it isn't sure, but one gets such an appetite that you just can't quit eating.

Moose may be seen in quite some numbers on the shores of Toobally Lake, and the American eagle nests in the area as well as Osprey fish hawks. Just back of the cabin grew a clump of delicate wood orchids, one of the Lady Slipper group of the many varieties of orchids growing in North America. The pine squirrels, Husky Jacks are Camp Rahors as some call them, are all about, and so interesting. I think a trip into a place like Jake's camp can be a cure for many ills.

The fish caught here are Lake or Mackinaw Trout, Pike, Whitefish and Arctic Grayling. The ones shown in pictures ranged in weight from 6 to 22 pounds, and much larger ones have been caught. I had a 20-minute battle with a 22-pounder caught on light tackle, as well as other took a 6-pound trout on a fly and a 3-pound white fish on the same fly in the same area. These are just some of the jewels found at Jake's Toobally camp.

Jake owns and operates the Venture Hotel here in Watson Lake. From the area where I have my camper parked and from the miners and prospectors that stay here I have learned many a tale and laughable gadgets that both the trappers and prospectors use to amuse themselves during the long winter months.

One fellow here is quite a writer of poetry and ballads. One of his ballads or laments entitled, "The Prospector's Lament," I think fits many of us in our search in life for greener pastures. For many by the

time we find greener pastures we are too old to jump the fence.

PROSPECTOR'S LAMENT

By Bud Stevens
For years I have roamed the valleys and the high plateaus
For years I have dug in those rocky hills up where the scrub brush grows.

One day I found a canyon that I hadn't seen before, and as I stood on its rocky edge I wondered did it hold that long sought vein of ore.

I entered this canyon with walls so tall where the eagle soared in the quiet sky and there was a waterfall.

I made my camp by the rumbling stream and as I lay on my bed

I had a dream.
A vision appeared before me and the story was plainly told.
Just up the creek and around the bend I would find that vein of gold.

I awoke with a start at the break of day. I picked up my pack and was on my way.

I crossed the creek in dawn's early light, as I rounded a bend I beheld that wonderful sight.
But now I am tired, weary and old. Pray tell me what can an ancient like me do with a fortune in gold?

I must be running along now searching for more material to send back.

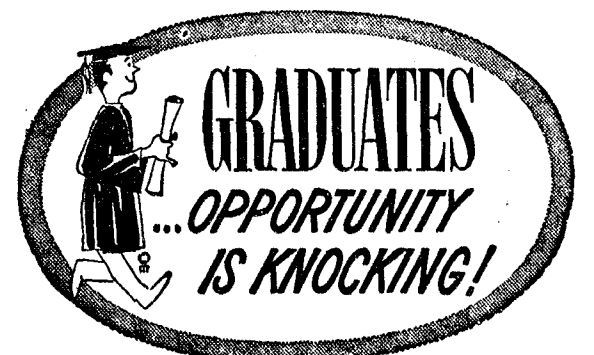

Prospector,
Don Turner

Fun night every Friday night at 7:30 p.m. at Korner House.

Inquiries regarding the Chelsea blood bank may be directed to Harold Jones at Cavanaugh Lake in the event that Mrs. Dudley Holmes is unavailable.

'June Pressures' Lead Us To Err in Reporting

It has been brought to the attention of The Standard that last week's article implied that the board of education had persuaded High School Principal Charles Lane to withdraw his letter of resignation during an informal session last Wednesday evening.

Actually, Principal Lane stated that after the informal discussion he indicated to the board that he was withdrawing his resignation. Lane stated that "June pressures" had caused him to tender his resignation and that he had reconsidered and was willing to remain as Chelsea High school principal.

DEATHS

Mrs. Lawrence Fowler

Dies Suddenly Monday At U. of M. Hospital

Mrs. Lawrence (Josephine) Fowler, 5387 Pleasant Lake Rd., Ann Arbor, died suddenly Monday, June 15, at University of Michigan Hospital. She was born March 8, 1911, in Chelsea, the daughter of Louis and Cora Stoffer Staphish. She married Lawrence Fowler on Oct. 15, 1932, at Jackson. She was employed the past 11 years as a dietetic food supervisor at U. of M. Hospital. She was a member of Bethel church in Freedom township, belonged to the Eastern Star, and was a past Noble Grand of the Rebekah Lodge.

She is survived by her husband, Lawrence; three daughters, Mrs. Glenn (Beatrice) Haeussler, Saline; Mrs. Norman (Donna) Lambarth; and Mrs. Bill (Nancy) Darnell, Gleason, Tenn. She has one brother, Albert Staphish of Chelsea; three sisters, Mrs. Harold (Mae) Boltz, Monroe, Mrs. Mildred Jarvis, Mrs. J. Wilbert (Doris) Smith; and nine grandchildren.

Funeral services will be held Friday, June 19, at 1 p.m. at the Bethel church in Freedom township with Rev. Roman Reineck officiating. Burial will be in Bethel church cemetery.

Friends may call at the Staffan Funeral Home, until 11 a.m. on Friday. Memorial contributions may be made to the heart fund.

Mrs. Lewis Stocking

Resident Dies in Detroit Former Lima Township

Funeral services were held at 10 a.m. Saturday at the Hilliker Funeral Home, Detroit, for Mrs. Alice K. Stocking, 76, widow of Lewis Stocking. Burial followed in Oak Grove cemetery, Chelsea.

Her husband, who was the son of the late Will and Henrietta Stocking, long-time Lima township residents before they moved to Detroit, died in 1933.

Mrs. Stocking is survived by a daughter, Mrs. Adrian (Hortense) Oswalt of Ann Arbor.

Police Chief George Meranuck delivered a talk on June 15 at Beach Junior High school on juvenile delinquency.

Keith Salyer

Drowning Victim Buried Sunday in Kentucky

Keith Salyer, of 421½ W. Middle St., drowned Wednesday night, June 10, while fishing. He would have been 28 this July 21.

He is survived by his parents, Mr. and Mrs. Ford Salyer of his hometown of Salyersville, Ky. Other survivors include his widow, Wanda; two sons, Billy and Danny; two brothers, Roger of Rives Junction and Danny of Salyersville; and three sisters, Mrs. Eugene (Faye) Back of Lexington, Ky; Mrs. Randall (Vickie) Minix of Dayton, O.; and Miss Debbie Salyer of Salyersville.

The deceased had been employed as a carpenter in Local 512 in the Ann Arbor area.

Staffan Funeral Home assisted with the services Sunday, June 14, at 11 a.m. in Salyer Cemetery, Kentucky, conducted by the L. D. Dunn Funeral Home, Salyersville.

Leroy Wilsey

Former Chelsea Resident Dies at Allen Park Hospital

Leroy Wilsey, 82, a former Chelsea resident, died at Veterans Administration Hospital, Allen Park, Saturday, June 13. He was a veteran of World War I.

Born July 4, 1887 in New Boston, he was a son of William and Rachel Guthrie Wilsey. He was employed by the Wayne County Road Commission.

Surviving is a son, Robert Wilsey of Edgerton, O.; a daughter, Mrs. Daryl Johnson of West Unity, O.; a sister, Mrs. William Farmer of Chelsea, as well as a nephew, Arnold Farmer, also of Chelsea.

Funeral services were held Wednesday, June 17 at 2 p.m. at the Burghardt Funeral Home with the Rev. Warner H. Siebert officiating. Burial followed in Oak Grove Cemetery.

Summer Band Program Starts Next Monday

The close of the school year may end academic endeavors for awhile, but the band plays on. The Chelsea Summer Band Program under the direction of Warren Mayer will begin Monday, June 22, and continue through July 17.

The seventh grade band will meet Monday, Wednesday and Thursday mornings at 8 a.m. At 9:25 a.m. on the same days, the eighth grade band will meet. Schedule for the sixth grade band instruments is as follows: flutes—Monday, Wednesday, Thursday, 1:45 p.m.; clarinets—Monday, Wednesday, Thursday, 1 p.m.; saxophones—Monday, Wednesday, Thursday, 2:30 p.m.; cornets—Monday, Wednesday, Thursday, 11:15 a.m.; French horns—Tuesday, Thursday, 11:15 a.m.; and Friday, 10:30 a.m.; trombones—Monday, Wednesday, 10:30 a.m. and Friday, 9:15 a.m.; drums—Tuesday, Thursday, 10:30 a.m. and Friday, 8 a.m.

All bands are requested to meet at Chelsea High school band room. The chance to sharpen up one's musical ability is not limited to the younger set, as the high school and community band will also practice and perform this summer.

Every Thursday night at 7:30, in the high school band room, all instrumentalists, whether they're still in high school or long out, are invited and encouraged to participate in band rehearsals. This community band will give Friday evening concerts at 7:15 in the downtown parking lot as often as a program can be prepared.

Community band participation should offer a challenge to all the old-time bandmen and bandswomen to dust off the old horns and tune in. This part of the program is free of charge and promises to be very rewarding with enough community support from those musically inclined.

A BRIGADIER GENERAL

Secretary of Defense Melvin R. Laird recently helped pin a brigadier general's star on Daniel Chappie James, who thus became the highest-ranking negro in the Air Force. Laird also swore in General James, a command pilot and Vietnam war veteran, as Deputy Assistant Secretary of Defense for public affairs.

Some Openings Still Exist in Fluoride Program

Due to some cancellations, the Chelsea Fluoride Program has openings for a few more children according to the chairman, Mrs. Gary Albrecht.

The following children in the Chelsea school system who do not drink from the community's water supply are eligible: pre-schoolers (3 years or older), kindergartners, 1st, 3rd, 5th, 6th, 8th, and 9th graders or special cases recommended by a dentist. Parents may call Mrs. Albrecht for possible enrollment, at 475-7465. The fee is \$4 per child and consists of four treatments. The clinic will operate from July 9 through Aug. 3.

Parents who had enrolled their youngsters in the program in March and have not yet received an appointment card are asked to contact the chairman.

BIRTHS

To Mr. and Mrs. Bern Hapke, 9141 Liberty Rd., a son, Brett.

A daughter, Laura Denise, June 15 to Mr. and Mrs. David L. Walton.

Dr. J. Fisher Re-Elected to GP Academy

Dr. J. V. Fisher of 116 Park St., was re-elected this month to active membership in the American Academy of General Practice, the national association of family doctors and the country's second largest national medical association.

Dr. Fisher has practiced in Chelsea since 1941 with two exceptions. From 1942-46 he was away in the Army Medical Corps, and for six months during 1964-65 he did post-graduate study in psychiatry at the University of California on a fellowship granted by the National Institute of Mental Health.

Along with Dr. Michael Papo, 775 S. Main, Dr. Fisher will attend the annual meeting of the Michigan chapter of the American Academy of General Practice at Boyne Highlands.

Active also in community affairs, Dr. Fisher was the head of the school board for nine years from 1953 to 1961. He has been chairman of the Chelsea Village Planning Commission since its inception in 1966.

Penn Central In Court Again for Blocking Crossing

Chelsea Police Department officers have once again caught Penn Central Railroad for violating the five-minute limit on blocking the railroad crossing.

Patrolman Louis Schneider is sued the ticket which resulted in a \$203 charge for fines and costs for Penn Central when they pleaded guilty last Thursday.

When asked about the problem of obstructing the railroad crossing, Chief of Police George Meranuck explained that Penn Central has been persistently violating the five-minute limit lately. In the past two months, he says his force has issued five tickets for this violation. One ticket was dismissed, and four were supported with a guilty charge and a \$203 fine and cost fee. This means Penn Central has already had to pay \$812 recently for its delinquency.

Read Labels Carefully

Labels and hang tags are the one tangible guide the consumer has for information on clothing purchases. Read tags carefully before you buy.

Class of '45 Holds 25th Year Reunion

Chelsea High school Class of 1945 met Saturday, June 13, at the Rod & Gun Club for their 25th class reunion. A pot-luck dinner was enjoyed by 22 of the original 39 class members, along with their spouses.

Correspondence was read from several members who were unable to attend. The evening was spent in relating what members have and in reminiscing.

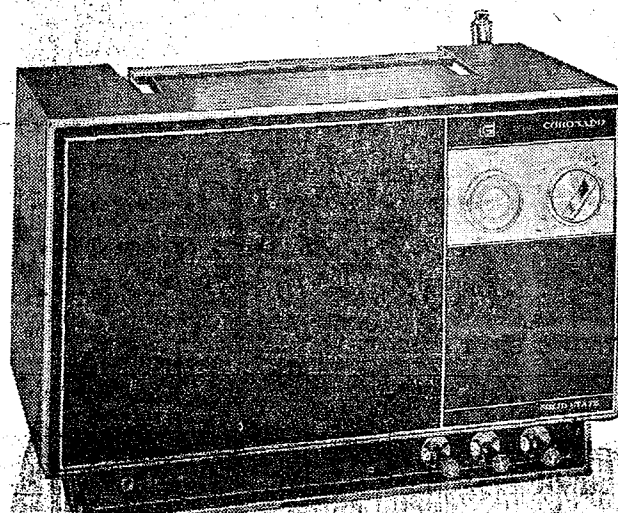

Those attending the reunion from Chelsea are James Gaken, Rose Marie (Clark) McGibney, Donald Eder, James Gaunt, Elton Guenther, Don Doll, Phyllis (Hopper) Passow, Wileta (Lantis) Hafner, Rosemary (Lyons) Lutovsky, Duane Luick, Joan (Pierce) Kipfmiller, Charles Smith, Jr., Robert Trinkle, Marjorie (Umstead) Burnett, and Stanley Weir.

From Ann Arbor came Ileen (Loeffler) Kinsey, Ruth Ann (Schenk) Kahnback, and Veryl Steinaway. Roland Roberts and Dean Schweinfurth, came from Grass Lake; James Carraher from Garden City; and Eva (Geddes) Buria came from Wayne for the reunion dinner.

★ Those Were the Days

Rummaging is a characteristic of the American scene. It's the curiosity that gets to you, the hoped for treasure of yesterday, aged obsolescence, extra old stuff that transforms itself from what once was an everyday happening into a novelty in your hand, offering an ironic twist to browsers of our age of men walking on the moon, to back then, to the long forgotten.

Dug out from between the pages of an 1882 book "Science in the Kitchen" (when most food was a do-it-yourself project in your own garden), is this segment of browned with time newspaper clipping which may have been a forerunner of today's "advice to the troubled" social columns. Try it on for size and witness the change.

"I do not know what your age, size and complexion has to do with parting your hair on the side, but if it is any satisfaction to you to know my opinion, I will tell you that it is perfectly permissible for you to part your hair any way you please. It is all a matter of taste or lack of taste. You should wear skirts well down over your ankles. It is not proper for you to go boating with a young man without a chaperone."

The writing goes on to finish with, "It is not so much a question of age, but of conditions. No decent and properly brought up girl will allow any man, not of her family, to kiss her, unless she is engaged to him."

Those were the days when most folks farmed, but today we've switched roles to where 95 percent of the population is urban, and barely 5 percent of the people still farm. There's more than 200 million people in the U.S. now, a far cry from yesteryear when folks only numbered a quarter of that amount. In Michigan, back then, there were only about two million of us, while today it's four times that.

It is a credit to farmers that during this population burst and transformation they engineered their ingenuity to meet the challenge of feeding the country and part of the world, and that they continue to accomplish this today.

The success is evident and while social values have changed over the years so have farming food values. Today's bargains for housewives have climbed to the moon in quality while keeping earthly prices.

Those may have been the good old days back in the 1880's but for the well being of the entire population, it's hard to beat the farm efficiency and productivity of the '70's.

Western Square Dance Scheduled Aug. 1 in Hell

Hell Chamber of Commerce has announced the 9th annual Western Style Square Dance will be held at Hell, Mich., Saturday, Aug. 1 Starting at 7:30 p.m. Harley Wood of Dearborn and Doug Rieck of Pontiac will do the calling.

MORTGAGE SALE

Default having been made in the conditions of a mortgage made by STEVEN D. FRASER and REBECCA A. FRASER, his wife, to INTERNATIONAL MORTGAGE CORPORATION, a Michigan corporation, dated April 25, 1969, and recorded on April 30, 1969, in Liber 1285, on page 364, of the County Records, Michigan, and assigned by said mortgage to JAMES T. BARNES and COMPANY, a Michigan corporation, dated April 25, 1969, and recorded on April 30, 1969, in Liber 1285, on page 364, of the County Records, Michigan, on which mortgage there is claimed to be due at the date hereof the sum of Eighteen Thousand Seven Hundred Seventy Six and 22/100 (\$18,776.22) Dollars, including interest at 7 1/2% per annum.

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public venue, at the west entrance of the Washtenaw County Building in the City of Ann Arbor, Michigan, at 10:00 a.m. on THURSDAY, AUGUST 6, 1970.

Said premises are situated in the Township of Ypsilanti, Washtenaw County, Michigan, and are described as:

Lot 183 TURTLE CREEK SUBDIVISION NO. 2, a part of the NE 1/4 of Section 30, Township 3 South, Range 7 East, Ypsilanti Township, Washtenaw County, Michigan, according to the plat at and recorded in Liber 19 of Plats, Pages 41 and 42, Washtenaw County Records.

The length of the period of redemption from such sale will be six months.

Dated: May 4, 1970.

NOTICE OF MORTGAGE

FORECLOSURE SALE

Default having been made in the conditions of a certain mortgage made by Paul W. Couch and wife, to SALINE SAVINGS BANK, a Michigan corporation, dated January 10, 1969, and recorded in the office of the Register of Deeds for Washtenaw County, Michigan, on January 20, 1969, in Liber 1274 of Records, Page 299.

And the mortgage having elected under the terms of said mortgage to declare the entire principal and accrued interest thereon to be due, which election it does hereby exercise, pursuant to which there is claimed to be due, at the date of this notice, the total sum of \$12,574.65, no suit or proceeding at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof.

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given, that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public venue, at the west entrance of the Washtenaw County Building in the City of Ann Arbor, Michigan, at 10:00 a.m. on THURSDAY, AUGUST 6, 1970.

Said premises are situated in the Township of Ypsilanti, Washtenaw County, Michigan, and are described as:

Lot 183 TURTLE CREEK SUBDIVISION NO. 2, a part of the NE 1/4 of Section 30, Township 3 South, Range 7 East, Ypsilanti Township, Washtenaw County, Michigan, according to the plat at and recorded in Liber 19 of Plats, Pages 41 and 42, Washtenaw County Records.

The length of the period of redemption from such sale will be six months.

Register of Probate

VILLAGE OF CHELSEA ORDINANCE NO. 73

TITLE

An Ordinance establishing regulations governing the subdivision of land: providing for the procedure for the preparation, approval of preliminary plats, submission of record or final plats, approval of the plat by the Village Council; providing for planning regulations and requirements in regard to conformity to General Village Plan, hereby declared, as to streets, alleys, easements, blocks and lots, and to provide penalties for the violation thereof.

THE VILLAGE OF CHELSEA ORDAINS:

ARTICLE 1. GENERAL

Section 100. **SHORT TITLE:** This Ordinance shall be known and referred to as the "Village of Chelsea Subdivision Regulations."

Section 101. **PURPOSES:** These Subdivision Regulations have been enacted for the purpose of protecting the safety, convenience and welfare of the residents of the Village and of insuring the orderly growth and harmonious development of the Village by requiring:

1. Proper arrangement of streets in relation to existing or planned streets or to the Comprehensive Plan.
2. Adequate and convenient open space for traffic, utilities, access or fire fighting equipment, recreation, light, air, privacy, and safety from fire hazards.
3. Avoidance of population congestion.
4. Establishment of standards for the construction of any and all improvements as herein required.
5. Establishment of standards for yard drainage.

Section 102. **AUTHORITY:** These regulations are made, interpreted and enforced by the Village Council and Village Planning Commission under authority of the State of Michigan, Subdivision Control Act, Act 288, Public Acts of 1967, as may be amended.

Section 103. **INTERPRETATION:** The provisions of the regulations shall be construed to be the minimum requirements necessary for the preservation of public health and welfare within the Village. These regulations are not intended to repeal, abrogate or supersede any existing regulations of the State of Michigan or Washtenaw County, except that these regulations shall prevail in cases where they impose a lawful restriction or requirement more severe than existing statutes, laws or regulations. If any section or provision of these regulations shall be held invalid, this shall not affect the validity of other sections or provisions hereof.

Section 104. **EFFECTIVE DATE:** The provisions of this ordinance shall become effective within twenty (20) days after passage.

Section 105. **SCOPE:** Subsequent to the effective date of these regulations, no plat within the Village of Chelsea shall be approved by the Village Council unless it conforms to these regulations.

Section 106. Ordinance No. 58 of Chelsea Village Ordinance is hereby repealed.

ARTICLE II. DEFINITIONS

Section 200. The following definitions apply to the meanings of respective terms as they are to be construed in these regulations.

1. **ALLEYS:** A strip of land dedicated to public use, generally for the purpose of providing vehicular access to the rear of properties to which the principal access is provided by an abutting street.

2. **RESERVE STRIP:** A strip of land in a subdivision which extends across the end of a street proposed to be extended by future platting or a strip which extends along the lengths of a partial width street proposed to be widened by future platting, to the minimum permissible width.

3. **BUILDING LINE:** A line established in a plat for the purpose of prohibiting construction of any portion of a building or structure between such line and any easement, right-of-way, or other public area.

4. **COMPREHENSIVE DEVELOPMENT PLAN:** The Comprehensive Development Plan for the Village of Chelsea, Washtenaw County, Michigan as adopted by The Village Planning Commission in accordance with Act 285 of Public Acts of 1931, as amended.

5. **CUL-DE-SAC:** A short minor street with only one end open to vehicular traffic and being permanently terminated at the other end by a vehicular turnaround.

6. **DEAD END STREET:** A street with only one end open to vehicular traffic and not provided with a vehicle turnaround at the other end.

7. **EASEMENT:** A grant by the property owner of the use of a strip of land by the public, a corporation, or private person or persons for a specific purpose or purposes.

8. **IMPROVEMENTS:** Any additions to the natural state of the land which increase its value, utility or habitability. Improvements include street pavements, with or without curbs and gutters, sidewalks, water mains, storm and sanitary sewers, street trees and other appropriate and similar items.

9. **LOT:** A portion of a subdivision or other parcel of land

intended to be a unit for transfer of ownership or for development.

10. **MAJOR STREET:** A street or highway used primarily for fast or heavy traffic including expressways, freeways, boulevards and highways in the State System.

11. **MINOR STREET:** A street intended primarily to provide access to abutting property.

12. **OUTLOT:** An "outlot" when included within the boundary of a recorded plat, means a lot set aside for purposes other than a building site such as a park or other land dedicated to public use or reserved to private use.

13. **PARCEL:** A unit of land under one ownership.

14. **PLAT:** A map or chart of a subdivision of land.

(a) **Pre-Preliminary Plat:** A sketch plan of a proposed subdivision at sufficient accuracy and scale to serve the purposes of procedure as set forth in this Ordinance.

(b) **Preliminary Plat:** A map showing the salient features of a proposed subdivision submitted to the Village Council for purposes of preliminary consideration.

(c) **Final Plat:** A map of all or part of a subdivision prepared and certified as to its accuracy by a registered engineer or land surveyor. Such map must meet the requirements of Section 303 of this Ordinance and of the Subdivision Control Act, Act 288, Public Acts of 1967, as may be amended.

15. **PUBLIC RESERVATION:** A portion of a subdivision which is set aside for public use and made available for public acquisition.

16. **SECONDARY STREET:** A street, or highway intended primarily for mutual access between major and minor streets, for entrance to residential areas and for circulation within such areas.

17. **STREET:** A right-of-way dedicated and deeded for public use, other than an alley, which provides for vehicular and pedestrian traffic.

18. **SUBDIVIDE OR SUBDIVISION:** The partitioning or dividing of a parcel or tract of land by the proprietor thereof, or by his heirs, executors, administrators, legal representatives, successors or assigns for the purpose of sale, or lease of more than one year, or of building development, where the act of division creates five (5) or more parcels of land each of which is ten (10) acres or less in area; or five (5) or more parcels of land each of which is ten (10) acres or less in area are created by successive divisions within a period of ten (10) years.

19. **SUBDIVIDER OR PROPRIETOR:** A natural person, firm, association, partnership, corporation or combination of any of these which may hold any ownership interest in land whether recorded or not.

20. **VILLAGE COUNCIL:** The Village Council of the Village of Chelsea, Washtenaw County, Michigan.

21. **PLANNING COMMISSION:** The Village Planning Commission of the Village of Chelsea, Washtenaw County, Michigan.

22. **ZONING ORDINANCE:** The Zoning Ordinance of the Village of Chelsea, Washtenaw County, Michigan, adopted on October 21, 1956, as amended, in accordance with the provisions of Act 207 of the Public Acts of 1931, as amended, and which is now in effect as the Zoning Ordinance of the Village of Chelsea, Washtenaw County, Michigan.

ARTICLE III. SUBDIVISION PROCEDURE

Before making or submitting a final plat for approval, the proprietor may make a pre-preliminary plat, and shall make a preliminary plat, and a final plat, to authorities as provided for in these regulations.

Section 300. **PRE-PRELIMINARY PLAT:** Pre-preliminary review is recommended as an aid both to the developer and to the Village. Under this procedure, a developer provides the information which is described below and the Planning Commission then acts on the information provided. This review is intended to serve as a guide for the immediate inspection of the officials, subject to thorough study and analysis before a recommendation from such bodies is made. During the pre-preliminary design state, changes and additions which may have to be made before a mutual agreement is reached can be made as such with the minimum of difficulty. Acceptance of the Pre-Preliminary Plat does not assure acceptance of the Preliminary Plat.

1. **SUBMITTAL:** The proprietor shall submit to the Village Clerk, at least twenty (20) days prior to a Planning Commission meeting, fifteen (15) copies of the Pre-Preliminary Plat. The Village Clerk shall promptly transmit nine (9) copies to the Village Planning Commission and two (2) copies to the Village Planner.

and two (2) copies to the Village Engineer.

2. **INFORMATION REQUIRED:** The following information shall be shown on the Pre-Preliminary Plat or submitted with it:

- (a) The pre-preliminary plat shall be at a scale of 100 feet to one (1) inch or larger.
- (b) Names and addresses of the proprietor, owner, proprietor, and the planners, designer, engineer or surveyor who designed the sketch plan.
- (c) An overall map at a scale not less than one (1) inch to one thousand two hundred (1,200) feet showing the relationship of the subdivision to its surroundings, such as existing road rights-of-way, existing buildings, water-courses, railroads, marshes, nearby public spaces and other physical features on and adjacent to the tract.
- (d) Location and road rights-of-way of proposed streets, alleys, easements, parks, open spaces and lot lines.
- (e) All parcels of land proposed to be dedicated to public use and conditions of such dedication.
- (f) Date, cardinal points, scale.
- (g) Zoning on and adjacent to the tract.
- (h) Site data, including number of lots, typical lot size, acres in parks, etc.
- (i) The proprietor shall furnish the Planning Commission with a statement indicating the proposed use to which the subdivision will be put, along with a description of the type of residential buildings and number of dwelling units contemplated or the type of business so as to reveal the effect of the development on traffic, fire hazards or congestion of population. Such proposed use may not be in conflict with the Zoning Ordinance.
- (j) Other related data as the Planning Commission deems necessary.
- (k) If the proprietor has an interest or owns any parcel identified as "outlots" or "excepted," the Preliminary Plat shall indicate how this property could be developed in accordance with the requirements of the existing zoning district in which it is located and with an acceptable relationship to the layout of the proposed Pre-Preliminary Plat.

3. **SCHOOL AUTHORITIES:** The School Board or School Board Superintendent of the School District having jurisdiction in the area concerned shall be informed and made aware of the proposed Pre-Preliminary Plat by the proprietor. A letter or document from the School Board or School Board Superintendent indicating awareness of the proprietor's intentions shall be submitted to the Planning Commission as part of the Pre-Preliminary Plat.

4. **PROCEDURES:** The Planning Commission shall follow the following procedures:

- (a) The Planning Commission shall review all details of the proposed subdivision within the framework of the Zoning Ordinance, within the various elements of the Comprehensive Development Plan and within the standards of this Subdivision Regulations Ordinance.
- (b) After reviewing comments of the Village Planner, Engineer and any other persons or agencies who have been provided copies of the Pre-Preliminary Plat, the Planning Commission shall make appropriate comments and suggestions concerning the proposed development. The Planning Commission may require the proprietor to resubmit the Pre-Preliminary Plat if substantial changes are required. The Planning Commission shall retain one (1) copy of the Pre-Preliminary Plat which shall become a matter of permanent record in the Planning Commission's files and the proprietor shall receive a marked-up copy of the Pre-Preliminary Plat with any suggested changes.
- (c) The Planning Commission may inform the Village Council of the results of the review of the Pre-Preliminary Plat.

Section 301. **PRELIMINARY PLAT: TENTATIVE APPROVAL:** Tentative Approval under this section shall confer upon the proprietor for a period of one (1) year from date, approval of lot sizes, lot orientation, and street layout. Such tentative approval may be extended if applied for by the proprietor and granted by the Village Council in writing.

1. **SUBMITTAL:** The proprietor shall submit ten (10) copies of the Preliminary Plat and other data to the Village Clerk at least twenty (20) days before a meeting of the Planning Commission, and copies shall be distributed to:

- (a) Village Clerk retains four (4) copies.
- (b) Two (2) copies of the Preliminary Plat are sent to the Planning Commission, shall review said Preliminary Plat and shall tentatively approve the Preliminary Plat or disapprove said Plat. The Village Council shall record their approval of the Plat and return one (1) copy to the proprietor or set forth in writing its reasons for rejection and requirements for tentative approval.
- (c) The proprietor upon receiving tentative approval from the Village Council shall submit the Preliminary Plat to all authorities as required by sections 113 to 119 of the Subdivision Control Act, Act 288, Public Acts of 1967.

Section 302. **PRELIMINARY PLAT - FINAL APPROVAL:** Final approval of the Preliminary Plat under this section shall confer upon the proprietor for a period of two (2) years from date of approval, the conditional right that the general terms and conditions under which preliminary approval was granted will not be changed. The two (2) year period may be extended if applied for by the proprietor and granted by the Village Council in writing. Written notice of the extension shall be sent by the Village Council to the other approving authorities.

1. **SUBMITTAL:** The Preliminary Plat for final approval shall be submitted to the Village Clerk.

2. **INFORMATION REQUIRED:** The following information shall be shown on the Preliminary Plat or submitted with it:

- (a) A list of all such authorities to the Village Clerk, certifying that the list shows all authorities as required.
- (b) Submit all approved copies to the Village Clerk after all necessary approvals have been secured.
- (c) Copy of the receipt from the Village Treasurer that all fees, as provided in Article VI of this Ordinance, have been paid.
- (d) Engineering inspection fees, and other charges and deposits provided for in this Ordinance.

3. **PROCEDURES:** The Village Council, after receipt of the necessary approved copies of the Preliminary Plat, shall:

- (a) Consider and review the Preliminary Plat at its next meeting, or within twenty (20) days from the date of submission, and approve it if the proprietor has met all conditions laid down for approval of the Preliminary Plat.
- (b) Instruct the Village Clerk to promptly notify the proprietor of approval or rejection in writing, and if rejected, to give the reasons.
- (c) Instruct the Village Clerk to note all proceedings in the minutes of the meeting, said minutes shall be open for inspection.
- (d) No construction of improvements shall be commenced by the subdivider until he has:

- (1) Received notice of final approval of the Preliminary Plat by the Village Council, and
- (2) entered into a subdivision agreement with the Village for construction of all required subdivision improvements, and
- (3) deposited with the Village a performance guarantee and cash under Section 4.11 of this Ordinance.

Section 303. **FINAL PLAT:** Following final approval of the Preliminary Plat by the Village Council, the proprietor shall cause a survey and five true plats thereof to be made by a surveyor.

1. **SUBMITTAL:** Final Plats shall be submitted to the Village Clerk. A Final Plat shall not be accepted after the date of expiration of the Preliminary Plat approval.

2. **INFORMATION REQUIRED:** All Final Plats of subdivided land shall comply with the provisions of survey and mapping requirements cited in the Subdivision Control Act, Act 288, Public Acts of 1967.

(a) An abstract of title certified to date of the proprietor's certificate to establish recorded ownership interests and any other information deemed necessary for the purpose of ascertaining whether the proper parties have signed the plat, or a policy of title insurance currently in force, covering all of the land included within the boundaries of the proposed subdivision. The Village Council, in lieu of an abstract of title, may accept on its own responsibility an attorney's opinion based on the abstract of title as to ownership and marketability of title of the land.

3. **PROCEDURES:**

- (a) The Final Plat shall be reviewed by the Village Engineer as to compliance with the approved Preliminary Plat and plans for utilities and other improvements.
- (b) The Village Council shall review all recommendations and take action on the Final Plat within twenty (20) days.

(c) The Village Council shall tentatively approve the Preliminary Plat or disapprove said Plat. The Village Council shall record their approval of the Plat and return one (1) copy to the proprietor or set forth in writing its reasons for rejection and requirements for tentative approval.

(d) The proprietor upon receiving tentative approval from the Village Council shall submit the Preliminary Plat to all authorities as required by sections 113 to 119 of the Subdivision Control Act, Act 288, Public Acts of 1967.

(e) The Village Council shall instruct the Clerk to record all proceedings in the minutes of the meeting, which shall be open for inspection and to sign the Village certificate of the approved plat in behalf of the Village Council.

(f) A Final Plat received by the State Treasurer more than one year following the date of approval of the Village or County Treasurer shall be returned to the Treasurer who shall make a new certificate currently dated, relative to paid or unpaid taxes, special assessments and tax liens or titles.

ARTICLE IV. DESIGN STANDARDS FOR SUBDIVISION PLANNING

Section 400. **STREETS AND ALLEYS:** The specifications herein set forth are hereby declared to be the standards and general plan adopted by the Village of Chelsea Council for the width and location of all highways, streets and alleys which may hereafter be platted or accepted within the Village of Chelsea. All such regulations are intended to be in harmony with all road and right-of-way standards and policies of the Washtenaw County Road Commission.

1. **LAYOUT:** The layout of proposed streets shall provide for the continuation of existing streets in surrounding areas and/or shall conform to a plan for the neighborhood approved by the Village Planning Commission in cases where topographical or other conditions preclude the continuation of existing streets. In general, such streets shall be of a width as great as that of the street so extended. Due consideration shall be given to traffic safety. Minor residential streets shall be laid out as to discourage their use by through traffic. Due consideration shall also be given by the subdivider to the attractiveness of the street layout in order to obtain the maximum livability and amenity of the subdivision. Consideration shall also be given to the proposed use of the subdivision and proper allowance made in industrial subdivisions for potential and existing railroad right-of-way as conditions will permit. Any intersection occurring on a street which crosses a railroad track shall not be less than four hundred (400) feet from the nearest railroad right-of-way. Greater distances may be required if it is deemed necessary for safety, approach gradients or future grade separations.

(c) The Village Council shall require all improvements and facilities to be constructed or require a bond in lieu of construction of facilities before it approves the Final Plat.

(d) Upon the approval of the Final Plat by the Village Council, the subsequent approvals shall follow the procedure set forth in the Subdivision Act, Act 288, Public Acts of 1967. If disapproved, the Village Council shall give the proprietor its reasons in writing.

(e) The Village Council shall instruct the Clerk to record all proceedings in the minutes of the meeting, which shall be open for inspection and to sign the Village certificate of the approved plat in behalf of the Village Council.

(f) A Final Plat received by the State Treasurer more than one year following the date of approval of the Village or County Treasurer shall be returned to the Treasurer who shall make a new certificate currently dated, relative to paid or unpaid taxes, special assessments and tax liens or titles.

ARTICLE IV. DESIGN STANDARDS FOR SUBDIVISION PLANNING

Section 400. **STREETS AND ALLEYS:** The specifications herein set forth are hereby declared to be the standards and general plan adopted by the Village of Chelsea Council for the width and location of all highways, streets and alleys which may hereafter be platted or accepted within the Village of Chelsea. All such regulations are intended to be in harmony with all road and right-of-way standards and policies of the Washtenaw County Road Commission.

1. **LAYOUT:** The layout of proposed streets shall provide for the continuation of existing streets in surrounding areas and/or shall conform to a plan for the neighborhood approved by the Village Planning Commission in cases where topographical or other conditions preclude the continuation of existing streets. In general, such streets shall be of a width as great as that of the street so extended. Due consideration shall be given to traffic safety. Minor residential streets shall be laid out as to discourage their use by through traffic. Due consideration shall also be given by the subdivider to the attractiveness of the street layout in order to obtain the maximum livability and amenity of the subdivision. Consideration shall also be given to the proposed use of the subdivision and proper allowance made in industrial subdivisions for potential and existing railroad right-of-way as conditions will permit. Any intersection occurring on a street which crosses a railroad track shall not be less than four hundred (400) feet from the nearest railroad right-of-way. Greater distances may be required if it is deemed necessary for safety, approach gradients or future grade separations.

2. **MAJOR STREETS:** Where the subdivision abuts or contains an existing or proposed major street, the Village Planning Commission may, at its discretion, require the construction of marginal access streets, double frontage of lots with provision of a screen planting contained in a no-access reservation along the rear property lines, deep lots with rear-service alleys, or other treatment which the said Commission considers essential to adequate protection of residential lots and to separation of through and local traffic.

3. **PRIVATE STREETS AND ALLEYS:** Private streets and alleys shall not be permitted, but rather all streets and alleys shall be dedicated to the public.

4. **ACCESS TO PROPERTY:** Each residential lot within a subdivision shall be provided with a satisfactory means of access. Building permits shall not be issued for the construction of buildings which do not have access onto a public street. There shall be no reserve strips controlling access to a street except where the control of such is definitely placed with the Village Council.

5. **INTERSECTIONS:** Intersecting streets shall be laid out so that the intersection angles are approximately ninety (90) degrees but in no case shall the angle of intersection be less than eighty (80) degrees. No more than two (2) streets shall cross at one intersection.

6. **VISIBILITY:** No fence, wall, structure or planting shall be erected, established or maintained on any corner lot which will obstruct the view of the driver of a vehicle approaching the intersection, excepting that street trees would be permitted where all branches are not less than eight (8) feet above the road level. Such unobstructed corner shall mean a triangular area between street property lines and a line connecting them at points thirty (30) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street lines.

7. **HALF-STREET:** Generally, half-streets shall not be permitted where a subdivision adjoins undeveloped property, except for such major streets of over sixty (60) feet in right-of-way width as may be recommended in the Village Comprehensive Plan or by the Washtenaw County Road Commission. They shall be permitted only when the Village Planning Commission considers the use of a half-street essential to the reasonable development of the subdivision in accordance with the intent of these regulations and where said Commission finds it practicable to require the dedication of the other half of the right-of-way when the adjoining property is subdivided. Wherever there already exists a dedicated and recorded half-street or half-alley on an adjoining plat, the other half shall be dedicated on the proposed plat to make the street or alley complete. A one (1) foot reserve may be required to be placed between a half-street and the subdivision boundaries. This reserve shall be deeded in fee simple to the Village for future street purposes.

8. **STREET JOGS:** Street jogs with centerline off-sets of less than one hundred fifty (150) feet shall be avoided. Where streets intersect major streets, their alignment shall be continuous.

9. **CUL-DE-SAC:** Where required for the full and best utilization of the property, cul-de-sacs may be utilized. The maximum permissible length of cul-de-sacs shall be five hundred (500) feet measured from the right-of-way line of the nearest intersecting street to the farthest point on the right-of-way of the cul-de-sac. Each cul-de-sac shall be provided at its closed end with a turn-around having a diameter at the outside of the roadway pavement of at least eighty (80) feet and a property line diameter of at least one hundred ten (110) feet. The remaining portion of the cul-de-sac shall have a right-of-way width of at least sixty (60) feet. The straight portion of the right-of-way shall be joined to the circular portion of the right-of-way by circular curves with radii of not less than fifty (50) feet.

10. **DEAD-END STREETS:** Dead-end streets shall be permitted only in cases where the Village Planning Commission is of the opinion that there is a reasonable expectation that such streets will be extended to a suitable outlet when the adjacent property is platted. If the Commission permits the platting of dead-end streets with the expectation of such future extension, the Commission shall determine whether the subdivider shall provide a temporary turnaround at the closed end of the street. A one (1) foot reserve may be required to be placed at the end of a dead-end street which terminates at subdivision boundaries. This reserve shall be deeded in the fee simple to the Village for future street purposes.

11. **ALLEYS:** Alleys shall not be permitted in residential areas, but may be permitted or required in commercial or industrial areas for the purpose of service access, such as for off-street parking and loading. All such alleys shall have a minimum width of twenty-six (26) feet. A diagonal cutoff shall be made at all acute and right-angle intersections of two alleys sufficient to provide an inside turning radius of thirty (30) feet.

12. **STREET NAMES:** Street names shall not be permitted which might cause confusion with names of villages of Chelsea. Streets shall be continuations of existing streets shall be called by the same names as such existing streets. All names shall be approved by the Village Planning Commission and the Washtenaw County Road Commission.

13. **BUILDING LINES AND SETBACK LINES:** Building lines shall conform to the requirements of the Village Zoning Ordinance.

14. **RIGHT-OF-WAY WIDTH:** Minimum right-of-way width shall be sixty (60) feet. Greater right-of-way widths for major streets as required by the Washtenaw County Road Commission or designated on the Village Comprehensive Plan may be required as necessary.

15. **HORIZONTAL ALIGNMENT:** Center line of pavement shall coincide with center line of right-of-way, except for irregular rights-of-way widths. The minimum gradient allowed shall be not less than 0.5 per cent.

16. **STREET CURVATURE:** The minimum horizontal center line radii of curved local streets shall be two hundred (200) feet. Greater radii may be required for principal streets having through traffic. A minimum fifty (50) foot tangent shall be introduced between reverse curves on streets of sixty (60) foot

right-of-way. Greater tangents shall be required on streets of greater right-of-way.

18. **RADII AT INTERSECTIONS:** Minimum edge of pavement or curb radii at intersections shall be forty (40) feet at intersections of county primary roads, twenty-five (25) feet at intersections with major streets of over sixty (60) foot right-of-way, and twenty (20) feet on local streets.

19. **SURFACE DRAINAGE:** The preferred plan for yard drainage shall provide for drainage in accordance with drainage patterns specified in RHA "Minimum Property Standards." In the event it is found to be essential to the economical development of a project, the easement at the rear of the lot may be below the building grade. In this event, the rear yard grade shall be not less than 1 per cent more than 5 percent measured twenty (20) feet from the house and the grade from the house to the street shall be not less than 1 per cent more than 5 per cent with the building grade being not less than 12 inches above the street grade. Where long easements are essential to the economical development of major portions of the project, the longitudinal grade of said easement shall not be less than 0.4 of 1 per cent and the length of run of said longitudinal easement shall not exceed 500 feet of continuing drainage with no more than 100 feet of said distance being upstream from an angle point in the easement. Where required by the Village Engineer, a 4-inch drainage tile shall be provided for easement drainage with said drain tile being laid in a trench being backfilled with pea gravel or approved bankrun gravel. The depth of grade and outlet for said tile being subject to Village approval.

Section 401. PEDESTRIAN WAYS:

1. A right-of-way for pedestrian crosswalks in the middle of long blocks may be required where necessary to obtain convenient pedestrian circulation to schools, parks or shopping areas. The right-of-way shall be at least ten (10) feet wide and extend entirely through the block.

2. **SIDEWALKS:** Sufficient right-of-way shall be provided so that sidewalks may be installed on both sides of all streets.

Section 402. UTILITY AND OTHER EASEMENTS:

1. The subdivider shall contact each public utility involved for preferred locations of easements. Utility easements shall be located preferably along rear property lines, but may be located along side lot lines if necessary. Utility easements shall not be less than twelve (12) feet in total width, with six (6) feet located on each side of the property line. Utility easements six (6) feet wide are permissible along rear property lines, in cases where such rear property lines abut unplatted land.

2. All public utilities within the subdivision shall be underground.

3. Drainage easements shall be provided, which conform substantially with the lines of any natural water courses, drainage ditch, channel or stream. Such easements shall be of adequate width for the particular conditions of the site. The Village Planning Commission may, if it considers such requirement necessary to the proper development of the subdivision and the circulation of local traffic, require that the drain, if within a public right-of-way, will be tiled and enclosed.

Section 403. **LOTS:** The size, shape, and orientation of lots shall be appropriate for the location of the subdivision as for the type of development and use contemplated. Lots shall be of such size as to permit a variety of house types, to provide side yards for desirable access, light, air, privacy, and safety from fire hazards, and to provide for setbacks from the street line and allow sufficient space for household purposes.

1. **ACCESS:** All lots shall abut by their full frontage on a properly dedicated street. Lots, other than corner lots, shall not be permitted to front onto two streets, except as allowed under Section 400, paragraph 2.

2. **WIDTH:** The minimum width of any lot shall be sixty (60) feet, except that greater widths may be required in the Zoning Ordinance. Where desirable to plat wedge-shaped lots so as to best utilize a parcel of land, the required lot width shall be measured at a line, located twenty-five (25) feet from property line.

3. **DEPTH:** No lot shall be less than one hundred twenty (120) feet in depth. The depth of a lot should not exceed a depth to width ratio of 2 1/2 to 1.

4. **CORNER LOTS:** Corner lots shall be provided extra width sufficient to permit the maintenance of building setbacks on both the front and side street lines in order to protect similar setbacks on both the front and side streets which exist or are

section of the street property lines extended.

7. **HALF-STREET:** Generally, half-streets shall not be permitted where a subdivision adjoins undeveloped property, except for such major streets of over sixty (60) feet in right-of-way width as may be recommended in the Village Comprehensive Plan or by the Washtenaw County Road Commission. They shall be permitted only when the Village Planning Commission considers the use of a half-street essential to the reasonable development of the subdivision in accordance with the intent of these regulations and where said Commission finds it practicable to require the dedication of the other half of the right-of-way when the adjoining property is subdivided. Wherever there already exists a dedicated and recorded half-street or half-alley on an adjoining plat, the other half shall be dedicated on the proposed plat to make the street or alley complete. A one (1) foot reserve may be required to be placed between a half-street and the subdivision boundaries. This reserve shall be deeded in fee simple to the Village for future street purposes.

8. **STREET JOGS:** Street jogs with centerline off-sets of less than one hundred fifty (150) feet shall be avoided. Where streets intersect major streets, their alignment shall be continuous.

9. **CUL-DE-SAC:** Where required for the full and best utilization of the property, cul-de-sacs may be utilized. The maximum permissible length of cul-de-sacs shall be five hundred (500) feet measured from the right-of-way line of the nearest intersecting street to the farthest point on the right-of-way of the cul-de-sac. Each cul-de-sac shall be provided at its closed end with a turn-around having a diameter at the outside of the roadway pavement of at least eighty (80) feet and a property line diameter of at least one hundred ten (110) feet. The remaining portion of the cul-de-sac shall have a right-of-way width of at least sixty (60) feet. The straight portion of the right-of-way shall be joined to the circular portion of the right-of-way by circular curves with radii of not less than fifty (50) feet.

10. **DEAD-END STREETS:** Dead-end streets shall be permitted only in cases where the Village Planning Commission is of the opinion that there is a reasonable expectation that such streets will be extended to a suitable outlet when the adjacent property is platted. If the Commission permits

planned. Where lots have side yards abutting upon a street, on the same side of which other residential lots front, the lots shall be of such width to permit a side yard setback on the street equivalent to the required front yard setback of the lots fronting on said street.

5. **SIDE LOT LINES:** Side property lines of lots shall generally be perpendicular to straight street lines or radial to curved street lines unless a variation from this rule will give a better lot plan. Property lines on sides and rear of lots should be straight.

6. **AREA:** The width and depth of lots shall be such that the minimum lot areas will be in accordance with the adopted Zoning Ordinance.

7. **BUSINESS OR COMMERCIAL LOTS:** No lot or parcel classified as business or commercial shall be platted that is less than fifty (50) feet in width. The area of such lot or parcel shall be sufficient in size as to provide sufficient area for street parking and loading in accordance with the requirements of the Zoning Ordinance.

8. **LOT DIVISION:** The division of a lot in a recorded plat is prohibited, unless approved following application to the Village Council. The application shall be filed with the Village Clerk and shall state the reasons for the proposed division. No lot in a recorded plat shall be divided into more than four (4) parts and the resulting lots shall be not less in area than permitted by the Village or County zoning ordinance. No building permit shall be issued, or any building construction commenced, until the division has been approved by the Village Council and the suitability of the land for building sites has been approved by the County or District Health Department. The division of a lot resulting in a smaller area than prescribed herein may be permitted but only for the purpose of adding to the existing building site on sites. The application shall so state and shall be in affidavit form.

9. **DIVISION OF UNPLATTED PARCEL:** The division of an unplatted parcel of land into two (2), three (3) or four (4) lots involving the dedication of a new street shall require the approval of the Village Council prior to taking such action. All such applications shall be made in writing and shall be accompanied by a drawing of the proposed division. No building or occupancy permit shall be issued in such cases until the Village Council has approved the division of such land.

Section 404. **BLOCKS:** The size and shape of blocks shall be appropriate for the type of lots and land use proposed. Blocks shall be designed so as to permit good lot orientation, safe street design and economical use of the land.

1. **LENGTH:** Length of blocks between intersecting streets shall normally be from eight hundred (800) to one thousand (1,000) feet. This form shall be altered only where the topography of the land makes it advisable to do so in order to protect the public safety and convenience, and in no event should blocks be less than five hundred (500) or more than one thousand three hundred twenty (1,320) feet in length.

2. **ARRANGEMENT:** A block shall be so designed as to provide two (2) tiers of lots, except where lots back into an arterial street, natural feature or subdivision boundary.

3. **NON - RESIDENTIAL BLOCKS:** Blocks intended for purposes other than residential shall be especially designed for such purposes and shall have adequate provision for off-street parking and loading in accordance with the requirements of the Zoning Ordinance.

Section 405. **USE:**

1. **CONTROL:** No property shall be subdivided for residential use if such is considered unsuitable for building purposes by the Planning Commission.

2. **RESTRICTIONS:** Wherever property is subdivided with the intention that it shall have a use different than that designed in the Zoning Ordinance, such use shall be stated in an application for an amendment to the Zoning Ordinance or in a separate statement filed with the Planning Commission. Conformance with the objectives of the Comprehensive Development Plan shall be required so as to insure general uniformity of land uses within blocks and neighborhoods.

3. **CONFORMANCE WITH ZONING ORDINANCE:** Property use and area restrictions must be in accordance with the Zoning Ordinance.

4. **LAND SUBJECT TO FLOODING:** Any areas of land within the proposed subdivision which are subject to flooding or inundation by storm water shall be clearly shown on Final Plat. Such land shall not be platted for residential occupancy nor for such other uses as may increase danger to health, life or property, or its assets, which, if preserved, will

unduly aggravate the flood hazard.

Section 406. **OPEN SPACES:** In the design of the plat, thorough and equitable consideration shall be given by the subdivision and the Planning Commission to the provision of suitable sites for recreation; including Tot Lots, both active and passive recreation areas, schools, and for other public purposes.

The area reserved for recreation shall be 200 square feet per dwelling unit. The minimum dimension of the recreation area at its smallest dimension shall not be less than 60 feet.

Section 407. **COMMERCIAL OR INDUSTRIAL MODIFICATION:** These subdivision design standards may be modified in accordance with Article V in the case of subdivisions specifically for commercial or industrial development, including shopping district, wholesaling areas, and planned industrial districts. In all cases, however, adequate provision shall be made for off-street parking and loading areas as well as for traffic circulation.

Section 408. **UTILITIES AND IMPROVEMENTS:** In order to provide healthful, clean and desirable living conditions, the subdivision shall be entirely responsible for installing the following site improvements, or shall furnish a surety bond acceptable to the Village Council, sufficient to permit the completion of all contemplated improvements, before a plat shall be accepted by the Village Council.

1. **STREET PAVEMENT AND STORM DRAINAGE:** All subdivisions shall have streets and intersections of bituminous pavement surfacing with a two-inch surface on gravel base with curb and gutter as approved by the Village Engineer. In addition all such streets shall have enclosed storm drainage sewers as approved by the Village Engineer. All such improvements shall be provided by the subdivision.

2. **SANITARY SEWERAGE SYSTEM:** The location and design of all trunk line and lateral sanitary sewers and any other necessary appurtenances such as pumping stations shall be first approved by the Village Engineer and all applicable reviewing agencies, and all work shall be carried out under the supervision of the Village Engineer.

3. **WATER SYSTEM:** The location and design of water mains with house connections and the installation of fire hydrants, and any other necessary appurtenances shall be first approved by the Village Engineer and all applicable reviewing agencies as to suitability, and all work shall be carried out under the direction of the Village Engineer.

4. **SIDEWALKS:** Sidewalks shall be provided along all streets where lot widths are eighty (80) feet or less and at any other location where the Village Council shall determine that sidewalks are necessary for public safety or convenience. Sidewalks shall not be less than five (5) feet in width and four (4) inches (6" at drives) in thickness and shall be first approved by the Village Engineer and all applicable reviewing agencies as to suitability, and all work shall be carried out under the direction of said Village Engineer.

5. **CURBS AND GUTTERS:** Curbs and gutters shall be required on all streets and shall be constructed in accordance with the standards and specifications adopted by the Village Engineer.

6. **INSTALLATION OF PUBLIC UTILITIES:** Public utilities and driveways shall be located in accordance with the rules of the Village Engineer. The underground work for utilities shall be stubbed to the property line. All public utilities in a subdivision shall be underground.

7. **DRIVEWAYS:** All driveway openings in curbs shall be as specified by the Village Engineer or the Department of State Highways.

8. **CROSSWALKS:** Crosswalks, when required by the Village, shall have easements at least ten (10) feet in width and include a paved walk at least five (5) feet in width, located generally along the centerline of the easement, and dedicated as a public pedestrian walkway.

9. **STREET NAME SIGNS:** Street name signs shall be installed in the appropriate locations at each street intersection in accordance with the requirements of the Village Engineer.

10. **STREET TREES:** Street trees of a variety and size in accordance with the standards adopted by the Village shall be planted between the curb and sidewalk. The location of street trees shall be approved by the Village Engineer.

11. **STREET LIGHTING:** Street lights are required to be installed in all subdivisions and shall conform to the requirements of the Village Public Lighting Commission.

Section 409. **PROTECTION OF NATURAL FEATURES:** Due regard shall be shown for all natural features, such as large trees, exceptionally fine groves of trees, water courses, scenic points, historic spots, and similar common to health, life or property, or its assets, which, if preserved, will

add attractiveness and value to the subdivision. The builder shall take every precaution against injury to natural features, to store his apparatus, materials, supplies, and equipment in such a manner as not to damage trees or other natural features liable to damage shall be fenced or boxed in.

Section 410. **GUARANTEE OF COMPLETION OF IMPROVEMENTS REQUIRED BY THE VILLAGE:**

1. **FINANCIAL GUARANTEE ARRANGEMENTS, EXCEPT:** In lieu of the actual installation of required public improvements, the Village Council on recommendation of the Planning Commission may permit the subdivision to provide a financial guarantee of performance for those requirements which are over and beyond requirements of the County Road Commission, County Drain Commissioner or any other agency responsible for the administration, operation and maintenance of the applicable public improvement. The Planning Commission may recommend and the Village Council may waive financial guarantees of performance under this Ordinance for sidewalks, street lights, or street trees. In case these improvements are specified, completion shall be required prior to the issuance of occupancy permits.

(a) **Performance or Surety Bond:**

(1) **Accrual:** The bond shall accrue to the Village, covering construction, operation and maintenance of the specific public improvement.

(2) **Amount:** The bond shall be in an amount equal to the total estimated cost for completing construction of the specific public improvement, including contingencies, as estimated by the Village Council.

(3) **Term Length:** The term length in which the bond is in force shall be for a period to be specified by the Village Council for the specific public improvement.

(4) **Bonding or Surety Company:** The bond shall be with a surety company authorized to do business in the State of Michigan, acceptable to the Village Council.

(5) **The escrow agreement** shall be drawn and furnished by the Village Council.

(b) **Cash Deposit, Certified Check, Negotiable Bond, or Irrevocable Bank Letter of Credit:**

(1) **Treasurer, Escrow Agent or Trust Company:** A cash deposit, certified check, negotiable bond, or an irrevocable bank letter of credit, such surety acceptable by the Village Council, shall accrue to the Village. These deposits shall be made with the Village Treasurer, or deposited with a responsible escrow agent, or trust company, subject to the approval of the Village Council.

(2) **Dollar Value:** The dollar value of the cash deposit, certified check, negotiable bond, or an irrevocable bank letter of credit, shall be equal to the total estimated cost of construction of the specific public improvement including contingencies, as estimated by the Village Council.

(3) **Escrow Time:** The escrow time for the cash deposit, certified check, negotiable bond, or irrevocable bank letter of credit, shall be for a period to be specified by the Village Council.

(4) **Progressive Payment:** In the case of cash deposits or certified checks, an agreement between the Village and the subdivision may provide for progressive payment out of the cash deposit or reduction of the certified check, negotiable bond or irrevocable bank letter of credit, to the extent of the cost of the completed portion of the public improvement, in accordance with a previously entered into agreement.

Section 411. **CONDITION OF VILLAGE APPROVAL OF FINAL PLAT - FINANCIAL GUARANTEES:** With respect to financial guarantees, the approval of all final subdivision plats shall be conditioned on the accomplishments of one of the following:

(a) The construction of improvements required by this Ordinance shall have been completed by the subdivision and approved by the Village Council.

(b) Surety acceptable to the Village shall have been filed in the form of a cash deposit, certified check, negotiable bond, irrevocable bank letter of credit or surety bond.

1. **SPECIAL AGREEMENTS:** A special agreement shall be entered into between the subdivision and the Village Council where street trees and street lights have been required by the Village Council.

2. **INSPECTION OF PUBLIC IMPROVEMENTS UNDER CONSTRUCTION:** Before approving a final plat and construction plans and specifications for public improvements,

an agreement between the subdivision and the Village Council shall be made to provide for checking or inspecting the construction and its conformity to the submitted plans.

3. **PENALTY IN CASE OF FAILURE TO COMPLETE THE CONSTRUCTION OF A PUBLIC IMPROVEMENT:** In the event the subdivision shall, in any case, fail to complete such work within such period of time as required by the conditions of the guarantee for the completion of public improvements, it shall be the responsibility of the Village Council to proceed to have such work completed.

In order to accomplish this, the Village Council shall impose itself for the cost and expense thereof by appropriating the cash deposit, certified check, irrevocable bank letter of credit, or negotiable bond which the subdivision may have deposited in lieu of a surety bond, or may take such steps as may be necessary to require performance by the bonding or surety company, and as included in a written agreement between the Village Council and the subdivision.

ARTICLE V - VARIANCES

Section 500. **GENERAL:** The Village Planning Commission may recommend to the Village Council a variance from the provisions of this Ordinance on a finding that undue hardship may result from strict compliance with specific provisions or requirements of the Ordinance or that application of such provision or requirement is impracticable. The Planning Commission shall only recommend variances that it deems necessary to or desirable for the public interest.

In making its findings, as required, herein below, the Planning Commission shall take into account the nature of the proposed use of land and the existing use of land in the vicinity, the number of persons to reside or work in the proposed subdivision, and the probable effect of the proposed subdivision upon traffic conditions in the vicinity. No variance shall be recommended unless the Planning Commission finds after a public hearing:

1. That there are such special circumstances or conditions affecting said property that the strict application of the provisions of this Ordinance would clearly be impracticable or unreasonable. In such cases the subdivision shall first state his reasons in writing as to the specific provision or requirement involved and submit them to the Planning Commission.

2. That the granting of the specified variance will not be detrimental to the public welfare or injurious to other property in the area in which said property is situated.

3. That such variance will not violate the provisions of the State Subdivision Control Act.

4. The Planning Commission shall include its findings and the specific reasons therefor in its report of recommendations to the Village Council and shall also record its reasons and actions in its minutes.

5. That such variance will not have the effect of nullifying the interest and purpose of this Ordinance and the Comprehensive Development Plan of the Village.

Section 501. **TOPOGRAPHICAL PHYSICAL LIMITATION VARIANCE:** Where in the case of a particular proposed subdivision, it can be shown that strict compliance with the requirements of this Ordinance would result in extraordinary hardship to the subdivision because of unusual topography, other physical conditions, or other such conditions which are not self-inflicted, or that these conditions would result in inhibiting the achievement of the objectives of this Ordinance, the Planning Commission may recommend to the Village Council that variance modification or a waiver of these requirements be granted.

Section 502. **PLANNED UNIT DEVELOPMENT VARIANCE:** The developer may request a variance from specified portions of this Ordinance in the case of a planned unit development. If in the judgment of the Planning Commission such a plan provides adequate public spaces and includes provisions for efficient circulation, light and air and other needs, it shall make findings, as required herein below. The Planning Commission shall take into account the nature of the proposed use of land and existing use of land in the vicinity, the number of persons to reside or work in the proposed subdivision, and the probable effect of the proposed subdivision upon traffic conditions in the vicinity. The Planning Commission shall report to the Village Council whether:

1. The proposed project will constitute a desirable and stable community development.

2. The proposed project will be harmony with adjacent areas.

ARTICLE VI - FEES

Section 600. **SCHEDULE OF FEES:** The schedule of fees for subdivision plats shall be as follows:

1. **APPLICATION FEES:** Preliminary, Preliminary and Final Plat review fees, planning fees, engineering fees, attorney fees, inspection fees and other applicable development charges shall be paid by the proprietor as may be provided for as follows, or by other ordinances of the Village. The proprietor shall,

upon first submission of a Pre-Preliminary Plat pay to the Village Clerk the sum of \$150.00. There shall be an additional charge of \$150.00 for the Preliminary Plat review.

2. **ENGINEERING REVIEW FEES:** Such fees shall be established by resolution of the Village Council.

3. **PLANNED UNIT DEVELOPMENT:** Fees shall be established by resolution of the Village Council.

ARTICLE VII - PENALTY

Any person who shall violate any of the provisions of this Ordinance, whether such person be the owner or agent of the owner of the property, shall be fined not to exceed the sum of one hundred (\$100.00) dollars, and the cost of the prosecution or by imprisonment for not more than ninety (90) days, or both, at the discretion of the court. Each day such violation shall exist shall constitute a separate offense. Furthermore, all persons shall be subject to the penalties set forth in Section 264 of the State Subdivision Control

Act, Act 288, Public Acts, 1967, as may be amended.

ARTICLE VIII - VALIDITY

Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of these Regulations as a whole, or any part thereof, other than the part so declared to be invalid.

ARTICLE IX

EFFECTIVE DATE

This Ordinance governing the subdivision of land within the Village of Chelsea, Washtenaw County, Michigan, has been recommended by the Village of Chelsea Planning Commission in accordance with Section 13 of the Municipal Planning Commission Act, Act 285, Public Acts 1931, as amended, and has been adopted by the Village Council on the 16th day of June, 1970, and shall become effective twenty (20) days after passage and publication as required by law.

Village of Chelsea
Washtenaw County, Michigan
Clerk, Richard Harvey

VILLAGE OF CHELSEA

AUDIT REPORT

December 31, 1969

The Honorable President and Village Council

Village of Chelsea, Michigan

We have examined the balance sheets of the various funds of the Village of Chelsea, Michigan, as of December 31, 1969. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures, including those prescribed by the State Treasurer, as we considered necessary in the circumstances.

In our opinion the accompanying balance sheets present fairly the financial condition of the various funds of the Village of Chelsea, Michigan, at December 31, 1969, in accordance with generally accepted accounting practices applicable to governmental entities.

VILLAGE OF CHELSEA

NOTES TO BALANCE SHEETS

Year ended December 31, 1969

Note A - The accompanying financial statements do not contain the accounts of the Village of Chelsea Electric and Water Department. They are included in a separate audit report.

Note B - The note payable to the Electric and Water Department bears no interest and is to be repaid in annual installments of \$5,000.00. No payments were made in 1969.

Note C - The bonds payable of the Sewage Disposal Fund are general obligation bonds of the Village of Chelsea. They bear interest at various rates, payable semi-annually April 1 and October 1 and mature in specified annual amounts to 1988. For 1969 interest and principal payments were secured by a specific tax levy of .80 mills.

Note D - The bonds payable of the Parking Meter Fund are revenue bonds. The bonds bear interest at 4 1/2% payable semi-annually June 1 and December 1 and mature in specified annual amounts to 1972. Parking meter revenues are designated for interest and principal payment.

Note E - No amounts have been recorded in the Capital Fund for street construction. It has been the practice of the Village to expense new street construction in the year that such expenses are incurred.

VILLAGE OF CHELSEA

ELECTRIC AND WATER DEPARTMENT

AUDIT REPORT

December 31, 1969

The Honorable President and Village Council

Village of Chelsea, Michigan

We have examined the balance sheet of the Electric and Water Department of the Village of Chelsea, Michigan, as of December 31, 1969. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures, including those prescribed by the State Treasurer, as we considered necessary in the circumstances.

Effective January 1, 1969 certain fixed assets and related allowances for depreciation were transferred to the Sewage Disposal Fund. We did not confirm accounts receivable by correspondence with debtors, but satisfied ourselves by other means that the accounts were valid. In our opinion the accompanying balance sheet presents fairly the financial condition of the Electric and Water Department of the Village of Chelsea, Michigan, as of December 31, 1969 in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

VILLAGE OF CHELSEA

SUNDAY'S SERMON

★ Family Life

What is wrong with this nation of ours? The answer you get depends upon the individual to whom the question is posed. We are sprouting ever new, small armies of protestors and dissenters. All too many of these can tell you what is wrong with the country (in their particular area of interest) but the solutions they propose are made from dreams rather than reality.

What is needed in this nation, if it is to be firmly held together, is a strengthening and, in some cases, a renewal of the family life.

When the family unit is strong, there is a unity, a working together that deters individual members from chasing off to pursue rainbows. There is a serious attention to family needs and to the family philosophy. Another word, perhaps, is togetherness.

If there is a strong family life, one hesitates to "do his thing" if that "thing" is not in keeping with the family tradition, with the family belief.

If there is the example of a worthwhile family life, there must be with it an apparent set of values.

Coronary artery disease—the cause of about 75 percent of all heart attacks—takes many years to develop, says the Michigan Heart Association, a Michigan United Fund agency. The earlier in life a heart-helping diet is adopted, the lower your risk of heart attack.

7:30 p.m.—Evening worship service.

Michigan Also Famous For Farm Products
The economic value of Michigan's agricultural complex is exceeded only by that of the automotive industry. Michigan tops the list in the production of red tart cherries, navy beans and blueberries. Michigan also ranks high in the production of peaches, cucumbers, potatoes, milk, mint, maple syrup, sugar beets, poultry and soft white winter wheat.

The effort to make money often prevents the making of a man.

Washington Report

by Congressman

MARVIN L. ESCH

Tragically, our wounded veterans in too many cases are not receiving the medical treatment they deserve, and in some isolated areas the care has been totally inadequate and hospital conditions overcrowded and dirty. This deplorable situation has come about because of a bad money squeeze in recent years, and must be corrected immediately.

In the current fiscal year, for example, VA had to absorb over \$27 million in increased cost of medical programs. And, it was forced to defer purchase of over \$40 million needed for new medical equipment, maintenance and repairs.

Clearly, this is a sorry way for our nation to treat its injured veterans.

Fortunately, there are some encouraging signs of improvements. Very recently I was pleased to support a supplemental appropriation of \$22 million for VA medical programs for the current fiscal year. This was more than requested.

I also voted a total appropriation of \$1,777,000,000 for fiscal year 1971, some \$75 million more than originally requested and the highest in history.

There are other encouraging developments. New techniques are resulting in quicker discharges. And improvements in prosthetics give veterans faster and better mobility.

The Administration approved an additional 1,500 employees, mostly for the VA medical program, for this fiscal year and in the budget request for 1971 another 2,123 have been requested. VA has been able to increase its monthly discharge rate of mental patients from 15.4 percent in fiscal year 1968 to 18.4 percent last year.

In addition, GI Bill educational benefits have been greatly increased under the Nixon Administration.

We must continue our efforts to provide our veterans with the best possible medical care available. I pledge my vote and my effort to that goal.

ON ARM SPREEZE

The Senate, by a vote of 72 to 6, has urged the President to take the lead in proposing to the Soviets a broad weapons freeze at the arms limitations talks at Vienna.

JOHN WHITLEY

Phone 426-4334

Do you take your furniture polish with, or without?

You say you don't drink furniture polish? Well then, why do you include it when figuring your weekly "grocery" bills? Come on, admit it. We all do it. Checking out at the supermarket, we think: "Wow! I used to get 4 bags of groceries for half that!" Yes, you did. But, years ago, those bags held groceries. Today, you're buying more and more non-food items with your food. Things like pots and pans, charcoal, even fertilizer and encyclopedias are now sold in supermarkets.

Sure, inflation has forced food prices up; but, not as much as other things. From 1958 to 1968, food went up 16% while clothing was up 20%,

housing 27%, medical 45%. Since 1950, farm output per man has increased 6% annually compared to 2.5% for all other industries. Americans spend only about 16.5% of income on food; the lowest in history and about half of any other country in the world! It's all due to the amazing efficiency of the American Farmer, implementing the modern farming methods encouraged and practiced by members of the Michigan Milk Producers Association.

So, next time you check your food bill, please just count the food items. Then count your blessings.

MICHIGAN MILK PRODUCERS ASSOCIATION

NOTICE OF PUBLIC HEARING

To be held on July 13, 1970 at 8:00 p.m. at the new Dexter Townhall located at 6880 Dexter-Pinckney Rd. To consider to rezone the following described lands located on the east side of Dexter Townhall Rd., south of Fleming Rd. in Dexter Township from the present agricultural district to a commercial district.

Beginning at the South ¼ post of Section 27, T 1 S, R 4 E, Dexter Township, Washtenaw County, Michigan; thence easterly along the southerly Section line of Section 27, 800 ft. to the centerline of Dexter Townhall road for a Place of Beginning; thence continuing easterly along said Section line 360 ft.; thence northeasterly 97° 00' 00" ft.; thence westerly 360 ft. to the centerline of Dexter Townhall Road; thence along said centerline of Dexter Townhall Road southwesterly 650 ft., plus or minus to the Place of Beginning, being a part of the SE ¼ of Section 27, T 1 S, R 4 E, Dexter Township, Washtenaw County, Michigan and containing 5 acres, more or less.

Beginning at the South ¼ post of Section 27, T 1 S, R 4 E, Dexter Township, Washtenaw County, Michigan; thence easterly along the southerly Section line of Section 27, 800 ft. to the centerline of Dexter Townhall Road, for a Place of Beginning; thence continuing easterly along said Section line 1800 ft. to the SE Corner of said Section 27; thence northerly 1650 ft.; thence westerly 1617 ft. to the Centerline of Dexter Townhall Road; thence southwesterly along the Centerline of said Road to the Place of Beginning, excepting therefrom the following described parcel:

Beginning at the South ¼ post of Section 27, T 1 S, R 4 E, Dexter Township, Washtenaw County, Michigan; thence easterly along the southerly Section line of Section 27, 800 ft. to the Centerline of Dexter Townhall Road for a Place of Beginning; thence continuing easterly along said Section line, 360 ft.; thence northeasterly 97° 00' 00" ft.; thence westerly 360 ft. to the Centerline of Dexter Townhall Road southwesterly 650 ft. plus or minus to the Place of Beginning.

all being part of the SE ¼ of Section 27 of T 1 S, R 4 E, Dexter Township, Washtenaw County, Michigan and containing 51.0 acres, more or less.

Beginning at a point lying 1650 ft. north of the SE corner of Section 27 on the Easterly Section line of said Section; thence continuing northerly along said Section line 1010 ft. to the Centerline of Fleming Road; thence westerly along the Centerline of Fleming Road 1625 ft. to the Centerline of Dexter Townhall Road; thence southerly along the Centerline of Dexter Townhall Road 1010 ft.; thence easterly 1625 ft. to the Place of Beginning, being part of the SE ¼ of Section 27, T 1 S, R 4 E, Dexter Township, Washtenaw County, Michigan, containing 37.6 acres, more or less.

Club and Social Activities

MSHAR REUNION

Sunday, June 14, Mr. and Mrs. Alex Mshar of 742 Book St., hosted a family reunion in the form of a buffet picnic. The entire family, who hadn't been completely together for a long time, reunited for the wedding June 13 of their cousin, Janice Wood, to Jim Perry.

Family members at the reunion included Miss Nancy Mshar; Mr. and Mrs. Jacques (Joyce) Shanger, Ft. Riley, Kan.; Mr. and Mrs. James Mshar and daughter, Michelle, Milwaukee, Wis.; Mr. and Mrs. Don Mshar and sons, Tom, Kenny, and Jim, Sylvania, O.; Mr. and Mrs. William (Barbara) Clark and children, Cathy, Donna, Mary, Billy, Beth and Jenny.

ESTHER CHAPTER

Esther Chapter of the Congregational church met June 11 for a pot-luck dinner at the home of Mrs. Clarence Vogel, at North Lake, with 22 members and guests attending.

Mrs. Lauryn White called on Mrs. Daniel Kelin for devotions. She read a very interesting paper written in 1692 called "Desidinta" which might have been written for this era.

The chapter members were reminded to save things for the "happening" which will be held at the Congregational church on Sept. 26.

To close the meeting, Mrs. White read a beautiful prayer called "Today."

This is the club's last meeting for the summer. The next meeting will be Sept. 17 with the place to be announced at a later date.

HUFFMAN REUNION

The 49th Huffman family reunion was held in Charlotte at the County 4-H Building on Sunday, June 14. Those attending from Chelsea were Mr. and Mrs. Laurance Boyer, Mr. and Mrs. Winston Boyer and family, Mr. and Mrs. Duane Boyer and family, Miss Katrina Rowe, Mrs. Mac Packard, Mr. and Mrs. Roy Greenleaf and family, Mrs. Fremont Boyer and family, Mr. and Mrs. Jack Collins and children. Sixty-nine descendants of the Huffman family of Eaton county were in attendance.

The 50th reunion will be held at Pierce Park the second Sunday in June next year. Mrs. Packard will act as president, Laurance Boyer, vice-president and Winston Boyer as secretary of the reunion.

PAST NOBLE GRANDS

Members of the Past Noble Grand Club of Chelsea Rebekah Lodge assembled at the home of Mrs. Russell Altstaetter and went to a restaurant for their annual dinner. Mrs. Richard Keezer and Mrs. Luther Hale then drove the group to a social meeting at the home of Mrs. Clifford Wolfe on Francisco Rd.

Mrs. Donovan Sweeny recently returned from six months in Florida and was on hand for the affair. Summer vacation for the club was announced with a September meeting planned, to be announced in The Chelsea Standard. Mrs. Altstaetter asks that members call her in case of illness.

When buying garments made of bonded fabrics, look for guarantees on labels. Some companies guarantee their bonding process. Save the care instruction labels and sales slip from the store where you bought the garment. You'll need these for a refund or replacement if there is a fabric failure.

Annual Meeting Of Red Cross Set for June 23

All volunteers and friends of the Washtenaw county chapter of the American Red Cross are invited to attend the Annual Meeting to be held Tuesday, June 23, at 6:30 p.m. at the Chapter, 2729 Packard Rd., Ann Arbor.

Edward A. Schirmer, a member of the National Board of Governors of Red Cross and chairman of the Committee on Public & Personnel Relations, will be the guest speaker. Schirmer, a retired vice-president of Campbell, Collier Publishing Co., has been active in Red Cross service since 1945 when he was fund campaign chairman of the Detroit Chapter.

A Volunteer Recognition Program is planned and a beef buffet will be served. Reservations may be made by calling Red Cross, 971-5800.

GOING BROKE?

Some 186,000 Americans went bankrupt last year. Average age was 30, non-high school graduate with a family of 4 and an income of \$4,650 a year.

Memory works wonders with the truth.

50th ANNIVERSARY: Mr. and Mrs. Harry Stofor, 18910 Dexter Rd., celebrated their golden wedding anniversary Wednesday. The couple, who were married June 17, 1920 in Chelsea, were entertained at a Sunday dinner at the home of their son and daughter-in-law, Mr. and Mrs. John Stofor, 237 Adams. Dinner guests included Mr. and Mrs. John Stueckemann of Ann Arbor, Mrs. Henry Meikel, Mrs. Mata Lucht, Mr. and Mrs. Otto Lucht and Mr. and Mrs. Henry Englehardt, all of Chelsea. Mr. Stofor is retired from Central Fibre Products, Inc. The couple have three grandchildren.

High Blood Pressure?

An estimated 25 million Americans have high blood pressure, a disease which is like installment buying—you can get along fine if you do what you are supposed to do—but you pay penalties if you don't. HBP, however, can be neglected for a while, but then when it strikes, it has very severe penalties. The Association, a Michigan United Fund agency, says: "Get a doctor and follow his orders."

Elaine Marie Paul, Dale Lennox Wed Friday at St. Mary Church

Elaine Marie Paul and Dale Lee Lennox exchanged marriage vows Friday, June 12 at 7 p.m. at St. Mary church. The Rev. Fr. Francis Wahowiak officiated at the double-ring ceremony uniting the daughter of Mr. and Mrs. Edwin W. Paul of 420 Garfield St., and the son of Mrs. Henry Holly of W. Joy Rd., Ann Arbor, and the late Vern Lennox. Organist for the occasion was Miss Barbara Mehler of Dearborn Heights.

The bride's wedding gown was fashioned of silk worsted with lace trimming the sleeves and the bodice above a floor-length skirt which was partially gathered at the high waistline. Her floor-length veil of silk illusion was held in place by a headpiece of stephanotis and satin ribbons. She carried an arrangement of white sweetheart roses and stephanotis.

Miss Roberta Paul, the bride's sister, was maid of honor. She wore a floor-length gown of pink fashioned with a high round neckline, a partially gathered skirt, and sheer wrist-length sleeves of pink organza. Her veil was held in place by a headpiece of pink roses. She carried a bouquet of pink carnations and sweetheart roses.

The bridesmaids, Miss Janet Paul and Miss Mary Ann LaRose, wore pink gowns designed identically to that of the maid of honor. They also carried bouquets of pink carnations.

The bride's mother wore a mint green sheath dress with white accessories. Her corsage was a crescent of white pompons. The bride-

groom's mother was attired in a sea green dress. Her corsage was also white pompons.

Wayne Esch of Ann Arbor, served as best man. Ushers included Paul Woolner and Dennis LaFever, both of Ann Arbor.

At the reception at Chelsea Rod & Gun Club, Miss Arlys Wiseman took charge of the guest book. Coffee and punch were served by Miss Joyce Holly and Miss Ellen-Merkel. Miss Toni Capps of Livonia took charge of the gift table.

After a honeymoon in Canada and New York, the couple will live at M-7 Pine Grove Terrace in Ypsilanti.

The new Mrs. Lennox was wearing an aqua crepe dress with white accessories when the couple left on their wedding trip.

The bride is a 1967 graduate of Chelsea High school and received a certificate in Business Technology from Eastern Michigan University last January.

The bridegroom is a 1967 graduate of Ann Arbor High school and is presently a senior at Eastern Michigan University.

"Showers" honoring the bride were given this spring by her aunt, Mrs. Lillian Cook and by her former roommate, Miss Barbara Mehler.

"Warm weather is not the time to forget about your heating system. This is the time to have it cleaned and, if necessary, repaired, while its performance is fresh in your mind and while it is not needed for home comfort."

WASHTENAW COMMUNITY COLLEGE

SUMMER SESSION - June 24 - August 18, 1970

Washtenaw Community College summer session provides the opportunity to improve or develop vocational skills and technical competencies, or develop adequate language and mathematical skills, or enables mature persons to commence or continue their education. The eight-week summer session enables a person to enroll in one or two courses. The credit earned and instruction received is equivalent to a regular eighteen-week semester.

REGISTRATION - JUNE 22, 1970

CLASSES BEGIN JUNE 24, 1970

ENROLLMENT INFORMATION

WHO IS ELIGIBLE? Non-graduates of high school, 18 years of age or older, and high school graduates.

WHAT SHOULD A STUDENT DO NOW? To insure widest selection of classes and times, the College encourages students to make application and receive counseling before the regular registration period.

Counseling: Individuals wishing assistance in course selection may receive help from the counseling staff. Counselors are available in College Hall from 8:30 a.m. until 5:00 p.m., Monday through Friday. One or more counselors are also available from 6:30 to 8:30 p.m., Monday through Thursday, and from 9:00 a.m. until noon on Saturday.

REGISTRATION INFORMATION

Registration day is Monday, June 22, at Auditorium, College Hall, Willow Run Campus, according to the following schedule:

8:20 a.m. A-BAT	1:00 p.m. KAR-LAA
8:40 a.m. BAU-BRA	1:20 p.m. LAB-LZ
9:00 a.m. BRB-CHE	1:40 p.m. M-MILK
9:20 a.m. CRS-DAZ	2:00 p.m. MILL-OA
9:40 a.m. DB-ER	2:20 p.m. OB-POR
10:00 a.m. ES-GEE	2:40 p.m. POS-SAP
10:20 a.m. GEF-HAML	3:00 p.m. SAQ-SIMZ
10:40 a.m. HAMM-HORC	3:20 p.m. SIN-SUG
11:00 a.m. HORD-KAQ	3:40 p.m. SUH-VANC
	4:00 p.m. VAND-WILR
	4:20 p.m. WILS-ZZ and all students registering out of schedule.

Extended Day Registration is as follows:

7:00 p.m. A-D	8:00 p.m. M-P
7:20 p.m. E-H	8:20 p.m. Q-U
7:40 p.m. I-L	8:40 p.m. V-Z

LATE REGISTRATION:

All students registering and paying fees after Monday, June 22, are required to pay a late registration fee of \$5.00. NO ONE WILL BE PERMITTED TO REGISTER AFTER JUNE 26.

FEES AND TUITION:

Application and Records Fee: A non-refundable fee of \$10.00 is assessed one time for all students applying for admission to the College. This fee is collected at the time of application and must be paid before the student can register for classes.

TUITION:

\$10.00 per credit hour for in-district residents
\$20.00 per credit hour for Michigan out-district residents
\$30.00 per credit hour for out-of-state residents.

REFUNDS:

Refund of 75% of tuition will be made to a student who withdraws from College during the first five days of classes. A 50% refund may be claimed if the withdrawal is made after the fifth day of classes and before the end of the second week of classes. No tuition refunds will be made after the second week of classes. This policy also applies to a student dropping a partial course load.

Mrs. James Robert Perry

Janice Ann Wood, James Perry Speak Marriage Vows Saturday

Janice Ann Wood of Portland, daughter of Mr. and Mrs. Clarence W. Wood, of 646 Flanders St., and James Robert Perry son of Mr. and Mrs. John R. Perry, of 509 W. Middle, were united in marriage by the Rev. Fr. Francis Wahowiak at 12 noon on Saturday, June 13 at St. Mary church.

For her gown, the bride wore an empire waist A-line style dress with white lace accenting the bodice, sleeves, hem and detachable train. The bouquet she carried was a cascade arrangement of daisies, carnations and stephanotis.

Miss Mary G. Wood, the bride's sister and maid of honor, wore a mint green empire waisted A-line dress which was trimmed at the waist with lace and had a matching bow in back. Her bouquet

was a nosegay of daisies and had a matching bow in back. Her bouquet was a nosegay of daisies stephanotis. Dressed identically to the maid of honor was Miss Jane Elizabeth Wood, a sister and flower girl in the wedding.

John R. Perry, brother of the bridegroom, served as best man. David A. Wood of East Lansing, and John C. Wood, both brothers of the bride, acted as ushers.

For her daughter's wedding, Mrs. Wood chose a pale yellow coat and dress ensemble with matching accessories. Her corsage was made of white rose buds. Mrs. Perry selected a pale blue coat and dress ensemble with white accessories and a corsage of rhubarb lilies.

The home of Mr. and Mrs. Wood was the scene of the reception. Mrs. Jack Shaninger of Port Riley, Kan., cousin of the bride, cut the wedding cake. Miss Susan Barthold of Grand Rapids served coffee, and Mrs. Donald Sohn of Davison served punch. Miss Nancy Mshar, of 742 Book St., a cousin of the bride, took charge of gifts while Mrs. David Whitaker of Portland took care of the guest book.

In a pale pink linen dress with white accessories, the bride left for Friend's Island in Canada for one week with her new husband. After June 22, the newlyweds will reside at 1594 Divine Hwy., Portland.

The bride, who graduated in 1964 from Chelsea High school and in 1968 from Michigan State University, teaches at Portland High school. The bridegroom also graduated from Chelsea High in 1964, served four years with the U. S. Navy, and will be transferring from Washtenaw Community College to Michigan State University for summer school.

Anyone Lost Keys?

Are you missing a set of keys? If so, the Chelsea Police Department may have received them. Chief George Meranuck suggests turning in your name, address and a description of the lost keys to the department.

Bill Robbinses Honored on 25th Anniversary

Mr. and Mrs. Bill Robbins were honored guests Sunday, June 14, at an open house event hosted by Mrs. Douglas Rowe and Mrs. Phil Blough of Grass Lake in observance of the silver wedding anniversary of Mr. and Mrs. Robbins.

Guests for the afternoon were relatives, the boys from St. Louis school, Sisters, Fathers, Pastor Siebert and wife, friends from Detroit, Chelsea, Grass Lake, Napoleon, Tecumseh, Pinckney, Dexter and Owosso. About 175 guests were present for the occasion.

Lunch was served, followed by cake and ice cream especially decorated for the celebration. Games were played, and the boys serenaded the honored couple with a few love songs under the direction of Father Umberto. Father Louis and the boys presented the Robbinses with a bouquet of roses, and a check. The Robbinses also received the Papal blessing from Pope Paul which was requested by the Sisters. Bill and Pat Robbins received many beautiful gifts, cards and donations.

The Robbinses were married in Londonderry, Northern Ireland on June 22, 1945 and have been Chelsea residents since 1946. They are leaving on July 12 for Ireland to spend a month with Mrs. Robbins' relatives. They are planning another celebration in Ireland.

Mrs. William A. Marsh

Christine L. Taylor, William Marsh Wed Friday at Ann Arbor Church

Christine Lee Taylor became the bride of William A. Marsh Friday afternoon, June 12 at 4 o'clock in the Cloister Garden of St. Andrew's Episcopal church, Ann Arbor.

The Rev. Gordon M. Jones performed the ceremony for the daughter of Mr. and Mrs. Robert K. Taylor and the son of Mr. and William M. Marsh of Bloomfield Hills.

For her wedding, the bride chose a dress of white linen and carried a French nosegay.

Miss Catherine Anne Taylor was her sister's maid of honor. The bridegroom's father served as best man.

Following a family dinner at the Ann Arbor Town Club, the couple left for a trip to Northern Michigan.

They will reside in Ypsilanti.

Home Economics Study Groups Calendar

Week of June 17-June 24

Friday, June 19—Friendly Dames, picnic, Cavanaugh Lake, 11 a.m. Hostess: Mrs. Erwin Feldkamp.

Sunday, June 21—Jolly Arts, Hudson Mills Park, 1 p.m.

The stout women should buy knits that are lined. They keep their shape much better than unlined ones.

Permanent Label On Fabric Selvage Could Be Helpful

Do you want labels on yard goods? It's possible to have information about the cloth printed on the fabric selvage.

According to Bernetta Kahabka, textiles specialist with the Co-operative Extension Service at Michigan State University, information like fiber content, care and whether the material is pre-shrunk or colorfast is important to home sewers. Most of this information is printed on the end of the bolt, but buyers may not remember all of it after the purchase.

"Often, women who do a lot of sewing buy material in large quantities, and don't always make up the garment immediately," Miss Kahabka says. "Sometimes material is given as a gift. In either case, the fabric's vital statistics are often forgotten, or never known in the first place."

Many sewers feel the desired information should be printed on the selvage, so that it would be there for each purchaser as the lengths are cut from the bolt.

"This is already done with some of the more expensive drapery fabrics," the specialist says, "so it could be done with others."

Of course, she reminds, this extra convenience would probably cost a little more by adding to production costs.

It's really up to the consumer, Miss Kahabka says. If he feels the extra convenience is worth the extra cost, he should let the manufacturer know—either by telling the local retailer, or by writing directly to the manufacturer.

ATTEND GOLDEN LUNCHEON AT PARMA HIGH SCHOOL

Mrs. George Knoll, 124 Dewey, attended the golden luncheon for the 1920 graduating class of Parma High school Saturday, June 13, at the Parma Methodist church. Nine members of the original class were present. There were three deaths reported. Mr. Knoll stayed with Mr. and Mrs. Homer Miller of Parma.

A good cook keeps a good spice shelf. Because spices go out of date very easily, especially if ground, it is only sensible to get rid of tag-ends which have lost their true and enchanting aroma.

PAT'S CORNER

By PAT DITTMAR
Home Economist
Chelsea Milling Co.

Happy Father's Day! What better way to tell dad you love him than by making a variation of his favorite dessert—strawberry shortcake. But to add a dash of richness to the shortcakes we added sour cream to the dough. Then we topped off the shortcake by making "fluff" out of the berries. Try it, I know your dad will love it.

SHORTCAKE and FLUFF (6 servings)

- 2 cups "JIFFY" Baking Mix
- 1/2 cup dairy sour cream
- 1/4 cup milk
- Strawberry Fluff (below)
- 1. Heat oven to 450°.
- 2. With fork blend baking mix, sour cream and milk to soft dough.
- 3. On lightly floured surface knead quickly and lightly 20 times.
- 4. Pat or roll dough 1/2 inch thick. Cut with 3-inch floured cutter.
- 5. Bake on ungreased baking sheet 8 to 10 minutes.
- 6. Split warm shortcakes, spoon Strawberry Fluff between and over layers. Top with fresh strawberry.

STRAWBERRY FLUFF

- 1 cup mashed strawberries
- 1 cup sugar
- 1 egg white
- 1. In large mixing bowl beat above ingredients until frothy.
- 2. Beat on highest speed 6 to 8 minutes until mixture stands in soft peaks.

The lack of morals among the youngsters, if it exists, is a reflection of a greater lack of morals among their elders.

Sault Ste. Marie, Michigan, established in 1668, is the oldest town between the Alleghenies and the Rockies.

ENGAGED. Mr. and Mrs. Raymond F. Lorchon, 7670 Second Street, announce the betrothal of their daughter, Jo Anne Lorchon, to David W. Winans, son of Old Forge, N. Y. Mr. Winans is the son of Mr. and Mrs. David S. Winans, 232 South St., Chelsea. Miss Lorchon, a graduate of Dexter High school, will attend the School of Interior Design at Michigan State University in the fall. She is a member of the National Honor Society and the International Thespian Society. She is employed at the Holland House on Jackson Rd. Mr. Winans, a former Dexter High and Chelsea High substitute teacher, is a graduate of Chelsea High and Central Michigan University, where he was a founding member of the Zeta Rho Chapter, Sigma Chi Fraternity. He is an assistant to the director, Adirondack Woodcraft Camps, Old Forge, N. Y. He will be teaching in the elementary grades in the Lansing area in the fall. They are planning an Aug. 29 wedding.

It's easy to pack a hot and hearty lunch. Vegetable soup poured into a small insulated container will still be hot at lunchtime. Add sandwiches made with a planned leftover, extra meat from a roast or baked ham.

TIPS

for your

TOP

from

TODDY and FRAN

As inexpensive as a wig is now, surely you, as a well-groomed woman, won't want to be caught with your hair down this summer—not when it can look as if you'd just had it styled moments before. Dive in the pool, untroubled at the thought of going to a dinner party the same night. Dry your hair in the sun and don your wig with confidence. No one will be the wiser—but if they find out (you'll probably want to admit it—after all, a wig is a luxury we're proud to own), they'll consider YOU the wiser. We have a wig expert; whether you buy the cheap one or the expensive one, it'll look great when she fits and styles it.

Council Briefs

Present at a regular session of the Chelsea Village Council Tuesday evening, June 16, were President Fulk, Clerk Harvey, Administrator Weber, and Trustees Miller, Gorton, Musbach, Dmoch, Boylan and Chandler.

A public hearing was held to consider the request by Karl Riemenschneider to vary from Section 4.01 (b) of Ordinance No. 55 (Zoning Ordinance) and to make repairs and additions on his property located at 20078 Old US-12 West.

Motion by Chandler and Miller to permit Karl Riemenschneider to vary from Section 4.01 (b) of Ordinance No. 55 and to make repairs, alterations, and additions on his property located at 20078 Old US-12 West, in the amount of \$9,929.70. Yeas: Miller, Musbach, Dmoch and Chandler. Nays: Gorton and Boylan.

A public hearing was held to consider the request by Chelsea Milling Co. to vary from Section 3.05 of Ordinance No. 55 (Zoning Ordinance) and to construct a building on North St. A discussion was held with interested area residents.

A letter from the Chelsea Planning Commission was read recommending that a variance be granted to Chelsea Milling Co. to allow them to construct a new building on North St.

Motion by Chandler and Gor-

ton to permit the Chelsea Milling Co. to vary from Section 3.05 of Ordinance No. 55 (Zoning Ordinance) and to construct a new building on the land now occupied by 221, 227 and 307 North St. Yeas all.

Motion by Musbach and Dmoch to adopt a resolution approving the request from Robert T. Howe for the transfer of classification of 1970 Tavern license to Class C license to be held in conjunction with the existing SDM license located at 120 S. Main St. Roll call: Yeas all.

Motion by Miller and Gorton to adopt a resolution approving the request from Junior Raymond Seitz for the transfer of classification of 1970 Tavern license to Class C license to be held in conjunction with existing SDM license located at 110 W. Middle St. Roll call: Yeas all.

A letter was read from Central Advertising Co. requesting to vary from Section 3.15.70, of Ordinance No. 55 (Zoning Ordinance) to replace a sign at Spencer's Service located at 1445 M-52. The request was referred to Chelsea Planning Commission for a recommendation.

Bids were requested for the 1970 street improvement program. Bids were received from Auling & Cunningham in the amount of \$19,230.78, Richardson Asphalt Corp. in the amount of \$18,527.50 and Washtenaw Asphalt Co. in the amount of \$14,357.50.

Motion by Miller and Chandler to accept the bid of Washtenaw Asphalt Co. in the amount of \$14,357.50 for the 1970 street improvement program. Roll call: Yeas all.

Motion by Chandler and Boylan to adopt Ordinance No. 73, Sub-Division Ordinance as read. Roll call: Yeas all.

Motion by Miller and Gorton to authorize the Electric & Water Dept. to make partial payment in the amount of \$4,747.50 to Hazlett Painting Co. on their contract to paint two water storage tanks. Roll call: Yeas all.

Further discussion was held on the sewer improvement program. No official action taken.

Motion by Miller and Gorton to authorize and direct the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all.

Motion by Miller and Dmoch to adjourn. Roll call: Yeas all. Meeting adjourned.

Gale Arts Granted BS Degree at MSU

Gale Artz, son of Mr. and Mrs. Austin Artz of 4450 Clear Lake Rd., Grass Lake, received his Bachelor of Science degree at Michigan State University on June 14.

Gale is a member of the MSU honorary packaging society and has been employed for the past three years by the Computer Science Department as a teacher of computer programming.

Gale, a Grass Lake alumnus, plans to continue his education at the University of Texas in the field of computer science.

Someone has said that you can shear a sheep any number of times but you can skin him only once.

Washtenaw County Shows 36.7% Increase in Housing Units

The most recent figures are out accounting for the number of new dwelling units in Washtenaw county during 1969. All of Washtenaw county showed a healthy increase of 36.7 percent over 1968, according to the 18th Annual Residential Construction report issued by the Planning Division of Southeast Michigan Council of Governments.

In Washtenaw county, there were 923 new single family units authorized in 1969; 22 two-family units; and 2,464 multi-family units yielding a total of 3,409 new dwelling units. This compares to 2,494 permits issued in 1968.

However, there were a total of 129 demolitions bringing the net total figure to 3,280 units.

The breakdown of specific townships and villages shows Bridge-water township with six single family units issued; Chelsea gained four single-family units and 14 multi-family units, minus one demolition, for a net total of 17 new units.

Dexter increased a total of five units, two single-family units and three multi-family units; while Dexter township grew by 17 single-family units. Freedom township showed a net gain of seven single-family units.

Lima township and Lodi township augmented their single-family units by 15 and 10 units, respectively. Additions were also made in the number of single-family units in the following communities: Lyndon township 15; Manchester, 4; Manchester township 9; Sharon township, 10; Syl-

van township, 5; and Webster township, 22.

Scio township expanded by 31 single and two two-family units, while the city of Saline jumped by 37 single and 101 multi-family dwelling units. Milan showed an increase of 16 single-family units, two two-family units, and eight multi-family units, while they lost three units which were demolished bringing their net gain to 23 total dwelling units.

Sheep Killing Dogs Sought

An attempt is being made to curb the damage done to sheep by tramp dogs which roam the rural areas. The owners of the dogs, when identified, will be prosecuted and held liable for any future damage.

In the past few weeks, Supervisor Hoffman of Sylvan township, reports that several damage claims have been paid by the county. Licensing of the dogs does not permit a dog to run at large. Complaints of loose dogs are mounting and increased action will be taken to pursue and prosecute the offenders, Supervisor Hoffman states.

A recent complaint was turned in by Mrs. Matilda Klink, on Bush Rd., who reported four sheep killed and six seriously injured the ed and six seriously injured the ed two previous damage claims.

SHARON DAVIS

WILLIAM DAVIS

Double Graduation Celebrated Friday at Prentiss Davis Home

Open house was held at the home of Mr. and Mrs. Prentiss Davis, of 2038 M-52, on Friday evening to honor their son, William, who is graduating from Chelsea High school, and their daughter, Sharon, who graduated from the W. A. Foote School of Nursing on Friday evening, June 12.

Sharon was a graduate of Chelsea High school in 1967 and entered the School of Nursing in September of the same year. She plans to work at W. A. Foote Memorial Hospital for one year.

William expects to enter the Armed Forces in the near future. Out-of-town guests for the ex-

ercises and open house were from Detroit, Belleville and Ypsilanti.

Baccalaureate Service Held Sunday Night

Sunday night, June 14, graduating seniors attended the traditional Baccalaureate service at Chelsea High school auditorium. The service included hymns, prayers and the spoken word, "You Couldn't Care Less," by the Rev. David A. Keln, pastor of the First Congregational church.

Pretty girls are not more deserving necessarily; they just seem so on the spur of the moment.
