Major Park Proposed for Lima Area

Metro Park Authority Officials Will Tell Plans at Lima Hall

Mill Creek Research Council urges local residents to attend the informative meeting arranged for Thursday evening, Nov. 12, (tonight) at 8 p.m., so they too will have heard first-hand the public presentation of plans for a possible major metropolitan park south-east of Chelsea.

David Laidlaw, director of Huron-Clinton Metropolitan Park Authority and Robert Bryan, chief planner, have been invited to the Lima Community Hall to tell about their park proposal.

The site, all in Lima township except Section 4 of Freedom township, is rather irregular in shape, following the general course of Mill Creek. It ranges north and south from I-94 near Lima Center, through Jerusalem, to Rogers Corners, north and south, and at its greatest approximate length east and west, from Dancer to Freer Road, following generally the pro-

posed smaller site of the U. S. Army Corps of Engineers 15,000-acre impoundment.

A follow-up meeting for further discussion of the park proposal will be arranged by the Research Council.

Dreadnaughts Romp All Over Tired Bulldogs

Chelsea Bulldogs lost their first game of the 1970 season to a fired up Dexter Dreadnaughts team, 22 to 6, Friday evening, Nov. 6. Chelsea's record stands 7 wins, 1 loss, plus the Southeastern Conference Championship.

Chelsea did not play a good game. The winning of the championship over Saline the week before definitely removed the pressure from the Bulldogs, consequently the Bulldogs lacked determination Friday evening.

Dexter held an 8-0 lead at half time, scoring with less than a minute left in the first half.

The Bulldogs showed signs of coming to life in the third quarter, as Larry Gorton ran 64 yards on the first play for a touchdown. The pass play on the extra point failed and the Dreadnaughts still led, 8-6.

Mitchell Heard gave the Bulldogs a chance to take the lead when he recovered a Dexter fumble on their 20-yard line. But three (Continued on page two)

Bulldogs Win All-Conference Grid Honors

Three Chelsea football players were among the first team of the Southeastern Conference Coach Philip Bareis announced this past week. The team was announced Monday evening, Nov. 9. Among those cited were Larry Gorton, Mitchell Heard, and Tom Harmon, all senior members of the Chelsea varsity team.

Second string members from Chelsea included Tom Lukasiak, and Randy Seitz. Tim Orbring received honorable mention.

Other members of the first team included Bruce Acuff, and Greg Fisher, of Lincoln High school, Greg Ianni of Dexter, Bill Busch of Dundee, Tom Van Wagner of Novi, and Glen Wisemann of South Lyon. Steve Van Winkle and Mark Zawarki, both of Milan, were also on the team.

Four Dexter youths made second team, Scott Aeschliman, Dan Lavalli, Dale Klapperich and Rick McCullough. Also included were Jim Patterson of Milan, Bruce Morton and Don Craigmile, both of Saline; Ted Rowe of Lincoln, and Steve Clark, Dundee.

CHS Wrestling Season Will Start Dec. 3

With a Dec. 3 opener scheduled for Chelsea's wrestlers, members of the squad minus the football players, have been practicing under the direction of assistant coach Sam Vogel. Fall squad practice will not begin until Nov. 23, as football players are allowed a week to relax before starting wrestling training.

This year will be an unusual one for Chelsea wrestling coach Richard Bareis, as he is faced with the problem of finding wrestlers to fill the heavier weight classes. In past years, these classes have always been Chelsea's strongest part of the squad. Coach Bareis would like to encourage (Continued on page two)

GURU STEPHEN GASKIN, left, with "family" members Martha (front), and Michael, discuss their way of life in their converted school bus home. The Guru's stay in this area is sponsored by the Co-ordinator of Religious Affairs at the University of Michigan, where he will speak Thursday evening in Rackham Auditorium, with other scheduled appearances on Friday, and Saturday. Gaskin's group, which he calls "Monday Night Class" numbers close to 200 on this trip, although his congregation on the West Coast approached 2,000. Other family members, not shown in the photo, include Ina May, and Margaret, and a second child, Dana.

Monday night in one of the local rock and roll ballrooms. Stephen, who is called "Guru" meaning "Heavy," by his followers is in this area to speak to students at the University of Michigan. His visit is sponsored by the Co-ordinator of Religious Affairs at the University, who has also helped make arrangements for the Bruin Lake encampment for Gaskin and his followers. He will remain in this area until Saturday, Nov. 14, having arrived Tuesday morning, Nov. 10.

Band of Peaceful Hippies Here for U-M Appearances

Monday Night Class has come to town. A band of gaily painted buses, and other vehicles, all marked with a brilliantly colored octagonal design on the back, Lake Campgrounds. The band of hippies, real hippies, is led by a young man called simply, Stephen, who is a 35-year-old former teaching assistant of S. I. Hayakawa, the semantologist and later college president of San Francisco State College.

Stephen, whose last name is Gaskin, is a Marine veteran of Korea, and holds a master's degree in language arts from San Francisco State. He has been leading a spiritual movement on the west coast for the past four years or so which he calls simply "Monday Night Class."

Monday Night Class meets formally twice a week. Sunday morning worship is a silent 45 minute to an hour's meditation before sunrise on the California coast. Instruction is held every

Monday night in one of the local rock and roll ballrooms. Stephen, who is called "Guru" meaning "Heavy," by his followers is in this area to speak to students at the University of Michigan. His visit is sponsored by the Co-ordinator of Religious Affairs at the University, who has also helped make arrangements for the Bruin Lake encampment for Gaskin and his followers. He will remain in this area until Saturday, Nov. 14, having arrived Tuesday morning, Nov. 10.

The Guru's trip is a coast-to-coast journey which began Oct. 12, and has taken him to such cities as Sublimity, Ore.; Minneapolis, Minn.; Grinnell, Ia.; and Chicago, Ill.; prior to his Ann Arbor visit. The band intends to visit Dayton, O., New York, and surrounding areas, Philadelphia, Pa.; and Nashville, Tenn.; as well as Columbia, Mo.; and other engagements west, before his return to San Francisco.

Once back in the west coast, Stephen plans to continue holding Monday Night Classes. Stephen's religious convictions are a blend of all religions. He claims that the men who most influenced him in his spiritual life were Zen Buddhists; although he claims no particular religious affiliation. His readings: cover scripture, Sanskrit, and "straight" Buddha. He stated that he felt that Aldous Huxley was one of the great English writers ever, covering spiritual issues of importance to people living in these times.

Stephen lives and travels with his "family" who include three other adults, and two young children. His band of followers, who number close to 200, each travel in similar "families" composed of two to six people. He travels with a caravan of 50 vehicles, 27 of which are converted school buses, similar to his own.

When asked why he ventured on this journey, the Guru stated "We got San Francisco pretty sane, but from the papers it looked like the rest of the country was pretty muddy." Stephen and his young band are certainly clearing up some of the mud that they find on their way, as all who have come in touch with them have found that they are marvelous, happy, genuine people—REAL hippies.

Christmas Club Payments Mailed Total \$89,000

Christmas Club payments from the Chelsea State Bank were made this past week, according to Paul Schaible, vice-president of the bank. 552 club members saved a total of \$89,000 this past year, which was sent to participating members.

New members are being sought presently for the 1971 Christmas Club, which commences this week, Schaible commented.

CHELSEA'S CROSS COUNTRY TEAM is just finishing their first season. From left, front row, they are Tom Skittenhelm, Larry Jones and Chris Phinney. In the second row are Dave Buxton, Jon Lantis, George Cameron, captain, and Fred Elmore, coach. Missing is Dan Hoover.

Cross Country Team Ends First 'Unofficial' Season

Chelsea's Cross Country team finished the season at a meet with Tecumseh held Oct. 26, and the Regional meet, held Saturday, Oct. 31, at Lansing Eastern High school.

Chelsea fared poorly in their meet with Tecumseh, finishing behind the other team by a 33-point difference. Final score for the meet was Tecumseh 17, Chelsea 40.

Tecumseh's course was a 2 1/2 mile course. Lead runner for Chelsea was George Cameron, who came in fourth in the race, with

a time of 13:57. Dan Hoover and Dave Buxton tied for seventh place, coming in second for Chelsea with a time of 15:18. Chris Phinney was 10th, with a time of 15:24, and Tom Skittenhelm placed 11th with a time of 17:26. Larry Jones placed 12th.

In the regional meet, Chelsea finished 16th, out of a field of 17 teams. The course was 2 1/2 miles, and 111 runners competed in the event.

George Cameron was once more lead runner for the Chelsea team, finishing 28th with a time of 14:09. Dan Hoover was next for

Chelsea, finishing in the 69th position, with a time of 15:04. Dave Buxton was 77th, with a time of 15:18, while Chris Phinney was 99th with a time of 16:25. Larry Jones and Tom Skittenhelm finished 110th and 111th, respectively, with times of 18:25 and 18:47.

Coach Elmore indicates that Chelsea's performance is reflective of the late start the young men had this season, with their training. Their inexperience counts much toward their results. They have, however, fine team spirit! And next year, Elmore hopes they will do better.

Two Rebekahs Honored for 50-Year Lodge Membership

Mrs. Wilbert (Gladys Leach) Breitenwischer, and Mrs. Alfred (Elsie Novess) Hinz were honored Tuesday evening, Nov. 10, by their Rebekah sisters for their 50 years membership in the Chelsea Lodge.

Mrs. Breitenwischer joined the Chelsea Lodge in March, while Mrs. Hinz joined in September 1920.

Chelsea's Rebekah Lodge was at the time of their joining only two years old.

Mrs. Hinz served as Noble Grand from July 1929 until January 1929, and again in 1936 and 1937. Mrs. Breitenwischer served as Noble Grand July 1931 to January 1933. It was in 1932 that the term of office changed from half a year to a year.

Rebekah Lodge is the sister organization of the IOOF, or Odd Fellows. Their Lodge was disbanded in 1960, but the Rebekahs are still very active, with 67 members at present.

Approximately 50 friends, guests and members met at the Rebekah hall for a swiss steak supper to honor these two sisters. Thirteen Past Noble Grands were present.

Chelsea Fair Board Directors Re-Elected

Annual meeting of the Chelsea Fair Board was held Tuesday evening, Nov. 10, at the McKune Memorial Library.

Elections were held, and all former members of the Fair Board of Directors were returned to office. They are Carl Heller, John Brooks, and Anton Nielsen, all of Chelsea. Harold Gross, Dexter, was also elected.

No decision concerning Fair buildings and grounds were made at Tuesday's meeting.

A living circle was formed and all repeated the Lord's Prayer. Honored guests were presented with yellow rose corsages by Past Noble Grand President Lucille Alstaetter.

Program was held after the dinner, with Mrs. Jacque Beyer acting as mistress of ceremonies. She presented the honored sisters with a basket of fall flowers from the Lodge, and gave the welcome address to all.

Joy Keezer sang two songs, "Where Have All the Flowers Gone?" and "Autumn to May."

History of 50 years with the Rebekahs was read by Mrs. Alstaetter and a reading by Mrs. Beyer entitled "What Women Can Do" was given.

A song by the Lodge, written and played by Mrs. Velma Wolfe to the tune of "My Bonnie Lies Over the Ocean," was very laughable.

Poem was read by the Vice-Grand of Lodge, Phyllis Harook, while Mrs. Loydell Keezer and Mrs. Eulabee Packard presented a skit entitled "Death of a Salesman's Pitch."

Assembled group sang "Blessed Be the Tie That Binds."

Members Past Noble Grands Mrs. Lulu Sweeney, residing in Florida, and Mrs. Anna McDonald, a patient at Cedar Knoll Rest Home, were greatly missed. Mrs. Sweeney has been an active member for 48 years. Mrs. McDonald has been in the Rebekahs for 57 years. Both transferred from other lodges in the early 1930's.

Mr. and Mrs. Glen Novess of Ann Arbor, Mr. and Mrs. Malcolm Novess, and son Barry, of Chelsea, and Mr. and Mrs. Glen Britton of Jackson, were special guests for their mothers' special night of honor.

Chest Fund Total Nears \$24,850 Goal

Campaign Workers Feel Certain Final Figures Will Surpass Goal

Chelsea Community Chest President Mrs. Homer Kuhl met Monday, Nov. 9, to congratulate the campaign committee chairman for the fine job which they did for the 1971 Fund drive.

All divisions have surpassed their minimum goals, with the exception of industry, which had been set by the Campaign Chairman Gary Albrecht. These goals

were set to meet a total budget of \$24,850.

Dave Rowe, commercial chairman, reports that \$1,833 had been collected to date. Calvin Summers, Jr., industrial chief, indicated that \$16,413.40 has been collected from local industries.

Robert Thornton, rural chairman, reported that \$842.70 was collected, while Gloria Greenleaf, residential chairman, claimed \$1,855 collected to date.

Ann Schaffner, clubs chairman, reported that \$412 was collected from local organizations. James Hoffmeyer, solicitor from the schools and administration, reports that \$1,208 has been received, while Wallace Wood reports that \$1,486 has been collected from Chelsea's professional members. School collections were increased by 28 percent over last year.

Grand total of monies collected to date is \$24,010.60 Mrs. Baldwin reports.

Mrs. Kuhl noted that this was a difficult year, and that it took the efforts of many to make the campaign a success.

In an earlier issue of The Standard, the allocation of the American Red Cross, of \$3,500, had inadvertently been omitted.

Board of Directors member Lyle Chriswell was responsible for the assembly of the red feather sign on the post office lawn, and the maintaining of the goal indicator to date.

Figures will not be final for a few weeks, but Community Chelsea officials anticipate that they will meet their goal.

Gas Co. Office Remodeled

Michigan Consolidated Gas Co., at 103 N. Main, has put on a happy new face! Fred Pearsall, branch manager, revealed Tuesday that the Gas Co. has completed improvements which it started this past summer in conjunction with the Downtown Improvement Project.

Gone is the former neon sign which marked the building. The company has replaced their neon sign with tasteful platinum leaf lettering on the window.

They have added a new counter, and new carpeting on the floor. New furniture was moved in this summer, just prior to the fire in the Frigid Products building. The building and the furniture was undamaged, Pearsall commented, so the company could progress as planned.

Plans for the improvement have been in the making for many months.

Zoning Board Denies Stock Auction Permit

The Sylvan Township Zoning Board at their meeting, Monday, Nov. 9, denied permission for a Conditional Use Permit for the Michigan Livestock Exchange to build and operate a livestock auction on land south of town.

After full investigation of the issue, the board decided the disadvantages offset the advantages, hence their decision, Harold Jones announced Wednesday.

Michigan Livestock Exchange has for some time been trying to obtain permission from the township to operate a livestock auction, on the Norman Hinderer farm, south of the village of Chelsea, on

M-52. This movement was opposed by various members of the community, with the major emphasis being placed on the land of Homer Kuhl, which borders on that being considered by the Exchange. Kuhl's attorney, William Rademacher, commented Wednesday, that he had nothing to say at this time.

Herman Koenn, agent for the Livestock Exchange indicated that he has not been notified of the decision of the Exchange concerning any further action.

The Zoning Board released a statement at the time of their decision, outlining their findings, which was unavailable for republication by Wednesday noon.

For many, Veteran's Day each year passes with little comment or observation. For many Americans, however, it is a time of memory—a time to recall periods of great times, great friends, and great hardships. These are the men and women who, in times of national emergency, proudly served in defense of "My Country". To all of these, and to those who made the ultimate sacrifice, this Nation owes a solemn gratitude.

Courts Studied

Michigan's probate court system is being examined by a special 10-man commission to see what improvements may be made in it. The commission was appointed by Supreme Court Chief Justice Thomas E. Brennan, whose post makes him the chief administrator for all the courts in the state. Brennan says the committee is searching for suggestions from laymen as well as lawyers on ways in which Michigan's probate system may be improved.

The chief justice says the committee will "review probate court procedure and propose any improvements which may properly be promulgated by the Supreme Court in the form of rules under applicable constitutional provisions."

"With current studies by the legislature to improve the law relating to settlement of estates, it is particularly timely and important that procedural aspects, the administration of which are essentially court functions, be reviewed to assure implementation of a process that is as efficient and effective in securing and protecting rights as is possible," he said.

The high court was given new supervisory powers over the state's lower courts by the 1963 constitution and the current study is its latest move in exercising those powers.

Uncle Lew from Lima Says:

Dear Mister Editor:

Ed Doolittle was speaking to the feller in parables again at the country store Saturday night. He told about this feller that went through college in this country and went to Europe to study for two years. On the way home he was reading on the deck of the boat when sudden a gust of wind blew all his notes from all his education overboard. Ed said the feller come on home and went to work at his Pa's service station.

Ed was right, allowed Zeke Grubb, it don't pay to invest everything in things outside yourself. Fer instant, Zeke said, he had saw where two dozen graduate students lost all their research papers in a fire in their laboratory, and now they got to start all over. But education is more than taking notes, Zeke said, and them that take it serious will have a lot stored up in their heads where they will have it as long as they got heads.

Ed was thinking about the feller in Detroit that has walked around 34 year afore he learned his blood was worth \$1,500 a quart because it had some rare stuff needed for research. Now that, allowed Ed, is what you would call keeping your investment safe. The feller signed a contract to sell \$12,000 worth of blood a year.

Course, Ed went on, not everybody can expect to come up with a deal like that, since this one feller can supply all the hole country needs whatever it is he's got. But Ed was saying that most of us want the sure thing as long as it don't take too much effort on our part. What got Ed on this line of thinking was fer one of them reducing places, this ad he had saw in the papers Ed had the clipping and I wrote it down. It said "our magic no-work electronic equipment melts away pounds and inches at the touch of a button."

Now that, allowed Ed, is what American life is all about in the minds of too many of us. We think all we got to do to get what we want is press a button, or not even that, jest lay back and wait fer what we want to happen.

The feller that runs the store was full agreed with Ed. He said the other day a feller stopped by that had been on a trip studying housing needs for the outfit he works fer, Housing and Urban Development. This feller said plenty folks need better houses alright, but them in the worst places won't even make the effort to move to a rent-free house.

What you got to do, the HUD feller said, is build the houses, find people that wants em, then the folks that really needs em will move where the other folks left. Right quick, then, the HUD man went on, you tear down the worst places afore some pore soul in still worst shape moves in.

It's pritty hard to help folks that won't help theirselves, even when all they got to do is touch the magic button.

Dilemma's Horns

With so much doubt among even the experts concerning what the effects of thermal pollution on large bodies of water will be, the Michigan Water Resources Commission has proposed the placing of a five-year moratorium on the construction of nuclear power plants on Lake Michigan.

Only one such plant is now in operation in Michigan on the shores of Lake Michigan. That one is located in Big Rock Point near Charlevoix.

Two other plants are under construction at Palisades Park near South Haven and at Bridgman, and these two plants would be allowed to begin operation under the Commission's proposal.

The operation and effects of these three plants would be tested over a five-year span before any more could be built under the plan.

People need electric power which can be supplied no other effective way than by nuclear production, but there is some concern that present methods will cause environment damage from the warm water which flows into lakes or rivers.

Harlan Hatcher, former U-M president and a member of an international team to study environment, told members of the University Press Club of Michigan that it seems wisest to begin production of nuclear power now, observing what, if any, damage is done and making what changes need to be made if trouble develops. He indicated that the nation's need for power is so critical and the dangers from this procedure so questionable that cautious progress should continue.

The commission recommendation for the moratorium was forwarded to both the Federal Water Quality Administration, which rejected the state's last proposal of a set of standards.

It also was sent to the Atomic Energy Commission, which must approve all new plants before they may begin operating. The AEC, however, worries mainly about potential radiation.

The commission said in its recommendation that if at any time during the five-year period it appeared existing plants were damaging life in the waters around them, they should be shut down or modified to stop such damage.

Environment Studied
The State Highway Commission is taking note of the new national concern over the environment, as well.

The commission says it is conducting computerized inventory checks of environmental factors in planning all future highways in the state.

"Once we know the character and amount of land in the patterns of the area we are studying, we can make much more intelligent decisions about where development—and what type of development—can and should occur," explains Highway Director Henrik E. Stafseth.

He said such a system has been used successfully in New York, Wisconsin and Maryland.

plays netting nothing and Tim Orthing's attempted field goal went inside.

From this point Dexter controlled the game, both offensively and defensively.

This week the Bulldogs play their final game against a good Jackson Northwest team. The game will be played at Chelsea, Northwest has a fine 6-2 record and last week they lost to the number three rated Vandercook Lake team, 20-13. Jackson led at half time, 13-0.

This game will also mark the last appearance of 18 seniors. These seniors are Jim Wojcicki, Larry Gorton, Jeff Bust, Jack McClell, Tom Lukasiak, Tim Orthing, Kurt Kelemen, Tom Harman, Bob Salyers, Mark Schulze, Dale Robbins, Duane Bycraft, Mitchell Heard, Rick Wescott, Chris Marzec, Mike Powers, Mike Giffen and Howard Treado.

A traffic island has been placed at the intersection of Old US-12 and M-52 near the Stop & Shop supermarket. The intersection, which has been the scene of numerous traffic accidents in past months now has two stop signs on the east side of Old US-12 intersection.

Distinguished Flying Cross medal was recently presented to Captain Stanley Knickerbocker, son of Mrs. M. L. Knickerbocker of 429 W. Middle St., and the late Maynard Knickerbocker. Among his other awards are the Vietnamese Service medal and the Vietnamese Campaign medal, presented to him while he was stationed in Vietnam; the Air Medal, with six oak leaf clusters, presented from the First Air-Commando Squadron while he was recuperating from injuries at Wright Patterson Air Force Base Hospital; and the Purple Heart.

Opening of the Youth Center on the third floor of the Municipal building now hinges on procuring studio couches or davenports, floor lamps, small stands and tables, chairs and similar items of furniture. Chelsea Jaycees, who are sponsors of the project, have stated they would welcome contributions of the needed items in order that the center may soon be put to use for young people in the community.

Mrs. Alfred Mayer and Mrs. Lewis Bernath have been awarded "thanks" badges, the highest honor for adults in Girl Scout work. The presentations were made at the regular fall Chelsea Neighborhood meeting, Wednesday, Nov. 7, in the Home Economics room at Chelsea High school.

Protestant churches in the community have planned a Union Thanksgiving service to be held Wednesday evening at 7:30 p.m. in the Methodist Home Chapel. John E. Announcement is made by E. B. Sorenson and Hugh E. Sorenson that their plant which was built on the south of Old US-12 about four years ago, has been sold to Bowser, Inc. of Ft. Wayne, Ind. The transaction was consummated last Friday, Nov. 8. The new plant is modern in every respect, with operations on the first floor and in the basement. Radiant heating has been installed and a GMC diesel generator in an adjacent building supplies power for the plant. Hugh E. Sorenson is president and E. B. Sorenson on the board of the new enterprise, which will operate under the name of Dexter Machine Products.

Desperate need for homes in every state of the Union is cited for veterans returning home. Veterans are now living with relatives, living in shacks, tents, or tourist cabins, gas stations, covered garages and barns, or some sort of structure that will provide shelter. Rental property is almost non-existent, while houses for sale, new or old are not only scarce, but prohibitive in price.

Wrestling Season

(Continued from page one)

any young man who is interested in wrestling to contact him at the high school.

Changes in the weight classes has helped Chelsea somewhat in that the 175-pound class has been eliminated in favor of a lighter weight. New classes are as follows, 98 pounds, 105, 112, 119, 126, 132, 138, 145, 155, 167, 185, and unlimited.

Eight lettermen are returning from last year's team which won a district title and tied for fifth place in the state finals. This year's squad will be led by senior co-captains Jim Wencil and Gary Montagne. Other returning lettermen include juniors Larry Jones, Tom McKernan, Randy Seitz, Doug McDonald, and sophomores Mark Montagne and Mike Robbins.

There are many fine young reserve wrestlers to fill the lighter weights, but not many in the heavier classes.

This year's schedule starts with a home meet on Dec. 3 against Tecumseh. It is scheduled to begin at 6:30 p.m. Key matches will be on Jan. 9; Howell Tournament, on Jan. 23, and the Southeastern Conference meet at Dundee on Feb. 13.

Chelsea's Invitational Tournament will not be held this year, but plans are under way to schedule the event for next season. Plans are also being made to schedule a quadrangular meet some time over the Christmas vacation, to fill in the tournament gap.

Chelsea's Athletic Department purchased a new wrestling mat that should be delivered in December. The mat was purchased through the athletic department without help from other groups in the school. The new mat was badly needed and with its addition, Coach Bareis hopes to put part of the old mat in the junior high school so that more can be done with junior high school wrestling.

CHS Debaters Near Top in Competition

Chelsea's debate team met with all three leagues against which they will be competing, this year this past week, in their first week of their regular season.

Varsity and novice teams traveled to Greenhills school in Ann Arbor, Thursday, Nov. 5, to meet with both varsity and novice state league teams against which they will compete this season.

In varsity competition, Chelsea won three of their four contests, which put them in second place on the team roster, which included Parma Western, 4-0; Greenhills, with a record of 3-1; Monroe Catholic Central, 2-2; Adrian, 1-3; Springfield, 1-3; and Brighton, 0-4.

University of Michigan law students judged the competition. In the novice league, Greenhills led the competition with a 4-0 record. Monroe Catholic Central and Adrian were in second place with scores of 3-1. Chelsea and Parma Western tied for third with 2-2 records, while Springfield and Romulus were in the bottom slot with 0-4 records.

Next state league meet will be Nov. 24 at Brighton. Tuesday, Nov. 3, an ABC league meet was held at Jackson Parkside High school. This league is for novice debaters only as it is in its first year. As a result of last Tuesday's meet, Chelsea was in first place with a score of 4-0. Parma Western and Jackson were in second with scores of 3-1, while Lumen Christi and Homer High schools both had records of 2-2. Springfield and Jackson were tied at 2-6, while Lumen Christi has a 1-7 record for the season.

Chelsea will meet every school in the league twice, on both the affirmative and negative positions, for a total of four encounters.

Baha'is Observing Special Holy Day

This week local Baha'is are celebrating a Holy Day which corresponds to Christmas for Christians. The founder of the Baha'is Faith, Baha'u'llah, was born Nov. 12, 1817, in Persia. Baha'u'llah taught that all the major religions are brought by true prophets of God, some of these being Jesus, Krishna, Mohammed, and Buddha. The foundation of the Baha'is Faith is spiritual, but there are many social teachings to help unite a divided mankind.

Chelsea Baha'is, Craig and Doris Parker, and Toby, Sandy, and Joyce Peterson and their families, will join with Ann Arbor Baha'is

NABOHR Awards Given By Baha'is

Mary Wolter, of Dexter, was notified of awards made by the U.S. Baha'i Community in connection with International Education Year (1970).

The Children's Television Workshop and Dr. James L. Oliver, each received the 1970 Louis G. Gregory Award for Service to Humanity. Presentation of the

awards was made Oct. 17 at the International Education Year Awards Luncheon sponsored by the North American Baha'i Office for Human Rights (NABOHR). The luncheon was held in the Terrace Ballroom of the Statler-Hilton Hotel, New York City.

Dr. Oliver, executive director of the Southwestern Co-operative

Educational Laboratory, Albuquerque, N. M., received the award for his achievements in education and in particular for furthering the educational opportunities of minority groups.

The Children's Television Workshop of New York City was selected for the award because of its production of the television series "Sesame Street" and its other efforts on behalf of education.

The awards are original pieces by the American sculptor and Baha'i, Vernon Voelz, of Florida.

MIKE SPENCE, 16-year-old son of Mr. and Mrs. Theodore Spence, 128 E. Summit St., is shown with the seven-point buck he killed with bow and arrow, at dusk Sunday evening, Nov. 8. Mike, who is a three-time state champion in bow and arrow, killed the deer in the vicinity of McKinley Rd. It was the first deer he has ever killed. The animal, which weighed 200 pounds, dressed out at 143 pounds. Mike's father killed a spike horn Thursday, Nov. 5, so the family will be eating much venison this winter. Mike, who won the state bow and arrow championships for the third time in September, plans to enter the national competitions next year. He has been shooting a bow and arrow since he was seven years old.

Junior Varsity Closes Season With 8-0 Mark

Chelsea Junior Varsity football team finished the year with a fine 8-0 record, by defeating the Dexter Dreadnaughts team by a score of 28-6 Thursday evening, Nov. 5 at Dexter.

Tim Lancaster scored the first touchdown on an eight-yard slant in the first quarter. He made the two-point conversion on a power play to bring the score to 8-0. In the second quarter, Bruce Guster scored on a 56-yard dive to bring the score to 14-0. The extra point attempt was not good.

Lancaster scored again on a nine-yard slant, bringing to 20 the lead the Bullpups held against Dexter. The extra points were scored on a conversion pass from John Mann to Jeff Van Riper, bringing the score to 22-0.

Tim Lancaster scored on a pitch from Dan Bertke, who had been the receiver of a pass from John Mann. The play covered 58 yards, making the score 28-0. Extra point attempt was not good.

Dexter scored in the fourth quarter on a one-yard dive, reducing Chelsea's lead to 28-6. Extra point attempt was not good. Dan Bertke intercepted a pass for Chelsea, while Dan Houle recovered a fumble.

Some of the outstanding plays of the game came when Chelsea was on Dexter's three-yard line, and Dexter intercepted a pass and returned it 94 yards. Jeff Marshall caught the Dexter man from behind on the Chelsea three-yard line. The defense took over, and nailed Dexter for four straight losses, chasing them all the way back to the 35-yard line.

Boys who completed this fine season are Don Conklin, Jeff Daniels, John Mann, Doug Hanson, Bruce Guster, Tim Lancaster, Doug Hillman, Jeff Marshall, Mike Robbins, Keith Hume, Mike Merkel, Randy Young, Don Schultz, Dan Houle, Bob Heydlauff, Tim Johnson, Mark Grambeau, Bill Harrison, Tom Stock, Steve Worden, Don Boham, Bob Elliott, Jeff Van Riper, Dan Bertke, Paul Miller, and Jeff Barnes.

These young men really worked as a unit this year, as every one of them contributed to each victory. They came up with the following motto the last week of practice which is a very fitting description of their spirit: "We're not a team, we're an army." The young men had confidence in themselves and a tremendous desire not to be beaten.

This was the 25th consecutive win for assistant coach Tom Morrison, over a four-year period, and the 24th consecutive win for coach Jon Schaffner over a three-year period.

Book Fair Scheduled at Beach School

In connection with National Book Week, a Book Fair and Art Show will be held at the Beach Junior High school on the evenings of Nov. 17 and 19, from 6 to 10 p.m. The event, which has been planned and organized by Mrs. Parker and Mrs. Yelsik, art teachers at the junior high school, along with Mrs. Paulin, librarian, will feature student art. Robert Thornton Opens Chelsea Real Estate Office

Robert H. Thornton, former manager of the Dexter office of realtors Eibler, Frisinger & St. Amour, has opened a new real estate office here in Chelsea. Thornton's offices, which are located in the former K. of C. Hall at 105 N. Main, officially opened Nov. 1. He will deal in general residential and land development real estate.

Thornton lives on a farm at North Lake, 14215 Riker Rd. He is married and has seven children. He moved into this area in 1963, from Lansing.

A graduate of Indiana University, he recently received a certificate in Real Estate from the University of Michigan. Chelsea's newest businessman is a vice-president of the Dexter Chamber of Commerce, and a lay leader at the North Lake Methodist church.

FIRST VACCINE The first cholera vaccine was developed in the late 19th century by Dr. Waldemar M. Haffkine of the Pasteur Institute in Paris, who discovered that the cholera bacillus was harmless after infecting several animals in succession.

Pompon Girls To Be Feature At Cage Games

An addition has been made to the basketball scene for the coming season. A pompon dancing team of 10 Chelsea High school girls will entertain audiences during half-time shows at basketball games. Mrs. Phil Bareis, physical education and speech teacher at the high school, is organizer and sponsor of the group which at present remains unnamed.

Try-outs were held last week. At that time the following girls were chosen: Debbie Akin, Kris Buch, Donna Clark, Eileen Evans, Jane Ewald, Judy Grau, Karen Johnson, Karen Reynolds, Kathy Stoll, and Peggy Kraai.

The group plans to choose their uniforms this week. They will hopefully arrive for the first game of the season, which is Dec. 4.

ANCIENT ART No festive occasion among the Romans was thought complete unless sausage was served. Even before that, Homer mentions sausage as a favorite food of the Greeks.

You, your relatives, and every tax-paying person can save \$294 on your Federal Income Tax return if Washington ever decided to forego the paying of interest on the national debt. Last year the staggering interest charges were \$19,256,821,000.

Pulling this astronomical fee into perspective can be accredited to the U.S. Chamber of Commerce which reports that this \$19.2 billion is more than it cost the Federal Government to run our country for the first 117 years of our history. Once more, the \$3.5 billion increase in 1969 is more than the total Federal Budget for any year until 1918.

But getting back to dollar figures the common man can better grasp, the report explains — "This interest is the equivalent of the combined incomes of 2,231,000 average American families."

"With the money spent on interest, the government could have:

"Bought \$20,000 homes for 963,000 families, enough to house the combined population of Detroit and Houston.

"Paid weekly wages of more than \$122 to more than three million unemployed workers for the entire year.

"More than doubled funds spent for the War on Poverty, Office of Education, Narcotics Bureau, air pollution control, public assistance and housing, and urban renewal and environmental control."

As the agriculture industry no doubt agrees, the report concludes, "This burgeoning cost is not only money which could be put to better use, its continuing growth feeds the flames of inflation that burn away the value of our dollar."

"This spiraling climb will stop only when the public demands it, the National Chamber feels. When the voters show it's not smart politics to spend and spend, without paying for it as we go."

In the meantime, the report adds, "The government, unlike private borrowers, seems content to carry this debt — and to add to it — as long as it can pay the interest cost."

Conservation Law Violations Heard In District Court

The following people were arrested in the first week of November on conservation violations. They appeared in the 14th District Court before Judge Conlin.

Harvey Mudge, Jr., 34, of Monroe, pled guilty of possession over the limit of Canadian geese, following a complaint of a Manchester farmer. He paid \$100 fine and costs, plus \$20 restitution for two geese.

Anthony Frenza, 19, Dearborn Heights, pled guilty to having a loaded gun in a motorboat. He paid \$21 fine and costs.

Charles F. Bussey, 27, Garden City, pled guilty for riding a motorcycle off roads and trails in the Waterloo Recreation Area. He paid \$15 fine and costs.

Gilbert F. Flores, 44, Detroit, pled guilty to fishing without a license. He paid \$16 fine and costs.

Melvin J. LaBake, 29, Garden City, pled guilty to carrying a loaded gun in the car. He paid \$21 fine and costs.

Mr. and Mrs. Charles Carty

Carty's Observe 40th Anniversary

Mr. and Mrs. Charles Carty quietly celebrated their 40th wedding anniversary Sunday at their home, 161 Park St., where they have resided for 23 years. Mr. Carty has been in failing health the past three years.

Mr. Carty retired in June, 1962, after being employed at Central Fibre Products for almost 20 years. He and Mrs. Carty formerly lived in Coleman where they owned and operated a grocery store which had been founded and operated by his father until his death.

Mrs. Carty, the former Iza Cushman, is a Chelsea native. She is the daughter of the late Oliver and Carrie Beckwith Cushman and a granddaughter of James Beckwith, pioneer Sylvan Center blacksmith. She is still active in volunteer work for the Veterans Administration Hospital at Ann Arbor where she currently spends nine hours each Monday and Tuesday at the information desk.

She formerly had served 10 years there as a nurse's aide, nine years as a shopper and in the escort service of the hospital and

10 years in the Red Cross Motors Corps, all on a volunteer basis. She has also served five years as hospital chairman at Ypsilanti State Hospital for the Ladies' Auxiliary to the Veterans of Foreign Wars on appointment of the State Auxiliary president as well as nine years as hospital co-chairman at the VA Hospital, also on appointment of the state VFW Auxiliary president.

The Cartys were married Nov. 8, 1930, in Wauseon, O. They lived in Coleman until moving to Chelsea in 1943 because of the failing health of Mrs. Carty's mother.

Mrs. Carty's son and daughter by a previous marriage could not be present for Sunday's anniversary. The son, Roy Jones, retired army master sergeant after 25 years' service, now lives in Columbus, O., and the daughter, Mrs. Kenneth (Ruth) Caldwell, lives in Phoenix, Ariz. There are four grandchildren.

Mrs. Paul Walter Rothfuss

Shirley Ann Roehm, Paul Rothfuss Wed Saturday in Saline Church

Miss Shirley Ann Roehm and Paul Walter Rothfuss were married Saturday evening, Nov. 7, at St. James United Church of Christ, Saline, before the Rev. Virgil Kine. 250 guests attended the ceremony.

The bride is the daughter of Mr. and Mrs. Clarence Roehm, 10753 W. Michigan Ave., Saline. The bridegroom is the son of Mr. and Mrs. Walter Rothfuss, 10115 W. Liberty, Chelsea.

Dennis Dicks presented two vocal solos for the ceremony, "Lord's Prayer" and "One Hand, One Heart."

For her wedding, the bride selected an empire style gown, fashioned of satin, sata plan, and alonion lace. The fitted empire bodice featured a bishop collar. Her fitted to the elbow sleeves had a full puff of the sata plan, with a fitted cuff at the wrist. Her A-line skirt featured an attached chapel train, which came around to the front of the gown, forming two panels. The panels were accented with lace, which also accented the neckline, bodice, and sleeves of the dress. Seed pearls and crystal accented the lace. Her full elbow-length veil of imported silk illusion was attached to a petal headpiece, which also featured pearls and crystal.

Matron of honor was Mrs. William Wheeler, sister of the bride, from Webberville. She wore a floor-length forest green velvet gown with contrasting trim at the bodice, neckline, and cuff of

the sleeve. She carried a cascade bouquet of gold and rust mums, with clusters of grapes.

Bridesmaids were Miss Helen Rothfuss, sister of the bridegroom, from Chelsea; Miss Cheryl Henes, Saline; and Mrs. Melvin Roehm, sister-in-law of the bride, from Clinton. Their costumes were the same as that of the matron of honor. Lisa Roehm, niece of the bride, from Clinton, was flower girl, while Alan Wheeler, nephew of the bride, from Webberville, was ringbearer.

Neil Rothfuss, brother of the bridegroom, from Chelsea, was best man. Melvin Roehm, brother of the bride, from Clinton, William Wheeler, Webberville, and Dale Horning were ushers.

A reception was held following the ceremony, in the church parlor. Mrs. Joseph Cronas, Mrs. Terry Mauer, Mrs. Earl Gensley, Mrs. Robert Kuschmaul, Mrs. Michael Smith, Miss Marilyn Feldkamp, Mrs. Elmer Glatz, Mrs. Glen Feldkamp, and Miss Eleanor Feldkamp assisted at the reception.

The club made tentative plans to go caroling as a Christmas project. Further information was to be gathered and the members informed at a later date. A newsletter will be sent to each member's family to take care of unfinished business.

A program on invisible zippers was given by leader Mrs. Betty Koch. The meeting was adjourned and refreshments were served by the hostess.

The next business meeting is the Christmas party held at the home of leader Mrs. Donna Hughes on Dec. 5 at 1 p.m. Girls are encouraged to call a leader and arrange a date to work with them on their projects. Janet Wackenhut, scribe.

"We are very proud of our fellow citizens," said Mrs. Jerrold Beaumont, co-ordinator of the drive. "The dedicated efforts of the UNICEF leaders, the enthusiasm of the youngsters, and the spontaneous generosity of the people of Chelsea made it possible for us to help the United Nations Children's Fund and its work with neglected children in more than 100 countries around the world. We estimate our total contribution to UNICEF will exceed \$233 this fall."

"The Place To Go for Brands You Know"

No Immediate Effect Seen From Anti-Parochial Vote

In the aftermath of last week's elections, many questions have been raised with respect to the new anti-parochial amendment, and the fate of Chelsea's parochial schools.

When questioned on the effects which the new amendment to the constitution will have on their schools, most spokesmen at the parochial schools indicated that there would be little if any change at present, and that future consequences cannot be determined at this time.

At present, St. Mary's school in Chelsea, which educates 106 youngsters through the fifth grade, receives speech correction services, and the services of the remedial reading teacher at the Chelsea public schools. They also receive visits from the Chelsea public schools' school nurse. They receive transportation for their students from the public school buses.

With the monies from parochial, they have paid one-half of the salaries of their lay teachers teaching secular subjects in their school. They have purchased library books, and some filmstrips.

St. Mary's school is allowed to borrow films from the Washenaw Intermediate School District. They meet the same teacher requirements which public school teachers must meet. They are required to be in session the same number of hours per day as the public schools, and the same number of weeks per year.

Officials at St. Mary's school indicate that these facilities are still in service, and that they have no indication at this time concerning the future of these services.

Superintendent of Chelsea Public Schools Charles Cameron, indicated that those facilities which Chelsea Public schools are providing for the students of parochial schools, will to the best of his knowledge be continued.

Cameron said that the remedial reading and speech programs come under Title I, which is a federal education program, and will not be affected by the amendment, at least at the present time. Cameron further noted that the bussing of parochial school children will continue. Any service which Chelsea schools now provide for students of St. Mary's school will be provided, according to Cameron.

Since St. Mary's school does not continue beyond the fifth grade, Cameron indicated, a "shared facilities" situation does not exist in Chelsea. "Shared facilities" is the allowing of a parochial school student to take classes at a public school on a part-time basis. This is done mostly on the junior high school and high school levels, in such classes as shop, home economics, and in science laboratories. Because St. Mary's school does not have grade levels that need those facilities, that situation, which was one of the major concerns on the amendment, does not exist.

A second "non-public school" in Chelsea, St. Louis School for Exceptional Boys, will also remain unaffected, according to key officials at the school. St. Louis school, which is a Catholic sponsored private institution, is for the "educable" mentally retarded boys. The school accepts young boys between the ages of 8 and 14. It retains them until they are 16 years old.

The school is operated by the Italian Servants of Charity, with the Rev. Fr. Louis Frangi as director. The Rev. Fr. Umberto Mellare and the Rev. Fr. Germano Pigorero are counselors at the school and are responsible for the different age groups. The Rev. Fr. Mellare is in charge of the older boys, and the music sections of the school, while the Rev. Fr. Pigorero is head of the art sections, and cares for the smaller boys.

Four lay teachers, who are certified in special education, and four sisters of the Holy

Family Order of nuns, complete the school's staff.

St. Louis school is self-supporting. Tuition based on a family's financial situation, as well as the full cost of the child's care is assessed. Normal tuition for one year at the school is \$1,600 per year, which includes a child's boarding expenses.

Officials at the school indicate that so long as the institution remains tax exempt, they will be able to remain solvent, as they currently receive no federal or state funds to support their services. In the event that the school will be assessed for their physical plant and educational materials, there will have to be some drastic changes. At present, however, the school is not affected by the adoption of the Proposal C amendment.

Guidelines Issued for Christmas Time Mailing Convenience

Chelsea Postmaster Schaules urged to invest in good quality, sturdy wrapping materials. This small investment can help insure undamaged delivery of valuable gifts and prevent delays which might result if rewrapping were required in transit.

For the most efficient mailing, Schaules suggested the following steps. For mailing parcels to servicemen overseas, "SAM" (Space Available Mail) parcels may be sent until Nov. 20 for only the small domestic parcel post charge involved from Chelsea to east or west coast points of embarkation for military mail. Parcels up to 5 pounds and 60 inches in combined length and girth are accepted at this low rate.

Larger parcels, those up to 30 pounds with the same length and girth limitations, may be sent as "PAL" or Parcel Airlift Mail, provided they are mailed by Nov. 27. The charge is \$1 per parcel, plus the regular parcel post postage—which is much less than charges that would apply later if straight airmail service must be provided.

For all packages, residents are

urged to invest in good quality, sturdy wrapping materials. This small investment can help insure undamaged delivery of valuable gifts and prevent delays which might result if rewrapping were required in transit.

Parcels should be realistically insured to cover the full value of the gift. Packages should not be over-insured, for a \$10 gift can only bring \$10 compensation, for example, if lost, even if "insured" for \$100.

Christmas mailers are urged to get plenty of stamps on the first trip to the post office, to avoid the time and expense of additional trips.

ZIP code is a tool for economy in mailing, and area residents are urged to use it consistently on parcels, and cards. ZIP code also prevents errors in delivery and expedites handling. If only a few Christmas cards go astray, for example, an investment of several dollars may be lost.

"The key to efficient Christmas mailing," Schaules commented,

St. Louis Cage Team Wins Over St. Thomas

St. Louis school's basketball team, the Roosters, defeated the St. Thomas High school basketball team, Friday evening, Nov. 6 by a score of 69-55. Boys ages 12 to 16 are on the team.

Refreshments were served at St. Thomas, where the game was held, following the game.
