## Hearing Set On Appeal for Stock Auction

Michigan Livestock Exchange has asked for a public hearing before the Sylvan Township Zoning Board of Appeals to appeal the decision reached this past month by the Sylvan Township Zoning Board, which denied them permission to construct and operate a livestock auction in this area.

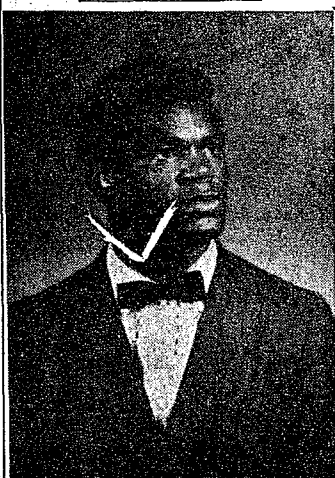

Site for the livestock auction was to have been a section of land located on South M-52, on the Norman Hinderer farm. Public resistance to the building of the auction was a major factor in the denial of the permit to the Exchange.

According to Reuben Lesser, secretary of the Board of Appeals, the meeting is scheduled for Friday evening, Dec. 4, at 7:30 p.m. at the Sylvan Town Hall in Chelsea.

Sylvan Township Zoning Board of Appeals is composed of three members, Harold Jones, Reuben Lesser, and Emerson Lesser. Jones is chairman, Reuben Lesser, secretary, and Emerson Lesser is vice-chairman. By law, the chairman of the Zoning Board is also the chairman of the Board of Appeals, hence the appointment of Harold Jones. A second member of the Board of Appeals must be a member of the township board.

Reuben Lesser, trustee of Sylvan township, was appointed to the Board of Appeals several years ago. The third member, Emerson Lesser, was appointed by the first two members of the board, as the law states.

Sylvan Township Zoning Board of Appeals is not the final board to which a party may apply for a reversal of a decision. The Circuit Court for Washtenaw county is a higher court, and is the next level to which a party may appeal to have a decision reversed.

## Beach School Concert Slated Next Thursday

Beach Middle school will present a band and choir concert, Thursday evening, Dec. 10, 7:30 p.m. at the Beach School auditorium. Seventh and eighth grade bands, under the direction of Warren Mayer, and Stuart Glazer, respectively, will perform, along with the "Select Choir" of Beach school, under the direction of DiAnn L'Roy.

Selections played by the seventh grade band include "Toyland" by Pearson, and "Winter Frolic" by Poyhar. Their portion of the program will end with a selection of Christmas songs from around the world.

Eighth grade band will perform selections from the Oratorio "Judas Maccabeus" by Handel, along with an arrangement of "Rhapsody in Blue" by Gershwin. Their concert will include an arrangement of "Greensleeves," and a Christmas Fugue.

Popular tunes, and some traditional songs spark the selection which will be given by the choir. Two songs by the popular composers, Simon and Garfunkel, "Sound of Silence," and "Bridge Over Troubled Water," will be among the Christmas favorites which include "I Heard the Bells on Christmas Day," by Livingstone, which the choir will present.

## Granted Full Scholarship for 4 Years at EMU

Mitchell Heard, son of Mr. and Mrs. Hubert Heard, 1478 Chelsea-Manchester Rd., has received a full, four-year scholarship to attend Eastern Michigan University in Ypsilanti, starting in the Fall of 1971.

Mitchell, who is a senior at Chelsea High school, has been a member of the EMU "Upward Bound" program. This program (Continued on page five)

## North School Boosters Will Meet Tuesday

North School Boosters' normal meeting date, which was originally set for Dec. 10, has been changed to Tuesday, Dec. 8. The program for the evening will be a Christmas concert performed by the 5th grade classes under the direction of Mrs. Diana VeenKant.

Change in time is the result of a scheduled concert of the Junior High school band which will also be held Dec. 10.

General open house of the classrooms of North school will occur at 7:30 p.m. Parents and friends are invited to attend.

CHS VARSITY BASKETBALL TEAM for 1970-71 is ready to open the season Friday evening. From left, first row, are Jeff Hughes, George Cameron, Co-Captain Howie Treado, Co-Captain Jim Wojcik, Wayne Welton, Jim Hercules, and Ron Sweeney. In the second row, are Charles Belcher, trainer, Tim Van Slambrouck, Chick

Lane, Jeff Schmidt, Tom Lixey, Todd Sprague, Coach Charles Kelly, and Dave Leach, manager. The Bulldogs open their season tomorrow evening (Friday), Dec. 4, when they host Dundee. Game time is 8 p.m. at the Chelsea High school gymnasium.

## Methodists Plan Fund Raising Drive

First United Methodist church of Chelsea is entering into the final phase of a Financial Crusade, which is being conducted to underwrite its 1971 budget.

Planning for the crusade began in late summer. Results of that planning will be seen the week of Dec. 13, when approximately 120 church members begin a program to visit every member of the congregation residing in the Chelsea area.

Crusade co-chairmen Glenn Kraai, and Dr. Clare Warren announced that the Crusade Director is Dr. Allen R. Regan. Dr. Regan is a field director for the Department of Finance and Field Service of the Division of National Missions of the Board of Missions of the United Methodist church. Accompanied by his wife, Leone, Dr. Regan will be in the community for two weeks, beginning Dec. 5, to direct the financial crusade.

Dr. Regan will preach at First Methodist church on Dec. 6 and 13. Instruction classes will be conducted by him for preparing all canvassers to call on members and friends of the church for pledges to the financial program.

Dr. Regan is an ordained Methodist minister, having more than 30 years experience as a pastor, chaplain, and leader in stewardship. He has held pastorates in South Dakota, and Illinois. He is a member of the Northern Illinois Conference, and is one of approximately 30 other (Continued on page eight)

## Prepare 24 Turkeys For School Lunch

1,700 Chelsea students enjoyed Thanksgiving dinner with the cooks in the Chelsea schools Wednesday, Nov. 25.

It takes Chelsea cooks one week to prepare for the holiday dinner, according to Mrs. Duane Weiss, head cook at Chelsea High school.

According to Mrs. Weiss, by 9:30 a.m. on Wednesday all 1,190 meals for South, North and Beach schools were prepared, ready to be bussed to those schools where they would wait hungry students.

24 turkeys were cooked, carved, and served with gravy. 45 pounds of potato flakes were whipped, and 60 loaves of bread were used. Chelsea cooks whipped up 21 1/2 sheet pans of pumpkin pie, while 54 No. 10

size cans of peas were used. These goodies, plus cranberries, milk and butter, and all the hard work that goes into getting the massive meal ready, kept Chelsea chefs busy.

Chelsea schools' cafeteria system employs 15 women. Two women work at South school, for the three hours over the lunch period. This is the same situation at North school. Beach school has three part-time helpers, two who work 4 1/2 hours, and one who works 3 1/2 hours. Beach school does their own dishwashing, but the dishes return to North and South schools for washing.

There are eight full-time employees at the high school, and three part-time women. The cooks estimate that they feed from 1,000 to 1,300 meals per day. This constitutes one half of the Chelsea school children, which is a greater percentage than the one-third figure which the State of Michigan declares a "good" guideline.

This must mean that Chelsea students enjoy the hot lunches served in their schools.

## High School Matmen Open Season Tonight

Chelsea's wrestlers will open their season tonight, Thursday, Dec. 3, as the Bulldogs host Tecumseh at the high school. Exhibition matches will start at 8:30 while the varsity match will begin at 7:30 p.m.

Tentative starting line-up of wrestlers for the varsity matches will be as follows. In the 99-pound category, Jon Marzec, sophomore, will be wrestling. Mark Montague who is also a sophomore, will wrestle at 105 pounds. Pete Stahl, a sophomore, will wrestle at 112. 119-pound senior Jim Wencel will start in that category, while 126-pound Mike Spence will start in that division. He is a junior. Larry Jones, a junior will start at 132 pounds, while Tom McKernan, also a junior, will wrestle at 138. Seniors Gary Montange, and Bill Kushmaul will be wrestling at 145 and 155 pounds respectively. Junior Doug McDonald will start at 167 pounds. At 185 will be Randy Seitz, who is a junior this year, while Rod Branham will wrestle in the heavyweight division.

Other members of the squad, who hope to see junior varsity action are freshmen Mark Baize, Eric Corser, Paul Brown, Tim Haas, Ken Keiser, Keith Kargel, Dale Poertner, and Steve Straub, and sophomores Steve Bergman, Gary Dore, Rick Foytick, Keith Hume, Tim Lancaster, Steve Siebert, Mike Robbins, and Steve Worden. Juniors on the squad are Bob Craft, Tom Hubert, Larry Hopkins, Glenn Musolf, Jon Shenk, while Steve Wireman, and John Kozminski, seniors, complete the squad's roster.

This year's team is a young one, with only five seniors. Only two are returning lettermen. Although young, the team should develop fast this year, according to Coach Richard Barels, and should provide much interesting wrestling for the fans in Chelsea.

A new wrestling mat will be arriving some time this month, Coach Barels announced. The mat was purchased by the Athletic Department. CEA will assist by sponsoring a basketball game between the faculty of Beach school, and the High school. This will be on Dec. 12, with all proceeds going towards payment on the new mat.

## Bulldog Cagers Open Season Friday Night

Chelsea's varsity basketball team traveled to Gibraltar for a pre-season scrimmage Saturday, Nov. 28. They met three other teams, Southgate, a class A team from the Tri-River League, Gibraltar, and Hamtramck Immaculate Conception, a member of the Detroit Catholic League.

The four teams faced each other for nearly four hours in the morning and early afternoon. Southgate offered the Bulldogs the stiffest competition. Chelsea's team held their ground against the much bigger team. The Bulldogs enjoyed a great deal of success against the Marauders from Gibraltar, and easily handled the team from Immaculate Conception.

All varsity players were able to play in Saturday's contest, giving coaches a good feel for each player's ability and desire. Coach Kelly cited Howie Treado, George Cameron, and Wayne Welton, as leading scorers, while Jim Hercules, Jeff Hughes, and Ron Sweeney did a fine job of getting the ball off the boards for the Bulldogs.

First varsity game will be Friday night (tomorrow), Dec. 4, at the high school gymnasium, when the Bulldogs meet a tough Dundee team. Tuesday, Dec. 8, they will meet Stockbridge, also at home. According to Coach Kelly, "With a lot of hard work, and a little luck, the Bulldogs hope to start off a very successful season."

## 700 Attend Dana Corp. Open House

Open House was held Monday, Nov. 30, from 1 to 6 p.m. at Dana Corp. for more than 700 people. The open house, which was in celebration of 25 years of operation in Chelsea, featured a tour of the facilities of the plant. Each department had a display of materials produced, and the methods of operations in that area.

Among the various items on display from other corporate plants were a turbine operated test vehicle, and an air cushioned vehicle, which operates on an air cushion instead of the standard wheel and axle arrangement. The vehicle, which resembles a boat, was a two passenger land craft, 14 feet in length.

Presentation of gold Acuturon watches with the Dana insignia embossed was made to 12 Dana employees who have been with the corporation since 1946. Cal Atkinson, Bill Pyper, Owen Cavender, Ken Neal, Katie Snyder, Ollie Carpenter, Al West, Ray Liebeck, Don Houle, Steve Slane, Andy Policht, and Robert Wagner, were among those honored.

Light refreshments of coffee, soft drinks, donuts, and potato chips were served to the guests. Members of the Dana Junior Achievement Co., the "Dana Power Corporation," assisted at the affair, helping with the displays and refreshments.

Those attending the open house were primarily family and friends of employees at the plant, although Dana Corp. dignitaries, and other local dignitaries, were on hand.

Key chains depicting the 25 years of operation of the company are being distributed to all employees in honor of the celebration.

Mrs. Viola Czaplak has been transferred from St. Joseph Mercy Hospital to Chelsea Medcenter, room 115.

## State Files Suit Against Village, Plating Firm

Suit has been filed against Longworth Plating Co., and the Village of Chelsea, by the State of Michigan Water Resources Commission. The state charges that operations at the Longworth plant have been polluting Letts Creek in Sylvan

township, to the point of poisoning fish and other aquatic life in the waters.

Village of Chelsea has been named as a co-defendant in the case for permitting the situation to continue.

## Social Security Days Slated at Chelsea Bank

Chelsea State Bank and the Social Security Administration District Office in Ann Arbor are jointly sponsoring Social Security Days at the bank on Thursday, Dec. 3, and Friday, Dec. 4.

An informational exhibit will be set up in the main public area of the bank, and representatives from the Social Security office will be on hand all day during banking hours, including up to 5:30 on Friday, to answer questions and provide pamphlets to Chelsea area residents.

The next monthly Social Security checks will be delivered Dec. 8, so it will be an excellent opportunity for any beneficiaries to receive needed assistance with their Social Security matters. More than 1,200 Chelsea residents receive checks, over 800 of these being retired people and their wives or widows, and the rest are younger people who are paid (Continued on page three)

## 'South Pacific' Will Be Given By Students

Chelsea High school students, under the direction of Miss DiAnn L'Roy, will present the favorite Rogers & Hammerstein musical, "South Pacific" March 18, 19, and 20, it was announced this week.

This year's musical takes place on two islands in the South Pacific Ocean, during World War II, one of which is the magical enchanting island of Bali Ha'I.

Bali Ha'I is, alas, off bounds for those who aren't officers, as they are the only ones who can manage to requisition boats to get to this South Sea paradise. "Stewpot" and "Billis" having heard that Bali Ha'I is loaded with pretty young girls, are determined to find a way over there, hence the beginning of "South Pacific."

Try-outs for this year's musical will be Dec. 7 and 8, from 3:30 until 9 p.m., and if necessary, on Dec. 9 from 3:30 until 9 p.m.

Try-outs will be held in the Chelsea High school Auditorium. Practices for students wishing to try-out will be held Thursday, and Friday, Dec. 3 and 4 in the high school auditorium.

A hearing was scheduled for Monday, Nov. 30, at which time the state requested an injunction to halt the Longworth operations. According to Longworth's attorney, William Rademacher, the injunction was denied, and a further hearing was scheduled for Dec. 18.

Longworth has denied allegations, and the complaint, and feels that they were not a fair representation of their present operation. According to Rademacher, spokesman for the firm, the Longworth plant has installed a very costly, and quite new pollution control device, which chemically treats the water which the plant uses, removing all contaminants from it. The run-off water from the plant is regularly tested.

Negotiations and discussions with the Commission will continue, Rademacher maintains, in the interim between the scheduled hearings.

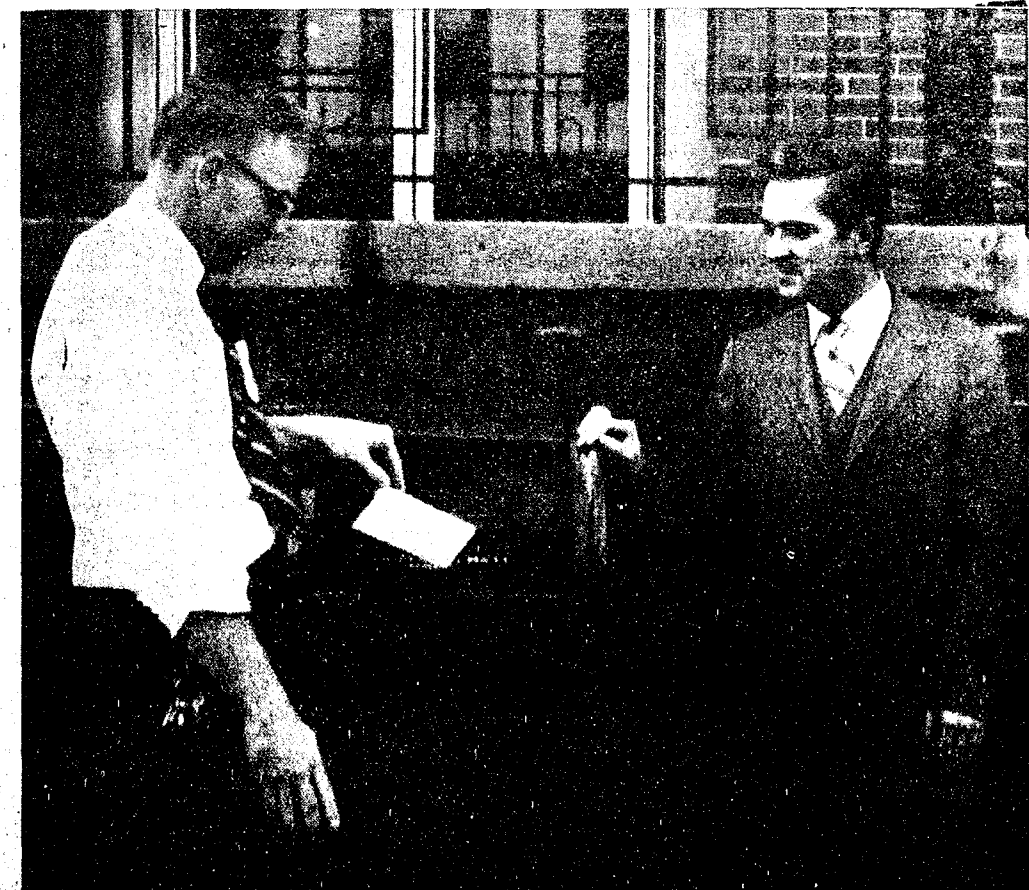

Pollution control devices are experimental, and very costly to acquire at this time, Rademacher indicated. Longworth has continued to order more equipment, some of which has been installed since the state completed its final test, prior to the initiation of the suit. Other devices which have been ordered have not yet arrived, Rademacher claims. These had been ordered prior to the state's suit.

## Santa's Coming Saturday

"Better watch out, better not pout, better not cry, I'm telling you why . . . Santa Claus is coming to town." Ho Ho Ho! Once more the friendly fat man in the red suit will visit with Chelsea children, on Saturday, Dec. 5.

Santa is expected to arrive from the North edge of town at approximately 1:30 p.m. Chelsea Fire Department volunteers have agreed to meet the reindeer and the sleigh and escort Santa down Main St., (reindeer are shy of people) to the Chelsea Post Office. Santa will stay at the Post Office from 1:30 until 2:30 or 3 p.m., talking to children, and recording in his mind the wishes of all the good children of Chelsea.

Santa will return on the following two Saturdays to catch any children who may have been unable to attend his first grand appearance.

MAIL FOR SANTA: Dick Ashley, assistant postmaster, and Richard Schauls, Postmaster, inspect and try out the bright red mailbox which Chelsea Jaycees, in conjunction with the Post Office officials, have placed in front of the Chelsea Post Office. The bright red box is only for mail which

will go directly to Santa at the North Pole. Citizens are asked not to put regular mail in this box—or it will get detoured! Children are urged to write their return address on the letters to help the jolly old man find their houses, on Christmas Eve.

CUB SCOUT TREES: Cub Scout Mark Schanz, left, assisted by his future Scout brother, Scott, and Boy Scout brother, Steve, help in the cutting of this year's supply of Christmas trees on Nov. 22. The trees will be sold on two lots, at 705 S. Main, at the

home of Tobias Peterson, and at the back of the parking lot between Merkel Furnishings and the Library. Scout fathers and sons will attend these lots.

## Washington Report by Congressman MARVIN L. ESCH

An important challenge for young people will likely occur Jan. 1 when the voting age across the nation will be lowered to 18 by act of Congress. Only an adverse decision by the U. S. Supreme Court could bar this development.

The change in the voting age constitutes a challenge to those 18, 19 and 20 because the general public doubts the wisdom of the move. When the voting age question was put before Michigan voters last Nov. 3 as a state issue—in an action totally separate from Congressional action on the same type of question—the response was clearly negative. While 52,251 voters approved the 18-year level, some 1,438,556 in unofficial returns said "no." (The state vote has no bearing on the action of Congress in approving the 18-year-old vote in national state and local elections.)

Young people have fought for many years for the right to vote at 18, a proposal I have supported for quite some time. Now that an expanded freedom is presented young people, they have something to prove in a practical sense to a dubious public: that they do want to participate in the political process in a responsible way; that they will register when the opportunity arises, and that they will vote.

Clearly, there are few actions young men and women can take that will do more to improve their standing with the American people than to fulfill the bright promise of a lowered voting age. By fulfilling this responsibility youth will give a credibility to their words, which will give them a whole new measure of political influence. I urge all eligible young people to register to vote as soon as possible after Jan. 1.

## Uncle Lew from Lima Says:

Dear Mister Editor:

Well, the fellows was all back at their places at the country store Saturday night, and all of em reported they was thankful to of survived all the eating and visiting of another Thanksgiving Day. Zeke Grubb did tell the fellows, though, that he was so tired of looking at the hen his old lady baked for Thanksgiving dinner till he was dreaming about delicious bloney sandwiches.

Ed Doolittle allowed as how you jest can't suit some people, that Zeke ought to be thankful to have more than he could eat. But everybody was in a mellow mood, and the discussions moved right along over a wide range of matters that Ed allus likes to say is vital to the country internal and external.

Ed got the floor early to say he was concerned about the number of folks that is leaving the United States. He had saw where 40,000 a year now is leaving fer

good to be citizens of other countries, mostly Canada. What bothers Ed about this is that the wrong folks is leaving. He said he has a list of people he would high recommend to leave the U. S. forever, but this piece he had read said this 40,000 means people that is leaving cause they got tired of putting up with all the fuss caused by them that ought to be throwed out.

Mostly, Ed said, these folks are worried about bringing up their younguns in a country they feel is about to run out of control. Ed said he felt sorry fer these people, and he hopes they find the peace they're looking fer, but he don't have no reason to think they will. As fer him, Ed said the more he lives the more he realizes that what holds this country together more than anything else is our ability to criticize ourselves and constant change things fer the general good.

Ed said the election this year told him the real power in this country, the people, ain't going along with any wild course of action in any direction, but they are putting people in office that see the need to move free within our system of laws.

Clim Webster was half agreed with Ed, but Clem, a Democrat more than anything else, was of the mind that the Democrats showed in the election they are keeping the Nixon Administration under close watch, and that they expect to see some solid results from all the jawboning he is doing.

Turning to scientific matters, Mister Editor, they was a vote took on the report that babies cry in a secret code, and the majority ruled that the problem of decoding their cries was solved when the first mother heard her baby.

Personal, Mister Editor, what that's got to do with gittin along in the world ain't clear, except to say if we holler loud enuff somebody might hear us. That holds fer all ages that go through the six Rs—first reading, riting and rithmetic, then romance rent and rumatism.

Yours truly,  
Uncle Lew.

DANCER'S DEPT. STORE has been operating in Chelsea for seven years. The building, which was formerly "Anderson's," is very old. Lu Muck, store manager, indicated that for this year's Downtown Improvement Project, the stone pillars in front of the store were sandblasted to their original state. The store front was painted, while in the back, the old brick was painted. Muck indicates that the store hopes to take out the venetian blinds that are in the second-story windows, and replace them with drapes, to make the front of the store more attractive.

## Church Women Look at Needs Of Community

Friday, Dec. 4, at 10 a.m., Church Women United will hold their annual meeting. A special day long program is being planned for that day, to which all interested persons are invited.

The meeting will take place at St. Paul United Church of Christ.

The program, entitled, "Listen to Love," is designed to explore some of the needs of our community, in an attempt to decide how the people of Chelsea can serve some of these needs.

Keynote speaker will be Mrs. Fred Poole of Ann Arbor. Other guest speakers include Mrs. William Morse president of the League of Women Voters, in Washtenaw county, Mrs. Dave Douglas, of the Washtenaw county Department of Social Service, and Mrs. Henry Harat, case worker for the Office of Economic Opportunity. There will also be special reports from other local and county agencies.

Following the annual meeting, and a brief worship service, the program will begin. At 11:30 a.m., the women will break for lunch.

Each person attending is asked to bring a sack lunch. Dessert and beverage will be furnished by the women of St. Paul church.

Program will be concluded at 3 p.m. Baby-sitting service will be available at the church.

## Personal Notes

Mrs. Viola Knoll visited her daughter, and husband, Mr. and Mrs. Beecher Risner, Jr. and family, of Trenton, O., from Tuesday, Nov. 24, until Saturday, Nov. 28.

## St. Paul Church White Gift Event Scheduled Sunday

St. Paul United Church of Christ's annual White Gift program will be held Dec. 6, this year, during the Sunday school hour, between 9 and 10 a.m., in the sanctuary of the church.

Each child is asked to bring a gift wrapped in white paper. The gift could be clothing for children between the ages of 4-12 years, or food, suitable for use in a Christmas basket. Food items, such as popcorn balls, and wrapped candy are acceptable.

Any child unable to bring either of the above items, may bring money. This will be used to purchase boots for the children.

All gifts will be given to the Chelsea Social Service to be used in their Christmas program for local needy families. Last year the Chelsea Social Service was able to help more than 30 needy families at Christmastime.

on the disability program of survivor benefits.

Bank and Social Security officials hope that not only will present beneficiaries receive any needed assistance, but also that younger people still employed and paying Social Security taxes will stop by and learn more about the four Social Security programs and ask for the postal card form to check their own earnings records.

Every woman can wear the Longueville hemline, but everyone doesn't have to wear it the same. The sliding scale of hemlines may vary from mid-knee to two inches below the knee, to mid-length.

## Township Will Ask Bids on Old Town Hall

Dexter township board met Tuesday evening, Dec. 1, in regular session at the town hall.

The board took official action in denying a request for zoning change on the Josephine Stigleman property. Request was submitted by Mrs. Stigleman and Park Planners Associates of Milford, according to township clerk William Eisenbeiser. The request asked a zoning change from agricultural designation to business and commercial for the purpose of building a trailer park and some commercial area, Eisenbeiser said.

The board also declared their intention to part with the building which served as the Dexter Town Hall, headquarters of township government for many years. Bids will be accepted for purchase of the building, although the township does not own the property on which it stands. The building is located at the corner of Dexter Township and Quigley Rds., on the Dolezky property. The structure is basically a one-room plan. The new owner will either be required to move the building to a new location, to lease the property on which it stands or to arrange for purchase of the land, since it is the "building only" which will be advertised for sale.

The township officials are in the process of drawing up policies for the rental and/or use of the newly completed Dexter Town Hall facility, located on Dexter-Pinckney Rd. near the North Territorial Rd. intersection. The new building affords additional storage space for township records, provides a larger meeting area and has some kitchen facilities within its confines.

At Tuesday's meeting, newly elected Dexter township trustee Gary Albrecht was appointed to a post on the zoning board of appeals.

Tax statements for township residents will be in the mail very soon from township treasurer Mrs. Winifred Aberdeen.

Township clerk William Eisenbeiser indicated that the next regularly scheduled meeting of the township board will be held the first Tuesday of February. If there is a need, special meetings may be scheduled by township officials before the February date.

## Seven Veterans Back To Boost Cage Hopes

Seven returning members from the 1970 Chelsea High school varsity basketball squad mark this year's team, according to Chelsea's new head basketball coach, Chuck Kelly.

Senior co-captains for this year's team are Jim Wojciecki, and Howie Treado. Seniors Jim Hercules and George Cameron return this year, along with returning juniors Ron Sweeney, Jeff Hughes and Wayne Welton. New additions to the varsity squad from last year's junior varsity team include juniors Todd Sprague, Chick Lane, and Tom Lixey, along with sophomore Jeff Schmidt. Tim Van Slambrouck, a transfer student, in his junior year, is also a new member on the team.

Chelsea's team is still in the early stages of practice, but Coach Kelly indicates that the team is improving nicely. The players have shown much spirit, and desire, which Coach Kelly indicates, is what it takes to win ball games. There is still room for a considerable amount of work and improvement, he notes, however.

By time of the first game, however, the coach feels his boys will be ready. Chelsea meets Dundee Friday night, Dec. 4, (tomorrow) at home, which will give area fans an idea of how the Bulldogs perform. Game time is 8 p.m.

## Chelsea Artist Designs Cortez Corporate Emblem

Frank Weglarz 235 Harrison St., art director at Doty Phillips, Inc., of Battle Creek, is the designer of the "Sun-bird" emblem for Cortez Corp., makers of super-luxury motor homes. The Sun-bird sets the theme for the corporate image.

The Aztec style symbol incorporates the feel of the bird-human-animal mythical god of Mexico, originally discovered by the explorer Cortez. It has been used by Cortez Corp. on brochures and other printed material, in ads, Cortez signs, dealer displays and trade show visuals. It will also appear on stationery, blazer emblems for dealers and salesmen, optional luxury line and house-goods for Cortez owners.

Weglarz celebrates a year with Doty & Phillips this November. Formerly a designer in styling at Chrysler Corp., in Detroit, he is an Art Center College of Design alumnus, (Los Angeles). He is married, and he and his wife, Mona, have one child, Jennifer.

RON SATTERTHWAITE is a recent graduate of Honegger's Big H Career Workshop. This particular Career Workshop was a three-day clinic held for 24 Big H Dealers and sales oriented personnel. Sessions covered swine, dairy, beef and poultry feeds; feeding programs and sales techniques. Satterthwaite (far right) is shown receiving his diploma from Clyde Koehl, vice-president marketing.

Listen to that "all's-well" purr

Your car's engine will "purr"  
with contentment after our ex-  
perts change the oil and give it  
a good lubrication.

Sweet music to your ears is the purr  
of your engine, sure promise of pep,  
power and performance after our  
servicemen drain the sludge and fill  
the crankcase of your car with highest  
quality PURE OIL.

## TODAY'S THOUGHT

By LOUIS BURGHARDT

Reasonably minded people must surely admit we have a crisis of authority in America today. Federal, State, Police, School, Religious authority — just to name a few — are all under attack. Never before in American history has there been such insatiable avarice and scorn for authority. Principles of law are being abandoned in rebellion against God's will for tranquility.

All of us had better wake up to the fact that stability of government is weakened when legal rights are sacrificed to whimsical disobedience. No nation can survive when authority is flouted. When authority is misused — and it sometimes has been — we have legal ways to change authorities. We have lawful ways to restrain, expand and enforce authority. The Constitution and the Bible are the authority by which ALL of us must live. God help us if we don't! . . . BURGHARDT FUNERAL HOME, 215 East Middle St., Chelsea, Mich. Phone GR 5-4141.

## District Court Proceedings

In the 14th District Court this past week, Edward Dimoud, Ann Arbor, pled guilty to careless driving. He paid \$35 fine and costs.

Paul Stanford, Ann Arbor, pled guilty to speeding 80 mph in a 40 mph zone. He paid \$80 fine and costs.

Carl Kittrell, Brooklyn, appeared for examination on a charge of selling marijuana. He was bound over to the Circuit Court. Trial was set for Dec. 18.

Francis R. Wetherbee, Ann Arbor, pled guilty to a failure to yield right of way. He paid \$15 fine and costs.

George R. Mathias, Detroit, pled guilty to speeding 90 mph in a 70 mph zone. He paid \$40 fine and costs, or spend four days in jail.

Louis John Smith, Westland, pled guilty to driving on a revoked license. He was sentenced to five days on the work program, or three days in jail. He was fined \$75 fine and costs, and is on 45 days probation.

Sandra J. Mayse, Tipton, pled guilty to not having an operator's license. She paid \$50 fine and \$10 costs.

Roy Deckert, Jr., Saline, was sentenced for assault and battery. He paid \$50 fine and costs, and is on one year's probation.

Martin Schultz, Ypsilanti, was sentenced for an attempt to buy drugs on a false prescription. He paid \$250 fine and costs, and is on one year's probation.

Timothy Heller, Ann Arbor, was sentenced for illegal use of narcotic drugs. He paid \$100 fine and costs, and is on one year's probation.

Esther Roehm, Clinton, pled guilty to careless driving. She paid \$35 fine and costs.

Don Nelson, pled guilty to reckless driving. He paid \$50 fine and costs.

Leslie L. Kapka, Manchester, pled guilty to speeding 40 mph in a 30 mph zone. He paid \$20 fine and costs.

Michael T. Brady, Manchester, pled guilty to excessive noise. He paid \$15 fine and costs.

Ronald M. Burkhardt, Manchester, pled guilty to a failure to stop for a stop sign. He paid \$15 fine and costs.

Joseph R. Kidd, Manchester,

pled guilty to failure to yield. He paid \$15 fine and costs.

Henry Donald Jobe, Manchester, entered a plea of nolo contendere to the charge of speeding. He paid \$20 fine and costs.

Richard Korn, Ann Arbor, pled guilty to not having an operator's license, and for not transferring his registration plates. Case was adjourned for sentencing, which will be on Dec. 14.

Ernest Norton, 521 Wilkinson St., Chelsea, appeared on a charge of driving under the influence of alcohol. Trial was set for Jan. 20.

Carvin D. Cornett, Ypsilanti, was found guilty of littering. He paid \$100 fine or spend 15 days in jail.

Ronnie Broyle, Cassidy Lake, was examined on escaping from the Cassidy Lake Technical School. He was bound over to Circuit Court.

## Conservation Law Violations Are Reported

Conservation Officer, Donley Boyer, announced this past week, there was a very good number of deer killed locally in this deer season. According to Boyer, as many deer were killed this year as were last, with the heaviest action reported on the first day.

Violations incurred this past deer season included James G. S. Hayden of Milan, who appeared in the 14th District Court this past week before Judge Patrick J. Conlin. Hayden pled guilty to multiple infractions, killing an antlerless deer, killing a deer in a closed area, and hunting with a 30-40 Craig rifle. He paid \$150 fine and costs, \$100 restitution, or spend 30 days in jail. His deer license hunting privileges were revoked for one year.

Ronald W. Turck of Westland, Gerald L. Neher of Wayne, Chester John Cichon, Jr. of Taylor, and Arthur Gutz of Wyandotte, all pled guilty to carrying illegal guns. They each paid \$21 fine and costs.

Jimmy G. Garza of Adrian, pled guilty to having a loaded gun in his car, as did Billy G. Henson, Belleville. They both paid \$21 fine and costs.

Bruce Heady, Belleville, pled guilty to having an uncased gun in his car. He paid \$21 fine and costs.

Michael G. Fugate, Westland, pled guilty to defacing or removing state property. He paid \$25 or spend five days in jail.

Honesty is the best policy because, in the end, it pays the biggest dividends.

## NORTH ELEMENTARY SCHOOL NOTES

### KINDERGARTEN—

Mrs. Packard, teacher

We have been talking about Indians of long ago. Many knew quite a lot already. Others were surprised to learn how little the Indians had. We have made teepees, totem poles, an Indian puppet, and Indians. We will make an Indian jacket and head band we can wear. The children have brought many nice Indian items for us to see and learn about.

David Weber brought in his Dachshund puppies for us to see and touch and hold for awhile. They were soft and cuddly. Some of the other children in the class were getting one as a pet for their own to take care of.

Our birthdays for November are: David Weber, Mark Stanley, Michael, Kim, Tony, Jana and Kenneth.

### FIRST GRADE—

Mrs. Raduazo, teacher.

With teacher back and feeling well again we are in full swing getting ready for Thanksgiving. We have been making booklets with stories of the Pilgrims, and we have turned our room into quite a "Turkey Farm." Right now we are involved in making "life-sized" Pilgrims and Indians by tracing our own bodies on brown paper and then painting ourselves.

In reading, phonics, math, science and social studies we are especially busy and interested. We seem to love reading and math the most but our science table is just full of wonderful things like Danny Meyer's bird's wing, mushrooms, Craig Wirtz's squirrel tail, as well as, lots of gourds, pumpkins and bean and pea seeds which we all planted and are coming up well.

In October we had two birthdays: Matthew Bennett and Robbie Benedict. This month we are celebrating for Charise Hava and Norman Brown.

Mrs. Stein, teacher

What do we mean by Thanksgiving day?

Tobin Boyd: A day when you go down to your grandma's and grandpa's and sometimes they come up.

Doris Erke: When the Pilgrims invite the Indians over to eat turkey.

Michael Connelly: Some people come down to eat.

Laura Hines: A day to give thanks.

Marc McMullen: Thank God for the food we get.

Cheryl Wurster: A day when you eat turkey.

Jeff Fahey: A day to thank God for all the good food you get.

### SECOND GRADE—

Mrs. Hakala, teacher

Christina Pax has a new puppy that is part Spaniel and part Pointer. Linda Bristle has been taking swimming lessons at the Y in Ann Arbor. She is a tadpole now. Jon Riemenschneider had a ride in an all terrain vehicle. Chandler Lane showed us a couple of Indian arrowheads that had been found on his grandfather's farm. Dennis Sindlinger spent a couple of days in the hospital.

Michigan's deer-hunting force in the Upper Peninsula has remained quite steady since 1947, notes the Department of Natural Resources. Year in and year out, about 100,000 to 110,000 sportsmen favor the Upper Peninsula's wilderness deer hunting.

## Sister Leaves St. Louis For Missionary Work

Sister Angelica De Cicco, who has been at St. Louis school for the past six years, left Friday morning for Guatemala. Sister Angelica boarded a jet at Detroit, with stop-overs planned for Miami, Mexico City, and then Guatemala.

It was with great sadness that Sister accepted her new post. Although her work in Guatemala will be a great challenge, and there is a great need for missionary help, she was sorry to leave

the boys and her many friends in Chelsea.

Sister plans to keep in touch, and with a home visit coming up in two years, she plans to come this way for a stop-over in Chelsea.

A new sister from Italy is expected to arrive this week to replace Sister Angelica.

Now that football is about over, what will happen to "our heroes?"

# An introductory offer to people who have never owned a Chrysler.

We want to introduce as many people as possible to the finest-designed, best-built Chryslers we've ever offered. So we're coming through with the Royal. A brand-new series of Chryslers. At a new low price. \$112\* less than any other Chrysler series.

### Coming through in a big way.

Royal is every inch a Chrysler. Uncompromisingly full-sized.

It's also a bigger car than our chief competition, Buick LeSabre and Olds Delta 88.

With a roomier interior. And a bigger trunk.

### A matter of inches.

Our new 360 V-8 is ten cubic inches bigger than the engines on Buick and Olds.

More important, especially in a car this size, our engine comes through with more horsepower. All on regular gas.

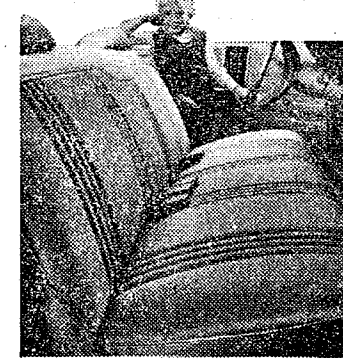

### A difference of opinion.

LeSabre and Delta come with coil spring suspension systems. The Royal uses torsion bars.

They'll tell you coil springs are better. We'll tell you torsion bars are. Who's right?

Well, we urge you to try them both and make up your own mind.

It is interesting to note, however, that GM does use torsion bars on two models: one of the most expensive Cadillacs, and the most expensive Oldsmobile. Now are we coming through?

### Embarrassing questions.

Ask your Buick or Olds dealer about options. An electric sliding sun roof?

Or a stereo cassette player available with a microphone?

In reply, all you'll get is a red face.

Royal, on the other hand, lists both of these features on its long option list.

### Built and engineered with extra care.

The Royal body is a single solid unit. Unitized with over 5000 individual welds.

The competition uses bolts to mate the body to the frame.

On a test drive, you probably wouldn't notice any difference. But the differences are there.

Our Unibody is stronger for one thing. It also stays tighter longer. So there is less chance of welds and seams opening up and forming rust pockets.

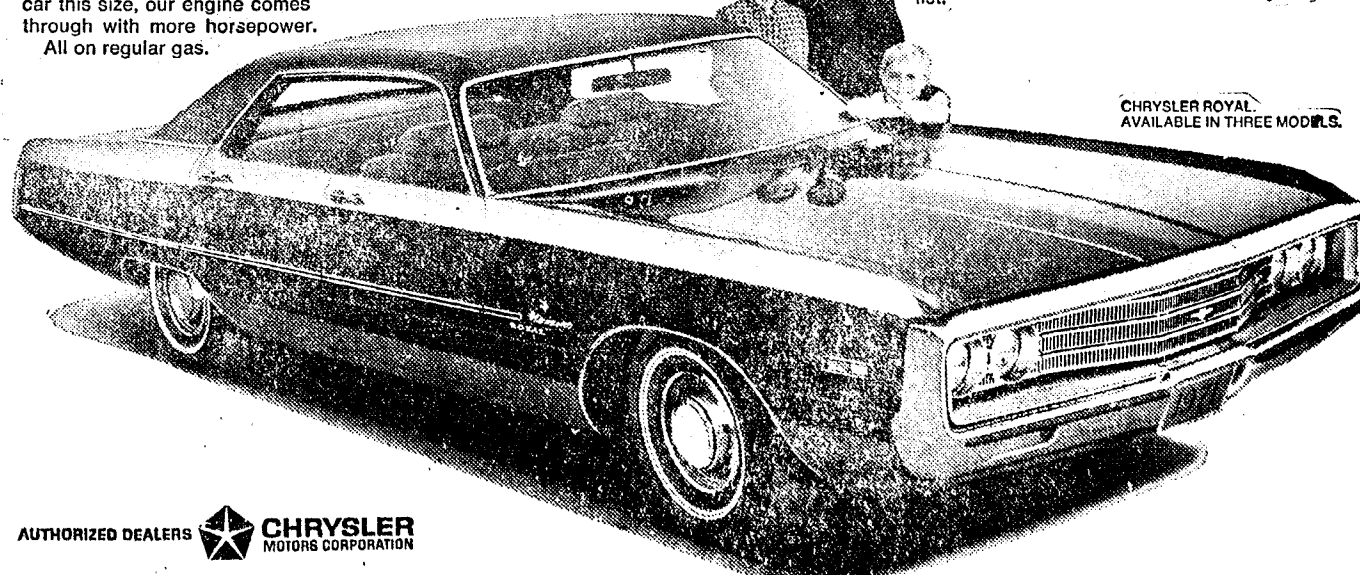

Another thing to remember is that Royal has no body bolts to work free and rattle after, say, a year or so of driving.

### A car for people ready to move up.

Chrysler Royal. An introduction to Chrysler luxury and quality.

Coming through at a price you can afford.

That's our offer. Welcome to Chrysler.

AUTHORIZED DEALERS CHRYSLER MOTORS CORPORATION

\*Based on manufacturer's suggested retail price of Chrysler Royal and the same body-style Chrysler Newport with identical options. Price excludes state and local taxes and destination charges.

Coming Through.

**SOLUTION TO POLLUTION:** Running at a speed of eight miles per hour, Tony (in back) and Joel (front) Ahlstrom complete their ninth day of running, entering Chelsea on Thanksgiving day. The brothers, who are students at Trinity College, in Deerfield, Ill., were running from Chicago to Detroit to alert people to the perils of pollution. They run approximately 26.3 miles per day, making the 263-mile run between the cities in 10 days. They arrived at City Hall in Detroit on Friday, Nov. 27, at approximately 2 p.m. The boys are from Jackson.

## Chicago to Detroit Runners Ask Action Against Pollution

Two "Solution to Pollution Runners," Tony and Joel Ahlstrom, racing their way across the mid-west on a 10-day, 263-mile long distance run passed through Chelsea on Thanksgiving day this past week. The brothers, who are both students at Trinity College, Deerfield, Ill., left Chicago on Nov. 19 enroute to Detroit, distributing literature and talking with mayors and newsmen in the hopes that the anti-pollution problem will be more fully realized.

Running at a speed of eight miles per hour, the brothers covered approximately 26.3 miles per day. The course, which started in downtown Chicago, took them through their hometown, Jackson, and then on to Detroit, where they arrived at City Hall at approximately 2 p.m. on Friday, Nov. 27. They were carrying with them a special letter on pollution to be presented to Detroit Mayor Roman Gribbs, and his commission on Environmental Control.

from Mayor Richard Daley of Chicago, and his Commission on Environmental Control, H. W. Poston.

The night before the brothers' Chelsea appearance, they stayed at the home of their parents in Jackson, following their 26.3 mile run of the day before to Spring Arbor. They are accompanied by a fellow student, John Larson, in a Ford Van. The van was supplied by Courtesy Ford Automotive Sales, Inc. of Chicago. The Izaak Walton League is providing the runners with the anti-pollution literature.

The "Solution to Pollution Runners" are planning an even greater challenge next summer. "We have laid groundwork for a coast-to-coast run next summer," Tony maintained. "We want to prepare ourselves as runners this time and prove the urgency and validity of our message."

Trinity College, where the Ahlstrom brothers attend, is a four-year liberal arts college, and is sponsored by the Evangelical Free Church of America.

## B. Wengren Runs in AAU Championship

Bonnie Wengren ran Saturday, Nov. 28, in the USA AAU Championship in St. Louis, Mo., and placed 50th out of a field of 120 of the top girl runners in the United States.

Running in the Girls 14-17 division, she ran the fastest one and one-half miles of her life, completing the course in 8:57. According to her coach, John Bauer, this is one minute faster than previous runs.

Bonnie will start training this week for the indoor season, which begins Saturday, Dec. 19. Her first race will be in Chicago, on that date. Running her first half mile time trial this week, she made a run of 2:28, which Bauer indicates is a strong half mile first run. Her coach has great hopes for this upcoming season. Wolverine Parkettes, the team with which Bonnie is affiliated, took first place in the Open Women's Division, and placed second in the Girls 14-17 Division. Wolverine Parkettes was the defending championship team in both divisions from last year. The "Parkettes" are coached by Richard Bayat, of Lincoln Park. John Bauer is an assistant coach.

The training method which Bauer uses with Bonnie, and two other Chelsea girls, Peggy Kraai, and Janet Sibley was published in the form of a letter to the magazine The Woman's Track and Field World. According to Bauer, the article describes the unique training routine these Chelsea runners follow. Bauer indicated that if further use of this training improves the girls' running, that he will publish a booklet dealing with the details of the program. He indicated that several members of the U.S. Olympic team are interested in working under this training routine.

## Sixth Grade Doings

Until recently, junior high schools were made up of the seventh, eighth, and ninth grades. The trend, however, seems to be that ninth grade should be included in the high school and sixth grade should be included in the junior high school. Chelsea, which has made this transition, has what is called a "middle school."

The change from fifth to sixth grade offers many opportunities and poses a few problems for students. The following are selected excerpts from student themes on, "What It Is Like To Be In Sixth Grade."

We have an activity period in sixth grade which is held every Tuesday during seventh hour. There is a very wide variety of activity from wood work to stitching. It is like recess indoors and it sort of takes your mind off the ding blasted homework!

At Beach school on Tuesdays there is an activity period. I like the activity period we have because I am allowed to pick a new activity if I like. Some of the activities offered are Band Club, Sports Club, Home Economics, Knitting, Stitchery, and Journalism. Some of my friends joined Horse Lovers Club and Band Club. Some people are chosen to be in Journalism, Yearbook, and Student Council. I was chosen for Student Council. I like it because I am allowed to do things for the school, such as working in the book store, selling milk, and many other jobs. On Student Council there is a president, a vice-president, a secretary, a treasurer, and a sergeant of arms. I am staying in Student Council all year.

Lockers are new responsibilities in sixth grade. I like lockers because you can keep them however you want. Some people keep them clean, and some keep them messy. I usually keep mine pretty messy. When locker inspection comes, I will probably flunk!

I like the lockers. We keep our stuff in them. All the teachers would like us to keep our lockers clean. Teachers may surprise you and give locker inspections. Some teachers do not care if our locker is messy because it is our locker and not theirs. Some hate messy lockers so they have inspection to make sure it is clean. Then if it isn't clean, they make you clean it out.

I don't like some of the safeties on safety duty. Some of them are awkward. When they run in the halls they trip over each other. I like lunch because I get it free. It all started when we had study period and Mr. Conklin asked if anyone wanted to wash trays and get a free lunch. I wasn't paying any attention when I heard someone say, "free lunch." I went up and accepted the job.

There are several reasons why I'm glad there is no recess this year. The first is that I enjoy being stuck in my class knowing I could be outside playing and having fun instead of working. Second, if there were no recesses I would have nothing to complain about.

## Pickel Fund Reaches Total of \$1,027 To Help With Hospital Costs

Theta Gamma Chapter of Beta Sigma Phi sorority reports that \$1,027 was the total which the sorority collected to aid Mr. and Mrs. Jack Pickel of Pinckney. This fund money will alleviate the great costs incurred in the hospitalization of and eventual tragic death of their three-year-old and five-year-old sons.

The fund will be left open for a short time for donations that haven't yet arrived.

"In times like ours it is heart-

warming to know how much concern and generosity our local citizens and organizations have shown," said Teresa Abram, service chairman, following the drive.

DR. RAYMOND KAHN, professor of anatomy at the University of Michigan Medical School, discussed the problems of over population with Chelsea Kiwanians at their Monday evening, Nov. 30 meeting. The doctor, who spent some time in Japan studying their solution to over-population, indicated that one of their solutions to the problem dealt with abortion reform.

## Professor Discusses Problem Of Over-Population in World

Dr. Raymond Kahn, professor of anatomy at the University of Michigan Medical School addressed Chelsea Kiwanians, Monday evening, Nov. 30.

Dr. Kahn has been involved in teaching and research for the past 16 years. He spent several years doing research in Japan.

During his stay in Japan, the professor did some studies, collected information and data documenting the country's attempt to deal with their over-population problem. Japan's problem was unique in that the country had more than 75 million people living in a land area that equaled in size one fifth of the land area of the state of California.

To cope with what was an immediate food production-people use problem, Japan adopted a program which implemented abortion reform.

Results of this radical reform resulted in a zero growth rate. That is, the birth rate statistically paralleled the death rate.

Kahn noted that in the past few years, several European countries, such as Hungary, Czechoslovakia, and Sweden have adopted this type of reform to achieve a more level rate of growth which is applicable to the food production in that area.

Faced with the fact that by the year 2,000, there will be close to six billion people on the earth, roughly twice the present population, Dr. Kahn stressed that the world will have many future problems. Dr. Kahn's main message was not stressing abortion reform, it was merely an outlining of facts related to the population problem. Education of the public is the major problem which faces today's world, according to Kahn.

## Rec. Classes Need Instructors

Winter schedule for the Chelsea Recreation Association will be as follows this year. On Monday evenings, a Ladies Conditioning class will meet at the high school gymnasium. This class will meet from 7:30 to 9:30 p.m., starting Dec. 14.

Wednesday nights, a Men's Weight Lifting class will meet at the high school gymnasium. Hours will be from 7:30 to 9:30 p.m. This class started Dec. 2.

Boys basketball team, for 4th through 6th graders, will meet Saturday mornings at the high school gymnasium, from 9 a.m. until 11 a.m. The first class will be Saturday, Dec. 12.

Recreation Department needs help in running its winter program. Someone is needed to run the Men's Recreation program, which will meet Monday evenings, from 7 to 9 p.m. An instructor for the young girls' gym and games class is also needed for Saturday mornings from 9 to 11 a.m. Anyone interested is urged to contact Ken Larson, at 475-2650. These classes will be canceled if a leader can't be found.

Dark stained wood, to be covered with light-colored paint, must first be sealed with a recommended primer-sealer, with aluminum paint, or with shellac.

## ★ Socialism, U. S. Biggest Import

Can new conservative leadership reverse a longtime socialist trend in a national government? This is the question posed by the proposals of Britain's Conservative Party Leaders to reduce welfare spending and national subsidies and achieve a fundamental reform in the role of government.

The proposal is a fulfillment of the Conservative Party's campaign pledge made prior to the defeat of the Labor Party last June.

For the first time in 11 years, income taxes would be cut and many of Britain's cradle to the grave security programs would be affected.

Britons would pay more for medical prescriptions and some services under the national health programs. London's rail-road commuters would lose their subsidized service and have to pay higher fares. Farm and housing subsidies would be scrutinized.

The proposals have drawn outraged cries from leftists, trade union leaders, and socialists who have pushed the government into deficit financing, and inflation, resulting in new highs in inefficiency and new lows in productivity in British industry.

Main objective of the reform, according to Britain's Chancellor of the Exchequer Anthony Barber, is to concentrate government and public authority spending "on those tasks that they alone can perform and to enable the individual citizen to keep more of the money he earns, and have greater freedom in how he spends or saves his income."

If Britain can achieve this reform, it may encourage conservative members of Congress in both major political parties to fight further expansion of federal care spending.

Here in this country, organized labor and other "statism" advocates have pushed our government into following Britain down the dismal road of socialism every step of the way.

The tragedy of the great socialist experiments in both the U. S. and Great Britain is that they have often failed to help those who have been subsidized, and have created new and more difficult problems through excess government inflation which has resulted in ruinous inflation.

## **AMENDMENT TO**

# **LYNDON TOWNSHIP ZONING ORDINANCE**

The following amendments to the Lyndon Township Zoning Ordinance were adopted at the regular Board meeting held Saturday, November 14, 1970.

The following adds a new section to the zoning ordinance:

"No mobile home shall be permitted in other than mobile home districts, except, for temporary hardship cases (consisting primarily where the applicant is building a new home), where permitted by a Conditional Use Permit on a one year basis and the payment of the cost of a Conditional Use Permit."

**SECTION 16.11 — TEMPORARY OCCUPANCY OF MOBILE HOMES**

A. During the period of construction of a new dwelling but not to exceed a period of one (1) year, the owner of such dwelling premises, and members of such owner's immediate family shall

A. The mobile home shall be situated at such construction site provided that such owner intends to occupy as a residence such dwelling upon completion of its construction.

B. Such mobile home shall not be located between the established set back line and the public roadway or curb line of such premises.

C. The mobile home shall contain sleeping accommodations, a flush toilet, and a tub or shower bath adequate to serve the occupants thereof.

D. The sanitary facilities of the mobile home for the disposal of sewage and waste shall be properly connected to the public sewerage system available at such premises, and in case such system is not there available, then properly connected to the existing septic tank sewage disposal system which is approved by the Washtenaw County Health Department for the dwelling to be constructed thereat.

E. No occupant of the mobile home shall cause or permit waste to be discharged upon the ground surface of the premises nor cause or permit refuse to accumulate or remain thereat.

F. The water facilities of the mobile home shall be properly connected to the public water system available at such premises, and in case such system is not there available, then properly connected to the existing well system which is approved by the Washtenaw County Health Department for the dwelling to be constructed thereat.

G. A performance bond in the amount of one thousand dollars (\$1,000.00) shall be provided to insure the removal of the mobile home at the termination of the permit.

CONSERVATION CLUB AT WORK: Members of the Beach School Conservation Club help keep the school's "Nature Center" healthy. Above, Conservationists clear the area around evergreen plants.

CLEANING UP THE AREA around the Chelsea Nature Center "Nature Pond" is most important to Chelsea students. Of all places to find litter, a site dedicated to the preservation of various ecologies should not be one! The Nature Center

receives part of its funds from the "Greenspan Program," a part of the USDA Cropland Adjustment Program. Families and community groups are also encouraged to use the area.

Much of the work involved in maintaining trails, bridges, habitat at plantings, along with litter clean-up is done by students at Beach school. The Conservation Club devotes many activity periods to this purpose. Each spring other school groups pitch in for a massive clean-up effort. Last year many "E-Day" activities were concerned with the Nature Center. A trail cutting machine has recently been purchased by the Nature Center Committee. This should prove a tremendous help in maintaining and cutting new trails.

SPREADING WOOD CHIPS on the nature trails that wind through the Nature Center is another task Beach school students perform. A trail cutting machine has been recently purchased by the Nature Center Committee to aid in the cutting and

maintaining of the Center's trails. Many other groups aside from science classes find reason to use the center. Students from elementary school through high school art classes seek their inspiration in this area.

## TEACHER TOPICS

By Alice Steinbach  
Beach Science Teacher

"I like the Nature Center because it is convenient and very good for science classes."

"I like the Chelsea Nature Center because I think that there should be a place for wild animals in town. Some town people don't know about nature and a nature center can show some people what nature is like."

I like the Nature Center because you can see birds and many other things. We use it for science and you can use it for a short cut."

"I like working in the Nature Center most."

These are samples of Beach School student replies when asked what they liked best about the Chelsea Nature Center.

Former U.S. Education Commissioner, James E. Allen, recommends that every school should have "access to an environmental study area where youngsters of all ages may grow up with the concept of environment as being everything that makes up their world and with understanding of the interdependency of all its numberless elements."

The Chelsea Nature Center was established shortly after the 70-acre site was purchased for Beach school. A committee of staff members, students, and citizens of the community has been responsible for site development planning. The project has been financially aided by a federal grant under the Greenspan Program, a part of the USDA Cropland Adjustment Program.

The Science Department at Beach school has written numerous units of study involving the Nature Center's use. Sixth grade classes currently are participating in a study of plants and animals. The 7th grade spends the fall months studying ecology. The Nature Center offers many different plant-animal communities to observe. Eighth graders use the Center during the spring semester for a conservation unit.

Chelsea Nature Center use is not, however, limited to Beach school science classes. It is not uncommon to find an art class sketching or English classes seeking inspiration for a creative writing assignment. Elementary classes occasionally spend part of a school day in the Center. Chelsea High School biology and earth science classes often are in evidence. Families and community groups are also encouraged to use the area.

Much of the work involved in maintaining trails, bridges, habitat at plantings, along with litter clean-up is done by students at Beach school. The Conservation Club devotes many activity periods to this purpose. Each spring other school groups pitch in for a massive clean-up effort. ## ONE-MINUTE SPORTS QUIZ

1. Who is the new Yankee first base coach?
  2. Who won the U. S.-German Davis Cup finals?
  3. What boat defended the America Cup for the U. S.?
  4. What team won the Bengal-Brown pro football clash?
  5. Who is Jim Plunkett?
- (Answers elsewhere on this page)

The world is now facing a crisis in environmental quality. Today's youth will soon be assuming an adult decision making role in our society. With increasing frequency they will be asked to cast votes and make choices dealing with environmental issues. Our very survival may depend on the decisions made by these future citizens. Meaningful experiences in outdoor education areas, such as the Chelsea Nature Center, can help students gain knowledge and attitudes necessary for wise and responsible choices.

## Gridders of the Week

MARK COLLINS (left), junior member of the Chelsea varsity football squad, plays offensive and defensive halfback for the Bulldogs. He had played on various Chelsea football teams for five years, this being the first year on the varsity squad. He is sports-minded, being a sprinter on the track team, and a member of the Varsity Club. He likes to ski, and in the summer he swims. Mark works week-ends, and evenings, at the Chelsea Medical Clinic, where he does maintenance work. After high school, Mark would like to study to be a teacher, preferably in physical education. He lives at home with his mother, Mrs. Dorothy Collins, at 237 Railroad St., his older brother, Chris, and two younger brothers, Ronny and Tommy.

TOM MCKERNAN (right), is also a junior at Chelsea High school. He has played football for three years for Chelsea, this being his first on the varsity team. Other sport interests include track and wrestling. In track he runs the half mile. He has been on the wrestling team for two years. Tom would ultimately like to go to college, although he is undecided as of present which college he will choose. He lives at home with his parents, Mr. and Mrs. Mark McKernan, 20179 McKernan Rd. He has one twin sister, Ann. Tom's prophecy for next year's Bulldog squad: "I think it will be a good team."

## Area College Representatives Will Visit CHS

Representatives from the following colleges will be at Chelsea High school to talk with students, and parents who are interested, in their colleges, according to George Bergman, High school counselor.

Hope College, in Albion, will be in the Board Room of the

High school at 1 p.m. today, Thursday, Dec. 3. Representatives will discuss application procedures, tuition costs, scholastic studies offered, and answer any questions concerning the program offered at Hope College.

Other colleges include Mercy College who will send representatives on Friday, Dec. 4.

Monday, Dec. 7, Lansing Business University will be in Chelsea, while Washtenaw Community College will have representatives at the high school during third hour of Tuesday, Dec. 8. Aquinas College in Grand Rapids will visit the high school on Wednesday, Dec. 9.

Other schools who will be coming this month include Albion College, who will visit Chelsea

High school on Monday, Dec. 14.

All those who are interested in any of these colleges, but who may have questions concerning application are urged to attend these meetings.

### Compressed Speech Speeds Lectures

East Lansing—"Compressed speech," a kind of speed reading out loud, is a new teaching tool being tried at Michigan State University.  
Lectures recorded on tape at the normal 150 words per minute are slowed to certain consonants, vowels and hesitations and played back at high speed. Experiments show students can comprehend a 55-minute lecture in about 7 1/2 minutes.

The northern Lower Peninsula is by far Michigan's most popular deer-hunting area, reports the Department of Natural Resources. It draws well over 870,000 fire-arm deer hunters each fall.

### SUNDAY'S SERMON

#### ★ Just A Smile

A smile is something unusual. It is difficult to give a smile, even to a total stranger, without getting it right back in return. You can light up a room with a smile. Try it sometime. It usually works.

It's easy of course, to smile when you're happy. It isn't difficult to be generous with the world when the sun shines on everything you do.

The smile comes harder when you're down and out, when you've lost the game or the race. But, you can turn it on if you try—and you'll feel much better if you make the effort.

It takes courage to make the smile a permanent part of your personality. You can't always be happy. You will not always win. People are certain to disappoint you from time to time. But, if you can force that smile, if you can make it real, you're bouncing back for another look at the sunshine.

According to a Temple University School of Medicine study, smokers who quit smoking gain weight not because they eat more but because their rate of metabolism changes. The study involved 7 volunteers who quit smoking for one month. They had smoked from 8 to 22 years and averaged 28 cigarettes a day. All had slower rates of metabolism after they gave up cigarettes. Average weight gain was 6.5 pounds each. Only one volunteer reported eating more. He gained the most weight.

## Cub Scout Pack Holds Inspection, Presents Awards

Cub Scout Pack 455 held a formal inspection at the November pack meeting at South school Thursday evening, Nov. 19. In charge of the inspection were Phinis Case and Charles Burgess, assisted by Don Oesterle and Bobby Burgess.

Entertainment at the meeting included a skit, "Pioneer Days," presented by Den 3, Mrs. Vernon Otto, den mother; and a song, "Over the River and Through the Woods," by Dens 1 and 2. Cub Scouts of Den 1, Mrs. Charles Burgess, den mother, were dressed in their Indian costumes and those of Den 2, Mrs. Summer Oesterle, den mother, wore Pilgrim costumes. The costumes had been made at November Cub Scout meetings.

Den 1 was in charge of the opening and closing flag ceremonies. Awards presented at the meeting are listed as follows: Den 1, Mrs. Burgess, den mother—Billy Burgess and Leon Wheeler, recruiter badges; David Baldwin, wolf badge and gold arrow; Mike Biele, bobcat pin. Den 2, Mrs. Oesterle, den mother—Jeff Boyer, recruiter badge; Mike Waldyke and Doug Nutt, one-year pins; Pat Murphy, gold and silver arrows; David Waldyke, assistant denner's badge; Bill Maynard, denner badge.

Den 3, Mrs. Otto, den mother—Lucas Lovely, denner's badge; Mark Foster, assistant denner's badge.  
Webelos, Otis Titus, leader—Steve Dresch, Jon Oesterle, Don Aldrich, Steve Blass, Jim Alexander, Lance Fletcher, Jim Owens and Brian Lewis, scientist activity pins; Steve Schanz and Don Oesterle, den chief pins.  
All pack members who participated in the five-mile hike received their patches.

The December Pack Committee meeting is to be held Monday, Dec. 7, at the home of Mr. and Mrs. Charles Burgess. Den mothers are to meet at 7 p.m. and committeemen at 7:30 p.m.

# Duster vs. Vega.

## The big difference is not the \$57.65.\*

### How we got the \$57.65\*

	Duster	Vega
Base Car (2-Door Coupe)	\$2313.00*	\$2197.00*
Comparable Engine	125 hp	\$ 42.35
(horsepower)	slid.	(110 hp) opt.
White Sidewall Tires	\$ 31.95	\$ 48.20
(lowest priced available type)		
Duster—6.45 x 14 Polyester		
Vega—A78 x 13 Bias Belled		
Wheel Ornamentation	\$ 26.75	\$ 26.50
(Covers)		(Trim Rings)
TOTAL	\$2371.70*	\$2314.05*
Difference	\$ 57.65*	

Now that you know how we got the \$57.65\* we'll tell you what you get for it.

### Duster.

The big difference in small cars. We introduced Duster as the best transportation bargain in America. And it still is.

Furthermore, we designed the Duster to be America's "small-enough-but-big-enough" car. And it still is. Small enough for maneuverability in city traffic. And big enough for stability on the open highway.

Small enough to give you great gas mileage. Big enough to give you a little more power than other small cars' smaller engines. So before you buy a Vega, before you buy any small car, look at our small car.

It's the big difference in small cars.

### Room. For more people. More stuff.

Duster gives you eight more inches hip room in the front seat and 14 more inches in the back seat. And about two-and-a-half more inches shoulder room in front and six more inches in back. Duster's a five passenger car with a trunk that holds 15.9 cubic feet of things. Vega is a four passenger car with 9.3 cubic feet of room for hauling things. That means Duster can handle one more passenger and a lot more stuff than Vega.

### Torsion bars. Here's why we make a big deal of having them.

Duster has a torsion-bar suspension setup in front. Whereas Vega uses coil springs.

A coil spring works by bouncing up and down. But a torsion bar works by twisting and returning to its original shape. The way a piece of rubber hose reacts when you twist it.

Duster has 14 inch wheels. Vega's wheels are 13 inches. And Duster has an 11 inch advantage in wheelbase.

We believe all this adds up to better handling and stability for Duster.

### Options. Over twice as many.

There's a healthy list of conveniences and extras that Duster offers and Vega doesn't.

It includes power brakes, V-8 engines, a vinyl roof, etc.

A small economical car shouldn't have to go without some of the finer things in life unless you want it that way.

### Little things. When you add them all up, they aren't so little.

Duster gives you 664 lbs. more weight, instrument panel gauges (Vega uses lights), a counter-balanced hood (Vega has prop rod support) and a cast iron engine (Vega's is aluminum).

Vega, surprisingly, has no glove box; Duster does. Vega's rear quarter windows are fixed; Duster's open to bring in fresh air.

### Chrysler-Plymouth coming through.

We're coming through with variety. We have more kinds of new cars than anyone else in the business.

We're coming through with brand-new options. This year, we're offering 11 options you can't get on other kinds of cars. They're exclusive.

We're coming through with value. We make sure you get a dollar's worth of car for every dollar you spend. Our cars are built and engineered with extra care.

#### SENIOR CITIZENS

The November birthday party of Chelsea Senior Citizens, held Thursday evening, Nov. 19, at the Korner House, was attended by 37 members, including Mr. and Mrs. Lawrence Dann who came from Saline.

Dinner tables were attractively decorated in the Thanksgiving theme by the hostesses, Mrs. Gladys Klumpp, Mrs. Velma Dorr and Mrs. Leona Evans.

Two members were honored in observance of their birthdays—Vern List and Mrs. Dann.

The evening's entertainment included a period of group singing to the accompaniment of John Holzhofer's accordion playing and later, cards were played.

Thursday, Dec. 3, is the date for the December social meeting, beginning at the usual time, 7:30 p.m.

### Girl Scouts...

#### TROOP 58

Girl Scout Troop 58 opened their meeting with the girls which Tammy Lorenz brought to the meeting. They were turkey shaped cookies and punch.

The girls went to visit Dr. Lane's Animal Hospital. They saw them finish surgery with a dog, and Dr. Trempier showed them around.

Following the tour, he answered questions, so that the girls could complete their "pets" badge. The girls are working on a special troop badge also.

### Physical Conditions Are Important for Good Study Results

Reluctance to "tackle the books" among school-age children is often due to poor study conditions. "Most of us don't realize how important good light and posture are for studying," says Mrs. Helen Fairman, extension home economist for Washtenaw, Lenawee and Monroe counties. "When conditions aren't right for studying, fatigue sets in early, and attention wanders. Homework seems tedious and tiresome."

A few simple things can make studying easier for your child. Set a definite place for study—usually in a bedroom because there it's easier to provide good lighting, and it's quieter.

A level, non-glare work surface should be available—usually a desk with a blotter of some kind. The light color desk cover or blotter reduces sharp contrasts of light and dark, and makes it easier on your child's eyes.

"Never place the desk against a window," Mrs. Fairman advises. "A plain, light-colored wall. A straight-backed, non-upholstered, armless chair is recommended. However, research shows that studying on a soft chair or bed does not damage grades."

Books and reading material should be propped about 30 degrees toward the eyes. If the book is flat, the type is forced to be read, and reading is more difficult, Mrs. Fairman says.

Light should be placed so that it is close to the book or paper, with no glare bouncing up into the eyes, Mrs. Fairman says. If the child is writing or drawing, the light should be placed opposite the working hand, so that he isn't working in his own shadow. The light should be about eye level—about 15 inches above the desk top—and about 15 inches to the side of the book.

"150-watt bulbs should be used for reading," Mrs. Fairman says, "and 200-watt bulbs for study." In addition to this light in the study area, have good general light in the room to reduce contrasts. This is less tiring for the student's eyes.

With these conditions, study should be easier for your child—and so should better grades.

### 4-H Clubs

#### FREEER ACRES

Freeer Acres 4-H club met Tuesday evening, Dec. 1, at the home of Mrs. Robert Daniels. Meeting was opened by president Darlene Robbins, and secretary's report was ready.

The club made plans for their Christmas party which will be held at the home of Mrs. Robert Daniels from 3 to 6 p.m. on Dec. 15. Refreshments and entertainment, along with the traditional gift exchange will take place. A budget of from \$1 to \$1.50 has been set for the Christmas gifts.

Officers met and decided to draw names for committee members for the Christmas party.

4-H pins and certificates were handed out, by the president, and vice-president, Stephanie Aldrich.

Refreshments were served. The next meeting will be held on Dec. 8. It will be a combination Christmas planning and fun meeting.

Diane Robbins, reporter.

#### GINGHAM BELLES

Business meeting of the Gingham Belles 4-H club was held Dec. 1, at the home of Karen Romine. Eighteen members, and three guests, Mrs. Blanchard, Mrs. Morrison, and Mrs. Canine, were present.

Meeting was called to order by Beth Clark, vice-president. Treasurer's report was given by Martha Blanchard.

Christmas Bazaar was discussed. The girls are ready for it! It will be held at Dancer's Store, Saturday, Dec. 5. Each girl made gifts and baked goods to bring.

A "Get Well" card was signed to send to one of the leaders, Miss Grace Penhallegon, who is home following a stay in the hospital. Refreshments were furnished by Laurie and Julie Proctor. Next work meeting will be Dec. 8, 6:30 p.m. at the home of Mrs. Clark. This will be for Group III, which must have all their garments cut out.

Christmas and Caroling Party will be Dec. 15, at 7 p.m. at the home of Penny Wood. Refreshments will be furnished by Laddene Krieger, Sue Morrison, and Erin Headrick.

Karen Romine, secretary.

#### GLASS HISTORY

In 1901, for the first time, a machine was invented that could blow glass automatically and, in 1907, a further development enabled the manufacturer to turn out glass tumblers entirely by machine.

Errors often arise when men try to prove that they have been right.

## JUST BRUSHING IS NOT ENOUGH

It stands to reason that if a foundation is not secure then what is built upon it could have future troubles. So it is with dental health and hygiene. You must have healthy gums to have good teeth.

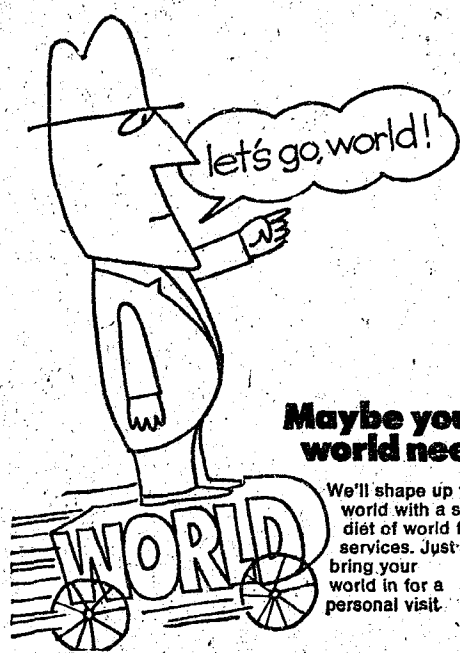

Even frequent brushing of your teeth is not enough if it is done incorrectly. A good brushing should take around three minutes with a good part of this devoted to the gums. Your dentist will explain to you the best method and equipment to use. We have all the products that he will recommend in our complete dental care section. Let your dentist check your gums.

Mrs. Danny D. Allen

## Sandra Lee Knoll, Danny Allen On Honeymoon to West Coast

Sandra Lee Knoll, daughter of Mr. and Mrs. Donald R. Knoll, 1220 Manchester Rd., became the bride of Danny D. Allen, son of Mr. and Mrs. Richard W. Fouty, of 13871 Riker Rd., and Mr. Ira Allen of Battle Creek, Saturday, Nov. 28, at 3 p.m. at the First United Methodist church. The Rev. Clive M. Dickinson officiated at the double ring ceremony.

Russell L. Beaman, 16610 Waterloo Rd., was organist, while Mrs. Star Laughlin sang the vocal solo, "The Lord's Prayer."

For her wedding, the bride chose a wedding gown of peau d'ange, with an embroidered bodice of alencon lace, with a touch of blue at the waistline, a scalloped scoop neckline, and long fitted lace sleeves. Small covered peau d'ange buttons fastened the sleeves. Her gown featured an empire waistline, flowing into an A-line skirt, which was trimmed with appliqued alencon lace, as was her detachable train. A double silk illusion finger-tip veil, with a headpiece of alencon lace, peau d'ange, and satin ribbons, embroidered with a touch of pearls, completed her costume. She carried a cascade of blue tipped carnations, white sweet heart roses, and greenery, with streamers of rolled velvet.

Mrs. Donald (Gail) Salzer of Chelsea, was matron of honor. Her A-line gown of deep blue velvet featured a high collar and long puffed sleeves. The gown was empire waisted, and was accented with ivory Chantilly lace. Her headpiece was a dark blue velvet rose, with gathered deep blue silk illusion. She carried a cascade of blue tipped carnations, white sweet heart roses, and greenery, with streamers of rolled velvet.

Bridesmaids included Miss Faye Policht of Chelsea; Miss Evelyn Estes of Ypsilanti; Miss Cindy Swanson of Milwaukee, Wis.; and Mrs. Gary (Karon) Moore of Chelsea.

## Carol Jedele, Gerald Tunningley Wed Saturday at Ann Arbor

Miss Carol Jedele, daughter of Mr. and Mrs. Alvin J. Jedele, of 13175 North Territorial Rd., and Gerald M. Tunningley, son of Mr. and Mrs. Max Tunningley of Gaines, were married Saturday evening, Nov. 28, at a candle-light ceremony at Redeemer Lutheran church in Ann Arbor. The Rev. John Huebner, of Faith Lutheran church, Dexter, officiated.

Mrs. Dennis Cox sang "O Perfect Love," and "The Lord's Prayer." Organist was Miss Sami Jedele, cousin of the bride.

For her wedding the bride wore a white peau d'ange gown accented with lace, which was appliqued on the sleeves, collar, and down the front. Her train featured the same lace applique. Her triple tier tulle veil, which was elbow-length, was fastened to a lace petal headpiece. She wore an heirloom pin at the neckline which belonged to the bride's maternal great-grandmother. She carried an Edwardian bouquet of white mums centered with a white baby rose corsage.

ENGAGED: Mr. and Mrs. Harold Planck of Tipton, Ind., announce the engagement of their daughter, Beth Anne, to Ralph Jay Johnson, son of Mr. and Mrs. Alfred C. Johnson, 115 Freer Rd. A Dec. 27 wedding is planned to be held at the Kemp Methodist church in Tipton, Ind.

## Club and Social Activities

Mrs. Theodore Londres, of Naperville, Ill., cousin of the bride, was matron of honor. She wore a willow green linen dress with silk organza overlay. Long sheer sleeves, accented with white lace, completed the dress, while her matching green veil was held in place with a matching bow. She carried yellow mums, and green star flowers.

Miss Phyllis Jedele, sister of the bride, and Mrs. Harold Losey, Saline, cousin of the bride, were bridesmaids. Their dresses were mimosa gold, in a similar style as the matron of honor's. They carried bronze, rust, and yellow mums with star flowers.

For her daughter's wedding, Mrs. Jedele wore a moss green linen dress with matching coat of venise lace applique. Her accessories were of the same color, and she wore a yellow cymbidium orchid.

Mrs. Tunningley, mother of the bridegroom, wore a mint green linen dress, with matching coat. Her accessories matched her gown, and she wore a yellow cymbidium orchid.

Miss Christina Tunningley, sister of the bridegroom, was flower girl. She wore a floor-length dress, in a style similar to that of the matron of honor, and carried a basket of bronze, rust, and yellow mums.

Richard Tunningley, brother of the bridegroom, from Gaines, was best man, while Terry C. Skutt of Fenton, and Larry Felch of Linden, ushered.

A reception following the ceremony, was held at the Grotto Club, Ann Arbor. Miss Carla Butler, cousin of the bride, was in charge of the guest book. Miss Andrea Nuttall poured punch, Mrs. Richard Bushe, cousin of the bride, poured coffee, and Mrs. Harold Pambarth, aunt of the bride, cut the wedding cake.

The couple has planned a delayed wedding trip to Florida.

The newlyweds will reside at 3231 Ray Rd., Fenton, where the bride teaches kindergarten in the Linden public schools. The bride is a graduate of Chelsea High school, and Michigan State University. The bridegroom is a graduate of Linden High school, and served in the U. S. Navy. He is presently attending Genesee County Community College.

## Rebekahs Elect New Officers

Chelsea Rebekah Lodge No. 130 met Tuesday evening, Dec. 1, at the hall. Election of officers for 1971 was held, with the following officers elected: Mrs. John Harook, was elected noble grand; Miss Nadine Packard, vice-grand; Mrs. Mac Packard, secretary; Mrs. Elwood Keizer, financial secretary; Mrs. Robert Hochrein, treasurer; Mrs. Al Hinz, three-year trustee; Mrs. Edith White, one-year trustee; Mrs. Geno Coltre, lodge deputy.

All appointed officers will be named after the next meeting.

Mrs. Richard Keizer and Miss Packard reported on taking a Thanksgiving gift to the adopted brother residing at the IOOF and Rebekah Home in Jackson.

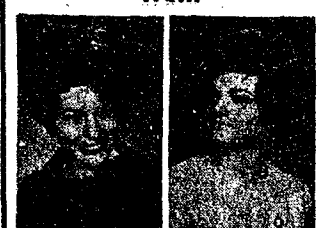

Announcements included the Dec. 10 birthday of the only charter member, Mrs. Rha Alexander, who has been a member of the lodge for 52 years.

A cash donation was made to be sent to the Rebekah Camp Board of Michigan to help toward the building of the new chapel being built on the grounds. The camp grounds are near Baldwin, and construction begins this spring.

Next meeting will be held Dec. 15. Each member is to bring half a dozen Christmas cookies.

Wardrobes of young people now run to nearly 90 percent in durable press fabrics.

## TIPS for your TOP from

## TODDY AND FRAN

There's no point in having a pretty head if your brows are knit below it in a worried frown. We know you're frantic that the holiday season got here again before you'd recovered from last year. Time does that lately. But it need not upset you, as we repeat year after year. Take your Christmas list and check off all the women from age 8 to 78. Come in and let us make out gift certificates for them to cover the amount you want to spend. Some may merit a permanent, others only a manicure, but you can believe there's a beauty appointment that will please each one personally.

## Legion Auxiliary Has Christmas Party

December meeting of the American Legion Auxiliary was held at the home of Mrs. George (Ruby) West, beginning with a pot-luck dinner. Gifts were then exchanged.

Meeting was called to order, and 17 members were present.

A report was given on the gifts purchased for the Veterans Administration Hospital, in Ann Arbor. An open house is scheduled for Sunday, Dec. 6, from 2 to 4 p.m. The public is invited to view the gifts.

A letter from the Department of Michigan was read, urging all members and the public to write to their United States Senators, Congressmen, Hanoi, and the Paris Peace Talks, requesting the release of American prisoners of war.

A joint Christmas party with the Legion will be held on Sunday, Dec. 13, at 5 p.m. at the Legion Home. Meat and coffee will be furnished, the rest being pot-luck.

Next Auxiliary meeting will be Jan. 5, at 8 p.m. at the Sylvan Town Hall.

Draperies are more satisfactory when they are lined. Lining protects the fabric from light and moisture and lessens fading. Lining also gives body to the drapery fabric and makes the drapery hang better.

## CHELSEA VILLAGE COUNCIL PROCEEDINGS

December 1, 1970  
Regular Session

This meeting was called to order by President at 8:00 p.m. in the Council Room.

Present: President Fuls, Clerk Harvey, Administrator Weber, Trustees Miller, Gorton, Musbach, Boylan and Chandler. Absent: Trustee Dmoch.

Others present were C. D. Director Beach, Richard Hoelzer, Jon Parsons, Robert Merkel and Jack Merkel.

Mr. Jon Parsons of the Washtenaw County Health Department discussed further with the Council the water and sewer tap-in charges at 447 Railroad Street.

Motion by Gorton, supported by Chandler, to refer the matter to the Village Attorney for an opinion on a possible solution to the problem. Roll call: Yeas all. Motion carried.

A discussion was held with Robert and Jack Merkel and Richard Hoelzer regarding the denial of building permit by the Zoning Administrator for a building located between 412 and 416 Wilkinson St. The parties were advised that they make an official appeal to the Zoning Board of Appeals (Village Council) for a decision.

Bids were requested for the purchase of a new 1971, one ton cab and chassis with a trade-in allowance on a 1965 Dodge cab and chassis to be used by the Electric & Water Department. Bids were received as follows: Spaulding Chevrolet Sales & Service, \$2,376.14; Palmer Motor Sales, \$2,402.09; G. A. Sales & Service, \$2,271.27. One noted exception on the bids was from G. A. Sales with the H.P. rating on their bid being lower than that specified.

Motion by Gorton, supported by Musbach, to accept the bid for the purchase of a new 1971 cab and chassis with trade-in allowance on a 1965 Dodge cab and chassis for the Electric and Water Department from Spaulding Chevrolet Sales & Service in the amount

of \$2,376.14. Roll call: Yeas all. Motion carried.

Motion by Miller, supported by Gorton that payment in lieu of taxes of \$20,000.00 from the Electric & Water Dept. to the Village General Fund be repaid. Roll call: Yeas all. Motion carried.

Motion by Boylan, supported by Chandler to enter into a contract with the engineering firm of Pinkbeiner, Pettis & Strout to render engineering service in connection with the Sanitary Sewerage Improvement Projects as follows: From Sibley Rd. pumping station SW to abandoned railroad west of Wilkinson St.; south from abandoned railroad to Old US-12; from Wastewater Treatment Plant east and south to Chelsea-Dexter Rd. and Chelsea-Dexter Rd. to Freer Rd.; relocation of existing force main onto Freer Rd. and extension of existing Freer Rd. sewer to Chelsea-Dexter Rd.; Freer Rd. pumping station south of Washington St.; foremain from Freer Rd. pumping station north to Chelsea-Dexter Rd. Roll call: Yeas all. Motion carried.

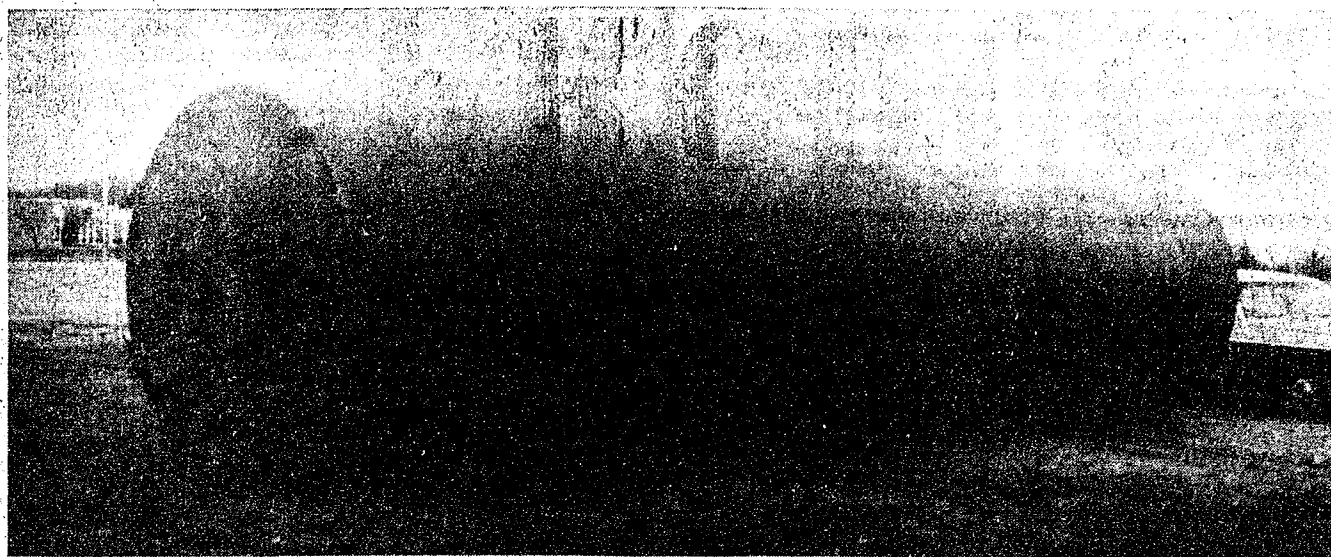

A report was read from the Village Attorney regarding the Circuit Court Hearing that was held on Monday, Nov. 30, 1970 as a result of a complaint filed by the Water Resources Commission against Longworth Plating Service and the Village of Chelsea.

Motion by Miller, supported by Musbach, to authorize and direct the Clerk to issue General Fund checks in the amount of \$2,107.45 in payment of bills as submitted. Roll call: Yeas all. Motion carried.

Motion by Miller, supported by Gorton, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

Richard Harvey  
Village Clerk.

12,000 GALLONS OF GAS, that's how much this tank, a newly acquired addition to the Chelsea School system, will hold, according to Business Manager Fred Mills. The tank is eight feet in diameter, and 32 feet long. According to Mills, it holds enough gasoline to keep Chelsea's school buses running for an entire month. Presently the school is using a 1,000 gallon tank which is buried near South school. The major disadvantage with that tank, aside from its location in the middle of the school yard, is its size. That tank must be filled nearly every other day. According to Mills, the new tank can get down to a level as low as 2,000 gallons, and allow the school system to operate for a week or so while a fresh truckload

of gasoline is on its way. It takes one entire tanker truck of gasoline, plus 2,000 gallons, to fill the tank. Another advantage which prompted school officials to purchase the new tank is the fact that by buying gasoline in such large quantities, the district saves two cents per gallon. "When you're talking in terms of a 12,000-gallon purchase, that adds up," Mills stated. The new tank cost the school \$1,230 to purchase, and will cost approximately \$800 to have it buried. Paul Bollinger will bury the tank, at a depth of 2 1/2 feet under the surface, with a six-inch reinforced concrete slab on top of it. The tank was purchased from Ross Tank and Welding Co., Munith.

## Cub Scouts Ready with Trees

Chelsea Cub Scouts, and their dads joined together once more this year, to sponsor a Christmas tree sale, profits of which go towards the support of local Cub Scouts. The Packs involved are Packs 415, 435, 445, and 455.

Quality trees will be cut at different times this year, to assure recipients of the best tree possible. Scotch pine were cut Nov. 22, and spruce will be cut Dec. 6.

Trees will go on sale officially

Dec. 7, at two locations within Chelsea. Location number one will be at the home of Tobias Peterson, 705 S. Main St. Peterson, and his wife, Sandy, do a fine job of helping support local scouts. Second location will be at the back of the parking lot between Merkel Furnishings and McKune Library. This is courtesy of George L. Staffan.

For those wishing to buy a tree who find that no one is on the lots, they are urged to pick their

tree, and pay at Merkel's store, or at the Peterson home. The lots will be attended by Cub Scout fathers and sons between 5 and 9 p.m., Monday through Friday. Saturday the hours will be from 9 a.m. until 5 p.m.

Sale lasts until Dec. 23. Signs will be posted at selling areas. Chairman for this year's project is Vern Otto. Don Kvarnberg is co-chairman.

## Witnesses Will Attend 3-Day Training School

The Chelsea congregation of Jehovah's Witnesses was informed this week about a three-day training program to be held at the W. K. Kellogg Auditorium, Battle Creek, Jan. 15, 16, 17. The announcement was made by R. P. Tyskiewicz, presiding minister of the group.

Plans to attend the three-day assembly will include the Chelsea congregation, along with 15 other congregations of Jehovah's Witnesses in southern Michigan.

## Michigan UF Will Honor Fund Directors

Gary A. Brecht, chairman of the 1971 Chelsea Community Chest campaign will be among those campaign leaders from local United Fund, Community Chest, Re-Feather, and Torch Drives all over Michigan who will be presented with award plaques at Michigan United Fund's 1970 Campaign Achievement Celebration, to be held Thursday, Dec. 6, at the Kellogg Center in East Lansing.

Charles P. McDonald, Director of Administration of Dickinson, Wright, McKean & Cudlip, Detroit, and President of Michigan United Fund, has announced, "We are exceptionally fortunate to have secured for our feature speaker, Major General Francis L. Sampson, chief of chaplains, United States Army, a really interesting and humorous man with an amazing background of war experiences."

Also featured for the luncheon program will be Ginger Ann Myers, Lincoln Park, Miss Michigan of 1970, who will provide entertainment and assist in the awarding of plaques.

Those attending will be guests of the Ford Motor Co. The theme of the meeting is "Living, Giving, Working Together."

## Pvt. James Osburn Finishes Basic Training

San Diego, Calif.—Marine Pvt. James E. Osburn, son of Mr. and Mrs. Harold J. Laraway of 9438 Bethel Church Rd., Manchester, Mich., was graduated from basic training at the Marine Corps Recruit Depot, San Diego.

A good friend is one who doesn't care how much money you have.

PFC. KEITH GUSTER

## Pfc. Keith Guster Home for Visit

Pfc. Keith E. Guster of the United States Marine Corps, is visiting his parents, Mr. and Mrs. Carl Simpson, Sr., and brothers, Bruce and Marvin Guster, and Carl Simpson, Jr. The Simpsons live at 3250 McKinley Rd.

Keith received his training in San Diego, Calif., where he will return Dec. 6, to continue training as a seaman. He is a 1970 graduate of Chelsea High school.

Keith has two sisters, Mrs. Frank Matthews, of Detroit, and Mrs. Diana Haler, of Ann Arbor.

Another brother, Carl Glen Guster, arrived home the same week from Los Angeles, Calif., for a visit, after being away from home eight years.

## Scholastic Aptitude Tests Set Saturday

SAT's, or Scholastic Aptitude tests, will be administered at Chelsea High school this Saturday, Dec. 5, according to Chelsea High school counselor, George Bergman. According to Bergman, this is the fifth year that Chelsea has been chosen as a testing center for the very important examination commonly known as the "College Boards" exam. This is the only date all year that the test will be given in Chelsea. Approximately 40 students have signed up to take the tests, which will begin promptly at 8:30 a.m. Students are urged to be at the testing station by 8:15 a.m. so that the testing may begin on time. Tests will be administered in the library.

In the afternoon, the Achievement tests of the SAT's will be given. Bergman indicated that these tests are not specifically for college application, but are used generally to aid placement of a student in the proper classes once admitted to a specific college. Achievement tests are given in the subject areas.

The following week, a competing examination, the ACT's series of tests will be given. ACT is short for American College Testing. It is given three times a year in Chelsea, in December, February, and April. ACT tests are also a test upon which colleges base acceptance.

Bergman indicated that only two schools within the state of Michigan, Michigan State University, and Eastern Michigan University, will accept either one test or the other as a means of admission. All other colleges accept only one of the tests. Students are urged to check catalogues of the colleges in which they are interested to decide which examination they should take. Most private schools, the so-called "prestige schools" require the scores from the SAT to be submitted, while of the 28 junior colleges within Michigan, nearly all—with some exceptions—ask for ACT scores.

Next SAT tests will be administered in January. Bergman said that the nearest testing center is Ann Arbor. To apply for the test at that time, a student must contact the counselors for the proper application form.

Mrs. Dorothy S. Conlin, and George Bergman will administer the tests, with assistance from George Prinzing.

Sports aren't everything but they provide good competitive training for boys and girls.
